Rival Political Parties Ayer Support Of Both ASUI Election Amendments

Regents May Sell Store To ASUI, Dale Says

The university board of regents might be willing to turn Student Union bookstore over to an organization representing alumni and students, or either group by itself, President Harrison C. Dale wrote Harry Lewies, chairman of Student Union bookstore advisory board, this week. A student committee of Lewies, Ed Benoit, and Dick Still conferred with President Dale Friday and the statement was received Saturday morning.

and To Entertain at Halftime

A group of 70 students from Lewiston high school, including school band, twirlers, tumblers, and yell team, will entertain the students during half-time of the Idaho-Oregon basketball game Friday.

Accompanied by their principal, B. "Dunc" Branom, high school students will converge on Moscow Friday afternoon, present their program during the half-time period and then go to the Bucket ballroom where they will be guests of "Red" Jensen at the first Bucket dance of the semester.

The dance ensemble will play the Bucket Friday night during permission as a floor show feature, Jensen announced.

The rally committee last night reported a total income from the "Rock hop" Friday night of \$70, which will be divided equally between the Salvation Army and athletic fund. The fund, placed in the hands of Graduate Manager Mix, will be used as a reserve for financing half-time entertainments at football and basketball games, the committee announced.

WAA Will Choose New Officers

Election of second semester officers of WAA will be held today at 7 o'clock in the Women's gym. A slate of officers set up by the WAA election board are: president, Alta Mae Mullin and Myl Paynter; corresponding secretary, Helen Dittman and Helen Gorman; recording secretary, Ellen Jackson and Barbara G. G.

Treasurer, Virginia Newton and Mel Swayne; soccer manager, Jerry Stranahan and Kathleen Bodworth; volleyball manager, Ariel Axtell and Jo Schwenker; tennis, Marjorie Childs; pure sports, Pat Unternahrer. Nominations may also be made on the floor.

Appointive managers are: badminton, Beverly Weber; ping pong, Marie Lu Kloepfer; archery, Pat Kelly.

MEETING POSTPONED

The Westminster Guild meeting scheduled for today has been postponed until next Tuesday, according to Evelyn Langenwaller, president. The meeting will be held in the Bucket lounge at 7 o'clock this evening.

'Name? Address? Occupation?'

Sam Kaufman ponders the questions asked by Cadet Milton Eberhard, one of the 22 Scabbard and Blade members who acted as registrars for the selective service registration held yesterday in Memorial gymnasium. Cadet Wayne Hudson is in the background.

Helen Jepson To Present Well-Known Selections

Helen Jepson, well-known opera star who will appear here next Thursday evening in the Memorial gymnasium, started life selling phonograph records and is now in her sixth season at the Metropolitan Opera house. A few seasons ago, she made a highly successful debut opposite Lawrence Tibbett.

Miss Jepson, known to thousands of music fans as "Grand Opera's Glamour Girl" is a tall, golden-haired prima donna who arrives on time and keeps appointments and contracts.

"Good health, good fortune, and most of all, good hard work," declares Miss Jepson, "are what have helped me gain success."

Varied Program Planned.

Miss Jepson will present a varied program at her concert Thursday evening. For her first song group she will sing "She Never Told Her Love" and "My Mother Bids Me Bind My Hair" by Haydn, and "Concert Rondo, 'Alme Belle'" by Mozart.

Other selections to be sung by Miss Jepson include "An Eine Aeolsharfe" and "Lied Vom Winde" by Hugo Wolfe; "Wiegenlied" and "Ungeduld" by Schubert; "Funeral March of a Statesman" by Lord Berners; "Homage to Ravel" by Honegger; "Danse" by Debussy.

"Automne" by Faure; "Le Faune" by Debussy; "Vocalise" by Ravel; Aria; "Il Est Doux, Il Est Bon," from "Herodiade" by Massenet; "Rapunzel" by John Sacco; "To an Invalid" by Walter Golde; "Nostalgia" by Lamont; and "Journey's End" by Mason.

Savage To Head Curtain Club

Dennis Savage was elected president of Curtain, dramatic honorary last week. He succeeds Gayle Manion. The election of other officers was postponed until the next meeting.

Students To Vote At Assembly On Two Proposals

Both United Students and Independent parties have gone on record favoring the two emergency war amendments that will be voted on by the student body at a special assembly Thursday at 11 a.m. in the auditorium, party leaders reported at special executive board meetings Saturday afternoon and last night.

ASUI President Milton Eberhard announced last night that the nominating assembly scheduled for Wednesday night and the election board examinations scheduled for Wednesday night had been cancelled indefinitely.

Eberhard emphasized that ASUI books are necessary to vote on the amendments at the assembly. The books will be checked when students enter the auditorium, and a ballot will be given. The ballots will be collected at the end of the hour.

Fourth Period Omitted.

Fourth period classes have been dismissed for the assembly, President Harrison C. Dale announced. Both party caucuses met last night, but neither nominated candidates for the class and executive board elections that will be necessary should one of the two amendments be defeated. The amendments are designed to save (Continued on Page Three)

"Skip" Tickets Go On Sale Soon

Tickets for the annual Spinsters Skip, sponsored each year on Washington's birthday by members of Mortar Board, will go on sale the end of this week in all women's houses, according to Marion Heath, president. Programs will be distributed when the ticket is purchased.

Sales are being handled by Mortar Board members, assisted by members of Cardinal Key in women's residences where there are no Mortar Board members.

A skit advertising the dance will be presented at all women's residences during the dinner hours Tuesday and Wednesday.

Red Jensen's band will play for the Skip, which will be a matinee dance Monday afternoon, an all-university holiday. Following campus tradition, women will call for their dates, take them to the dance, dinner, and a movie.

Mortar Board members emphasized that new clothes are not being stressed this year.

Men May Try Out For Rifle Group

All men who were guests at the Pershing Rifle smoker last week are invited to try out for membership in the unit tonight at a meeting to be held in the armory at 7:30 o'clock, according to Capt. Allan Foster. This includes all men who made a grade of "B" or better in military last semester.

Dances May End For Semester

The possibility that Bucket dances will have to be cancelled during the second semester unless season ticket sales increase was expressed yesterday by "Red" Jensen, orchestra leader.

"Ticket sales have been exceptionally poor," Jensen said.

The Bucket orchestra has the option of cancelling the contract with the ballroom if not more than 200 season tickets are sold, Jensen explained.

"To make our union wages, about 300 season tickets must be sold," Jensen declared. First Bucket dance of the semester is scheduled for Friday evening.

Greeks Initiate 23 New Men

Three fraternities initiated a total of 23 men Sunday.

Phi Delta Theta initiated Jack Muller, George Beito, Jim Roper, Jim Stone, Bill Knipe, Ray Brookhart, Jay Gano, Bill McMahon, Martin Hoag, Dick Ahrens, and Dick Posterick.

Delta Tau Delta: Wayne Rodereck, Eli Schwalbe.

Kappa Sigma: Nathane Wallens, William Foster, Victor Taylor, Jack Taylor, Jack Ellis, William Jewell, Robert Torgeson, James Barber, Thomas Fentiman, Raymond Hanson.

Golden Fleece By Jason

(Jason, in the person of Editor Robert Lee-right forsakes the good ship Argo this issue. If our vessel goes aground, or rams a hidden reef, lay all the blame on Knox Craig, managing editor, whose shakng hand is on the rudder.)

CHARACTER ECONOMICS

It was a chilly gymnasium, and a small crowd that met Dr. Ruth Alexander, woman "economist" Friday. But it was Dr. Alexander's pep talk that bothered us more than either the cold or crowd.

Earlier in the year, the Argonaut expressed the hope editorially that this year's calendar of public events speakers would bring to the university some speakers that would present something worthwhile. Friday's offering was the climax to a series of disappointments.

Borrowing a page from the philosophy of Andrew Carnegie, Dr. Alexander had the answer to our problem of freedom. It is free enterprise with everyone working long and hard; everyone an expert, everyone a success.

Unfortunately, an expert dishwasher cannot provide for his old age under free enterprise. Unfortunately, her "freedom" and "free enter-

prise" are ambiguous terms and have often meant exploitation of labor, growth of monopolies, ruthless wiping out of competition.

Dr. Alexander's one contribution to uphold her title of "woman economist" was the statement that character was the answer to the problem of economic self-efficiency. Our economists should breathe easier—it solves all those nasty problems about the mal-distribution of wealth and income. Our one third "ill-fed, ill-clothed, ill-housed" will also be happy. All you gotta have is some character.

The dwindling attendance to public events programs should be a pretty fair indicator to the public events committee that the brand of entertainment and education being offered is not attracting any customers—free or otherwise. And that should call for some changes.

Jason suggests two alternatives; Either charge a nominal fee for students attending lectures to supplement the present public events fund, and bring someone here that students would pay a dime to hear; or toss the fund into a kitty and bring a big name band to Idaho. If we can't have education, give us syncopation.

NO BOARD RAISE

Students living in university hall owe a lot of thanks to Robert F. Greene, director of dormitories. There will be no raise in board this semester, and Idaho students will continue to get the \$4.50 a week that was set during the depression of the early 30's.

Few are the universities in these days of rising prices that have not upped their figures. Our neighboring college at Pullman had to raise their prices twice since the beginning of the year.

Mr. Greene's intelligent long range buy and his consistent practice of buying only quality goods whether it be food or kitchen equipment are the chief factors in the low price board today. The university hall storeroom stocked with a year's supply of many foods today can be had only in limited quantities not at all. And the prices of many have doubled since they were laid away.

The university halls will be operating at a deficit the second semester as they continue to feed at \$4.50 a week. However, the surplus has been built up in the cafe fund due to buying; and little depreciation in general kitchen equipment because of Mr. Greene's policy of buying the best of equipment, will keep the budget out of the red.

Communique Comment

Unshaken in his refusal to trim sail in the storm of popular criticism, Churchill bluntly told the British peoples on Sunday that his nation cannot extend adequate protection to all of its far-flung bastions of empire with its present limited resources in man-power, in ships, in planes, in the machines of modern combat. The veteran of two wars expressed firm confidence in ultimate victory over the Axis—a victory to be based in large part on the striking power of the Red Army and on the naval and industrial strength of the United States. His broadcast has not stilled the clamor in England and in Australia, but late reports on the Malayan campaign substantiate his somber analysis. It is now clear that the British commanders in the Malay States never had more than 60,000 troops—rather than the 150,000 reported in November—and had to face the well-equipped army of General Yamashita with tragic shortages in planes, tanks and artillery.

In the next three months, Hitler's admirals may put the limited naval power of the Allies to a serious test. Last Thursday's dash by the "Scharnhorst" and "Gneisenau" through the English Channel enables the Nazis to concentrate in the North Sea an armada almost equal in strength to the combined British-American fleet now on patrol in the North Atlantic. Led by the "von Tirpitz" (sister ship of the ill-fated "Bismarck") and by two new 35,000-ton giants, the sea arm of the Reich will soon be ready to try to cut the convoy routes from North America to the British Isles—or to guard German troop transports on the way to an invasion of Iceland. The rising tempo of the struggle in the Mediterranean forces John Bull to keep half of his European fleet between Gibraltar and Suez. The duty of protecting the 10,000-mile supply line from our West Coast to Australia will make it hard for Uncle Sam to strengthen his North Atlantic squadron until new battleships and heavy cruisers are commissioned in the summer of 1942.

Possession of the entire Malay Peninsula by the Japanese will enable the enemy to send commerce raiders into the Indian Ocean, from ports between Moulmein in Burma and Singapore. Nipponese submarines may be active already in the sea lanes that converge on the Gulf of Aden, the Persian Gulf, Bombay, Calcutta and Rangoon. This new threat to Allied communications will force the overworked British navy to extend its convoy system to an ocean in which the movement of supplies has been safe up to now. Intricate bargaining seems to be under way at Vichy and at Tokio these days: acquisition by Japan of naval bases in the French island of Madagascar may be the final result. Use of the Madagascar harbors would enable the cruisers and submarines of the Empire of the Rising Sun to harry the supply routes from the United States to Egypt (via the Red Sea) and to Russia (via the Persian Gulf and Iran).

Amendments

EMERGENCY WAR CLAUSE NO. 1

The executive board shall have the power to fill such vacancies as shall occur in any elective positions, with the exception of the presidencies, the vice president of the ASUI and the secretary of the ASUI. Such appointment shall be made from among qualified candidates nominated by the party from which the now absent officeholder had been nominated.

In the instance of a vacancy occurring in the office of president of any class, the vice president shall succeed to the office of president and then the executive board shall have the power to appoint a vice

president as under the power of this amendment.

In the instance of a vacancy occurring in the office of president of the ASUI the vice president shall succeed to the office of president. The vacancy then existing on the executive board shall then be filled as under the powers of this amendment. The executive board shall then elect a vice president from its own membership at the next regular meeting of the executive board.

In the instance of a vacancy occurring in the office of secretary of the ASUI, the executive board shall fill the vacancy occurring on the executive board as under this amendment. The executive board shall then elect a secretary from its own membership at its next regular meeting.

This amendment shall operate as to toll such other clauses of the ASUI constitution as are inconsistent with the provisions of this amendment.

This amendment shall become null and void at the beginning of the second successive semester or at the beginning of the third successive quarter following the ceasing of the present war, at which time all clauses of the ASUI constitution herein rendered ineffective are to be given such full force as they had previous to the passing of this amendment.

EMERGENCY WAR CLAUSE NO. 2

Class officers shall serve for a term of one school year. Nominations for class officers shall be made at the beginning of the fall semester at a special nominating assembly for each class which shall be called by the President of the ASUI. This amendment shall operate as to toll such other clauses of the ASUI constitution as are inconsistent with the provisions of this amendment.

This amendment shall become null and void at the beginning of the second successive semester or at the beginning of the third successive quarter following the ceasing of the present war, at which time all clauses herein rendered ineffective are to be given such full force as they had previous to the passing of this amendment.

Students May Sign For Coast Guard

Lieut. Robert H. Prause, U. S. Coast Guard, will be here next Thursday to interview graduating students who are interested in entering the Coast Guard academy at New London, Conn.

Applicant must be a college graduate between 20 and 26 years old and must have credits in several technical fields, including mathematics, chemistry, and physics.

Here's More About
ASSEMBLY

The ASUI election expense money for conducting mid-year elections for class officers and special elections to fill executive board. Passage of the second amendment would eliminate the class election slated for February 26 and extend the terms of office of present officers throughout the school year. The first amendment would provide for the elimination of special elections to fill vacancies in elective offices and would provide for the appointment of successors from the same political party on whose ticket the now-absent office holder was elected.

Greeks Sought Bargain.
Dick Still, chairman of the United Students party, last Saturday board and stated that his party would oppose the amendment appeared before the executive unless concessions were granted to apportion the executive board seats on a 5-4 ratio instead of the 6-3 ratio that was elected last spring. Eberhard stated that the Greeks were putting the desires of their political party above those of the student body as a whole and suggested that the matter be taken before the caucus again for reconsideration.

Still reported last night that his party was 100 per cent behind the amendments after they had been thoroughly explained by Board member Rudy Franklin. Jay Garner, chairman of the Independent party, acclaimed his caucus' support.

Collette Will Pick Cast Members

Last try-outs for the third ASUI production of the year, "Mr. and Mrs. North," were held at the U Hut last night. Most of the cast will be announced today, Jean Collette, director, announced, but anyone interested may call at the dramatics department. The show is scheduled for March 19 and 20. Production staff heads will be announced Wednesday.

The three-act comedy by Owen Davis has just been released for amateur production after a very successful run on Broadway. Peggy Conklin played the lead on the stage. It is listed in the current issue of "Center Aisle," theater magazine, as the top theater production for the month of January.

The show will have a cast of 16 men and four women and is based on the New Yorker stories by Francis and Richard Lockridge.

Engineers To See 2 Films Tonight

Two films, "Helpful Henry" and "The Explosives Engineer," will be shown to the ASAE at their meeting in the Engineering building tonight at 7 o'clock. These films are presented through the courtesy of the International Harvester company and Hercules Powder company. All agricultural engineers may attend.

Movie on Fashion

A movie, "Fabrics and Fashions," was presented at the Home Economics club meeting yesterday.

Vera Nell James reported on new materials introduced since the beginning of the war emergency and told of the effects which the war will have on fashions and on the textile industry.

Vandals Make Final Home Appearance Against Oregon This Weekend

Idaho Ring Team Will Meet Lewiston Here Tonight

Idaho boxers meet Lewiston normal ringmen in a return match at 8 o'clock tonight in Memorial gymnasium. Last Friday night the Vandal mittmen scored a 5-3 decision over the Oregon State college team here.

A team of Idaho fighters defeated the Lewiston Loggers team 7-1 at Lewiston in January. Bob Knox, Idaho boxing coach, predicts that both teams will be stronger in tonight's bouts because of additional experience.

Seven bouts are scheduled. Idaho's Gordon Ross will meet Sam Bly at 125 pounds in the opening bout. Watkins Kershaw of Idaho and Melvin Lewis, L.S.N., will also battle at 125 pounds.

John Cate, Lewiston, and George Unternahrer, Idaho freshman, will fight at 145 pounds; Tom Wells, Idaho, will meet Jack

Bowler in the 155 pound division; Sam Rosen, Idaho, will fight Frank Brice at 165 pounds, and Bob Briggs, Idaho freshman, will meet Ed Barkley at 170 pounds. In bouts against Oregon State, Gordon Ross won from Perry Fox by decision. Idaho and OSC each forfeited one bout; OSC giving Idaho the 127-pound bout, and Idaho forfeiting the 135-pound bout. Bill Williams, Idaho, out-pointed Dalton Clark in the 145-pound class.

Oregon State earned its first victory in the 155 pound class as Don Hawkins scored a technical knockout over Darrell Lott. Chace Anderson, Idaho 1941 Sugar Bowl champion, won from Jack Wells on decision. A third round knockdown by Oregon State's Bill McFadden beat Warren Briggs in the 175-pound battle.

Veto Berillus, Idaho heavyweight, deisioned Warren Simas, bearded OSC battler, in the final bout. In exhibition bouts Watkins Kershaw and Mickey Williamson, both of Idaho, fought a no-decision battle, and Clark Chandler, Idaho, scored a third round technical knockout over Jim Allen of Oregon State.

Light workouts and drill against zone defense will mark the practices of the Idaho Vandals as they prepare for their last home series against the Oregon Ducks Friday and Saturday. Last Saturday the Vandals lost to Washington State 46 to 38.

Only a notch higher than the cellar dwelling Vandals, the Web-feet were given a complete shake-up by Howard A. (Hobby) Hobson preceding their games with Oregon State last weekend. Paul Jackson, senior guard, was the only man who retained his place on the starting five.

Cheering news in the Idaho camp was the deferment of Von Hopkins, regular Vandal guard. Hopkins, scheduled to be drafted into the army after the final W.S.-C. game, has been deferred until March 15. The Vandal letterman will take an examination for the Marine reserve corps, but will be able to finish the season.

Akins Leads W.S.C.

Washington State reserve strength gave the Cougars their final victory over Idaho. After the Vandals had moved out in front 10-2, W.S.C. second stringers paced by Al Akins, sparked the Cougars to a 25-18 halftime margin.

Turner scored 20 points to take scoring honors. Sophomore Bishop made 14 to lead Washington State.

Costa and Stratton had been dividing starting duty at one regular guard post. Coach J. A. "Babe" Brown said he would probably select his starting guards from among Jack Hart, Boyd Hansen, and Del Owens.

A strong second half finish gave the Vandals a clean sweep of the W.S.C. series Saturday. Leading 20-18 at halftime the Babes spurted in the final period for an easy win. Bob Ryan and Del Owens split scoring honors with 12 points each.

Swim Teams Lose Meets To WSC

Idaho swimmers clung to the heels of the Washington State swimmers until the final race in a meet in the Vandal tank Saturday. Washington State won 43-32, stepping out to the decisive lead with seven points collected in the final relay. W.S.C. freshmen defeated Idaho's yearlings 35-25.

Don Anderson of Idaho took first place in the 50 yard dash, Gerry O'Connor won in the 100 yard dash, Ralph Hollingsworth placed first in the diving and Byron Thomas won the 440 yard dash.

Thomas and Steele Barnett placed second and third in the 220 yard free style; O'Connor won a third in the 50 yard dash; Anderson placed second in the 150 yard backstroke; Hollingsworth and Allen Feld placed second and third in the 200 yard breast stroke.

Wrestlers Lose To WSC Teams

Idaho wrestlers suffered their second defeat of the season to the Washington State Cougars here Saturday afternoon by a score of 23-11. Hank Juran, team captain, Jim Ellsworth, and LaVern Bell, were Idaho winners in the matches.

Idaho fencers lost a 5-4 match to the Washington State college team in one portion of a minor sport carnival here Saturday. George Redford, team captain, was high for the Idaho team, scoring two of the four Idaho wins. Louis Nonin and George Hackney were other Idaho winners.

Freshmen To Play Thursday Night

With seven consecutive victories under their belts, Vandal freshmen will invade Lewiston Thursday evening meeting Lewiston normal. Last Saturday the Babes rang up their fourth victory of the season over Washington State 47-30.

Only two games stand between the Idaho yearlings and an undefeated season. The Vandal Babes finish the season against Ferdinand's town team in Memorial gymnasium Saturday night at 5:45 o'clock.

Idaho holds a two-game advantage over Lewiston, eking out a two point victory in the first game, then taking an easy win from the Loggers in the second contest. Both previous games were played on the Idaho court.

Eligibility rules struck a serious blow at the Vandal freshmen when both Harry Costa and Bob Stratton were declared out of compe-

America says "keep 'em flying." But to keep 'em flying we must keep 'em rolling—on the rails. Materials, thousands of carloads, for planes, tanks and guns must be rushed to production and assembly plants. Completed armament also must be transported.

Union Pacific is powered to do the job. Twenty "Big Boys," largest steam locomotives ever built, have recently been added to the large fleet of other super-powered rail giants placed in service during the past five years.

Millions of dollars also have been invested in freight cars, new rails and property improvements. For defense as well as industry's normal needs, Union Pacific—the Strategic Middle Route connecting East with West—supplies the demand for dependable transportation.

For information concerning passenger and freight transportation, consult local representative.
