## MANAGER ISSUES DATA ON FINANCIAL SIDE OF TOURNEY

Gate Sale Nets \$717.55; Total Balance Is \$1135.80 for Three Days

## SCHOOLS GET MONEY

Amount Given Depends on Mileage Covered; Rexburg Receives Largest Sum

A financial statement of the Idaho State Interscholastic basketball tournament held here March 15 to 17 has just been issued from the office of George E. Horton, graduate manager.

The largest sum in the receipts was \$717.55 which was the gate sale of tickets. In the advance sale of tickets \$156 was taken in on university students' tickets, \$231 on high school students' tickets, and \$276 on adults' tickets. The students' season tickets sold for seventy-five cents and the adults' season tickets sold for \$2. The total receipts were \$1,380.55.

One half of the sum spent for awards in the tournament was paid by the Moscow chamber of commerce. The sum donated was \$40. Other donations were made which cut down the total expenditures. The Associated students of the University of Idaho gave two basketballs and the operation of the score board, which items totaled \$31.50.

Board and room was furnished the contestants in the tournament while they were in Moscow by the group houses of the university students. The officials for the consolation rounds were supplied by the university.

The net balance of \$1,135.80 was divided between the high schools who participated, to be used for their expenses during the trip. The amount given to each school was determined by the mileage covered during the trip. Culldesac was given \$17.18, the smallest sum, and Rexburg was given the largest sum of \$252.80. Bonners Ferry received \$67.08, and Nampa obtained \$147.39. Larger sums were turned over to Paul, Salmon, and Pocatello, which received \$204.39, \$218.77, and \$227.69 respectively.

## QUOTA OF STUDENT WORKERS REACHED

Twenty-Five Applications Certified by Committee Thursday

The quota of 116 students workers, the number to which the university is entitled under the Federal Emergency Relief Administration, was reached Thursday when 25 applications for work were certified by the employment committee, headed by Dean T. S. Kerr of the junior college. Five of the certified applicants were put to work immediately and the remaining put on a reserve list.

"We have tried to give the jobs to those who most deserved them, regardless of whether or not they were old or new students," said the dean.

Work on Memorial  
FERA projects on the campus are progressing rapidly. Work on the pioneer memorial, between the administration building and the engineering building, has been going on for the past two weeks and the cement foundation for the old steps, the granite steps of the original Old Ad building, has been laid. Plans are being made for the dedication of the monument during commencement week.

The bleachers at the east side of the football field are being taken up and their supports being strengthened and renewed. The construction of new bleachers, extending from the south end of the present ones almost to the score board at the end of the field will soon be under construction.

## GIVE COURSE IN MINE RESCUING

Mines Official Conducts Work For Classes of Mining Students; Promotes Safety

Mr. C. O'Connell of the United States Bureau of Mines at Seattle, began here today a course in mine rescuing. Mr. O'Connell will be here for a week teaching his course to mining students. A great deal of the course is devoted to the use of oxygen breathing apparatus which has been used successfully in rescuing in mines in cases of fire, smoke, gas, and even under water. Much emphasis is also given on first aid, such as rescuing drowning persons, resuscitation, and treatment of wounds.

## NORTH WILL GET BOARD MEMBER

Governor Ross Will Soon Name a Successor to Mrs. J. G. H. Gravely

BOISE — Governor C. Ben Ross announced today that the member of the state board of education to succeed Mrs. J. G. H. Gravely, Boise, would be from northern Idaho. Mrs. Gravely's term expires April 1. Governor Ross said he considered it essential that northern Idaho should have more than one member at present, particularly since two state educational institutions are in northern Idaho.

## TRIO TO PRESENT FORMAL CONCERT

University Ensemble Group Will Give Recital March 28

One of the highlights of the musical season will be the appearance of the University Trio in a formal concert next Monday night, March 26. This concert is to be held in the auditorium and will begin at 8:15 o'clock.

"The three members of the trio, all talented musicians, are: Patricia Kennard, violin, Kathryn Kennard, cello, and Harriette Norris, piano. While each member is an outstanding soloist, their musicianship and the great amount of time spent in playing together has given them a blending of tone, a unity and flexibility which is found only in the best trained ensemble groups," said Prof. Carl Claus, violinist of the music department. "It is a credit to the music department to have such a group of splendid young artists with such high standards and musical ideals."

The group's interesting program follows:

1. Trio in D Minor, Op. 49 ..... Molto allegro
- Andante
- Scherzo
- Allegro appassionato (By the Trio)
2. Intermezzo from "Goyescas" ..... Granados-Cassado
- Tarantella ..... Squire Kathryn Kennard
- Marybelle Fulton, accompanist
3. Nocturne in F ..... Schumann
- Spinning Song from "The Flying Dutchman" ..... Wagner-Liszt
- Harriette Norris
4. Praeludium and Allegro ..... Pugnani-Kreisler
- Patricia Kennard
- Annie Snow, accompanist
5. Elegie ..... Paul Juon
- Waltz No. 2, Op. 54 ..... Kreischer
- Londonderry Air ..... Kreischer
- Valse-Caprice ..... Loth (By the trio)

The success of the trio is due largely to Miss Miriam Little, instructor in cello and theory, who not only organized the group but who has given much of her time in coaching them for the past three years, said Professor Claus. The members of the trio are pupils of Carl Claus, Miss Miriam Little, and Miss Isabel Clarke.

## LAW PROHIBITS VACATION RATES

No Special Price Will Be Given to Students For Spring Vacation

No rates will be offered by railroad companies over spring vacation, according to information released by local offices of the Union Pacific road company. This, railway officials say, is the result of a new law, which became effective on January 1, 1934, causing all one cent rates to be cut out.

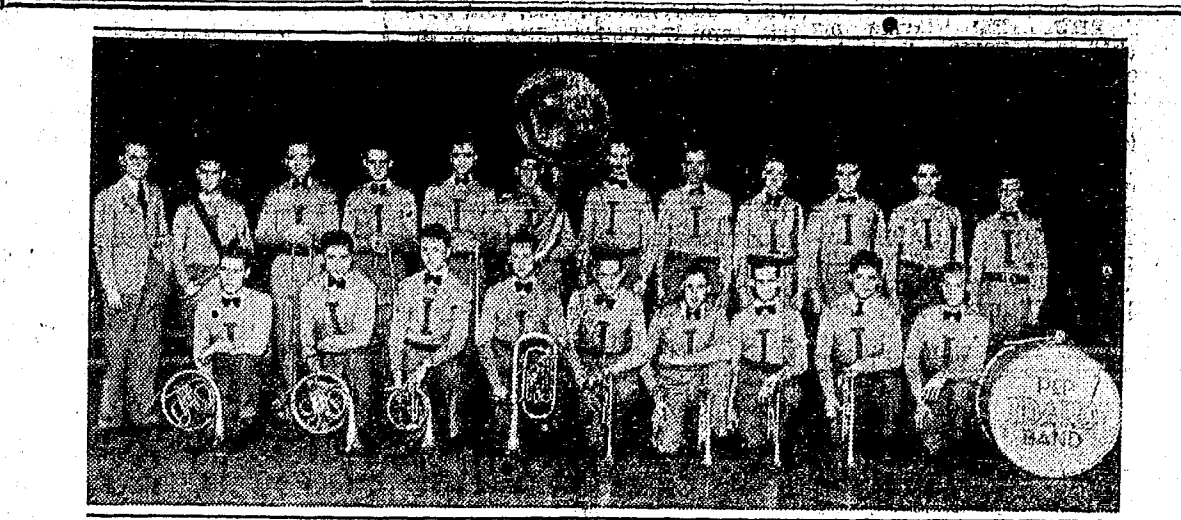

All rates are good in tourist sleepers and are effective for a ten day period.

Round trip fares to various points via Union Pacific are: Weiser, \$14.04; Boise, \$16.89; Idaho Falls, \$23.46; Pocatello, \$23.46; Portland, \$13.32; Spokane, \$25.55.

## Bulletin Board

Dr. Wells will be the speaker at the Cosmopolitan club meeting Saturday, at 8 p. m. The meeting place will be announced on the club poster at the bulletin board. There will be an ASUI male chorus meeting at the Women's gym at 7:30 Monday. Kappa Phi is having a dinner meeting in charge of the alumni at the church at 5 o'clock today. Theta Sigma luncheon meeting Tuesday at the Blue Bucket. IMPORTANT!

## Appear In Annual Concert Again Tonight

THESE MEMBERS OF THE Idaho Pep band scored a great "hit" last night in making their usual fine performance at their annual show. They appear again tonight. Left to right—front row: Albert Blair, Priest River; Charles Thompson, Gooding; Robert Campbell, S. Pokane; David Edwards, Kellogg; James Armour, Moscow; Fred Sanger, Twin Falls; Elburn Piccatello; Charles Mason, Coeur d'Alene. Back row: William Ames, S. Falls; Robert Seymour, Tacoma, Wash.; Richard Stanton, Moscow; Sam Stone, Coeur d'Alene; Frank Lutz, Kellogg; Glenn Exum, Pocatello; William Hudson, Boise; Wendell Olsen, Montpelier; Lyle Fraley, Coeur d'Alene; John Snodgrass, Jerome; and Don Wolfe, Palouse, Wash.

## BRIDGE TROPHY ON DISPLAY AT BUCKET

The trophy to be awarded the winner of the Argonaut Bridge Tournament was placed on display at the Blue Bucket, Thursday afternoon. The cup is made of silver and the words "Argonaut Bridge Tourney" are engraved upon it.

The cup will be awarded to the winner of the tournament next week.

## 300 SENIORS SEEK BACHELORS DEGREE

1934 Idaho Commencement May Be Second Largest

An even 300 University of Idaho seniors have filed applications to receive the bachelor's degree at the 1934 commencement. Applications for the masters' degree now are being received at the registrar's office.

Applications for the undergraduate degree this year exceed by 10 the number of bachelor degrees conferred at the 1933 commencement. Bachelor's degrees conferred by the university in recent years are as follows: 1933, 290; 1932, 333; 1931, 291; 1930, 274; and 1929, 294.

If all candidates for the bachelor's degree fulfill requirements the number receiving the degree this year will be the second largest in university history, being exceeded only by the 333 receiving the award in 1932.

## Education Leads

Of the 300 applications this year 92 are in education, 38 in arts, 35 in engineering, 32 in business, 23 in agriculture, 14 in forestry, and 12 in law, other divisions having lesser numbers.

Commencement exercises at the university this year are June 9, 10, and 11. June 9 will be featured by alumni activities. June 10 is baccalaureate Sunday with the sermon being preached by the Rev. Samuel A. Elliot of Boston, son of the noted President Elliot of Harvard university. Commencement proper is Monday. The commencement speaker has not yet been selected.

## BUCKET SALE IS GOOD THIS ISSUE

Pep Band Number of Campus Humor Publication Is Well Received

The Blue Bucket, quarterly magazine published by the ASUI, was put on sale yesterday noon and, according to Art Hagen, editor, and John Cusano, business manager, the sales in so far as they could judge last night were going unusually well.

This number of the Bucket featured the Pep band as a tribute to the organization and the work that it is doing in providing advertisement and entertainment for the university. The cover was drawn by Lang Armstrong, an artist on the staff of the Spokane American Engraving company. A brief summary of the history of the band was given and also a resume of previous Pep Band shows. The article was illustrated by cuts of the band in formal and informal poses.

## COMPLETE PLANS FOR PEP BAND TOUR

Warner Returns Tuesday; Band Will Leave on April 9 or 10

A tentative schedule of appearances for the Pep band on its south Idaho trip is lined up and nearly everything is in readiness, according to Chuck Warner, advance man for the band.

Warner returned Tuesday from his southern Idaho tour during which he contacted all high schools in the cities where the band will play. All the concerts will be sponsored by some student organization within the schools.

Eight evening concerts and two matinee programs will be played. In the towns where time is limited the band will present short-school assemblies.

## No Outside Talent

The "complete" band and Pep band orchestra will make the trip but no outside talent will be included. Lloyd Riutzel will accompany the group as stage manager. The band will leave April 9 or 10 and will probably present their first concert in Payette. They will go as far as Rexburg. Most of the engagements will be played on the return trip. They will be gone approximately 10 days.

"The towns and schools are all looking forward to the appearance of the Idaho Pep band and seem to take a great interest in the band and in the school which the band represents and we feel sure that this is one of the best possible ways of advertising the university," said Chuck Warner.

The complete itinerary will be announced in the next issue of this paper.

## VANDAL CHAPTER HOLDS CONFAB

Daleth Teth Gimmel to Hold Their National Convention Here Next Month

Final plans for the national convention of Daleth Teth Gimmel, town women's organization, were made at a luncheon meeting of the Idaho chapter, Tuesday, at the women's gym. The local chapter, which will be the hostess group, has set the convening date for Saturday and Sunday, April 14 and 15. Mary Axtell, national president, will preside.

The convention will open Saturday morning with a business meeting. A luncheon at noon will be held at the Blue Bucket, and another session will take place in the afternoon. In the evening a sports dinner and dance at the Moscow hotel are being planned. If weather permits, tentative plans are for a breakfast and the installation of national officers in the mountains on Sunday morning.

A delegate from the D. T. G. chapter at Willamette university in Salem and several members from the chapter at Washington State college will attend.

## BRIDGE FINALS ON MONDAY

The final round in the Argonaut Bridge Tournament will take place at the Blue Bucket inn Monday evening between Sigma Alpha Epsilon, Sigma Chi, Delta Chi and Alpha Tau Omega. The play will start at 7:30 p. m.

## KELLOGG VISITORS

Janet Morgan, Martha Killman, Irene Vang, and Gerene McCarty will arrive on the campus from Kellogg today to attend the Sigma Nu formal Saturday night.

## JUNIORS ADOPT MODERN THEME

NRA Will Feature Annual Play Week of Juniors

The NRA idea will in all probability be the scheme of Junior week which has been advanced on the social calendar from April 16-21 to April 23-28. The date was advanced because of the Pep band tour being postponed one week.

All general chairman met at the Sigma Nu house Tuesday evening and made plans for the week. After some discussion the group selected the NRA idea as the theme for the week. The purpose in selecting the theme was that it is in tune with the times, and will be easily carried out in all of the junior events. General chairman of each event will meet with their committees at individual meetings next week to start plans for the separate events.

## IDAHO WILL HAVE CLUB CONFERENCE

Northwest International Relations Group Accepts Invitation for 1935

Idaho's invitation to the Northwest International Relations club conference to hold its meeting in Moscow next year was accepted, according to Dr. J. G. Eldridge, who returned Sunday with nine other Idaho delegates to the conference held in Tacoma Friday and Saturday. Idaho had the second largest delegation to the conference embracing British Columbia, Washington, Idaho, and Oregon, 15 institutions of which were represented by 90 delegates in all. Victoria college led with 16 delegates. The privilege of entertaining the conference here next spring was won by the club after ballots were cast to determine which of the five institutions which invited the conference to its campus would be accepted. This year the International Relations club of the College of Puget Sound was the host.

## Students Speak

The conference was conducted almost wholly by student delegates, said Doctor Eldridge. "Our student speakers made a splendid showing." Karl Hobson, president of the club here, opened a round table discussion on "World Economic Recovery." Virginia Merrick, last year's president, was chairman of one of the nine round table groups, divided into three groups to discuss three different international questions. Thomas Smiley, last year an Idaho student, now at W. S. C., was another speaker.

Sir Herbert Ames, first world treasurer, and Miss Amy Hemingway Jones, international president of International Relations clubs, were the main speakers. Delegates from Idaho were: Doctor Eldridge, Mrs. Margaret Sargent, Virginia Merrick, Karl Hobson, Jean Clough, Mr. and Mrs. L. E. Washburn, Woodrow Mitchell, Fred A. Fisher, and Benjamin Thomas.

## DATE OF DANCE SET FOR APRIL 21

Publications Ball, All-College Affair, Will Be Held at Memorial Gym

"No, it isn't because we're superstitious," said Raphael Gibbs, editor of the Press club, this morning, "but the club has moved the date of the Publications Ball, an all-college dance, from April 13 to April 21. The primary reason for this change of date was because at that time the affair will not conflict with any other function on the campus."

The Memorial gymnasium has been secured for the dance which solves the problem of handling the crowd that is expected to attend. Junior week changed its scheduled time to a week later, leaving the date open for the Press club. The Blue Devils orchestra will play for the dance.

## Many Favors

"Every day we are receiving more encouraging word from national advertisers," said Gibbs. The Royal Salt company sent the club 350 pencils and over 1000 blotters which will be distributed as favors at the dance. A representative of the Lorillard Tobacco company, makers of Old Gold cigarettes, was on the campus yesterday and promised the club to aid in decorating the hall with its advertising material and to distribute its product among the guests as favors.

"You'll have to bring a basket to take home all the favors to be given at the dance," the editor said. "Cigarettes, perfume, cold creams, razor blades, lip sticks, shaving cream, powder, etc., etc., are a few of the favors that I can think of at the moment."

## AUDIENCE GIVES PEP BAND SHOW "GREAT BIG HAND"

Will Be Presented Again Tonight; Was Hit from Start to Finish

The curtain went up on the first performance of the annual Pep Band show Thursday night before a large and appreciative audience. Holding up the standards of previous shows and setting new ideals for future programs, the performance held the attention of the audience from the opening number to the final curtain.

## IS VERY WELL STAGED

Bill Ames Directs Fine Program; Guest Artist Well Received By Capacity House

The formal part of the show was made up of light concert numbers which were pleasing to the tastes of all. Unusual ability in this part of the program was displayed by John Cusano in the trumpet solo "Napoli." "The Parade of the Wooden Soldiers" was most enthusiastically received and the show was concluded with John Phillip Sousa's latest march, written a short time before his death, "Century of Progress."

The informal part of the show is the presentation of the career of the present administrator with all its achievements up to the present time. It opened with the fast moving piece of modern jazz "New Tiger Rag" which represented the new deal. This number was taken from a recording of Paul Whitman's band and was arranged for the Pep Band orchestra by Don Wolfe.

Carloca Is Feature  
One of the featured numbers on this part of the program and one which drew much applause from the audience was the "Carloca" dance, interpreted by Bill Ames and Jessie Hutchinson. The dance is a Brazilian number and on the program tied up with the trouble in the Central and South American countries.

The featured guest artist of the show was Richard Wilson of Washington State college who played a group of well known campus songs on the vibraphone. This feature was a surprise number and was not announced on the program.

A highly interpretive number was the Russian medley featuring the string quartette composed of Raymond Vaught, Bill Ames, Dick Edwards, and Wendell Olson. This number was used to interpret the United States' recognition of Russia. The feature of Russian music together with the lighting effect used was one of the predominate numbers of the program.

Probably the highlight of the evening was the symphonic arrangement of "Here We Have Idaho," arranged by Robert Campbell. This is the first time in the history of the school that a number of such nature has ever been tried and it was highly colorful as well as being something new.

To bring the show to a dramatic close the two marches, "Stars and Stripes Forever" and the "Franklin D. Roosevelt March," were used.

Varied Program  
The complete program follows: Ballet Egyptian, Allegro Non troppo, Allegretto, Andante sostenuto, Andante espressivo, Napoli, by John Cusano, Stradella, Overture, Parade of the Wooden Soldiers, Century of Progress.

### Blue Bucket Vol. XII, Number 2

Volume XII, Number 2, of the Idaho Blue Bucket was distributed to the students of the university yesterday. Beyond a doubt this is the best issue of the Bucket to make its appearance at Idaho for many years.

The cover on the last two numbers of the magazine have been very attractive. Although the art work has not been done on the campus, due to technicalities in engraving, each has portrayed a campus thought cleverly done. The artist, Lang Armstrong, although never a student at the university, has a keen insight into college life which is shown in his drawings.

But the cover of the publication is just a show window for its contents. The current number is dedicated to the Pep Band. There is not a more timely subject to which the Bucket could be dedicated. The magazine has a state-wide circulation and will precede the band on its tour of the southern part of the state.

The Pep Band has been illustrated in several humorous poses along with formal and informal pictures, which will mean larger crowds at concerts, anxious students in high school assemblies, and after it is all over—more students at the University of Idaho. The publication will serve as a nice bit of publicity for the tour.

The Blue Bucket was "on its last pins" a year ago. One issue was ready for the press, but due to the lack of advertising was never printed. This year due to the hard work of Arthur Hagen, the Idaho Press club was convinced that the club was the organization to sponsor the publication of the magazine. The club had many midnight oil sessions before the publication was finally taken over by the group.

The club, finally convinced, petitioned the executive board for the "mothership" of the then struggling publication. The petitioners agreed to put the magazine on its feet financially and editorially without monetary reimbursement. The first edition of the Bucket netted the ASU a few dollars, the second brought forth a few more, so did the third and the fourth publication of the year will probably be a repetition of the preceding issues. It hasn't made a lot of money, but it has not been a drain on the finances of the student body.

The content of the Bucket is increasingly better. Short stories by students who have written for larger magazines and have realized monetary gain for their efforts, are contributors to the student magazine.

In this issue of the Bucket the majority of the "wise cracks" are original with the members of the staff. In previous issues of the publication many of the two and three line jokes were taken from other college publications.

Though the Press club is sponsoring the publication of the Blue Bucket, the greater share of orchids are to be passed on to Arthur Hagen, editor, and John Cusano, business manager. Jack Ficke, selected by the club to handle the circulation of the magazine, deserves his share of the glory also.

An interesting thing concerning the Bucket is that Ralph Hagen, older brother of Art, was editor of the Bucket when he was an undergraduate at Idaho. Both men have edited magazines of credit, and the present editor will no doubt continue to do so.

Congratulations Bucketees Hagen, Cusano, Ficke, and the members of your staffs for your last efforts!

### These Minor Sports Awards

The student body here at Idaho can be divided into two distinct groups—those who have seen the cheap looking sweaters that are handed out to winners of the minor sport "I" letter, and those who have never seen any of them, but if they had, would agree with the other group that it's a disgrace to the institution to furnish our minor sports athletes with such apparel. We'll admit that it's mainly a matter of "keeping up with the Joneses," that is, with other Pacific Coast colleges, but in times like these when Idaho minor sports teams are being sent to Pullman, Walla Walla, Seattle, and even as far as California, it's high time the student body was awarding a minor sports sweater that can compare favorably with those of other schools on the coast. A look at Washington State's minor sports sweater or pictures of those given by the California schools would convince even the most rigid economist that Idaho should replace the thin, easy-to-get-dirty minor sports sweaters with better quality, classier-looking award—perhaps a red sweater to match the major sport award, with a chenille "I" in a circle.

Let's dress up our minor sport athletes.

At the Kenworthy—"Beloved," one of the most sweeping musical productions in the history of the screen, is now playing at the Kenworthy with John Boles in the lead. The play covers the lifetime romance of a composer, played by Boles, to attain recognition as a creator of musical symphonies. The part of his lovely wife is played by Gloria Stuart, and the supporting cast is headed by Morgan Parley, Ruth Hall, and Dorothy Peterson. The story is told against a constantly changing background of important world events during the past century, shifting from Vienna to America, with the frustrated composer and his wife at all times the center of the action.

Five harbingers of happiness come to the Kenworthy Saturday in "The Meanest Gal in Town." Zasu Pitts, Pert Kelton, El Brendel, James Gleason, and Skeets Gallagher are the cast. The background for their characterization is a train-a-day town in the Middle West where a local boy who has made good in the one-chair barbershop is a representative citizen who is romantically inclined. El Brendel is the tonsorial artist. El's bride to be is Zasu Pitts, who be-

Without vacuum tubes, Long Distance telephony would hardly be possible. But with these little tubes placed in "repeaters" or amplifiers at 50 mile intervals along the line—even a whisper carries from coast to coast!

With many tubes used in tandem, individual performance must be almost perfect—or cumulative distortion would render speech unintelligible. That today's Long Distance connections are so reliable and clear, is a tribute to the skill used in making Western Electric tubes.

## TO PLEDGE WOMEN WITH HIGH ABILITY

Second semester pledging to Alpha Lambda Delta, underclasswomen's honorary, will be held Saturday afternoon at Forney hall, it was decided at a meeting of the group at the Gamma Phi Beta house last Tuesday. Several freshmen girls are eligible for membership.

Girls who, in their freshman year, attain a grade average of 5.5 and who participate in at least two campus activities are chosen for members. In order not to include the girls to work for grades alone, the group is going to emphasize the activity participation this year.

## KAPPA PHI GUESTS OF CLUB ALUMNAE

The active chapter of Kappa Phi, national organization of Methodist women, will be guests of the alumnae chapter at a dinner meeting today at 5 o'clock at the Methodist church.

The alumnae have named their meeting "The Pillars" to carry out this year's national Kappa Phi theme of "Building." They will have charge of the program, devotions, and the dinner.

## TO PICK CANDIDATES FOR MORTAR BOARD

The names of the junior girls who are eligible for Mortar Board will be submitted and voted upon at the Associated Women Students assembly, Tuesday, March 27. These plans were approved by the Mortar Board at their luncheon Thursday noon.

Rosanne Roark is the chairman in charge of the assembly.

The spawning season of sea shrimp in Louisiana waters usually extends from March through August.

## STUDENT ABLE TO LEARN AND SLEEP

To learn while we sleep may be the academic principle of the future, if experiments of Dr. Ralph B. Winn of the psychology department of New York City college prove a success.

He plans to take ten students and place them in a state of hypnosis during the experiments. They sit silently for a short time, while small gray balls are suspended before their eyes. Only a few minutes elapse before their eyes shut automatically.

"Yet they are not asleep," according to Dr. Winn. "They are in a state of light hypnosis." I then begin to lecture in a slow even tone, attempting to evoke clear-cut visions in the students' minds. Actually their minds will be wide

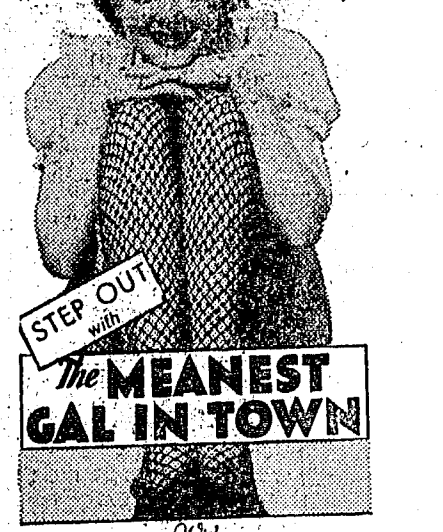

awake, listening to me, and in their imaginations they will be taken to the places about which I am lecturing or the scenes I am depicting."

**Frosh Baseball Turnout**  
 Frosh baseball practice starts Saturday at 1:30 p. m. on the field. All men interested report to Red Jacoby at that time.

FRIDAY, MARCH 23, 1934.

## SPRING FOOTBALL GAMES BEGIN SOON

**"Play Will Begin Shortly After Spring Vacation," Calland Says**

"The annual spring football games will be started shortly after spring vacation," said Coach Leo Calland yesterday. "Two clubs, the Reds and the Blues, will be selected out of the spring squad to play against each other, as has been the custom in former years." The squad has been practicing outside for the past two weeks due to favorable weather and, composed mainly of members of last fall's frosh club and varsity reserves, is working hard on the fundamentals of the game, blocking and tackling being especially stressed.

**Practice Vandal Formations**  
 For the past week Vandal formations have been run through in order to acquaint the newcomers to the squad with Idaho plays. Two new men out for spring football are Joslyn, end, and Angell.

Due to a major part of the regular squad being busy with baseball and track, only 20 men are turning out regularly now. Among members of last year's frosh club who are doing well are Gwilliams, and Ritzheimer, ends, Cooper, guard, and Sundberg, fullback.

Backfield men, under the direction of Coach "Red" Jacoby, are working on blocking and broken field running, while Coach Calland is handling the instruction of the line and wingmen in proper stance and position for different types of play, the defense being stressed.

## Athletes in Many Lines to be Seen On MacLean Field

Spring must be here! It's a sure sign when Coach Calland and his candidates for football glory go out of doors. Yesterday was the first day of regular spring football practice.

The boys got out and stretched their legs kicking and passing the old pigskin. Their coming out was a help in making MacLean field look like an overturned ant hill. In one corner the boys were flipping the pill around the baseball diamond, while the track men were going through the paces.

For the first few nights the men will get the kinkiness out of their muscles and then will settle down to real practice. By the end of the week most of the permanent spring squad will be turning out and a good start will have been made in organizing the Vandal varsity of 1934.

## Seeks Revenge

**THIS 235-POUND W. S. C. fighter, George Theodoratos, will trade punches with the California heavyweight, Jim Castle, who took the big Creek's Pacific coast intercollegiate crown away from him two weeks ago at Pullman tonight, in a fight card at Pullman tonight.**

## VANDAL BOXERS GO TO SPOKANE

**Will Be Last Fight For Idaho Scrappers This Year**

The Idaho boxing team will meet the Spokane Athletic club March 30th in the last fight of the year for the Vandal punchers. Coach Louis August will take five or six of the following men to Spokane for the fray: Morey Fickes, Carl Fickes, Viril Grove, Mike De Paolo, Gene Northrup, Glenn Gage and Morton Brigham.

Coach August stated that even though this is the last fight for this year the practices will continue each night from four to six at the gym. Those who wish to build up for next year, and those who desire to begin boxing may come down and practice.

## VARSITY BASEBALL STARTS SATURDAY

The varsity baseball playing season opens Saturday when Coach Rich Fox's Vandals tangle with the Lewiston-Normal team in a

## GOLFERS NEEDED IN FORMING TEAM

**Calland Requests All Experienced Men to Turn Out**

"University golf players who wish to play for positions on the varsity golf team should be getting in as much practice as possible, advised Leo Calland today. "While no official play will be started until the permanent greens at the Moscow Country club are opened, all aspirants for the team ought to be taking advantage of the play which the weather is allowing."

Bill Lewis, who played number one man last year, will again head the team. Bill Willis and Ray Critchell, who were the number two and three men last, are not in school, and their absence plus the loss of Jack Cumock, another well-known state amateur golfer, will necessitate the building of an almost completely new squad.

**Three Form Nucleus**  
 Vic Warner, Curtis Mann, and Alec Morgan are three of the men who were in the first seven last year and Coach Calland is counting on them to form the nucleus of his squad this year. All men who have had golf experience and will have time to devote to practice are asked to try out for the team this year.

Next month, after preliminary practice, a golf ladder will be posted and a tourney started to determine who will hold down each position during the year. A formal call for golfers will be issued shortly after spring vacation and Coach Calland wishes as many men to turn out as possible.

The games will be played at Lewiston.

The varsity lineup has not been tentatively decided upon and the two games Saturday will help Fox pick the team, besides giving the whole squad a bit of experience against another team.

The starting lineup for these two games has not yet been announced and will probably not be known until immediately before the game. Coach Fox will take 17 men on the trip.

Last night in the A league volleyball game, Lambda Chi beat the Independents two straight matches 15-9, 15-10.

In the B league the Beta's won from the Chi Alpha's, also by two straight matches, 15-2, 15-1.

In the first volleyball game last Tuesday night, L. D. S. defeated Ridenbaugh hall by winning the first two matches.

The Delta Tau Delta won the second game from the Sigma Nus by winning the first and third match.

Wednesday night's games resulted in the defeat of the S. A. Es by the Delta Chis; T. M. A. defeating the A. T. O.s; and Phi Gamma Delta defeating the Kappa Sigs.

Through the default of the T. M. A. by playing an ineligible man in the intramural basketball, a consolation game was played to determine the runners-up in A league. This game between the Sigma Nus and the T. K. Es was played yesterday afternoon and resulted in a defeat for the T. K. Es by a score of 15 to 12. Barker, Sigma Nu forward, was high point man with six points. Hill, Sigma Nu forward, took second honors with four points. Harold Klumb refereed the game. This victory

for the Sigma Nus will give them 100 points additional for being runners-up in their league.

## TRACKSTERS ROMP WITH WASH STATE

**Idaho Track Squad Will Compete at Pullman Saturday**

In an informal meet, purely against time, a squad of 21 men will compete with the W. S. C. track squad at 2 p. m. Saturday at Pullman. No record is to be kept of the meet, but it will merely be for practice against unknown competitors. The relays will be made up of both Idaho and W. S. C. men.

Men competing for Idaho are: 100 yard dash—Kalbus, Beaman; 220 yard dash—Kalbus, Beaman, and Ward; 440 novice race—Luvass, Klingler, and Arnett; 120 high hurdles—Squance; 120 high hurdles novice—Theort; shot and discus—Berg, McGee, and Ritzheimer; high jump—LeGore, Jackson; broad jump—LeGore; mile novice—Orton, Bowler; 800 novice—Ridings, Orton and Brown; pole vault—Neison, Newhouse; four man two mile relay—Livingston, Willis, Riddle, Towbridge; four man mile relay—Livingston, Felton, and two W. S. C. entrants.

## GREAT DRAMATIST GIVEN NEW TITLE

Shakespeare is the father of American slang!

This unusual fact was brought up recently by Dr. John M. McBryde, of Tulane university. He bases his statement on certain phrases in various plays of Shakespeare.

In "Much Ado About Nothing," Balthazar, a musician, sings a song which ends with "Hey nonny, nonny," used in the same sense as the "Hey nonny, nonny, and a ha chacha" is employed today. Joe Penner, radio exponent of the phrase, "You nahsty man," has nothing on Dogberry, a constable, in the above play, who reproachfully calls one of his prisoners, "Thou naughty varlet."

## STUDENTS RECEIVE FREE AMUSEMENT

Free dancing is what the University of California students are going to have, according to a plan that was drawn up recently. According to this plan the university and the ASUC will each bear half the expense for dances in the men's gymnasium on Saturday nights.

If the plan meets with the approval and is voted for by the executive committee four experimental dances will be held to try it out. Sports such as badminton, ping pong, and other facilities of the gymnasium will be open to students as well as social dancing if the new plan goes into effect. However, no provision is to be made for co-educational swimming.
