Alpha Chi Boxers Slug Way To Championship

Slugging their way to four individual championships, Jim Farmer, Bob Degen, Bob Day, and Jerry Diehl, attired in gaudy red and green trunks, captured the novice boxing team championship for Alpha Chi Omega Saturday night in Memorial gymnasium.

Thanksgiving is here again, and with it come the usual gripes concerning the one-day holiday. The university's answer to those complaints appears in a "Dear Jason" letter on page two of this issue.

At Idaho, Thanksgiving has come to mean two days of skipped classes as well as turkey, cranberries, and a gathering of the family.

For many students it represents hurried long distance phone calls, frantic arrangements for transportation, and a long, cold automobile trip on icy highways.

But to the veterans, and probably to others, Thanksgiving at the family dining table is worth the missed classes and the dangerous highways.

Not At Home
Any veteran who has spent two, three, or four Thanksgiving days in Italian mud, or in a New Guinea jungle, wants to be eating Mother's turkey if it is at all possible.

There is quite a contrast between eating a drum stick while surrounded by a happy family and slipping turkey broth in a drizzling rainstorm among fifty or sixty unshaven, tired G.I.'s. Incidentally, the G.I.'s never said much as they ate on Thanksgiving day.

Jason hopes that professors will remember those far-off holidays many Idaho students spent too many of. As far as that goes, the red pencil shouldn't be used rough. (Continued on page 4, col. 3)

COMING EVENTS

TODAY
The Science club will meet at 7:00 in Science 312 to elect officers.

There will be no IK meeting this week. The next meeting will be Wednesday, December 3, at 8:45.

Members of the School of Business Chamber of Commerce will meet at the old Ad building steps at 12:30 for Gem pictures.

Phi Upsilon Omicron will meet at Hays hall at 7:15 for Gem pictures.

Alpha Zeta will hold initiation at the Delta Chi house at 7:30.

The Mental Hygiene association meets at 7:30 in the Bucket Coke room.

There will be a meeting of the Idaho Chemistry Society at 7:00 in Science 312.

The meeting of the Shutter and Lens has been cancelled.

WAA meeting, regularly scheduled for Wednesday, will be held this evening.

SAI Gem pictures will be taken at Hays hall at 5:00.

Sophomore song practice for the Holly Week serenade will be held at 7:30 in room 110 of the Science hall.

All members of the Idaho Engineer staff are requested to meet with Editor Les Lash in the Idaho Engineering office at 5:00.

The Dames Club Choral group will meet at 7:00 at the Center music cottage.

There will be a meeting of all physical education enthusiasts at 7:00 in the women's gymnasium for the organizing of a student association of health, physical education and recreation.

Alpha Phi Omega will meet at 7:30 in the Bucket Coke room.

The third of the AWS exchange dinners will be held from 5:45 to 7:00. Idaho club guests arrive at 5:15.

WEDNESDAY
The Dames club will meet for the regular meeting at the Faculty club.

MONDAY
There will be a 4-H meeting at the Bucket Coke room at 4:15.

Twenty-four 'Sweethearts' Vie For Sigma Chi Title

One of these 24 girls will be named Sweetheart of Sigma Chi and presented with the sweetheart trophy at the fraternity's eighth annual dance December 6. The contestants are, from left to right (front row): Rita Stewart, Delta Delta Delta; Pat Hankins, Gamma Phi Beta; Lela Gardner, Pi Beta Phi; Rose Mary Andries, Ridenbaugh hall; Cathy Burleigh, Ridenbaugh hall; Ramona Borne, Idaho Club; Ruth Heid, Forney hall; Noreen Daugherty, Alpha Phi; (second row): Beverly Evans, Delta Delta Delta; Jean Richards, Alpha Chi Omega; Bonnie Graham, Idaho Club; Bonnie Scott, Kappa Alpha Theta; Elaine Hildon, Forney hall; Pat Nelson, Alpha Phi; Avano Morse, Delta Gamma; Bernadene Reese, Alpha Chi Omega; (third row): Joan Link, Delta Gamma; Corrine Schumacher, Hays hall; Mary Stringer, Hays hall; Nancy Duerig, Pi Beta Phi; Ruth van Engelen, Kappa Alpha Theta; Beverly Halliday, Gamma Phi Beta; Joan Rowberry, Kappa Kappa Gamma; and Dora Gaudin, Kappa Kappa Gamma.

Many Dates For Candidates

Engineers Slate Semi-Formal Ball For December 6
The annual Engineers' Ball sponsored by the engineering department, will be held December 6 in the Student Union ballroom. Music will be furnished by the Rhythmaires.

The ball was an outstanding social event of pre-war years. Though formal in the past, the dance will be semi-formal this year. Jim Burton, general chairman of the dance reports that the engineers are striving to make it one of the best dances of the year.

Ticket sales will be limited to 300 couples at \$1.50. The ball will reflect the activities of the chemical, agricultural, civil, electrical, and mechanical engineers.

Patrons will be President and Mrs. J. E. Buchanan, Dean and Mrs. Alan S. Janssen, Prof. and Mrs. C. A. Reidesel, Prof. and Mrs. J. W. Martin, and Prof. and Mrs. Hugo Johnson.

No Arg Friday
The Argonaut will not be published Friday. The staff like their turkey, too.

TMA's Give Hop; Dinners
Two turkey dinners at the Hotel Moscow will be given as door prizes at the "Holiday Hop," all campus sport dance sponsored by the TMA, Wednesday night, Bernard Smith, president, announced.

Tickets are on sale with the town men and may be purchased at the door Wednesday night. The door prizes for the lucky tickets will be given at a drawing during the intermission. Tickets are priced at \$1.50.

Jack Furey and his orchestra will play for the dance which is to be held at the Blue Bucket ballroom. Entertainment is being planned by the TMA for the intermission.

Smith says that the TMA hopes to make this an entertainment feature for those students that can't make it home for Thanksgiving. If the dance is the success that it is expected to be, it will be an annual affair in the future.

The town men have invited all students from WSC to come to the "hop" on Thanksgiving eve.

Patrons and patronesses for the evening will be Mr. and Mrs. Emmet Spiker and Mr. and Mrs. Arthur Ladd.

With seven o'clock breakfast for 12 of its sweetheart contestants this morning, Sigma Chi completed the first half of its eighth annual sweetheart contest.

Of the 24 girls in the contest, six will be chosen as finalists. At the intermission of the sweetheart dance December 6, the winner will be announced and presented with the sweetheart trophy.

Breakfast Monday and this morning were the last of the five dates each contestant had at the house, according to Jack Lein, social chairman. Mrs. Edna V. Gardner, Delta Delta Delta housemother, acted as house mother at the breakfast dates.

Fireside Guests
Friday night the contestants were guests at a formal fireside at which Mr. and Mrs. Sumner Delana and Mr. and Mrs. James Pease served as chaperones. After the fireside, the contestants were serenaded in an all-campus serenade.

Saturday's activities consisted of an informal Sigma Chi derby and a parade of the campus.

The schedule for the remainder of the contest includes the serenade of the finalists, December 1, and luncheon and dinner dates with the finalists during the week of December 1. Ballots for the sweetheart will be cast at the end of the week and the result will remain unknown until the winner is announced by President Dean Brown at the dance.

Payments Extend Through Vacation
All student-veterans attending colleges under the G.I. Bill will receive unbroken subsistence payments for the full enrollment period, providing there are no more than 15 days between terms, under new procedures put in effect by the VA this fall.

Eligible college students will be granted 15 days leave automatically, to permit continuous payment of subsistence, unless the VA receives a request not to grant such leave. Such requests must be received at least 30 days before the end of the fall term.

Time on leave between terms will be charged against a veteran's entitlement, so veterans preferring to forego the leave in order to make use of their entitlement for actual schooling should be sure to notify the VA to that effect before 30 days from the end of the term.

MEN TO LET HAIR GROW
Men at Texas Christian university are growing long hair as a protest against \$1 haircuts. Some of them expect to start wearing ribbons to hold their hair in place.

GRAD VISITS FRIENDS
Dr. and Mrs. Ray Currie will visit the campus this week. Dr. Currie, a graduate of the university, is now in practice in Oakland, Calif.

Sophomores Schedule Holly Week, Announce Committee Chairmen

Guns No Help For Hunters

Hugh C. Manis and Dare Kibble got their deer Saturday without firing a shot.

Manis, head of the entomology department, and Kibble, business student, hunted from dawn to dark near Princeton, Idaho, with one near-miss as the only reward.

On the return trip, a 4-point 200-pound buck jumped into the path of Manis' automobile, denting the left fender and door—and killing himself.

"It's getting to be habitual," Manis sighed, as the pair loaded the deer on the car. "The same thing happened last year in Montana."

Wiese, Keith Leave For Chicago Show

Dr. A. C. Wiese, head of the agriculture chemistry department, and Dr. T. B. Keith, associate professor of animal husbandry, will leave tonight for the International Live Stock Exposition to be held in the international amphitheater at the Chicago stock yards where they will represent the University of Idaho.

The exposition starts November 29 and ends December 6. Dr. Keith will attend meetings at the Sherman hotel Friday and Saturday.

Piano Students In Music Recital

A closed recital for piano students in the department of music was held last night in Center Cottage.

Appearing on the program were Mona Shulenberg, Mary Lou Snook, Warren Johnson, Betty Tellin, Rita Reynolds, Pat Day, David Sampson, and Sidney Buchanan. All compositions on the program were by Chopin.

NEW BUILDING AT OSC
An electrical engineering building is being built at OSC. It will cost \$850,000, and will be ready for use next fall, according to Prof. F. O. McMillan, head of the electrical engineering department.

On behalf of the Associated Students of the University of Idaho may we, the Executive Board of the A.S.U.I., extend our warmest thanks to you, your staff, and all the members of the 1947 football team for the fine record set this fall.

Looking at this year's achievements we can safely say that our team has found a new spirit which will carry over into all the ASUI activities. We are truly grateful and we want you to know that the student body is 100 per cent behind you in any endeavors which your staff may undertake for the future programs.

Respectfully yours,
WALT SMITH
ASUI President

Pine Hall Men Subscribe For Fire Insurance

Roughly one-half of Pine hall's residents 171 men, have taken out Personal Fire Insurance policies, for a total value of \$65,000. This policy will cover personal effects of the men, including clothes, blankets, and radios.

This is the first time such a cooperative policy has been carried out successfully on the Idaho campus in the halls. It was made possible by investigation by Phil Smith of the system used at WSC last year and earlier this year in all their halls.

There it is compulsory to subscribe while the Pine hall plan is voluntary. It is also more flexible in amount of coverage, for \$200 is the only amount permitted at Pullman. Provision is made for terminating the coverage of those individuals who leave or move out of the hall at the end of the semester and for new men coming in, all on a pro-rate basis.

Smith Directed
This program was carried out under direction of Phil Smith, hall president, and Keith Ricman, insurance chairman. Aiding in the various wings of the hall were Dave Lewis, Eugene Lewis, Abe Ehrlick, Richard Horton, Norman Tilley, Charles Kand, Wilbur Andrew and Truman Davidson.

In order to diversify the risks, the policies are distributed among the following companies: United States Fire Insurance company, Camden Fire Insurance association, Philadelphia Fire and Marine Insurance company, and The Michigan Fire and Marine Insurance company. The Weisel Insurance Agency of Moscow, through its campus representative, Ted Yocum, wrote the policies for the companies.

Sophomore Holly Week has been scheduled for the week just before Christmas vacation, beginning December 15. The traditional sophomore serenade of Christmas carols will follow an assembly held Monday night, December 15, in the auditorium.

The dance to be held in the Memorial gymnasium on Thursday night, December 18, will climax the week. A Sophomore Holly Queen will be crowned the evening of this dance. The queen will be selected from the following who represent each women's living group on the campus:

Queen Candidates
Louise Miller, Delta Delta Delta; Jean Carter, Delta Gamma; Betty Tellin, Hays hall; Jo Anne Elam, Gamma Phi Beta; Josephine Bauman, Idaho club; Gladys Taufen, Alpha Phi; Wilma Hodge, Forney hall; Betty Ann McCune, Kappa Alpha Theta; Barbara Collins, Pi Beta Phi; Ella Marie Farnlin, Ridenbaugh hall; Margaret Eke, Alpha Chi Omega; Joan Litchfield, Kappa Kappa Gamma. Delta Tau Gamma has not yet chosen a queen candidate.

The sophomore class officers, Morgan Tovey, president, Willis Sweet hall; Charles Clark, vice president, Pine hall; Bruce Stucki, treasurer, LDS house; and Elenore Strange, secretary, Ridenbaugh hall, met recently and appointed chairman to head the various committees for Sophomore Holly Week.

Holly Week Chairmen
Clint Peterson, Campus club, will be in charge of the dance committee. Betty Tellin, Hays hall, is making arrangements for the serenade. Dick Smith, Alpha Tau Omega, will head the assembly committee. Chairman of the decorations committee is Zane Hall, LDS house. Tom Rigby, Lindley hall, and Weldon Clark, Willis Sweet hall, will work together on the tickets and programs. Co-chairmen of the publicity committee are Bob Jones, Willis Sweet hall, and Sue Beardsley, Delta Gamma. Billie Goeling, Forney hall, will be in charge of the refreshment committee. (Continued on page 4, Col. 1)

Pianist Featured In Third Concert Of Winter Season
Maryla Jonas, talented Polish pianist, will present a concert in the men's gymnasium in Pullman Monday, December 1, to which Idaho students will be admitted with their ASUI books.

Maryla Jonas made the most sensational debut of any pianist within recent times, on February 26, 1946, and repeated it with an even more triumphant second recital five weeks later on March 30. Miss Jonas has established herself within this brief period among the handful of today's piano titans.

Madame Jonas opened the present season with three appearances with the New York Philharmonic Symphony Orchestra in October. She gives her first New York recital of the season on December 7, in Carnegie Hall.

Columbia records has just released Madame Jonas' first album of Chopin recordings. A second album will be introduced later in the year.

Wrote Jerome Bohm in the New York Herald Tribune of her debut recital: "Maryla Jonas plays in the grand manner." And the World-Telegram: "We heard the echoes of long ago grandeur." And from the Post: "Big surprise No. 1 of the season."

Miss Jonas is now on a sold-out coast-to-coast tour of the country. She will play in many of the major cities in the United States including Dallas, El Paso, Los Angeles, San Diego and San Francisco.

WSC Prexy Injured In Auto Accident
Dr. Wilson Compton, WSC president, and Mrs. Compton were injured Friday night when their car left the icy highway five miles north of Colfax and rolled over an embankment.

Mrs. Compton received a possible concussion, cuts and bruises and Mr. Compton suffered a broken rib.

They were enroute to Seattle to attend a meeting of the college board of regents.

CADET RETURNS
Herbert Arnett, ROTC cadet officer returned this week from the Scabbard and Blade convention held in Cincinnati, Ohio, where he represented the university.

130-Pounders Slug It Out
Charles Christensen (left), Alpha Phi sponsored boxer, and Bill Edwards of the Delta Gamma team are pictured above fighting in the 130-pound class finals. Held Saturday night in Memorial gym, this fight was one of the most bitterly contested bouts of the evening. Christensen defeated Edwards to win the championship.

Team Participates In Practice Debates With Six Schools
Members of the varsity debate team participated in a pre-season practice tournament at Gonzaga, Friday as they faced six other schools on the question, "Should a Federal World Government Be Established?"

Each team debated three times and each debate lasted an hour, first taking the affirmative, then the negative side of the question. No winner was declared but the debates were judged. A. E. Whitehead, debate coach, said, "Idaho won ten decisions as against fourteen lost."

Other schools participating were Washington State college with twelve teams; Gonzaga with seven; North Idaho College of Education with two teams; North Idaho Junior college, one; Whitworth, three; and Whitman with eight teams.

The members of the debate squad were Jack Menge, Tom Rigby, Roscoe Buckland, Geneva Ferguson, Shirley Jacobsen, Carol Fitch, Paul Rigtrup, Don Bunge, Ed Aschenbrenner and Grant Sautle.

Others were Henry Curtis, John Gibbs, Perry Dodds, Arthur Sutton, Julius Peterson and Ethel Beal.

The first regular Northern Division debate will be held in Walla Walla, December 4, 5 and 6, and will be sponsored by the Western Association of Teachers of Speech.

Vets To Discuss Coop Grocery
There will be a meeting of the veterans of the emergency housing projects tonight at 7:30 in Navy 105.

Plans for starting a cooperative grocery store for married vets will be discussed at this meeting which is under the auspices of the local chapter of the American Veterans Committee. The groundwork has been laid for it. All it needs is popular backing. Anyone interested is invited to attend.

For additional information Miss Bartelmez may be contacted by telephone 8441 or in Administration 329.

Going Home, Thanksgiving?

"Goin' home for Thanksgiving?"
 "Nope."
 "Didja go home last year?"
 "Nope."
 "Year before?"
 "Nope."
 "When were you home last for Thanksgiving?"
 "Five years ago."
 "How come?"
 "Well, three years I had dates with Uncle Sam, and the last two years it has been deemed necessary that I stay at the university and go to school."
 Once again our greatest national holiday arrives, and once again school reconvenes on the next day. Then, the usual weekend. Thanksgiving—the American's day of charity and hospitality. A holiday that means exactly what it says, thanks-giving. A holiday decreed and established by our government, but only formally acknowledging a custom prevailing in American families.
 For Thanksgiving is not a day for the individual. It is a day the family gets together in complete accord. It spoils the meaning and effect of Thanksgiving to look around the table and see an empty place where a family member should be, and could be, if human thoughtfulness would take the place of an efficient machine.
 It makes it doubly hard to think that only one day interferes to keep the holiday from being a four-day vacation. Yet there are those students who will skip school Friday, and then again, there might be an "I'll fix that" attitude taking form in the shape of a Friday quiz.
 Of course, it is far more important to spend a day consuming technical knowledge with its worldwide confusion and doubts than to spend a four-day weekend in relaxation at home—isn't it?

Lein Baffles Candidates At Sigma Chi Derby

By HOWARD REINHARDT
 (Sigma Chi Press Agent)

Quentin Rasputinreynolds of the Slobbovated Press might like his job better if he had been assigned to cover the Sigma Chi Derby Saturday afternoon. Twenty-four co-eds spent the afternoon doing all sorts of things that would make Rasputinreynolds forget about his.

"I've been r-r-r-robbed!" Officer Richards got her man though and as a reward spent the afternoon sitting on Lew William's lap. His complexion will never be the same again.

Flash Bulbs
 Bill Koelch spent the afternoon popping flash bulbs, missed a picture of Dwight Akers being wrapped in a diaper, got one of a battered Sigma Chi ash tray receiving an amorous kiss.

Corrine Schumacher, Hays hall, was the only one that beat the professors at their own game. Asked to use the word "aliphatic" in a sentence, she replied "Aliphatic is a big word." Lein presented her with the fur-lined booby prize.

And then, as the setting sun sank slowly into the west and Kenworthy took the matinee prices off of his movies, the day was over. Lein unlocked the doors, and let the girls go home.

For a man of Rasputinreynolds' journalistic talents it would have been a golden opportunity.

Did you hear about the little Moron who thought Western Union was cowboy's underwear?

14 Feet Tall?
 At the house Lew Williams measured the girls' heights. He must have been blinded by some beauty because he listed one girl as 14 feet tall.

Fred Willett insisted that they should let him watch. Lein told him to go on home, only girls are eligible this year.

Dean Dimick measured their head lengths and widths. He didn't get very accurate results because some of the girls wouldn't stop talking. Of course, he didn't need very accurate results. Head sizes don't indicate anything at all. But Dimick was having fun.

Ruth Heid, Forney hall, stepped up to have her horse-power tested and found out she was nearly as strong as a lumberjack. Then she threw tennis balls at Rastus Ashby. He, too, found out that she was nearly as strong as a lumberjack.

Dr. Pratt
 Dr. Francis Chapman Pratt took time out from his lectures to test reflexes. Lein gave him a rubber mallet to use in the test, but Frank said, "Mallet, hell! I'll do it my own way."
 Lein and Herman Joachim decided they wanted to do a routine so the girls were called upon to play a crooked game called "Truth or Consequence." They were given one-tenth of a second to answer such questions as "what is a goof-fang? Apparently frosh don't study about gooffangs any more for not one of the girls knew that it is a fish that swims backwards to keep the water out of his eyes."
 For missing such a question, Bonnie Scott, Theta, had to play cops and robbers with Jean Richards, Alpha Chi. Lein looked at Bonnie from top to toe (with a few detours) and said, "I can think of a crime." A minute later, the silence of the house was broken with Bill Lasswell's shouts of

Fred Pennell, Campus Cop, Approves Idaho Good Will

By MARY LOUISE WILL

Dick Tracy, Fearless Fosdick, Anyface—the man answering to these names can be seen almost any place on the campus during the day and occasionally at night. In real life he is Fred Pennell, campus patrolman in charge of protecting all university property and students.

When asked what his major duty was, he answered "Guard girls at crossings so cars won't run over them (especially ladies)." Fred says his pet peeve are those inconsiderate people who cut across the lawns.

Fond of the West

Born and raised in the east, Fred has been in the Northwest for several years and says that he is "very fond of the West." He is familiar with this particular area since he not only raised cattle in Whitman county, Washington, but also attended Washington State College for two years. During the time he attended WSC, he reported that moonshine cost \$10 to \$20 a gallon. He thinks students were more serious about their work in those days since money was more scarce and many of them were working their way through school. From his experience at WSC, where he took business here, "College days are the best days of a person's life."

Fred has been at the University of Idaho a little over a year and says he thinks both the faculty and students are very friendly.

Outdoor Sports are Favorites

When asked if he likes outdoor work he replied, "Don't fence me in!" In line with this he said his favorite sport is "Blue Skies." His favorite sports are picnicking, fishing, football, baseball and he says he is "crazy over saddle horses."

As to the most unusual incidents encountered he said, "Working at night, you run across embarrassing moments." The question most asked him is "Where can we park?" He reported that he encourages students to stay out of the arboretum.

Asked whether he preferred blondes, brunettes or redheads, he replied that the choice was difficult. (He was sitting with a blonde and a brunette in a campus restaurant at the time.)

Fred's concluding statement was "I don't mind being interviewed but I wonder how cars have been run off with while I'm here in the Nest?"

Students Attend HomeEcWorkshop

Marion Eisenhauer, Jeanne Hoffman, and Miss Elsie Nielson attended the annual Work Shop of Province 13 college club groups of the American Home Economics association at Oregon State last weekend.

The convention included forty women from Washington, Oregon and Idaho. Discussions were held concerning improvements of home economic club programs and new methods for running clubs. Exchange students from China, India, Sweden and the Philippines spoke.

Dear Jason

This is a reply to the questions raised by students, regarding the Thanksgiving holiday. When the school calendar was prepared, one day, November 27, was set aside as a holiday. There were many reasons behind this decision, the primary ones being that:

1. many parents are opposed to their sons and daughters coming home over that weekend because of the danger involved in traveling by car, the added expense, and the fact that it is only a matter of approximately three weeks until the Christmas holidays and
2. that it is the responsibility of the University to hold classes a definite number of days during the year without unduly prolonging the school year.

Classes will be held as usual on Friday and Saturday following Thanksgiving and responsibility for attendance is entirely in the hands of the students.

H. E. LATTIG,
 Director of Student Affairs.

Dear Jason,

A few weeks ago we circulated a petition requesting the university to negotiate a contract with the Veterans Administration so that veterans attending the university could take flight courses and receive credit for them under Public Law 346.

If a minimum of 15 students wish to take the training and can meet the following requirements, the university will give serious consideration toward offering the program.

The requirements are as follows:

1. The candidate must have at least a sophomore standing.
2. He must receive the approval of his department head and dean.
3. He must be passing in all subjects for which he is enrolled.
4. He must have ample entitlement over and above that which will be needed to complete his educational objective.
5. He must enroll for the entire course. If he should need less than the maximum time, adjustments will be made later.
6. The institution must certify to the V.A. that the course in flight training is voluntary by the veteran and is a related and useful part of the educational objective of the veteran in his chosen field, and that academic credit is being given, therefore, for partial fulfillment toward the objective.

Perhaps this joke wasn't meant to be an insolent remark. However, in the future Jason might use a little more discretion.

Signed,

Songs And Socks Flood Ether On KUOI

It's a left to the head, and a strong uppercut to the jaw—Traaaalalalalalal Traalalalal Jones counters with a terrific left hook to the head and—"I'll be with you in apple-blossom time."

Do you hear phantom female voice in the night—hmmmm?

Well KUOI does. If you listened to the fight broadcast Wednesday night from the Memorial gym, sported by Harry Howard and Don Bullock you may have heard a chorus of female voices singing melodic bits in between their commentaries.

This was just as much a surprise to KUOI as it was to the listeners. The only explanation thus far offered for the phenomenon is that certain broadcast lines of several national broadcasting companies which parallel KUOI's lines through the underground maze of heating tunnels, may be shorting out against KUOI's lines, causing the jumble of music and melodrama.

Infirmary Reports Only One Patient

The approaching holiday season has apparently aided the general health of students this week as infirmary reports state that only one student remains on its roster. The lone patient is Merlin Francis.

Those who have been released are Elden Sliika, Joy Ann Rossmann, Virginia Moore, Margery Sandell, Norman Lodge, Peter Wilson, Francis Flerchinger, Jack Dana, Lois Hodgson, Mary Burns, Jean Knudsen and Patricia Clark.

Psychologists have discovered that the seat of emotion is usually the davenport.

Business, too, must have expert navigation

IN the telephone business, much of the knowledge of "where we are" and guidance as to "where we are headed" comes from the analysis of statistics.

Telephone statisticians and engineers are constantly studying trends and figures. They assemble the facts, analyze them, correlate them, discover their significance, draw guidance from them.

The work of these men is vital to our never-ending task of improving telephone service. In such work many college-trained men have found satisfying and rewarding careers.

And this is but one of the many interesting phases of the telephone business.

There's opportunity and adventure in telephony.

University Couple Tell Engagement

Mrs. O. G. Chrisman of Salt Lake City announced the engagement of her daughter, Katusha, to Roger McHan, son of Mr. and Mrs. E. R. McHan of Idaho Falls, Tuesday evening at the Delta Gamma house.

The engagement was revealed at a dinner where the ring was displayed in the center of a large nosegay. The color scheme was carried out in bronze, pink and blue and each guest received a small nosegay as a favor. Special guests were Mrs. Chrisman, Mrs. Zoia Van Winkle and Mrs. Herbert Samms.

Miss Chrisman is a junior majoring in bacteriology and is affiliated with Delta Gamma. Mr. McHan, a sophomore, is a pre-med major.

No definite plans have been made for the wedding.

Four Pledged To Mining Honorary

New pledges for Sigma Gamma Epsilon, the professional mining honorary, are Dick Adelman, James Browning, Robert Carpenter and Walter Shaw, said Jack E. Smedley, organization president.

A formal meeting of Sigma Gamma Epsilon was held Tuesday afternoon. The pledges were given a brief history and the purpose of the organization. Pledges also received the formal invitation to join.

Plans are being completed for a joint banquet with the WSC chapter to be held at the Moscow hotel on December 11. Guests will be the faculty of the school of mines, student pledges and members from both schools.

Harmsworth Plans Talk On Marriage

Dr. Harry Harmsworth, head of the sociology department will speak to members of the Mental Hygiene association, at 7:30 tonight in the cokeroom of the Student Union building.

The subject of his talk will be "Marriage and Mental Hygiene" and will be the third in a series of talks presented to the group this year.

A recent poll conducted by members of the Mental Hygiene group revealed that the average student's interests don't lie in obtaining high grades but in such fields as marriage, alcoholism, delinquency and crime.

An encouraging sign, Dr. Harmsworth stated, was the fact that the topic, "Vocational Orientation" drew third place while "Investigation of Criminality" and "Investigating Your Mind" were tied for fifth in student preference.

Alum Keeps Busy At Philippine Job

The revived University of Idaho Alumni Association reaches into far places for its membership. James Lyle, association secretary, received a letter this week bearing the postmark, Escalante, Occidental Negros, Philippine Islands. The writer was Lucas J. Guirnela, an engineering graduate of the university in 1924.

Now the chief engineer of a Philippine sugar company, Guirnela wrote briefly of the Japanese occupation of the islands and asked about his classmates and teachers. He also listed the names and ages of his eight children as prospective students at the university.

She is the type that whispers sweet nothing doings in your ear.

Hello Walk Turns Into Ice Slide

Students started a new winter fad on the campus after the light snowfall Thursday evening. Snow made all the sidewalks slippery, especially the steep "Hello" walk leading from the Ad building.

In the morning the students started to slide down the walk until by early afternoon a slide of about 75 yards was formed. People formed in droves to take turns sliding down but most of them fell before reaching the bottom of the walk.

Late that same night several Sigma Nus who decided to start their own winter fad were seen sliding down Elm Street hill on a shovel.

Rifle Team Scores

Valeta Hershberger and Audrey Miller, members of the women's rifle team, tied for first place last week, with the highest weekly scores. Both girls shot 98 out of a possible 100 for two positions, prone and sitting.

Mary Ellen Edwards, Amelia Steiger, Sally Foskett, and Ruth Peterson shot 98 out of 100.

Women shooting the highest weekly scores between September 22 and December 6 will receive medals, according to Col. B. H. Hensley, professor of military science and tactics. Medals will be gold, silver, and bronze for first, second, and third place winners.

Vandals Open Basketball Season With 58-37 Win Over Loggers

Eighteen Vandals Perform Before 1800 Spectators

The Idaho Vandals opened their 1947-48 basketball season Saturday night with a 58-37 victory over North Idaho College of Education at Lewiston. "Chuck" Finley, Vandal mentor, used all eighteen members of his squad in defeating the hard-fighting but outclassed Loggers.

A crowd of 1800 fans watched the fast and weaving offense of the Idahoans carry them into an early lead which they never relinquished. The score at the half favored the Vandals, 20-16. The Loggers, unable to dent the Idaho defense, refused to give up as Tim Hayhurst swished in four long ones to keep his team in the game. High scorers for the Vandals were Dick Geisler with nine points and Jack Wallace with eight.

Moscow fans will get their first chance to see the Vandals in action when the same two teams tangle in Memorial gymnasium Saturday, November 29.

Idaho Gridders Rated High In Forward Pass Offense

The Idaho Vandals, labeled the "doormat of the conference" at the start of the gridiron campaign, are looking back over their most successful season in years.

National and Pacific Coast conference figures, released following Idaho's upset football victory over the University of Utah, which wound up Idaho's season, place the Vandal grid machine well up among the teams of the nation.

Homer J. Cooke, Jr., director of the National College Athletic Bureau, rated Idaho as 12th in the nation for forward pass offense with an average gain per game of 103.5 yards. This figure was compiled for eight games as Idaho turned in 1044 yards on 63 pass completions. Of the passes completed, seven were for touchdowns.

Idaho Passing Tops
In the Pacific Coast conference, the figures being released from the office of the Commissioner, Idaho rated fifth in the league in total offense with an average of 242.4 yards per game. Under these same figures, Idaho topped the coast in forward pass offense with the 130.5 yards per game average. In other departments, the Vandals didn't rate quite so well but showed creditably, as follows: ninth in rushing offense with an average of 111.9 yards per game; sixth in rushing defense, holding their opponents to 152.1 yards per game; last in passing defense, allowing 127.5 yards per game, just a half yard worse than Oregon State; last in punting, with an average of 33.6 yards per kick; and eighth in total defense, allowing 279.6 yards per game.

Williams and Barnes
In the individual brackets, Idaho football players rated well nationally and on the coast in several departments.

NCAB statistics show Billy Williams, Idaho's all coast candidate, as third in the nation in total offense, running and passing, with 1148 yards. In this department, Williams figured as second in the number of plays, 237. In forward passing, rated by completions, he was 17th in the nation with 50 completions in 135 attempts. Only six other throwers topped him in total yardage in the nation. His yardage was 816, and six of his tosses went for touchdowns.

Also standing out in national figures was Orville Barnes, sophomore end, who caught 21 passes for 408 yards, to rank 12th in the nation in number of passes caught and fourth in the nation in total yardage.

Van Brocklin Second
For the Pacific Coast individual figures, Williams leads easily in total offense, almost two city blocks ahead of second place Van Brocklin, Oregon, with 1148 to 858 yards. Williams is also the workhorse of the conference with 237 plays to Van Brocklin's 164. It is interesting to note that Williams gained 332 yards running, and Van Brocklin five yards.

In rushing Williams is eighth on the coast, in passing he is second, and in punt returns he is third. Barnes is in second place in pass catching, but he leads all others in total yards of passes caught.

Idaho students, alumni, and friends feel that the Vandals, under their new coach Dixie Howell, has concluded a fine season. The team won four and lost four, mostly with inexperienced youngsters. The freshman team this year won three and lost two and should provide material in depth for the Vandal grid machine of next season.

Honorary Initiates 14 Ag Students
Carl E. Neiwirth, president of Alpha Zeta, national agriculture honorary, announced the initiation of 14 new members Wednesday evening.

Those men were: Dee Harris, Walter Hoffubhr, George Woodruff, Darrell Brown, Allen Charlfin, Lewis Coltrin, Howard Copenhaver, Robert Crea, Martin Fry, Eugene Senten, Hugh Sorenson, Richard Thomas, John Lay, and Clifford Davis.

Pacing The Sidelines . . .

By HARRY HOWARD

In writing up the Pacific Coast conference for the "National Football Guide for 1947", Dick Friedlich of the San Francisco Chronicle devoted four pages to elaboration on the football prowess of the coast independents and USC, UCLA, OSC, California, Stanford, Washington, Oregon, and WSC. Then he stuck in another sentence—Montana and Idaho are the other members of the Pacific Coast conference.

When "Dixie" Howell turned down an invitation from the University of Hawaii for a New Year's day game in Honolulu, and a request from Texas for a game next year, he said, "Keep us in mind for the future". That might be good advice for Mr. Friedlich.

Hats Off to Butler
Hats off to Commander Butler and all his associates who promoted the IK-Spur novice boxing tournament. Its purpose was to further school spirit and interest in boxing—one needs only to recall the terrific crowds and universal interest to realize its success.

Commander Butler expressed his satisfaction with the manner in which the participants and the girls who backed them performed in the tournament. He commented that this can be a yearly feature if the school is in favor, and that technical difficulties which arose in this first attempt can and will be ironed out in the future.

Sloppy or Classy?
The comments were varied from classy to sloppy as the "Chuck" Finley edition of Vandal basketball made its debut against NICE in Lewiston Saturday.

It's quite early in the season to be labeling them sloppy. As for the other comment—the evidence was there. They were a basketball team—not five individuals, and given time to iron out the rough spots, they may cause a lot of headaches in the conference this year.

Here's More About JASON
Behind the name of any student who gives in to the warm human desire to be at home on America's day of thanks.

Say "Thanks" With Meaning
Americans have plenty to be thankful for this year, as with every year since 1776.

Editorial writers are fond of telling their readers why they should be thankful, and Jason is no exception this week.

Americans have seldom had it so good. As people we like to gripe about high prices, scarcities, and anything else that doesn't suit us. But take a look around.

Notice the shiny automobiles lined up in front of the men's houses. Check the bright new clothes the women are wearing. Drop in the Nest or Bucket and watch the coffees and cokes being consumed by the gallon.

Jason will leave it to you to contrast all this with conditions in other countries.

America has plenty to be grateful for on Thanksgiving day, 1947.

Powers Defeats Bretz In Bout

Jim Powers, sponsored by Delta Delta Delta, is shown above receiving a glowing blow from John Bretz, Alpha Chi team member. Powers defeated Bretz in the finals held Saturday night to win the heavyweight championship of the tournament.

Varsity Boxers Turn Out For Initial Practice

With five returning lettermen and a host of newcomers to the ring, the Idaho Vandals began their initial boxing turnout last night in Memorial gymnasium. For weeks the Vandal sluggers have been assisting in the novice boxing tournament but have now settled down to attempt to retain their National Collegiate boxing title, which they hold jointly with Wisconsin.

Heading the list of returning lettermen is Herb Carlson, 155-pound national champ. Other lettermen are Ray Radford, Dorsel McClure, Darrel Titus, and Ted Diehl.

Laune Missing
Missing from last year's championship squad are Laune Erickson, three times national collegiate title holder, in the light-heavy class and the 165 pound division, Bill Williams, Pacific Coast 145 pound champ in 1942; and Ray Engberson, last year's Pacific Coast 135 pound title holder.

Coach Ken Butler stated he has several prospects from last year's squad who didn't make their letter. Among these are Ken Clark, who was out of action most of the season because of nose injuries. Rex Foreman, Howard Morton, and Omar Campbell.

Frosh Team
Coach Steve Belko has asked that all freshman football players report at 12:20 Wednesday, November 26, for annual squad pictures for the Gem.

Gridiron Fans See Thriller

There were plenty of thrills for football fans at Harvard and Yale over the weekend. In Friday games, the Harvard Jayvees defeated the Yale Jayvees, 28-26; and the Harvard Fresh edged the Yale Fresh, 27-26.

Yale had its revenge in the varsity game Saturday when they measured Harvard, 31-21.
