

## 15,000 Favors To Be Distributed At Dance

### Press Club's All-College Publications Ball To Be Novel Campus Affair

Fifteen thousand samples of everything from cookies to cosmetics and cigarettes have arrived on the campus to be distributed at the Publications Ball the evening of April 21. "And more are on the way," said Raphael Gibbs, editor of the Press club, which is sponsoring the all-college affair.

The dance is going to be held in the Memorial gymnasium. The balconies and walls around the entire dancing floor will be covered with advertising displays from a multitude of nationally known manufacturing and distributing concerns. Huge billboard sheets will hang from the balconies and the ends and corners of the hall will be attractively decked with huge window displays and advertising placards.

Tickets for the dance will go on sale the first of next week. They will be modestly priced at 40 cents per person.

"The beauty of the whole thing is that you can take your date, pick up your share of the merchandise which will be valued at about two dollars, have a dollar's worth of fun, and get out for the sum of only 80 cents," said Gibbs. "That's a bargain any way you look at it."

### Many Aid Dance

A partial list of the concerns contributing decorations and favors at the dance and what they are donating follows:

Royal Salt Co., pencils, clips, and blotters; Barbara Gould, Los Angeles, makeup kits; Woodbury's, Loveliness kits; Colgate's vaseline hair tonic and tooth paste; Parker Pen Co., Graphology books; Spokane Drug Co., McKesson's tooth-paste and shaving cream and Boyer face powder.

Lifebony, shaving cream; Bleumour-Frank Drug Co., 1500 or 2000 assorted samples of cosmetics; National Biscuit Co., cookies; Wrigleys, chewing gum; M. D. Lewis Co., Nature's Remedy, Tums, and thermometer calendars; Lorillard Tobacco Co., cigarettes for everyone; Corner Drug Store, Moscow, assorted samples; Williams Co., razor blades;

Kelloggs, wheat flakes; Sperry's, Wheaties; Fonk's, Moscow, matches; Lane's Thrift Store, Moscow, Scully's "Skookum" syrup, hair tapers from Camay soap manufacturers; Owl Drug store, Moscow, Colgate's toothpaste.

"It's going to be a 'tricky' affair that you can't afford to miss," the editor concluded.

## HUBERT OFFICIALLY NAMED SCHOOL HEAD

### Regents Approve Professor's Appointment to Acting Deanship

Appointment of Dr. E. E. Hubert as acting dean of the University of Idaho School of Forestry was made at the recent meeting of the board of regents of the institution, announces President M. G. Neale. The vacancy was created by the death March 8 of Dean F. G. Miller, for 17 years head of the Idaho forestry school.

### Here Since 1925

Dr. Hubert has been professor of forestry at Idaho since 1925. He was acting dean during the second semester of the 1932-33 university year, when the late Dean Miller was on a six-month's trip to Europe to study forestry practices. Dr. Hubert is widely known in the forestry field for his work in forest pathology. He has directed all of the research activities conducted in the forest products laboratory and has been especially active in co-operating with the federal government in the study and control of blister rust in the vast white pine forests of Idaho. Dr. Hubert is a graduate of the University of Montana and the University of Wisconsin. Prior to coming to Idaho he was on the staff of the federal forest experiment station in Wisconsin. He is the author of several widely used books on forestry.

## BAILEY APPOINTED AT IOWA COLLEGE

Professor Neil P. Bailey has been appointed head of the mechanical engineering department of Iowa State college, at Ames, Iowa. Mr. Bailey received his master's degree here and later was on the faculty in the College of Engineering.

Professor Bailey is the youngest department head in the history of Iowa State college. He is 33 years old.

### Heads Teachers

PRESIDENT M. G. NEALE, who was elected president of the Inland Empire Educational association at the convention held in Spokane last weekend.

## DR. M. G. NEALE IS CHOSEN TO HEAD I. E. E. A. FOR 1935

A. T. Peterson, Montana, Is Elected Vice-President at Convention

2000 ATTEND MEET

Seniors in School of Education Contact Superintendents Concerning Positions

Dr. M. G. Neale, president of the university, was elected president of the Inland Empire Educational association at the 36th annual meeting of the association held in Spokane last week end.

Approximately 2000 teachers and professors from Idaho, Washington, Oregon, and Montana attended the convention. A. T. Peterson, superintendent of schools at Billings, Mont., was elected vice president of the group. Those running against Dr. Neale for the presidency were: John W. Condie, state superintendent of schools, Boise, and W. D. Vincent, former vice president of the association.

A high light of the convention was a lecture by Dr. Alexander Meiklejohn, of the University of California, given at the Fox theater Friday. Dr. Meiklejohn spoke on "Why Study?"

"Why study?" queried Dr. Meiklejohn, and answered it simply enough, "to help us get out of our troubles."

Many seniors in the School of Education from Idaho attended the convention to contact school superintendents concerning positions for next fall. Approximately 25 instructors from the university, members of the association, spent the week end in Spokane.

## MILITARY GROUP PLEDGES SEVEN

At a formal meeting of Seaboard and Blade, national military honorary, in the Memorial gymnasium Monday evening, seven men were pledged to the organization.

The new wearers of the blue and red ribbons are: Elburn Pierce, Worth Clarke, Conrad Frazier, Robert Spence, Richard Nutting, Ddwain Vincent, and Herschell Swann.

## CHANGE PROGRAM FOR JUNIOR WEEK

### Alter Events to Allow Prom Committee More Time to Decorate

The program of events for Junior week has been changed, according to Carl Morfitt, chairman of the week. The change has been effected to allow the committee more time to decorate for the Junior Prom, which is to be held at the Blue Bucket Inn April 27.

The Junior serenade will take place on Tuesday evening, according to Robert Wetherell, chairman. This being the first event of the week will see the theme of the week make its first appearance on the campus. The NRA theme has been worked out cleverly by the committee to fit in with the serenade.

### Parade on Wednesday

The change in the traditional program is the changing of the mixer and parade to Wednesday night, instead of Thursday as it has been held in the past years. The assembly will take the place of the mixer and parade on Thursday night.

The reason for the change in the program is to allow Chairman Ray Sowder and his committee ample time to decorate for the Junior Prom. Sowder has not told his decoration plans, but it is believed that they will follow the NRA theme in a clever manner.

### Name Parade Chairman

John Steward, chairman of the parade, has been working with his committee in formulating plans for the famous Junior parade, which is scheduled to start at 6:15 p. m. on April 25. Steward has appointed the following committees:

(Continued on Page Two)

## ALPHA ZETA ELECTS NEW OFFICERS

John Schwendiman was elected Chancellor of the Idaho chapter of Alpha Zeta, agricultural honorary, at a meeting last night. Schwendiman is a junior from Newdale, Idaho.

Other officers elected at the meeting are: Ray Peterson, censor; Mark Hegsted, scribe; Eldred Lee, chronicler; and Rex Lee, treasurer.

Karl Hobson, a senior in the College of Agriculture, is the outgoing president.

## BLUE KEY TAKES SIX NEW PLEDGES

### C. Warner, Powell, Morfitt, Bopp, Pierce, and Rust Are Pledged

On Wednesday, April 4 at a public events assembly members of the Blue Key, national upperclassmen's service honorary, formally pledged six new members. Membership in the organization is based upon scholarship, personality, and activities. Pledging is done twice a year, once in the fall and again in the spring.

Those honored by Blue Key are: Charles Warner, Phi Delta Theta, Press club, circulation manager of The Argonaut, member of Gem staff; John Powell, Sigma Alpha Epsilon, Intercollegiate Knight, Interfraternity council, business manager of The Argonaut; Carl

(Continued on page two)

## Pep Band and Vandaleers Off On Goodwill Tours Through Northern And Southern Sections of State

### Singers Leave Monday on Week's Trip; Visit Northern Cities

The Idaho Vandaleers, popular University mixed chorus of 19 voices under the direction of Carleton Cummings, head of the music department, left the campus Monday to present a series of formal concerts on a tour throughout northern Idaho during the week of April 9-14.

An excellent program of classical selections, popular numbers, and spirituals, featuring the mixed voices in chorus and instrumental soloists has been arranged by Mr. Cummings and the group. Paul Rust, Coeur d'Alene, is president of the Vandaleers, and Bertha Mae Wilburn, Boise, secretary.

Formal evening concerts have been scheduled for Coeur d'Alene, April 9; Kellogg, April 10; Wallace, April 11; Sandpoint, April 12; and Priest River, April 13. The Vandaleers will give an afternoon concert at Bonners Ferry, April 13.

Shorter matinee programs also will be given at the high schools in Coeur d'Alene, Kellogg, Wallace, and Sandpoint. The Vandaleers will appear before a chamber of commerce luncheon at Coeur d'Alene. Their final appearance on the tour will be at St. John, Washington, April 14, in connection with the Eastern Washington district music contest, at which Mr. Cummings is one of the judges.

### SENIORS NOTICE!!

Seniors who intend to graduate this spring should order their announcements and personal cards before April 18th. A table will be maintained in the main hall of the Administration building from 8 a. m. until 3 p. m., April 10, 11, and 12. After that orders may be placed at the Oriole Nest. April 18th will be the final date for ordering as it is necessary to have the announcements some time in advance for mailing. Seniors make our your announcement lists and order now.

## UNNAMED COMEDY SET FOR WEEKEND

### Name Will Be Chosen Friday; Prize for Best Title

From teredo soup to liberated nuts, George Milton Savage's play to be presented Friday and Saturday nights is a hilarious production with fast action, clever lines, and amusing situations.

Tickets went on reserve at Hodgson's Monday. Students will be admitted on their ASUI tickets, and a 40 cent admission price will be charged all others.

Five dollars in cash and autographed copies of Mr. Savage's two plays presented here will be given to the person who suggests the best name for the play. Those in the Friday night audience will be given an opportunity to suggest an appropriate title for the play, and the name chosen will appear on the program for the Saturday night performance.

### Second Premier

This is the second premier to be given by the university players on the Idaho campus under the direction of Fred C. Blanchard. Mr. Savage's "A Paragraph for Lunch" was produced here two years ago and has since been published with the Idaho players listed as the original cast. It has had a large and popular amateur sale.

### The Cast

The complete cast for the "nameless play" this weekend is as follows: Grandma, Marion Dresser; Mr. Gates, Barney Anderson; Mrs. Gates, Ethlyn O'Neal; Michael Harley, Harold Enking; Theodore, Aldrich Bowler; Millcent, Margaret Moulton; Jack Caston, Earl Bopp; Gerald Barker, Bill Cherrington; Jane Sowerby, Alberta Ut; Margery Perry, Nina Varian; Mrs. Johnson, Coaina Amstutz; Letitia Wilston, Ruth Lyons; Mrs. Wilston, Helen Lawrence; Mr. Wilston, Eldred Stephenson; Sybil Hernandez, Helen Wilson; policeman, Franklin Gwilliams, and Keith Evans.

## TWO TEAMS TO DEBATE TONIGHT

### Phi Deltas and Sigma Nus Will Clash For Championship Trophy

Sigma Nu and Phi Delta Theta will vie tonight at 8 p. m. in room 201 of the Ad. building for the intramural debate championship and a silver loving cup awarded the winner by Delta Sigma Rho, debate honorary. Theron Ward and Max Weber will represent Sigma Nu, on the affirmative side of the question: Resolved that the powers of the president should be substantially increased as a settled policy. Lewis Orland and Branch Walker will debate the negative point for the Phi Deltas. Three faculty members will be selected to judge the contest. Everyone interested is invited to attend.

The finals of the women's intramural debate is slated for a week from tonight. The Delta Delta affirmative team and the Kappa Alpha Theta negative team will debate the question: Resolved that Hitler is a benefit to Germany. The winning team will be awarded a cup by Delta Sigma Rho.

## FERA WORK PROVIDES JOBS

FERA work on the Southern branch campus has provided jobs for 82 students, 34 of whom are women. Most of the work has been confined to campus improvement and stenography. Further needed improvements will be made under a new program.

## Band Makes Exodus Today; First Concert Will Be at Grangeville

Taking with them a bus load of musicians and enough advertising matter to cover every city, town, and hamlet in Idaho, the Pep band left today for its good-will tour of southern Idaho.

The first few stops will be Grangeville, Weiser, and Fayette. Full evening concerts will be presented in Grangeville and Fayette and an afternoon assembly in Weiser. From here they will play Boise, Jerome, Burley, Rexburg, Pocatello, Twin Falls, and Buhl in the order named.

This annual good-will tour has been a feature of the band since its organization on this campus. The purpose of the trip is to advertise the University of Idaho in as many south Idaho towns as possible. As the band is a large drawing card for the school, this trip makes it possible to contact many high school graduates and other prospective students.

The programs presented in the various towns will be made up of two parts, formal and informal and will comprise largely the same type of music that was presented in the Pep band show here.

Lloyd Rutcel will accompany the musical organization as stage manager and will take with him a large amount of stage equipment from the Idaho stage. As nearly as possible the same stage settings will be used as were used in the show.

"The members of the band are all set to do their part and we all feel that the trip will be most successful. The band will do everything possible to inform prospective students of the university besides giving the people of southern Idaho a treat in the line of music," said Bill Ames, director.

## SINGER PRESENTS VARIED PROGRAM

### Raymund Koch, Famous Baritone, Pleases Many in Performances

"We were astounded at the singing ability of Raymund Koch, Chicago baritone, at his afternoon and evening performances here Wednesday," declared Mrs. R. D. Russell, president of the Moscow Music club, which cooperated with the public events committee in bringing the internationally known opera singer to the university students and townspeople. An auditorium nearly filled greeted his recital Wednesday morning at 11 o'clock. Classes were dismissed for the morning assembly. About 300 heard the formal evening performance which was followed by a reception for the artist at the Phi Beta Phi house, given by the Music club members and their guests.

Townpeople Pleased

Mrs. Russell commented further upon the tremendous flexibility of the artist's voice, his charming manner, dramatic ability, generosity in granting encores, and his well-rounded program. Members of the music department agreed with Mrs. Russell in praising the quality of his singing. They appreciated especially his interpretive work, character singing, and the splendid high tone register of his voice. "I really enjoy accompanying this splendid artist," declared Miss Isabel Clark, of the music department.

"De Glory Road" and "Old Man River," two negro songs, proved among the most popular of his afternoon and evening programs, in which Mr. Koch sang a total of 26 selections. The morning's program consisted of the more popular songs, considered of especial appeal to students, while the evening's performance featured classics and semi-classics in Russian, German, Italian, French, and English. The artist was recalled for two encores in the evening.

Mr. Koch has presented innumerable programs with leading symphony orchestras, and has appeared with the American and Cincinnati opera companies.

## Leave For North Idaho Tour

PRESENTING the Idaho Vandaleers, university mixed chorus of 19 voices under direction of Carleton Cummings, who left the campus Monday for a seven-day tour through the panhandle. The Vandaleers will sing at high schools and present formal programs in Coeur d'Alene, Kellogg, Wallace, Sandpoint, Bonners Ferry, Priest River, and St. John, Wash. Members of the group are: left to right—Barbara Geddes, Winchester; Raymond Vaughn, Boise; Ruth Johnson, Moscow; Reginald Lyons, Kellogg; Mary Hartley, Payette; Franw Rosbach, Idaho Falls; Jean Clough, Weiser; Donald Klingler, Hailey; Jessie Keeney, Moscow; Elburn Pierce, Twin Falls; Alice Bell, Moscow; Albert Blair, Priest River; Bertha Wilburn, Boise; Paul Rust, Coeur d'Alene; Annie Snow, Rigby; Donald Tracy, Moscow; and Fay Pettijohn, Castleford. Robert W. Harris, Plummer; Dorothy Brown, McCall; and Carol Campbell, Rosalia, Washington, were absent when the photo was taken.

# The Idaho Argonaut

Official publication of the Associated Students of the University of Idaho, issued every Tuesday and Friday of the college year. Entered as a second class matter at the Postoffice at Moscow, Idaho, on August 10, 1911, under Postoffice No. 1004. Second-class postage paid at Moscow, Idaho, and at additional mailing offices. 2022 Memorial gymnasium, phone 6452.

## Bon Voyage, Musicians

By 2 o'clock this afternoon approximately 60 students representing the university will have left with either the Pep band or the Vandaleers to make tours of the state. The band taking the south and the Vandaleers taking the northern part of the state. Included in the personnel of the two organizations are representations of all phases of college life as well as a worth while representation of all of the schools and colleges in the university. Appearing before the thousands of high school students at assemblies will be the best musical organizations that Idaho has produced in many years. The Pep band will make its first southern trip in four years, and the Vandaleers have not appeared before northern Idaho residents for the same length of time. Many students and people are wondering why such a trip is necessary. The reason for such a trip is obvious to those who are interested in the welfare of the University of Idaho. The whole purpose of the trip is to "put a bug in Mary's and Johnny's ears" and influence them to attend their state institution rather than going out of state. The Pep band probably has the largest job of the two groups when it comes to influencing students to attend the University of Idaho. Many of the students attending the University of Utah and other Utah institutions are from the state of Idaho. A good word by the Pep band and a good impression will never be forgotten. The Vandaleers will be travelling through a territory that supplies the university with hundreds of students every year, but at the same time there are hundreds who go out of the state for their education. It may take a strain of vocal cords and an extra ounce wind through some musical instrument to convert a student to be Idaho minded, but it will pay in the long run. By paying, it is not meant into the bursar's coffers, but paying to attend the institution that was built and is maintained for the youth of the state. Bon Voyage, Pep band and Vandaleers, and may your trip be successful—every true blooded Idahovan is behind you!

## Chrisman Day--Why Not?

In 1894 a young lieutenant just six years out of West Point was assigned to duty "way out west" in Idaho, a mere geographical spot. It was here that the University of Idaho was located with a student body of less than one hundred students. The young lieutenant was our now famous General E. R. Chrisman. Since that time the General has been actively connected with the university for a period of 40 years. During the time of the Spanish-American war the General was called to active duty. He was decorated for his gallant action in the Battle of San Juan hill, an encounter made famous by "Teddy" Roosevelt. He is also the only living man to wear the Indian War medal presented to him before he came to Idaho. Old timers who drop around the campus on homecoming will tell you innumerable stories of how the Colonel saved the scalps of themselves and their friends from the wrath of the discipline committee for some prank they had pulled. They will also tell of the fight that the Colonel put up to see that fraternities were established on the campus. In those days, old grads say, there was a determined opposition to such organizations. All of which brings us to this, the General has been twice decorated by his country, and prominent alums are honoring him at commencement. When he left for the Spanish-American war, students picketed the campus and declared an enforced holiday. For years afterward this day was known as "Chrisman Day." We do not advocate "just another holiday," but we do think it was a nice gesture to General Chrisman. We suggest that on April 18, some of the service honoraries on the campus have a fine opportunity to honor a man who has served the school for 40 years and is all that the term "officer and a gentleman" implies.

## Hawk-Eye On Duty

In spite of the quietude (?) of vacation time, saw: FRANK WHEELER all wrapped up in bandages as the result of a roller skating accident. GALLIGAN having piles of fun with his Ford. WANEK STEIN seen in Boise. KLOSSY KLOSSNER and BILL MARTIN enjoying the vacation together. LOIS REYNOLDS on the receiving end of one of IRA LY-STAD'S caresses. SPEAR and CHAFFEY dancing at the Purple Mill. MERRIAM greeting EMAMISER affectionately on the D. G. front porch. FRED ENSIGN discovering that the sea at the Yacht club was pretty rough. MAXINE STEWART stepping out on her steady. HARRIETT NORRIS falling to appreciate picnics. MARIAN SWANSON making a three-point landing while roller skating. SKINNY ST. CLAIR gaining weight. A.T.O.S taking advantage of the vacation to acquire a sun-tan. DUFFY REED showing off his new car. ALLEN DUNBAR on the D. G. front porch with WOODCHUCK. EDITH SLATER impatiently waiting for the return of the baseball team. HORT HERMAN escorting his girl home in Spokane. (Imagine his embarrassment to discover that he had left her at his home instead of hers.) See you again next vacation.

## Campus Clips

By BOYD  
A practice murder caused pandemonium at the University of Nebraska Law college recently. Almost before the smoke had cleared away and Harry Foster of Lincoln, the "victim," had dropped to the floor with red tomato juice staining his white shirt, police sprinted to the campus and an ambulance arrived with its siren shrieking. Mary K. Quigley, a law student, nearly fainted, and a room full of student barristers rushed the wielder of the gun. As part of their classroom work they have to settle the question of who "shot" Harry Foster. Roy B. Hackman and Hugh Wyland of Lincoln started scuffling in the hall. There was a shot and they flung open the door and crashed into the lecture chamber. Harry Foster, seated inside, tried to wrest the revolver from one of the combatants. More shots were fired and Foster fell. Things went according to schedule until the ambulance arrived, and so did a policeman. Then Dean Foster offered explanations. All of which reminds us of the case of Martin vs. Farquhar and Russell which caused so much attention here on the Idaho campus for a time and then just as quickly died out without ever coming to trial. The student body as a whole was left completely in the dark as to just what transpired in this matter, but, not casting any reflections on the legal profession or those esteemed barristers who make up the classes in our law school, it seems that this case went the way of all such. Time played its part in erasing the evidence and witnesses were lost track of until the case was finally dropped. Explanations of such typically legal, but clearly unethical proceedings would be interesting, don't you think—or don't you?

Perhaps some of you upper classmen can remember when, two years ago next April 1, The Argonaut plastered a story all over the front page of the paper announcing the donation of \$1,000,000 to the university to be used for a new library for studious Idaho eds and co-eds. It seemed that an old graduate in "far off" Canada had died and had stipulated in his will that this vast sum be used for that purpose. The only catch to the whole thing was when it was discovered that the words "April Fool!" appeared at the end. Word comes now from the University of California that a person desiring to be known only as "a friend" recently donated \$1,000,000 to the school for construction of a combination little theater and museum. The only difference between this donation by the anonymous giver and that made to our school is that there was no catch, as far as can be determined, and the edifice is going to be constructed. Have we no "friends?"

Wesley Foundation will have a roller skating party next Friday at Troy. The price is 35 cents for skates and transportation. Meet at the church at 7:30 o'clock. Associated Miners meet 4 p. m. Wednesday, Geology 1. A cosmetic salesman recently stopped at the KA house of Southern California, and after several hours of high-powered salesmanship, all of which proved of no avail, emerged from the fraternity homophile, but not until he had bought an ad from the school paper, represented by one of the KA's. The remedy for professional tardiness at the University of Bologna in 1158 was to withhold the professor's pay for the class at which he arrived late.

## REGISTRAR GIVES CHAIRMEN GRADES

Scholarship chairmen from the group-houses on the campus may get the mid-semester grades of those in their houses by calling at the registrar's office this afternoon between 3 and 5, according to Ella Olesen, registrar. The chairmen are requested to bring an alphabetical list of the members of their respective houses and a pencil, not a pen. Independent students may get their grades by calling for them at the office of their deans. Notices will be placed at the various offices as soon the grades are out.

## CHANGE PROGRAM FOR JUNIOR WEEK

(Continued from Page One)  
to take charge of the floats from the individual houses: Sigma Nu, Joe Strong; Phi Jack Emahiser; Phi Delta Theta, Frank Rodgers; Sigma Alpha Epsilon, Tom Felton; Sigma Chi, Al Fitzpatrick; Delta Chi, Chick Wilson; Kappa Sigma, Elburn Pierce; Alpha Tau Omega, Ap Berg; Lambda Chi Alpha, William Teed; L. D. S., Bob Keer; Tau Kappa Epsilon, Robert Bennett; Delta Tau Delta, Bob Ford; Beta Theta Pi, Frank Rosbach; Ridenbaugh hall, Eldridge Stevenson; Lindley hall, Dick Nutting. The appointments for the societies are: Gamma Phi Beta, Helen Lawrence; Hays hall, Ethlyn O'Neal; Kappa Alpha Theta, Mary Hartley; Kappa Kappa Gamma, Eulene Martin; Delta Gamma, Helen P. Wilson; College Women's club, Betty White; Alpha Chi Omega, Frances Wimer; Delta Delta Delta, Jerry McCarty; Alpha Phi, Ruth Puckett; Pi Beta Phi, Nellie Irwin. Steward asks that all of the above named chairmen meet at the Sigma Chi house at 8:30 p. m., Thursday evening.

## Backstage

You've all heard of "The Man Without a Country"—not Sammy Insult. Ripley tells about a calf down in Missouri without any ears. But you'll have to page Fred C. Blanchard for staging a play without a name. When everything else is in readiness on April 13—the actors fully rehearsed, the stage electricians with lights "ready to shoot," and the prop crew with the last little tablecloth that was so hard to locate in place—the curtains will swing open on the original play without a name. Name, name? Who's got a name? You have! Then, if you go to the first night performance, you can jot it down on the blank space in the program reserved for that purpose. A committee composed of Mr. Blanchard, Dr. G. M. Miller, and George Milton Savage, the Se-

attle playwright, will select from the array of names the one that will embellish the programs at the following night's performance. And the winner will receive five dollars or one-twentieth of a hundred dollars or one-two-hundredth of a thousand (not figured with compound interest.)

Already one student, who says his Aunt Emma won a blue ribbon for the best named prunes at the county fair in the fall of '29, has written in to the student manager of dramas to ask if he has a chance in the play-naming contest.

"Who Knows?" wrote back the manager. "Prize-winning may run in your family. You, too, may earn five bucks this quick, easy way. And think what all that dough will buy! One hundred cherry 'cokes,' or a quart of your bootlegger's best.

"Winning such a prize would be something to tell your grandchildren. Not even Hawk-Eye has ever heard of producing a play without a name and letting a first night audience tack on a title. When the play is sold, the name of your choice may be on it. Two years ago, after the campus premier of "Paragraph for Lunch" by the same author, the play was purchased by the Baker Publishing company. Publishers are already dickering for the rights to this new laugh riot. Concoct a title and add one more chuckle, then make the ASU subtract five smackers from the town people gate receipts for you."

## at the cinema - - -

At the Kenworthy—The Swedish queen of the early seventeenth century, her kingdom, and her lovers are now being portrayed at the Kenworthy in "Queen Christina," with Greta Garbo. The story concerns a girl-queen whose father wanted her to be a boy. She is brought up as one. She dresses as one. She never has any impulse to be a woman until one night when she meets the Spanish Ambassador who is en route to see her to plead for certain rights for his country. She falls in love instantly, and then fate steps in. The final fade-out of the film is one of the most touching and exquisite scenes ever seen on the screen and Garbo's acting here is sheer genius, say advance reports, with Garbo and John Gilbert.

At the Vandal—"42nd Street," "Gold Diggers," "Footlight Parade" and now "Wonder Bar" showing at the Vandal tonight and tomorrow. Sensation of two continents on the stage. It comes to the screen in a blaze of unrivaled splendor to give you a gloriously new conception of musical screen spectacle. Al Jolson sings, Dolores Del Rio and Ricardo Cortez do the tango that made Spain as famous as its senoritas; there are five new song-hits, and a supporting cast that includes: Kay Francis, Dick Powell, Hal Leroy, Fifi D'Orsay, Merna Kennedy, Ruth Donnelly, Hugh Herbert, and Guy Kibbee.

## BLUE KEY TAKES SIX NEW PLEDGES

(Continued from Page One)  
Morfit, Sigma Nu, chairman of Junior week, sophomore class president, Interfraternity council. Earl Bopp, Phi Gamma Delta, president of junior class, Curtain, Gem staff, Bench and Bar; Elburn Pierce, Kappa Sigma, Pep band, Vandaleers, sophomore class president, Scabbard and Blade, Blue Bucket staff; Paul Rust, Delta Tau Delta, Vandaleers, junior class president, Argonaut staff, Minor "I" club, varsity tennis. The six pledges will be formally initiated sometime in May.

Argonaut business staff picture will be taken at 4 o'clock Tuesday afternoon at the Memorial gymnasium. Everyone be there!  
Intercollegiate Knight meeting Wednesday, 7:45. Delta Tau Delta house. Important!  
Wesley Foundation Election of officers at regular meeting Sunday.  
International Relations club meet in A 310A Thursday at 4 p. m. Mr. William Moore will lead the discussion.  
Hell Divers will meet Thursday at 7:30 at the swimming pool. Election of officers and initiation of new members. Everyone be there!

### Everybody Enjoys Spring Vacation

"Boy! Did we have a good time over spring vacation!"  
 "What did you do?"  
 "Nothing!"  
 And such conversations as that is the reason for this society column. Everyone who could leave the campus did so, coming back tired but happy, to crow over those who stayed. But those left behind didn't seem to mind, and managed to entertain themselves very well, according to all reports. To judge by the sleepy yawns attending the first classes after vacation, everyone came back to school to get rested. There were a few visitors over the week end, mostly mothers and fathers.  
 Next week end, however, the spring round of social events will again be in full swing, with the Alpha Tau Omega spring formal heading the calendar.

Stripes flash across the sports scene, alive with color and conviviality. Brighten your swagger suit with a colored blouse, wildly striped—the smart blouse is the loud blouse. Purse, too, are taking to checks, stripes, and plaids in the brightest and gayest colors.

The printed upper-half is the fashion certain to be taken up in a big way. Just by adding a new print jacket to last winter's dark frock one can make it look like something fresh from the wrappings.

Cotton is by far the season's most fashionable material. Seersucker, that changeable material that started out as quite the sportiest of all, has added its affections to informals and formals. It has not only the advantage of being strictly new, but lends quite an air to its wearer.

Navy is a favored color for spring wear, brightened with organdy, pique, and taffeta neck pieces—always a bow under the chin.

### HOME EC HONORARY CHOOSES NEW HEAD

Mary Tuttle was chosen for next year's president of Phi Upsilon Omicron, national home economics honorary, at a meeting of the group last Monday.  
 The other new officers are: Mabel Mullikin, vice president; Ruth Johnson, recording secretary; Barbara Geddes, corresponding secretary and marshal; Dorothy Preuss, treasurer; Betty Houston, chaplain; Hannah Bozarth, candle editor; and Abigail Davis, historian.

### TOWN WOMEN MEET SUNDAY

Mary Axtell Appoints Committees For Annual Daleth Teth Gimel Convention.  
 Committees for the second annual inter-chapter convention of Daleth Teth Gimel, which will be held here next Saturday and Sunday were appointed by Mary Axtell, national president, at a luncheon meeting of the organization last Tuesday. The final program schedule was also decided upon.  
 Committee chairmen and their assistants are: housing, Edna Scott, Kathleen, and Carol Jean Sammi; lunch and breakfast, Grace Fenton, Edith Miller, Maxine Goodell; banquet, Rosamond Aram, Lucille Mills, Laura McGrath; dance, LaRene Richards, Betty Horton, Gertrude Olesen; programs and publicity, Mildred Carson; and meetings, Mary Axtell.

Starts Saturday  
 The convention will open Saturday morning at 9:30 o'clock at Hays hall with a business session, which will be adjourned at noon for a luncheon at the Blue Bucket. In the afternoon, the meeting will continue. At 6:30 o'clock in the evening, an informal banquet will be held at the Moscow hotel, and a sports dance will follow it at 8:30 at the hotel. On Sunday morning will be the installation of national officers at Hays hall, followed by a breakfast at the Blue Bucket.

The local chapter will have the national treasurer next year. Mildred Carson was chosen for the office. She will be installed with the other officers Sunday morning.

### MOSCOW SHEET RECEIVES AWARD

Theta Sigma Names Emmett Huskie News First in Mimeographed Section

The Moscow Wocsononian and the Emmett Huskie News were awarded first places in the printed and mimeographed sections respectively, in the contest sponsored by Theta Sigma women's journalism honorary, for high school papers edited entirely by girls. Honorable mention was given to the Bengal's Purr, Lewiston, and the Twin Falls Bruin.

Papers from 16 high schools were entered in the contest, five printed and 11 mimeographed. Twin Falls and Glenns Ferry won the first places in the contest last year. The papers were judged on amount of news, style of writing, editorials, advertising in those papers allowed to have it, layout, headlines, art work, and features.

In the mimeographed section, the Emmett and Twin Falls papers received almost the same number of points, while Moscow, Lewiston, and Boise were very close in the printed class. The contest is sponsored annually by Theta Sigma and silver cups are awarded to the winners of each class.

At the Syracuse university an entire sorority house was thrown into hysterics by the appearance of a vicious looking bird in their living room.

### TAPS AND TERPS SET FOR MAY 4

Program Will Include Variety of Artistic, Comedy and Characteristic Dances

The date for Taps and Terps has been set for May 4. The program will include four major divisions of artistic dancing, comedy, character, interpretations, and the Nutcracker suite.  
 Clogging under the heading of comedy will include all the "old time" music such as Sweet Adeline, Danday, The Good Old Summer Time, and others. Clogging under the direction of Miss Locke is better than ever, before and with character costumes and ancient local flavor, it will prove one of the biggest attractions of Taps and Terpscoor.

The Nutcracker suite has been entirely arranged and supervised by the women's class. Under the guise of a dream the dolls of all lands, and many toys will be brought to life, pleasing the fancy of all romantic dreamers. The Waltz of the Flowers in this dream will especially add to the artistry of the Nutcracker suite.

In presenting humanly en masse, we will find a primitive dance interpreted to the "Congo" by Vachel Lindsay. With the aid of native tomtoms secured by Miss Wirt in her visit to the Philippines, this dance is most realistic.

All plans for this annual Taps and Terpscoor are on a larger scale than in former years. Marjetta Seburn has been appointed general chairman.

### CHEM ENGINEERS GO ON FIELD TRIP

The senior class of the chemical engineering majors will leave Wednesday for their annual field trip to Trall, British Columbia.

On the trip to Trall the group will inspect the Sperry Flour Mill, Spokane; The Spokane Gas and Fuel company; the paper plant in Millwood and the Goetz Brewery Spokane. From Spokane they will go to Chewelah, Washington where they will inspect the Northwest Magnesite plant. Following this the party will continue to Trall where the smelters and purification plants will be inspected.

The trip will be made by car and will be composed of seven students with Professor Donald Dusault and Alonzo Martin of the chemistry department. The party will return Saturday.

### COUNCIL TO HOLD INFORMAL DANCE

The Interfraternity council will hold its annual informal dance this Saturday night, April 14, at the Delta Chi house. The two council representatives from each house are invited to attend and each fraternity is allowed one guest.

Patrons and patronesses include: President and Mrs. M. J. G. Neale, Mr. and Mrs. Leo Calland, Mr. and Mrs. Allen Janssen, and Mr. and Mrs. Ed Poulton. The programs are of gold suede leather with silver tassels.

Dock Hogue is chairman of the dance committee.

### HOBSON GIVEN CORNELL POST

Is Active in Agricultural Work Here; Award Based on Several Qualities

Karl Hobson, 34, Sedan, Kansas, has recently received an appointment as an assistant in the Agricultural Economics department at Cornell University, Ithaca, N. Y. He will report for work at Ithaca July 1.

Hobson's work will carry him all over the state of New York compiling statistics on agricultural subjects. He will be working under Dr. G. F. Warn, who is head of the agricultural economics department at Cornell, and honorary advisor to President Roosevelt.

During his undergraduate days at the university, Hobson has taken active part in the activities of the College of Agriculture. At the present time he is president of Alpha Zeta, national agricultural honorary, vice president of the Ags, president of the International Relations club, and has taken active part in debate since his entering the university as a sophomore.

The scholarship was awarded on the basis of grades, personality, and practical knowledge of the subject. Hobson will spend the winter months working for his master's degree.

A co-operative store is being considered to eliminate excessive profit-taking at the University of Minnesota.

### WOMEN REGISTER IN TENNIS TOURNAMENT

FOR FIRST CLASS HARDWARE

The tennis tournament has attracted about 33 women on the campus. The biggest percentage of these are juniors, sophomores, and freshmen. The juniors and sophomores have each nine girls registered; the freshmen registered eight, and the seniors have only two women on the list as yet.

As the spring tournament offers many W. A. A. points, Miss Locke, instructor, urges more women to turn out.

Swimming practices will last only three more weeks, according to Betty White, manager of the new major sport.

The tournament has been postponed to a later date.

### STUDENT EDITORS ATTEND BANQUET

Six Idaho journalism students were guests at the Sigma Delta Chi Gridiron banquet held at the Silver Grill in the Spokane hotel, Thursday.

The entertainment consisted of speeches, skits, and music by the violin trio from the University of Idaho Pep band and Al Marineau and his band.

Other guests from Moscow were Dean J. G. Eldridge, Dr. G. M. Miller, Elmer F. Bell, assistant professor of journalism, and Louis A. Boas, editor of the Star-Mirror. Mr. H. L. Pierce, editor of the Spokane Chronicle, was toastmaster.

## Rich Finds Boys Who Can Pelt Pill As Idaho Beats Whitman Four Out of Six

### Vandals Display Strength at Bat

First Series for Idaho over the Missionaries in Four Years

By Lawrence Whiteside  
 Coach Rich Fox's Vandal sluggers spent their vacation in the Walla Walla "banana belt," and came home with four victories out of six games over Whitman to show for their endeavors. It was the first series that Idaho has taken from Coach Mc Berleske's Missionaries in four years, but it was something else that indicated that baseball quotations at Idaho are distinctly "going up"—Rich seems to have found a combination that can hit.

Berleske has had his boys out since the first week in February and they had several games already behind them, but Fox's 1934 edition had little trouble in downing the same outfit that beat them three out of four last year.

At times the Idaho nine displayed almost midseason form, showing the fans an especially well-rounded attack aided to fine fielding ability. When it came to slugging, the Vandals showed to great advantage, garnering hits consistently against all of Whitman's pitchers.

#### NO BAMBINOS BUT HIT CONSISTENTLY

There seemed to be no second "Babe Ruth" of the series, for in all the six games played only one home run was slugged out, and that was by the Whitman outfielder, Woolen. Idaho's hits were mostly of the one- and two base variety, but they came thick and often.

The first day Idaho divided with the Missionaries, winning the first game 12 to 4 and dropping the second 6 to 4. The outstanding source of amusement for the fans was in the batting of "Cueball" Powers, the two-headed Whitman right fielder, who, in four trips to the plate, was given a walk exactly four times. He scored one run and in the last inning, advanced to third on a wild pitch.

#### VANDALS RUN WILD WITH STICKS

In the first game Idaho gained an early lead and then in the last few innings, practically trampled on the Whitman defense to come through 12 to 4. Starting the second game, both teams played air-tight ball for a few innings, but the Walla Walla boys soon grabbed a substantial lead, and were never headed. The game ended 6 to 4 for Whitman.

The second day was slightly cloudy, relieving the players from the sweltering heat which marked the whole series. The double-header was divided this time also, Whitman squeezing out the first 6 to 3, and then bowing to Idaho 7 to 5 in the next. The victory came to Whitman in the eighth inning when she pounded out four runs to the Vandal's one. Jerry Brubaker, Idaho Chucker, allowed only two hits in the first seven innings, but weakened in the eighth to allow four safe blows. Idaho's win was captured the same way. She came through in the final inning with four runs resulting from only two hits. One scorer was given a walk and the other got on base on a fielder's choice.

#### TAKE 'EM TWICE ON SATURDAY

Saturday the Vandals did their "darnest" and managed to cop the series by taking both games.

In the early innings of the first game, both pitchers showed the crowd some fancy twirling. At the end of the third canto the score stood 1 to 0 for the local club. Then both strings of batters broke loose. Idaho came across with five counters, and Whitman, tying the score, rang up six changes on the score-keeper's board. In the sixth frame Whitman forged into the lead with two more runs. Idaho staged a seventh inning rally and garnered seven runs to none for Whitman. Albee, Vandal first baseman, gets a big share of the credit for this. He slammed out a three bagger with two on base and then scored himself. The game ended on that score, 13 to 8. This game was the best of the campaign.

The last game was taken over by the Moscow outfit 6 to 3. In the second frame the Missionaries jumped into a three run lead and held it up to the seventh. Both pitchers showed a lot of stuff and were well backed in the field. The Idaho batters gathered several hits in the seventh frame and put the score up to 4 for Idaho and 3 for Whitman. From then on Naslund effectively squelched the Whitman sluggers, while his own team hung up two more scores, and the game ended in Idaho's favor 6 to 3.

### VANDALS WILL PLAY CREIGHTON IN OMAHA

1934 Football Schedule Calls for Intersectional Turkey Day Game

The Vandals will play an intersectional game on Thanksgiving day with Creighton university at Omaha, Nebraska, as the windup

#### VANDALS' 1934 SCHEDULE

- Sept. 28—Washington at Seattle
- Oct. 6—Gonzaga at Moscow
- Oct. 13—Open
- Oct. 20—Oregon (Homecoming)
- Oct. 27—Montana at Missoula
- Nov. 3—College of Idaho, Moscow
- Nov. 10—W. S. C. at Pullman
- Nov. 17—California at Berkeley
- Nov. 24—Open
- Nov. 29—Creighton U. at Omaha

of their 1934 football schedule, according to an announcement by Coach Leo Calland yesterday. The game will settle a dispute

between the two schools that has been hanging in the balance since 1926, when Idaho avenged a 34 to 19 defeat of the year before with a sparkling 12 to 0 victory. The only two games ever played between the distant rivals resulted in a win for each, so the one next fall will decide, for a year at least, which can boast the most victories.

Three home games and one at Pullman are included on the schedule for next fall. The Homecoming celebration will feature a game with the Oregon Webfeet on October 20. The other home games are with Gonzaga on October 6 and the College of Idaho on November 3.

Once more the Vandals will have to start the season with a game against the University of Washington Huskies two weeks after the first turnout. Conference rulings prevent any practice before September 15.

For the first time in many years, Whitman has been left off the Idaho schedule. Conflicting open dates is the reason for the omission, said Calland.

Pennsylvania highway patrolmen recently confiscated the cars of 25 Lehigh university students, classing them "as relics unfit to operate in public."

### INTRAMURAL SPORTS

A League	
L. D. S.	3 0
Delta Tau Delta	2 1
Lambda Chi Alpha	2 1
Tau Kappa Epsilon	1 1
Alpha Tau Omega	1 1
Ridenbaugh Hall	1 1

B League	
Beta Theta Pi	3 0
Phi Delta Theta	2 1
Sigma Chi	1 1
Phi Gamma Delta	1 1
Sigma Alpha Epsilon	1 1
Lindley Hall	1 1

Beta Theta Pi claimed the lead of the intramural volleyball race in B league last night by trouncing the Phi Deltas, 15-6, 15-4.

L. D. S. held their lead in A league in the second match by defeating the Lambda Chis.

The games last Tuesday night resulted in a victory for the Betas over the Sigma Chis and a victory for Lambda Chi Alpha over T. K. E.

The matches scheduled for tonight are: Phi Gamma Delta versus Sigma Chi at 7 o'clock; Delta Tau Delta versus Tau Kappa Epsilon at 7:45.

### ENGINEERS PLAN SCIENTIFIC SHOW

Assembly Will Bring Out New Feats For Practical Jokers

Plans are being completed for the annual Engineers' show to be held here May 5, and the Engineers assembly scheduled for May 4.

Claude Studebaker, manager of the show, states that there is something new under the sun and that it will turn up at the show.

There will be novel displays of new engineering feats along with some joke experiments fixed up by student engineers.

This show is presented jointly with W. S. C. and is held alternate years at the two schools.

Students have been working all year on such affairs as an electric piano, short wave receiving and sending sets, and laboratory equipment. Some of the trick experiments will be frying hot dogs on a cake of ice, heating an iron until it is red hot in a pail of cold water, and cooling it off in the same pail and other novel stunts.

### FORESTRY SCHOOL DOES RESEARCH

Studies Wood Plastication, Sawmill Wastes and By Products

The Idaho School of Forestry is showing an increasing interest in research in forest products and the conversion of wood into commodities.

This work has been developing over a period of years and has resulted in the organizing, building, and equipping of the wood conversion laboratory, according to Dr. E. C. Jahn, associate professor of forestry.

In an article, describing the wood chemistry research program at Idaho The article is to appear soon in The Timberman, a timber trade journal of international circulation.

"Any well organized forest products research program, regardless of extent," writes Dr. Jahn, "ultimately aims at more efficient utilization and stabilized profitable production. The research program at Idaho attempts to take cognizance of and be guided by the economic forest conditions prevailing in Idaho and the Inland Empire."

It is pointed out that research for new products, a more profitable use of all Inland Empire species, and an effective utilization of logging and sawmill wastes is desirable.

Study Molds  
 Among the research problems under investigation is the plasticization of wood. The development of molded, extruded, and pressed products

of desirable properties and produced by economical processes will require much research. Such products would have a wide range of possible uses, and it is reasonable to expect that a large demand could be developed for them.

### PICTURE CONTEST CLOSING APRIL 17

Masteron, Staugh, and W. S. C. Professor Will Judge Amateur Work

Entries in the amateur photograph exhibition sponsored by Prof. M. W. Melzian of the department of art and architecture, have been postponed from April 8 to April 17.

The exhibition is open to amateurs in Moscow and vicinity. Entries will be listed in three classifications: miniature, typical contact prints, and enlargements.

Dean W. E. Masteron, representing the laymen, Professor W. E. Griffith, head of the art department at Washington State college, representing the artists, and Dr. Howard Stough, technician, will be the judges for the exhibition.

Suitable prizes will be given by the photographic concerns of Moscow for the best pictures from the above groups. A silver loving cup will be given to the amateur who presents the best group of photographs in the exhibition.

### IDAHO DEBATES MONTANA HERE

Discuss Question of Hitler's Present Power Next Wednesday

The last debate of the year will be held Wednesday, April 11, in Ad. 201 when the Idaho team meets the University of Montana team.

Lewis Orland, a freshman, and Karl Hobson, a senior, will represent Idaho, and uphold the negative side of the question. George Van Noy and William Browning, both sophomores, are on the Montana team.

The debate will be of the cross question type and will probably be non-decision. The question is: Resolved—That this house deplores the rise of Hitler. Discussion and questions on the subject on part of the audience will be welcomed. Students interested in the matter are urged to come. This debate should be particularly interesting for the question is the same as that debated in the intramural contests.

### IDAHO ALUMNUS WINS FELLOWSHIP

Angney Is Rewarded For Outstanding Work at Brown University

David H. Angney, '32, Elk River, Idaho, a graduate student at Brown university, has been awarded a University Junior Fellowship in economics, it was announced today by Dean Roland G. D. Richardson of the Graduate school.

Angney attended the Elk River high school, was graduated from the University of Idaho with an A. B. degree in 1932, and was awarded his A. M. degree at Brown this year. He is now an assistant in the department of economics.

Brown university's graduate school awarded fellowships and scholarships this year to 39 students from 36 colleges and universities in 18 states. Fellowships range in value from \$500 to \$1,200, and scholarships cover tuition in the graduate school.

While at Idaho, Angney was a member of the Pop band, Phi Beta Kappa, Delta Sigma Rho, varsity tennis team, and Interfraternity council. He is also a member of Lambda Chi Alpha, social fraternity.

The president of the University of Southern California says that a college freshman has only about one-half the vocabulary of the common laborer. "Swell," he says, "is used to describe 4,972 situations."

### Basket Coach's 'Dream Center' Walks Right Into His Office!

U. of Wash.—The type of basketball centers coaches dream about came to the University of Washington recently and couldn't get in—at least not for another year.

Clarence "Hec" Edmundson, back from Los Angeles where his Huskies won the Pacific Coast conference championship, was sitting in his

office thinking about the future, when he got the biggest thrill of his life.

A fellow opened the door, ducked his head to enter, and said: "I want to play basketball here." Edmundson thought he was seeing a ghost. The lad stood just one inch less than seven feet.

"And brother, you can be the coach too," said Hec after he got his breath.

Kermit Wright was the youngster. He came all the way from Texas after hearing about Washington's great team this year. He is 19 years old, weighs 194 pounds and stands 6 feet 11 inches. He has another year of high school before he can enter college, and he said he intends to finish his schooling in Seattle.

As he departed, Hec wrote in his date book: "Kermit Wright, varsity center, 1936."

— what it means

— to store

# 70 million dollars worth of tobacco

— 4½ miles of warehouses

Everything that Science knows about is used in making Chesterfields.

One thing we do is to buy mild, ripe tobaccos and then lock up these tobaccos in modern storage warehouses to age and mellow like rare wines.

It takes about 3 years to age the tobaccos for your Chesterfield, for Time does something to tobacco that neither man nor machine can do.

It means something to keep 70 million dollars worth of tobacco in storage. It means just this:

We do everything possible to make Chesterfield the cigarette that's milder, the cigarette that tastes better.

the cigarette that's MILDER

the cigarette that TASTES BETTER
