## Independents Win All But One Office In AWS Elections

### AWS President Gets To Work

Donna Chapman Ridenbaugh, takes over the presidency of the Associated Women Students for the next year. Miss Chapman won the post in the run-off election held Wednesday.

### War Dept. Opens Positions To Ex-Officer Graduates

Believing that many former Army officers now attending college are interested in a military career but have not applied under the current officer procurement program due to their desire to complete their education, the War Department has set forth the means whereby such students, graduating prior to July 15, may submit applications.

Information pertaining to these applications for recommissioning into the Regular Army has been received by the university department of military science.

**Former Officers**  
Applications will be accepted only from male citizens of the United States who served on active duty as commissioned officers in the Army or any component thereof, and were not separated therefrom under other than honorable conditions.

Those desiring to enter the coast artillery corps, cavalry, field artillery, infantry, engineer corps, finance department, ordnance department, quartermaster corps, transportation corps, signal corps, chemical corps, or military police must meet additional requirements.

Besides receiving their college degree before July 15, 1947, they must be 28 years of age as of that date, and have been commissioned into the Army subsequent to July 15, 1944.

Further information may be had at the military department in the Memorial gymnasium.

### Keep Your Campus Clean

To All Students:

Throughout the Northwest the University of Idaho is and always has been noted for its clean and beautiful campus. However, President Buchanan has called to my attention the fact that there is trash of various sorts scattered all over the campus; particularly in and around building entrances.

Here is a portion of the memorandum which President Buchanan sent me:

"In my travels about the campus, it has been observed that there is an unsightly scattering of trash, particularly in the vicinity of building entrances where there usually are trash cans available.

Most of the unsightly trash consists of cigarette stubs, empty cigarette packs, and candy and gum wrappers. The collection of this trash represents an unnecessary operating expense which could easily be eliminated if students and faculty would exercise more care by discarding trash in receptacles provided. If more receptacles are needed, the department of Buildings and Grounds can make them available."

Not only does this carelessness on our part tend to ruin the looks of this campus and raise the operating cost of the University, but it also contributes to an unhealthy situation.

This is our campus and it is our duty that we keep it one that we can be proud of. So, instead of throwing a cigarette stub into the grass, grinding it "into" the sidewalk, or tossing an empty pack into some handy corner, why not carry whatever we have to throw away to the nearest trash can? It'll be only a couple of steps anyway.

NORMAN FREDKIND,  
ASUI President

### Students Ballot To Determine U.N. Policy

Spurs and Intercollegiate Knights will conduct the balloting to be held Tuesday to affirm or reject the resolutions drawn up by the Pacific Northwest College Conference, according to Betty Jean Ingraham, member of the executive committee.

At the meeting held at Reed College, Portland, March 8, the following resolution was approved to be submitted to the United States delegation to the United Nations.

Recommended that the United States delegation to the United Nations support the study of and promote a plan for the evolutionary development of a world government through the United Nations organization, such government to follow the concept of a supranational government on some form of federal and democratic basis capable of providing the following fundamentals to all people:

1. Higher standards of living and economic security.
2. Basic political rights and civil liberties to all people.
3. Eventual abolishment of national military forces.
4. Freedom of travel, communication, and the interchange of ideas.

Ballots will be distributed to each living group Tuesday morning and polling booths will be set up in the Administration building for town students. Miss Ingraham stated that the organization in charge of the polling is trying to turn out a 100 per cent vote.

### Honorary Chooses Region Delegates

Kappa Delta Pi, education honorary, met Tuesday night to select delegates for the regional convention to be held in Ellensburg, Wash., April 12.

Those chosen to attend the convention are Don Singer, Lois Little, Starnier Brighton, Margaret Jane Dempsey, Walter Smith, and Ben Burrety, alternate.

Following the regular business meeting, Warren E. Downing, assistant in the educational workshop, spoke to the society regarding the workshop.

Plans were also made for the local chapter to be represented at the Kappa Delta Pi luncheon during the Inland Empire Educational meeting on April 10 in Spokane.

New members will be received into the society early in May. A picnic for the group will be held May 4.

### Orchestra To Play In Concert Series

Haunting melodies from Mozart, Liszt, Strauss, and Franck will fill the Washington State college auditorium Tuesday, April 1, when Dimitri Mitropoulos and the Minneapolis Symphony Orchestra appears in the last of the Community Concert series.

Gale Mix, graduate manager, asked that Idaho students be reminded that they will be allowed to attend the concert on ASUI tickets.

An attempt is being made to secure bus transportation for Idaho students to Pullman, with buses leaving from the Student Union building and traveling directly to the auditorium at WSC. The price for transportation will be about fifty cents, Mix states.

### Graduates

All graduate students desiring their pictures in the graduate section of the Gem, make appointments to have pictures taken at Hutchison's or Sterners' by 6 p.m. Saturday, March 29.

### Three Idaho Boxers Win

Following is an account of the National Intercollegiate Boxing Championships phoned to the Argonaut by Don Carlson, ASUI news bureau director.

Four University of Idaho Vandal boxers were paired in the semi-finals of the National Intercollegiate Boxing tournament at Madison tonight after four of five Vandals had survived the first day's battles.

Laune Erickson won two fights in the opening day. His afternoon fight was a close decision over Bill Richey of Michigan State. Erickson was forced to fight an extra fight because 10 men were entered in the 165-pound class.

In the evening Erickson pounded out an easy win over Ray Fine of Syracuse university, dropping Fine for a count in the first round and piling up points in the next two. Erickson was fouled several times by Fine in the last two rounds.

**Carlson Impressive**  
In best bout of the day Herb Carlson of Idaho took a decision over tough Stan Whetley of the U. S. Marine Academy. Both slugged it out toe to toe for three rounds with the fans cheering wildly. Carlson was the popular winner.

Bill Williams won easily over Jim Cassidy of Penn State in his evening bout. Bill chased Cassidy all over the ring. Ted Diehl lost a close decision to favorite John Lendenski of Wisconsin. Lendenski was on the defensive in the last round trying to prevent Diehl from landing damaging blows. The Wisconsin boy had a slight edge in the first two rounds and took the decision.

Ray Engberson went into the semi-finals by virtue of a bye.

Washington State college lost two close decisions in the first day's results. Melson at 135 pounds "was not himself" and Vern Dimke lost a close one. Bob Doornink, Cougar heavyweight, drew a bye.

**Tonight's pairings in the semi-finals:** Engberson, Idaho, vs. Humphries, Wisconsin; Williams, Idaho, vs. Hickey, Michigan State; Carlson, Idaho, vs. Brown, California Aggies; Erickson, Idaho, vs. Sweeney, John Carroll.

Erickson started slow in his fight with Richey, but landed staggering blows in the second. He tired in the third, but carried the fight on points.

Carlson landed terrific punches to Wheatley's head and body for three rounds, but was unable to down the scrappy Merchantman who continued to fight back until the end of the bout. The fight was the fastest of the afternoon session.

### Fund Is Approved For Building Student Union

Approval of the Student Union building fund plan by the board of regents was announced at a meeting of the executive board Tuesday night according to Ann Price, secretary.

The plan, submitted to the board of regents by the executive board, calls for a transfer of the \$5 per semester fee now being applied to the Armory and Gymnasium Bond Fund to a fund for a new Student Union building.

Beginning with the 1947-48 academic year, the \$5 fee (\$2 for summer school) paid by students will go into the Student Union fund as the basis for a loan to plan, construct, and equip a new Student Union building.

The board of regents also recommended that any residue left in the armory and gymnasium fund after payment is completed April 1, be retained in the fund for later use.

Miss Price also announced that any proposed amendments to the ASUI constitution should be submitted to the executive board. Amendments are voted on by the student body in the ASUI elections scheduled for May 9.

### Nurses Will Visit To Aid Families

A visiting nurse service has been set up by the university in conjunction with the Red Cross to assist in home nursing care of the many families temporarily living in the community.

Mrs. Beatrice D. Gallagher, R. N., will begin this work Monday. She will help mothers with the home care of babies and the care of members of the family who may be ill.

This service is intended to aid families in the housing units and in other parts of the community with their home nursing problem. The nurse will help in carry out treatment outlined by the physician caring for the family.

### Trailer Dance Sat.

A mixer for all residents of the Trailer Village will be held at the Legion cabin, 3rd and Howard, tomorrow night at 8 p.m. Several musical numbers are planned for the intermission of the sport dance, according to Mrs. E. R. Senter and Mrs. Robert Moldenhaur. Attendance is asked of all residents of Trailer Village.

### Chapman New AWS Chief; Price Wins May Queen

Independent women swept all offices except one in the Associated Women Students' elections Wednesday.

The votes cast by approximately 500 women determined the officers for the coming year. Donna Chapman, who won the office of president from Marian Eisenhauer, is a member of Alpha Lambda Delta, scholastic honorary, a past member of Spurs, and holds a staff position on the Gem of the Mountians.

### May Queen

Ann Price, senior from Hays hall, was selected May Queen and will reign over the May Fete held on Mother's Day. Miss Price defeated Betty Ann Craggs in the run-off elections. Margaret Arnold, who won over Geneva Ferguson, will act as her Maid of Honor, and Myrna Ritchey, who defeated Pamela Harrington, will serve as Page at the annual event.

Other officers chosen are Mary Sue Tovey, secretary, who won over Jeanne Hofmann; and Helen Moulton, treasurer, who defeated Pat Colvard.

Marge Walters was elected vice president at preliminary elections held last week. Bonnie Burnside, the only Greek candidate to win an office, will act as orientation chairman.

**Amendments Reused**  
Several revisions to the amendments of the AWS constitution were voted on at a meeting held March 9, according to Ethel Jane Kopelman, outgoing president.

The election of yell queen was abolished and the selection of point supervisor will also be discontinued. Changes were made in nominating and electing procedures along with other minor corrections.

These revisions have made the constitution more flexible and it will more rapidly apply to any plans made by the organization in the future.

### Hayes Outlines Junior Week

Earl Hayes, chairman, and his assistant, Ruth Valadon, announced the committee chairmen yesterday for Junior Week which will begin with a serenade at 10:30 p.m. April 17.

Publicity chairmen are John Reed and Barbara Bedwell; parade chairmen, Bob Harris and Jean Lindemer; dance chairmen, Ivan Woods and Margaret Arnold; with Bob Eystone and Dewey Hudson in charge of ticket sales.

### Home Ec Province Meets; Elects Eisenhauer Prexy

Marion Eisenhauer was elected president of Province 13 during the home economics college workshop convention held at Ellensburg, Wash., March 21 to 22. Margaret Anderson and Miss Eisenhauer represented the university home economics department at the convention. Delegates included 35 women from schools in Washington, Montana, Idaho, and Oregon.

Informal discussions were held on all fields of home economics, club projects, and summaries of work during the year.

Among the outstanding speakers for the meetings were Gladys Wyckoff, field secretary of the National Home Economics Association; Mary Davies Gillies, interior architectural editor of McCalls magazine; Essie Elliott, national chairman of home economics women in business; and Rebecca Robinson, national chairman of college club department of Home Economics association.

Elena Valyeta, author of a cook book on national Mexican dishes which is being sold as part of home economics club projects, was also present.

### Bureau Offers Examinations

Open competitive examinations for position as draftsmen with the Bureau of Reclamation were announced Wednesday.

Vacancies, with salaries up to \$2384 a year, will be filled from the Northwest states. Applicants must have had experience of three months to three years, varying with the grade of the position. Education may be substituted for part of the experience requirement.

Deadline for filing applications is April 23, 1947. Application blanks can be obtained from the Regional Board of U. S. Civil Service Examiners, Bureau of Reclamation, Box 937, Boise, Idaho.

### Idaho Students Get Forest Work

Opportunities for blister rust control work in the national forests of northern Idaho and western Montana will be present this summer as in previous years, according to H. E. Lattig, Dean of Men. Camps will be located in the national forests and surrounding territory.

The work begins late in May and lasts until the latter part of September. Applications will be accepted from men 18 years of age or older.

A representative from the Bureau of Entomology and Plant Quarantine will be present on the campus during the middle part of April to discuss further the opportunities for employment and the work. An announcement will be made of the time and place of the meeting for those students who are interested.

### LDS To Choose Sweethearts

Two "Sweethearts" of the Lambda Delta Sigma annual Sweetheart formal will be chosen tonight during the dance which will begin at 9 p. m. in the LDS Institute ballroom.

One of the sweethearts will be selected by the single students and one by the married students. Each of the "Sweethearts" will be presented with a sweetheart locket inscribed with the Lambda Delta Sigma insignia.

Music will be provided by The Three Dukes and a Duchess orchestra for the semi-formal dance. A welcome is extended to all members and pledges of Lambda Delta Sigma and other active church members.

### Australia Heard

Radio messages will be sent for students of the university to any part of the world free of charge by the student amateur radio station, "W7UQ." Date of delivery of the message, however, is not guaranteed.

The station recently contacted a "ham" station in New South Wales, Australia, operating on 14 megacycles on the 20 meter phone band, while using 120 watts R. F. power and a long wire antenna.

There was good contact between the two stations and conversation was accomplished with ease.

### Greek Men Say 'Don't Forget Tonite, Tomorrow'

Ivan Woods, general chairman of the annual Interfraternity Ball, announced completion of plans for the semi-formal dance to be held Saturday evening at 9 o'clock in the Student Union ballroom.

"Don't forget tonight tomorrow" will be the theme, and decorations will consist of the coat-of-arms of the different fraternities. Few Pratt and his ten-piece orchestra will provide the music for the dance. Pratt's orchestra is from WSC and has been featured in all the leading dance pavilions of the Northwest, according to Woods.

Committee heads who have been appointed and are completing arrangements for the dance are: programs, Dick Bier; publicity, Boyd Hansen; tickets, Bud Harris; cloak room, Dean Dennison; and decorations, Bob Dahlstrom.

Guests of honor will be President and Mrs. J. E. Buchanan, Dean and Mrs. Allen S. Janssen, Dean and Mrs. H. E. Lattig, Dean Louise Carter, Dr. and Mrs. A. C. Lemon, Mr. and Mrs. James Lyle, Mr. and Mrs. J. A. Brown, Mr. and Mrs. Jack Holland and Dr. Walter Steffens.

Tickets are on sale at all fraternities for \$1.50 per couple.

Phone notices to 4046 before 5 p. m. on Monday and Thursday. Friday: All WAA Gem pictures will be taken at 12:30 p. m. today in the Women's gymnasium. Saturday: The Cosmopolitan club meeting will be held tonight instead of Friday as previously announced. Monday: All men who made a 3.5 grade average or above for the first semester or first year in college meet with officers and members of Phi Eta Sigma, men's scholarship honorary, for prospective pledging at 5 p. m. in the upper lounge of the Student Union Building. Student Activities Board meeting at 4:30 p. m. in the coker room of the Blue Bucket Inn. Gem State Sharpshooters practice in the armory of the Memorial gymnasium. Everyone is welcome.

## Trimball And Haskins Built A Shack; Moscow Was Born

By JOHN DILLON  
Several years after the close of the Civil war two adventurers named Trimball and Haskins built a small "shack" where the city of Moscow now stands. They occupied it a short time and then decided to leave the country.

Ashbury Lieualen, in March 1871, took possession of the shanty. He lived there until he could build a cabin on his homestead, about three miles farther east.

**Early Settlers**  
During the next three years a number of other pioneers settled in the valley. Among them were William Ewing, John and Bart Niemyer, James Deakin, William Taylor, James Howard and his brother Reuben, James Montgomery, Henry McGregor, Thomas Tierney, John Neff, and John Russell. John Neff settled on the tract of land where Moscow is now located.

Nearly all supplies for the settlers came from Lewiston. At the request of his neighbors, Lieualen agreed in May, 1875, to open a store at some convenient point in the settlement. Purchasing a portion of John Neff's land, he erected a little one story building on the west side of what is now Main street.

**Postoffice Moved**  
The Paradise postoffice was moved to Lieualen's store in 1877, and the name was then changed to Moscow. Lieualen was appointed post master. In the store the mail was kept in a shoe box for many years.

The Indians were instrumental in the localization of people in this area. About the time the Paradise postoffice was moved to Moscow, Chief Joseph and his band of Nez Perce Indians went on the war path farther to the south. Fearing the Coeur d'Alene Indians might join Chief Joseph in making raids on the settlements, some thirty settlers built a stockade at Moscow where they lived with their families until the danger was past.

## Law Society Holds Annual Dance

Bench and Bar society of the university law school held their annual dinner and dance Saturday night at the Moscow hotel with acting dean W. J. Brockelbank as guest of honor.

The dinner was highlighted by speeches given by all members present and was followed by a semi-formal dance in the ballroom.

## Dean Is Appointed On Law Committee

William J. Brockelbank, acting dean of the college of law, has been appointed to the committee on comparative law of the American Bar association, it was learned here this week.

The appointment was made in recognition of the work he has done in comparative law during the last 10 years.

Diner—"What's wrong with these eggs?"  
Waitress—"Don't ask me! I only laid the table."

## INFIRMARY

**Patients:**  
Madelyn Sanberg, Eileen Brewster, Joyce Dunn, Helmi Huhtala, Richard Boyle, Ferrell Bell, Mamie Jardine.  
**Discharged:**  
William E. Efferz, Edna Burau.

## Things Are Tough All Over

"What's the matter with these profs? Do they always have to come to their classes? Haven't they got any regard for us poor, suffering students?"

A bewildered young scholar was recently overheard muttering these questions to himself over a cup of black coffee. His brow was furrowed, and as he struggled up the Hello Walk he was scratching his head, looking neither left nor right.

Undoubtedly the sad-eyed student had every right in the world to foster his persecution complex. Other rumors circulating about the campus tend to confirm the fact that this year's university instructors are a serious, punctual group of individuals.

"Last year it was different," stated a moronic-looking chap to a sympathetic Argonaut reporter. "Every so often they'd stay at home with the flu or something. Now they all break their necks getting to class before we can leave. The situation is very discouraging."

As the old saying goes, it's a shame that college has to interfere with one's education. —S.H.G.

## TIPS FOR VETS

By GEORGE

### THREE WORRIES THAT PLAGUE EVERY MAN

ONE is the fear that he will not live long enough to see that his family is cared for. Ordinary life insurance is recognized as the answer to this worry. ANOTHER fear is that he will live "too long" and not have enough to live on. An endowment policy can provide for old age.

The THIRD and perhaps the most frightening fear is that he might become disabled so that he can no longer work.

### EXTRA ADVANTAGES OF N.S.L.I.

The government has also provided for that last contingency in two ways in National Service Life Insurance. The first is a part of every policy without extra charge to the veterans, known as the premium waiver clause. It provides that if you become totally disabled continuously for a six months' period or longer, future premiums will be paid by the Government. No lien will be made against the policy because of premiums waived. In addition, any premium payments made after the established date of disability are refunded.

### TOTAL DISABILITY DEFINED

It is important to remember that total disability as applicable to this clause, is not necessarily the same as that for pension and compensation purposes. For insurance purposes, total disability is defined as any impairment of the mind or body which continuously renders it IMPOSSIBLE for the insured to follow any substantially gainful occupation.

Another clause, known as insurance disability income, may be added to your policy for a small extra premium. A physical examination is required to establish evidence of good health. This rider provides that should you become totally and continuously disabled for a period of six months or more, an income of \$5 per month per \$1,000 of insurance will be paid beginning with the first day of the seventh month and continuing as long as the disability exists. Both disability features are effective until your 60th birthday, but if disability begins before reaching your 60th birthday, the Government will not discontinue the benefits for that reason.

### DISABLED VETS GET INSURANCE

Any veteran who has established a war-incurred or war-aggravated disability (other than total in degree) has the same privilege of buying the disability insurance or reinstating or buying new insurance from now until January 1, 1950, as a veteran in perfect health.

Your VA contact office located at 113 SOUTH MAIN IN MOSCOW can give you more detailed information about your National Service Life Insurance.

## Dear Jason

Dear Jason  
I thought your column last week would be of assistance in helping M-Sgt. Morgan of the ROTC in regaining the lost army trousers. This appeal apparently did not jar the conscience of the fellows known to have possession of the trousers.

For the information of those men, the stolen articles cannot be surveyed, and the supply Sgt. has to bear the expense.

To those men honest enough to return the stolen trousers, Sgt. Morgan is willing to accept delivery at any time and any place. If these pants were to be found at the entrance of the Armory, no questions would be asked and no investigations made.

R. F. McLaughlin  
Ed. Note: Bring them in to the Arg. office and I'll take them back.

"Hello, is this Wasserman?"  
"Yes, it is."  
"Are you positive?"

## Pep Band

Important meeting in the Blue Bucket ballroom Monday at 7:30 p.m. Pictures will be taken so wear uniforms and bring instruments.

**FOUND:** A light, tan Camel topcoat, left at the Varsity cafe about one month ago. Owner may claim at the Varsity.

## Heard . . . Or Seen

Pyro Pete: Delta Tau Delta's own Pete Wilson set two frat brothers, two Kappas, and the Nest afire during the past week. He was later observed reading a pamphlet entitled "How to be an arsonist—the easy way."

**Golden opportunity:** Observed in the library this week was Doug Kramer, Willis Sweet hall, delving into mining journals. Friends stated he is toying with the idea of staking a permanent claim in the Arboretum.

**Question of the week:** Why was Sigma Nu John Evans skulking around in the shadows of Ridenbaugh hall last Tuesday night?  
Clan Plan: Ever since the Gamma Phi dangle rang the Phil Delt's bell in the wee hours last Sunday morning, the Betas have been considering installing a bell in their house.

Some of us are even unluckier: Singing the blues these days is Lou Dunson of Chrisman hall because he can't seem to get dates before 11 o'clock at night.

**Extremely eager:** Marge Coe, Hays hall, set her alarm for 8 o'clock, got up, dressed, ate breakfast, went to class, then realized it was Sunday morning.

**Another Eager Beaver:** John Dillon, SAE, Argonaut reporter, came to the Arg office last Tuesday afternoon to go to work—only six hours after the paper was distributed.

"Did you say that Valentino had a bad case of halitosis?"  
"They pushed him over three times on Hallowe'en."

# DON'T QUOTE ME

By GENE ROSE

In last Friday's Argonaut, your columnist stepped off the end of the dock into some pretty deep water. After holding an informal chat with President Buchanan it seems only proper to retreat as graciously as possible.

Of the subject of the athletic system, you were informed that it would be purely beneficiary if Idaho coaches were sent to the various sections of the state, soliciting and encouraging high school athletes to attend the university.

But did you know . . . that under the Pacific Coast conference rules, university coaches may visit and interview high school athletes in their own schools under three conditions only: (1) to give a talk upon the invitation of the principal or superintendent; (2) to serve as an official at an athletic contest; (3) or when his own team is participating in an athletic contest in such high school.

Even when the coaches are at the school under any of the above conditions, they cannot in any way directly solicit or interview athletes.

See . . . what our athletic system is up against? But action is being taken to correct this situation. The alumni association has been reorganized in seven districts and they are now concentrating their efforts upon President Buchanan's "keep Idaho athletes in Idaho" program.

These men are not employed by the university—therefore they are not subject to the conference rules. They may approach and persuade an athlete to register at the university without fear of having the severe limitations of the conference officials for violations of the rules conferred upon them.

Students also . . . have the complete freedom of encouraging prospective athletes to attend Idaho. This matter has been taken into consideration as a few athletes have been sent to represent Idaho at the larger schools. For example, students such as John Evans or Norm Fredelkind could influence high school boys to attend Vandalville.

adequately describes the athletic system before President Buchanan took over, but your columnist received the president's personal assurance that he will "make hay" if he has anything to say about it.

Buchanan stressed the vital importance of the alumni association within the state. According to him, the alumni are striving to place Idaho graduates in each of the high school coaching positions throughout the state. As a consequence of this plan, a coach would naturally send his outstanding prospects to his alma mater.

There are four . . . factors that the athletic department are aiming their big guns at. If these prove successful, then the whole system is definitely on the upswing. The first of these is the reorganization and strengthening of the physical education department. Our phys ed department has not been up to par in the past and an attractive department here is vital to athletics. If we can make this phase of the system favorable, then high schools will be proud to accept rather than shun our graduating coaches.

Second is the building of a placement service. This department, under the able supervision of Harlow Campbell, will seek to place all Idaho graduates in the Idaho high schools.

Next there are . . . the Vandal Boosters. These are men or organizations who although never attended the university, have a definite interest in the program and have contributed to the general welfare of the new athletic plan.

Finally there is the above mentioned alumni association who probably hold the major hand in the reorganization at the present. With Jim Lyle, secretary of the alumni, at the head, this group has taken major strides in the right direction. If these plans prove successful, it's gonna be different setup from here on out.

## Rifle Team Host To Farragut Sat.

Members of the university ROTC rifle team will play host to the rifle squad from Farragut Tech. Saturday afternoon. The two groups will vie for honors in the regional National Rifle Association Intercollegiate match to be shot in the Armory of Memorial gymnasium.

The day's shooting will consist of a team match between the university team and the Farragut Marksmen and also an individual

## Rifle Club Elects

Elected to offices of the Gem State Sharpshooters, university rifle club, last Monday night were: John Van Ryn, president; Harry Morrison, vice-president; W. R. Driver, secretary; Frank Bruin, treasurer; John Nesbitt, executive officer.

Plans for shooting nights were discussed and it was decided that the range in the Armory in the Memorial gymnasium will be open every Monday and Thursday evenings.

# Baseballers Rounding Into Shape For Opener

## Bremerton First On Schedule

In preparation for an early season game against the Bremerton Blue Jackets of the Western International league at Lewiston, April 2, Coach Guy Wicks has been running the University of Idaho baseball squad through long practice sessions this week.

Fifteen men will journey to Lewiston and the next day approximately 25 will travel to Walla Walla where the Vandals are scheduled to play the Whitman Missionaries and the State penitentiary, Wicks said.

"The squad will be cut down to a workable size by this Saturday," Wicks asserted, then added, "a squad of 25 men will be maintained the entire season."

## Competition Keen

Competition is especially keen for positions at shortstop and third base. There as in every other position, the man who hits the best will get the nod for a starting berth, Wicks declared.

Lettermen pitchers turning out are John Dailey, Francis Auer, and Fred Klunk. Bill Carbaugh was slated to pitch this year, but has been shifted to the outfield by Wicks, as an illness occurred during basketball season has slowed him up considerably.

## Pitchers Out

New pitchers who are looking good are Arnold Beebe, who had an excellent record at Boise Junior College last year, Don Fodrea, John Robinson, and Bob Metzger.

Frank Viro, a 1946 letterman, has been looking good at the catching slot as also has been his hitting.

In the infield there are only two lettermen vying for team positions. Henry Crowley at first base and Ed Bybee at the keystone sack. Other top-notch infielders are Ozzie Kanikkeberg, Cliff and Roland Masingill, George Huffman, Junior Whitcomb, Kenneth Carter, and Everett Scott.

Returning outfielders are Bill Sweet, Bill Ames, and Chuck Couper. Those looming up as good prospects are Bob Ingersoll, Bill Toolson, and John Sicker.

## Hiserman Preparing Men For Initial Meet

The Vandal track team will meet Washington State Cougars, Thursday, April 3, at Pullman in a practice meet. No score will be kept of the meet, but should give track fans a fair idea of what is to come when the conference season opens.

Some 40 men are turning out for track and Coach Stan Hiserman states there will be no cut in the squad. The squad has several freshmen out who will profit greatly with a year's experience.

Ted Lake and John Taylor are the outstanding prospects in the hurdles. The hurdlers are now working on stride, jumping only three hurdles and striding out the remaining distance. Other hurdlers out are LeRoy Beeson and Tom Moore.

## Dash Men

In the 100-yard dash, Dick Armstrong, freshman from Idaho Falls and state high school champ, is number one sprinter. In high school competition Armstrong ran the hundred in ten seconds flat.

Besides Armstrong Idaho will have Glen Bradford, Lew Williams, and Jack Cronkrite competing in the sprints.

Pole vaulter Max Lattig is working on form and recently cleared the 12 foot mark with a foot to spare. Lattig will be a point getter for the squad.

## Weight Tossers

Weightmen on the squad are Dean Lewis, Ed Watkins and Lyle Fagnan. Lewis has put the shot about 45 feet, while Watkins and Fagnan are heaving it in the vicinity of 44 feet. Fagnan is also tossing the javelin 150 feet consistently. Dick Wilcomb threw the javelin 176 feet yesterday in practice.

Distance men are Ward Strochein, Art Humphrey, Marvin Badger, Bob Eyestone and Al Denman. Running in the 880 are Norman Farnham, Marvin Badger, and John Burkhardt. Runners in the 440 are Jese DePalmo, Bill Mathews, and Stephen Brunson.

## Ennis To Lecture On Mining Law

Beginning April 8 a series of lectures on mining law will be given by Paul Ennis, attorney at law, Boise, in the College of Law. The lectures will be given at 2 p.m. but announcement confirming the time and place will be placed on the bulletin board in the Administration building.

## Mural Dope

Alpha Tau Omega padded their way to a 6-4 ping pong victory over Sigma Nu yesterday afternoon, while annexing the fraternity championship. Representing the ATO's were Bill Brewer, Bob Crabtree, and Harry Sablin. On the losing end were Dale Dykman, Bob O'Connor, and Bob Rosentberry. Other play-off games were scheduled but the scores were not available at the time.

In league three, Chrisman hall, team one, and Willis Sweet played to determine first and second places. Chrisman hall, team two, finished on top in league four.

Intramural Horseshoes will start next Monday according to Leon Green, intramural director. Each "barnyard basketball" team will be composed of two singles and one doubles combination players, with two out of three games necessary to win. The winner of each match will receive one point. Substituting will not be allowed after match play has started in a particular series. All games will be played north of the football practice field.

Here is the schedule for Monday, March 31: Beta Theta Pi vs. Phi Delta Theta, court 1; Phi Gamma Delta vs. Delta Chi, court 2; Delta Tau Delta vs. Tau Kappa Epsilon, court 3; Tau Mem Aleph

## Golfers

All men interested in turning out for the golf team are urged to report to Coach Francis L. James at a meeting to be held this afternoon in room 107 of the Memorial Gymnasium.

## Irv Konopka Signs With Boise Pilots

Irvig Konopka, former University of Idaho catcher, has been signed by the Boise Pilots of the Pioneer League, and will report to the Pilot's spring training camp at Prosser, Washington, Sunday.

Konopka, a member of the 1946 Vandals, caught for the Spokane Indians of the Western International league last summer. He was one of the fortunate who escaped fatal injuries in the bus accident in which several Indian players lost their lives last year.

# Students Will Turn Out For Weekend Dances

The semi-formal Interfraternity dance, featuring Ferv Pratt's orchestra, will hold the social spotlight this weekend along with the annual semi-formal L.D.S. "Sweetheart" ball.

An informal costume dance will be featured at Willis Sweet hall Saturday evening, with music furnished by the "Quaternotes." Another costume dance this weekend will be the annual "Shipwreck Party" at the Phi Gamma Delta house.

Forney hall will be the scene of an April Fool's dance Friday evening with Dorothy Wren in charge. Patrons and patronesses will be Mrs. Ord Chrisman, Mr. and Mrs. William Chery and Mr. and Mrs. Joe Garner.

The Sigma Nus are busy planning their upper-classmen's dinner dance. Charles Plastino is in charge of arrangements, assisted by Edward Woodruff, Jack Mallory and Bill McIntyre.

An Easter party for the alumnae and their children will be held Sunday at the Alpha Chi Omega house with Margaret Weber in charge.

The Kappa Kappa Gamma house was the scene of the annual scholarship banquet Wednesday. The scholarship cup for the highest grades in the pledge class was presented to Doty McNeel. Beverly Garrison was awarded the diamond key for making the most improvement since the first nine weeks. Willa Hasbrouck was in charge of the banquet.

**District Convention**  
Beta Zeta chapter of Alpha Phi will be hostess this weekend to the District X convention. Visiting officials will be Kay Ainsworth, state chairman, Montana; Mrs. Helen C. Plumb, state chairman, Washington; Maurine Cherrington, state chairman, Idaho; and Ruth Gardner, district membership chairman.

The convention will be held Friday and a tea will be given honoring the visiting collegiate and alumnae delegates.

Open house for visiting alumnae delegates and all local alumnae will be held Friday evening at the home of President and Mrs. J. E. Buchanan. A fireside will be held at the chapter house for collegiate delegates.

The convention meetings will officially close Saturday evening with a formal banquet at the Moscow hotel honoring Mrs. Jesse Buchanan, a charter member of Beta Zeta chapter.

Collegiate delegates from the University of Washington, University of Oregon, University of Montana, University of British Columbia and Washington State college will be guests at the chapter house over the weekend.

**Dinner Guests**  
Idaho club entertained Pat Downing and Ida Baugh, Hays hall, Wednesday evening at dinner. Mr. and Mrs. J. E. Buchanan were dinner guests at the Campus club Wednesday.

Visitor at Sigma Nu this week is Pat Arney of University of Washington.

Wednesday dinner guests at Phi Delta Theta were Mr. and Mrs. C. F. Wurster, Jean Turnure and Pat Arney of University of Washington.

Larry Hanson was a Wednesday dinner guest at Tau Kappa Epsilon.

Sunday dinner guests at the Sigma Alpha Epsilon Fraternity were Dean and Mrs. Allen S. Janssen and Mr. and Mrs. Jack S. Stover.

Miss Jean Turnure was a luncheon guest of Kappa Alpha Theta Wednesday.

Sharon O'Donnell, Kay Thometz and Shirley Smith were dinner guests Wednesday at Gamma Phi Beta.

Mabel Steinman has been visiting at Forney hall this week.

Dinner guests at the home management house Tuesday were Frank Bales, Fred Thurston, and Dean Brown. Betty Ann Craggs was a Wednesday dinner guest. Barbara Miller was a guest at Thursday lunch.

Dick Beier and Courtland Smith were Thursday dinner guests at Delta Tau Delta.

Larry Hanson was a Wednesday dinner guest at Tau Kappa Epsilon.

Sunday dinner guests at the Sigma Alpha Epsilon Fraternity were Dean and Mrs. Allen S. Janssen and Mr. and Mrs. Jack S. Stover.

Miss Jean Turnure was a luncheon guest of Kappa Alpha Theta Wednesday.

Sharon O'Donnell, Kay Thometz and Shirley Smith were dinner guests Wednesday at Gamma Phi Beta.

Mabel Steinman has been visiting at Forney hall this week.

## Hays Freshmen Dress For Dinner

Straight from the comic magazines, the annual "Freshman Dinner" was held at Hays hall Thursday night, with the freshmen dressed as cartoon characters or members of the faculty. The characterizations ranged from Dean Carter to "B. O. Plenty."

The guest of honor was Miss Morin, Hays hall dietician, who later stated that it was a birthday she will never forget.

Hasher Bruce Stuki is having a hard time getting anyone to believe that he was caught between the clutches of "Dragon Lady" Corrine Schumaker, and "Burma" Betty Bowen, when he attempts to explain all the lipstick on his white uniform.

## Recital To Feature Mary Garretson

Mary Beth Garretson, pianist, will be presented by the department of music in her senior recital Sunday afternoon at 4 o'clock in the university auditorium. Miss Garretson is a candidate for the B.M. degree in music and plans to graduate in June.

Her program will consist of "Sonata in G Minor," Op. 50 ("Erre-ica") MacDowell, "Intermezzo," Op. 119, No. 3, Brahms; "Soiree dans Grenade," Debussy; and two Brazilian Dances by Milhaud "Leme" and "Gavea."

Concluding her program Miss Garretson will play the first movement of Grieg's "Concerto in A Minor." She will be assisted on this concerto by Hall H. Macklin who will play the orchestral parts on a second piano.

## Vet Housing Topic Of Tuesday Speech

Charles Freese, assistant Washington state director of the Federal Housing Authority, will speak in the upstairs lounge of the Student Union building Tuesday evening at 7:30 o'clock.

The address, "Housing—Where Is It?" sponsored by the American Veteran's committee, will deal with veterans housing, loans, the proposed liquor bill, and other topics of interest to those concerned with construction, renting, buying, or any other phase of the housing problem. Veterans, students and townspeople are invited to attend the meeting.

Freese has been with the FHA almost from its beginning as a government housing agency, and has seen the complex features of the present mix-up from its early stages.

## Churches Schedule Pre-Easter Activities

Campus church groups are busy this week with pre-Easter activities. Presbyterian students will attend a special Easter service and breakfast Palm Sunday at 7 a. m. at the Presbyterian church.

Lambda Delta Sigma will hold their annual semi-formal Sweetheart Ball Friday at 9 p. m. at the L.D.S. Institute.

All young people of the Christian church are invited to a pre-Easter tea Sunday from 5 to 7 p. m. at the home of Dr. J. G. Wilson.

At the regular meeting of the Roger Williams club Sunday evening, the group heard a series of religious readings by Mrs. J. N. Garst. Next Sunday the meeting will be led by Polly Garst.

**Easter Musicale**  
Wesley Foundation will present the annual Easter musicale Sunday from 5 to 7 p. m. The program will feature a male quartette, a women's trio, and duet, both vocal and instrumental solos, interspersed with the reading of the Easter story according to St. Matthew. All Methodist students are urged to attend the special candle-light service. This is expected to be one of the outstanding programs of the year.

Newman club made plans for a membership drive at a meeting held Tuesday evening.

Members of the Lutheran student association are leaving this noon from both Pullman and Moscow to attend a district LSA meeting at Colton, Ore.

Canterbury club will hold a regular meeting Tuesday at 7:15 p. m.

**Seabeck Conference**  
Earl Dean of the University of

## Martin To Speak

Dr. Boyd A. Martin will address the election board on the subject of counting ballots in proportional representation elections, under arrangements now being completed by the executive board. The date of the address has not been determined, but it will be prior to the ASUI elections May 9.

Washington made a visit to the campus last week to announce plans for a training conference to be held June 15-22 at Seabeck, Washington. The conference is open to adults and young people of all denominations, co-chairman Dean said.

One of the main features of the conference program will be a variety of discussion groups, one of which will be led by Dr. J. D. Furnas of the local Presbyterian church. Any student desiring more information about the conference may contact Geneva Ferguson, president of the Interchurch council at the Gamma Phi Beta house.

## WAA NEWS

WAA members or women who have earned 100 points this year are requested to turn in their petitions for a manager's position no later than 5 p. m. Thursday.

Included in the petition should be a list of the petitioner's athletic activities and sports preference. Mrs. Irene S. Marks or an officer of WAA are eligible to receive the petitions.

## Lab Party Planned

A Lab party for electrical engineering students, their wives and guests will be held in the Engineering drawing building tonight at 9 p. m.

Engineering students planning on attending the party are asked to sign the slip of paper on the bulletin board in the Engineering building.

Patronize Argonaut Advertisers.

## Carter Attends Ohio Convention

Dean Louise Carter left Tuesday to attend a meeting of the national association of deans of women, to be held at Columbus, Ohio, Friday, Saturday and Sunday. Deans and counselors of women students in colleges and high schools throughout the United States will attend the convention. Mrs. Carter, while at the meeting, will lead a panel discussion on the subject, "Housing for Women Students." She expects to return to the campus about April 3.

**IR MEETING IS CANCELLED**  
No meeting of the International Relations club was held Thursday

## Camp Fire Offers Jobs For Women

Varied opportunities for women university graduates are presented in the field of Camp Fire Girl work, according to Dean Louise Carter.

To qualify for directors in the work, women must be over 21, and undergo a short period of training which will be given at Seattle, Washington, this summer.

Anyone desiring more information on this subject should inquire at the Dean of Women's office.

because of nine weeks extra. There will be no meeting the coming Thursday since members will be leaving for Easter vacation.
