

### Shangri-La Bound

This is a preview of what's going to take place within the next few days as ASTU's pack their barracks bags and take off for Shangri-La. Above is Dottie Hereford kissing Husband-Soldier Wayne goodbye at Moscow's railroad station.

### ASTU ANGLE

By PFC. HENRY SANTIESTEVEAN

With that gift we have for recalling the insignificant, we remember our first ASTU ANGLE. We wrote something about the soldier's desire to become an integral part of the Idaho student body. It takes more than an attitude to make a single group of many. It takes shared experience, and good will. Now, as our time here ends, we believe that the unity we strove for was accomplished.

You could go on like this for hours: "integral part," "shared experience," "unity"—the usual blah-blah stuff that fills column inches. What the hell, give your dear readers a little frankness for a change. A bunch of GIs got thrown on to the same campus with a bevy of 'co-eds. "Unity?" Sure. Think the guys were nuts?

#### WORKED TOGETHER

There is no need to catalogue the many things the GIs and the 'co-eds did together. They worked together, played together, learned to like and appreciate each other. It was normal and to be expected that a group of men and women about the same age, and with about the same interests would soon learn to live together.

(I'd like to "catalogue" some of the things that went on. Good material. The boys and girls ran the gamut, as usual. Life goes on, though no one seems to know exactly why.)

It won't be easy for us to leave. We have made friendships here, some of which will be lasting. We have lived here for nine months, and our emotions and our loyalties have gradually become entangled with the personalities and experiences we have known. To some soldiers, Moscow, Idaho, will be a part of them for the rest of their lives. Some fell in love here, some were married here, and for a few of them, their first baby was born here, or while they were stationed here.

(It's going to be tough leaving some of these lovely fems. Going to be tough to crawl back into dirty, smelly fatigues, and to catch the tantalizing odor of sweat, instead of powder and perfume. It wasn't bad here—

not at all. No KP, living at home with the wife (if you had one), shapely co-eds to admire, and talk to, and—none, it wasn't at all bad here.)

#### SOME CHANGES MADE

It is interesting to note the changes that have taken place. Men who were bitterly vocal a few months ago about being isolated here are now genuinely sorry to be leaving. Co-eds who were cold and distant, and complained about being shoved off the sidewalk by mean soldiers, are now sighing as they contemplate the coming loneliness. Individuals and groups, once quick to take offense, now work side by side, eagerly and happily co-operative.

(Changes? What changes? The customary response to problems is still the easiest. The usual instruments of convention are still in operation. Sure, there should have been some changes, and there were a few—damned few.)

#### IMPERATIVE CO-OPERATION

We feel rather proud of the way GIs and 'co-eds learned to live together. Here we had the problem of hundreds of men with greatly varied backgrounds and experiences trying to adjust to an environment already formed in patterns and customs. There was need for compromise and understanding, and the need, for the most part, was met.

Attitudes once firmly decided were changed. The "usual" way of behaviour was modified here and there. There was resentment, and there were clashes, yes, and some of us resisted or completely failed to recognize the changes that had to be made. But the changes were made, and our society learned the imperative of co-operation.

(So some of the kids liked each other and they got along. And some of them didn't. And they didn't get along. That's the story. Certainly it was swell here. Certainly you enjoyed it. YOU had a snap, that is certain. But you're still a GI, soldier. Knock it off, and let's move out of here. You're going to war, soldier, leave the dreams for the guys and gals who stay behind.)

### Three Officers To Leave Unit

It will also be "good-bye" for three of the officers here after next week.

Scheduled to be transferred to unannounced stations are: Capt. Lorin D. Parkin, special service officer; Lt. William C. Wideman, Company B commanding officer, and Lt. John E. Swain, adjutant.

Lt. Jack W. Cushman, on temporary duty here from Camp Roberts, Calif., returned to his station the past week.

### Men To Receive Weekend Passes

Passes extending from Saturday, noon, to Monday, 6 a. m., will be given to trainees this weekend, Lt. Col. William A. Hale said today.

### Lowe Loops Reed In GI-UI Romance

Miss Phyllis Lowe, daughter of Mr. and Mrs. Jack Lowe, Weiser, Idaho, became the bride of Pfc. Henry F. Reed of Chicago, a Co. C term 5 electrical engineer, Saturday at Lewiston, Idaho.

The bride is a senior at the university and majors in dietetics. Reed, son of Mr. and Mrs. Calvin Reed, Chicago, formerly attended the University of Dakota law school.

## GI'S RETREAT FROM MOSCOW

### Speech, Diplomas For ASTU Saturday

#### First And Final Unit Graduation Prelim To H-Hour

With H-hour approaching, the present ASTU's first—and final—graduation exercises will be held Saturday morning at 10 a. m., in the university auditorium administration building.

Two-hundred-fifty trainees will march by sections onto the stage and receive diplomas. These include 106 language students, 43 advanced engineers, 41 communication men (term 4 engineers), and 60 term 3 basic engineers.

Col. George E. Arneiman, director of training in the Ninth Service command, will be principal speaker. Lt. Col. William A. Hale, commandant, and Harrison C. Dale, president of the university, will make brief remarks.

### Sketch Stars Sob Sisters

Being the editor of a paper is no fun, but the two young ladies pictured above in a Chanler cartoon have made working on The Argonaut an easy task for us army men.

Reading from left to right is Mary Jane (Babe) Donart and Shirley West who have been serving as co-editors of the paper since February.

Babe is a DG, a sophomore and a major in journalism. She scales 5 feet 1 1/2 inches in her bare toes, makes her home in Weiser, Idaho, and comes from UI stock, her father having graduated in the class of '13.

Although it's a rare fact when a soph pulls up to the editor rank, Babe did it by hard work—being managing editor, and when Claire Bracken moved out took over the top duties.

Shirley was only a reporter last September but she too showed ability enough to go into the editor post. She calls Boise, Idaho, her home, worked on the Boise Junior college paper and made herself known to the staff of the Boise Daily Statesman as a society reporter.

She's a KKG, a junior and is also a major in journalism. Shirley is 5 feet 5 inches, is blonde and is known as a serious young lady. Both co-eds have been tapped by Theta Sigma, local journalism honorary.

And for some reason or other we managed to persuade them to let us take over the front page for our last efforts.

#### Applegate Found

Found: Capt. Daniel W. Applegate.

The Vancouver, Wash., officer, whose transfer from Vancouver Barracks to ASTU 3926 was announced three weeks ago but who never did report to local headquarters, is confined to Barnes General hospital, Vancouver, it was reported today.

Because of the decrease in ASTU men here, he will probably be reassigned elsewhere following return to duty.

### Coeds Sorry To See ASTU's Leave, Inquiry Reveals

By PFC. JULIE DOMOWITZ  
Idaho coeds are sorry to see us go, and we are sorry to leave them.

This was the opinion of six coeds and six GIs interviewed this week by an army page inquiring reporter.

A typical coed reaction was that of dark Josephine Valadon, a junior from Elizabeth house. "A wonderful group of fellows. We hate to see them go," she said. "Our very sincere wishes to them all."

And from Pvt. Frank Noonan of Co. B came the following statement: "I know I speak for most of the soldiers when I say that we'll miss Idaho very much. The gals have proven to be tops, and

### Stars Of "Gee-Eyes Right" To Headline Army Dance

Virginia Eggan, Virginia Chaney, and Pvt. Carey Alsop singing stars of "Gee-Eyes Right," will be featured vocalists Friday evening at the AST graduation dance in the Student Union building. Capt. Lorin D. Parkin, special service officer, said today.

Miss Eggan, winner of the Inland Empire "Hour of Charm" contest, and Alsop, a Co. C basic engineer, will repeat their "Tomorrow and Tomorrow" duet. Miss Chaney, vocalist, with the AST orchestra the past year, will sing "I'm a Sucker for a Pucker," the number she featured at "Gee-Eyes Right."

The dance, to last from 9 p. m. to midnight, will be free to trainees and guests. All AST instructors and officers are invited, Capt. Parkin said.

Nickles will be supplied for the juke box in the downstairs Student Union lounge, so that there will also be dancing here the entire evening.

Because it was felt members of the AST dance orchestra should also have the evening free, Capt. Parkin has made arrangements for the Grange hall band to furnish the music.

The dance will be informal. Refreshments will be served.

### Sheepskins First, Then Come Exams

For the first time in the history of any university, graduates will take their final examinations after they have received their diplomas.

Due to a mixup in dates and the fact that the graduation day was moved up one full week, some of the engineers will undergo tests on Saturday afternoon.

The lucky language students will take their final GI quizzes on Saturday morning—an hour before the ceremonies.

### Stripes Are Legal After Saturday

Stripes are coming back. An order released from headquarters today allows GIs to sew on their chevrons following graduation exercises.

Because AST program were conducted under a cadet system, trainees were forbidden to wear insignia of their rank during the school year.

ASTU patches, to be worn at the commencement, must be returned, however.

Mel Edwards, Co. A: "Kinda sorry to leave, but am still anxious to get back to Army life. I had a lot of fun for six months and I guess it's about time to move on."

Ken Antonich, Co. A: "I've made a lot of good friends among the soldiers and civilians both. The gals and GIs have had plenty of fun and we'll miss those week-ends and coke dates when we're back in line outfits, that's for sure."

Ollie Schleuter, Co. B: "My buddies and I feel that these gals out here are the most human and genuine we've ever met and they won't miss us nearly as much as we'll miss them."

### Mace Amazes, Joins WACS

It's Private Jeanne Mace now. Miss Mace, informant in French for the ASTP at the University of Idaho, was sworn into the Women's army corps last week in Spokane. When she is finished with her teaching duties this week, Miss Mace will return to her home in Boise to await orders to report for active duty.

### Comedy Features German Banquet

A comic German skit, written and acted by William McMillen, Leander Porath and Gale Reedy, was a feature of the German class's farewell party Friday evening in the Moscow hotel.

More than 30 attended the banquet. Honor guests included wives of the servicemen present and Prof. J. G. Eldridge, Mr. and Mrs. Walter Michael, Mrs. Louise Hammer, and Prof. Homer Foster.

The skit concerned the mishaps of two Yanks, both graduates of Idaho's AST German class, in a German prisoner-of-war camp. McMillen and Porath were the two American soldiers, while Reedy portrayed a German officer.

Sgt. Roger Widder, oboist, accompanied on the piano by Mrs. Michael, played several selections. He also participated in a duet with Harry Zalmanoff, violinist.

Also featured were a German band, led by Clyde Voll; a humorous reading by Harry N. M. Winton; a song fest, led by Leander Porath and Sol Schachtman; and a vocal solo by Harry Zalmanoff.

### Feger Confined To N. Y. Hospital

Cpl. Joseph R. Feger, called to Philadelphia, Pa., three weeks ago by the sudden death of his father, is confined to the Fort Wadsworth hospital, Staten Island, N. Y., because of flu.

A member of the German graduating class, he will receive his diploma and new assignment upon return to duty.

### Cover For Astude Listed As Missing

Even usually jovial Capt. Lorin D. Parkin was unhappy this week. The reason—the Astude failed to arrive.

It isn't the fault of the army staff, however, who explained via the company bulletin boards this week that the printer had a tussle with the covers for the book and came out second best.

According to last reports the annual has been finished—except for binding—for the past two weeks. The books will be definitely completed so that each man will get his copy.

Carl Mueller was master-of-ceremonies.

Betty Farrrens, sophomore, Alpha Chi Omega: "Things on the campus will seem uneventful. Being perfectly frank, I hate to see them go."

Jean Fugh, freshman, Pi Phi: "I'll really miss the fellows since they've given a lot of pep to the school. Best of luck to them all."

Lois Hodge, senior, Mary House: "They've been a swell bunch of fellows. We hope they have enjoyed being here as much as we've enjoyed having them. Good luck to all of them."

### Shangri-La Destination For ASTU's

All Idaho AST men, with the exception of 13 selected for pre-medical and pre-dental training, will leave for new stations during the week of March 27, Lt. Col. William A. Hale, commandant, said today.

Although destinations could not be announced, Col. Hale said that most of the trainees will be traveling southward. Part of the language students, he said, would travel eastward.

The stations assigned, the commandant pointed out, indicate that many of the trainees are "very likely destined for overseas shipment in the near future."

Part of the engineers will be assigned to signal units. There was no information released regarding disposition of language students.

The 13 pre-medical and pre-dental students will remain here and study under ASTP. A new term will start April 10.

Trainees will be transferred in grade to their new stations, Col. Hale said.

#### 13 PRE-MEDS, PRE-DENTS TO REMAIN AT IDAHO

An unannounced number of AST pre-medical and pre-dental trainees will open a term of study April 10 at the university, Lt. Col. William A. Hale, commandant, said today.

According to Ninth Service command headquarters, the trainees will arrive in the near future and will be ready to start classes on the prescribed date.

Included in the group will be 13 men from the present AST unit. They are: Robert Cox, Peter Regan, George Garland, John McCormick, Robert Goodwin, David Kline, Michael Kurliczek, Allen Lurie, Dale Hayhurst, John McGrath, Urick Krasnopolsky, pre-med; and John A. Gillette, pre-dental.

### Russian "Cossacks" Present Concert

By T/5 RALPH BEHRENS

More than 120 students, faculty members, and AST trainees attended the hour musical program presented by the AST Russian class Tuesday morning in room 335, Morrill hall.

The Russian group, known as the "Snake River Cossacks," was directed by Dr. Gerhard Wiens, professor of Russian, assisted by A. A. Koiransky, laboratory informant. Specialty numbers were arranged by Edward Chambers, Oliver Schleuter and Thomas Colwell. Charles Thomas sang solo for two selections.

A group of 15 songs, all sung in Russian, was presented. Among the arrangements used were three Russian drinking songs, "The Volga Boatman," "Ah, My Steppe," "Mother Volga," "Prayer," and several Russian folk songs. Encore numbers were sung both in English and Russian.

Personnel of the "Snake River Cossacks" includes Ralph Behrens, Martin Bialy, Verne Brooks, Edward Chambers, Thomas Colwell, Lloyd Davis, Morris Eisgrau, Myron Greenstone, Justin Heineman, and Reuben Hyman.

I. R. Israel, Robert Israel, Harold Kuhl, Ralph Naylor, Julius Nesse, Henry Norton, Robert Salvato, Oliver Schleuter, Charles Thomas and Alfred Weiss.

First page of today's Argonaut was edited by members of the army staff. It will be their final page. So long.

# Committee Plans ASTU Farewell Rally

## Students To Meet At SUB On Days Army Departs

Under the chairmanship of Marvel Houx, the rally committee has planned a farewell rally for each contingent of the ASTU, scheduled to leave the university campus on different days during the coming week.

All students are asked to meet in front of the Student Union building to follow the Pep Band to the station. The yell team will also be present to lead the rally in school yells and songs during the march.

On arriving at the station, stump speeches will be delivered by Edie Jones, ASUI, Lt. Col. W. A. Hale, and a member of the university faculty. Also on hand to bid the army goodbye will be Florence Marshall, representing the executive board; Ada Mae Rich, Spur president; Paul Olson, IK representative; Dale Ablin, pep band representative; and Drexel Brown, who will represent the students at large.

Cardinal Key members will make their initial appearance at the first rally during which time they will distribute a package of cigarettes to each soldier as he leaves. They will continue to do this each day that the units are scheduled to leave.

## SAE Wins Trophy For Scholarship

Competing in a group of 31 chapters, the maximum for which complete reports have been available under war conditions, Idaho Alpha of Sigma Alpha Epsilon, at the University of Idaho, won a scholarship triumph by a margin of 8.51 percentiles and the national scholarship trophy of the fraternity for the year 1942-43.

It is notable that the Idaho chapter in two years has risen 82.95 percentiles in scholarship.

## Phi Mu Announces New Officers

Phi Mu Alpha, national music honorary for men, announces the officers for the coming year. They are: Reed Fife, president; Fred Watson, vice president; Don Collins, secretary-treasurer; and Ray Jahn, historian. Winton Wood is the out-going president.

A smoker for the group will be held at the home of Ray Jahn on Monday, March 27.

## Those In Service Appreciate War Records Committee

Did you ever hear of the war records committee? Well, neither have most of the Idaho students, but it is one of the most active organizations on our campus today. Headed by Mr. O. A. Fitzgerald, its members are Dean E. H. Lattig, Ted Sherman, Col. W. A. Hale, Dean D. S. Jeffers, A. A. Beecher, Miss M. Belle Sweet, and Dr. C. J. Brosnan.

The work that this committee is now doing cannot be really appreciated by those of us who are still going to school at Idaho. But the men and women, former Idaho graduates and students, who are now serving Uncle Sam are sending in letters of praise and gratitude to the war records committee for its fine work.

Each month or so, "A Letter From the Idaho Campus" is mailed out to thousands of men and women who attended the University of Idaho in former years. Campus notes, faculty news, promotions, prisoners of war, men killed or wounded in action, men receiving citations and awards, co-eds in the service—all these bits of news, from places as distant as the South Pacific or the Italian front, are being printed in these letters as they are received. The letter is in the form of a bulletin, and the second issue of eight pages is already being mailed out.

## Panhellenic Elects New Officers For Coming Year

New Panhellenic officers elected at a meeting held last Thursday are Elaine Thomas, president; Marian Krussman, vice president; Pat Hagan, secretary.

Representatives from the sororities are Bette French and Marian Krussman, Alpha Chi Omega; Beverly Campbell and Juliene Paulson, Alpha Phi; Ruth Leth and Betty Ann Norman, Delta Delta Delta; Elaine Thomas and Marilyn Lester, Delta Gamma; Marianna Nourse and Joan Benoit, Gamma Phi Beta; Jean Bruins and Dorothy Bowel, Kappa Alpha Theta; Norene Merriman and Pat Hagan, Kappa Kappa Gamma; Amy McGregor and Jean Thompson, Pi Beta Phi.

## Kay Jones Weds Earl Chandler

Another Idaho girl became the bride of an Idaho man recently, when Kay Jones, Alpha Chi Omega, married Earl Chandler, former president of Delta Chi fraternity. The ceremony was performed in Lewiston, with Julia Jones, a cousin of the bride as bride's maid and Private Xavier Ourant as best man. The bride wore a white suit.

Corporal Chandler, a member of the ROTC, leaves Sunday for Fort Benning, Georgia, where he will attend Officer's Candidate school. The bride will finish her semester here at the university.

## Gay Bonman Tells Of Engagement

The engagement of Miss Gay Bonman, daughter of Mr. and Mrs. A. Bonman, to Lt. Fred Fulton, Jr., son of Mr. and Mrs. Fred Fulton, was announced in Boise last Sunday.

Both are graduates of the University of Idaho. Miss Bonman was affiliated with Kappa Alpha Theta sorority and Lt. Fulton is a Phi Gamma Delta.

The bride, until fall employed in Boise by Crites-Moscow Growers Association, later a junior hostess at Gowen field service club, has just returned to Boise from North Carolina where she visited her fiance, who is stationed at Camp Butler with the army infantry.

## Attic Club Elects New Officers

Wayne Parks, Kappa Sigma, was elected president of the Attic club at an election of officers held Tuesday. The rest of the elections are as follows: Grace Nesbitt, Elizabeth Cowan, vice president; and Nancy Cowan, Kappa Kappa Gamma, secretary-treasurer.

## Pat Kulzer Tapped By Honorary

Spurs announced this week that Pat Kulzer, Kappa Alpha Theta, was tapped for membership Tuesday. She was selected to take the place of Margaret Eiselstein, who left the university at the end of last semester. Initiation plans are indefinite, but the ceremony will be held some time in the near future. At the next meeting, spring activities will be discussed.

## ENLISTED WAVES AND SPARS TRAIN AT LEADING COLLEGES

After being accepted as enlisted WAVES or SPARS, hundreds of young women from 20 to 36 years of age are now being trained at leading colleges throughout the country. College facilities are leased by the Navy and used as the basis of naval training schools. The course lasts from one to four months, depending on whether the student's civilian experience will be directly utilized by the Navy, or whether she will be prepared for work requiring specific Navy training.

## Chief Nutritionist To Visit Campus This Weekend

Miss Jessie Harris, president of the American Home Economics association and dean of home economics at the University of Tennessee, will be the guest of the home economics department Friday and Saturday. On Friday, Miss Harris, who is also chief nutritionist for the war food administration, will meet with the state nutrition committee and at 9 a. m. will speak to home economics students on "Home Economics in 1944" in a special assembly. Saturday morning, Miss Harris will give a speech at a breakfast sponsored by the Idaho Home Economics association.

## 85 Couples Attend St. Patrick's Ball

Eighty-five couples attended the annual St. Patrick's day ball given by the engineers Friday evening. The ballroom was decorated with a green and white false ceiling and shamrocks reaching from wall to wall. A campus band furnished the music for the evening. Nine couples from Pullman were among those who attended, Phil Schnabel, general chairman, announced.

## Idahoans Receive Wings March 10

Two former Idaho students, Lt. James Christenson and Lt. John Moser, were awarded their wings on March 10 at Stockton Field, California. Both men were affiliated with Phi Gamma Delta fraternity. Christenson, a junior in civil engineering, was from Spokane, and Moser, a geology major, was from San Jose, California.

## Idahoans Receive Wings March 10

Two former Idaho students, Lt. James Christenson and Lt. John Moser, were awarded their wings on March 10 at Stockton Field, California. Both men were affiliated with Phi Gamma Delta fraternity. Christenson, a junior in civil engineering, was from Spokane, and Moser, a geology major, was from San Jose, California.

## Cardinal Key Schedules Bridge Tournament

Highlighting the week-end activities is the Cardinal Key bridge tourney, scheduled for Saturday, March 25, at 2 p. m. in the small ballroom of the Student Union building. Mary Pennell has been named chairman.

The committees in charge are as follows: Betty French, score cards; Marian Franson, tables and chairs; Helen Jones, cards; Merrie Lu Kloepffer, Betty French, door; Frances Freeman, coats; and Billie Keeton and Mary Pennell, scoring.

Two separate tournaments are planned. One tourney is for the teams representing the different group houses and the other will be for any players on the campus who are interested. Prizes will be awarded for the highest score in each division.

## Alpha Chi Elects New Officers

Alpha Chi Omega has announced the election of the following officers, who will hold office during the ensuing year. They are: Bette French, president; Rae Parkinson, vice president; Kay Chandler, scholarship, chairman; Ruth Geddes, social chairman; Lois Anderson, secretary; and Barbara Smith, treasurer.

## Senior Girls Earn Third Victory In Major Sports

The senior team emerged victorious from the round-robin-class basketball tournament with three wins and no losses to win its third successive class tournament this year. The junior team had one win and two losses, the sophomore team one win and two losses, and the freshman team one win and two losses.

The final major sport, baseball will begin April 3, and a horseshoe tournament will be held sometime during this sport. A badminton tournament will start April 1 and will last for one week. Any girl who is interested in entering this tournament may sign up for it at the women's gym now.

Deb: It happens in the best of families.

## Alpha Chi Elects New Officers

Alpha Chi Omega has announced the election of the following officers, who will hold office during the ensuing year. They are: Bette French, president; Rae Parkinson, vice president; Kay Chandler, scholarship, chairman; Ruth Geddes, social chairman; Lois Anderson, secretary; and Barbara Smith, treasurer.

They are: Bette French, president; Rae Parkinson, vice president; Kay Chandler, scholarship, chairman; Ruth Geddes, social chairman; Lois Anderson, secretary; and Barbara Smith, treasurer.

## Two Women Enlist In The WAVES

Betty Jean Rice and Carmelita Rae, both senior education majors at the University of Idaho, enlisted in the WAVES at Spokane last week-end. They have been placed on inactive duty until the end of the present term and will leave for Hunter college, New York, on June 19.

Miss Rice and Miss Rae plan to apply for officers' training after six months as enlisted women. Both are members of Pi Beta Phi.

# Three Idaho High Schools Tie In Basketball Tourney

Lewiston, Moscow and Coeur d'Alene high schools ended up in a three way tie for first place in the north Idaho state basketball tournament held in the Memorial gymnasium last week-end. Kellogg, Panhandle runnerups, finished in last place with three defeats and no victories. Each of the three winning teams will receive first place trophies with Kellogg gaining the runner-up trophy. In addition to the trophies, members of the first place teams will receive miniature gold basketballs and each Kellogg player will receive a silver basketball.

Moscow and Coeur d'Alene were the tourney favorites by virtue of winning their respective district championships while Lewiston, runner-up in this district, was the "upset" team of the tourney.

Moscow high had a well balanced group of players in every department with Coeur d'Alene building around their high scoring center, Chuck Vedder. Lewiston Bengals had a small, smooth passing team strengthened by Jack McClaren, one of the highest scoring players in northern Idaho this year.

Thursday Games  
Thursday night brought Lewiston and Coeur d'Alene together in the first game and Moscow and Kellogg in the nightcap. Coeur d'Alene beat Lewiston 31-29 after leading 15-13 at halftime. The score was tied at 2, 11, 13, 15, and 22, the latter tally being the three-quarter score. In the final game McCormick gave Lewiston a 23-22 lead on a gift toss, but Vedder retaliated with a goal and the Vikings took the lead, 24-23. Orville Ryther, Bengal guard, made a long pushshot for another Lewiston lead at 25-24. Vedder and Deck Boro, Viking guard, dumped in two quick baskets and Coeur d'Alene led again, 28-25. Bengals' Gordie White and Jack McClaren sank two quickies for Lewiston and the score read 29-23 for Lewiston. Leonard made a short push-shot with 15 seconds left to make the score 30-29 for the Vikings. Bart Chamberlin added a free throw to end the scoring for the game and make the final tally 31-29. Vedder led the scoring with 15 points.

Moscow-Kellogg Tie  
Moscow high school led almost all the way in defeating the Kellogg Wildcats 46 to 37 in the second game of the tournament. Bob Pierce, slim Wildcat forward caused the Bears considerable trouble by sinking nine field goals and two gift tosses for a total of 20 points. Bob O'Connor, Moscow center, led his team with 11.

Friday's Games  
Coeur d'Alene defeated Kellogg 35 to 31 in the opening game of Friday night's contests. A slow first half saw the Vikings leading 12 to 7. Bob Pierce, Kellogg forward, and Chuck Vedder, Coeur d'Alene center, had a scoring duel throughout the game with Vedder ending up in the lead, 22 to 14.  
The Lewiston Bengals defeated the Moscow Bears 30-25 in the second game of Friday night. It was the Bengal's first win over Coach Jay Thompson's Bear crew in the past two years. Lewiston led at the intermission, 19-16, and was never again topped. It was a hard fought game between the rival schools with every player giving all he had. Jack McClaren, flashy Bengal forward, led Lewiston's scoring with 15 counters while Guy and Taylor shared honors for Moscow with seven each.

Saturday Night's Games  
Lewiston gave the Kellogg Wildcats their third straight loss of the tournament, defeating them 41 to 32 after leading 26 to 10 at the half. It was the sharpshooting of Jack McClaren, Lowell Bickmore and Gordie White that topped the Wildcats. Bob Pierce and Ray Burkhardt, Pierce rang up 18 points to give him a total of 52 points in three games while Bengal McClaren topped Lewiston for the third straight time with 12 markers.  
In the last game of the tourney the Moscow high school basketball team threw the tournament into a three-way tie by edging Coeur d'Alene 38 to 36.  
Moscow was ahead at half-time 28 to 17 but Coeur d'Alene rallied in the second half to give the Bears a scare. A last-minute basket by Chamberlin made the score 38-36 and it looked like an overtime game might close the tournament. Five previous consecutive overtime games had been played by the Bears and Vikings, two in 1940, and three in 1941.

## Practice To Begin For Baseball, Brown Announces

Idaho's first baseball turnout will be held next Monday, coach "Babe" Brown announced today. Nearly a dozen prospects were getting a few of the kinks out of their arms in the Memorial gymnasium this week. Coach Brown commented as soon as weather permits practice will be held outside.

Equipment is being issued this week, coach Brown said. He expects about 25 candidates.  
Games have been discussed with WSC and Whitman but the dates are indefinite. Only one letterman remains of last season, Len Pyne, but Brown expects at least a few prospects out by next Monday.

## Foresters Receive Jap Note From Ex-Student

Forestry students at the University of Idaho are the possessors of a 10 yen Jap bank note sent them by a former Idaho forester, Lt. Bill F. Musgrove of White Sulphur Springs, Montana. In a letter to Dean Jeffers accompanying the souvenir, Lt. Musgrove said it was taken from a Jap bank on Tarawa November 21, 1943, the day after the Marines landed.  
"Montana Bill," as he was known in college, was on Tarawa in front line combat from the dawn landing on November 20 until the island was completely taken.

When the story of bloody Tarawa finally is written "Montana Bill" will be one of its many heroes. Reports on that engagement say Musgrove started to work on the Japs by manning the machine gun on his landing craft until it was knocked out. Once on the beach, he grabbed a Garand rifle and started a one-man anti-sniper vendetta. For two days he hunted snipers steadily. Then, on the third, he obtained some TNT charges and became a demolition man, going from pillbox to pillbox, blasting the enemy. Finally when things had quieted down, he began combing Jap entrenchments for stragglers.  
Musgrove has been overseas for 16 months. Before joining the Marines he was a parachute jumper with the Forest Service.

## Bulletin Published

The committee of the society for promotion of engineering education has published a bulletin saying that soldiers who will be completing their sixth term in mechanical engineering of the ASTU will require from four to six additional 12-week terms to get their B.S. degrees.

## Idaho Men Train At Pocatello

Bill Hansen and Ted Cowen, university frosh who enlisted in Navy V-5 are now at Pocatello in the first phase of their training.

O'Connor took scoring honors for Moscow with 12 points while Shull, his teammate, bucketed 11. Vedder and Boro led scoring for the Vikings with 11 and 10 points respectively.

Pierce Leads In Tourney  
Bob Pierce, slender Kellogg forward, captured scoring honors in the tournament with a total of 52 points in three games. Other top scorers were: Vedder, Coeur d'Alene (48); McClaren, Lewiston (36); O'Connor, Moscow (27); Shull, Moscow (24); Taylor, Moscow (21); and Boro, Coeur d'Alene (21).

## Track Turnout Continues In Memorial Gym

Although the weather still keeps the Idaho track squad indoors, turnout still is going on in Memorial gym between 5 and 6 p.m. each day. Coach "Mike" Ryan said yesterday he expects to get the meets lined up to begin competition in three weeks.

Definite meets have been agreed upon between Whitman college, the University of Washington, and the naval radio school in Moscow. And perhaps meets may be arranged between Gonzaga and Lewiston normal, the Idaho track coach stated.

More men are needed in the javelin event, broad jump, pole vault, low hurdles, and also a few more candidates are needed for the sprints and the relay team.

Those now working out are Darwin Brown, sprints; Bill Fallis and Orvid, quarter mile; Richard Brown and Donald King, half mile; Jack Anderson and Clayton Ockert, mile; Ed Putnam and Tom Ariwa, two mile; and Gerry Eide, Bob Desaulniers, Charles Hornig, Joe DiPippo, and Bob Deal in the weight events.  
New men who have not been assigned to events as yet are Ross Moser, Veri Garrara and Bruce Jepson; also Jay Gano, one of last year's track lettermen is expected out soon, for the high hurdles and low hurdles, the coach said.

Idaho Alums Visit  
Lt. Veto Barzilowski, marine corps, and his wife, the former Mary Gano, were guests last week at the home of Mr. and Mrs. Ward Gano of Moscow during a delay en route to Camp Pendleton, Oceanside, Calif., where the lieutenant will instruct a combat unit.  
The couple were affiliated with Phi Delta Theta and Delta Gamma fraternities before their graduation from the University of Idaho in 1943.

## Ex-Athlete Sends Coach Brown Congratulations

Coach J. A. "Babe" Brown and his Vandal basketballers received congratulations this week when the Vandal mentor opened a letter from Ray Davis, former Idaho football mainstay now stationed at Quantico, Va., with the marines. Davis was overjoyed at the Vandal's four straight triumphant games over WSC this season. While stationed at Notre Dame last fall, Davis turned out for football, this time as a fighting marine. For his services rendered for the Fighting Irish, he received a miniature gold football with his name, date and national champions, engraved on it.

Departing from Notre Dame at mid-season, Davis was selected for officers' candidate school where he is still playing a hard game.

In his letter to the Idaho helmsman, Davis stated he has had a letter from Notre Dame's coach, Frank Leahy, saying he had been asked to show the films of the season's games to the boys overseas. Davis went on to say that he hoped all his former Vandal teammates stationed in far corners of the earth would be able to see the pictures.

## Company Will Buy Used Texts

In connection with the College Book Company of Columbus, Ohio, a representative will be at the Student Book store Thursday and Friday, March 30 and 31, to pay cash for any second hand college texts that students might wish to sell.

## Ex-Student Finishes Pre-Flight School

George F. Bellos, Jr., former university student here, has completed three months' pre-flight instruction at Santa Ana, Calif. He will continue his training at the Bakerfield, Calif., flight school.

## Tourney To Begin On March 27

Women are asked to sign up in the women's gym or in the administration building if they are planning to take part in the badminton tournament which begins on Monday, March 27, and will last until Friday, March 31.

Tournament draws will be posted in the women's gym on Friday and Saturday of this week. Matches must be played the day they are scheduled or defaults will be claimed.

The women's gym will be open Friday afternoon from 3 p.m. until 5 p.m. for those who wish to do a little last minute practicing.

## Ex-Student Serves In Burma Battle

Sgt. Robert Briggs, a former pledge of Tau Kappa Epsilon at the University of Idaho, has the distinction of serving as one of Lieutenant General Joseph W. Stilwell's three bodyguards in the Burma campaign.

His parents learned of their son's assignment in a war correspondent's story from the Burma theater. Recently he was reported to have had a narrow escape from deadly Japanese shell fire while acting as body guard to the general.

## Idaho Cow Leads State Division

Maybe "Cowseativitytoo." It seems that word has come from the American Jersey Cattle club, New York, to the effect that the University of Idaho has bred and developed a state class leader. Idaho Come Son's Irene has completed a

record of 10,010 pounds milk, 507 pounds butterfat in the 305-day division as a senior three-year-old. This cow is a daughter of Lion Farm's Come Son, famous Superior sire, developed and extensively used by the university.

An awful lot of girls are stuck on me. They must be an awful lot.

## AGENCY FOR ARROW PRODUCTS CREIGHTONS

Just a G.I. Seamstress?  
If you're forever getting out the needle and thread, here are some tips:

When a button comes off, sew it on well the first time. A slip-shod job just means you'll have to do it over again soon.

Make your next shirt an Arrow. Arrow buttons are attached with a patented stitch, which "anchors" them to a shirt.

Check your size—you may be wearing too small a shirt and therefore causing too great a strain on the buttons and seams. The Sanforized label in an Arrow shirt guarantees shrinkage no greater than 1%—no danger of an Arrow ever getting too small!
