Levity and Litany

By L. O. Tinkle

Campus politics, warming up for the last two weeks, pulled out the throttle to a steady sixteen-cylinder roar today as three factions entered machines in the race for student body supremacy. A new party, dubbed the Independents, showed its racing colors at the nominating assembly Wednesday night.

How the Independents will fare is problematical. Campus party heads assert the move is an effort made by the United Students to split Campus votes. Denying that it Edgar Wilson, a fraternity man who backed the Independent nominations. Wilson declared last night that the nominations were made solely in an effort to assure election of spokesmen from all sections of the campus to the executive board. There was no intention to split any party, he maintained. Under proportional representation, it is possible for a man to be placed on the board with no more than 200 votes, which should make Independent chances much better.

Earl Ritzheimer's nomination for student body president on the Independent slate calls up an effort last year to put just such a ticket in the field, with the burly athlete named for the same post. Great was the indignation of Independent backers when the executive board ruled out the ticket for failure to get the nominating petition to the ASUI president before the 48-hour deadline. Carried on to the board of arbitration, final clash was given last year's independent move by arbitrators M. G. Neale, former president, Dean T. S. Korr, and last year's ASUI president, Theron Ward.

With Dean Pendleton Howard of the college of law called in to discuss legal and constitutional points, the arbitration board considered two angles—1. Was the nominating petition presented to the ASUI president within two days after the regular nominating assembly? 2. Was the presentation of the petition to the secretary of the ASUI equivalent to presenting it to "the president of the ASUI" as provided in the constitution? Obviously, they said "no" on both points.

When Bill Armstrong, Campus party nominee for student body president, withdrew to line up for a United Students party nomination for a post on the executive board, present ASUI President Bert Larson was left unopposed.

Just how hard a battle Ritzheimer can give presidential nominees of the other two parties is worrying both factions now. A fraternity man, "Ritz" is also popular with the Barbs and stands as good a chance of pulling votes from one party as from the other.

Surprisingly good was the Inter-College Revue Tuesday night. Colleges and schools taking part in the revue showed they had put a deal of work into presenting good programs. Special comment is due the miners, foresters, and engineers, who, lacking any members of the fairer sex to add "charm" to their ensembles, stood out in that their programs represented more effort on the part of larger groups.

Southern University Takes Law Man

William Pittman Accepts Permanent Position at Kentucky; Has Been Doing Graduate Work at Harvard

Prof. William H. Pittman of the college of law has resigned to accept a professorship in the school of law at the University of Kentucky, Lexington.

Prof. Pittman, who is a graduate of the Idaho college of law, has been on the faculty since 1930. During 1935-36 he was granted a leave of absence to pursue graduate study in the Harvard law school. His leave of absence, extended to include the current school year permitted him to accept a visiting professorship at the University of Kentucky. Appointment at Kentucky has now been made permanent.

During his absence, Prof. Pittman's classes have been taught by Prof. Robert E. Willard, who has recently been awarded a graduate fellowship at Columbia law school for next year.

Xi Sigma Pi Initiates Forestry Majors; Six Are Chosen

Frank Kapel, Noel Hallett, Dwight Cable, Andrew Singley, and two graduate students, Robert S. Opie and A. W. Slipp, were initiated into Xi Sigma Pi, national forestry honorary, Wednesday night.

Any student attaining a 5 point average for two years work in forestry, a likeable character, and an interest in furthering the ideals of forestry, is eligible to this honorary.

High Schools Send Musical Students To Annual Meet.

Saturday Night's Program Will Feature Cantata, Massed Band, and Combined Orchestra Numbers

The annual North Idaho music festival which high school students from 13 towns will participate, will carry on here all day tomorrow.

The festival begins at 9 a.m. with the presentation of solo events; in the afternoon will be ensemble events. "University students will be most interested in the program Saturday night," stated Archie Jones. "At that time a cantata, 'The Erl King's Daughter' is to be sung by the University Singers accompanied by the university orchestra. A massed band of 200 pieces, playing under the direction of Prof. Robert Lyon, and a 150-piece massed orchestra directed by Prof. Carl Claus, will play to concert selections."

No competition will ensue among schools; each one will receive written criticisms on each event. Judges chosen from the university music faculty are Hall Macklin, Miss Miriam Little, Bertrand McGarrity, Mr. Lyon, Mr. Claus, and George Stump.

Chairmen of the various sessions will be Miss Bernice Bernard of Idaho's faculty; J. Ross Woods, Lewiston high school; Verne Wilson, Moscow high school; and Ray Fahringer, Coeur d'Alene.

High school students from Nez Perce, Potlatch, Post Falls, Coeur d'Alene, Rathdrum, Cottonwood, Lewiston, Moscow, Elk River, St. Maries, Kellogg, Sandpoint, and Orofino will participate.

The evening program will be held in the Memorial gym. Admission is by ASUI ticket for students; 25 cents for the public.

Annual Song Fest Slated May 20

First and Second Awards To Be Given on Quality of Singing

Thursday, May 20, is the date set for this year's Interfraternity song fest, according to Marie Schneider and Wendell Lawrence, co-chairmen for Sigma Alpha Iota and Phi Mu Alpha, national music honoraries who are sponsoring the affair.

The song will be held in the Memorial gymnasium where there will be room for everyone. Townspeople will be charged 25 cents, and students will be admitted on presentation of their ASUI books. First and second awards will be presented to the groups participating. The awards are loving cups. Groups will be judged on the quality of singing they present.

Rules for the sing are: A group may present only three numbers, these may be any songs they desire to sing. Costuming, except for simple uniform dress, is out. There is no limit to the number of people from any one group who may participate. Singing must be a cappella or with piano accompaniment. All campus groups that desire to participate must make their official entry by May 5 by turning in the entry blanks which were distributed to "all group houses yesterday, accompanied by the \$2.00 entry fee which is payable to either Marie Schneider, Delta Gamma, or Wendell Lawrence, Delta Tau Delta. Five judges are being selected from our own university faculty who are not connected with the music department, but are interested in music and student activities.

Ernest W. Ellis has left California for the Philippine Islands to become consulting engineer for a mining company there under a three-year contract. He received a B.S. degree in mining engineering in 1908.

The Argonaut's Stand

—Editorial—

Before the sound and fury of the impending struggle between campus political parties becomes so loud as to dominate the scene completely, the Argonaut would like to make its position clear.

The Argonaut, maintaining the policy held all year, will favor no party. At the same time, the right is reserved to make just comments and criticisms upon the actions of any party or any candidate, should such comments be deemed necessary by the editor. The Argonaut will "push" no candidate, will oppose no candidate—on the grounds of party affiliation.

Published in next Tuesday's Argonaut will be statements from all nominees, together with a list of individual achievements. All candidates are requested to submit both platforms and activity lists to Avon Wilson, day editor of the Argonaut, not later than 7 p.m. Sunday. Notation will be made of candidates failing to turn in the requested information. Platforms must be limited to 50 words.

Two Factions Toss Hatful Of Names in ASUI Election Rings; Third Uses Petition

Politics moved into the front of student affairs Wednesday, as candidates for two parties—Campus and Independent—were nominated from the floor of the student body nominating assembly. Formation of an Independent faction, a "third party," came as a surprise to both Campus and United Student leaders.

Candidates of the United Students group have until tonight to file their petition and certificates of willingness to run with Bert Larson, student body president. They preferred not to nominate at the assembly, taking advantage of the "petition clause" in the constitution. Carl Burt was nominated, at the assembly, to run "unattached" for an executive board post.

Nominated to run for the presidency of the ASUI by the Campus party was Ross Haworth, Junior Week chairman. Named as nominees for executive board positions were Don Benedict, Robert Breckenridge, Kenneth Fitzgerald, Bob Jensen, Blaine Liljenquist, Lysle Schwendiman, Donna Mae Stouffer, Helen Turinsky, and Billie Hilliard.

Independent party candidates nominated were—for president, Earl Ritzheimer; for executive board positions, Tony Knap, Hubert Link, Helen Jewell, George Bennett, Ward Collings, Rolly Shumway, Irene Brevick, and Tex Harrell, a ninth executive board candidate not being named.

It appeared last night that at least three Independent nominees, Link, Shumway, and Miss Brevick, had withdrawn from the ticket. Another, Miss Jewell, probably will not be in school next year. Candidates named expressed complete surprise at being nominated under the Independent banner. Ritzheimer declared his intention to run, as did Tex Harrell and Tony Knap. How Collings and Bennett stand is not known.

While no United Students list of candidates was officially out today, an indication of the ticket to be filed before tonight looked like this: For president, John Banks; for executive board positions, Paul Ennis, Bill Kramer, Ardis Simpson, Max Kenworthy, John Barker, time in special study of marine mammals, Dave Pace, Mark not able to also obtain an alternate Robinson, and a yet unselected appointment this year, but we man, probably Mark Sullivan or were very fortunate to have both Clara Young.

Sigma Xi Initiates Five Men; Addressed by Cherrington

Pep Band Takes Show To Northwest Rotary Convention in Spokane

The Pep Band will perform at a luncheon, give a radio broadcast about dinner time, and present the informal part of the Pep band show for the Northwestern Rotary club convention Monday in Spokane. This performance will include the entire cast of the Pep band show, accompanied by Robert Lyon, acting as faculty adviser.

The new leader of the Pep band and new business manager will be elected May 6. After May 6 there will be no further engagements. Graduation this year will leave five vacancies—two in the clarinet section, one in the trombone section, and two in the saxophone section.

FORMER MINES PROF. ACCEPTS POSITION

Ernest W. Ellis has left California for the Philippine Islands to become consulting engineer for a mining company there under a three-year contract. He received a B.S. degree in mining engineering in 1908.

Intercollege Acts Were Successful, Says Music Head

Vandaleers Sing Sacred Songs Under Cathedral Window Setting; Enjoyed Excellent Concert Season

Two prizes of the music department this week pleased Prof. Archie Jones.

"I can't be too enthusiastic," said Mr. Jones, "on the success of the intercollege music revue held Tuesday. In my opinion, it was of particular success educationally, because it put people on the stage who had never taken part in musical programs before, and because it brought a new audience to musical programs."

"I hope that we shall be able to perpetuate it. The deans of the colleges, the chairmen of committees, and the committees co-operated fully."

Window Is Surprise—Surprise feature of the annual Vandaleer concert last night was the atmosphere created for the group of sacred songs by the use of a huge lighted cathedral window.

This concert was the group's first formal program since the candle light service before the Christmas holidays.

The Vandaleers' season of concerts has included an appearance in Portland, at the Northwest Music Educators conference; radio broadcasts from Spokane and Portland; programs for the Spokane chamber of commerce and several high schools; a joint program with the Pep Band in Lewiston; a number of programs for schools, churches, and organizations in Moscow; and frequent campus appearances at assemblies and banquets.

Follows Howsowetz—His first year O'Neill will be stationed at either Washington, D.C. of the Marine Corps basic school in Philadelphia. Russell Howsowetz and George Rich, who received appointments last year, were both stationed at the school in Philadelphia.

"O'Neill is enthusiastic about the appointment," said Colonel Fletcher. "He has been spending some time in special study of marine mammals, Dave Pace, Mark not able to also obtain an alternate Robinson, and a yet unselected appointment this year, but we man, probably Mark Sullivan or were very fortunate to have both Clara Young."

Graduates Receive Nine Fellowships

Students Go To Columbia, Illinois, Oregon, Chicago, N. Carolina

Nine fellowships have been granted to Idaho students—graduates or scheduled to be graduates in June. In the chemistry department is Ivan Taylor, awarded a fellowship at Columbia university for the second consecutive year; Otto Turinsky, part time teaching assistantship at the University of Illinois where he expects to continue work toward a Ph.D. degree; John Torgesen, receives his M.S. degree here this June and a teaching assistantship at Columbia university.

In the art and architecture department, Donald Joyce received a Carnegie Corporation fellowship at the University of Oregon for this summer; Elbert Long, instructor in botany, assistant professorship at the University of Chicago where he will complete his requirements for a doctorate; music, Kathryn Kennard, fellowship at North Carolina university, Fleming to Ohio.

Home economics, June Fleming, graduate assistantship at Ohio university; zoology, Russell Tigert, who receives his B.S. in pre-meds this June, fellowship in the department of zoology here; philosophy, William Bronson, who received his B.A. degree in 1930, fellowship in the department of philosophy here.

Press Club Members Start Drive For Ticket Sale For Publications Ball

Need Guarantee by Next Tuesday to Assure Appearance Of Williams at Annual Dance

Press club members are making a concerted drive to reach the guarantee quota to be met Tuesday, May 4, to assure engagement of Griff Williams and his band for the Publications ball in Memorial gymnasium Tuesday, May 11, the night before Campus day.

According to Eddie Mayer, president, the club plans to borrow whatever sum necessary as a last resort, should ticket sales not furnish enough to cover the payment to be made Tuesday.

Jack McKinney, ticket chairman, was optimistic today, announcing that sales were gaining momentum rapidly. Although the majority of students are planning to attend the dance, many have

Little International Parade, Night Show Set for Saturday

Dean Iddings

His students will present the largest campus agricultural event of the year tomorrow in the National Guard armory. Each "Little International" sees some of his "old grads" come back for another look at the campus and the university farm.

May Queen Crowned At Mother's Day Celebrations

Spurs' Maypole Dance is One of Highlights; Honoraries Will Tap On Traditional Day

The crowning of Jane Baker as queen of Idaho's May day celebration will be the high light of a weekend of activities in honor of visiting mothers on the campus, May 6, 7, 8.

The queen, her attendant, Blythe Blackman, and her page, Carol Jean Davis, will be honored at the May fete Saturday afternoon. The afternoon program will be completed by the pledging of several campus honoraries, and a maypole dance by the Spurs. An informal mothers' tea will be held at Hays hall following the festivities.

On Friday night "Taps and Terpschorie," annual dance program presented by the women's physical education department, will be put on under the direction of Miss Janette Wirt.

No programs are arranged for Sunday morning. Visiting mothers will devote that time to looking over the campus. A musical program Sunday afternoon will bring the festivities to a close. Agda Walden, Sigma Alpha Iota president, has charge of the entertainment.

CORRECTION

Tuesday's Argonaut announced Campus Day as Wednesday, May 3. Correct date should have been Wednesday, May 12, the day following the Publications ball.

Journalists To Take Spokane Field Trip

Students Urged to Register Now; Group Will Visit Inland Empire Paper Works

A field trip crammed with activity and interest will be taken by journalism students Thursday, May 6, according to Elmer F. Beth, assistant professor of journalism. About 25 students will make the trip to Spokane in the university motor coach.

"Students who plan to go must register their names with me before Monday, May 3," declares Professor Beth. "Because the capacity of the bus is limited, those who register early will be more certain of being included in the group. The fee is \$2.50, and it shall rebate money collected if it exceeds the cost of transportation."

To Visit Mill—Several hours will be spent in the mill of the Inland Empire Paper company at Millwood, Wash. Students will study the process of making paper, from the time spruce logs are hoisted from the water to the time finished rolls of paper are packed into railroad cars.

Lithography in full color will be seen in the plant of the Spokane Lithographing company. Artisans there use the direct method of transferring an image to the printing plate. On a recent trip to Spokane, Idaho journalists studied the photographic method of transfer. "To most observers, lithography is almost a miracle," says Professor Beth. "Even after they've seen it, they don't believe it."

The Spokesman-Review-Chronicle building and the Spokane American Engraving company plant will both be visited.

Floater Will Form at 1:30; Iddings To Speak Later

Led by a six-horse team, the annual parade of the little international livestock show, held this week at the National Guard armory, will form at the Great Northern depot at 1:30 p.m. Saturday as the college of agriculture's big show gets under way.

Floater representing each department in the Ag school will roll down Main street, turn left at Sixth, follow the usual route past the Blue Bucket Inn, Delta Chi house, Forney and Hays halls, around the loop in front of the Ad building, the dairy building, and wind up at the National Guard armory.

The parade will feature beef and dairy animals, horses, and the different phases of agriculture. Departments entering floats are: agricultural economics, agricultural chemistry, animal husbandry, dairy husbandry, agronomy, horticulture, plant pathology, poultry, bacteriology, agricultural engineering, and agricultural education. The floats will be judged by Dean J. A. Kostalek and Dr. Erwin Graue.

"Greased Pig" Contest—Humor will be mixed with business; and there will be several comic numbers in the parade, as well as the "greased pig" contest which will conclude the show. A gold medal will be awarded the captor of the greased pig.

An introduction by Dean E. J. Iddings of the college of agriculture at 7:30 p.m. will open the evening program in the armory. Various students will show sheep, beef cattle, hogs, dairy cattle, and horses. The annual milking contest will feature fastest milkers on the campus. A cup will be awarded the winner.

The winners in each of their respective divisions will compete for highest all-around showmanship, and the big cup will go to the winner. Judging of contest winners will also be announced. Music and dancing will conclude the program. Officials from Boise are expected to attend the convention as well as many of the state's prominent stock men.

Dean Crawford Resigns

The resignation of Dean Ivan Crawford of the college of engineering, to become dean of the University of Kansas engineering college, brings with it a definite loss to the students, the university, and the state alike. During the decade he has been at Idaho he has become inextricably associated with the tradition of the campus as an able administrator, a helpful friend of students, and a sincere advocate of the university's welfare.

Dean Crawford has built his college up to excellent standing. Under his able administration many improvements have been made in its activities. His graduates and other prominent engineers throughout the state seek and value his advice and help.

Always working for the success of the university, the man who embodies many a co-ed's ideal of distinguished appearance has made many friends for his school throughout the northwest.

As president of the American Society of Civil Engineers, Spokane section, as state engineer for the federal engineering administration of public works, and as one of 19 directors of the American Society of Civil Engineers, which has 15,000 professionally accomplished members, he has brought glory to Idaho through his personal achievements and professional honors.

Students, faculty, townspeople, and residents of the state alike will mingle their best wishes for his success at Kansas with their regret at his departure.—R.H.

The Movie-go-Round

Kenworthy
Friday and Saturday
"Mama Steps Out" and "Career Woman"—a double feature. "Mama Steps Out" brings Guy Kibbee and Alice Brady teamed in an uproarious comedy-farce of the typical businesswoman's wife who goes after "culture with a vengeance. It is a satire on foreign travel. In "Career Woman" are Claire Trevor and Michael Whalen. A girl, a court trial, action and drama mark the life of a man in this stirring picture. We say "fair" for the double feature.
Sunday and Monday
"Call It a Day"—showing Olivia de Havilland

Spy Glass

A quiz paper of Linton Lang's marked "100", pinned on the Ad bulletin board... Margaret Alison walking the rails toward our rival colliery Pullman... The Pi Phis leaving the town by the busload... Jerry Wright striking his sit-down when his chair mysteriously misplaced itself at dinner. What version of the popular strike will we have next? ... John P. Decker telling stories that make the girls blush. Johnny, puleze! ... Mary Elizabeth Young still knitting at assemblies. "Behind the scenes" Kellogg, telling about what he saw through an open dressing-room door. "Buck" MacGregor waving at her estranged lover Meese... Mickey Gridley wishing she knew who writes Spylglass. You don't contemplate bodily harm, do you, Mickey? ... Jean Denning blushing after she said "Thank you, dear", and then discovered it wasn't Rogers after all... Rolly Shumway causing extra disciplinary drill for company K... Jean Pence begging Bob Abbot for a knife with which to indulge in a snappy game of mumbledypeg... Floyd Wallis showing evidences of a severe case of love darts... Bill Jorgeson and Louis Mann sitting at a Bucket table, so excited about their Phi Beta keys they forgot to order... Loraine Hulett dating half of Sweet hall for the D.T.C. dance. Know anything about it, Belko? ... John Elder receiving the derision of a house with his whistle... Jane Harvey and Bernard Frizzie seen together at a lively game of table tennis during Taps and Terps rehearsals.

We Hear That:
Helen Jewell says Paul George had to drag her out of the bath tub to get her to the junior assembly on time... Turrentine finally managed to attract Helen Luke's attention, but he had to break a lot of glassware to do it... James Clack got a black eye on the bed post again; good story, Jim... George Bishop holds no superstitions regarding the opening of umbrellas indoors... Johnny Andrews held his birthday party with the Cactus Kid over KWSC. Sullivan caught up on her beauty sleep at the political meeting... Bob Wycoff spent an interesting weekend in in Lewiston—the flowers are blooming early down thar... Dr. Atkinson is requiring her composition class to get material for dialogue themes by using Winchell "keyhole" tactics.
Pence and Hiaring in the alley!

and Ian Hunter. This picture records, with almost tender understanding, all about the collected father who is tempted by an actress. Frieda Inescort is the reversed mother whom Roland Young loves, and Olivia de Havilland, the daughter. All is straightened by amazing circumstance problems of an English family struck silly by the first spring day. The result is positively brilliant. Ian Hunter is the very human middle-aged. We say "pretty good".
Nuart
Friday and Saturday
"Maytime"—with Jeanette MacDonald and Nelson Eddy. We believe this to be one of the finest shows of its kind. The splendid singing of this charming couple indeed is well worth seeing. Also John Barrymore makes a fine comeback. We say "very good".
Sunday, Monday and Tuesday
"Quality Street"—starring Katharine Hepburn and Franchot Tone. Miss Hepburn plays an English girl who lives in a suburban community in the early nineteenth century, who becomes heart-broken when the man she loves volunteers to help England defeat Napoleon.
Ten years later when he returns he finds that the girl of his affections has practically given up hope and has become a circuspet school teacher. His return galvanizes her into a campaign to dazzle him with her old allure by posing as her own niece. Wistfulness and comedy mingle in the course of her efforts, which build to high dramatic suspense. We say "good".

Pneumonia Kills Deer After Hard Winter Near Priest Lake

An autopsy performed today by Dr. E. M. Gildow, associate professor of veterinary science, on two white tail yearling bucks from Vavanah bay on Priest lake revealed that pneumonia as a result of low vitality was the cause of death. "The deer were undernourished as a result of the long winter and deep snows in the Priest lake region which covered up their source of food," said Doctor Gildow. Bodies of 29 deer were found scattered over a small area near Cavanah bay, and Idaho state game department officials have been making an investigation.

Largest Class In History Graduates This June; Willis Sweet Dedicated

Applications Reach 478; 58 More Than Last Year; Doctor Bevan Speaker

Largest class ever to graduate from the university will receive sheepskins Monday, June 14, according to applications filed for bachelor and advanced degrees.

To date, 478 applications have been made, 58 more than received degrees last year and more than the total number winning degrees in the first 15 years of the university's history. Of the 478 applications, 80 are for advanced degrees. Honor students will be announced at graduation.

The speaker for commencement will be Dr. William Bevan, president of the Colgate-Rochester Divinity school, Rochester, N. Y. Mr. William Boddy, pastor of the Westminster church, Minneapolis, will deliver the baccalaureate address Sunday, June 13.

Saturday, June 12, alumni day, officials will dedicate the university's Willis Sweet hall, new men's dormitory, and the new infirmary.

The candidates for degrees:
College of Agriculture
B.S. Agr.—Lynn A. Aitken, Roberts; Charles E. Brown, Belmont; Wilson W. Bundy, Culesac; Richard D. Burr, Lakewood, Ohio; Wilbur F. Calmon, Meridian; John E. Ellerson, Boise; Arval L. Erickson, Rexburg; Jessie R. Evans, Weiser; Robert E. Gardner, Gooding; Charles L. Hall, Lewiston; Dwight L. Henley, Aberdeen; Emilliano G. Hipol, Bauang La

Union, P.I.; Gilbert P. Hogaboam, Culesac; Harvey C. Hollinger, Moscow; Don P. Howe, Bonners Ferry; Leslie G. Jackson, Moscow; Ralph W. Jackson, Rupert; Kenneth E. Johnson, Onida, S. D.; James A. Kayes, Council; Ray W. Lincoln, Filer; Garter Van Luther, Gooding.
Don R. Lyle, Lewiston; James A. Mavy, Caldwell; Robert C. Miller, Moscow; Don Mortimer, Rexburg; Marlin L. Murdock, Blackfoot; Harold L. Parkinson, Jerome; Park H. Penwell, Moscow; Aaron F. Rasmussen, Rexburg; Wilbur Schroeder, Moscow; Alvin Schwendiman, Newdale; Howard E. Scott, Meridian.
Clifford A. Sneath, Lapwai; Hugh Sproat Jr., Boise; Rodney R. Tegan, Filer; De Vere Tovey, Malad; Dudley G. Tucker, Parma; Robert C. Tucker, Emmett; Kenneth Wade, Lewiston; Norval J. Wardie, Rockland; Bert L. Willmore, Rexburg; Jack Ellison Woods, Emmett.
College of Engineering
B.S. (C.E.)—Ivan C. Crawford, Jr., Moscow; Linne F. Erickson, Pocatello; Floyd K. Goodell, Salmon; Realto E. Kimes, Twin Falls; Keith K. McDaniel, Moscow; Judson W. Wark, Boise.
B.S. (E.E.)—William D. Arms, Wallace; Faustina C. Bacabac, Ajuy, Iloilo, P.I.; Maurice E. Byrne, Lewiston; William T. Connolly, Harrison; Walter G. Edelblute, Rathdrum; Charles L. Garrison, Nyssa, Ore.; James O. C. Guy Jr., Sandpoint; Donald Mackay, Wallace; Lorin MacGregor, Thatchter; Preston R. Mortimer, Rexburg; Horace Myrl Stearns, Calder.

College of Law
B.L.—Lionel T. Campbell, Boise; Thomas H. Felton, Lewiston; Ward C. Howard, Moscow; Karl Jeppesen, Darlington; William L. Parr, Olympia, Wash.; Charles C. Shaw, Pocatello; Clayton V. Spear, Clarkia; William B. Wetherall, St. Maries.
College of Letters and Science
B.A.—Oren G. Allison, Filer; Grant L. Ambrose, Mackay; Martha J. Baker, Robert H. Baker, Rupert; Eugene E. Bechard, Bonners Ferry; Catherine J. Bjornstad, Spokane; John S. Brosnan, Moscow; Early R. Bullock, Lewiston; Frederick W. Campbell, Orofino; Helen E. Coats, Vale; Mary V. Congdon, Boise; Gene L. Conklin, Rathdrum.
Delsa V. Crowley, Idaho Falls; Julie P. Davis, Marion Estelle Delana, Boise; John C. Dwyer, Coeur d'Alene; Ann L. Elliott, Rexburg; Alice I. Fisher, Post Falls; Ruth M. Haller, Twin Falls; Margaret L. Hanrahan, Lewiston; Marie T. Hesby, Deary; Philip C. Hiaring, Nampa; Murva James, Gooding; Arthur E. Johnson, St. Anthony; Rodney P. Johnson, Payette; Florence M. Kribs, Wallace; Kathryn F. Lane, Boise; Embert V. Larson Jr., Twin Falls; William S. Lee, Moscow; Erna Lewis, Burley; Minnie R. McCurry, Boise;

Vandal Trackmen Meet Washington State at 2 p.m. Sat.

Teams Evenly Matched For Only Home Meet This Season

In the only home track meet this season, Coach C. Schlade-man and his W. S. C. track and field team invade MacLean field tomorrow afternoon at 2 o'clock to do battle with Coach Mike Ryan's galaxy of cinder artists. Although the school from across the border has generally been conceded as having an edge on the Idaho athletes, Mike Ryan's runners have earned several hectic victories over them during the last two years. Tomorrow's meet, however, will top them all in thrills as neither team can claim an edge. The Vandal's strength in Saturday's encounter will lie in the javelin, shot, discus, 880-yard run, one-mile run, and the two-mile run, while the Cougars will rely on the sprints, hurdles, 440-yard run, and the broad jump to garner the majority of their points. The high jump, pole vault, and the relay should prove to be the bone of chief contention with neither outfit holding any appreciable edge.

PERTINENT FACTS

Event: Dual track and field meet. Only Idaho home meet. Contestants: Idaho vs. Washington State college. Place: MacLean Field. Time: 2 p.m. Saturday, May 1. Headed by Pacific coast conference Champion Don Johnson, the javelin should be won by the Idaho boys. Johnson and Earl Ritzheimer will hold forth in all three of the weight events, and it is here that the Vandals will pile up a majority of their points. Veteran Stewart Neely, Wesley Lathen, and Walt Kantola will drag down their share of the precious digits in the half mile gallop. The one and two mile runs are the other two Idaho strongholds. Cy Adkins, the leather lunged wonder, is favored to lead the pack to the tape in around 4:20. He will be backed by Rex Fluharty and Don Klingler who are capable of 4:30 miles. Pat Probst is the pre-meet favorite in the two-mile. His cohorts will be Charles Crowther and Freeman Snyder.

LIST OF 1937 GRADUATES

(Continued From Page Two)—Coeur d'Alene; Brooks Landon, Payette; Edgar W. Langleille Jr., Soda Springs; Donald J. Linehan, Genesee; Edward W. Mayer, Kellogg; Joseph J. Adams, Am-

Idaho Vandals Are Victorious, 11 to 9, in First Game at Corvallis Wed.

Mackey's Single In Ninth With Two Out Provides First Victory

Vandal baseball players came out on top against Oregon State college in the first game of their conference road trip Wednesday 11 to 9. The victory, which was not decided until the 10th inning, was their first this season, conference or non-conference. Mackey, pinch-hitting for Idaho in the ninth, proved the hero of the day for the invaders when he singled with two down, scoring Wishart, who had gone to second on a wild pitch by Takami. This tied the score. The Staters failed to cash in on a chance to take the lead in their half of the inning when a man was left on third in a throw around the bases by Idaho, attempting a putout at second base. Kallbak replaced Takami in the tenth for the Orange, but West's double, Kramer's scratch hit and a long fly out by Baldwin scored two runs. Score: R H E Idaho 11 16 8 Oregon State College 9 10 2 Gregory, Hansen and Baldwin; Takami, Kallbak and Soller. The Vandals play the University of Oregon at Eugene today and tomorrow. They will play the Washington Huskies Monday and Tuesday in Seattle.

YESTERDAY'S GAME

Otto Houdek held Vandal batsmen to seven hits and gave Oregon State college its first victory in northern division baseball Thursday. The Orangemen defeated the University of Idaho, 6 to 3. The Staters' big inning was the fifth, when Mason's double and singles by Chatterton, Orell and Houdek brought in three runs. The Vandals went into the ninth trail 6 to 1, but Houdek faltered to walk Summers, and Mackey, and Wishrat singled. Hallberg hit a grounder into a double play and Mackey and Wishart scored on Atkins' single. Idaho 0 0 0 1 0 0 0 0 2—3 7 5 OSC . 1 2 0 0 3 0 0 0 x—6 11 2 Houdek and Orell; Hallberg, Hansen, Broadhead and Baldwin.

Netmen Meet O.S.C. Here Today

By Vic Skiles Methinks it is time to quit thinking up excuses for poor Vandal athletic accomplishments. Idaho loses, a sports writer establishes some logical reason, and there it stands. Rather, there it stood, because we don't have to think them up now—we just look at the rain! Last Saturday Idaho's tennis artists found a break in the weather long enough to lose a match to W.S.C., then they began to think about preparing for a match against Oregon State today. In spite of willing spirit and flesh, the rain gods have forbidden, so the Vandal white duck men go into a dual meet with OSC today as decided underdogs. General opinion is that Idaho will be lucky to win a single point against the efficient Beavers. "Practice is the main thing the men lack," comments Eugene Burns, racquet and net head-man. "Only once this week have they been able to get on the courts. Naturally, those teams who have been playing for some time have a big advantage."

Irvine Ready

Burns intended making some change in the line-up from that of the W.S.C. opponents last Saturday. Vern Irvine, who has been held back by illness, will probably find a place against the Oregon racquet wielders. The varsity only is playing in this meet so there will be five singles and two doubles matches in place of 14 matches that are played when both varsity and freshmen take the courts. According to Burns, the freshmen will probably not play again until next week-end when they go to Pullman for a return match. Although statistics are unavailable, the Orange players come here with a good record for the spring's activities. Idaho players to oppose them will probably be chosen from Scott, Davis, Raudall, Nelson, Parrish, and Irvine. Once again this column reserves a p. s.—The matches will be played today, weather permitting.

Frosh Invade W.S.C. Diamond For Opener

Frosh baseball men are preparing to meet the Cougar yearlings at Pullman tomorrow in the first of a six-game series. Three games will be played in each place. Starting pitcher for the Vandal babes will probably be Merle Stoddard or Mike Brennan. Other pitchers who will probably be used are: Joe Spicuzza, Bob Parks, and Perry Burnsides. Deibert Taylor will fill the catching assignment. On first base will be Russell Mann; at second, John Miller; and at third, Roy Ramey. Claude Woody is the outstanding shortstop. In the outfield, Del David will start at left field, Lou Brown at center field, and Bill Rhodes at right field. Other men who will see action are: Mark Condo and Bob Lund, infield, and Jack Frei and John Vedder, outfield. The remaining games, after tomorrow, in the series with Washington State are as follows: May 8, Moscow; May 15, Pullman; May 22 and 28, Moscow; and May 29, Pullman. Last spring, in a similar six-game series the Idaho and W.S.C. frosh broke even.

Stars as Cy Adkins, Stewart Neely, Fat Probst, Don Johnson, Walt Kantola, and Rex Fluharty, the Vandals can dominate these events.

The pole vault, high jump, and relay are anybody's points. If neither team can cut into the others' strongholds, it is these events that may decide the outcome. HIGH SCHOOL MEET In addition to the Idaho, W. S. C. dual meet, the North Central Idaho high school championships will be held at the same time. All in all, if you like to see the boys go 'round and 'round, you should have a whale of an afternoon. W. S. C. dual meet, the North Central Idaho high school championships will be held at the same time. All in all, if you like to see the boys go 'round and 'round, you should have a whale of an afternoon. With an array of sprinters which includes the Orr brothers, Harry Nettleton, and Bill Benke, the Cougar outfit holds their margin in the dashes. Fresh from a victory in the one-mile relay at the Drake relays, the W. S. C. outfit will rely on these men for the majority of their points. Clyde Wooten will threaten the Vandal dominance in the middle and long distance runs, and Rosewell and Campbell will try to cut in on the Idaho points in the weights. Long and Powell, the Cougar broad jumpers, both hold an edge over Idaho's Addison Beeman.

High Schools to Hold 2nd District Meet Here Tomorrow

Track and field contests between North central Idaho high schools will be held in conjunction with the dual meet here between Idaho and W.S.C. tomorrow afternoon. Schools of the second Idaho division, between Moscow and Grangeville, will enter their survivors of sub-district meets. First, second, and third place winners in tomorrow's contests will be eligible to compete in the North Idaho meet here next Saturday. Winners in next week's competition may enter the state meet at Boise May 15.

Intramural Sports

By Don Bistine Softball Sigma Nu 21, Ridenbaugh 16. Kappa Sigma 14, Ridenbaugh 13. Sigma Chi 22, Chi Alpha Pi 11. TMA 7, Lindley 3. Idaho club 17, Lambda Chi 16. Sigma Nu and Kappa Sigma continued neck and neck in the League II race with two victories apiece. The Sigma Nu outfit out-slugged Ridenbaugh to the tune of 21-16. Playing Tuesday night in the drizzling rain and slippery diamond, neither team was able to control the ball defensively. Better pitching and longer base hits earned the Sigma Nu victory. The Kappa Sigs had more trouble with Ridenbaugh, finally edging out a 14-13 triumph. They will meet Sigma Nu in the deciding game of the league next Wednesday. Sigma Chi Powerful Sigma Chi revealed surprising power with the war club as they blasted the softball to all corners of the lot to bowl over Chi Alpha Pi, 22-11. Idaho club handled the slippery ball better Tuesday evening to eke out a close victory over the Lambda Chis, 17-16. The winning tallies came in the last of the seventh after the Lambda Chis had scored one in their half to break the 15-15 deadlock. In the other game that escaped rain T. M. A. held Lindley hall to three runs behind Bob Jensen's steady twirling while running up seven on their own account. Vandalville-Fiji game was shoved ahead to Sunday at 9 a. m. because of the wet field. Five Game Basis Tonight the schedule starts to operate on a five game basis, pressing five diamonds into service. On Field One by the greenhouse Lindley and the Fijis meet; behind the Idaho club, Delta Chi and Ridenbaugh clash. At Recreation park Sweet hall and Senior hall cross bats; while T. M. A. and Vandalville play on the Frosh diamond. Behind the cavalry barns the champion Delta Taus face Chi Alpha Pi. Five more games are scheduled for Sunday morning at 10 o'clock. Results of last night's games were unavailable although the S. A. E.'s at the fifth inning seemed to have the T.M.A.'s well tamed. The contestants for the L.D.S.—Senior hall game made no

appearance. The third game was scheduled between U club and the Kappa Sigs. During the week-end intramural horseshoes and tennis doubles swing into action per schedules released by Director Percy Clapp this afternoon. Patronize Argonaut advertisers.

Spikes 'n Cinders

By Bill McGowan

A TOSS-UP Tomorrow's big meet with the Cougar runners is just one big headache and question mark as far as the so-called dopsters are concerned. Super-seers have been scanning the crystal ball all week in an effort to come up with some sort of prediction as to the ultimate outcome, but the only announcement at press time was a request for more aspirin. At any rate, it appears certain that the winning team will not hold more than a five point lead. I have seen dozens of pre-meet score sheets, and they all have different scores. However, the consensus seems to be that the final score should be around 66-63, you pick the winner. FOCAL POINTS The W. S. C. runners appear, on the dope sheets, to hold an edge in the sprints, hurdles, broad jump, and the quarter mile. The Orr brothers, Nettleton, Ledford, and others comprise a galaxy of stars that are highly regarded on the Pacific Coast. On the other hand, Idaho has the upper hand in all of the weight events and the half, one and two-mile runs. Headed by such

DAVIDS'

W.A.A. To Entertain High School Girls

Saturday 150 high school girls will come to the Coronation play day. At 9:15 a.m. they will register and be assigned to teams named after King Alfred, Queen Victoria, and other famous kings and queens.

The morning's activities will include badminton, table tennis, shuffle board, horse shoes, box hockey, quoits, darts, and bean bag toss. Major sports will be baseball, basketball, volleyball, and track and field events. These will be followed by community singing and lunch at 12:30 p.m. All women who are hostesses, officials, or are in the management class are invited to come to the luncheon.

Tap Routine Given
After luncheon the program will start at one o'clock. The tumbling class, in charge of Neva Eisinger, will put on part of the routine of Taps and Terps.

After the program the team winning the most points in the morning's activities will be awarded gold felt circle "T" letters.

Following the afternoon program, each hostess will take her group for a tour of the campus.

From 2:30 to 4 o'clock there will be open hours for swimming, badminton, and table tennis.

Kinghorn Is Chairman
The play day is sponsored by the Women's Athletic association, and is under the chairmanship of Twila Kinghorn. Other committee heads are program, Dorothy Lenfest and Isabel Stokesberry; invitation, Gladys Smith; registration, Marion Swanson; reception, Joan Sandford; finance, Ruth Rhodes; lunch, Frances Wakefield; field and sign, Ida Allen; equipment, Pauline Brush; officials, Rita York; check room, Marion Swanson; swimming program, Virginia Dole; and clean up, Lucille Harrison.

Perrine Is Featured In Graduate Recital Monday, 8:15 P.M.

Eugene Perrine, Twin Falls, piano student of Miss Velma Gl'demeister, will be featured in a graduate recital Monday at 8:15 p.m. in the auditorium. Mr. Perrine studied last year at the New England conservatory of music, Boston, Mass. During his junior year here he gave a recital and has appeared as soloist at recitals this year. He will be granted an M. A. degree in June.

Honorary Chooses New Officers

Dorothy Mott was chosen president of Phi Chi Theta, women's business honorary, at the last meeting. Other officers are Kathryn Cleveland, vice president; Mary McKinley, treasurer; Matha Boles, corresponding secretary; and Frances Murtha, recording secretary.

Retiring officers are Betty Obermeyer, Mona O'Connor, Elva Smith, Audrey Robinson, and Vernetta Stokesberry.

The sale of carnations for Mother's day is being handled in each of the women's residences by a representative of Phi Chi Theta, and at each of the men's houses by a member of Alpha Kappa Psi.

Gala Hike Planned By WAA, Monday

May 3 the Women's Athletic association will go on a moonlight hike. They plan to go out five miles to Paradise ridge and cook their supper. W.A.A. is furnishing the food and promises weiners to fry, salad, dessert, and something to drink. Hikers will leave the women's gym at 4:30 p.m. Miss Doris Dray and Miss Margaret Mylne will go also.

Although plans for this hike are to make it more of a gala picnic, it is one of the two organized hikes held each semester for W.A.A. women. In order to receive 50 points for hiking every woman must go on at least one of these organized hikes. Those who cannot go on to go on the next one, Saturday, May 15.

All those women who plan to attend should sign up on the bulletin board in the Administration building, or notify Twila Kinghorn or Miss Dray Friday or Saturday.

Picnics Legal, States Dean of Women

Every spring the old problem, rules and regulations of picnics, appears. Rumor has it, as usual, that picnics are banned and the rumor, as usual, is false. Dean Evelyn Miller has officially stated that there are no regulations on picnics other than the regular permission for girls.

It might be added, in protest, that many of the rumors circulating around the campus are false.

Annual D.T.G. Convention Held; Program Fills Fri. and Sat.

Delegates from W. S. C., Lewiston Normal, and Willamette university are arriving in Moscow today for the sixth annual convention of Daleth Teth Gimel. About 30 delegates are expected.

Registration begins at 4 p.m. today and will be held in the clubrooms of the women's gymnasium. At 6:30 p.m. a buffet supper will be held in the clubrooms, at which a program featuring Golden Robertson and Doris Franson in a whistling duet, and Mary Jane Peterson, Ruth Rhodes, and Golden Robertson in a vocal trio, will be presented.

Dean Miller Initiated
At 8 p.m. Dr. Evelyn Miller, dean of women, will be made an honorary member in a model initiation ceremony.

Saturday's program will include a round table discussion at 10 p.m., a picture in front of Science hall at noon, followed by luncheon at the Blue Bucket. At 2 o'clock an afternoon meeting will be held in the Gamma Phi Beta house.

The evening's program will include a banquet at the Blue Bucket followed by a dance at which Dick Paris and his Paris Knights will furnish the music. Patrons and patronesses will be Dean and Mrs. D. S. Jeffers, Mr. and Mrs. Abe Goff, Mr. and Mrs. J. B. Reed, John Torgensen, and Miss LaRene Richards.

Sunday morning new national officers will be installed.

Zoologist Explains Glandular Function To Phi Betes, Wed.

George F. Simmonds, president of the Montana State university, was guest of honor and speaker at the annual initiation luncheon and dinner of the Idaho Alpha chapter of Phi Beta Kappa Wednesday. The informal luncheon was given for the initiates Wednesday afternoon, and Mr. Simmonds presented a few notes on the Phi Beta Kappa.

Wednesday evening, the local chapter entertained at the annual formal initiation dinner, and included as its guests members of the faculty and student body of the University and of Washington State college. Mr. Simmonds discussed "Glands and Their Relation to Personality."

Initiates of Phi Beta Kappa are: Kent McQueen, and Mary Elizabeth Kostalek, juniors; Delsa Crowley, Jane Baker, William E. Jorgenson, William Lee, L. K. Mann, and Lewis Orland, seniors.

Dr. H. L. Axtell, local president, was in charge of both luncheon and dinner.

OUTING CLUB SPENT SUNDAY AT LAKE

Headed by Ray Stone, the Vandal Outing club spent last Sunday on a trip to Lake Chatelet. Fishing, hiking, and wild-flower collecting were the diversions of the group. Miss Vada Allen of the botany department and adviser of the club, helped collect and identify the flowers.

Lunch and supper were served on the lake shore.

Within two weeks the club is planning a hike to the Moscow Mountain lookout.

Unable to obtain their regular printing stock, southern newspapers published on wallpaper for a time during the Civil war.

Along Fraternity Row

GENTS 40c LADIES 10c

Ran 2 Record-Smashing 440 Yd. Dashes in One Day!

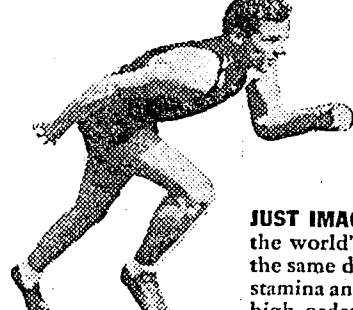

RAY ELLINWOOD, sensational track star of the University of Chicago, clipped 3 second off the world's indoor 440-yard dash record in his first college meet.

HE DUPLICATED the feat 20 minutes later as anchor man on the relay team. Ray's start enables him to jump into the lead at the crack of the gun.

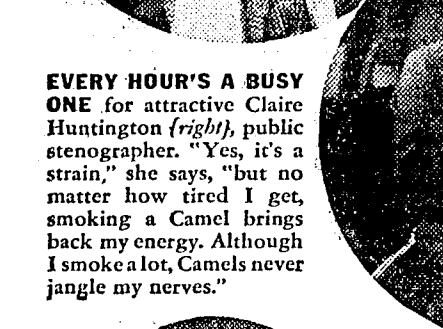

IN THE FIRST FEW STRIDES, Ray unleashes almost explosive power. And keeps driving!

JUST IMAGINE breaking the world's record twice the same day! That takes stamina and endurance of high order.

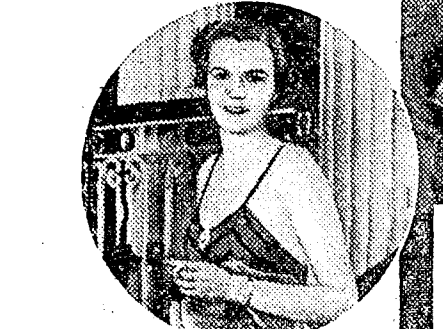

"IT'S EASY to get fatigued at exam-time," says Bob Somerville (left), college senior. "When I'm tired, a Camel gives me a 'lift' in energy, bucks up my spirits, and helps me sail along with pep to spare."

EVERY HOUR'S A BUSY ONE for attractive Claire Huntington (right), public stenographer. "Yes, it's a strain," she says, "but no matter how tired I get, smoking a Camel brings back my energy. Although I smoke a lot, Camels never jangle my nerves."

SURVEYOR William Barrett (left) speaking: "I get in a lot of Camel smoking during the day. When I begin to feel below par, it's me for a Camel and that invigorating 'lift' in energy."

"JACK OAKIE'S COLLEGE"
A gala show with Jack Oakie running the "college"! Hollywood comedians and singing stars! Join Jack Oakie's College. Tuesdays—8:30pm E.S.T. (9:30 pm E.D.S.T.); 7:30 pm C.S.T., 6:30 pm M.S.T., 5:30 pm P.S.T., over WABC-CBS.

MRS. JOHN W. ROCKEFELLER, JR., prominent in New York society, says: "It's wonderful, when you're tired, to get a cheering 'lift' with a Camel."

"Please add me to the athletes who get a 'lift' with a Camel!"—Ray Ellinwood

"I NEVER fully realized just how much 'Geta' 'lift' with a Camel' meant to me until I ran two world record-breaking quarters in one afternoon," Ray continues. "That's the time I put on my supreme effort. Afterwards a Camel helped me pull myself together—helped me change over from being tired to feeling full of pep. And that night I ate heartily and digested my meal as well as ever. This convinced me 100% on the value of enjoying Camels for digestion's sake." In every line of endeavor—active, hard-working men and women light up Camels to renew their vim and energy—to add more enjoyment to mealtimes—and to ease strain and tension.

For Digestion's sake... smoke CAMELS

Costlier Tobaccos — Camels are made from finer, MORE EXPENSIVE TOBACCOS... Turkish and Domestic... than any other popular brand.
