

# The Idaho Argonaut

VOLUME XXXVII, No. 38

Official Publication of the Associated Students of the University of Idaho

FRIDAY, FEBRUARY 7, 1936

## VANDALS ARE SET TO DOWN FRIELMEN

### Photographs Received By Art Department

The Boston Museum of Fine Arts has presented the department of art and architecture of the university with a large number of beautiful photographs, of sculpture, paintings, and architecture for their files. These pictures range from large prints, of paintings in the Louvre to five by seven inch copies of best known works in many European galleries.

It is the custom of eastern museums to keep the large numbers of pictures secured through purchase and gift on file and when there are many duplications are removed. It was for this reason that the museum was able to give to the university these photographs which are of considerable value and which will be a great addition to the material in the files of the department.

**Carnegie Fellowships Benefit**  
Through contacts made by the members of the department holding Carnegie fellowships in the East, several gifts of this sort have been received. The Fogg Art museum at Harvard has presented several hundred slides on art subjects as well as duplicate objects from their stores. In addition to this, the department is holding fragments of Roman sculpture until such time as they can display them. The school of architecture at Harvard has contributed fifty mounted photographs of eight to ten inch size architectural subjects, and the Boston architectural society has loaned the envy of one of the Rutch Traveling scholarships as an example for the students of this university. This last mentioned is the work "Palazetto Micheletti at Lucca" by Charles Cameron Clark, a distinguished architecture student.

### Cook is Elected Blue Key Officer

**Cook Elected New Vice President And John Lukens Alumni Secretary of Honorary at Meeting**

At a Blue Key luncheon held Wednesday noon at the Blue Bucket Inn, Howard Cook was elected vice president to fill the vacancy left by Bob Campbell, who did not return to the university. John Lukens was elected to take Cook's position as alumni secretary. Other officers are Earl Bopp, president; Bill McCrea, secretary; Maurice Mallin, treasurer; and Edwin Vincent, sergeant-at-arms.

### Botany Seminar Holds Initiation For Two At First Meeting

The first meeting of the botany seminar group was a dinner, held at the Blue Bucket Inn Wednesday evening. Jimmy Doyle and Jean Graham, having passed the required examinations, were initiated. Dr. Gordon Alcorn, a member of the botany faculty, gave a resume on "Diseases of Humans Caused by Fungi". Mr. Elbert Long, botany instructor, spoke on "The Effect of Long and Short Day Illumination on the Growth of Plants".

### INTERNATIONAL RELATIONS CLUB MEETS TODAY

Those interested in world affairs are invited to attend the meeting of the International Relations Club, Friday at 4 p. m. in Ad. 307. Julia Milburn and Eric Steiniger will give discussions on international problems.

One of the sororities at Illinois has the following neat trick. When a date is late, they sit upstairs and when he finally gets there they make him wait just as long as he made them... result, more or less promptness on the boy friend's part.

### Off-Hand Speeches On Forensic Slate

**Intramural Speaking Program Completed; First Debate Round Feb. 17**

"Extemporaneous speaking will definitely be a part of intramural forensics, according to the announcement by Lewis Orland, debate manager. The same rules will apply to extemporaneous speaking as apply to debate, with the following changes:

The length of the speeches for extemporaneous speaking will be five minutes to eight minutes maximum. Topics will be chosen from the three issues of Time magazine, immediately preceding the contest. The same eligibility rules apply to extemporaneous as to debate. Entrants for extemporaneous may be a member of the debate team of the group or an additional man, as each group may decide.

The debate manager must be notified of the entrants both for extemporaneous speaking and debate by Sunday evening.

**May Hold Eliminations**  
The date for the extemporaneous is February 26. If there are a large number of entrants, it will be necessary to hold an elimination on this date, with finals later.

"There will be a separate trophy awarded for extemporaneous. I hope that it will become a part of intramural forensics on the campus, and that all houses will cooperate in entering," said Orland.

The intramural debate topic, chosen Wednesday, is: Resolved, That the University of Idaho Should Adopt the Chicago System of Education. Time limits on debate are eight minutes for main speeches and five minutes for rebuttal.

The schedule for the first round of debates to be held at 7 p. m., February 17, is as follows:

- Kappa Sigma, negative vs. Phi Delta, affirmative.
  - Beta, negative vs. Sigma Nu, affirmative.
  - S. A. E., negative vs. Phi, affirmative.
  - Sigma Chi, negative vs. Delta Chi, affirmative.
  - Lambda Chi, negative vs. T. K. E., affirmative.
  - T. M. A., negative vs. Lindley Hall, affirmative.
  - Delta Tau, negative vs. Chi Alpha Pi, affirmative.
  - L. D. S., negative vs. University club, affirmative.
  - A. T. O., negative vs. Ridenbaugh hall, affirmative.
- The affirmative teams will be hosts to the negative team for the first round.

### PEP BAND TO SEEK STUDENT TALENT

As the time for the annual Pep Band show draws near, a search for talent is being made. All aspirants, either women or men, singing trios or other musical combinations are asked to report to Bob Seymour at the Beta house, within the next week and arrange for a tryout.

Also the song leaders of each group house are asked to pick out one or two of their best songs and submit the words and music either to Bob Seymour at the Beta house or Winston Goss at the Sigma Nu house. These must be selected and turned in before Sunday, so the arrangements can be made.

First-year women at the University of Arizona can't date—unless there are any left over by the upper-class women.

### The Captain and the Big Shot Will Meet Here Tonight

Captain Jack Holstine, left, driving Cougar forward, will appear on Idaho's gymnasium floor again tonight, when Wally Geraghty, ace Vandal will attempt to ward off all the basket thrusters of the big Stater. Holstine, a senior, is a native of Snoqualmie, Washington, and played four years of high school ball with Norm Iverson, Vandal forward. Geraghty happens to be another Washington boy who came to Idaho four years ago.

### Class Nominations Result in Imbroglia; Failure of Campus Party to Put Up a Ticket Gives U. S. Party Candidates Offices; John Elder Shows Fight

The deadline for class nominations rolled around at 7:30 last night with only one party in the field, the United Students. At the class meetings held Tuesday, no nominations of candidates were made except in the freshman class. All of these with the exception of John Elder, Lindley hall, nominated for the position of freshman class secretary, failed to file declarations of candidacy so they were ineligible for election. The result is one list of candidates with no opportunity remaining for others to run.

Theron Ward, president of the ASUI, has referred the matter to the election committee for decision. According to the constitution, Article VII, Section 3, clause 8, "all disputes or irregularities shall be decided solely by the election committee, subject to judicial appeal." The election committee is composed of John Daly, chairman, John Lukens, and Robert Mullins.

Members of the election committee last night declined to indicate what action they would take, but it is obvious that the students will not go to the polls for a regular election. One of the board members hinted that the problem might be solved easily by voting on candidates for the single disputed office in a freshman class meeting. The nominations made are:

- Senior class**  
Sam Johnson, president  
Alline King, vice president  
Betsy Bandelin, secretary  
James Miller, treasurer
- Junior class**  
Clarence Devlin, president  
Cy Adkins, vice president  
Marion Swanson, secretary  
Ted Brasch, treasurer
- Sophomore class**  
Andy James, president  
James Perry, vice president  
Marjorie Glenn, secretary  
Emmy Lou Smith, treasurer
- Freshman class**  
Sam Rich, president  
Carl Burt, vice president  
Katherine Cady, John Elder, secretary  
Jane Harvey, treasurer

### AG STUDENTS HAVE SMOKER AT ARMORY WEDNESDAY

An Ag smoker will be held Wednesday at 7:30 p. m. in the armory at the Memorial gymnasium. Jack Woods is in charge of the smoker.

Agricultural students and faculty are invited to attend.

### REGISTRAR'S NOTICE

Semester grades of students who gave their addresses as one of the group houses when they registered for the first semester will be sent to those houses and must be obtained there.

Grades of other students will be placed in the mail rack on the first floor of the Administration building as soon as they are ready.

No grades will be given out to any student who is financially indebted to the university.

The grades will be out some time next week.

### Formal Dinner Held To Honor Bratton

**General Chrisman Is Toastmaster At Scabbard and Blade Dinner Wednesday Evening**

The Idaho chapter of Scabbard and Blade honored Lieut. Col. Rufus S. Bratton at a formal dinner Wednesday evening at 6 o'clock in the Blue Bucket. Gen. E. R. Chrisman, toastmaster, gave a speech of welcome. Toasts were made by President M. G. Neate, Lieut. Col. Ivan C. Crawford, representing the Reserve Officers' association, Capt. Harry Brenn of the national guard, Capt. Charles Hart of the American Legion and Veteran Charles Mullins of the Veterans of Foreign Wars.

### Honorary to Sponsor Talk for Students Taking Business

Alpha Kappa Psi, national business honorary, is sponsoring a talk next Thursday in the Science hall, room 110, by Dean Thompson, dean of the school of business at the University of Illinois. Dean Thompson is also national president of the Delta Chi fraternity. The speech is primarily for students in the business school, and those now enrolled in the junior college who plan to go on to the business school at a later date. Other students interested are invited to attend.

### School Teachers Here for Weekend

**Representatives From All Over State to Convene Here for Conference**

The high school teachers from all parts of Northern Idaho will gather at Moscow the evening of February 7 and all day February 8 for a homecoming conference sponsored by the state department of vocational education.

A program of interest to all teachers rather than just the vocational people for whom it is primarily intended, has been arranged by Miss Lillian Naveatil, state supervisor of home economics education and resident teacher trainer on the university faculty.

**Poltson to Be Here**  
Miss Mattie Poltson, state supervisor of home economics education for the state of Washington, will be the out of town guest. Much credit is due to the other faculty members who contributed their assistance. Miss Katherine Jensen, head of the home economics department at the university, will preside at the conference.

### Open House for Ladies at the Frisco Bar

Grand opening of the Barbary Coast on February 15, at the women's gym. Plan on seeing old friends and the Frisco Kid at the gambling tables. All drinks will be on the house from 9 o'clock on the Gums will be checked at the bar, and no dancing will be allowed in calked boots. The kid at the music box will be Chuck Collins and entertainment will be furnished by the gals from Connie's Burlesque Dancing troupe. Don't miss this gala opening of the Barbary Coast. Pious Pete, prop. Frisco Kid, owner.

Blue Key meeting Tuesday at the Beta house at 8 o'clock.

### Bad Grades Take Toll From W.S.C. Squad

**Cougars Will Be Minus Services of Star Player Tonight and Tomorrow; Win Will Lift Vandals Out of Cellar**

With high hopes of lifting themselves out of the cellar, the Vandal basketballers are preparing a royal reception for the Cougars from Washington State tonight at 7:30 o'clock in Memorial gymnasium. This will be the second meeting of the four-game series in which Idaho has the jump over the Cougarsmen by a 33-30 victory last week.

### Picture Schedules Arranged by Gem

**Honorary and Club Pictures Will be Taken Starting Monday**

Starting next Monday, honorary and club pictures will be scheduled for the 1936 Gem of the Mountains. A schedule has been worked out for these groups at as convenient a time and place as possible. Under no conditions except weather conditions will these scheduled pictures be changed. If weather conditions are unfavorable, the picture will be automatically cancelled.

### Picture Schedule

The pictures scheduled for next week are:  
MONDAY—12:45 Alpha Kappa Psi, Ad building entrance; 12:50 Phi Chi Theta, Ad building entrance.  
TUESDAY—12:45 Cardinal Key, Ad building; 12:50 Theta Sigma, Ad building.  
WEDNESDAY—12:45 Spurs, Ad building; 12:50 Intercollegiate Knights, Ad building.  
THURSDAY—11:55 Scabbard and Blade, Memorial gym; 12:45 Blue Key, Ad building; 4:00 Press club, Gem office.  
FRIDAY—12:45 Phi Eta Sigma, Ad building; 12:45 Alpha Lambda Delta, Ad building.  
Look for the Gem picture schedule in next Friday's Argonaut. Further organization pictures will be scheduled at that time for the following week.

### Exhibit of Paintings To Be Shown Here

**Work of Mary Kirkwood and Nellie Best, Instructors in Art, Make up Special Exhibit**

An exhibition of paintings by Miss Mary Kirkwood, instructor in art, and Miss Nellie Best, government employee, will be held this weekend, sponsored by the department of art and architecture. Oils, water colors, and drawings are among the works to be shown. The exhibit is part of a special exhibition of the works of these artists to be held at the University of Oregon.

**Open to All**  
The exhibition will be open to both university and town people Saturday, Sunday, and Monday, in Room 310, Science hall, from 3 to 9 p. m.

Miss Kirkwood studied recently in Sweden with Professor Schold and in New York with Reginald Marsh. Miss Best, a graduate of the University of Oregon, studied with Lance Hart, Eugene Steinhil, and the Chouinard school in Los Angeles.

### At the Infirmary

- Amos Upham
- Earl Gregory
- Lawrence Gillett
- DelMar Kearl
- Enid Dickson
- Grover Hendricks
- Fenoi Mirdgek
- Mary Bell Bennett
- Laurence Baird
- Robert Greider
- Gerard Hoyt
- John Corless
- James Trevey

Nearly a half hour has been spent each evening of the past week in drilling the Idaho squad on foul tossing. Last week's victory over the Cougars was a result of excellent free throwing by the Vandals. Out of 19 tries, Idaho made 13 points while the Staters gathered only five points by foul conversions.

Two Cougars ineligible. Handicapped by the loss of a regular, Sewell Carlson, 6 foot, 3-inch forward, and Cassius Dolquist, frosh guard, ineligible owing to semester grades, Jack Friel, Cougar mentor, has been drilling his squad in an attempt to get an effective combination against the fast-passing Vandals. No new injuries have shown up in the Idaho squad, and all are eligible to play; so the Vandals will enter the game on their home floor with a slight advantage over the Staters.

Gilbert Doll, reserve center, will probably get the starting call for the center position in tonight's game because of his consistent playing against the Cougars in last week's game. Doll held Ivar Nelson, tall Cougar center, to a lone tally after the Vandal center replaced Don Johnson. During the latter part of the game, Doll took control of the center jump more than his share of the time.

Geraghty, Kats Start  
Whether Bert Earson or Norm Iverson will start at the forward position is uncertain since each plays an entirely different brand of ball. Larson plays a speedy, clever type of ball while Iverson is noted for ruggedness on the backboard plays. Coach Fox will probably alternate them at the post.

Wally Geraghty will start at his regular guard position as will Bill Katsilometas. Geraghty was the hero of the W. S. C. game by virtue of his record of three, field goals and six free throws giving him high point honors with 12 points. Kats played his usual steady game in contributing to the Vandal success.

Merle Fisher will also be in the starting lineup against the Cougars. Fisher contributed to W. S. C.'s downfall by effective ball hawking and by slipping the "in and out of bounds" play over on the surprised Cougars.

### Interfraternity Council Fails to Act on Constitution

Many corrections and additions to the new constitution of the interfraternity council were submitted at the meeting of the council last night. The constitution had previously been submitted to the various fraternities for approval, but nearly all of them had returned it without approval because of some technicality which had been overlooked by the constitution committee. The suggestions were acted on by that council and the constitution again goes to the houses for approval or rejection. The document becomes binding when nine of the houses on the campus have signed it.

Wallace Rounsavell, was elected treasurer of the council to fill the vacancy left by Wayland Topping. A committee was appointed to look into the advisability of having the university withhold credits of those men who fail to pay their fraternity obligations.

Only a small percentage of freshmen at Massachusetts State college, primarily an agricultural school, inherit the love of the soil from their parents, according to a survey at the college.

## The Rambling Spotlight

By JoN

The next progression in *The Rhapsody in Black* "minor chords" will be heard the last of this week or the first part of next week. That very dignified, over-publicized, over-criticized high tribunal, the supreme court of the United States, will hand down their opinion on the TVA (Tennessee Valley Authority). The point is that the boys in black, who kicked the New Deal administration in the face with their opinions on the NRA and the triple-A, will not be so cruel this time. The December pleadings on the case will not force these austere gentlemen to rule on the complete constitutional validity of this important piece of legislation.

The commercial parasites of college athletics score another victory. The release by Cornell of "Gloomy Gil" Dobie, because his negative optimism of gridiron victory was detrimental to the paid admissions at the turnstiles, is a real blow to the true spirit of college football. Those who worked with Dobie at the University of Washington rate him as one of the greatest coaches of the game. Boston college was smart to select Coach Dobie as their new head coach. There is a tragic note in the fact that a football mentor's success is measured in terms of net profit at the gate and not for his contributions to the personality and character of his players.

The university administration took a great leap forward last week when it o. k'd the new "dean's rule". In effect this rule means that any student technically "flunked out" may be reinstated on the recommendation of his dean. We choose to believe that this move to give the students a "break" is humane rather than political. The fear of the proposed four year school at the "Branch" might be suggested as the answer, but the enactment of this rule is more compatible with the policy of our progressive administration.

Columnist McIntyre recently suggested a word to add to the long list of indigenous American slang. The word is "slurp". In response to his order for a marshmallow sundae at a soda fountain, the attendant asked him if he wanted a large "slurp" or a small "slurp" of marshmallow syrup.

The press reports of the committee of the senate of the United States congress who are attempting to write an effective neutrality bill are discouraging. The traditional policy of economic isolation still retains the greatest number of adherents. The lessons learned in participation, in the last world conflict are forgotten, and the men who control the destiny of the American people seem determined to precipitate the United States into another international war which seems to be inevitable. The Eddie Cantor "How-Can-America-Avoid-War" contest gesture seems no more effective than the Don Quixote charge on the windmills.

Last week maestro Toscanini began his eleventh season with the New York Philharmonic orchestra at Carnegie hall in New York. This brilliant Italian conductor who conducts perfectly from harmony because of poor eyesight is probably making his last appearance. Poor health and age are taking their toll from one of the greatest figures in American music.

Some of the music critics are speculating on the possibility of the Philharmonic's doing Austrian Alan Berg's new opera Lulu.

The latest "strikes" by labor unions evince a belief in "opportunism". Their demands may be fruitful because of the certain hectic political battle this year for success at the November polls. It is singular that labor unions should ignore the historical evidence that "strikes" are futile.

## Gallop'n' Tintypes

**KENWORTHY**  
 Friday—"Coronado", with Johnny Downs, Betty Burgess, Andy Devine.  
 Saturday—"Whispering Smith Speaks", starring George O'Brien.  
 Sunday-Monday—"Charlie Chan's Secret", with Warner Oland, Rosina Lawrence.  
**NU-ART**  
 Starting Sunday—"Tough Guy", starring Jackie Cooper, with Joseph Calleia, Rin-Tin-Tin, Jr.  
 George O'Brien and "variety" are evidently becoming acquainted with each other, for his latest picture shows his mount to be a locomotive. The setting of "Whispering Smith" is, however, in a little western town. O'Brien is cast in the play as a big-shot of a railroad company, with title to do except spend his money. He quits and hits the

open road, eventually landing in the one-horse town, where he stumbles upon romance, and a nefarious character who threatens the girl he loves.

After many thrilling events, such as commanding a locomotive, racing down the line with it, and frightening the natives to death, he lands the culprit—and also the girl. The theme of the story may not be entirely new, but we can always enjoy a hair-raising locomotive race any day.

We were beginning to wonder just what Master Cooper's new picture would be like without Wallace Beery in it, until we found out that Joseph Calleia would be around to make trouble. Although one cannot compare Beery with Calleia, Cooper at least has dependable and capable support, even though it be in the shape of a gangster. Mr. Calleia has the knack of getting himself genuinely disliked in his roles, but at the same time, he adds artistic touches of comedy that make one rather like him.

## Here n' There

Congratulations, JoN. That little rambling spotlight of yours is okeh. It is our only hope that you will continue it during your stay in school. Also hope the editor doesn't run us off. With the addition of your column the editorial page is beginning to look like something. Too bad we can't get some one to write editorials. It's something like a hamburger without a bun.

In looking over several of the student papers on the coast we are agreeably surprised at the lack of "gossip" columns. If anything in the world is more indicative of the small towns from which the majority of the students at this university come than the way they grab the *Argonaut* and turn to *Hawkeye*, I haven't heard of it. Why in the name of Paddy O'Hallrahan do you want to know what your neighbor is doing? You're all the time trying to find out what is wrong with him and never what he has on the ball. I believe, and I don't care who knows it, that what I do is my business as long as it doesn't conflict with the business of the community. Whether or not I or John Doe or Jane Brown was seen at the ungodly hour of 11:45, Saturday night in a parked car is not the business of the whole student body. The only reason it is popular is because it satisfies those who either can't play in the game or are too hypocritical. Lord knows there are too many hypocrites on this campus now. Honest John.

## Grins and Gripes

To the Editor:

I heard over the "March of Time" tonight (Thursday) something that made me glad that Americans didn't boycott the Olympic games because of the Nazi treatment of the Jews.

It seems that when the athletes from the different nations paraded before 80,000 German spectators at the formal opening of the winter games, the Italian and Japanese representatives received great orations, while the U. S. athletes were met with a stony silence.

After this insult, the American hockey team proceeded to beat the Nazi team, 1 to 0, and—the outstanding player on the victorious U. S. team was a Jew.

This seems to me to be a far better way of kicking the Nazis in the pants than by refusing to compete in the games at all and thereby deprive the Yankees of a chance to show what they can do and the falsehood of this race superiority stuff.

The only regrettable thing is that by their insult to the United States athletes, the Nazis should prove what many of us have suspected all along: that this international good-will that the Nazis have loudly proclaimed they were going to foster in the Olympic games is a lot of boloney.

## Men Only

By Helen Madson

What do you think of women? Here's a chance to express your opinion without being mobbed by the feminine world.

Recently a national organization sent out questionnaires to many leading colleges asking the college men to voice their preferences and dislikes on questions pertaining to the coeds. In order to get a consensus of the men at Idaho on the problems of women's clothes, philosophy, attitude, and so on, we are asking the different groups to fill out the following questionnaire, and so help us in determining just what kind of a girl the college man wants.

- The girl herself:
1. Do you like her pretty rather than smart?
  2. Number in order of their importance these qualities: distinction, beauty, neatness, vitality, sex appeal, sweetness, style.
  3. What do you think of women and careers?  
 Clothes:  
 1. Do you prefer slinky or fluffy evening dresses? Favorite color.  
 2. What do you think of the long gowns enveloping the woman's feet and trailing behind her?  
 3. Hair ornaments are very popular among the women. What do the men think of the fad?  
 4. And while we are on the subject of hair—do you like it long or short?  
 5. Low heeled shoes compete with higher heels both for evening and day time wear. Have you a preference?  
 6. Do you like to see girls in sport, or dainty feminine clothes?  
 7. 1936 skirts are definitely shorter—do you favor this change?  
 8. Now, here's a question which will undoubtedly have an answer of thumbs down if Idaho agrees with most colleges—do you like bright nail polish?  
 9. You have noticed, we are sure, the sensational hats now so popular in women's fashions. Don't be afraid to say what you think of them.  
 Drop your answers in the Ad. building Argonaut box. Watch the results!  
 These are only a few fundamentals in the making of a coed which will fill the bill in your eyes. Any further suggestions will be appreciated. Drop your remarks both for and against in the *Argonaut* box in the Administration building and watch the coeds, dressing and acting to suit your taste.

## HAWKEYE ON DUTY

A lusty mid-winter ho-hum... mid-winter doldrums with the LITTLE KERNEL right in the midst... the only excitement so far this week was the Phi Delta fire drill....

Noticed ED TURNER holding his suspenders up with his pants... BUTTERBALL WOODS and HASHERS cleaning up on the new pay-as-you-go racket... BILL "NASTY MAN" MORROW leading with his chin... BERT "RAH-RAH" WOODS wondering does he belong or doesn't he... CLUFF and BODWELL stood up... again... CORPORAL EDITH SLATTER of the Royal Mounties on the trail at a late hour... JIM "KEEP 'EM IN STITCHES" KEEL and LUYAAS fondling the glassware... KAPPA FROSH holding an exclusive house party... HERSEY is getting more and more that way about BLACK-MAN... oh dart me!... PHIL "CALAMITY" PETERSON back again....

What's this I hear about BETH-MAN and JEFFRIES... PENCE watching the dogs dance... BATHUB GRAHAM with a ring around her neck... he of the silver tongue, BOB BOLLINGER, slaying the Alpha Chis... "SILENT JACK" DYER finally calling another Interfraternity council meeting....

SPIDE MCKEE and MARG HANRAHAN sliding along... and as my pal the R. R. would say, "that's thirty for tonight, friends." My slippers, Rastus, and a little more mint... I'll be sure to see you guys and gals this week-end....

Bud O'Brien was a luncheon guest of Phi Delta Theta Wednesday.

## TOWN WOMEN PLAN INITIATION DANCE

Daleth Teth Glimel met in the women's room Wednesday night and made plans for an initiation banquet and dance to be held February 14. The banquet will be held at the Blue Bucket at 6:30 and the dance will be at 8:30 at the L. D. S.

Plans for installing a D. T. G. chapter at the Lewiston normal were made, Gertrude Olesen, local president, is in charge.

Mrs. W. H. Shields is a house guest of Kappa Alpha Theta.

There are two, just two, reasons why freshmen flunk out of college, says Dr. L. L. Click of the University of Texas.

"Newfangled invention" makes good

"Can you really talk through a wire?" people still asked when this telephone switchboard went into service back in 1881. Apparatus was crude—service limited—but the idea was right. It took hold in spite of ridicule. Today there are more than 13,000,000 telephones in the Bell System—telephone conversations average 60,000,000 daily—the service is faster and clearer than ever. Telephone growth and improvement will go on. For Bell System men and women work constantly toward one goal: enabling you to talk to anyone, anywhere, anytime.

Why not call Mother and Dad tonight? For lowest rates, call by number after 7 P.M.

## A New Service For Your USED BOOKS

WE NOW OFFER TWO METHODS FOR TURNING USED BOOKS INTO CASH

### PLAN No. 1

Cash at Once for Books Usable Here

As in the past, we will purchase for highest cash prices all books which will be used here again. You are paid at once—no uncertainty, no delay.

### PLAN No. 2

We Will Sell Your Books for You, Whether Used Here or Not

Set your own price on them. Our check for what they bring, less a small commission, will be mailed to you the day they are sold. If book is found to be not salable anywhere, it will be returned to you.

BRING US ALL YOUR DISCARDED BOOKS. RECEIVE CASH NOW UNDER PLAN NO. 1 FOR THOSE USABLE HERE. LEAVE THE REST OF THEM FOR US TO SELL FOR YOU UNDER PLAN NO. 2

### Fifty Try Out for Women's Rifle; Manager Says Seniors Needed

Approximately 50 women are trying out for women's rifle teams, according to Alma Almqvist, who has been elected manager of the sport by the Womens' Athletic association.

"We need more seniors," Miss Almqvist says. "I should like to encourage as many as possible to turn out. The majority of the women who have been trying out this week are new, so lack of experience does not matter."

Capt. Charles H. Hart is Coach. Capt. Charles H. Hart, Jr., of the military department, is acting as coach. The range in the Memorial gymnasium is open every Monday, Tuesday, Thursday, and Friday afternoon from 1:30 until 4:30 o'clock.

Women trying out must pay Miss Almqvist a 25 cent fee for ammunition used. Practice and elimination will last through February, and on March 1 a squad of 32 women, composed of an equal number of women from each of the four classes, will be chosen.

Practice will be restricted to this squad during March, and competitive firing for individual scores and the university championship will begin in April.

### Girls' Basketball Opens Under New Coach

Women's basketball practice started Monday under the direction of Miss Doris Ann Dray, new physical education instructor, who has replaced Miss Mabel Locke.

Practices will continue until March 6, when interclass competition will begin.

Because of the change in women's basketball rules, Miss Dray urges all girls who are experienced as well as the inexperienced ones to turn out early in order to learn all the new fundamentals.

### Women to Begin Mural Debate

All women's groups who plan to enter intramural debate must send a representative to the meeting to be held today at 4:30 a. m., in Ad. 206, according to an announcement by Erma Lewis, women's intramural manager. The purpose of the meeting is to select a question and arrange a schedule. It is absolutely necessary that the representatives be present, because the debates begin February 18.

**Debate Rules**  
Rules which are the same for men's intramural debating are as follows.

1. Any person who has not participated in intercollegiate debate is eligible. (For the purpose of these debates, junior college tournaments are not construed as intercollegiate debate.)
2. Losing one debate eliminates a team.
3. The affirmative will be hosts of the negative for the first round.
4. There will be absolutely no postponements. Failure to appear will mean a default.
5. Judges must be secured by the competing teams and may be any persons mutually agreed upon by both sides.

# Missionaries to Meet Idaho Here Mon.

The Missionaries are coming to town. They will be here to convert the Vandals in the Memorial gymnasium on Monday night in a non-conference tussle. Idaho split the series played with Whitman early this season when the Missionaries upset the Vandals for the only loss of the pre-conference tour.

Whitman is leading the Northwest conference with a perfect percentage, having won all four of her conference games, making a total of 181 points.

**Reser Dangerous**  
Probably the most dangerous man on the Whitman quintet will be a clever forward, Reser, who was the key man in handling the Vandals' lone non-conference defeat. Reser scored 19 of the Missionaries' 40 points in that game.

Morris Miller, captain of the Whitman squad and rated as one of the speediest forwards in the West, will assist Reser at the forward post. Ed Geist, 6-foot, 3-inch center will be in the starting lineup as will Frank Clark, senior guard, and Oscar Bierwaggon, guard.

Monday night's game will settle for this season at least the supremacy between the Vandals and Whitman on the basketball court. Whitman has won once, 40-33, and Idaho has trounced them with a 42-32 count.

## 'Murat Sports

### BASKETBALL

Tuesday's games:

Delta Chi 35, A. T. O. 17.  
T. M. A. 24, Idaho club 19.  
U. club 26, Phi Gamma 19.

Wednesday's games:

Sigma Nu 29, Delta Tau 21.  
Ridenbaugh 42, Phi Dels 11.  
L. D. S. 23, Chi Alpha Phi 21.

Thursday's games:

T. K. E. forfeited to T. M. A.  
Sigma Chi forfeited to Lindley hall.

Lambda Chi 22 Kappa Sigma 19.  
Fijis 24, Senior hall 14.

Ridenbaugh hall forced its way into the second spot in League IV by taking the second place Phi Dels over a rough 42-11 jolt. Two football men, Leon Green and Stenko Pavkov, led the way with 12 and 7 points respectively. Pavkov was playing his first intramural game. Ridenbaugh's next game matches them with the undefeated Lindley quintet in a game that will determine the league supremacy. Delta Chi and T. M. A. carried on their unblemished records. Delta Chi smashed down the A. T. O.s 35-17 behind Ellison's steady scoring of 12 counters. The T. M. A.-Idaho club game was much closer, but the townmen always maintained some lead, staying off a final rally of the Idaho club. This defeat virtually eliminated the Idaho club for first place consideration and put them in a second place tie with Sigma Nu, whom they meet Monday.

**Goss Saves Sigma Nus**  
Sigma Nu advanced to the tie by virtue of a hard-fought victory over the scrappy Delta Tau Delta five. The score was tied at 20 as the game drew close, but a free throw conversion by Winnie Goss gave the Sigma Nu men a lead they never relinquished. Wayne Hampton's brilliant backboard work garnered him 12 points to beat the 10 poured in by Ronnie Martin of the Dels.

**L. D. S. crashed the victory column, outlasting the Chi Alpha PIs 23-21.** The game was a personal duel between Snow and Liljenquist with 11 and 6 points, and Bjaques and Bennett with 9 and 8 points for the losers. A late rally fell two points short of tying the big lead built up early in the game by the Institute men.

**U Club Larrups Fijis**  
The Fijis' string of victories came to an end as the University club avenged a first round defeat 26-19. That win threw the University club into the lead of the league, and left the Fijis tied with Senior hall. But the Fijis moved right back into a tie for first place by lambasting Senior hall 24-14, last night, behind a strong defensive play.

Lambda Chi knocked over the Kappa Sigmas, despite Jerry Maupin's efforts, 22-19. Maupin scored 13 points, but Smith and Stokes combined 8 and 9 points together to destroy the Kappa Sigmas' opportunity for a victory.

In a practice skirmish, T. M. A. the undefeated leaders of League I, powerhouse over Lindley hall, the undefeated leaders of League IV, 40 to 21. Such a show of strength indicates a certain finalist in the league playoff.

## Elimination Bouts Decide Champs In Vancouver

Meraloma club's eight weight champions of western Canada will be decided tonight in Vancouver, B. C., upon the termination of an extensive two-week elimination tournament sponsored by the Canadian Athletic Club, according to word received by Boxing Coach Louie August.

"As soon as the results are known," said Coach August, "they will be wired here along with pictures and records of the champions."

At present double matches are arranged with Meraloma club, Washington Athletic club, and trips are outlined to Portland and

## McNichols Is Chosen As Track Manager At Board Meeting

Raymond McNichols was appointed track manager by the executive board at a meeting Tuesday evening. The board also authorized the expenses for the proposed Vandaler trip to southern Idaho.

To further the artist course for this year plans are being made to bring Savell Walevitch, a singer, here for a program some time in the near future. Arrangements are being made now with Pullman to bring more outstanding people to the university for the artist course next year.

California to compete in coast tournaments.

## Frosh Down Lewiston Team In Basketball Play-off

Turning back a last period scoring spree which tied the score, the Vandal Babes, using a ragged but fighting style of ball, defeated the Lewiston normal basketball quintet Wednesday night, 35-31.

The victory decided who won last year's unique, overtime tie game which was left in the balance when both teams got tired of playing after four overtime periods and called it quits.

In the first half Splers started the basket looping for the baby Vandals, and Idaho, taking advantage of their height and speed, kept well in front of the slower Bengals. The Normal failed to get used to the floor and experienced some difficulty in finding their basket, the half ending with them on the small end of a 19 to 12 tally.

Lewiston Has Scoring Spree  
The second half started with

the Normal garnering a few points from Idaho on free throws, then the Jerry Stevens to Splers combination started working to gain a few points for the baby Vandals with some clean close-up shots. A scoring spree was started by Lewiston about the middle

of the period and gained on the frosh until a free throw by Gaskell of the Normal tied the score at 27. Later Splers was fouled but missed his free shot which Lewis took on the rebound and lopped a neat shot through to put the frosh ahead, 29-27.

The Vandal Babes kept one basket ahead after this until the last few seconds of the game when they sank another to clinch their win and lead of 35 to 31.

McKinsey High Point Man  
McKinsey of the Lewiston normal was the outstanding player

on his team and also high point man for both squads, earning a total of nine points. Splers of the Idaho frosh was a close runner-up with a total of eight points also making him high point man for his team. Foul shots were scattered throughout the game with both teams collecting their share of counts by free throws.

Joe Harold, the regular center for the Idaho frosh, will not be able to play in Friday night's game because of a sprained ankle.

## It takes 25 operations to finish one Ford valve

EACH Ford valve requires twenty-five separate operations from the time work starts on a rough valve until it is ready for use. That is a surprising number of operations for such a simple looking part, but typical of Ford care in manufacturing.

The stems of the rough valves first receive two preliminary grinding operations. Then they go through a furnace where the heads are brought to a red heat. Next, automatic fingers place them in a huge machine where a ram strikes the red-hot heads. This operation refines the grain structure in the head, straightens it, and forms the valve seat.

Valves then pass through other grinding, machining and

polishing operations. Each stem is ground five times for greater accuracy and smoothness. Inspection gages keep a constant check.

In spite of this care, each Ford valve is subjected to rigid final inspection. Amplifying gages check the stem for roundness within two ten-thousandths of an inch. Similar gages check diameter.

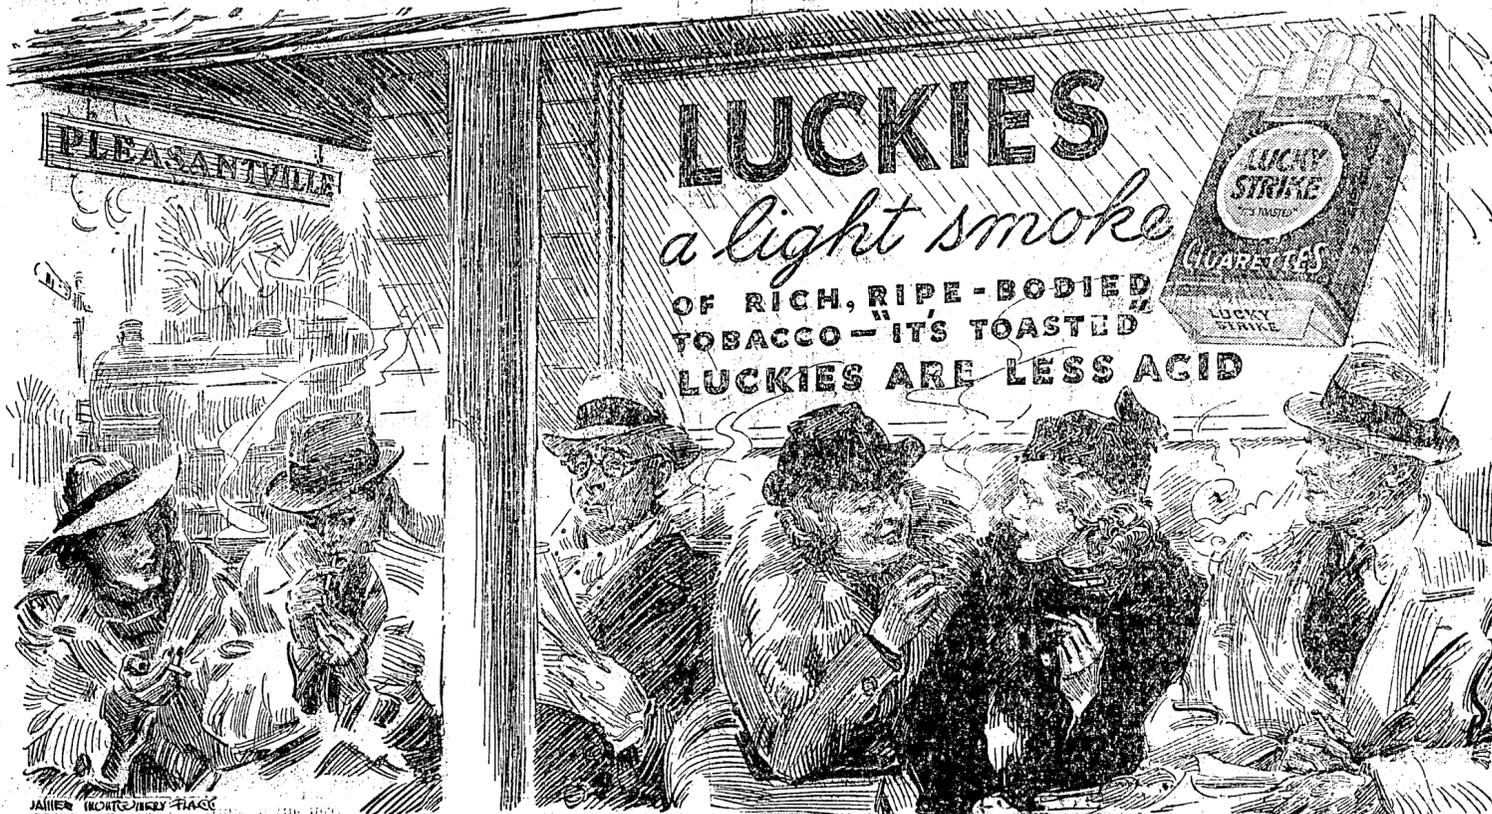

Other inspection equipment indicates the slightest "run out" of seat and checks stem end for squareness. Then the valves go into a constant temperature room where they are inspected for length.

The Ford V-8 runs like a fine car because it is built like a fine car. No car at any price is made to finer precision limits.

FORD MOTOR COMPANY

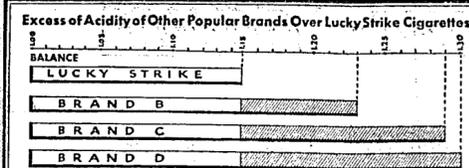

## A LIGHT SMOKE offers something to each smoker!

### Luckies are less acid

Recent chemical tests show that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.

RESULTS VERIFIED BY INDEPENDENT CHEMICAL LABORATORIES AND RESEARCH GROUPS

All kinds of people choose Luckies, each for reasons of his own. But everyone agrees that Luckies are A Light Smoke of rich, ripe-bodied tobacco. It is a rather surprising fact that the leaves of the same tobacco plant may vary far more than the leaves from plants of quite different types. Chemical

analysis shows that the top leaves contain excess alkalies which tend to give a harsh, alkaline taste. The bottom leaves tend to acidity in the smoke. It is only the center leaves which approach in Nature the most palatable, acid-alkaline balance. In Lucky Strike Cigarettes, the center leaves are used.
