THANKS

The following letter was received this week by Lt. Col. William A. Hale, commandant, from Basil O'Connor, president of the National Foundation for Infantile Paralysis:

The Officer-in-charge, Army Service Forces. University of Idaho, Moscow, Idaho. Dear Sir:

This is to thank you for the sum of \$107.09 representing contributions from the officers and men of the University of Idaho toward the work of the National Foundation.

With so many kind friends to assist and such unstinting devotion to our common cause, the free and happy world we fight for on so many fronts will, some day soon, be likewise freed of the scourge of infantile paralysis. Sincerely yours,

High School Teams Compete In Of Track Candidates Basketball Tournament Here

The north Idaho district high school tournament will be held at the University of Idaho this weekend, March 16, 17 and 18, when four teams will be out to win the tournament which will enable fans to see some real basketball. Coeur d'Alene, Panhandle champions, and Kellogg, runnerup, arrived today to meet Moscow, district champions, and Lewiston, runnerup, in competition during the tournament.

All four teams are studded with some mighty fine ball players. It has been a treat to watch Pierce, Kellogg forward, who has a 10point average for the season. Lewiston's McClaran will be a man to watch on the court, for although bothered with a knee injury all season, he was able to take scoring honors against Moscow during their district games.

Not much is known of Couer d' Alene's big guns but winning the Panhandle championship they had to have some good ball players. Moscow high has heighth in John Taylor and Bob O'Connor, two forwards, as well as a few other boys who have sparked the team all season. Rated by pre-tourney dopsters as the favorite two teams to watch were Coeur d'Alene and Moscow, but Lewiston and Kellogg can't be counted out until the final whistle Saturday night. Tonight's Games

Thursday's games finds Lewiston fighting it out with Coeur d' Alene, while in the second game Moscow tangles with Kellogg. Friday night, Kellogg meets Coeur d'Alene and Moscow will meet Lewiston. Saturday, the final evening, Kellogg vs. Lewiston and Moscow vs. Coeur d'Alene, will decide the championship.

Members of the Idaho basketball squad will manage the teams while they play at the gymnasium. Jay Gano and Bill Carbaugh will help Moscow, Tom Collins and Paul Olson will help Kellogg, Dale Ablin and Rich Morse, Coeur d' Alene, and Len Pyne and Darwin Briwn, the Lewiston crew.

John Schnell, Spokane, and Ed Stricherz will act as the officials for the contests. Other officials will be Rich Fox, northern division commissioner, official

day stated that if enough enthusiasm is shown toward baseball this week, the first turnout will be held some day next week. Len Pyne, shortstop of last year's squad is the only returning letterman this season. According to Coach Brown, baseball talent can be found in Sumner Johnson, Dale Ablin, and Bill Carbaugh, who all have high school baseball behind them. The only serious problem bothering the Idaho mentor is finding a catcher, the most important spot on a baseball team.

A tentative schedule has been made with WSC and Whitman, but the dates for games have not been

"The man-power shortage has dealt sports a serious blow, but an attempt should be made to keep all athletics alive," commented Coach Brown. "If those interested would participate, Idaho fans would still see baseball this sea-

Oregon U Selects Dale Ablin On All-Star Team

Dale Ablin, high scoring sophonore forward on the university's basketball team, was chosen on the University of Oregon's all-conference opponent team. "Abe" was instrumental in all four of the University of Oregon games, scoring a total of 45 points. Dale, who saw little action during pre-season games, began to hit the basket regularly when the conference started. His 21 points against Washington two weeks ago was the main reason for Idaho's victory which gave Washington their only conference loss of the season.

"Abe" hails from Fruitland, Idaho, where he was a stellar athlete in three sports during high school. In the fall of 1942, he came to Idaho to take pre-dental work. When the turnout call came for freshmen "Abe" was among the first to answer the call. He was selected to play on the freshman basketball team that year, but he spent most of his time on the
