A rugged time in more ways than one is in store for thirsty students who tip the bottle at Saturday's football game. Approximately 10 policemen will patrol the student section looking for bottle-carriers who, if caught, will be: (1) relieved of their liquor; (2) yanked out of the stadium, and (3) tossed in the local clink.

Measures like these have been put into effect in order to force students to stop demonstrations like those which were so evident at the WSC-Idaho game. Voluntary abstention hasn't worked so more severe means of controlling student attitude have been formed.

There will be no hard and fast rule on group seating at the games. The ASUI executive board and "I" club worked out a system which would revive the old tradition for games—providing student cooperation was gained. It wasn't. A meeting of the house presidents resulted in cancellation of the whole plan and all the work which had been done on the idea. The reason for this isn't clear—maybe some "steadies" objected—but, whatever the reason, group seating was vetoed without giving the plan a try.

A second plan will be put into operation at the game Saturday. Students who volunteer to wear an "I" hat and light-colored outfit during the half-time will sit in a reserved section on the 50-yard line. Students with or without dates may sit there. This, combined with the influence of the police, may be enough to get Idahoans to show good school spirit without alcoholic assistance.

Temporary reprieve was granted to us yesterday when Dick Downing, student body president of WSC, revealed that he and a large party of students would be out of town today—so, Norm and Jason won't be hiking it for a while. As yet, we have not decided upon another date—and I wouldn't say we were eager to do so!

Work will begin Monday on the student directory which (for the benefit of new students) is a list of all those registered, their addresses, phone numbers, college, and class. In order to have it as nearly correct as possible, all changes should be reported immediately. Although they are heavily over-worked, the members of the registrar's staff have agreed to try to complete the booklet in about three weeks. With 3400 students it is a real job—and, to have it correct, all students must report changes.

The university Pep Band returns today from a tour which should prove to the people of several northern Idaho towns that Idaho does have musicians. Playing many types of music, the band performed for high schools, civic groups, and other organizations during the tour. Through plain hard work they have provided a means of advertising and selling the university to the people of the state.

### Eimers Becomes Managing Editor

Dick Eimers was named managing editor of the Argonaut following recommendation by the publications board which was approved at a meeting of the executive board Tuesday night. Eimers, a junior from Grangeville, is majoring in journalism and was a reporter for the Argonaut before the war. He replaces Ladd Hamilton.

On terminal leave until the end of November, he will be discharged with 56 months of army service to his credit. Two and a half years spent in England and France with the European Theater headquarters ended on his return to the United States the first of December, 1945.

Eimers is affiliated with Alpha Tau Omega and he and his wife are living in the veterans' trailer village at present.

### Martin Addresses Moscow C. Of C.

Dr. Boyd A. Martin of the university political science department was principle speaker at a dinner meeting of the Moscow chamber of commerce Wednesday evening.

Martin analyzed the characteristics of the two principal political parties and explained the reason for democratic popularity since 1932.

## Vandals Clash With San Jose Here Tomorrow

### 'I' Club Sponsors Rally, Torchlight Parade

An all campus rally and a torchlight parade beginning at 7 o'clock this evening at the Idaho club, will attempt to stir Vandal fans to greater spirit for the San Jose battle Saturday.

After the general meeting at the Idaho club, the rally crowd will continue past Willis Sweet hall and then to the Administration building. Passing in front of Ridenbaugh hall, Gamma Phi Beta, Phi Gamma Delta, Kappa Alpha Theta, Alpha Tau Omega and Beta Theta Pi, the parade will terminate at the student union building.

Climaxing the trip, the pep band will furnish music for the group while Art Humphrey and the yell team direct yells.

Reservations of the 50-yard section at the game Saturday has been announced by the executive board in an effort to attain better spirit and yells. Social chairmen of each living group have been presented with approximately 35 tickets to be distributed in the house and these will give admission to the reserved section.

For a uniform appearance in the cheering section, students receiving the reserved tickets will wear a white sweater, shirt or blouse and an "I" cap. Spurs, sophomore women's honorary, began sale of the "I" caps Thursday evening and will be at the game with more to sell Saturday.

Skirts and Sweaters Proper Recommendation of more informal dress for women has been made by AWS, and according to President Ethel Jane Kopelman, sweaters and skirts will be permissible.

Feature of participation by the grandstand participants will be a card demonstration during the half-time. Cards will be tacked under each seat of the cheering section with directions for their use. Following the tricks, the cards will be collected because of the cardboard shortage.

Assisting with the card tricks and distribution of tickets are Kenny Erickson, Bill Kelly, Bill Call and Bob Moulton. The men are recent pledges of IK.

### Coeds To Debate Labor Question

Plans are being completed for the women's intramural debate contest which will begin October 23. At a meeting Wednesday afternoon in the Administration building, Dr. A. E. Whitehead, debate coach, told prospective women debaters how to organize speeches and arguments.

Joyce McMahon, co-chairman of the forensic session, explained where material for the labor question may be found. The first round of the contest will find the following houses debating the affirmative side of the question: Alpha Chi Omega, Alpha Phi, Gamma Phi Beta, Kappa Alpha Theta and Forney hall; negative: Delta Delta Delta; Delta Gamma, Kappa Kappa Gamma, Pi Beta Phi, and Ridenbaugh hall. The second round, October 24, will be reversed with the exception of Hays hall debating affirmative and Delta Delta Delta taking a bye.

Representatives from each house are asked to contact Eleanor Andrew for the names of each group debating.

### ASCE Holds Picnic At Robinson Lake

Student branch of the American Society of Civil Engineers will hold a stag picnic Monday afternoon at Robinson lake. Cars will leave the Engineering building at 4 p.m.

The next meeting of the ASCE is October 28 in the old ballroom of the Student Union building at 7:30 p.m. The speaker will be James Reed, district engineer for the Lewiston district of the Idaho state bureau of highways.

### Can't Add Courses

Students may not register for additional credits after this week without permission of the academic council, Registrar D. D. DuSault reported. Courses may be dropped, but no additional hours may be taken, he said.

### New Managing Editor

Dick Eimers was appointed managing editor of the Argonaut Tuesday when both the publications board and ASUI executive board met. He replaces Ladd Hamilton, who recently vacated the position.

### 21 Cop Straight "A" Grades For Last Semester

Twenty-one Idaho students earned straight "A's" during the second semester of the 1945-46 school year, the registrar's office announced yesterday.

The "A" students, some of whom graduated last year, are: Joseph Robinson-Alley, John Angelo, Roger Elwood Batzel, Stayer Frates Brighton, Muriel Jean Stippick Burns, Arline Antoinette Durkoop, and Mary Jane Hawley.

Others are James William Hayes, James Wendell Johnson, Earl Richard Larson, Charles Ryyken Lea, Lawrence Morrison, John Joseph O'Mara, Ray Wendell Rigby, Peter Paul Rowell, and Karma Mpe Smith Belnap.

Mary Patricia Sylvester, Donald Oscar Thompson, Sue Alice McNeil Woog, DeEtte Jeanle Worley, and Clara Beth Young also made straight "A" grades.

These students all fulfilled the requirements for the "straight A list." In order to be included on the list, freshmen, sophomore, and junior students must be registered in 15 credits of university work.

Senior students may be included on the list if they have carried 12 credits, provided that number will enable them to meet the requirements for graduation at the next commencement.

### Club Reorganizes For Coming Year

Campus 4-H club will be reorganized tonight, when all past affiliated members will meet in Forney hall from 7:30-8:30 p.m. Representatives from Washington State college are scheduled to attend the session and to outline a program for the year, using the W.S.C. projects for exemplification.

Men and women students completing one year of 4-H club work are eligible for membership in the university organization, which will resume its pre-war activity status this semester.

### DEAN ATTENDS MEETING

Dean D. R. Theophilus of the school of agriculture attended the Farm-Town meeting and luncheon sponsored by the Lewiston chamber of commerce Wednesday noon.

### Coach Brown Lists Starting Lineup For Team's First Home Game

#### Rally To Include Giant Display Of Fireworks

Led by the Pep band and Spurs, and terminating in a giant fireworks display at McLean field, the homecoming rally will start at 7:30 p.m. on October 25.

Starting at the Administration building, the group will pass Gamma Phi Beta, where Ridenbaugh, Hays, and Forney halls, and Tau Kappa Epsilon will join and go down to the Delta Chi corner to pick up the Phi Gamma Deltas and Kappa Alpha Thetas. Then the rally will proceed to the Blue Bucket Inn where Alpha Tau Omega and Pi Beta Phi will join, on to the Alpha Chi Omega corner to pick up the Delta Delta Deltas and Alpha Phis.

From here the group will wind on up to the Beta Theta Pi corner where Sigma Nus, Phi Delta Thetas, Delta Gammass, Kappa Kappa Gammass will come in; the team fans will then pass Sigma Chi, Lindley hall, Delta Tau Delta, and at Willis Sweet corner, the Campus club, Idaho club, and Chrisman hall will complete the ranks.

After all students are in the rally, they will proceed to the back of the Administration building to the entrance of McLean field, for the fireworks display. It is tentatively scheduled that members of the main string varsity squad will speak to the students then.

Prior to the rally, a women's serpentine will wind through all men's living groups during the dinner hour. The Spurs will be in charge of this and request that women gather at the Ridenbaugh-Forney hall intersection at 5:45 p.m. The serpentine will begin from here promptly at 6 p.m. All women's groups are requested to serve dinner at 5 p.m. that evening.

Under the direction of Joyce Keeton, outside publicity chairman, posters with information on ticket sales for the Homecoming game are being posted around the city of Moscow in many business houses. Displays will soon be up in the student union building and the Kenworthy theater, and signs will be placed on all main roads leading into Moscow.

Continuing preparation for Homecoming week-end activities, at a meeting Monday night, the dance decoration committee, under the leadership of Marilyn Daigh and Eve Smith, decided upon "Here We Have Idaho" as the theme for the Homecoming dance.

### Superintendent Truitt Behind Huge Job Of Campus Buildings

Correction—Prof. T. I. Prichard, head of the art and architectural department, was co-winner of the General Motors Corporation competition, rather than the "Goodyear competition," as printed in the last issue.

The physical plant of the University of Idaho is valued at approximately \$5,000,000. Have you ever wondered who was responsible for the upkeep and care of that tremendous investment? Who sees that the grass is kept cut, and the seat fixed which snagged your only nylons?

We wondered—and it turned out to be C. A. Truitt, superintendent of buildings and grounds, a genial gentleman who paused over piles of blueprints and building reports to give us some information on the task that keeps him so busy.

War-time publicity given the intricate details of supporting military operations have brought to us all the realization that any undertaking—small or great—must have someone behind it to see that "the machine behind the machine" is kept in smooth working order.

Three times losers, the Vandal grid team will open the home game schedule tomorrow against San Jose State college Spartans, who are flying to Moscow in two planes. Immediately after arriving at the Moscow-Pullman airport, the Spartans are scheduled to practice at Neale stadium.

Both Idaho and San Jose have played three games, with the Vandals dropping all three while the Spartans were walling Willamette, tying a Honolulu all-star team, and losing to Hardin-Simmons.

### Taylor Announces New Rhodes Scholarship Rules

First Rhodes Scholarship competition since pre-war days in the United States will soon take place, and any candidates in this university must have their applications in Boise before November 2. Any interested students must contact Prof. Eugene Taylor of the math department as soon as possible.

To be a candidate for one of the 48 scholarships allocated to this country for the regular scholarship, a student must be a male, between the ages of 19 and 25, unmarried, and have completed his sophomore year by the time of his application. To be a candidate for the War Service Scholarship a student must be a male citizen, be between the ages of 19 and 32, have completed one year of war service (either in the armed forces, or in draft-deferring civilian war work), and have completed one year of college work by the time of his application.

In addition to the above requirements, literary and scholastic ability and attainments, moral force of character, physical vigor, qualities of manhood, truth, courage, etc., are considered necessary. These distinctive qualities were prescribed by Cecil Rhodes when first establishing his Oxford scholarships in his will.

The competition for Rhodes Scholarships is organized by states and districts. There are eight districts of six states each. Upon recommendation by his college or university, a prospective candidate applies to a state committee, which nominates three candidates to appear before the district committee. The district committee selects six scholars from the 18 men appearing before it to represent their states at Oxford.

When pin passers are presented at the front door of their true love in the future, they must be "properly clothed" to prevent embarrassment to both parties, according to a recent adoption of the Interfraternity Council.

### Council Bans Nudes

When pin passers are presented at the front door of their true love in the future, they must be "properly clothed" to prevent embarrassment to both parties, according to a recent adoption of the Interfraternity Council.

That is Superintendent Truitt's job.

### War On Dirt

From his office in the post office building he marshals his ranks of machinists, carpenters, painters, plumbers, janitors, and laborers for the war on the ever-present enemy of dirt and deterioration. The problems of his office have been increased many times by the urgency of the veterans' emergency housing program.

Approximately 81 persons are required in the functions of the buildings and grounds department. They are broken down by sections as follows: physical plant administration 6; light and power 3; machinists 3; painters 10; carpenters 4; heat, gas, and water 7; janitors 42; general maintenance 8, and the central heating plant 8.

In addition to regular duties, the department lends a hand when needed with the maintenance of ASUI-supervised Neale stadium and the golf course.

Mr. Truitt and his staff deserve a round of applause for efficient performance under the difficult operating conditions of today.

Probable lineups: Idaho vs San Jose State

Killsgaard	E	Terry
Zenkevitch	T	DeBishop
Potter	G	Juliano
Dana	C	Cheim
Barnes (C)	G	Wiedenhofer
Viro	T	Faulk
Aldred	E	Sophia
Hammond	Q	Jackson
Christensen	H	Nomura
Hatch	H	Culver
Miklich	F	Hardisty

Coached by Wilbur "Bill" Hubbard, San Jose holds an impressive pre-war record of 35 wins against two defeats from 1937 to 1939. The Californians were the nation's highest scoring team during those years. Like the majority of teams this year, the Spartans use the fast T-formation.

Against Marquette, for the first time this season, Idaho showed herself potentially strong when the Vandals scored their first touchdown in a four-play, fifty-yard march to pay-dirt. Freshman Jim Hammond will start the game at quarterback after the performance he turned in last week racking up Idaho's lone center.

A knee injury will prevent Ralph Pansch, first-string center, from participating in this week's contest. Several other players, including Bill Miklich, received injuries during the Marquette game, but are still expected to see action against the Spartans.

Coach James A. (Babe) Brown said this week a "revised" attack will be used against San Jose. The statement probably means that the Vandals will take to the air since Hammond's passing seems so effective.

### Buchanan Repeats Traffic Warning

President J. E. Buchanan again warned students of traffic dangers and regulations in an office memorandum yesterday.

"The unusual number of cars and pedestrians on the roads and walks of the campus this year creates a serious traffic hazard," he said.

Local officers have set the maximum speed limit on city streets through and adjacent to the campus at 15 miles an hour, and on driveways through the veterans housing areas at 10 miles an hour. There is to be no parking on campus drives or in any area with a no-parking sign.

### Honoraries Hold Get-Together

Sigma Alpha Iota and Phi Mu Alpha, men's and women's music honoraries, sponsored a "get-acquainted" party for all music majors and minors Thursday night in place of the regular solo class meeting which is usually held at that time. The party was held in the student union ballroom.

### TICKETS

Tickets for the Homecoming dance October 26, will go on sale in all men's living groups, Monday. Tickets will be priced at \$2.40 per couple and all people interested in buying one should contact the representative in their house.

Wednesday afternoon, open sale of tickets will be held in the Blue Bucket.

## TIPS FOR VETS

By GEORGE

The VA has assigned a special registration team to the university to aid the registrars in speeding up the process of qualifying veterans for subsistence allowance. These special teams have been sent to all colleges and universities in Idaho with the largest team assigned to Moscow where the largest concentration of veterans in the state is located. The function of these teams is to aid and work with university officials and local VA officials in stepping up the award of allowances despite the rush of students into school.

One of the main objectives of the plan is to forward veterans their first checks 30 days after entering school. This waiting period is necessary because a veteran must be in training 90 days before he is eligible for subsistence pay. This fact may explain why many men have not received their checks as yet and should serve to answer any complaints as to why the old eagle is so slow in coming through. With 2100 veterans on campus delays are unavoidable also. Along with this is the fact that neither the VA nor the university can hire and train enough employees to meet every demand.

Regular overtime work by on-the-job trainees and students under the G.I. Bill is included in the \$175 and \$200 wage ceilings recently established, the VA announced recently. Here is an example of what this ruling means:

A trainee who regularly worked a 44-hour week would draw no subsistence from the VA if his total monthly income, including the four hours of overtime, exceeded \$175 if he was without dependents, or \$200 if he has dependents. On the other hand, casual overtime need not be included in the report of monthly earnings. This would be occasional overtime which the trainee is called upon to perform at irregular intervals. To boil it down, it means that all compensation must be reported, except casual overtime and pensions, or other government compensation.

### Orientation Held For Last Time

Final orientation for all new women students will be held Tuesday evening at 7:15 in the Administration building. The discussions are sponsored by the Associated Women Students of the university under the chairmanship of Lucile Thompson.

Scholarship, campus honoraries and an explanation of AWS will be topics open for panel discussion in the various rooms. Approximately 35 women will participate in each group. Beverly Abbey and Denise Magnuson head the discussion committee with members of AWS assisting. Jane Thompson is publicity chairman of the organization.

### COMING EVENTS

Monday: Dames club homemaking group meets at 8 p.m. in the home economics room in the Administration building.  
Thursday: International Relations club 7 p.m. in Blue Bucket.

### Editors Announce Staff Jobs On Campus Magazine

Contributions for VanIda, campus magazine, have already been accepted by house representatives of the publication, with two weeks remaining until the deadline for the first issue, October 31, announced Elizabeth Robinson, co-editor with Maurice Paulsen of the magazine.

The publication wants short stories and feature articles, poetry, and humorous material, with or without a campus slant, she said. Representatives have been appointed to solicit and collect material in each living group.

The co-editors recently announced the staff for the November issue. Pat Kelly is advertising manager, with Geraldine Wren, Beverly Garrison, Margaret Hickman, Joyce Hanson and Joanne Kelley as assistants. Bates Murphy is circulation manager, with Lois Hart and Don E. Utter as assistants.

#### Fiction Editor

Bob Booth is fiction editor, assisted by Polly Harris, Nels Kans, and Phyllis Bertrand. Thelma Wetherbee and Joe Kruse are feature editors. Gregg Patvin is poetry editor. Don Rankin and Marge Morris are art editors.

Naoma Hobza is in charge of humor; Sheila Darwin, news; Betty Jean Holder and Ward Wright, editorials; and Bill Kelly, sports.

### Deans Discuss Plan

George Hudson, official representative of the secretary of agriculture, met with Dean D. R. Theophilus and Dean C. W. Hungerford of the experimental station Wednesday to discuss a plan to correlate the efforts of various federal agencies with those of the land grant colleges near the Columbia Basin project in the interests of furthering this project.

### Hey, Girls, Give The Guys A Chance

Just because you have more dates than you can handle and your social calendar is booked up months ahead—don't let it go to your head! The sad part is that most of the many men running loose belong to somebody else—even if they won't admit it. Also, very few of them are in any great hurry to be trapped and domesticated.

Facts don't lie, and statistics show that six to eight million women are going to be old maids, as there aren't enough men to go around. Fifteen years ago there was a surplus of 1,000,000 eligible catches. The war and those tricky little wenches from foreign countries have cut us out of over a million men.

The returning G.I. has been choosy overseas, where he was so much in demand, and he doesn't go for the independent attitude of lots of women here at home. It's no wonder he's less susceptible to any plans to settle him down.

### Attic Club Secures Architectural Film

Films showing architectural processes are to be secured by a committee appointed by President Keith Boyington at a meeting of the Attic club held this week.

Members are working out designs and ideas for their annual sale of Christmas cards. The date of the next meeting is to be announced at a later date.

### SWINE CONFERENCE HELD

Fifth annual swine type conference, sponsored by the department of animal husbandry, began yesterday with addresses, a round table, a swine judging contest, and banquet. A swine show and sale at the fairgrounds will complete the conference today.

### Women Compete In WAA Tennis

WAA sports program for the year is getting underway, with competition matches in the tennis tournament being played off now. All women interested in playing in a golf tournament should sign up in the Women's gymnasium before Saturday.

Correcting an error in last week's Argonaut, WAA does not give points toward membership for tough football, according to Mrs. Robert Marks, advisor for the group. Mrs. Marks also stated that all those turning out for soccer must have physical examinations.

### RECEPTION PLANS MADE

Plans for the Sigma Alpha Iota formal reception are being made, according to Chairman Betty Scott. Formal initiation for new members of the women's music honorary is to be held soon.

### Curtain Delegates Jobs In Fall Play

Curtain club will meet Tuesday at 4 p.m. in the U. Hut for a business meeting. They will discuss the spring and summer plays and determine who is eligible for admission into the dramatic honorary.

Duties will be delegated to members for work in the forthcoming production, "I Remember Mama," scheduled for production November 22 and 23. Enid Almqvist is president; Mary Stanek, vice president; and Louise Manion, secretary.

### STUDENTS REPORT CHANGES

Students are to report changes of address to the office of the registrar as soon as possible, because work on the student directory will begin Monday. Changes of class, school, and telephone must also be reported.

### Counsel Assigned For Mock Court

Counsel has been assigned by the Bench and Bar for the cases which will be tried by the mock court. Austin & Furey will be counsel for the plaintiff in the first case; and Sanderson & Hamilton will be the counsel for the defendant. The firms mentioned above consist of upper classmen in the school of law, and they will

argue the first case. The law firm of Donaldson & Remaklus will help prepare the brief for the plaintiff, and the law firm of Rossi & Stromberg will help prepare the brief for the defendant. No date has yet been set for the trial as it is still in the briefing stage.

**MAIN STREET**

**We hope it's a frozen asset**

This Northern Pacific snowplow may never earn back the \$98,000 we paid for it. But no matter how bad the blizzards this winter, you'll get through on the North Coast Limited.

All up and down the Northern Pacific you can find equipment units of this kind—many of them "frozen assets". No flood, storm, washout, rock slide or other foreseeable emergency will catch us unprepared. We gladly take our own profit-money to provide this unprofitable equipment because, in the end, good and dependable service means more business, more profits for us.

This kind of "selfish public service" is a good thing for all our neighbors along "Main Street". Right now (without waiting for any social blueprint) we are using every trick in the book to make this a better railroad. Last year we laid 800,000 new ties... tamped 1,400,000 yards of crushed stone into deeper, finer roadbed... went ahead with the building of a new \$9,000,000 passenger train which is going to carry you in the lap of luxury.

If you know a better way to run a railroad, we'd like to hear from you. We'd like to hear from you anyway.

# Groups Schedule Dances For Coming Week-end

Social life on the campus is very evident this week as shown by the numerous pledge dances, firesides, and guests. From all observations the social activities are definitely back to prewar standing.

### Beta Theta Pi

Gordon Hockaday, Spokane, and Tom Tobin were Tuesday evening dinner guests at the chapter house.

A dinner-dance exchange was held Wednesday evening with Alpha Chi Omega.

### Phi Delta Theta

Dinner guests Wednesday were Jack Hopkins and Bob Pond. An exchange was held Wednesday evening with pledges of Delta Delta Delta.

Phi Delta Theta will hold its annual semi-formal pledge dance Saturday evening. Music is to be furnished by the Gentlemen of Note. Patrons and patronesses will be Dr. and Mrs. W. H. Boyer, Mr. and Mrs. Virgil Baker, and Dr. Fredrick C. Church.

### Kappa Kappa Gamma

Wednesday evening an exchange was held with Phi Gamma Delta.

There will be an activities fireside Sunday evening at ten.

### Idaho Club

Mrs. Marian Morganson from American Falls was a dinner guest Monday.

### Hays Hall

An exchange was held Wednesday with Willis Sweet hall.

### Alpha Phi

An exchange was held Wednesday with the Campus Club.

Mrs. Shaver and Harlowe McKinney were Wednesday evening dinner guests.

### Pi Beta Phi

Lois Thome was a dinner guest Thursday.

### Delta Gamma

Bette Faye Solberg and Thomas Tobin, who will be married Friday, were dinner guests Wednesday.

Mr. and Mrs. Ralph Paasch, Mr. and Mrs. J. A. Brunzell, Mr. and Mrs. Stanley Parks, Mr. and Mrs. Thomas Mathews, Mr. and Mrs. Robert Driscoll, and Mr. and Mrs. Morey O'Donnell of the Alumnae Advisory Board will be guests for dinner Sunday.

Dinner guests Thursday were Jack Peters, Bud Galey, Dean Dennison, Fred Bagley, and Dick Harlan.

### Willis Sweet Hall

Last Friday evening Willis Sweet held its first fireside. Intermission entertainment was provided by Lt. J. Willhide at the piano.

Miss Ruth Gochmour, Willis Sweet candidate for Homecoming queen, was a dinner guest Sunday.

### Tau Kappa Epsilon

A dinner exchange was held Wednesday night with the women of Pi Beta Phi. Also at the dinner was Mr. Donald Whitehead, republican candidate for lieutenant governor of Idaho.

### Lindley Hall

An exchange was held Wednesday evening with the town girls. Miss Beryl Hulsen of Spokane was a dinner guest Saturday evening.

### Sigma Nu

An exchange was held with Alpha Chi Omega at Pullman Wednesday.

### Gamma Phi Beta

Exchange was held with Sigma Alpha Epsilon Wednesday night. Plans are being made for the annual pledge dance to be held tomorrow night. Shirley Raymond is general chairman.

### Sigma Alpha Epsilon

Guests this week were John Grant from the University of Washington, and David Campbell of New Meadows.

Committee chairmen for the pledge dance October 18 include

## Visitor Will Tour Idaho Dorms

Dr. T. W. MacQuarrie, president of San Jose State college, will arrive in Moscow this afternoon on the plane which is also bringing the football team here for Saturday's game.

Dr. MacQuarrie is particularly interested in the university's system of dormitories and cooperatives. While here, he will be conducted on a tour of such Idaho residences by President J. E. Buchanan, Robert Greene and Dean H. E. Latis.

One of the men's cooperative living groups will be host at a dinner for him tonight, and tomorrow noon he will eat at Ridenbaugh hall.

## Motorists Hinder Fire Department

Moscow fire and police chiefs urge traffic-snarlers who have a yen for chasing fires, to "stay put" when the fire siren sounds off.

Tickets will be given to any motorist who has no right to be at the next fire, since a blockade of motorists hindered the fire trucks during the fire at the university sheep barn Sunday evening.

A skating party has been planned for all members of Lambda

## Youth Groups Are Active Here During Past Week

The youth group of the Christian church will hold a district rally Sunday, from 2:30 to 7:00, at Sun-Crest Lodge.

Students will meet at the Christian church at 2:30, dressed in picnic clothes. Transportation will be provided.

Gene Brower was elected vice president of the Canterbury club Tuesday night, and Dick Cruthers was elected as treasurer, to fill vacant positions in the cabinet. The program committee for next semester was appointed, and also a representative of the organization from each house.

### Kappa Phi Pledges

Forty Methodist women were formally pledged to Kappa Phi Tuesday night. Pledging was followed by a business meeting and refreshments. Jeanne Hofmann was in charge of the entertainment.

Wesley Foundation members will hear Phil Johnson give a talk on religion in India at their meeting which will be held Sunday night at 5:00.

### Plan Party

A skating party has been planned for all members of Lambda

## Classes Organize Work Section

Adult home economics education classes, in collaboration with the Dames club, has organized a home economics work section.

First meeting of the organization was held October 14, and Miss Lucille Magruder opened the meeting with a discussion on "Newer Concepts of Child Guidance." Individual problems were also discussed.

Home economics section will be divided into two parts, one, child guidance under direction of Miss Catherine Kidd; and the second, home furnishings under Miss Magruder. A special sewing class will be sponsored by the Home-makers' group of Moscow.

Opening meeting will be October 21 at 8 p. m. in the home economics department. Mrs. S. F. Brighton and Mrs. Norman Nybotten are in charge. Students assisting are: Leona Bales, Mrs. Jean Burns, Georgia Ford, Mrs. Billie Lou Guernsey, Mrs. Pauline Holland and Twila Shear.

## Frats Represented At Conference

Jack Gray, Boyd Hansen, and Herman Renfrew are to attend a regional interfraternity conference at the University of Washington October 31, November 1 and 2.

The primary purpose of the meeting is a discussion of various problems confronting interfraternity councils. The conference will conclude with an all-campus dance to the music of Louis Armstrong.

# Belko's Junior Varsity Entertains WSC Kittens In Gridiron Warfare

In their initial clash of the season, the Junior Vandals will meet the Washington State Kittens this afternoon at 2 o'clock in Neale stadium. This encounter, the first of the two Idaho team's home games this week, may turn into the more exciting as Steve Belko's junior varsity supposedly have plenty of football savvy.

"We have an unexcelled amount of spirit and a well balanced team," Belko stated. But he also implied that Idaho was by no means regarding Billy Sewell's eleven lightly. "We know little of their comparative strength," Belko added, "but their huge turn-outs give them a vast amount of material."

No serious injuries other than that to Jim Paras, left halfback, mar Belko's junior varsity. Paras has been out for the past few days with a hip injury, which may prevent his seeing too much action in this afternoon's game.

Belko and his assistants picked Bert Sorenson, a tackle, to captain the frosh eleven in their season's opener. Sorenson, a smart line-man, will probably prove to be a thorn in the right side of the Kittens' line. The rest of the tentative starting lineup as released by Coach Belko is as follows:

Ends: Warren Briggs and George Belle; tackles: Ted Diehl and Bert Sorenson; guards: Larson and Ken McCormack; center: George Ellis; halfbacks: Jim Paras and George Whiteman; quarterback: Bob Underkofler; and fullback: Marvin Earl.

## Basketball Squad To Hold First Practice Monday

"The first basketball practice will be held Monday," Guy Wicks, basketball coach, announced last night. Due to the expected large turnout basketball candidates will be divided into two groups, each practicing at different times, Wicks added.

According to Wicks such a separation isn't a squad cut or designation to the junior varsity. "I will keep between 18 and 20 men on both the varsity and junior varsity all year long and the first cut in the squad will not occur until approximately November 5," Wicks said.

The following men will turn out at 4 o'clock in the afternoon. All lettermen and former frosh and varsity squad members and Jack Wallace, George Wallace, Gerald Bourland, Dick Hoffman, Don Robbins, Don Dillard, Wendell Christensen, Jim Merry, Gene Rodwell, Glen Cushman, Dick Geisler, Tom Moore, Gene Anderson, Dick Fike, Ed Frouzen, Dean Hall, and George Powell.

All other candidates turn out at 8 o'clock, Wicks said, then added that it will be necessary to hold two practices daily for a 10 day period.

## Golf Matches Will End This Week

"The championship flight winner has not been determined in the 1946 all-university golf tournament, but John Morley has reached the finals and will meet either Don Bullock or Perry Miller before the week is over," Francis James, golf coach, announced.

In the first flight Jack Keenan has yet to meet Bob Taylor or George Weitz for the championship, while the second flight finds four contestants left, including Mack Harris, Gene Rodwell, Jack Peterson, and Bill Turnbull. This championship should also be settled by the end of the week.

The third flight is holding up the whole tournament due to their slowness in getting the matches played. Bill Jones and Chuck Thomas have moved into the semifinals, but are now being held up by Anderson, Jensen, Firestone and Scott.

Robert "Goose" Rosenberry yesterday defeated Russ Morbeck to become the champion of the fourth flight. In this close match Rosenberry's experience proved the outstanding factor in his victory.

The 'third flight is holding up the whole tournament due to their slowness in getting the matches played. Bill Jones and Chuck Thomas have moved into the semifinals, but are now being held up by Anderson, Jensen, Firestone and Scott.

## Legion Asks Vets To Dance Tonight

All veterans attending the university, with their wives or dates, will be guests of the American Legion at a dance tonight in the Memorial gymnasium, according to Jack McQuade, commander of Dudley Loomis post.

Beginning at 9 p. m. dance music will be furnished by the Gentlemen of Note. Refreshments will be served.

"All veterans at the university, whether Legionnaires or not, are invited to attend," Mr. McQuade said.

The post is also planning a series of weekly open house parties at the Legion cabin, for ex-servicemen and their wives and friends, during the remainder of the school year.

# Sigma Nu Passes Way To Intramural Grid Title

By GLEN CUSHMAN

Alternating a hard-driving ground offense with the uncanny passing ability of Bill Williams, the Sigma Nus successfully defended their intramural football championship by thrashing a never-say-die Campus Club team, 25 to 6, last night on the Ad building lawn.

In winning, Sigma Nu team won the first leg in their scramble for this year's intramural high point trophy which they have held for the previous two years. A win this year would give them permanent possession of the large trophy, symbolic of strength in intramurals.

In the first quarter, Bob Mochel rushed in to block an attempted punt by Sig Nu, to set up the Campus Club's first and only score of the game. A few moments later Ralph Mathews faded back and hit Jack Mitchell in the end zone to put the Sig Nu's behind for the only time this year.

At this stage in the game, Williams took over, intercepting a Campus Club pass on his own 20-yard line and racing the ball to the midfield stripe. He then lived up to all of his previous notices by passing his team into Campus Club territory and hitting big Norm Farnham for the first of four Sigma Nu scores.

Campus Club gambles

Immediately after the kickoff, Campus Club gambled on a first down pass deep in their own territory, only to have Bill Gartin pull it out of the air on the 20-yard line. Sigma Nu scored from there in one play when Williams passed to Gartin for the score. Score at halftime: Sigma Nu 13; Campus Club 6.

Campus Club kicked off to open the second half and stopped receiver Bob O'Connor down on the Sigma Nu 10-yard line. After two attempts on the ground, Williams passed to end Jeff Overholser, who lugged the leather to the opponents' 30-yard line. From there it was a matter of time before Gartin again pulled down another Williams heave to score. Tally: 19 to 7.

The final tally came late in the fourth canto when the Sigma Nus recovered a blocked punt in midfield. Four straight plays brought the victors to within striking distance, from where Williams capped his stellar performance for the afternoon by pitching a perfect strike to Overholser. Score: 25 to 7.

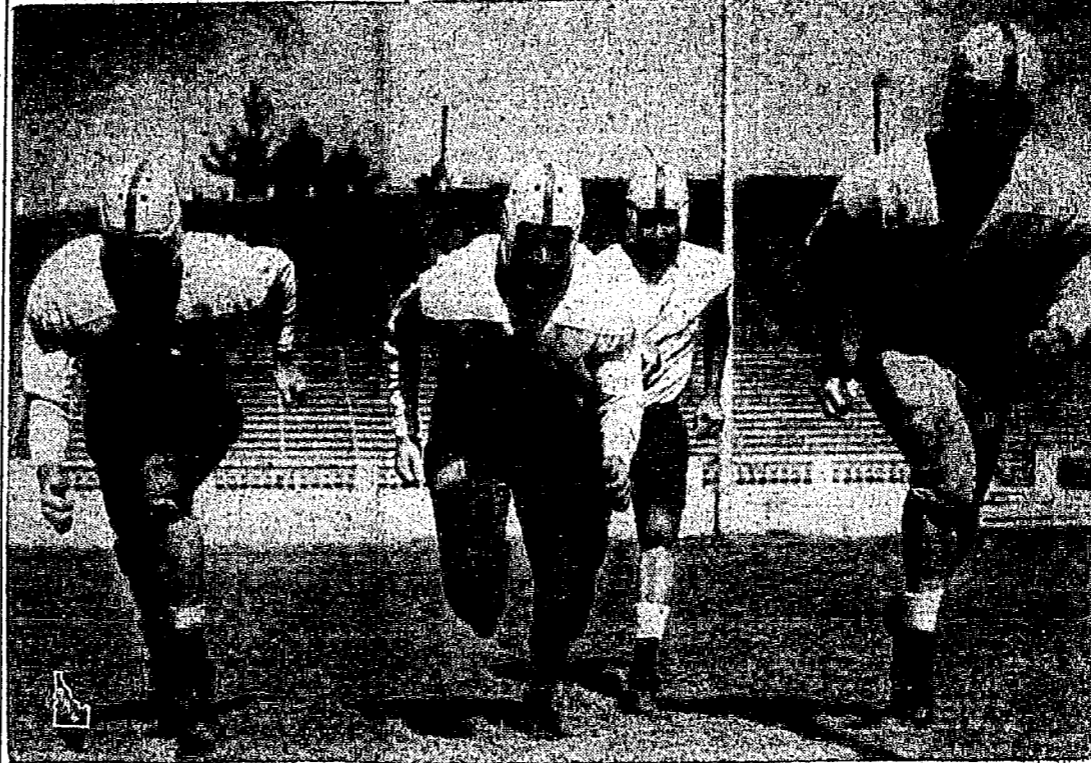

The contest ended with the Campus Club staging a long drive that was stopped by the final gun. Final standings and points in the Fraternity League:

Team	Points
SN	200
SC	190
KS	180
DC	170
ATO	160
SAE	150
PGD	140
BTP	130
DTD	120
FDT	100
TKE	95
LDS	90

The Independent leagues have three remaining games to play, and these will be run off Monday afternoon. Following these games, a final total of all the leagues' teams and points will be given, along with the all-star team choices.

**DALBERG APPOINTED MGR.**  
Donald "Butch" Dalberg will act as basketball manager this year according to appointment by the executive board Tuesday evening.

## Spartan Backfield

San Jose State will throw this combination in the form of a T formation against the Vandals tomorrow afternoon at Neale stadium. The Spartans have played three games—winning from Williamette, losing to Hardin-Simmons, and tying the Honolulu all-stars. Players from left to right are: Robinson, Denevi, Nomura and Minini.

## Dyrgall Proves Himself Great Distance Man

Vic Dyrgall, whose flying feet have left many a distance runner behind and who holds Idaho's two-mile track record with a time of 9:20, had to choose between baseball and track at the high school in Queens, N. Y., that he attended. Later, he developed into one of the best distance men in the country.

Vic, veteran of 43 months in the army, spent 26 months stationed in Iceland. While there, he kept in trim, practicing in spite of the cold. The atmosphere must have been to his liking for he bettered his own time for the 5,000-meter established in the Senior National Championships at New York previously.

After being discharged in March, 1945, Vic had only three months to get in shape for some distance meets in which he wanted to run. That summer, he won the Senior Metropolitan 6-mile run in New York with a fast time of 30:57 compared to the American record of 30:24. He also placed first in the Senior National

## Swimming Club Sets Membership Rules

All old members interested in retaining their membership in Hell Divers should attend a meeting in Memorial gymnasium at 7:30 next Monday evening, or if they cannot be present, contact John Mattmiller at Alpha Tau Omega, Mattmiller, club president, said last night. The tryouts for new members are scheduled for 7:30 p.m. Monday, October 28 in the gymnasium.

"Members missing two consecutive meetings, unless excused, will automatically forfeit their membership. However, they may be voted back into the club by other members if the situation warrants such proceedings," Mattmiller added.

After the initiation of new members, plans will be made for splash-parties, guest nights, and other activities to be held throughout the year.

After the initiation of new members, plans will be made for splash-parties, guest nights, and other activities to be held throughout the year.
