

All or nothing at all should be the motto of the beard-growers of Moscow. What I mean is... they should either decide to grow them or not—as the situation now stands, only a few of the hardier characters have been unshorn continuously since the idea was inaugurated some time ago.

Some claim that their Gem pictures have not yet been taken; others plead a special date as the excuse for no whiskers; and then there are those who said the beards drove them nuts. Whatever the reason, Jason believes that the students should make up their minds about the shaving problem.

If they don't get uniform on the idea, many of the visiting dads next week will wonder if we've started another House of David on the campus.

Remember
After its first big splash, the Peabody report has been relegated a place in the back of many students' minds. However, Jason believes that we should remember what is to us the highlight of the whole report.

President J. E. Buchanan summed it up when he said, "the primary point for all University of Idaho people to keep in mind... is that the Peabody Report boldly and plainly states that in spite of past inadequate support the university is an outstanding institution."

Proof of this is given in the fact that, as measured by the standards of the North Central Association, it would rank in the highest 10 per cent of accredited institutions. Jason believes that students and faculty should remember this—Dad's day will bring a good opportunity to publicize the commendable things about the university.

Ag's Choose Date For Annual Costume Hoedown

Tradition will play an important part in the staging of the annual Ag ball to be held Saturday evening, November 16, at 9 p. m. in the student union ballroom, announced Rex Ottley, Ag club president.

Traditional farmer and "farnette" costumes will be in style, a prize for the most appropriately dressed couple to be awarded at intermission. As at past Ag balls, corn stalks, bales of straw and pumpkins will add to the rural atmosphere of the event.

The time-honored rivalry between agricultural and law departments will become heated if the future barristers attempt to "crash" the ball attired in top hats and evening dress, according to expectations. According to Ag club members, however, the law may be easily detected "because of their frailty and typical mannerisms."

Tickets for the ball are \$1.50 per couple and are on sale at the various men's living houses. Committees include: publicity, Norman Holen, Seth Jenkins and John Bretz; decorations, Calvin Crandall, Herman Joachim, Fred Beckman and Joe Hopper.

Board Sponsoring Dance Tonight

An all-campus dance in the ballroom of the student union building will be sponsored tonight by the student activities board, reported Jack Gray, chairman. Admission is 75 cents a couple. Bob Olsen's six-piece band will furnish music for dancing from 9 to 12 p. m. A new public address system recently installed is expected to facilitate dancing in both ballrooms. Music from the dance will be broadcast over KUOI.

Assisting Gray will be Zelva Hodge, publicity chairman, and John Daley, in charge of general arrangements.

Gray stated that the board plans to schedule these dances every Friday night with the exception of those nights when other all-campus events are held. Before the war these dances were held every Friday and Saturday night and large numbers of the student body attended. The board feels that an increased number of students this year warrants the resuming of this practice for at least one night of the week-end.

A poll of campus opinion taken last spring found the students questioned definitely in favor of such entertainment.

Sadie Hawkins Will Chase Man On Annual Dad's Day

The Sadie Hawkins race will be run during the halftime of the Portland-Idaho game Saturday, November 16, Carl Neiwrth, Dad's Day chairman, announced yesterday. Twenty-four women will attempt to get their man on that day.

John Reid has been named chairman of the Sadie Hawkins race with Pat Green, Florence Kollmeyer, Jean Hofmann and Floyd Sage acting on his committee. Jim Spoerhase is to be the official "Marryin' Sam."

Each women's group on the campus will furnish two "Sadies" for the event, while each men's group furnishes one "Abner." Competition will be keen with 24 women chasing 19 men.

Five awards are to be presented during the half-time of the game, Nancy Griggs, awards chairman, has announced. An electric razor awaits the owner of the longest whiskers. Two cartons of Chesterfields each will be presented to the possessors of the most distinctive beard and the most unique beard.

A trophy will be given to the house having the Dad who has traveled the farthest distance to reach Idaho campus. Another trophy will be given to the house having the most Dads present. This is to be figured on a percentage basis.

Rally Planned
A rally to be held Friday night will be followed by an all-campus mixer at the student union ballroom. Bob Olsen's band will furnish music for dancing.

Judging of beards will be done during intermission by Ethel Jane Koppelman, AWS president, Miss Ruth Erickson and Mrs. B. J. Howley, faculty members. At that time the winners of the prizes to be presented at the half-time of the game will be chosen.

Open House
Following the game Saturday, each living group is asked to hold open house for visiting dads. Saturday night, the annual Ag Ball will be held in the ballroom of the student union building featuring the Gentlemen of Note. Levis and plaid shirts will be the mode of dress and dancing will start at 9 o'clock. Admission is \$1.50 a couple.
All houses and halls are asked to display a banner or poster by Friday morning to aid in welcoming all dads to the campus.

WAA To Pick New Officers Soon

Election of officers for WAA will be held at the first general meeting of the group Wednesday at 5 p. m. in the Women's gymnasium.

WAA executive board has nominated the following for office: Nola Whybark, basketball; Jane Coleman, softball; Maxine Bjorkland, swimming; Vivian Johnson, badminton; Anne Ruckman, horse shoe; Margaret Madison, archery; Eve Smith, reporter. Other nominations for these offices may be made from the floor at the next meeting.

A complete list of WAA members for 1946-47 has been compiled. Women students who have transferred from other schools may present previously earned WAA points for membership, and may also transfer their membership. Rifle practice begins Monday and will be held from 1 to 2 p. m. in the Men's gymnasium on Monday, Wednesday, Thursday, and Friday under the direction of Sgt. J. D. Morgan. Four leisure points for every hour of practice will be given to those participating. All women are eligible and may sign up with WAA representatives in each living group. Later a team will be chosen from those turning out. Shooting matches will be held with the men's Rifle club.

STUDENTS

All married couples and students living off campus may have Gem pictures taken at Serner's studio starting Saturday and continuing through Friday from 9:30 a. m. to 5 p. m.; or at Hutchison's studio starting Tuesday, Nov. 12, through Nov. 15 from 10 a. m. to 5 p. m. Nov. 15 is deadline for all Gem pictures to be taken, unless otherwise notified.

'After Dark' To Be Theme Of Pep Band Show

First preparations for next semester's pep band show were made public yesterday when "After Dark" was announced as the program's theme by band director Jack Furey and Sennet Taylor, business manager. Formerly a campus tradition, the presentation this spring will be the organization's first in the past four years.

According to Furey and Taylor, attempts are being made to make the show one which will "top all previous productions." Band members selected the theme after plans for the production were suggested to them on their recent northern Idaho tour.

Furey stated further that the music department is being asked to contribute material and that any student may submit original music, skits, or other material. Students interested in participating in the production should contact the director.

Male Chorus Also Participates
Variations of happenings "after dark" will carry out the theme. Based around the pep band augmented with string instruments, a chorus of 45 male voices soon to be selected will also appear on the program.

The services of Gay Jones, Seattle composer and arranger, have been secured to handle several of the instrumental arrangements. An attempt to secure Dave Stidolph, former university student, as continuity writer is also being made with Don Schirmer of the McPhail School of Music at Minneapolis and with Robert N. Sledge, former member of the university. (Cont. on page 2, col. 7)

Carl Neiwrth, chairman of Dad's day, points to the scheduled date of the event on a calendar. He and his committees are working on arrangements for the day, to be held November 16.

Chamber Selects New Directors; Legislator Speaks

A board of directors for the business school's Chamber of Commerce were elected during the Wednesday evening meeting at which State Senator, William C. Moore spoke on businessmen and labor leaders.

Men chosen for the positions were Ed English, vice president; Bob Adams, secretary; Jim Torgerson, treasurer; Tom Driscoll, publicity chairman; Ken Harding, personnel chairman; Kenneth Newman, education and information chairman; Dave Weeks, program chairman; and Garth Hadcock, liaison chairman.

During his speech, Senator Moore pointed out that courtesy, tact, quickness of mind and physical stamina were characteristics he considered essential to the good businessman or personnel worker. Encouraging the audience's possible interest in labor relations work, the speaker spoke of high salaries in the field. From experience as a labor conciliator, he mentioned the entrance of personalities into business and labor conferences.

Chess Club Holds Officer Election

An election of officers to serve for the remainder of the year was held Sunday by members of the Chess club. Elected to the office of president was Hugh Pettis, a former champion of Galveston, Texas. Mr. Pettis is a transfer from the University of Chicago.

Katusha Chrisman was elected secretary-treasurer and Ed Greef secured the position of general manager.

Meetings will be held every Sunday at 2:30 p. m. in the upstairs lounge of the Student Union building. Everyone interested in the game is asked to come, and it is possible that classes will be given for beginners.

Anyone possessing an old chess set or knowing where one might be found is asked to notify Ed Greef at the Delta Chi house.

Six Men Pledge Phi Eta Sigma

Six men with 3.5 grade averages for their first semester or year in school were pledged to Phi Eta Sigma, freshman men's scholastic honorary on Wednesday.

They are John Kelly, Robert Burns, Dean Dimick, Theodore Deobold, Calvin Morrison, and John Menge.

Dr. E. T. Graue, chapter advisor, spoke to the pledges on the purposes and functions of the fraternity.

ZoBell Reveals 16 Members Of Class Election Board

Alpha Phis Take Top Honors In Tournament

Alpha Phi women won top honors in the women's intramural debate tourney when their four freshman speakers sailed through the entire tourney with no defeats and copped final laurels after defeating Forney hall, runner-up, Wednesday evening. The annual contest, sponsored by Delta Sigma Rho, forensic honorary, terminates after more than two weeks in operation, and the winning house will be presented a trophy.

Members of the winning team were Joyce Taylor and Ramona Harris, affirmative; and Ravola Ritchie and Betty Bellare, negative. The runner-up team from Forney hall were Donna Lou Taylor and Lolita Chetwood, affirmative; and Isabel Thalen and Shirley Jacobsen, negative.

Judges throughout the event were Dr. A. E. Whitehead, Mrs. Betty Jo Howley, Miss Alice Armfield, H. C. Hartmworth, W. J. Chamberlain, H. E. Packenham, Rev. Neale Nelson, W. E. Folz, C. I. Dohler, Miss Lorraine Tobolsky and C. L. Woodward.

Debates were on the question: "Resolved: That the Federal government should revise its labor legislature to provide control over strikes and individual disputes." Dr. A. E. Whitehead is the debate coach and Eleanor Andrew and Joyce McMahon were in charge of the tournament.

Other Debtors

Others debating were Barbara Knapp, Evelyn Young, Emmalyn Ball, Ellen Warren, Eileen Brewster and Verda Mylander, Alpha Chi Omega. For Delta Delta Delta were Pat Clark, Betty Batts, Laura McVicker, Florence Kollmeyer and Virginia Kahout; Delta Gamma; Beverly Gordon, Pat Barnes, Georgia Burgess and Sue Beardsley; Gamma Phi Beta; Jo Anne. (Continued on page 4, col. 3)

Ski Club Wants Big Class of Beginners

Students interested in joining the university Ski club are invited to attend meetings which are being held each Thursday night at 7:15 in the Science hall, according to Jack Numbers, who is acting as chairman of the club prior to election of officers.

Numbers announced that beginners especially are urged to attend as there will be instructors for them. Groups are now clearing off the ski runs and cleaning the lodge on Moscow mountain.

KNOW YOUR UNIVERSITY—Students Complete Paying For Memorial Gym Soon

By DICK EIMERS
Allow me to digress a moment to explain that unless you do something about it in the very near future, you the Associated Students are going to have some money lying around in some old bank doing nothing but collecting interest and dust.

This situation arises through the fact that on next April Fools' Day the last payment of the Memorial gymnasium will be made. You did know didn't you, that \$5 of the registration fee you hand over at the start of every semester went into the pool to pay for the gym? The original bond issue was made in 1927 for \$225,000. Payment on this issue was made until 1935 when a lower interest rate was made available and the unpaid balance was refinanced for \$190,000. This is the sum which will have been paid off by April 1, 1947.

Survey Made
Those of you here last year will remember the elaborate survey conducted to determine the attitude of the students toward the construction of a new student

Flies Fly Freely

That "No Flies in Idaho" poster outside the entomology door now bears the inscription "More Flies in Idaho" due to an unfortunate incident occurring in that department early this week.

The trouble began when Jerry Chapman, Twin Falls entomology graduate student, went away in the evening leaving one of the openings of his fly breeding pens slightly ajar. The next morning Chapman returned to find the laboratory swarming with flies which had escaped through the tiny opening.

He stopped the hole and spent the morning hunting down his insect pets. University entomologists have threatened to invade the room with an aerosol bomb. The poster was changed by entomology students.

Withdrawals Rate Low In Total Enrollment

Despite crowded classrooms and living quarters, the university is experiencing a low withdrawal rate. President J. E. Buchanan announced today. Withdrawals have totaled only 2.3 percent compared with 3.1 percent at this time last year.

Of the university's record-breaking enrollment this fall of 3,458, more than 2,100 are veterans.

"The low withdrawal rate speaks well for the men who exchanged a gun for a college textbook," said President Buchanan. "They are earnest in their desire to obtain an education no matter how many years it has been delayed, are sticking to the job."

Applications are already coming to the registrar's office for enrollment next fall. Enrollment for the second semester this year, starting in February, is expected to total 3,700.

More Can Register
Completion of Pine Hall, the new emergency dormitory for men, with a capacity of 386, plus the fact that many students normally complete their college work at mid-year and drop out, makes it possible for the university to accept more students this second semester. Housing conditions for women students still are critical and the university is not able to house all the women students who desire to attend.

In assigning quarters to new students for the second semester, priority will be given to those who had permits to register last fall but could not find a place to live.

4-H Club Selects Year's Officers

Marion Morgenson was elected president of the 4-H Club at a meeting held in the upstairs ballroom of the Student Union building Monday night. Other officers chosen were Cecil Aldaffer, vice president; Betty Hooper, secretary; and Wilma Joyce Hartman, treasurer. The outgoing president is Eleanor Andrew.

Mr. T. T. Martin, State 4-H Club leader of Missouri, spoke to the group on "Leadership," presenting the fundamentals for club leadership based on facts gathered through extension department surveys.

The next meeting will be held Tuesday in the Student Union building.

WAA Urges Women To Play Soccer

Class soccer teams for WAA will be chosen from among the eligible women next week to compete in the tournament to be held from Nov. 11 through Nov. 14.

In order to be eligible to participate in the tournament, university women must take a physical exam at the infirmary. It is also necessary that they take part in eight practices, the last of which is to be held Nov. 7.

Polls To Open Wednesday For Year's First Vote

Class elections, late this year in the absence of a certified list of student enrollment, assumed prominence again yesterday with the announcement of selection of the election board by election committee chairman Rex ZoBell. Under the board's direction, voting will begin Wednesday at 9 a. m. at the two polls which close promptly at 4 p. m., ZoBell reported.

Soprano

Miss Dorothy Maynor, well known soprano, will be the first artist presented in the Moscow-Pullman community concert series this year when she will give a concert tonight in Memorial gymnasium.

Students To Hear Dorothy Maynor

Tonight at 8 o'clock Idaho and WSC studentbodies with Moscow and Pullman townspeople will be the audience of Miss Dorothy Maynor, soprano, in the first of a series of programs sponsored by the Moscow-Pullman community concert association.

The program for the evening includes selections composed by DeFalla, Nin, Mendelssohn, Hugo Wolf, Dvork, Tschalkowsky, Debussy, Duparc, Piere, and Karol Rathaus. A cycle of six Slavic folksongs arranged by George Schick will be sung by Miss Maynor.

Ludwig Bergmann will assist at the piano. Lisa Arla from the well-known opera, "The Queen of Spades," by Tschalkowsky which will be sung in English by Miss Maynor, dramatizes love, emotion and death.

Spirituals Featured
A group of negro spirituals arranged by Dett and Wolf will be included in Miss Maynor's program. They are "I'm a Trav'ling to the Grave," "What Kind of Shoes" and "Go On, Brother."

Doors will open at 6:30 p. m. and ASUI books or tickets possessed by veterans' wives will be the only media of admission for tonight's performance. The advanced ticket sale has been completed and the capacity for Memorial gymnasium, where the concert will be held, is filled.

Miss Maynor will arrive in Moscow at noon today.

Berry Will Confer

Dr. Ray M. Berry, professor of secondary education, will represent the school of education at the curriculum conference to be held November 9 in Boise.

The conference, sponsored by the Northwest Curriculum Society, will feature Dr. Caswell from Columbia university. The meeting will be attended by public school superintendents and special supervisors concerned with both the elementary and secondary school curriculums.

AED Will See Films

At a dinner meeting November 6, Alpha Epsilon Delta, pre-med honorary, completed plans to show films of surgical operations to all pre-med students at the university. The pictures will be shown Dec. 4 in the Science hall.

Selected after qualifying under the recent examination, the board will be headed by Helen Moulton as chairman. Miss Moulton, who received the highest mark in the quiz prepared by ZoBell and the election committee, is assisted by Bobby Jean Douglas as vice chairman.

Polls will be erected in the north end of the Administration building and in the lounge of the Student Union building. ZoBell cautioned students to vote early as 4 p. m. is considered by the committee as a definite deadline.

The 16 board members will supervise at the polls voting activity which includes checking ASUI books and class lists, as well as counting votes during the evening.

Chosen As Board Members

Students named to serve in the capacity as a result of determination by the exam are Marge Spring, Morgan Tovey, Martha Rigby, Eleanor Paulson, Rosemary Rees, Phyllis Whitsell, Jeanetta Harrison, Laura McVicker, Patty Robinson, Robert Jonas, Virginia Geddies, Frank Nuffer, Sue Beardsley and Pat Colvard. The four alternates are Douglas Kramer, Donna Mae Rae, Dean Foley and Jacquelyn Yenior.

Supervision of ballot counting is done by ZoBell and his committee composed of Vivian McLaughlin and Ethel Tunley.

In order to vote, students must present ASUI books signed by the individual who is voting.

Nominations for the class slate were made recently by both parties. A vacancy in the United Students' Party lineup was filled last week when the party caucus selected Bob Worthington, Tau Kappa Epsilon, as their nominee for freshman class president.

Campaign managers for both political factions have advanced no official election predictions and there has been very little drum beating on either side.

University Urges Good Attendance

"College work as usual on the days before and the days immediately following vacations, was the decision of the academic council," announced President J. E. Buchanan Thursday. This decision came from a reconsideration of Thanksgiving and Christmas vacation policy at the council's last meeting.

"The university calendar was set up to provide for a one-day holiday on Thanksgiving and the academic council decided to follow that schedule," the president indicated. "Students are here for an education; it is the instructor's responsibility to meet regularly scheduled classes and the student's responsibility to attend them."

"The academic council also voted to suspend for this year the 10-point cut rule, which provided an automatic 10 percent cut in grade for "unauthorized and unexcused absences immediately before or following vacations." Future fate of this rule will be left to the university faculty, which will consider it at its next meeting, the President added.

"The deans decided that all instructors will be expected to hold regularly scheduled classes on the days before and the days immediately after vacation—both at Thanksgiving and Christmas," the president announced. "Students can not expect special consideration if they are absent or that instructors will provide special make-up work."

Texts Vs. Profs

The dearth of textbooks at many U. S. colleges spotlights the incongruity of an almost religious dependence on the text in some courses.

Two systems seem to be used: One sets up a text as the best in the field and thereafter uses it as the written law; the other declares that the book might possibly be wrong, but since something must be accepted as the final work (this is hard on both the ignorant man and the philosopher) it follows through as under the first scheme.

Right and wrong, good and bad, theory and practice exist in varied shades. An experienced, intelligent instructor can do much to dress the drab bones of the text with what is otherwise discoverable only through faltering experience.

If textbooks are actually indispensable and good ones are not to be found, perhaps the libraries could be exploited. But for our money, the instructor's convictions and his reasons for them are much more valuable than any text.

Deadline Given NRO Prospects

December 17 will be the last day for all high school seniors and graduates between the ages of 17 and 21 years to file application for entrance into the NROTC program.

Those passing the examinations will be able to apply for admission to any one of the 52 universities having the program.

Those passing the examinations will be able to apply for admission to any one of the 52 universities having the program.

Information can be procured at any of the universities, at any high school in the United States, or at

"TAKE FIVE"

By CLARK CHANDLER

Many questions have been asked about the provisions of the National Service Life Insurance Act and how the new changes will affect present policyholders. Any insurance is detailed and comprehensive by necessity and for this reason there are many questions in a person's mind when he begins to think of N. S. L. Insurance. For instance, it was necessary at one time to reinstate lapsed insurance policies within six months from the date of discharge.

The new law reads: a policy may now be reinstated "... within six months after lapse or six months after August 1, 1946, WHICHEVER is later, by a comparative health statement, written application, and payment of two monthly premiums."

National Service Life Insurance premiums may be paid monthly, quarterly, semi-annually or annually. All premiums paid on a quarterly, semi-annual or annual basis receive the benefit of a 3 per cent discount. Veterans residing in the Northwest should mail their premiums to Collections Division, Veterans Administration, Branch Office No. 11, Exchange Building, Seattle 4, Washington, with special attention given to the following points: (1) Write the "N" or "V" number on all items of correspondence, if known. (This includes checks and money orders); (2) be certain full name, military serial number, and correct address is written plainly on all correspondence; (3) make all personal checks or money orders out payable to the Treasurer of the U. S., and send no currency or cash through the mail.

Under N. S. L. I., the insured may designate as beneficiary any person or persons, firm, corporation, or other legal entity, including his estate. The insured may change his beneficiary or beneficiaries at any time and as many times as he wishes without the consent of the beneficiaries. A change in beneficiary to be effective must be made by notice in writing signed by the insured and forwarded to the VA by the insured or his agent.

Crew Brings Set To Completion

Twenty stage crew workers are bringing the set for Miss Jean Collette's November 22-23 production of "I Remember Mama" to completion.

E. M. Chamberlain has designed the backgrounds and is preparing all special painting effects on the set, Miss Collette said. Chamberlain is an art major from Minneapolis whose paintings have brought as high as \$100.

The main action of "I Remember Mama" takes place in a realistically designed kitchen, set center stage on a platform. Above its roof, windows of a second story and an attic can be seen and beyond them an impression of San Francisco's hilly streets and crowded houses are boldly painted on the backdrop.

The scene changes 22 times during the play—to parks, bedrooms, hospital halls, and drugstores. Impressionistic scenes are set before the main set for these changes.

In addition, a stylistic use of lights assist in establishing locale as well as mood.

Don Swinney is technical manager, and Ruth Fisk is stage manager.

INFIRMARY

Dorothy Freeman, Edna Goodall, Lillian Aitken, Mary Lou Snook, Marjorie Dean, Catherine Armstrong, Carolyn Phillips, Laurence Remaklus, Dean Smith, Jean Cornwall, James Dechambeau, Donald Utter, John Bonman, Jerry Dyer.

Veterans Administration conducts the biggest mutual insurance system in the world. Within the last six years, it has written more than 18,000,000 national service life insurance policies.

Walters Reports On Church Goal

According to Dr. O. LeRoy Walter, director of the state appeal, the preliminary reports for the Idaho Institute of Christian Education on the Moscow canvass proved to be very encouraging.

The preliminary figures, which showed a total of \$7,600 raised from 27 contributors, also proved to be very pleasing to Dean S. Jeffers, who is directing the appeal in Moscow and Latah county. About half this amount was in cash, the balance in pledges. The average of the gifts so far is \$280, which included several contributions of \$500 to \$1,000.

An extensive report was hoped to be obtained by Sunday from the canvassers, who had over 200 prospects yet to contact. They have been asked to report their totals to Dean Jeffers at the Methodist church office between 4 and 5:30 p. m. Sunday.

In order to have Moscow raise its share of the \$75,000 goal set for Latah county, Dr. Walter confirmed the belief that the city needs a large number of smaller contributions in addition to large gifts already received or promised in order to obtain the purpose. Both Dr. Walter and Dean Jeffers indicated that most of the prospects were yet to be seen.

A sum of \$175,000 to be raised for a co-operative Christian student center adjacent to the campus is the object of a series of appeals throughout the state. Moscow's campaign is the first of these series.

Only 4.2 per cent of the eligible veteran population in the northwest have made application to the Veterans Administration for loan guaranty.

VETERANS

All new veteran students or veterans returning to school for the first time since their release from the service and whose names begin with A to D inclusive, should call at the registrar's office to check on their military credits.

HONORARY PLEDGES EIGHT

Phi Alpha Delta, law honorary, pledged eight men at a meeting held Oct. 31. They are: William Barrett, Richard Riordan, Peter Kalamarides, Allen Foster, Clarence Hamilton, Harold Forbush, John Gunn, and Albert Kiser.

Only one per cent of applications received by the Veterans Administration from northwest veterans for loan guaranty have been denied.

Here's More About AFTER DARK

Harwell May Return

Expected to return to the campus at the semester is George Harwell, well-known student musician who would handle musical arrangements for the show.

Don Swinney, graduate student now acting as technical advisor with the dramatics department, will handle sets and staging.

Students working on plans for the program also praised the band's advisor, E. J. Marty, for his contributions in preparing the show.

Society News Cops Top Billing For Past Week

Exchanges and firesides were in the limelight again this week though preparations for forthcoming pledge dances and Dad's Day continue.

Phi Beta Phi
An exchange was held Wednesday night with LDS. Ridenbaugh Hall.
A dance exchange was held Wednesday with Lindley hall.
A hay ride is scheduled for Friday evening.
Tau Mem Aleph
Plans to help revive Tau Mem Aleph, men's off-campus fraternity at WSC and Lewiston Normal school were discussed at Monday's meeting of the local chapter in the Blue Bucket Inn.
The group's advisor, Forrest Reinhardt, welcomed new pledges with a survey of TMA's forthcoming social, intramural, and political activities.
An exchange with Delta Tau Gamma was held following the meeting. All town men are cordially invited to attend the next meeting of the group at 7:15 p.m. on Monday at the Blue Bucket Inn.
Idaho Club
An exchange was held Wednesday night with Alpha Chi Omega.
Plans for a semi-formal dance to be held in January were discussed at a house meeting Monday night.
Phi Delta Theta
Mr. and Mrs. Bill Howard were dinner guests Wednesday evening.
An exchange was held Wednesday evening with pledges of Alpha Phi. The pledge class will give a fireside Friday evening for members and invited guests.
Lindley Hall
A fireside will be held tonight.
Kappa Sigma
Annual pledge dance will be held Saturday night.
A fireside is being planned for Friday evening.
An informal get-together with Phi Gamma Delta Saturday at 2 p.m. will climax their annual football classic.
Kappa Alpha Theta
Alice Marie Hoobing was a dinner guest Wednesday.
An exchange was held Wednesday evening with Sigma Alpha Epsilon.
Delta Gamma
Dinner guests Saturday night

were Dorothy Geersen, Florence and Lucille Cooper, Paula Harrington, Dorothy McNeil, Rosemary Fitzgerald, Barbara Ann Theophilus, Rosemary Harland, Beverly Randall and Verley Takkenen.
A fireside was held Wednesday evening with Phi Gamma Delta.
Beta Theta Pi
Present at a Sweetheart Dinner held Thursday evening were Shirley Knox, Frances Rhea, Lois Hart, Beverly Simon, Naomi Hobza and Pat Federson.
Sigma Alpha Epsilon
Bill Hoops of Twin Falls has been a house guest during the past week.
An exchange was held Wednesday night with Kappa Alpha Theta.
Alpha Chi Omega
Sunday evening the Moscow alumnae served a buffet supper for members at the chapter house.
Forney Hall
An exchange was held Wednesday night with Willis Sweet hall.
Saturday night the dining room will be transformed into a Peppermint Palace for the first formal dance of the year. The chaperones will be Mrs. Katherine Chrisman, Mr. and Mrs. Frank Jacobs, Mrs. Key Belnap and Mr. and Mrs. Darryl Engle.
Delta Tau Delta
The annual pledge dance will be held Saturday evening beginning at 9 p.m.
Glen Neilson of Nampa was recently pledged to Delta Tau Delta.
Gamma Phi Beta
An exchange was held with Alpha Tau Omega Wednesday night.
Pat Barnes and Dorothy Gale were Thursday dinner guests.
Alpha Phi
An exchange was held with Phi Delta Theta Wednesday.
An informal fireside will be held Saturday evening.
Alpha Tau Omega
A football game with Alpha Chi Omega is scheduled for Saturday afternoon.
Delta Delta Delta
The annual pledge dance was held Saturday night. Chaperones were Mrs. J. E. Gardner, Mrs. C. W. Chenowith, and Dean and Mrs.

Students Support Weekly Church Group Attendance

Fifty-five new members were initiated into the Newman club Tuesday night at the St. Mary's parish hall. Refreshments were served. A business meeting followed, and plans were made for a barn dance in the near future.

The LSA Regional Conference for all Lutheran students from colleges and universities in the Pacific Northwest will be held November 18 and 17 at Lutheran on Coeur d'Alene lake. The Rev. Neale Nelson led the group discussion at Tuesday night's meeting.

A program entitled "The People We Could Be" was presented to Kappa Phi members Tuesday night, with Ruth Anderson as program chairman, and Lois Bailey, Ilene Brewster, Jean Knudsen, Eleanor Steinman, and Raye Adele Tremewan participating. A short devotional was led by Carolyn Cleare and Phyllis LaRue.

There will be a meeting of the group's pledges on Nov. 14 at 5 p.m. in Ridenbaugh hall.

Elect Officers
Members of the Sentinel club met Tuesday night to elect the following officers: president, Bob Loutlen; vice president, Bill Edwards; secretary-treasurer, Shirley Oakley; social chairman, Betty Tellin; editor and inter-church council representative, Nathan Marks.

At the Wesley Foundation meeting
Ralph Farmer.
Lois Brem was in charge of the dance.
Walpa Nu Xi
An informal meeting was held Wednesday night at which Mr. Richard Fraizer was a guest. Singer for the evening was Bob Morback.

John Caple Chosen Club Chairman

John Caple was chosen temporary chairman of the Spanish club at the group's first meeting held Monday. South American music was played as part of the short program.

The constitution and by-laws of the recently formed club have been organized, and plans for another meeting within the next two weeks were discussed. Main objective of this organization, according to Caple, is to bring out the conversation of the Spanish language and to present Spanish customs and ways.

This group, a student club only, is being temporarily supervised by Dr. Arthur S. Howe.

Lewis Conducts Research

Glenn Lewis, University of Idaho graduate from Shelley, is conducting research at the university agricultural experiment station on the plant absorption of phosphate fertilizers used in the irrigation areas of southern Idaho.

The university has been conducting experiments on the use of phosphate fertilizers for many years, and the present research is under a \$1,000 fellowship grant by the Stimplot Fertilizer company of Pocatello.

Lewis, who was raised on an irrigated farm in southern Idaho, returned to his research studies this year after three years in the army. He graduated from the university in June 1945. Last summer he worked on the main experiment station at Moscow, mainly with rotation, management and fertility investigations. His investigations will be conducted in the department of agricultural chemistry and agronomy.

Club Entertains At Reception

Women's Faculty Club entertained approximately 300 faculty instructors and their wives and housemothers of the campus living groups in honor of President and Mrs. J. E. Buchanan with a reception party at the Faculty club Tuesday evening.

Receiving at the door were Dean and Mrs. Allen Janssen and Dean and Mrs. W. J. Brockelbank. Composing the reception line were President and Mrs. Buchanan and Dr. and Mrs. A. E. Whitehead. Mrs. Whitehead is president of the club.

Du Pont Digest
Items of Interest in the Fields of Chemistry, Engineering, Physics, and Biology

Low-Cost Sulfamic Acid Was Result of Newly Discovered Process

Once obscure laboratory chemical now finding wide use in industry

Sulfamic acid, which for years was merely another obscure laboratory chemical, is today being produced in carload quantities for a constantly growing list of uses because of a discovery made by a Du Pont chemist.

Believing that urea could be sulfonated to give a product which might have commercial utility, the chemist treated urea with fuming sulfuric acid. The reaction was exceedingly violent, and it appeared that decomposition had taken place to give ordinary ammonium sulfate. However, the chemist noted that the white precipitate which had formed did not dissolve rapidly in water as ammonium sulfate should, and further investigation proved that he had obtained sulfamic acid.

$$\text{NH}_2\text{CONH}_2 + \text{SO}_3 + \text{H}_2\text{SO}_4 \rightarrow 2\text{NH}_4\text{SO}_4 + \text{CO}_2$$

Thus the way was pointed to an inexpensive method of making this

scarcely known chemical, and an intensive study of its chemical and physical properties has led to its development for a wide variety of industrial uses.

First Industrial Applications
The salts of sulfamic acid are being used extensively as flame-proofing agents. Highly compatible with cellulose, ammonium sulfamate is unique among fire retardants in that it does not cause stiffening or otherwise adversely affect the hand or feel of textiles and paper.

Another outstanding use for ammonium sulfamate is as a weed killer for the control of poison ivy, ragweed, and a variety of noxious annuals. Its effect on poison ivy is unmatched by any other product.

One of the most important industrial applications for sulfamic acid is based on the fact that it reacts quantitatively and very rapidly with nitrous acid. This has led to its wide use in eliminating the excess nitrite employed in diazotization reactions

for dye and colored pigment manufacture.

Soluble in Water and Non-hygroscopic
Sulfamic acid is a strong acid, and despite the fact that it is exceedingly soluble in water, it is a solid non-hygroscopic, non-volatile material which has found application as a laboratory titrimetric standard. Additional information will be found in the bulletin "Sulfamic Acid and Its Salts." Write to 2521 Nemours Bldg., Wilmington, Delaware.

Understandably, men of Du Pont are proud that their work in the laboratory has created and developed many products like this "chemical curiosity" to help make life safer, more pleasant and comfortable for all Americans.

Questions College Men ask about working with Du Pont
IS THERE A FUTURE FOR ME AT DU PONT?
Every effort is made to initially select graduates for a specific job in line with their training and expressed preferences. Men are advanced as rapidly as their capabilities permit and openings occur. The broad research program and the ever-expanding development of new chemical products as well as the growth of old established products offer ample opportunities for the technical graduate to grow in the organization.

Injury-Ridden Vandals Meet Oregon State At Corvallis This Saturday

An injury-plagued 33-man University of Idaho football team entrained here late yesterday afternoon for Corvallis, Ore., and its last 1946 conference game against Oregon State college.

Coach James A. (Babe) Brown's traveling squad listed four centers, five guards, seven tackles, six ends, three quarterbacks, five halfbacks and three fullbacks. Six of the travellers have been on the Vandal injury list all week, but are expected to be in condition for some action against the Beavers.

Centers Jack Dana and Ralph Paasch and Halfbacks John Kivus and Andy Walsh have leg injuries; Fullback Bill Miklich has a broken left hand; and Guard Chet Johnson has a broken finger.

	W	L	T
Idaho	5	14	0
OSC	14	5	0

Idaho's last victory over the Beavers came in 1938 when they won by a 13 to 0 score. The year before, Idaho took the Oregon team by a scant 7 to 6 victory in the dedication game of the newly constructed Neale stadium. In 1939 the Vandals threw a scare into Oregon State while losing a 7 to 6 contest. Idaho hasn't scored a point against the Beavers since 1940.

The Idahoans will arrive in Corvallis Friday morning and work out in the Oregon State stadium Friday afternoon.

Vandals to Pass

Before leaving Brown said the Vandals would rely on their passing attack against Oregon State. He listed Jim Hammond, freshman passing ace, as the probably starting quarterback and said Bill Williams, who completed eight of 16 aerials for 133 yards against Oregon, would be in reserve.

Glen Lynam and Orville Barnes, the team's leading pass receivers, will probably be on the sidelines at the start of the contest, but will be in the Vandal lineup a good portion of the afternoon, especially when Idaho is on the offensive. Idaho's starting backfield will include Hammond, John Christensen, shifty ball carrier and left halfback; Woody DeLorme, speedy right halfback; and Miklich, jarring fullback.

On the line will be Carl Killsgaard, giant freshman end; Merlin Aldred, letterman end; Len Zenkevitch, tackle and one of Idaho's top forward men; Mack Neibaur, freshman tackle; Merrill Barnes, team captain and veteran guard; Grant Potter, starter at guard in every game this fall; and Jack Dana, veteran center who was out of last week's Montana game with injuries.

Travelers Listed
Traveling squad listed by Brown is as follows: Centers: Jack Dana, Ralph Paasch, Ray Saras, Bill Last. Guards: Merrill Barnes, Grant Potter, Chet Johnson, Maurice Rathbun, Julius Domowitz.

ACCURACY

Coach Guy P. Wicks is now making use of a clever device in Memorial gymnasium to sharpen the eyes of his hoopers. He has installed small hoops within the regulation baskets, thus making the squad concentrate more on accuracy—but Wicks plans to remove the rings soon so that players won't lose confidence in their shooting.

Harriers To Race At Pullman Next

Coach Stan Hiserman will take a nine-man cross-country team to Pullman Saturday where they will meet the untested Washington State college team.

The squad, victors over Whitman college last Saturday, will consist of four lettermen. They are Al Denman, Arthur Humphrey, Robert Eyeston, and Ward Stroescheln. Other members are Bill Platts, Elmer Dassens, Thane Johnson, Howard Burkhardt, and Marvin Badger.

Tackles: Len Zenkevitch, Wilford Overgaard, Elmer Buoy, Frank Viro, Richard Nelson, Mack Neibaur, Ed McFoul. Ends: Francis Auer, Carl Killsgaard, Orville Barnes, Merlin Aldred, Glen Lynam, Anthony Peverada.

Halfbacks: John Kivus, John Christensen, Andrew Walsh, Wilford Beltz, Woody DeLorme. Fullbacks: Bill Miklich, Sam Theis, Joe Malta. Quarterbacks: Carl Munson, Jim Hammond, Bill Williams.

Jayvees Working For Cougar Fray

With the second WSC game two weeks away, the Vandal Jayvees are going through tough practice sessions in preparation for their big grudge game against the Cougar Kittens, Steve Belko, coach, announced. The injured Vandal Babes have all fully recovered with the exception of Joe Parls who was injured Wednesday evening in a scrimmage against the varsity.

The Jayvees are working to gain revenge over the 24 to 20 setback they received in their opening game of the season against the Pullman team.

Buchanan Selects Butler As New Boxing Head

Commander K. L. Butler of the University of Idaho Naval ROTC unit was given the temporary appointment of boxing coach today by President J. E. Buchanan, pending formal approval of the Board of Regents.

Commander Butler has had considerable experience coaching boxing teams, both in the Navy and in the CCC's. He has been in the Navy for the last seven years, and has coached teams around the world.

Comdr. K. L. Butler, newly appointed boxing coach, will meet at the boxing room Monday afternoon at 4 o'clock with all students interested in the university ring team.

A graduate of the University of California, he received his own padded ring training under Eddie Niemer, widely known boxing coach of that institution. Fighting as a featherweight in his college days, Butler was a stellar puncher on University of California teams in 1931, 1933 and 1934.

He replaces Louis August as boxing coach at the University of Idaho. August, who brought many boxing championships to the university, resigned last summer after being separated from the Army to enter business in Spokane.

Among the fighters whom Butler will groom for intercollegiate matches are Bill Williams, 145-pound Pacific coast champion, and Laune Erickson, 1941 national 165-pound intercollegiate champion.

Tentatively listed on Idaho's 1946-47 boxing schedule are Gonzaga, Washington State, Oregon State, San Jose State, and the California Aggies. The Vandals will compete in the Pacific Coast conference championships at Sacramento, Calif., on March 12 and 13 and the national intercollegiate at Madison, Wis., March 27, 28 and 29.

Wicks Drills Casaba Men Hard As Opener Nears

With the opening game of basketball season but a mere three weeks away, Coach Guy Wicks' Vandal hoopers have gone into serious training. Every effort has been made to pick the playing combinations and give each ball player an opportunity to show his wares.

Two major changes in the varsity positions have been made, letterman forwards Bob Ryan and Norm Fredekind have been moved back to fill up the guard slots which have been lacking in experienced material so far.

The first casualty of the new season came up Monday night when Dale Dykeman, letterman guard injured his ankle in a fast scrimmage session. This will hurt the squad, as Dykeman, who is one of the outstanding guard prospects, will be unable to see any action for at least a week, Wicks said. Gerald Bourland, six-foot-three-inch forward prospect, who played at Walla Walla air base last season, has been continually hampered by an injured foot and will not be at full strength for

GOLFERS

Students must remove golf bags and equipment from the caddy house this week-end because of dampness.

some time, Wicks added.

Announcement

Coach Wicks has announced that beginning Monday, Nov. 11, the junior varsity will practice three times a week under the direction of Steve Belko, regular junior varsity coach. Also, starting Nov. 29, the junior varsity and those varsity players who do not make the eastern trip will practice each day at 4 o'clock.

At the present time, men working out with the varsity are: Forwards: Fred Quinn, Grant Mortensen, John Evans, Herm Dillard, Gerald Bourland, John Taylor, Dick Geisler, Jim Merrey and Ed Frandsen; Guards: Bill Carbaugh, Jack Wallace, Norm Fredekind, Bob Ryan, Dale Dykeman, Wendell Christensen, Don Robbins, and

Students Attend Sport Dance

Veterans and their families will be guests of honor at an all-campus sport dance to be held Monday evening in the student union ballroom, Bert Dingle, United Students party chairman, announced last night.

Dingle reported that all students will be invited and no admission fee will be charged. In order not to interfere with classwork, the dance has been scheduled for two hours, beginning at 8:30 p.m. and music will be provided through a public address system.

Dick Hoffman; Centers: Jack Phoenix, Jay Gano, George Powell, and Wallace Toeves.
