THE IDAHO ARGONAUT, Official Publication of the ASUI

TUESDAY, MARCH 8, 1949

## The GOLDEN FLEECE by Jason

As a closing note in the Gasman-Jason affair, the following letter printed in last Friday's EVERGREEN has not produced the names of the Idaho fans who spoke GREEN is being reprinted. Since against the Stallworth incident, Jason exposes this WSC fan who speaks in protest of Gasman.

Editor, EVERGREEN

Dear Editor:  
In regard to the "Stallworth Affair" I would like to point out a basic concept that the Evergreen editors should keep in mind.

It is disgusting that a college student can take such a childish attitude as Bill Gasman has. Just because Nick Stallworth went a little farther than the other players and took a poke at an opponent does not mean that he should be singled out for an intensified reprimand.

As a result of this, the editor of the Idaho Argonaut has made a few comments on the matter and our sports editor has challenged the former to a walking duel. This is silly. Does not sportsmanship apply to you also, Mr. Gasman? I do not think that personal feuds should be injected into our college newspaper!

I believe that the space that was devoted to this one-sided affair could be much more profitably devoted to determine the cause for the extreme Cougar-Vandal rivalry (civil war?) and to make a serious attempt to put it back on a friendly basis. This would be using our college newspaper in the best interests of the student body... one purpose (if not the purpose) of the paper. There are two sides to every issue—let's not neglect one of them.

Yours for better sports relations,

Joe Sheldon  
Route 1  
Boise, Idaho

### Fire Minded

Numerous fires which have occurred on and near the campus recently have made students "fire conscious". Seeing a fire devour the contents of a house will make even the most flamboyant personality start to think about the potential danger of any conflagration.

How far does this realization of this danger extend? To many it is a subject for good conversation. Everyone is interested in it; everyone has seen it. Few, however, let our thoughts carry us to any form of motivation toward prevention measures. "It might happen to you", we contend. Very seldom do we stop to think that there is always a chance that it might be us.

(Cont. on Page 2, Col. 1)

## COMING EVENTS

TODAY:  
Phi Upsilon Omicron will meet at 8:30 in the home management house.

Interfraternity Council Meets at 4:30 in the coke room of the Bucket.

Student-Businessmen council tonight at 7:15 in the Bucket coke room. All representatives requested to be present.

Gem photographers meet at 4:30 in the Gem office.

4-H club meets in the Bucket at 5 p.m.

"I" club tonight at 7:30 in the TKE house.

Meeting of all Gem State Sharpshooters in Memorial gym tonight. Election of officers will take place.

Home Ec. club meeting at 4 p.m. in the home economics department.

WEDNESDAY:  
IK meeting at 8:55 p.m. in Bucket.

Luncheon meeting of Spurs in the Bucket coke room. Also business meeting at 5 p.m. in coke room.

TMA pictures for Gem will be taken at 7 p.m. in Bucket.

THURSDAY:  
Junior Week committee heads confer in Bucket coke room at 7 p.m.

A.E.D. meets at noon in small coke room, Bucket.

## Church Educator Chosen For Graduation Address

Dr. Adam S. Bennion of Salt Lake City, for nearly 20 years head of the educational program of the L.D.S. church, will deliver the baccalaureate address to the 1949 graduating class at the University of Idaho, it was announced today by President J. E. Buchanan. Baccalaureate exercises will be held Sunday morning, May 29.

Dr. Bennion was head of the department of education of the LDS church from 1919 to 1927. Since that time he has been a member of the church board of education, supervising 200 seminaries, 16 institutes, one of which is adjacent to the Idaho campus, and two higher educational institutions. At present Dr. Bennion is also vice president of the Utah Power and Light company in charge of employee-stockholder and customer relations.

"Americanism"  
Born of Utah pioneer stock, Dr. Bennion early in life chose education as a field. He taught English and speech at the University of Utah and has been a high school principal and superintendent of schools. He keeps in close touch with youth and enjoys appearing at schools, universities, and youth clubs. His talks on "Americanism" before youth groups in recent years have been exceptionally well received.

Selection of Dr. Bennion as baccalaureate speaker, announced by President Buchanan following formal approval by the university regents, completes the speaker list for the 54th commencement. Recently announced was the selection of W. Walter Williams of Seattle, chairman of the national committee on economic development, as the commencement speaker.

## Twenty Accepted Into Hell Divers

Twenty students have been accepted into Hell Divers as a result of final try-outs for the school year held last week in the university gym, according to Jim Farmer, president.

New members of the swimming honorary include Jim Hammond, Phi Delta Theta; Edward Fiester and Don Medley, Idaho Club; Carol Shaffer, Alpha Chi Omega; Betty Biker and Margaret Austad, Delta Gamma; Ann McKay and Jo Paulson, Pi Beta Phi; and George Thomas, Alpha Tau Omega.

Others tapped include Pat Patton and Colleen McDonald, Kappa Alpha Theta; Gerald Weaver, Willis Sweet hall; Becky Barline, Ann Williams, June Schalkau, and Frances Hodgins, Kappa Kappa Gamma; George Tindall and Charles Clark, Pine Hall; Phil Kinnison, Sigma Nu; and Ann Kettlenbach, Gamma Phi Beta.

The entire group has begun work on a water pageant, to be presented during the latter part of March.

## AWS Members Nominate Top Officers Under Recently Adopted Procedure

Amendments to the AWS constitution were made at an open meeting of the Associated Women's council in the student union lounge Wednesday afternoon. Under the new rulings nominations for president and vice president shall be made together, with the candidate receiving most votes being named president and the runner-up being appointed vice president.

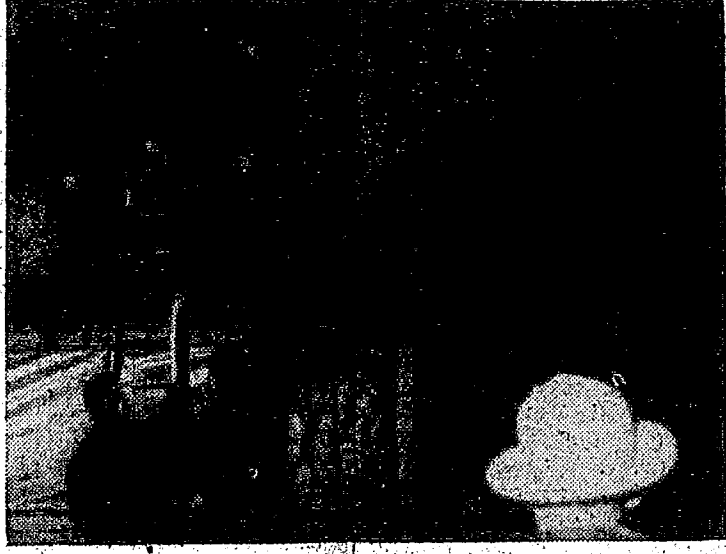

This action was taken in order that the two outstanding senior candidates shall both be chosen for office, instead of entirely eliminating those nominated but not elected.

Final nominations were made for next year's AWS officers and this spring's May Queen and court at that meeting. Elections will be held tomorrow in the voting polls outside the University auditorium in first floor ad building hall.

Women Urged To Vote  
Polls will open tomorrow at 9 a. m. and will close from 12 noon to 1 p. m., remaining open to 4:15 p. m. ASUI books must be presented before voting. All women students are strongly urged to vote in this election, according to Jan Garber, present AWS president.

Candidates nominated for office include:  
President  
Colleen Christensen  
Rosemary Fitzgerald  
(Cont. on page 3, col. 7)

## Fire Razes Home

An overheated kitchen range started a fire in the Orville Slette residence, 704 1/2 Deakin avenue, Sunday evening causing serious damage to the kitchen and storeroom. The Slettes were away from home at the time and the fire was not noticed until it had burned through the roof. Firemen, shown above, squelched the blaze before it could spread to any other rooms of the four-room single story frame structure.

## Noted Modern Dance Group Performs Tomorrow Night

Charles Weidman, noted exponent of modern dance, and his theatre dance company, featuring Peter Hamilton, will perform at 8 p. m. tomorrow evening in Bryan hall at Pullman.

Recognized as one of the most important figures in American concert dance today, Weidman has created more than 100 compositions as well as soling in troupe numbers. Following his first major recital in 1928, Weidman and his group appeared with the Philadelphia orchestra, the New York Philharmonic symphony, and the Cleveland symphony. Stage dances were given in such Broadway successes as "As Thousands Cheer" and "Sing Out, Sweet Land."

## 'The Owl Who Was God'

With a Guggenheim fellowship he was awarded in 1947, Weidman composed the new ballet, "Fables For Our Time" which will be included in tomorrow evening's program. Widely acclaimed by critics and recently shown over television, the fables are based on stories by James Thurber. Four will be interpreted: "The Unicorn in the Garden," "The Shrike and the Chipmunks," "The Owl Who Was God," and "The Courtship of Arthur and Al."

Also to be included in the Pullman concert are "Dance For Five," in three movements; and "A House Divided," which centers about a period in Lincoln's life and is played by Weidman as the figure and Jack Ferris as the voice.

## Reels of 'Flickers'

"Jesse James (For Children Only)" will be done by the rising dance star Peter Hamilton. "Flickers," which is written in three reels, will show "Hearts Aflame," "Wages of Sin," "Flowers of the Desert," and "Hearts Courageous." Tickets, priced at 75 cents and \$1.25, may be obtained from Miss Billie Steelman, women's physical education department.

## RELIGION MORE DOMINANT

Increase in religious activities on the college campus can be traced to students asking basic questions about "the meanings and ends of life," according to Prof. Clarence P. Shedd, Yale University.

## NO HOUSE—NO WED

The availability of housing is often the chief determining factor in student marriages. This observation was made by Miss Velma Morrell, housing supervisor at Santa Barbara college, University of California.

## Argonaut Starts Service File Of Printed Articles

A file service is being started by the Argonaut this semester. All articles printed in the pages of this campus publication are included.

Each group of campus organizations or functions is, being given a separate folder. Binders have been set up for such groups as men's living groups, women's honoraries, basketball, executive board, publications, and society.

Aids Planning  
Argonaut editor, John Martin, stated that publicity committees and group officers will undoubtedly find the files of great service when any type of planning is being done.

One Makay has been appointed head of the file service for this semester; assisting her is Beverly Balka. When the project is fully

## New Campus Christian Center Building Construction Authorized By Trustees

The Board of Trustees of Idaho Institute of Christian Education, at its February meeting, voted to begin construction of a new Campus Christian Center on the site of the present Institute building as soon as plans and specifications are ready. It is hoped that the new building will be ready for occupancy when school opens next fall.

## Traveling Abroad To Be Sponsored

The United States National Student association and the National Union of Students are jointly sponsoring 1949 summer programs of study, travel, and work projects, according to Bob Dahlstrom, NSA committee president.

The purpose of this program is to increase individual friendships between students of this country and abroad, and to continue to a fuller understanding among peoples of the world.

## Offer Foreign Tours

Study-tours are offered to all United States college students and may be obtained to all countries in Europe and Latin and South America. The cost of such a tour ranges from \$480 to \$700, covering shipboard fare, housing, food, and travel expenses.

Recently the NSA committee received the application forms for this summer program. Those interested should inquire at the ASUI executive board office between 4 and 5 p.m. before March 15 for further information.

## Student Reaction To Town Politics Will Be Analyzed

Kimball Jack will give his analysis of the recent questionnaire polled on the campus at a meeting of the Student-Businessmen council tomorrow evening at 7:15 in the "coké" room of the Bucket. Mr. Jack handles public relations for the Washington Water Power company.

## Folz Aids

The questionnaire, which was designed by Mr. Jack and Dr. Folz, school of business, was intended to get the students' reaction on policies of downtown businessmen. The council was organized for the purpose of enabling students and businessmen to reach a better understanding of each other's problems.

Mr. Everett Will is chairman of the downtown businessmen and Chuck Gilb heads the chamber of commerce. A delegation representing the Business Chamber of Commerce attended the Moscow Chamber's annual banquet held at the Elks lodge last evening.

## FEES ON TOP

President M. O. Bail of the University of Omaha informed the University's Board of Regents that student fees are at the top and can not go any higher.

## KUOI To Observe 4-H Week With Tape Recording Series

In observance of National 4-H Club week this week, KUOI is making a series of five-minute broadcasts on tape recordings for distribution to radio stations in all parts of the state.

## Folz Named Head Of Moscow Chamber

A university professor, Dr. William Folz, was installed as president of the Moscow senior chamber of commerce Monday. Dr. Folz is head of the statistics department in the School of Business Administration.

The new chamber of commerce president has been outstanding in civic affairs and served with the chamber's board of directors last year.

## Students Injured In Auto Mishap

Patricia Rivett, university student from Boise, suffered leg lacerations when the car in which she was riding overturned near Genesee Sunday. The accident occurred about 1:30 p. m. when the car reportedly failed to make a sharp curve.

The driver of the car, Henry Gandiaga, received minor shoulder injuries.

Both were treated by a Genesee physician and released.

Two other passengers, Carmen Gandiaga and Jack Steneck, escaped without injury.

## Magazine Board Appoints 4 Idaho Coeds To Contest

Four Idaho students have been appointed to Mademoiselle Magazine's College Board. The appointments enable them to compete for College Board Editorships of Mademoiselle.

Aris Petersen, Vida Marie Baugh, Nancy Bowden, and Ann Kettlenbach were the four Idaho students appointed.

## Travel To N.Y.

Twenty guest editors, who are chosen from the College Board on the basis of three assignments given by the magazine during the year, will be brought to New York City for four weeks (June 6 through July 1). They will help write and edit the annual August College issue and will be paid round trip transportation plus a regular salary for their work.

In addition, while in New York City, Mademoiselle's Guest Editors take part in a full calendar of activities designed to give them a head start in their careers. These include personalized career guidance as well as interviews with top celebrities in their chosen fields, and trips to newspaper offices, fashion workrooms, radio stations, stores, agencies, and printing plants.

## Regularly Scheduled

Station KUOI will begin a series of recorded farm programs in cooperation with the agriculture extension service in the near future. They will be distributed throughout the state in a manner similar to the special 4-H broadcast.

# Three Firesides Provide Weekend Entertainment

Friday night firesides are still prominent on the social calendar as post-basketball and boxing entertainment. Living groups which had firesides last Friday were: Kappa Alpha Theta, Sigma Alpha Epsilon and Phi Delta Theta.

Delta Delta Delta held a formal dinner and installation of officers, Sunday, March 6. An initiation banquet was held by Alpha Tau Omega honoring twenty new initiates.

Phi Delta Theta Wednesday dinner guests were Mrs. H. D. Martin, Clarice Hove, and Norma Daugherty. A fireside was held Friday evening at the chapter house. Mr. and Mrs. Tom Stedman and Lucille Driggs were Sunday dinner guests.

Delta Delta Delta A formal dinner and installation of new officers was held Sunday. Ray Stommell, Jack Steneck, and Henry Gandiaga representing Sigma Alpha Epsilon, presented the nine new initiates with individual violet collages on Sunday.

Home Management Alma Anderson was a Thursday luncheon guest. Thursday dinner guests were Mr. and Mrs. Stewart Dunn.

Alpha Tau Omega Weekend guests were Mr. and Mrs. M. E. Briggs, St. Anthony. Mr. Briggs was here for the initiation of his son, Jim.

Hays Hall Bonnie Shuldberg was general chairman of the Diary Dance held Friday. Diary pages decorated the walls and blue and white crepe paper made the false ceiling. Patrons and patronesses were Mr. and Mrs. L. C. Robinson, Dr. and Mrs. E. M. Hause, Miss Willa Steelman, Mrs. LeRoy Van Winkle, and Miss Betty Lou Jones. Norm Herzinger and his orchestra provided the music.

Sigma Alpha Epsilon Friday evening a fireside was held, including dancing and refreshments. Mrs. A. C. Lemon was hostess at the open house on Saturday and Sunday.

Dr. John Mosley, past national president, was a Monday luncheon guest.

Kappa Alpha Theta Tuesday dinner guests included Don Whitman, Del Klaus, Tony Galdos, and Bob Purcell. Dr. and Mrs. C. J. Brosnan were Thursday dinner guests. Guests for Sunday dinner were Glen R. Lockery and Mr. and Mrs. George O'Leary, Weiser. Sophomores and seniors entertained the freshmen and juniors with a party Thursday night. Refreshments were served and a skit was presented.

A date fireside was held at the chapter house Friday night. Colleen McDonald and Margaret Wills were in charge of arrangements.

## Two Houses Hold Initiation Rites

Twenty new initiates of Alpha Tau Omega were honored at a formal dinner Sunday following initiation. Those initiated are Philip Gullfof, Frank Reich, Ronnie Johnston, Edwin Clizer, Jim Briggs, Tom Mitchell, John Kostet, Bill Rigby, Gene Thometz, Don Amos, Jim Atchison, Bruce Tingwall, Rod Burnell, De Forest Tovey, Dick Eimers, Bob Bales, Jay Fitch, John Holmes, Ken Frederiksen, and Don McDonald.

Delta Gamma Fourteen girls were initiated into Delta Gamma Sunday. The initiates are Marilyn Anderson, Margaret AUSTAD, Beverly Benson, Beverly Diamond, Polly Packenham, Geri Belnap, and Patsy Lee. Other new members include Claire Cramer, Marianne Hutchison, Joan Raymer, Joan Madison, Sharon Lawrence, Mary Tobin, and Joanne Rundstrom. Joan Raymer was presented with the diamond anchor for having the highest scholastic average.

## Tri Deltas Install Officers Recently

Newly installed officers of Delta Delta Delta are Laura McVicker, president; Aris Petersen, vice president; Carol Bowlby, house manager; Barbara Kitchens, corresponding secretary; and Betty Wood, recording secretary. Others recently elected to fill positions are Phyllis Andrew, treasurer; Rose Marie Whitney, marshal; and Lorraine Johnson, social chairman.

## Church News

Dr. Oscar M. Adam, director of the Idaho Institute of Christian Education, has arranged a five-week series of Lenten snack-chats at the Idaho Institute to be held on Wednesday afternoons from 3 to 4. Coffee, tea and cakes with cookies will be served and a half-hour presentation of "Spiritual Voices in Literature" by Dr. Adam will include the following:

March 9—"The Hound of Heaven" by Francis Thompson.

March 16—"Bishop Blaugram's Apology" by Robert Browning.

March 23—"The Everlasting Mercy" by John Masefield.

March 30—"In Memoriam" by Alfred Tennyson.

April 6—"Seven Lamps of Architecture" by John Ruskin.

The series is open to all interested students.

Lambda Delta Sigma Newly pledged to LDS were Ray Hulet, Lawrence Rasmussen, Arden Johnson, and Nadine Holmes.

A meeting of the officers will be held today at 4:15 p.m. at the institute, and a general meeting Wednesday at 4:10 p.m.

Interchurch Council A house embassy program is being sponsored by the Idaho interchurch student council for the living groups during Lent. This program provides discussion leaders for after-dinner discussions or bull sessions at 9:30.

Christian Science Christian Science university organization will meet at the Idaho institute this evening at 7.

Christian Church Disciple student fellowship of the Christian church will meet from 5 to 7 p.m. Sunday at the parsonage. Members are invited to bring one guest to "The Wearin' of The Green" party.

Engagement Told By Campus Couple Mr. and Mrs. Fenimore Cady of Coeur d'Alene, Idaho, and Wappingers Falls, New York, announce the engagement of their daughter, Josephine Ellison, to Kenneth O. Davis.

Davis is the son of Mr. and Mrs. M. Davis of Wilder, Idaho. Both are sophomores. Miss Cady resides at Hays hall and Davis at Chrisman. No date has been set for the wedding.

Campus Totals 44 Religious Groups Forty-four of the world's religious denominations are represented at the University of Idaho, a report of preferences listed by students showed recently.

Religions in which 10 or more students indicated membership or preference follow: Methodist, 569; Presbyterian, 442; Catholic, 379; Latter Day Saints, 345; Episcopal, 232; Lutheran, 187; Congregational, 83; Christian Science, 44; Nazarene, 15; and Church of Christ, 10. The 32 other religions represented at the university show membership or preference by one to eight students.

Spring Song Fest Has Lists Ready Sigma Alpha Iota and Phi Mu Alpha announced yesterday that song lists are out for the spring song fest.

Mimeographed copies of the lists may be obtained by each song leader and copies of each song can be found in the main office at the music hall. These copies may not be removed from the music hall.

All group song leaders will meet in room 3 of the music hall Tuesday at 7 p.m. Attendance is required to obtain rules for the song fest.

For Your Party or House Dance Buy Flavorful and Nutritious Ice Cream From Us Latah Creamery 209 East 3rd St.

## Dancers To Perform At Pullman

Peter Hamilton and the rest of the Theater Dance company will perform in Bryan Hall, Pullman, tomorrow evening. Under the direction of Charles Weidman, noted exponent of modern dance, the group has become one of the most important in concert dance. Since 1928 Weidman and his group have appeared with many major symphony orchestras such as the New York Philharmonic.

## Idaho Cage Team Has 44-Year Heritage

The Vandal basketball squad that just finished conference play with a tie for third place is a team much different from the one that first took the floor for the University of Idaho almost forty-four years ago. The scene of this first game, played in December, 1905, was the new gymnasium and armory, the present women's gym.

The contest was played against Lewiston high school who had been playing basketball the previous season. The Lewiston squad numbered only five men, permitting no substitution. Idaho, on the other hand, had a ten man squad and substituted freely. Halves were twenty minutes in length instead of the present twenty-four minute halves.

Seize Quick Lead Idaho grabbed a quick lead and ran up a halftime advantage of 25 to 1. The scoring was less lopsided in the second period, however, as Lewiston racked up 8 points to 17 for the home team. When the final gun sounded the scoreboard read Idaho 42, Lewiston High School 9.

An account of this initial tilt in the Argonaut reports that "the game throughout was fast and good playing was characteristic. Team work, though not so good as the individual playing, showed development. Both teams played good basketball."

A small fee was collected from spectators as they entered "to defray the expenses of the visitors."

Esquire Dance Planned Saturday The annual Alpha Tau Omega "Esquire Dance" to be held March 11, will be sponsored by Esquire Magazine.

Esquire cover blow-ups, cartoons and pictures of Esquire girls and miniature Esqy folders furnished by the magazine will be used to decorate the different rooms of the house portraying the different sections of the magazine. Dance programs, complete with tassels and acetate covers, will also be furnished by the magazine. The Art department of this well-known men's magazine will select the "Esquire Girl" from the five photographs that have been submitted.

## Air Seeding Of Range Lands Is New Piece Of Pioneering

Planes begin broadcasting the new type chemically coated seed on 6,500 acres of range land in the upper Crane creek district due east of Weiser this spring, probably early in April. E. W. Tisdale, associate professor of range management at the University of Idaho, will check research phases of this new piece of pioneering in air seeding.

For Professor Tisdale, this will be an assignment of unusual appeal, for the pelleted seeds to be sown on the Crane creek range were made according to specifications developed in his research at the university the past year.

It will be the first time that pelleted seed has been made to definite standards specifying germination, seed breakage, and pellet breakage.

Plastic Pellets During the past year extensive tests have been made with the compressed earth type of seed pellets used on the Shoshone operation. Pellets from that seeding and from similar seedings in Nevada, Arizona, Utah and Wyoming have been tested by the University of Idaho research men.

The pelleted seeds to be used in the southwestern Idaho operation this spring will be coated with layers of fertilizer and protective minerals held together by a plastic. Crested wheatgrass is the main variety of forage being seeded. Sagebrush on the 6,500 acres was burned last fall to assist the seeds in getting a foothold.

Hormone Coatings At present, reports Professor Tisdale, the university has on test in the greenhouses and in small field trials about 100 lots of various kinds of chemically coated seeds produced by the Phelps Vogelsson process. They represent all possible combinations of fertilizers and coating materials. Some even carry plant hormones to determine if these will give the infant grass plant a boost.

Salaries for these jobs range from \$3,727 a year. To qualify, applicants must pass a written examination and must have had from one to five years of appropriate technical or professional experience. Pertinent high school or college education may be substituted for all the experience required for \$2,498 jobs and for part of the experience required for the higher-paid jobs.

Detailed information concerning these examinations may be obtained at the main post office in Moscow.

WSC Frosh Coach Moved To Varsity Joe Angelo, present WSC frosh football coach, will be the new Cougar backfield mentor when spring football starts, replacing Billy Sewell, who asked for his release.

Both men are former Cougar gridiron stars. Sewell will remain at WSC until June to coach the frosh baseball team.

PLENTY OF CORN Food shipments from Pennsylvania college students to Rumanian students impressed the Rumanians so much that last year, when Rumania finally had an adequate corn harvest, the students there collected six tons of corn to be sent to any student group which World Student Relief headquarters in Geneva should select.

"I hear they are making shoes out of banana peelings now." "Yeah. They're slippers."

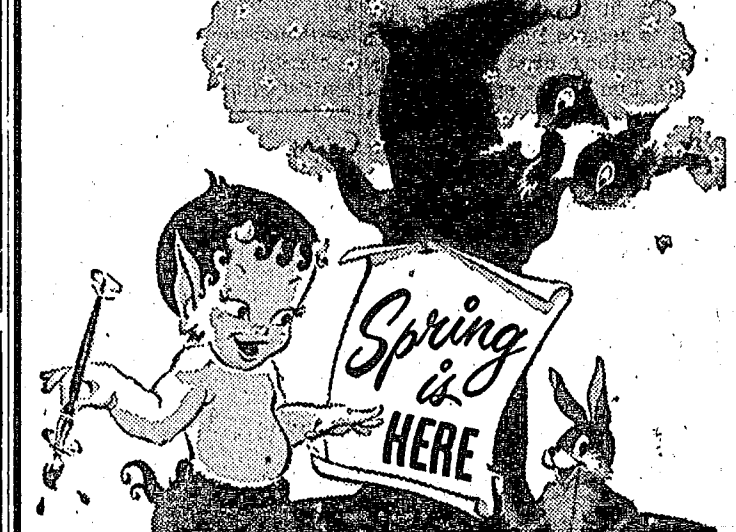

Caldwell To Speak At IRC Meeting The Dutch-Indonesian problem will be discussed at the regular evening meeting of International Relations Club, according to Tom Rigby, newly elected president of the club.

Professor Harry Caldwell of the department of geology and physics instructor Theodore Freeman will lead the discussion.

The meeting will be held in the small lounge of the student union at 7:30. All persons interested are invited to attend, Rigby said.

The University of South Dakota has been appropriated \$1,222,500 for construction in the next two years.

Spring is Here

A season we all enjoy, spring is bright with birds, buds and bunnies. It's a season light of heart, full of gay colors that blaze of sunlight! Our part in the new season festivities is to tell you about a brand new line of spring merchandise . . . So read your advertising and know the merchandise to buy.

# Basketball Season Ends; Idaho In Third Place Tie

The University of Idaho Vandals and the University of Oregon basketball squad finished the current race in a two-way tie for third place, by virtue of the double lacing handed the Ducks by the new conference champions, the Oregon State Beavers, last weekend. Idaho was idle.

The Pacific Coast conference championship will be determined this weekend, as the winner of the southern division, UCLA, will meet the northern division champions, Oregon State, in Corvallis. Last year the University of Washington Huskies defeated the University of California for the coveted award. Incidentally Washington and California hold down the cellar positions in their respective leagues this season.

### Huskies Dump WSC

Washington State ended one of its more dismal seasons in Seattle last weekend, as Washington's unpredictable Huskies took a pair of contests from the highly regarded Cougars. It has been reported that these were the best contests that the Huskies played in all season. The double victory left WSC only one full game ahead of the third place Vandals and Ducks.

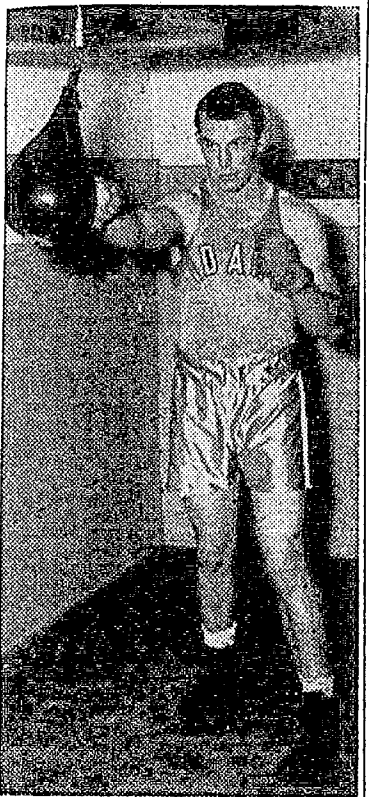

### Wiley Cops Scoring Lead

Oregon's tall center, 6-foot 8-inch Roger Wiley, easily garnered scoring honors for the season as he posted 235 points in the 16 conference games for an average of 14.7 points per contest. The scoring record set by Washington's Jack Nichols last year was not broken, although Wiley came close to eclipsing the Husky's high total of 285 points.

## Vandal . . . . . Portraits

Perennially the "Hard-luck Kid" of the Vandal boxing squad, Ted Diehl, 175-pound leather pusher and a standout in the backfield of the Idaho football team, made his debut at Twin Falls, Idaho, on February 16, 1926. He attended grade and high school at Jerome, where for four years he earned letters in both boxing and football.

Graduating from high school in the spring of 1944, Ted entered the Navy V-5 program and was sent to Idaho State college (then the southern branch of the University of Idaho). While there

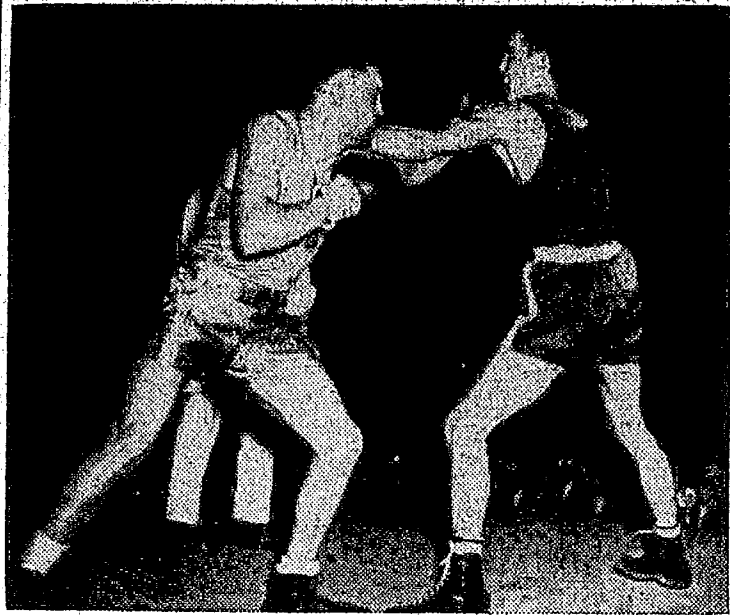

he continued to star in his two chosen sports, culminating his USB boxing career by garnering the 154-pound Intermountain Golden Gloves title.

From Pocatello, the Navy sent Ted to St. Mary's college in California, where Ike Deeter, present boxing coach at WSC, continued his education in the art of pugilistics. He continued his football career at the California school, also, before going on to win his commission in the Naval air corps.

After his discharge from the Navy in May, 1946, Ted came to Idaho to major in electrical engineering, and lettered in boxing and JV football. Last year, Ted's boxing career was held up by a long siege of illness and by a troublesome eye cut which opened up repeatedly. It was this eye which earned him the "Hard Luck Kid" title, since it lost him the chance to finish several matches, including one against Cal Vernon, Wisconsin's NCAA champion in the semi-finals of the national boxing tournament last year in Madison, Wisconsin.

Ted got partial revenge for that defeat last weekend, when he defeated Wisconsin's Ted Kozuszek during the meet at Madison.

## Norm Turns On The Heat

Accidents and forfeits played hob with Friday night's ringfest with the Bulldog battlers from Gonzaga, but the unforeseen difficulties didn't detract from the spirit with which the bouts that did take place were conducted. The jarring left to the jaw of Zag Jim Reilly in the 130-pound contest wasn't enough to win the fight for Idaho's Norm Walker, for the Gonzaga boy won the decision. The card ended in a 3½-3½ draw between the two schools.

## Forfeits, Disputed Decision Mar Gonzaga-Idaho Matches

Idaho boxers erased the results of their last three ring outings and began strenuous workouts yesterday in preparation for Friday evening's re-encounter with the fast-improving Washington State college ringmen in Pullman. In a previous dual engagement at Moscow, the Vandals hammered out a convincing 5-2 win over the Cougar scrappers.

Coach Frank Young had a difficult task at Friday night's 3½ to 3½ fight card with Gonzaga when he was forced to climb into the Memorial gymnasium ring, take the PA system in hand, and announce to the some 4,200 spectators present, and anxiously awaiting the Ted Diehl-Carl Maxey light-heavyweight match, that the Idaho boy would have to forfeit the fight. Dr. Harold Cramer, university physician, refused to give Diehl permission to enter the ring against the Gonzaga belter after the Idaho scrapper had temporarily paralyzed an elbow in a fall from a training table two hours before his anticipated fight.

### Too Bad, Ted

The Maxey-Diehl go was to have been the final match of a varsity bill which had already been blemished by two forfeits, a disputed match and one "no contest."

Joey August's Gonzaga outfit entered the card two down. Idaho's NCAA champion, Herb Carlson, won the 165-pound match by forfeit and the Vandal heavyweight, Don "Pug" Ellis won his division in the same manner.

### Disputed Decision

The varsity bill started off with a bang in the 125-pound meeting between DeForrest Tovey of Idaho and Gonzaga's Bill Macey. After three bruising rounds of fighting, Tovey was declared winner by a split decision. Coach August of the Zags protested the verdict and after moments of consultation and storming in the ring, Young signaled to referee Patsy Fitzpatrick to declare the contest a draw. Both judges, Don Miller and Bill Hopkins of Spokane, marked the bout as a draw while referee Fitzpatrick gave Tovey the decision.

Tough Luck for Walkers In the 130-pound slugfest, Norm

## I CLUB

Members of the I club will meet tonight at 7:30 at the TKE house.

## INTRAMURAL

Coach Gene Allen's Delta Chi squad made it 3 straight by downing a Pine hall quint in an overtime game featuring a storybook comeback. The Pine men held a 24 to 13 advantage late in the 3rd quarter, but something like the Idaho Vandal defense tactics and more accurate shooting by the Delta Chi squad whittled the score until Herby Mossman's eleventh hour field goal tied the game at 26-all, and forced it into an overtime.

West 6th No. 1, 23; PH No. 4, 16 This West 6th team also has a record of 3 wins and no losses after defeating this Pine hall quintet 23 to 16. Babe Wessel of Pine hall was high point man, with 11 points, and Day was high for the winners with 9 points.

Delta Tau No. 1, 29; WSH No. 2, 11 The Delta Tau team built up a 20 to 5 lead in the first half and coasted on to final victory. Schumaker, with 8 points, was high for the game, and Larsen and Colloinger led the losers with 4 points each. This was the second win against no losses for the Delta Taus.

WSH No. 1, 62; CC No. 1, 17 The lads from Willis Sweet compiled the highest score of the tournament in dumping the Campus Cafe five and retaining their perfect record. Anderson was high

scorer with 17 points. KS No. 1, 50; SN No. 2, 11 Bemus of the Kappa Sig's made a record of 19 points in a rough game in which the referees were forced to call many fouls. Kass of the Sigma Nus was high for the losers with 5 points.

ATO No. 2, 15; IC No. 2, 8 The Idaho club made only 1 point in the first half in this low-scoring game in which neither team could hit the basket with consistency. ATO Center Barner and Idaho club Guard Clifton tied for scoring honors with 4 points each.

SAE No. 2, 31; TKE No. 2, 17 SAE forward McKinney, with 9 points led his team to a convincing victory over the hapless Cannoners. Forward Poore of the Telkes was high point man for the losers with 6 points.

SAE No. 1, 23; WSH No. 3, 8 The SAEs, led by Vergobbi with 13 points, stretched a 10 to 3 half-time lead to 23 to 8. Hodyland's five points were high for the losers.

SC No. 2, 19; KS No. 2, 21 The lead see-sawed back and forth throughout the game, but the Kappa Sig's had it when the game was over. Dailey's 12 points was high, followed by Caldwell's 8 for the losers.

LH No. 1, 24; PH No. 1, 10 The game was never in doubt as the Lindley boys built up a significant lead and held it. McMas-ter was high point man with 11

## Fair Weather Brings Teams Outside For Workouts Soon

Continued warm weather has once again focused the spotlight on spring sports, and within the next two weeks football, track and baseball teams will make their appearance on the training field. Until now, candidates for the squads have had to get their workouts indoors.

Both the baseball team and the chlder team will begin conference competition by the middle of April. The starting date for spring football has not yet been announced. Track and diamond schedules are as follows:

Track Schedule	
April 16	.....Oregon, there
April 23	.....OSU, here
April 30	.....Washington, here
May 7	.....WSC, there
May 14	.....Montana, here
May 21	.....ND meet at Seattle
May 28	.....PCC meet at Seattle

Baseball Schedule	
April 13, 14	.....Oregon, there
April 15, 16	.....OSU, here
April 18, 19	.....Washington, there
April 26	.....WSC, there
May 2, 3	.....Oregon, here
May 6, 7	.....OSU, here
May 10	.....WSC, here
May 13, 14	.....Washington, here
May 16, 17	.....Montana, here
May 20	.....WSC, here
May 21	.....WSC, there

A SPORTSMAN'S DREAM

How Modern can "Jazz" get?  
Listen to Skitch Henderson's latest waxing of "CRAZY RHYTHM"—a Capitol Recording ... and you'll know the answer!

One of the hottest of the oldies, "Crazy Rhythm", comes back with a sock, the way Skitch and his band revive it! Skitch Henderson is great at putting a smooth-modern touch on an old favorite. And when it comes to cigarettes, Skitch has another long-time favorite—Camels! Here's how Skitch plays it: "Camels are mild and full flavored. I've smoked Camels for years."

How Mild can a cigarette be?  
SMOKE CAMELS FOR 30 DAYS — and you'll know!

In a recent coast-to-coast test of hundreds of men and women who smoked only Camels for 30 days—an average of one to two packs a day—noted throat specialists, after making weekly examinations, reported

NOT ONE SINGLE CASE OF THROAT IRRITATION due to smoking **CAMELS**

HOW MILD CAN A CIGARETTE BE? WELL, SKITCH, THE CAMEL 30-DAY TEST CONVINCED ME THAT CAMELS ARE THE MILDDEST CIGARETTE I'VE EVER SMOKED!

I'VE KNOWN THAT FOR YEARS, NANCY! AND I GO FOR CAMEL'S FULL, RICH FLAVOR, TOO!

It's real harmony when Skitch Henderson and lovely Nancy Reed, his featured vocalist, get together and sing the praises of Camel mildness.

Money-Back Guarantee!  
Try Camels and test them as you smoke them. If, at any time, you are not convinced that Camels are the mildest cigarette you've ever smoked, return the package with the unused Camels and we will refund its full purchase price, plus postage. (Signed) R. J. Reynolds Tobacco Company, Winston-Salem, North Carolina.
