## MANY PRONOUNCE 1933 HOMECOMING AMONG THE BEST

Prominent People Are Enthusiastic About the "Repeat 1903"

### PRAISE IS UNANIMOUS

Dr. Barton Says Homecoming Was Soberest, Cleanest and Most Effective

Prominent alumni and faculty members were unanimous in their praise of the 1933 Homecoming celebration when interviewed yesterday. That it was the most enthusiastic satisfactory of Homecomings seemed to be the consensus of a great many.

"In the period of over 30 years that I have been associated with the university, I have never seen a better spirit among the students, nor can I recall a more spectacular game played at Idaho." This was the enthusiastic statement made by Dr. J. G. Eldridge, dean of the faculty.

Homecoming Most Effective  
Dr. J. W. Barton, when asked his opinion on the game replied, "It was the soberest, sanest, cleanest, and most effective Homecoming we have ever had. All alumni went away from here perfectly satisfied. The game was the cleanest and hardest fought of any I have ever seen here."

"The alumni and visitors this year were the most enthusiastic and appreciative of all the groups that have come in many years." Dean Permeal J. French. "The alumni were most appreciative of the efforts made by the students for their care and entertainment. Their full appreciation will be demonstrated by the Homecoming next year."

It was the opinion of Earl David prominent Moscow alumnus that this year's Homecoming will do more to advertise the university throughout the state than anything that has ever been done. "I talked to one alum who had not been back to Idaho for 20 years," he said, "He said I will never miss another Homecoming celebration."

Best in Six Years  
Louis A. Boas, editor of the Moscow Daily Star Mirror, said, "It was the best Homecoming that I have seen here in six years. The colorful game Saturday was extraordinary."

Dr. J. A. Kostalek, dean of the College of Letters and Science was extremely enthusiastic in his praise of the celebration. "There was certainly the finest kind of spirit and enthusiasm I have ever seen," he said. "It was a real period of happiness and joy. One might call it a return of sentiments. I believe it was the most delightful weekend I have ever experienced here."

Burton L. French, president of the Alumni association was equally enthusiastic in this statement. He said, "The Homecoming day was by all odds the finest event of its kind I have ever experienced. It was made great by the presence of many alumni and a feeling of good will and affection that was manifested throughout the whole program."

"I thought the Homecoming a remarkable success," said Prof. F. G. Miller of the forestry school. "There was evidence of good organization on every hand making it possible for details to be very well carried out and managed. Armistice Day contributed notably to the whole occasion."

### DR. NEALE GOES TO LAND GRANT MEET

Dr. M. G. Neale, president of the University of Idaho, left Sunday morning, by train for Chicago. While in Chicago he will attend a meeting of the presidents of the Land Grant College association from November 13 to 18 and he will also attend a meeting of the National Association of State Universities, November 16 and 17.

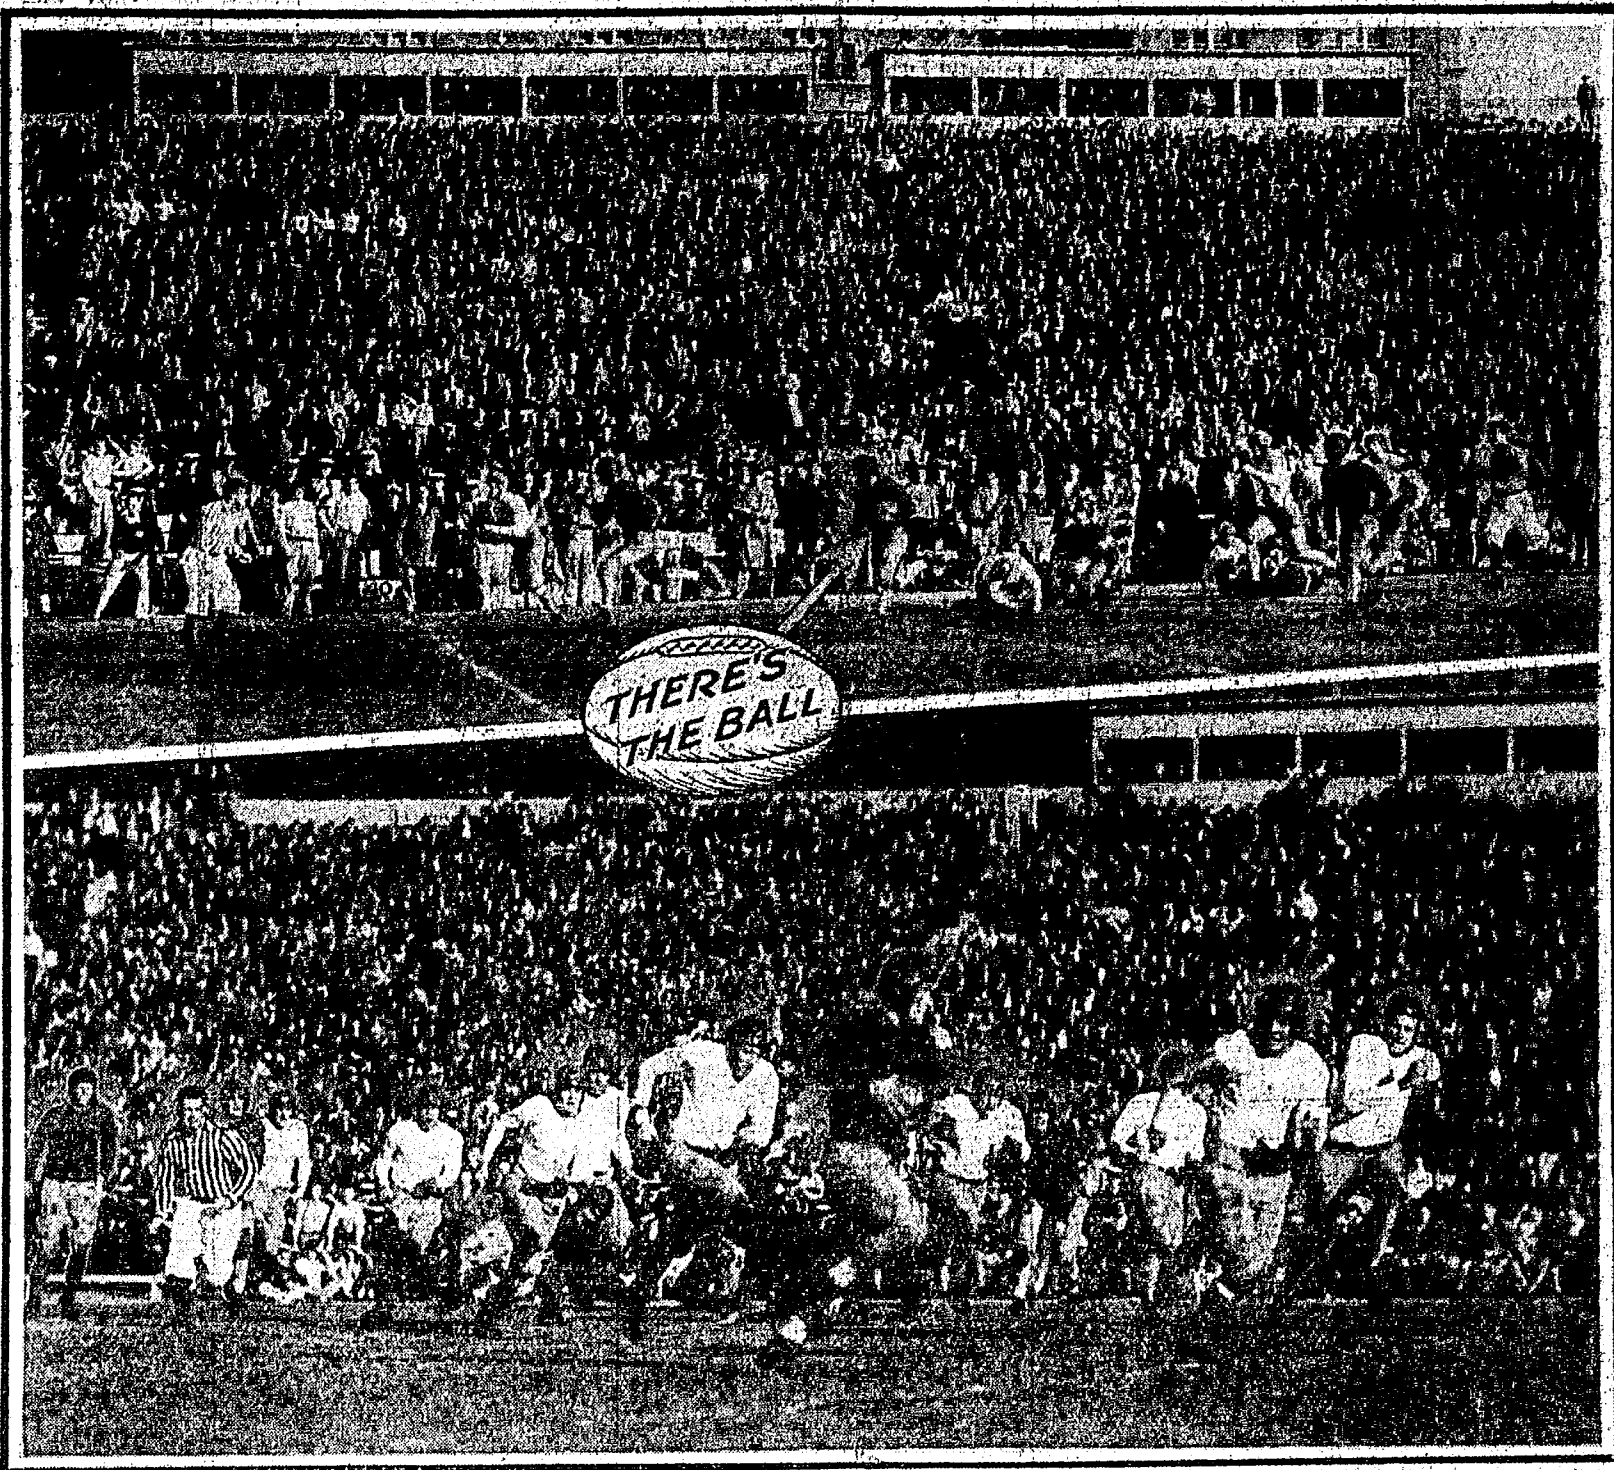

The meeting of the Land Grant College association will include the presidents of every land grant college in the United States.

Dr. Neale will be gone about two weeks coming back the latter part of this month.

**NOTICE!!**  
Argonaut staff meeting in Ad. 201 Wednesday afternoon at 4 o'clock. Every member of the staff must be there. Your absence will be noted!

## "Little Giant" Smith Giving The Homecoming Crowd Some Thrills

OFF TO THE RACES against W. S. C. Action photos of Willis Smith on two of his sensational jaunts into Cougar territory in Saturday's Homecoming game. The top picture shows the "Little Giant" crossing the W. S. C. 45-yard line on his 85-yard touchdown dash early in the second quarter. Behind him is a trail of would-be Cougar tacklers who either missed him on his initial spurt when

he scooped up Sorboe's quick kick, or were sprawled on the ground by Smith's teammates, who formed interference for him, down the sideline. Another Idaho player is heading off a W. S. C. tackler in front of Smith. Sorboe, the Cougar safety and last man between Smith and pay dirt is not shown in the picture. With the aid of another Idaho blocker, Smith sidestepped him, and crossed the goal

line standing up. Trailing Smith is Christofersen, W. S. C. half, who took up the chase but ended in a futile dive at the flying midget's heels just as he crossed the goal line. Standing in front of the W. S. C. bench just in front of Smith is coach Babe Hollinbery, who has just swallowed his cigar or whatever coaches chew during heart-weakening games like last Saturday's.

In the background is part of the crowd of 10,000 people who saw the game and near the middle of the guest box at the top of the stands is Mrs. C. Ben Ross, wife of the governor of the state of Idaho. She is wearing a chrysanthemum and standing up along with every other roofer in the crowd. The bottom picture shows "Wee Willie" skirting his own right end,

pursued by nine W. S. C. tacklers. Bendele and Christofersen, Cougar backs, are heading him for the Idaho stands. Sorboe, Cougar safety, finally brought him down on the W. S. C. 25-yard stripe—about a gain of 26 yards. Idaho players in the background are John Norby, Russ Honsowetz, and Chick Wilson with big grins on their faces.

## WASHINGTON STATE WINS ARMISTICE DAY BATTLE HERE

Football Game Proves to Be Harder Fought Struggle Than Score Indicates

### "WEE WILLIE" SCORES

Crowd of 10,000 Comes to Its Feet As Speedy Willis Smith Runs Back Kick

After failing to penetrate the Idaho defense on running tactics, Washington State's Cougars took to the air to win over the Vandals, 14 to 6, before an Idaho Homecoming crowd of 10,000 last Saturday. The winning touchdowns came as a result of nicely executed passes, the first being a 20-yard pass from Sorboe to Bendele who eluded four tacklers for the first score of the game. The second was a heave over the goal line in the third quarter to Klawitter with Sorboe again doing the flipping.

Idaho's score came early in the second quarter as a result of an 85-yard quick-kick return by Willis Smith, who ran through the entire Cougar club for a touchdown, to hang up the most sensational run seen here in years.

W. S. C. Fumbles  
The Cougars received the opening kickoff, and ran it back to their own 47-yard line where Honsowetz recovered a Washington State fumble. After making a first

down, the Vandals tried a pass which was intercepted by Sorboe. After a double exchange of kicks, the Cougars ran the ball to the Idaho 46, lost three yards on the next play, and on the next play, Sorboe tossed a 20-yard pass to Bendele, veteran Cougar half, who got by four Idaho tacklers to score. Dahlen was sent in to make the place kick, which was good. Willis Smith took the kickoff and in six plays advanced the ball 48 yards to the Washington State 2-yard line, where the quarter ended.

A fast pass from center and a fumble on the first play ended the Vandals scoring threat when the Cougars recovering on their own 9-yard line. Attempts by the Cougars to garner a first down were unsuccessful, and Sorboe booted a 60-yard quick kick over Willis Smith's head which rolled down to the Idaho 15-yard line. Although two W.S.C. tacklers were within five yards of him, "Wee Willie" took the ball, veered toward the Idaho stands, shook off the Cougar tacklers, and made a short cutback to the opposite side of the field, and zig-zagged 85 yards past the rest of the W.S.C. men who were blocked out by Idaho players. Christofersen tried an unsuccessful dive at the elusive Vandal back just as he crossed the goal line. The try for point was

The cast for the play is as follows: Anna Pavlovna, Erma Lewis, Sasha, Margaret Moulton; Victor Karenin, Clayne Robison; Sophia Karenina, Rosanne Roark; Theodore Protosov (Ferya), F. C. Blanchard; Elizabeth Protosava (Lisa), Ethyl O'Neal; Prince Serguis, Raphael Gibbs; Masha, Alberta Bergh; Ivan Makarovich, Clarence Anderson; Nastasia Ivanovna, Helen Lawrence; Ivan Petrovich, Cassidy Taylor; Petushkov, Joe Plaquet; Afremov, Frank Bovey; Artemiev, Earl Bopp; magistrate, Mark Felt; officer, Bill Cherrington; nurse, Coine Anstutz; Melnikov, Charles Baker; Vosnesensky, Clyde Chaffins; waiter, John Daly; second waiter, Howard Russell; clerk, Frank Bevington; young lawyer, Bill Cherrington; Petrushin, Frank Bovey; a gentleman, Mark Felt; guard, Paul Selby; Protosov's maid, Bernice Dittler; Stakhog, Harrod Ending; Butkevitch, Robert Herrick; Korolkof, Aldrich Bowler.

Eight singers, under the direction of Professor Carlton Cummings, and a string trio will also be used in the play. Theodore Pritchard, head of the art department, will design the sets, and the costuming is in charge of Miss Marian Featherstone and Dorothy Ward.

### NAZIS DISLIKE SONG

The German authorities have discouraged publication or circulation of the popular song, "Lazy Bones," in Germany. It was learned in publishing circles in London recently.

The Nazis frowned on the song because they felt it encouraged idleness and does not conform to the new national ideals of the Reich under Chancellor Adolf Hitler.

### VOTE ON CHANGES TODAY

The election for the additions to and the modifications of the ASUI constitution will be held today. The booths are located opposite the entrance to the auditorium, and the polls will be open from 10 a. m. until 3 p. m. All members of the ASUI are urged to participate in the voting.

### SALE OF MUMS WAS A SUCCESS

Mortar Board Members Entertained Their Alumnae at a Breakfast Saturday

"We feel that our sale of chrysanthemums for Homecoming was most successful this year," stated Maybelle Donaldson, president of Mortar Board. "We sold every one of our flowers and made about \$50." Orders for the chrysanthemums were taken early in the week and they were delivered Saturday morning.

About 15 Mortar Board alumni were present at the breakfast given by the local chapter in their honor at the Blue Bucket Saturday morning. Among those present were: Elsa Eisinger, president of the organization last year, and Lois Thompson, president in '31. Short talks were given by all of the former presidents and the new advisors, Miss Dorothy Frederickson and Miss Ida Ingalls, were introduced.

Miss Esther Bowman, Helena, Mont., sectional director of Mortar Board, will be on the campus for her annual tour of inspection Sunday and Monday. This chapter is one of six she will visit on her trip. Sunday Miss Bowman and all members of Mortar board will be guests of Phi Beta Phi for dinner.

The California Daily warns that egg-throwing must cease in the Greek theatre at Berkeley, or the theatre will be closed to student rallies. Every egg thrown in the theatre costs the theatre corporation \$6. The penalty to be inflicted on the egg tossers consists in having all eggs found on anybody broken while still on the body of that person.

## PLANS ANNOUNCED FOR SENIOR BALL

Date of Dance Set for Dec. 16 at the Blue Bucket; Tickets Are \$1

The Senior ball, annual formal affair given by the senior class, will be held December 16 at the Blue Bucket Inn. Final plans were completed at the last general meeting of all committees connected with the dance.

Charles Hill, general chairman of the dance, stated today that it was the committee's wish to give the students just as elaborate a ball as in the past at much more reasonable rates.

"Tickets this year will be only \$1," said Hill, "and we are limiting the number available for sale to 150. Seniors of course, will be given first consideration."

"Before," he said, "tickets for the ball have sold for \$1.50 or \$2. We also believe it will prove a money-saving plan to have the dance at the Blue Bucket instead of at the Elk's temple. Taxi fare from the campus will be saved."

### Christmas Motif

Unique decorations are being planned by the committee of which Oliver Davis is chairman. "Something new and different," is what the committee claims will result from their work. It will probably carry out the Christmas motif.

Committees for the ball are: Charles Hill, general chairman; decorations, Oliver Davis, chairman; James Potter, Victor Baumgartner, Marjorie Talbot, Mildred Peterson, and John Fattu; finance: Allen Severn, chairman, Jack Ficke, and William Gneddinger.

Entertainment: Ivy McPherson, chairman, Frances Hanley, Jedd Jones, and Glenn Bandelin; invitations, William Ames, chairman, Marian Fry, and Bentley Galligan; programs, Carol Livingston, chairman, Rita Yost, and Ferd Koch; publicity: Richard Stanton, chairman, and Margaret Moulton.

All Gem pictures must be taken by Christmas this year. Make your appointments now! Avoid that last minute rush.

### PEP RALLY WEDNESDAY

"The team is leaving Wednesday evening for Berkeley where they will meet the California Golden Bear. Let's get out 100 per cent and give them the best send off of the year!" urged Lloyd Ruitcel, yell king, Monday night. "You've shown you had the old Idaho Spirit! These last two weeks. Let's not let it die out now."

The Pep Band will start at the Gamma Phi house at 7:05 p. m. tomorrow and everyone is to join in a parade to the Union Pacific station where the general rally will be held. Pep talks will be given and the "I" club and Intercollegiate Knights will be out to aid in getting everyone out.

"It'll only take a few minutes of your time and it is the least we can do to show our backing and appreciation to a fighting ball club," Ruitcel said.

### BUDGE WILL BE DINNER GUEST

To Be Given Friday; Is Chief Justice of Idaho Supreme Court

A dinner will be given Friday evening in honor of Judge Alfred Budge, chief justice of the Idaho Supreme court, who will visit the College of Law during the day, by the students and the faculty of this college. Judge Budge will deliver an address at the dinner.

Judge Budge has been on the Supreme bench since 1914 and he has served as chief justice in 1917, 1923, 1929, and was elected again in 1933. He was also instructor in law at Northwestern University College of Law during the summer of 1923. He is one of the veteran members of the bar and the Supreme court.

His son, Hamer H. Budge, is now enrolled in the College of Law at the university.

Take your orange picture permits to Sterner's or Hutchinson's and have your Gem picture taken now. Avoid that last minute rush.

## START DRIVE FOR GEM PHOTOGRAPHS

Deadline Is Christmas; Get Appointments Soon to Avoid Delay

The fall campaign for Gem of the Mountain individual pictures has started. Make your appointments now! All pictures must be taken by Christmas this year.

In previous years, the time limit has extended to the end of the first semester, but in order to take advantage of the engraver's discount which will make it possible to put out the yearbook at a reduced price over that of last year.

Students should make their appointments with either Sterner's or Hutchinson's studio as soon as they receive orange slips from their house managers or house presidents. These permits are issued to the various groups, including Tau Mem Aleph and Daleth Teth Gimel, as soon as the money has been turned over to James Kalbus. Most of the groups have already paid, and those who have not, must have the money in by the 20th of this month.

### Inaugurate New Plan

Pictures have been delayed this year because of the new plan inaugurated this fall to have students pay for their pictures through the groups in order to effect a saving, and also because of the beard growing. Because of this, appointments must be made immediately in order to avoid a last minute rush.

All the pictures will be informal this year, including the senior pictures. Those students who do not pay for their pictures through their groups must pay \$1.50 instead of \$1. Those who do not have their pictures taken before Christmas are simply out the dollar they have paid. Students who are not affiliated with any group are to call the studio, and arrangements have been made to take care of their pictures at the same rate as members of group houses are receiving.

## A Tribute To Our Neighbors

It's all over now, but before the accounts of that great game last Saturday are recorded on the books of Time, there should be passed out some bouquets, leather medals, or whatever comes to those deserving—and there were lots of them. Whether it be treason or not, the first rightly goes to the conquerors, the Washington State football team, even if they were out-charged, out-fought, out-played, and out-gained, for after all, they did win the game. So congratulations, Cougars. We don't mean this as a left handed compliment, either. Idaho made two mistakes in 60 long minutes of hard football, and you cashed in on both of them. You have a smart team and a great team.

It would mean a lot to us over here at Idaho to have that 8-year record of never being defeated on your home field broken, but when the time comes for it to fall, the Vandals want to be responsible for it. The Lord knows that we have come closer to doing it on more occasions than any other three teams put together. There's another year coming, and we'll do it yet, so when those Washington Huskies invade your gridiron next week, Idaho will be rooting for the Cougars just like they did three years ago when you played U. S. C. And not without reason either. A W. S. C. victory would prove that that disastrous September game Idaho played with Washington was a mistake. Any team that Idaho can out-play we'd like to see beat the Huskies. So look out, Washington! and look out, California! They turn out some real football teams up in these Palouse hills as both of you will find out in the next couple of weeks.

## To The Fighting Vandal Team

Congressional medals, Victoria crosses, croix de guerres by the dozens, bronze plaques, and stained glass windows have been suggested for Idaho's Willis Smith, and no doubt he deserves them, too. It was a great game that Smitty turned in last Saturday—a fitting climax to three years of earning, Saturday after Saturday, and rightly too, the distinction of being the greatest open field runner on the Pacific coast.

But it wasn't a one-man team that represented Idaho out behind the Ad building Saturday. There were 11 Vandals out there—at one time 12—who were making that old slogan, "Idaho Fights" live again, who were playing circles around the whole Cougar team, who were playing the greatest game of their careers, who were fighting their hearts out with a minute to play and the score 14 to 6 against them. It was a real team you sent against the Cougars, Mr. Calland, and one the school and alumni are proud of.

We can't bestow any medals or memorialize any of your boys with stained glass windows, but there is something we can do and that's get out for the rally and send the team off to California with the knowledge that every man and woman in the school they represent is behind them to the last game, win or lose.

## A Successful Homecoming—Congratulations

Congratulations are certainly due to every organization, group, and individual having anything to do with our Homecoming celebration. From the Thursday afternoon mixer to the last event Saturday night, everything went off with clock-like regularity and unbelievable success. It was a great Homecoming—as great a one to our knowledge as has ever been staged on the Idaho campus. We lost the game—yes, but it was nevertheless a fine game and a fine Homecoming.

The student body as a whole has an unlimited amount of credit due it for the spirit shown over the weekend and for the last three weeks. As one grad put it: "I can hardly believe that a group of students as large as this can get behind one movement—the 1903 campaign—and back it 100 per cent as this one did."

Thousands of alumni and visitors felt the same way as this one, agreeing that it was wonderful exhibition of school spirit. And many also expressed the opinion that it was "Idaho's greatest Homecoming"—win or lose.

Except for the little incident Friday night which featured several marauders playing havoc with our house decorations, the three days were nearly perfect. Burton L. French, alumni president, and his committees Blue Key, Intercollegiate Knights, Spurs, "I" club, and Rollin Hunter, general Homecoming chairman, did their part and did it well. There is no doubt that the alumni and guests appreciated the work done on their behalf and will return again. We hope so.

THE ARGONAUT takes this opportunity to congratulate and thank all those persons and groups named and to invite the alumni to return again. There will be more like it, alumni.

## "I" Men Invite Thirteen Guests To Next Party

The "I" club will entertain at another of the series of parties held in front of the Administration building at 12:45 p. m. Wednesday. The men that have been invited to attend the weekly gathering are:

Uril Collet  
Chuck Brown  
John Tibbals  
Deane Greene  
John Cooper  
Ralph Spauzy

Bill Kennedy  
Ronald Martin  
Bert Larsen  
Morton Brigham  
Bruce Bowler and Robert Vance are asked to attend the party for shaving before Saturday.  
The "I" men are also planning on inflicting some kind of punishment to those who habitually disregard the "Hello" tradition.

## Grins and Gripes To The Editor

Calland Pleased With Spirit  
Sir:  
It was the best Homecoming I have ever seen anywhere! The spirit of the students, alumni, and townspeople was wonderful. Naturally we are all disappointed at the outcome of the game, no one more so than the team and coaches. The game itself was clean and hard fought, one that we might very well have won as far as superiority of play is concerned.  
"Idaho Fights" is a heritage well preserved by the student body and team last Saturday.  
LEO B. CALLAND

Burton L. French Expresses Gratitude  
Sir:  
As president of the Alumni association, every alumnus who attended the Homecoming celebration will want me to express my heartfelt gratitude to the officers and members of the Blue Key, to the staff of the Argonaut, and to the other service groups of the University who contributed so generously in making Homecoming an event memorable in the university's history. All alumni, wherever they may be, are profoundly grateful for this magnificent cooperation that made success possible.

Yours truly  
Burton L. French  
President of Alumni association

## Gentleman Jim

Unusual greetings and salutations (they're not a hangover from Homecoming):

Now that the old grads (mostly of the one year variety) have left we may celebrate Homecoming, and enjoy ourselves. In fact, it is rather startling to see all of these naked faces floating around these days. One result has been that the science department has had three microscopes returned already.

From now on, our motto is, a face in the open is worth two behind the bush—unless it looks like ours.

And speaking of a sheet of three (including the windblown variety), it's a grand and glorious feeling to see the alums depart and have a chance to sleep in a real bed once more.

Angus' suggestion for helping the Beta and D. G. surplus pledge problem over the late week end came a little late itself. He figured that prosperity was hiding out in such a big corner, that it would be just the place to keep them.

With a new week, another very difficult problem had been solved of its own accord, and soon all of the campus "steady" combinations will be back together again. At times, lately, most of them looked rather unsteady. But then it isn't quite as bad as the sight of those poor old alums, who in the old days called them soul mates, and now find that they are their sole mates.

And as for Mae West, it seems as how the old gal decided to follow Horace Greeley's advice and "Go West," to the great sorrow of many of the students (or is it stewards). Personally, Pullman had better make her Homecoming decorations out of blocks of concrete, or else! This game of "Pinchy, pinchy, do you holler" is getting to be too much of a good thing. And on third that we can't see what's good about it either.

Right now some of the lads seem to think that Idaho's stock is of the well-known Mae West variety. It's down now, but it will come up some time. It seems as how Idaho always gets the brakes, while Pullman gets the breaks. At any rate, it isn't any more a case of Idaho Fights—school spirit.

## Old Time Buggy Days Are Recalled By Taxi Driver

"Oo-oo--the mud is up to the hub now and the horses are all mired!" The shrieks of fair 1903 co-eds echo in the ears of F. Neely, Moscow taxi-driver, when memories of the days of cabs, horses, and muddy unpaved streets come thronging back.

No, life was not without its little tragedies in the days when dates took buggy rides and campus balls lasted until 3 o'clock in the morning. Mr. Neely related the incident that brought on the street paving in Moscow.

"It happened one rainy night in early winter," said he. "My six passengers were all dressed up for the big dance at what is now the women's gym, jogging down Third street, we sank hub deep in mud that mired the horses and caused shrieks of excitement to mingle with inside confusion. Boards came to rescue smart dancing shoes from complete ruin, but alas for the stovepipe hats."

When thermometers sank below zero and cabs changed wheels for runners, the ladies donned their muffs and leggings and the men ordered sleighs. Off trotted the horses, "over the river and through the woods," their sleighs jingling to the tune of joyful spirits.

"Those were the days," sighed Neely, when he told of the time the whole party crawled out from under the sleigh, overturned by a huge snowdrift near the cemetery.

Even more rushed than the morning after the military ball—the biggest dance of the year in those days—was the morning the old Administration building burned down at 2 o'clock. From that time until 7, the eight cabs used by Neely's drivers were in constant service to and from the scene of the most terrific excitement the taxi driver has ever witnessed on the campus.

Neely's memories of thirty years hence creep into their graves and present reality comes with the one regret that surpasses all others, "If only we'd saved those cabs, what a business we'd have over Homecoming!"

## The Beards Have Gone the Sewer Route. What Next?

Love was rekindled for some; scratching was abandoned for others; and eating was made a pleasure for many Saturday evening after the three week's growth of whiskers had gone the sewer route.

After the game a steady line was waiting to get into the washrooms of all the group houses on the campus. The men were lined up three abreast, with shaving materials in hand—waiting to get rid of the growth of three week's fathering.

Women seemed to have a new lease on life during the evening as they came into their respective group houses after dates. "Gee I'm glad he got rid of those whiskers," were the first words uttered by the feminine playmates.

Plumbers have not been called to any of the men's group houses yet, but it is expected by many house managers that drain pipes will be clogged with hair in the next few days.

The "Repeat 1903" campaign is over, but how many would not like to start out and do it all over again? It was fun while it lasted and now comes the question: What will be the theme of the 1934 Homecoming?

## Mixer, Dances and Reunions Make Past Weekend A Success

Every minute of last week end was taken up with social events and activities for the benefit of hundreds of alumni and students. The all college mixer Thursday afternoon started the social activities for the week end, this was followed by the rally and Inter-Collegiate Knight mixer Friday night, and the visiting alums were honored at an alumni dance Saturday night in the Memorial gym.

A dinner was given Friday evening by the Faculty Women's club and a buffet supper was given in honor of the alums at Forney hall Saturday night.

### Faculty Dinner Given by Club

The annual faculty dinner was given Friday evening by the Faculty Women's club at Lindley hall at six o'clock, a reception preceded the dinner at 5:30. In the receiving line were: President and Mrs. M. G. Neale, Mrs. C. Ben Ross, Mr. and Mrs. C. C. Vincent, Burton L. French, Mr. and Mrs. Lawrence Chamberlain, Robert Greene, Mr. and Mrs. Jerome Day, Mr. Clancy St. Clair, Mr. John Condie, Mrs. J. G. Graveley, Mr. and Mrs. E. H. Simons, Mrs. Myrtle Enking, Mr. and Mrs. E. J. Baldwin, Mr. and Mrs. Beecher Hitchcock, Mr. Frank Johnesse, and Mr. Edward Rich. Decorations featured Homecoming and of the football game. Cedar branches were strewn along the center of the table with mountain ash berries adding color. Small imitative bonfires were burning at various points in the center of the table. President M. G. Neale acted as toastmaster and each guest was called upon to make a short impromptu speech. The program was as follows: selection by the Idaho Pep band, Idaho songs by the Vandaleers, greetings from the Faculty Women's club by Mrs. C. C. Vincent, introduction of the guests by President M. G. Neale, and at the close of the dinner the entire group sang "And Here We Have Idaho," led by Professor C. Cummings. During the dinner the parade serpentine through the hall. Other notable guests present were Congressman and Mrs. Compton I. White, Mrs. A. A. Steel, Judge Alfred Budge, and Judge N. D. Wernette. Mrs. C. C. Vincent, president of the club, was in charge of arrangements with Mrs. J. Hugo Johnson chairman of reception committee and Mrs. Mark Kulp, chairman of program committee.

### Alumni Supper Given Saturday

Idaho alumni were entertained at a two course buffet supper Saturday evening at 6:30 in Forney hall. Autumn leaves and flowers were the motif for decorations. Approximately 200 guests were present and they expressed that never have they had such a good time at an Idaho Homecoming and hope to be present every year. The alums were entertained by the ASU Male chorus who sang the following songs: "Keep A'Goin'," "Close Harmony," and a medley of college songs. The violin trio composed of Bill Ames, Dick Edwards and Wendell Olson, played "Poo Butterfly" and "Angry." Laurence Huff, Moscow, was general chairman of the supper, and Mrs. H. Einhouse had charge of the entertainment.

### W. S. C. Spurs Were Guests at Idaho

The Idaho-Pullman joint Spuncheon was held Saturday at the Blue Bucket Inn just before the Homecoming game. The table which was arranged to form a large "I," was decorated with red and white berries and leaves. Short talks were given by Dean Permea J. French, Dean Annie M. Fertig, Margaret Misselhorn, national Spuncheon president, and Marjorie Wurster, national secretary. Elvon Hampton sang two solos. There were sixty-three present. Special guests were: Dean Permea J. French, Dean Annie M. Fertig, Margaret Misselhorn, Marjorie Wurster, Mrs. Harold Boyer, Spuncheon advisor, and Evelyn O'Neil, junior advisor.

You may be no angel but you will be up in the air over the saucy gnomme hats. That's a rather pointed statement but it's a fact. I've been wondering what these hats and shoulders reminded me of and that's it—goblins. The Idaho stands looked like a menagerie rather than a host of Vandals—racoons, muskrats, seals, and, figuratively speaking, lapins, caraculs. Frances Hanley has a new chona brown lapin coat with an ascot scarf and full sleeves. Two other Gamma Phis also had new coats for the occasion—Betty Hatfield and Dee Beamer. A handsome coat is Marjorie L'Herrison's pony.

FROSH WOMEN WIN SOCCER TOURNEY

The freshmen soccer team won the women's tournament last night when they defeated the sophomores 1-0. During the game Ruth Evans, forward on the sophomore team injured her knee. She was taken to the infirmary. Only three other games were played last week because of the Homecoming activities. The junior-sophomore game ended with a 2-4 score in the sophomore's favor. The freshmen team defeated the seniors 4-0; and also walked away with honors from the juniors at the end of a 2-1 score. Soccer was made a major sport at the university last year.

UNIVERSITY OF IDAHO LIBRARY

The Armistice day football wars are over and the old football dope bucket took a bad beating. Next week end Oregon and Southern California meet in a battle which will probably have a lot to do with the choosing of a western representative for the Rose Bowl game.

Once again the Cougars took their horseshoe and romped back to Pullman with a victory. Outplayed in every department except kicking, the Pullman boys made their plays good at the crucial moments. Regardless of the score a more thrilling game could not have been played. Punting and passing, good and poor, kept the stands in constant excitement.

The beautiful fighting game put up by the entire team was one which any school could be proud of. Willis Smith uncorked more drama in his touchdown dash than the fans have seen in many a day. Beautiful blocking on that play and throughout the entire game makes it almost impossible to pick out any individual star.

Iverson and Schmitz at the end positions stopped the famed Cougar end runs dead. Honsowetz's hard tackling and nice defense showed up well. The entire center of the line was a fast charging wall which opened hole after hole for Smith and an impenetrable barrier to the Cougar attack.

After seeing the confusion of a substitute entering the game in his effort to find the right official to take his substitution card a coast columnist comes through with a good idea. He insists that the referee should always wear bright green socks or a brilliant red tie so that an incoming man could easily spot him instead of invariably going to the wrong official at first.

The pass defense as a whole proved exceedingly effective during the Cougar-Vandal game. Although W.S.C. made both her touchdowns via the air route, she completed only 6 out of 20 passes. Idaho only completed 6 out of 19. Either the passers were very ineffective or the pass defenses were hot.

Next Saturday is another big football day on the Pacific coast. Heading the list is the Oregon-Southern California clash. Washington meets U.C. L.A. in a battle that's going to be tough. Stanford meets Montana in a breather while Oregon State journeys across the continent to meet the Fordham Rams. Fordham will have a chance to make up for the defeat by the other Oregon team and will probably make the most of it.

Idaho will go into the California game under a terrific paper disadvantage due to their 19 to 0 loss to Washington followed by the 33 to 0 route of the Huskies by California. The Golden Bears are quite likely to have a bad scare thrown into them, however, if they think the Vandals are going to be easy. The California squad didn't look unbeatable in their game with W. S. C.

Coach Calland was greatly pleased by the spirit shown for the W. S. C. game. Let's show the boys that a defeat is not going to make any difference. The fellows are leaving for California Wednesday and we all ought to be there when they leave.

25 MEN ANSWER BASKETBALL CALL

About 25 men turned out Monday for official varsity practice," said Rich Fox, basketball mentor. "This group will be cut this week to about sixteen men for a working squad."

The first official practice for the varsity squad began Monday afternoon. The men will work out every afternoon from 3:30 to 6:00 in the gymnasium. Every man with some talent in basketball should turn out this week.

VANDAL BABES UPSET WHITWORTH

Spokane School Surprised at Strength of Idaho Frosh As Score Mounts 14-0

The frosh took the Whitworth college team into camp Friday afternoon by a score of 14 to 0 in a game which turned out to be considerably different from what the Spokane school had anticipated. Coach Otto Anderson had to start a makeshift line due to injuries on the frosh squad. The new positions caused the boys to show some roughness during the game, but their attack functioned well in spite of the handicap. The game was not close although the passing attack uncovered by the Whitworth team threatened several times.

The first touchdown was made on a pass to Gwilliams into the end zone which was completed. Ritzheimer came out of the line to boot over the extra point. The second score came by a buck thru the line by Luvaas, Ritzheimer converted and the score was 14 to 0.

Shock to Rooters The result of the game came as a distinct shock to the Whitworth rooters. The rumor had been circulated that the frosh had been beaten by Lewiston Normal. With the prospect of victory the Washington team was backed by a large crowd and a display of fireworks. The pyrotechnics, however of no avail and they could not score against the determined front put up by the Idaho boys.

With four men out of the lineup Otto shifted some linemen into the backfield and put Ritzheimer into the line. King, Gray, Savage, and Devlin were not in the game. The starting lineup was as follows: Gwilliams and Ritzheimer, ends; White and Peterson, tackles; Keyes and Osborne, guards and Hall center. Backfield—Luvaas, fullback; Williams and Rich, halves and Hogan quarter.

W. S. C.-IDAHO GAME (Continued from page one)

fumbled and following the ineffectual attempts to score on the part of both clubs, the half ended with W. S. C. possessing a one-point lead, 7 to 6.

Cougars Come Back Strong The Cougars showed power in the third quarter coming back strong to score on a pass from Sorboe to Klawitter, who received the pass in the end zone. Idaho defense men being caught napping. The pass came after a series of Cougar reverses had netted them a minus yardage amounting to ten yards, and ended the scoring for the game. Little was done in the remainder of the third quarter with both teams largely occupied with kicking out of danger, Sorboe doing the booting for the Cougars, and McCue punting for Idaho.

The fourth quarter was marked by stellar passing and running on the part of the Vandals, the ball being in Cougar territory all through the period, with the Vandals in scoring distance twice, the first coming as a result of the proficient ball-packing of Willis Smith, and the second on a 34-yard pass, McCue to Iverson, from the middle of the field. Idaho couldn't muster the punch to make another first down and the game ended with the Cougars in possession of the ball on their own 24-yard marker.

The day was ideal for wide open passing and running attacks, Idaho using the colorful aerial offense featuring the famed Idaho "spread," with the ends clear out at the edges of the field and giant "Bob" McCue doing the passing. The Washington State famed end runs made little headway against Idaho, while Willis Smith seemed to gain against the Cougars almost at will, ripping off 10 and 15 yard runs quite consistently, through the tackles as well as in skirting the ends.

Idaho Line Excels The Vandals, smarting under the impetus of past defeats, outplayed the higher-rated Cougars, the ball being in Washington State territory more than half of the time. Although scoring only one touchdown, Idaho was within scoring distance of the Cougar goal post four different times while both Cougar passes were thrown from back of the 15-yard line, one being from the Idaho 49. In all departments of the game except punting the Vandals excelled, having more yardage from scrimmage, more first downs, and a larger percentage of passes completed.

The Idaho linemen outcharged the Cougars from the start, and opened big holes for Smith to dart through for consistent gains. Ingram, Cougar center, and McBride, back, played nice games for Washington State, but the palms of the afternoon will have to be conceded to Idaho's Willis Smith, who scored the only Idaho touchdown as well as proving to grid fans that he ranks among the top-notchers on the coast. John Norby played a beautiful game in backing up the Idaho line, stopping the charging Cougar backs time after time for no gain. The Idaho line gave nothing to the

INTRAMURAL SPORTS

A League table listing teams like Sigma Nu, Lambda Chi Alpha, Tau Kappa Epsilon, L. D. S., Alpha Tau Omega, Delta Tau Delta, Tau Mem Aleph, Independent, and Ridenbaugh Hall with their respective W, L, and T records.

B League table listing teams like Sigma Alpha Epsilon, Lindley Hall, Phi Gamma Delta, Chi Alpha Pi, Phi Delta Theta, Beta Theta Pi, Sigma Shi, Delta Chi, Kappa Sigma, Tau Mem Aleph, and Independents with their respective W, L, and T records.

Bevis, T.M.A. pitcher, held the Independents to a 10 to 4 victory. This is the second loss for the Independents and they are automatically eliminated from the intramural race. The T. M. A. boys have lost one game so far this year. The batteries were: Bevis and Roberts for T. M. A.; Smith and Miller for the Independents.

The S.A.E.'s edged the Betas out of a victory by a 6 to 3 score Tuesday night. Franklin of the S. A. E.'s is still in unbeatable form. All the players were on their toes which resulted in no outstanding plays, although some very good combinations were uncovered. The batteries were: Franklin and Greathouse for S. A. E.; Vance and Newhouse for the Betas.

In a low scoring game Tuesday night, the T.K.E.'s nosed out the Lambda Chis by a 7 to 6 score. The game was hard fought from the beginning and was tied up at the last inning when Livingston banged out a home run which gave the T.K.E.'s the lead of one run. The batteries were: Fisher and Honsowetz for T.K.E.; and Ayre, Bovey, and Smith for the Lambda Chis.

Home runs featured the game between the Phi Deltas and the Chi Alphas Wednesday afternoon. The Phi Deltas scored three home runs by Geraghty, Puhl, and Martin which helped to bring the Phi Deltas a 13 to 4 victory. The Chi Alphas made many errors which also helped to give the victory to the Phi Deltas. The batteries were: Martin, Herman, and O'Neil for the Phi Deltas; King and Lint for the Chi Alphas.

Cougar forward wall, pushing back the Pullman line plunges repeatedly as well as opening nice holes for their own ball-packers. Phil Sorboe, Washington State quarter, got off the longest punts of the afternoon, one a 60-yard quick-kick and another good for 65 yards. He averaged 38 yards on 11 boots.

With the consent of Coach "Babe" Hollingbery and the officials, 12 men started the game for Idaho. LaVerne Randall, who received a broken ankle in the College of Idaho game a month ago, needed only one more conference start to win his third letter. He hobbled out on the field and held the ball while Moser booted the opening kickoff.

The starting lineup: Dover... LE... Iverson; Theodoratos... LT... MacInerney; Hayduk... LG... Nutting; Ingram... C... Moser; Stojack... RG... Wilson; Bley... RT... Klumb; Hawley... RE... Schmitz; Sorboe... Q... W. Smith; Colburn... H... Honsowetz; Sabellia... H... Norby; Bendele... F... Cordon. Substitutions: W. S. C.—Christofferson, Brett, McBride, Herrold, Liefy, Magnus, Kelly, Klawitter, Busatto, Bican. Idaho—Geraghty, Swan, A. Berg, Garst, Ward, McCue, Inman.

The game between the Fijls and the Betas resulted in a 1 to 0 victory for the Fijls was entirely a pitcher's battle. Strachen of the Fijls scored on Winters in a two base hit in the third inning and was the only score made in the entire game. The rest of the game was between th pitchers. The batteries were: Arms and Wagner for the Fijls; Vance and Newhouse for the Betas.

Alpha Tau Omega... 12; L. D. S. ... 4. The game between the A. T. O.s and the L. D. S. was just a practice game for the former team as the score of 12 to 4 shows. With a rally in the sixth inning which netted the A. T. O.s six runs the rest of the runs were made in the preceding innings. Jarlett of the A. T. O. club was the outstanding player by making three hits in as many times at bat. The batteries were: Jarlett and Gagan for the winners; McKay and Madison for L. D. S.

DOPE IS UPSET ON ARMISTICE

Oregon, Trojans, Huskies, and Idaho Are Defeated in Saturday's Battles

Many dope buckets were upset on Armistice day games last Saturday. Oregon was raised to an undisputed lead in the conference by winning from the University of Oregon. The biggest upset was the mighty Trojan army falling under Stanfords attack by a 13 to 7 score. The California Bears swamped the Washington Huskies by a 33 to 0 score. Washington State took Idaho by a 14 to 6 score. This puts Idaho in eighth place in the conference standings.

CALLAND WILL HAVE 20 BACK

Twenty Veterans Will Form Nucleus For the 1934 Vandal Football Squad

Twenty men from the 1933 squad will return next fall to provide Coach Leo Calland an exceptionally large and powerful nucleus around which to build his 1934 grid machine. The loss of John Norby, booming halfback, and two quarterbacks, W. Smith, and Cy Geraghty through graduation will be the most serious blows to Vandal strength next season, although Coach Calland has good men coming up in every department.

In place of Willis Smith at quarter, Calland will have three good men in from this year's varsity and several likely prospects from the frosh squad. Earl Smith and "Lefty" Inman and Les Holmes will share the quarterbacking duties next season, all of the lads being nice passers as well as sweet ball packers and showing plenty of guile at the signal-calling racket.

The halfback positions will retain a good share of the men who

have shown up well this year. In spite of losing Norby, Paul Berg and Russ Honsowetz are first string men who will be back next season. Honsowetz will be a junior next year and should prove one of the best backs on the coast, while Berg will go into his final season to wind up a shashing career at right half.

WARD AND DAYTON BACK

Fullback and end positions will be fairly well provided for. Ward, 200 pound sophomore, has been showing up nicely this season and will have to back him up a capable reserve from this year's squad, Dayton. Rich and Iverson, sophomores, are crowding the veterans at the end posts this season, but will need some support next year. The center of the line will be well bolstered next season with the return of Moser, Swann, and Beatty, who have all played good ball this year. Moser will take most of the starting assignments next season judging from the great game he is playing this year. Tackles and guards will return in fair numbers with McInerney, McCue, Klumb, and Moore coming back to strengthen the Vandal forward wall. McCue is the biggest man on the Idaho team and is one of the longest passers in the conference. Ap Berg, Chuck Wilson, Dick Nutting, and Don Spaugy will form a potential inside force next year that should be the strongest in years.

NO POST SEASON FOR CONFERENCE

Major John L. Griffith, Big Ten commissioner of athletics has revealed that none of the Big Ten teams will be allowed to participate in a post-season game. This was decided last May by the faculty representatives of the conference, when they decided not to alter the present rule. Griffith added that there was little possibility of further discussion of the matter in the near future.

The undefeated Michigan grid squad has received considerable mention as possible contenders in the Rose Bowl game. Coaches of the conference are opposed to the ruling forbidding post-season play.

FOOTBALL FROLIC HELD FOR ROCKNE

In an attempt to raise funds for a memorial park which will perpetuate the memory of Knute Rockne, the Trojans held a gigantic "Armistice Football Frolic" for two evenings at the Ambassador auditorium in Los Angeles during the Armistice day week end. The

Trojan band leader, Harold Roberts, acted as master of ceremonies. Motion picture celebrities as well as many from the sport world were on hand. The money went to help toward raising \$500,000 to build the memorial in Chase

county, Kansas, the spot where Rockne and seven others lost their lives. The campaign has been actively supported throughout the nation by Al Smith, Jack Dempsy, and many other prominent persons.
