

## Campus To Witness Annual May Fete Saturday

Two hundred four degrees will be granted at the forty-ninth annual commencement exercises to be held at the University of Idaho May 27, 28 and 29. Of these, 180 are bachelor and 24 master's degrees.

The complete program for the three days has been announced by the registrar's office and includes "alumni day" to be held Saturday, May 27, when an alumni luncheon and association business meeting will be held at noon at Hotel Moscow. At 8:15 p. m. that evening, "The Late Christopher Bean" will be presented by university players in the auditorium.

**Sunday Events Many**  
Baccalaureate is to begin at 10:45 a. m. Sunday with the academic procession from the Administration building. Messenger, dean of the school of education, delivering the address. Saturday and Sunday afternoons from 2 to 5 p. m. exhibits and open house will be held in the botany department, science hall, department of art and architecture, Art building, university library, Administration building, and Kirtley engineering laboratory and dairy science building.

**B.A. Candidates Qualify**

**Reorganization Occurs**  
So, last fall, the executive board reorganized the publications board, after editors had convinced them that the old board was not adequate to cope with publications problems. However, the reorganization occurred, but could not be written into the constitution until a student election was held. The new plan was to be presented to the students at last spring's elections.

Then, later in the year, the executive board dissolved the reorganized publications board and took over its work. This action actually meant little more work for the executive board for it had only to make appointments to act as effectively as did the publications board. Yet a loud wall, mainly issued by last year's Gem editor, arose. The executive board was labeled as a group of "publications-ignorant student politicians" seemingly trying to grasp more power.

This former Gem editor also claimed that the powers which rightfully belonged to the publications board and which were assumed by the executive board would be incapable used. He claimed that machinery for choosing capable editors was broken—that staffs for this year's publications were not trained.

However, let it be pointed out, that the associate editor of the Gem and the managing editor of the Argonaut succeeded to the editor's chair when a vacancy occurs. The assistant business managers also succeeded their staff head under the same condition. And these associate and managing editors and these business managers are appointed upon receiving recommendations from the incumbent editors and business managers. And sincere approval of logical candidates for these jobs is what is called for, it seems that the executive board can act as capably as any other group.

However, with the advent of reduced staffs, reduced appropriations, and scarcity of materials, new problems invaded the publications offices. Publications students have asked for help in meeting them, and it is for this purpose that the publications board was re-established. Jason is hoping and expecting them to do the job.

**Snodgrass Will Present Lecture On Mother's Day**  
Under the sponsorship of the Moscow Philosopher's club, Miss Etha Snodgrass, of the American Theosophical society, will give a lecture Sunday, at the high school at 3:30 p. m. as a Mother's day program. Her topic, "War's End," will expound a theosophical solution of the problem of war.

The Theosophical society was founded for the purpose of making this wisdom available to all who desire it and who are ready for its understanding. Theosophy is not a religion, it is the fountain head of all religions. It does not say, "leave your churches," but on the contrary, serve wherever Providence has put you.

Among many of the reasons for studying theosophy, is that it removes all fear of death and much of its sorrow. It also maintains that "Whatsoever a man soweth, that shall he also reap," in this and all other worlds. It proclaims the Fatherhood of God; hence the Brotherhood of Man, and provides a basis of union for all.

**ORGANIZATION ELECTS**  
At a meeting held Tuesday evening, Erma Smith, Mary house, was elected president of the Women's I club. Other officers elected were Ruth Leth, vice president; Billie Keelon, secretary, and Jolanda Gage and Muriel Whiteman, historians.

### INDUCTEES

A request has been sent out from the registrar's office asking that all men, who will be inducted into the service before completing this semester, contact their deans immediately.

### Musicians Present Concert Recital Thursday Evening

Marjorie Aeschliman, pianist, and Jean Armour, violinist, will be presented in a concert recital, May 11, at 8 p. m. in the university auditorium. Miss Aeschliman, a junior and Miss Armour, a sophomore, both music majors, will be accompanied by Iris Gray. First on the program will be Miss Aeschliman playing the "Allegro con brio," movement of Beethoven's Sonata, Opus No. 53. Following this selection, Miss Armour is to present "Arioso" by Bach-Franko and "Allegro" by Fiasco-Beut-O'Neill.

Miss Aeschliman will open the next group with Debussy's "Reflets dans l'eau," "En Route" by Palmgren, and "Jeux d'eau" by Ravel. Miss Armour is to continue with the selections: "Canzonetta" by d'Ambrosio, "Evening" by Yost and "Romance" from Wienowski's Second Concerto. For the finale, Miss Aeschliman has chosen Chopin's "Ballade in A flat major."

### Leffler Arrives To Head Army Recruiting Staff

Changes in the personnel of the army air forces Air WAC recruiting team now in Moscow resulted in the arrival last Friday of Lt. Raymond F. Leffler, to take charge of recruiting activities here.

Lt. Joanne Heath has been replaced by Lt. Shirley Bell. Lieutenant Heath returned to regional headquarters in Seattle, for new assignment and duty. Lieutenant Bell is on detached service from the regional station hospital at Santa Ana army air base where she is the administrative officer for the chief of medical and professional services.

With the aid of R. K. Bonnett, downtown offices have been opened in the Red Cross headquarters. However, the Air WAC office on the campus, located in the Student Union building, will be kept open as usual for the convenience of the college students.

If students desire to contact either Lts. Bell or Leffler at other than offices, the former may be reached at the Hotel Moscow and Lieutenant Leffler is staying at the Delta Tau Delta house.

### Magruder Returns From Conference

Miss Lucille Magruder, of the home economics department faculty, returned recently from a three weeks' trip to southern Idaho and Arizona to visit high school home economics departments. While in Phoenix, Arizona, Miss Magruder attended the vocational conference.

### Songfest To End Week-End Gaities For Mothers

Climaxing the Mother's day week-end festivities will be the annual songfest, sponsored by Sigma Alpha Iota, national music honorary. The program is to begin at 4 p. m. Sunday in the auditorium.

Members of 11 group houses on the campus and Vandaleers will participate in the festivity, singing songs of their own choice. Ridenbaugh hall, with Anita Marra as director and Marjorie Aeschliman, accompanist, will begin with "God Bless Our Land" by Kountz and "The World is Waiting for the Sunrise" by Seitz. Alpha Phi, directed by Billie Keeton, will sing "All Through the Night" by Boulton and "My Sweetheart of Alpha Phi Dreams." Evelyn Fisher is accompanist.

They will be followed by members of Alpha Chi Omega singing Edwards' "By the Bend of the River" and "Son of Alpha Chi Omega." Madelyn Sandberg is director and Marian Bell accompanist. "Night and Day" by Porter and "Kappa Serenade" are to be sung by Kappa Kappa Gamma members, with Kathryn Horner directing and Pat Hagan accompanying.

Elizabeth Gertrude Combine Elizabeth house and Gertrude house have combined their talents to sing "Life Has Loveliness to" (Cont. on page 4, col. 3)

### Dr. Cady Releases New Courses In Summer Term

In the near future, the time schedule for the summer sessions will be available in the registrar's office, according to Dr. L. C. Cady, director of the summer term. In addition to the courses already listed, work in physical education for women also will be available. Of particular interest in this field is a new course P. E. S109, entitled methods for physical fitness. The physical fitness manual recommended as a guide for physical education in high schools will serve as a basis for this course. An additional credit may be earned by participating in the activities portion of the course. This work will be given by Mrs. Ruth Marty.

Other new courses for the summer session include music workshop in the various branches of applied music, and two courses in the field of international relations covering China and the Far East with Mr. R. E. Hosack as instructor. Also to be given for the first time this summer is Mr. Chandler Bragdon's twentieth century Europe, which will consider the background of the first world war, the duration of that war, the interim period covered by the armistice, and the present conflict.

### Anne Thompson To Reign As Queen; Spurs To Present Maypole Dance

Ruling over the thirty-fifth annual May Fete Saturday will be Anne Thompson, who will be crowned queen by her maid of honor, Elaine Thomas, at a ceremony at the old Ad building steps. Jean Thompson, maid of honor, and three flower girls will make up her court.

### Executive Group Revives ASUI Publications Board

Last Tuesday's meeting of the A.S.U.I. executive board resulted in the rebirth of the publications board which was dissolved last year. This board is established by the constitution to approve appointments of the Gem and Argonaut staffs, help establish policies, and act as an arbitrary board for publications. It includes the graduate manager, Ted A. Sherman; the head of the department of journalism, Dr. William A. Swindler; A.S.U.I. President Edith Jones; one member from the executive board, and various heads of the Argonaut and Gem staffs. Claire Bracken was appointed to represent the executive board.

Those of the Gem staff who will serve on the publications board are: Anne Thompson, editor; Beverly Weber, associate editor; Mary Lu Jensen, business manager; and Ruth Leth, assistant business manager.

Argonaut representatives will be Co-Editors Shirley West and Mary Jane Donart; Betty Echternach, managing editor; Helen Howard, business manager, and Eldene Mulcahy, circulation manager.

The executive board also approved the appointment of three class officers, namely, Barbara Long as vice president of the senior class; Dick Kube, senior class treasurer, and Fred Bagley, freshman class treasurer.

Eleanor Andrews, chairman of the election board for the recent A.S.U.I. elections, presented the report of that board which was accepted.

Anne Thompson will be crowned queen of the May by her maid of honor Elaine Thomas at the thirty-fifth annual May Fete Saturday afternoon on the steps of the old Ad building. Preceding the coronation will be the processional which begins at 2 p. m. It is composed of the members of Mortar Board, Cardinal Key, Spurs, Miss Thompson, Miss Thomas, page Jean Thompson, and flower girls.

Miss Thompson is a member of Delta Delta Delta, past president of the AWS, and editor of the 1944 Gem.

Following the coronation will be the Maypole dance by the Spurs dressed in thin, pastel formals. Special awards are to be given by W.A.A. and Alpha Lambda Delta. Women's honoraries, Mortar Board and Cardinal Key, will tap, and Spurs will introduce their new members, who were tapped at 6 a. m. Saturday morning.

Bleachers will be provided for students and parents attending. In case of rain, the festivities will be held in the Memorial gymnasium.

**Tea for Mothers**  
A tea for the mothers is to be held from 4 to 5:30 p. m. in the small ballroom of the student union building. It is being sponsored by the AWS members. Those to be in the receiving line are Mrs. H. C. Dale, Dean Beatrice Olson, Bette French, new AWS president, and Anne Thompson, this year's AWS president.

These festivities have highlighted the mother's week-end for the past 34 years on the Idaho campus. Alterations have been made due to the present day conditions, but the same spirit shall be present. Mortar Board and AWS sponsor the event.

### 1944 Gems Due Here May 26; Theme Is Secret

"The first shipment of the 1944 Gem will arrive on the university campus Friday, May 26," Anne Thompson, editor, said on returning to the campus after she and Beverly Weber, assistant editor, had spent 10 days in Boise, where the yearbook is being printed. They read proof on the book, and completed last-minute checking and changes before it went to press.

According to Miss Thompson, the Gem also has had to be changed to meet war conditions. The budget for the 1944 annual was approximately half the budget of last year. Syms-York Printing company, which has printed the Gem for the last 18 years, used its only available cover style, the only body type and head type it had available, Miss Thompson pointed out.

The new Gem will contain about 196 pages and about 850 books are being printed. "The theme, which is a surprise, is in keeping with the times," the editor said. Mrs. Alfred Dunn, art instructor, designed the cover and art work. The engraving was done by the Western Engraving and Color type; the cover by Kings-Craft.

### ASUIs, GIs Plan Sport Dance

As a last social fling for the year, ASUI's and GIs are planning a sport dance to be held May 20 in the Bucket ballrooms. An 8-piece orchestra will play. Navy men are invited, there'll be decorations, and admission is free.

Julien Paulson, chairman of the student activities board, and Bruce Jepson, army social chairman are in charge of the dance. Dancing at the last date affair to be held this spring, will be from 9 to 12 p. m.

# Vandal Team Meets Cougars To Climax Baseball Series

This Friday and Saturday, the Idaho Vandals meet the Washington State Cougars in the last two ball games of the four game series. These two games will go a long way to decide the regional collegiate title because W.S.C. has taken eight straight games on their home field so far this year.

Idaho has taken three out of the four games that have been played at Idaho. With these records, and the fact that the two schools split the first two games, it looks like the winner of the four-game series will be the regional champ.

Idaho will play host to WSC Friday, and Coach "Babe" Brown will probably pitch his ace, "Lefty" Bill Carbaugh. Bob Anderson, with a record of three wins and no losses, will probably be on the mound for the Cougars.

**Vandals Travel**  
Saturday the Vandals travel to the Cougars' lair for the final game between the rival schools. Washington State may pitch Darrell Waller, who defeated Whitman in both games of a double header last week, or John Presely, who beat both games of a double header with McCaw hospital this week. Waller is a right-hander while Presely is a southpaw. Sumner Johnson, who showed a world of stuff against Whitman, will probably pitch the second game for the Vandals.

Coach Brown intends to give his boys plenty of hitting practice this week along with smoothing up some of the rough spots shown in the McCaw hospital series. If the Vandals expect to win the games this week-end they will have to stop the heavy hitting of Cougars Bob Anderson, Chuck Brayton, and Dick Morgan. Washington State's chances of winning will be much better if their pitchers can stop the two hardest hitting Vandals—Dale Ablin and Kuroda.

## Whitman Defeats Vandal Squad In Tennis Meet

Idaho's tennis team dropped a meet Wednesday to the Whitman squad. Whitman swept all the doubles as well as the singles. Bad weather conditions have hampered practice of late which left the Idaho boys with little experience gained from their last meet.

The Idaho team will meet the Washington State team this Saturday in an extra meet of the regular schedule.

Results of Wednesday's meet are:

- Singles**
  - No. 1—Clayton (W) defeated Douglas (I) 6-0 8-6.
  - No. 2—Thomas (W) defeated Anderson (I) 6-0 6-1.
  - No. 3—Todd (W) defeated Saunders (I) 6-0 5-7 6-4.
  - No. 4—Turk (W) defeated Dinnison (I) 6-2 6-1.
  - No. 5—Vander Stoep (W) defeated Assmusen (I) 14-12 6-4.
- Doubles**
  - No. 1—Thomas and Clayton (W) defeated Anderson and Douglas (I) 4-6 6-3 7-3.
  - No. 2—Todd and Turk (W) defeated Saunders and Dinnison (I) 2-6 6-2 6-3.

## Instructors Visit WSC Discussion

Boyd A. Martin and Robert E. Hosack of the political science department and Chandler Bragdon of the European history department took part in the Institute of Inter-American Affairs held in Pullman on Tuesday, May 9. The Institute was sponsored jointly by the State College of Washington and the Office of Coordinator of Inter-American Affairs.

The meeting consisted of a series of round table discussions and talks by different participants. The general topic of the panel was "Common Experiences of the Americas: Historical and Cultural Links."

Mr. Hosack presented a paper on the Central American Court of Justice in existence between 1908 and 1918. Dr. Martin gave an eye witness account of the 1940 presidential election in Mexico.

## Cinder Men Lose Track Meet With Whitman

Lack of experience and no competitive practice caused the Vandal cinder men to drop a meet last Friday to Whitman 84½ to 46½. Jay Gano of the losing Vandals stole the show with three firsts in the high hurdles, high jump and broadjump, plus a second in the low hurdles to carry high honors of the meet with 18 points. Tom Arima, Vandal distance runner, also copped two firsts, but Whitman swept all points in the javelin, shot put, both sprints, and won the relay.

Coach "Mike" Ryan stated that although a loss was chalked up against the Vandals, the boys did very well, considering the lack of experience, and the competition the Vandal cinder men faced this year. He went on to say that the boys were doing a good job under the circumstances to keep the sport alive, and that when a team has been fielded the bigger part of the job has been completed. Activity is what counts and whether a losing or winning team is fielded the meet will be carried out.

The track squad will meet the army trainees and Moscow high school in a meet this Saturday which will be the Vandals last home meet. The meet is scheduled for 1:45 and the high school and army boys will stick to their own track regulations while the Idaho boys will continue with collegiate regulations. This meet should prove to be a good one as it will give all three squads another chance to encounter real competition. Results of the Whitman meet are as follows:

- 100-yard dash—Won by Michaels, W.; second, Beckman, W.; third, Smith, W. Time :10.2.
- 220-yard dash—Won by Beckman, W.; second, Michaels, W.; third, Smith, W. Time :22.8.
- 440-yard dash—Won by Stolpe, W.; second, Kvale, W.; third, Kerr, Idaho. Time :53.

## W.S.C. Graduates To Number 207

According to a preliminary list prepared by Frank Barnard, registrar at Washington State college, 207 will receive degrees at graduation exercises from that institution May 22. The final list is to be prepared after the May 17 deadline for turning in senior grades.

Of the 207, 84 are men and 123 are women. A few of the men are in uniform but were able to finish their work during the seven months that many ROTC juniors of a year ago were returned to the campus to await vacancies in officer candidate schools.

Three of the candidates are seeking the Ph.D. degree and 15 O'Donnell and "Here We Have" degree.

## Grad Finds New Use For Toothbrush

Conroy R. Gillespie, a graduate of the University with the class of '33, is shown learning a new use for a toothbrush. He is using one to clean his bayonet before an inspection at the Marine Corps "boot" camp at San Diego. Before entering the corps, Private Gillespie was publisher of the Halley (Idaho) Times.

## High Schools Hold Meet On MacLean Field

The University of Idaho was host last Saturday to the high schools' bi-state track meet. The annual affair was held on MacLean Field with Moscow, Colfax, Pullman, Clarkston and Lewiston high schools participating. Five records were shattered as Clarkston won the meet with the Moscow Bears taking second. Clarkston won with 59 1/10 points, and also were credited for two of the new records set. Moscow placed second with 36 1/3 points to Pullman's 32 5/6, Lewiston's 27 3/5 points and Colfax's 6 1/5 points.

John Taylor, Moscow high star, took honors of the meet with 17 points. Taylor set new marks in the high and low hurdles and grabbed a first in the broadjump and a third in the javelin. Mayer of Lewiston, bettered the 100-yard mark by the speed of 10.1 flat. Kennedy of Clarkston took the 220-yard dash in 21.1 seconds to also set a new record. The Clarkston 880-yard relay team took first in that event—setting a new record of 1:38.2, bettering the former record set by Dayton high in 1939.

Athletic director J. A. "Babe" Brown, who was in charge of the meet, commented it was a very good meet, but merited more attendance from the Vandal student body and faculty. He went on to say the meet uncovered some very fine athletes and that it was the hope of the Idaho coaching staff that some of this talent might be seen again on MacLean Field in future years. More meets of this sort should be planned as it gives the high school athletes a chance for heavier competition and brings more students to the U. of I.

"I want to thank the faculty and members of the student body who helped out during this meet and helped make the meet possible," stated Coach Brown.

## Cast Will Present Play At Program

Part of 1944's regular Commencement program will be the production of "The Late Christopher Bean" on May 27. There will be no admission charged, said Miss Jean Collette, director. Rehearsals start next Thursday, and the same cast will be used for this play. Those who are in the cast are Ralph Joslyn, Grace Lillard, Marie Cheney, Mary Lou Jones, Meredith Bowler, Perry Ward, Winton Wood, Frederic Shoot, and Ed Dalva.

Jerry Riddle will again be electrician, and John Burt, assisted by Elizabeth Hadley, is in charge of stage crew. Working for them will be Jean Pugh, Gerrie Merrill, Helen Moulton, and Don Rankin.

## Diamond Men Drop Third Of Series To Missionaries

Wednesday, May 3, Whitman college defeated Idaho's baseball team, 5-2, to give the Missionaries a 2 to 1 edge in the six-game series.

Bill Orland, Whitman pitcher, kept the Vandals hitless after the second inning. He allowed only one Idaho man to reach first base in the last five innings of the scheduled seven-inning game.

Idaho started the scoring in the first inning with two runs, but after that failed to tally another in the course of the game. Whitman retaliated with one run in their half of the first inning. Then in the fourth inning the Missionaries combined a trio of hits, a sacrifice, a passed ball, and a stolen base for two more runs which sewed up the game. Just for good measure, Whitman added a run in each of the fifth and sixth innings.

Idaho got to Orland for only four hits while committing eight errors; Whitman hit pitcher Len Pyne for seven safe bingles during the game.

Batteries: Pyne and Kerr; Orland and Kieper.

## ROTC Unit To Stand Annual Inspection

New members are: Muriel Whiteman, Della Doumeq, Margaret Bacon, Mary Pennell, Betty Ahrens, Betty Cardwell, Marjorie Aeschliman, Frederick Shoot, and Evea Harrington.

A century ago, potatoes were comparatively unknown in India.

## Vandal Squad Splits Two-Game Series With Walla Walla Hospital Team

Behind the two-hit hurling of Vandal Bill Carbaugh, left-handed frosh, the Idaho Vandals beat the army's McCaw hospital team of Walla Walla, 8-1, in the first of a double-header Monday afternoon at MacLean Field. In the second game, the "Re-Cons" came back to hit Idaho relief hurlers, and to capitalize on errors for an 11-3 win. McCaw had previously beaten Idaho 6-5, so Monday's win gives them the series two to one.

Vandal batsmen hit the army's Zundell for ten blows while Carbaugh was whiffing 13 army batsmen, and allowing only two hits. Zundell fanned five Vandals and walked one. Dale Ablin, sophomore third baseman and Chuck Kerr, freshman catcher, were hitting stars for Idaho. Ablin smashed out three hits in three trips to the plate, two singles and one double. Kerr slapped out two doubles in three trips to the plate.

**Second Was Slaughter**  
The picture was reversed in the second game with Warrick of the army hospital striking out 10 Vandals while allowing six hits. Warrick's teammates hit pitcher Ed Putnam and Len Pyne for 10 blows.

Idaho missed a big chance to score in the second game's initial inning when catcher Chuck Kerr got in on an error and Warrick walked second baseman Johnny Kuroda and third baseman Dale Ablin. With two away, first baseman Tom Collins, playing his first college baseball game, hit a grounder to the pitcher and Kerr was thrown out at the plate.

The army men made the most of the first inning with Christainson, Pitzer, Curtis, Koons, and Warrick all scoring off Putnam, who was pitching for the first time. Pyne took over in the third, but "Re-Cons" Mortimeyer, Thomas, and Bulsayk crossed the plate in the third. Warrick and Thomas scored again in the sixth.

"Lefty" Carbaugh drove a line into right field for the first Vandal home run of the season.
