Little Sister to Big Sister

Claire Bracken, right, presented her older sister Elizabeth with the annual Alpha Lambda Delta book award Saturday at the May Fete for having the highest scholastic average among senior women. Claire, president of Alpha Lambda Delta, underclass women's scholastic honorary. Elizabeth had a scholastic average of 3.94 for seven semesters.

Publications Board Picks Hamilton Argonaut Managing Editor

WSC Army Officer To Inspect Local ROTC Unit

The professor of military science and tactics at Washington State college will inspect the local ROTC unit Monday, May 18, according to word received from the military department yesterday.

The inspection will last all day. The morning will be taken up by visits to military classrooms and the afternoon will be spent by an inspection of the cadets in ranks and practical demonstrations.

The afternoon demonstrations will start at 1:15 p.m. and will last until 3:20 p.m.

At present the office of P.M.S. & T. at WSC is vacant due to the transfer of Colonel McNeal last week. If no new officer is appointed by Monday, Major Morrison, acting P.M.S. & T. will be the inspecting officer.

Managing Editor

Ladd Hamilton, Argonaut night editor, yesterday was chosen managing editor of the paper for next year. He will succeed Knox Craig as editor in the fall of 1943.

Dick Ryan To Lead Business Staff; Gem Heads Chosen

Seven staff appointments for next year's Argonaut and Gem were approved yesterday by the publication board. Ladd Hamilton, sophomore journalism major, was named managing editor of the Argonaut. He will succeed Knox Craig as editor of the paper in the fall of 1943. Should Craig fail to return to school next year, Hamilton will step into editorship.

Dick Ryan, Argonaut assistant business manager, was appointed business manager for next year. Bill Campbell was picked business manager of the Gem and Claire Bracken and Dayle Molen, associate editors of the yearbook. Milton George, advertising manager, and Patsy McGrath were chosen assistant business managers of the Argonaut.

All appointments are subject to the approval of the executive board tonight.

First Sophomore Since 1937

Hamilton, night editor and rewrite editor on the paper this year, is the first sophomore to be chosen managing editor of the Argonaut since 1937 when Jack McKinney was picked. Should Hamilton edit next year's paper it will be the first time that a junior has ever edited the Argonaut.

Miss Bracken's appointment as associate editor of the annual is only the second time that a woman ever has received such a high staff appointment on the yearbook. Norma Lou McMurray served as associate editor last year, but declined the advancement to editorship.

It was pointed out at the publications board meeting that there appeared to be a mix-up in the ASUI constitution in regard to the selection of high Gem staff appointees. The publications board recommended that the matter be investigated by the executive board.

Navy, Army Men To Visit Campus

The army and navy both looking for recruits will be on the campus this week, according to Acting Dean of Men William Olson. The navy men will be here Friday and Saturday, but time for arrival of the army representative has not been definitely set.

A film, "Our First Line of Defense," portraying life on a battleship will be shown Friday afternoon at 4:10 in Science 110 by Lieut. Comm. J. C. Thwing of the navy. Commander Thwing will be available for conference in the dean of men's office all day Friday and Saturday morning.

"Lieut. Col. T. Bolen of the army air corps," Dean Olson said, "will be here the latter part of the week. An army examining board will come with him."

Commander Thwing is particularly interested in sophomores, the dean of men said, for the V-7 program, especially those who were previously ineligible for V-1 or V-7 plans.

The V-7 program has broadened in scope so that now sophomores over 20, who will become juniors by the close of the present college term are eligible. Previously sophomores over 20 were not eligible for V-7.

"We expect to know by Friday whether a moving picture for the army will be available," the dean said, "and where and when it will be shown."

CUTS

Registrar Ella Olesen yesterday announced that students marked for the Easter-vacation ten-point cut must have absence excuses signed by deans and in her office on or before May 14.

Unless excused, students who missed their last class on Thursday before vacation without written permission from their parents, will suffer the traditional cut.

Walker To Head Home Ec Club

Elizabeth Walker was elected president of the Home Economics club last night, at the annual spring election.

Other officers are Rowena Nordby, vice-president; Lois Lemon, secretary; Lucille Eyrich, treasurer; Florence Marshall, historian; and Marie Connick, key girl chairman.

Wanda Siple, Marjorie Thompson, Lois Ream, Estella Larson, Vera Nell James, Ruth Boyer, Midred Westendahl, Midge Wilson, Joyce Hilficker, and June Stein, will be honored at the senior picnic, May 21 on Moscow mountain at 4 p.m.

Comedy Team Brings Laughs To "Warp and Woof" Land

By Marian Franson

A comedy team hits "Warp and Woof Land" in the Glee Week assembly Thursday night when Jack Taylor as Morley C. Twit and Jean Rosebaugh as Dr. Hutchins pile out of the airplane and bestow their talents on the Arctic natives.

Dr. Hutchins, an astute career woman, borrows Liza's scene from "Uncle Tom's Cabin" and crosses the ice cubes while juggling a native infant. Taylor portrays Mr. Twit's nightly reverie and does a tooth brush and nightgown dance before retiring.

The assembly will begin at 7:30 Thursday evening in the auditorium. Tickets may be obtained at the door for 10 cents.

A mixer on the Ridenbaugh tennis courts will follow the assembly, and 10:30 permission has been granted to all women, Dean Beatrice Olson has announced.

Airplane Crash. Seth Jenkins, the aviator, is responsible for the airplane crash

in the skit, and Mr. Fielding, his prize passenger, is Leonard Winkle, the ex-football hero and girdle salesman. After whiling away some time in a cigar store pool game, Fielding works up a native football game. The teams demonstrate a backfield shift and a V formation while they give a dance with little blocks of wood attached to their hands and feet. Halfbacks Erma Smith and Kathryn Holt do a specialty number as they work their ice cube down the field for a touchdown.

Football players, alias dancers, are Lorna Hartwell, Jean Bruin, Dick Thomas, Bud Hunter, Verona Cole, Lowell Brough, Grant Davis, Lenna Hooker, Glen Zimmerman, Amy MacGregor, and Dale Dredge. The entire cast of more than 50 freshmen will make up the cheering section for this dance finale.

Other members of the cast include Dode Holen, Marjorie Smith, Jack Crites, Donna Anderson, Jack

Campus Honoraries Tap 45 At 33rd Annual May Fete

It was a successful weekend for visiting mothers in every way but one—the weather. Stormy weather Friday night forced the annual songfest indoors, and more of the same meant switching Saturday's May fete from its usual beautiful outdoor setting into Memorial gymnasium.

Forty-five new members were added to four campus honoraries, Mortar Board, Cardinal Key, Silver Lance, and Spurs at the Saturday afternoon show. In addition scholastic awards were made by Alpha Lambda Delta, underclass women's scholastic honorary, to 10 senior women, all former members of the scholastic organization.

Elizabeth Bracken, senior journalism student, was presented a book of paintings by Alpha Lambda Delta's president, Claire Bracken for being the former member in the senior class this year with the highest grade average, 3.94.

Winners of Friday night's songfest were Kappa Kappa Gamma and Sigma Nu. This is the second year running Sigma Nu has captured the men's cup. Delta Gamma won last year, and placed second Friday night. Alpha Phi took third place. Phi Gamma Delta was second, and Beta Theta Pi third for the men's groups.

Other former members of Alpha Lambda Delta who were awarded certificates for maintaining grades during their four years on the campus above an average of 3.5, are Wanda Siple, Kathleen Christian, Marian Heath, Justine Smith, Norma Dieter, Arlene Grendahl, Mary Retherford, Katherine Schneider, and Ruth Boyer.

Merle Delp received the WAA award for the outstanding senior member of that organization. Pledging of other organizations at Saturday's fete were:

Mortar Board, national honor society for senior women—Carolyn Morris, Jean Mann, Rachel Swayne, Macey Mott, Helen Wilson, Rena Scher, Arlene Deobald, Catherine McGregor, and Mary Frances Marshall.

Silver Lance, local honor fraternity for senior men—Warren Weinberg, Ray Hoobing, Jay Garner, Thomas Sneddon, Harry

Military Honorary To Initiate Two

Scabbard and Blade will initiate Lieut. John Lukens and Lieut. Otto Nelson as associate members at a formal meeting Wednesday, Captain Armour Anderson announced yesterday.

After the initiation the new officers elected at the last meeting will be installed and final arrangements will be made for the annual Scabbard and Blade dinner-dance to be held Friday evening. The dinner will be held at Hotel Moscow after which the members and their guests will dance at the ATO house.

Gem Distribution Date Postponed

Arrival of Gems on the campus will probably be slightly later than the tentative May 20 date set last winter, according to Editor Bob Wethern who yesterday returned from Boise where final proofs of the yearbook were checked.

"An acute shortage of pressmen is hindering a full-blast production schedule," Wethern says. "However, the 1942 annuals should arrive in ample time for distribution before the final day of school."

"Most of the yearbook sections which require several lengthy press runs have been completed," Wethern says. "With a majority proportion of the printing firm's staff concentrating on Gem production, there is little to worry about."

Distribution of the 1942 yearbook will be announced by Business Manager Ed Benoit as soon as the annuals arrive from Boise.

Last week's Battle of the Coral Sea will be ranked as a decisive Allied naval victory if it proves to have stopped the expected Japanese thrust toward New Caladonia, the New Hebrides, Fiji and Samoa. It cannot fairly be compared to the Battle of Jutland in World War 1. The epic North Sea struggle of 1916 involved the battleship squadrons of the British and German fleets. The five-day engagement that ended on Friday brought into action only cruisers, aircraft-carriers, destroyers and lighter craft.

The Nipponese lunge southward from the Bismarck archipelago last week may have been an effort by the Tokio admirals to test the strength of the Allied naval and air defenses in that zone. Several of the capital ships of Emperor Hirohito's fleet have been reported to be preparing for action at bases in the Caroline Islands, where they are protected from hostile attack by a screen of aircraft. The Carolines lie just to the north of the Bismarck and Solomon groups, on the other side of the Equator.

There has been no news of the powerful Japanese naval squadron reported by the British Admiralty in the Bay of Bengal in mid-April. Some Allied observers conclude that the warships in that force have been shifted to stations just east of New Guinea, there to be ready for a drive in the direction of the Allied bases that guard the U. S. supply route to Australia. It is possible, however, that the enemy armada is still prowling the waters west of Sumatra. The Nipponese foray into the Coral Sea may have been a feint to divert Allied attention from preparations for an enemy offensive aimed at the Chagos, Maldiva, Seychelles and Amirante island groups in the Indian Ocean. These British possessions form natural stepping stones to Madagascar.

Washington is on the look-out for a Nipponese attack on the northern flank of our Pacific defense system. Spring is bringing clearer weather and longer days to the Bering Sea and the North Pacific. Japan has a first-class naval base on the island of Hokkaido and airfields strung along the Kurile island chain that reaches from the eastern tip of Hokkaido to the Kamchatka Peninsula in Russian Siberia. Tokio's next move may be a second sortie southward from the Bismarck archipelago, followed by sudden air assaults and attempted landings on the eastern Aleutian islands.

Musicians Will Dine At Smorgasbord

A smorgasbord dinner for all music majors and minors will be sponsored at Hotel Moscow next Sunday evening at 6 o'clock by Phi Mu Alpha. Each musician may bring one guest, according to Douglas Campbell, president of the music honorary.

SIGMA CHI ELECTS
Gene Luntz was elected president of Sigma Chi fraternity Sunday evening. Other new officers are Bill Campbell, vice president; Kenneth Bergquist, secretary; and Ed Thurston, house manager.

The dinner will be held instead of the usual picnic, which was cancelled because of bad weather conditions.

The GOLDEN FLEECE by Jason

Sixty two per cent of the University of Idaho's alumni have been graduated in the last 10 years. Seventy two percent of the alumni have been graduated since 1930. These facts mean a lot to Bill Olson, acting dean of men, alumni secretary, and placement correlator.

It means that the basis for Idaho's alumni organization is a young bunch that will be shifting around considerably during the war emergency. And the whole year of work in the alumni secretary's job was bringing up to date the file of addresses of Idaho graduates, tracking them down and establishing a permanent record of their address.

Most of the year's work soon will be shattered by the tide of events. The majority of Idaho's graduates are still in the draft age limit and the files over which Bill labored all year will be out of date again. No longer will Joe College, '33, live in Podunk, but his new address will be Fort Blank Blank, Australia.

No doubt it is discouraging to Bill. He believed sincerely in building up the alumni organization into something that could rival the alumni groups of long-established institutions, but the war heaped on the burden of the work, which coupled with a slashed budget and added duties for Bill to handle, makes a mighty fine kettle of fish.

In addition to the double job of alumni secretary and placement correlator, Bill was handed the acting dean of men duties. The NYA allotment was cut and the drop in enrollment this year cut the income of the alumni secretary office by about \$300, as the position is financed by the students to an extent of 65 per cent.

LDS Makes Plans For Picnic

Three chapters of LDS Institute have made plans for their annual spring picnic, to be held Sunday afternoon at Robinson lake. Transportation has been arranged for by trucks, which will leave the Institute at 2 p.m. Tad Nielson was made chairman of the committee to make all arrangements, and Venice Draper and Gerald Swanson will be in charge of food.

CAMPUS CLUB ELECTS
Campus club last night elected Ed Bodily, president; Tad Neilson, social chairman; Herbert Rees, secretary; and Roy Grush, assistant social chairman.

Smatter of Platter Chatter—Who's Got the Records?

By Ladd Hamilton
It all started Wednesday night, when Delta Chi brothers gazed ruefully at an empty record rack and went to bed wondering how they were going to dance this spring without Glenn Miller and Harry James.

But Thursday the plot began to boil, when a Delta Chi, according to a house officer, jested a Fiji pal across the way, "When you gonna bring our records back?" Taken by surprise, the startled Fiji only replied, "I had nothing to do with that!"

Recuperation.
The Delta Chis, who treasure their phonograph records along with loving cups and old photos, weren't long idle. That night, while the campus slumbered, they stole over to the Fiji manor, into the front room and over to the phonograph. There, as a couple of unsuspecting Phi Gamma Deltas watched, they pored over the collection of discs, picked out the Delta Chi platters, and stole back again to their depleted record racks across the street.

The story might have ended there had it not been for the ever-faithful campus grapevine which informed Sigma Nus, ATOs, Tekes, and Kappa Sigs that some of their

own long-lost records had found their way to the Fiji racks. AT who had spent house meetings bawling each other out for sending records home, trekked down the street to claim their own. Tekes figured, "Aw, heck, probably old corn, anyhow," and rest went over to see what he could find.

Red Faces.
They found a lot of red faces in the scramble, one fraternity found some of its records at Delta Chi house, Delta Chis for their elsewhere on the campus. Kappa Sig discs rolled around, the Fijis ended up losers.

"We don't see where anyone any gripe," a Fiji house officer said yesterday, "We lost 15 or 20 of our own records in the mix. I hope everybody's satisfied now." The air was somewhat clear yesterday, although no one knew yet who started the ball rolling and some houses still don't know whose records they're playing. But the Delta Chis, their treasured records safely back again, heaved a sigh of relief, sprawled across the front stoop, and listened to Glenn Miller, Harry James, and Tommy Dorsey, worried by haunting visions of silent firesides.

League Leaders To Meet Vandals Tomorrow

Heading into their tenth game without having broken into the win side of the ledger, the Vandal baseball team meets the Oregon State Beavers in a conference game on MacLean field at 3:30 o'clock tomorrow afternoon. The Vandals lost to the Oregon Ducks, 15-5 and 7-0, last week end.

Too many errors and too few hits seems to be the trouble of Idaho which has failed to win.

Idaho starts and has a solid hold in the cellar position. The Ducks combined nine hits and 13 Idaho errors Friday, and put seven hits on the Vandals in seven Idaho errors Saturday.

Graduate Manager Perry Culp yesterday reminded that students should get into the ASUI books to get into the game.

Oregon State now holds the top position on the conference ladder having won six of seven games. Idaho lost one game to the Beavers at Corvallis, the other being rained out. The last of the Idaho-OSC games will be played Thursday afternoon at 3:30 o'clock.

Well To Start.
Vandal Coach Guy Wicks said last night that Jack Newell would be the starter in one of the coming games, but that he had not yet made final decisions about the other starting pitcher. He said he would probably start a right-hander tomorrow.

Idaho's scoring in the Friday game came in the second and fourth innings. Vandals pushed three runs across in the sixth. Dale Clark stepped back into a hitter's role Friday, connecting for two singles in four times at bat. Gerry Pedersen, Idaho third baseman, led the Idaho hitting Saturday, getting two for three.

Cindermen To End Dual Season Against Montana

Concluding their dual meet season, Vandal trackmen clash with Montana's Grizzlies at Missoula Saturday afternoon. Last year the Montana team defeated the Idaho thinclads 68-63 here as four meet records fell.

The following week the Idaho squad will travel to Seattle for the northern division championships. May 30 the Vandals will compete in the Pacific coast title meet, also in Seattle. The Vandals have won two of three dual meets this season.

Injuries to LaVern Bell, Ray Turner, Dean Lewis, and Bob White and Milo Anderson's practice teaching depleted the Idaho cinder roster this week.

In two starts this year the Montanans have split even, defeating Cheney normal and bowing to Whitman. Grizzly coach Harry Adams has one of the top mile relay teams in the northwest. Captain Earl Fairbanks set the meet record last year here for the 440-yard dash with a 48.5 effort, while Fritz Krieger recorded a 196-foot javelin toss in the same meet.

OZZIE

The opening salvo in the 1975 gubernatorial election campaign—a bubbly gurgle in baby talk—was sounded last night in the Argonaut office by "Ozzie" Johnston, 5-month old son of Mr. and Mrs. William F. Johnston, Logan, Utah. Johnston was Argonaut editor last year.

Young Ozzie paid his first visit to the Argonaut office, but declined to make an understandable comment on the coming election. Like a good politician, Ozzie leaned neither way.

In announcing the birth of young Ozzie five months ago Johnston wrote the Argonaut staff "of the arrival of the future governor of Idaho."

Washington Beats Vandal Golfers

Points for Idaho were scored by Cecil Greathouse and Sunday Provenzano in a conference golf match Saturday at Seattle. Washington won 2½ to 3½.

Provenzano teamed up to take 2½ points in the best-ball match, beating Washington's Strauhal and Lovell. Idaho's other point was made by Greathouse in the individual matches.

CAUCUS ELECTS

The United Students caucus this week elected Cecil Jones president and Pauline Hawley, secretary, for next year.

It's an odd experience to wake up some morning and find that your name ain't your name. That's what happened to Louie Gorino, alias Luis Gorono, this week.

Gorino, who will be commissioned as a second lieutenant in the army upon graduation this year, received his birth certificate the other day so that he would be eligible for the army commission. He found that his name was Luis Gorono and that he'd been "posing" as Louie Gorino for some 20 years.

Here's More About— GLEE WEEK

Hoke, Abe Erlick, and Bill Harrison.

Novelty Dances.

Novelty dances are to be featured throughout the program. Judy Rupp does a Sonja Henie act with a twirling exhibition and tap dance on ice. Marjorie Smith has a mystery man for her partner in the Apache dance, while Molly McMahon and Virge Dixon give an adagio dance. Besides Bette French's song during the play, Betty Babcock and Don Smith will sing between acts.

College swing will be forfeited for an hour of country dancing at Thursday's dance and an extensive mixing program is to be carried out. Even with a surplus of either men or women everyone will be assured of dancing.

Virginia Reel.

Mrs. Frances Baseom will call the dances and will have eight couples from her regular class demonstrate each dance. The list includes the Virginia Reel, the Rye Waltz, a square dance, and the Schottish dance.

Music will be provided by Don Singer's orchestra of freshmen musicians, Virginia Dempsey, Jean Bonneville, and Jack Crites. The freshmen-sophomore tug of war has been scheduled for Friday afternoon at 4 o'clock. Scene of this annual struggle will be south of the bridge which crosses Paradise creek on Sixth street.

The warp and woof theme will be carried over to the Glee dance to be given Friday night in the Bucket ballrooms. One of the first strictly sports dances of the year, it will conclude the Freshman Glee week. Tickets, on sale at all men's living places, are 75 cents. Larry Spencer's orchestra will provide music.

The GOLDEN FLEECE by Jason

Sixty two per cent of the University of Idaho's alumni have been graduated in the last 10 years. Seventy two percent of the alumni have been graduated since 1930. These facts mean a lot to Bill Olson, acting dean of men, alumni secretary, and placement correlator.

It means that the basis for Idaho's alumni organization is a young bunch that will be shifting around considerably during the war emergency. And the whole year of work in the alumni secretary's job was bringing up to date the file of addresses of Idaho graduates, tracking them down and establishing a permanent record of their address.

Most of the year's work soon will be shattered by the tide of events. The majority of Idaho's graduates are still in the draft age limit and the files over which Bill labored all year will be out of date again. No longer will Joe College, '33, live in Podunk, but his new address will be Fort Blank Blank, Australia.

No doubt it is discouraging to Bill. He believed sincerely in building up the alumni organization into something that could rival the alumni groups of long-established institutions, but the war heaped on the burden of the work, which coupled with a slashed budget and added duties for Bill to handle, makes a mighty fine kettle of fish.

In addition to the double job of alumni secretary and placement correlator, Bill was handed the acting dean of men duties. The NYA allotment was cut and the drop in enrollment this year cut the income of the alumni secretary office by about \$300, as the position is financed by the students to an extent of 65 per cent.

LDS Makes Plans For Picnic

Three chapters of LDS Institute have made plans for their annual spring picnic, to be held Sunday afternoon at Robinson lake. Transportation has been arranged for by trucks, which will leave the Institute at 2 p.m. Tad Nielson was made chairman of the committee to make all arrangements, and Venice Draper and Gerald Swanson will be in charge of food.

CAMPUS CLUB ELECTS

Campus club last night elected Ed Bodily, president; Tad Neilson, social chairman; Herbert Rees, secretary; and Roy Grush, assistant social chairman.

Smatter of Platter Chatter—Who's Got the Records?

By Ladd Hamilton

It all started Wednesday night, when Delta Chi brothers gazed ruefully at an empty record rack and went to bed wondering how they were going to dance this spring without Glenn Miller and Harry James.

But Thursday the plot began to boil, when a Delta Chi, according to a house officer, jested a Fiji pal across the way, "When you gonna bring our records back?" Taken by surprise, the startled Fiji only replied, "I had nothing to do with that!"

Recuperation.

The Delta Chis, who treasure their phonograph records along with loving cups and old photos, weren't long idle. That night, while the campus slumbered, they stole over to the Fiji manor, into the front room and over to the phonograph. There, as a couple of unsuspecting Phi Gamma Deltas watched, they pored over the collection of discs, picked out the Delta Chi platters, and stole back again to their depleted record racks across the street.

The story might have ended there had it not been for the ever-faithful campus grapevine which informed Sigma Nus, ATOs, Tekes, and Kappa Sigs that some of their

own long-lost records had found their way to the Fiji racks. AT who had spent house meetings bawling each other out for stealing records home, trekked down the street to claim their share. Tekes figured, "Aw, heck, probably old corn, anyhow," and rest went over to see what could find.

Red Faces.

They found a lot of red faces in the scramble, one fraternity found some of its records at Delta Chi house, Delta Chis for their's elsewhere on the campus. Kappa Sig discs rolled around, the Fijis ended up losers.

"We don't see where anyone any gripe," a Fiji house officer said yesterday, "We lost 15 of our own records in the mix. I hope everybody's satisfied now."

The air was somewhat clear yesterday, although no one knew yet who started the ball rolling and some houses still don't know whose records they're playing.

But the Delta Chis, their treasured records safely back again, heaved a sigh of relief, sprang across the front stoop, and turned to Glenn Miller, Harry James, and Tommy Dorsey, worried by haunting visions of silent firesides.

League Leaders To Meet Vandals Tomorrow

Heading into their tenth game without having broken into the win side of the ledger, the Vandal baseball team meets the Oregon State Beavers in a conference game on MacLean field at 3:30 o'clock tomorrow afternoon. The Vandals lost to the Oregon Ducks, 15-5 and 7-0, last week end.

Too many errors and too few hits seems to be the trouble Idaho which has failed to win nine starts and has a solid hold in the cellar position. The Ducks combined nine hits and 13 Idaho errors Friday, and put seven hits alongside seven Idaho errors Saturday.

Graduate Manager Perry Culp yesterday reminded that students should ASUI books to get into the game.

Oregon State now holds the top position on the conference ladder having won six of seven games. Idaho lost one game to the Beavers at Corvallis, the other being rained out. The last of the Idaho-OSC ball games will be played Thursday afternoon at 3:30 o'clock.

Well To Start.
Vandal Coach Guy Wicks said last night that Jack Newell would be the starter in one of the coming games, but that he had not yet made final decisions about the other starting pitcher. He said he would probably start a right-hander tomorrow.

Idaho's scoring in the Friday game came in the second and fourth innings. Vandals pushed three runs across in the sixth. Dale Clark stepped back into a hitter's role Friday, connecting for two singles in four times at bat. Gerry Pedersen, Idaho third baseman, led the Idaho hitting Saturday, getting two for three.

Cindermen To End Dual Season Against Montana

Concluding their dual meet season, Vandal trackmen clash with Montana's Grizzlies at Missoula Saturday afternoon. Last year the Montana team defeated the Idaho thinclads 68-63 here as four meet records fell.

The following week the Idaho squad will travel to Seattle for the northern division championships. May 30 the Vandals will compete in the Pacific coast title meet, also in Seattle. The Vandals have won two of three dual meets this season.

Injuries to LaVern Bell, Ray Turner, Dean Lewis, and Bob White and Milo Anderson's practice teaching depleted the Idaho cinder roster this week.

In two starts this year the Montanans have split even, defeating Cheney normal and bowing to Whitman. Grizzly coach Harry Adams has one of the top mile relay teams in the northwest. Captain Earl Fairbanks set the meet record last year here for the 440-yard dash with a 48.5 effort, while Fritz Krieger recorded a 196-foot javelin toss in the same meet.

ALIAS

It's an odd experience to wake up some morning and find that your name ain't your name. That's what happened to Louie Gorino, alias Luis Gorono, this week.

Gorino, who will be commissioned as a second lieutenant in the army upon graduation this year, received his birth certificate the other day so that he would be eligible for the army commission. He found that his name was Luis Gorono and that he'd been "posing" as Louie Gorino for some 20 years.

Here's More About— GLEE WEEK

Hoke, Abe Erlick, and Bill Harrison.

Novelty Dances.

Novelty dances are to be featured throughout the program. Judy Rupp does a Sonja Henie act with a twirling exhibition and tap dance on ice. Marjorie Smith has a mystery man for her partner in the Apache dance, while Molly McMahon and Virge Dixon give an adagio dance. Besides Bette French's song during the play, Betty Babcock and Don Smith will sing between acts.

College swing will be forfeited for an hour of country dancing at Thursday's dance and an extensive mixing program is to be carried out. Even with a surplus of either men or women everyone will be assured of dancing.

Virginia Reel.

Mrs. Frances Bascom will call the dances and will have eight couples from her regular class demonstrate each dance. The list includes the Virginia Reel, the Rye Waltz, a square dance, and the Schottish dance.

Music will be provided by Don Singer's orchestra of freshmen musicians, Virginia Dempsey, Jean Bonneville, and Jack Crites.

The freshmen-sophomore tug of war has been scheduled for Friday afternoon at 4 o'clock. Scene of this annual struggle will be south of the bridge which crosses Paradise creek on Sixth street.

The warp and woof theme will be carried over to the Glee dance to be given Friday night in the Bucket ballrooms. One of the first strictly sports dances of the year, it will conclude the Freshman Glee week. Tickets, on sale at all men's living places, are 75 cents. Larry Spencer's orchestra will provide music.

OZZIE

The opening salvo in the 1975 gubernational election campaign—a bubbly gurgle in baby talk—was sounded last night in the Argonaut office by "Ozzie" Johnston, 5-month old son of Mr. and Mrs. William F. Johnston, Logan, Utah. Johnston was Argonaut editor last year.

Young Ozzie paid his first visit to the Argonaut office, but declined to make an understandable comment on the coming election. Like a good politician, Ozzie leaned neither way.

In announcing the birth of young Ozzie five months ago Johnston wrote the Argonaut staff "of the arrival of the future governor of Idaho."

Women To Compete In Archery Meet

Women archers will begin shooting in intercollegiate competition May 12 according to announcement from the Women's P. E. department yesterday. The match will last through May 18.

Women interested in competing in this tournament are to sign at the Women's gymnasium with Mrs. Boyer or Pat Bowlby. It was also announced yesterday that

Washington Beats Vandal Golfers

Points for Idaho were scored by Cecil Greathouse and Sunday Provenzano in a conference golf match Saturday at Seattle. Washington won 2½ to 3½.

Provenzano teamed up to take 2½ points in the best-ball match, beating Washington's Strauhal and Lovell. Idaho's other point was made by Greathouse in the individual matches.

CAUCUS ELECTS

The United Students caucus this week elected Cecil Jones president and Pauline Hawley, secretary, for next year.

ASUI To Sponsor Navy Aid Dance

All women will be urged to buy their own ticket to the ASUI-sponsored navy aid dance May 23 in the Student Union building, according to Graduate Manager Perry Culp. All proceeds of the dance will go to providing a recreational fund for the naval training contingent to be stationed on the campus.

Sennett Taylor yesterday was named chairman of a committee to handle arrangements for the dance. Others on the committee are Edith Jones, Ed English, Macey Mott, and Jay Garner.

Red Jensen's orchestra will play for the dance. The Student Union Activities board dance scheduled for that night has been cancelled, announced Harry Mosman, chairman of the board.

Culp emphasized that every one attending the dance will be required to purchase a ticket and urged that women cooperate with the navy aid program by buying their own tickets.

Sororities Start Spring Rushing

Sorority spring rushing for university women began yesterday for four rushees. Pledging will be held Friday morning when bids will be available at the dean of women's office.

Regular rushing rules will apply except that invitations to rush parties will be telephoned instead of written.

All parties for Moscow high school girls must be held before the end of this week, according to Joyce Tucker, Pan-Hellenic president.

Miss Jeffers Weds Lieut. Angell

Miss Betty Jo Jeffers, daughter of Dean D. S. Jeffers, and Lieut. Donald Angell were married Saturday night at the Methodist church.

Mrs. Angell will receive her degree at commencement time. She is a member of Alpha Phi sorority, Vandaleers, Curtain club, and Kappa Phi.

Lieutenant Angell was graduated from the university in 1938. He was a member of Phi Delta Theta fraternity.

The engagement of Vera Nell James and Bud Doane was announced Saturday evening at a fireside at the Kappa Alpha Theta house. The couple will be married June 7 at Gooding.

"We Shall Pay Them Back With Compound Interest" — F.D.R.

We Need Every College Man In Officers' Training

★ To Man the Mightiest Air Army in the World ★

Make Your Choice This Week For Present or Future Officers' Training

IF your blood boils at the very thought of an enslaved world...

If Jap treachery and Nazi savagery make you see red and itch for a gun—calm yourself with the promise that *we shall pay them back with compound interest!*

We shall—and you as a college man now have the opportunity of serving as a Flying Officer—a Bombardier, Navigator or Pilot—with that branch of service which will do that paying back *in person*—the U. S. Army Air Forces!

Under the new Army Air Force Reserve Plan—if you are a Senior or wish to leave school—apply *now* for your Aviation Cadet training.

You and your friends can share together the work and fun of flight training, and after approximately 8 months—earn the right to be flying officers in the U. S. Army Air Forces!

On the other hand, if you are a Freshman, Sophomore or Junior—you can, if you like, *continue your studies* under the Deferred Service Plan of the Army Air Forces—and become better prepared for Officers' Training later.

New Simplified Requirements

To qualify you must be 18 to 26 (inclusive), physically fit—and pass a new, simplified mental test which college men find easy.

When you are ready—and facilities are ready—you begin as an

THREE ENLISTMENT PLANS FOR COLLEGE MEN

Juniors—Sophomores—Freshmen May Continue Their Education

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standing.

All College Men May Enlist for Immediate Service

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turn comes for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R. O. T. C. plans.)

Aviation Cadet at \$75 a month, with expenses paid.

If you have majored in science or engineering you can try for a commission in the ground crew—in Armament, Communications, Engineering, Meteorology, Photography.

As a Second Lieutenant on active duty, your pay ranges from \$183 to \$245 a month.

80% Have Won Commissions

Due to thorough training—about *four out of every five* Aviation Cadets this past year received Second Lieutenants' commissions—of which 67% are now flying officers.

The tremendous expansion of the Air Forces should assure rapid advancement in all branches. And after the war—you'll be ready for the ever-growing opportunities in aviation.

Settle Your Service Now

The years ahead are war years—and every college man should make his plans accordingly.

To make America supreme in the air we need *every* college man who can qualify for active or deferred service.

So take advantage now of this option. You may never again have such opportunities.

See your Faculty Air Force Advisor for information and help with details. Join the thousands of America's college men who are enlisting this week!

NOTE: If you are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today.
