Working in the campaign to make Idahoans more Idaho-conscious with the presentation of the "Light on the Mountains" pageant June 3 are members of the physical education dancing classes and costumers experts from the home economics department, Prof. John Cushman, director of the far-flung pageant preparations, said yesterday.

Margaret Colburn, president of the home economics club, yesterday appointed eight women committee chairmen to supervise the job of preparing about 60 costumes for the pageant dances. Mary Hall will be general chairman for the work. In direct charge of committees will be Dorothy Whitney, Dorothy White, Alberta Burkman, Joyce Holte, Ruth Boyer, Gwyneth Bales, and Alberta Calhoun.

Sparkling costumes for the dancers will consume about 360 yards of material, all of which will be patterned and stitched by home economics girls under the direction of Prof. Margaret Ritchie, Miss Marion Featherstone, and Miss Louise Stedman. The work is scheduled for completion within three weeks.

Mrs. Ruth Manca, women's P. E. instructor, described a cycle of three interpretive dances, depicting three phases of Idaho's history: struggle, release, and rejoicing. Members of the dance group, 15 advanced interpretive dancing students, are directing; and over 50 will swoop and swirl in symbolic dance movements.

Yippee!

## Sigma Xi Elects New Members

### Twenty-one Men and One Woman Win Membership in Scientific Society

Elected to the Idaho chapter of Sigma Xi, national scientific society, at a meeting Monday are members and associate members were five faculty men, 16 student and graduate student men, and one graduate student woman.

Mrs. Roberta Hastings Upson, only woman associate member elected, is the wife of Joseph E. Upson, instructor in geology and a member of the society. Women members of the society, which carries the same prestige in the scientific field as Phi Beta Kappa has in colleges of letters and sciences, are rare.

Prof. Owens Honored  
Harry S. Owens, assistant professor of chemistry, was elected president of the organization for the next year. Dr. John Ehrlich, assistant forestry professor, was selected vice president. Prof. George Woodbury of the horticulture department was named secretary; and Dr. R. F. Dau-benmire, assistant professor of botany, was elected treasurer.

New members elected were William E. Colwell, instructor in agronomy; Glenn Holm, assistant professor of bacteriology; Prof. Clifford E. Lampman, head of the agronomy department; James C. Marr; and Elwood V. White, associate professor of wood utilization.

Taylor, Too  
Associate members were Boyd L. Bryant, Earl O. Evans, William Fischer, Bruce B. Galow, C. Wilbur Larkam, Volitto A. Luukkonen, Ronald H. McDonald, William M. Pierce, Charles E. Poulton, Edwin J. Ratajak, Lyman H. Shaffer, Lysle C. Schwendiman, Vance Thomas Smith, Paul F. Taylor, William B. Watson, and Mrs. Upson.

Inflation ceremonies for the new members will be held May 24 when Mark Kulp, assistant professor of agricultural engineering and retiring president of the Idaho chapter, will discuss "Errors in Deep Well Sounding."

'CHEN' TO SPEAK  
Prof. C. W. Chenoweth of the philosophy department will speak to the members of the International Relations club Thursday at 7 o'clock at the S.U.B.

## Ag. Show To Open Wednesday; 200 Will Take Part

### Largest 'Little International' Will Feature Parade, Contests

The brightest spot on the campus program this week with 200 students participating, largest show of its kind ever held on the Idaho campus in 26 years, the Ag. Students' "Little International" will begin tomorrow afternoon.

It will open with judging events and continue through the week, reaching its peak with a parade through Moscow Saturday afternoon and a large outdoor show under floodlights at the Sixth Street Recreation park Saturday night.

For the first time in the history of the event, the home economics division will participate. Sally Mitchell, senior in foods, is in charge of the displays and the float in the parade.

Little International Program  
Wednesday  
1 p. m. agronomy judging identification.

Thursday  
3 p. m. dairy products judging.

Friday  
1 p. m. poultry judging contest.  
3 p. m. dairy cattle judging contest.

Saturday  
8 a. m. plant pathology identification.

9:30 a. m. judging of fitting and showing of dairy cattle.  
10 a. m. judging of fitting and showing of horses.

10:30 a. m. judging of fitting and showing of beef cattle.

## FOR VOTERS—AN EDITORIAL

Thursday Idaho students will stop at student polls to vote on a list of ASUI candidates and, incidentally to most of them, a string of proposed constitutional changes. To the students who work on publications, however, those amendments' defeat or passage is of much greater concern than the election of officers.

Their passage spells a brighter future for one of the institutions which, on the face, is still controlled by the enrollers of this university—student publications. The amendments, as offered to the voters, have been written only after thorough study and have been approved by the ASUI executive board, representatives of the students.

Unfortunately, some persons are attempting to inject the mire of campus politics into these questions. The catch is that all political parties favor the passage of the amendments in their essence.

Most fundamental question is a reduction in the Argonaut business manager's now exorbitant salary. One question on the ballot will ask whether this salary should be reduced? The Argonaut editors think it should.

The next question will ask when the amendment, if passed, should take effect—1939 or 1940. The Argonaut does not commit itself on that point—it's a controversial one. Party powers should explain to their contingencies that the present assistant business manager was appointed a year ago to become automatically the business manager next fall. Should, then, the salary reduction be made to effect him? The latter question should be put to the students, but its answer should be left for students to answer on their individual ballots.

Another catch: if a student feels that the business chief's cut should not take hold until 1940 then he should vote against a proposal which would create two more paying jobs on the Argonaut editorial staff—sports editor and news editor. If he favors the wage reduction of the manager, he should approve the \$1.50 an issue payment to the sub-editors. In other words, the payment to the two editors, who now do more work than the business staff chiefs without recompense, will have to come from the amounts lopped off the business manager pay checks. The ASUI can't afford merely to create two more paying jobs on the Argonaut without the funds in sight.

## Exam Dates Change In Accord with Graduation

The advancement of the commencement date from June 12 to June 5 to facilitate the presentation of the huge pageant necessitates moving ahead final examinations, according to President H. C. Dale. Seniors' exams, however, start May 27 but must be finished by June 1. The revised schedule:

Saturday, May 27, afternoon; Monday morning and afternoon; Tuesday, holiday; Wednesday, morning and afternoon; Thursday, June 1, morning and afternoon; Friday, morning and afternoon; Saturday afternoon; Monday, afternoon; Tuesday, morning and afternoon; and Wednesday morning.

## Car's Plunge Kills Eileen Frost, Dick Leudeman

### Simple Ceremonies Honor Miss Frost; Both Bodies Left Sunday

The bodies of two university sophomores, Eileen Frost and Richard P. Leudeman, were started on their journey home yesterday after a simple ceremony had honored the memory of Miss Frost, who with the youth, died in an automobile accident a short distance east of Viola Saturday afternoon. Miss Frost's body is being sent to Salt Lake City, Utah, where her parents, Mr. and Mrs. Curtis I. Frost, reside; while Mr. Leudeman's remains were sent to Spokane, home of his parents, Mr. and Mrs. Arthur G. Leudeman.

Without Witnesses  
The students had been on a picnic and had stopped briefly a short distance up the road from the scene of the accident to chat with other students who were picnicking. They then started homeward and were found shortly after by the other students who were on their way

Assuming duties as state game director less than two months ago, Doctor Hatch was asked by the state fish and game commission to submit his resignation. The commission decided to replace him by a 3 to 2 vote Saturday.

Commissioners Walter Fiscus, Polatch, and Mike J. Botten-eill, Kellogg, threaten resignation from the board. Northern Idaho sportsmen are organized to forestall the rumored resignation.

Harold R. Harvey of Buhl was appointed acting director in place of Doctor Hatch. George E. Booth, commission chairman, said the change was made "in the interests of better cooperation."

Doctor Hatch, a graduate of Idaho and Harvard, joined the faculty in 1936 and was serving as professor of game management before he resigned to take over the state game directorship of the middle of March.

Doctor Hatch was responsible for the organization of Idaho's first technical game conferences held in Pocatello and Moscow last year. These meetings brought together all state agencies interested in wildlife conservation.

Blaine To Discuss Abstract of Title In Lecture Series

Sam E. Blaine, Boise lawyer and former assistant attorney general, will discuss in a series of lectures here beginning Wednesday "Examination of Abstracts of Title," according to Dean Pendleton Howard of the law college.

The well-known lawyer will lecture at 2 p. m. from Wednesday to Saturday in Room 324, Ad building.

# Students Will Ballot Thursday; Candidates Favor Outlook

## Ready at the Post

RAY GIVENS, the United Students presidential nominee, comes from Boise, takes law. His father is a state supreme court justice.

WALT OLSON, an Oakland (Calif.) product, carries the Independent party's banner. He takes political science. Olson has been an Independent wheelhorse for three years, appeared on that party's ticket frequently before. He is the party's chairman, as well as its presidential candidate.

HOWARD YOUNG, running for president on a Non-Partisan ticket, comes from Wallace, knows the ropes of a hard rock miner. He specializes in bacteriology.

## Commission Forces Hatch To Resign

### Fiscus and Bottenelli Threaten Withdrawal From Wildlife Body

Dr. A. B. Hatch, former professor of game management at the university, handed in a forced recognition as state game director Sunday and two of his backers threatened resignation as members of the non-partisan fish and game commission.

Assuming duties as state game director less than two months ago, Doctor Hatch was asked by the state fish and game commission to submit his resignation. The commission decided to replace him by a 3 to 2 vote Saturday.

## ROTC To Hit Deck For Early Drills

"Roll out, you Rookies!" Early morning drill will begin May 8 and last through May 17, Lt. Col. Floyd Hatfield announced today. Military will begin at 7:08 a. m. week days during that period and will require the attendance of all military students at each class.

The early morning drills are planned to whip the local R.O.T.C. unit into peak condition for its national inspection, which will be held on the local parade ground May 19. Plans are to hold last drill Wednesday, May 17, in order that the students may have uniforms prepared for the final inspection.

No early drills will be held on Saturday or Sunday of the week scheduled. Regular military classes will also be held at regular hours during this period; but after the inspection no classes will be held for basic students, only special conferences for advanced students.

Colonel Hatfield announced that black shoes and O. D. shirts will be required dress for all basic students and that cadet officers and Pershing Rifles will be required to wear white shirts and tan shoes.

Plans are in progress for having portions of the inspection photographed in color-sound movies.

## Bar Commission Plans To Give 20 Exams

State bar examinations for about 20 certified applicants will be given July 10, 11, and 12 in Moscow, Pocatello, and Boise, it was revealed Friday by the state bar commission meeting at Lewiston. Grading of applicants' papers will begin July 22.

## Large Group Takes Service Quizzes

### Examiners Administer Tests For Civil Service To 169

Relying on their four to six years' college background, 169 senior students, professors, and instructors, took a grueling six hour civil service examination in 15 technical fields Saturday morning in Moscow high school.

Examiners declared that it was the largest group ever assembled for civil service examinations at one time. The "quiz" lasted from 9 a. m. until about 3:30 p. m.

Because some examinations are given only once a year the student must know his subject, or wait another year for another chance. Following are the examinations given and the number who took them:

Alum To Manage Kansas City

Another University of Idaho man makes good! Eugene Zackman, 35, former resident of Emmett, is new city manager of Kansas City, Mo. He replaced the one appointed under the notorious "Boss" Pendergast, who was recently indicted for alleged income tax evasion.

A journalism student and a member of Kappa Sigma, the lanky Zackman was known on the Idaho campus for his lastitude and nonchalance. Leaving the university in 1924, he began work on the staff of the Kansas City Journal Post. He advanced steadily on that paper but resigned to become secretary to the mayor.

Zackman was famous on the campus for his antipathy for activity. It is said that he remained in bed on graduation day. When asked whether or not he was going to go for his diploma, he replied: "Don't worry; they'll mail it."

## R. FORBES IMPROVED

Robert Forbes is progressing slowly from a brain operation that he underwent a week ago, according to a letter received by Dr. C. O. Armstrong from Mr. Forbes' father. Forbes' doctors expect him to recover, but it will be a long, slow process, they state. The patient is still unconscious and probably will be for some time.

## Roper Takes Rule Over Elections; Tickets Revamped

### Election Board Lists New Faces; Students Eye Amendments

An Idaho student body election, whose preliminaries have yet shown no signs of the feverish skulduggery comparable with yesteryears, will be run off Thursday from 9 a. m. to 4 p. m., the polling hours. Students must present activity books to vote.

A change in the chairmanship of the election board; an addition to the Independent party's executive board ticket; and a change in the United Students' executive board list ranked campus political waters, otherwise calm.

Election Board Listed  
Jack Roper was approved by the executive board to succeed Tommy Mercer as election committee head. Mercer's removal was engineered by the Independent's executive board men; they questioned his responsibility. Some new faces will sit over the name lists Thursday. The complete election board follows:

Roper, chairman, Belva Budge, Rene McDermott, Bud Sanderson, "Dex" Whalen, Grover Knight, Bill Abrahamson, Aaron Blewett, Les McCarthy, Randolph Wahl, Wendell Eames, Gordon Radford, Carl Drake, June Vief, Harold Danfison, Charles Tiller, Jim Nixon, Alden Hull, and Marjorie Blood. Hal Thatcher and John O'Neill are alternates.

Roy Ramey, Vandal student athlete, was nominated by the United Students to replace Art Swan on the executive board ticket when it was discovered that the latter was scholastically ineligible to make the race. For the Independents, Orville Cary was picked to replace Howard Young, who declined the Independents' executive board offer to make the presidential race on a new Non-Partisan ticket.

Young will run unaccompanied by an executive board roster. The Non-Partisan contacted touring Vandal baseball players, "Babe" Caecia and "Chick" Atkinson, in Oregon Friday; the athletes wired acceptance of the executive board nomination, but the messages arrived too late to meet the constitutional deadline. The baseballers later—under pressure of Independent party correspondence, it was said—wired ASUI Chief Max Kenworthy notice of withdrawal.

Platforms Given  
All the ASUI presidential nominees—Young, Ray Givens, and Walt Olson—were confident of their election chances today. They submitted the following platforms and comments:

Young—Non-Partisan:  
"If elected, I shall execute the duties with a demeanor free from the hampering alliances of any greedy political party. Appointments will be made on a basis of fairness and ability. My chances of winning depend upon splitting both political machines. How many will vote individual choices, and how many will vote according to machine dictates?"

Givens—United Students:  
"I am in favor of the amendments which will appear on the ballot, because they aid in keeping student activity under control of students. If elected, I will widen the activities for ASUI and attempt to get more students, regardless of political creed, to participate in them. I am naturally pleased with being chosen by the United Students as their candidate for president."

Olson—Independent—advocate:  
Active participation of all students in ASUI affairs; open

## Beth Explains Slander To Rotary Club

"Slander on the Air" was discussed by Elmer F. Beth, assistant professor of journalism at the university, for Rotary club members at their regular meeting last night.

Mr. Beth's speech included the application of legal concepts of libel and slander to the newest medium of communication, the radio, with allusions to its application to the newspaper and the movies.

## - - To Know... Or To Think? - -

What engineer, forester, or other of the so-called undergraduate technicians has not perennially evinced and voiced displeasure, if not disgust, at being burdened with English, social science, and similar "general education" or background courses? They would take their technical doses straight. They would specialize.

Those technicians numbering among the 169 civil service aspirants who ground through some six hours of examination Saturday in 15 technical fields may today be able to justify generalized education. For the civil service quizzing was equally divided into general intelligence tests and technical examinations. Applicants were required to divulge, in addition to individual knowledge of their respective fields, their adeptness at thinking, their capacity for expression.

Fortunate were those who had not limited their college preparation to the confines of a trade school curriculum. Perplexed and disillusioned were those who had previously regarded English and social sciences as credit vouchers rather than informative, broadening courses. Perhaps they were among the many who chewed pencils through the intelligence examination, failed to complete it.

Opportunities are greatest for those who are sociologically as well as technically informed. Society places a premium on those who think in lieu of those who only "know." A generated idea is worthless unless aptly expressed, whether written or oral. A general education is a means to this end.

## Ox Road-- --Optics

Ready or not, here I kum! Preenin' their feathers 'n struttin' their stuff these days are the inflated members of the Independent party. Nobby roared Saturday night while party enthusiasts played vigorously. Leo Hammond and a table-full o' cronies were playin' extra hard, as were another bunch of the fellas who were ganged around the "Burlley flash"—he of the brilliant, green-checked coat and equally scintillatin' hat—you know who I mean!

Chuggin' in and out of a certain Moscow night spot, and up and down the street with gay abandon was our lil' Delt pledge, Ross (R. L.) Rowe. Looks as if the boys are breakin' him in right.

What poor fella was it whom Garnetta Barnhill took to the Kappa dance tuther night? Any-hoo, Fats noticed he was left downstairs in the Bucket during the intermission to wait for Garnetta to run upstairs and say a few words to Glen Whitesel, her new heart throb. Isn't that tender?

I'm not sayin' nawthin' about nawthin' right here 'n how, (maybe the Bucket will dare print it) but anyway, Fats knows about two sneak dates last Friday night and a ladder and a couple "8-ball" boys have got sunpin' to do with it.

Jack Forey looked all-glow Friday upon the advent of his lil' Idaho Falls jewel, Ruth Wilkinson, returnin' to the campus for a visit.

Been seen! Anne Little 'n Ralph Woodward chummin' a bit lately, too.

When John Banks, ex-ASU president, returned to the campus last Wednesday night, a lot-a celebratin' was done. Yea, verily! And that was the night the Kappas had visitors upstairs. Dick Fischer 'n John Rupp had similar intentions o' visitin' the Alpha Chi house the other night, but a dash o' cold water prevented that.

Mary Sullivan seems definitely to be Sigma Nu-minded. If

**KENWORTHY** — Tuesday to Thursday—

"Topper Takes a Trip," featuring Constance Bennett and Roland Young, is the sequel to previous Topper pictures.

As the title character, Mr. Young has a hate for a fortune-hunting nobleman, played by Alexander D'Arcy, and a yen for Constance Bennett, whose ability to "dematerialize" herself brings about many hilarious situations. On one occasion Miss Bennett and Mr. Young begin to dance, but about half way around the floor she decides to dematerialize. Young, because his eyes were closed, didn't know she was gone, and so danced steps that he had wanted to dance all his life but never had because no partner could follow.

A screwball comedy, good entertainment.

**NUART** — Wednesday to Saturday—

The story of "Broadway Serenade" is woven about the lives of Jeanette MacDonald and Lew Ayres, as husband and wife, who combine to form a piano and song team performing at cheap night clubs. Through a series of mistakes and bad breaks the husband hides in the obscurity of playing a piano in a five-and-ten, while the wife sings her way to fame.

Ian Hunter forms the third point of the triangle which finally wrecks their marriage, but the picture ends on a harmonious note with a reconciliation.

It's not Trevor Paige or Fred Zamoni, then it might be John Everingham.

Flash! It's happened at last! George "Little Lord Fauntleroy" Bremer has finally talked June Viel into goin' steady. Fats recollects that just about this time last year the lil' gal accepted a Beta pin; but he can't remember of "Pretty Boy" Bremer ever having been so definitely occupied. I'm goin' now!

## HOW FATAL ACCIDENT OCCURRED

TAKEN shortly after the crash late Saturday afternoon, which claimed the lives of Eileen Frost and Richard P. Luedeman, accompanying photographs depict how the tragedy probably occurred.

Above, the white line starts a short distance from where the car left the road, and traces its path to where it nosed into the far-side of a ditch, 8 feet wide, after it had clipped a fence post on the near bank where the three men in the foreground are standing. The impact into the ditch apparently hurled the occupants through the windshield and out the top, as the car rolled end over end for 25 feet. The vehicle evidently rolled on the students, crushing their skulls. Cross at top shows where the youth's body was found; that in the ditch indicates where Miss Frost was discovered.

At the side, Acting Police Chief George N. Sheffield points to where the windshield and top were swept away in the crash.

## 300 Alumni Gather At Hayden Lake For Conclave

Approximately 300 former students of the University of Idaho from Idaho, Washington and Montana attended Saturday Inland Empire University of Idaho Alumni roundup at Hayden lake, according to Dean Herbert J. Wunderlich, who represented Harrison C. Dale at the get-together.

The university band, directed by Prof. Bernard Fitzgerald, played at the corner of Fourth and Sherman streets in Coeur d'Alene from 11:55 a. m. to 12:15 p. m. An informal golf tournament opened at 1 p. m. and continued until later in the afternoon.

Dr. C. A. Kraus, professor of chemistry at Brown university and president of the American Chemical society, will speak to members of the Washington-Idaho border section of the society at an open meeting in Pullman May 8, Idaho's Prof. Harry S. Owen, councilor, said yesterday.

Dr. Kraus will visit the Idaho campus Sunday. He will speak on "The Influence of Constitution on the Properties of Electrolytes in Solution" in Room 214 of the Washington State chemistry building the following night. Non-members of the society are invited to the speech, which will begin at 7:45 o'clock.

## Tour Successful, Comments Dean

Dean of Men Herbert J. Wunderlich and Director George F. Tanner of the L.D.S. institute returned last week from an eight-day speaking tour of southeastern Idaho schools. After going through a chilly snowstorm on Gibbons pass, on the road to southern Idaho via Salmon, they were received warmly at all stops.

Dean Wunderlich said yesterday "We were pleased both by warm responses to addresses and conferences and by keen interest shown in higher education among high school students."

Reaching audiences of 27 high schools in as many towns, Dean Wunderlich and Mr. Tanner visited Ricks college in Rexburg and the Idaho southern branch in Pocatello. Dean Wunderlich made a morning appearance over Pocatello station KTFI, discussed values of college education.

Probability that the Publications ball will not be held this spring was expressed yesterday by Ed Lloyd, president of Press club, because there seemed to be no top-notch orchestra available. Final decision will be delayed in the event of a last-minute notice from booking agencies.

"We were angling for Artie Shaw," explained Lloyd, "but it looks as if he's out. Herbie Kay, Sammie Kay, Kay Kayser, and Dick Jurgens were also contacted, but we have only one agency left to report on those possibilities under the time deadline set."

# Montana Next for Tracksters; Cougars Win by Big Score

## Leibowitz Defeats Dixie Garner

Preparing for their fifth straight dual meet, Idaho's track and fielders slipped into practice work today for the meet scheduled for MacLean field Saturday with Montana's Grizzlies.

Though beaten by W.S.C. Saturday at Pullman, Coach Mike Ryan anticipated a Vandal victory in the forthcoming affair. Montana boasts strength in the flat events and the hurdles, the Idaho mentor said this morning. Led by Jack Emigh, rated one of the best sprinters on the coast this year, the Grizzly squad is expected to pile up points in these events.

Usual Vandal strength in the middle and long distance runs will prevail, with the weights and field events almost evenly divided. Final outcome of the meet may rest in the results of the mile relay, the last event on the program, as it did when the teams clashed two years ago.

### Leibowitz Whips Garner

Rolled under by a 95 2-3 to 35 1-3 score, Vandal spikesters, nevertheless smiled today as they recalled the record-breaking mile run turned in by Phil Leibowitz, sophomore Vandal, in trouncing highly touted Dixie Garner of Washington State Saturday. Running the event in 4:22.9 on a wind-swept track, the Idaho ace paced himself well, held off his challenge until the final lap, then turned on the heat to beat the Cougar entrant by nine yards. Leibowitz's time stands as a new Idaho mark, erasing his own record set earlier in the season at 4:25.

Darrell Kerby, another surprising sophomore, broke the second Idaho record at 12 feet 10 1/2 inches in the pole vault, which moves the old Idaho standard of 12 feet 9 inches. Al Flechter copped the high jump at 6 feet, and Dave Ellison, uncorrupted, 40 foot 2 5-8 inch heave in the shot to nab high honors in that event.

Minus the services of Allan Poole, sprinter and strong quarter miler, Coach Mike Ryan forfeited the dashes, quarter mile, and mile relay.

## Garner's Waterloo

PHIL LEIBOWITZ (above), sensational Vandal sophomore distance runner, defeated Dixie Garner of W.S.C. last Saturday in the 1 mile run, established a new Idaho record for the distance at 4 minutes, 22.9 seconds.

Following the smashing victory over the Cougar ace, Leibowitz moved into contention for Pacific Coast honors in the mile, took the spotlight away from Garner in Northwest intercollegiate competition.

## Divot Men Drop Match to W.S.C.

University of Idaho varsity and freshman golfers dropped their second consecutive match to Washington State's Cougars at Pullman, Saturday. Highlight of the day was a hole-in-one, scored by Merle (Swede) Miller, No. 1 Cougar player, on the 180-yard fifth hole. The ace was scored during the doubles match in the morning.

After losing 5 1/2 to 3 1/2 in the best ball doubles, the Vandal

varsity men were sunk 14 1/2 to 3 1/2 in the singles match play in the afternoon. Good scores were posted despite a bothersome wind. Louis Kramer was medalist for Idaho with a 75 in the morning and tied with his teammates, "Hud" Nieman and "Chuck" Crowther, with 77 in the afternoon. Miller won medal honors for the day with a 74 in the morning and a 73 in the afternoon.

Vandal yearlings dropped a 7 to 5 decision to the Cougar Kittens in the freshman matches. Fred Lillge of the Vandals and Gregory and Woods of W. S. C. tied for freshman medal honors with 78 each.

Oregon State college has areas painted on its sidewalks to indicate where students may throw them away.

## White Grid Aces Seek Revenge

### Blues Win Practice Tilt 26-24—Final Game Saturday

Smarting from a 26-24 defeat handed them by the Blues last Saturday, the White squad of Coach Ted Bank's football hopefuls dug in yesterday afternoon, determined to gain revenge in the final intra-squad practice game next Saturday, which will conclude the 30-day spring practice session.

"It is doubtful if the seniors can muster enough men for a game against next year's varsity material," opined the Vandal coach. "None of the graduates have shown up for practice sessions; so I guess we'll have another Blue-White battle."

Starting lineups for the concluding game will be the same that started last week. The game is scheduled to begin at 1:30 p.m.

Starting for the Blues will be George Whitlock and Woodrow Peterson, freshmen, ends; Bill Piedmont and Glenn Rathbun, tackles; Fred Retberg and Len Zerkovitch, guards; Tony Aschenbrener, center; Dick Sieber, quarterback; Savino Uberuaga and Pete Hecomovitch, halfbacks; and Ralph Mensch, fullback.

### Andersons at Ends

Whites' beginning lineup will be Milo Anderson and Chas Anderson, ends; Tex Therrel and Dick Tauber, tackles; Jack Donovan and Tony Kamelevicz, guards; "Chuck" Chandler, center; Ronnie Harris, quarterback; Earl Acuff and Rudy Franklin, halfbacks; and Clarence Rach, fullback.

"We're still short of good backfield men," Bank moans. "We've plenty of good linemen but only three halfbacks—Acuff, Franklin, and Uberuaga—and one quarterback—Sieber—who are of varsity calibre during spring practice."

Tackles are showing up well, according to the Vandal chief. Four lettermen—Tauber, Therrel, Piedmont, and Rathbun—are being pressed by a freshman numeral winner, Tom Solinsky, for starting positions on the intra-squad teams.

Fullback position will be bolstered next fall by the return of George Chrape, LaVerp Bell, and "Bull" Durham; but it is notably weak during spring drills.

## Kittens Defeat Frosh Horsehide Team 12-2, 13-7

Vandal baseball babes lost both games to W.S.C. yearlings over the week-end by scores of 12 to 2 in the game Friday and 13 to 7 in Saturday's game. In the second battle the Vandals forced the Cougars to 11 innings.

Saturday Glenn Carter, ex-Rogers high school star from Spokane, held the Kittens down until the 11th inning when they got to him for five hits and combined poor fielding by the Vandal Babes to score six runs.

Idaho started with a rush in the second inning by scoring six runs and led by a score of 7 to 6 going into the first half of the ninth, but the Kittens tied the score, went on to win.

In Friday's game, Dick Snyder started out by fanning eight of the first nine Kittens to face him, but again poor support led to the Vandal Babes' defeat.

Ahearn pitched for W.S.C. and allowed only two hits, striking out 12 men during the seven innings he pitched.

## Leibowitz To Run Two Mile Race

### Ryan Sees Future for Sophomore Star in Longer Distance

Phil Leibowitz, ace University of Idaho distance runner, has probably competed in the mile run for the last time this season, Mike Ryan, Idaho track and field coach said this morning. Leibowitz, who registered a win over Dixie Garner last Saturday, will put aside the mile run and take over the two-mile jaunt on the Vandal team.

In the two-mile event, Coach Ryan believes, Leibowitz will do his best work, after proving himself the best in the mile run on the Pacific coast by defeating Garner in a time of 4 minutes 22.9 seconds, which at the same time set a new Idaho record. The former record of 4 minutes 26 seconds, was set in 1936 by Cy Adkins.

Training at the two-mile distance, the Idaho ace will probably lower his time for the grueling race to about 9 minutes 15 seconds, Ryan believes. Already he has navigated the distance in 9 minutes 22 seconds, which is fast enough to place the sophomore Vandal in top competition on the Pacific Coast.

If Leibowitz shows the time improvement in the 2 mile event that he has shown in running the mile, Coach Ryan has mapped out Olympic hopes for the Brooklyn, N. Y., runner. Ryan feels that Leibowitz, with hard work, can place in the 5000 meter event—3 miles, 188 yards.

### Changes to Sprints

Adding to the versatility of Leibowitz, the Vandal mentor plans to place him in the 100-yard and 220-yard dashes, the quarter mile and anchor leg of the mile relay team against Montana. The Grizzly milers and 2-milers cannot compare with Leibowitz, so the events will be dropped to members of the Idaho squad who are more of a match for the Grizzlies. In taking over the sprints, Leibowitz will fill gaps left by Allan Poole, sprinter, and Maurice Young, quarter miler.

Poole, a senior in mining, has been called away from the campus on the annual senior field trip, and Young has given up track in preference for baseball. Gerald Elder, also a quarter-miler, is suffering with a bad ankle and will probably turn in his spikes for the season.

## Judging Teams Prepare For Spokane Tests

Members of 4-H judging teams from eight northern counties were on the campus Saturday morning practicing judging of livestock. Teams are preparing for the judging competition in Spokane May 10 and 11.

Under direction of W. L. Stephens, these teams come from Kootenai, Bonner, Benewah, Latah, Nez Perce, Clearwater, Lewis and Idaho counties. Each team is comprised of three members and an alternate. The boys judged cattle, beef, and hogs on the Idaho campus Saturday.

The moon's diameter is one-quarter that of the earth.

**JOHN DUPLICATES PAUL**  
John Rawlings, university freshman from Nampa, is the latest campus golfer to win the distinction of membership in the Hole-in-One club. Rawlings duplicated Paul Fidler's feat last Friday by dropping the pellet in the cup with a single shot on the same hole where Fidler scored his triumph.

Softball officials estimate attendance at games during 1938 at 100,000,000.

## Vandals Clip Huskies, Split with Webfeet

The Idaho baseball team looks today as if it might break all-even on its Oregon-Washington invasion. The Twogood horsehiders nabbed their second game in a row yesterday by a 5 to 4 victory over Washington in Seattle. They blanked Oregon Saturday, 5 to 0.

The triumph left the score three games lost and two won on the Vandals' current road trip with a sixth and final game to be played at Seattle today.

The Vandals jumped on Pitcher Chet Johnson of the Huskies early and scored three runs in the third and two in the fourth. Vandal Pitcher Merle Stoddard won his first game of the season. He gave up a run in the second and another in the third, then twirled five scoreless innings before the revitalized Huskies rallied two runs that fell just short of tying the score. Stoddard allowed nine hits.

### Gregory Blanks Ducks

In blanking Oregon in the second game of their series, 5 to 0, the Vandals broke even with the Ducks to gain revenge for the 6 to 0 shellacking handed them last Friday. Big Earl Gregory led the Webfeet to six scattered hits, while the Vandals manufactured nine hits into six runs.

In the first inning of the second game, hits by Don Metke, Wayne West, and "Chick" Atkinson combined with an error by Captain Ford Mullen of the Ducks, tallied two runs for the Vandals. In the third inning one run was scored on a walk to Hal Atkins, singles by Joe Spicuzza and Atkinson. Two untimely errors in the fifth frame by Mullen and an infielder's choice again scored Atkins for Idaho's fourth run.

### Metke Scores

Metke banged out his second hit in the ninth, finally scored on a "bunt" by "Bybe" Caccia and Wayne West's second hit of the day to end the scoring. Pete Iggoe, sophomore, was on the mound for the Ducks. Although pitching good ball, he had six errors by teammates lead to his defeat.

In Friday's game, Idaho did not fare so well, as Southpaw Bob Hardy, completely handcuffed the Vandals with only three hits for the Ducks 6 to 0 victory. Only one Vandal advanced past second base.

Whitney Jenkins started on the hill for Idaho and lasted until the seventh, when he was replaced by Ed Ranta. The Ducks got to Jenkins for all nine of their hits.

Vandals open their home season against the W.S.C. Cougars this Friday. This game will mark the 40th anniversary for baseball at Idaho. The game will be featured with prizes for firsts in home runs, triples, stolen bases, and other feats.

A.T.O. handed L.D.S. institute a 35 to 8 drubbing.

This afternoon Chrisman will play Lindley hall, Betas play Collegiate hall, L.D.S. meets the Fijis, Delta Tau plays Sigma Chi, Sigma Nu tangles with Delta Tau Delta swamped the Tekes 23 to 10; the Fijis out-slugged Delt Chi 18 to 10; and

## He Picks Carefully

AIMING AT the home run crown for Idaho's baseball team, Wayne West, three-year letterman, carefully selects his bat in the above picture before stepping up to the plate to line out a possible hit. Shifted from second to center field this year, West is expected to reassume the home run title he held two years ago. He will play against W.S.C. here Friday.

## Net Team Loses To Oregons

Losing to University of Oregon 6 to 1 Friday and Oregon State 7 to 0 Saturday, Idaho's tennis team suffered a double setback in Northern Division conference standings. Vandals claim a 4 to 3 victory earlier in the season over Washington State.

Oregon State made a clean sweep against the Vandals, capturing both the singles and doubles matches. In the singles events, Harold Fisk forced J. Pressley to three sets before he was defeated. Fisk and Edwin Knowles, Idaho doubles team, lost their first doubles match of the season when Cope and Strong of the Beavers ran the match to three sets before winning.

- Singles: R. Trouton, O.S.C., defeated Morrison, Idaho, 6-0, 6-1. Pressley, O.S.C., defeated Fisk, Idaho, 6-0, 4-6, 6-0. N. Cope, O. S. C., defeated Knowles, Idaho, 6-4, 6-1. J. Strong, O.S.C., defeated Gordon Michels, Idaho, 6-4, 6-1. J. Solter, O.S.C., defeated Burt Clark, Idaho, 6-1, 6-1.

- Doubles: Trouton and Pressley, O.S.C., defeated James and Morrison, Idaho, 6-1, 6-4. Cope and Strong, O.S.C., defeated Fisk and Knowles, Idaho, 2-6, 6-1, 6-0.

### Oregon Wins

The Oregonians swept the singles matches and won the first doubles before the Idaho crew succeeded in gaining a victory. Keith Lange, Idaho, battled Rex Applegate three sets before going down in defeat. Les Wershkal, Oregon, defeated Morrison James, 6-3, 6-4; Leonard Clark, Oregon, defeated Harold Fisk, 6-3, 6-1; Richard Williams, Oregon, defeated Edwin Knowles, 6-0, 6-4; Dick Philippi, Oregon, defeated Arthur Michels, 6-1, 6-0; Rex Applegate, Oregon, defeated Keith Lange, 6-4, 5-7, 6-3. Wershkal and Clark, Oregon, defeated James and Morrison, 6-2, 6-0; Fisk and Knowles, Idaho, defeated Williams and Norman Welner, 7-5, 1-6, 7-9.

## Mural Softball Season Opens

Intramural softball, under the direction of Ray Kaczmarek, got under way last night with the playing of six games. League games will be played to determine the championships with the semi-finals scheduled for May 17 and 18, and the finals, May 22 and 24.

Tight games and slugfests marked yesterday's games. Idaho club nosed out Chi Alpha Pi 5 to 4, while Lambda Chi took a close 14 to 12 decision over the Campus club. In the other league games, Kappa Sigma defeated Sigma Chi, 25 to 16; Delta Tau Delta swamped the Tekes 23 to 10; the Fijis out-slugged Delt Chi 18 to 10; and

## I'm Running Unattached To The Voters:—

SHOULD a Student Body president represent the University of Idaho or his party's caucus? His duty, as I see it, is to administer student government for the benefit of all the students, regardless of their affiliations.

I recommend a merit system, not a spoils system, in the selection of appointive officers.

I oppose Greek dominance of campus activities. I also oppose the disguised greed of the Independent party's henchmen smirking behind the shield of a merit system—UNUSED. I object to the autocratic selection of candidates by the Independent caucus from members of that caucus. How many of the present Independent candidates for ASUI offices are non-caucuses members? Not one!

Political parties have caused an unhealthy breach—politically—between fraternity and non-fraternity groups. Already this breach is invading social, as well as political realms. For our university's sake, let's stop this iniquitous juggernaut—NOW! VOTE NON-PARTISAN!
