Ricks Aftermath

When fervent appeals were being made for the Idaho legislature to have the state take over operation and maintenance of Ricks college at Rexburg one of the arguments in behalf of the movement was that otherwise the institution would have to close its doors, with the claim that the Mormon church no longer is able to support the school. It would be a pity, we were told, to have these college buildings and equipment lie in idle waste with the students forced to seek elsewhere for junior college training.

Remembering that argument, it is interesting to note a news story in the current issue of the Teton Peak Chronicle, weekly newspaper published at St. Anthony. We quote from it:

"Word has just been received from John Widtsoe, commissioner of education for the L. D. S. church, that an appropriation has definitely been made for the maintenance of Ricks college for 1935-36. The provisions are such that the school can be run on a good, efficient basis, and the educational needs of its patrons can be well cared for. Additions will be made to the faculty so that the engineering, chemistry, language and home economics courses will have more expert attention.

"President Manwaring reports that plans are going forward vigorously for the further beautification of the campus, and the completion of the athletic field. Work will continue during the summer on better housing conditions of the students, and taking care of the regular repairs and renewals in the buildings. Special attention will be given the library and laboratories. A fine program is also being worked out in the extra-curricular activities.

"Ricks will be in a position to take extra good care of the large number of students that will attend next year. All who are associated with Ricks college are happy over the prospects of the future of the school."

The contradiction between the picture of pauperism painted when Ricks was trying to fasten itself onto the state treasury and the picture of modest affluence painted for home consumption evidently requires no comment. For its part, the Tribune is happy to learn that Ricks is in a position to expand and continue the good educational service it has rendered the people of the upper Snake river valley. It is a commendable example of church enterprise and it should be continued as such.—Lewiston Tribune.

Hawkeye On Duty

Once more your chief snoop is back on the job with a few splashes of gossip and comments. We see by this issue of the Argonaut that by next Tuesday we will know this year's outstanding men on the campus as the ASUI nominations will have to be announced. What a time! I can hardly wait for the eve of election and also the night after. I would suggest that all houses cover up the front of the house with canvass and board all the windows, in spite of what our ASUI president says about egg slinging. It's bound to happen in the best of regulated political campaigns.

The lull after vacation is upon us. Youse guys and gals must have had enough over vacation and are taking a rest cure or something. We are going to have to resort to some of the scandal that happened last week in order to keep things going. Have pity upon a poor columnist and help me out. Right now you are helping me out of a job. In Spokane last week we saw ROSS HARRIS fishing for gold fish in the Desert hotel pond. He says that he could have had them if they were not so slippery....The rumor last

week about KATY SAMM and CLAYTON SPEAR was all a joke on their part. They had a few people fooled for a time.

...VIRGINIA HEALY was seen on her hands and knees waxing floors so that she could have permission to go home and see her promised BOB...KENNETH THOMPSON has finally decided to deposit his beloved jewelry upon HARRIET ASTON....The Delta Gammas seem to be going back to their younger days with playing drop the handkerchief and blind man's buff...."PASSION FLOWER" MOORE trying to persuade her Theta sisters that she can dance....The Sigma Nu house manager-elect wondering what the Phi Delt did with a certain private seat which was removed during Phi Delt Hell week....BILL CHERRINGTON and unknown girl wandering into Bucket last night long after hours....we see that our old friend and student, BENNY LUTZ is back on the campus.

The past two days have brought out the couples who go strolling along hand in hand with no other thought in the world except the lovely and handsome creature beside them. More power to them, it's great stuff, but one must be careful and not be too open about one's affections because old HAWKEYE is on the look out all times for various reasons.

The only use for grades at the University of Chicago is for the purpose of transferring to other institutions.

TO THE EDITOR

Our Apologies, Richard; We Have A Student Director, However

SIR:

I demand an apology! I was the person who wrote the article that appeared in your paper about two weeks ago, which you headed "Against Traditions; Must be a Freshman." If you will but take the time and the trouble to look up in the registrar's office, you will

find that Richard Mitchell is a senior on the campus! Hoping to see this mistake remedied soon, I remain,

Mr. Richard M. Mitchell

Cinder Artists Welcome Balmly Weather

A decided change in the weather allowed the 1935 Vandal cinder squad to hit the cinder track of MacLean field last Wednesday for the first time this year. It was a welcome change from the inefficient and crowded conditions of Lewis court and is the break that Coach Otto Anderson has been waiting for in view of the coming

contest at Walla Walla with the Missionaries on April 20.

"This will give the boys a chance to become used to the proper competing conditions," said Anderson. "At that it's going to rush us to get into fair shape. I had hoped for this weather sooner."

Ap Berg is getting more distance on the shot-put, and Earl Ritzheimer is showing up well in the discus as well as in the javelin. In practice he has thrown the platter 137 feet, 6 inches.

PHI UPSILON OMICRON INSTALLS OFFICERS

Lucille Mills was formally installed as president of Phi Up-

silon Omicron, national home economics honorary, Monday evening. Mary Tuttle, outgoing president presided.

Other officers are Mary Lou Iddings, vice president; Edwina Williams, corresponding secretary; Amber Wolf, recording secretary; June Fleming, treasurer; Dorothy Preuss, historian; Georgina Howarth, editor; and Lols O'Meara, chaplain.

GEM NOTICE

Thursday and Friday, April 18 and 19, a table will be placed in the Ad building in order to sell 50 extra Gems being printed. Data will also be there with the names of all students who paid cash for their Gems at the beginning of the school year or have signed for them since.

Feathertouch is two Pens in one...I need them both!

Platinum in the writing fluid channel of the Sheffer Feathertouch point permits effortless two-way writing. When held normally this pen writes its user's normal script—when turned over it writes a thin, fine line particularly desirable for figure work, marginal notes, and other small writing. Everybody has use for both types of handwriting. Remember that all Sheffer Feathertouch pens, either lever or visible-barrel type, are one-stroke vacuum-fillers—to keep in best writing condition they fill, empty with force, and clean with one stroke, and take in over 400% more fluid per stroke than multiple-stroke pens.

Sheaffer's are priced from \$2.75 up

SHERFEY'S BOOK & MUSIC STORE
"If It's New We Are First To Have It."

WE ASKED NEWSPAPER PEOPLE:

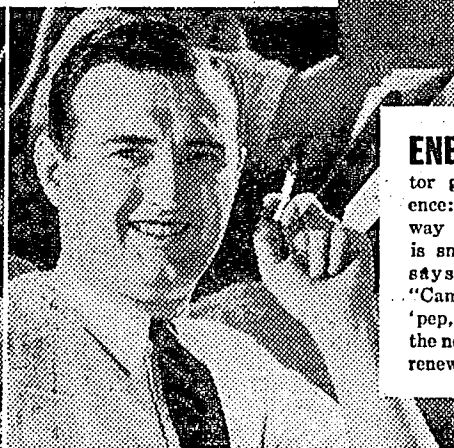

"IS THIS FACT IMPORTANT TO YOU?"

"CAMELS ARE MADE FROM FINER, MORE EXPENSIVE TOBACCOS—TURKISH AND DOMESTIC—THAN ANY OTHER POPULAR BRAND."

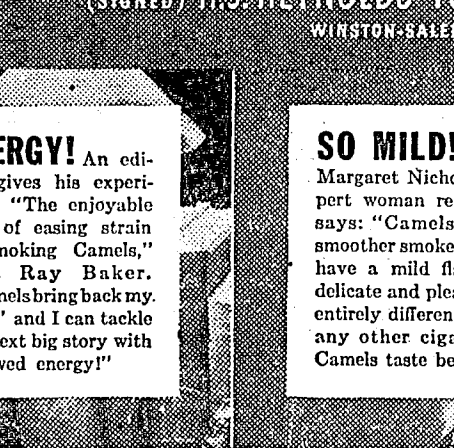

(SIGNED) R.J. REYNOLDS TOBACCO COMPANY
WILKINSON-SALEM, NORTH CAROLINA

FLAVOR! "Camels have a great taste—rich and pleasing," says Herman J. Lamkin, linotype operator. "I've smoked them for many years. I can smoke as steadily as I want to, and Camels don't ever affect my nerves."

ENERGY! An editor gives his experience: "The enjoyable way of easing strain is smoking Camels," says Ray Baker. "Camels bring back my 'pep,' and I can tackle the next big story with renewed energy!"

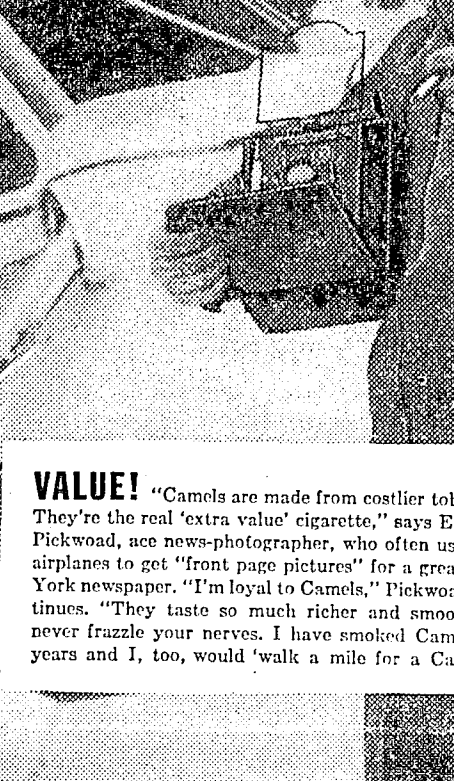

SO WILD! Miss Margaret Nichols, expert woman reporter, says: "Camels are a smoother smoke. They have a mild flavor—delicate and pleasing—entirely different from any other cigarette. Camels taste better!"

HEALTHY NERVES! Pat Robinson, sports writer, says: "I've been smoking Camels ever since they were put on the market. I smoke at least two packs of Camels a day. They never interfere with my nerves."

VALUE! "Camels are made from costlier tobaccos. They're the real 'extra value' cigarette," says E. E. C. Pickwood, ace news-photographer, who often uses fast airplanes to get "front page pictures" for a great New York newspaper. "I'm loyal to Camels," Pickwood continues. "They taste so much richer and smoother—never frazzle your nerves. I have smoked Camels for years and I, too, would 'walk a mile for a Camel.'"

By Phil Haring

A SALUTE
to Stan Skiles, one of the finest athletes Idaho has ever produced. Charles Stanley Skiles, a senior in the College of Law, completed his athletic career at the Pacific northwest amateur wrestling championship meet last week. In four years of wrestling, one at the Southern Branch, Skiles has never been thrown. The only match he ever

Northwest intercollegiate champion at 135 pounds in 1934. Skiles again defeated the cream of the collegiate class to become a champion of the 126-pound division this year. In addition to that, Skiles has coached the Vandal wrestling team for the past two years, producing one intercollegiate champion in addition to himself last year, and four more champions again this season, Bob Miller, Paul Jones, Earl Leatham, and Jack Barbec. With only a part time coaching job, Skiles produced better men than either Washington State or University of Washington, both of whom employ full time wrestling coaches. At the championship meet last week, held at the Multnomah Athletic club in Portland, two of his men reached the semi-finals. Truly, Stan Skiles deserves the distinction of being a true Idaho athlete in the fullest sense of the word.

JUST
how tough the competition is at a meet such as the one held in Portland last week may be shown by citing an example. Paul Jones, representing Idaho in the 135-pound division, lost by a very close decision to a Multnomah clubman who has had 80 bouts. Paul has had four so far. The athletic clubmen wrestle for years and years. One representative of the Multnomah club won a championship this year, who won his first championship in 1923. That's 12 years ago.

Intramural Sports

Only one game was played in the "A" league and two in the "B" league in intramural volleyball this week. All of the other games have been cancelled and a new schedule will be worked out. In the "A" league the Betas won from the Tekes 15 to 9 and 15 to 7.

The Phi Deltis won from Sigma Nu in the "B" league, 15-11 and 15-5. In the second game Ridenbaugh defeated University club 15-5 and 12-11.

Hats Off to a Fine
Idaho Athlete; Tough
Competition at Portland

Tennis Tilts Start Tomorrow

Courts To Be Reserved: Will Be Run on Ladder System

Challenge matches for the high rounds on the varsity tennis ladder will start Saturday. The following men are ranked in the order named for the challenge ladder: Dick Axtell, Paul Rust, Hugh Eldridge, Bill Martin, John Wells, and Ddwain Vincent.

Placement on the ladder will be by challenge round. Challenges of men on the first five rounds can be made only to the man above; for those below the first five rounds, challenges can be made to the first, second, and third men above.

Spring Sun Brings Out Best In Vandal Batsmen

Infield Fundamentals and Squeeze Plays Are Being Stressed; Will Play Lewiston Normal Saturday

With old Sol showing his sunny face once more, the Vandal batsmen have been hitting old mother earth with a vengeance. Rainy weather tends to keep ball players under cover, but the series with Whitman during spring vacation and now this balmy spring sun has got the Vandals throwing balls all over the lot.

Coach Rich Fox has been stressing infield fundamentals this last week and his efforts have begun to show results. Steals to second, covering bases with men on first and third, and squeeze plays with the bases full are among those things that are being tried over and over again until the men have the plays well in hand.

Play Lewiston Normal
For the third time this spring, the Foxmen travel to Lewiston Saturday. Over two teams will make the trip to play a double header with Lewiston Normal. Although these are regular games, they are for the purpose of giving the men a chance to work their plays and perfect their defense, especially in the infield.

Among those who have been looking especially good in the infield are Stephen Summers and Wally Geraghty. Summers, according to Coach Fox, was the most outstanding player on the Vandal nine in the Whitman series. He staged a spectacular catch when he sprinted from his own second base sack and picked up a hot grounder not 15 feet from first and tossed out to Keele of Whitman who is rated as one of the Missionaries' fastest men. Another time he faded far back and picked up a long fly in, deep center over his shoulder.

Geraghty Outstanding
Wally Geraghty, veteran shortstop, has been playing a good game in this position and has been showing promise of being one of the hardest hitters in the conference.

Gridsters Practice On Dummies

First Scrimmages To Be Held Saturday, Weather Permitting

"Hit hard! Here you, you rolled on your back on that block. Hit with your side."

Coach Ted Bank, head coach of the Vandals, was talking making rapid fire comment on the blocking of his backfield men as they hit the dummies.

Four of the new dummies have arrived, and with the spring weather of the past few days, have been pressed into active service. Eight more are on their way, scheduled to arrive some time next week.

"The boys like the use of the dummies," said Coach Bank. "They had their first workout with them yesterday, and even in the brief space of time they have worked with them, their play has

smoothed up considerably." Dr. On Scrimmage
Spot scrimmage was the main event on yesterday's program, with different teams made up of the 75 candidates alternating on offense and defense. First actual scrimmage will probably be held Saturday afternoon, weather permitting.
"I can't definitely say who my best men are, because I haven't had a chance to really test them yet," answered Coach Bank when asked how his club was shaping up. "Men who look well in this fundamental work may look poor in an actual scrimmage. It looks like I've a pretty good bunch of backfield men, but the line looks a trifle weak at this time."
Weakness in the tackle positions, depleted by graduation, and lack of material for the ends put those spots in line for a lot of work, while the snapper-back post is still more or less of an unknown factor.

Since the recent invasion of Whitman territory, Fox has been more optimistic about his pitching prospects.
"The pitching against Whitman was especially satisfactory," said Fox. "Considering that our chuckers had done practically all their previous throwing inside."

With a little more bolstering at third base and catching positions, Coach Fox hopes to have a well-rounded nine.

The next Idaho games at Moscow will be a return series with Whitman. These will be played April 16 and 19 instead of April 19 and 20 as previously scheduled.

"LETTER" MEN

"LETTER" men, as well as other leaders in undergraduate life, are individuals with lots of vitality. Their energy and their enthusiasm make them popular.

But many others fail to take proper care of their health. Their drive and pep is often slowed down by constipation due to insufficient "bulk."

Fortunately, this can be corrected. Kellogg's ALL-BRAN, a delicious cereal, supplies "bulk" as well as vitamin B and iron. This "bulk" is mild in action.

Two tablespoonfuls daily, served with milk or cream, are usually sufficient to promote regular habits. Ask that it be served at your fraternity house, eating-club or campus restaurant.

The most popular ready-to-eat cereals served in the dining-rooms of American colleges, eating-clubs and fraternities are made by Kellogg in Battle Creek. They include Kellogg's Corn Flakes, PEP Bran Flakes, Rice Krispies, Wheat Krumbles, and Kellogg's WHOLE WHEAT Biscuit. Also Kaffee Hag Coffee—real coffee—97% caffeine free.

SOCIETY

THE social calendar says spring is here and we hope the weather continues to agree.

The weekend will be a busy one. The delegates to the Inter-collegiate Knight convention at W. S. C. will be on the campus Friday for a progressive dinner at the sororities, the Pep Band show, and a dance at the Sigma Alpha Epsilon chapter house.

Tau Kappa Epsilon and Alpha Tau Omega are holding formal Saturday, but the details are a deep, dark secret until the events take place.

Chi Sigma Phi will hold a dance, too, at the L. D. S. Institute. Spring vacation seemed good for Cupid, for Lebeck Hall and Frank Beach both were married. Both brides are new to the campus, Mrs. Hall being from Preston and Mrs. Beach from Lind, Wash.

Reception Held For Newly Weds

A reception will be held Friday at the L. D. S. Institute in honor of Mr. and Mrs. Leness Hall, who were married during spring vacation. Mrs. Hall's maiden name was Addie Dunkley. She is from Preston, and attended school at the Utah Agricultural college. Hall is a junior here in the College of Agriculture. He had been living at the University Men's club. The couple will live on Almon street until the end of the school year.

Chi Sigma Phi Plan Dance

A spring informal will be held by Chi Sigma Phi at the L. D. S. Institute, Saturday. Spring flowers will be the decorations, and the programs will be gold and black. Whitaker's orchestra will furnish the music. Patrons and patronesses will be Mr. and Mrs. Lawrence Chamberlain, and Mr. and Mrs. Allen S. Janssen.

I. K. Delegates Will Be Entertained

Delegates to the Intercollegiate Knights convention, held at WSC this week, will be entertained here at a progressive dinner Friday. Every four sororities will serve fifteen delegates. The Knights will be given tickets to the Pep Band show. Later a dance will be held at the Sigma Alpha Epsilon chapter house. Music will

be furnished by the Blue Devils' orchestra. Patrons and patronesses will be Mr. and Mrs. Leo Calland, Mr. and Mrs. George Horton, and Dean T. S. Kerr.

Beach Marries During Vacation

Frank Beach, 37, Burley, was married Monday to Martha Klesler, Lind, Wash. The marriage took place at the home of the bride at Lind. Beach is a major in agriculture and is a member of Lambda Chi Alpha. The couple will live in the Thutuna apartments until school closes.

Kathryn Kennard Recital Monday

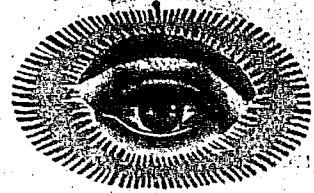

Cellist To Be Presented By Music Department; Fulton Accompanist

The university music department will present in a senior recital Kathryn Kennard, cellist, accompanied by Marybelle Fulton, pianist, next Monday evening, at 8:15 at the university auditorium. Miss Kennard is a pupil of Miss Miriam Little, cellist, and member of the music faculty of this campus.

The following is the program to be presented:

- Aria Pergolesi
- Concerto in D major .. Haydn
- Adagio
- Allegro

No admission will be charged.

W. A. A. BASEBALL STARTS MONDAY

Women's baseball practice will start Monday. There will be five weeks' practice before the tournament to be held in May. To be eligible for class or second teams eight practices will be required to be taken any two nights during the week. Practices will be taken on Monday, Tuesday, Wednesday, and Thursday from 4 to 4:30 o'clock.

Another event in women's sports next week will be the free-throw tournament. Those taking part must have one hour's practice on Monday and Tuesday. Scores will be taken Wednesday and Thursday.

W. A. A. to Display Modern Dance Technique

Techniques typical of the work of the outstanding modern dance artists of this country will be presented at the W. A. A. dance

recital, Taps and Terpsichore, next Thursday night. These dancers were on the faculty of the Bennington school of the dance, which had its inception on the campus of Bennington college, Vermont, in the summer of 1934.

This dance movement proved so successful that the work will continue as a permanent center of the arts in America, to be directed by its originators, Martha Hill of New York university, and Mary Jo Shelly of New college, Columbia university. The members of the artist staff whose techniques will be given by Idaho women are Martha Graham, Tina Flade, Doris Humphrey, Hanya Holm, and Charles Weidman.

Taps and Terps To Feature Miss Paterka

Miss Pauline Paterka will sing two solos at the performance of Taps and Terpsichore next Thursday night. Her numbers will be "Mountains" and "Trees" both by Oscar Rasbach. The latter song will accompany a plastic study, to be done by Catherine Bjornstad and Charlotte Kennedy. The arrangement for this study was made by Richard Stuart, a leading dancer of Los Angeles.

A Hill Billy sextette, directed by Carol Campbell, will demon-

strate harmony—and lack of it—in the songs accompanying the tap dance continuity. Their songs will be "She'll Be Coming 'Round the Mountain," "Hand Me Down My Walking Cane," "Clementine," "Oh Suzanna," "The Man On the Flying Trapeze," and "I Like Mountain Music." The members of the sextette are Dorothy Armstrong, Carol Campbell, Lorna Jane Cornell, Louise Paulsen, Rosanne Roark, and Agda Walden.

FACULTY APPOINTMENTS

(Continued from Page One)

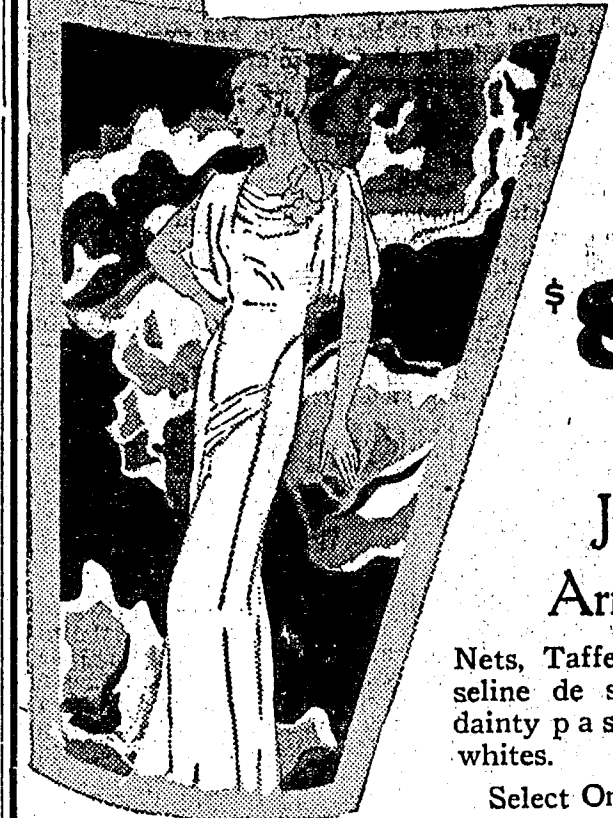

cow testing association work in the Boise valley in 1920-21.

He has been superintendent of dairy cattle at the Pacific International since 1925; judge of dairy cattle at the Pacific Slope Dairy show, Montana State Fair Ogden Livestock show and many district fairs in Pacific Northwest states; and is on the list of approved judges for both Jersey and Holstein breeds. Last summer and fall Mr. Fourt was assistant state director of drouth relief work in purchasing cattle sheep and feed. He has been an active leader in the state campaign for elimination of tuberculosis and contagious abortion of cattle.

Gamma Phi Beta entertained Mrs. Millicent Hoffman, Minneapolis, Minn., grand national president, at a fireside Wednesday.
