

School Songfest To Be Held Here On April 13

County, Grade, Children Will Participate in Program Saturday

Sponsored by Kiwanis Club; Directed by Miss Berenice Barnard

The second annual songfest for county grade school children will be held next Saturday in the Memorial gymnasium at 2 p. m. About 2000 school children will take part in the program which will consist of two numbers from the entire county chorus, six numbers from the primary chorus, and several songs from the junior chorus.

The program will include an address of welcome by Lt. Charles H. Hart, president of the Kiwanis club, a speech by President M. G. Neale, and special numbers by various bands, orchestras, and choruses of the entire independent districts in the county.

The songs to be sung are those included in the Idaho standardized chorus plan," stated Miss Barnard. "The children learn them in their various schools. Songs are sent out in bulletin form from the office of John W. Condie, state superintendent of public instruction, and are recorded on phonograph records so that all the children can learn the same way."

Plans Started Last Year The Idaho chorus plan was instituted in Idaho schools last year by Miss Barnard, who at that time directed a Benewah county chorus this year. She expects many more at St. Maries and will do so again song festivals to be held in Idaho this year than last as many superintendents have written about the plan and asked for suggestions.

Miss Barnard has been holding rehearsals at the various schools and stated that the children are very enthusiastic about the festival and many are planning to spend the entire day in Moscow.

Convention Delegates To Be Here Friday

Intercollegiate Knights Have Dinner at Sorority Houses With Dance Following

Delegates of the Intercollegiate Knight's national convention, which is being held at Washington State college April 12 and 13, will be entertained by the Idaho Ball and Chain chapter Friday evening with a progressive dinner at the sorority houses. The delegates will be divided into two groups and each group will go to four different houses for a four-course dinner. Music will be played during the dinner.

After the dinner, the visitors will be taken to the Pep Band show where seats have been reserved for them. The evening will end with a spring dance at the Sigma Alpha Epsilon house. Music will be furnished by Armour's Blue Devils orchestra. The sorority houses, through cooperation of the Spurs, are getting dates for the visiting Knights. James Moerder is general chairman for the convention entertainment.

Bill Armstrong, Duke, and Jack Dyer, junior man, will officially represent the Idaho chapter at the convention, with Bill Maclear, scribe, as alternate.

ANNOUNCEMENT

The university music department will present in a senior recital, Miss Kathryn Kennard, cellist accompanied by Miss Marybelle Fulton, pianist, in the university auditorium Monday evening at 8:15 p. m., April 15.

Pep Band Show To Be Thursday, Friday

Casady Taylor Chosen To Head Campus Party Ticket

Nominating Cut Short When Half Through Ticket

Cogs in the Campus party machine slipped this morning when in the middle of the nominations of candidates on that party's ticket for student officers Ethlyn O'Neal moved that the nominations be closed, it was seconded, and the meeting adjourned.

Rumors were rife concerning the reason for the dissolution on the part of those who favored the closing of the nominations, May Queen, Page, Maid of Honor, and Yell King were yet to be nominated by the Campus party.

The Campus party nominated Casady Taylor to head its ticket in the coming elections. Members of the United Students party failed to make any nominations. No reason was given for their failure to submit candidates. Casady has it that United Student party leaders were playing a waiting game to determine what sort of opposition they would face in the coming elections.

CAMPUS PARTY NOMINEES

- President: Casady Taylor; Vice President: Russ Honsowetz; Secretary: Barbara Lipps; Senior Men: Carl Buell, Ralph Jensen; Senior Women: Jane Post, Junior Men: Dallas Watkins, Harold DeMars; Junior Woman: Gertrude Olesen; Sophomore Man: Ray Randall.

These candidates' eligibilities have been checked.

Cavalry Gunners Fire High Score

Team Composed of University Students; To Have Inspection

Troop K's rifle team fired an excellent score in the Militia Bureau match last week and stands a good chance to represent the Idaho national guard in the final counting, according to Capt. Harry Brenn.

While their targets will be scored officially by State Adjutant General M. G. McConnell at Boise, an unofficial score of 1430 out of a possible 1500 was marked down by Capt. W. A. Hale, university rifle team coach, who officially witnessed the shooting on the university's indoor range in Memorial gymnasium.

Troop K's marksmen won the right to enter the Militia Bureau match by winning the 116th Cavalry championship recently in competition with the seven other troops in the regiment. Troops K and E, the two highest cavalry units, fired against the two leading teams from the 116th engineers in the match. The highest score will be sent to Washington, D. C., to the militia bureau as Idaho's national guard entry in the national match.

Ridings Shoots 292 Members of the team are Arnold Moen and Don Ridings, Moscow, and Bob Moser, Alec Morgan and John Crowe, university students enrolled in Troop K. Official score will be received from Boise about the 10th, said Captain Brenn.

Table with columns: Name, Score, Stand. Total. Rows: Moen (99, 96, 85, 280), Moser (99, 98, 90, 287), Crowe (99, 100, 88, 287), Morgan (98, 96, 90, 284), Ridings (100, 99, 93, 292).

The annual federal inspection of Troop K will be held on April 20 and 21, it was announced today by Captain Brenn. The inspection will cover all work that has been done over the year in armory training. All interested are invited to attend. The inspection will be conducted by Brig. Gen. M. G. McConnell, adjutant general of Idaho, Maj. John D. Hood, cavalry instructor, Col.

ARGONAUT NOTICE Pursuant to Article I, Section 2, of the ASUI constitution, the following staff members of The Argonaut are requested to meet in Ad. 301 at 4 o'clock Wednesday afternoon, to select an editorial board: Ddwain Vincent, news editor; Al Anderson, night editor; John Lukens, make-up editor; Mary Kay Riley, day editor; Phil Haring, sports editor; Eileen Kennedy, women's editor; Marion Johnson, society editor; Ruth Haller, feature editor; Barbara Moekler, exchange editor; John Brennan, copy editor; and Wendell Lawrence, art editor.

Idaho Rifle Team High In Area

Team Has Chance to be Champions of Ninth Corps Area

Nicking the bull's eye consistently, Idaho's crack rifle team has taken first place in the ninth corps area for the first stage of the national intercollegiate matches.

Unless the University of Oregon, whose scores have not yet been received at San Francisco headquarters, turns the tables, Idaho's supremacy is certain in this area. The Oregon school has been authorized to complete firing for all matches between April 9 and 16.

Scores Sent In Reports from John B. Shuman, adjutant general in San Francisco, gave the following checked scores for first stage firing: Idaho, 1973; University of Washington, 1941; University of California at Los Angeles, 1948; Washington State, 1924. Scores are made on a basis of 2000 shots, one-half taken from a prone position, the other half sitting.

Captain William A. Hale sent first stage scores for Idaho's target boomers to headquarters yesterday. These scores will determine Idaho's national intercollegiate standing.

High schools with military departments are also competing for the national championship of Junior R. O. T. C. units. Manual Arts high school in Los Angeles has snatched first place in the ninth corps area with a score of 1929.

Announcements Will Be Ready for Seniors This Week

Orders for senior announcements will be taken beginning this week, according to Earl Hayes, chairman of the announcement committee. Orders may be placed with salesmen who will call at the various group houses or at a table in the Administration building.

The announcements are of a new type being introduced into several of the northwestern schools this year. They are of French fold with a miniature engraving of the Administration building tower decorating the front. Samples, both of the announcements and calling cards, will be furnished by the salesmen.

Seniors are urged to place their orders as soon as possible in order that the orders may be sent to the engravers in early May.

Sam Hays and Haj, Frank Townley. The building and administration will be inspected on April 20 while the personnel will be inspected at 9 a. m. the following day.

"The boys have completed a very successful year's work," said Captain Brenn. "I feel sure that they will put on a very creditable inspection." The troop is up to its maximum allowance of 61 men and has a waiting list of men who wish to join. This situation has existed since the troop was organized in 1929. The Moscow unit is one of the very few to have a full component at the summer camp every year. Summer training for the cavalry outfit will be held at Fort Boise. The 116th Engineers and 148th Field Artillery will encamp at Fort Murray with the rest of the 41st division troops. Definite dates have not been announced yet.

--Nomination and Election Rules--

In order to clarify and prevent confusion concerning the elections of ASUI officers, the following rules have been prescribed for the conduct of the nominations and the primary elections. They are in addition to those rules in Article VII of the Constitution and Article XI of the By-laws. 1. All candidates, including those nominated at the assembly, shall file with the Secretary of the ASUI or the President of the ASUI, at any time prior to the 48 hour period just preceding the time set for the primary, a written declaration of their willingness to run for office. Failure to do this within the required time will necessitate the removal of their names from the ballot. 2. Parties shall assume the responsibility of determining the eligibility of their candidates. Any candidate found, after the 48 hour period 'deadline' has been passed, to be ineligible, may not be replaced. 3. After the 48 hour deadline has been passed, the Election Committee shall meet immediately and certify the entire ballot. 4. Before the names shall be designated as to party on the Primary ballot, the approval of such designation must come from the representative body of the party. 5. All acceptances and petitions must be handed to the Secretary of the ASUI or the President of the ASUI by the candidate or one of the signers of the petition. I might add that to tamper or interfere with the orderly conduct of this election will be ill-advised. DAVID KENDRICK, Pres. ASUI.

Bridge Players Plead For Rest

The Argonaut bridge tournament has been postponed until next week. Conflict with the Pep Band show Thursday and several severe cases of vacation blues made this step necessary. Many players requested that they be permitted a few days' grace to recover from the rigors of their holidays.

Engineers Leave For Convention

Seniors in Mechanical Department Will Attend Seattle Meet

Seniors in the mechanical department of the College of Engineering left this morning to attend the northwest convention of the American Society of Mechanical Engineers in Seattle. Lawrence Frisch and Clyde McBlaney will present papers on alloy steel and liquid air, respectively, before the convention, contesting representatives from other schools of the Northwest.

En route they will visit the Grand Coulee dam. In Seattle, they will inspect the Boeing Airplane factory, Bremerton naval yards, Continental Can company, Pacific Coast Steel company, and other plants relating to their studies in engineering.

Scholarships Given To Idaho Students

Prominent Idaho faculty members and students have received scholarships and fellowships to colleges and universities throughout the country. Harold G. Bergen, a senior at the university, who is majoring in entomology, has been permitted to matriculate at the College of Physicians and Surgeons of Columbia university this fall and has also been granted a resident scholarship. Theodore H. Thurston, '35, who is majoring in European history has been awarded a scholarship in the Fletcher School of Law and Diplomacy, which is administered jointly by Tufts college and Harvard university. He will be one of a group of 40 selected graduate students drawn from all parts of the country to do research in modern history and political science. Come to Washington William H. Cone, assistant professor in the department of chemistry, has been awarded a teaching fellowship at the University of Washington. Malcom Renfrew, graduate assistant in the department of chemistry, has accepted a graduate assistantship from the University of Minnesota.

Symphony Concert Highly Praised

Spokane Paper Comments Favorably Upon Work of Idaho Group

The University of Idaho Symphony orchestra presented a concert for the Inland Empire Education association convention in the Spokane armory Thursday. The following comment on the concert is taken from the Spokesman-Review: "The capable University of Idaho Symphony orchestra provided an enjoyable musical interlude in the conference-laden program of the Inland Empire association convention on Thursday evening in the armory. It played an hour's program of music that was absorbed with pleasure by more than 500 educators.

Feature Solists

Paul Rusi, baritone, accompanied by Miss Gertrude Gehrke, sang Handel's "Hear Me Ye Winds and Waves" and "Evening Star," passage from Wagner's "Tannhauser." Miss Harriet Norris, accompanied by the orchestra, played Schumann's "Concerto in A Minor." Miss Kathryn Kennard, cellist, accompanied by Miss Marybelle Fulton at the piano, played "Romance" by Rachmaninoff and "Slit" and "Tartantelle" by Squire.

HAD BEEN MARRIED

Mr. and Mrs. Charles Johnson of Blunt, South Dakota, announce the marriage of their daughter, Vivian, to Bernard Peterson of Moscow at Asotin, Wash., March 22.

BAD LIGHTS CAUSE WRECK

An automobile driven by Hamer Budge, university student, left the road and overturned when the headlights failed about two miles east of the city Saturday night. The car was badly damaged but neither the driver nor passengers were hurt.

At the Infirmary

- Frank Collins, Bert Munthe, Marvin Marshall, Irene Parrott, Marion Wilsey, Edgar Stanton, Davina Cummock, Karl Fickes, Jack Wilcox, Harriet Dunham, Max Hosoda.

Starts at 8:30 p. m.; Program To Be Both Formal and Informal; Feature Idaho Grad's Arrangement

The Idaho Pep Band will give its annual show Thursday and Friday nights of this week in the university auditorium. The show will start at 8:15.

The program will be in two parts; formal and the informal, featuring a stage band. The feature of the formal part will be "Fighting Idaho" by Skeet Stanton, '34, and Norval Ostrom, ex-'34. This will be the first time the newest school song has been presented to the student.

"Victor Herbert Favorites" will include the favorite tunes of "The Firefly," "Babes in Toyland," and his other comic operas. One of Herbert's favorites not included in the selection is the trumpet trio number, "Three Solitaires," to be played by Elburn, Pierce, Dick Baker, and Paul Ennis. "Ray Rose Room" The stage band will present its interpretation of the orchestration of the most popular dance orchestras. "Rose Room" is one of Casa Loma's arrangements by Abe Mauls, formerly in the Pep Band. Bob Campbell will present one of his own compositions in "Jitters."

A quartet, Mary Reiland, Marie Haasch, Marjorie Blaine, and Charlotte Thompson, will sing "Clouds" and "Chloe." Daryl Holt and Jo Betty Wickes will give a tap dance act.

Decorations for the stage are in pastel, making a contrasting background for the formal attire of the Pep Band. Reserved seat tickets for the show are now available at Hodgins' for ASUI tickets. The complete program follows:

- Part I: Victor Herbert Favorites, Fighting Idaho, Richard Stanton and Norval Ostrom, A Day in Venice, Nevin Three Solitaires, Victor Herbert Elburn Pierce, Paul Ennis, and Dick Baker, Orpheus in der Unwelt, Offenbach. Part II: Jitters, Clouds, Sung by Marie Reiland, Marie Haasch, Charlotte Thompson, and Marjorie Blaine, Old Fashioned Love, Bolero, I Won't Dance, Chloe, Sung by Marie Reiland, Marie Haasch, Charlotte Thompson, and Marjorie Blaine, Bessie Couldn't Help It, Tap dance by Daryl Holt and Jo Betty Wickes, Rose Room.

Debate and Declamatory Finals Here April 12, 13

High Schools Send Teams To Moscow For Last Round Of Competition Finals in the state high school contest sponsored by the Idaho Debate and Declamatory association will be held in Moscow April 12 and 13.

The interdistrict contests resulted in the elimination of all but 50 contestants. In all divisions but debate there will be three entries. From each school victorious in the debate divisions, however, there will be both an affirmative and a negative team.

Attend Pep Band Show Contestants will be guests of the ASUI at the Pep Band show while in Moscow. Events are scheduled as follows:

- Friday-1:50 p. m.—Moscow high school—Humorous Readings. Friday-3:15 p. m.—Ad. 311—Oratorical Drama and Extemporaneous Speaking divisions. Saturday-2 p. m.—Ad. 201, 207, 311—Final Debates. Saturday-7:30 p. m.—Auditorium—One Act Play Finals. The public is cordially invited to attend all divisions of the competition.

Bulletin Board

- Graduate student meeting of Sigma Xi has been postponed from April 10 to April 17. PreMed club meeting Monday April 14, Science 110 at 4 p. m. All undergraduate Pre-Meds are invited to attend. Kappa Delta Pi meeting Wednesday at 8 o'clock at the Theta house. Managers' club meeting tonight at the A. T. O. house at 7:30. Important meeting! Theta Sigma meeting Thursday noon at the Blue Bucket. Kappa Delta Pi meeting Wednesday night, April 10, at 7 at the Theta house. Mortar Board meeting, Wednesday at 4:30 at the Varsity cafe.

Hawkeye On Duty

They say that vacation is over, but some of the boys wish that it had never started. It seems that our students painted each of their respective towns or cities with a brilliant hue and have come back to school in some sort of a coma, wondering just what happened.

From the south comes a choice bit of tid-bit...It seems that **EARL BOPP** dickered around Boise poisoning brothers for his own benefit, and hunting ground squirrels in trees on a desert...**LEWIS ENSIGN** doing a bit of chasing around the home town and returning with an auto...**BOB WEATHERALL** looking ten years younger after vacation. He must have turned over a new leaf...**BILL PAULEY** sending telegrams to his fraternity brothers saying that things were popping in Orofino. The lads and lassies from the south were a little skeptical about what went on under cover. I guess they must want to prevent their names from going any farther into **HAWKEYE'S** files.

The Northerners, however, were somewhat open in their maneuvers. We saw **ALLINE KING** and **MARJORIE COLLINS** entertaining their boy friends from the south in the Round-Up room in Spokane...and while we are on the Round-Up subject, we saw **JIM INNIS** treating **MARGARET MATTES** to a milk shake at the same place. I thought that people went to soda fountains for such imbibing...**JOHN MORRIS** doing a bit of free-lancing with **DORIS PAFESH** in Kellogg...**GLENN WHITESELS** heart doing a turnover for **VIRGINIA HEALY'S** sister. His fraternity brothers are following him counting the darts for the younger sister. Not bad either. I must say...**DICK SWINGLER** and **ALICE LYS** tripping the light fantastic at the Cotton club last Thursday...**MARYBELLE EDMUNDS** failing to coagulate in Coeur d'Alene. We could go on and on with the dirt in the north but our editors say to cut down on the words so we will give everybody an equal break.

We do not want to forget the local gossip that took place here during the four days, such as **HUGH MCGUIRE** carrying a precious little article from the S. A. E. to the Kappa house...**KATY SAMMS** has been seen wearing a beautiful ring on that certain finger. I wonder if **CLAYTON SPEARS** has been doing a bit of hitching...**CHUCK WARNER** giving **GLADYS COINER** the rush while vacationing in Moscow...**PEGGY HESTER** coming back to school and snoring through classes. One can well imagine that **PEGGY** didn't go home to sleep...**BOB BAKER** sampling **Lewis-ton** lip stick...**BARNEY ANDERSON** trying to spit on the ball in Whitman games, also he was seen at the dance in Walla Walla on one of the nights. By the appearance of the boys and girls that stayed here, I am inclined to believe that staying here wouldn't be so bad. What do you think?

Well, folks, with vacation over we can turn our thoughts to the political pot for the coming elections. The broth has begun to boil and probabg will soon be over the top and we will have some new paint on the beautiful houses in the form of yellow yolks, if you know what I mean. But right now, I must wait for further developments of the pot so I will bid you adieu with the old saying that if Solomon could take care of all his wives, why can't we take care of a political situation.

GRINS 'N GRIPES TO THE EDITOR

Under this head will be published communications upon any subject of general interest to the readers of The Argonaut. The articles should be brief—not more than 500 words—must be free from personalities and must be signed by the writer. No names or initials will be published unless otherwise requested by the writer. This paper is not responsible for any opinions which may be advocated by contributors to this department, but merely serves as a medium through which readers may express their views. The editor reserves the right to cut out parts of or eliminate any letters which he feels are not pertinent or in their printing would not be to the best interests of the student body.

State, the local firemen were routed out when a blaze was reported at the dormitory but on arrival they found only a bonfire ignited by students to provide illumination when the lights went out. Not so hot

MORE DEFINITIONS
 University of Georgia students have their own ideas of love. They say it is an itching around the heart that can't be scratched, an experience from which you never learn better, and it's indefinable, because you can't see it, but oh, how you can feel it!

STOP AND THINK
 One step ahead of the "lie detector" is the new "truth serum" discovered by Dr. William F. Lorenz, Wisconsin university psychiatrist. The potion, he claims, produces a semi-conscious state in which the patient makes direct answers to questions without first thinking about his replies. Watch out for that!

HELP! HELP!
 A sign posted in the women's dormitory at Radcliff college reads: "If you need a man after 10 o'clock call the janitor."

Doesn't Believe That Athlete Could Study Like That—We Didn't Either

SIR:
 Pardon me for mentioning the matter, but I wish to convey the idea that all of The Argonaut readers hardly read with their mouths open. This is with reference to the article about the brilliant athlete who can do an assignment that ordinarily takes two hours, in an half hour. To begin with most of us aren't here with the ulterior purpose of learning how to get a two-hour assignment in a half hour; we love to do a little supplementary reading, a little reflective "concentration" on the side, because we are preparing for a life's work. However, I am a little skeptical of our scholarly Discobolus doing even the bare requirements of a semester's studying in 144 hours which is at the rate of 8 hours per week—his statement of the amount of time he spends in studying. This is exactly six days studying for the

Those Pennies For Benny

● We cannot refrain from comment on an editorial which appeared recently in The Idaho Statesman (Boise). It was headed "Those Pennies For Benny" and was so obviously at variance with the facts of Idaho's new sales tax law and its purposes that we quote in full.

"It really is a bit unfair to complain about the penny for Benny.

If you feel bad when digging up an extra cent for your package of cigarettes, or your loaf of bread, or an extra \$25 on your new automobile, just draw consolation out of the good you are doing.

You've made it possible, by this contribution, for the state to spend \$537,696.55 more than it did during the last two years.

You've enabled the board of education to increase the salary of the university president \$700 a year.

You're doing your bit toward increasing the salaries of various deans and professors from \$3600 to \$4200 a year.

You're contributing towards giving the heads of departments in the state house increases of \$25 a month; from \$225 to \$250.

If you weren't paying that penny to Benny these ineffable benefits might not have come in the path these hard working servants of the state; they might have had to forego some of these raises so the hungry could be fed."

This, of course, is such an outright falsity that it hardly needs comment from us. So ridiculous is it that its reprinting in this paper should suffice.

However, let us point out some of the salient points in the purpose for the enactment of the sales tax which has filled our pockets with "chickenfeed" and created so much comment throughout the state for the past month.

The federal government through its relief organization offers to the several states a large sum of money in monthly allotments which those states must match in a small proportion to secure. Threatened suspension of federal aid materialized for a week as our legislators battled over the solution of a problem of securing revenue to furnish the needed amount. The sales tax emerged as the answer to our relief problem.

The act further provides that if the amount accruing to the state from the sales tax exceeds the amount to match federal funds for emergency relief it shall be turned into the general fund and to the public schools.

The amount of funds coming to the university each year is fixed by appropriations enacted by the legislature. The sales tax is not to be used for such appropriations. Margins created by excesses of revenue secured in this manner will not and can not come to the university without additional appropriations. If the sales tax brought in a billion a year the university would not see a penny of it. "Pennies for Benny" are to match PERA pennies.

IDAHO PROFESSOR GETS HIGH HONOR

According to a news dispatch from Corvallis, Ore., Saturday, R. H. Hull, professor of engineering at the university, was elected chairman of the Pacific Northwest section of the American Association for the Promotion of Engineering Education.

The fourth annual session will be held at the University of Idaho next year.

Other officers are: G. W. Holcomb of Oregon State, vice chairman; and J. E. Buchanan, University of Idaho, secretary.

COUGAR STADIUM WILL SEAT 30,000

If the board of regents, the athletic council and the board of control of Washington State college will approve of the plans, W. S. C. will build seating accommodations for 30,000 people on Rogers field in time for football next fall, Earl Foster, graduate manager of that institution, announced Friday.

Foster said plans call for covering stands with a capacity of 12,000. The project will cost \$40,000, which will be taken from associated student funds.

whole semester. Why, he would only have to come to school the week before exams. It sounds to me like a pretty superficially learned education, in fact meager would be the more appropriate word. If I have given our scholarly athlete unjust criticism, I am all apologies, and I would be the first to suggest giving him a scholarship, or still better, let him teach us his powerful method of "concentration." I must say, if I ever need an engineer I would hesitate to hire one who worked only from 10 a. m. to 12 noon each day, even though he could do an entire day's work in this time; my Scotch soul would cry that I was getting cheated. As a last reminder, I would advise the university regents to keep Discobolus' works under cover unless they wish all the prospective students

to enroll in the engineering course. Again, I say pardon me, but I am sure our scholarly Athenian would do well on a farm.

Sigma Alpha Epsilon "Monte Carlo" dance	

S. A. E. Hold Informal Dance
Sigma Alpha Epsilon held an informal vacation dance at the chapter house Friday. Patron and patroness were Mr. Edward Whitehead and Miss Pauline LeMar. The radio furnished the music.

The national worthy grand chief of Alpha Tau Omega, Sidney B. Fithian, Kansas City, Mo., was a house guest of the local chapter last week.

An informal vacation party was held at the L. D. S. Institute Friday.

House guests of Alpha Phi during spring vacation were Mrs. C. H. Smith, Portland; Mrs. T. B. Smith, and Mrs. M. N. Austin Blackfoot; and Mrs. H. N. Wood, Boise.

Mrs. D. E. Johnson, Burley, is a house guest of Delta Delta Delta.

Paul Shafer and Lloyd Johnson, McCall, were house guests of Sigma Chi during vacation.

Charles Crowley was a dinner guest of Alpha Phi Friday.

Mrs. C. H. Smith, Portland, was a dinner guest of Sigma Alpha Epsilon on Sunday.

Mrs. W. S. Rich, Blackfoot, was a house guest of Sigma Alpha Epsilon during vacation.

Ridenbaugh hall entertained guests at a fireside Thursday. Dancing was the diversion of the evening, and refreshments were served at a later hour.

Enough ink is used in the production of newspapers per year in the United States to float our entire naval fleet, it is said.

CORLON KEEPS THAT KISSABLE COMPLEXION

PENNEY'S

JACKETS AND TROUSERS

During the past year the jacket and trouser trend has increased greatly in popularity. One of the most favored is the brown tweed jacket and plain gray flannel trousers to be worn with a heavy brogue shoe. The newer jackets of this type are in two and three buttons with a high rolled notched lapel, patch or bellows pockets, and center side vents. These jackets are especially smart when worn with shepherd's check or hound's tooth trousers in both gray and brown. Beware of some bold patterned jacket.

CARDINAL KEY DANCE DATE IS POSTONED

Members of Cardinal Key, upperclasswomen's honorary service organization, decided to postpone the date of their formal dance until the middle of May, at a luncheon meeting at the Blue Bucket Inn last Tuesday. Esther Hunt, president, announced that a committee is working on plans that will give the organization more merit as a service group. The project will not be revealed until it is well under way, she explained.

Alpha Zeta Plans Initiation With W. S. C.

Alpha Zeta, national honorary agricultural fraternity, is planning to hold their spring initiation with the Elliot chapter at W. S. C. on April 13. Formal initiation will be held Saturday afternoon and in the evening a banquet will be given in honor of the new members. Alpha Zeta chooses its members on the qualities of scholarship, leadership, and personality. Those who will be initiated Saturday are Lynn Aitken, Roberts; Floyd Claypool, Jerome; Jay Conquest, Boise; William David, Lascassas, Tenn.; Rodney Hansen, Goshen; Wallace Hunt, Burley; Don Peterson, Paul Fred Rasmussen, Rexburg; Ralph Samson, Mountain Home; Maurice Sorenson, Rexburg; Curtis Taylor, Rigby; and Jack Woods, Emmett.

Taps and Terpsichore To Be Held April 18

Will Feature Egyptian Dance; Hill Billie Theme Will Also Be Carried Out

The eighth annual dance recital, "Taps and Terpsichore," will be presented under the auspices of the Women's Athletic association on April 18.

The main feature will be an Egyptian dance drama set in the temple of Isis. An additional new attraction will be a demonstration of how dances are composed, that is, of technique and principles of composition and movement. The tap dance motif will carry out the hill billie theme. Dances will be "Arkansas Traveler," "Clementine," "Oh Suzanna," "Hand Me Down My Walking Cane," "On The Flying Trapeze," and "I Like Mountain Music." These dances will be accompanied by a women's sextette under the direction of Carol Campbell and including Louise Paulsen, Lorna Jane Cornell, Rosanée Roark, Agda Walden, and Dorothy Arm strong.

Tumbling Too
Tumbling and pyramid building, a number which proved popular with the men in its first presentation last year, is under the direction of Miss Mabel Locke. Rendezvous—Amoureux et Malicieux will have two numbers, in the first of which a coquettish couple of the sixties steal a march on a sleeping chaperone, while in the latter Rumor spreads her malicious tales with great glee. The program will start at 8:15 p. m. in the auditorium. Reserved seats will go on sale at Hodgins' April 13 at 20 cents for students, and 35 cents for townspeople.

COLLEGE OF PACIFIC DEBATES HERE

In two non-decision debates with the College of the Pacific team Tuesday, Cecil Greathouse and Lewis Orland upheld the negative at 3 o'clock and the affirmative at 7 o'clock for the University of Idaho on the question, "Resolved: That the Nations Should Agree to Prevent the International Shipment of Arms and Munitions."

CHENOWETH TO SPEAK

Kappa Delta Pi, national education honorary will hold an informal program meeting Wednesday night at the Kappa Alpha Theta house. Prof. C. W. Chenoweth head of the philosophy department will be the speaker of the evening. There will be a short program of music and readings following the business meeting.

Four Frosh Tracksters Are Varsity Material

Johnson, Kennaly, Cable, and Cantola Showing Up Well In Pre-Season Trials

Four men of the 1935 frosh track team come to the front as likely prospects for next year's varsity. Donald Johnson, the boy from

Troy, tossed the shot 43 feet, 7 inches, in an informal meet with W. S. C. and at another time threw the javelin 172 feet, 14 feet short of the record hung up by Buck Phillips in 1914 which was broken by Ritzheimer a few weeks ago.

New Sprinter
Frank Kenally, according to Coach Otto Anderson, has good possibilities as a sprinter. He gets out of his holes quicker than the

varsity speed men. Oscar Cable, high jumper, cleared the bar at 6 feet 1 1/2 inches in the informal meet with W. S. C. Walter Cantola ran the quarter mile in the same meet in the fairly good time of 54 seconds. "All these men," stated Coach Anderson, "are better-than-fair prospects for the varsity next year."

SPRING

vacation is over, and spring athletics settle down in dead earnest. Football, track, and baseball are over, now that the nine weeks' exams are over, and so will spring football and baseball. Intramural athletics are on the up grade too, with volleyball of to a flying but confused start last night. All in all, Vandal sports are once more coming back to the point where a sports writer can write up games and such and be able to get by without running all over the athletics department for stores. Those are the days a sports scribbler yens for. Right now we can blame the weather for the forced blanketing of spring sports, and until the sun starts spreading those famous violet rays a trifle more profusely, they'll have to stay under cover.

THE VANDAL

baseball club took a few on the chin at Whitman last weekend, but all in all it was a satisfactory situation from the Vandal point of view. The Idaho men, with only two days of outside playing against Lewiston Normal, couldn't beat a very good Whitman club in mid-season form. We aren't attempting to alibi for the Vandal defeats, the facts alone are enough to show that the defeats were justified. Coach Fox expressed himself as pleased with the Vandal chugging and hitting, and stated that practice on the home diamond, not yet available, is necessary if any club is to win ball games. Two spots still worry Fox—the third base post and the catching job. Provided those two positions can be satisfactorily filled, he will be well satisfied with the club as a whole. We predict a place well up in the division standings for the Vandals this year, regardless of pre-season losses caused by lack of outside practice.

ACCORDING

to a tip given us by a local news correspondent, Bobby King, transfer from Glendale Junior college, in California, is among the recruits turning out for spring practice at the University of Oregon. If you will remember, King is the lad that was on the Idaho campus for two weeks last fall, but finally had to go home because he couldn't get a job. He liked Idaho, wanted to go to school here and looked like a fine prospect, but, like many another athlete, couldn't go to school without a job. Result he went back to Glendale J. C. where he still had another year, and made a name for himself quarterbacking that outfit into a runnerup berth in the Junior college of California championship playoff. All Los Angeles sports sheets gave him writeups and pre-

Vandal Gridders Are Put Through Tricky Drills; Big Chance Offered for Smart Engineers to Assist Bank

NOTICE

to all other schools whom the Vandals meet next fall. Secret football practice has already begun at Idaho, with all spectators kept off the gym floor. Dark secrets are being divulged beneath the glass roof of the gym, and, in accordance with Coach Bank's orders, no onlookers are allowed. That's fair warning, Washington, W. S. C., Oregon, Oregon State U. C. L. A., Gonzaga, and Nevada. Better get your trunks polished up; we're coming out red-eyed next September.

dicted a new star for Southern California or one of the other California schools. Now he's at Oregon, along with seven other J. C. transfers, three backfield men and four linemen. Must have a nice climate at Eugene.

Vandal Sluggers Undaunted by Series of Defeats With Whitman

Lack of Our Door Practice Results in Losing Five Straight

Disastrous as far as games won are concerned but highly beneficial in rounding the Vandals into shape for the conference baseball season was the Walla Walla invasion last week-end. Whitman handed Idaho five consecutive trimmings, 4-1, 4-1, 5-4, 4-0, and 5-3.

The Missionaries, far advanced in their early season conditioning, had a distinct edge in having already played in about 15 practice games this season before meeting the Vandals.

A general bolstering up, which will necessitate more outside practice than the Vandals have been able to get, having yet to step on to the local diamond, is the crying need which was conspicuous at Walla Walla. No one department looked bad and none appeared to be hitting on all cylinders.

Couldn't Bunch Hits

Six errors and a failure to bunch their hits cost the Vandals the opener. They outhit the winners 9 to 5, getting two three baggers and a pair of doubles, but this swatting was off-set by three Whitman double plays. Naslund and Newton divided the pitching assignment for Idaho with Wheeler and Stewart dividing the receiving. Lemmel went the route for the winners, with Edwards behind the plate.

In the first game Friday, Webb, short and spidery Indian southpaw, limited the Vandals to five hits and a single unearned run as Newton was being touched for nine singles and four tallies. Newton's fielding, turning in six assists, figured strongly in the Vandal defeat.

Nosed Out By One Point

Bill Black, southern-branch recruit, turned in a commendable pitching job in the second game, limiting the Missions to six hits, but the Vandals came out on the short end, 5 to 4. Whitman's hits were bunched, three accounting for two runs in the third and two more clouds yielding a pair in the fifth. Idaho's free hitting in this contest lacked concentration as in the seventh when after two safe blows which placed the tying and winning run on base, Pete Jones replaced Rhein on the mound to fan Barney Anderson, pinch-hitter which retired the side.

Wally Geraghty turned in a good job of bat-swinging for the day with a triple, a two-bagger, and a single, but marred the performance with an equal number of errors.

Summers Given Bouquet

Quoting a Walla Walla paper, we find them giving Steve Summers a big bouquet: "But the

man who stole all the fielding glory—not excluding Whitman's stellar Walker-to-Keele-to-O'Brien combination—was Summers, Idaho second sacker. With the speed of a Wycoff he covers all the space from first to second and fades back into the field to snag Texas leaguers. In the first game he sprinted down to take a hot ground ball within 15 feet of first base and tossed out Keele—and Keele is never slow. In the second he sped back to deep center to take Tony Criscola's long fly over his shoulder."

Pete Jonas, stellar Whitman chucker, continued his mastery of the Vandal sluggers in the fourth game of the series by setting them down with one lone hit, a blow by Geraghty in the first inning. Jonas tossed in eight strike-outs to add to his low-hit offerings. P. Anderson went the route for Idaho, allowing nine hits which were transposed into four tallies.

Naslund Hits Triple

Lefty Naslund, Vandal southpaw hurler, started the fireworks in the seventh inning of the last game when he banged out a three bagger. Before the Missions could get things under control the Vandals had chased over two runs to knot the score and send the game into extra innings. Two runs in the ninth allowed Borleske's men to pull the contest off the fire.

On the whole the pitching for the series was good. Naslund, Black, Anderson, Newton and Sheppard all displayed talent, and better support in the field might have been able to turn a couple of the close ones into victories. Inability to bunch hits was the big weakness in the offensive.

Walla Walla Scribe Praises Vandal Baseball Squad

In commenting on Idaho's practicing before the games on Friday, a Walla Walla sports writer said:

"The Foxmen were practicing at noon, anxious to get in all the outside work they could while in the 'banana belt.' It was apparent in both hitting and fielding that they are to be a powerful aggregation within the near future."

Coach Fox intimated yesterday that he was fairly well satisfied with all departments except the hot corner and the receiving post. Henry Schodde at third is a proven hitter, but lacks speed in fielding. He hasn't been able to get in quite as much practice as the other men, so he may be able to brush up his weaknesses with a little more work. The four-way race for the regular catching assignment is among Barney Anderson, John

Vandal Grapplers Rate Semi-finals

Leatham and Miller Hit Stiff Competition in Portland Meet

Wrestling against veteran athletic club members, Idaho's grapplers wound up a highly successful season at Portland last Thursday by placing Earl Leatham and Bob Miller in the semi-finals of the A. U. northwest championship matches.

The competition in the meet included all amateur wrestlers regardless of age or affiliation. As a consequence the Idaho collegians had to compete against men who have spent many years in the game. The Multnomah Athletic club of Portland took away the lion's share of the championships with five wins. Salem Athletic club won two, while the Tacoma Athletic club and the Portland Y. M. C. A. took one championship apiece.

Earl Leatham and Bob Miller won in both the first and second rounds of the meet, but succumbed to more experienced wrestlers in the semi-finals. Stan Skiles and Paul Jones both lost in the second round after winning their first match. Jack Barbee, the other member of the team, lost his first bout to a W.S.C. man who had been figured as the underdog before the meet.

Steward, Joe Wheeler, and Roy Hanford. As yet Coach Fox believes it is a toss up, and hopes that one of the four will step out and fill the gap left by the graduation of Bud McNealy, who starred behind the plate last season.

Oregon U. Wins Northern Division Swim Meet

Led by two brothers, Jim and Charles Reed, the University of Oregon won the Northern division swimming meet with an overwhelming score of 61 points. The University of Washington made 26 points to barely nose out W. S. C. with 24. Idaho tallied but four.

When asked about the season, Egton Kroil said: "The season, taken as a whole, has been very successful. For the first time in the history of Idaho swimming, the men have had a chance to become acquainted with swimmers and coaches from other institutions. A great deal of experience was gained during the season and with a wealth of material from the freshman ranks, a brilliant season is looked forward to next year."

Freshman Baseball Begins; Several Positions Open

Freshmen baseball practice began yesterday in the gymnasium with 15 men turning out. Many positions are still open, and all freshmen who wish to play baseball are urged to turn out.

Outside practice cannot begin until the weather is better, and, owing to the bad weather through spring vacation, no further progress has been made on the freshman field.

Exactly 5,610 degrees have been granted by Oklahoma A. and M. college since its founding in 1891.

Intramural Volleyball Schedule Is Revised For Tonight's Games

Will Postpone Several Games; Part of First Round Played Monday

The revised schedule for tonight's intramural volleyball games, released by Cy Geraghty last night, calls for six games, played in series of two games each. In the A league Delta Chi meets Senior hall at 7, the Fijis play the Kappa Sigs at 7:30, and the Betas meet T. M. A. at 8.

B league teams to play are L. D. S. versus Sigma Chi at 7, University club versus Chi Alpha Pi at 7:30, and Phi Delta Theta versus Lindley hall at 8.

Deltas Win. Delta Tau Delta defeated Lambda Chi two games, straight last night, in the first round of the volleyball tournament, 15 to 11 and 15 to 10. Sigma Nu turned back Sigma Alpha Epsilon two games out of three, taking the first game 15 to 8 and the last one 15 to 12. Eidenbaugh hall steamrolled Alpha Tau Omega two straight games, both won by a score of 15 to 1.

The games scheduled between Beta Theta Pi and T. M. A. as well as the Kappa Sigma-Phi Gamma Delta encounters were postponed because of lack of a second court. The second court will be laid out for tonight's games.

"Vandals Will Handle Ball," Decrees Bank

Coach Is Holding Practices in Gymnasium; Dummies Have Not Yet Arrived

Next fall the Vandals will handle that ball!

That's the decree handed out by Coach Ted Bank and his assistant, Bob Tessier; and the rainy day practices in the gymnasium are being used to that end. Passing and receiving, hours of it, is the spring football program at the present time, with chalk talks afterward in the locker room.

"Until we get some good weather we'll concentrate on ball handling and learning a few of the new plays," said Coach Bank yesterday. "We can't do anything in the way of scrimmaging until we can get on the field."

The dummies which have been ordered to facilitate instruction on blocking and new plays have not yet arrived but are expected in a day or so. If the weather doesn't clear up, the dummies will be used on the gym floor, Coach Bank added.

No organized practice was held over spring vacation, Coaches Bank and Tessier being absent on a trip to northern Idaho, where they attended the high school Lettermen's banquet at Kellogg.

Ted Bank Meets North Idaho Alums On Weekend Trip

Ted Bank, Idaho's new coach, accompanied by his assistant, Bob Tessier, Graduate Manager, "Cap" Horton, and Ralph York, president of the alumni association, made a weekend tour of the northern part of the state last week to "meet the alumni and get acquainted."

The four were entertained at dinner Thursday evening in Spokane in the Roundup room of the Desert hotel by nearly 130 alumni and students. Friday they had lunch with alumni at Coeur d'Alene and attended the "K" club Lettermen's banquet at Kellogg in the evening. Saturday they had lunch with alumni in Wallace.

Alumni Enthusiastic "If the alumni give cooperation in the measure of the enthusiasm that they showed at these various banquets, everything will certainly be fine," said Coach Bank after returning. "All alumni were very enthusiastic but I have no definite statement to make as to future prospects."

At the banquet in Spokane the new Vandal mentor was introduced by President M. G. Neale. The university's executive declared that, "Mr. Bank comes to Idaho with the wholehearted support of the board of education, alumni, students, and faculty of the university. That the students are behind him is shown by the fact that 71 have turned out for spring football practice, which is a large number."

"I was glad to come to Idaho," Bank said when introduced, "for a pair of reasons. I like the people here and I like the climate. Down in Louisiana I was on Kingfish Huey Long's list as an undesirable citizen, which is still another reason why I am glad to come to Idaho, because I would probably have been chased out of there anyway soon."

No Predictions "I am not going to make any predictions about next year, and I am not going to be optimistic. I do know, though, that we have some fine looking material. Whether there are football players among the group, I don't know, for they have not scrimmaged yet."

"This I will say next year during the football season the men who go on the field will be in top condition and will have plenty of fight. To all other questions I shall answer with a smile."

Bob Tessier, Bank's assistant for the line this spring, expressed his pleasure at the meeting. Other speakers included Ralph York, Boise, president of the Idaho Alumni association; Dr. W. H. Newman, Spokane, head of the Vandal Boosters' organization there; and H. H. Campbell, Coeur d'Alene.

"Sure, enjoy yourself," said Jim. "It's a ding good cigarette."

I was working way late at the office one night and ran out of cigarettes. When Jim the watchman came through I tackled him for a smoke.

"Sure," says Jim, and he handed over a pack of Chesterfields. "Go ahead, Mr. Kent, take three or four."

Jim said he'd smoked a lot of cigarettes in his time, but he'd put Chesterfield up in front of any of 'em when it came to taste.

... "and they ain't a bit strong either," is the way Jim put it.

That was the first Chesterfield I ever smoked. And I'm right there with him, too, when he says it's a ding good cigarette.

Interesting—how people find out about Chesterfield
