

Bickering To Beat The Band...

Seen and heard at a football game:
 Small boy: Mummie, is that a band?
 Yes, dear.
 But where is the uniforms?
 Hush, child, that's the University of Idaho band; they have no uniforms.
 But muvver, I thought all bands had...
 Junior, hush, you're embarrassing that man with the "I" on his banner.
 Yes, but our band has pretty unif—
 Never mind, it happens our grade school has more money.
 Is it bigger, muvver?
 No, dear.
 Muvver, do I have to play on a band with no uniforms when I get big?
 I'm afraid so if you go to Idaho.
 Early in the football season, casual mention was made in the Argonaut of the glaring absence of uniforms for our Idaho band. The student body and alumni bore in silence

the shame of our homecoming, when high school bands trim and neat, resplendent in flowing capes or the clean cut lines of military-type uniforms, paraded before the crowd while the Idaho band sat in obscurity in the bleachers. An occasional glint from the sousaphone was the only indication that a band was present among the other spectators. Has Idaho no spirit? Do we want the same mortifying experiences to occur with monotonous regularity during basketball season?
 On consultation with the administration, the law was laid down that the A.S.U. (that means Associated Students of the University of Idaho) had to buy the new uniforms itself. It seems the administration has no connection with the band in regard to uniforms. New uniforms will cost \$5,000. The ASUI was bluntly told to purchase the glad rags out of the ASUI fund (the \$8.50 you pay each semester). The executive board, acting as the representative of the ASUI, vetoed the proposition, feeling that it was unnecessary for the students to dish out \$5,000 to cover up the embarrassment of inadequate foresight by

the administration. Some persons asked, "Why don't the alumni do something?" The alumni passed the buck back to the administration, the administration passed the buck to the ASUI, and now the ASUI is handing it back.
 The ASUI offered to put up around a thousand dollars toward the uniform fund, loyal clubs and private individuals pledged a thousand more, but the administration balked. Now the bigwigs have laid down an edict to the effect that donations from private individuals or clubs will not be accepted. The ASUI must do it all. It would seem foolish for either group to stand the entire expense, but if the ASUI must buy the uniforms it would at least know they would be in the hands of the student body, available when wanted and needed. The "dog-in-the-manger" attitude of the administration in not wanting to buy uniforms, yet not letting anyone else help the cause smells strongly of subversive activity.
 The encouragement offered by pledged contributions led the band to prepare an order for 160 uniforms. When the monetary outlook shrunk to nothing, the order was not

sent to the factory, with the consequence that the supply of the cloth selected for the uniforms was sold, and immediate prospects for another shipment are non-existent.
 The administration takes the attitude that since the ASUI buys the football uniforms, anything not played or done in slacks and sweaters should be furnished by the student body. When speaking of a band, the mind naturally considers a uniformed group. Uniforms to a band are as much a necessity as adequate testing facilities in the chemistry laboratory. The university buys equipment for other departments of the school, why not for the band? A few fogeys will argue that a band sounds the same whether in or out of uniform. Frank Sinatra probably sounds the same in a diving suit, but no one sees him without his dress clothes. Our band represents our school. By its appearance the school could be judged.
 If the administration does not want to help get uniforms, the least it could do would be to stand aside and let those who want to help go ahead with the good work. —J. A.

The Idaho Argonaut

VOL. 50, NO. 10 THE IDAHO ARGONAUT Official Publication of the ASUI WEDNESDAY, NOVEMBER 21, 1945

The GOLDEN FLEECE by Jason

To profitably paraphrase the mode of expression of the historian, may we ask if the shots and groans heard at Honolulu just of late have not permeated 'round the world at least as far north as this vale of tears and newly completed midsemesters? No, well dust off your hearing aid and journey with us to Main street on Moose Club corner on the night of November 17.
 There, on the evening in question, two NROTC men were warmly greeted by seven civilians with true "gang" hospitality. This cheerful salutation brought one sailor to the pavement, knocked cold. Both servicemen were combat vets; they apparently did nothing to warrant such attack except wear distinctive blue apparel. Two of the civilians were recognized as students of the University of Idaho. Seven to two, and three cheers for our side.
 Isolated instances? Civilian BMOs have been heard to express their intention, quite unofficially, to "get a few sailors." Individuals have pointed out that they "don't particularly like" the brethren of the blue. Break out the knucks and break off the bottles, the boys are coming home.
 The ROs didn't ask to be sent here. Under strict regulations, they don't have the opportunity to exact the full measure of college life. Notwithstanding, they have entered into school activities with enough enthusiasm to pull us out of our wartime slump to some extent. Just to cite a few examples: NROs were well represented in the cast of the play given last week; as a unit they have cheered for Idaho at our football games; they fill positions on the Arg and Gem staffs as photographers and writers; and are cooperating with Holly week. They don't expect to have the flag raised for them. They can get along okay without it—what they expect and are entitled to is cooperation from the civilian students. The incident Saturday night is regrettable in that it widens the breach which the ROs feel exists between themselves and the rest of th students. The blame for this barrier rests on the shoulders of every civilian student who makes the distinction between navy blue serge and Harris tweeds the basis for hostility.

KUOI is not...
 Several skeptical persons have shaken their heads sagely and muttered, "Can't last, it's against the law." Contrary to their uninformed opinion, KUOI needs no license from the Federal Communications Commission. Why? The law states that only radio transmitters having a broadcasting radius of 200 feet are legal stations. Our station operates on the principle of wired radio, the power line forming the antenna of the transmitter. The transmitter operates at flea-power wattage, sufficient to cover the campus but not receivable elsewhere.
 KUOI is in the market to furnish music for house dances, and will soon be able to broadcast assemblies and other campus functions if financial aid can be obtained. The broadcast of the recital last night was the first attempt at campus-sponsored programs. A vote of thanks and appreciation is due the Radio club who have developed KUOI out of the air to put it on the air. If you are scheduling a house dance and want exclusive music and remarks, better look up Idaho's own radio station.

Jury Announces Verdict Of "Not Guilty" In Drama

With two verdicts of acquittal, "Night of January 16," initial production of the dramatic department, closed a two-performance run Saturday night. The decisions of "not guilty," made by an audience-jury of twelve, were announced to crowds of approximately 750 attending the mystery melodrama.
 Adding to the unusual nature of the play was the fact that no curtains were used, with actors walking on stage from the auditorium. While the audience waited for a decision to climax the drama, lighting effects were used to spotlight the actors and summarize the plot.
 Under the direction of Miss Jean Collette, the cast interpreted the courtroom scene in which the innocence of Karen Andre, played by Polly Harris, was decided. As District Attorney Flint, J. T. Peterson characterized the straight-

These women were among the 500 students attending the annual AWS play party held Tuesday, November 13, in the upstairs ballroom of the Blue Bucket. Entertainment was presented, and refreshments were served to the group.

Students Present Music Recital Monday Evening

Bette Scott, soprano, and Dean Hamilton, baritone, were presented in a student recital last night in the auditorium.
 Miss Scott's first group was composed of two Mozart numbers, "Vor der Sappho" and "Non so piu," both from "The Marriage of Figaro," and "Rejoice Greatly," from Handel's "Messiah."
 "Gloomy Woods" by Lully, "Attempt from Love's Sickness to Fly" by Purcell, and an English folk song, "The Jolly Carter," arranged by Moran, comprised Mr. Hamilton's first group.
 For her second group Miss Scott sang "The Crying of Water" by Campbell-Tipton, "Clouds" by Charles, "Three Little Fairy Songs" by Besly, and "A Merry Roundelay" by Long. Ruth Anderson played the flute obligato for the last number.
 Mr. Hamilton followed this group by singing "Sea Fever" by Gladys Larson Ralston, former Idaho student, "Trade Winds" by Keel, and "Break, Break" by Ross.
 The closing numbers were sung by both students, "On Jehelun River" by Wodeford-Finden and "Morning" by Speaks.
 The next student recital will be presented by Lalene Cargill, soprano, Luella Thompson, pianist, and Evelyn Fisher, pianist, Thursday night.

Sport Dance Held In Blue Bucket

About 750 couples attended the "Harvest Time" sport dance sponsored by the Intercollegiate Knights last Friday evening. Dancing to the music of Mark Barnett's orchestra began at 9 p.m. in the Blue Bucket ballroom.
 Decorations were carried out in the "Harvest Time" theme. Patrons and patronesses were Dean and Mrs. H. E. Laiff and Mr. and Mrs. E. J. Marty.
 Committee heads were: Reed Brown, programs; Alex Swanson, patrons and patronesses; Don King, orchestra; Jim Pierce, publicity; and John Dalley and Charles Urban, decorations.

Wallenstein Talks On WSSF Drive For Relief Funds

Edward P. Wallenstein, traveling secretary for World Student Service Fund, will arrive in Moscow Sunday to interest students in world student relief. W.S.S.F. drive for funds, carried on by hundreds of American colleges, will be conducted by the interchurch council the week following his visit. Mr. Wallenstein, traveling in American colleges for three months to acquaint students of the war-ravaged condition of European students and of the damaged physical shape of the universities, was invited here by the interchurch council.

Orators Journey To Pullman For Tournament

Debaters of the university will be guests of WSC at a debate tournament to be held December 7 and 8. Whitman college will also enter teams in the tourney.
 Sessions will be held for both women and men. Women debaters for Idaho are Clara Beth Young, Shirley Brandt, Joyce McMahon, Geneva Ferguson, Betty Echter-nach, Frances Rhea, Elaine Anderson, and Gerry Merrill.
 Composing the men's teams are Sam Vance, Bob Grieve, Ed Keath, John Minge, John Peterson and Don Frie, NROTC.
 The question for debate is resolved: That the policy of the United States should be directed toward free trade among the nations of the world.

Talent Call Issued For Programs Over KUOI

With the expansion of operating facilities, station KUOI plans to present programs originating from the stage of the auditorium. This will allow greater variety in programs and keep campus interest in this new organization.
 Marie Hampton, program chairman for the radio club, has announced a tentative program schedule for the coming week as follows:
 6:30 to 7:45 a.m.—Yawn Patrol.
 6:30 to 7:00 p.m.—Recorded music.
 7:00 to 7:30 p.m.—Week-end Review (Monday). Analysis of World News (Tuesday). Sports Commentary (Tuesday, Thursday). Other days not scheduled.
 7:30 to 7:45 p.m.—Special band.
 7:45 to 8:00 p.m.—Original program.
 8:00 to 8:30 p.m.—Recorded classical music.
 New program changes will be reported in the Argonaut each week. Campus talent is needed for programs and interested students are requested to get in touch with any of the club officers.

NROTC to Sponsor Formal Dance

December 8 has been set as the date for the NROTC formal dance to be held in the Blue Bucket ballroom. Plans are being made to have the Farragut orchestra furnish music for the function.
 L. D. V. Smythe, welfare officer, is in charge of general arrangements with the assistance of the following committee chairman: Charles Altmeier, decorations; Robert Peters, refreshments; Robert Morbach, tickets, and Wendell Swenson, music.

Engineers Favor New Building

Key resolution passed at a meeting of the Idaho Society of Engineers at Boise Saturday favored construction of a new engineering building on the university campus. The meeting, attended by engineers from the entire state, approved the building as necessary to supplement remodeling of present facilities and add new equipment for engineering students.
 University representatives for the conference were G. A. Riedsel, acting head of the civil engineering department, and H. E. Hattrup of the electrical engineering department.

Hell Divers Initiate At First Meeting

Initiation and first meeting of Hell Divers took place in Memorial gymnasium Monday night when the organization planned activities for the year and the initiates presented an impromptu water carnival.
 Officers for the organization are: Jo Gage, president; Ethel Jane Koppelman, vice president; Olive Dittman, secretary, and Paul Olsen, treasurer.
 Meetings will be held regularly beginning November 26.

Carrolyn Norris Elder To Present Music Concert Next Tuesday

Sigma Chis to List Various Parties For Sweethearts

Candidates for the title, "Sweet-heart of Sigma Chi," selected last week by women's living groups, were announced this week by the Sigma Chi president, Wade Fleet-wood.
 Pairs of candidates chosen by their respective living groups are Barbara Brill and Jo Ann Horton, Delta Gamma; Lois Hart and Helen Herndon, Kappa Kappa Gamma; Retha Inghram and Norma Lee Short, Kappa Alpha Theta; Jean Norris and Bette Lloyd, Alpha Chi Omega; Frances Jensen and Jackie Neeley, Alpha Phi; Polly Harris and Norma Grimmett, Phi Beta Phi.
 Others are Mary Ellen Halliday and Jean Reichow, Delta Delta Delta; Phyllis Halley and Jane Sabistan, Gamma Phi Beta; Barbara Barion and Irene Olson, Foreny hall; Mary Ellen Kilpatrick and Myrna Ritchey, Ridenbaugh hall; Donna Rands and Doris Herndon, Hays hall; Rose Marie Vogel, Betty Landvater, Daldia Tau Gamma.
 Schedule for the two weeks of activities for candidates has been made, with a chat session for all on Monday, Tuesday and Thursday candidates will be entertained at a dinner at the chapter house, Friday, November 30, a fireside will be held for all candidates and six finalists will be chosen.
 During the following week the finalists will have lunch Monday and Wednesday at the Sigma Chi house, Tuesday and Thursday they will be given dinners, and the week will be climaxed by the Sweetheart dance Friday, December 8, at which the sweetheart will be announced.

Carrolyn Norris Elder, pianist, will present a concert next Tuesday night in the auditorium at 8 o'clock under the auspices of the ASUI. Mrs. Elder attended the University of Idaho three years ago where she majored in piano. At the end of her junior year she transferred to the Juilliard School of Music in New York City where she held scholarships with Gaston Dethier, and later with Joseph and Rosina Lhevinne. Summers intervening her studies at the Juilliard, Mrs. Elder held scholarships in the Lhevinnes' Master Repertoire Class at Denver University, Denver, Colo.
 Mrs. Elder has made many successful recital and radio appearances in and about Denver and New York City.
 Her husband, Staff Sergeant Dean M. Elder, who also majored

Women Set Teams For Intra-mural Debate Tourney

Women's intra-mural debate teams, meeting Monday at 7:30 p.m., will compete during the week until the elimination in a double-elimination tourney is completed. Taking part in these sessions are entries from Alpha Phi, Delta Delta Delta, Delta Gamma, Gamma Phi Beta, Kappa Alpha Theta, Foreny, Hays, and Ridenbaugh halls.
 The question for debate is: Resolved: That the policy of the United States should be directed toward the establishment of free trade among the nations of the world. These debates are open to women students on the campus who have not taken part in any intra-mural debates on the university campus or any other university team. Each house may have two teams, affirmative and negative.
 Teams will be notified the night before the debate and, if prepared, are asked to inform Elaine Anderson, Foreny hall, before 5 p.m. on the day of the debate. If the teams are unable to comply, they automatically forfeit the debate. Affirmative teams will be hostesses to the negative teams and must provide a timekeeper and chairman. Speeches will be eight minutes constructive and four minutes rebuttal. Judges will be members of the university faculty. Any person interested in this question may attend the debates.
 The schedule as set up for Monday puts Kappa Alpha Theta, affirmative, debating with Ridenbaugh hall, negative; Gamma Phi Beta, affirmative, and Hays hall, negative; Alpha Phi, affirmative, and Delta Gamma, negative; Delta Delta Delta, affirmative, and Foreny hall, negative.
 Tuesday night Foreny hall will debate the affirmative side with Gamma Phi Beta, negative; Ridenbaugh hall, affirmative, with Delta Delta Delta, negative; Delta Gamma, affirmative, with Kappa Alpha Theta, negative; and Hays hall, affirmative, with Alpha Phi, negative.
 Teams from the competing houses are Joyce Keeton and Olise Guemlek, Alpha Phi; Beverly Anderson and Vivian McLaughlin, Delta Delta Delta; Shirley Greenway, Evelyn Adams, Jane Sabiston and Evelyn Ann Garber, Gamma Phi Beta; Pat Green and Editha Warren, Kappa Alpha Theta; Betty Jean Holden, Pearl Kellum, Ethel Turnby and Joan Rankin, Hays hall; Norma Ploss, Margaret Justice, Pat Ritchey, and Myrna Ritchey, Ridenbaugh hall.

Carrolyn Norris Elder in piano while at the university, is now attached to the war crimes branch of the U. S. army in Germany and is studying piano with Walter Giesekeing in Wiesbaden.

While attending the university, Mrs. Elder was a member of Delta Delta Delta, and Sigma Alpha Iota, national music honorary. Following the concert, Mrs. Elder will be entertained at a reception given by members of Sigma Alpha Iota at Delta Delta Delat.
 As her opening group, Mrs. Elder will play "Three Preludes and Fugues" from Bach's "The Well-Tempered Clavicord," including the F sharp major, G major and C major selections. For her second group, Mrs. Elder will play the four movements of Beethoven's "Sonata in A Major, Opus 2, No. 2," "Allegro Vivace," "Largo Appassionata," "Allegretto," and "Grazioso."
 Following intermission, Mrs. Elder will play two Brahms' intermezzis, including "Intermezzo in A Major, Opus 118, No. 2," and "Intermezzo in C Major, Opus 118, No. 3." Following these two selections, the "Prelude, Chorale and Fugue" will be presented. Three Debussy selections will comprise the next group: "La Fille aux Cheveux de lin," "Dance de Puck," and "Reflets dans l'eau."
 For her final group, Mrs. Elder will play two improvisations in A Minor and B Flat Major by Poulenc.

Graduate Will Aid Research Council

W. Horton McCallie, representative of the American Bitumuls company in Idaho and Montana, has written to Dr. L. C. Cady, dean of the college of engineering, offering to cooperate with the University of Idaho research council in its project to test means of soil stabilization, and he offers to furnish test results of their experiments.
 A graduate of the university in the class of 1922, Mr. McCallie was an outstanding Idaho track man.

Ag Men To Oregon

Attending the third annual Northwest Hereford Breeders' association meeting at LaGrande, Ore., this week were C. W. Hickman, acting dean of the college of agriculture, and W. J. Florence, beef cattle herdsman.
 At the sale, the university sold the grand champion bull, UI Donald Domino, 2nd, for \$2,000.

DEAR JASON

Dear Jason:

In an institution which is supposedly as well informed, and as well educated, as a university, we still have one proof, which establishes without doubt, our misconception of our own knowledge. What is that proof? Any educational theory course.

Many excellent members of our faculty seem to struggle through an efficient routine of teaching, without being aided by the practically useless education courses.

When Miss Jones enters upon her teaching career, which is going to be the most useful to her—a knowledge of which is “the particular institution which is likely to produce the most important readjustment in the whole educational system,” or a thorough, complete knowledge of the subject she is to teach?

Why should we have in our curriculum, courses which the educators must constantly justify? Shouldn't a course carry enough weight for its own value, without having to be justified?

Granted, there is a necessity for a four credit hour educational theory course, because obviously in order to formulate future policies, we must know something of what has gone in the past. However, there is no real need for attending any more than one class of this type, for they inevitably degenerate into factories for that all-important purpose of splitting hairs.

As a former school teacher, I would say, stop these lessons in farce, which insult your intelligence and mine, and apply that valuable and expensive time to the pursuit of knowledge in your major field.

—Name on file.

After joining up with his unit in the Burmese jungle, S/Sgt. George C. Fong, Denver, says, of the jungle hammock, “It is all right when a person is cool and calm, but just wait until he gets excited; it will become the damndest thing to open. I just walk out through the mosquito netting, leaving a big hole behind me.” He continues, “Our unit was finally relieved. The experience I have learned is something I wouldn't have missed for a million dollars; of course, some people definitely don't like that sort of thing.” Sgt. Fong is now happy to be back in his native China.

When Lt. Eugene W. Brower, Lewiston, dived his P-38 to strafe a Jap submarine while covering a convoy bound for a Borneo beachhead, he had good reason to wish for a harpoon. The undersea craft turned out to be a large and peaceful whale. Only his sense of sportsmanship kept him from giving the leviathan a burst from his 20 mm. cannon and then radioing in: “Sighted whale, sank same.”

'Curtain' Initiates

Mary Dochios and J. T. Peterson were initiated into Curtain club, dramatic honorary, at a social meeting at the home of Ann Smith Sunday evening, according to Elaine Anderson, president. Monologues were presented by both the initiates for entertainment.

A buffet dinner was served to 12 after which students' work on the ASUI production “Night of January 16” was evaluated.

Education Honorary Fetes Students

Ninety students, new to the department of education, were entertained at a reception in Hays hall by Kappa Delta Phi yesterday afternoon.

The program included a short talk by Dean J. F. Weltzin, and Madelyn Sanberg sang two selections, “I Hear A Thrush At Ease,” by Cadman, and “Dedication” by Strauss. Walter Smith played a violin solo after which refreshments were served.

Or rise and wake me early, Mother dear, Mother dear,
For today's the gladdest day in all this mad new year.
Tomorrow they dare not face me with cheese and macaroni,
Tomorrow I shall not sup on crackers and baloney;
Tomorrow I eat my annual meat,
Be it turkey, duck or chicken,
And when the feast is over the bones I will be picken.
Which of course starts, this deluge of dirty digs off with a small to medium sized bang.
As we gulp down the third piece of synthetic mincemeat pie this Thanksgiving we shall shed a small tear for the sad case of Jean Relechow, and Maureen Kerby who looked at one too many calorie charts and lost their appetites. The SAEs will have on their festive board come Thursday, a set of “guaranteed unbreakable glasses.” For proof of their non-breakability ask Richard Nichols who bounced one off the counter at David's as a test, then dug deep in the SAE coffer to pay for the pieces.

They act mad but we know the Alpha Chi think its flattering when the Sigma Nus train their field glasses on the house with the dark green shutters. No use to complain girls, to quote that wit Ruelene Jensen, “We have not yet begun to sight.”

Boyd Donaldson, Dick Harden, Bob Spear, and a few other Sig Chis really whooped it up at Wally Warner's party. All were amazed to find that they didn't know several of the fellows they had been living with and spent a good share of the night shaking hands . . . that is, if they could see the hand to shake it. One reason why study hours are shot for a night.

Exchange Dinner Held Tuesday

Women on the campus will exchange dinners Tuesday night, according to Ethel Jane Kopelman, president of Cardinal Kay. Forney hall women go to Alpha Chi Omega, Gamma Phi Beta to Alpha Phi, Hays hall to Delta Gamma, Kappa Alpha Theta to Delta Delta Delta, and Kappa Kappa Gamma to Forney hall.

Other exchanges will be between Pi Beta Phi and Gamma Phi Beta, Ridenbaugh hall and Hays hall, Alpha Chi Omega and Kappa Alpha Theta, Alpha Phi and Kappa Kappa Gamma, Delta Gamma and Pi Beta Phi, and Delta Delta Delta and Ridenbaugh hall.

Southern charm, Navy's Norm Olsen. That shore 'nuff was a long 'ole play wasn't it honeychile? Another of our satisfied readers testifies that it pays to advertise. J. P. Mitchell is having heart-trouble again, this time with Lois Smith, a Kappa who believes everything she reads.

Married men, do you have those stay-at-home blues? Do you want an evening with the boys while the little wife goes to P.T.A.? Rich Morse and Irvin Westworth not only offer to stay with your small-fry, they'll teach the little brat how to play cribbage. So help us—that's what those two ultra-unavailable bachelors do on Friday nights.

The campus' foremost authority on DDT is Jerry Welch from ATO. Scratching his head thoughtfully, Jerry tells about the time “it got rid of all my lice for me.” Where did you say we could get the large family size box?

Death and taxes may cease but the chronic couch warmers at the Bucket go on forever. Leading in the race to pile up the most man-hours of hand-holding is the Wade Fleetwood-Babe Donart team. Neck in neck with them is the Bob Ryan-Gerry Luce combination. Chuck Henderson and Mary Hutton are no slouches either but Chuck never stays in one place long enough to qualify. Dark horse in the drool-debry is Ralph Thompson. The poor boy can't find anyone with the hands he loves to touch so he hits idly from Kappa to Theta to Alpha Chi.

Fearing a shortage of fowl the Pi Phi's were going to raise their own Thanksgiving dinner. That was until Theodore started to rouse the girls with his cheery morning serenade at 5:30 a.m. Poor Theodore—but then a ban-tam rooster wouldn't have fed too many girls at that.

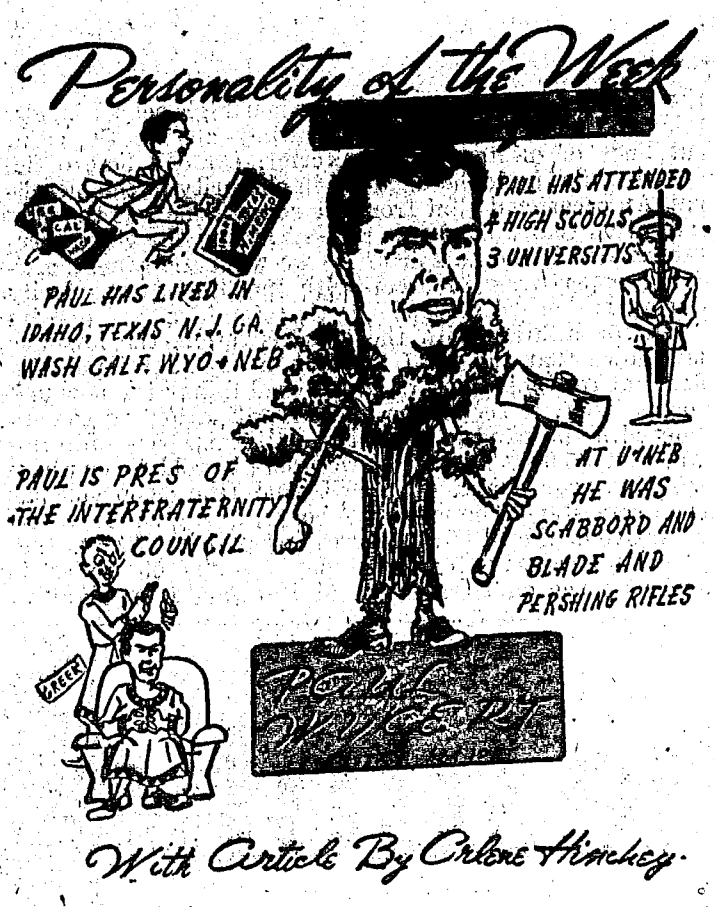

Well, we'll becarbonating you.

For a fellow who has called eight states home and who has seen a goodly percentage of the other 40, we find Paul Wykert still a country boy at heart. When quizzed as to why the continuous move, Paul informed us his father is “Army.”

Paul had a try at that, before coming to Idaho. Twenty-two months of it from Fort Leavenworth, Kan., to O.S.C. at Fort Benning, Ga. There, half-way through training, he contracted rheumatic fever. When discharged from the hospital, he was also discharged from the Army.

And so back to school went Paul. He had attended Omaha university and the University of Nebraska before going into the Army, but now, having decided on forestry as his life's work, he came to Idaho.

Here, Paul has been very active in campus affairs. He now is president of Interfraternity council, chairman of the United caucus, member of Associated Engineers, Executive Board, and advertising manager of the Idaho Forester.

Anyone going to a party at the Fiji house will probably find Paul in the middle of a big game of “sniff,” as this is his favorite sport. (He likes it best when the tissue falls). Next on his sports parade are skiing, skating, and swimming, and he's all out for the proposed lodge here at the university.

And now for those interested in the vital statistics, Paul is a 6-foot 1-inch, brown-eyed brunet, who thinks the old adage “The way to a man's heart is through his stomach” might be true if the girl can fry a beautiful steak or bring up a casserole of maccaroni and cheese. (Recipe books are now on sale at the Student Union Book Store.)

While here Sunday and Monday he will be entertained by group houses at meals where he will give informal talks. Geneva Ferguson is in charge of arrangements for his visit and for the W.S.S.F. drive.

Directors Present Membership To Dr. L. C. Cady

Directors of the Idaho Safety Council have elected Dr. L. C. Cady, acting dean of the college of engineering, to membership as the representative of the University of Idaho. This is the first such membership awarded by this organization under a provision in its constitution which permits the election of institutional representatives, Council President O. W. Lindemood of Pocatello said.

Formed in Idaho in 1943, the Idaho Safety Council is composed of the safety engineers and other representatives of Idaho's public utilities, mining, lumber, transportation, construction, manufacturing, and processing industries. One of its recent activities was the compilation and presentation of minimum safety standards and practice codes to the state

house will entertain at a fire-side Friday. Guests at Hays hall during the week were Mr. and Mrs. D. Gene Day and children, Kimberly; Mrs. Vera Rankin, Orofino; Don Rankin, a former student, Worley; Mrs. Harry Krebs, Grangeville; Irene Holden, Pullman; Gladis Herndon, Culdesac; Hawley Carlson, Tembo; Mrs. John Hohnhorst, and Mrs. Betty Eugene Hazelton; Elaine Little, Boise; and Jean Glenn. An informal fireside was held Sunday evening.

Saturday night a fireside was held at Gamma Phi Beta for Mary Margaret Earle, Boise. Mrs. Judith Hamn, Moscow, was a Sunday dinner guest.

Forney hall guests during the week included Tom Chavette, Challis; Cliff Precht, Payette; Gay Deobald, Kendrick; Ida Dell Peterson, Moscow; Dell Fisk, Kellogg; John Holland, Chuck Hartman, Imogene Love, Delva Curtis, Dick Hodder, Havis Carlson and Mary Beckman.

At Ridenbaugh hall Sunday, dinner guests were Shirley O'Reilly, Potlatch; Phyllis Meumau, June Buecoats, Margaret Hill, and Louise King. Cora Lee was a dinner guest Friday night.

Kappa Kappa Gamma alumnae fireside was held Sunday evening, with Marion Eddington in charge. Musical numbers by Olive Roberts, Willa Hasbrouck, and Floreile Holderman composed the program. Guests were Mrs. Clarence Childs, Mrs. Alfred Hagan, Mrs. W. A. Hale, Mrs. John Propstra, and Miss Elizabeth Rhea, Seattle. Guests at dinner Sunday were Lt. George O'Kelley, Oroville, Calif.; Herb Samms, Wallace; and Mike Oswald.

Alpha Tau Omega held its Thanksgiving dinner Sunday with thirty-eight guests attending. Special guests were Henry Felton, Moscow, and Arthur Howe. A fireside was held Saturday night at the house for members and their guests. Visiting this week were Norman Freddeckind, Coeur d'Alene, and Ap Berg.

House guests at Phi Gamma Delta this week included Dick Newport, Spokane, who plans to return second semester; Lowell Elam, Boise; Ward Simpson, Blackfoot, who is enroute to Seattle; and Alf Robinson, Moscow, who has recently returned from the service and plans to enroll in school for the spring term. Mr. and Mrs. C. E. Berg were patrons for the house fireside Saturday night. Charles Timmor, NROTC, was pledged to Phi Gamma Delta this week.

accident board. It is now extending its program to include farm and home safety.

"I am pleased," Dr. Cady states, "at this recognition of the part education can play in promoting safety and the assistance the Idaho Safety Council will give the university in incorporating safety training in some of its technical courses. I know that many of the employers of engineering graduates are insisting that these men have some basic knowledge of safety regulations and practices before appointing them to supervisory positions."

MRS. MARTIN VISITS IDAHO

Officers Elected At Meeting Held Wednesday

Election of officers at a meeting of the Washington-Idaho border section of the American Chemical society held last Wednesday at the State College of Washington included Dr. Don H. Anderson as chairman of the section, and Dr. D. A. Gustafson, secretary-treasurer. Both men are members of the University of Idaho chemistry faculty. Dr. Stewart E. Hazlet of Washington State college was elected councilor.

Speakers at the meeting were Dr. L. C. Cady, dean of the college of engineering, who spoke on "Research in Progress at the University of Idaho," and Dr. J. L. St. John, chairman of the division of chemistry and state chemist of the Washington agricultural experiment station. He discussed "Agricultural Biochemical Research in Progress at the Washington Agricultural Experiment Station."

Women to Hold Duffer Meet

Women eligible for the duffers' swimming meet to be held in December, and who are not taking swimming as a class, will be required to have four half-hour practices before the meet. Women who have not participated in this meet before are eligible.

The pool will be open for recreational swimming from 3 to 4 p. m. Mondays and Wednesdays; 2 to 4 p. m. on Fridays; and from 8 to 10 a. m. on Saturdays.

From 3 to 5 p. m. Friday the Women's gym will be open for recreational archery. Volleyball practice began Monday and will continue through January 17.

Journals Received By University

Two complete files of the U.S. Army-Navy recognition journals have been received by the university library. These journals, contributed by Barton O. Wetzel, FCO 2/c, were restricted material during the war and are impossible to obtain from the government. For this reason few libraries will have them; and the University of Idaho library staff feels fortunate in receiving them, Miss M. Belle Sweet stated.

They will be bound, and it is hoped that it will soon be possible to put them on exhibit. The journals contain restricted information for the identification of the ships, tanks, and planes of the Allied and Axis nations.

Mr. Barton, who was an instructor at the Naval Training School at Treasure Island, Calif., where the journals were used, saved the issues from September, 1943, to August, 1945. He is a graduate of the forestry school of the university.

Idaho Couple Wed In Moscow

A 1st. Mary's parish house at 2 p.m. Saturday, Jeanne Hanson of Potlatch became the bride of Jack Culbertson, university student. The Rev. E. A. Stokoe performed the ceremony.

Culbertson, a member of Alpha Tau Omega fraternity, is taking a pre-dental course. He attended the university in 1939 and 1940, and left Moscow with the national guard before Pearl Harbor. Following five years of service in the Asiatic and European theaters of war, he received his discharge this fall.

Wedding Is Held In New Orleans

The marriage of Miss Irene Louise Pfaff of New Orleans to Lt. Harold J. Gibbs, Moscow, was solemnized October 29 at St. Rita's church in New Orleans. A graduate of the University of Idaho where he received an ROTC commission, Lieutenant Gibbs continued his education at the University of Missouri and received a master's degree in civil engineering. He has been in the army transportation corps and was overseas for 28 months. He will receive his discharge soon.

The Oregon State campus is back to normal as far as cars are concerned. There are now 229 student-owned cars rattling, chugging, sputting, and purring to their destinations every day.

Miss Lucille Thompson played the wedding march and accompanied solos by Miss Estella Barstow and Miss Margaret Benson. Miss Jensen is a member of Pi Beta Phi sorority and is a junior business major.

Mr. Merrill graduated from the university in 1942, majoring in poultry husbandry. He is affiliated with Tau Kappa Epsilon. In October he received his discharge from the army after serving with the medical corps in South Africa, Sicily, and Italy.

The couple will live in Paul, where Mr. Merrill is connected with the Merrill Hatchery. Patronize Argonaut Advertisers

CHURCH BREVIETIES

Madge Emerson had charge of devotionals at the meeting of the Roger Williams club held Sunday from 6 to 7 p.m. at the First Baptist church. Eileen Thurston and Pauline Ainslie were in charge of the social hour, and Paul Moon had charge of refreshments. There will be no meeting this Sunday.

Sentinel club held a business and social meeting last night at the Christian Science church with Shirley Oakley presiding.

Members of Kappa Phi met at the Methodist church last night for the second meeting this year. Peggy Pellison carried out the Thanksgiving theme in the table decorations. After the dinner, given by the patronesses, Lucille Thompson conducted a short business meeting.

Norma Ploss was in charge of the candlelight program, "The Angelus." The theme was introduced by Edith Schock, followed by a violin solo, "Ave Maria," by Bernice Bakes, accompanied by Mary Beth Garretson. Next on the program was "Portrait of Millet," given by Dorothy Setter.

A solo, "The Blind Plowman," was sung by Margaret Burson. She was accompanied by Lois Deobald. After a reading, "Harvest," by Norma Ploss, Margaret Burson ended the program with another solo, "The Lord's Prayer."

A dinner meeting of Westminster Guild was held Tuesday evening at the Presbyterian church. The music was furnished by Marion Sillinger and the talk was given by Dr. H. C. Harnsworth on "The Home of Tomorrow."

A waffle feed was held from 5 to 7 p.m. at the Christian church last Sunday. Games were played, and the dinner was served by Mrs. Lillian Dickson and other church members. There was a business meeting after the feed at which

DAVIDS'

"ON THE INSIDE"

By JACK GOETZ and WALLY SHULTZ

One of the most spectacular sights to be witnessed for many a day on the University of Idaho campus was the running of the two cross-country races last Friday afternoon at the university golf course. The method in which the Vandal harriers finished their part of the afternoon's running—plus the marvelous representation of the high schools of this area, proved that cross-country running is definitely on the rise.

At the start of the interscholastic two-mile jaunt, there were approximately one hundred and ten runners on the starting line. With the crack of the starter's gun, all the runners were away, with the various colors of the representative high school teams adding to an already colorful sight.

If there ever were a publicity department here at the University of Idaho, it missed the boat during this race. Yes, they took a few "still" pictures, but a display such as was seen Friday no doubt would attract nation-wide attention if it were given a chance. Where were the boys with the moving picture cameras?

The past few weeks we have been criticizing the high school coaches of this state, but their reaction to this event was definitely affirmative. There was a splendid array of track men at this race, but how many will attend the University of Idaho? That's right—very few. The reception the high school athletes received from the students was anything but warm, but resembled something that might be described as the "cold shoulder." It shouldn't be necessary to ask students to attend athletic activities at a university, it should be accepted by them as a basic part of college life. The apparent lack of interest of the student body made them very conspicuous by their absence.

A huge bouquet of orchids is the order for Coach Mike Ryan for the manner in which he promoted and managed the Inland Empire cross-country championships.

Of late, the student body has been asking for more and better pep assemblies. For the information of the student body, there was such an assembly planned for last Thursday afternoon at 4:10. The occasion was the awarding of the athletic sweaters for those athletes who earned them last spring.

The response of the student body was not quite as expected—no one was there! The great auditorium was filled—with athletes who were to receive the awards plus one individual who was not in that category; and that was Babe Brown, the gent who presented the awards. As each man received his award there was a thunderous applause, but by the time all the track men had been presented with their sweaters, Babe was just awfully tired. Now what's the pitch here, studies? Just because our boys don't win every game, is that any way to treat them, or perhaps they don't sing the bathtub song—could be! Remember the meaning of the word SPORT, friends; it doesn't only apply to men on the athletic fields.

On the recent trip to the University of Washington, this editor was fortunate enough to gaze upon one of the most up-to-date athletic plants on the Pacific coast. The huge Washington pavilion is a spectacle in itself. The pavilion has ample space for eight, yes, I said eight basketball courts. The main court, used for conference games, has a seating capacity as large as Neale stadium of our own institution. Adjacent to the main court is a space used for practice of track and football and etc., when the outside weather doesn't permit.

Idaho's courageous football squad played a magnificent game against the Huskies but alas, they were beaten 12-0. Throughout the week of preparation for the Washington contest, the Vandal squad was forced to the floor of Memorial gymnasium for the practice of plays while at the University of Washington, the Husky crew was as actually scrimmaging under the huge pavilion roof. This alone could have been the reason for the defeat our own squad met. This writer suggests that the University of Idaho might purchase a circus tent for next year's football season for this Palouse Empire weather isn't pleasant to turn out in night after night.

The sight of this wonderful athletic plant brought about another thought in mind. It stands to reason that an athlete is going to go to the school where ample facilities prevail. Why did Dean McAdams of Nampa, Idaho, go to the University of Washington instead of his own state institution? Why? Because he didn't want to come to a school which didn't have an athletic plant even equal to that of a good high school.

We personally don't blame Mr. McAdams or any other athlete who goes elsewhere, although it certainly would be wonderful to see Idaho's own boys attend this university.

Many veterans are back and are going to attend some university. Those veterans deserve something good and if Idaho doesn't get her share of the boys I certainly hope people realize the reason for their action.

The enlargement of enrollment of any school is due, usually because that school has a definite drawing card. It's a known fact that the Idaho potato isn't sufficient in this capacity. If Idaho has ample athletic facilities, athletes would come to this school and through the teams' greater showing in conference standings, more and more students would turn to this institution for their book learning.

Pep Assembly Held For 'P' Club Awards

A pep assembly for the purpose of awarding sweaters and other athletic awards was held Thursday, November 15, at 4:10 in the auditorium. ASUI President Darwin Brown and "P" club President Bill Carbaugh made the presentations.

Music was furnished by the university band under the direction of E. J. Marty, and the cheer leaders led the student body in several yells. The assembly was sponsored by the Student Activities board.

Idaho Harriers Cop Inland Empire Championship

Eager For PCC Race at Spokane Thanksgiving

The University of Idaho cross-country runners won the Intercollegiate division; Lewis and Clark high school of Spokane won the Interscholastic division in the annual Inland Empire cross-country championships Saturday. The 1945 championships were co-sponsored by the University of Idaho and the Idaho Ad. Club and were under the direct supervision of track coach Mike Ryan.

In the Collegiate division, Idaho's Jack Anderson stepped into the lead at the first of the race and ran in that position for the entire race, finishing one minute ahead of his nearest challenger, who was Sherman Saylor, Jack's running-mate.

The Vandal harriers finished 1, 2, 3, 4, 5, 6, to score a perfect race. The runners finished in the following order: Anderson, Saylor, Art Humphrey, Al Denman, Dean Mosher, and John Benscoter. The seventh man to finish was a W.S.C. runner, the first opposing runner to place. As only three colleges were represented, the number of runners was few, but the competition was keen. Following is the order in which the colleges finished the race: University of Idaho 15, Washington State College 50, and Eastern Washington College of Education 81.

In the high school division, the defending champions, Lewis and Clark of Spokane, totaled 41 points for low score, to repeat their victory of last year. Placing second was Rathdrum with a 115 point total. A tie for third place between Yakima and Clarkston at 127 points placed Lewiston fifth with 149 points. Minus the aid of veteran Don Nepean, due to a heart ailment, the Moscow runners finished sixth as compared with their second place of last year.

C. Heitman of Lewis and Clark, running 11:05 for the two-mile trek, clipped four seconds off the high school record which was established last year by Moscow's Don Nepean. Dick Dexter of Yakima also shattered the mark when he finished second, his time being 11:08. Bruce Hollister of Central Valley finished third, to tie the old mark with his effort.

Holstein Cow Sets New Idaho Record

Idaho Echo Genevieve, nine-year-old Holstein cow of the University of Idaho dairy herd, this fall finished a one-year production of 26,637 pounds of milk with 901.9 pounds of butterfat to set a new record for the breed in this state.

Announcement of the new production mark was made by F. C. Fontaine of the university dairy department. The record has been verified by the Holstein-Friesian association of America at Brattleboro, Vt.

CAPTAIN AWAITS DISCHARGE

Capt. John M. Elder, attached to the 29th replacement depot near Manila, is awaiting transportation to the United States and subsequent discharge from the army. He has participated in activities in Finchaven, Hollandia, Manue, Leyte, and Luzon and has earned the Asiatic-Pacific and Philippine liberation ribbons with six battle stars and an arrowhead. A graduate of the university in 1940, he is from Coeur d'Alene.

The first newspaper printed on the Pacific coast was the Oregon Spectator, a semi-monthly issued at Oregon City, Ore., February 5, 1846.

Pictured are the Vandal harriers as they prepare to enter the Pacific Coast Cross-country Championships, Thanksgiving day. Sigma Nus Touch Football Champs

Climaxing a perfect season, Sigma Nu's captured the title of campus intramural touch-football champions. The largest score in any one game was made when the Sigma Nus tackled Sigma Alpha Epsilon and downed them 45 to 0. Jeff Overholser headed the list for total points for the season with 80 points to his credit, scoring 13 touchdowns and making two conversions. Gordon Meacham came second in the scoring column with 27 points to his credit. Jeff Overholser again steps into the spotlight with the most points scored by one player in any one game with 18 points.

With the first phase of this year's intramural activity a thing of the past, and with the return of "Red" Jacoby to the athletic department as intramural head, a successful year in intramural athletics is in view. The next activity to come into the limelight will be volleyball competition.

The following list indicates the final standings of the teams who competed in touch-football:

Team	W	T	L	Pct.
Sigma Nu	9	0	0	1.000
Delta Tau Delta	6	2	1	.857
Tau Kappa Epsilon	4	1	3	.571

Basketball Squad Practices Daily

According to Coach Babe Brown, the first cut of the basketball squad will be made Tuesday night. "With the returning lettermen plus the balance of talent turning out, Idaho will be a team to watch in the conference race this season," Brown said.

The Walla Walla squad travels to Walla Walla for games with the Walla Walla air base November 29 and a game with Whitman college the following evening.

Four probable home games have been announced for the week of December 3-8.

Engineers Attend Public Hearing

On Tuesday the senior students in civil engineering and professors G. A. Riedesel, Herman Blickensderfer, Roy L. Klema of the civil engineering department went to Coeur d'Alene to attend a public hearing on the Springtown dam and reservoir project being proposed by federal government engineers.

The senior students are particularly interested in this proposed project, Professor Riedesel pointed out because they are studying the utilization of water resources.

MORTAR BOARD PICTURES

Group pictures of Mortar Board members were taken for the Mortar Board quarterly at a special meeting called on November 19. Elaine Anderson conducted the study meeting which followed. The next study meeting will be held Monday, November 26, at 5:00.

Vandals Defeated In Final Tilt

"I am very proud of the way the boys played," commented Coach Babe Brown today about the past game with the Washington Huskies. "Idaho athletes made many new friends in Seattle, and the way the squad finished this season, we will definitely be more than just a threat in the conference race next fall," he continued.

An Idaho fumble recovered by Doug Vickery on the second play of the game set up the first Washington score. The Huskies smashed the Vandal line to pick up nine yards and then Halfback Gordon Hunger went through tackle for 26 yards and the first touchdown.

Late in the first period Washington's Johnny Norton fumbled and Clayton Ringenberg packed the recovery for 20 yards before being brought down. A pass put the ball on the Washington 14 and after four downs saw the ball again in Husky possession.

The Vandals' second drive came in the opening play of the second half. Passes from Jim Hatch and Clay Ringenberg to Halfback Ben Steelhead again saw the Idaho crew threatening from the 14. After hitting the line and a pass being knocked down, the Idahoans gave the ball to the Huskies on downs.

Washington's second score came early in the final game with Hunger again tallying from the 3-yard line.

The defeat was the final game.

Idaho Mentor Picks All-Stars

Coach J. A. (Babe) Brown of the University of Idaho, whose Vandals completed the 1945 grid season by holding down the offerings of mighty Washington last Saturday, 12-0, today selected four stars of the Husky eleven on his mythical all-star team. Brown also selected two each from Idaho, Oregon and Washington State for his northern division eleven.

In explaining the absence of California players, Brown said he was not sufficiently acquainted with the teams from "down under" to suggest an all-Pacific coast lineup.

He shifted Gordon Hunger, Washington halfback, to quarterback in the mythical backfield to make places for Leicht of Oregon and Lippincott of Washington State as halfbacks and Karamanos of Oregon State at fullback.

His forward wall consisted of Nelson, Washington, and Anderson, Oregon, ends; Morris Klein, Idaho, and Austin, Oregon, tackles; Osterhout, Washington, and Merrill Barnes, captain of the Idaho team this season, guards; and McGovern, Washington, center.
