

The Golden Fleece

by JASON

A CHANCE that the coming student body elections will find almost all candidates unopposed on the ticket has been in the air the last few days, causing more than one group of political leaders to scratch their heads in consideration of the campus "peace" plan. The scheme, supposedly veiled in a shroud of secrecy, would see United Student and Independent party caucuses acting jointly to nominate the nine ASUI executive board candidates and student body president. As currently discussed, one group would have five of the executive board nominations, the other to take the remaining four and ASUI presidency.

SAYING THAT THE PLAN met with hearty enthusiasm by party leaders would be far overstretching the truth. However, there are those on both sides of the fence who feel the scheme will be ultimately successful on the Idaho campus.

CLAIMED BY PROMOTERS (who also choose to remain secret) is the truth that better feeling would result between the two local political factions, that election ballyhoo and expense would be considerably reduced, that campus mudslinging, tomato tossing and skulduggery would be eliminated, that a healthy political balance could be maintained.

CLAIMED BY OBJECTORS (who do not choose to suffer in secrecy) is the obvious fact that ASUI elections would evolve to nothing more than an application of the rubber stamp, that student voters would have to trust entirely to the candidate-picking ability of the party bigwigs, that interest in competition for student government positions would lag.

PROBABLE TRUTH would find each party firmly convinced that it could garner a larger share of the elective offices through maintaining a campaign "on its own;" that there could be no peaceful settlement to the question "Who will get the president's job?"—obviously the most important of the lot.

Prize Money Lures Student Pens In Bennett Contest

Thirty-five dollars in prize money will be given to the two students of American government who finish "in the money" in the annual Philo Sherman Bennett contest, according to an announcement issued from the political science department on author of the best paper on one of four subjects announced by the department, and \$15 will go to the second best one. Vic Skiles pocketed first money last year, while Arnold Miller annexed the \$15. The previous year Jack McKinney and Clifford Dobler finished in that order.

BUCKET IS DELAYED

Because of a delay in copy production, the Blue Bucket will not be published today as was originally planned. It will, however, be ready for distribution Friday, April 29.

"Little International" Will Climax Year's Ag Work; Poulson Chairman

Ag students at the University of Idaho will reach the climax of a successful year's work May 21 by presenting the 15th annual "Little International." Committee men have been chosen and work will start immediately. The "Little International" is a miniature livestock show patterned after the world-famous shows held at Chicago and Portland. For years, representatives of the breeders' associations have rated Idaho's "Little International" superior to any in the Pacific Northwest. This year's show is under the management of Arnold "Swede" Poulson, general chairman, assisted by Carl Sierk, committee chairman taking care of the various phases of the show; clerk, Paul Poulson; publicity, Melvin Hollinger,

Women Pursue Prey In "Spring Dance"

"As the quarry grows more wary, so much cuter and astuter grow the weapons which we carry." With this little epigrammatic resolution, five college coeds in the forthcoming "Spring Dance," arm themselves and resolutely pursue their prey.

On the evenings of April 29 and 30, university students and the public will have an opportunity to view "Spring Dance," a modern three-act comedy by Philip Barry, one of the more popular contemporary playwrights.

Philip Barry, writer of other famous hits such as "Holiday," "Paris Bound," "You and I," and "The Youngest," was a pupil of the brilliant Prof. George P. Baker of Harvard university. Professor Baker conducts a class in play writing and has turned out a number of successful playwrights from his well-known "47 Workshop."

Members of the cast now working intensively under the direction of Miss Jean Collette are Margaret Marcus, Al Schlerman, Marian Willsey, Bob Harris, Keith Warner, Bruce Gordon, Denton Darrow, Lois Pearce, Marjorie Lester, Carol Jean Davis, Mildred Ryan, Lois Clark, and Sam Thatcher.

Set and stage decorations will be under the supervision of John F. Sollers, with the assistance of Melvin Westerdahl, Dean Green, Naomi Hillman, Jeanette Clifford, and Ruth Bennett.

Engineers Buck Deep Snow To Trail, B. C.

"If at first you don't succeed, try, try again!"

And on the second trial, the 12 senior chemical engineers and Prof. Alonzo W. Martin, on their way to Trail, B. C., for a field trip, managed to get across the Canadian border.

But it wasn't trouble with the authorities that caused the chem engineers all their difficulty. It was the deep snows still piled up on the roads. The finally got across the border at Northport and proceeded to Trail, where they spent a day and a half going through the plant of the Consolidated Mining and Smelting company. They watched the processing of various types of ores, and inspected the plant construction and set-up.

Next they traveled to Chewelah, Wash., and viewed the magnetite plant and quarry. Then to Spokane, and a tour of the gas plant and the flour mills. And, at last, back to Moscow in time to start school again after the spring vacation.

I.K. Convention To Begin Thursday Morning

What promises to be the largest Intercollegiate Knight national convention will convene here next Thursday morning, according to Dave Pace, duke of the local Ball and Chain chapter of the Intercollegiate Knights. Although a definite count on the delegates has not been made, Pace estimated that there would be about 75 I. K.s. wandering about the Idaho campus for three days beginning Thursday.

Plans for meeting the boys on their arrival here are being made. Group houses on the campus are being used to house the boys. Each group of delegates will be portioned out to the various houses immediately upon their arrival here in Moscow. Those delegates arriving in Moscow on the Wednesday night are urged to see Bill Knight and Dave Pace so that places can be arranged for their stay while here at the university.

A temporary program for the convention will include events both here and at Pullman. Bob Lee, duke of the Cougar Guard chapter of the Knights, is working along with the local chapter in perfecting this co-host convention. Bill Tomlinson chairman for the first day's activities, is finishing up plans for the Thursday events. Included on the day's activities will be registration, meetings in the afternoon, group house dinners, and dancing at the various sorority houses on the Idaho campus.

Friday's activities will include general and committee meetings, group pictures, a business luncheon, meetings in Pullman, group dinners, and a dance at Pullman sponsored by the Cougar chapter, according to Bernard Frizzle, who has charge of the Friday activities.

Events Saturday will climax the convention. A special dinner at the Bucket as well as a special I. K. dance, and elections of new officers will climax the affair, according to John O'Neill, chairman of the final day's program.

The local Spur chapter will cooperate with the Idaho Knights in helping to make this the biggest convention, Pace said.

A. D. Foster Slated To Replace Capt. Charles Hart

Maj. A. D. Foster, infantry, Sacramento, Calif., will replace Capt. Charles F. Hart, Jr., who has just finished his fourth year in the University of Idaho military department and has been transferred to Chilkoot, Alaska.

Captain Hart intends to leave Moscow August 1, and after a pleasure trip through California, will depart by boat from Seattle October 1. Exact date of Major Foster's arrival is not known, but he will probably arrive in early September, according to Lieut. Col. Floyd Hatfield, Idaho military department head.

Anyone interested in becoming tennis manager see Dr. E. R. Martell at Morrill hall, room 411. Any student is eligible.

Sophomore Baseball Twirler

ANOTHER PROMISING SOPHOMORE pitcher on the University of Idaho baseball team is Mike Brennan, Spokane. Coach Forrest Twogood pins much hope on Brennan this season. Brennan and Merle Stoddard divided pitching honors on the freshman team last year.

Blue Key Taps Nine At Junior Assembly

Nine junior men—tabbed as outstanding actively, scholastically, and personally—were officially pledged to Blue Key, upperclassmen's service honorary as a special intermission feature of the Junior week assembly last night.

Pledged were George Chrape, Ray Givens, Harold Roise, Gerald Ridgeway, Earl Gregory, Chuck Crowther, Bill Boyd, Gene Herron, and Ed Dakin.

Name of each man was voiced by Jack McKinney, president of the organization, as the active members of Blue Key, on the auditorium stage, pinned a new ribbon on each lapel in turn. Actual pledging was preceded by the announcement that Blue Key, in cooperation with the music department, will sponsor a student talent assembly in the auditorium May 26. No admission charge will be made.

Late Hours Granted

This musical finale of the school year—listing the campus' outstanding talent—will be featured by introduction of a new student body president, yell king, and Pep band leader—who will have been elected by that time. For the assembly, Dr. Evelyn Miller has granted 7:30 permission to freshmen women.

Tabulation of last night's Blue Key pledges with their major activities follows:

George Chrape—Tau Kappa Epsilon, Major "I" club, junior class president, interfraternity council, publications.

Ray Givens—Sigma Chi, circulation and business manager of the Idaho Blue Bucket, interfraternity council secretary, Junior prom chairman, honors, Press club.

Harold Roise—Sigma Nu, Scabbard and Blade, Major "I" club, interfraternity council, freshman class president, high honors.

Gerald Ridgeway—Phi Gamma Delta, Pep band, junior class

Valuable College Music Set Given to Idaho

Carnegie Corporation Presents University with Electric Phonograph, Record Set, and Library

A college music set consisting of an electric phonograph, record set, and library valued at approximately \$3,500 has been allocated to the University of Idaho by the Carnegie corporation of New York, Pres. Harrison C. Dale was notified this week.

Idaho thereby becomes one of the first land grant universities in the country to be so aided by this great philanthropic organization. A year ago, the Carnegie trustees gave the university a similar set for teaching art appreciation which is valued at \$6,000.

Emphasis On Culture

The music set, like the one for art, is intended for the use of students interested culturally rather than professionally in music and for the university as a whole, rather than for any one of its departments. Announcement of the grant concluded more than two years of negotiations on the part of Prof. Archie N. Jones, head of Idaho's music department.

"We are deeply appreciative," Professor Jones said, "and gratified that the corporation considered us as deserving as we were eager. The gift will provide us with equipment which we have been unable to purchase for a comprehensive music program for all Idaho students, not alone those in our department."

The set will be delivered in September following assembly in Chicago. It will include the following major items: a \$750 electric phonograph with a separate loudspeaker unit; 945 records, which is more than the number now owned by the university; 81 record albums; a bookcase for the albums; a walnut record cabinet; 151 bound orchestral scores; 130 books on music; and a card catalog system.

According to plans Professor Jones submitted to trustees of the Carnegie corporation, the university will set aside a listening room in charge of an assistant in the music department. The new library of records and books will be available to all students. This program will be supplemented with courses and seminars in music appreciation and orientation for non-music majors.

"It is a part of the fundamental philosophy of our music faculty that the department exists primarily to serve the entire university and only secondarily as a professional school."

Golf Course To Open Within Week Says University Pro

Frank L. James, university golf pro, stated today that the golf course will open for permanent use within a week. According to Mr. James, it is late enough in the spring for the course to be in use even if the weather does not favor.

Fairways are in good condition and ready for use. The caretakers are now working on the greens, treating the grass which has become affected with a disease called "snow mold."

Mr. James advises the students to use care in the use of the fairways until the low spots dry out.

Columbia To Broadcast Junior Formal; Saturday "Blow" Features Intermission Shows

Better get your tickets before 5 o'clock this afternoon if you plan to go to this gala Columbia broadcasted Junior formal, advises Gordon Radford, general chairman for the Junior week. Tickets may be obtained at the Student Union building until 5 o'clock tonight. The dance is scheduled to begin promptly at 9 p.m.

Alpha Chi, Idaho Club Win Parade Awards

Alpha Chi Omega and the Idaho club were awarded first place loving cups at the annual Junior assembly for their winning float in the parade held yesterday afternoon. These represented first in men's and women's groups, respectively, according to Leonard Arrington, chairman of the annual parade.

About thirty floats were entered by group houses on the campus. Judges awarded honorable mention to Kappa Alpha Theta and Phi Gamma Delta for their contributions in the junior parade. Judges for the floats viewed the respective entries from a stand on the FJI corner. Judges were Gordon Radford, Dr. Erwin Graue, Dean T. S. Kerr, Captain Lewis S. Norman, and Edith Ballins.

The informal assembly, under the direction of Herb Sanderson, featured Snow White, alias Joanne Enger, and the seven dwarfs; namely, Dean Green, Stenko Pavkiv, Steve Belko, Dick Truskowski, Walt Musial, Mike Sullivan, and Ray Peters. Prince Charming's role was played by "Speed" Gray.

Special music selections were played by the Girls' orchestra. Bet Wood's orchestra, Alpha Phi trio, in addition to several specialty numbers.

Minor T Sweaters Awarded To Ten Marksmen

Ten University of Idaho marksmen have been granted awards for their participation in collegiate rifle matches for the past season. Don Burnett, Wallace, leads the riflemen with an average score of 385.1.

Four men won their sweaters for the first time, the remaining six receiving star insignia awards for their part in the competition. Men named to win the awards and their average scores were: John Elder, Coeur d'Alene, 378.3; Otto Nelson, Moscow, 373.8; John McVey, Jerome, 362.5; Clarence Kassens, Sandpoint, 361.4; William Alcorn, Hollywood, Calif., 359.5; Joseph Couch, Jr., Boise, 359.5; Bob Abbey, Boise, 356.4; and Earl Regan, Mohler, 355.

Colonel Hatfield To Recommend Charter for Pershing Rifles

Following a rigid but short inspection, Lt. Col. Floyd Hatfield yesterday told members of the proposed company of Pershing Rifles that they measured up to the standards set at the beginning of its organization several weeks ago. He will recommend a charter on that basis.

"I will be glad to recommend a charter," stated Colonel Hatfield. "Your company has shown sufficient improvement over the regular cadet companies, but several minor defects must be ironed out. With the short time allotted to develop a good drill unit, the cooperation is obvious, and I am sure the company at Idaho will be a good one."

The unit will likely become

Word received from radio station KFPY in Spokane says the Junior prom will be broadcasted between 10:15 and 10:45 o'clock tonight. This program will be broadcasted over the Columbia Broadcasting system. Bill McCord, KFPY radio operator, will have charge of the broadcast.

Intermission Numbers
If you remember as far back as the Pep band show, Radford said, perhaps you will remember some of the numbers written by members of the Idaho student body. Those selections will be featured as part of the intermission program for the prom. Specially arranged, these will be played by Bert Wood's 11-piece orchestra. A quartet including Barbara White, Joanne Enger, Edith Weisgerber, and Bob Bollinger, will perform during the intermission period at the prom. Ray Givens, chairman of the prom committee, explained that the decorations would be plain as compared with those planned for the cabaret. The Collegiate decorators of Pullman will take charge of the decoration for the formal affair this evening.

Cabaret Is Climax
Tomorrow night the final event of the 1938 Junior week will take place when the cabaret gets in swing at the Student Union building. This climactic event will be the final "blow" of the juniors, according to Radford. Special entertainment of dancing girls; novelty acts; trios, and quartets will take the highlight during the night's activities.

"We won't tell you what the entertainment will be," said Dick Darnell, co-chairman for the cabaret, "you will have to come and see for yourselves. It's going to be good."

KFPY radio connections will probably be used for the cabaret events, too, according to Radford.

Plans now complete call for Bert Wood's 11-piece orchestra playing the dance music for the evening. Tables for the occasion will be scattered throughout the old Bucket hall and through the lower part of the Bucket. No reservations for the affair are being made. First there is first served, according to Darnell.

Decorations Unique
"Decorations for the events are to be unique," added Ross Parsons, the other chairman. "These are being worked up on the 'Silly Symphony' idea. So don't be surprised if you are able to see Mickey Mice, Ducks and dwarfs all directions; it won't be entirely your own fault."

Tickets for the cabaret will be

(Continued On Page 2)

Pershing Rifles, sixth regiment, Co. C-6. Headquarters company at the University of California, Berkeley, supervises seven regiments, and 26 companies including Idaho's company.

Pershing Rifles company will drill as a separate unit fourth period, Thursday. To distinguish them from other cadets members they will wear white shirts and white gloves.

Official insignia includes a badge in form of a shield with black enamel field and gold edges with a torch of knowledge superimposed, crossed rifles, initials of P.R. and the scroll of the society. Also included will be a Pershing Rifle cord on the left shoulder.

JOHN L. TAYLOR
HAS SERVED AS AUDITOR OF HARVARD UNIVERSITY FOR MORE THAN 51 YEARS. HIS ACCOUNTS COVER OVER A MILLION DOLLARS A MONTH.

WEST TEXAS TEACHERS HAS THE TALLEST COLLEGE BASKETBALL TEAM THIS YEAR. AVERAGE HEIGHT, 6 FT. 5 IN.

IF ALL OF THE SCHOOL YEAR BOOKS JUDGED BY THE NATIONAL SCHOLASTIC PRESS ASSOCIATION WERE STACKED IN ONE PILE THEY WOULD REACH AS HIGH AS THE EMPIRE STATE BUILDING.

Demos To Educate Student Voters

"Young Democrats" at the university outlined a rigid program of activities for education of potential student voters who may go to the polls next fall, at a meeting last night in student union building.

President Joe Carr, law student, Kallogg, appointed five committees to help in the creation of interest and enthusiasm in the organization and increase its power.

Plan Organization
"There are two things we want most to do," said President Carr. "We want to educate student voters as to how they must take care of their problem of absentee voting when they come back to school next fall, and we want to influence students to go back to their respective homes this summer, work for our party, and get the 'younger' vote out."

The executive committee of the party announced that Gov. Barzilla Clark will be guest at a luncheon to be given by the Young Democrats May 7 at the Student Union building. Democrats of the vicinity are invited. Special invitations will be extended to county Democrats.

Tentative plans are being made to entertain Walter Lockwood, chairman of the National Emergency Relief council, some time in May.

Committees appointed by Carr are: membership drive—John O'Neill, Boise, chairman, Blain Liljenquist, Rigby, and Lorraine Hulett, Moscow; absentee voting instruction—Robert McFadden, Plummer, chairman, and Dick Hassenger, Lewiston, publicly; Russell Betts, Moscow, chairman, Dick Hutchison, Coeur d'Alene; and Fenton Roskelley, Challis; banquet—Walt Olsen, Moscow, chairman, Gerald Dellinger, Jerome, and Phil Borup, Paul; dance and picnic—Wendell Gannon, Buhl, chairman, Aaron Blewett, Culesac; Andrew James, Gooding; and Harold Taylor, Plummer.

Other officers in the organization are: Carl Bronson, Burley, vice president; Les McCarthy, Bonners Ferry, secretary; and Roy Stark, Meridian, treasurer.

Joe Kingsbury; bacteriology, Dwight Macy; ag. economics, Paul Sutton; entomology, John Roice; and ag. chemistry, Henry Seidel.

Many Visitors
Show attracts prominent stockmen from all over the Inland Empire, representatives of breeders' associations, and vocational students from surrounding high schools. In order that more extension men might attend this year, the show is being staged May 21, almost a month later than usual, since the annual State Extension conference is being held here during that week.

County agents, 4-H club agents, and breed specialists will be present at this conference.

The first "Little International"—held in the spring of 1924—was managed by R. E. Geverly, now head of the Carnation Milk farms near Seattle, and was an outgrowth of a practical course in fitting and showing given previous to 1924.

Bill Boyd—Lambda Chi Alpha, president, Phi Mu Alpha, Intercollegiate Knights, Vandaleers, Blue Bucket.

Eugene Herron—Sigma Alpha Epsilon, Alpha Kappa Psi, Phi Eta Sigma, Scabbard and Blade.

Patrons for the prom will be sold at the Bucket until tomorrow afternoon. The deadline for the tickets to the prom will be 5 o'clock this evening.

Seeing The Shows

NUART
Sunday, Monday, Tuesday
"OF HUMAN HEARTS"—starring Walter Huston, supported by Guy Kibbee, James Stewart, and Ann Rutherford. A dramatic story of Civil war days. Huston is cast as an itinerant minister, whose sacrifices make it possible for an ungrateful son to become a famous surgeon. Rating by Consumer's Digest: AA—three, A—seven, B—two, C—none. AA to C represents the span from very good to poor. Worth seeing.

KENWORTHY
Friday and Saturday
(Double feature)
"CASSIDY OF BAR 20"—starring William Boyd in a fast-moving western. Plenty of ridin' shootin', and ropin'.

CAMPUS CALENDAR
Daleth/Teth Gimel members will hold their regular luncheon meeting next Tuesday at noon in the Women's gym.

Because of Taps and Terps practice, the faculty badminton group will play at 4:45 p.m. Friday instead of 4 p.m.

Lost, a book, Warren and Pearson, "World Prices and the Building Industry." Return to Jack Wilcox, 600 University avenue, Reward.

Curtain meets today at 4 p.m. at the Blue Bucket Inn.

TROOPERS POLISH FOR REVIEW

Annual inspection of Troop K, 116th Cavalry, will be held here Saturday and Sunday. Capt. Harry Brenn announced today. Inspecting will probably be Major Hans C. Minuth, accompanied by Adjutant General M. G. McConnell and Col. S. D. Hayes, Boise.

Saturday afternoon at 1 o'clock records, building and equipment will be inspected and troop personnel will be viewed by the officers Sunday morning at 9 o'clock. Inspections usually included outdoor performances. All phases of work and instruction given during the training year provided the bases for the inspection, according to Captain Brenn.

Harvard university has the largest endowment of any college or university in the United States. It amounts to \$122,000,000.

Dates 'n Doo Dads

This is being whipped off between a couple floats (not root beer) and a bunch of Mixer (get it?)—and the Mixer is all "Crystal White and the 7-up." Wow! It's Junior week, so you won't mind not havin' much to read today, will ya?
You probably knew that **Bette Magel** brought a diamond back with her spring vacation.
Hope you didn't get the wrong idea about the "Blue Bucket" float in the parade. It really isn't just Gamma Phis that work on it!

About the Junior serenade! Whoopee! It was really a sensation. **Bela Budge** was a bit of a hindrance to **Hud Nieman** when he played the trombone. **Bud Clark** 'n **Bill Chase** were doing a few gyrations with some articles "la femme"—(I guess that's French for something.)

Carl Burt starts his campaigning early, I guess. He's already been "cooking" some hall gals. **Vida Fowler** 'n **Helen Wallen**.

Bill Afton passed a Beta pin to **Alice Roberts** this week. Another DG claimed a Phi Delt pin: **Margaret Alison** is now wearing **Bill Castagneto's**.

Youse gals have lost your chance with **Bob Rodgers** now. He passed his pin over at W. S. C. this week, we hear.

Wonder why **Billye Jane Austin** is all-time writin' "B. P." all over her notebook?

I gotta hurry to the assembly to see "Prince Charming" "Spec'd" Gray, so adieu!

Audrey Parke is having a heckle of a time in chem lab these days since the little spring bug put the urge into **Milton Blattner**—to heckle, dope. **Milton Blattner** can be quoted: "During the course of our debate trip I fell madly in love with a blonde night club hostess, and it only cost me five bucks. It was easily worth 10 times that amount." We've got plenty on **Leo Hammond**, but all you can have right now is the thrilling information that he got a big kick out of running the manure spreader for the gals in the Junior parade. Manure when **Leo** was a kid!

Hatfield Announces Early Drills To Begin May 2

"The early morning drills," Col. **Floyd Hatfield** states, "will begin on Monday, May 2. Men will drill from 7 to 8 each morning for five days a week from Monday to Friday."

These drills will continue until the spring inspection on May 16. Nine drill periods will be held and because of this extra practice, all drills will be discontinued after the inspection.

RED CROSS COACH HELPS AT FLOOD

Ralph E. Carlson, field representative of American Red Cross, who was scheduled for the Examiner's Training course for senior life saving Tuesday and Wednesday, was called away in the middle of the Tuesday class to leave immediately for St. Maries.

He is now assisting with flood relief in that region. Mr. Carlson's plans for returning are indefinite.

Maya Fraternity Names Gessel To Succeed Knox

Brandt Gessel, was elected president of **Maya** fraternity, architectural honorary, at a recent meeting of the group. He succeeds **Marvin Knox**. Other new officers are **Charles Baylon**, secretary; **Clayton Campbell**, treasurer; and **John Retherford**, sergeant-at-arms.

Spring activities will center around a projected field trip, an architectural exhibit, and a picnic. The field trip is being planned as a five-day excursion to Seattle beginning May 4.

M. Z. Melzian is advisor of the group. Membership is confined to architecture majors.

Letters To the Editor

The letters appearing in this column do not necessarily reflect the policy of the Argonaut, nor the opinion of the editor. The Argonaut invites the opinions of its readers and discussions of student interest, but reserves the right to censor any contribution. All letters must be addressed to the editor and must be signed by the author.—Ed.

The editorial by R. H. of a week ago on providing work for college graduates seems to be to be highly debatable. I realize that provision should be made for exceptional students in government work, but I don't believe the whole problem can be solved in the way stated. The writer of the editorial states that we should provide government positions for the college graduates by taking them from unskilled work, thus opening those positions for people now on relief.

The statement is made that "In Germany they automatically attain security and position." This is true, for Germany arives that if employment has to be created by public works, it is just as well that fewer people have previously been educated and the number of graduates is restricted to positions that can be filled.

It seems to me that by the end of a college education after the state has given the student a free education for sixteen years, he should be better able to care for himself than an unskilled workman.

It is also stated that "this does not mean, of course, employing him to build ship canals and power dams." This is a gentle crack at the public utility program of the government. But, as long as the government must create positions, why shouldn't it continue to create them in projects such as these which will be at least partially self-liquidating rather than in other projects which provide no financial return? Moreover, the N. Y. A. is only a temporary measure to help students and cannot be likened to the creation of permanent positions in some governmental bureau.

It does not seem to me that the cure for such a problem lies in the creation of governmental offices dependent for their support on the taxpayers of this country.

Vandals-Spokane Hawks Cross Bats At 3:30 This Afternoon

All set to tangle with the big-time boys today are Idaho's baseballers. The Vandals will meet the Spokane Hawks on MacLean field at 3:30 p.m.

The Hawks, just starting their season, will meet the Vandals for the first time in their two years of existence. The lineup has not been announced, but they will probably present their regular first team, made up of former college stars and independent standouts.

Stoddard's Arm Improves
Idaho's lineup will be about the same as it was during the Whitman series, played here last week. Merle Stoddard, star Vandal hurler, is slated to pitch with "Whitey" Price behind the plate. Stoddard's right arm, which has been a source of worry to Coach Twogood all spring, is apparently in good condition.

Bob Baldwin, alternate catcher, is still nursing a sore thumb and will probably not be used. The Stoddard-Price combination is the top battery on the Vandal squad, judging from performances so far, and they are expected to carry the brunt of the work against the strong Hawk's sluggers.

Coach Twogood has been drilling his charges every afternoon and expects them to be in good shape. The hitting, especially, should be improved over the showing in the Whitman games.

Bell Technician Addresses Sigma Xi Society

Robert R. Williams, technical director for the Bell Telephone research laboratories, spoke to members of Sigma Xi, national scientific research honorary, Monday as part of a tour he is now making through western states.

Mr. Williams is noted for his work in isolating vitamin B₁₂, a work he carried on for 14 years. Most of the work was done in the years 1919-1933, and marked the second time a vitamin had been isolated, the first time by an American.

As director of the Bell laboratories, Mr. Williams is an expert in another field, that of electrical engineering. He has spoken on this tour at the universities of Wisconsin and Utah, and will continue to Oregon State college.

Newly-elected president of Sigma Xi is Dr. Edwin C. Jahn, of the forestry school; Mark Culp, engineering college vice-president; Dr. James A. Cooley, mathematics department, treasurer; and Harry S. Owens, chemistry department, secretary.

Former officers are L. H. Stauffer, president; physics department, vice-president; Doctor Jahn; and Mark Culp, treasurer.

Elder Is Captain Of Rifle Team

John Elder was elected captain of the rifle team at a meeting held last Wednesday. Elder has completed his third year on the team, being second-high man the last two years, and will be the only three-year letter man on the team next year. Don Burnett, high man for the last two years, and Otto Nelson, third-high for the last two years and team captain this year, will be graduated this spring.

Bob Abbey was re-elected team manager.

Officers Selected For Ski Club; Remaklus President

Phil Remaklus was elected president of the newly organized university ski club at a meeting Tuesday. Other officers chosen were Hans Winbauer, vice president; Dick Adelmann, secretary; and Ronald Lambert, treasurer.

Club members plan to make a field survey trip Sunday, May 1, to outline new ski tracts to be developed and used next winter.

The Art Of Fencing

By ANTHONY A. SCAFATI

Before the parries are learned we must acquaint ourselves with the lines of engagement and the disengagements so that we may be able to learn how to change the lines as well as to know the parries by the proper names.

Fencers are engaged the moment that their blades are crossed. The engagement may be in any of the four major lines: second, fourth, sixth or seventh. In foil fencing the engagement is almost in every case in either sixth or fourth. The name of the engagement is determined by the line and side of opponent's blade touched. If in the upper line, i.e., over the opponent's guard and on the left side of the blade, then the engagement is that of sixth. In the same high line, but on the right side of the opposing blade, the engagement is in fourth.

A disengagement in fencing is the act of leaving the opponent's blade. The disengagement is made to change the line of engagement by dropping the point of the blade, passing under and around the other blade to bring the blade in the opposite line. The disengagement may be employed as a feint to draw out of line the opposing blade so that an attack may be made. In most instances the attack is preceded by a disengagement. Care and practice should be utilized so that the disengagement may be made with smooth quick motions. The effective disengagement must be very small, i.e., do not drop your point too deeply under the other blade but rather just deep enough to escape touching it.

Idaho Spikesters To Meet Whitman Trackmen in First Outdoor Meet Tomorrow

Idaho's red horde of track and field men travel to Walla Walla tomorrow morning to cross spikes with the Whitman Missionaries in their first outdoor dual meet of the season. A squad of 28 men has been named by track coach Mike Ryan to face the first issue of the 1938 intercollegiate season for the Vandals.

Although little is definitely known of the potential power the Missionaries will field against the Idaho team, the home town boys are expected to have things pretty much their own way.

Weather Handicap
"Light drills and sprinter's starts featured yesterday's final preparations for the conflagration and despite poor weather conditions which virtually prohibited workouts before last Tuesday, the Vandal team was tabbed as a cinch winner. Emory Howard, newest recruit to the Idaho weight men, accidentally spiked his right foot Wednesday night, but trainer's reports indicated he would be in top shape by Saturday. Claire Cunningham, middle distance runner who incurred a cut on his right thigh prior to the spring vacation, has also been reported in first class condition.

Headed by Don Johnson in the shot, discus, and javelin, and Pat Probst, Fred Millette, Al Flechtner, and Jule Peacock in the middle and long distance runs and the high jump, the Vandals are expected to unleash a world of power in these, their favorite events.

Johnson Favorite
Johnson, Idaho record holder in the three weights, is today considered to be one of the outstanding all around weight men in the United States. The Vandal ace is expected to set up more new records this year. Probst, a two

Idaho 9 Plays Lake Town Team Saturday Morning

Rained out once and scheduled again, the baseball game between Idaho and Coeur d'Alene's town team will be played on MacLean field tomorrow morning at 10 o'clock.

Tony Knap or Earl Gregory will probably start on the Idaho mound, according to an announcement by Coach Forrest Twogood. "Whitey" Price is scheduled to handle the other half of the battery work.

Was Scheduled Last Saturday
The Coeur d'Alene team will probably be headed by "Lefty" Naslund, former Idaho pitching star, who is now one of the Lake Town big guns.

The game was scheduled here for last Saturday, but rainy weather caused the contest to be called off until this week. Slated for the morning, it will not interfere with the weekly football scrimmage, to be held on the practice field of Neale stadium tomorrow afternoon.

Swimmers-Fencers Win Minor I's

After one of the most successful seasons in recent years, 14 Idaho tankmen were granted minor I awards by university officials yesterday. Besides the swimmers, four members of the 1938 Vandal fencing team were granted the right to wear the minor I sweaters.

The aquatic aces included Dwight Cable, Jay Nungester, Thomas Gill, Paul Spence, Earl Peebles, Max Jensen, Carl Einsmann, Stan Erickson, Dick Slade, Mac Beall, Doug Edwards, Otto Baltuth, Ed Terhaar, and Cecil Kent. Robert Frazier, Charles Poulton, Art Petersen, and Rudy Goldblum were the Vandal swordsmen to be honored.

Spikes 'n Cinders

By Bill McGowan

Washington State college officials apparently led the sports department of the Spokesman-Review a little astray Sunday when the Review, in an article which had the earmarks of arising from an over-zealous W. S. C. publicity man, announced that Ed McKinnon, 155-pound fighter from the Cougar institution, would have another year of eligibility.

Although McKinnon fought in the 1936 far western Diamond Belt and Pacific coast Golden Gloves tournaments the article held that these fights did not count against his eligibility because each of the tournaments was an Olympic preliminary tryout. The story states further that the fighter in question did not compete in any collegiate meets during the year.

McKinnon Ineligible

It is my belief that McKinnon is ineligible for further intercollegiate competition for the following reasons:

REASON ONE: Ed McKinnon represented Washington State college in a five-bout intercollegiate card against the University of Idaho at Nezperce, Idaho, on December 10, 1935.

REASON TWO: In the handbook of the constitution and rules governing the conduct of athletics in the Pacific Coast Intercollegiate Athletic conference of which both Washington State college and the University of Idaho are members, the following rules in regard to participation are given:

Definition of Contest

"(b) Recognized Athletic Contests—Definition of Participation."

All athletic contests in which an institution is represented in outside competition by one or more individual athletes or by an athletic team are "recognized athletic contests." The following are not "recognized athletic contests": (1) Intramural or other contests between students of the same institution; (2) unadvertised scrimmages not open to the public in which no official scores are kept, in which there is no officiating, except for coaching purposes, and to which no admission fee is charged; (3) contests in which reserves alone are entered on both sides, provided, however, that if more than two contests between reserves in any one sport season are played by a member institution all such contests during that season shall be deemed recognized contests by that institution.

In the Nezperce card which the Washington State publicity department apparently forgot so conveniently, McKinnon won over Paul George of Idaho. Other bouts on the card included Morrow vs. Hubert; Craig vs. Tarbox; Denton vs. Killian; and Purcell vs. Patogallo.

This was a bout in which W. S. C. was "represented by one or more athletes in outside competition," and as such is a recognized athletic contest. Further, it must count as a year of eligibility for McKinnon.

If that were not enough, however, an interpretation of the rules discloses that both Diamond Belt and Golden Gloves tournaments do not fall in the category of the contests which are not "recognized athletic contests," and, therefore, they would also use McKinnon's eligibility for the year 1935-36.

DOTS AND DASHES

Track Coach MIKE RYAN is bluer than the Easter paraders last Sunday morning and its all because of the lack of Phi Betas on the track squad. Ineligible for competition this season are Oscar Cable, high jumper; Dave Ellison, shot and discus; Duke Gikovic, javelin; Roy Peters, weights; F. L. Jackson, distance runner; Bob Johnson, high jump; Doug Sampson, middle distance runner; and Amos Ashley, weights.

Weights Hurt

Hardest hit by the disqualification of these men are the weight events. Although Ryan has Johnson the best all-around weight man on the Pacific coast if not in the United States, he has little to back up his ace. Gikovic had 190 feet to his credit in the javelin, and Ellison was a sure point winner in the shot. Chuck Kneuler he of the wobbly knees, is the only experienced weight man left for the Vandal mentor. Emory Howard, great all-around athlete, is being groomed to pick up a few of the third place points in the javelin and discus, but the up and coming sophomore lacks experience.

Steve "someday they'll sell me beer" Belko, is still trying to figure out how that flash of the comic sheet, Ned Brant, could make an unassisted triple play from his centerfield position. Says Stephen, "Taint possible."

Golfers and Tennis Players Meet W. S. C. Tomorrow

Men turning out for the varsity golf team meet at the S. U. B. today at 4 p.m. Important.

Saturday afternoon Idaho's tennis and golf teams will make their 1938 debut at Pullman against the W. S. C. Cougars. Coach W. H. Boyer will take two six-man golf teams. Seven tennis players will make the trip with Coach E. R. Martell.

Wet weather has handicapped both tennis and golf practice. The new university golf course has been too soft for organized turnouts, according to Coach Boyer. The players have picked up what little practice they could at the city park and on the Pullman course.

Golfers Making Trip
On the golf team will be Joe Holzer, John Hammerlund, George Handy, and Garth Peck. All lettermen from last year's team. Others are Jim David, Tom Gill, Marvin Knox, Bill MacPhail, Herman Rossi, John Moats, Harry Sneed, and John Walton. Tennis players making the

trip will be Howard Scott, Glendon Davis, Paul Parrish, Frank Randall, Morrison James, William Fisk, and Dave Freeman. All but the last three are lettermen. The play will consist of five singles and two doubles. Play will begin at 2 o'clock.

Members of the Idaho varsity golf team will be allowed to use the W. S. C. golf course until April 30, according to word received by Coach Boyer. The Idaho course is still in bad shape. All members of the golf team are requested to meet at the Student Union building Friday at 4 p.m.

RAMEY, PRICE, INITIATED
Roy Ramey, and Whitey Price were initiated into the "I" club Tuesday night. They earned letters in basketball during the past season. In order to be eligible for initiation into the "I" club a letter must be earned in one of the major sports, football, basketball, baseball, or track.

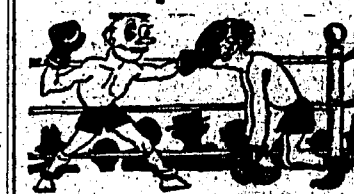

A cult of devil worship had numerous adherents in France during the reign of Louis XVI.

Freshman Tennis Tourney Will Be Held

All freshmen interested in entering a tennis tournament are requested to turn their names in to Glenn Jacoby, assistant professor of physical education in Memorial gymnasium, according to an announcement from E. F. Martell, varsity tennis coach and forestry professor, today.

A team of 10 members will be chosen to comprise the freshman team. Those 10 freshmen chosen will play the Washington State freshman team at a later date.

Intramural Sports

The softball schedule is having its troubles working through postponements and rain, but three days of the schedule have been run off in spite of them. The games scheduled for Monday, April 18, were rained out but Tuesday saw ten teams in action. The Betas outdid the Sigma (Alpha's) to win 28 to 21, while the Chi Alpha P's nosed out the Idaho Club 15 to 13. In league 3, Delta Tau won from Sigma Chi in a close game, 7 to 4. The Triangle club lost to Desert club to the tune of 12 to 4, while Lewis Court swamped the ATO boys 29 to 19.

On Wednesday, April 20, Willis Sweet ran away from the Desert club, 12 to 4; and Sigma Nu won from SAE, 13 to 8. Phi Delt's encountered little opposition from LDS, winning by the lopsided score of 28 to 2; and the Kappa Sigs treated the Tekes to the same kind of medicine, 22 to 2. The Fijis took a big score game from Lindley hall, 25 to 15.

These games leave three teams with two wins each to their credit so far and the lead in their respective leagues. The leader in League I is Lewis Court; in League 2 it is Willis Sweet hall; in League 3, the Delta Taus.

The latest returns on total intramural points won give Sweet hall a commanding lead, possessing 1335 points, while nearly 200 points behind come the Kappa Sigs with 1140. Next are the Phi Delt's with 1090 and Lindley hall, close behind, with 1073, then Delta Tau Delta with 950, and the Idaho club with 821.

Intramural tennis was flooded out last Saturday and Sunday but all four leagues are scheduled to swing into action tomorrow and the next day according to the following time-list. The numbers refer to leagues and courts. Saturday, April 23:

- 2:00-1. SC-TKE, 2.DC-PDT, 3. TC-SN, 4. LSC-WSH; 3:00-1. ATO-BTP, 2. CH-LH, 3. SAE-LCA, 4. DTD-IC; 4:00-1. TKE-ATO, 2. TMA-LC, 3. KS-Des C, 4. WSH-DTD.

Sunday, April 24:
9:00-1. CAP-SC, 2. PDT-CH, 3. SN-SAE, 4. PGD-LDS; 10:00-1. ATO-CAP, 2. LH-TMA, 3. LCA-KS, 4. DTD-PGD; 11:00-1. BTP-TKE, 2. LC-DC, 3. TC-Des C, 4. IC-WSH.

Last fall the singles tennis schedule was captured by Willis Sweet, garnering 90 points thereby. Spring tennis will be confined to doubles matches and the first place winner will be awarded 60 points. Rex Willard has been named to take over the field directorship of tennis due to the illness of Gerald Dellinger who was originally named director.

The intramural office points out that men who played in the doubles matches last fall are ineligible for spring tennis play in singles matches. This rule was adopted recently by Alpha Phi Chi, intramural managers organization. Gem pictures of intramural champs are listed as follows: April 25; swimming—champions and director Rudy Aschenbren-

er in front of the Phi Delta Sig House at 12:30, with director George Chirape. Announcement is made of an important meeting of Alpha Phi Chi to be held April 26 at 7:00 in the S.U.B. The forthcoming schedules for in-champions in front of the tramural track horseshoes and Idaho club at 12:30, with director George Chirape. April 27, the wrestling champions in front of the Kappa their full staffs with them.

MODERN CARS VERY EFFICIENT DRIVERS' YELLOW CAB CO. Quickest Package Delivery

Prominent Educator To Speak For A. W. S.

Phases of modern education will be discussed by Dr. Kathryn McHale, prominent educator and psychologist, at the Associated Women Students' assembly next Tuesday morning at 10 o'clock in the auditorium. Doctor McHale, general director of the American association of University Women, with headquarters in Washington, D. C., is visiting western branches of the organization, and will be the guest of the Moscow branch at a formal dinner Monday evening in the Student Union building.

The Vandalers, under the direction of Prof. Archie N. Jones, head of the music department, will sing a group of numbers at the beginning of the program on Tuesday morning. The assembly is open to all who are interested in hearing Dr. McHale, who, as administratrix of an organization of more than 60,000 college alumnae, is recognized as spokesman for trained women in matters that concern their progress.

Women who have had the privilege of college training, Dr. McHale believes, have a major responsibility to help create informed public opinion on important issues in modern life.

"Every woman in this country," says Doctor McHale, "is affected by the sweep of political and economic events here and abroad. College women have been trained to be awake to the significance of such events, but it is one thing to watch passively and another to share competently."

The American Association of University Women is challenging its members to a re-orientation of the place of the trained group in the present situation. Never before has the task for college women been so apparent. Happenings in European countries which have drastically narrowed 'woman's sphere' must give pause to thinking American women."

The American Association of University Women is challenging its members to a re-orientation of the place of the trained group in the present situation. Never before has the task for college women been so apparent. Happenings in European countries which have drastically narrowed 'woman's sphere' must give pause to thinking American women."

WAA Members To Convene Next Weekend

The Athletic Federation of College Women will hold its western sectional conference at Washington State College next Thursday, Friday, Saturday, and Sunday.

Ruth Rhodes, president of Idaho Women's Athletic Association, Maria Raphael, vice president of W.A.A., and Frances Murtha, former president of W.A.A., have been chosen as official delegates to represent Idaho at this conference next week.

Women may attend any of the meetings," announced Ruth Rhodes. "Women who intend to go should give their names to me or to their house representatives in order that excuses from classes may be issued."

Saturday, April 30, the Idaho W.A.A. will entertain delegates of the conference at a luncheon in the Student Union building. Committees are: Lucille Harrison, luncheon chairman, assisted by Evelyn Williams and Mary Alice Spoford. Isabel Stokesberry, decoration chairman with Frances Wakefield, Rita York, Gall Ingle, Doris Franson as assistants. Virginia Dole is in charge of the program.

S.A.I. SPONSORS MUSIC RECITAL

Sigma Alpha Iota, national music honorary for college women, presented their monthly musical recital last Monday at the Gamma Phi Beta house.

Cleta Hudson arranged the program which featured Mary Guy in a piano solo; Doris Franson sang; Catherine Bauman and Louise Frank, pledges of Sigma Alpha Iota, sang a duet; Louise Frank sang two solos; and readings were given by Cleta Hudson and Alice Robertson.

MUSIC FACULTY TO JUDGE

Prof. Carl Claus, Assistant Prof. Robert Lyon, and Assistant Prof. Hall Macklin of the university music department, left by car Wednesday for Nampa where they will judge at the district high school music festival. They will return to the campus Monday.

Playday Calls W.A.A. Guests

The annual Women's Athletic Association playday held each year for the girls of the high schools of Moscow, Ursuline Convent, Lewiston, Craigmont, Genesee, Troy, Potlatch, and other surrounding communities will be held this Saturday in the Women's gym. The purpose of the play day is to acquaint the girls with the college and the campus.

Registration will begin at 8:30 a.m., after which an opening speech will be given by Maria Raphael, vice president of W.A.A. From 9 a.m. until 12 noon, the time will be spent in playing various indoor and outdoor sports offered to Idaho women. At 12:30 p.m. a luncheon will be given in the Women's gym for the guests, after which time they will look over the campus, swim, or participate in leisure time sports.

Beth Bothwell is general chairman of the committees. Floris Block heads the registration; Ruth Rhodes, equipment and program; Maude Hodgson, luncheon, Helen Jewel, rhythm games; and Barbara White, song leader.

McKee-Hanrahan Wed In Lewiston

Margaret Hanrahan and Donald McKee were married last Monday at 4:30 p.m. in the St. Stanislaus chapel in Lewiston. The wedding was a double ring ceremony.

Robert McFadden was best man, and Betty Hanrahan, sister of the bride, was maid of honor. Ardis Simpson, Jane Pasley, and Regina Grover were bridesmaids; Bob Bollinger, Max Noel Bob Hanrahan, and Dick Darnell, ushers; and Carol Jane Skillern, flower girl.

Immediately following the wedding a large reception was held at the home of the bride after which Mr. and Mrs. McKee left for Spokane.

Mr. and Mrs. McKee are graduates of the University of Idaho, and were outstanding in campus affairs. Mrs. McKee is affiliated with the Delta Gamma sorority and Mr. McKee with the Alpha Tau Omega fraternity. At present Mr. McKee is assistant manager of the Morrill Retail Store in Wallace.

3 Women Initiated By Phi Chi Theta Tuesday Evening

Initiated ceremony of Phi Chi Theta, women's business honorary, was held Tuesday night at the Kappa Alpha Theta house for Julia Milbourne, Alice Graham, and Ellen Johnston.

Other members present, besides the initiates, were Kathryn Cleveland, Verla Durant, Frances Murtha, Martha Boles, Maria Raphael, Helen Ann Sutton, and Frances Foster. Gladys Manwaring, an alumna of the business honorary from Brigham Young University was a guest.

John Elder was a dinner guest of Alpha Tau Omega Wednesday. Gamma Phi Beta entertained John Daly at dinner Tuesday.

Alpha Phi entertained Phi Delta Theta at a dance exchange Tuesday, and Beta Theta Pi Wednesday.

Gladys Manwaring of Ogden, Utah, is a guest at Ridenbaugh hall this week.

Ridenbaugh hall entertained Tuesday at a birthday dinner and dance.

Tau Kappa Epsilon announces the pledging of Larry Sheehan of Lewiston and Charles Turner of St. Louis, Mo.

Former Students Wed In Payette

Helen Schoenhals of Rupert and Brooks Landon of Payette were married last Saturday evening in Payette.

The bride attended the University of Utah and the University of Idaho and is a member of Phi Mu sorority. The bridegroom graduated from the University of Idaho last year and is a member of Beta Theta Pi.

Mr. Landon is now employed by the Idaho Power company in Payette.

CONTEST WINNERS ANNOUNCED

Results of the tournament sponsored by the Women's "T" club in ping pong and badminton, last Tuesday are as follows:

- Ping Pong**
 Hays hall won over Delta Gamma.
 Gamma Phi Beta won over Kappa Alpha Theta.
 Ridenbaugh won over Delta Delta Delta.
 Alpha Phi won over Kappa Kappa Gamma.
 Alpha Chi Omega won over D.T.G.
 Forney hall won over Phi

A. W. S. Women To Entertain Over Mothers' Day Weekend

Mothers of Idaho university students will be lavishly entertained on the campus for the three days of Mothers' day week-end, May 6, 7, and 8. For the third year the Associated Women Students are sponsoring the celebration, honoring the mothers of all men and women students.

Although plans are incomplete, a tentative program has been arranged.

Festivities will begin with the production of the "Mikado", a Gilbert and Sullivan opera, Friday evening by the University music department.

Early Saturday afternoon, the annual May fete will be presented on the lawn in front of the Administration building. The May queen, Mary McKinley, will be crowned, and she and her attendants will preside.

The Spurs, sophomore women's service honorary, will dance the Maypole dance. Mortar Board, Silver Lance, and Cardinal Key will pledge their new members.

Following the May fete a general tea at Willis Sweet hall will honor all the mothers.

Saturday evening, Miss Janette Wirt, head of the women's physical education department, will present "Taps and Terps" in the University auditorium.

Climaxing the weekend, Sigma Alpha Iota, national music honorary for women, will sponsor its annual song fest Sunday afternoon. Picked groups from each residence house will compete for honors with their songs.

Mary McKinley, A.W.S. president, wishes to impress all students that the mothers of every student, both men and women, are invited. Invitations have been distributed through the group houses on the campus. More invitations may be obtained from Marjorie Glenn.

Beta Phi

- Badminton**
 Hays hall won over Delta Gamma.
 Gamma Phi Beta won over Kappa Alpha Theta.
 Alpha Phi, won over Kappa Kappa Gamma.
 Forney won over Phi Beta Phi.
 Ridenbaugh won over Delta Delta Delta.
 Alpha Chi Omega won over D.T.G.

Home Ec Honorary Holds Informal Fireside Wednesday

Phi Upsilon Omicron, national home economics honorary, held a fireside last Wednesday at Forney hall for all home economics students, as an informal get-together for the purpose of acquainting the members of the home economics department with the aims of Phi Upsilon Omicron.

The program included a flute solo by Margaret Alison accompanied by Alice Roberts; a talk by Ethel Gehrke, president, on the purposes of Phi Upsilon; and vocal selections by Catherine Bauman, accompanied by Mickey Dwight.

Refreshments were served to eighty guests. Faculty guests were Miss Adah Lewis, Miss Louise Stedman, Miss Esther Segner, Miss Stella Severson and Mrs. Mary Retherford of the Moscow high school home economics faculty, and Mrs. Marie Miller, who is the adviser of Phi Upsilon Omicron.

"Big Apple" Winners Announced

Winners of the tryouts last Saturday for the Big Apple skit in Taps and Terps are Jerry Davidson, Mary Gauss, Betty Jo Jeppeson, Theda Lenz, Ruth Mather, Louis Gaetano, Wally McGill, Clyde Hankins, Louis Kraemer, and Francis Cannon. Judges were Miss Janette Wirt, head of the women's physical education department, Grace Sollers, Betty Smith, Jerry Davidson, and Wally McGill.

Raphael To Serve On W. S. C. Panel

Maria Raphael, vice president of the Idaho Women's Athletic association, has been asked by the Athletic Federation of College Women to be on a committee for panel discussion of intramurals next Friday morning at the Washington State college W. A. A. convention.

The convention will be held on April 28, 29, 30, and on May 1 in Pullman.

An invitation to attend all meetings has been extended to all members of the Idaho chapter of W. A. A. by the American Federation of College Women. A luncheon, and a banquet will be given on Friday to which all W. A. A. members are invited.

Prep Publications Judged By Women

Fifteen mimeographed and printed high school papers are being judged now by members of Theta Sigma, women's journalism honorary. Final decisions will be announced about the first of May.

Each year the group considers publications of Idaho high schools, and awards a cup to the winner of each of the two groups. Along with the cups, which be-

come permanent possessions after three successive wins, Theta Sigma offers criticisms. The papers are rated on a point system from the standpoint of news coverage, makeup, style, and general content.

BAER SUMMARIZES CONFERENCE

Projects and problems considered at the International Relation club's conference at Reed college, March 25 and 26 in Portland were discussed by Jean Baer, president, at a club meeting last Wednesday. Margit Hansen gave a talk on the fascist and communistic trends in Canada.

It was estimated that 1,212,459,360 barrels had been with-

Mining Man Breaks Collar Bone In Vacation Wreck

Spring vacation and automobiles don't mix for Ernest Oberbillig graduate mining student, whose collar bone was broken in an April 1 wreck about 4 miles south of Weiser.

According to occupants of the car, the mishap came on an unbanked curve. After rolling over, the car spun around on its top, mashing the top and breaking glass from the windows.

Three other occupants, Al Goade, Ray Smith and Ed Joyce were not injured.

drawn from the East Texas oil field by March, 1938.

MORE PLEASURE

When you're out for pleasure ... and tie up to Chesterfields ... you find a cigarette that has refreshing mildness ... a taste that smokers like ... a more pleasing aroma.

Mild ripe tobaccos—home-grown and aromatic Turkish—and pure cigarette paper—the best ingredients a cigarette can have ... that's why Chesterfields give you more pleasure.
