Roger Pryor To Climax Frosh Glee Tonight

12:30 Permission Granted; Balcony Seats on Sale; Floor Show Scheduled

Roger Pryor, his record-breaking band, beautiful Lane Truesdale, and Howard Green, romantic vocalist—Memorial Gymnasium, 8:30 p.m. until 12:30 p.m.—that's the program for the mammoth dance tonight to climax the activities of frosh glee week. The famous maestro arrives in Moscow this afternoon. Tickets for dancing to the melodies of the swing-

Bandman

sters are on sale throughout the campus for \$1.50 a couple; balcony seats for spectators go on sale at the door tonight for 50c a person.

Special Program

Announcing a special program of featured tunes that he will record next week, Pryor, when reached by long distance, was very enthusiastic about his Idaho appearance. "Throughout evening we will present special songs and solos in danceable tempo for those who hate to quit dancing, but designed to introduce new arrangements to the entire crowd," Roger stated.

A swing arrangement of Tchaikowsky's "March Slav," "The Whistler and His Dog," a swing tune originally written by Pryor's father, "Three Blind Mice," swung in modern tempo, and Pryor's own composition, "Swinging in the Nursery," four songs the orchestra will record next week for Decca in California are featured on tonight's menu of swing.

12:30 Permission

Realizing the desire to dance as long as possible, Dean Evelyn Miller has granted regular Saturday night permission, 12:30 a.m. for the event. To benefit townspeople and out-of-town dancers, Pryor's band will play until 12:30 o'clock; the group takes the stand at 8:30.

"Special arrangements for the dance have been completed, announced John Brown, general chairman of frosh glee. "A powerful public address system will carry Pryor's music to every corner of the gymnasium, and in addition, sound will be improved by the acoustical drapes now hanging in the gym."

Floor Show, Too

At intermission time the orchestra will round out the program with a floor show featuring Lane Truesdale, the blonde beauty who has been a sensation in the Northwest, Howard Green, who does the male lyrics, and "Red" Hodgson, one-man instrumental show.

Wednesday night Pryor played to a packed house in Spokane, and was heard by Idaho students on a special broadcast. Next week Pryor opens at the Paramount.

Max Kenworthy Defeats Burt For Student Body President; Balloting Close, 925-836

Run-off Held; Executive Board Decided Week Ago

Ascendancy of dark-haired Max Kenworthy to the presidency of the ASUI became a reality shortly before dinner hour last night when announcement came from the election board that the United Students party candidates had outpolled Non-partisan Carl Burt 925 to 836.

Kenworthy's victory was gained in yesterday's special run-off election, necessitated by failure of any candidate to gain a popular majority in the three-way presidential race of the previous week's regular election.

In a statement issued to the Argonaut last night Kenworthy said, "I would like to express my sincere appreciation and thanks to those who gave me their support in the recent elections. The executive board and I will work constantly and without partiality to further the success of the ASUI."

Voting Lighter
Kenworthy, in the May 5 election, gathered 977 tallies, just 28 short of a majority over the combined poll of 597 for Burt, and 407 for Gordon Price, Independent party nominee.

Provision of the ASUI constitution demanded the run-off between the two high men where no candidate had received a majority. Yesterday's total vote—1761—was approximately 200 short of last week's total.

Kenworthy, an extractive industries major whose home is in Wallace, has served during the present year on the ASUI executive board. Saturday at the annual May Fete he was pledged to Silver Lance, senior men's highest honorary. He is also a member of Blue Key. Level-headedness and the ability to see both sides of a question and act fairly, declared his party backers, are his attributes.

Burt Served on Board

The Winner Frenchie To Win Medal At Graduation

One of the several hundred students enrolled in French courses at the University of Idaho will receive a handsome silver medal from the French government and the unofficial title "best French student at the University of Idaho." The award will be made at the 1938 commencement.

From Roger Gaucheron, consul general of France at San Francisco, Dean J. G. Eldridge, head of the department of modern languages, has received the medal which is to go to the student "most proficient in the study of the French language and French literature for the current year." The medal comes from the French ministry of foreign affairs.

It has been the custom of the French government to present to the leading universities and colleges each year a medal to be awarded by the department of modern languages to its best French student. This is the first medal coming to Idaho.

Music Honorary To Give Recital

Phi Mu Alpha, men's music honorary, will present its annual recital Sunday at 2 p. m. at the L. D. S. institute.

Program is as follows: men's chorus, vocal solo by Howard Corliss, brass ensemble, violin solo by Jack O'Connor, vocal solo by Douglas Gardner, clarinet quartette, piano solo by John Meese, men's chorus.

Phi Mu Alpha will conduct initiation ceremony Monday for Bill Afton, Robert Dahlstrom, and Bill Hoover.

Dale Is Pleased With ROTC; Big Review is Monday

President Harrison C. Dale expressed himself as "well pleased" with cadets of the university R. O. T. C. after they had passed in review before him yesterday on MacLean field. Cadet Col. Robert A. Abbott presented the regiment for inspection at 11 o'clock after which they passed in review before President Dale, Dean T. S. Kerr of the college of letters and science, and Frank Stanton, bursar.

The same cadets will Monday pass before another official—Major Earl F. Paynter, fourth infantry, Ft. George Wright, Spokane, during annual federal inspection. This appearance before a representative of the war department is the high point of the year for the R. O. T. C., according to Col. Floyd Hatfield.

Extend Invitation
Everyone is invited to watch from the stands at MacLean field the inspection which opens at 1:30 p. m. with presentation of the regiment to the officer. A parade, inspection, inspection of soldiers in rank, close order drill, extended order drill, tactical exercises and weapon inspection will occur. Formal Guard Mounting at 4 p. m. presented by Pershing Rifles will climax the day. This is an honorary group of outstanding basic students who demonstrate new developments in weapons and training. Classroom visits will be made in the morning, according to Colonel Hatfield.

Word Wranglers In Pope Contest

Pope oratorical contest, sponsored by Idaho's junior senator, will be held next Wednesday evening at the Administration building in room 207 at 8 p. m. The contest, open to any member of the university, is for original orations to be delivered in a time of 12 minutes. Contestants this year are Melvin Butterfield, Roy Stark, Leonard Arrington, Victor Skiles, Leslie McCarthy, and Jack Roper. Prizes are first, \$25, second, \$15, and third, \$10. Senator Pope will have the winning oration printed in the Congressional Record.

Senior Honoraries Hold Dinner For New Members

Members of Mortar Board, national senior women's honorary and its pledges had dinner last night in the Student Union building with members and pledges of Silver Lance, senior men's honorary.

Dale Considers Candidates For Faculty Jobs

Filling of vacancies in the Idaho faculty together with other school business kept President Harrison C. Dale busy on his trip to Chicago last week. President Dale returned to the campus Wednesday.

The position as head of the geology department, which was left vacant on the death of Dr. F. F. Laney, was one that he expects to fill. The other position, that of William H. Gartin, administrative secretary and dean of men, will also be filled soon.

"While in the east I met several prospective men for these positions," President Dale said. "The vacancies will not be filled until all applicants receive due consideration."

Grand Opera Singer In Pullman Tonight

Helen Jepson, one of the world's first-ranking grand opera singers, will be presented tonight at 8 o'clock in the men's gymnasium at Washington State college in Pullman. Her appearance will be a triumphant climax to the succession of outstanding musicians which have been presented in this community during the past season by the Moscow community concert association in conjunction with the association at Pullman.

TO STUDY WATER

Study of water analysis and limnology will take Joe Lattimore, Bill Weissaupt, and Bill Fischer to Chatcolet lake on a field trip in sanitary engineering. They will be accompanied by A. J. Davidson and I. N. Carter, faculty advisers.

Ability Praised

Miss Jepson is acclaimed as an American artist of exceptional ability. According to the Indianapolis Star:

"Her voice is a clear, lyric soprano of pleasing quality, her tone production is true and spontaneous. She sings with sincerity and animation."

POLITICAL PILFERING PURGE is over. Another ASUI election has trailed by, and Max Kenworthy is the students' choice. He now deserves the support of every Idaho student, regardless of political affiliation.

YEARLY HOWLS of political crookedness—the mans of a "nigger" or a Gannon or a Bronson in the woodpile—this year were as abundant as usual. If the truth were known, however, it's likely that little political pilfering transpired—those who cry are those who generally know not whereof they speak. Where the voter's name is checked off as he takes his ballot, where his ballot is stamped, and his ASUI book punched, the chances of a nasty deal are considerably diminished.

ON HIS MERIT, Max Kenworthy won. And from this position astraddle the fence, it would seem that the Idaho students could not have made a better choice than handsome, congenial Maxie. The lad is presentable, a man whom the students could be proud to send as their representative to any convale of university presidents. Above that, he is brainy, fair, and experienced along the lines of responsibility which he is about to assume.

STUDENT OPINION has spoken. Carl Burt is to be congratulated for attempting the race without distinct party support. Something else that shouldn't be forgotten are heavy rounds of commendation to both parties for conducting campaigns that were devoid of destruction, distasteful literature, and mud-slinging which have previously besmirched the actual level of this university's student mentality.

"Can you drive with one arm?"

"You bet."

"Okay, have an apple."

United States Attorney Carver Addresses Law College Lads

Speaking at a banquet sponsored by the Bench and Bar organization of the university, U. S. Attorney John A. Carver said Wednesday that young men of this generation are "morally, intellectually, and spiritually stronger than ever before."

E. H. Casterlin and Frank Griffin, assistant U. S. attorneys, were present as guests and speakers. Walter Budge, chief justice of Bench and Bar, presided over the banquet with Dean Pendleton Howard of the law school acting as toastmaster.

Bench and Bar is composed of all university law students. Mr. Carver outlined to the embryo lawyers the problems they must face upon graduation from law school and the difficulties of getting a position.

He said, "The question uppermost in your minds is where are we going to work?"

Frontier Limited
"In earlier days our lawyers received their training back East and then came out West into new territory. Their problem wasn't difficult even

though they suffered many hardships in living conditions. If you fellows knew you could move into some new country and hew out a place for yourself, I believe each of you would do, despite all hardships.

"That can't be done now, as easily as it used to be. You have to stay and face the problem. You men are going to be leaders in this country. The hope of maintaining the Democracy of this country rests on you."

Mr. Carver is U. S. attorney for the district of Idaho. He was a police judge for four years at Pocatello, and before that the prosecuting attorney for Franklin county for three years. He received his degree in law from the university here in 1922.

Mr. Griffin served in the Idaho state legislature, practiced law in Wallace, and since 1933 has been on the district attorney's staff. He stressed the fact that "lawyers, more than any other single group of persons, are responsible for our democracy as it exists today."

Those Cancer Cures

Cancer, the disease whose cause and cure have continued to baffle the world's greatest surgeons and research workers, has brought with it a harmful by-product. Many quacks advertising cancer cures, and there are at present countless such claims being made, have reaped vast sums of money from desperate cancer patients who have thought these supposed cures cheaper than going to a reliable doctor.

Among the better known cancer nostrums is the famous Madame X treatment. A quack broadcasting over a middle western radio station made enthusiastic claims for his cancer "cure." His newspaper served as a means of entrapping many unsuspecting patients.

Fortunately, the United States mails have been closed to him and others of his kind. With his broadcasting privileges taken away, this individual proceeded to broadcast from Mexico, but recently this channel was also denied him. At present this unscrupulous, persevering quack intends to build a radio station three miles out in the ocean, and broadcast therefrom.—L.A. Junior College.

Dates 'n Doo Dads

Last Tuesday's Argonaut was dedicated to promising young writers, so there wasn't a place for this odoriferous spiel, but today I'm back in the groove, with a few toxins for your systems. Most amusing last Saturday night was the Shirley Anne Cross-A-TO sewin' bee at that "nickel-plated, nickelodeon-mojo nest for nightowls," the Nobby Inn. A few of the lads were called home early except Paul Fidler, who was able to stay until the arrival of John Sullivan, after which Paul's sudden departure was necessitated.

I don't think it was a bit fair to Christine Nuckols for Rod Hearn to have to take Garth Peck's 111 sister, Ollie, to the Fiji formal last Saturday night. After all, Chris has been on the campus all year. But then, 'tis said that she 'n Rod weren't too loquacious in each other's direction at the Spur serenade Friday night.

'Tis sweet and refreshin' to stumble upon a shy but eloquent glance—or a cool number 9—as you wind your weary way through the halls to class. Lillian Larson 'n Roy Ramey have numerous rendezvous between classes—as do Andy James 'n Marybelle Bennet.

One of the amazin' enigmas of the campus, is the undying, ever-present, fever-pitch romance of Lorraine Williams and Don Johnson. Many a person wonders how this affection-steeped couple can maintain their beautiful association at so early an hour in the morning, in such unsuspected spots—but then I guess Don likes tennis-court atmosphere—and outdoor life in general.

How did it feel, Hugh Maguire, to be called a Frosh again? Did it give you a thrill to hear a Kappa frosh ask you something like, "where's your dink?" or "have you used your ticket to the arboretum yet?" Maybe it was the pledge button that did it.

Tch, tch! Guess that Sigma Chi pin rumor we mentioned last time was a bit erroneous, so don't hold it against Bill Moats, gals! And don't give Ray the dickens about it, Allee! (Incidentally, we hear that Miss Conway's "ex" from home took a couple nuptial vows this week. Whadda ya think o' that?)

Well, it looks as if Ralph Schmitt has finally settled down. He has at last decided to go steady with only two gals, Jerry Davidson, Barbara White. 'Course there may be a dark horse—not exactly a campus gal.

Maybe a few more people on the campus can get acquainted with Betty Bowman, now that she has thrown over the love that has restrained her ever since the first week of school. Don't take me wrong, though—it was mutual agreement, we understand.

If you've noticed Emy Lou Smith losin' weight this week, it wasn't on account of the elections. It's because Mr. Sullivan from Kellogg is comin' down for the Pi Phi formal—and he likes 'em slim. Work hard, Emy.

Besides seein' Ray Peters with Susie Black, and hearin' Jean Hale's tremulous soprano booming out in the Bucket, we really haven't observed anything this week.

I'll be checkin' up on the dates who go out with Pryor's vocalist this week-end. Cheerio.

SPOONER NAMED AS DELEGATE

Jean Spooner, president of Phi Upsilon Omicron, was elected as delegate to the Conclave in Washington, D.C., June 23, to 25, at a general meeting last Tuesday.

Miss Spooner plans to leave about June 18 and spend a few weeks in Minneapolis, following the conclave.

During the meeting Miss Irma Lewis was re-elected faculty advisor for the coming year.

Agricultural Students Schedule The Little International May 21

More visitors, longer to work, animals easier to shed, nicer weather, and more students participating will be the results of holding the Little International at a later date. By scheduling the show May 21, almost a month later than usual, the Ag students will be able to have as guests county agents, 4-H club agents, home demonstration agents, and other extension specialists from all parts of the state, since the State Extension conference is also scheduled the same week.

Students will have three weeks more to work on exhibits, other phases of the show. Most animals naturally will be shedding their winter coats and donning new spring outfits of sleek shiny hair. All events are handled by

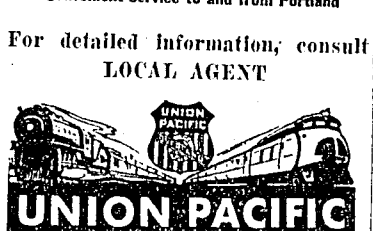

students. An unusually large number of students are participating this year, estimated at 250.

Contests are held in fitting, showing, and judging of dairy cattle, horses, sheep, swine, beef cattle, poultry and grain, also judging dairy products. Identification contests consists of grain, small seeds, weeds, plant diseases and insects. Over 30 separate divisions of the contest provide the avenues for getting a chance at one or more of the loving cups, medals, ribbons, and more than 100 articles of merchandise. These are offered by the Ag club, ag faculty, and business men and associations of the Moscow vicinity.

Extension agents, professors, and other agricultural specialists will sit in the judges seats during the show.

of the troubadors verbal persuasion or more physical objects as cold water and flower pots, it will become necessary to take such summary action as will place the disturbers of the peace in the local carcel; if the drunks don't continue on some nights, the dogs do; hence, it is time to abate the disturbance of the peace, the trespasses through private property, and the public nuisance.

Spring though it is, the hours from sundown until 11 p.m. or even midnight in a pinch, should be adequate to serenade, but after that, this is a warning. This is but one sending a word to the wise; there are others that will take action, if need be.

What Margaret Bourke-White, famous photographer, said when Ralph Martin asked if she found a difference in cigarettes

"I've found that Camels are very, very different, Mr. Martin—not just in one way, but in a lot of ways. For example, my nerves must be just as trustworthy as a stepple jack's. Camels don't jangle my nerves. They taste extra-mild and delicate too. Camels never leave an unpleasant after-taste, and they're so gentle to the throat. In fact, Camels agree with me in every way! I think that's what counts most—how your cigarette agrees with you!"

"Cigarettes seem pretty much alike to me. Do you find some difference between Camels and the others, Miss Bourke-White?"

STEEL MILLS, dams, skyscrapers, subways (as above)—appeal to Margaret Bourke-White. She's gone all over the United States. Her photographs are famous. They're different! Miss Bourke-White made that same remark about Camels to Ralph Martin at the New York World's Fair grounds (right).

"We smoke Camels because we know tobacco," tobacco planters say.

"I'm a tobacco planter," says Vertner Hutton, who has grown tobacco for 25 years. "The Camel folks pay a sight more for our better tobaccos. Last crop they took my finest grades, I smoke Camels—I know there's no substitute for expensive tobaccos. Most planters favor Camels."

"I've been planting tobacco for twenty years," says Harry C. King. "The Camel people bought the choice lots of my last crop—paid more for my best tobaccos. So I know they use finer, more expensive tobaccos in Camels. That's one mighty good reason why my cigarette is Camel."

Idaho Trackmen Tangle With E. W. C. Savages Tomorrow

Normalites Present Well Rounded Team Against Strong Vandal Outfit

A squad of 21 varsity track and field men travel to Cheney, Washington, tomorrow to tangle with the Eastern Washington College of Education tracksters in the third dual meet of the outdoor season for the Vandals.

While spectators were inclined to install the Idaho team as heavy favorites, Coach Mike Ryan indicated before he left for the Fresno Relays that the Vandal team would have tough sledding all the way against the Savages.

Savages Strong
Led by Farrier in the pole vault, Carpine in the quarter mile, Boyk in the javelin, and Chissus in the hurdles, the Normalites present a well rounded aggregation which ran rough shod over the W. S. C. freshman team last week.

Vandals Strong In Jumps
Al Flechtner, Jule Peacock, and Emory Howard are regarded as cinches for the first three places in the high jump, and Howard is rated on a par with Farrier of the Washington school in the pole vault. Both men have done 12 ft. in competition this year.

Emory Howard will join with Chuck Kneller, Jack Reiter and Al Flechtner to hold up the Idaho end of the weight events.

Senior Manager John Barker will accompany the team and direct them at their meet.

Idaho Runners
Idaho's entrants will include: Sprints: Poole, Durham, Lacey, and Smith.

440-yard run: Milette, Shook, and Vervaeke.

880-yard run: Fluharty and Snyder.

One mile run: Fluharty, Snyder, and Slade.

Hurdles: Elliott, Hankins, Perkins, and Yorgeson.

Jumps: Perkins, Peacock, McHarg, Yorgeson, Howard, and Flechtner.

Weights: Howard, Kneller, Reiter and Flechtner.

Pole vault: Howard, McHarg, Cobb.

Golfers Travel To Seattle

The Vandal golf team will play its fifth conference match of the season Saturday against the University of Washington club men. Five men have been chosen by Coach W. H. Boyer to make the trip, and a sixth may yet be selected.

Only two lettermen, Joe Holzer and George Handy, will make the trip. These two men have been two of Idaho's most consistent point getters. Also making the trip are Freeman Jensen, Harry Snead and Jack Walton, all new men on the Idaho team this year. If a sixth man can make the trip, Herman Rossi will be chosen.

The team will be accompanied by Louie August, Vandal boxing coach and "pinch hitter" for other sports, Coach August accompanied the tennis squad to Eugene and Corvallis two weeks ago.

Baseballers Meet Oregon In Two Here

Still in fourth place in conference standings as a result of Tuesday's Washington State game, Idaho's baseball men will re-open an old rivalry against Oregon's third-place Ducks in the second lap of the home-series race here this afternoon and Saturday morning.

The first game will be played this afternoon at 3:30. Saturday's game will begin at 11 o'clock in the morning.

Teams Split at Eugene
Oregon split with Idaho in the two-game road trip series at Eugene, but is still two games ahead in the conference standings. The athletic rivalry between the two schools is strong, and the Vandals are eager to take both games and erase unpleasant memories of their first home appearance against Washington State.

As Coach Twogood put it after the first Oregon series: "They have some good ball players, and they are a hard team to beat. Most of us would rather beat them than any other team in the conference, including Washington State."

Stoddard May Start
Starting lineups are still uncertain, but it is probable that Merle Stoddard, ace sophomore hurler, will begin the mound work for the Vandals with Whitey Price catching. The Oregon starters have not been announced.

Courtmen Meet Cougars and Grizzlies Here

For the third straight week the Idaho tennis squad will meet two teams on the same week-end. Friday it will play host to W. S. C. and Saturday to the University of Montana.

The Vandal net men won their only conference match of the season against W. S. C. three weeks ago, taking five matches to the Cougars' two. Idaho won both doubles and three of five singles, Howard Scott and Glendon Davis of Idaho defeating Olson and Bor-ton of the Cougars, 6-1, 6-4.

In their only non-conference game, the silver and gold men won from Whitman college 4 to 3.

Coach E. R. Martell will select his squad from the following: Howard Scott, Glendon Davis, Paul Parrish, Morrison James, Harold Fisk, and Dave Freeman.

Hoop Squad Drills In Preparation For Practice Game

A total of 13 reserves and members of last season's freshman casaba team have been sent through nightly drills during the week by Coach Forrest Twogood in his annual spring basketball workout.

Final practice has been set by the Idaho mentor for next Monday night. On Tuesday, the entire squad will be sent through a regulation game for the public, designed to give them an idea of what next winter's quintet will look like.

Although no lettermen will be used in the Tuesday game, both teams will be evenly matched. The men who will take part in the scrimmage include, Bob Parks, Shirley Lund, Otis Hill-ton, Ron Harris, Howard Anderson, Bob Sifton, Dave Marshall, Carte Wood, Irving Hopkins, Bob Lund, Mike Sullivan, Bill English and Bob Revell.

P. E. GOLFERS TO TAKE QUIZZ

Golfers enrolled in P.E. will be given their final quiz of the semester Monday, May 23 in room 104 of the Memorial gymnasium, Glenn Jacoby announced today.

The quiz will be given only once and all members of the class are urged to be in attendance or they will not receive a grade for the semester. No make-up quizzes will be given, Jacoby assured emphatically.

Spikes 'n Cinders

By Bill McGowan

Always glad to learn of former Idaho graduates who have become outstanding in any work, we are particularly grateful to P. M. Lamphere, '27, for a letter and an article from the St. Louis Daily Globe-Democrat telling about Idaho grad Harry Reget who has made an enviable record in the promotion of athletics in the city of St. Louis.

According to the article which appeared in "The Sporting Mill" a sports column by Maurice Shevlin in the Globe-Democrat, Mr. Reget has made a name for himself in the St. Louis sport's world. At present he is athletic director of the Y.M.C.A. in that city, and before that he was a coach at St. Louis University.

Harry Reget first became known to the sporting world when he played football for Idaho in 1925-26. Under the guidance of Coach Bob Matthews, Reget was given All-American mention for his quarterback work during his last year. Matthews was the coach who turned out Idaho's other All-American quarterback in 1923—Skippy Stivers.

Later, Matthews went to St. Louis U. and took Reget and Stivers with him as his assistants. When Matthews again moved, Reget assumed the role of athletic director at the Billiken institution, with Stivers as his assistant.

ODDS and ENDS

Buck Bailey of Washington State and our own "Twoggie" probably afford the best comedy relief of any of the northern division baseball coaches. While Twogood has yet to really become aroused on the local diamond, the Cougar coach demonstrated his ability last Tuesday with a vicious kick on the water bucket. Wonder if "Cap" Horton has billed the Pullman school for the cost of the bucket?

Coach Art Resse's Cheney Savages are going to pull quite a few surprises on the boys in tomorrow's conflag. Usually regarded as more or less of a set-up, this year's E.W.C. outfit has a second quarter miler, and some pretty good sprinters, hurdlers and a pole vaulter.

Right now, Emery Howard looks like the best bet Idaho has had in the pole vault for a couple of years. The husky sophomore has cleared 12 ft., missed 12 ft. 6 in. by the skin on his chest, and is working hard for a new Vandal pole vault record. We tab him to go 13 ft. before he is through with inter-collegiate track and field.

While there has been no official announcement as yet, it is safe to assume that one of the California stations will broadcast at least part of the Fresno Relays. Last year, the Sacramento Bee station did the honors. High schools compete in the classic today, junior colleges will strut their stuff tomorrow afternoon, and the intercollegiate events get under way about 7:30 tomorrow night. Might be worth listening to.

Vandals Drop Ball Game To Bailey's Boys

Locals Tally Twice in First Stanza, but Throw Game Away with Errors

The Standings

	W.	L.	Pct.
Oregon State	7	1	.875
W. S. C.	5	3	.625
Oregon	4	4	.500
Idaho	3	5	.375
Washington	1	7	.125

Starting strong and ending strong, but woefully weak in the middle of the game, Idaho's baseball team dropped an 8 to 3 decision to Washington State in the second game of the "feud" series played on MacLean field Tuesday.

The Vandals started the first inning with Ramey, Atkins, West and Kramer getting hits on the first four good pitches made by Brannfors, Cougar hurler, and scoring twice. They ended the last with Wayne West stretching a single into a circuit trip on Holsclaw's error. But the rest of the game was so error-studded for Idaho that the Cougars were never seriously threatened.

Ramey, Atkins Score
With Ramey on in the first, Atkins singled and moved around to second on an error, with Ramey scoring. West singled and went to third when Kramer singled and advanced to second on an error. Atkins came home on the same play. West was put out trying to come home, and Spluzza and Hallberg grounded out, ending the Vandal scoring until the last inning.

Washington State scored twice in the second inning, once when Eastman came in on Atkins' error, and again when Pete Hooper looped out a homer. In the third, Mahoney circled the bases on Stoddard's error. Hooper doubled in the fourth and scored on a Vandal error, and Brannfors came in on Carlson's single.

Earl Gregory, Vandal hurler, continued to pitch good ball until relieved in the ninth by Ed Ranta. During three innings the Vandal support tightened, and the Cougars went scoreless. Idaho was unable to solve Brannfors' underhand style of pitching, however, and Washington State retained its lead.

West Scores On Error
In the eighth, Eastman scored again on Ramey's error, and in the ninth, Mahoney tripled to bring in Carlson. Idaho's last point came in the same inning when Holsclaw fumbled West's

drive to right field, and the Idaho second baseman came home alone.

The game was the second of the Vandal-Cougar four-game series. Idaho blasted Washington State 8 to 2 Monday with Merle Stoddard pitching.

Chess Men To Vie With W.S.C. In Sunday Games

Members of Idaho's chess club will have their first taste of intercollegiate chess tournament Sunday when they meet five chess stars from Washington State. The meet will be held at the Fiji house Sunday at 3 p. m.

"This is the first time that Idaho has ever tried to have tournament chess playing with any other college groups," said Owen Early, president of the local club. "Each team will have five men for the tournament."

Delegates Report AFCW Conference

The final general meeting of the Women's Athletic Association was held last Tuesday in the Women's Gym. Ruth Rhodes, president of W.A.A., Maria Raphael, vice-president, and Beth Bothwell, secretary, delegates to the American Federation of College Women conference, held recently in Pullman, gave a brief summary of the conference activities.

The last W.A.A. organized hike will be held Sunday, May 15. All women planning to attend must sign up on the W.A.A. bulletin board in the Ad building immediately. The hike will start at 2 p.m. from the Women's gym. Ruth Rhodes, president of W.A.A., announced.

Announcement was made that all tennis contestants should hand in their names with those of women with whom they played their two matches to Helen Sullivan, so that W.A.A. points can be recorded immediately.

WSC DEAN TALKS ABOUT MARRIAGE

Dean Otis D. McCreery, dean of men at Pullman, spoke on "Personality and Marriage" at the last meeting of the personality development course for this year Wednesday night. He brought out three main points in his lecture: prepare intelligently for marriage; choose wisely and live objectively; that is, don't be too self-centered.

Many of the 85 students who were present joined in the discussion by asking questions. The average attendance at the weekly sessions in this course has been around 75 persons, and the sponsors of the course are well satisfied with the results they have attained this year.

Idaho Debaters Discuss Peace

Idaho's debate team discussed Tuesday evening in symposium form of debate the problem—"How can we promote Industrial Peace in America?"—with the University of Washington debate team.

No decision was followed, no judges are used in this type of debate. Cliff Dobler and Roy Stark upheld the Idaho colors while Tence, Vincent, and Royal debated for the University of Washington. The Washington team was coached by A. L. Franke.

During the year the Idaho debaters have taken part in about 65 debates, having won about half of them.

Major trips made during the season included trips to Whitman; Linfield College at McMinnville, Ore.; College of the Pacific at Tacoma, Wash.; and Nazarene college at Nampa. Roy Stark and Cliff Dobler attended the Pacific Forensic League convention at Reno, Nevada.

Franson Elected Prexy of Guild

Doris Franson was elected as next year's president of Westminster Guild last Tuesday at a general meeting held in the Student Union building. Mary Harvey was named vice president; Dorothy Dyer, editor; Eleanor Axte, secretary; Ann Stoddard, treasurer; Lillian Mueller, music director, and Jean Baer, program chairman.

After elections, Mary Gauss gave a short talk about prominent Chinese women. Billie Hilliard spoke about Madame Chiang Kai-chek, the famous Chinese women's leader and her influence on national affairs.

A tentative date of May 24 was set for their annual picnic and installation of officers.

Pryor Prevues

Pryor concentrates on trombone but plays every instrument in modern dance band. His band leading father, Arthur Pryor, was first leader to popularize "slip horn."

Brings 13-piece orchestra to Moscow as part of Northwest tour. Plays at Natatorium in Spokane this week.

Received musical education early from father, but became actor because of mother's wishes. Left stage for movies.

Pryor's orchestra will play in Memorial gym for four hours, presenting solos and intermission show. Howard Green, male vocalist, and "Red" Hodgson, trick instrumentalist, featured in show.

Just finished appearance at St. Francis hotel in San Francisco, and Jantzen Beach in Portland. Opens next week in Phillip K. Wrigley's Paradise at Catalina island, off California coast.

Students May Go On Expedition

Two men from the University of Idaho may be chosen to participate in the exploration of the northern Navajo country in Arizona and Utah this summer, according to a bulletin from the Rainbow Bridge-Monument Valley expedition of New York.

The expedition, consisting of engineers, archaeologists, geologists, and biologists will work out from a base camp near the head of the Dogoszhi Biko, atop the high Rainbow plateau. Members of the party will explore, map and study an area of some 2,000 square miles in a remote country of mesas, canyons and deserts.

Biologists will seek rare mammals, birds, reptiles, and fish in the deep canyons of San Juan and Colorado rivers; geologists will make field studies of Navajo sandstone; engineers will map canyons and record locations of cliff dwellings and other evidences of prehistoric civilizations.

The expedition operates as a cooperative project and will include men from Princeton, Harvard, Chicago, Stanford, and other large universities.

We yield to the clamor for definitions by tossing these few to you:

Idaho State Patrol To Enforce All Traffic Laws

Curbing of reckless driving, speeding and enforcement of the law requiring dimming of headlights will be rigidly enforced by Idaho's 33 state patrolmen, according to J. L. Balderston, commissioner of law enforcement.

The patrol division has set out on an intensive safety campaign and officers will give a greater percentage of their time to maintaining a stricter patrol in the heaviest populated district from late afternoon until after midnight. The use

of proper hand signals is also being stressed in the drive against death on the highways.
