With the fine music and dancing
presented at the annual May Fete,
it looked as if Idaho were revert-
ing to the excellent pre-war prac-
tice of making the week-end pri-
marily for mothers' enjoyment.
Congratulations to the planners of
the affair for carrying it over with
a minimum of heartache and a
maximum of entertainment. In
former days the May Fete was
largely a student talent recital
and this trend seems to be coming
back.

Even if the acoustics are not
very good, every singing group
would have had an equal dis-
advantage if the annual Song
Fest had been held in Memorial
gymnasium. Rather than have
the students miss the event, it
would have been more to their
liking if the Fest had been held
where all could look and listen.
Next year, if the anticipated
crowd is the same, Jason hopes
to find the Song Fest held in a
building having adequate space
for all—including performers.

President Attends Association Meet

Norman Fredelkind, new ASUI
president, will attend the annual
meeting of the Pacific Student
Body Presidents association May
31-June 1 at the University of
California in Berkeley. Past presi-
dent Darwin Brown will be un-
able to attend, so Fredelkind will
be making the trip alone.
Executive Board decided that
pictures of ASUI presidents will
be framed and placed on the wall
of the council-room. New Execu-
tive Board members will be in-
vited to attend the meeting May
28, and at that time all business
will be turned over to them by
the outgoing board.

Vandal Cage Crew Will Meet CCNY In Garden

Five Other Games Slated For Eastern Trip

The University of Idaho's conference-winning Vandal basketball squad has received an invitation to meet the City College of New York in Madison Square Garden December 3, Graduate Manager Gale Mix reported yesterday upon receipt of wired confirmation from Ned Irish, Garden official.

"I" Club Crowns Queen At Dance

The crowning of Marilyn Williams, Delta Gamma, as 1946 "I" club queen highlighted the "I" club informal dance held Friday evening in the student union ballroom. Bill Carbaugh, president of the club, performed the coronation rites and presented the queen with a red "I" club blanket during intermission.

An exchange of trophy cups took place during intermission, with Coach J. A. "Babe" Brown presenting a cup to the student

body in behalf of the Seattle Cougar club for the year's outstanding basketball team. The second presentation was that of a cup to "Babe" Brown by Darwin Brown, acting for the Cougar club, who gave the cup to Brown in recognition of his title, "Coach of the Year."

In keeping with the sports atmosphere, several posters representing various sports were hung about the ballroom. Music was provided by the "Gentlemen of Note." Patrons and patronesses were Mr. and Mrs. J. A. Brown, Mr. and Mrs. Guy Wicks, and Mr. and Mrs. Ray Davis. In charge of the dance were Bob Vonderharr, Bob Ryan, Jack Goetz and Max Call.

The Chamber of Commerce of the school of business will hold its first annual banquet at the Moscow hotel Wednesday at 6:30 p.m. All male members of the university school of business are urged to attend.

C. J. Strike, president of the Idaho Light & Power company, and Floyd West of the Idaho State Chamber of Commerce, will be guest speakers. Other guests will be President Harrison C. Dale, Robert Erb, president of the Idaho State Chamber of Commerce; J. H. Lucas, president of the senior Chamber of Commerce of Moscow; and J. A. Brunzell, president of the Junior Chamber of Commerce of Moscow. Dorothy Monico will present two vocal solos, and will be accompanied by Vivian McLaughlin.

Election of officers for the coming year will be held. Tickets for the banquet, in the form of a charter membership in the organization, will be sold for \$1.50, and may be obtained from any of the following members of the board of directors: A. K. Belpap, A. W. Una, A. C. Rice, R. G. Codd, R. S. Bier, S. E. English, T. G. Lake, H. B. Hansen, C. O. Jennings, or C. R. Holden.

The university Chamber of Commerce has adopted a platform to promote leadership, to create an interest in the school of business, to create an interest in civic and commercial affairs, and to create a bond among students, alumni, and business men. The organization has received encouraging support from the Idaho State Chamber of Commerce and a complimentary membership in the organization for one year.

The architectural water-colors display of Edwin J. Peterson is in the lobby of the university Art building for the rest of this week. Peterson, a recently discharged army engineers captain, received his education at W.S.C. and Harvard, where he received his master's degree in architecture.

The exhibit next week is a set of panels showing the development of housing in Holland, where a movement for low-cost housing has existed during the present century. Both exhibits are sponsored by the Attic Club.

Actors Present "Brief Candle" This Week-End

A wisp of moonlight and May-time, with striking costumes in moon-drenched garden scenes against a background of soft music, will repeat an Idaho spring atmosphere in the university auditorium tomorrow and Saturday nights when Miss Jean Collette's student actors present "Brief Candle," by Robert Hare Powell, the department's final play of the year.

First curtains are scheduled for 8:15 p.m. on both nights. Tickets, selling at 50 cents each, are available at either the Student Union bookstore or at Hodgins', and students may present ASUI books for reserved seats, Miss Collette has announced.

Cast Named

The play, a product of George Pierce Baker's famed 47 Workshop of Yale university, has heading its cast Enid Almquist as Cynthia, and Gayle Manion as Rodney. Miss Tika, an octogenarian living alone in an old home on the New England coast, is played by Marina Dochios. Ed Dalva and Karleen Randall take the roles of her two servants. To her home come the Admiral, an unrequited lover, enacted by Marvin Trigero, and Boatswain's Mate Klatz, played by Ned Bowler. Gene Roth appears as Gordon, a stranger.

Staff At Work

The production staff, headed by assistant directors Louise King and Maxine Webb, has been at work on the play for six weeks. Don Swinney is technical director, and Gene Roth is stage manager, assisted by Mary Stanek. Jean Jones will handle lighting effects, and Elizabeth Robinson, Ruth Fisk, and Gene Ricketts are in charge of sound effects.

Pat Robinson, Isobel Garner, Kathleen Hammond and Jay Wilson are the stage dressing committee. Margaret Arnold, Shirley Brandt, Joyce Larsen and Betty Smith are in charge of properties, and costumes will be handled by Nora Whybark, Margaret Arnold, Karleen Randall, Elizabeth Sutton and Ruth Valadon.

Stage Workers

Others working on stage construction and painting are Ned Bowler, Ed Dalva, Marina Dochios, Isobel Garner, Polly Harris, Jean Ketebach, Joyce Larsen, Mary Little, Jay Wilson, Julie Mays, Haru Sakamoto, and Jerry Potter. The play will be repeated for commencement June 1, following the custom of the dramatics department of repeating its spring play for that occasion.

Singers Receive Trophies Sunday

Phi Gamma Delta and Delta Gamma won men's and women's singing trophies before a capacity audience Sunday in the annual Mother's day song fest competition staged by Phi Mu Alpha and Sigma Alpha Iota, music honoraries. Kappa Alpha Theta and Delta Chi were given honorable mention.

Due to limited seating facilities in the auditorium, Joan Wittman and Deane Hamilton, song fest chairmen, stated that next year the affair will probably be operated on an elimination basis, only the four or five best groups performing in the finals.

Judges for the group singing contest were Miss Marie Gordon, Coeur d'Alene, and Miss Alice Holmbeck, Clarkston.

Farmer Returns From Chicago

Dean R. H. Farmer, of the school of business, returned recently from Chicago where he attended the annual convention of the American Association of Collegiate Schools of Business. Problems considered at the convention, held May 2, 3 and 4, were veterans' education, accounting education, and education for small business.

Marina Dochios, playing the part of a New England octogenarian, converses with Marvin Trigero, who has the part of the Admiral in the forthcoming dramatic production, "Brief Candle."

Gayle Manion as Rodney in "Brief Candle" strikes up a conversation with Enid Almquist, who is Cynthia in the play. These two head the cast of the final drama for the year.

Spurs Tap Women In Time Honored Manner

Saturday at 5 a.m., was the time for the tapping of 24 outstanding women to Spurs. After all had been tapped and pledged, a breakfast was served in their honor at the Nobby Inn at 7 a.m. Dean Louise Carter and Mrs. E. J. Marty were special guests at the breakfast.

These women were picked on the merits of scholarship, leadership, and character shown while attending the university.

Still following the age-old tradition of the group, the pledges will wear a spur for one week after being tapped.

Those tapped, who were introduced at the May Fete, are Bonnie Schwendiman, Jeanne Hofmann, Joyce Keeton, Beverly Olsson, Joan Young, Patricia Dwyer, Patricia Colvard, Jane Coleman, Betty Landvatter, Joanne Kelly, Mary Sue Tovey, Ruth Anderson, Jan Garber, Martha Rigby, Joan Pavelich, Carol Fugate, Helen Herndon, Pamela Harrington, Darlene Henderson, Margaret Burson, Ceva Bates, Helen Rice, Myrna Ritchey, Phyllis O'Reilly.

IR Club Discusses Pocatello Issue

Topic for discussion at the final meeting of International Relations club will be, "Do we need a four-year college at Pocatello?" Taking part in the panel will be Jay Wilson, J. T. Peterson and Sylvan Jeppeson.

The meeting will be held from 7-8:30 in the ballroom of the Blue Bucket this evening.

Program for last week consisted of a discussion on labor problems in the United States. J. J. O'Connell of Potlatch Forests, Inc., and Prof. William Folz of the university economics department took part in the meeting.

Election of officers for next year will be held immediately following the meeting.

Hosack Attends Conference

Prof. Robert E. Hosack of the political science department attended the ninth annual Northwestern IPR-CIAA conference at the Empress Hotel in Victoria, B. C., May 10-12. Professor Hosack and Prof. J. A. Guthrie and Prof. H. J. Wood from Pullman were representatives from the Inland Empire branch of the IPR.

Feature speaker at the conference was W. L. Holland, executive secretary of the Institute of Pacific Relations.

Presentations Climax May Fete Festivities

Climaxing May Fete festivities on Saturday was the announcement of students selected for honoraries and those selected for specific awards or recognition.

Dorothy Ann Hauge McDonald carried away the Alpha Lambda Delta award of a volume of Shakespeare's works for a grade average of 3.92 maintained throughout her college career. The award was presented by Jewel Mays, who also announced the names of seniors with a 3.5 average: Elaine Anderson, Joan Benoit, Betty Echternach, Jane Meyer, Ada Mae Rich, Karma Smith, Dorothy Doumeq, Mary Pat Sylvester, and Clara Beth Young.

Lalene Cargill presented Jane Meyer, past president of W.A.A., with the W.A.A. trophy cup given for outstanding athletic activity.

Honorary Choices

Mortar Board members, headed by Lois Deobald, presented red rosebuds, the traditional sign of selection for membership in the honorary, to eight young women: Lucile Thompson, Evelyn Fisher, Ethel Jane Kopelman, Betty Ann Craggs, Lalene Cargill, Gerry Merrill, Joyce MacMahon, and Madeilyn Sanberg.

Silver Lance, a men's honorary inactive during the war years, tapped for membership Fred Quinn, Bill Williams, Pete Rowell, Ladd Hamilton, Norman Fredelkind, and Boyd Hansen. Members of the organization before the tapping were Alden Hall, Sennitt Taylor, and Jim Towles.

WSC To Pay Off Lost Wager

Campus spirit will run high Friday when representatives of the traditional Idaho rival, Washington State college, will pay off a debt assumed when they lost a wager on the outcome of basketball games this spring. The hike to Idaho in payment will be made by Doris Pearson, student body president, June Johnson, former Evergreen editor, and the present Evergreen editor.

A large rally of Idaho students will be organized between 4:30 and 5 p.m. to greet the hikers when they reach the Moscow city limits. The "Gentlemen of Note," campus dance band, will play for the rally. Students will then escort the WSC representatives to the student union building where certain festivities have been planned.

After the rally, the ASUI executive board has scheduled a banquet in honor of the strollers. Two veterans of the episode early in the spring, when Idaho lost a wager concerning the outcome of football games, will be present at the banquet. They are Darwin Brown and Jack Anderson. The third hiker, Patricia Miller, withdrew from the university at the semester.

AWS Entertains Officer At Informal Tea

Navy Goes "All Out" For Dinner-Dance

Over \$800 is being expended on arrangements for the NROTC unit's second Navy ball, according to Kenny Newman, one of the chairmen of the finance committee. The trainees are going "all out" to make the dinner dance a social event to eclipse all other campus activities and to provide the unit with a farewell party, he says.

The Navy ball, to be presented May 25 rather than May 18 as stated in last week's Argonaut, will have as its theme "No More Blues." The "Gentlemen of Note" will provide music for the formal affair.

U. Band Presents Program Of "Symphonic Jazz"

With a program of light summer music in the "symphonic jazz" style, the university band, under the baton of Edmund Marty, will present its annual spring concert in the auditorium beginning at 8 p.m. Tuesday evening.

The pep band, newly organized under the direction of Adair Hilligoss will furnish intermission music.

The 50-piece university band will open the concert with a comedy overture, "Vanity Fair," by Percy E. Fletcher. "Mardi Gras," from "Mississippi Suite," by Ferde Grofe, "Entry Of The Gladiators" by Fucik-Laurendeau, and variations on the theme "Pop Goes The Weasel" will follow.

Intermission music by the pep band will include "Coquette," arranged by Gay Jones and featuring Earl Spencer, tenor sax, and Gil Bessley, trumpet; "Autumn Nocturne," written by Thornhill-Zottola and played by pianist Don Singer, and "I Should Care," arranged by Gay Jones and sung by Don Cushing. The group will also play "Talk of the Town," arranged by Gay Jones and featuring George Hartwell on the alto saxophone, and "Blue Skies" with solo by George Hartwell, clarinetist.

Closing the concert the university band will play "Rhythms of Rio," modern South American rhapsody, by David Bennett, a march, "El Abanico" by A. Javaloyes, "Caribbean Fantasy" by John J. Morrissey, and "The Stars and Stripes Forever," by John Phillip Sousa.

Musicians Present Annual Concert

Phi Mu Alpha, national men's music honorary, presented its annual "All-American" concert Tuesday evening as a revival of its tradition of giving one program each year in which works of American composers are reviewed.

Soloists for the evening were Walt Smith, violinist; James Renfrew, pianist; LeRoy Heick, Norman Logan and Deane Hamilton, vocalists. The male chorus, numbering sixteen voices, sang four songs, and John Cook narrated, informing the audience of the background of each composition.

Delta Chi's Elect

Ivan Woods was elected president of Delta Chi fraternity at a recent meeting. Other officers elected were Don Evans, vice president; Russell Codd, secretary; Gerald Pederson, house manager, and Elmer Buoy, pledge trainer.

Engineers To Hold State-Wide Meet

About 50 members of the Idaho Society of Engineers will gather here for a state-wide meeting Saturday and begin their all-day activities by inspecting laboratories of the university, Prof. G. A. Riedesel, program chairman, has announced.

The professional engineers will hold a business meeting in the afternoon with James Reid of Lewiston, district highway engineer, presiding. Reid will be toastmaster at the dinner meeting at the Moscow hotel Saturday evening when Dr. Boyd A. Martin of the political science faculty will speak on "Post War Problems of Democracy."

Speakers at the afternoon session will be W. L. Thraikill talking on the "Present Trend Toward Unionism," and Dean J. E. Buchanan on "Legal Professional Status for the Young Engineer." William Moore will lead the panel talks on labor and personnel problems in engineering.

Special plans are being made to entertain the visiting wives of engineers, including dancing to the hill-billy orchestra at the Moscow hotel.

CHEMICAL ENGINEERS ELECT

Election of officers for the student chapter of the American Institute of Chemical Engineers will be held May 21 at a meeting beginning at 7 p.m. The group will meet in the Kirtley engineering laboratory and will discuss regular business also.

MISSION TO MOSCOW

I ran into a girl at the Bucket yesterday. After she picked me up, we had a phosphate.

The phosphate was delicious, as are all cauliflower phosphates. While sitting in my companion's lap I could see an abundance of students milling around, playing bridge and draw poker, and making small talk in the booths. The booths aren't large enough for big talk.

After we had finished the phosphate, I asked the girl, "what is your name?"

"Honeysuckle Levine," she answered, coyly giving me a dig in the ribs that made breathing rather labored, if possible at all.

"Gee," I said.

"I live at Hazney hall," she said, "on thoid deck."

"What are you majoring in?" I asked.

"Majors are for the idle rich," she said testily. "I'm here to learn life. Do you have a major?" she asked.

"Oh, of course not!" I said, slyly, as I gathered she found them offensive.

"Are you one of us?" she asked. "No, but I'm thinking of join!" ing!" I said hopefully.

Miss Levine looked as if she were going to be sick and suggested that we go get some fresh air. While leaving, she accidentally collided with an "I" club boy who will never regain the use of his limbs, the doctors say.

We walked along past the Ad building toward Pullman to a little group of trees which I had never seen before.

We sat down under a tree on which a sign said—Pseudo Tsuga Taxifolia, given to the University by Ponerosa Matchstok, president of the Gee-Whiz Lumber company. Your cooperation is solicited in leaving this tree the hell alone.

"It's real nice of that feller to give this tree to the university," I said.

"Insidious capitalistic propaganda," snarled Honeysuckle as she spate on the tree. "The tree was obviously paid for by the sweat and blood of downtrodden workers!"

"Gee," I said.

"et's go home," she said. "I have to unpack some pamphlets that came today from the Kremlin."

We walked in silence broken

THE MOST HONORED WATCH ON THE CAMPUS

Campus Junk

It has come to the attention of the members of Beta Theta Pi that an obscure group of persons on the campus have acquired a bell and mounted it atop the shack in which they dwell. It is understood that the bell was stolen from the neck of an innocent bovine that one of the boys had been dating. At any rate, having firmly affixed the bell to the roof, this group has recognized what has been obvious to the rest of the campus, namely, that it is in extremely poor taste and a detraction from the pleasant appearance of an otherwise charming campus. As they themselves have been unsuccessful in dislodging this campus eyesore, they have advertised in the Argonaut for the assistance of Beta Theta Pi in carrying said piece of junk to the rubbish heap where it obviously belongs.

The members of Beta Theta Pi surveyed the situation from the standpoint of the engineering problem involved and discovered that removal of the offensive bell would result in either the collapse of the building or the structure being carried away by the spring breezes. It first appeared that this would make possible the killing of two birds with one stone, that is, removing the bell and the equally offensive building all in one operation. Unfortunately, this project cannot move forward. For regardless of the benefit this action would bestow upon the university, we must remember: the current housing shortage. Therefore, the members of Beta Theta Pi feel that such civic improvements must be delayed until such time as building materials are once more available. When such time arrives, this obscure group of persons will doubtless be surprised to discover the efficiency and speed with which the operation was completed.

DEAR JASON

Dear Jason: I wish to thank the students for the fine cooperation I received in presenting the Mother's Day songfest. Without it, Phi Mu Alpha and Sigma Alpha Iota could not have achieved as fine a program as we did.

Sincerely,
Deane Hamilton,
President, Phi Mu Alpha.

Dames Club Elects New Officers

Ann Hlastala was elected president of Dames club at a recent meeting, with Louise Dunn gaining the office of vice president. Other officers elected were Jean Burns, recording secretary; Shirley Morebeck, corresponding secretary; Janice Hamilton, treasurer; and Ernestine Daniels, historian.

An installation dinner will be held at the Faculty club Wednesday at 7:15 p.m. Women wishing to attend should notify Mary Ann Baker, phone 7106, by Friday.

ASSOCIATION ELECTS CRAMER

At the annual meeting of the American Students Health association held in Minneapolis last week, Dr. Harold D. Cramer, university physician and director of the university health service, was elected a member of the advisory council.

On Tuesday the group visited the Student Health Service at the University of Minnesota.

Over the Hill

with JACK SHURMAN

This is your Kampus Kalkenborn, just back from a tour of the cow-pastures in Pullman with the latest dope on what makes the grass grow green. So back the wagin up a little closer, officer, Grandpaw can't quite make the curb—and I'll be giving you the inside scoop on the men who wear the blue and khaki about our fair community.

Saturday afternoon, I thought I'd trip over the activities front-side of the Ad Building. It was only fitting as the girlfriend was a big gun in the Maypole dance. She didn't do any dancing herself, but she certainly was the prettiest Maypole I've seen in years. It's too bad that things didn't go too well, and Moscow Secret Service Men are hot on the trail of the fiend who tore down one of the crepe paper lines and substituted a piece of adhesive tape. They believe him to be the same culprit who stole Sally Rand's bubble last January and put a marble in its place. The unfortunate Spur to grab the sticky streamer is now on exhibit at the Museum of Natural History in New York and may be viewed for the price of 30 yen, all of which goes to prove that, "She who dances around the Maypole is likely to end up a mummy."

All of the gala festivities seemed highly coincidental, as I met my girl in a Maypole dance two years ago, and I've been going around with her ever since.

That's a joke, son!

Monday morning, a crew removed the stands and flooded the area for ice skating. Where but in Idaho?

Can't say the Navy hasn't been on the ball lately. Its most recent contribution to campus activities

VETERANS

Veterans are advised to contact the V.A. before June 1 on their summer plans, regardless of whether they plan to remain in school. This applies to all veterans, and should be attended to as soon as possible. This is necessary to fill out the forms for interruption of training, re-admission into summer school, or to protect all back-pay.

Ah, but for hell, I've been busy this past week. Final exams are in the offing, and I've had to pound the books until early each A. M. My marks up to now haven't been what they should be, and I had to be satisfied with a two-point at mid-semester. English, consistently my highest grade, has taken a turn for the worse since writing a 12-page reference paper on why traffic lights turn red. You'd turn red too if you had to stop and go on a busy street corner. At any rate, with memories of last semester's finals still fresh in my mind, I can't feel too secure.

One math question counting 50 per cent read, "A room is seven feet by nine feet by eight feet, contains two beds, a chest of three drawers, and a clothes closet. How old is your instructor?" I put down 40 because I have a brother back home who's 20 and he's only half crazy. I'll be repeating that subject this summer.

Come to think of it, that wasn't a two point I received at mid-semester but a point two.

And speaking about two points reminds me that I finally asked my girl to the Navy Ball. As stated previously, music will be furnished by the "Gentlemen of Note," and the dance will be held to the tune of over 800 dollars. As chairman of the publicity committee, I suppose that it is expected I give the

W.A.A. MEMBERS PLAN PICNIC

There will be a general W.A.A. meeting May 24, which all members are asked to attend. The meeting is to be a picnic, after which the regular meeting and initiation will take place.

I have no doubts that my date will be chosen queen. She has the prettiest leg on campus, the type that all men praise. One day she caught me praising them too highly, and I go my face slapped. But I didn't mind. She's a good girl—good for a lot of laughs, good to dance with, good to talk to, and good for about two hours every Saturday night.

I had to explain to the boys that "Over the Hill" was no place for publicity stunts; and if they wanted it known that the gala affair is to be held the 25th of May at Willis Sweet hall, will incorporate a dinner and dance, will carry the theme "No More Blues," and many pleasant surprises will be in store for all present, they'll have to use other sources of information.

"HOW'D THE UMP GET IN THE GAME?"

WHETHER it's baseball or business, Americans expect fair play all the way. In baseball, the umpire sees to it that the game is played according to the rules. But he is not a player. In business, government should be the umpire who enforces fair rules.

But when government goes into business and competes with its own citizens, the American tradition of fair play is set aside. The umpire then becomes a player, and he enjoys advantages that are denied to all the other players.

For example, government and municipal power-plants are not required to pay federal taxes; often get money from the U. S. Treasury at little or no interest; make up losses out of the pockets of the taxpayers.

Maybe you run a store or service station or beauty shop. Would you like to have a next-door competitor who has little or no rent, or taxes, or interest to pay, and who is kept in business partly by your tax money?

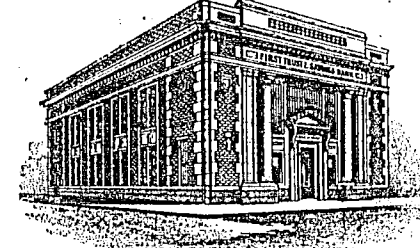

Fortunately for America today, over 80% of the tremendous electric power in this country is produced by tax-paying, self-supporting electric light and power companies, owned and operated by several million folks like you.

These business-managed companies are a big reason why there is enough electricity to meet even the gigantic demands of war—and why, when most things cost more, electricity is still delivered at low pre-war prices.

"ON THE INSIDE"

By JACK GOETZ

On Saturday the University of Idaho plays host to the state high school track and field championship meet. As in the past, many high schools will be represented in the meet. The fine young athletes participating will have their eyes open for accomplishments of their state university. Of the boys who will be here, many plan to attend some university or college pending graduation from their prep school. The University of Idaho certainly could use some of them.

Let's all get in and welcome the prep stars to Vandalville. Other schools such as the University of Washington, the University of Oregon, Oregon State, our cross-state rivals, Washington State, and the Utah schools are always on their toes glancing through the various high schools in search of promising young athletes. Idaho is at the point of getting somewhere as far as athletics go. Make what perhaps may be the future Idaho cinder greats feel at home.

A familiar face on the campus this week is that of Laune Erickson, a former Idaho boxing great. Laune was discharged April 10, from the U. S. Army air force. For some who haven't had the opportunity to see the air corps fighter captain in ring action, let's go back to 1940 and start from there. It was during the period that Louie August was turning out some national championship boxing teams for the silver and gold, that Erickson came into the limelight. Fighting in the 165-pound division, it was Erickson by a knockout almost every time he stepped into the ring. His knockdowns and drag-outs led to the Intercollegiate championships of 1940 and '41 which saw Laune carry away the honors both years. A lot has happened to the champ since '41 as he is now a married man and has gone through some mighty tough duty as a pilot in the north and central Pacific.

Laune says he plans to return to school next fall, and by the way, plans to be in there slugging it out for the alma mater. "The campus certainly looks swell," commented the curly headed pugilist. "My wife is visiting with me, and she is enjoying the Vandal campus immensely," he continued. Well, Laune, it's swell to know you will be back next fall and we'll be waiting to see you slugging it out.

Speaking of boxing, it is beginning to look as if Idaho will be in there against the best of them next fall in the leather game. Of the 1941 squad, Frank Kara, Bill Williams, and Laune Erickson, will be on hand, plus a number of other sluggers. There is some chit-chat as to the whereabouts of one Louie August, former Vandal coach. It is not known whether the former mentor will be on hand next fall but boxing lovers will be on tap to see those silver and gold pugilists.

The possibilities of another great cross country team for Idaho loomed very probable this week when the news reached Mike Ryan of the return next fall of Vic Dyrvall and Ward Strasheim, both members of Idaho's championship cross-country teams.

Montana State Is Tennis Winner

Montana State university's Grizzly net stars defeated the Idaho team last Monday on the local courts, 6 to 1. All but one of the seven matches were forced into three sets.

Idaho's lone victory came off the racket of Joe Vento, who took a 6-4, 6-0 victory over Ost of Montana.

The results: Garret, M, defeated Goodman, I, 6-4, 7-9, 7-5; Smith, M, defeated Thome, I, 6-1, 1-6, 6-4; Merriam, M, defeated Bulla, I, 6-1, 3-6, 6-2; Casey, M, defeated Carringer, I, 6-2, 4-6, 6-3; Merriam and Ost, M, defeated Thome and Bulla, I, 2-6, 8-6, 7-5; Garrett and Smith, M, defeated Vento and Goodman, I, 6-4, 3-6, 6-2.

Prof: "Did you write this poem, young man?" Student: "Yes, sir, I did." Prof: "Then I'm glad to see you, Lord Tennyson. I thought you were dead."

Baseballers Drop Games To Cougars And Oregon State

Weekend baseball play saw the Vandals drop a pair of games to the Oregon States Beavers, lowering their position in the Division race to the last place. The Beavers opened up in their first game Friday to score five runs in the first inning to go on to win a 7-0 shut-out. Charles Sauvain, Beaver moundsman allowed the Vandals four singles while his teammates gathered 10, blows off Idaho pitcher Francis "Lefty" Auer.

Idaho's hits never came at the right time as only seven men reached first base during the game.

Saturday's Game Once again it was Idaho errors and Oregon State hitting which netted the Beavers their 13-9 victory over the Vandal crew.

The Beavers started the scoring in the first inning on a walk and two errors. The Vandals tied it up in their half of the first when Gerry Pederson scored after reaching first on a double and being brought in by a single off the bat of Len Pyne.

The Beavers shot into the lead in the sixth frame off the offerings of Vandal Pitchers Fred Klink and John Dailey. For Oregon States Bill Frazer started on the mound, and was relieved by Don Cecil. Short Score: OSC 100 004 710-13 14 2 Idaho 101 133 000-9 13 8

WSC vs. Idaho The 7-2 Cougar victory saw the Vandals fall into a last place tie with the Washington crew in the Northern Division race. The Cougar victory saw Idaho fielders giving their rivals several unearned runs when they gave out seven errors, several coming in the clutches. The Washington State crew pounded nine hits against starting pitcher Bill Carbaugh before John Dailey took the mound in the eighth and retired the visitors without a safe blow.

In addition to allowing the Idaho nine seven hits, the Cougarmen committed two errors, shortstop, Brayton charged with both. Short Score: WSC 100 201 300-7 9 2 Idaho 010 000 100-2 7 8

A new Washington record of 62 was turned in by Harold Gjølme and Elwin Anderson, who teamed together turned in the best scores.

Vandal Cinder Team Drubbed By OSC

The same Idaho track team that had risen to the heights to beat a strong Washington State team only a week before, sunk to the depths at Corvallis Saturday and received an 80 2/3 to 49 1/3 drubbing from the not-too-strong Oregon State Beavers. Coach Mike Ryan had no excuses to offer for his charges simply stating that for the most part the Vandals failed to meet the competition. Times and distances in most events were sub-par, the exceptions being the 47 foot 11 inch shot put by big Bob Stevens of the Beavers, and Vandal Bob Pruitt's mile time of 4 minutes 27.3 seconds. Oregon State's Hughes in the 440 and Barber in the high jump turned in good performances, while Vandal Max Lattig topped 12 feet in the pole vault for Idaho's only win in the field events.

Oregon State performers made clean sweeps in three events—the 220 yard dash, 440 yard run, and shot put—and grabbed off the first two spots in the 100 yard dash. Close finishes featured some of the events, notably the half mile where Vandal Paul Halloran led all the way only to be nipped at the tape by Cherry of the Beavers. Lee Balderston ran a good race to cop, the third spot. Jim Merrey high jumped 6 feet 1 1/2 inches, his best of the year, only to be edged by the Beaver's Barber. In the discus, the first three men threw a foot and one half of one another. Lyle Fagan's toss of 136 feet 9 inches took second; this was also best best throw of the year. Bob Pruitt had to take the Oregon State miler by coming from behind on the stretch to remain undefeated. Phil Litzenger made a good throw of 44 feet 5 inches, but went unplaced in the shot putting competition.

Main Strength Idaho's main strength Saturday was in the hurdles and distance

aces. Ted Lake remained undefeated by taking both stick events for high point honors. His teammate, Beeson, finished third in both events. In addition to Pruitt's mile victory, Idaho took top honors in the two mile grind with freshman Dick Dexter coming in first and Art Humphrey second.

Tough Competition Commenting on his teams chances against Montana at Missoula this week, Coach Ryan stated that the Vandals will have to be in top form or they will be run off the track. The Grizzlies have come up with one of the strongest teams in their history and are undefeated to date. Main Montana strength is in the sprints, weights, and jumps. In big Danny Yovetich, they have one of the top hurdlers and sprinters in the Northwest. He is well supported by weightmen Crosby and Purdy; sprinter, Fleming; jumper, Maves; and jumper and hurdler, Rocheleau, who will be remembered as the high scoring basketball center who showed here last winter. Idaho's team will be weakened by the loss of jumper and pole vaulter

New Bowler who is staying behind to take part in the ASUI play. The probable traveling squad will be made up of sprinters Tom McDonald, Fred Nichols, and Gerald Cady; hurdlers Ted Lake and LeRoy Beeson; weightmen Lyle Fagan, Phil Litzenger, Ray Koll, Gerry Hagedorp and Bob Smith; jumpers Jim Merrey, Dick Soderoff and Richie Walton; runners Bob Pruitt, Paul Halloran, Bill Matthews, Dick Dexter, Jack Anderson, Lee Balderston and Art Humphrey; and pole vaulters Max Lattig and Gene Read. An extra man will probably be selected from among runners, Peters and Denman, hurdler Paras, and quarter miler Burkhardt.

SIGMA CHI'S CHOOSE GIVENS Elected president of Sigma Chi fraternity at a meeting held last week was John Givens, who replaces LeRoy Anderson. Other men elected to office were Lee Scott, vice president; Dean Brown, secretary; and Boyd Hansen, house manager. Stan T. Estes will act as reporter for the group. Patronize Argonaut Advertisers
