## Gals' Cash To Flow Freely At 'Spinster Skip' Tomorrow

### Spinster Skip Brings Back Annual Turnabout Day

Tomorrow, friends will become temporary enemies. Campus swains will be shackled to radiators and beds, while their normally lady-like and demure feminine companions will clamber out of windows and up ladders in very unlady-like fashions.

#### Burglars Collect \$1032 From Four Campus Houses

Smooth working burglars collected \$1032 from four campus fraternities in an early morning raid two days before Easter vacation.

Biggest loser of the four was Delta Tau Delta, minus \$537 when he billfolds were all checked. Other houses visited by the burglars were, Alpha Tau Omega, \$230, Phi Gamma Delta, \$1450, and Phi Delta Theta, \$115. Individual losses ranged from \$1 to \$83. In addition to the stolen money several items of personal property were taken. Fraternity members estimate the time of the thefts between 2:30 and 5 a.m. Glen Olin, Delta Tau Delta house manager, reported that men in his house were still up at 2:30 a.m., but the front door was open and the house cold when he came down from the sleeping porch at 6 a.m.

This major act of thievery followed losses in previous weeks of rugs, ash tray stands and other furniture from several fraternities. Moscow, police reported that they had been given notice of the thefts by two chapter houses, but the thieves had not been apprehended yet.

#### Army Is Honored By Local Parade

Idaho ROTC units and local Boy Scout and Cub troops participated in the annual army day parade yesterday morning at 10 o'clock. The parading units formed at 2nd and Main streets and marched down Main through the business district to 6th street.

Despite a cold wind many townspeople and students lined the streets to watch the procession pass. It was led by the ROTC band in blue uniforms followed by two companies of the ROTC unit. The local Boy Scout troops with the Cub pack brought up the rear.

#### Moore Is Speaker

William C. Moore, state senator from Latah county and a former member of the school of business faculty was guest speaker at a meeting of Phi Alpha Delta, law honorary, held April 3.

Senator Moore spoke on the last session of the legislature, discussed the importance of drawing bills in the proper manner, the present liquor law, the insurance code, and other legislation.

#### Two-Day Tour Will Take Orchestra To Northern Idaho

The University Symphony Orchestra, under the direction of Associate Professor Carl Claus, will leave Tuesday for a two-day concert tour to appear in Wallace and Kellogg on Tuesday and Wednesday evenings, and return to the campus Thursday afternoon.

Solists and small ensemble members of the orchestra will also present a musical program at the Mullan high school Wednesday morning, April 16, this program being arranged through Superintendent A. L. Dean.

#### Brye To Solo

Mr. Joseph Brye, instructor of piano in the Department of Music, will be featured as soloist. Mr. Brye, who received his Master of Music degree from Northwest university, has appeared in solo piano and marimba recitals and as soloist with various groups, including the concert band and the University All-Girl Singing Orchestra.

#### ATTORNEY SPEAKS ON LAW

Paul Ennis, Boise attorney, spoke on mining law to students of the college of law last week. Ennis is a graduate of the university. His wife, the former Vera Durant, accompanied him. She was AWS president at one time.

Promoting ticket sales for the Spinster Skip, the Mortar Board enlisted the aid of Fred Willet in presenting skits at all women's residences. Pin-plastered Evelyn Fisher is clutching Willet. Lucile Thompson read for the crew while they entertained the Alpha Chis.

#### Germany Is Topic Of Address By Dr. Kulski

Dr. W. W. Kulski of the Polish diplomatic service will speak Monday at 10 a. m. in the auditorium on "The Problem of Germany." All students who are interested and especially those in social science courses are invited to attend. He will also speak at 3 p. m. in Ad. 317 on the subject: "Russian-Polish Relations from the Revolution to the Present Day."

American Government and European History classes will be held during these periods, but all students are invited.

Dr. Kulski was Polish Minister Plenipotentiary at the embassy in London from July, 1940 to July, 1945. He had been in the Polish diplomatic service since 1928 and acted as a delegate from his country in the United Nations conference and numerous others including the League of Nations and Disarmament conferences. Having received his training at the Faculty of Law of Warsaw and the Faculty of Law, Paris, Dr. Kulski edited the Polish White Book published in 1939. He has written numerous books including Problems of International Security and the League of Nations, Contemporary Europe, and Germany from Defeat to Conquest.

#### Board Accepts Dean's Suggestion

Acting upon the sender's suggestion, the state board of examiners slashed a traveling expense account Wednesday which was submitted for approval by A. W. Fahrenwald, dean of the school of mines.

Included in the claim were receipts for two luncheons at the Waldorf-Astoria hotel in New York City where the American Institute of Mining Engineers held a convention last month. The bills were \$5.00 and \$4.00 and on an attached note the dean wrote: "If you wish to discount the high luncheon figures I shall feel it quite proper—the prices are outrageous."

The board of examiners accepted his word and allowed Dean Fahrenwald the legal limit of \$5.00 per day for all expenses—hardly enough to pay his hotel bill, exclusive of meals.

Director Lyle Moore and the 36 members of the Gonzaga University Male Glee Club will leave Spokane by chartered bus April 17. The Glee Club will travel over 2000 miles on their circuit tour.

### Mardi Gras Plans Near Completion; Junior Serenade Set For Thursday

Plans for a gala Junior Week are rapidly nearing completion, according to Chairman Earl Hayes and Assistant Chairman Ruth Valadon.

All junior women will be given 11:30 permission to participate in the Junior Serenade, to be held Thursday night from 9 to 11:30. Edmund J. Marty will be in charge of the serenade and requests that all juniors attend practices each noon at 12:30 Monday through Thursday. A final rehearsal will be held at 8 p.m. Thursday. The place of rehearsal will be announced in each living group soon.

Mardi Gras The Friday evening Mardi Gras rally, which will be followed by a mixer in the gym, is expected to be the most colorful in recent years. Bud Harris and Jean Lindemer, rally co-chairmen, have announced that the winning group in the rally will be determined on a percentage basis.

Originality of costumes will count 30 percent, the amount of work done 30 percent, house participation 20 percent, and organization of the group 20 percent. A \$20 limit has been set as the amount which may be spent for costumes. The best women's group and the best men's will each receive a permanent trophy.

From Saturday The Mardi Gras theme will be carried through the Saturday April 19 Prom, which will be held in the Student Union ballrooms. Prom co-chairmen Ivan Woods, Margaret Arnold, and Bob Eysteinson report that the lavish Prom will rival even the traditional New Orleans festivities.

Tickets will be sold by a junior class representative in each house starting today and will also be sold at the Bucket from 3 to 6 p.m. Monday through Friday, as announced by ticket co-chairmen Dewey Hudson and Bert Sorensen. Statewide publicity will be given the week through the Student Publications service according to publicity co-chairmen John Reid and Barbara Bedwell.

Ticket salesmen are Jack Culbertson, Dick Childs, Bob Eysteinson, Calvin Wilson, Bob Warner, Glen Nielson, Ted Kass, Wilbur King, Tom Cartney, Dewey Hudson, Don Evans, Basil Hussey, Carl Neiwirth, Don Largent, John Ikeda, Bob Baker, Bert Sorensen and E. H. Smith.

### Roy Hageman To Discuss Use Of Atomic Energy

Roy C. Hageman, technical adviser to the United States Atomic Energy commission at the Hanford Engineer Works, Richland, Washington, will speak at a meeting Monday at 7:30 p. m. in room 110 of the Science hall.

Mr. Hageman's talk will be on "The History and Application of Atomic Power." The meeting is sponsored jointly by the University of Idaho student chapter of the American Institute of Chemical Engineers and the Student Chemical Engineering society of Washington State college.

Mr. Hageman has been associated with the plutonium phase of the atomic bomb project for four years. In March of 1943 he was assigned to the Wilmington, Del., office of the Manhattan District, Corps of Engineers, where du Pont had established headquarters for the design of the Hanford project.

Chief Aide In March of 1944, when the design was substantially completed, he was transferred to the Hanford site as technical adviser to the commanding officer, the position he now occupies. He was a member of the observers' group which witnessed the effects of the first atomic bomb test at Bikini, inspecting the target ships before and after the test.

Graduating from the University of Illinois in 1928 with a Bachelor of Science degree in mechanical engineering, he received the professional degree of mechanical engineer in 1942. He is the author of a volume on steam power and drying plant operations and sev-

### Beta Chorus Wins Song Honors At Convention

Seventeen members of the Gamma Gamma chapter of Beta Theta Pi under the direction of Earl Hayes won the cup for the best original song from the Beta convention at Portland, Ore., Easter Sunday.

Competing against chapters from the University of Washington, Whitman, Washington State college, University of Oregon, Oregon State college, and Willamette, the local chapter also took second place for the best all-around chorus.

Music for the winning original Beta Marching Song was written by Earl Hayes and the lyrics were written by Dave Stidolph.

Included in the group were Earl Hayes, Bob Pond, Tom Cartney, Boyd Freeman, Sam Vance, Ed Buky, Dick Joeset, Art Beecher, Bob Blandford, Ted Beecher, Wayne Fuller, Larry Meech, Fred Meech, Sam Butterfield, Ward Heacock, George Coiner and Dean Largent.

### Spokane Men Hear Education Talk By Pres. Buchanan

President J. E. Buchanan spoke Tuesday noon on "What's Ahead in Education" before a meeting of the Spokane chamber of commerce at which the heads of various northwest educational institutions were present.

He was in Spokane for the Inland Empire Education association conference which opened Wednesday. Buchanan explained that there is a crisis in education just as real as the crisis in the field of business in 1929. Fewer people are entering the teaching profession, he said, due chiefly to more attractive salaries offered in other fields, and at the same time school enrollment is headed upward.

He quoted a survey of 11,450 veterans in Washington, Oregon, Montana and Idaho to determine educational interests that showed 28.3 percent interested in engineering, 17.5 in business and commerce, and 4.8 in education.

"The big question now," Buchanan said, "is our recent action in dealing with the educational problem, particularly salaries, making the teaching profession sufficiently appealing to attract the necessary number of trainees in the face of competition offered by employment opportunities in other professions."

### 850 Give Opinion On U.N. Policy

Betty Jean Ingraham announced yesterday that there were 850 ballots cast on the resolutions drawn up by the Pacific Northwest College Conference.

There was much controversy in the balloting according to Miss Ingraham with comments written on the back of many ballots. The controversy was especially strong on resolutions dealing with atomic energy and disarmament.

The ballots will now be sent to Portland, Ore., where they will be studied and combined with the ballots from the other schools in the conference to be sent to the United States delegation to the United Nations.

### GLEE CLUB TAKES TOUR

Director Lyle Moore and the 36 members of the Gonzaga University Male Glee Club will leave Spokane by chartered bus April 17. The Glee Club will travel over 2000 miles on their circuit tour.

Roy C. Hageman

eral magazine articles on plant management.

Accompanying Mr. Hageman will be Milton R. Cydel, chief of public relations. The meeting is open to all interested students and faculty members.

**GOLDEN FLEECE**  
by Jason

Jason is definitely running competition to W. Winchell. But, where Winchell predicts, Jason reports. This time it's another boy. Born to Mr. and Mrs. Jack Morris, named John Evan, weighed 7 lbs., 11 ounces when he arrived, and he and Barbey are getting along fine.

Jack runs a linotype on Argonauts and we're mighty happy that he's got this off his mind. You have seen all those errors haven't you?

Blues Well, it's after vacation. That's about all to be said for that matter unless it explains the grab and beaten spirit of this column.

Politics Someone reminded Jason the other day about a remark made in this column concerning the week attitude prevailing at the state elections.

This was a comparative observation with elections of other years when both sides were busy casting accusations back and forth concerning the ethics and policies of both sides.

Mistake me not! Dirty politics, mud-slinging, and physical violence have no place on this campus. Rather, Jason advocates pre-election rallies, open forums on political issues, and anything else that will inject a little life into the campaign.

"This same reminding individual signed that the pre-election attitude was not a surface matter since the same general lack of enthusiasm was apparent in total votes cast. If our memory is correct that percentage was 55.

Some will say, "That's as good as the national average. What more do you want?" Jason's point is that campus voting trends should rate as much above the national level as college level of education stands above national educational level.

Those figures, Jason doesn't have but it is certain that the national level will be below high school graduation.

The point is—in the interest of majority government, let's have rallies, bands, and fanfare if that's what it requires to produce popular interest in the elections.

Robbers About burglars.

Folks are prone to make fun of other folks who quote that old saw about "locking the barn door after the horse has been stolen." Some folks, Jason knows could well heed that proverb. Specifically the fraternities who are the recurring guests of burglars and prowlers.

"Open Door" The "open door" policy is an excellent invitation to the night wanderer who is just looking for "John Jones" if he is caught in the wrong house.

The recent haul of \$1032 should convenience some of the local residences that 40 or 50 keys and a locked door are cheaper in the (Cont. on page 5, col. 1)

Monday Student Activity Board meeting at 5 p. m. in the cokeroom of the Blue Bucket Inn.

Greek Caucus meeting at 7 p. m. in the cokeroom of the Blue Bucket Inn. Important.

Pep band practice at 7:30 p. m. in the Student Union ballroom. Important.

Tuesday Important meeting of all Naval and Marine flyers interested in reserve flying at 6:45 p. m. in the Student Union ballroom.

Wednesday Blue Key will meet at the Sigma Chi house at 7 p. m. Attendance is required.

**COMING EVENTS**

#### Social Custom

The fine old custom further demands that the lady call at the gentleman's residence, bring him a boutonniere, furnish his cigarettes, supply him beverages when he's thirsty, and walk on the outside while holding his arm. Following the "Skip," to be held tomorrow at the student union building from 2:30 to 5:30 p.m., the lucky man is usually taken to dinner and a show.

#### References

Women calling at the men's residences are often required to fill out questionnaires of a highly personal nature before the lucky gent is delivered to them after a long wait. Many houses make things easier by requiring the calling lady to enter by ladder through a second or third story window.

Wednesday evening during dinner members of the Mortar Board, with the aid of Fred Willet, presented a skit in each of the women's residences to promote the sale of tickets to the event. Each of the houses has tickets available for those wishing to attend.

#### Committees

Committee members directing the dance are: Betty Ann Craggs, general chairman; Lalene Cargill, ticket chairman; Jerry Jacobs, decorations; Ethel Jane Kopelman, invitations; Evelyn Fisher, programs and music.

It has been announced that all women's residences will hold fire-sides following the dance. The Gentlemen of Note will furnish the music for the dance.

#### Course Is Offered In Driving

Selection of the University of Idaho as one of the institutions where the American Automobile Association will cooperate in offering driver education to high school teachers, has been announced by Dean J. F. Weltzin of the school of education. This course will be offered in the 1947 summer school, opening June 12. Instructor in the safe driving course will be J. D. Youngman of Spokane, who has taught driving in the Spokane schools and served as consultant to the Washington state department of education. A dual-control car for instructional purposes is being provided by the Inland Automobile Association.

Some time during the course, Dr. Amos E. Neyhart, administrative head of the Institute of Public Safety at Pennsylvania State College and road training consultant with the American Automobile Association, will visit the university.

This special course in driver education will be limited to the first twenty high school teachers making application, Dean Weltzin announces.

AVC HAVE GROCERY STORE American Veterans Committee, national veterans' organization, recently helped Stadium Village, home of university veterans and their wives, to set up their own cooperative grocery store.

The Idaho Argonaut

Official publication of the Associated Students of the University of Idaho, issued every Tuesday and Friday of the college year. Entered as second class matter at the post office at Moscow, Idaho.

Dear Jason

Dear Jason: The sports editor of the town paper recently listed his reasons for Idaho's unsuccessful basketball season.

Not a word was directed against the man who guided the team to its defeats. Consideration of the coaching factor should definitely be made.

First, all evidence points to the fact that the coach lost the confidence of his players by assuming a losing complex during the season.

Secondly, too many rumors indicate that players have been prematurely "picked," causing other candidates to hold their chances hopeless.

Third, the coach did not closely watch the source of his material. One example—the statement "We're loaded already" to a certain Earl Emmett prospect.

Wanted: A Winner As much support should be given Idaho's basketball and baseball teams as is given the football squad, but we should secure a winning coach before asking and giving such support.

These figures, Jason, speak for themselves. Stan Godecke

Mardi Gras Planners

Earl Hayes, chairman, and Ruth Valadon, assistant chairman, are busy planning the final details for the annual Junior Week.

President, Professor Were Entire Faculty Of U. In 1892

By JOHN DILLON "There is hereby established in this territory, at the town of Moscow, in the county of Latah, an institution of learning by the name and style of The University of Idaho."

This act also provided that the governor should appoint nine regents (later reduced to five regents) and the sum of \$15,000 was appropriated to enable the board of regents to procure suitable grounds and plans for the university.

Construction of the west wing of the main building was started October 1, 1889. When the university was first opened October 3, 1892, President Franklin B. Gault and one other professor constituted the faculty for approximately 40 students.

Members of the University of Idaho faculty who are attending the Inland Empire Teachers' association convention in Spokane include Dean J. F. Wetzler of education; H. H. Campbell, director of non-resident instruction; Professors William Boyer, psychology; Allan C. Lemon, psychology; and Ray M. Berry, secondary education.

Liszt hall, built in 1897, was the first building in addition to the main building on the campus. It was remodeled in the year 1907 and made the department of music building.

Idenbaugh hall and the Engineering building were erected in 1902. Idenbaugh hall was named for Mrs. Mary E. Idenbaugh of Boise. At that time she was vice president of the board of regents.

Faculty Men in Spokane While it is doubtful that any action will be taken to encourage more efficient use of restricted areas, the present situation presents another inequality which should be ironed out of our parking system.

J. W. Bohning And then there was the man who rebelled against helping his wife dye her hair. He didn't like giving the old henna rinse.

Heard . . . Or Seen

Desperate love: Eileen Walton, Forney hall, unknown to her, has been having a nocturnal observer. The anonymous visitor was seen climbing the fire escape.

Attenshun: That strict "military manner" was noted of Gall Pickard, town man, leading the Army Day parade yesterday morning.

Big Time Operators: Bill Wallace and Stu Dunn, Campus Club, had five girls last Saturday evening. They pawed off three of the girls to friends—rumor has it that not everyone was pleased with the big shuffle.

Hits the Spot: Rhoda Hill, Theta, was recently observed drinking "peppos" coffee in the Nest.

Watchful Eyes: —are being cast by Kenneth Olsen and Bill Ewertz, Idaho club, for parts to use in the broken down washing machine at the Idaho club. Living quarters, take note—lock your washing machines in a safe place.

We are so happy for you: Bev Gordon, Delta Gamma, was overheard arguing the value of washing machines over babies with Philosophy Instructor Hugh Maxson.

Methodists Head Religious Census

A religious census for the second semester found the Methodist students heading the list with a total of 537. The Presbyterians have 436 students listed, the Latter-Day Saints, 411; the Roman Catholics, 377; Episcopal, 236; Lutheran, 149; Christian, 146; and Baptist, 101.

Almost every religion was represented by membership in the census, with 249 Protestants and 332 students with no religious preference. One Mohammedan and one Buddhist are also on the campus. Some 64 students did not list a preference.

Honorary Pledges Three Women

Theta Sigma, women's journalistic honorary, pledged three new members last week, according to Joyce Hanson, newly elected president. Those pledged were Janet Billmeyer, who recently transferred from Pocatello; Phyllis O'Reilly and Olevia Smith, night editor of the Argonaut.

Other officers chosen at the recent election were Francis Rhea, vice president, and Elizabeth Robinson, secretary-treasurer. Mrs. Dorothy Chandler, English instructor, was chosen as advisor.

Patronize Argonaut Advertisers.

"Vicky" Contest Entry Blank

DEPT. (C), SMITH VICTORY CORP. 2960 Main Street, Buffalo 14, N. Y. Enclosed is [ ] a Victory Bobbie Card or [ ] a Victory Hair Pin Package together with my snapshot and a 25-word (or less) message on "What I Look For in a Bobbie Pin." I consent to all the rules of the contest.

Years of regular, stable employment—and a monthly check when working days are past Eighty-four Washington Water Power Co. employees have been retired and draw a monthly allowance, a recognition of their years of service.

Exams Scheduled For Foreign Service Openings

A competitive written examination for appointments as foreign service officer, class 6, has been announced by the Department of State for September 22-25.

The examination is open to men and women, 21-35 years of age, who are American citizens and have been such for ten years and who are not married to aliens.

Candidates who pass the written examination will be given an oral and a physical examination in the early part of 1948, after which appointments will be made.

At the present time, the announcement states, the foreign service is being expanded at an unprecedented rate to bring it up to its authorized strength by 1948. Further information may be obtained from the Board of Examiners for the Foreign Service, Department of State, Washington, D. C.

UTAH COEDS PLAY HOCKEY Coeds at Salt Lake City's University of Utah will continue their hockey tournament this spring. The tournament was not completed last fall.—The Utah Chronicle.

A man who bets is bad, but a man who doesn't bet is no better.

C. Of C. Considers Two Amendments

Action on two amendments to the constitution of the chamber of commerce of the school of business administration will be taken at the meeting of that organization Tuesday at 4 p.m. in room 317 of the Administration building.

If passed, the amendments will allow women to join the organization and allow election of officers at the spring meeting rather than in the fall.

Nominating committees will be chosen at this meeting and officers will be elected before the annual banquet to be held a month from now.

Dead Bachelors Don't Worry

The hen-pecked husband may have less freedom than the carefree bachelor, but his life-span is longer. A recent survey of census figures indicated that death rates for married men average about 30 per cent lower than those for single men.

Why should bachelors die off faster than husbands? The reasons may be varied, but we do know that single men are more adventurous than their wedded brothers—they are more inclined to stick their necks out, for example, without first checking possible rear-window exits.

Other factors contributing to the perishability of the bachelor include his fortune in being drafted first during wars, his sometimes suicidal tendencies caused by loneliness, and improper diets.

To the women in post-war America, however, the publicity of information about death rates will be more than helpful. The weaker sex, for the first time in the nation's history, is at last in the majority. Thus a considerable number of young males, who ordinarily would prefer to remain unwed will happily choose the better odds and march to the altar.

Some bachelors, though, will probably consider the choice of a marital hook-up as the more disastrous of two evils. To them, the possibility of meeting the grim reaper is not as horrifying as transferring in a quick second one's cherished liberty for a life-time two-step. —S.H.G.

TIPS FOR VETS By GEORGE

STATE BONUSES GIVEN TO VETS Gaining favor with the voters is the reason why some bonus bills are introduced both in the state and the national legislatures. Too often these bills are hastily constructed and presented, and from an economy standpoint are unsound.

ILLINOIS VETS FIXED UP The vets in Illinois saw their state legislature vote a \$365,000,000 bond issue to provide a cash bonus of \$10 for each month of domestic service during World War II.

MICHIGAN AIDS VETS Here each vet gets \$10 a month for domestic service and \$15 a month for overseas duty with a maximum limit of \$500 on payments.

RHODE ISLAND GIVES FLAT BONUS A \$200 bonus was approved for all vets as well as for men who served in the Merchant Marine.

MASSACHUSETTS ENACTS BONUS For vets without overseas service a bonus of \$200 was passed, and for overseas duty \$300.

NEW HAMPSHIRE PROVIDES FOR VETS A flat \$100 bonus to each World War II vet or their legal heir was recently passed.

BONUS PASSED IN VERMONT The provision was for \$10 for each month of service to a maximum of 12 months.

SUNSHINE STATE PASSES VET AID To help vets get started California recently approved a plan providing for a \$100,000,000 bond issue to aid in buying homes and farms.

NEW JERSEY AIDS VETS HOUSING Wishing to aid their vets find and build homes New Jersey approved a \$85,000,000 bond issue for a vets' emergency housing program.

These are but a few of the acts which the individual states have enacted to help out their own vets in addition to federal provisions. Here in Idaho there has been no appreciable talk of a state bonus or of a program to aid in building vets permanent homes.

NROTC Forming New Social Club The constitution and by-laws for a new Navy club was presented last night to the members of the Naval ROTC unit.

Engineers To Hold Banquet Saturday A banquet for civil engineering students will be held Saturday at 7 p. m. in the Farmer's club.

**Spinster Skip Feature Attraction Of Weekend; Firesides Planned**

The annual Spinster Skip sponsored by Mortar Board is the outstanding social event of the weekend. Gals have been saving their money to take their favorite beau to the "Skip" which will be held Saturday afternoon from 2:30 to 5:30 o'clock.

Several women's houses and living groups will hold firesides following the skip to enjoy their dates. Over the Easter vacation few social events were held on the campus. Many university students announced their engagements during the holidays.

The Founders' Day Tea will be held Sunday afternoon from 3 to 4 o'clock. Betty Kimes is in charge of arrangements.

Ernie Erickson of Troy was a dinner guest Wednesday evening, D. S.

There will be a fireside held this evening at the house. Alpha Tau Omega

A fireside is planned for Friday evening. Mr. and Mrs. Rupert Miller will be patron and patroness.

Barbara Spaeth, Jane Thompson, Pat Kjosness and Claire Louise Hale left Wednesday morning to attend a province convention of Kappa Kappa Gamma at Eugene this weekend.

Easter dinner guests were Mrs. A. Phelan, Osborn, Idaho, Bill Olsen, Roger McHan, Morgan Povey and Jack Nicholas. Monday dinner guests were Dr. and Mrs. C. L. Lash and Les Lash.

A fireside will be held Friday evening with Fred Bagley in charge of arrangements.

Plans are underway for a dance Friday evening with the theme being "Hawaiian Sunset."

Ann Ketterbach, Calgary, Alberta, was a guest during the week. Pledges hold their annual dance with Delta Gamma pledges to-night with "Ugly Child" as the theme.

A fireside will be held Saturday morning at 9 p.m. Kappa Alpha Theta

A Spinster Skip fireside is scheduled Saturday evening. Home Management House

Open house was held Tuesday for approximately fifty guests. Thursday dinner guests included Mrs. J. Franklin Bales, Caldwell, Mr. Dwight Hoffman, and Dr. Jay Roth.

Dr. and Mrs. D. A. Gustafson were dinner guests Wednesday.

Dean Louise Carter returned recently from a meeting of the National Association of Deans of Women, which was held at Columbus, Ohio. Approximately 800 deans attended the conference.

Miss Eunice Hilton, dean of women at Syracuse university, addressed the association on "The Dean's Place in the Academic World." Round table discussion brought forth pertinent suggestions, according to Mrs. Carter, and scholarship was stressed, particularly honor students. In many institutions, women's privileges were entirely based on good scholarship.

"This is a phase we might consider at Idaho, but I would hate to see it carried too far. The average student who tries hard should not be penalized because her grades are not as good as a particularly bright student," said Mrs. Carter.

"Miss Gonzaga of 1947" is to be selected by the student body in conjunction with the ASGU Council and the Bulletin later this spring.

At least ten candidates will be nominated and all will be pictured on the final ballot which will be distributed to the students of Gonzaga later this month.

**Idaho Couple Marry In Kellogg On Easter Sunday**

At a formal candlelight ceremony in the Emanuel Episcopal church at Kellogg, Helen Patricia Feddersen, daughter of Mr. and Mrs. P. C. Feddersen of Kellogg, was married to Robert Sterling Neuman, son of Mr. and Mrs. Otis Neuman, Kellogg, at 8 p. m. Easter Sunday. A reception at the home of the bride's parents followed the ceremony.

Mrs. Neuman was attended by her sister, Mrs. Don Ingalstadt, maid of honor; Connie Brewer, bridesmaid; and Paula Feddersen, junior bridesmaid. Edward Nelson was best man. Mrs. Neuman is a member of Pi Beta Phi and Mr. Neuman is a member of Beta Theta Pi fraternity.

After completing the college year at Idaho, the couple plan to make their home in California where Mr. Neuman will continue his commercial art training at California Arts and Crafts college and Mrs. Neuman will continue her schooling at Mills college.

**Couple Married In Thursday Church Ceremony**

Miss Freda Sparrow, daughter of Mrs. Julia S. Keller of Moses Lake, Wash., and Gerald Dean Eyestone, son of Mr. and Mrs. Royal D. Eyestone of Portland, were married Thursday evening, April 3, at St. Mark's Episcopal church with the Rev. Norman E. Stockwell performing the ceremony.

Attendees were Miss Jean Spencer of Coeur d'Alene, maid of honor, Frances Jensen, Margaret Maize, Cynthia Jessen and Eloise Soule, bridesmaids. Robert Eyestone, brother of the bridegroom, acted as best man. Gloria and Nancy Eyestone, young sisters of the bridegroom, were flower girls. The bride was given in marriage by her step-father, Frank Keller.

A reception followed at the Alpha Phi house with Mrs. Guy Wicks and Mrs. H. H. Martin pouring. The bride is a secretary at the university and was affiliated with Alpha Phi sorority. Mr. Eyestone is an engineering student and a member of Tau Kappa Epsilon fraternity. The couple will make their home in Moscow.

**New Babies Born Early This Week**

Mr. and Mrs. John A. Morris became the parents of a son Monday at the university.

The Gritman hospital also announced the birth of a son to Mr. and Mrs. F. Charles Fountaine. Mr. Fountaine is assistant professor at the agricultural experiment station.

**IT'S THE FOOD THAT MAKES A PICNIC**

Shop At **ROLLEFSON & THOMPSON**  
115 East Third Phone 2153

**Couples Announce Engagements**

**Valadon-Gilb**  
The engagement of Ruth Valadon, daughter of Mr. and Mrs. Joseph F. Valadon of Havre, Montana to Charles Gilb, son of Mr. and Mrs. Carl E. Gilb of Twin Falls, Idaho, was revealed at the Delta Delta Delta house Easter Sunday.

Miss Valadon is a junior majoring in Dramatics and Mr. Gilb is a sophomore majoring in business and a member of Beta Theta Pi. The wedding will take place sometime in August.

**Hobza-Elmgren**  
The engagement of Naomi Hobza, daughter of Mr. and Mrs. R. L. Hobza of Nampa, to Ray Elmgren, son of Mr. and Mrs. W. T. Elmgren of Vancouver, Washington, was revealed Wednesday evening at the Kappa Kappa Gamma house.

Miss Hobza is a sophomore at the university and a member of Kappa Kappa Gamma sorority. Mr. Elmgren is a junior at Whitman college and is affiliated with Phi Delta Theta fraternity. The wedding will take place July 2 in Vancouver.

**Miller-Jones**  
Announcement was made Sunday March 31 of the engagement of Patricia Miller, daughter of Mr. and Mrs. R. E. Miller of Idaho Falls to Robert D. Jones, son of Mr. and Mrs. Cecil C. Jones of Twin Falls, Idaho.

Miss Miller is a music major and is affiliated with Pi Beta Phi sorority. Mr. Jones is a member of Phi Delta Theta and is a pre-medicine student. The wedding will take place sometime this summer.

**Bohner-Logan**  
Mrs. William Phillips of New Britain, Conn., announces the engagement of her daughter, Helen Betty Bohner, to Chester James Logan, Jr., son of Mr. and Mrs. Chester James Logan of Red Bluffs, Calif. The engagement was made known Wednesday during a candlelight dinner at Ridenbaugh hall.

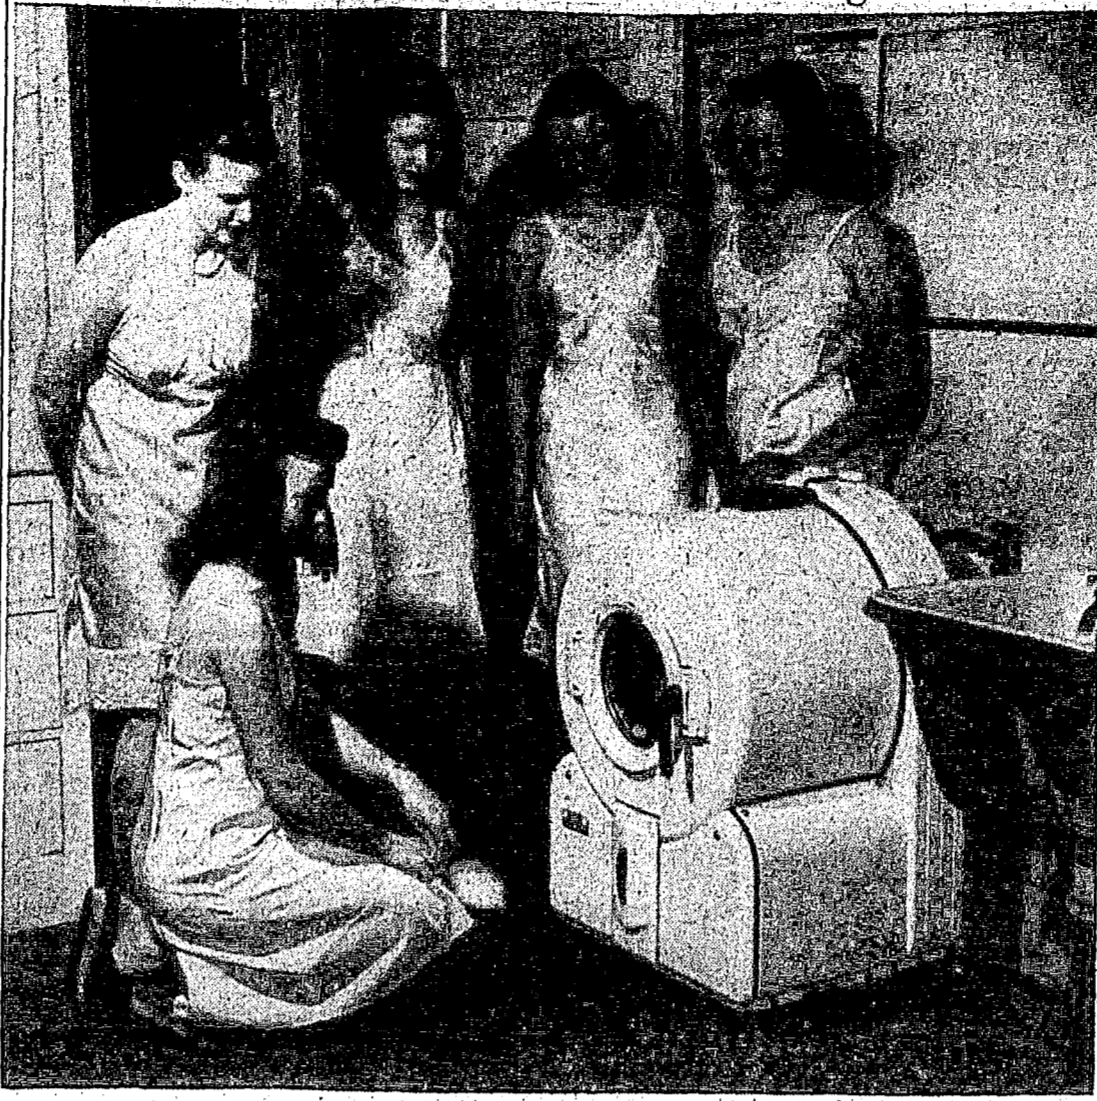

Miss Bohner is a senior and a member of Kappa Delta Pi, educational honorary. Mr. Logan is a sophomore in agriculture and resides at the Campus club. The wedding will take place in St. Maries on June 5.

**Idaho Women In National Mag**

Waiting for their clothes to come out of the new washer are Barbara Maley, Gloria Burgess, Margaret Cranston, Lois Greenwell, and Teddy Earl. This picture of these Idaho women appeared earlier in the year in a national electrical trade magazine.

**LSA Group Plans Skating Party**

After a short vacation, during which Easter services were conducted for the few students remaining on the campus, church groups are beginning new spring activities.

At next Tuesday's LSA meeting, plans will be made for a skating party to be held with the WSC group some time during April.

Young people of the Christian church will meet at two o'clock Tuesday afternoon for a trip to Suncrest Lodge. Wayne Hazelbaker will lead the meeting at the large. Members of Kappa Phi will hold their annual "Slumberless party" tonight at the Methodist parsonage. Girls who arrive before midnight will work on a project for the Indians at Lapwai.

Wesley Foundation will meet at 8 o'clock Sunday evening. Dr. Robert L. Ormsby of the philosophy department will be guest speaker.

**Gamma Phi Tells Of Marriage**

Announcement was made last week by Mr. and Mrs. F. M. Earl of Boise of the marriage of their daughter, Teddie, to William Bertram Dingle, son of Mr. and Mrs. W. B. Dingle of Dayton.

The wedding took place February 1 in Missoula and was revealed to friends at a bridge-dessert party in Boise.

Mrs. Dingle was a sophomore at the university where she was a member of Gamma Phi Beta sorority. Mr. Dingle, a member of Phi Delta Theta, was a senior at the university. The couple are residing in Dayton where he is working with his father at the Dayton Hardware company.

**Eight Initiated By Phi Chi Theta**

Phi Chi Theta, business women's honorary initiated eight girls into the honorary last Friday at the Kappa Alpha Theta house, according to Mary Bockman, president. Mrs. Sarah Crawford, national vice president from Los Angeles, was present for the ceremony.

Following the initiation the women attended their annual spring banquet held at the Moscow hotel at which Mrs. Crawford spoke.

Others included on the banquet program were Marie Lampman, who gave a reading entitled "Names and Faces," Arlene Hinckley, who read a poem entitled "To the Future," and Coleen Martin, who gave the response for the new initiates. Jane Griffin acted as toastmistress.

Those initiated were Catherine Reese, Coleen Martin, Kathryn Church, Bettie Hopkins, Virginia Greenough, Shirley Knox, Marion Forrey and Shirley Morbeck.

**Faculty To Dance**

Faculty club members will hold an informal dance tomorrow night from 8 to 11 in the Faculty club building, according to Dean J. F. Weitzin, general chairman.

Committee members who will assist him include Dr. and Mrs. Steffens, and Capt. Ambruster. Ice cream, cake and coffee will be served during the evening. A loud-speaker-phonograph system will be borrowed from the Navy Department.

**Home Ec Displays Tots' Spring Garb**

Spring styles for children are displayed swinging on a clothes-line in the home economics show case. Construction is by the advanced clothing class as part of a unit on children's clothing under the direction of Miss Elaine Nielson.

Each dress is made for an acquaintance of the individual. They are hand decorated with tucks and ruffles.

# Idaho Campus Camera Experts And Amateurs Eligible For Four-Week Argonaut Photographic Contest Starting Today

## Winners To Receive Varied Prizes; Rules Announced

Starting today entries in the four-week Argonaut photography contest will be accepted in the Argonaut office. The only limitation on photo subjects is that they must be of interest to the students and faculty of the university.

Winners will be announced in the Friday issue during the four-week campaign, and the best pictures selected for the seven-day period will be reproduced in the paper.

The best picture submitted will be chosen from the weekly winners at the end of the contest. Each week a collection of the winning photographs and those receiving honorable mention will be displayed in the window of a downtown merchant, and in the student union building.

### Divisions

To simplify the contest, it will be divided into three divisions:

1. Buildings and scenery. This division will include pictures submitted with buildings and landscapes as the central theme.

2. People. Photographs with people as the central theme. Character shots of the very young or old should be entered in this division.

3. Human interest. This section of the contest will include all shots of a unique character involving the actions of people, animals, or extraordinary events.

Each person entering is responsible for naming the division desired for each picture.

### Prizes

The winners of first and second prizes each week will be awarded \$3 and \$2 respectively. The winners of the best shot of the week will be given a prize by the Moscow merchant displaying the best pictures of the week.

Creighton's and Murphy and Goss will be two of the merchants offering prizes. The remaining two will be announced at a later date.

Other winning entries will be awarded cartons of Chesterfield and Phillip Morris cigarettes by the campus representatives of those companies.

At the end of the contest, the picture judged the best entry will entitle the owner to a \$10 award.

### Rules

The contest will be conducted under the following rules. Any incidents arising which are not covered by the rules will be subject to the decision of the Argonaut editor.

1. All entrants must be officially enrolled in the University of Idaho.

2. Photographs must be of significant interest to readers of the Idaho Argonaut.

3. Pictures submitted must be mounted on stiff white or cream colored paper, with a border surrounding the picture not less than 1 1/2 inches on any side.

4. Entries must be made according to the following schedule:

First week—By 5 p. m. Tuesday, April 14.

Second week—By 5 p. m. Monday, April 21.

Third week—By 5 p. m. Monday, April 28.

Fourth week—By 5 p. m. Monday, May 5.

(Any pictures submitted after this deadline will be held over until the next judging.)

5. Argonaut staff members are not eligible for this competition.

6. Decisions of the judges will be final in all cases.

7. Winners of prizes will contact the editor of the Argonaut to collect the money or merchandise.

8. The Argonaut reserves first publication rights on all entries. Judges for the contest will be announced with the selection of the first week's winners.

DEAN TO ATTEND MEETING  
A. W. Fahrenwald, dean of the school of mines, will attend the annual meeting of the Board of Control of the Idaho Bureau of Mines and Geology at Boise April 18.

## Honorary Pledges Thirty-Two Men With High Grades

Thirty-two men received the orange and black pledge ribbon of Phi Eta Sigma, underclassman scholastic honorary, March 31.

They are Arnold Saunders, Norman Farnham, Bill Gartin, Donald Lapray, Emmett Lisle, Dick Patrick, Leonard Hoskins, Ed Ashenbrenner, Brad Nef, Roger Cone, Kenneth Briggs, Phil Schnell and Ed Rowbury.

Others are Louis Boyle, John Barinaga, Don Reynolds, George Crane, Jim Huff, Calvin Long, Dick Colvard, Robert Jonas, Welden Clark, Stanley Tanner, Robert Hedelius, Dave Hiner, Bob Crabtree, John Lawrence, Lee Bath, Joseph Clegg, Clinton Peterson, Hubert Bruins, and Orval Hansen.

The men qualified by receiving a 3.5 grade average during their first semester or first year in college.

Initiation ceremonies will be held in the near future, according to John Taylor, president.

## WAA NEWS

New WAA officers installed this week are Jackie Ritchie, president; Nola Wybark, vice president; Marion Eisenhauer, treasurer; Pauline Schaplowsky, secretary; Eilene Walton, recording secretary; and Jane Coleman, leisure points recorder.

The basketball tournament ended with Hays hall as the winner. The girls chosen for the first and second teams were Violette Grant, Naomi Grant, Jean Damarrell, Helen Thomas, Pat Slack, Rosemary Fitzgerald, Mary E. Edwards and Margaret Justice for the first team, and Willa Hasbrouk, Polly Bleckett, Marjorie Johnston, Helen Way, Ellen Warren, Ella Mae Lyda, Margaret Madison and Maxine Bjorklund for the second team.

Softball practice will begin April 14 with Ella Mae Lyda as manager. The first week of practice will be devoted to pitching and catching.

Girls who are interested in participating on the golf team may still contact Rosemary Meehan, Delta Gamma.

## Class To Present One-Act Plays

Members of Miss Collette's advanced play production class will present two groups of one-act plays in the University hut at 7:15 April 16 and 17. The class will present various types of plays ranging from tragedy to comedy.

Miss Collette is withholding the names of the plays as the productions are only laboratory assignments. No admission will be charged and an invitation to attend is extended to anyone interested.

## Cadets In Review

In observance of Army Week university ROTC students paraded through the business section of Moscow and back to the campus at 10:30 Thursday morning.

## Magazine Seeks Membership In National Group

The Idaho Engineer which is now published twice a year is attempting to gain membership in the Engineering College Magazines association by publishing a quarterly magazine which is one of the requirements of that organization.

The publication has already met the other two requirements which concern a bank balance and editorial policy, and hopes to meet the third by becoming a quarterly next fall.

The magazine, an all-student publication, is the official organ of the Idaho Society of Engineers, a state organization, and the staff consists of Charles Ohms, editor; Bates Murphy, Les Lash, Wendall Clark, Bob Christenson and Jo Garner, editorial staff; Ed Rice, business manager, and John Frye, assistant business manager; Ed Greef, circulation head; and Hugh T. McGee in charge of publicity. Paul Hudson is faculty advisor.

The circulation of the Idaho Engineer has increased from some 300 copies in 1943 to 1250 this year.

### DEMONSTRATION IS GIVEN

Kathryn Sandmeyer of Chicago, home economist with the Evaporated Milk association, gave a demonstration to foods classes of the home economics department Tuesday afternoon.

## Spinsters Court Many Perils For Beaux

By SHEILA DARWIN

The first recorded Spinster Skip was held in the spring of 1926 when girls even went so far as to hire fancy phaetons and the highest stepping horses in town to call for their lucky dates.

Passing years have done little to change the rules of behavior for this annual turnabout. Girls still must call for their dates; foot the bills for a dress-up tea dance, dinner, and show.

### Heed This

And for unsuspecting, innocent freshmen women who don't realize the consequences of the affair, here are some helpful tips gleaned from past, painful experience! Fijis are notorious for their mysterious "third degree" reception of women calling for their dates.

Phi Deltis and Delta Chis have been known to lock their doors and require entrance by ladder.

Dateless Sigma Nus last year even poured water out of second floor windows on approaching women.

### Information, Please!

Chrisman hall last year required girls to fill out date-rate questionnaires on the fellows that escaped from their house, Willis Sweet men had their "dates" tied up late Friday night several years ago, and LDS men last year chased fugitive "dates" clear to their

secret hotel hideaways and tied them up.

So, girls, when you call for that big handsome date of yours tomorrow afternoon, don't be surprised to find him tied to the front porch pillar in a semi-conscious state or dressed in a barrel for lack of his missing suit, for it's all legal according to tradition.

New spring outfits will add color to the occasion as this is the customary time at Idaho to display Easter togs.

### Money No Object

"Everything goes" seems to be the rule after you finally do get your date away. According to local cashiers in the Bucket and other popular eating places, who recall having cashed ten, twenty, and even thirty dollar checks for the gallant women, feminine spinster skip escorts are determined at any cost to show their dates a good time.

## Fifteen Pledged By Ag Honorary

Formal initiation for pledges of Alpha Zeta, agricultural honorary fraternity, will be held Tuesday. Requirements for becoming members of the honorary are based on participation in agricultural activities, scholarship and leadership.

The following men have been pledged: John Bretz, Calvin Crandall, Earl Crea, Herb Edwards, Darrell Gallup, Joe Hopper, Earl Horning, Stan Jensen, Marshall LeBaron, Ross Lindstrom, Rex Otley, Keith Ralston, Ward Stroschein, Merrill Stucki and Albert Erromouse.

The Vandal grid team traveled nearly 10,000 miles during the fall of 1946, including a 6,000 mile trip to Boston and back.

# Baseball And Track Share Spotlight Over The Weekend

## Idaho Meets Oregonians In Conference Opener

Idaho's inexperienced 1947 track team opens the Northern division conference season tomorrow in a dual meet with University of Oregon at Eugene.

Vandal Coach Stan Hiserman and a 22-man squad, which includes 10 freshmen, left today for Oregon. The meet will open one of the busiest seasons in Idaho cinder history. "I don't know a great deal about Oregon," Hiserman explained. "But I understand the Ducks are strong in the sprints, fairly strong in the hurdles, and have a scattering of top-notch men in other events."

The mentor declined to comment on Idaho's chances of defeating Oregon. He said wet weather has made it impossible to hold a good workout for over a week.

**Strong In Weights and Two-Mile**

Idaho's strength Saturday will be in the weights and two-mile run. Dean Lewis and Lyle Fagan have both heaved the shotput over 45 feet in practice, and Fagan has hurled the discus over 150 feet. Ward Straszheim, Aberdeen, senior, and Al Denman will run the two-mile race. Both are track and cross-country lettermen.

In the pole vault, Idaho's lone contestant will be Max Lattis, Payette junior, who copped first place in last year's Northern division meet by clearing 12 feet, six inches.

Two lettermen, John Taylor and Ted Lake, will run both the high and low hurdle races. Lake is a former state high school record holder and a pre-war Idaho letterman, and Taylor placed well up in conference meets in 1945.

**Success Depends on Freshmen**

Freshmen hold the key to Idaho's fortunes in the sprints, and quarter- and half-mile races. Dick Armstrong, last year's state high school 100-yard dash winner, will run both the 100 and 220. Steve Brunson and LeRoy DePalma top the Vandals' list of 440 runners, and Norman Farnham and Marvin Badger are leading 880 men.

DePalma won the state high school 440 last year, and Farnham won the state half mile in 1945.

Other Idaho travellers are: Sprints—Glen Bradford; 440—Jack Krehbiel; 880—Howard Burkhardt; mile—Art Humphrey; high jump—Jay Gano and Dick Sodorff; broad jump—Ross Walker; shotput—Ed Watkins; discus—Dave Hiner; javelin—Dick Wilcomb; and Manager Darrell Brown.

**Here's More About JASON**

long run. Running the risk of a clout in the snout, Jason could even suggest a "CQ" system of guards.

This was heard downtown concerning the burglary, "The chief had us put the scatter-gun back in the prowl car. We've got instructions to use it, too."

**Football**

Eyes are wide open and mouths asape at the routine being observed on the football practice field.

Said One, "I've never seen an Idaho team work that hard before."

Said Two, "I've never seen anyone anywhere work that hard before."

The least that can be said is that there isn't any fooling around on the practice field. Dixie and his staff put the grid candidates through a planned, closely timed schedule each afternoon that would make the Pennsylvania Railroad envious of the punctuality.

It's obvious that there isn't anyone out there just for the sunshine.

**Here's More About Two-Day Tour**

Other members are Virginia Smith, Walter Smith, Donald Singer, Mary Lou Snook, Burke Sower, Earl Spencer, Mary Sue Tovey, Rae Adele Tremewan, William Walter, Edgar Williams and Phyllis Williams.

Faculty members on the tour are Miss Miriam Little, Miss Ruth Erickson, Mr. Joseph Brye, Mr. Edmund Marty, Mr. Carl Claus and Mr. Earle McKeever, general manager of the tour.

**Successful Dependence on Freshmen**

Fred Kind, university student body president, earned a berth on the all-state high school team in 1940 while playing for Coeur d'Alene. He lettered at Idaho in 1942 and 1943 as a forward and in 1947 as a guard.

The Ronnie White trophy is presented by the Idaho chapter of Sigma Nu fraternity in memory of Ronald White, Lewiston, who was killed in an automobile accident in December, 1945, while on a basketball trip.

**Successful Dependence on Freshmen**

Grant Mortensen, Rexburg, today was named honorary captain of the 1947 University of Idaho basketball team, and Norman Fredekind, Coeur d'Alene, was awarded the Ronnie White memorial trophy, presented annually to the "most inspirational" Idaho basketball player.

Mortensen, a forward on last year's Vandal team, won all-state honors while playing at Sugar-Salem high school in Sugar City. He was all-conference at Utah State in 1945, and was a member of Idaho's Northern division conference championship team in 1946.

**Successful Dependence on Freshmen**

Grant Mortensen, Rexburg, today was named honorary captain of the 1947 University of Idaho basketball team, and Norman Fredekind, Coeur d'Alene, was awarded the Ronnie White memorial trophy, presented annually to the "most inspirational" Idaho basketball player.

## Army Week, One, Two!

Perron Shoemaker, Idaho end coach, drills spring football squad members in a little limbering-up exercise.

## 85 Grid Hopefuls Greet Dixie Howell

Old man weather set in and drove Coach Dixie Howell and his 85 grid hopefuls to cover last night as the new mentor cancelled the football Vandal's third spring practice.

Wednesday night Howell was greeted by 83 grid candidates and he lost no time in lowering the boom of the 1947 Vandal football team. During the course of the two evenings that the Vandals have practiced, they have already started stiff blocking and tackling workouts.

**Green Team**

Coach Howell in response to questions concerning the prospects of the gridsters remarked that the team was "extremely green and that all work this year would be started from the scratch."

Howell also remarked that instead of concentrating on an offensive pattern, practices would be centered on fundamentals for the time being.

A new spirit prevailed on the gridiron this week as plenty of hustle and pep was shown by the candidates. Howell stated that "the attitude of the men so far is unexcelled."

**Lettermen**

Among the hopefuls appearing for the first practice session were 22 lettermen including: Backs—Phil Litzenger, Carl Munson, Sam Theis, Billy Williams, Willard Beitz, John Christensen, Woody DeLorme and James Hammond, Ends—Orville Barnes, Glenn Lynnman, Carl Killgaard and John Evans, and Linemen—Bill Last, Ed McPaul, Wilford Overgard, Ralph Paasch, Grant Potter, Maurice Rathbun, Ray Saras, and Jack Dana.

Ohio State emerged winners in the National Collegiate swimming championships which were held in the University of Washington pool last week. Michigan finished second.

**Interest Shown**

"More interest is being shown in golf this year than ever before," James, veteran university pro, announced, "I think we are going to have a strong team. We're handicapped now because we must still work on temporary greens, but in about ten days permanent greens will be ready for play."

April 18th finds Idaho opening the Northern division conference against the Cougars at Pullman. Other golf matches are May 2, Oregon at Eugene; May 3, Oregon State at Corvallis; May 9, Washington at Moscow; May 10, Gonzaga at Moscow; May 17, Washington State at Moscow; May 24, Northern division championships at Moscow.

**George Neumeyer, senior football manager, has announced that he would like to have all students interested in becoming football managers to contact him at the Delta Chi house as soon as possible.**

## Vandals Cop Two Games From Whitman, 5-4, 1-0

High winds which swept McLean field and rain which left large puddles of water standing on the base-paths, caused the scheduled doubleheader between the Idaho Vandal nine and the Whitman Missionaries to be called off. Coach Guy F. Wicks announced that the games will not be played at a later date.

The Vandals avenged a disastrous road trip Wednesday when they captured both ends of a doubleheader from Whitman to take a 3 to 2 lead in the series.

**Pitcher's Duel**

In the first game, Idaho's John Dailey and Whitman's Forsythe locked horns in a tight pitching duel that saw the score knotted at the end of the regular seven innings at 2-2.

Opening the eighth inning, the visitors put a man on first with a walk. An infield single put men on first and second, and another hit plus two errors resulted in two runs for the Whitman team before Vandal pitcher Dailey could retire the side.

**Racquetball Meet**

Idaho's tennis team faces its first test of the season Saturday when it meets Whitman college on the local courts. Today Coach Bob Dwyer named the seven man varsity net team for the Vandals.

In the singles the Vandals have John Bretz, Paul Thome, Ed Bulla, Mark Euscher and Lee Nelson who will be playing in that order. Bretz and Bulla will team together for the No. 1 doubles while either Thome and Nelson or Bill Garthin and Charles Urban will handle the No. 2 doubles.

**WOMEN**

It is any of you gals even know what a golf club looks like, then grab your hat and try out for the women's golf team.

It has been announced that golf tryouts for the fall will begin immediately. The first meeting will be held next Tuesday afternoon at 4 p.m. in the women's gymnasium. From there all new candidates will go to the student golf course and practice.

Arrangements will be made on Tuesday for instruction of all candidates. Mr. James, coach and professional at the university golf course, and Mrs. Boyer will help instruct all students interested in turning out.

If candidates are unable to obtain golf clubs, the Women's "I" club will make arrangements to rent them for 25¢ per day. Golf balls must be furnished by the individuals.

Different kinds of tournaments will be held from time to time within the women's group which will stimulate the individual improvement.

**LADIES!**

After the SPINSTER SKIP BRING YOUR MEN to the **VAR-SITY** For Delicious Food

**Vandals Rally**

In the top half of the eighth, the Vandal hitters, who had shown no power to date, opened up slugging single. Little George Kannikberg, led off with a Huffman waited out a walk, and then Frank Viro, veteran catcher, poled a tremendous double against the left field, bank to score both runners. Chuck Couper kept the rally alive with a one-bagger, but Viro was tagged out trying to bring in the winning run. Undaunted, Hank Crowley slapped out a line drive over third base to score Couper and the winning tally.

In the second encounter, Idaho's freshman southpaw, John Robinson, after a slow start, gained momentum, and hurled a tight ball for five innings. The game was called at the end of the fifth with the Vandals leading 1 to 0.

The game was featured by an unassisted double play by first sacker Hank Crowley, who snagged Mitchell's line drive and tagged the returning base runner.

The Vandals ran across their lone counter in the second frame, then sat back and played tight defensive ball, coasting on to win.

# Du Pont Digest

Items of Interest to Students of Science and Engineering

## Research Problems in the Manufacture of Nylon

Last month in this space the development of nylon was traced from a fundamental research study on linear polymers to the first synthetic organic fibers, the superpolyamides. This installment deals with the complex manufacturing research problems that followed.

From the start there were obstacles to the production on a commercial scale of the "6-6" polymer—so named because the adipic acid and hexamethylenediamine from which it is made have six carbon atoms each.

Although adipic acid was being produced in Germany, it was necessary to develop a new process to meet conditions at Du Pont's Belle, W. Va., plant, where, because of the catalytic technique involved, it was decided to make this intermediate, Hexamethylenediamine, was only a laboratory curiosity, and a process for its commercial production had likewise to be worked out. Fortunately it was found that the diamine could be made from adipic acid by new catalytic processes. The results of these investigations may be summarized as follows:

**Chemical Reactions:**

$$C_6H_4 \xrightarrow{H_2} C_6H_{10}$$

$$C_6H_4 \xrightarrow{O_2} (C_6H_7)(COOH)_2$$

$$\text{Benzene} \rightarrow \text{Cyclohexane} \rightarrow \text{Adipic Acid}$$

$$+H_2 \rightarrow C_6H_5(CN)_2$$

$$\xrightarrow{H_2O} (CH_2)_6(NH_2)_2$$

$$\text{Adiponitrile} \rightarrow \text{Hexamethylenediamine}$$

$$(CH_2)_4(COOH)_2 + (CH_2)_6(NH_2)_2 \rightarrow$$

$$\text{Adipic Acid} + \text{Hexamethylenediamine}$$

$$\xrightarrow{H_2O} \text{HOOC(CH}_2)_4\text{COOH} \cdot \text{NH}_2(\text{CH}_2)_6\text{NH}_2$$

$$\text{Nylon Salt}$$

$$[ \dots \text{CO(CH}_2)_4\text{CONH(CH}_2)_6\text{NH} \dots ]_x$$

$$\text{A Nylon Polymer}$$

The synthesis of intermediates was only part of the problem. Nylon polymer was an entirely new material with properties different from any previous synthetic product. It provided the first example of spinning fiber from a molten polymer (m.p. 263°C) and required entirely different techniques from rayon spinning. Information was acquired only by painstaking experimentation at each step.

**Manufacturing Process Outlined**

The process as finally developed for the manufacture of nylon and its fabrication into yarn may be briefly outlined as follows:

Nylon salt is heated in an autoclave with addition of stabilizers to control molecular weight and viscosity. A long-chain linear polymer is formed with a molecular weight of 10,000 or higher.

The melt is converted to solid chips that are later re-melted and extruded through a spinnerette to form filaments at a speed of 2,500 feet a minute. The filaments are then drawn out to about four times their original length in order to develop the desired textile qualities characteristic of nylon.

These operations sound simple enough, but some of the problems encountered were extraordinarily difficult. For example, a specially designed grid for melting the polymer was necessary because of the poor thermal conductivity of the polymer; pumps had to operate at 285°C. with only polymer as a lubricant; special abrasion-resistant steels that did not soften or warp at 285°C. were necessary; the spinning assembling, required radically new engineering developments to produce the necessary fiber qualities.

All of these chemical, physical and mechanical engineering problems had to be solved and dove-tailed into a unified process before manufacture of nylon could be undertaken. In all, about 230 technical men and eight manufacturing and staff departments share the credit for making nylon the important part of American life it is today.

**Questions College Men Ask About Working With Du Pont**

**WHAT ARE THE OPPORTUNITIES FOR ENGINEERS?**

Most openings at Du Pont are for chemical and mechanical engineers, but openings are also available for industrial, civil, electrical, metallurgical, textile, petroleum and other engineers. Practically all types of engineering are required in the work of the ten manufacturing departments as well as in some of the staff departments. Write for the booklet, "The Du Pont Company and the College Graduate," 2521 Nemours Bldg., Wilmington 98, Delaware.

BETTER THINGS FOR BETTER LIVING THROUGH CHEMISTRY

# Representatives Meet To Select Next Year's Concert Attractions

Representatives of the Moscow and Pullman Community Concert associations met with representatives of the WSC and University of Idaho associations last week to select six musical attractions for next year.

The meeting marked the close of the spring membership drive which saw approximately 600 memberships renewed both at Moscow and Pullman. Students of the two schools automatically are entitled to concert attendance through student fees.

**Next Year**  
Chosen for next season's concerts were:

At Moscow, the Don Cossacks, Russian male chorus; Jussi Bjoerling, Swedish tenor; and Carol Glenn, young U. S. violinist.

At Pullman, the Infantry Chorus of 40 male voices which gave 2500 concerts during the war; Maryja Jonas, Polish pianist; and Nadine Connor, American soprano.

**Last Concert**

The appearance of the Minneapolis symphony orchestra at Pullman on Tuesday, April 1, put the finishing touch to the 1946-47 concert series. Students, faculty members and townspeople from the surrounding area filled the J. Fred Bohler gymnasium to its capacity.

The director, Dimitri Mitropoulos, conducted without a baton or score, as he feels that "you can't keep your eye on music on a desk, turn pages, and still command an easy flowing performance from the orchestra."

Other artists in this series were Dorothy Maynor, Josh White, Jennie Tourell, Whittemore and Lowe, Joseph Schuster, and the Pasquiere trio.

## Five Years Ago In The Arg

"Always bet on the black 'hawg'." This is what 1942 students learned after Wilburforce, a fleet-footed 200-pound hog, won going away in a race with Bill Micklich. "Wilbur" just wanted to see what life on the campus was like and left his home at the university barns to find out for himself. He was discovered behind the Sigma Nu house, pursued across the campus to Paradise creek where he lost his pursuers.

A fire swept through the cook's rooms and the kitchen at the Kappa Kappa Gamma house making it impossible for residents to eat at the house. However most of the damage was due to smoke, according to Joyce Kenworthy, house president.

Gordon Williamson, president of the junior class, left for Fort Lewis where he will be inducted into the army.

The academic council applied a rule of a 10 per cent grade cut for absence in connection with the spring vacation.

Ray Turner, Idaho's northern division basketball scoring record holder, was named to the northern division all-conference team by a unanimous vote.

Eulaine Helmers, president of Alpha Epsilon Delta, pre-med honorary, was elected to represent the organization at the national convention.

Idaho riflemen won the ninth corps area ROTC rifle match for the second consecutive year.

## Bulletins Mailed For Summer Term

University press service announced the mailing of seven thousand summer school bulletins for 1947 last week.

The bulletin announces June 12 as the opening date of the summer session and includes a list of summer benefits such as guest professors, smaller classes, an abundance of dormitory space and a wide range of courses with special workshops, conferences, institutes and clinics.

Interested persons may obtain a copy of the bulletin from the Registrar's office in the Administration building.

## Concert Presents Musical Trio

Carl Claus, violinist, Edmund J. Marty, on the French horn, and Joseph Brye, pianist, were presented in a concert Tuesday night, April 8, at the university auditorium. The concert was sponsored by the Moscow Fine Arts club, of which Mrs. Albert W. Slipp is president.

For the concert Mr. Claus, who is the university symphony orchestra director, played Vitali's "Ciaccona." Mr. Marty, director of the university band, then played "Cornucopia" (A Sheaf of Minstrelsy) Op. 95 by Dunhill. The four movement selection included Andante con moto, allegro vivo, adagio, and presto.

Continuing the program, Mr. Brye, piano instructor, played "Prelude in E flat minor," Shostakovich; "Toccata," Khatchaturian; "Prelude in E flat," Rachmaninoff; and "Etude in D sharp minor," Scriabine.

Concluding the concert was a trio composed of all three men, who played Brahms' "Trio in E flat, Op. 40."

## Kendrick Is Host To Alumni Group

Members of the alumni organization and the university physical education department met in Kendrick Wednesday evening in honor of the Kendrick high school basketball team which recently won the state "B" championship crown, according to James Lyle, alumni secretary.

Speaking at the meeting were Steve Belko, freshman coach, Paron Shoemaker, football end coach, Stanley Hirsman, track coach, and Guy Wicks, baseball and basketball coach, all from the University of Idaho.

Four high school basketball teams from central Idaho also attended the meeting.

## KUOI

A radio feud with shades of the Jack Benny-Fred Allen rivalry has appeared on the local airways.

The antagonists are Harry Lamson and Ted Cady on their respective request programs, Graveyard Shift, 11 to 12 p.m. Monday, Wednesday and Friday; and Yours for the Asking, 4:30 to 5 p.m. daily.

## Two Visit Campus From Montana SC

Dr. Katharine Roy, Dean of Home Economics and Mrs. Evelyn McCormick, assistant professor of Home Economics, at Montana State college are guests of Miss Margaret Ritchie today.

Dr. Roy and Mrs. McCormick will visit the home economics department and attend a luncheon as Miss Ritchie's guests. They have been attending the Inland Empire Education meeting in Spokane.

## Dean Carter Heads Northwest Section

Dean Louise Carter was elected president of the Northwest section of deans of women at an Inland Empire meeting held at the Lewis and Clark high school in Spokane Wednesday.

While at the meeting, Mrs. Carter reported on the national convention for deans of women which she attended at Columbus, Ohio.

## INFIRMARY

**Patients**

Edith Rankin, Evelyn Young, Joyce Dunn, Martha Killgaard, Romayne Diehl, Stan Godecke, Lonnie Rea, Thomas Potter, June Carnie, Marybelle Carnie, Dwight Smith, Richard Pennell.

**Discharged**

Raymond Ashworth.

## Dr. Verner Returns From Meeting

Dr. Leif Verner of the horticulture department recently returned from a chemistry convention at Oklahoma City. He was sent to help keep Idaho Experiment Stations abreast with latest developments on new sources of farm income.

Several chemurgic projects are being carried on under a special research fund set up by the 1945 legislature and renewed by the 1947 legislature.

## Pianist Presents Senior Recital

Gloria Ray, pianist, presented her senior recital program last Wednesday evening at the University Auditorium. Miss Ray is a candidate for the B.A. degree in June of this year.

For her recital she played "Polonaise in A flat major, Op. 53," Chopin; "Etude in E major, Op. 10, No. 3," Chopin; "Reflets dans L'eau," Debussy.

Concluding her program she played "Concerto No. 1, in E flat major" (Triangle) by Liszt. For her final number she was accompanied on a second piano by her instructor, Hall Macklin, who played the orchestral parts.

## Dormitories Get Six Cold Units

Long needed refrigeration units are now being set up for the use of the university dormitories, according to Robert Green, director of dormitories.

The new units are Navy surplus, pre-fabricated, portable outfits and are to be set up near Pine Hall. There are six individual units and one of them is to be used for the storage of frozen foods while the others will be used for keeping potatoes, apples, and other fruits and vegetables.

It is estimated that they will be ready for use within three weeks, since work is to start immediately.

## Sigma Tau Pledges Five Engineers

Sigma Tau, national engineering honorary, recently pledged five men. Selection of the men was determined by scholarship, adaptability, and practicality from the junior and senior engineering students.

New pledges are John A. Runberg, John Hansberry, Charles Peck, John Wolfe, and Wilbur D. King.

Initiation ceremonies will be held in the LDS Institute this afternoon at 4:45 p.m.

He: "How many drinks does it take to make you dizzy?"  
She: "Four, and my name is Daisy, not Dizzy."

## Students Travel To Yellowstone

Thirteen members of the Idaho School of Forestry's game management class and their instructor, Kenneth Hungerford, snowshoed over Yellowstone park trails last week.

The students went to the park to study winter feeding of elk, deer, mountain sheep, moose and buffalo. By going to the park at this time of the year, they saw many animals that the summer tourists miss. The animals are now concentrated on winter range in the lower valleys, and start heading up the mountains as mild weather and the tourists come.

The students also visited fish hatcheries and spawn taking stations at Boyeman, Anaconda and Harrison, Mont.

Those who made the trip were Lawrence Arneson, James Mattox, Roger Guernsey, Jack Bodery, Ralph Diddrickson, Kyle Bates, Samuel Greenfield, James Mizuki, Donald Hyder, Louis Engstrom, John Lynstad, Richard Morse and Arthur Weddle.

## Hansen Elected FFA President

Orval Hansen, a freshman student in the college of agriculture, has been elected president of the Future Farmers' association of Idaho. This is the first time a man outside of high schools has been elected to this position.

Hansen and Milan Bush, a sophomore in agriculture, are applying for the American Farmer Degree, the highest degree that can be awarded in Future Farmers. The opportunity for application is given to only one member out of every 1000 Future Farmers in each state.

Hansen, from Idaho Falls, recently participated in the state Future Farmers' convention held March 27 to 29 at Boise.

Mother is the necessity of invention, said the sweet young D. G. as she crawled through the window at 3 a. m.

## OFFICES WILL HAVE GRADES

Nine weeks' grades will be available to students at their desks in the Associated Students' deans' offices about the middle of next week.

## DOIN' IT THE NEW WAY

Twelve voting machines will be used in the Associated Students' forthcoming election April 16.

## Hosack Co-Author Of China Article

Robert E. Hosack, university political science instructor, and Paul Myron Anthony Linebarger have written a chapter entitled "The Republic: Phase of Resurgence," (1928-1946) in the book "China," edited by H. F. McNair.

This is one of a series of United Nations books put out by the University of California. Mr. Linebarger is assistant professor of political science at Duke University.

Mr. Hosack is an expert on politics of the Chinese Republic. He also is the author of "The Shantung Question and the Senate," printed in the "South Atlantic Quarterly," April, 1944.

## McIntosh Visits From Purdue

Gary McIntosh, a former student and Phi Gamma Delta, flew to Idaho for the holidays from Purdue university where he is training to be a veterinarian. He visited friends on the campus and his parents who live near Lewiston.

McIntosh, who majored in animal husbandry while at Idaho, has a herd of 30 registered Shorthorn cattle at his home in the Tammany district near Lewiston with which he has won three reserve championship awards at the Spokane Junior Livestock show in the last few years.

Jealousy is a kind of friendship that exists between women.
