## University To Celebrate 60th Birthday Jan. 30th

"Forty more birthdays and the secret messages sealed in the university's centennial time capsule can be revealed," remarked President J. E. Buchanan as he reminded University of Idaho alumni of the institution's approaching sixtieth birthday, January 30, 1949.

Tomorrow begins the final examinations to end another semester. For some it means the end of school with a degree, for some the end of the first session at the university, and for some the end of school without a degree.

Midnight oil and typewriter are at a premium. Lights may be seen burning for hours into the night and the less studious may find it difficult with the clacking of typewriters finishing term papers.

Studying for finals can be rather comical at times. Each student has a different viewpoint on how "booking" should be done. Some actually cram at the books (minority), some do some studying and supplement it with a good "pony" (many), and then there are those who say "to \$\*% && with it" and go down for a few brews (majority).

Jason, himself, has decided not to worry since one high official in the administration told him that there was no truth to this rumor that the school was planning on flunking out three-fourths of the students.

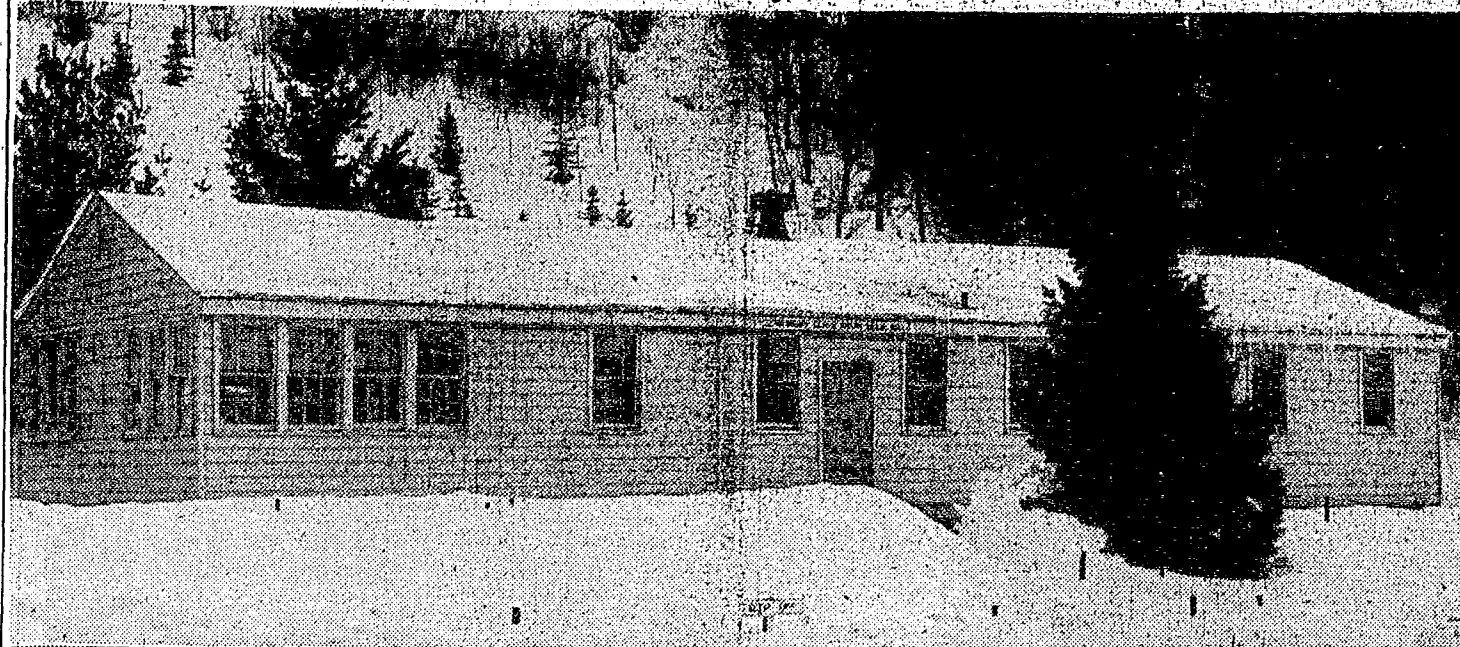

On the other hand, Jason understands that there may be a good many men flunking out this semester. The report is that many men have given up going to the library to study entirely since the women's skirts have become so long.

At the semi-centennial celebration ten years ago letters from student officers, alumni, regents, and administration officers went into the "time capsule" to be opened at the centennial. Each message was setret. For example, the president of the student body in 1939 wrote a secret message to his successor in 1989. Historical material about the early university and the university at semi-centennial time also went into the capsule, which now resides in the vault in the university business office.

**Transcriptions and Radio Programs**  
Perhaps as a warm-up for the gigantic birthday party to be staged at the centennial, Jim Lyle, alumni secretary, reports that several alumni groups plan to observe their alma mater's sixtieth birthday with banquets or special meetings. Through radio transcriptions, President Buchanan and Karl Bonham of Boise, president of the alumni association, will send greetings to alumni throughout the state. Music for the 15-minute program will be provided by the Vandalers.

"This year the university's birthday falls on Sunday," Lyle said. "Groups meeting either the week before or the week after will draw credit for having observed the event. The alumni office will provide historical material for groups desiring to review the university's first sixty years."

## Expansion Movement Underway For Student Radio KUOI

Station KUOI, radio "Voice of the Vandals," under the newly passed regulation to the ASUI constitution, may soon have the chance for a bigger and better station with more facilities for broadcasting. Work is underway at present to get new transmitters and other equipment through war-surplus. By the fall semester station officials hope to have a new studio in TC-3 (pictured at top) which will give them more room and better opportunities for expansion. At lower left Professor Carl Weimann, radio journalism, gives Program Director Dale Benjamin a few tips on his program schedule. At left, KUOI's crowded conditions can be easily imagined in the top of the Engineering Annex building.

## IK's Pledge Forty At Formal Meeting Wednesday Eve

Forty men were admitted to the Idaho chapter of national Intercollegiate Knights at formal pledging ceremonies Wednesday evening in the Bucket.

Those pledges were Roy Blume, Warren Peterson, David Beadles, Campus club; Phillip Moulton, Jack Pepper, Chester Takatori, Christian hall; Jerry Haegles, Forrest Burleson, Allen Craston, Idaho club; Kenneth Keefer, Bert Johnson, Bob Gibbs, Lindley hall; and Lester Humphill, Leland Obermeyer, Merle Cramer, Robin Faisant, Dan Brown, Donald Deevkop, Pine hall.

**Other Pledges**  
Other new pledges are Lon Renfrow, James Geddes, Jim Miller, Charles Easterbrook, Willis Sweet; Gene Thometz, Ronny Johnson, Alpha Tau Omega; Joe Savage, Dick Merrill, Beta Theta Pi; Jim Bessent, Duane Kirk, Delta Tau Delta; and James Hanson, Thomas Gentry, Kappa Sigma.

## Executive Board Appoints Representative To Council

Following a suggestion of the student-businessmen committee, the ASUI executive board appointed Tom Rigby as the student representative to the Moscow city council.

## Campus Station Has Access To War Surplus Equipment

Validity of an ASUI constitution amendment making radio station KUOI a part of the ASUI publications department was approved by the board of arbitration at a meeting of the group this week.

The campus radio station will be classified on a temporary basis under the department of Publications, and will be administered by the station director, assistant director, business manager, production director, and chief engineer.

A \$500 expense account has been appropriated from ASUI student funds to cover operational expense and the replacement of necessary equipment needed to improve the station.

## Members Point Out

The arbitration board also pointed out that under the new ruling KUOI was now a part of ASUI and as such could be classed as an auxiliary to the university. In this status the campus radio will be able to use without charge any of the war surplus equipment given by the war assets office to the university for its use.

Much of the equipment needed to alleviate the station's immediate needs are now in the possession of the university and will be available in the near future to the radio station.

The executive board has given the station until March 15 to show such improvements as better reception over the campus, less noise, material improvements in equipment. New officials are being elected and are awaiting the approval of the publications board and the executive board.

## WSC Entertains Journalism Group

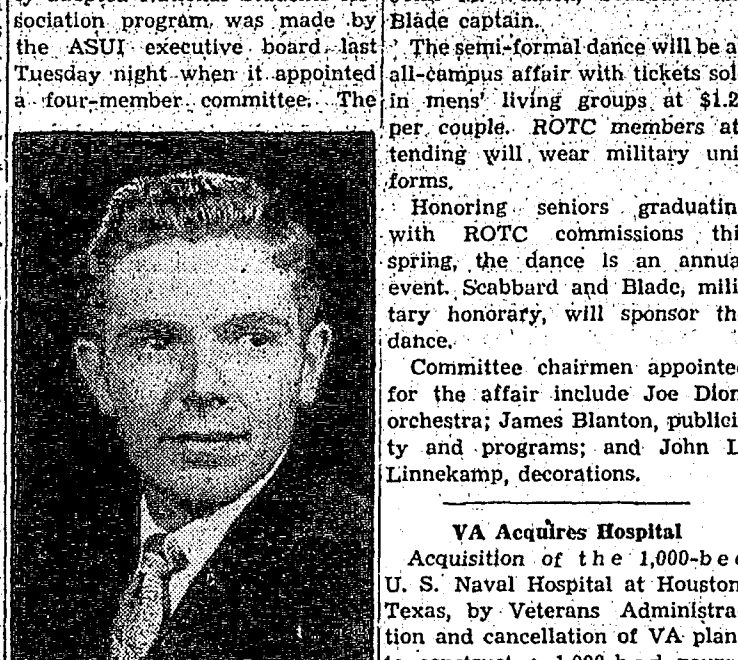

Theta Sigma, women's journalism honorary, was entertained Wednesday evening by the Pullman Theta Sigma Phi chapter at the Kappa Alpha Theta house at WSC.

Nancy Mason of Pullman was in charge of the program. Topic for discussion was "What we think the ideal journalism curricula in a college should be."

Members attending from Moscow were Pat Colvard, president; Aris Petersen, Kathy Burleigh, Martha Rigby, Olevia Smith, and Mrs. Jerry Wren, advisor. The Moscow group plan to entertain the Pullman chapter in the future.

## Dahlstrom Heads NSA Committee For Campus Work

First official action on the newly adopted National Students Association program was made by the ASUI executive board last Tuesday night when it appointed a four-member committee.

Bob Dahlstrom

Chief function of the group will be to act as a clearing house for all NSA action on the campus and to distribute organization literature to the students.

The students named by the board to the committee are Shirley Jacobsen, Bob Dahlstrom, Dave Ulmer, and Vernon Bahr. Dahlstrom will be the chairman of the new group. All appointments will be in force for one semester.

NSA is organized on three planes, campus, regional and national. The campus committee is under the direct jurisdiction of the local (Cont. on Page 2, Col. 4)

## Monthly Allowance Versus Income Tax

Subsistence allowances paid by Veterans Administration to veterans in educational or on-the-job training are not considered as income for income-tax purposes, VA said.

## Campus Chest To Begin Only Drive Of Year For Student Solicitations

The campus chest drive, which is the only drive students will be asked to contribute to this year on the campus, is scheduled to get underway during the second week in February.

Money collected will be apportioned to the various organizations which ordinarily sponsor drives on the campus: Forty-five percent will go to the World Student Service Fund, 20 percent to the Infantile Paralysis fund, 10 percent

## Time Corrections

Corrections to the time schedule will be available in the Registrar's office next Wednesday.

A tentative schedule of courses to be offered in the summer session will also be available at that time, according to Registrar D. D. DuSault.

## Graduate School Offering Positions During Next Year

Twenty-eight research fellowships and 24 teaching assistantships will be available in the graduate school at the university during the 1949-1950 academic year, it was announced today by Dean C. W. Hungerford.

Research fellowships vary from \$750 to \$1,200 and teaching assistantships from \$750 to \$1,000.

The newest major research field at the university, wildlife management, heads the list with five research fellowships available. This wildlife research unit is a three-way cooperation between the university, the federal government, and the state of Idaho.

**Teaching Assistantships**  
Four research fellowships are available in forestry; three each in horticulture and metallurgy; two each in agricultural economics, animal husbandry, and chemical engineering, and one each in agricultural chemistry, agricultural engineering, dairy husbandry, home economics, plant pathology, poultry husbandry, and veterinary science.

Teaching assistants are expected to give half-time service to teaching work. Eight teaching assistantships are available in chemistry; three in zoology; and two each in business administration, civil engineering, geology, and physics; and one each in economics, education, music, political science, and psychology.

**Radio Station Needs Personnel**  
Campus radio station KUOI needs engineering personnel, according to recently elected chief engineer Chuck Hudson.

Men are needed who either have had a little radio experience or are willing to learn radio maintenance and operation. With KUOI's expansion program it will soon be necessary to have a studio technician on duty at all times in addition to the regularly scheduled announcer, unless the announcer is qualified to act in both capacities at the same time.

It is a chance to gain valuable experience and anyone interested is urged to contact Hudson at KUOI studios as soon as possible.

**VA Acquires Hospital**  
Acquisition of the 1,000-bed U. S. Naval Hospital at Houston, Texas, by Veterans Administration and cancellation of VA plans to construct a 1,000-bed neuropsychiatric hospital, also at Houston, were announced by Carl R. Gray, Jr., administrator of veterans affairs.

**International Fete Sponsored By Washington State Feb. 4**  
The State College of Washington is sponsoring an International Festival February 4 to 6, with the purpose of creating among students a world consciousness and pointing out the values of student exchange. Contacts between American and foreign students will be provided along with entertainment of international character.

Saturday morning and afternoon have been set aside for the discussion of the following specific topics of international interest with competent students and faculty members participating:

- 1. Should our universities be concerned with displaced persons?
- 2. Will the Marshall plan in effect interfere with the sovereignty of your nation?
- 3. How can we halt fascism in the Americas?
- 4. If you were a member of our state department what would your policy be towards China?
- 5. What are the next steps to world government?
- 6. International student exchange through N. S. A.

Each delegate will have the opportunity to participate in two of these discussions.

**Open to All Students**  
The "International Inn," a program by the Chinese, South American, Hawaiian, French, German, Turkish, Indian, and Norwegian students on the Washington State college campus will highlight Saturday evening.

An invitation is extended to all ASUI members with a special invitation to foreign students and their advisors. The registration fee for each delegate will be \$6 including board, room, convention material, and other items. Anyone wanting to attend is asked to contact Gale Mix, general manager.

**Officers Must Be Active**  
Under the present constitution, the president must be an active member of the WRA for three semesters. All other officers must be active in the organization. The offices of leisure points recorder and recording secretary have been done away with following the recent adoption of a revised constitution.

After elections, the newly-chosen officers will attend five consecutive meetings of executive board before they take over their elected posts.

Officers for this year are Aris Petersen, vice president; Rusty Grant, treasurer; Sue Beardsley, leisure points recorder; and Phyllis Halley, secretary. Jane Fisk, who was appointed publicity manager, will supply posters in the women's living groups listing the activities for each nine weeks.

**Number of GI Loans Drop**  
The number of applications for veterans' GI loans dropped to 24,602 during November, 1948—the smallest monthly total since January, 1946, Veterans Administration said.

## Johnson-Grant Duo Win Tourney Play In WRA Badminton

Pete Grant and Thane Johnson defeated Jean Dammarell and P. J. Dally (15-12, 15-11) to win the championship match in the mixed doubles badminton tournament sponsored by WRA.

"Approximately 35 couples signed up for the games," said Eileen Walton, badminton manager.

In the semi-finals, Larry Cortner and Terry Carson played the Grant-Johnson duo. Stewart McCormick and Carolyn Johansdn were matched against Dammarell and Dally.

**Grant Wins Singles**  
Miss Grant also won the women's singles title by topping Jane Fisk (11-2, 9-11, 11-3) in the final round. Elsie Krey won from Marianne Madison in the semi-finals, but was bested by Grant. Marjorie Johnstone also entered the semi-finals.

Due to the success of the tournaments, a badminton club will be organized early second semester. Both men and women may become members.

## To Inspect ROTC

Col. John H. Rodman, representative for Commanding General of the Northern Military district of the sixth army area, will be on campus today inspecting the Reserve Officers' Training corps.

Col. Charles F. Hudson, Idaho PM & ST, made the announcement yesterday.

Inspecting the physical plant, and administrative sections, Col. Rodman will also view classroom instruction methods and military courtesy procedures on the Idaho campus.

## Benefit Scheduled

A March of Dimes dance, scheduled to raise funds for the 1949 national March of Dimes, will be held January 28 in the Memorial gym at 9 p.m. Contribution tickets of \$1.00 minimum will be on sale at the Graduate Manager's office and the Dean of Men's office.

Proceeds of the dance will be contributed to the anti-infantile paralysis drive and will not conflict with the campus chest drive. Guy Wicks, chairman, announced.

## Women Are Urged To Sign For Second Semester Rush

More women are urged to sign up for rush as there is still plenty of room and time to sign up, according to Jeanne Hoffmann, Panhellenic council president.

"Those who are considering going through rush should sign up as soon as possible in the Dean of Women's office," said Miss Hoffmann. Houses which are planning on going through rush include Delta Delta Delta, Alpha Chi Omega, Gamma Phi Beta, Delta Gamma, Pi Beta Phi, Kappa Kappa Gamma and Kappa Alpha Theta.

**Wear Skirts, Sweaters**  
Semester rules and regulations will be explained in pre-rush orientation meeting to be held January 30 in the Blue Bucket ballroom at 4 p. m. Dean Louise Carter and Miss Hoffmann will conduct the meeting. Rushes will be allowed to wear skirts and sweaters during the Panhellenic tea following orientation.

Independent women and new students registering for the first time this semester are eligible to enter rush week. Those interested must register and pay \$1 registration fee before January 28. Rushes will be pledged the morning of February 2 under the Panhellenic schedule and will move into the chapter houses on that afternoon.

**Houses Hold Parties**  
Rushes will be entertained at dessert parties and firesides in the various sororities Monday and Tuesday, January 31 and February 1. Dessert parties will last from 7 p. m. to 8:15 followed by firesides from 8:45 to 10 p. m. Each sorority will entertain with one party in addition to the Panhellenic tea.

**Classes Start Feb. 3**  
Student skiing instructors may notify Mrs. Taylor of their new schedules sometime during registration. Regular ski classes will be resumed on Thursday, February 3, although she will be on the golf course every afternoon during quiz week to instruct students.

Ski instructors will continue to meet every Thursday afternoon from 4:45 to 5:45, unless other arrangements are made.

Students helping Mrs. Taylor instruct are Betty Biker, Richard Boge, Fred Boyle, Dorothy Galey, Cristy Hamon, Alice Inglebriten, Jo Nelson, Howard Rue, and Anne Williams.

**REGISTRAR'S NOTICE**  
Students leaving at the end of the semester who wish grades sent to them are requested by D. D. DuSault to leave a stamped self-addressed envelope at the registrar's office.

## Hickman To Head Breeder's Course Starting Monday

C. A. Hickman, chairman of the second annual Breeder-Herdsmen short course to be held Monday through Wednesday, announced today the program planned for the breeders and herdsmen who are expected from all parts of the state.

The course includes animal breeding which will be taken up Monday morning followed by livestock feeding and animal disease control on the succeeding two days. Afternoons will be devoted to actual demonstration and practice in preparing cattle for show and sale.

**Banquet Monday**  
The Moscow Chamber of Commerce livestock banquet is scheduled for Monday evening. Principal speaker will be R. E. Clark of the Bodine-Clark Livestock Commission company, North Portland, Oregon.

Toastmaster for the annual banquet will be Herbert Chandler, a prominent Hereford breeder from Baker, Oregon, and a member of the board of directors of the American Hereford Breeders association. Livestock men from the local area are expected to attend and the breeders and herdsmen attending the short course are cordially invited.

## Government Seeking Library Workers

Federal Civil Service authorities have announced examinations for appointment to the position of librarian, P-1. Persons desiring permanent positions will have an opportunity to file for the examinations leading to probational and final federal employment.

Applicants must be between the ages of 18 and 62, except for special waivers, and must pass a written examination. Further information may be obtained from any first or second rate post office or from the director, 11th U. S. Civil Service Region, room 4, Central building, Seattle 4, Washington.

## KUOI Announcers Course Is Described By Staff Head

By Harriet Walrath  
Maybe you, like many other students on the campus, have been wondering what these announcer schools are that KUOI has been sponsoring from time to time. If you have, here is the scoop straight from the chief announcer, Allen Derr.

Since the chief announcer does not have time to give individual instruction to announcers (including two women) who have regularly scheduled shows, these classes are held periodically for those needing instruction.

The chief purpose is to acquaint personnel with KUOI operating procedures and policies. In this way they will develop personnel to carry on operations.

**Will Use Voice Mirror**  
Some of the things taught are precision timing, operation of the console and turntables, station breaks, and spot announcements. In the future, the station plans to secure the use of the English department voice mirror. This was used by Mac Black last summer with much success.

"Announcers are the link between the station and the people. A station is judged by the quality of its announcers," said Derr. For this reason, KUOI will be more strict with its announcers in the future.

**Staff Openings**  
Much difficulty has been encountered by announcers in the past because of the similarity of programs, but in the future they will have prepared scripts and a variety of programs.

Openings will constantly be appearing on the staff and auditions before a panel of three KUOI staff members will be held to replace students who have resigned or who can't measure up to standards. This will place announcing on a competitive basis, making better announcers.

And then there's the one about the near-sighted snake who eloped with a rope.

## Infirmary

Students admitted to the infirmary this week were Donald Dickerson, William Driver, David Martindale, Robert Lenai, Mary Moulton, Homer Johnson, Philip Moulton, and Warren Johnson.

**NROTC Breaks Even In Rifle Matches**  
Idaho NROTC rifle team members won two and lost three telegraphic rifle meets with college teams throughout the country last week. Donald Prisky was high point man for the snoots with a score of 181 out of the Idaho total of 688.

Rifle teams defeated by Idaho were Villanova college scoring 650 and the University of South Carolina with 854. Teams defeating the Vandal shooters were Ohio State with 913, Georgia Tech with 913, and University of Minnesota scoring 911.

Vandal team members and their scores were Prisky, Robert G. Smith, 177; Donald Wills, 177; Herbert Young, 177; and George Tanager, 171.

## Hell Week?

Final week contains—almost undoubtedly—more studying, more coffee-drinking, greater movie attendance, more brew consumption, more bull sessions, and less sleeping per student than any other time of year.

Final exams are usually strictly monitored. One Idaho professor once said that the only places he wore glasses were at final exams and burlesque shows. Final exams are nearly always hard. Probably nearly every teacher will have his ancestry questioned before the week is over.

Exam week is a time to pull the old joke, "I'll get an 'A' if I crack 150 on the final." Or the older one: "I had a pony but a 20-mule team wouldn't have helped me."

Exam week is also time to do a good bit of studying. There are a great number of things about finals worth knowing. Study pamphlets include the following suggestions:

1. Expect finals to be hard. They will be.
2. Studies should be planned so that you can sleep the night before a final.
3. Don't try to use a pony.
4. Nearly all grades can be lowered by a poor final, and nearly all can be raised by a good one.

## Skiing Classes To Continue; Students Can Enroll In Gym

With regular ski classes continuing on the golf course during second semester, Mrs. Janet Taylor, instructor, is arranging a schedule for instruction of both beginning and advanced students, slalom practices, and a national proficiency test.

New and old members are asked to sign up for second semester instruction in Memorial gymnasium during registration week. Mrs. Taylor will be there at that time.

**Nine Assistants**  
"We must know how many students will attend practices each day so we can arrange for instruction," she said. At the present time, nine university students are assisting Mrs. Taylor.

New members will be accepted in the classes, but they must provide their equipment because no further orders can be made through the Student Book store.

The National Ski association 4th class proficiency test will be given as part of the regular ski instruction of the golf course. Howard Rue, Bill Taylor, and Don Hayes have been authorized by the Pacific Northwest Ski association as official judges for proficiency tests to be given at Emida. Dates of these tests will be announced at a later time.

**Idaho To Enter Meet**  
Women will be offered a program of informal ski competition during the second semester. Idaho has been invited by WSC to participate in a women's skiing meet at Emida, February 12 and 13. Mrs. Taylor also hopes for informal competition among women's living groups on the campus.

Fred Boyle and Crusty Hamon, student ski instructors and members of the Vandal ski team, will hold slalom practice every afternoon for both men and women.

Mrs. Taylor asked that intermediate skiers interested in competition contact her at the women's gymnasium as soon as possible. Previous competition or racing

## Students Told Of Advertising Test

An opportunity for college seniors to gauge their chances for success in advertising was announced this week by the American Association of Advertising Agencies. Examinations for advertising will be held in 16 cities throughout the country on February 19 and 26, stated John E. Wiley, chairman of AAAA's national examination committee.

Examinations will be given in two parts and will cover copy writing, plans and merchandising, research, media selection, mechanical production, radio and television, and layout and art. The aptitude test scores will then be compared with 2,500 successful advertising people chosen for their special competence in each field covered.

College students desiring to take the examinations may apply directly to the AAAA examination committee in the city they wish to take the tests in or write to the American Association of Advertising Agencies, 420 Lexington Avenue, New York 17, N. Y. A fee of \$15 is charged to cover the cost of administering the examination.

# Uncle Sam Wants Medical Workers

Examinations available to qualifying Idaho people for central office supervisor, geologist, and medical X-ray photofluorography technician positions in Washington, D. C., were recently announced by the U. S. Civil Service commission.

Applicants for the office supervisor position must have had four years general administrative experience, plus additional specialized management experience in a nationwide insurance organization. No written test is required.

The geologist examination covers mineralogy, petrology, sedimentation, stratigraphy, paleontology, geomorphology, glaciology and other geological fields. Positions are available throughout the country. Applicants must pass a written test and have had appropriate college study and experience.

Medical X-ray technician applicants must have completed a course in photofluorography and have had suitable experience. No written test is required.

Application forms and further information may be obtained from the Civil Service local secretary, Moscow.

# J. Lewis Returns From IK Meeting

Jack Lewis, president of the Idaho Intercollegiate Knights chapter, recently returned from a joint IK regional convention and national officers meeting held January 14 and 15 at Central Washington College of Education, Ellensburg, Washington.

National organization plans centered around colonizing in Colorado and several more eastern schools were discussed at the convention and quarterly financial statements reported. Suggested constitutional revisions were explained and publication dates set for the yearly Round Table edition.

WSC will be host chapter to the national convention in April. Idaho IK chapter members will assist the host group according to Lewis.

# Flying Association Adopts New Name

John Brandt was elected president of the "Vandal Flying club," newly organized campus flying group, at a meeting Tuesday night. Other officers named include Wally Schmidt, vice president; and Leo Juvé, secretary-treasurer.

"Vandal Flying club" was chosen official name of the group. The club will use Sky Ranch landing field as their point of operation. Managed by Pete Fountain, Moscow businessman, the field will serve as base for the flying club plane which was recently purchased from Lewiston.

Students interested in joining the club should contact any officers or call Eldon Jacobson, Pine Hall. The next club meeting will be February 2.

# Ritchie Speaks To Religious Meeting

"Personal approval" was Miss Margaret Ritchie's topic when she spoke at the meeting of Westminster Guild held Tuesday at the Bucket. After her presentation of the subject, a group discussion was held.

Announcement of incoming officers was made. They include president, Phyllis Andrew; vice-president, Jory Hutchinson; secretary and treasurer, Bernadean Reese; program chairman, Betty Loren; head key girl, Evelyn Ingraham; and devotional, Betty Bonnett.

# Students Give Varied Opinions On Topic Of Deferred Rush

Colleges and universities throughout the United States have been using the deferred rushing system with success. Washington State college is now considering changing to this plan whereby a student must spend at least one semester in a university controlled dormitory before pledging a Greek house.

The question was put to a few members of fraternities and sororities: "Do you think that deferred rushing should be instituted at the University of Idaho?"

Ann McKay, Pi Phi: "Yes, I think so. It would give freshmen a taste of hall life and a broader viewpoint for comparison of the advantages of a fraternity-sorority system and the dormitory system. It would give them a better chance to select the one they want to join."

Leroy DePalma, Sigma Chi: "It would throw off the economic system of the fraternities by leaving them partly vacant during the first semester. This would be particularly so in sororities, because so many of the members get married each summer. From the point of view of the prospective pledges, they would be able to make a better selection of the group they wished to pledge."

Avon Morse, Delta Gamma: "It would be bad for a year or two but later it would work, I believe. They would have a better understanding of the system. But maybe it would make more independents than Greeks, though I hope not."

Lou Ottosen, Sigma Nu: "Very good, if the school had the housing to take care of the freshmen the first semester. It would give the fraternities a chance to select the men that fit into their particular way of life. The same goes for the prospective pledges picking their group."

Pat Carlson, Kappa Kappa Gamma: "If the person really wants to be pledged to a fraternity or sorority, it would give them a chance to make a name for themselves while living in the hall. I think it is a good idea."

Merrill Neilson, Phi Gamma Delta: "From the point of view of the fraternities--no, from the point of view of the prospective pledge--yes. It would leave a vacancy in the houses the first semester and the fraternities and sororities need the money. But it would give the Greek houses a better chance to pick their men. It is too hard to tell enough about a person on the basis of his high school record or recommendations of friends. It does give the pledges (prospective) a better chance to know what they are getting into and to make an intelligent choice of the group they pledge. The system would work better if they were required to spend a year in the halls."

Contrivances, which look like silver refrigerators with windows, have been installed in the library and in Clark and Education halls at the University of Washington. Customers deposit either two nickels or one dime. Then, there is a hum and a buzz and he is rewarded for his efforts with a chilled, polished, red apple.

# Fraternity Group To Send Message To Moscow Mayor

Proposing that lights be placed on various railroad crossings near the university, the Interfraternity Council elected to send the resolution to the mayor of Moscow at a meeting Tuesday in the Bucket lounge.

Several organizations on the campus have taken similar action but as yet they have received no consolation. "This letter will be the first of an organized drive by the Interfraternity Council to get at least two signal lights, one on the crossing near Pine Hall and the other on the crossing near the depot," said Dick Boyle, president.

**Takes Over Fraternity Drive**  
The campus community chest drive in the fraternities has been taken over by the IFC and the representatives in each house are asked to act as the collecting agency for that house.

The IFC also announced that there will be no organized rushing between semesters.

# Magazine Offers Prizes In Contest

Mademoiselle fashion magazine has announced a college fiction contest of \$1,000 in prizes for the best two short stories written by college women undergraduates for publication in the August 1949 Mademoiselle issue.

Stories must be 3,000 to 5,000 words in length, and must be typewritten, double-spaced, with contestant's name, home address, college address, and college year. Stories which have appeared in undergraduate college publications are acceptable only if they have not been published elsewhere.

Copy must be mailed not later than April 15, 1949 and may be sent to College Fiction Contest, Mademoiselle, 122 East 42nd St., New York 17, N. Y. \$500 will be paid for all rights to the two best stories submitted.

# Forney Hall Wins Volleyball Title

Forney hall won the women's volleyball title for 1949 by topping Hays hall 50-18 in the championship play-off in the women's gym last night.

Members of the Forney team are: Jane Fisk, Margery Johnson, Pete Grant, Margaret Clark, Blanche Erickson, Jean Dammarcel, Bunny Bradley, Eileen Walton, and Betty Peters.

The Hays eight are: Jo Stephens, Betty Bower, Marg Johnstone, Norma Krigbaum, Maryanne Madison, Pat Berry, Jean Wardell, and Helen Way.

Forney hall also won the title last year.

# Mental Hygienists To Schedule Show

Election of officers was conducted and plans for the showing of "The Motion Picture, Human Growth," were laid at a recent meeting of the Mental Hygiene association.

Officers elected are Abe Edicks, president; Lois Store, vice president; Charlene Bales and Clint Chase, secretary-treasurer and publicity chairman, respectively.

The film which will be presented at the next bi-monthly meeting of the association received first recognition in the Oregon school system and has since grown rapidly in popularity throughout the nation. The outstanding feature of the picture is the simplicity with which it presents to the layman the growth and development of the human infant.

Only one showing of the film will be presented on the campus and the association extends an invitation to all interested persons.

# SCHEDULE GUN MEETS

Scabbard and Blade is organizing rifle and pistol team matches to be held in February and March. Matches are to be scheduled with other Scabbard and Blade chapters throughout the country.

# Wardell To Head Field Hockey Club

John Wardell was chosen to head the newly-formed field hockey club which will become active on the campus next year for the first time.

The organization will be one of several which are being created under the new WRA system. Formally an unorganized group of women who turned out for after-school field hockey practices, the club will now have scheduled meetings and other activities such as a yearly banquet.

Miss Wardell, who was hockey manager last fall, said that approximately 30 women participated during the recent hockey season. Club members will be composed of these participants.

Four practices will be required next year before a woman can become a member of the club.

# Willis Sweet

Officers for the second semester were elected Monday night at Willis Sweet hall. Leverette Curtis was elected president; Ben Schalz, vice president; Bob Jonas, secretary; Don Brudie, treasurer; Boyd Kramer, sergeant-at-arms; Lon Renfrow, social chairman; and Bruce Colwell, intramural manager.

## Mitt-Slingers Meet EWCE In Year's Opening Card

Coch Frank Young's Vandal boxers pitch their one ring circus on the Memorial gymnasium floor at 8 o'clock this evening and as great performers they have invited Merle Vannoy's highly rated Eastern Washington college mittmen. Eleven corking bouts are billed in the program that should make a hit with the fans any way they look at it.

It will be the opening card of the 1949 season for Young's strong talent-laden Idaho crew. Eastern, who banged out a 4 1/2 to 3 1/2 decision against Ike Deeter's always rough WSC squad last week, will be operating in Vandalville tonight without the services of their defending PCC heavyweight champion, Herman Pein. The Savage heavy sustained a nose injury in his decision over a WSC fighter and is reported a wash-up for the season. He will be replaced by John McNutt, former Marine corps title holder in the 175-pound bracket.

### Eleven Bouts

The eleven card roster features three exhibitions in addition to the eight varsity bouts. Franky Echevarria, Blackfoot, freshman fireball, will begin exhibition proceedings by working on a stablemate, Frank Fletcher, in the bantam-weight division. Echevarria's scheduled go with Cheney's Virgil Hight was cancelled. The two Walker brothers from Wallace, Norm at 130 pounds and Len at 135 pounds, will mix it with Elwood Killan from Wallace and Cal Henderson, in that respective order to wind up the exhibition matches.

In the varsity bouts, DeForest Tovey, sophomore sensation from Malad, carries a clean record with him when he steps into the ring against Bobby Schmitt at 125 pounds. Another Malad boy, Ed Morgan, follows suit when he meets Kenny Oliver at 130 pounds. The 135 pound class throws John Dominick, Nampa, against Eastern's Nile Washam. Idaho's Vern Gasser, Driggs, will produce plenty of leather for Gene Fiksdal at 145 pounds while Vern Bahr, Weiser, holder of another unblemished varsity record, plans to cause plenty of trouble for EWC's Shanon Hiet in the 155 pound class.

### Carlson Vs. Sage

Idaho's two time intercollegiate champion, belting Herb Carlson, Wallace, has ideas on how to make the evening miserable for Eastern's Bill Sage at 165 pounds, and in the 175 pound bracket Ted Diehl, Jerome, plans the same type of strategy when he throws the 12 ounce gloves at Cheney's Al Latimer. In the heavyweight division, Don Ellis, Kooskia, will have his hands full when he tangles with John McNutt. McNutt KO'd Glen Dornick of WSC last week in 1 minute and 42 seconds in the second round. Eastern lost to the Vandal squad last year, 6-2.

## Intramurals

Basketball, Thursday: WSH No. 1, 16, CH No. 1, 12; KS 34, LDS 24; IC No. 1; 37; PH No. 3, 32; PKT 18, TKE 46; PH No. 2, 25, LH No. 2, 37; PH No. 1 forfeited to LH No. 1.

## Time Out

By ALLEN DERR

Strictly for the birds. The Idaho fish and game department recently issued two words of warning to all persons who are thinking of feeding spow bound birds along the highways, "please don't." These birds, mostly pheasant, naturally congregate along roads and other open spaces in times of extreme snow, but everything possible should be done to keep this from happening. Food along the roads would offer even a greater attraction than the benefit of open spaces already provides the birds, and would draw them to a certain death under the wheels of a passing auto. The game department said the present loss of bird life by traffic is greater than by predators and by starvation.

If you must feed the birds, do so in an area some distance from a public road. In this way a double service can be rendered by providing the feathered species with necessary food and draw them away from a self-signed death warrant.

### Boxing Finals

Michigan State has been chosen as the site where the pick of America's collegiate boxers will punch it out April 7-9 for the usually number from 60 to 85, from which are picked eight individual title holders in the various weight classes through a series of four afternoon and evening sessions in a single ring. Idaho will be strong contenders this year, for the team title with Herb Carlson, two-time national collegiate champion, and Ted Diehl, finalist last year at 175 pounds.

## Pritchett Second In Point-Average; Brimhall Is Sixth

Roger Wiley, Oregon's 6 foot 8 inch veteran center and actually the tallest man in the northern division, paces the conference scorers with 74 points in six games for an average of 12.3 points per game.

Idaho's forward Bob Pritchett closely follows Wiley, having annexed a total of 65 points in his six contests. His average is 10.8 per game. The only other Idaho player to place among the scorers is Preston Brimhall who ranks sixth with 46 counters. Brimhall was on the northern division All-Coast team last year.

Eddie Gayda, Washington State sharpshooter, has a far better average, scoring 52 points in four tilts for a 13 point average. It is expected that Gayda will lead the northern division in scoring this season. He has been quite consistent so far, but his pace will have to be speeded up somewhat if he hopes to approach last year's record-breaking performance of Washington's Jack Nichols. Nichols averaged 16.5 points per game in setting a new northern division scoring mark of 265 points in 16 conference games.

The top scorers are:

	G	FG	FT	MFT	PF	TP	Ave.
Wiley, Oregon	6	28	22	10	16	74	12.3
Pritchett, Idaho	6	27	11	9	19	65	10.8
Sowers, Oregon	6	20	16	8	15	56	9.3
Gayda, WSC	4	22	8	5	10	52	13.0
Crandall, OSC	4	14	19	7	15	47	11.7
Brimhall, Idaho	6	15	16	6	20	46	7.7
Urban, Oregon	6	11	20	7	16	42	7.0
Neeley, Oregon	6	17	5	3	12	39	6.5
Bartlett, Oregon	6	17	4	3	17	38	6.3
Hamilton, WSC	4	14	8	4	4	36	9.0
Vandenburgh, Wash.	4	11	13	8	13	35	8.8
Henson, Wash.	4	10	11	3	13	31	7.8

MFT: Missed free throws.

## Appear In Fight Card Tonight

Two of the EWCE leather-pushers who will appear here tonight in an eleven-bout card with the rugged, hard-hitting Vandal sluggers. At left is Bobby Schmitt, 125-pound battler who will have his hands full in the ring with Idaho's De Forrest Tovey. Cal Henderson at right is scheduled to appear in an exhibition bout against classy Len Walker. Tonight's meet is the first of the year for the Vandal boxers, while the Savage team wrestled a bitterly fought 4 1/2-3 1/2 decision from the Cougars of WSC.

## Tank Squad To Open Season On Savages This Afternoon

Idaho's Vandal swimmers open the 1949 season in a meet with the Savage tank crew of EWCE this afternoon at 4:00 in the Memorial gym swimming pool.

Coch Eric Kirkland said he had two outstanding swimmers on the Idaho squad who may be able to put a crimp in the style of the Savages. Captain Jim Farmer has plenty of speed and endurance to carry him through the grueling distance swimming of the 220 and 440 events.

Ken Lyons, the other mainstay, will be competing in an entirely new feature of college swimming—the 150-yard individual medley, which involves use of the breast, crawl, and back strokes. Lyons will also appear in the free style event.

### Team Has Weak Spots

The squad has two particular weaknesses, Kirkland said. With star Vandal diver Jack Smith sick, the weight of the diving load rests on the shoulders of Win Bishop, who, in his first year of varsity swimming, lacks some of the experience necessary for perfect performance. The other weakness of the team is in the breast stroke division, where only one man, George Valda, is available for competition.

Four men make up the relay events team: Z. L. Pearson, Don Miller, Norm Green, and Carl Kinney. In the back stroke department, Tom Edmark and Chase Barbee will carry the load, while two other men, Wayne Stewart and Gerald Weaver, besides those mentioned earlier, will provide depth in the distance events.

## Idaho Basketeers Tackle WSC Here Tomorrow Night

The University of Idaho Vandals, now claiming the cellar position in the northern division conference race, tangle with the undefeated Washington State college basketball squad tomorrow evening in the Memorial gymnasium.

Washington State to date has an overall record of 17 wins against one loss, that being to UCLA in the opening round of the Pacific Coast Conference Basketball tournament which was held in the Cow Palace at San Francisco last December.

Idaho, on the other hand, has won 11 and dropped a like amount. The Vandals will be led by their sophomore scoring sensation Bob Pritchett, who has dunked a total of 220 points in 22 contests. Other Vandals expected to shine are: guards; Preston Brimhall and Poe Grove; center, Nick Stallworth; and forward, Dick Geisler.

Gayda Provides Spark. The Cougars will be sparked by Ed Gayda and coach Jack Friel's platoon substitution system. Gayda, who has scored 208 points in 18 contests, is rated as one of the best basketball players in Cougar history. The nationally famous WSC squad of 1941 is surpassed by the showing of the present casabans, according to Friel.

Washington State's football squad is well represented on the maple court, for the first, second and third team quarterbacks are playing for the high flying Cougars. Bob Gambold, No. 2 tallback in football, holds down a starting forward spot. Frank Mataya, No. 1 quarterback, and Leon Mangus, No. 3, claim the guard positions on the second five.

About Ed Gayda, 6-foot, 3-inch forward, Friel said, "I wouldn't trade him for any player I've ever seen anywhere." Friel thinks Gayda is the greatest defensive

player alive and he's additionally pleased because Gayda is "scoring a little, too."

Two Against One  
The Staters will toss two starting fives against the sophomore-laden Vandals, who will have but two days of rest following their hapless invasion of Oregon last week.

It has been reported that the contest will be a complete sell-out when the two stateline rivals take to the floor.
