

Annual Dance To Feature Orchestra

Publications Ball Will Have Morrey O'Donnell's Band Friday Night

Medicine Show Given Before May Day Performance

"The best orchestra I've ever played in" is Morrey O'Donnell's description of the musicians from Medical Lake, whom the Press club have arranged to have play for the Publications Ball May 10. O'Donnell, a former Idaho student, has played in bands all over the world, so his opinion should mean something.

"We'll have every instrument but a piccolo and a zither," he reports. "All of us are glad to have the opportunity to play in Moscow and are looking forward to it very much."

Medicine Show First
The medicine show, which is put on before the dance, will be given before the May day performance. This show will feature quack show barkers, fan dancers, and the show's unharmonic orchestra. Several hundred samples will be given away at this time. The show is one of the unique features of the Publications Ball.

A clever arrangement of indirect lighting and striking decorations formed from billboard advertisements will completely transform the Memorial gymnasium for the second annual ball. **Sampler Given Away**
Admission will be 40 cents a person.

Samples to be distributed include candy, peanuts, cigarettes, cosmetics, shaving supplies, blotters, pencil clips, breakfast food, and everything else imaginable. The complete list includes Vaseline lip ice, Philip Morris cigarettes, Planter's peanuts, Hershey bars, Fearnimint, Aspergum, Bee-man's and Wrigley's gum, tempters, Chamberlain's lotion, Williams shaving cream, Aqua-Velva, and pencils, clips, Alka-Seltzer, and blotters from the Royal Chrystal salt company.

T. S. Prichard Is Given Carnegie Scholarship; To Study in Europe

T. J. Prichard, head of the department of art and architecture, has been given a Carnegie summer grant scholarship which will enable him to travel in the East and abroad. He plans to go to Harvard for the summer session and to go from there to London, Antwerp, Ghent, Dijon, and Paris for the remainder of the summer.

"I am writing on a special phase of Burgundian civilization in the first half of the 15th century," Mr. Prichard said. "It has to do with the Flemish painters, particularly Van Eycks, and their influence on the Italian school, and also on the attribution of certain paintings. I have at present the ground work of my study completed and need to examine first hand certain documents which are available only in England and Europe."

Hell Divers Score Hit With Exhibition

Visiting Red Cross Representative Explains Life Saving Tactics

The Hell Divers' annual water carnival, held last night and tonight opening at 7:30 at the university pool, featured novel and comic swimming and diving. Ralph Carlson, Pacific Coast field representative of the American Red Cross gave a talk on life saving and explained an exhibition of life saving tactics and artificial resuscitation.

Dick Finkley, dressed in the garb of a weather beaten fisherman, acted as master of ceremonies. The entertainment began with speed in the women's 50-yard dash and the men's 50-yard dash. In a waltz crawl there was exhibited formation swimming.

To add mystery to the evening a cop broke in and caught a robber sneaking around the pool. In a suitcase relay and the suicide leap the situation became intense, but for the scientific observation of the students, an interesting number was the exhibition of styles of swimming gathered from travels in many lands and learned from all walks of life.

The show closed with the swimmers in a candle and water wheel formation turning round and round while the spotlight played colored lights on them.

Spokane Camera Club Joins Photo Exhibit

The second amateur photographic exhibit will be held Friday, Saturday, and Sunday, May 17, 18, and 19 in Room 310, of the Science hall.

Spokane amateurs were invited to enter the exhibit, and the Spokane Camera club accepted the offer. This club expects to send down 50 or more of the best prints, suggesting that they might take the cup and the awards. The club is a nationally known organization, having taken quite a few first places and awards in exhibits held throughout the United States.

The manager of the exhibit hopes that all the best prints of local amateurs will be on display. Time of entry will be postponed not later than May 15 to allow those who feel that the cup and awards should remain in this vicinity to prepare their entries. This exhibit is held under the auspices of the department of art and architecture by M. W. Melzian.

Revised Constitution And P. R. Go Into Effect by General Assent

By the margin of but one and two votes, respectively, Otto Power, yell king, and Dorothy Brown, ASUI secretary, slipped into those offices Friday after a recount of Thursday's torrid balloting. Never in history have Idaho students gone to the polls with such conflicting views on who should be chosen for the ASUI offices.

United Students party officially elected six of its candidates to next year's executive board; the Campus party, five. Voting catapulted the revised ASUI constitution and proportional representation into effect for next year by overwhelming majorities. The band consisted of about 100 high school boys and girls and the orchestra was made up of about 75. Mr. Yvon and Mr. Claus rehearsed with these groups for three days before the program which was given at the Lewiston high school. The winners of the afternoon's contest also appeared on the program.

Campus Day Mixer To Have No Stags

Women Will Have 10:30 Permission; Prize Tickets in Balloons

A new deal for mixers! Thumbs down on the stag line was the decree handed out by Orrin Lee, chairman of the Campus Day mixer committee. The mixer is to be held in the Memorial gymnasium tomorrow night as the last event of the annual Campus Day program.

"The dance is to be strictly a date affair," said Lee. "Previously mixers have been notorious for long stag lines, and we intend to have no such situation tomorrow night."

Balloons To Have Prizes
One hundred balloons, fastened in nets above the floor, will be dropped at intervals on the crowd. Fifteen balloons will contain tickets good for prizes.

"The prizes including eight pounds of choice chocolates, three bracelets, and two compacts, will be on exhibit today at the Oriole Nest," said Lee. "Everyone is invited to look them over."

Music will be furnished by Tommy Armour's orchestra, with the dance beginning at 8 o'clock. Dancing will stop at 10:15 in order to allow girls to be home by 10:30. Admission is by ASUI tickets alone, no other charge being made.

"We anticipate one of the best mixers of the year," commented Lee. "Anybody determined to have a dull evening is warned to stay away."

HAWKEYE ON DUTY

Congratulations to you SWEDE and to you RUSS and to all the rest of you lucky people(?) Now that you all are in the limelight, start takin' it easy else the Colonel will get you.

The question of the week is—how can SWEDE WARD get so much use out of his car when the darned thing won't run... Chivalry is not dead as is shown by "Panty-waist" AL BLAIR when seen presenting a May basket to MARY LOU JORDON on the eve of the first of May.

The Colonel has noticed that BARBARA WALKER'S arm is out of its sling... things are better, eh, LINCOLN?... A difference of opinion seems to have arisen in the COINER-WARNER league... SPOKANE-SMITH was seen covering up the whole seat of the "I" bench... FANCY MILDRED ELLIOTT and BUD FRALEY out for a little walk Sunday morning and stumbling into "MEG" GRAHAM and JIM HANNAH and all the rest of their friends in the Arboretum.

FRY and NORTHRUP and... and... were seen having much fun while communing with nature up in Moscow mountains... GENE KILEY and JEAN RICKER were seen spending a few pleasant moments in BOB ASHBROOK'S "whoopee"... "ZIPPER MOREFIT" overestimated his ability as a broad-jumper and was caught short... he landed in the middle of the creek... And after the battle was over, here was DICK BURKE paying off his dollar election bets. (Chuckle-chuckle)

In conclusion... here is a bit of venerable philosophy from the old Colonel... "He who gets the best grades speaks the same language as his professor"... Yow-sah, yousah... so fetch me mint juleps on two, son.

Captain Harry L. Henkle, assistant professor of military science and tactics, has been transferred to the Second Division with station at Fort Francis E. Warren, Wyoming. Since he must be there for duty not later than June 30, he plans to leave here at the end of the semester.

Mail Carriers Submerged In Chain Letters

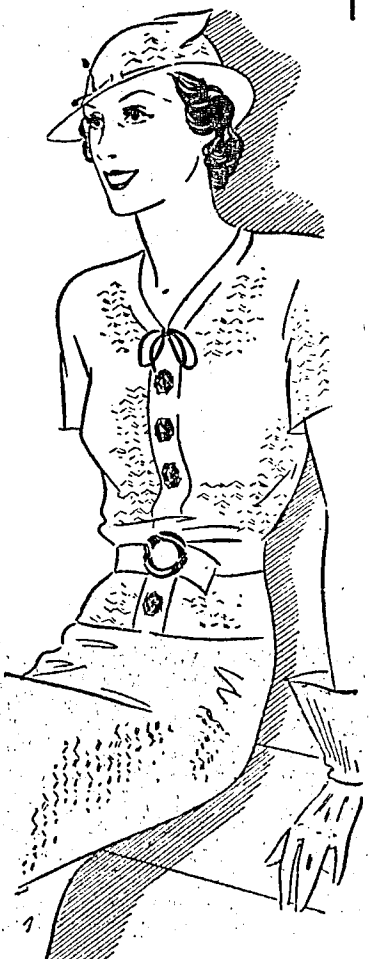

Chain gangs, chain stores, mountain chains, watch chains, Charlie "Chan," and now chain letters! Brother can you spare a buck? Well then two-bits, or a dime?

Not to be out done by the "brains" that originated this racket, students on the campus have started chains of their own. In one case, six fellows have organized a dollar chain, alternating the names at the top. They used the "Ranch Land Pals" section of Ranch Romances for an address book, and mailed out the letters by the dozens.

Pledges at the fraternity and sorority houses stagger under the weight of the mail, and are forced to call for the overflow from the boxes at the window of the U. hut. An account in the Moscow Star-Mirror yesterday stated: "Up to Saturday the chain letter had made no appreciable difference in incoming or out-going mail here, Glen Saunders, postmaster said. By Monday, however, clerks were being kept busy with the flood of first class letters—all carrying their dimes, quarters, or dollars."

Pacifism in the Colleges

General Charles J. Bailey thinks that anti-war demonstrations in our colleges are not indicative of male student sentiment, but only of co-ed influence upon the men. That is a bad guess. The general should get a little closer to a campus or two and then try again. How about the demonstrations in colleges that have no co-eds?

General Bailey is right when he says that in case of war, many students who now demonstrate against war would join the colors. Of course they would. Most of them are as patriotic as persons more militant—such as generals. The demonstrations are against war, not against the national defense in time of war. It is a vast distinction.

College students are of an age that makes them certain to become the first human sacrifice in case of war. It is they who would have to take the forefront of battle, not the generals. Their study of contemporary history has shown them the futility of the last great war, which was won by nobody and under whose tragic after-effects the world still writhes.

Yes, college men will go to war if war comes. The certainty of that is their best warrant for protesting against war. And General Bailey was mistaken in his reference to a pacifist strike on the campus of the University of Oregon. There was no strike, but an anti-war demonstration given with full faculty permission.—Portland Oregonian.

 A Boston university student gave the following reason for dropping a biology course. "The first day we cut up an apple, examined it, and the professor told us to eat it. The next day we did the same thing with a watermelon. On the third day, I saw the professor coming to class with a grasshopper, so I want to drop the class."

 Students at the Colorado College of Education offered some of the following reasons for failure:

 Zoology: "Some students visit the zoo for research purposes but I thought that visiting the profs was just as good."

❖ SOCIETY ❖

FORMALS are the vogue now, if the social calendar is any indication. They were much in evidence last weekend, with Pi Beta Phi having a dinner dance at the Blue Bucket, and Alpha Chi Omega, Phi Gamma Delta and Kappa Alpha Theta having formals at their chapter houses.

Sport dances, too, were held by Sigma Nu and Lambda Chi Alpha. Wednesday is Campus day—we hope the weather man is kind.

Forney Has Spring Formal
Forney hall entertained at a spring informal Friday at the hall. Decorations were spring flowers. The programs were black and white sueds with a gold monogram on the cover. Chuck Collins' orchestra furnished the music. Patrons and patronesses were Dean Permeal French, Miss Lena Shoup, Mr. and Mrs. J. F. Cromwell, and Miss Marlan White.

Pi Phi Formal Held at Bucket
Pi Beta Phi entertained at a formal dinner dance Friday at the Blue Bucket Inn. A false ceiling was made of multi-colored balloons on which indirect lighting was reflected. A lattice fence covered with balloons divided the dinner tables from the dance floor. Silver, blue, and wine red carnations were at each cover. A special feature of the evening was the singing of Phyllis Rand during the dinner. The Blue Devils furnished the music. Patrons and patronesses were Dean and Mrs. Pendleton Howard, Mr. and Mrs. Louis Boas, and Mrs. J. H. Smith.

Theta Formal Held Saturday
Kappa Alpha Theta entertained at their formal dance Saturday. Purple wisteria flowers strung through lattice work formed the decorations. Patrons and patronesses were Dean and Mrs. T. S. Kerr, Dean and Mrs. E. J. Iddings, and Mrs. Gertrude Plear.

Sigma Nu Have Spring Sport Dance
The sport dance was given by the Sigma Nu underclassmen Friday at the chapter house. The house was informally decorated by the guests who threw serpentine over strung wires as they entered. A late supper was served in the evening. Patrons and patronesses were Mr. and Mrs. Fred Blanchard, Mr. and Mrs. Lawrence Chamberlain, and Mr. and Mrs. Vernon Scheid. The Blue Bucket orchestra furnished the music.

Alpha Chi Has Japanese Dance
Alpha Chi Omega entertained at a formal dance at the chapter house Saturday. The house was decorated to represent a Japanese

Six High Schools Send Delegates to W. A. A. Play-Day

W. A. A. held its annual high school play-day Saturday at the Women's gymnasium. Representatives from Moscow, Potlatch, Troy, Kendrick, Genesee, and Lewiston high schools numbered about 120.

Color teams were selected to take part in the various organized games with two or three girls from each school on every team. Since six of the teams tied for first place in the awards, a relay was held to determine the winning team. Play day was organized by the class in management of women's athletics, consisting of Jane Post, Betty Mix, Anne Sweeley, Mariette Kaibus, Elsie Cutler, and Genevieve Gardner.

Idaho Delegates Report On A.W.S. Convention

Dole and O'Neal Represent Idaho; Next Convention To Be Held At U. S. C.

The A. W. S. convention held at Bloomington, Indiana, was successful, according to the Idaho representatives, Dorothy Dole and Ethlyn O'Neal, who returned to the campus recently. The convention consisted of business meetings and the discussion of general college problems.

A Deans of Women convention was held simultaneously which afforded educational talks to the college delegates. In time apart from general assemblies, the girls were entertained by the University of Indiana and were taken through Brown county to all points of interest. The next convention will be held at the University of Southern California.

Farley Attends Regional Meet
Ruth Farley, Idaho delegate to the Northwest convention of Intercollegiate Associated Women Students at Oregon state college May 3 and 4, was named on a committee to arrange an intercollegiate lyceum loop to bring outstanding dramatic attractions to colleges and universities which could otherwise not afford them.

The theme of the convention was "Revitalizing A. W. S." This meeting was restricted to the Northwest to solve the problems of smaller schools which cannot be taken care of at a large convention. The 1936 convention will be held at Reed College, Portland.

Washington Huskies Trounce Vandals; Oregon Beats W.S.C.

Idaho Loses by 5-2 Score; Will Play Again Today.

Rudy Enquist, University of Washington southpaw hurler, held the University of Idaho Vandals to five hits yesterday at Seattle and his mates ran wild to steal seven bases, as the Huskies trounced the Vandals, 5 to 2. It was Washington's third conference win, against no defeats.

Glen Naslund, also a southpaw, let Washington down with seven blows but his mates had a bad fifth inning. Washington tallied four runs, on only two hits, combined with stolen bases and errors. The teams meet again today.

The score: R H E
Idaho 2 5 4
Washington 5 7 3
Batteries: Naslund and Anderson; Enquist and Navarril.

The Vandals and Huskies meet again this afternoon.

GOLFERS DEFEATED BY W. S. C. SATURDAY

Saturday afternoon the W. S. C. golf team defeated the Idahoans by a score of 9½ to 2½ in the first match of the season. Vic Warner, Idaho, made 1½ points while John Cummock, took the remaining tally. Low score of the match was a 74 shot by both John Cummock of Idaho and Carl Gill of W. S. C.

Next week Idaho will play W. S. C. a return match at Pullman. If they win this match, they will play the University of Oregon the following week at Eugene.

The members of the Idaho team are: No. one, John Cummock; No. two, Chet Rodell; No. three, Alex Morgan; No. four, Vic Warner; No. five, Lewis Ensign; No. six, Walt Budge.

Cougars To Invade Idaho Territory Next Saturday

Fresh from a small marginal victory over the University of Oregon, one of the strongest track teams W. S. C. has had in years will invade Vandal territory next Saturday.

Coach Otto Anderson refused to comment at length on the coming contest.

"All we hope to do is to keep W. S. C. from scoring 100 points," was his statement. "We can't possibly hope for anything else. But even if it is a holiday for Washington State, the boys are going to be in there for every point. We might not take any firsts but we'll be in there hot for seconds and thirds."

W.S.C. Tennis Team Defeats Idaho

The loss of a close meet which was undecided until the last doubles match was the bitter pill which the Vandal tennis team swallowed in their encounter with W. S. C. racketeers Saturday. The matches were played on the Vandal courts.

The meet was the first of two which will be held with the State college aggregation. A similar schedule last year ended with honors even. Three veterans and two green men comprise the Idaho team. The absence of Dick Axtell, letterman of last year, from the lineup weakened an otherwise strong team. Axtell expects to return to the courts within a week as a badly strained muscle, incurred early this spring, is rapidly healing.

Next Saturday the Vandals go to Walla Walla to meet a strong Whitman college squad. The Missionaries have the advanced dope in their favor, and promise a busy afternoon for the invaders.

Summary of Saturday's matches: Paris Martin (I) defeated Earl Turner (W. S. C.), 6-4, 6-4. Ray Sowder (I) defeated Robert Hall (W.S.C.), 4-6, 8-6, 9-7. Karl Bissell (W.S.C.) defeated Paul Rust (I), 6-2, 9-7. Hugh Eldridge (I) defeated Bert Senner (W.S.C.), 7-5, 8-3. Jack Snodgrass (W.S.C.) defeat-

Frosh Sluggers Defeat Lewiston Normal

By bunching their hits and allowing few Teachers to cross the home plate, Coach "Red" Jacoby's freshmen baseball club again defeated Lewiston Normal, 7 to 5, last Friday.

Bill Kramer, yearling first sacker, connected a solid smack out past the second baseman for the first home run of the season. In-fected by the circuit fever, Jack Frye, third baseman, scored a four bagger on a long high fly which went over the center fielder's head.

Divide Mound Duties. Eimer Eddington and Claude Hart, chief bulwarks of the Green Lid pitching staff, held the Teachers to five runs, Eddington pitching five innings and Hart four; Bob Baldwin caught the whole game.

Another game with Lewiston Normal is tentatively scheduled for this afternoon. A game with the Erb Hardware nine of Lewiston is still hanging fire, although the kettle salesmen will be here to play a practice game some time before the end of the semester. Games with Washington State's frosh, formerly banked on for later in the season, now appear rather doubtful, although they may yet be scheduled.

North Idaho Meet To Be Held Here Next Saturday

Adding to the general athletic activity on MacLean field this week the North Idaho high school track meet will be held next Saturday afternoon.

Winner of first, second, and third places in the north central meet, held last Saturday, and the Panhandle meet, held two weeks ago will compete for the privilege of attending the state high school track meet at Boise the following Saturday.

First and second place winner of this week's meet will be eligible for competition in the state meet.

ed Bill Martin (I), 6-3, 6-3.

Doubles. Turner and Hall (W. S. C.) defeated Martin and Sowder (I), 6-2, 6-2. Bissell and Snodgrass (W. S. C.) defeated Rust and Eldridge (I), 6-4, 6-2.

Idaho Defeated By Oregon State

Beavers Win Two Games From Vandals, 12-1, and 9-4

Oregon State college made it two straight with a 9 to 4 victory Saturday at Corvallis after having drubbed the Vandals 12 to 1 Friday in the opener of the two-game series. Idaho's play in both games was marred by erratic fielding.

Three pitchers faced the Staters in the first game, with Cuolo, reserve infielder, taking the mound in the fourth and letting the winners down with five hits and two runs for the remainder of the contest. Shepard started in the box, being succeeded early by Naslund, who gave way in the fourth.

Oregon State started with a rush in the first, scoring four runs on five hits. The Beavers added four more in the second, tallying again in the third, fourth, and fifth.

Idaho's fielding in the second game showed the effects of road-weariness, as seven bobbles were chalked against them. Both teams hit freely with the Orangemen's air-tight ball, except for one shaky inning, deciding the issue.

Albee Hits Circuit Clout. Les Albee, first baseman, opened the Idaho scoring when he pounded out a home run in the second inning. Worthley of Oregon State also circled the bases when his single skidded through the center-fielder. The Beavers' big inning was the third when three singles and two Idaho errors accounted for four runs.

Wally Geraghty, short stop, led the Idaho batters with three hits in five trips. Mitola of Oregon State duplicated the procedure to lead his teammates at the plate.

Summary: First Game: R. H. E. Idaho 1 7 4 O. S. C. 12 16 0 Batteries: Oregon State, Kolowsky and Dockery; Idaho, Shepard, Naslund, Cuolo and Steward. Second Game: R. H. E. Idaho 4 12 7 O. S. C. 9 13 2 Batteries: Oregon State, Woerner and Beatty; Idaho, Newton and Anderson.

Intramural Track Meet 9 a. m. Tomorrow Morning

Dark Horses Appear On Idaho Squad

Fehr and Brado Come Out Shadows as Promising Linemen

If dark horses continue to show up on the Vandal spring football practice field, Coach Ted Bank will cease to worry about the weak spots in next fall's grid machine. Ever since the spring practice, which ends this week, started, new and better men have continually

popped up. Latest discoveries are two linemen, Norman Fehr, end, and Gene Brado, tackle. Fehr, a tall, lanky pass catcher who can also knife through to spear opposing interference behind the line, has been showing up well enough to give lettermen ends Leon Green and "Ivy" Iverson competition.

Brado, a hard punching heavy-weight on Coach Louie August's boxing squad, has appeared to augment the thin ranks of the Vandal tackles. A broad shouldered, well-muscled transfer from the Branch, where he played excellent football under Coach Plastino, Brado has made his bid for a position of equal importance with Bob McCue, two-year letterman tackle and sensa-

tional passing threat. The Vandal backfield, in former years always short of enough spare cogs to make it function properly is shaping into million dollar form. Two separate backfields, each equally as good as the other, will take the field for Idaho next year. One backfield, made up of Louie Rich at full, Devlin and Walker or Inman at left and right halves, and Russ Honsowetz at the signal calling post, will alternate with another set, composed of Ross Sundberg at full, Holmes at left half, Green at right half, and Wise, Spaugy or Ahlskog at the quarterback job.
