VOLUME XXXV

MOSCOW, IDAHO, TUESDAY, MARCH 6, 1934.

Number 45

Alpha Chi's, S. A. E.'s High In First Night of Play In Argonaut Bridge Tourney

Sixteen Teams Enter Bridge Tournament; Most Unusual Hand Is Disqualified Because of Mixed Score Sheets

Alpha Chi Omega and Sigma Alpha Epsilon were high scorers for East-West and North-South teams respectively, in the first night's play in the Argonaut Bridge Tournament Monday night at the Blue Bucket Inn. Jayne Jones and Frances Wimer, playing for Alpha Chi, made a total of 94 1/2 match points, the highest number of match points made in the evening. Milo Axelsson and Hamer Budge, S. A. E., were close second with 34 match points. Eight out of 16 teams play this week end and eight will play next week.

SECOND BRIDGE ROUND PLAYED

Mrs. Allen Janssen and Mrs. Jesse Buchanan win Play With 109 Match Points

With a total of 109 match points Mrs. Allen Janssen and Mrs. Jesse Buchanan placed first in the north-south division in the second round of the present duplicate-contrast bridge tournament which was held at the Blue Bucket Inn last Thursday night. Mrs. R. G. Russell and Mrs. Fred Bock with a total of 96 1/2 match points placed second in this same division.

The most outstanding hand of the evening on which the S. A. E. bid and made six no trump, had to be thrown out because the score sheets were mixed by the players. The hands were fairly average on the whole, with a noticeable lack of "freak" hands.

Bidding was varied in last night's play. With but few exceptions, the same hands were played by North and South in one suit at one table and by East and West in a different suit at another table. The highest number of match points possible on any one hand was three points, one point less than the number of tables. The Mitchell movement system is being used with match point scoring. Harold Boyer is referee for the tournament.

Sixteen Groups

Sixteen groups have entered the tournament. Eight teams played last night and will play again Thursday evening at 7 o'clock at the Blue Bucket. The other eight teams will play Monday and Thursday evenings of next week and the high teams will play for the championship the third week.

The players this week are: Jayne Jones and Frances Wimer, Alpha Chi Omega; Helen Latimore and Louise Mulliner, Alpha Phi; Wilfred Galloway and Jane Archbold, Kappa Kappa Gamma; Hamer Budge and Milo Axelsson, Sigma Alpha Epsilon; Gilbert St. Clair and Horton Herman, Phi Delta Theta; Gene Kiley and Worth Clark, Alpha Tau Omega; Fred Sanger and John Verberkmoes, Kappa Sigma; Claude Marcus and Wilbur Merchant, Tau Kappa Epsilon.

"I" CLUB HOSTS AT SOCIAL GATHERING

Popular Underclassmen Invited to Exclusive Function Tomorrow

Many invitations are being sent out by the "I" club for the entertainment of popular underclassmen at an elite and distinguished social gathering to be given by the club tomorrow at 12:45 noon. The organization hopes that those honored with invitations will fully appreciate and realize the social advantages and educational aspects afforded by these exclusive social functions.

Those underclassmen honored with invitations to the affair are: Bob Painter, Charles Saunders, Don Tracy, John Cooper, Jim Schlick, Sam Van Dike, Joe Turner, Dave Evans, (Cords), Willard Westling, Garry Coster, Bill Kennedy, Dan Butler, Abe Lincoln, Paul Redmond, Harold Kaeser, Walker Rich, Rodney Tegan, Harmon Munyon, "Wildcat" Wilson, Paul Wright, Bill Sturgill, Bob Brallsford, Frank Gwilliams, Bill Baker, Bud Crawford, Woody Hall, Larry Kurdy, Ralph Spaugy, Earl Bullock, Joe Parker, Jim Black, Jack Nichols, Gene Ryan, Wilford Fry, Bob Williams, Kenneth King, Duffy Reed, Homer Budge, Clarence Devlin, Earl Ritzheimer, Rod Bellamy, Richard Seely, Clarence Steene, Garfield Trall, Harold Van Voorhees, Paul Fuller, Alessio Peter Caporaso, Alfred Griese (Cords), Smith, Bill Arms, Pender Whight, Speed Gray, Bill Boras.

SCORES

East-West

Tau Kappa Epsilon	25 1/2
Kappa Kappa Gamma	25
Phi Delta Theta	22 1/2

ENGINEERS START WORK ON ANNUAL EXHIBITS

The associated students of mechanical engineering at a meeting yesterday afternoon outlined plans for the mechanical section of the Engineers' show to help sometime in the first part of May.

"Committees have been appointed and much progress has been made toward an interesting exhibit," said George Giles, president.

Bulletin Board

Gem Editorial staff meeting 4:30 Wednesday afternoon in the Gem office in the Memorial gymnasium. All editorial staff members must be present.

A. W. S. Cabinet meets in Miss Frances's office, Tuesday at 5.

Press Club meets at Phi Gamma house at 6:45 p. m. Tuesday. Members and "cubs" to be there.

Found: Benson Rodgers' ASUI ticket. Call at bursar's office.

Interfraternity Council meeting Thursday 9:30 p. m. L. D. S. Institute.

Hell Divers meet at the pool Thursday night at 7:30. New members attend.

Intercollegiate Knights meet Wednesday at 7:45 at Sigma Nu house.

No Blue Key meet this week.

The Gem wants your interesting snapshots—turn them in as soon as possible.

SHOW PAINTINGS IN WATER COLOR

Fine Arts Faculties of W. S. C. and Idaho Show Modern Works

An exhibition of water color paintings by the fine arts faculty of the University of Idaho and Washington State college will be on display in the hostess room of the Home Economics building at Washington State college until March 30.

Water colors by Doris Given, Hartley Fletcher, Harry C. Weller, Max Barth, Claude Butcher, and Worth D. Griffin of Pullman, and Nellie G. Best, Theodore J. Pritchard, and George Dennis from Moscow will be shown. This exhibition will be especially interesting from the standpoint of variety of technique. Some of the pictures to be shown are done in a broad direct modern fashion. Others are done in a more highly refined and delicate manner. "Every individual should find something to his liking in this group of pictures," said W. D. Griffin, head of the fine arts department at Washington State college.

AMATEUR PHOTOS WILL BE SHOWN

All Enthusiasts Invited to Exhibit Their Work for First Time

Moscow has a surprising number of enthusiasts in amateur photography, according to Mrs. M. W. Meligan, instructor in art and architecture. In order to pursue this hobby for a greater enjoyment, an exhibit of amateur photographs will be held in the art and architecture department on the third floor of the science building, sometime in April. Photographs are to be contact prints, miniatures, or enlargements, tinted, colored, or otherwise. This exhibit is open to all amateurs in Moscow and vicinity.

Certain requirements have to be followed, and all photographs are to be mounted on a stiff cardboard, any color, in two sizes, 12"x18" and 18"x24", with one or more photographs to a mount. Compositions may be vertical or horizontal. Also time of exposure, paper printed on, and diameter enlargement, with name of the subject and amateur should be listed on a separate slip of paper attached to the mounting.

Prize Given

This exhibit will be held some time in April, giving ample time to all those who wish to exhibit. Honors and honorable mention will be given to three divisions of the exhibit, contact prints, miniatures, and enlargements. Prizes will be announced later, said Mr. Meligan. "It should be remembered that all amateurs in Moscow and vicinity are eligible; and it is hoped that all amateurs will enter so that more exhibits will be held later," he said. Entries will be received from now until April 8 by Meligan. This contest is the first of its kind to ever take place in Moscow.

FORESTERS PLAN ANNUAL BANQUET

The eighteenth annual foresters' banquet will be held at the Hotel Moscow, March 14 at 6:30 p. m. The meeting of the Society of American Foresters is being held here the same day and the representatives will attend the banquet. "Get your tickets early," said President Maurice March. A list of those handling tickets is posted on the third floor of Morrill hall.

FINISH NEWSPAPER FOR NEW RECORD

That a live tree can become a complete newspaper in 145 minutes was recently proved by tests made in Eisenthal, Austria, to determine just how fast this could be done. At 7:45 o'clock in the morning three trees were cut down; at 9:34 the work, having been stripped of bark, cut up, and converted into pulp, became paper, and passed from the factory to the press, and there the first printed and folded copy was issued at 10 o'clock. The total time elapsed during this operation was 145 minutes.

RECEIVES APPOINTMENT

Roger Paroz, '32, has been appointed to the position of field assistant with the United States Geological Survey at Focattello, during the past year Paroz has been working with the Federal Bureau of Public Roads.

NOTED LECTURER TO ADDRESS FOUR GROUPS ON CAMPUS

Sir Herbert Ames to Have Full Calendar; Speaks at Assembly

HONOR AT BANQUET

A public banquet at the Blue Bucket will be one of the features of the visit of Sir Herbert Ames, "first world treasurer," who will be on the campus from Monday until Thursday of next week to speak on international affairs, according to a definite schedule for his visit drawn up by the International Relations club at its Friday meeting.

"Germany and the Little Entente" will be the topic for Sir Herbert's speech at the Wednesday evening banquet which is set for 6:15 o'clock. Reservations must be made by Tuesday noon with Karl Hobson or Virginia Merrick who are in charge of the evening's program. A charge of 50 cents a plate will be made.

BAND SHOW TO HAVE A RECOVERY THEME

Stage Settings and Program to Carry Out Original Idea

The highlights of Roosevelt's presidential career, will be revealed to the audience of the Pep Band show, March 22 and 23, through the new and original stage settings, according to Lloyd Rutzel who is designing the sets.

"The settings will be of an elaborate nature never before attempted in a stage production here," he said.

Parading before the eye will be all the events of historical interest that occurred during the present administration, such as the CWA, CC, NRA, and other abbreviations of events. Then there will be such events pictured as the various plans submitted to end the depression and the final climax of the country slowly pulling out of its present state. Most of this will be pictured through the use of shadows and highlights.

GRADUATE RECITAL GIVEN THURSDAY

Harriet Baken Presents Varied Program in Piano Group

A graduate piano recital will be presented by Harriet Baken, '34, in the university auditorium, Thursday at 8:15 p. m.

"Only a select few of the students in the music department are presented in recital during the year," said Carleton Cummings, head of the department, "and the response to them by the student body is most gratifying."

RECITAL TO BE PRESENTED

A recital will be presented by students of the music department Sunday afternoon at 4 p. m. in the university auditorium.

The program will be very good, according to Prof. Carleton Cummings, head of the music department, and everyone is cordially invited to attend.

PROM ON MAY 5 AT W. S. C.

The 1934 Junior Prom at Washington State college will be held May 5 as a feature of Junior Week-end. Plans are being made to accommodate 500 couples at the formal affair.

University Players Present "Trelawny of the Wells" Friday and Saturday Nights

Capable Cast Is Headed by Raphael Gibbs and Alberta Bergh Utt; Tickets Are on Sale at Hodgins

Tickets for "Trelawny of the Wells" went on reserve at Hodgins yesterday. The play, produced by the university players under the direction of Fred C. Blanchard, will be given next Friday and Saturday nights in the auditorium.

DATE SET FOR GRID BANQUET

To Be Held in Spokane During Annual Inland Empire Teachers Convention

The invitational gridiron banquet and a writers' convention will be held for the first time in Spokane on a date tentatively set as Thursday, April 5 during the time of the annual convention of the Inland Empire Teachers' association. The convention is open to all persons throughout the Inland Empire interested in creative writing.

The banquet and convention are being staged by the Washington State college chapter of Sigma Delta Chi, national journalistic fraternity, with the assistance of alumni members in Spokane.

The active chapter committee at the state college consists of Herbert Ashlock, Pullman, chairman; Dewayne Kreager, Ritzville, president of the chapter, and George Blakkolb, Portland. The alumni committee assisting Russell Bankson, novellist and critic, are: Henry A. Pierce, managing editor of the Spokane Chronicle and "roastmaster" for the banquet, Robert A. Glen, news editor of The Spokesman-Review, and Robert Emahiser, city editor of The Spokane Press. J. L. Ashlock and S. E. Wilcox, both of the state college faculty, are advisory members of the two committees.

IDAHO STUDENTS GET MORE WORK

Work on Pioneer Memorial Included under New FERA Plan

One hundred and three Idaho students, both old and new, have now qualified with affidavits for work under the Federal Emergency Relief administration, according to information given out yesterday by Dean T. S. Kerr, chairman of the employment committee for men.

TRACK OUTLOOK LOOMS BRIGHTER

Coach Otto Anderson Well Satisfied With Early Season Cinder Prospects

"I am well satisfied with track prospects for so early in the season," said Coach Otto Anderson, when asked about cinder track prospects, for this spring. Hatched by the necessity to do all their training in Lewis court, the squad is nevertheless shaping up well, with some of the men looking even better than in past seasons, according to Coach Anderson.

WORK IS STARTED

Work on projects which were started by CWA workers is being finished up by those who are working on an extension of the beachers on the east end of MacLean field and are also strengthening the wooden foundations under the present bleachers.

Much progress is being made on the Pioneer memorial between the south end of Ad building and the Engineering building. The original steps of the old Ad building are being cut to make the steps of the new memorial.

FIDDLERS COMPETE OVER KWSC MARCH 28

The ninth annual old fiddlers' contest will be held over KWSC, state college broadcasting station, March 28. All contestants are to be 50 or more years of age and live within 100 miles of Pullman.

Each player is to select his own numbers and furnish his own accompanist. Six minutes will be allowed each contestant. The first, second, and third place winners will be rated one-third by the judges and two-thirds by popular vote.

CO-EDS RETAIN DEBATE TITLE

Washington State college women's debate combinations won 26 of 38 debates at the recent tournament held at McMinnville, Oregon. The state college retained the title for the fourth consecutive year.

The Idaho Argonaut

Official publication of the Associated Students of the University of Idaho, issued every Tuesday and Friday of the college year. Entered as a second class matter at the Postoffice at Moscow, Idaho.

Editorial and business office, 202 Memorial gymnasium, phone 8452.

Member of Major College Publications. Represented by the A. J. Norris Hill company, Call building, San Francisco, Calif.; 155 E. 42d street, New York City; 1206 Maple avenue, Los Angeles, Calif.; 1024 2d avenue, Seattle, Wash.; 123 N. Madison street, Chicago, Ill.

H. S. Students Here Soon

Here's just a suggestion. On March 16 and 17 representatives from high schools all over the state will be on the campus to witness and take part in the Idaho State Interscholastic Basketball tournament. It behooves the students of the university to put themselves out just a little to show these high school students a good time while they are here.

Many of them, in fact most of them, probably have never before visited our campus and the impression they get while here will be carried back to others at their respective schools.

Perhaps it is just a little bit selfish in us to take that attitude towards our treatment of our guests, but it is a fact that such treatment if it meets with the approval of these guests will do a great deal in advertising the University of Idaho as a place to come to school after their high school days are over. Let's show them a good time and it is certain that our efforts will be returned in the form of bigger and better figures on the registration rolls of years to come.

Putting Idaho on the Map

The Memorial gymnasium is teeming with activity these days, and it isn't altogether because of Coach Leo Calland's spring football practice, or Coach Fox's baseball squad limbering up. Aspirants for the various minor sports teams are filling the rooms and corridors from the top floor to the pool in the basement, and it's high time they were receiving some recognition for the interest they are showing in placing Idaho on the map in the minor sports field.

Two minor sports carnivals have been held with Washington State during the past two weeks, and while the Cougars won both of them, the Vandals made a very creditable showing, especially the wrestlers, who defeated the W. S. C. matmen by decisive scores on both occasions. The fencers showed a great improvement, and lost their second meet last Saturday by only one match. Lack of man-power is the only thing that keeps the Idaho swimmers from winning their meets, and the ones that are turning out are showing up remarkably well.

Sport fans know more about the boxing squad this year, as they have seen several exhibitions by the high class leather-slinging talent that is being turned out from this department. Two Idaho fighters are on their way to California now, where they will enter the Pacific coast intercollegiate tournament this weekend. Both are slated to be right in the thick of it for title honors.

Tennis and golf are two other minor sports that have bright prospects this year for repeating the clean sweeps they made of every series with the Cougars last spring.

Minor sports are one the "up grade" at Idaho. Let's give the hard-working participants some support.

Picnic If You Must, But . . .

A wood tick is a small animal, but oh, how annoying he can be and sometimes how destructive to human life. This little insect if infected with the blood of a sheep who carries the germ of ordinary spotted fever will transmit that malady to the human system with disastrous complications.

This year the good weather is going to be here particularly early and the wood tick, who loves early spring weather but deplores the warmer summer months, will be in evidence in the wooded hills surrounding Moscow. In plainer terms if "youse gals and youse guys" are planning any spring picnics, it might be well to visit the infirmary beforehand and get a shot of tick serum to ward off the bad effects of an infected tick.

One consolation is the fact that few wood ticks in this particular region are infected with the spotted fever germs because of the small amount of sheep grazing which is carried on here. Nevertheless it is not impossible to find one of them.

Forestry students must be particularly careful in this regard if they are planning many excursions into the timber. The ticks hang on the under sides of leaves in brush patches and are easily picked up when walking through such places.

Just to cheer you up, a few boys who went for a hike in the woods last Sunday returned to find a number of the insects in their clothing.

Grins and Gripes

To the Editor

Old timers on the campus are beginning to comment on the fact that the lawyers have failed to issue their annual losers, challenge to the Ags. Apparently they are becoming more timid and effeminate than ever. In other words, all students, with the exception of the lawyers, are eagerly looking forward to the annual trouncing of the lawyers by the Ags, in basketball.

The Ag club

at the cinema . . .

At the Kenworthy Beautiful Dolores Del Rio enacts the most thrilling romance ever experienced by a girl in "Flying Down to Rio," now playing at the Kenworthy. Loved by two handsome screen heroes, Gene Raymond as an American and Raul Roulien as a Latin-American, she is first virtually kidnapped by Raymond who soars aloft with her in his "flying plane" and waxes her with original compositions. Later she is spirited aloft by Roulien, but Raymond gets aboard the same plane; and in the climax Roulien is bested at love and Dolores and Raymond are married far above the clouds by the plane's pilot. Ginger Rogers and Fred Astaire are in the supporting cast.

At the Vandal The Abbotts, willowy, long-limbed graduates of Chicago's famous Merriell Abbott School of the Dance, will be seen in Eddie Cantor's new carnival of fun, "Roman Scandals," starting at the Vandal Wednesday. The concert dance recitals through the middle west of the Abbott quartette finally won them so much fame that George White, famous producer of the George White Scandals, brought them to New York three years ago. Since then, they have continued their work on the concert stage, interrupted by an engagement with Joe Cook in "Fine and Dandy." In "Roman Scandals," they appear as soloists in the impressive slave market sequence. In other numbers, they act as leaders in the elaborate choreography that Busby Berkeley devised.

TEMPLE STUDENTS USE NEW SYSTEM

Temple university is attempting a new system of student government. The main feature of their plan consists in having compulsory voting on the parts of all but senior students. No student will be allowed to complete his registration for the second semester until he has cast his ballot, the casting of which from now on will be a part of the university student registration. This last part of the plan is original with Temple students. Other portions of the new setup have been borrowed from all parts of the country.

UNIVERSITY SEAL STATIONERY 39c

New Quality Stationery with Idaho Seal embossed on each sheet. Paper and envelopes in cellophane package.

HODGINS' DRUG STORE

Hawk-Eye On Duty

Greatly surprised at the antics of some of our campus friends, such as follows:

BOPE and PAPER being ejected from the cinema. **IVY MacPHERSON** escorting her boyfriend home. **RODELL** slumming in Pullman. **COUGHLIN** going to class with his suspenders hanging down. In other words, all students, with the exception of the lawyers, are eagerly looking forward to the annual trouncing of the lawyers by the Ags, in basketball.

POLICE PROCEDURE COMBATS CRIMES

Being a little province on the tag end of China doesn't prevent Korea from having one of the most efficient police forces in the world, according to Susumu Shimomura, chief law officer of Korea.

Shimomura is in this country studying the advanced scientific methods of the United States in police work. The Korean system, according to Shimomura, is more efficient than the United States because it is under central control of the government. "Compared with the rest of the world there is less crime in Korea than the average," he commented. On his way home from the United States he plans to go through the principle countries in Europe.

W. S. C. GIVES MILITARY BALL

The Military Ball which is given annually by the Washington State college chapter of Scabbard and Blade will be held on March 24, according to an announcement made by Erwin Davis, Wenatchee, Wash., chairman of the committee in charge.

The University of Florida was asked to pay the City of Gainesville for the excess water used by the school. Twice as much water is used now by the University as was used in 1928-29.

SHORT WAVE CLUB DOES WORK FREE

The Short Wave club at the University of California has adopted quite a problem in the way of a project. They have advertised in the California Daily offering to send radio messages free to any place in the United States or its provinces. Many messages were received for Honolulu, and someone sent a hurry up message asking, "Dear Pop, please rush funds, I'm broke." There is no charge for delivery, even when the radio-grams are sent to homes without telephones. Milo Koski, club president said that he and his fellow radio amateurs could handle four or five times as many messages as are being submitted every day.

Prof. Lee Travis at the University of Iowa placed ping pong on the curriculum in his speech clinic as part of the program to cure stuttering.

Society and Women's News

Freshmen Honored By Many Dances

The freshmen on the campus feel that at last they have come into their own with all the houses honoring them at initiation dances and banquets. There were three initiation dances this week end: Beta Theta Pi, Kappa Sigma, and Delta Tau Delta. The sophomores of three sororities, Delta Gamma, Gamma Phi Beta, and Kappa Kappa Gamma, held a joint dance at the Gamma Phi house this week end, also.

Frat Colors Used

The fraternity colors, scarlet, green, and white, were used as the theme of decoration at the Kappa Sigma initiation dance Saturday night at the chapter house. On the walls were lighted fraternity emblems. The programs were of black and white, tied with a black cord. On the front of the program was the fraternity crest and a novelty design. Patrons and patronesses were: General and Mrs. E. R. Chrisman, Dr. and Mrs. E. C. Graue, Mr. and Mrs. Leo Calland, and Mr. and Mrs. George Horton. The guests were: Ruth Stewart, Cynthia Daly, Louise Mulliner, Mary Randall, Helen Wiswall, Bonnie Woodward, Frances Paine, Dorothy McFarland, Edwina Broadbent, Lois Thomas, Shirley Mack, Catherine Bjornstad, Mary Hartley, Laura McGrath, Betty Dahl, Charlotte Ahlquist, Alice Peterson, Bernice Wilson, Nita Olson, Edna Blakemore, Ruth Ferny, Mary Kersey, Lillian Carlson, Norma Longestieg, Julia Hoover, Mr. and Mrs. Clyde Humphrey, Ray Nelson, Mr. and Mrs. H. L. Heath, Howard Packer, Dewayne Kreeger. Out-of-town guests were: Herbert Wickerstrand, Spokane; Josephine Standahl, Coeur d'Alene.

Angular Design

Curves, cylinders, and circles, eliminating all angular geometric designs, formed the motif for an unusual dance given by Delta Tau Delta in honor of their initiates at the chapter house Saturday. Lighting effects attained by the use of modernistic red electric cylinders against a background of blue light, created a unique atmosphere. Wall lights were shaded with small cylindrical shades of red and blue. To further carry out the curve idea, the ceiling was covered with a mass of multi-colored balloons of various shapes and sizes. Perhaps the most striking feature of the dance was the programs, which were made of silver metal. A round cut-out in the cover with a silhouette of a dancing couple against a background of blue and red foil paper, further carried out the circular theme. Music was furnished by the Blue Devils. Patrons and patronesses were: Dr. and Mrs. C. L. von Ende, Dean and Mrs. E. J. Iddings, Mr. and Mrs. Allen Janssen, Mr. and Mrs. Robert Whittier, Mr. and Mrs. A. Z. Hadley. The guest list included: Marie Schneider, Barbara Jefferson, Marvella Fraley, Gertrude Gehrke, Kathryn Collins, Della Ross, Dorothy Scoggin, Mary Poyner, Mary Louise Greene, Lodia McGrath, Betty Pomeroy, Mary Ferguson, Rosanne Roark, Barbara Mookler, Elizabeth Lena Bundy, Margrethe Kjosness, Madge Miller, Helen Luke, Fern Paulsen, Alma Almquist, Lillian Sorenson, Bertha Mae Wilburn, Evalyn Wilson, Blanche Johnson, LaRene Richards, Marian Delana, Myrna Creswell, Isabel MacDonald, Bernice Smith, Alice Kelly, Rebecca Flack, Kathryn Kendall, Mary June Pace; and Don Martin, St. Maries; Helen Wilson, Coeur d'Alene; Mr. and Mrs. Vernon Otter, Roland Sturman, Tensed; Mr. and Mrs. Marcus Ware, Glenn Shern, Mr. and Mrs. Delno Lyells, Lewiston; Charles Justice, William Anderson, Moscow.

Dinner guests at the Alpha Tau Omega house Sunday were Prof. A. S. How, Raymond Kelley, Moscow; and Donald Sperry and Robert Grant, Spokane. Pauline Pizey, Grangeville, was a week end guest of Kappa Alpha Theta.

for High School and
College Women

A discussion concerning the acceptance of three projects to standardizing products which the home consumer buys, was conducted at a meeting of the Home Economics club, Friday, March 2. These projects represent an issue which other universities are undertaking, and met with hearty support from the majority of the girls present. Their purpose is to acquaint the buyer with the true quality and dependability of the products under consideration; namely, stockings, cosmetics, and commercially canned goods.

Zuill Special Guest
Miss Frances Zuill, president of the National Home Economics association, will be a special guest at the Home Economics day conference to be held March 31, announced Katherine Jensen, head of the home economics department in an informal talk at the meeting. This conference is held annually by the Northern District of Idaho Home Economics association, and will include high school girls of northern Idaho, as well as university women. The conference closes with a banquet in the evening.

Miss Jensen asked that the women's group houses welcome the visiting high school girls to the Idaho campus. The following committees for the annual formal Home Economics banquet were appointed: Mabel Mullikin, tickets; Helen Creaser, table and decorations; Margaret Matthews, invitations; Mary Louise Greene, hostess; Fritzie Smith, chairman, Helen Newman, and Ruth Johnson, program and place cards.

Dinner guests at the Alpha Tau Omega house Sunday were Prof. A. S. How, Raymond Kelley, Moscow; and Donald Sperry and Robert Grant, Spokane. Pauline Pizey, Grangeville, was a week end guest of Kappa Alpha Theta.

PHI CHI THETA TAKES PLEDGES

Mary Ellen Brown and Edith Miller Pledged by Business Honorary

Edith Miller and Mary Ellen Brown were pledged to Phi Chi Theta, national honorary for business women, Sunday morning at Forney hall.

After the pledge ceremony, a breakfast commemorating its national founders' day was given by the organization at the Blue Bucket. Margaret Anderson told about the founding of Phi Chi Theta, and Dean Ralph Farmer of the School of Business Administration talked about the value of the honorary. Mrs. Farner and Miss Ellen Reier-son, instructor in the business school, were presented with Phi Chi Theta shields, signifying honorary membership. A grade average of 4.8 is necessary for admission into Phi Chi Theta.

Sigma Chi announces the initiation of Robert Strawn, Boise; Joseph Herndon, Salmon; Woodrow Sorenson, Nez Perce; Boyd Baxter, Challis; Frank Burtsett, Challis; Wayland Tanning, Weller; and Robert Thurston, Payette.

Victor Craig, Troy, was a week end guest of Alpha Tau Omega.

WOMEN'S COLLEGE HAS UNIQUE IDEAS

Imagine a college without any alumni, without compulsory features such as examination grades and unit credits. Such a college is that of Bennington, Vermont, one of the very newest women's colleges in the country. The college was established in order to test and demonstrate the methods of progressive education on the college level. They are concerned at all times with growing persons, rather than subject matter, in an attempt to help students acquire the habit of voluntary training instead of submitting to instruction. The college has abandoned all artificial external compulsion such as required class attendance, examination grades, and unit credits, instituting actual liberal methods.

HONORARY GIVES DANCE

Sigma Tau, upperclassmen engineers' honorary, is giving its annual formal dinner dance Saturday, March 17, 7 p. m., at the Blue Bucket. There are about thirty-five couples expected, as they are entertaining both inactive and active members.

Art Jacobson is in charge of the program, while the music and hall arrangements are in the hands of Paul Ward. The motif for decorations are not revealed as yet.

Pi Beta Phi announces the initiation of Betty Dahl, Plummer; Madge Miller, Emmett; Paye Pettijohn, Castleford; Eleanor Stewart, Post Falls; and Bernice Wilson, Kuna.

MUSICIAN WEDS CLARKSTON GIRL

Charles Hulsey, Former Member of Campus Orchestra

Coming as a surprise to his many friends on the Idaho campus is the news of the marriage recently of Charles Hulsey, Oroville, Washington, and Miss Jessie Scott of Clarkston, Washington, at the home of Mr. and Mrs. Fred Sattler of Oroville. They were attended by Miss Jean Spencer and J. Russell Atherton.

Hulsey was well known here, especially in musical circles, having been a member of Morrey O'Donnel's Blue Devils orchestra two years ago.

Miss Scott, a graduate of Blair Business college, Spokane, was a department head at Montgomery Ward's store at Lewiston. The groom is a graduate of West valley high school and Washington State college. He is employed by a drug company at Oroville, and is director of the band there. The couple will make their home at Oroville.

Gamma Phi Beta announces the initiation of Dorothy Goode, Filer; Helen Lawrence, Spokane; Eleanor Hoyt, Lewiston; Vatura Van Englen, Twin Falls; Jo Betty Wickes, Boise; Katherine Schuettenhelm, Kellogg; Pamela Persons, Spokane; Margaret Murphy, Payette; Nancy Trever, Long Beach. The initiation banquet in honor of these initiates was held Sunday night at the chapter house. The table was decorated with a centerpiece of pink carnations and lighted with pink candles.

ONLY THE CENTER LEAVES FOR Luckies

1 Luckies do not use the top leaves... because top leaves are under-developed... they are not ripe... They would give a harsh smoke.

2 Luckies use only the center leaves of the finest tobacco plants... because the center leaves are the mildest, tenderest, smoothest.

3 Luckies do not use the bottom leaves, because bottom leaves are inferior in quality. They grow close to the ground, and are tough, coarse and always sandy.

Lucky Strike presents the Metropolitan Opera Company Saturday at 1.50 P. M., Eastern Standard Time, over Red and Blue Networks of NBC. Lucky Strike will broadcast the Metropolitan Opera Company of New York in the complete Opera, "Lucia di Lammermoore"

This picture tells better than words the merit of your Lucky Strike. Luckies use only the center leaves. Not the top leaves, because those are under-developed—not ripe. Not the bottom leaves, because those are inferior in quality—they grow close to the ground and are tough, coarse and always sandy. The center leaves are the mildest leaves, the finest in quality. These center leaves are cut into long, even strands and are fully packed into each and every Lucky—giving you a cigarette that is always round, firm, completely filled—no loose ends. Is it any wonder that Luckies are so truly mild and smooth? And in addition, you know, "It's toasted"—for throat protection, for finer taste.

Always the Finest Tobacco and only the Center Leaves

NOT the top leaves—they're under-developed—they are harsh!
The Cream of the Crop
"The mildest, smoothest tobacco"
NOT the bottom leaves—they're inferior in quality—coarse and always sandy!

FRIELMEN DIVIDE SERIES WITH IDAHO

McPhee Gets "Hot" as Cougars Win Twice; Grenier Stars in Last Game

Won	Lost	Pct.
Washington	14	2 .375
Oregon	9	7 .563
Oregon State	7	9 .438
Wash. State	6	10 .375
Idaho	4	12 .300

The Idaho Vandals lost twice to Washington State's Cougar basketball team and succeeded in winning the cellar position as the conference race was completed last week end. The double defeat, 44 to 26 and 42 to 37, showed the Cougars to be in a complete reversal of the form which they displayed in losing the earlier two games to Idaho.

Huntley McPhee, who went into second place in the scoring race by outscoring Howard Grenier, personally led the Cougars to their victory Friday in Pullman as he garnered 19 points. McPhee scored first and the Cougars led the rest of the game although the Vandals pulled to within three points of the leaders shortly after the start of the second half. Horton Herman, veteran guard, played his best game of the season and was high point man for Idaho with 10 points.

McPhee was again high for W.S.C. in the second game but was followed closely by Rex Scott, W.S.C. captain, who assailed the basket with all manner of long shots to hang up 14 counters. The game was much a repetition of the first although it was much closer and the Vandals were in the lead for a time during the first half.

With only six minutes to go, the Cougars had piled up a 41 to 25 lead. Houston, McPhee, and Johnson all went over the limit on personal fouls, and with them out of the game, the Howard Grenier led his teammates on a scoring spree that gave Coach Friel some uneasy moments. The Vandals scored 12 points in a row while the Cougars resorted to scoreless stalling tactics, but there was not quite enough time to overtake the huge lead, and McNeil put the game on ice in the final seconds by converting a free throw.

Grenier Scores
 Howard Grenier, Idaho's all northern division center, put on a good exhibition of his own in the closing few minutes of his last college game and showed some fine basketball in his personally conducted rally. He sank basket after basket during the evening and annexed high point honors with 16 points.

Grenier was the only Idaho man completing his basketball career, but the game was also the last for McPhee, Wills, and Scott of Washington State.

The summaries:

First Game			
	G	F	TP
Idaho (26)	0	1	1
Klumb, lf	0	1	1
Herman, rf	4	2	10

VANDAL BOXERS LEAVE FOR CAL.

Denton and August Go After Fistic Honors at Pacific Coast Intercollegiate Meet

Louis August and Louis Denton, first-string sophomore boxers on the Vandal squad, left last night via train for Sacramento, where they will compete in the Pacific Coast intercollegiate tournament beginning Thursday. They joined the Washington State squad at Pullman, and will accompany the Cougar boxers to California.

August, former Pacific Coast amateur champ, will fight in the 135 pound class. Denton will fight at 145 pounds. Both leather-punchers are well known to ring fans here, having appeared on cards several times during the past two years.

"We know the going is going to be tough," said August before he left, "but we expect to be right in the thick of it all the way. We're not making any predictions, but we are going to give good accounts of ourselves."

Eight Washington State fistic stars will enter the meet including George (Lammie) Theodoratos, 235-pound football and track star and ruling heavyweight champion.

SPRING BASEBALL PRACTICE STARTED

Fox Begins Work with 40 Aspirants; Conference Same as Basketball

Spring baseball activity took full swing this week as Coach Rich Fox started daily work with the 40 men who turned out. Practice has been limited to limbering arms and backs and conditioning, and has been held entirely in the Memorial gymnasium. Until the field dries sufficiently to allow work only indoor practice will be held as Lewis court activities will be confined solely to track.

A round robin schedule with the same schools that comprise the basketball conference will be played in April and May. Coach Rich Fox believes that the material looks unusually good and that, if more pitchers can be developed, the Vandals should have one of their strongest teams in years.

Only Six Veterans
 Six lettermen are the only veterans whom Fox has to build around and only one of these is a pitcher. The six, and their positions are: Les Albee, first base; Paul Anderson, right field; Cy Geraghty, center field; Bill Klmer, center field and second base; Bud McNealy, catcher; and Neil Speirs, pitcher. Geraghty, McNealy, and Speirs are all two year lettermen, and will be playing their last season. Among the men who are on deck from last year's freshman team are: Glen Naslund, a south-paw, and Jerome Brubaker, who will do much toward bolstering the pitching staff. Wally Geraghty, a second-baseman, Roy Hanford, a catcher, Les Holmes, third baseman, Earl Leatham, outfielder, and Francis Newton, an outfielder are the rest of the men who gained experience as freshman players here last year and who are the leading contenders for team positions this year.

Has Southern Branch Material
 Coach Fox also has much potential ability among a few transfers who are expected to make bids for varsity positions. Bill Katsilometes, Bob Leute, and Charles Wilson, all from the Southern Branch, have had some experience. Wilson is a catcher, Leute an infielder, and Katsilometes an outfielder. Barney Anderson, a transfer from Lewiston Normal, will be making a bid for one of the infield positions. Joe Wheeler, a transfer from Chaffee Junior college in California, is a catcher of some experience.

Games with Whitman college have been arranged to provide pre-conference season competition for the Vandals. Games with Lewiston Normal may also be arranged later. The full varsity schedule will be announced soon.

The Rio Grande Cardinal claims that back in the '70's at Penn State college the permission of the president and the Dean of Women was necessary to get a date with a woman.

Stars in First Year---He'll Be Back

This 200-pound Vandal football player, Harold Klumb, a transfer from Chaffee Junior college, joined Coach Rich Fox's squad at the start of the season unburdened with a reputation as a basketball player, but proceeded to land a first string position and became one of the most valuable members of the team. He was the second best scorer on the Vandal outfit and rated seventh in the northern division individual scoring column. He's one of the several sophomores that formed this year's team who will be back next year. His work under the basket and constant drive on offense will be a real asset.

OREGON WINS WIN EIGHT DIPLOMAS

The University of Oregon Webfeets, coached by Bill Reinhart, upset the Oregon State Beavers, in a pair of home and home games last Friday and Saturday, and thereby won themselves second position in the conference race.

IDAHO WRESTLERS WIN FROM COUGARS

W. S. C. Wins Sports Carnival By Taking Swimming Contests

The Idaho wrestling team succeeded in defeating the W. S. C. matmen in the minor sport carnival held in Pullman last Saturday. This was the second consecutive triumph of the Vandal squad over that of Pullman in the wrestling. The W. S. C. swimming and fencing teams were victors over the Idaho boys however, to take the carnival. Jack Barbee, heavyweight wrestler, was the victor in the outstanding match of the day.

The seven men composing the Idaho wrestling team, were: Kermit Woodward, Earl Eggers, Ronald Wilson, David Evans, Earl Leatham, Jack Barbee, and Mike Callahan. Woodward, 125 pounds, won a decision from Mottler, W. S. C.; Callahan, 135 pounds, threw his man; Eggers, 145 pounds, was thrown by Folson, W. S. C.; Wilson, 155 pounds, won a decision over Carpenter, W. S. C.; and Barbee, heavyweight, got a fall from Seagles, W. S. C. "Barbee put up a real scrap," said Stan Skiles, captain of the team. The score was Idaho 16 to 13 for W. S. C.

Idaho gave the W. S. C. a very close contest in the fencing but the Staters managed to win five matches to four. The Washington State scored 37 touches, while Idaho scored 36. Frank Bevington won 1, lost 2; Robert Harris won 1 and lost 2; Raymond Weston won 2, lost 1. For W. S. C., Castle won 2, and lost 1; Richey won 1, and lost 2; Donati won 2, and lost 1.

This carnival was the second to be held between the two schools. The winner of the respective contests in these meets will go to Seattle to compete against the University of Washington.

FROSH NOTICE!

Fresh basketball players will resume practice Wednesday afternoon at 4 o'clock in preparation for a game with Lewis and Clark high school on Saturday afternoon at 2:30 p. m. The Spokane outfit will play Moscow high school on Friday night in the Memorial gymnasium. They enter the Washington state tournament at Seattle next week.

VANDAL BABES TAKE KITTENS

Score Ends at 29-24; Lewis and Clark Next on Schedule

With a last minute spurt, the Idaho freshman basketball team defeated the Washington State yearlings 29 to 24 Friday night in the Washington State gymnasium immediately after the varsity game. The win marked Idaho's fourth victory in six starts over the Cougar Babe quintet.

In the first half the Idaho frosh played fast ball and led W. S. C. 13 to 5 at the half. With Martin scoring first the frosh started and ran up the 8 point lead.

In the second half, Idaho let down and the W. S. C. Kittens began to climb. The score was tied at 16, 18, and at 22. Then W. S. C. took the lead for the first time. A quick shot put W. S. C. ahead, but Martin, Fry, and Larsen came through with baskets in quick succession and Kerns added a free throw for good measure as the game ended.

Larsen was high point man with 10 counters. Grahek was high scorer for W. S. C. with seven points.

A game with Lewis and Clark high school in Spokane. The Lewis and Clark team are the city champions of Spokane.

INTRAMURAL SPORTS

A League		W	L
Delta Tau Delta	3	0
Tau Kappa Epsilon	2	1
Ridenbaugh hall	2	1
Tau Men Alpha	2	1
Lambda Chi Alpha	1	1

B League		W	L
Delta Chi	4	0
Lindley Hall	2	1
Phi Gamma Delta	2	1
Kappa Sigma	2	1
Beta Theta Pi	1	1

In the A league last night, the Deltas eked out a close hard game from the Tekes by a score of 22 to 21. The lead changed hands many times in the final quarter. This victory puts the Deltas in undisputed possession of first place in the A league standings. Scoring honors went to H. Rust of the Deltas with nine points.

In the B league game last night, Delta Chi increased their lead and forced Lindley hall into a three-way tie for second place by trouncing the hall outfit 24 to 17 in a rough and spirited game. M. Flecken led the scoring for the winners with 10 points. Taft was high for the losers with eight points.

FOOTBALL SQUAD PRACTICES IN GYM

Strenuous work-outs on the gym floor are occupying the spotlight for members of the spring football squad. The intention is to put the men in shape for heavy scrimmages when weather conditions will allow outside practice.

Following up grueling sessions on the tumbling mats, shifts to be used next fall are being run through in order to familiarize the team with them. The shift is being stressed especially among recruits from last fall's freshman squad.

Why — Men and women say They Satisfy

FOR SOMETHING to "satisfy" you, means that it pleases you—that it's what you want. This applies to cigarettes or anything.

A cigarette has to taste right—not raw or too sweet. For a cigarette to "satisfy" it has to be mild—not strong, not harsh.

You can prove for yourself whether a cigarette is milder—whether a cigarette tastes better.

And it's because smokers can prove these things about Chesterfield that so many men and women say they satisfy. Try them.

Chesterfield

the cigarette that's MILDER · the cigarette that TASTES BETTER
