## Pep Rally Tonight Will Begin Dad's Day Celebration

**The GOLDEN FLEECE**  
by Jason

Activities between the two "cross-the-line" schools, Idaho and WSC seem to have subsided on this side at least to be replaced by enthusiastic Dad's Day plans. The Arg-office becomes a teaming mass of publicity men, promotion writers, and free-advertisers. Each one wanting this or wanting that. Each one with a gripe of some kind or another. Everyone gripes except Jason—he's just tired.

This year, once again the Brown Stein is in the offing. With the whipping that WSC gave Montana, spirits on the Idaho campus seem to be at a peak. After all Jason heard the student prexy, Dave Weeks, remark that he was confident that he wouldn't have to walk to WSC this year. So—if Idaho can beat WSC, let's all see Montana take a tromping tomorrow.

**Student Elections**  
Next Wednesday, campus elections will be in full swing with would-be politicians all over the campus at one another's throats. Campus politicians are going from house to house and giving the famed campaign promise and telling you to vote a straight Independent or Greek ticket.

That is the way politics works. Get the public to vote your party in on a straight ticket.—Look how much better cooperation can be obtained when the party that is running the show all belong to one side of the fence. But, does that mean the best persons will be put in office to run your student government? It does not!

In the first place, and Jason firmly believes this, there are probably five men in each house on the campus that could handle the job as well as the fellow who is voted in by popular ballot. Yet the big guns from both parties will be around to tell you who to vote for and how to vote. You vote a straight ticket and perhaps you will get some of the better boys. But stop to consider that you may be getting someone not so sharp who is merely riding a Greek or Independent ticket through to what he considers fame.

**Vote for the Man**  
The Frosh and even some of the Sophomores on the campus cannot be expected to know the persons for whom they are voting but nearly all Juniors and Seniors running for office are known by the members of their classes. A man's past record will speak for itself. If a man has conscientiously given of his time to activities that affect both Greeks and Independents without discretion, he is probably one who would serve efficiently. Too many politicians are persons who have done nothing except within their own party and that activity usually consists of helping to build up the barrier between the two parties.

**This The Nineteenth Century**  
Year after year the students are fed with propaganda building up a feeling against the other party.  
(Cont. on page 5, col. 7)

**TODAY:**  
Student wives will meet in Women's gym for volleyball and badminton tonight.  
**SUNDAY:**  
Record concert in small upstairs lounge, Bucket, at 4 p.m.  
Wesley Foundation meeting at 5 p.m. at the Methodist church.  
**MONDAY:**  
Important meeting of Student Federalists at 7:30 p.m., upper lounge, Bucket.  
Hell Divers meeting at 7:30 p.m. at pool. Initiation of new pledges will be held.  
There will be no meeting of the Gem State sharpshooters.  
**TUESDAY:**  
Young Republicans meeting at 4:15 p.m. in Coke room, Bucket.  
Interfraternity council meeting in upstairs lounge of the Bucket at 4:30 p.m.

### Behind-The-Scenes Crew Listed For Student Play

Production crews for "Family Portrait," ASUI play to be presented December 3 and 4, were announced yesterday by Miss Jean Collette, dramatic head.

Charlotte Greenwood and Harry Dalva are assistant production managers; Margaret Payne, technical manager; Ruth Fisk, stage manager; and Bob Forster, assistant stage manager.

Collen Christensen and Bonnie Shuldberg were named co-chairmen of the properties crew. Elaine Androes, Beth Lillard, Betty Jean Morris, Georgia Stonemetz, Evelyn Inghram, Paula Smith, Louise Grider, Beth Tiltonsen, Beth Hargrave, Kathleen Stevens, Ellen Carson, Barbara Swanstrum, and Jean Kettenbaugh are other crew members.

**Others Assist**  
Dressing crew chairmen are Barbara Mariner and Pat Robinson. Working with them are Betty West, Alice Nesbitt, Donna Broyles, Joan Coble, John Irving, Helen Payne, Zeola Shaffer, Judy Hutchinson, Carol Organ, Jane Fisk, and Blanche Erickson.

Members of the stage crew are Dwight Sutton, Robert Spaulding, Verden Hockett, Marion Forrey, William Greenwood, John C. Fox, Ken Briggs, Bob Holloway, Gary Nefzger, H. S. Scranton, Bob Webb, Dale Everson, Mary Ann Leavitt, Janice McCormick, and David Craner.

**Many Customers**  
Donna Lou Taylor and Margaret Harris will head the costume crew. Assistants include Lois Winner, Barbara Schaff, Sue Beardsley, Laurene Olsen, Jane Bowman, Janie MacMillan, Jean Lindstrom, Elanta Wegner, Marilyn, Heiprich, Janet Barrett, Doris Moore, Janet Fulton, Sylvia Auger, Joan Korter, and Connie Hammond.

Electricians, headed by Harry Lamson and Wayne Loveless, are George Brabb, Donna Broyles, and Bruce Tingwall.

Neal Christensen and Marian Sherman will have charge of all art work for the production. Rich Pennell and Guy Terwilliger are heading sound work. A makeup crew will be announced at a later date.

**Engineer Smoker**  
An Engineer's smoker will be held Monday evening at 7:30 p.m. in place of the regular meeting scheduled for the American Institute of Chemical Engineers.

The regular meeting, postponed until Tuesday evening, will be held at 7:30 in the Engineering building, room 104. The business meeting will be followed by a movie on plastics.

All chemical engineers are urged to attend these functions.

**Committee Plans Dad's Day Activities**  
Happy that their work is nearly finished and with a welcome to the Dads, the Homecoming committee pose for the Arg photographer. From left to right they are Betty Teilla, Louise Miller, Bob Dahlstrom, Bill Hansen, (back row) Jim Spoerhase, Ronald Kieth Adams, Jack Taylor, and Morgan Tovey.

### Marryin' Sam To Appear

Large, round, and straight from Dogpatch, Marryin' Sam, vividly portrayed by Jim Spoerhase, will officiate at the mock weddings after the Sadie Hawkins race during the half-time of the Idaho-Montana football game Saturday. The winning couple will be married in the pseudo wedding.

### Food Costs Listed High For Halls During Semester

Labor, operations, and food costs at the four university dining halls totaled \$181,166 for the second semester of 1947-48 according to Robert Greene, director of dormitories.

Serving about 1200 students, Lindley, Hays, Willis Sweet, and Pine halls spent \$125,816 for food, \$46,723 for labor and \$8,625 for operations from February 1, 1948, to June 2, 1948. Other costs such as insurance, depreciation and repairs are not included in the above compilation. Of the total amount for labor 106 part-time student workers earned \$21,035 as kitchen helpers.

A breakdown as to the particular types of major staples purchased shows:  
Bakery products \$4826, beverages \$1169, butter \$5596, cereals \$1257, eggs \$4766, fats and oils \$2115, fruit \$9405, meat, fish and poultry \$44,633, milk \$10,265, vegetables \$9,821.

This list does not, of course, include the estimated \$210,000 expended by the various fraternity, sorority and cooperative houses on the campus that take care of about 1200 students.

One alluring (from the feminine standpoint) contention is exploded by these figures; it is that the appetite of the female bears an intimate relation to the delicacy and refinement of her nature. The occupants of girls' residences devour, financially, as impressive an amount of food per capita as do the men.

### Recitals Planned

Three student recitals are scheduled by the department of music in November. The first of these, featuring advanced students of voice, piano, violin, and other instruments, will be presented Sunday, November 21, at 4 p.m. in the auditorium.

Closed practice recitals for these concerts will be held at 5 p.m. November 3 and November 10 in the auditorium. All music majors and minors are required to attend.

### Half-Time Activities To Be Spiced With Racing Sadies And Lil Abners

#### Babes Butcher Bert's Brush

"Quick, get a camera, get a notebook, there's someone being scalped out in front of the Bucket!" came the cry yesterday afternoon.

Object of the Gamma Phi "fleece-ing" was Bert "I love to tickle 'em with my whiskers" Sorenson, who was beset by a large contingent of the aforesaid critters armed with shaving cream and razors (with blades in 'em).

Rallying their cohorts to action Irma Troutman and Evelyn Adams proceeded to truss Sorenson with some half-inch cables until he was firmly bound to a nearby oak.

Then the bloody battle began—the razors flew and Sorenson's whiskers dropped. Suddenly a group of stout-hearted men led by Jack Lewis fought their way through to their trussed-up buddy and cut him loose from the clutches of the female tonsorialists.

Note: Will anyone finding a slightly bruised and bloody chin please return it to Bert "Leno the Lamb" Sorenson at room B-5, Willis Sweet hall.

#### Peabody Reports Board Of Regents Rated Efficient

The board of regents of the University of Idaho is rated one of the "most efficient in the nation," according to the latest Peabody survey.

In addition to supervising the activities of the university, the board has other functions, including programs for the blind and physically handicapped. Also, the board has over-all supervision of all educational activities in the state of Idaho.

**Lattig Praises Board**  
The board consists of five members, appointed by the governor for one year terms, with the state superintendent of public instruction as ex-officio member.

Dean Lattig praised the board, stating they have done a fine job over the years.

The president of the board is Emory A. Owen, attorney from Idaho Falls; N. F. McNaughton of Couer d'Alene is vice president; and other members are J. L. McCarthy, Orofino; Mrs. Maude C. Huston, Boise; John B. Remsburg, Jr., Rupert; and state superintendent, Alton B. Jones, ex-officio.

#### Aggies Plan Dance

The annual "Ag Bawl," sponsored by the Ag club, will be held in the Bucket ballroom Saturday, November 6. Dress for this all-campus affair will be levis and plaid shirts.

#### State Federation Presents Awards For Student Use

Two \$750 foreign student scholarships were made available to the university this week by the Idaho state federation of women's clubs. A check for \$1,000 was presented to President J. E. Buchanan by Mrs. J. J. Gill of Moscow, representing Mrs. H. L. Hogsett, Twin Falls president of the Idaho federation.

"Some of the nation's leaders were aided by loans from the federation when they were Idaho students," stated President Buchanan in announcing official acceptance of the gift by the board of regents. "Now it is hoped that future international leaders will benefit from the new program sponsored by this group of state club women."

**Greatest Number of Loans**  
Over 800 Idaho men and women students have been aided by this program which, since 1906, has made nearly \$100,000 available in scholastic loans. The Idaho federation has made loans to more men students than any other state federation in the nation.

Other gifts accepted by the board of regents included \$1,000 from Frederick G. White, Portland, to establish a loan fund for forestry students in honor of former university student, Richard Garrigus White, killed in World War II; \$265 was donated by the Moscow American Legion post to establish an American Legion loan fund for veterans of World War II. All rights to the words of "We're Here to Win" were designated to the university by its author Judge Arthur S. Guerin, Idaho alumnus now living in Los Angeles.

#### Student Voters Should Register

Students eligible to vote in the national elections November 2 must be registered in one of the Moscow precincts by October 30. Besides being 21 years of age, persons voting must have lived in the state six months, in the county 30 days, and in their voting precinct 10 days.

Campus residents are in precinct No. 8 and must register with Guy Brown, 704 Deakin Avenue and at the fire station on South Main. The trailer village is in precinct No. 1 and residents there must register with Mrs. W. F. Durbin, 505 South Jackson, and at the Thompson Motor company on West Third Street. West Sixth and North Main Vets villages are both in precinct No. 2, which registers with Mrs. Elmer Paulson, 228 North Asbury, and at Helbling Bros., 202 West A.

#### Talent Winner

"Miss Montana" Patti Luer from Montana State university won a \$1,000 scholarship for being rated among the first fifteen in the recent "Miss America" contest. Miss Luer was one of the first place winners in the talent contest.

#### Beards Judged At 9

All beard growers are asked to be at the dance in the Blue Bucket ballroom Saturday night, beginning at 9 p.m. Beards will be judged there and winners announced at intermission. Numbers will be pinned on contestants upon entrance to the dance and prizes will be awarded for the heaviest beard, the most unique beard, the best attempt, and the youngest person present with a beard. Three Dads will be picked from those at the dance to act as judges.

#### COEDS' TROUBLES PEGGED

A graduate student at the University of Connecticut made survey of 145 girls living in dormitories, which revealed that "friction between girls was caused mostly by 'lack of similar interests'."

The Dad's Day pep rally tonight will begin at 7 p.m. in front of Forney hall, continue across the campus, and wind up in downtown Moscow, Yell King Dean Mosher announced yesterday.

Proceeding from Forney hall, the group will pass the Gamma Phi, Tekes, Kappa Sigs, Delta Chis, Fijia, Kappas, Phi Deltas, DGs, Betas, Sigma Nus and Alpha Chis to the Alpha Phi-Tri-Delt Corner.

Students will then turn east to Main Street, and north to the block between Davids' and the Moscow hotel. Yells will be led when students are assembled in this block. All living groups are asked to meet the rally along Elm street at the corner most convenient for that group, and to be sure to bring Dad along.

Saturday's activities will begin shortly before game time. Dean

**REGISTER YOUR DAD**  
Students may register their Dads in the Bucket lounge Saturday from 8:30 to 12 a.m. Ribbons will be given to the Dads to wear which will admit them to the dance and give them the right to purchase special tickets for the football game, sitting in the student section. This registration will also be for the purpose of counting the number of Dads visiting each living group so that points can be determined for awarding of the cups.

Mosher has asked all students whose Dads are not present, to sit in the card section and be in their seats by 1 p.m. Students are also requested to wear white clothing for the game. The game will begin at 2 p.m.

**Anchor Displayed**  
Prior to the game time, the university NROTC unit will parade on the field. The university band will then take to the field and form a large block "N," and the student card section will display a large anchor. While this stunt is being performed, the band will play a tribute to Navy day. Also at this time, naval aircraft from Spokane's naval air reserve unit are scheduled to fly over the stadium. The unit will then present the colors and the game will begin.

At half-time, the annual Sadie Hawkins day race will be held with twenty-two Daisy Maes chasing twenty Lil' Abners. The fortunate females who manage to catch a man, by fair means or foul, will be given "Marryin' Sam's" best \$2.79 wedding, complete with congratulations to the "lucky" woman, sympathy to the former carefree bachelor, hoopin' and a hollerin'. Jim Spoerhase will be at his best as "Marryin' Sam." A rare collection of Dogpatch citizens, those who are either too repulsive or too old to run, will be on hand to witness the celebration.

After completion of the race, the band will again take to the field while the card section performs card tricks for Dads present.

**Beards Judged At 9**  
All beard growers are asked to be at the dance in the Blue Bucket ballroom Saturday night, beginning at 9 p.m. Beards will be judged there and winners announced at intermission. Numbers will be pinned on contestants upon entrance to the dance and prizes will be awarded for the heaviest beard, the most unique beard, the best attempt, and the youngest person present with a beard. Three Dads will be picked from those at the dance to act as judges.

Music will be furnished by Fev Pratt and his orchestra from WSC. Tickets at \$1.50 are on sale in all men's living groups.

#### Fighter Squadron To Open Navy Week Show Tomorrow

Commemorative ceremonies of the one hundred and seventy-third birthday of the U. S. navy will be conducted at the Idaho-Montana game tomorrow by the university band, NROTC units, and rooting navy men who gave their lives in World War II will be conducted in the Methodist and Catholic churches of Moscow this Sunday.

Open house for the public is planned by the naval unit at the navy building on Navy day, October 27, from 2 to 7 p.m. Students and faculty are invited to inspect facilities of the unit, teaching and training methods now used by the navy. Gunnery trainers, radar, and World War II action films will be shown at that time.

## To The Associated Students Of The U. Of I. And W.S.C.

Due to malicious destruction of property and personnel of both the U. of I. and W.S.C. in the past years, the ASUI Executive Board and the ASSCW Board of Control resolve that such malicious action taken by students of either school may be expected to result in such consequences as deemed necessary by these student governments.

## \$177 Worth

At next week's executive board meeting, Idaho's student representatives will probably cast a vote making ASUI a member of the National Students Association. NSA is supposedly able to do a lot of things for Idaho at a cost of only \$177 per year.

Is the investment worth it for a bunch of beard-growing, beer-drinking men and a bunch of class-cutting, gum-chewing women—that is the Idaho student body?

At the present time NSA committees are investigating everything from academic freedom to minimum student wages. Although NSA is doing the investigating, it will very probably be local campus organizations who get something done about the committees' recommendations.

At least theoretically, NSA offers an opportunity for a student purchase system to reduce costs through mass buying. However, such an enterprise would require the establishment of a complex system and a business outlet which Idaho is unable to provide.

NSA has already taken a stand on the refugee question and plans to express their opinion on other subjects. It seems that the NSA would have trouble deciding the students' wishes. Just because we happen to all be college students doesn't mean that we have other interests in common.

The southern students would certainly object if NSA endorsed civil rights, some more liberal northern representatives would probably object if NSA did not. Such a heterogeneous group as the American students would probably have as much trouble deciding what they want to be law as Congress has in deciding what will be law.

Probably NSA is trying to grow too fast and is trying to do too much at first. However, NSA is undoubtedly in a position to do Idaho and ASUI some good. The best way to find out whether it will do \$177 worth of good is to try it for a year.

—H. R.

## Let's Keep It Going

Election time is approaching again. Next Wednesday students will cast ballots for their choice of class officers for the coming year. From all reports and thus far seen political maneuvers, Idaho's campus will see a strenuous campaign.

A strong campaign waged by both parties is a good thing. It arouses student interest in the candidates and in ASUI government functions. Campaigns conducted along messy, vandalistic lines tend to do exactly the opposite. Attention is diverted from the candidates to the political tactics. Little serious thought is given to actual voting.

Either political party will be wise to follow the example set by their leaders in last spring's student body election. Pasted handbills and malicious paintings on buildings and sidewalks were kept at a minimum. Rallies and street dances took their places.

The total vote this year should be heavy. The interest is running high. Nominees listed by both parties appear to have been selected carefully and all are worthy of having their names and person kept high in the minds of the voters. Altogether, the 1948-49 class elections should provide a memorable campaign. If Idaho's political bosses use their heads, it should be a clean campaign.

All you repulsive beasts desir'n a yung red-blooded American critter of the opposite sex for an unlucky husband, please read this heer:

1. On October 23 (Dad's Day), all you pigs after one of these heer prizes line up under the goal posts.

2. Th' unhappy flower of Dogpatch manhood is allowed to start on the goal line, ten yards ahead. We bin tryin' to get Senator Phogbound to pass a law givin' more lee-way, as any-buddy knows th' blindin speed of the predacious female on a man-hunt, but so fur we ain't had no luck, due to th' power of th' hubby lobby.

3. At the firin' of the shotgun, traditional symbol of happy marriage, these fine young gennulmen will flee for their freedom, an' these yere ten-toed monsters will attemp' to ruh 'em down.

4. Each o' these females must ketch her man alone an' unassisted with only that which the Good Lord—er sumbuddy—has give her. Guns, ropes, knives, bar traps, and clubs over 14 pounds wuz outlawed four y'ar ago.

5. No kickin', bitin', or scroungin' in the clinches—leave th' lovmakin' till later. Remember, gals, y'all winches a whole man when it's over.

6. At the soundin' of the referee's horn, the festivities ceases, and any unhappy critter in the clutches of a female must allow hisself to be led to the stand an' submit to the unholy bonds of matrimony.

## Dear Jason

Dear Jason,

My friends were speaking last night about the pleasant times, the gay adventures, the happy evenings that would be spent by their offspring while attending the university in the years to come.

"Imagine them, pal, walking arm in arm, slowly, happily, without a care in the world, down Hello Walk, their young faces aglow with the joy of just being alive."

"Ah, yes," my other friend replied, "and perhaps they will stop for a moment to chat with some friendly old professor, who has been slowly trudging his way up the Hello Walk on his way to class. Ah, the joy of college life."

"But there they go again," the first said, with a look of sheer joy, "merrily tripping along, on their way to the Student Union Building," he exclaimed, "for they are going dancing!"

"Oh, no, they don't want to go in there. It's too crowded."  
"It's too crowded? Why?"  
"Why, this is only 1973. They haven't got the addition to the Student Union Building built yet!"

## BUCK SHOT

BY STAN GODECKE  
Take a girl to a football game? Why, Bud, such a date implies weakness of the intellect—worse than that, it's just plain foolish.

The average coed simply isn't football minded. Oh, she'll cheer and yell when the home team makes a touchdown, but when it comes to understanding the finer points of the game you may as well date a Cuban Jai-Lai fan.

Remarks like "Oh, Hector, those silly little men in striped shirts are always dropping their handkerchiefs—why don't they use Kleenex when they have colds?" often drive strong men to drink.

No Opposition There  
The Lord will forgive Hector if he hits his sweetie with the nearest soda-pop vendor if she asks him why those stupid players try so hard to carry the ball over one goal-line when "anybody with any sense can see how much easier it would be to run back and carry it over the other goal-line."

We once had a friend, a great sports fan, who took his fiancée to her first football game. It was a thriller—complete with flat passes, broken-field running, cross-field laterals, and the like.

Waste Of Time  
All through the game the apple of his eye carried on a conversation about knitting with a friend of hers, another sweet thing who sat in front of her. She looked up just in time to see the last play of the game—a brilliant interception of a pass for the only score of the game.

"Why didn't he do that a long time ago?" she complained. "We could have gone home so much earlier."

Now he's resting under the supervision of his family doctor. Take 'em to dances, hayrides, movies, or to clubs, boys, but when it comes to football—let 'em listen to the game over the radio.

## Coed Clout Shoot Set For Wednesday

Second in a series of co-recreational clout shoots will take place on the archery range by the Memorial gym at 4 p. m. Wednesday, October 27.

"The shoot will consist of four ends of six arrows each at 20 yards, and four ends at 30 yards," said Helen Thomas Marshall, archery manager.

Bob Sojanichan, with a score of 130, took first place at the clout shoot held October 16. Clyde Winters scored a second place of 110, followed by Tom Ferree.

"Both men and women are invited to participate," added Mrs. Marshall. In case of bad weather the match will take place in the women's gym.

Women like you keep our Army and our Air Force in the best physical condition in the world. Graduate nurses, dietitians, physical and occupational therapists are tremendously important to our Army and Air Force at home or overseas, for it would be impossible to operate efficiently without the helpful care of women skilled in those fields.

As a Medical Department dietitian, you will probably first be assigned to a large station hospital to assist with the hospital food service. There, and everywhere in the Services, you will find rotation of assignments. Physical and occupational therapists will work with the most modern equipment in treating a wide range of patients, gradually helping them regain physical and mental health. Army nurses and Flight nurses are trained to handle a great variety of cases, and are given opportunity to specialize according to their interests.

But whatever your specialty, you will have the prestige of a highly respected profession and the excitement which goes with a military career. Wherever you go, your uniform and insignia will be the mark of a noble and rewarding position. You will have the income, privileges, and friendship of officers everywhere. You will be recognized as one of a chosen few in the Army Nurse Corps or the Women's Medical Specialist Corps.

# Living Groups Honor Dads With Evening Festivities

Dad's Day dinners, open house functions, and several pledge dances will highlight this weekend's social activities. Dinner exchanges were popular with living groups Wednesday, while numerous out-of-town and University of Washington guests were listed as weekend visitors.

**Alpha Chi Omega**  
Theme for the annual pledge dance last Friday was "Blue Birds of Happiness" carried out by having each pledge's name on a blue bird.  
General chairman of the dance was Marjorie Kerby. Co-chairmen were Jean Wallace and Bernadine Reese. Music was furnished by station KUOI. Patrons and patronesses were Mrs. Harriet Hankins, Mr. and Mrs. Owen Brown, Miss Billie Steelman and Joe Ueberaga.

Sunday dinner guests were Dean and Mrs. T. S. Kerr, Dr. and Mrs. Boyd Martin, Miss Ruth Erickson and Glen Lockery. Wednesday dinner guests were Norma Krigbaum and Louise Miller.

Last night Alpha Rho chapter was the guest of Omega chapter at W.S.C. for observance of Founders day.

**Delta Chi**  
Mr. and Mrs. Bill Chery and Roger Conter were dinner guests Wednesday.

Week-end guests were Ted Christy, Bob Dennison, Al Cornet, Joseph Ballew, Stan Wentworth, Keith MacDougall, Don Hansen, Ed MacDonald, and Dale Reid, all of the University of Washington, and Malcolm Updike.

**Alpha Phi**  
Alumnnae from Coeur d'Alene were guests Sunday. Mrs. John Gregory was a guest for Wednesday dinner.

**Delta Tau Delta**  
Saturday dinner guests were Tom Ekstrand and Mr. and Mrs. Chuck Daeger of Whitman college. University of Washington guests over the weekend were Bill Bair, Bill Carpenter, Bill Jewel, Ken Walters, Connie Pierson and Jim Stevens.

**Hays Hall**  
Mr. G. G. Mehl, Weiser; and Nola Billinger, Cheney, were dinner guests Saturday.

Dinner guests Sunday included Mr. and Mrs. Ralph Crane, Moscow; Mrs. Verda Speelman and Leonard Speelman, Tereiton; John Sandell, Al Albertsen; Miss Shirley Tanner, Moscow; Mr. and Mrs. V. P. Butt, Spokane; and Nola Billings.

Bobby Hargis, Ashton; and Lorraine Mulhoney, Lewiston, were weekend guests.

**Sigma Chi**  
Mr. and Mrs. Robert Strom were guests at Sunday dinner.

**Delta Gamma**  
Thursday dinner guests were Lorraine Rudolph, Yvonne Whitling, Yvonne George, Jane Clark, Rose Marie Cone, Marge Thomas, Aggie Helander and Shirley Molen. Dinner guest Sunday was B. J. Warnock from Reed college.

Guests over the weekend included Mary McCabe, Donna Nielson, Jeanne O'Brien, Joan Baird and Pat Pearson from the U. of Wash., and Joan Spencer and Elaine Morris of Coeur d'Alene. Open house and a guest dinner are being planned for Dad's day.

**Exchanges**  
Exchanges held during the week were Pi Beta Phi with Pine Hall, B; Delta Gamma with Kappa Sigma, dinner; Hays hall with Pine hall, A; Alpha Phi with Alpha Tau Omega; Kappa Kappa Gamma with Delta Chi, dinner; Alpha Chi Omega with Phi Kappa Tau; and Kappa Alpha Theta with Sigma Alpha Epsilon.

**Wills Sweet Hall**  
Mr. and Mrs. G. C. Anderson, Alma Anderson and Jim Farmer were dinner guests recently.

Patrons and patronesses at the Wigwam dance held Saturday were Mr. and Mrs. Alfred E. Halteman, T. V. Cooper and Alice Kraut. **Pi Beta Phi**  
Miss Fat Rudolph, Los Angeles; Trina Styles, Spokane; and Mrs. Bertha Hartwell, Whittier, were recent dinner guests.

Weekend guests were Mrs. C. N. Teed, Boise; Vonnice Lou Gaul, and Sue Weathersly, U. of Washington. Beverly Brainard will be in charge of Dad's day open house.

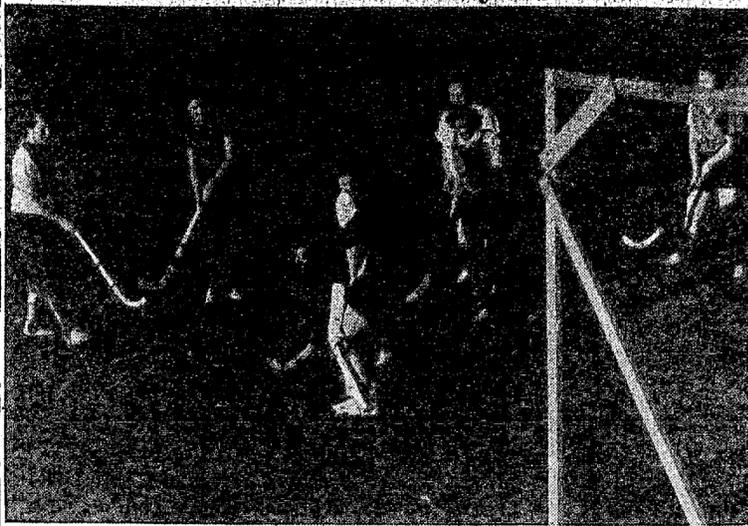

**Lambda Delta Sigma**  
Annual pledge dance will be held tonight at the Institute. L.D.S. colors blue and gold will be featured in the decorations.

Co-chairmen of the dance are Jack Poulson and Bruce Stuckl. Other chairmen are decorations, Jack Taylor; programs, Don Dahle; refreshments, Helen Means.

Patrons and patronesses will be Mr. and Mrs. George S. Tanner, Mr. and Mrs. Leon Greene and Mr. W. W. Wilde.

# Church Bells Ring As Three Couples Repeat Nuptials

Among early September weddings uniting university students were those of three members of Kappa Alpha Theta.

**Johnson-Barnes**  
Miss Marjorie Johnson, daughter of Mrs. Lula Johnson, of Pocatello, was married on September 12, at 4 p. m. in the First Congregational church in Pocatello to Orville Barnes of Caldwell. Mrs. Barnes, a member of Kappa Alpha Theta, graduated as a home economics major in 1948. Barnes, a business major, is a member of Phi Delta Theta. The couple are residing in Moscow while Barnes finishes his education.

**Anderson-Finkenbunrg**  
Miss Faye Anderson, daughter of Mr. and Mrs. Milo Anderson, was united in marriage September 4, in Idaho Falls, to Douglas Finkenbunrg of Hazelton. Mrs. Finkenbunrg is a senior majoring in English and philosophy. Finkenbunrg, a member of Sigma Nu, is taking his major in engineering. The couple will reside in Moscow where they are continuing their studies.

**Sanford-Gooby**  
Miss June Sanford of Glens Ferry, was given in marriage by her father, J. L. Sanford, to Clifford Gooby September 14, at the Presbyterian church in Moscow. Mrs. Gooby is a senior majoring in sociology. Her husband is a member of Phi Gamma Delta. Maid of honor was Miss Retha Inghram, bridesmaids were Evelyn Inghram and Pat Green, and best man was Darrell Congdon. The couple are residing in Moscow.

# Navy Appointment Forms Available

Acceptance application forms for permanent appointments in navy ranks are now available at the navy building. Eligible officers are required to present evidence of satisfactory service in active duty when making application for these forms.

No limiting date has been announced as to when these appointments must be effected. The navy department suggests that as future promotions are based on permanent grades held it is advisable to stabilize ranks as soon as possible.

# WSC Game Ducats

Buy your tickets now for the W.S.C. Idaho game, October 30! Five hundred tickets are still available, but must be purchased by Tuesday, October 26, at the general manager's office.

With ASUI books, reserved seats may be purchased for \$1.25 each.

Moscow were dinner guests recently.

A dinner will be given for fathers and other guests on Dad's day. Jerome McKinley was a guest Wednesday for lunch.

**Phi Kappa Tau**  
Dinner guest Wednesday was Bob Baird.

Tonight at the Legion cabin the annual pledge dance will be presented. The orchestra of Chuck Lyons will provide the music. Patrons and patronesses will be Mr. and Mrs. Roland Bevin, Verl Gerard, Mr. and Mrs. Douglas Carter, Mr. and Mrs. J. A. Brunzell, Mr. and Mrs. Jim Newsome and Mr. and Mrs. Don Moore. **Sigma Alpha Epsilon**  
Dinner guests Sunday were Al-dreth Helmer, Ann Poppenhagen, Fern Bracht, Ila Sample and Mrs. A. C. Lemon, hostess.

Barry McNulty, national officer, visited the chapter recently.

Saturday evening a dinner will be held for fathers and guests.

# Super Scoop Reporter Has Difficulties At Alpha Chi's

Having visions of becoming a super scoop society reporter, I visited the Alpha Chi house and knocked on the front door. If it took sociability to be a reporter, I was bound to be as friendly as possible.

Eight pledges later I ran into a gold mine of interesting information in the delightful person of the house social chairman.

Through tactful questioning, I learned that the house had had guests the previous weekend and anticipated more guests for the coming weekend. An exchange was to be held Wednesday night with some unidentified, but doubtless handsome mens' group. These exchanges, I was interested to discover, were enjoyed by the majority of the girls in spite of the minor sprains and bruises occasionally resulting.

**Pledge Flout Beards**  
Although enchanted by the lovely dusty rose shutters of the Alpha Chi house, I found their radiance dimmed perceptibly when the solemn information was imparted to me that the pledges had unanimously decided to flout tradition and refused to raise beards for Dad's day.

Sunlight broke through the clouds as I departed, turning the battleship grey walls into beautiful chartreuse, and with a tear in my eye I returned to the Arg office. The society editor greeted my efforts with visibly suppressed emotion and out of gratitude gave me a regular beat of my own.

# Program Coverage Of KUOI Enlarged

Students who miss the Dad's Day dance will be able to hear the music by Fev Pratt's orchestra anyway, as KUOI will broadcast a half-hour program from the Blue Bucket ballroom, with special features of W. S. C.'s number one band.

KUOI is continuing with its program of recording talent in the living groups, and asks full cooperation of all students in their effort.

**DRUNKARDS**  
Alcoholics Anonymous, the self-help movement that has saved more than 80,000 enslaved drunkards will establish a branch at the University of British Columbia.

**Rankin Appointed**  
Janis Rankin has been appointed chairman of election board for class elections October 27, replacing Barbara Deerkop who is running for senior class secretary on the Independent ticket.

Miss Deerkop will resume her duties as election chairman during the spring election.

# Chairmen Request Aid From Houses

The Dad's committee, through Morgan Tovey, has asked that all Daisy Maes and LPI Abners be out in front of their respective living groups at 12:30 Saturday, at which time they will be picked up in trucks and taken to Neal stadium.

Decorations chairman, Louise Miller, asked that all living groups have their house signs up prior to tonight's rally. Yell King, Dean Mosher announced that these signs can be applicable to either the football game or Dad's Day, but each house should have a sign.

Any questions concerning activities for Saturday will be answered by committee members who are: Keith Adams, general chairman; Jack Taylor, co-chairman; Bob Dahlstrom, dance; Morgan Tovey, half-time entertainment; Dean Mosher, rally; Betty Tellin, beards; Louise Miller, house decorations; Jim Spoerhase and Bill Hansen, publicity.

# Women Vets Elect

Amie Kaisaka was elected president of the Women Vet's club last Friday. Other officers chosen were Olevia Smith, secretary; and Alla Ree Howard, social chairman.

A program for the year will be outlined at the meeting scheduled next Friday.

# Lenander's Score Is High In Meet

Dean Lenander, three time let-terman on the university ROTC rifle team, turned in the highest score in a telegraphic match with UCLA and the University of Tennessee last week, scoring 371 out of a possible 400.

Freshmen shooters, led by Leonard Herrick with a 354 score, trailed closely behind other let-termen who maintained top berths in the final score. Other freshman scores were Don Nichols, 339; John Conter, 332; George Peterson, 329; and Boyd Matson, 326. Upper classmen scores were Carl Meserve, 357; Myron Hodgson, 356; and Jo Fisher, 349.

# Women Vets Elect

Amie Kaisaka was elected president of the Women Vet's club last Friday. Other officers chosen were Olevia Smith, secretary; and Alla Ree Howard, social chairman.

A program for the year will be outlined at the meeting scheduled next Friday.

# Executive Board Meets With WSC Control Board

The ASI executive board and the Washington State Board of Control held an exchange dinner meeting at WSC last Tuesday night to exchange views on policies of student government and promote better relations between the two campuses.

Discussions were held on the possibilities of controlling activities between campuses during the week preceding the Idaho-WSC football game. No definite decisions were made although a resolution was drawn between the two schools to the effect that any students causing malicious damage on either campus would be on their own and subject to such penalty as they might receive.

The dinner, served at the WSC home economics building, was attended by approximately 30 persons. Color slides of the trip to the NSA convention at Madison last summer were shown by the WSC members.

# Professors Attend Spokane Meeting

L. H. Scrivner, veterinary science, and C. E. Lampan and Charles Peterson of the poultry department attending the meeting of the Washington Baby Chick association in Spokane on Tuesday and Wednesday.

The Idaho faculty men were present as visitors at the sessions which were held in the Dayenport hotel, as the conclave was planned primarily for the benefit and participation of industrial poultry raisers of the Inland Empire region.

### Assembly Speaker Believes U. S. Will Win Cold War

"Europe—East or West?" was the topic of Dr. William M. Landeen's talk Wednesday morning at the general assembly in Memorial gymnasium. Dr. Landeen has traveled extensively in Europe and "knows the country like a next door neighbor." He is now a professor of history at Washington State college.

Three main topics were brought out in Dr. Landeen's speech. First, the people of Europe are steadily turning away from communism. Evidence of this, he pointed out, was the results in recent elections in which the communist party in the majority of countries was badly defeated in favor of democracy.

**Too Many Parties**  
Second topic stressed was the precarious state of democracy in Europe. We must not think of it as safe and secure in those countries. The voting system and political parties are causing the precarious state of democracy because there are so many parties listed on the ballot that the average voter does not know what party to vote for or what their party platforms are.

Last of the three topics discussed by Dr. Landeen was the duel between Russia and the United States. The cold war is in our favor, he said, but it is only an introductory before the final showdown.

In concluding, Dr. Landeen stated that he believes the United States will win the cold war, but the real danger comes when Russia realizes her defeat and changes her tactics. When that time comes, which will be sooner or later, America must be prepared.

### Kindschy To Head Relations Classes

Mrs. Dwight Kindschy will teach classes in social and family relations, open to all parents of Moscow, under the sponsorship of the University Home Economics Department and the Moscow P. T. A.

Classes will be held as follows: A study of the problems of children, ages through six, will be held Thursday, October 21, at 7:30 p. m. in the Ad building 304.

Problems of junior high or high school pupils will be studied October 28, at 8:00 p. m. at the home of Mrs. J. G. Wilson, 418 East B street.

A second pre-school study group will hold its first meeting Thursday, November 11 at 7:30 p. m. in the high school homemaking department.

Anyone interested in these study groups is urged to attend.

### Deadline Set For Membership Blank

Membership information blanks from each living group must be turned in to the Registrar's office not later than November 2, announced D. D. DuSault, registrar, yesterday. Blanks requesting information regarding both the group personnel and names of officers have been mailed this week to house presidents.

Scholarship lists must be typed alphabetically in triplicate and must list in order all members of the living group as of October 23, marking pledges with an asterisk, in accordance with the regulations provided by the student-faculty council last spring.

All students living in a dormitory except those enrolled either as graduate students or in partial enrollment in the graduate school shall be included on these lists. Students included on the fraternity or sorority lists must be at least paying dues to that group unless they are in full time or partial enrollment in graduate school.

**FRESH WOMEN GROUPED**  
NORMAN, OKLA.—For the first time in history the University of Oklahoma required all freshmen women students to live in the university dormitories, even if they are sorority pledges.

### WAA To Sponsor Volleyball Playday

The Women's athletic association will sponsor a volleyball playday for colleges and universities in the Inland Empire, it was decided at WAA executive board meeting October 19.

Washington State College, Northern Idaho College of Education, Whitman, and Cheney are among schools which will be invited to the all-day affair, tentatively scheduled for December 4.

**Practice Will Begin**  
Activities program for the year was also discussed. "All activities will be introduced on a schedule," said President Pete Grant. She announced that volleyball practices will begin November 15, and badminton will be included in the winter program.

Intercollegiate competition in archery and women's rifle club was considered. The rifle club will hold telegraphic meets with schools throughout the country, according to Anne DuSault, secretary.

Miss Grant announced that the point system and program suggestions will be discussed at the next executive board meeting November 2. She asked that all board members be present.

### Marine Reserves May Enter Navy

Marine corps reservists enrolled in schools of medicine, dentistry, or theology may resign or, if enlisted, request discharge from the Marine corps reserve and reappointment in the naval reserve as ensigns, probationary in the medical, dental, or chaplains corps.

Upon graduation, an ensign probationary will be commissioned a lieutenant (J. G.) in the corps of his probationary appointment. If a person does not complete his course of study, or if he fails to qualify for appointment in the navy, he may, upon his request, be recommissioned or reenlisted in his original rank or grade in the marine corps reserve.

If more information is desired, address requests to: The Director, 18th Marine Corps Reserve District, Building No. 208, U. S. Naval Receiving Station, Seattle 99, Washington.

### Many Attracted To Clothing Classes

Two adult clothing classes have recently been formed for Moscow homemakers by the home economics department. Divided according to sewing skills, classes meet each Monday evening at 7:30.

Those women with some background or experience in sewing will meet with Mrs. Stuart Dunn, Room 304 in the university home economics department. For those who wish to learn to sew, a class will be offered in the Moscow high school homemaking department under the direction of Miss Hazel Freeman, home economics teacher.

### IK's Plan To Tote Lil' Brown Stein

Two Intercollegiate Knights will carry the Brown Stein at the half-time of the Idaho-Montana game Saturday.

The stein is kept each year by the school whose team wins the game, and it has been in Montana's possession for the past year.

At the IK meeting last Wednesday evening, reports were given outlining the Spur-IK boxing tournament which is progressing according to schedule.

### Delta Chi Player Heads For The Goal

The Delta Chi and Sigma Chi intra-mural touch football squads are pictured above battling it out in the game which highlighted intra-mural play this week. Both teams were undefeated at the start of the game but before the game was over Sigma Chi fell by the wayside, 18 to 6, before the Delta Chi's powerful machine.

### Idaho Enrollment Hits New High

Registrar D. D. DuSault released figures today that would make the skeptics of 1889 raise their eyebrows. Despite the fact that hundreds of out-of-state students were denied admittance due to lack of housing facilities, an all-time high enrollment of 3,667 was attained for the fall semester. Idaho students make up 82.4% of the enrollment, out-of-state students 17%, and foreign students 0.6%. Although all counties have students at the university, those showing the biggest increase over last year were Teton, 33%; Gooding 32%; and Elmore, 25%.

In the limited number of out-of-state students registered, 43 of the 48 states are represented, plus 4 territories and 10 foreign countries. Washington has the largest representation with 208 students, followed by California, 78, and Illinois, 32.

**INDIANA'S CLASSES SMALL**  
Indiana's Evansville college has an average size of 23 students in classes on the campus. Fifty per cent of these classes have 20 students or less.

### Local Boy Scouts Ask For Aid Fri.

Earl Humphreys, local Boy Scout troop member, asked for volunteers at the Tuesday night meeting of Alpha Phi Omega to help the troop with its Review Court on Friday night.

Ten members volunteered to help the Yell King with card tricks at the football game.

Plans for the conference to be held November 13 were discussed, and the fact that Gem pictures will be taken October 26, was announced.

Tentative plans were made for formal pledging of the potential Alpha Phi Omega's. A past member, "Chip" Walter, has given a jeweled pin to be awarded to the outstanding pledge performing the most service.

### Vets Must Repay VA If They Quit Before Semester

Veterans studying in school or college under the G. I. Bill are reminded by the Veterans Administration that the VA now holds them legally liable for repayment of tuition for classes they do not attend.

A recent ruling, the VA explains, holds that veterans who drop from school before the end of a term or semester for which the VA has already paid their tuition, must refund the unused amount of tuition or sacrifice an equivalent amount of G. I. training entitlement.

**Repay Unused Portion**  
Veterans who drop from school before the VA must pay full tuition costs will have their G. I. training time reduced only by the actual amount of time in training. However, when the VA is obligated to pay full tuition to a school, the veteran who withdraws will be required to repay the VA in cash or entitlement the unused portion of the fee.

To protect their G. I. training entitlement and also help the VA prevent subsistence overpayments, veteran students are urged to notify the VA immediately whenever they intend to drop from school college or a job-training program.

### Article To Appear

"Liberalism," a paper written by Dr. Boyd Martin, head of the political science department, will appear in the next issue of the Western Political Quarterly.

In the article Dr. Martin discusses the meaning of liberalism, and offers a solution for the many political problems other than those offered by communism, fascism, and ultra-conservative forces.

### Summer Platter Releases Rate Few Letters To Home

**BY CHOOSEY**  
During the summer months while we were engaged in our peaceful siestas or backbreaking manual labor the parade of platters never ceased. The record companies continued to turn them out by the truckload.

In spite of the quantity of records, however, few have been released that are worth any flag-raising ceremonies. The trend continues in releasing a majority of slushy "moon-June-spoon" ballads of which the current favorite "A Tree In The Meadow" is a classic example.

Perhaps one of the most notable releases on a major label during the summer months, as far as jazz is concerned, was Columbia's record of Woody Herman and his orchestra doing "Keen and Peachy" backed by "I've Got News For You" which is a nice jump tune with clever lyrics; a natural for the rustic voice of Woody.

**Compares With Oldies**  
The first side is a torrid-tempo instrumental, reminiscent of the old Herman crew of Apple Honey and Northwest Passage. This disc compares very favorably with the best of the old records by the Herd and it definitely proves that the band is still capable at playing numbers of that type.

"Keen and Peachy" features fast, inspired solos by several members of the band but the solos of tenor men Stan Getz and Zoot Sims stand out in particular; all of this being backed by a terrific beat from the rhythm section headed by drummer man Don Lamond. All Herman fans should catch this record — it's a must for their library.

**Kenton Piano Interlude**  
Capitol released two Stan Kenton records during the summer. The first, entitled "Interlude," is strictly a vehicle for the Kenton piano and while it is an interesting record, featuring good piano, it doesn't stack up to most of his earlier recordings.

The backing features June Christy on "How High The Moon." This side is not too well done and is perhaps the least original number that the Kenton outfit has ever put on wax. It is a combination of previous recordings of the same tune by Ella Fitzgerald and Anita O'Day, and regardless of the merits of little Christy it must be admitted that she doesn't belong in the same class with either of the afore-mentioned warblers.

**Bongo Riff**  
The second release by the controversial Stan Kenton band was "Bongo Riff" and "Willow Weep For Me." The latter was previously released in an album and met with such response that Capitol and Kenton, never missing a chance to pick up an extra buck or two, released it as a single. The "Riff" side adequately displays the ability of Jack Costanza on his unconventional instrument that Kenton has featured so forcefully in much of his recent playing.

She: What's the dumbest animal?  
He: Sheep, my lamb.

### Engineer Delegate Reports On Meet

Charles Peck, vice president of the Idaho chapter of Sigma Tau, national engineering honorary, has recently returned from the three day bi-annual conclave held in the Stephen Foster Memorial hall at the University of Pittsburgh.

Peck was especially impressed with the tour through the gigantic 42 story Cathedral of Learning at the university. Tours were also conducted through the Westinghouse Electrical manufacturing company and the Edgar Thompson Works of the Carnegie Steel corporation, one of the oldest steel mills in the United States.

### Rifle Teams Enter ROTC Units Match

Four teams of five men each have been entered for the William Randolph Hearst Rifle Trophy matches to be held between ROTC units throughout the United States. Matches will begin in December and continue through February.

In addition, two fifteen-man teams have been entered in the Sixth Army Intercollegiate matches. The six high teams in the Sixth Army area become eligible for the National Intercollegiate Rifle matches to be held during the months of February and March. Postal matches have been scheduled with more than twenty schools and will be fired from October to April.

### Varsity Debaters Meet Britishers

International intercollegiate debate will be given the lime-light next Friday evening when Reginald Galer and Anthony J. Cox, British universities debating team, match wits with Idaho varsity debaters Shirley Jacobsen and Jack Menge.

"Resolved: That world government is the only solution for world peace" is the subject of the debate which is scheduled for 8 p.m. in the auditorium. The English team is taking the positive side.

Representing the combined British universities debating team, Galer and Cox are currently touring American universities discussing questions of permanent world peace to foster improved international relations.

### VA Gives Veterans Advice To Prevent Financial Losses

Beneficiaries of Veterans National Service Life Insurance policies should be named by the policy holders in order to prevent possible financial loss, to heirs, the Veteran's Administration announced this week.

Prior to August 1, 1946, it was not necessary for beneficiaries to be named, for the law provided for payment of the insurance to legal heirs in a specified order. Now, however, if there is no beneficiary at the time of the veteran's death, the insurance will be paid in a lump sum to the veteran's estate.

This insurance is then subject to all laws governing estates, including claims of creditors, administrators' fees and court expenses. Thus the veteran's heirs might lose some of the insurance money they might have otherwise received.

**Must Name Beneficiary**  
Veterans also name a contingent beneficiary to whom the insurance is to be paid if the first beneficiary should die without receiving the money.

Insurance is exempt from taxation and from any claims made by creditors, if a specific beneficiary is named, and the money is not liable to attachment, levy or seizure under any legal process, either before or after receipt by the beneficiary. The only exception to this rule is that the U.S. government may make claims against the insurance.

Contact representatives at the VA office, 113 South Main street, Moscow, will be glad to help veterans with their insurance problems.

### Relations Club Has Panel Discussions

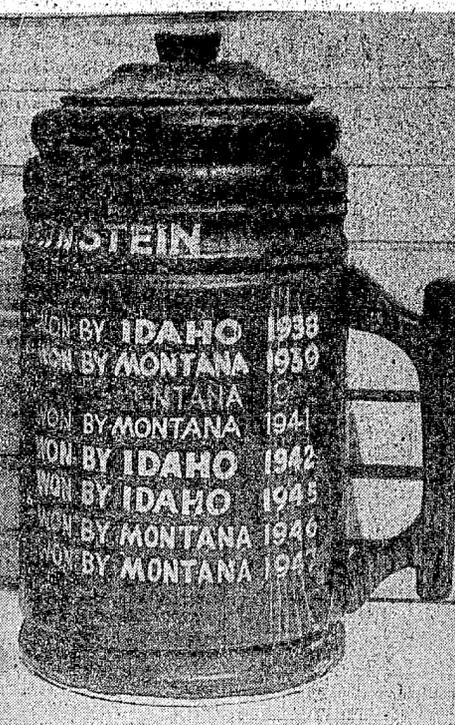

Panel discussions on political and pressure groups were held at a meeting of the International Relations club last week.

Bob Strom led a discussion on pressure groups in the United States. Bern Hensen represented the Young Republicans. The Progressive party was represented by Dick Dell and Mauno Saari, Marv Washburn represented the Democratic party.

This was the first in a series of three panel discussions sponsored by the club.

Anything can happen now. A Moscow waitress was arrested for speeding.

### Brown Stein Goes On The Block

The little "Brown Stein," symbol of gridiron victory between Idaho Vandals and the Montana Grizzlies, will be at stake in tomorrow afternoon's game between the two schools. Montana captured the trophy last year, downing the Vandals 21 to 0. Members of the Intercollegiate Knights will carry the stein onto the field at halftime.

### Students Speak At Moscow High

Shirley Jacobsen and Harry Howard spoke on behalf of United Nations week at a general assembly at Moscow high school Wednesday morning.

Topic of Miss Jacobsen's talk was "United Nations and its place in Future World Politics." Howard spoke on "United Nations Today and How it Works."

Miss Jacobsen is a member of the debate team, and belongs to Delta Sigma Rho, national forensic society. She is co-chairman of women's intra-mural debate this year.

Howard is associated with KUOI and worked on KRLC in Lewiston during the summer. He is a member of the advanced speech class, and was recently awarded a \$100 journalism scholarship by the Idaho Daily Statesman.

# Idaho, Montana To Meet In Classic Tilt Tomorrow

## "Dad's Day" Battle To Attract 8,000

# Time Out

By ALLEN DERR

"Little brown stein how I love thee," will be the theme song of the victory-hungry Idaho Vandals when they meet the Montana football squad in Neale stadium tomorrow for the annual grid contest between the two schools which decides the temporary ownership of the Little Brown Stein.

The weatherman is optimistic about the weather and around 8,000 sports fans are expected to assemble in Moscow to witness the annual game honoring the students' dads.

Eleven stations will broadcast the Idaho - Montana game from Neale stadium tomorrow. They are KRFL, KDSH, KTFI, KELO, KWEL, KLLX, KBIO, KWAL, KVNI, and KREM, with Leo Pierson-sports-caster, and Bob Curtis-commentator, and KUOI with Dan McDewitt-sports-caster, and Dave Lewis, commentator.

Neither team's records are very impressive this year, though Idaho's competition has been a bit tougher than the Grizzlies have come up against. The Montana aggregation has dropped games to EWCE, Utah State, and Washington State to date. They found themselves last week, however, and trounced Montana State 14 to 0. The Vandals haven't crashed the win column in four starts and will be hot on victory's trail.

Many Lettermen Idaho, with a preponderance of sophomores, runs up against a veteran laden Montana squad that boasts six lettermen in the backfield alone. In the line Montana has 19 lettermen. It is virtually the same Grizzlie squad that defeated the Vandal team last year. Idaho's standouts this year have been almost totally sophomores.

Fresh from last weekend's rest, the Idaho squad is expected to be near peak strength for the Montana Grizzlies. Barring scrimmage injuries this week, only two Vandal team members may be out of the lineup. Jim Hatch, veteran right halfback, has been out of action the past week with a broken finger on his left hand. Fullback Sam Theis, two-year letterman, injured his hip in the UCLA game and again in the Oregon contest. Both men are working out with the team now but it is doubtful that they will see more than limited action Saturday.

The Oregon tilt confirmed some of the Vandal sophomores as coming stars. Halfback Bob Mays passed and ran for 91 yards in 20 carries and throws against the Rose Bowl aspirant Ducks. In addition he kicked four times for 133 yards and ran one kickoff back 30 yards. Fullback Jim Chadband broke into the limelight after playing but a few minutes in the three previous games. He bucked the Oregon line 11 times for 34 yards, caught one seven yard pass, and showed ability on defense. He alternated with King Block who gained 25 yards in nine attempts.

In addition Bud Riley, right half who scored once and ran nine times for 23 yards against the Ducks, as well as John Brogan, leading punter on the coast, and John Christenson, leading in punt returns on the coast, will receive plenty of action.

Coch Howell has been stressing pass offense in practice this week in an attempt to remedy the Vandals' most prominent weakness, pass receiving.

Probable starting lineups will be:  
Idaho: Smith, Overgaard, Ruleman, Paasch, McCormack, Killgaard, Ballew, T. Diehl, Brogan, Riley, Block.  
Montana: Bauer, Anderson, Kumpuris, Leeper, Semansky, Ford, Reynolds, Holding, O'Loughlin, Malcom, Hammerhess.

FRATERNITIES STRONGER ATTLEBORO, MASS. — The American college fraternity system is stronger and better than ever before, according to L. G. Ball-four, chairman of the Interfraternity research and advisory council. He has stated that "you can count on the fingers of one hand the colleges opposed to fraternities."

ENROLLMENTS DOWN Los Angeles colleges and universities have had an alarming decrease in veteran enrollment due to high cost of living.

## Montana's Team Captain

Captain Jack O'Loughlin, one of the leading ground gainers for Montana, will lead his squad at Neale stadium tomorrow in the annual Grizzly-Vandal battle for the "Little Brown Stein."

## Frosh Tackle Unbeaten BJC In Boise Grid Game Tonight

Picking one of the most powerful teams in the state in search of their first win in three starts, Coach Steve Belko and 30 U of I frosh gridders departed by bus yesterday to meet the highly-touted Boise junior college squad in Boise tonight.

The Vandal Babes planned to work out under the lights in Boise last night in last-minute preparation for the tussle with the unbeaten BJC Broncos. They are expecting a tough battle with the Broncos, who have maintained a perfect record in grid play for the past two years. However, the even weights of the teams may dull the attack of the high-flying BJC backfield. Immediately following the game, the Idaho frosh will leave Boise to return to Moscow in time for the "Dad's day" game between Idaho and Montana.

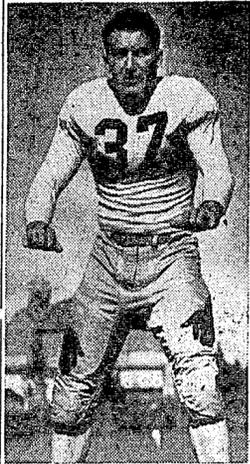

Idahoans Beaten Twice Idaho's yearlings suffered a 14-7 defeat at the hands of the Cougar Kittens from Washington State college in their season's opener at Pullman two weeks ago. The youngsters also took a 20-0 drubbing from a powerful University of Washington freshman squad in a chilly game played before 2,000 spectators at Person field in Coeur d'Alene last Friday night. They won't play a game in their home stadium until, ?????? when a return engagement with WSC is scheduled.

Four important men have been sidelined for injuries which may hamper the effectiveness of the Idaho squad. They are Dick Torns, halfback, Carl Breeden, fullback, Evan Ritchey, end, and Dick Moore, quarterback.

Travelling Squad Listed Coach Belko listed three assistants, John Evans, Jack Dana, and Dick Goodman, who will make the trip with him. Following team members were named on the travelling squad: Lowry Bennett, Evan Ritchey,

## Vandal . . . . . Portraits

Tom Trees, Idaho's 5' 10" 198-pound guard, will see plenty of action against the Montana Grizzlies tomorrow afternoon, as the Vandal's attempt to capture the

"Little Brown Stein" which has been on the Missoula campus for the past two years.

Tom was born in Gooding, Idaho, September 23, 1923. He played three years of football as

Allen Foucar, Charles Williamson, John Hunton, Ed Ball, Del Billman, Ivan Bingman, Bob Crandall, Charles Schmelzer, Louis Ringe, Les Diehl, Vern Spencer, Joe Burns, Clay Turner, Tom Stingley, John Mack, George Parry, Dick Moore, Bill Cole, Lloyd Schiller, Larry Bell, Andy Christensen, Dick Torns, Steve Douglas, Dick Stolp, Byron Snyder, Tom Flaherty, Bill Maxwell and Glen Breeden.

## Tennis Champion Crowned Yesterday

WSH will be crowned intramural tennis champions by virtue of their two matches to one victory over PGD at the university tennis courts yesterday.

In the first matches Dean Welch outscored Dick Johnson for WSH's initial victory, but Jack Buescher, PGD, dropped Lefe Allen to even the contest. With championship riding on the last match, George Woodie, WSH, completely outclassed Dick Patrick to win top honors. Patrick's continual back court play was no match for Woodie's sterling net play and chop serves.

## PGD, DC, Winners In 'Mural Football' As Season Closes

The intra-mural football picture was developed yesterday afternoon and the print showed the Phi Gamma Delta and Delta Chi ball clubs as undisputed winners of their respective leagues.

In league number one, Phi Gamma Delta holds the pennant with a 6-0 record they pulled from the fire Wednesday afternoon in edging a fighting Beta team 7-2. In the number two circuit, the Delta Chi machine continued in high gear Tuesday afternoon, rolling over the previously undefeated Sigma Chi's 16-8. DC also boasts a 6-0 record along with the league number two pennant.

This Week's Games Results of this week's play are as follows: Tuesday; CC No. 2 dropped IC No. 2, 7-0; Pine No. 2 rolled past Pine No. 2, 21-0; CH No. 2 clipped LH No. 2, 12-0; SN squeezed past ATO, 6-0; and KS came up with a 15-7 decision over PDT.

Wednesday; TV scored a 7-0 victory over SAE; TKE blasted PKT, 12-0; DTD and LDS fought a scoreless battle, DTD receiving the nod by virtue of the most penetrations beyond the LDS 15 yard marker; and PGD turned in a 7-2 decision over BTP.

Last night Pine No. 1 and CH No. 1 battled to a 6 to 6 tie but Pine was awarded the game on penetrations. In other games WSH No. 2 bowed to Pine No. 3, 14 to 0; LH No. 1 downed CC No. 1, 12 to 0; CH No. 2 won by forfeit over Pine No. 2; and WSH No. 2 defeated Pine No. 4, 14 to 0.
