

## Jennings Will Orate; 3 Tickets Enter Politics

### Noted Alum's Talk To Highlight Graduation Events

Dale Secures Hollywood Writer; Millar Slated for Baccalaureate

Talbot Jennings, an Idaho graduate and former faculty member who now is one of the leading scenario writers in Hollywood, will deliver the commencement address on Monday, June 5, to the largest graduating class in the University of Idaho's 50-year history, President H. C. Dale announced today.

Baccalaureate speaker the day before will be Dr. James T. Millar, professor of religious education at the College of Idaho. Selection of both speakers was made and announced by President Dale.

Mr. Jennings will have the distinction of being the third Idaho graduate to serve his alma mater as a commencement speaker. First was Burton L. French, former Idaho congressman, in 1909. Ernest K. Lindley, Washington pundit and President Roosevelt's official biographer, was so honored in 1935. Mr. French returned last year. A further recognition for Mr.

### Student Majority To Try for C. S.

Civil Service Exams To Begin 9 O'clock Saturday At High School

Most of the 191 applicants for civil service examinations to be taken tomorrow morning—about 125 of them—are university students, according to Glenn Sanders, local postmaster. Exams will be held in the high school auditorium at 9 o'clock.

Previously scheduled for tomorrow, the state examinations for positions under the Robertson-Pittman act have been postponed until the middle of May in order to avoid conflict with the federal examinations. The date has not been set definitely, according to word from the forestry department.

Civil service examinations, to be held at 9 o'clock in the morning, will be for junior ratings in administrative technology, agronomy, bacteriology, botany, dairy husbandry, economics, engineering, entomology, examination assistant, forestry, geology, home economics, pharmacy, plant pathology, plant physiology, temology, range examiner, soil scientist, statistician, textile technician, and veterinary.

State examinations will be conducted for positions in state game farms, fish hatcheries, conservation offices, and research work under the Robertson-Pittman act. Similar examinations will be held in Wallace, Coeur d'Alene, Craigmont, Boise, Pocatello, Weiser, Burley, Challis, Idaho Falls, and Pocatello.

### McCarthy Becomes Forensic President; Five Men Initiated

Delta Sigma Rho, national forensic honorary, held election of officers and initiation Wednesday evening. New officers installed are Les McCarthy, president; Everett Van Slyke, secretary; and Clifford Dobbler, treasurer. Upperclassmen, selected for their participating in debate and oratory for initiation, are Leonard Arrington, Hubert Miller, Robert Mason, Everett Van Slyke, and McCarthy.

### Commencement Speaker

TALBOT JENNINGS (above), Idaho graduate who is now a Hollywood scenario writer, will deliver the University of Idaho commencement address June 5. Baccalaureate speaker will be Dr. James T. Millar, professor of religious education at the College of Idaho.

### Foresters Stage Banquet, 'Lil' Abner' Dance, Displays, To End Conservation Meet

Foresters spent a busy day yesterday conferring and banqueting, expect to wind up campus events in connection with Forestry and Conservation week tonight with a "Lil' Abner" dance at the Student Union ballroom.

Over 300 undergraduate members of the Associated Foresters and alumni from the entire state dined at the Student Union last night, heard E. V. Favre, lone forestry graduate of Idaho in 1914, now assistant regional forester at Ogden, speak on possibilities and problems of range management. Prominent footballer in 1914, Mr. Favre reminisced and then traced typical duties of forest rangers engaged in range management.

Asserting that range management foresters must be jacks-of-all trades to handle details of their job, he defined their responsibility as to protection of range resources and attainment of greatest income from grazing land, consistent with preserving it for future use.

Jim Caples presided as toastmaster. Associated Foresters sang, played xylophone numbers, gave skits. Orville Cary, general chairman, arranged details.

Dance Tonight  
Tonight at 9 p. m. foresters and the general public will attend a "Lil' Abner" "Dogpatch Style" dance at the S. U. B. ballroom. "Dogpatch," hill-billy costumes optional. A prize will be given to the most strikingly dressed couple, and a "Daisy Mae" is due to reign as queen of the dance. Dean Green's orchestra will play theme music, and decorations will feature "way-up-thar" atmosphere.

Patrons from the forestry faculty are: Dr. and Mrs. E. R. Martell, Dr. and Mrs. John Ehrlich, Dr. and Mrs. V. A. Young, Mr. and Mrs. E. W. Stark, and Mr. and Mrs. Ernest Wohletz. Jim Dick, decorations chairman; Jim Caples, in charge of tickets; and Bill Deshler, programs, assist Gardner. Under the direction of the

### Paul Fidler Scores Hole-in-One on U. Course

A hole-in-one on the university golf course's 210-yard No. 7 hole was the proud accomplishment of Paul Fidler yesterday afternoon.

Playing with Stan Hume, Stan Gagon, and Les Mackey, Fidler teed off the 210-yard hole immediately after another party had vacated the green—the little white pellet dropped in the cup.

"I'm going to keep the ball—frame it or something—for a souvenir," commented the new member of the Hole-in-One club.

Fidler's shot is the second recorded ace on the university golf course. Grant Ambrose turned the trick on the 145 yard No. 2 hole last year.

### Pres. Dale Plans Mid-West Trip To See Applicants

Executive Will Leave Saturday Morning on Tour Of Universities

President Harrison C. Dale will leave Saturday morning for the Middle West to interview applicants for faculty vacancies caused by the death last September of H. P. Magnusson, former professor of agricultural chemistry, and the resignation of Dr. A. B. Hatch, professor of range management, who is now director of the state game commission. He will also "scout" for capable men to fill minor instructorships for the 1939-40 college year.

President Dale will visit the University of Minnesota, University of Chicago, Northwestern university, University of Illinois, University of Missouri, and Purdue university.

Expressing approval of the interest being shown in the pageant, "The Light on the Mountains," which will highlight commencement day, President Dale said he was happy that so many undergraduates and alumni will be on the campus to view the spectacle, and that Talbot Jennings had been secured as graduation speaker.

President Dale will return May 10.

### Leonard Thrills Large Audience

Received by an enthusiastic audience, Miss Myrtle Leonard, former Metropolitan Opera company contralto, presented a concert recital in the university auditorium last night. She was accompanied by Prof. Hall M. Macklin.

Her program, in five groups, was as follows: 1. "When I Am Laid in Earth" (Purcell), "Alma Mal" (Randal), "Nebbia" (Respighi); 2. "Ewig" (Eric Wolf), "Er Ist's" (Hugo Wolf), "Urrlicht" (Mahler), "Ein Ton" (Marx); 3. "Beau Soir" (Debussy), "Mandoline" (Debussy), "Le Miror" (Ferrari), "Habenera" (Bizet); 4. "Voce di Donna" (Ponchielli); 5. "When I Shall Walk Alone" (Hall Macklin), "I am the Wind" (Hall Macklin), "In the Silence of the Night" (Rachmaninoff), "May Day Carol" (Arr. by Deems Taylor).

forestry school, a vivid display of phases of the school's work has attracted much attention from students and visiting woodsmen in the Student Union lounge this week. Ralph Sickles, taxidermist and freshman in zoology, mounted birds and animals of Idaho for one display; forest service implements and instruments are shown in the "Prevent Forest Fires" section.

### Round-up Program Promises Fun, Recreation

350 Alumni Expected Saturday at Hayden Lake; Events Extensive

Alumni Secretary Gale Mix today announced the program for Saturday's Inland Empire University of Idaho Alumni round-up at Hayden lake at which 350, possibly 500 former students are expected. The extensive program gives promise of a day of recreation and renewing old friendships.

A prelude to the round-up will be playing by the university band at the corner of Fourth and Sherman streets at Coeur d'Alene from 11:55 a. m. to 12:15 p. m. This will be followed by the golf tournament, which opens at 1 p. m. and will probably continue until 5:30 o'clock.

Plan Banquet  
Under the baton of Director Bernard Fitzgerald, the university band will present a concert from 5:30 to 6 p. m. at Bozanta tavern, Hayden lake. The banquet will follow from 7 to 9 p. m. at which speakers will include President H. C. Dale of the university and Head Coach Ted Bank Glenn Exum, former prominent campus musician, and now music instructor in the Kellogg schools, will lead singing of Idaho songs.

Dancing will follow the banquet.

Alumni from Washington, Montana, and Idaho are expected at the round-up—biggest alumni event in the history of the state, according to Mr. Mix. The alumni secretary anticipates that 50 from this vicinity will attend.

Mix also invited all Idaho seniors to the celebration, declared them welcome.

### U. S. Army Offers Grads Positions

Opportunities for several men to enter the regular army and the Marine corps will be offered to University of Idaho R.O.T.C. graduates, according to Lt. Col. Floyd Hatfield, professor of military science and tactics.

Three Idaho Reserve Officers Training corps honor graduates will receive a second lieutenant's commission in the regular army, the same rating that graduates of West Point receive. Selection of these men will be made upon recommendation of the president of the university and of the commandant of cadets after receipt of further selection details from the war department.

Colonel Hatfield estimates that approximately six Idaho graduates will receive training under the Thomason act which provides that 1,000 men shall be taken from the reserve corps each year and given a year in active duty. Fifty of these men will be given permanent commissions as second lieutenants.

The commandant of the Marine corps has invited the president of the university to recommend an honor graduate and an alternate for appointment as second lieutenant in the regular Marine corps.

### Band Leader

JACK FITZPATRICK (above), musical education major from Anaconda, Mont., and steady saxophonist, will direct Idaho's noted Pep band next year. He was elected to step into Bill Chase's shoes just before the musical good-will emissaries left on their North Idaho musical tour earlier this week.

### Pep Band Returns From Tour

Schools Give Band Members Enthusiastic Applause; 'Swing' Makes Hit

Returning last evening after a two-day tour of northern Idaho high schools, 23 Pep band members were elated by prolonged applause of students and courteous treatment shown everywhere. Adviser J. W. Barton and Director Bill Chase gave short talks at each appearance.

After playing at Post Falls, Rathdrum, and Spirit Lake, they lunched at Sandpoint. Unable to appear in Sandpoint's high school because of a previously scheduled attraction, bandsmen gave a street corner concert and noticed later that several cars of enthusiastic Sandpointers followed them north to Bonners Ferry, where they played at the high school.

Yesterday in Wallace, Kellogg, Mullan, Worley, and Coeur d'Alene, the band's swing numbers particularly drew plaudits.

### Xi Sigma Pi Taps Six Foresters

Four forestry upperclassmen and two instructors, both of the wood conversion laboratory staff, were formally pledged to Xi Sigma Pi, forestry honorary, last evening at the annual banquet of the forestry school.

Gilbert Doll, president, announced pledging of Dr. E. V. White and Prof. E. W. Stark of the faculty and Wilfred Stevens, Ralph Reid, Eamor Nord, and George Nietzold, upperclassmen.

Chosen best all-round forestry senior for the year 1938-39 was Cliff Windl, Associated Foresters president, who came to Idaho from Wyoming. Windl will be awarded a junior membership in the Society of American Foresters.

### Non-Partisans Pick Young; Givens, Olson Nominated

ASUI Election Waters Churn Toward May 4; Candidates Listed

Three separate parties in the field for ASUI elections May 4 were synthesized today into the bombshell factor upholding campus politics' tradition as being an ever-recurring stormy petrel. All three tickets were submitted by petition to Tom Mercer, election board chairman—the last and surprise package of the lot, this morning; that was a newly-formed party calling itself, "Non-Partisans."

Listed on the new third party was Howard Young of Wallace, running for the ASUI presidency. He was not accompanied by persons in quest of executive board seats, although he indicated to Mercer that a list of board nominees might be submitted before petition deadline tonight.

Experienced Men  
Ray Givens, Boisean, was nominated for student body president by the United Students party. Givens, a sophomore in the law college although a fourth year man in the university, has served on the executive board this year.

Another executive board man, Walter Olson of St. Anthony, heads the Independent party slate as the presidential nominee. Olson has participated in hallmen's political strategy for three years.

Authoritative sources opined this morning that the entrance of the third party in the field was occasioned by a rift between Olson, who has been the recognized Independent party leader—and Young, who managed this year's Junior week as general chairman. Young—disgruntled, it is said, by the Independent party's offer of nothing more than an executive board nomination—bolted the Independent ranks, organized his own supporters, and has undertaken the race for the presidency.

Interested observers pointed today to the fact that Young's name still appeared on the nominee list for executive board which the Independents relinquished to the Argonaut last night. The Non-Partisan voiced formal rejection of his inclusion on the Independent roster, however, Mercer said, when he proffered the third party petition this morning. The Olsonites had not named a man to take Young's place at noon today.

Following are the United Students and Independent executive board candidates:

- UNITED STUDENTS
- Art Swan
- Eddie Lowe
- Fred Zamboni
- Fae Harris
- Ann Maguire
- Bill Tomlinson
- John Rupp
- Carl Killian
- Bob Galbreath
- INDEPENDENTS
- Willeen Shaver
- Mary Alice Grant
- Virginia Tweedy
- Bill Currier
- Bill McGowan
- Keith Greaves
- Ray Clark

### Two-Day Trip Interests Journalism Majors

Sixteen advanced students in journalism returned last night from a two-day field trip to Spokane where they studied promotion and advertising, inspected the latest developments in printing methods. Prof. Elmer F. Beth accompanied the group. An appearance on radio station KGA in a symposium interview featured the trip.

### Library Exhibit Shows North Wild Flowers

Pictures of North American wild flowers, from a collection prepared by the Smithsonian Institute, including several pictures of flowers from this locality, are on display in the library. Pictures will be changed twice a week, according to library officials, in order to display as many as possible.

## Proposed Constitutional Amendments

(Editor's note: following is a list of ASUI constitutional changes which will be placed on students' ballots May 4 at the annual student body elections. They represent changes in the method of appointment of Gem of the Mountains editors and business managers and the salary of the Gem business manager, changes in the wage scale of the Argonaut business manager and managing editor, and the addition of news editor and sports editor positions on the Argonaut as paying jobs.)

These constitutional amendments have been passed by the ASUI executive board. They will become effective if approved by a two-thirds majority of the students voting next Thursday. They are of vital importance to the operation of student publications, and should be thoroughly examined by all Idaho students.)

Article II of the By-Laws shall be amended to read as follows:

**Section 1. PUBLICATIONS BOARD.** There will be a Publications Board consisting of the following permanent members: (1) the president of the ASUI, (2) a member of the executive board approved by the president of the ASUI, with the approval of the executive board, (3) the professor of journalism, (4) the graduate manager, and such temporary members as are hereinafter provided for. It will be the duties of this board to select, from nominations made by the editors and business managers of their various publications, the managing editor and assistant business manager of the Argonaut; the editor and business manager of the Gem of the Mountains; the editor and business manager of the Blue Bucket. Before such appointments are made the board must have in its hands a certificate from the Registrar approving the scholastic eligibility of each candidate. All appointments for the Argonaut will be made within two weeks after the general ASUI election in May. Appointments for the Gem of the Mountains and Blue Bucket will be made before the first regular ASUI executive board meeting in March.

**Clause 5**—The managing editor of the Argonaut will receive a salary of \$2.50 for each issue published during his term of office, such salary to be paid semi-monthly.

**Clause 11**—The Argonaut editor, at the beginning of the school year, will appoint, subject to the approval of the executive board, a sports editor and news editor and shall define their duties.

**Clause 12**—The sports editor and news editor will each receive a salary of \$1.50 for each issue of the Argonaut published during his term of office.

**Clause 11 to become Clause 13.**

**Clause 12 to become Clause 14, and to read as follows:** The business manager of the Argonaut will receive a salary of 15 per cent of all monies collected for advertising with the exception of that collected from advertising placed through national or other agencies.

(Ed. note: the above amendment is intended to reduce the salary of the Argonaut business manager. Also on the ballot will be a question on which students are to vote—whether this amendment, if approved itself, should take effect in September, 1939, or September, 1940.)

**SECTION III. GEM OF THE MOUNTAINS.** The Gem of the Mountains will be administered by an editor and business manager under the following provisions:

**Clause 1**—The editor and business manager will serve with vote on the Publications board when that body is making appointments for the Gem of the Mountains.

**Clause 2**—The editor will be selected by the Publications board from the three assistant editors.

**Clause 3**—The editor will appoint, subject to the approval of the executive board, at the beginning of the school year, three assistant editors and define their duties.

**Clause 5**—The business manager will conduct the affairs of the Gem of the Mountains subject to the general control of the graduate manager, under the following provisions:

**Clause 6**—The business manager will be appointed by the Publications board from the three assistant business managers.

**Clause 7**—The business manager, at the beginning of the school year, will appoint, subject to the approval of the executive board, three assistant business managers, and define their duties.

**Clause 8**—The editor of the Gem of the Mountains shall receive a salary of \$200 per year, payable after the delivery of the Gem.

**Clause 9**—The business manager shall receive a salary of 1 1/2 per cent of the price of each book sold.

**SECTION IV—THE IDAHO BLUE BUCKET.** The Idaho Blue Bucket will be administered by an editor and business manager under the following provisions:

**Clause 1**—The editor and business manager will serve with vote on the Publications board when that body is making appointments for the Blue Bucket.

**Clause 2**—The editor will be selected by the Publications board from the three assistant editors.

**Clause 3**—The editor, at the beginning of the school year, will appoint, subject to the approval of the executive board, three assistant editors and define their duties.

**Clause 6**—The business manager of the Blue Bucket will conduct the business affairs of the magazine subject to the general control of the graduate manager under the following provisions:

**Clause 7**—The business manager will be appointed by the Publications board from the three assistant business managers.

**Clause 8**—At the beginning of the school year the business manager will appoint, subject to the approval of the executive board, three assistant business managers and define their duties.

### DEPARTMENT OF RIFLE MARKSMANSHIP

**ARTICLE 7 will be amended to read as follows:**

**Section 1—MANAGER.** The department of rifle marksmanship of the military department as it is concerned with intercollegiate competition in marksmanship, will be an official department of the ASUI, administered by a student manager under the general control of the graduate manager. The student manager will be elected by a majority vote of the members of the marksmanship team at the close of each season.

**Clause 2—RECEIPTS.** All monies received from marksmanship competition shall be turned in to the ASUI treasury.

**Clause 3—AWARDS.** To the 10 men of the rifle squad making the highest average scores throughout the current year, each man having competed in at least one half of the scheduled matches, will be given a minor sports award, with one gold stripe 1/2 inch wide on the left sleeve of the sweater for each year the award is won—provided, however, that only three awards shall be given. Competition is open to all members of the Associated Students.

**Clause 4**—The marksmanship insignia will be the same as that for minor sports with the exception there shall be superimposed upon the insignia two crossed rifles 5 inches in length.

(Ed. note: the above provision, if passed, will give rifle marksmanship the status of a minor sport.)

Fats woke up this week with a bad case of the pip—you can stop laffin', tho 'cause I'm not ready for crepe hangin' yet. While I'm still in the usual coma, I might suggest that Alois Truskowski is goin' to get married to Helen Henely, but I won't cuz Fats thinks they're already married.

An' now we'll have one moment of silence to commemorate the deal between Lucille Short and Michael Weyer—they are goin' steady.

Oh yes! Will the fella who is goin' out with Phyllis Ottenheimer on April 29 please call and leave his name, as I hear the lil' gal is no end mixed up.

Why is Dal Ostrom hoardin' his charms? I'd like to think up a reason, but the only logical one is that he has a swedie ta home.

I saw Pete Lane turning his attention to Marge Kingsbury last week-end—that is, while Marge wasn't giving her's to "Barnyard" Fowles.

Here's another purty tricky suggestion for the men only—take your gal to the arboretum and recite poems—everybody's doin' it—or am I runnin' out of suggestions?

The Pep band went tourin' off without Max Kenworthy the other morning, and I hear the air was definitely blue for some time. Speakin' of our prey reminds me that he is bein' seen more and more with Beth Bothwell. As to the remaining doin's on this campus I must be a lil' reticent.

### What is your I.Q. on Style? (For Men Only)

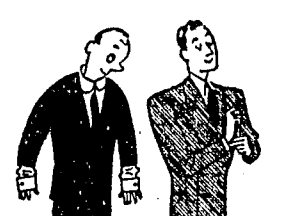

White handkerchiefs should always be worn with white shirts.

YES NO

Answer: Although white handkerchiefs are perfect with white shirts, there's a steadily increasing trend toward colored handkerchiefs that harmonize or contrast with your tie. Arrow handkerchiefs, 25c up. Arrow ties, \$1.00 & \$1.50.

Q. How close to ground should trousers hang?

A. Pegged trousers should hang just low enough to touch your instep at the bottom laces. Straight-cut trousers should touch the bottom lace and the back of the toe cap, and should have one slight "break" above the instep.

Shirt sleeves should fall below the cuff of your suit coat.

YES NO

Answer: Yes, from one-quarter to three-quarters of an inch of your shirt cuff should show beneath your coat sleeve. And the best shirt to show is an Arrow. \$2.00 up.

Q. Is there such an animal as a comfortable pair of shorts?

A. There is... and they're Arrow shorts. Arrows haven't the center seam you find in so many shorts—the seam that makes shorts chafe and ride up. Arrow shorts, 65c up. Undershirts, 50c up.

# Spikesters Play Underdogs In Clash with Cougars

## Idaho Cinder Artists Expected To Tally in Jumps, Weights, Distance Runs

Vandal scanty-clads tapered off training this afternoon for the Idaho-Washington State meet set for Pullman tomorrow at 2 p. m. Though the Vandal team lacks the strength of a year ago when they defeated the Cougars, the Idaho lads are expected to push the Cougars in several events, including the jumps, weights, and long distance runs.

Coach Mike Ryan this morning predicted his men to place in nine of the events, though the places would not be high. Al Flechtner, Idaho ace high jumper, would probably take a first in the high jump.

Vandal chances in the quarter mile were nipped when Maurice Young put away his togs and drew baseball equipment for the balance of the season. His loss is also felt in the mile relay team, which at the opening of the season appeared to have excellent possibilities.

Men named by the Idaho coach to travel to Pullman are: Wesley Lathen, Phil Leibowitz, Bob Neal, Dick Slade, distance runners; Douglas Bushy, hurdler; Flechtner, high jumper; Dave Ellison, shot; Emory Howard and La Vern Bell, discus; Charles McHarg and Ben Ryan, pole vault; Paul Ryan and Ray Schultze, javelin, and Carce Wood and Ned Bowler in the jumps.

Russell Yorgesen, who fell in the high hurdles classic at Corvallis a week ago, is still nursing injuries to his knees and elbows. Gerald Elder, quarter miler, is off the squad with a weak ankle. Yorgesen may compete Saturday, but Elder is definitely out of the lineup, Ryan said this morning.

Paced by Curt Ledford, Bill Pettichord, the Orr brothers,

Clyde Wooten, Bill Dale, and Dixie Garner, the Cougars will field one of the most powerful track and field teams in the country. Well rounded in all events, Coach Carl Schlademan's crew were installed this morning as heavy favorites to defeat the Vandal crew which has been weakened by injuries and early season flu attacks.

### Coach Bank Merits Local Cash Award For Safe Driving

Coach Ted Bank has been named local winner of a cash award offered by the Hartford Accident & Indemnity company to car owners who have driven for the past year without having an accident causing injuries to any person or property damage. A check for his award was presented Coach Bank by Harold Cornelison, representative for the Hartford, who complimented him on being the first local person to benefit under the safe driver reward plan adopted by the company last year.

Barring cloud and fog, the constellations of the big and little dippers and of Draco the dragon are visible at any hour of night throughout the year.

Alaska authorities predict gold production this year will exceed \$25,000,000.

## Bank Announces Starting Line-up For Spring Game

Still in search of a snaky-hipped halfback, Coach Ted Bank will run his cohorts through their first full-length, intra-squad game tomorrow afternoon at 1:30 o'clock.

Starting lineups for tomorrow's clash between the Blues and the Whites were announced this morning by Coach Bank. Opening the game for the Blues will be George Whitlock and Woodrow Peterson, ends; Tex Harrell and Bill Piedmont, tackles; Fred Rettburg and Leonard Zenkevitch, guards; Tony Aschenbrener, center; Dick Seiber, quarterback; Ralph Mensch, fullback; Savino Uberagua and Pete Hecomovich, halfbacks.

The Whites' starters are Milo Anderson and Chace Anderson, ends; Dick Tauber and Tex Therrel, tackles; Jack Donovan and Tony Kamelevicz, guards; "Chuck" Chandler, center; Ronnie Harris, quarterback; Clarence Rach, fullbacks; and Earl Acuff and Rudy Franklin, halfbacks.

## Celebration Set For Centennial

Idaho will step into the centennial celebration of baseball May 5, when Idaho meets Washington State in Moscow, by celebrating her semicentennial in the national sport.

Though the Idaho student body was small and didn't boast enough men students to form a full nine-man team, the majority of the men participated in baseball, either with the Idaho faculty or with the Moscow town team 50 years ago. Back in those days the prep school and the few university students joined to form, the athletic teams for the University of Idaho.

Most memorable of the Idaho representation on the town baseball team was the pitching of G. P. "Gub" Mix, former lieutenant governor of Idaho, and a Moscow resident. He was noted for his pitching ability in those days, played for several Moscow town teams composed of other university students and townsmen. First baseball team composed of all Idaho students did not make its appearance until the spring of 1899.

The first baseball team included Mix at the pitcher's mound; Hal Orland, Moscow hardware dealer, catcher; Graduate Manager George E. Horton, outfielder; Tom Jenkins, second base; J. A. Gibb, first base; John L. Miller, third; Robert Swadener, short stop; P. L. Orcutt, pitcher; W. N. Gibb, outfield; Fred Hammond, outfield; with Henry Rowton and Lou Hanley, utility, men.

## Courtmen Engage Oregon, O.S.C.

Victorious in their first conference, start against Washington State last Saturday, Vandal net stars play hosts to University of Oregon this afternoon and Oregon State tomorrow in northern division conference matches. Idaho eked out a 4 to 3 victory over the Cougars Saturday.

"The team has been showing up well in practice this week," Coach E. R. Martell said yesterday. "Our chances against either team are about even. Both colleges will show strong teams."

Both doubles and singles matches will be played in the afternoon. Lodi Morrison and Morrison James and Edwin Knowles and Harold Fiske will compose the doubles. James, Fiske, Knowles, Keith Lange, and either Burt Clark, Morrison, or Gordon Michels will compete in the singles. Challenge matches have been in progress this week; all singles positions are not definite.

## 4-H Club To Meet Here For Summer Course

While most of the 4-H clubs in the United States are sending representatives to Washington, D. C. for the 13th national 4-H club camp, June 15 to 21, about 500 Idaho club boys and girls will gather for their annual short course on the campuses of the University of Idaho, and the Southern branch in Pocatello.

This year marks the 25th anniversary of the passage of the Smith-Lever act which sets forth the work of the Extension service. Recognition will be a part of the national camp program, according to local officials.

## Idaho Drops Two Games To OSC Diamondmen

Idaho's baseballers, although they recovered from a case of jitters apparent in the previous day's debacle, were again defeated yesterday by Oregon State at Corvallis. The score was 7 to 3, as compared to 23-14 Wednesday.

Both Merle Stoddard of Idaho and Shaw of O. S. C. had trouble in the first inning. Idaho scoring twice and O. S. C. three times, but thereafter both pitched well. Idaho did not commit an error, O.S.C. only one.

## Jacoby Sets Date For Prep Meets

Two high school track meets, May 6 and 20, have been scheduled for MacLean field, Glenn J. Jacoby, intramural and recreational director, announced this morning.

First meet will pit the high schools of District 2—composed of 29 high schools located between Grangeville and Potlatch—into district championship competition. Winners of individual events will receive ribbons; and the winning team, second best team, and high point man will cop trophies donated by local business concerns.

Second meet is one of three in the state to be held on the same day, others at Pocatello and Boise. Individual winners of the three meets will have their times compared, and the man placing the best mark in his respective meet will be declared the record holder for the year. Entered in the state at Moscow will be the winners of the meets in Districts 1 and 2—all high schools between Grangeville and the Canadian border.

## Golfers Travel To Meet Cougar Pellet Pokers

Seeking revenge from their 18 to 9 lacing last Saturday, Vandal varsity and freshman golfers journey to Pullman tomorrow to meet Washington State in a return match. In the previous match the doubles team of Bus Rossi and Louie Kramer eked out a 1-up victory, and Hud Nieman posted a 3 to 0 victory in the singles match play for the only Vandal triumphs.

"The team has been playing practice rounds on the Washington State course this week," Coach W. H. Boyer said. "All of the squad look good, and we should win the match tomorrow."

An 18-hole ladder tournament has progressed all week to determine team standings for the season. Several challenge matches are being made to boost individual standings for the Cougar match and the Oregon invasion May 6 and 7.

The varsity best ball foursomes will tee off in the morning in the first matches. Varsity and freshman match play will be played in the afternoon. Matches will be played over 18 holes.

Varsity divot diggers competing tomorrow are Harry Snead, Kramer, Nieman, and Bill McPhail. Two other varsity candidates will be picked from Bob Williams, Chuck Crowther, Jack Walton, and Bob Smith. The other two positions are not definite yet due to challenge matches which are not completed. Doubles teams will include Snead and Nieman, Kramer and McPhail. The others to be selected will compose the third doubles team. All six players will compete in the match play in the afternoon.

Freshman golfers who will meet the W.S.C. yearlings are Fred Lillge, John Rawlings, Corwin Davidson, Bob Driscoll, and Norm Larkin.

Vandal babes lost their match to W.S.C. Saturday, 7 to 4 1/2.

## Carl Lewis Thinks Flying Is Sport

Student Keeps Nerve After Crashing on Snake River Island

Carl Lewis, senior in electrical engineering, still thinks aviation is a good sport and has not lost his nerve even after crashing Lewis and Ralph Jordan, flying instructor, were forced down March 10 on a little Snake river island when their plane ran out of gas. Neither was hurt.

Lewis has now completed his eight hours of instruction and is ready to take his solo flight for a license as soon as the weather permits. He passed his physical examination with commercial rating—the highest in the scale.

"I think that flying is good sport, but not desirable as an occupation," he says. "Soon the airplane will be used as the automobile is now, though the department of commerce will more strictly supervise licenses. There was only one thing in learning to fly that frightened me—acrobatics. Most people have the same feeling. When you are up 3,000 or 4,000 feet and start turning and spinning—you get dizzy and can't judge distance—it gives you that 'old feeling.'"

Lewis' home is at Kuna; he lives at Willis Sweet hall.

## Frosh Ball Club To Meet Kittens In Opening Game

"I don't know much about the team's chances until after today's game," was Greenie Coach Bob Baldwin's statement this morning. "We haven't been practicing long enough to form any opinions, but it looks as if we'll have a pretty good defensive club."

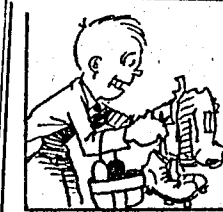

Vandal yearlings will cross bats with W. S. C. frosh at Pullman this afternoon. Saturday the two teams will tangle again at MacLean field. Two more games have been scheduled with the W.S.C. Kittens for May 6 and May 13. Probable starting pitcher will be Dick Snyder, big freshman basketball star. Bruce Brooks will start at the catcher's position; Reed Peterson will open at the first sack; and either Blaine Wishart or George Smylie will start at second.

Frank Rubin and Thomas Kinney are battling for shortstop, and Jim Patano and Sheldon Barry are leading third base candidates. Leonard Brooks, Dale Pollak, John Shreve, Jimmy Foster, and Bernard Roth are candidates for outfield spots.

## Cramer Emphasizes Medical Degree

Dr. Harold Cramer, university physician, spoke to Alpha Epsilon Delta, national pre-medical honorary, last night at 7:30 o'clock in Science hall. His topic was "What I Got out of Medical School."

He emphasized that a medical degree now "means something" because of the standardization of medical instruction. To him medicine is interesting, absorbing because associated so closely with human problems.

#### Idaho Set For A Jolt

Idaho fans who plan on journeying to Pullman tomorrow for the Vandal-Cougar clash on the cinderpath need not arouse any hopes of another Idaho triumph such as Coach Mike Ryan slapped on the Cougar crew last year. Chances for a Vandal victory are just about as strong as Boxer Jack Roper's were before he tangled with Joe Louis' siege guns. Probable outcome of the meet will favor the W. S. C. team about 110 to 21.

Allan Poole, only sprint hope, has left for an important field trip. Knowing that there was absolutely no chance for Poole to crash in among the galaxy of stars the Washington Staters will enter, Coach Mike Ryan refused to let the meet interfere with Poole's education, the main reason students go to a university. The quarter-mile event stacks up the same way. The 1 mile relay always has been a Cougar specialty since the Orr brothers, Ledford, and Bill Pettichord have been crushing cinders for Coach Schlademan. Idaho probably will not enter any event under the 880-yard run. Coupled with a forfeit in the relay, the Cougars will start the meet spotted about 35 points.

Competition, usually the reason behind athletic events, is tossed aside tomorrow. Track followers have known for several weeks that the Vandal cinder warriors are clearly outclassed. W. S. C. has a chance at national honors, while Idaho is the weakest it has been in several years. Why, then, was the meet ever scheduled? It certainly will be dull from the spectators' angle. It will hurt the morale of the Idaho team, and the shellacking the Vandals will have to take will not build up Idaho athletic prestige. Oregon backed out of her meet with the Cougars, presumably because of a conflict on schedules. Grapevine sources indicate it was because she did not want to take the same beating Idaho is going to get tomorrow. The Ducks played smart; there would be little use in tangling with the Cougars if the majority of Oregon's points would come in the pole vault—the only event where she was not outclassed. There is no interest, no sense in an unevenly matched contest. Only aftermath of a trouncing is a bad taste in the mouth of everyone connected with it.

Al Flechtner can win the high jump tomorrow. The big boy has been consistent at around 6 feet 3 inches all year, appears to have enough to outjump the Cougar's main hope, Don Bowsher. His ability to break into points in the broad jump and javelin are problematical.

Phil Leibowitz will have his hands full outdoing Dixie Garner, Clyde Wooten, and Bill Dale. Chances for Idaho points are much stronger here, though, than in anything under the half mile. Dave Ellison and La Vern Bell may slip through in the shot and discus; Emory Howard may grab a place in the platter throwing event.

Chuck McHarg and Darell Kerby are men who may surprise. They have a nice edge in the pole vault, and McHarg has been on the verge of a new Idaho record in the vault all season. Hampered with an injury in his leg, he has been forced to eliminate most of his practice work, but from the sidelines, he looks better than 13 feet soon. After that, you have listed just about all the Idaho points except for a possible place in the half mile, depending on Wesley Lathan's condition.

#### Break Old Precedent

A 50-year old precedent went by the boards last year when the I. C. 4-A postponed its annual track meet until June in order to allow California colleges to participate. Though some of the best track and field material in the world was entered, only a handful of spectators attended the track-field classic at Randall's island. This year the I. C. 4-A woke up, refused the Californians' wishes, will hold the meet on the last Friday and Saturday in May, as it has been held for 50 years.

Catch for Idaho and other northern divisioners is that they are playing sucker with a capital "S" for the so-called "big" three of the southern division. In order to allow Stanford, California, and Southern California to participate in the I. C. 4-A, the entire northern division suffers a disrupted schedule.

Of direct concern to Idaho students is the fact that tomorrow's massacre at Pullman should have been run at Moscow because the Vandals journeyed in 1938. Reason for the change was that Pullman fans would not get a chance to see their scanty-clads in action because of the advancement in date of the northern division meet to May 13 when the Cougars had another meet slated. Idaho was supposed to travel to Missoula for the Montana affair. Montana will come to Moscow, at additional expense to the ASU, to give Idaho fans a chance to see the Vandals, now that Coach Mike Ryan's crew must go to Pullman.

W. S. C. planned to enter the Drake relays, go after a national title, but that was abandoned when the Californians wanted the date of the Pacific coast meet moved up to permit them to enter the I. C. 4-A meet.

Continual dictatorial policies by the southern division of this conference is getting under the skin of many high "pooh bahs" in the North. We agree with them. The time has come for two separate conferences on the Coast.

During the afternoon a program of musical numbers and readings will be presented by Irene McDermott, Sibyl Birdwell, Helen Abbott, Gail Moore, Lois Stone, Kathleen Williams, Joyce Beadles, Anita Hammar, and Josephine Armstrong, members of the organization. Richard Gardner will present a group of violin solos.

**They Fill Cups**  
Dean Beatrice Olson, Mrs. C. W. Hickman, Mrs. C. W. Hungerford, and Mrs. H. L. Axtell will pour from a tea table decorated with spring blossoms.

In the receiving line will be the officers for next year: Delcie Humphreys, president and outgoing vice-president; Peggy Barr, vice-president; Irene McDermott, secretary; Mildred Bjorklund, treasurer; and Margaret MacQuaid, social chairman; and the outgoing officers: Helen Turnisky, president; Martha Boles, secretary; and Evelyn Moore, treasurer.

**Boles In Charge**  
Matha Boles is general chairman in charge of the tea with Peggy Barr, Lois Stone, Doris Hungerford, Dorothy Hall, Eleanor Axtell, Ethel Wolf, Evelyn Matz, Edna Mae Songstad, Kay Hickman, Norma Dieter, and Joyce Beadles assisting.

# 15 Women Go To Play Day

Representatives of the Women's Athletic association, 15 strong, will leave the Women's gymnasium tomorrow morning at 8:15 o'clock for a day of games and athletic activities in Lewiston as guests of Lewiston normal.

Women who will represent Idaho include Helen Campbell, Merl Delp, Verle Burstedt, Eleanor Axtell, Evelyn Quinn, Mary Alice Grant, Lucile Harrison, Beth Bothwell, Ruth Rhodes, Elsie Mae Stokesberry, Mary Anderson, Alice Rondeau, Flores Block, Mary Harvey, and Lela Coffin.

# MOSCOW'S FACULTY MAYOR

DR. HENRY C. HANSEN, first university man to be elected mayor of Moscow in the city's history, smiles broadly over the results of Tuesday's election. He defeated Homer E. Estes, former postmaster and mayor of two terms, by 91 votes out of 1,600 cast. Cameraman caught Dr. Hansen returning from his morning classes in dairying as he entered his home at 815 East Sixth street.

# Fraternities Elect Zamboni to Post

Fred Zamboni, Sigma Nu, was elected president of the interfraternity council for next year in a closely-contested election last night. Art Swan, Alpha Tau Omega, was chosen vice-president; Bob Davis, Phi Gamma Delta, secretary; and Bill Abrahamson, Sigma Alpha Epsilon, treasurer.

The council voted to establish an arbitration board to settle disputes over infractions of rushing rules. The board would be composed of a member of the law faculty, the dean of men, and the president of the council.

# 'Hard Luck Boys' To Initiate

The Eight Ball club, whose purpose is still a deep secret, will officially place 10 pledges in their proper positions tonight in an initiation ceremony. Initiates are Heinie Schuster, Homer Davies, Gene Long, Gerry Ridgeway, Ed Dakin, Ed-die Lowe, Gus Pene, Ralph Schmidt, Dean Green, and Ed Lloyd.

Election of next year's officers has been set for the next meeting, according to "Jeep" Everingham, president of the self-styled "hard-luck boys."

# THREE LEAD PANEL

A panel discussion on planning physical education programs was conducted by Beth Bothwell, Elena Slepcevic, and Ruth Rhodes Thursday evening at a meeting of all women physical education majors.

Mary Low, Fahrwald reported on a physical education convention she recently attended in San Francisco.

# Art Dep't. Will Exhibit 29 Canvas Paintings

Twenty-nine water color and oil paintings, done by Miss Denny E. Winters and by Herman J. Cherry, are being unpacked today by the art department to go on exhibition next Wednesday.

The canvases will hang in Room 109, Art building, until May 7. Hours will be from 2:30 until 9 p.m. each day of the exhibit. The public is invited to attend without charge.

# HONORARY TAKES BOYER

Alpha Lambda Delta held a special pledging for Ruth Boyer at Hays hall yesterday. Miss Boyer was in the infirmary at the time of regular pledging, according to President Ann Little.

# Guild Selects New Officers

Westminster Guild elected officers Thursday evening: Mary Harvey, president; Mary Alice Grant, program head; Anne Stoddard, vice president; Eleanor Axtell, secretary; Ellnore Finch, treasurer; Delcie Humphreys, key girl head; Mary Elizabeth Thompson, devotions; Katherine Ayres, music; and Elizabeth Bracken, publicity.

Dinner was served by the patronesses. Miss Harvey talked briefly on "Character Growth," and Ruth Mardahl spoke on Dale Carnegie's "Winning Friends in Connection with Character."

# Inspector Visits Business Group

Miss Elida Jensen of Salt Lake City, national inspector and former vice president of Phi Chi Theta, women's national business honorary, arrived on the Idaho campus for the first time Thursday morning for an inspection of the local chapter.

Miss Jensen will inspect chapters at Eugene, Corvallis, and Portland.

Miss Jensen had interviews with Dean Beatrice Olson, Miss Ellen Reierson, and Dean R. H. Farmer during the day.

Miss Jensen was present at an election meeting of the group at the Theta house. Installation of the officers for next year will be held at a luncheon meeting next Thursday. Officers to be installed Thursday are Marion Moore, president; Fae Harris, vice president; Frances Zachow, treasurer; Betty Robb, recording secretary; Inga Pearson, corresponding secretary; Maxine McFarland, social chairman; and Christine Nuckols, historian.

To Pullman tomorrow will go members of the group to be guests at a luncheon given by a local business organization.

# Grist from - -The Groups

Fathers and "fathers-for-a-day" of members of Kappa Phi, Methodist women's organization, will be entertained at a picnic Saturday afternoon on Moscow mountain from 3 to 7 o'clock. Softball, games, and the usual weinies and buns will be diversions of the afternoon.

Mrs. Hugo Johnson, adviser, is planning the affair and will contact Moscow men to act as "fathers" for women whose parent lives in other parts of the state.

# Tea To Honor Frosh Women

Approximately 200 freshman women and special guests will be entertained at tea Sunday afternoon at the Alpha Phi house by Spurs, sophomore service honorary.

Dean Beatrice Olson, Mrs. Herbert Wunderlich, and house-mothers of women's groups have been invited to the affair on which all present members of Spurs are working.

Members of all women's groups on the campus indicated their preference for next year's Spur members from their group yesterday. Two freshman women from each group will be tapped for membership in the organization during the A.W.S. May Fete May 13.

# Arvey Defends Hawk At Wildlife Meet

Speaking before the Latah County Wildlife federation Tuesday evening, M. Dale Arvey, university ornithologist, defended the good name of the hawk and owl family.

Arvey pointed out that many hawks and owls have received a bad name which they do not deserve, that only a few are destructive. He also remarked that hawks and owls are of great value in controlling insects and rodents.

# Pledges Banquet Curtain Members

Eight pledges entertained members of Curtain, local dramatics honorary, at a banquet Wednesday night at Hotel Moscow. After the banquet, pledges were initiated with a ritual revised by Bess Cuddy, former member and now secretary in the school of education.

Curtain, one of the oldest honoraries on this campus, has listed on its rolls several people who have continued their dramatics activities with outstanding success in after-college days. The most famous is probably Talbot Jennings, now scenario writer in Hollywood and author of the forthcoming pageant, "The Light on the Mountains."

Initiated were Elizabeth Cleaver, Ralph Woodward, Ava Lou Garlock, Denton Darrow, Margaret Frazer, Dick Reynolds, Melvin Westerdahl, and Dorothy McKinnon. Mrs. Grace Sollers became an honorary member.
