Skinney Ennis' Band to Play For Holly Dance Tonight

Family Of Christ To Be Portrayed In First 1948-49 ASUI Production

Curtain To Raise At 8:15 P. M. On Coffee And Owen Drama

Tuesday night at a meeting of the ASUI executive board the first step was taken to make arrangements for a control on campus activities. A committee was appointed from the board to meet with the student activities board to work the problem out. Perhaps if something can be worked out between the two committees, there will be less weeks like the present one in the future. If any member of the student body has any suggestions for controlling activities so that they will be more evenly spread over the year, they are asked to drop a line to Jason or contact him personally.

With curtain time set for Friday night at 8:15 in the auditorium, cast and crews go into final dress rehearsal of "Family Portrait" tonight. A second showing Saturday night will culminate nearly six weeks intensive work on the Christmas drama.

Heralding the coming Christmas season with an unusually dignified interpretation of the family life of Jesus Christ, "Family Portrait," directed by Miss Jean Collette, is the first major drama department production this year. Reserved tickets are available at the Student Union bookstore and Hodgins for 50c or an ASUI book.

Business Student Wins \$100 Award

Imogene Crowell, freshman, became the fourth outstanding business student this year to benefit from the scholarship fund established in 1946 by the Davis brothers.

Peterson, "Simon"; Guy Terwilliger, "James"; and Seth Tuttle, "Joseph."

Slip Up

Speaking of ASUI executive board meetings, a very poor job of reporting has been done due to an oversight on the part of Jason. At the Tuesday night meeting the board passed approval on recommendations by Vandal Coach Dixie Howell and Frosh Coach Steve Belko for letter awards to the two football teams.

University Acquires Machine For Voice Recording Work

Modern education at the university has taken another step in the line of progress with the acquisition of a new wire recorder which is still in experimental stages.

Ward Alexander, who is in charge of the machine, explained the principles underlying its operation. He pointed out that it did not transmit by air, as do other methods of communication, but by wire receiver, which is a definite advantage.

The most novel characteristic of the recorder is that recordings can be completely erased from the wire, thereby facilitating almost unlimited reuse without the interchange of recording wires.

The machine employs three extremely sensitive microphones, a loud speaker to be used for public address, and a secretary's foot pedal which enables the user to stop the transmission at any point and backspace in order to correct errors. Such a machine, when fully equipped, costs approximately \$550.

The recorder will have a wide variety of uses in the fields of secretarial work, discussion groups, and in various departments of the university. At present, plans are being laid for using the recorder in connection with the Vandaleers to aid in the development of musical techniques.

The little moron's watch had stopped ticking and he tried to find the trouble. Finally he took the back off, went into the works, and found a dead bug. "No wonder it doesn't work," he said. "The engineer's dead."

Slushy, Ain't It?

The snow is many things to many people. To most it is a pain.

For the sidewalk cleaning details it is a big job. We suspect that for the houses that put salt on their lawns, the job wasn't so bad, but the after-effects may be worse. The salt water will do a pretty good job of killing the adjoining lawn.

For the city of Moscow, it is an excuse to close one of the streets and reserve it entirely for sledding.

For car-drivers it makes the parking situation more difficult. No one can get up to campus so parking spaces in the neighborhood of the Bucket are at a premium.

For surveying students it makes a bad job worse. Digging through six inches of snow to find a stake is no cinch.

For men without cars and with girls it presents hopeless complications.

For serenaders it is bad. We hear that three more second sopranos came back from the sophomore serenade than started out. It was so-o-o-o cold!

For tardy students, it is an excuse for being late.

And for the man on Moscow mountain, it is a signal to release the cold winds and to inform us that, whether we like it or not, winter is here.

Air Minded Idaho Squad Departs Today For Utah

Vandal Hoopsters In Underdog Role

Idaho's basketball squad leaves by bus Thursday for Lewiston from where they will fly to Salt Lake City to continue their pre-conference season schedule after splitting their opening series last weekend with Whitman college.

The Vandals are scheduled to appear in a four-team meet—they'll play Utah Friday night and Utah State Saturday, while Oregon State will play the alternate schedule, meeting Utah State Friday and Utah Saturday.

Finley Pessimistic

No comment was forthcoming from Coach Chuck Finley regarding the possible showing of the Vandal hoopsters against the two Utah teams, although he admitted he was far from optimistic about the team's chances of winning either contest. Defensive play is showing up better this year than during the 1947 season, although offense is still rough, he indicated.

Utah Strong

Friday night's contest with the Redskins from the University of Utah will bring the Idaho aggregation up against one of the toughest teams in the nation. After winning the conference championship in 1944 the "Blitz Kids" of the Utah team went on to take the NCAA crown out of the grasp of an equally rugged Dartmouth squad. In 1945, the Utes again won the conference title, and in 1947 they surprised everyone by snapping up the laurels in the Invitational Tournament, defeating the "unbeatable" Kentucky quintet, 49-45.

All-America Center

Sparkling the Redskins will be a six-foot-four, 208-pound All-American center, Vern Gardner. He's been the team's leading scorer for three years, averaging 15 points per game. Probable starting team for the Utes will be Gardner, center; Satterfield and Weldmer, guards; and Smin and Watson, forwards. All of these but Satterfield are veterans of last year's Invitational championship squad.

Utah State

On Saturday night, the Vandals will meet Joe Whitesides' Utah State aggregation, which won eight and lost sixteen of their games last year, finishing fifth in the Skyline Conference. Whitesides is in his second year as head basketball coach at Utah State. He played there in his college days, and coached the frosh team before rising to his present position. Whitesides keeps himself busy out of hoop season by acting as assistant football coach. His probable starters are Jorgenson and Done, forwards; Schenk or Dicie, center; and Jones Murdock, guards.

Idaho's probable starters for both games are Geisler and Gunnels, forwards; Stallworth or Wheeler at center; and Grove and Brimhall, guards.

The Southern farmer was introducing his family of boys to a visiting governor.

"Seventeen boys," exclaimed the father. "And all Democrats but John, the little rascal; he got to reading."

Time Out

By ALLEN DERR

One lone grid game remains on the Pacific coast football schedule for the current season. That is a meeting in Los Angeles between Notre Dame, the nation's number one team, and USC. We're willing to bet that we make our predicting average 100% for the week by picking Notre Dame by 20 points.

Even-in Points

Though the Vandals lost five of eight games this season, they came out even with their opponents in total points scored, for and against. The eight opponents racked up a total of 146 points against the Idaho squad, while the boys from Moscow scored a total of 146 points against them.

Figuring in the Vandal's season total of 146 points were Brown and Diehl with four touchdowns each, Block and Mays who crossed the 0-yard marker for tallies three times; Riley, and McFaul with two touchdowns apiece, and Christianson, Beitz, Theis, Hatch, and Ballew with one T. D. each. Overgaard kicked 11 points after touchdowns to make up the total.

Big Nine "Angry"

The big nine conference is reportedly irked over the PCC's permission for Oregon to enter the cotton bowl and are figured to refuse to renew their present Rose Bowl agreement which has two years to go. "A big nine official was quoted as saying:—'We don't permit Big Nine teams to play elsewhere and most of us felt the Pacific Coast conference would get along on the same basis—'"

Idaho's boxing mentor, Frank Young has asked us to convey to you the fact that the general public is invited to view the freshman and varsity pugilists work out from 3 to 5:30 p. m. Monday through Friday afternoons in the gym annex building. Benches are being provided and there is plenty of room. Also of interest to boxing fans will be the pictures on the boxing room bulletin board of past and present Idaho ring "greats."

Here's More About— Sigma Chi's

Derby Day will be the main feature Saturday afternoon from 2 to 5, when all of the women will play "Truth or Consequences."

Finalists Chosen Saturday

Six finalists will be selected by all persons in the fraternity, Saturday December 4. Beginning Monday the finalists will attend social functions at the house, and on Saturday December 11, at the annual dance the winner will be revealed and presented with a cup.

The winner will be eligible for the National Sweetheart of Sigma Chi award which will be presented sometime this summer. The award was inaugurated last year, with Barbara Tanner, a Kappa Alpha Theta from Michigan State college, chosen winner.

Cheerful Chuck

Idaho's basketball Coach Charles "Chuck" Finley is none too hopeful over the Vandals' Pacific Coast conference prospects for the coming season. Lack of size and experience accounted for their losing the first game in a two-game series with an underdog Whitman squad last Friday and Saturday. Finley takes his squad to Utah this coming weekend to meet Utah and Utah State.

NROTC Marksmen Win Two Matches

After defeating North Carolina and UCLA with the respective scores of 870 and 895 on November 20, the university NROTC rifle team bowed in defeat to Miami university.

TO ADDRESS HOME EC CLUB

Miss Helen Chapin, Butterick fashion advisor, will talk on holiday styles and advanced season styles and fashions for spring at the December meeting of the Home Ec club to be held at 4 p. m. Tuesday in the home economics department.

The Idaho marksmen duplicated their record with a score of 896, to defeat the University of Missouri and Holy Cross, the following week. The University of Washington middies won the match of November 27, with a total of 917 points. Due to a misunderstanding on the part of the Norte Dame rifle team, a rematch has been scheduled.

Idaho has won 13 of 17 matches this year.

Volleyball Games To Draw Entries From 5 Schools

Five schools will be represented at the Women's Recreation Association volleyball playday December 11 in the women's gymnasium.
