THURSDAY, APRIL 1, 1943

S.U.I. Names Gordon Committee Chairman

Joe Gordon was appointed last week by the ASUI executive board as chairman of a committee to investigate the Student Union bookstore. Supported on the committee by Don Swan and Edith Jones, Gordon will check bookstore prices and make recommendations for a permanent bookstore board to be set up if such a move appears desirable.

This investigating committee will set up for the students the present status of bookstore backing. It will determine if prices have been raised because of higher wholesale prices, and whether secondhand books were purchased at the semester because of a decreased enrollment which would be unable to absorb many as in previous years.

The ownership of the bookstore is eventually to lie in the hands of the students themselves, an investigation will clarify the present position of the student in relation to bookstore prices. The purpose of this temporary committee is to give an immediate answer to the more pertinent questions that have been asked by students regarding bookstore and book prices.

A permanent organization is desirable, a board will be formulated that will cooperate with the

Joe Gordon

bookstore manager and make suggestions in the interest of the students. The present committee will report the affairs of the bookstore as they stand, and will advise the executive board on the possibility of further action.

Dale Gives Approval For New Program To Replace Bucket Dances

A.S.U.I. Sponsors Free Dance At Bucket Friday

Featuring the "Draft Dodgers" orchestra, and the introduction of "Gawdy Gert" and "Ugly Ike," the A.S.U.I. will hold the first of their free annual dances in the Bucket ballroom, Friday evening.

Skin shirts and cords for the men, and skirts, sweaters, and ankle socks for the women will be the appropriate costume at the strictly informal, but date affair.

In addition to the introduction of "Gert" and "Ike" a short program has been arranged for intermission entertainment.

Macy Mott Steile is the chairman of the entertainment committee and her assistants are Edith Jones, Warren Weinberg and Bob Ellington.

Actors Will Give A.S.U.I. Play April 9 and 10

Costume rehearsals for "Ring Around Elizabeth," ASUI spring play, which will be presented on April 9 and 10, have been in progress this week. Tickets for reserved seats will be available at Student Union bookstore by next Monday.

By drawing straws, members of cast who were cast doubly, have chosen the nights they will perform. The original cast in which there were two people for each role has been singled down in many cases because of some students dropping out and the ineligibility of others. Those taking leading roles all three nights are Meredyth Bowler in the title role, and Drexel Brown as Laurette. Jim Watson is cast as Hubert, Elaine Anderson as Mercedes and Virginia Barrows as Vida.

Those cast doubly who will play the main roles on Friday night are Mary Kay Drumheller, Anne Norman, and Joanne Hunter. Saturday night players include Jean Rosebaugh, Jackie Morefield, and Marion Wilson. A special performance will be given for the men in the naval training school on Thursday night. Anne Norman, Mary Kay Drumheller, and Marion Wilson will take the leading roles that night.

Carlson Sets Date For Senior Lists

Deadline for senior activity lists has been set as Friday afternoon, Don Carlson, Gem editor, announced Wednesday.

"Unless enough lists are turned in to justify their publication in this year's Gem, none will be run. Blanks are available at the Gem office," the editor said.

The mounting of class and group house panels was completed last week under the direction of Anne Thompson, photo mounting editor. At present, the Gem is one month behind the advanced schedule set by the Gem photo engraver.

Students Complete Arrangements For Junior Week

"College Days" the junior's official week, leads off with an all-university mixer Wednesday night, April 14. An assembly, cabaret, and Junior prom complete the week's activities.

To dance and get acquainted is the aim of the all-student mixer which will be held in the SUB. After the mixer, a group of "musical" juniors will serenade every group residence on the campus.

Junior talent will be displayed in an assembly in the auditorium the second night of Junior Week. They will present music and skits built around their theme.

Commencing at 9 p. m., April 16, the Junior Prom will be formal with tuxedos and advanced military uniforms. As is customary, there will be a receiving line, and everyone will have programs. Tickets will be on sale for \$1.60.

Festivities end Saturday night with an informal cabaret open to all students in the SUB. Cost of the cabaret will be \$1.25.

President Dale put his final approval on a new program presented last Friday by the student union activities board to take the place of the former Bucket dances. The primary purpose of this new program is to furnish inexpensive entertainment for university students and the men at the naval training school who wish to come with university women.

In the new ballroom there will be dancing to a nickelodeon and in the assembly room there will be ping pong and various card games such as bridge. Arrangements also have been made with Chet Kerr, manager of the Blue Bucket, to sell refreshments in the assembly room.

Members of the student union activities board will meet Thursday evening to make definite plans for the first evening's program, which will be held within the next few weeks. Definite date will be announced in the Argonaut.

Another feature of this new program will be the operating of a dating bureau between the university women and the sailors. Mimeographed forms will be sent to the various houses to be filled out by those who would like dates with the navy men. A file will be kept, and the dates will be matched according to their interests.

According to the plan these programs will be held on those Saturday nights on which other campus activities are not scheduled. Admission will be 10 cents a person. Married naval men will be invited to come with their wives.

Members of the student union activities board include Marylu Jensen, chairman, and Helen Gale, Molly McMahan, Merrie Lu Kloepfer, and Norma Marchi, executive board representative to the committee. Harry Mosman, ex-chairman of the board, helped in completing plans for the program.

19 Students Get Straight 'A's' First Semester

Of 19 University of Idaho students earning straight A's for the first semester, eight were sophomores reports Miss Ella L. Oleson, university registrar. They were Jean Bruins, chemistry; May Burkhart, education; Marian Franson, political science; Dorothy Anne Hauge, home economics; Julien Paulson, home economics; Alton Sept, electrical engineering; Theodore Merrill, pre-med.; Fred Watson, mining engineering.

The four seniors making 4.00 were Lois Johnson Ewart, commercial education; Sarah Olston, home economics; John Templeton, political science; and Garth Duell, geology. Juniors were Roger Batzel, chemical engineering; Joseph Gordon, mining engineering; Frances Sanborn, sociology; Anne Thompson, French; and freshmen were Betty Echnernach, home economics; Norman Johnson, mechanical engineering; and Ray Jeffery, law.

Beecher Journeys

Prof. A. A. Beecher, head of the music department, will leave for Eugene, Ore., on April 17, to attend the Northwest Music Educators' conference. This conference will be held from April 7 to 12. While in Eugene, Mr. Beecher will appear on the program of speakers.

Officer Will Urge Enlistment of Idaho Women

Second Officer Beatrice J. Ringgold of the Women's Army Auxiliary Corps visited the University of Idaho campus Wednesday and conferred with Dean of Women Beatrice Olson and members of the AWS council. She will be on campus all next week, staying at Hays hall.

Individual interviews, as well as group, may consult with Lieut. Ringgold during the week. A schedule is being arranged by a special AWS committee, including Marie Cheney, Marie Connick and Glen Urness.

Women who enlist for the AAC now will not be called for active duty until after the end of this semester. University women are needed in the WAAC because of the present deficiency of good officer material. A quota of 150,000 women has been set for the organization, and there are at present nearly 50,000.

Women interested will be sent to Seattle, Wash., for physical and mental examination at the expense of the government. When ordered to active duty, university women will undergo a five week period of basic training, and may apply for officers training or for a special school.

Lieutenant Ringgold is stationed at Spokane. Accompanying her Wednesday was Pvt. William F. Stevens, of the Spokane recruiting office.

TRYOUTS

Pep band tryouts will be held Tuesday at 7:30 p.m., in the old ballroom of the Bucket, Dick Colquhoun emphasized yesterday. Anyone interested should report, with their instruments, for this rehearsal from which men will be selected to fill band vacancies.

Trumpets, clarinets, saxophones, drums, trombones and baritone are needed in particular.

Canterbury Holds Discussion

Canterbury society, Episcopal study group, had the first of a series of discussions Tuesday evening on "How to Build a Just and Durable Peace After the War." Guest speaker was Charles K. McWho presented the philosophical conditions necessary for such a peace.

Other faculty members will appear as guest speakers in relation to their particular field. Prof. Wayne W. Smith will speak on the educational factors arising after the war, on April 6. Dr. J. W. Martin will talk on the psychological viewpoints on April 13, and Prof. Chandler Bragdon will include the international political viewpoint of the question on April 20.

At a meeting to be held May 11, the group will devote its time to Red Cross work. The WSC-Idaho get-together will be in the form of a picnic scheduled for May 15.

Students Making Plans For Junior Week

Junior Week committee members work out plans for their annual week of festivities, spreading from April 14 to Saturday, April 17. Included in the activities will be an all-university mixer, an assembly, a cabaret and the Junior prom.

Communique Comment

General Eisenhower's Tunisian campaign forms the minute hand on the clock that will time the expected Allied invasion of the continent of Europe. By sudden counter-attacks and deft use of rear guards, Rommel has escaped from the trap laid for his army between Gafsa and Mareth and has delayed by several weeks the final Anglo-American assault on the northeast corner of Tunisia, the logical springboard for a descent on southern Italy.

The enemy grip on the northern part of Tunisia is menaced by Montgomery's advance northward from Gabes and by the arrival of reinforcements for the British 1st Army. But Allied military experts warn that the destruction of the divisions under von Arnim and Rommel will take one to two months rather than a few weeks. The Germans have been using the winter to strengthen the natural and prepared defenses of the Bizerte-Tunis sector, while the 90-mile strait between Cape Bon and Sicily gives the Axis commanders the advantage of short communication lines to Italian supply bases.

Conclusion of the fighting in Tunisia may be followed immediately by Allied thrusts into the Balkan states or the Scandinavian peninsula. A successful drive through the Aegean islands and Greece would put the eastern Mediterranean under Anglo-American control, threaten Italy with invasion from two directions at once, and endanger the southern anchor of Hitler's long Russian front. Occupation of the northern part of Norway would strike terror into Finland and secure the vital sea route to northern Russia against attacks from land-based units of the Luftwaffe.

The most important offensive of the present spring is not being waged by Montgomery in the dust of North Africa but by the U-boat flotillas of Admiral Doenitz under the dark waves of the North Atlantic. The United Nations will not undertake landing in Norway or Greece or Italy or France until the shipping lanes between the U.S. and Britain and the Mediterranean have been made more secure against the fury of the undersea wolfpacks. The Anglo-American naval staff saved England from starvation and brought the A.E.F. to France by solving the submarine problem in 1917: it can and must repeat that triumph, in the face of greater odds, in 1943.

The GOLDEN FLEECE by Gasan

Next week the criticism that has been handed to the Student Union bookstore concerning high prices and a curtailment of the number of second-hand books purchased by the bookstore at the semester will either be justified or killed. The ASUI executive board has at last taken things in hand, appointed an investigating committee, and is building the groundwork for a permanent bookstore advisory board.

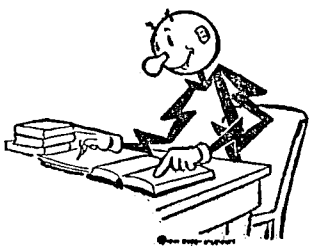

For not less than six years now the university Big Boys have promised the associated students eventual ownership of the store, with profits to be used as the ASUI sees fit. But the utopia is to be precluded by a period of debt retirement—to begin with, there was a \$5,000 liability contracted for the initial stock investment, since then the store has had to make additional outlays for an expansion in merchandise, with the apparent result that expenses have outrun profits, and student ownership of the store is still a "will be."

The significance of this latest executive board action lies in its preview possibilities. At present the university owns and operates the store—hires the managers, supervises purchases and expenditures. Theoretically it is operated for the benefit of the students; the only way the administration will know that it is working for the benefit of the students is by way of an advisory committee that will offer suggestions and criticisms in the interest of those students.

The bookstore policy, with its ultimate aim of giving the students bookstore service at a minimum cost has so far hit the average college joe unfavorably. When the Idaho bookstore was bought out, thereby creating a semi-monopoly, prices went up instead of down; the debt that was to be retired by the profits has increased; everyone talks about eventual student ownership, yet the ASUI has neither invested funds in it nor has there been any effective student committee to watch the wheels turn.

At last the hope looms in view that a definite group will be organized that can tell the ASUI how things are going, and after the war is over perhaps that group will be able to offer the university a definite, practical plan that can be carried out by the students themselves.

If the promise is to be made good that the ASUI will take over the operation of the store after the debts are paid, then there arises a need for the students to assume a little responsibility right now for the bookstore policy instead of apathetically casting gripes hither and yon. And if the

Many Social Plans Promise Relaxation After Quizzes

Relaxation from the big "drive" on studying for the nine-week's examinations is scheduled for this week-end although mid-week activities are few. Colonel W. A. Hale was dinner guest at the Alpha Chi Omega house last Wednesday evening. Gamma Phi Beta members were hostesses to Misses Bonnie Mae McDonald and Bette Faye Solberg from Lewiston last week-end.

Miss Margaret Ritchie and Miss Margaret Myline, Sunday guests, and Miss Betty Loeschel of Lewiston, a week-end guest, were entertained at the Kappa Kappa Gamma house this week. Members of Alpha Tau Omega entertained seven guests for Sunday dinner. They included President and Mrs. Harrison C. Dale, Mr. A. S. Howe, Mr. and Mrs. Don Sperry and Mr. and Mrs. J. A. Amstutz of Glenns Ferry. Mr. Howe is entertaining members of this fraternity at his home Sunday.

Dick Pfeiffer and Preston Eddy, of the University of Washington, and members of Delta Tau Delta were guests of the Idaho chapter last week-end. Rex Rodgers from the local naval training station was dinner guest of this house last Sunday.

Other guests this week included 2nd Lieut. Margaret Freeman of the Army Nurses Corps from St. Louis, Missouri. She was visiting her sister, Francis Freeman, at Ridenbaugh hall. The annual Sweetheart dinner was held at the house of Kappa Sigma last Sunday.

Members of Kappa Alpha Theta schedule their initiation fireside this Saturday.

Exchanges this week include: Gamma Phi Beta and Navy men, Wednesday; Delta Delta Delta and Idaho club, Thursday; Delta Gamma and Navy men, Wednesday; Pi Beta Phi and Tau Kappa Epsilon, Thursday; Kappa Kappa Gamma and Navy men, Wednesday night; Pi Beta Phi and Phi Delta Theta, Thursday.

The following houses have firesides scheduled for this week-end: Beta Theta Pi, Delta Tau Delta, Sigma Chi, Sigma Nu, Saturday; and Phi Delta Theta, Friday.

PLAN BANQUET

According to Helen Jeanne Brink, president of Delta Sigma Rho, plans are being made for a banquet to be held in April and for the pledging of new members.

Honorary To Name "Ugly Ike and Gert" At Friday Dance

Winners of the "Ugly Ike and Gawdy Gert" contest are still unknown, but Friday, April 2, at 6 p.m., the votes will be counted and the winners declared. The woman winning "Gawdy Gert" and the man winning "Ugly Ike" are to be at the ASUI dance Friday night to take part in a mysterious "added attraction."

Delta Tau Delta, Tau Kappa Epsilon, and Beta Theta Pi have their jars almost filled, while the Pi Beta Phi, Hays hall, and Alpha Phi are supporting their "Gawdy Gert" candidates best. Rumors have it that the men's residences have a monopoly on the pennies.

Not only do the students elect their favorite "Gawdy Gert" and "Ugly Ike," but they help the Alpha Phi Omega, a service honorary, to raise funds which will be put into war bonds, to be held by the bursar, and after the war to be redeemed to buy a memorial plaque that will be erected in honor of the former university students killed in the war.

PESTS

The annual Lawyer Drive was planned at a meeting of the Ag club Wednesday evening. As in previous years, the menace has become so great that upright citizens feel the time has come for action to take the place of words. In spite of all the extra work required for farmers in these trying days, patriots are called upon to gather in the village on Saturday afternoon, April 3, at 2 o'clock. It is expected that the usual festival spirit will prevail, and visitors are welcome.

Rumor has it that the Lawyer crop is the smallest in years—a condition which may or may not be due to the persistent hammering tactics of the agrarians.

Ag club.

P.S. This is a challenge to a basketball game in Memorial gymnasium.

Delta Gammas Hold Initiation

Delta Gamma announces the initiation of 15 new members: Ann Hite, Peggy Henkle, Phyllis Harrison, Mary Kay Drumheller of Spokane; Margaret Finch, Helen Howard of Boise; Joanne Hunter of Pocatello; Virginia Barrows and Mary Jane Donart of Weiser; Shirley Knox of Emmett; Peggy Knudson, Patricia Shelton of Coeur d'Alene; Shirley Stowell of Twin Falls; and Phyllis Gauss and Jean Armour of Moscow.

New officers of Delta Gamma elected recently are: Helen Jeanne Brink, president; Margaret Bacon, vice-president; Maryella Sanford, recording secretary; Eveleyn Mackay, treasurer; Claire Bracken, corresponding secretary.

SAI Makes Plans For Song Test

A record recital was held by members of Sigma Alpha Iota, national music honorary for women, last Monday. The group listened to Rimski-Karsakov's "Scherzade" suite and Rachmaninoff's "Concerto, No. 3."

Plans for the annual song fest are being worked on by this group. Jean Mann, president, announced that Marvel Houx has been appointed chairman of the song fest and will have a meeting of all song-leaders this week.

Dr. Arthur Fahrenwald, dean of the school of mines, and Dr. J. D. Forrester, head of the geology department, will attend the meeting of the Board of Control of Idaho Bureau of Mines and Geology to be held in Boise next week.

redeemed to buy a memorial plaque that will be erected in honor of the former university students killed in the war.

Rushing Is Closed For Women

At a Pan-Hellenic council meeting Thursday it was decided that rushing would close for the year Saturday noon. The council also decided to discontinue the Pan-Hellenic spring clinic, which has as its purpose the study and remedy of rushing rules.

Pledges moving into their new homes last week-end were Phyllis Hines, Betty Farrans, Alpha Chi Omega; Julie Paulson, Eldora Erickson, Ethel Van Orden, Jeanine Johannesen, Alpha Phi; Margaret Kehne, Elizabeth Wolfe, Beta Phi; and Jean Anderberg, Delta Delta Delta.

Nine Begins Home Play, Drop Four To Whitman

Home play begins Tuesday for the Vandal nine with two games scheduled against Whitman at MacLean field. The teams play another doubleheader on Wednesday. The diamondmen dropped four games to the Missionaries over the week-end in the opening series of the season. Whitman pitchers limited the Vandals to eight hits and two runs in the four games, Forsyth of Whitman pitching a no-hitter in the first contest.

Despite the poor showing, Coach George Greene expressed himself as satisfied with the progress the squad has made. "Although the batting was poor," he said, "the rest of the play was up to par. The fielding was exceptionally good and the pitching showed promise. With a little batting practice, we should be able to field a fairly strong team," he concluded.

Among the men who caught the eye of the coach were Ray Davis, John Ryan, and Lennard Pyne. However, the mentor emphasized that none of the positions have been clinched.

Vandal Marksmen Place High in Service Command

Vandal marksmen placed second in the ninth service command match, it was revealed yesterday.

Montana State university won the title with a score of 951 points while the Vandals scored 948. The leaders were followed by Oregon with 933, WSC with 925, and Washington with 919.

Gene Bassett, Vandal sharpshooter, placed second in the individual competition with a score of 193 of a possible 200.

In a recent dual meet, the Vandals defeated the Cougars, 1910 to 1883.

Net Coach Chosen

Coach J. A. (Babe) Brown yesterday was appointed by Athletic Director George Greene as temporary tennis coach.

In making the appointment, Greene said Brown would supervise net drills and begin cutting the 20-man squad to a workable unit. He added that a ladder tournament would probably be started soon.

Last night Coach Brown said he wanted to contact all varsity candidates individually before Friday evening.

Track Team Meets Wash. State In Season Opener

Mike Ryan will get the first look at his charges under fire Saturday afternoon when the speed merchants travel to Pullman to meet the Cougars in the first meet of the season. The meet is the first one of three between the two schools.

The outlook for the team is far from bright. "We will enter the meet a distinct underdog," Ryan stated. "We've been hampered by injuries, sickness, and lack of training facilities since we started. In addition, we haven't been able to hold any time trials, and I haven't been able to get a line on the new men on the squad."

According to Ryan, the only strong events are the mile-and-a-half and the 35 lb. weight throw. Four experienced runners are left in the former event, led by LaMar Chapman, one of the two returning lettermen. Ward Strochein, Bill Freeburg, and Don Anderson are the other three. The weight men will be led by Jerry Eide, Earl Chandler, and Bob Desaulniers.

The entire squad of 65 will make the trip and all will compete.

John White Leads Frosh Scorers

Figures released by the physical education department last week showed John White leading freshmen scorers with 108 points in 13 games. Tom Mendiola had the highest average with 10.6 points per game in 9 contests.

Vandal Babes scored a total of 649 points, or 49.9 per game, to 478, or 36.8 per game, for their opponents. 132 personal fouls were called against the yearlings while their opponents drew 150 infractions.

The summary:

	g	fg	ft	pf	tp	ave.
White	13	45	18	12	108	8.3
Mendiola	9	41	13	7	95	10.6
Gardner	13	36	15	13	87	6.6

QUINN AGAIN

Fred Quinn, high-scoring center on this year's Vandal cage team, is seeing hoop action with the Aviation Cadets basketball team at the army air base, Lincoln, Neb.

Quinn, who was called to active duty with two games to go in the conference, sparked the Cadets to a first-round win in the air base competition. He potted six field goals to be high point man for the team.

IN THE TANK FORCES

they say:

"IRON HORSES"
for tanks

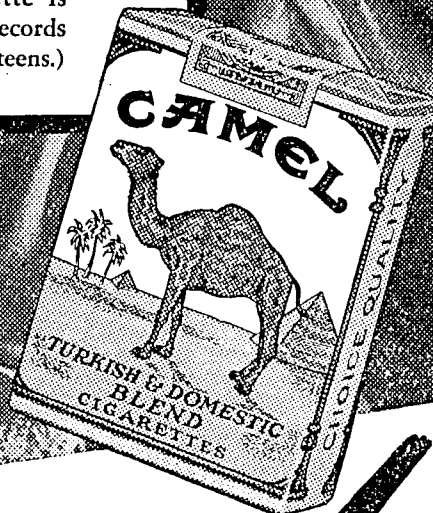

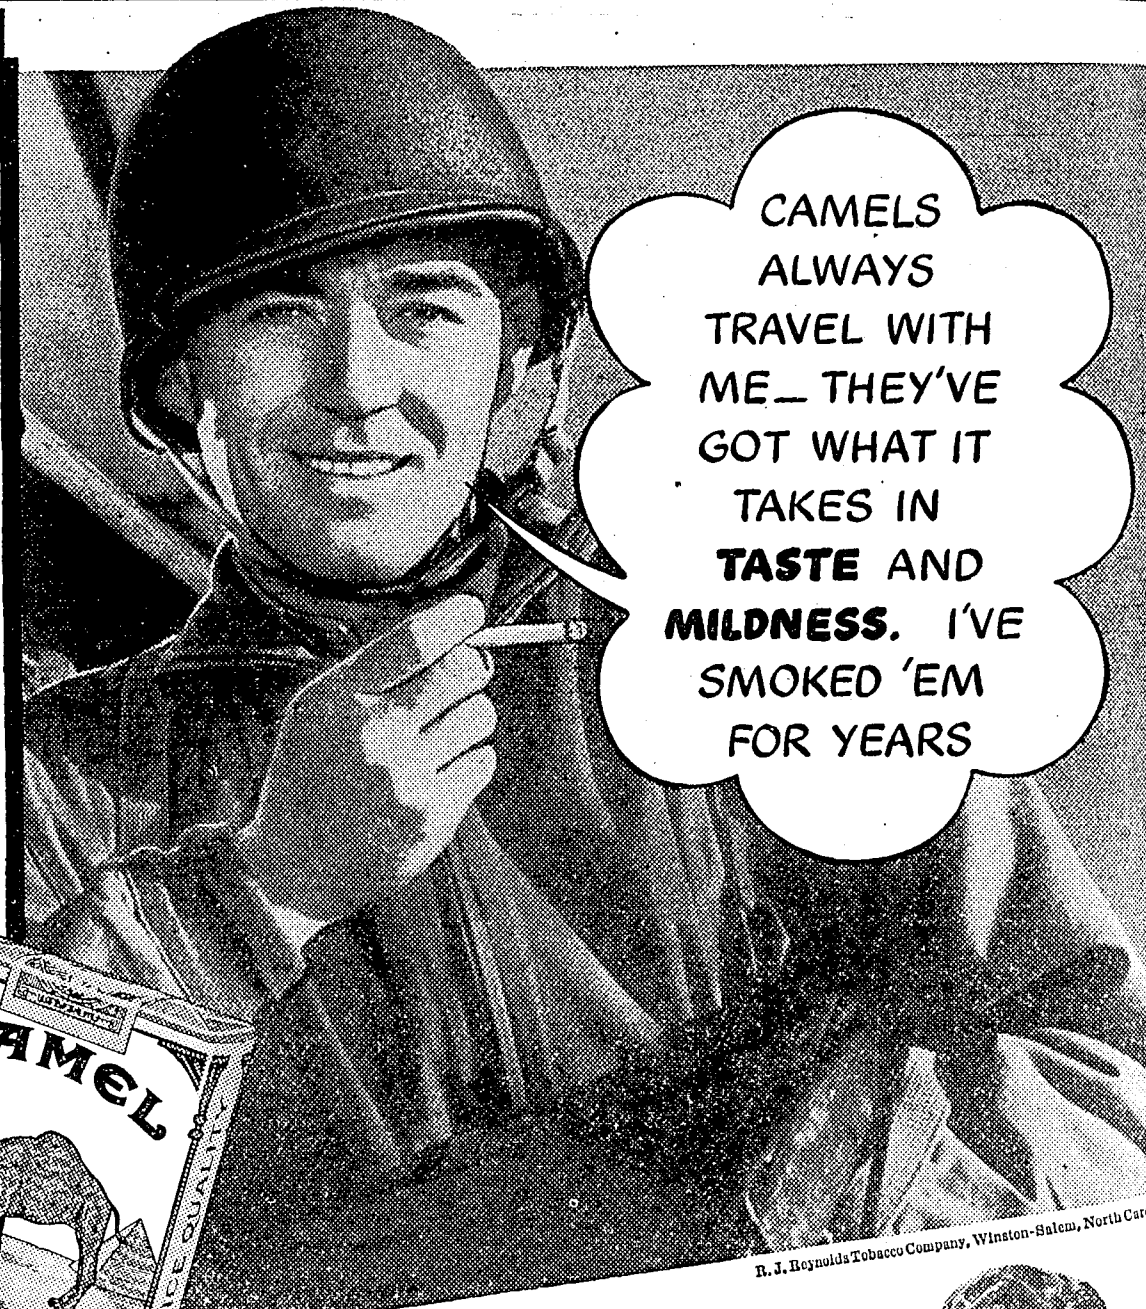

"GEAR HAPPY"
for shifting gears too often

"THIN SKINS"
for unarmored trucks

"CAMEL"
for the service man's favorite cigarette

FIRST IN THE SERVICE

★ With men in the Army, the Navy, the Marine Corps, and the Coast Guard, the favorite cigarette is Camel. (Based on actual sales records in Post Exchanges and Canteens.) ★

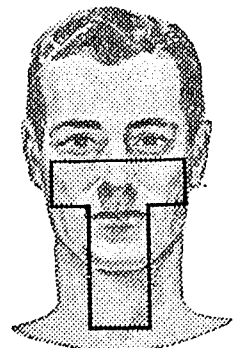

Camel

THE "T-ZONE"

—where cigarettes are judged

The "T-ZONE"—Taste and Throat—is the proving ground for cigarettes. Only *your* taste and throat can decide which cigarette tastes best to you...and how it affects your throat. For your taste and throat are absolutely individual to you. Based on the experience of millions of smokers, we believe Camels will suit your "T-ZONE" to a "T." Prove it for yourself!
