Famous Philosopher Procured To Lecture At Idaho Next Week

Will Durant, Speaking on "Crisis in American Civilization," Will Be Presented by Public Events Committee Friday, February 12

Will Durant, America's premier philosopher, has been engaged by the public events committee to appear Friday, February 12, at 11 a.m. before an Idaho assembly. He will lecture on the "Crisis in American Civilization."

Courses Use Book

Most popular book written by Doctor Durant, "The Story of Philosophy" published in 1926, is one of the reference books used in Professor Chenoweth's courses.

Degree From Columbia

Philosopher Durant's topic for his appearance here will involve the basic problems in American life—the destruction of the soil, deterioration of the race, decay of morals, conflict of classes, and the threats to democracy—also some special proposals for betterment.

Popularizer of philosophy, he was born in Massachusetts in 1885. Four years after graduation from St. Peter's college, Jersey City, N. J., in 1907, he had been granted a professorship in Latin and French at Seton Hall college, South Orange, N. J.

While directing the Labor Temple school in New York city (1914-1927), he obtained a Ph.D. degree from Columbia university.

Most important of his books, besides "The Story of Philosophy," are "Transition," published in 1927; "The Mansions of Philosophy," 1929; and "Adventures in Genius," 1931.

Speech Fraternity Conducts Contest

Zeta Phi Eta Offers \$25 for Best One-Act Play

Twenty-five dollars will be presented by the Zeta Phi Eta, national professional speech arts fraternity, for the best one-act play presented to them before April 15, 1937. This offer is open to any women students enrolled in a college or university. A second prize of a complete Max Factor make-up kit will be offered.

Plays must be one-act, unpublished, unproduced, and original, and the acting time is not to exceed 45 minutes. Three copies of each play must be sent—typewritten on one side of the paper only.

Literary merit and possibilities of dramatic production will be the standards of judging. Zeta Phi reserves the right of producing the prize-winning plays without royalty.

Winter Sports Club Elect Officers

Hansen, Nelson, Stone and Fix Head Newly Formed Organization; Skiing Trip Planned

Election of officers of the newly formed Winter Sports club took place Wednesday. Chosen were: president, Swen Hansen; secretary-treasurer, Art Nelson; publicity chairman, Ray Stone; and activities chairman, David Fix.

No Fees!!! No fees as yet are attached to membership in the club and all those interested in winter sports are urged to join.

Broadway is a place where people spend money they haven't earned to buy things they don't need to impress people they don't like.

Incomplete Grades Must Be Removed By February 20

Changes of Residence Must be Filed and Approved; Seniors must File Applications for Degrees

February 20 is the final date for removal of incomplete grades from previous semesters. Incompletes not made up before that date automatically become failures, unless the student has previously filed in the Registrar's office a permit for extension of time signed by his dean and the instructor concerned.

Unless special action is taken in advance, re-registration in a course for which a mark of incomplete has been filed automatically changes the incomplete to a failure.

Get Address Checked Students who have changed their addresses since registration for the second semester should file properly approved change-of-address cards in the Registrar's office immediately.

If graduating seniors have not filed their applications for degrees, they should do so immediately if they expect to graduate in June, 1937, as Monday, February 15, is the final date.

Will Omit Pictures Unless Clubs Pay

Organization Will Forfeit Gem Space if Advance Payment Not Made

Important information concerning organization space in the yearbook was disclosed yesterday by Dick Paris, business manager, after a meeting with staff heads Wednesday.

"Many organizations have in the past managed to sidetrack efforts of the staff to assess them for space," said Paris, "but it will not happen this year."

Contact will be made with the various organizations by Dick Hutchison, organizations manager, and Dick Darnell.

Dirty Dan Smith Announces Opening of Klondike Klub

Bucket to Dub Queen On Unlucky Friday, Says Schneider

"It won't be long, now!" announced Marie Schneider, editor of the Blue Bucket. "I refer to the long-awaited announcement of the fair coed who had the good fortune to win the campus personality queen contest held in January will be forthcoming soon."

The fourth edition of the humor magazine, according to Miss Schneider, will appear on February 13, as was previously announced.

Theme of this publication will be "Sweetheart", because it appears the day before the anniversary of the patron of all sweethearts, St. Valentine; and the fact that the magazine comes out on ill-fated Friday 13 has nothing to do with either the theme or the merit of the issue.

The announcement of the personality queen who was selected from all women registered in the university by a secret ballot, will be the outstanding feature. Other features will be an imposing array of cartoons and articles by campus artists and writers.

ENTHUSIASTIC CROWD RECEIVES SINGER Swedish with a marked Swedish accent, Miss Goeta Ljungberg of the Metropolitan Opera company kept a packed auditorium at pin-drop attentiveness at her appearance in the public events assembly yesterday.

Neale Goes to Boise To Ask Legislature For Proper Funds

President M. G. Neale left for Boise last night, where he will attend a meeting of the board of regents tonight. Main business of the board will be to appear before the joint legislative finance committee, in an effort to prevent any cut in the university budget for 1937-38, as estimated by local officials.

The board will also take action on Doctor Neale's resignation; submitted to them a week ago Tuesday. He will return to the campus Monday.

Beattie Instructs Summer Session At U. of B. C.

French Instructor Accepts Position for Summer Term at His Alma Mater; to Return To Campus

A. H. Beattie of the foreign language department received an appointment February 1 as French instructor at the University of British Columbia for next summer's session.

Mr. Beattie was graduated from the University of British Columbia in 1928. He won a scholarship to Europe and spent a year at the Sorbonne in Paris. On his return to the United States he taught at the University of British Columbia while working for his masters degree.

In 1931 he came to the University of Idaho, and since then he has studied French at the University of California and Middlebury college in Vermont, where he won a medal in free composition in 1935. Summer school at the University of British Columbia begins in July and lasts seven weeks.

Scholarships Open For Idaho Grads In Pre-Medicine

Columbia and Western Reserve Universities Offer Opportunities to Doctors and Nurses

Two letters received by Dr. J. A. Kostalek, dean of the college of letters and science—one from the Western Reserve university at Cleveland, Ohio, and the other from the college of physicians and surgeons at Columbia university in New York—recognize the high scholastic standing of the University of Idaho. Both are pertaining to scholarships in these two schools.

Columbia is offering resident scholarships, worth \$500, covering room and board in the student dormitory of the medical school. Western Reserve is offering scholarships for graduates who are interested in the field of nursing.

Miss Alice Bohman, a former University of Idaho student, set the precedent for Idaho women at Cleveland. Included in the excerpts of a letter from Katherine Faville, associate dean there, are the following quotations:

"We are now wondering whether you have any students this year, who would be interested in coming to us. We are having many more applications than we can accept from colleges all over the United States."

"We are, however, giving preference to applicants from colleges that have sent us desirable students and have written honest references. For that reason, I am writing you early in the year. We shall be very glad to give special consideration to any students whom you may recommend."

Western Reserve university is the only school of nursing in the Middle West organized on a graduate basis.

Students interested in either of these two opportunities should see Dean Kostalek as soon as possible.

Show Tryouts

Pep Band Show tryouts will be held at the auditorium at 3 p. m. tomorrow. From the try-out will be selected the cast of entertainment for the informal part of the show, including vocal trios and solos, singing and dancing acts—or what have you?

Intramural Debate Will Begin Soon; States Orland

Representative Speaker to Settle Question of Congressional Importance; First Round Feb. 18

Intramural debate will begin the first round February 18, according to Lewis Orland, debate manager.

"Unless something unusual happens," said Manager Orland, "the schedule will be announced later in The Argonaut. Both men's and women's groups will struggle with the same question: 'Resolved—That congress should be empowered to fix maximum hours and minimum wages. Rules were announced in the last Argonaut.'"

"I did not hesitate to announce," said Manager Orland, "that there will be an extemporaneous speaking contest held again this year."

Orland Says "It is the responsibility of each group to see that its debate contestants fulfill eligibility requirements; otherwise they may find themselves disqualified in the finals. Those desiring to get material on the topic may hear debates nearly every day next week at 4 p. m. in Ad. 206."

Harold Klug Given Research Grant

Northwest Scientific Association Donates \$50 For Chemical Research

Dr. Harold P. Klug, chemistry professor, has been granted a research fund of \$50 from the Northwest Scientific association for further experimentation in the field of molecular activity. He received a similar grant last year. His associates are Robert Haller and Wayne Johnson.

Doctor Klug, who earned his Ph.D. at Ohio State college, has been experimenting in this field since he came to the university in 1934. He explained his project:

"It is known that molecules are always in motion, constantly colliding with each other. It has been proved recently that many molecules also have a rotary motion as well as this forward movement. Our job is to find the heat or energy point at which this spinning motion begins by freezing out the motion and finding the temperature at which heat is absorbed."

New Talent Review Will be Sponsored By University Music Department

Search for Musicians to be Made In The Different Colleges

Something new and different in music is to be sponsored by the music department—an intercollegiate music review.

Deans from different colleges of the university have expressed willingness to cooperate, and plans are now under way; even the foresters are developing a glee club.

The objective of the project is for each college to select a talented group of three and to work up a musical number. A time limit of six to 10 minutes will be given to each group.

The various colleges will be competing with one another and the one having the most outstanding number will be given a small loving cup.

The judges have not been selected yet, but will be chosen from the Washington State college faculty.

"I think the intercollegiate music review is an excellent idea," said Archie N. Jones, head of the music department. "It is an accepted fact that forestry and only forestry is studied in that college, and the same fact is known about the mining school. Everyone, however, who is interested may participate in music, and the music department extends into all branches of the university; we are trying to bring out further hidden musical talent in other departments."

"The program should be all arranged by the middle of September."

Beery Signs Contract For Library Addition; Begin Work Feb. 10

Classes on Second and Third Floor of the South Wing Will Be Transferred to Lewis Court; Finished By July 1

Idaho's new library, long discussed and long needed, came closer to reality yesterday, when President M. G. Neale learned that J. D. Beery, low bidder, had signed a contract and would begin work February 10.

A telegram from J. V. Otter, state director of the Federal Emergency administration of Public Works, ended the suspense caused by a FWA stipulation that the building be completed by July 1.

Idaho Two-Gunmen Score 96.4 High In First Leg

Riflers Participate in Ninth Corps Area Target Meet With Eight States; To Shoot Three More

Idaho's sharp shooting rifle squad competing in the Ninth Corps area including teams from eight states, shot their way to a 96.4 score out of a possible 100 on Thursday afternoon in the initial leg of the corps area matches.

Team scores are recorded here and sent to the corps headquarters where they are compared with scores from rifle teams in this area. The Idaho team will shoot in three more matches in the near future from the positions of standing, sitting, and kneeling.

Win Nationally Two years ago the Idaho team won national fame in winning the national inter-collegiate championship. They also placed fifth in Hearst Trophy matches one year, and last year won sixth place in the corps area.

Capt. Lewis Norman expressed satisfaction with the results of the "first leg" of the corps area matches.

John Eider, Joe Couch, and Judson Wark turned in the high scores with a 99 out of a possible 100. Following are the individual scores which netted a team score of 96.4:

Schoenfeld High Walter Schoenfeld, 97; Otto Nelson, 96; Guthrie, 95; Terry Price, 97; Jack MacLeod, 96; John McVey, 95; Bob Frazier, 96; Bob Abbott, 94; John Decker, 94; Robert Abbey, 97.

George Nelson and Joe Gauss, members of the team, did not shoot in the Thursday matches, but are expected to compete later this week.

In practice matches this year Eider, Price, and Abbott have won individual honors with perfect scores of 100.

Willis Sweet Filled By 200 Men Students This Week-end

Into Willis Sweet hall this week-end will move its capacity quota of 200 men students, said R. W. Lind, superintendent of buildings and grounds, yesterday.

While one group moves into the new hall, another group, composed mostly of Lewis court men, will move into the Lindley hall rooms vacated by the Sweet men. Some 30 odd over the 200 limit have applications in for rooms in the new hall.

Dining and living rooms of Willis Sweet will be finished within a week, estimates Superintendent Lind, but kitchen completion, held up by slow shipments of needed equipment, will not be accomplished for some time. Meals for the new hall will be served at Lindley until that time.

Bill on Ricks College Defeated in Senate By Big Majority

The bill to give Ricks college to the state was killed in the senate of the Idaho state legislature Wednesday, February 3, by a vote of 16 to 28.

The Ricks measure was sponsored in the senate by Senator L. Y. Rigby, Democrat, Madison, who urged acceptance so that it might be operated as a part of a junior college system under supervision of the board of education.

Beery found to be low bidder at \$94,691, covering general construction, plumbing, heating, and wiring, balked at signing over a week ago when the bids were opened, since his bid was estimated on an 180-day construction basis. He was to have submitted his final decision at a meeting of the board of regents in Boise tonight.

Lewis Court is Utilized News of Beery's signature brought to light carefully considered plans by Building Superintendent R. W. Lind for the transfer of offices and class rooms on the second and third floors of the present wing.

Retention of present main floor library space will be achieved by installing a temporary partition five feet in from the present end wall, allowing construction of the 97-foot extension to go on undisturbed.

"We will make the transition into Lewis court early enough to keep ahead of the contractor," said Mr. Lind, "but excavation will occupy them for some time so that actual moving probably will not take place for several weeks."

Will Be Moved Back Men students living in the court will move into Lindley hall this week-end. The large 31-by-58 study room used by them will be utilized as a reserve library. Two 31-by-36 rooms, one 46-by-26 feet, and several 23-by-26 feet rooms will provide plenty of space for accounting and psychology laboratories, language and psychology offices, and class rooms.

After completion of the addition, July 1, all offices, classrooms, and the reserve library will be moved back, with Lewis court reverting to its former field house status.

New Stairway Plans call for the reserve library to be placed in the basement of the completed structure, with the general reading room, roughly twice as large as the present one, on the first floor.

The periodical room and stacks will occupy the second floor. On the third will be offices, library, and classrooms of the college of law, as well as laboratory and offices for the psychology department. Other office and classroom space is unassigned.

A stairway, running from basement to top floor, will connect the various levels and will be located at the wing's juncture with the main body of the building.

Iddings To Be Head Of Club Banquet

Agricultural Faculty Will Be Honored Guests; Extemporaneous Speech Contest Finals, Outstanding Feature

Ed Iddings was designated general chairman Wednesday night of the Ag club banquet which will be held in the Blue Bucket March 3 in honor of the agricultural faculty. Wayne Lee heads the ticket committee and Darrell Deane is in charge of invitations. Clark Francisco will arrange the program.

Speakers Contest Outstanding feature of the evening's entertainment will be the finals in the Alpha Zeta-Ag club extemporaneous speech contest. The underclassman and upper classman representatives will have been selected from the preliminary contests. Two speakers in the finals will be judged by members of the agricultural and English departments, and a loving cup will be presented to the winner.

In addition there will be a guest speaker, who has not yet been selected.

Idaho Argonaut

ESTABLISHED 1898

The Board of Regents' Task

Though students may not realize it, tonight's meeting of the board of regents at Boise with the joint finance committee of the two legislative houses is of grave importance. Upon the decision of the joint committee rests the future of the University of Idaho.

Instead of being proud at the capitol in Boise of the university's growth and taking measures to ease its growing pains, the officers of the state have on the other hand heaped criticism on it. The house chamber has reverberated to thunderous demands that there be an investigation of the university finances.

Insufficient Books For two years more, the library shelves will be empty of needed books, or at best, students will at times be forced to wait as much as three months to garner a book that during this period has been carefully passed from friend to friend.

Criticism and dislike in a great many cases are due to the fact that those who are doing the most yelling are unfamiliar with existing conditions. Why does not the house of representatives let Mr. Harrington have his investigation. If there is anything wrong, it should be exposed and corrected.

Unfriendly Unwarranted 27-16 is what North Idaho calls "cooperation." It is what the Lewiston Tribune calls "A Good Day's Work," or the Moscow Star-Mirror labels "justice."

More Reasons? The bill was defeated not because Idaho cannot adequately support two four-year universities. Other states (Utah, for example), with about the same population as Idaho, can do it.

Reaches Point The bill was defeated mainly because certain Northern Idaho senators, in the name of their own "University of Idaho" at Moscow, manipulated a political bargaining with certain weak-willed senators from Southern Idaho who fell for the bait in hopes that their own pet bills might, in turn, be supported by the Northerners.

Idaho's Problem The whole trouble goes back to the unfortunate boundaries that visit the library. Forest Ober wants a violin case to carry around so that he won't have to get his hair cut so often.

Radio's New Smash Hit "Jack Oakie's College" Irrepressible Jack Oakie at his best. Also Benny Goodman's "Swing Band," George Stoll's Concert Orchestra, Hollywood comedians and singing stars.

Argue-Knots

A Student Points Out Adverse Criticism and Wonders

It was with something of a mixture of disgust and dismay that the campus read press dispatches carrying the news from Boise that Governor Barzilla Clark had asked the legislature to snip \$145,000 from the university's biennial appropriation.

Insufficient Books For two years more, the library shelves will be empty of needed books, or at best, students will at times be forced to wait as much as three months to garner a book that during this period has been carefully passed from friend to friend.

Southern Branch Twig Promises Fight for 4-Year Plan

To the Editor of the Argonaut: "BOISE, Jan. 27 (AP) — A measure to expand the University of Idaho, southern branch, into a bachelor-degree-granting institution reposed today in the waste basket of lost legislation."

More Reasons? The bill was defeated not because Idaho cannot adequately support two four-year universities. Other states (Utah, for example), with about the same population as Idaho, can do it.

Reaches Point The bill was defeated mainly because certain Northern Idaho senators, in the name of their own "University of Idaho" at Moscow, manipulated a political bargaining with certain weak-willed senators from Southern Idaho who fell for the bait in hopes that their own pet bills might, in turn, be supported by the Northerners.

Radio's New Smash Hit "Jack Oakie's College" Irrepressible Jack Oakie at his best. Also Benny Goodman's "Swing Band," George Stoll's Concert Orchestra, Hollywood comedians and singing stars.

The Movie-go-Round

Kenworthy Friday and Saturday. A double feature—a musical romance of life south of the Mason-Dixon line, "Can This Be Dixie" with Jane Withers, Slim Sumnerville, and on the same program G'enda Farrell and Barton MacLane in the mystery-comedy, "Smart Blonde."

Thumbs Down So, recently, with perfectly good intentions, many citizens in Pocatello and Southeastern Idaho, in the name of Southern Idaho, have asked that their university at Pocatello be enlarged and improved in order that their sons and daughters may attend school without going to other states or travelling over 600 miles through three states into an un-Idaholike wilderness in the North to be "educated."

Unfriendly Unwarranted 27-16 is what North Idaho calls "cooperation." It is what the Lewiston Tribune calls "A Good Day's Work," or the Moscow Star-Mirror labels "justice."

More Reasons? The bill was defeated not because Idaho cannot adequately support two four-year universities. Other states (Utah, for example), with about the same population as Idaho, can do it.

For Digestion's Sake... Smoke Camels

— One reason why they all keep Camels handy

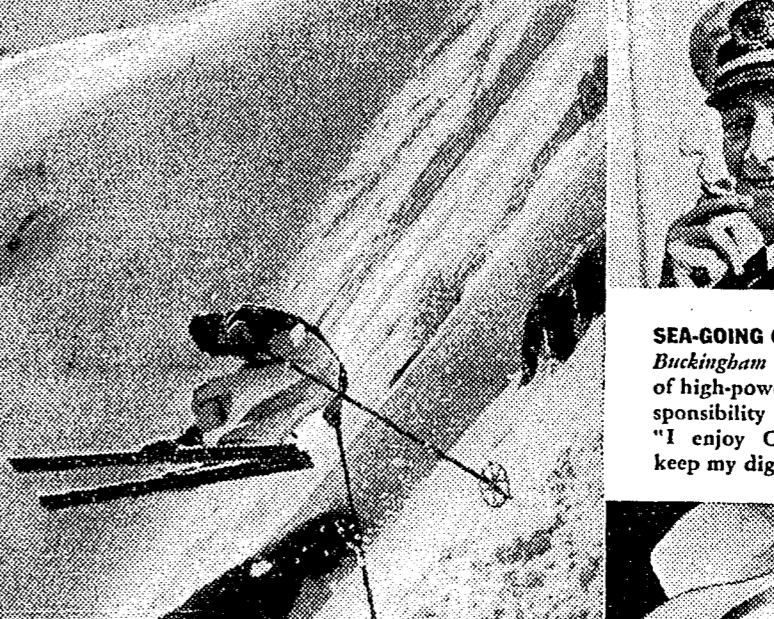

VIGOROUS, active people—in sport, society, and in the world of work—count on healthy nerves and proper nutrition to see them through. Take your cue from them and make Camel your cigarette too! When you smoke Camels at your meals and afterward, the flow of digestive fluids—alkaline digestive fluids—speeds up. Strain and tension are lessened. And you have a delightful sense of digestive well-being. With their matchless mildness, Camels are better for steady smoking, and they don't tire your taste.

Copyright, 1937, H. J. Reynolds Tobacco Company, Winston-Salem, North Carolina

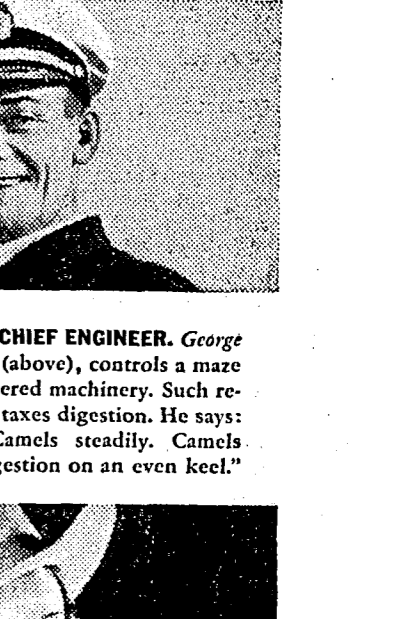

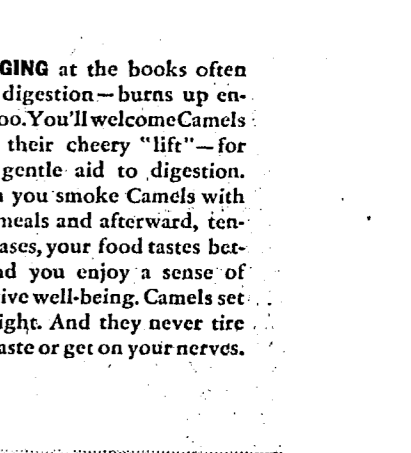

"SKIING TAKES GOOD DIGESTION and a healthy set of nerves," says Sig Buchmayr, shown executing a difficult jump turn across a rock (right), and enjoying Camels during a hearty meal (above). "I smoke Camels a lot. I know they don't get on my nerves. And they help my digestion. Camels and food are always in the same picture. Smoking Camels with my meals and afterward lets me enjoy my food more. Camels set me right! Lighting up a Camel seems to give me new 'zip.'"

RADIO'S NEW SMASH HIT "Jack Oakie's College" Irrepressible Jack Oakie at his best. Also Benny Goodman's "Swing Band," George Stoll's Concert Orchestra, Hollywood comedians and singing stars.

SEA-GOING CHIEF ENGINEER. George Buckingham (above), controls a maze of high-powered machinery. Such responsibility taxes digestion. He says: "I enjoy Camels steadily. Camels keep my digestion on an even keel."

CHAMPION GIRL BRONC BUSTER (above). Rose Davis' digestion must stand up under terrific pounding and jolting. "Camels are so mild and fine-flavored," she says. "For digestion's sake—smoke Camels' is a rule with me at every mealtime."

COSTLIER TOBACCOS!

Camels are made from finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic—than any other popular brand.

Cougars and Vandals Engage In Pair of Double-Headers

Varsity and Freshmen Play At Pullman Tonight; At Moscow Saturday Night

A week-end full of basketball is in store for Idaho starting tonight as the first of two double-headers between the Vandals and the Washington State Cougars gets under way at Pullman. The varsity will play the first game, beginning at 7:30 o'clock, followed by the freshmen in a game immediately after.

Memorial gymnasium will be the scene of Saturday night's game. Following the same routine, the varsity game will begin at 8 o'clock. Students will be admitted on second semester ASUI tickets.

While the ineligibility ban was removed from two of Coach Forst Twigg's squad members with the advent of the new semester, a third was injured badly enough to prevent his playing again this season.

Lavigne to Play

The injured player is Gerald Dellinger, Jerome. The substitute guard broke his wrist and a bone in his hand, an X-ray revealed, in practice several days ago. His hand will be in a cast for several weeks.

The additions to the squad this semester are Ray Lavigne and Jim Lewis. Both will help bolster the team very much. Lavigne, a guard, is likely to work himself into a regular berth before long. Lewis will likely be substituted frequently at the forward berth.

After last week's 42-27 defeat at the hands of the title-bound Cougars, the Vandals have been working on a more patient and methodical attack. In the game last week, the Vandal attack split wide open in the second half, following a 15-14 lead at the half-time intermission.

Kosich Recovered

"Twogle" has been trying to steady the attack to prevent the jitters that occurred following Don Johnson's removal from the game on fouls the first half.

To the brilliant array of stars that Coach Jack Friel of the Pullman squad shoved into the attack against the Vandals last week, Kosich will be added for the second and third battles between the schools.

Stricken with pneumonia on the Oregon-Oregon State trip, he has been kept out of play until recently. The lanky lad is a sure-fire shot, and another of Coach Friel's most promising sophomores.

The men that the Vandal mentor will have in suits at Pullman tonight are: Lyle Smith, Steve Belko, Kenny Robertson, Elmer Eddington, Lee Peterson, and Jim Lewis, forwards; Rolly Winter and Bill Bohman, centers; Don Johnson, Bill Kramer, Klieh Jacobs, Ray Lavigne, and George Grogan, guards.

Intramural Sports

Basketball

Tuesday night:
T.M.A. 25, Senior hall 19.
Wednesday night:
Senior hall 28, Sigma Nu 23.
U. club 28, S.A.E. 27.
Delta Chi 12, Delta Tau Delta 7.
L.D.S. 25, Phi Deltis 22.
Idaho club 42, Sigma Chi 13.
Vandalville 20, Ridenbaugh 12.
Kappa Sigma 25, Lewis court 20.
Chi Alpha Pi forfeited to Lindley hall.

Senior hall and Sigma Nu played the "thriller" contest of Wednesday's games, the hallmen finally eking out a victory in the overtime period. The regulation game ended 20-20 as Senior hall wiped out a four point deficit in the final minutes on two free throws and a field goal by Bill Powers.

In the overtime Powers and Catlin, making use of Lank Ray Peterson's control of the tipoff, made two quick baskets to ice the game away. Powers was high point man with four field goals and four free throws for 12 points. Bistline, Thompson, and Lutz led the Sigma Nu scoring with eight, seven, and six points, respectively.

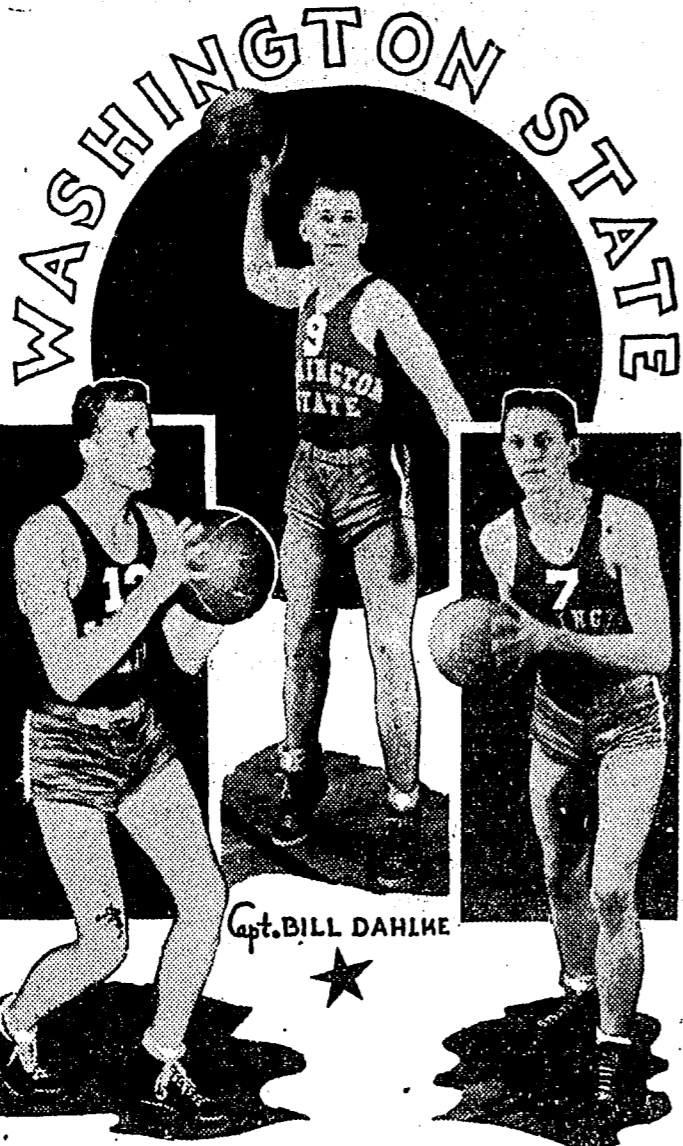

Duvall High Scorer

Two undefeated teams met in the classic struggle of the evening with the U. club ending dizzily on the long (?) end of a 28-27 score by virtue of Peacock's last-second basket. The SAEs led 12-10 at the half, added to it in the opening minutes of the second half.

Then control of the tipoff by big Duvall, U. club center, and two fast baskets knotted the count. Both teams took turns at the lead until the score was tied 26-26 with a minute to go.

Duvall led scorers with 14 points with Peacock assisting with 9 more. For the SAEs Beatty poured in 10

They Entertain Idaho Tonight

TINI JOHNSON SEWELL CARLSON

Three Bad Men in the Cougar line-up, if you're trying to stop W.S.C. attack, are these three hoopers. Johnson and Carlson, two husky forwards, are juniors, and each stands about 6 feet, 2 inches. Dahlke, a senior, maintains the fighting spirit of the whole club from his guard position.

Grades Hit Vandal Babes Hard; Prepare for Games With WSC

points from the center of the floor and Purton matched them with 10 more on nice backboard work.

In the second contest, matching undefeated teams, the Delta Chis outlasted the Deltis in a rough and tumble football-score game with a 12-7 victory. Each team could garner only four points by half-time. In this Thiessen-refereed game the losers suffered 12 fouls to three called on the victors.

Vandalville Springs Upset

The Phi Deltis trailed the L.D.S. by the same margin all through the game to drop a 25-22 decision. They trailed 13-10 at the half and could never overcome the small advantage. Diminutive Snow led the scorers with 10 points for the L.D.S. squad with Blaine Liljenquist following with eight more. Berger was high with seven on the Phi Delt quint.

The Idaho club heaped another defeat on the Sigma Chis, 42-13. They poured in baskets merrily the first half while holding the Sigma Chis to a free throw, at one time piling up a 21-1 lead.

A third undefeated team took it on the chin and Vandalville sprang an upset to defeat a favored Ridenbaugh hall team, 20-12. The hallmen never managed to click while the Vandals worked the ball in consistently for the easy shots, content to hold the ball until they opened such shots.

Kappa Sigma emerged victor in the final game of the evening, bowling over a strong Lewis court team 25-20.

Managers Meet

Director Percy Clapp and 21 intramural managers met Monday night and outlined the table tennis program to open next week. Leagues were drawn and rules thoroughly discussed. At the same time "B" leagues were organized for the men who were barred, or did not compete in intramural basketball during the first semester.

All plagiarism and no work make jack. —Carroll Young.

Old and New Swimmers Compete In Time Trials Under Tessier

The first of the swimming team's time trials in preparation for the W.S.C. meet here February 13 was held Wednesday afternoon. While the recorded times were by no means impressive, Coach Bob Tessier is "not too disappointed." He is confident that individual performances can be improved before the first meet so that the team will be able to make a good showing against the Pullman tank men.

Both freshmen and varsity swimmers competed in the timed events. In the 100-yard free-style, Slade, freshman star won in 1:04. Nungester and MacDonald, the varsity swimmers, followed him at 1:11.

The 200-yard breast stroke went to Janssen, varsity representative, who did the distance in 3:12. He is expected to cut 12 seconds off this time before the W.S.C. meet.

Slade Wins

Orcutt, varsity 440-man did his distance in 6:43. Aspray, another varsity swimmer, who cracked 6:20 in the event last year, followed Orcutt at 7. The 50-yard sprint featured Nungester and MacDonald both of whom swam the distance in a little over thirty seconds.

Spence won the 150-yard back stroke, closely followed by McGreggor. The time was 2:16. Best time in the 220-yard free style was made by Slade. His time of 2:36 was 34 seconds better than that of Cable, varsity letterman, who finished second.

Many Meets

Following the clash with Washington State in the home pool February 13, the team will continue a rigorous schedule. It will meet the strong Washington team in Seattle February 20. On March 6 the Minor Sports Carnival will open here and will feature meets between W.S.C., Washington, and Idaho.

On March 20 the team will go to Pullman for a return meet with Washington State, and on March 27 will attend the conference swimming meet at Pullman where it will meet Washington, W.S.C., Oregon, and Oregon State.

yearlings are about evenly matched, the advantage resting with the team playing on its own floor.

The Vandal babes have been handicapped this week with lack of practice. They played a game on Monday, did not practice Tuesday, and drilled with the varsity the last two days.

Idaho One Up

To date, the Idaho team is one win ahead of the Cougar aggregation, having won two games to the Kittens' one. Three games of their series remain.

Returning to the squad to take over a first string forward berth is Bob Parks, Spencer, Iowa. He was ineligible the first semester because of low grades.

Low grades will deprive the squad of Bill English, star guard, and three reserves, Bob Woods, Moscow; Don Kirby, Lewiston; and Melvin Weinburg, Wendell.

SPORTS NOTICE

There is room for eight men to register for beginning tennis (badminton the first semester), which meets on Thursday, fifth period.

Idaho Fencers Meet W.S.C. February 13

The rivalry between W.S.C. and Idaho will be continued when the two schools' fencing teams meet at Memorial gymnasium February 13.

Idaho's fencing team is composed of Arthur Peterson, William Gagrav, and Eugene Jay members of last year's team; Charles Poulton, of the fresh squad last year; and Earl Kent and Elmer Riemann, new members.

The team is coached by Arthur Peterson, sophomore and a member of last year's team. He is outstanding man on this year's squad. The outcome of the coming meet will mean much to Idaho in establishing confidence. Idaho met the Cougars once before this year in an informal meet, losing 6 to 3.

They lost largely because of the absence of Gigray and Poulton, who were out with injuries. Last year Idaho won two of three meetings from W.S.C. and tied with them for second place in the Inland Empire.

W.S.C. is supported by three men of last year's squad—Huff, Loring, and Anderson—all of whom are excellent fencers.

Idaho expects to give full support to their new sleeve insignia. They were designed by Poulton.

Exhibition Skating To Be Featured At University

Moscow and university skating enthusiasts will have the opportunity of witnessing a figure skating exhibition in the near future if the present cold weather prevails. George E. Horton, graduate manager, announced today that he was making arrangements with Dr. C. L. Kimble, president of the Spokane Figure Skating club, to bring the group to Moscow for an exhibition.

The date has been tentatively set for February 13 and the exhibition will be held on the skating rink located on MacLean field. Flood lights will be focused on the rink and music will be provided the skaters over a public address system.

Though the Spokane club is composed of amateurs, they have been in demand this season to put on exhibitions in several sections of the Inland Empire. They are to exhibit their skill in Trull, B. C., this week-end.

Men are sometimes accused of pride merely because their accusers would be proud themselves if they were in their places.—Shenstone.

W.A.A. Will Elect Officers At General Meeting Tuesday

New officers of the Women's Athletic Association will be elected at a general meeting Tuesday at 5 p. m. in the Women's gymnasium, according to Lucile Nelson, president.

Frances Murtha and Julia Moore are the nominees for president. The one with the greatest number of votes will assume that office, with the other automatically becoming vice president.

Other nominees are Pauline Brush and Ada Marcia Hoebel, recording secretary; Ruth Rhodes and Ida May Gillenwater, treasurer; and Marie Raphael and Rita York, corresponding secretary.

Fraternity Council Plans for Dance

Plans for the annual Interfraternity Council formal dance were started Wednesday night with the appointment of committees to handle details by Jack McKinney, president of the council.

According to present plans the dance will be held either March 5 or 6 at the Sigma Nu house. Paul Ennis was named general chairman.

Committees appointed were: Earl Bullock and Roy Gray, programs; Mark Robinson and John Gaskill, orchestra; Bill Maclear and George Sommer, decorations; Fred Campbell and Charles Baylon, patrons and patronesses.

Besides the two regular delegates of each house, one additional couple will be invited.

Curtain Pledges Five; Initiation Wednesday At Nobby Inn

Five dramatics students were pledged Tuesday night to the Curtain, local dramatics honorary.

They are Catherine Bjornstad, Barbara Walker, Fred Rasmussen, Charles Marshall, and Glendon Davis. These students were selected because of their interest and participation in campus dramatics.

Pledges wore black masks to classes Wednesday. They will be formally initiated at dinner in the Nobby Inn Wednesday at 6 o'clock.

Aldrich Bowler is president of the organization.

Which Reminds Me

Back again after quizzes, and we have nine weeks to rest up after the one week of strenuous study we've just put in. Each of us has duty sworn that never again will we let all our work go until the night before—but we will.

Well, as Dr. Graue says as he wanders far afield from the point, I guess I have digressed. So back to the fashions for me.

Gold and Black
Dorothy Mott looks lovely in her goldish yellow sweater which she wears with a black skirt. The blocked scarf worn cowboy fashion around her neck adds the final chic touch.

Feathers, bright colors, and imagination go into the makings of the new hats, and Zelma Myers certainly has all three. It's green with three feathers perched in front, and has a most amazing shape. Plenty cute!

Which reminds me—Spring is very definitely on the way. Today I saw four swagger coats and three blades of grass.

The contrast of black and white looks lovely on Ruthie Fulton. The dress is black with a starchy white front—pleated and crisp—and with an ingenious Peter Pan collar. Very neat and smart for school.

DELLINGER OUT FOR THE SEASON

A broken wrist will keep Gerald Dellinger, Jerome guard, from further competition in basketball this season. Dellinger broke his wrist in basketball several days ago, but at the time thought it only a bad sprain.

An X-ray picture taken by a Moscow doctor revealed the wrist to be broken as well as one bone in his hand. Dellinger's wrist and hand will be in a cast for several weeks.

From the freshman tests have come the most astonishing answers. Each year, it seems, the freshmen haunt the teachers with a great store of new knowledge. With due apologies we list some of the answers given:

"A bladder is a spongy paper to absorb ink."

"A tambourine is a very small, sweet orange."

"A corps is an oration in commemoration of the character of a dead person."

"A tabaret is a dine and dance place."

"A turtle is a body which has polarity and the property of strongly attracting iron."

Kappas to Offer Annual Award

Applications may be made by any Idaho woman student for the \$1600 in graduate fellowships annually awarded by Kappa Kappa Gamma women's fraternity.

Divided into three \$500 fellowships, awards are open to any woman irrespective of fraternity or non-fraternity membership, who has or will have a degree by July 1 from any one of the 72 American and Canadian colleges and universities in which Kappa chapters are located.

For Graduate Study
Selection is made upon scholarship, leadership, and a definitely planned purpose in graduate study. It is designated customarily to the fields of science, art, and human relations.

Fellowship winners will be announced shortly after July 1. Application blanks should be obtained at once from the office of the Dean of Women. They should be mailed before March 25 to Mrs. Robert George, Box

Vandalettes Wield Mighty Basketball

Two court games are being played in women's basketball which began this week.

Lola May Dickenson is the manager of the teams. This year more emphasis is being laid on the principles of the game instead of the technique, which has been brought out in the last games.

Practice games will continue until March 11, when the tournament games will begin.

On Wednesdays and Mondays the sophomores and juniors practice. On Tuesdays and Thursdays the freshmen and seniors will practice.

"All girls are urged to come out for practices at the time they have signed up for," said Miss Doris Dray, physical education instructor, in order to get used to the game and rules of playing.

He—Who spilled mustard on this waffle, dear?
She—Oh, John, how could you—this is lemon pie.

Pullman Car Is Such Fun For Snowbound Pilgrims On Track on Home Trek

By Janice Rotering
Speaking of novel ways to spend a between semesters vacation—Dina Dodd slumped down as far as she could in the straight-backed, green plush chair of the Great Northern electric train and pouted on her way to a perfect week-end in Seattle, now look where she was! Not that she really believed she would meet the 9:30 p. m. train in Spokane, she'd have to hop off one train and on to the next, of course.

And so she pouted—until a friendly man offered her a large apple left from a lunch he had the common sense in bringing—(she had a very grateful smile for him); but what was the conductor saying?

"Dark now—no lights on snowplow—stay till dawn."

Train Runs on Track
Since the train must remain there until the plow cleared the 12 feet of snow from the track, the 18 people on the train were walking to the nearest ranch house for food. Miss Dodd and the other two women were following in the tracks of the men. No use thinking of the 9:30 train—the morning one would have to do—this snow must be 5 feet deep where we are wading. Oh, the farmhouse!

Back on the train, the more sociable of the snowbound passengers played bridge until 2 o'clock in the morning.

"Not so bad after all," thinks Dina—"I mean the people, and I'm getting good bridge hands—being late is lousy—but the fellows have been swell to me—wonder if that Teke minded my sleeping on his shoulder—I s'pose all these traveling men have business and they aren't kicking, so I'll try being a little more cheerful—but I'm awful sleepy and that bed fixed on the floor from a couple of seats looks pretty good right now."

It was 5:30 a. m. and the train was really moving again as Dina awakened—or was she dreaming? We aren't moving now—what? Stopped to let the snowplow go ahead to Spokane and then back? In Mt. Hope? Certainly a metropolis all right.

Smarties Given New Privileges

Dean Evelyn Miller met with all scholarship chairmen from women's group houses Wednesday to revise mid-week privileges for women students. This revision affects especially underclass women.

1. Freshman student with a 4.5 academic average or above may be granted an occasional special permission by the scholarship chairman of the group in which she lives. These permissions shall extend only until 9:45 p. m. and shall include only privileges sanctioned by the scholarship chairman.

2. A sophomore student may have 9:45 p. m. permission on any week night, unless curtailed by the house president or the scholarship chairman.

3. Hours for juniors shall be 10 p. m.

4. Hours for seniors shall be 10:30 p. m.

Cardinal Key Plans Future Exchanges

Arrangements for the continuation of the exchange dinners sponsored by Cardinal Key were made at the Delta Gamma house Tuesday. These dinners will be resumed again Thursday, February 11. Schedules will be published later.

Cardinal Key, honorary for upperclasswomen, will provide entertainment at the Monday night basketball game with Gonzaga college.

Alumnus Married In Twin Falls

Miss Helenrose Crabtree and J. T. Anderson, Jr., 34, Twin Falls, were married recently.

Matron of honor was Mrs. Lewis Hack, Fler, sister of the bride, and bridesmaids were Misses Alma Carson, Dorothy Doss, and Virginia Lawrence. Best man was Bill Morgan and ushers were Bill Babcock, Jack Gray, and Bob McClure.

Both Mr. and Mrs. Anderson are graduates of Twin Falls high school. Mrs. Anderson attended the University of Idaho, southern branch. Mr. Anderson attended the University of Idaho. He is now associated with Rowles-Mack company.

Along Fraternity Row

Delta Chi announces the pledging of Jack Richards, American Falls.

Mrs. Agnes Critchfield, Mrs. Frank Gassney, and Helen Russel were dinner guests of Hays hall on Wednesday evening.

Chi Alpha Pi announces the pledging of Carl Matz, Moscow.

Wallace Christensen and Jack Bratten were dinner guests of Chi Alpha Pi Wednesday.

Miss Adah Lewis, head of the home economics department was a guest of Miss Marion Featherstone at Forney hall Wednesday.

Phi Gamma Delta entertained Alpha Pi at an exchange dance on Thursday.

A Dime For Couples At Matinee Dance; One Pays Double

The old proverb that two can live as cheap as one is partly proved by the new plans being made for the 'Bucket matinee' dances on Tuesday afternoon from 4:30 to 5:30 o'clock. The prices are 10 cents a couple and 20 cents single admission.

The ASUT is sponsoring these dances. The aim is to give every student a chance to improve his dancing and help him to become better acquainted with fellow-students.

Fred Rasmussen, executive board chairman of these dances, announced today that a loud speaking apparatus connected with a phonograph will furnish the music.

During one story-telling hour at a certain fraternity house, a junior member had taken for his text the parable of the Wise and Foolish Virgins. In conclusion, he said: "Now, my brothers, which would you choose? The five wise virgins with the light, or the five foolish virgins in the dark?"

The vote was unanimous.—Utah Student Life.

Elmer Beth Honored By Sigma Delta At Dinner

Prof. Elmer Beth, journalism instructor, was honor guest at a dinner meeting of Sigma Delta, men's professional journalism honorary at the Nobby Inn Sunday night.

Mr. Beth is a member of the Wisconsin chapter of Sigma Delta Chi, national men's journalism fraternity, with which the local group aspires eventually to become affiliated.

Sigma Delta is a group new to the Idaho campus. Its membership is taken from upperclassmen majors in journalism.

Claudette Colbert says: "My throat is safest with a light smoke"

"An actress' throat is naturally very important to her. After experimenting, I'm convinced my throat is safest with a light smoke and that's why you'll find Luckies always on hand both in my home and in my dressing room. I like the flavor of other cigarettes also, but frankly, Luckies appeal most to my taste."

Claudette Colbert

STAR OF PARAMOUNT'S FORTHCOMING "MAID OF SALEM" DIRECTED BY FRANK LLOYD

THE FINEST TOBACCOS—THE CREAM OF THE CROP

An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, 87% stated they personally prefer a light smoke.

Miss Colbert verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen, and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat!

A Light Smoke "It's Toasted"—Your Throat Protection

AGAINST IRRITATION—AGAINST COUGH
