Preparations For May Fete Program Reach Final Stages

Freshman Class Plans University Day

The GOLDEN FLEECE
by Jason

Vandal Cottage is leaving. As with many other campus landmarks which will be moved away for the new, this yellow house next to the Bucket will be moved sometime next week.

To many students who have lived within its walls, it is a symbol of college life, a home away from home. To others it is a social gathering haven. But to all it is a part of the campus.

It is with some degree of reminiscence that old students have watched the building being prepared for the moving van. Student groups have been watching daily and with each day someone has attached some past experience to the building.

Home for Many
The structure was built in 1900 for Mrs. Laura Dewey. It served as a residence until 1937 when the campus began to expand in that direction. With the erection of the new student union building, the ASUI purchased it as a home for the Bucket hostess. When the housing facilities on the campus became acute, various groups were cared for beneath the roof of the yellow house. This year it has been used as storage space for the bookstore.

Although much sentimental value has been placed on the house, every student is happy to see it moved. It signifies the beginning of the new SUB addition and the recently approved university building program.

Our Idaho
This weekend mothers from throughout the area will be on the campus. It will be campus "showoff day". This does not mean a day for individual show offs, but a time when students will be taking their mothers over the campus to see the beauty of our campus. Our campus has long been realized as one of the outstanding beauty spots in the state. After the Blue Key cleanup day last weekend the campus has been given a good spring face lifting and with a little effort on the part of everyone mothers from throughout the state will return home singing the praises of Idaho and her students.

WRA Board Edits Frosh Handbook

Editing of a WRA handbook was the main topic of business at an executive board workshop in the women's gym Tuesday evening. Board members read and discussed reports turned in by sports managers to be incorporated into the pamphlet. Copies of the handbook will be sent to all freshmen women and new students.

"Work on the handbook should be completed by the end of the school term," said Jane Fisk, chairman of the committee.

LAW HONORARY CHOOSES
New justice of the Phi Alpha Delta, law honorary, is Lloyd Morrison. He was elected at a meeting of the group yesterday afternoon. Other officers selected include vice president Ray Rigby, treasurer Gerald Smith, clerk Holger Alhrecter, and marshal Ernest Bedford.

COMING EVENTS

TODAY:
Theta Sigma Luncheon meeting, 12:00, at Bucket.
May Fete Processional practice in front of Ad. building at 4 p.m.
SATURDAY:
May Fete practice for all participants in front of Ad. building at 9 a.m.
All members of ROTC to meet on the practice football field at 7 a.m.

Sports And Social Activities Ready For High School Guests

High school seniors from neighboring towns will visit the campus May 14 in commemoration of University Day, according to Andy Christensen, chairman of the planning committee.

Registration at the Student Union in the morning will be followed by guided tours of university buildings, fields, and points of interest, Christensen said.

These activities will be sponsored by the freshman class and the frosh dance will conclude the day's program, according to Neil Thornton, general chairman of the dance committee.

Program Complete
Highlighting the day's sports activities will be a golf match with Washington State college at 9 a.m.; at 10 a.m., a baseball game with the University of Washington; a track meet with the University of Montana at 1 p.m., an inter-varsity football game at 3 p.m.; and at 8:30 p.m., there will be the dance at the Student Union building.

Bob Reeves, Marvin Michaels, and Elizabeth Fitzgerald are on the general dance committee to coordinate plans of other committees.

Dance Planned
Other committees include Bert Johnson, Virginia Orazem, and John Brandt, publicity; Jim Geddes, Beverly Benson, and Agnes Helander, decorations; and Nadine Jester, Stan Soderberg, and Rae Pharris, a committee to prepare and arrange advertising posters for campus buildings.

High school students will be admitted free to all activities including the dance, Christensen said. A 12-piece orchestra from Spokane will play for the dance, tickets to which are now being sold in all men's living groups.

The dance will be held in the Student Union ballroom and the dress will be sport, committee heads said.

Evanoff Is Second In Design Contest

Professor Lawrence Evanoff, of the art and architecture department, won second place in a Home for Industry Design contest. Contest results were announced at a meeting of the industrial bureau of the Spokane Chamber of Commerce, sponsors of the contest.

Idaho, WSC Hosts

The University of Idaho and Washington State college will be joint hosts at a meeting of the Western Branch of the American Society of Agronomy June 21 and 22, Dean D. R. Theophilus, college of agriculture, announced today.

The group will meet in Pullman on June 21 and at the University of Idaho on the following day.

Brimhall Wins Ron White Trophy

Preston Brimhall (right), Idaho's ace basketballer, became the winner of the annual Ron White trophy for the second consecutive year last week for his inspirational playing on the Vandal care squad. The team named Brimhall as its most valuable player, and Coach Chuck Finley (left) adds his tacit agreement as he makes the award.

Two Will Direct Drama Workshop On Idaho Campus

Two visiting dramatists of wide experience in little theater and summer stock acting as well as teaching will direct the University of Idaho workshop for high school students, June 13 to July 2. They are Lois Selby Halladay, Phoenix, Arizona, and Ned W. Bowler, Caldwell, Idaho.

Mrs. Halladay, who is now director of speech at Phoenix Union high school, has been a featured performer in many productions in the Little Theater of the Rockies at Greeley, Colo., and the Phoenix Little theater. She is the author of the textbook, "Making Speeches - Necessary Information."

Bowler, now the director of drama at the College of Idaho, received his initial training at the University of Idaho, graduating in 1947. He took his master's degree in drama at New York university. During summer vacations, he performed in summer stock, including acting with the famed Putnam County Playhouse of New York. He has appeared in more than 50 productions.

This will mark the second year for the drama workshop at the university. Young actors and actresses will receive training in acting, diction, makeup, stagecraft, choral reading, and audio-visual drama.

Publications Board Selects Gem Staff For Next Year

Staff positions for the 1950 Gem of the Mountains were appointed by the publications board at a meeting this week. June Thomas, present associate editor, will be the head of the Gem next year. Miss Thomas has been affiliated with several campus publications during her college years at Idaho. In addition to her Gem work this year, she has done several feature articles for Blot.

Ann DuSault, head of the activities section of the yearbook, will assist as associate editor next year. Verne McCormack will head the business staff of the 1950 book.

Arg Heads Unchanged

Argonaut staff heads in the editorial department will remain unchanged as both Editor John Martin and Allen Derr, managing editor, have one semester to serve of their office. Both were appointed at the beginning of the second semester this year.

Board members approved the appointment of Bonnie Graham to the position of business manager of the Argonaut. Miss Graham has served on the business staff of the Argonaut for two years and was advertising manager last semester. Assisting Miss Graham as station advertising manager for the coming year will be Charles Vogelsong.

Other Appointments

'KUIO' will remain under the same direction as it has for the past semester because all of the appointments for the recently adopted ASUI project took office at the beginning of the semester. Dave Lewis will continue as station director and Dale Benjamin will be assistant director.

Bob Finlayson will continue for another semester as editor of Blot and Joan Korter will serve another semester in the business manager position. The only new Blot appointment was Jim Knudson who will be the advertising manager of the magazine.

Military Honorary Selects Officers

Don Haynes was elected captain to succeed Mike Yulchik at a meeting of Scabbard and Blade Tuesday.

Other officers elected were LeRoy DePalma, first lieutenant; Dick Allen, second lieutenant; John Lawrence, first sergeant; and Phil Schnell, public relations officer.

Graduate Rules

University regulations require all candidates for degrees to be present at the Baccalaureate and Commencement exercises unless excused by the President. Academic costume will be worn at both Baccalaureate and Commencement exercises.

Clearance of all accounts is essential to graduation. Check in at the Cashier's office, Ad. 109, on Friday, May 27—not before. All student accounts will be assembled for individual clearance by then. Diplomas will not be awarded to students whose accounts have not been cleared by noon, Saturday, May 28, 1949.

Should this semester's grades make any student ineligible for graduation at the last moment, his dean will be notified immediately and a notice will also be mailed to the student.

Candidates for Master's degrees are requested to leave their hoods in the Registrar's office before noon, Saturday, May 28. Each hood should bear a tag, indicating the student's name and the degree he will receive.

WIDE-OPEN SPACES

Forestry seniors in the range management class of Montana State university will head for the wide-open spaces when they leave for a 4,000-mile field trip throughout the Southwest.

Mary Sue Tovey

Crowning Of May Queen Will Be Held Tomorrow

May queen Mary Sue Tovey will reign over the 40th annual May fete program, accompanied by Clarice Hove, maid of honor; Joyce Valsler, page, and Carren Chappell and Marsha Hosch, flower girls. The May fete will be presented tomorrow afternoon, in accordance with university tradition, at 2 p.m. on the Ad lawn, if the weather permits.

The event is sponsored by the Associated Women Students and is directed by members of Mortar Board, senior women's honorary.

Mortar Board members will lead the regal procession, followed by Silver Lance, men's upperclassmen honorary. Music will be by the University Band.

Following the crowning of the queen, the Spurs will present the Maypole dance and the University singers will sing.

Alpha Lambda Delta, freshman women's scholastic honorary, and Women's Recreational association will present outstanding student awards.

Award Holy Grail
The Intercollegiate Knights will award the "Holy Grail" to the member who has been chosen outstanding during the year.

New Spurs will then be introduced. The new Spurs will be serenaded at their living groups early tomorrow morning.

Three dances will be presented by the women's physical education department. The country dancers will present "Splint Ring Hash," the folk dances, "Little Man in a Fix," and Orchesis, modern dance honorary, will do a sailor dance.

Silver Lance and Mortar Board will then tap their new members, and the program will be concluded with the Alma Mater and the Recessional.

Sunday Program
The Sunday program for the (Cont. on page 2, col. 8)

Historical Theme Injected In Orchesis Spring Recital

Moods and events in United States history will be depicted tonight by Idaho Orchesis and pre-Orchesis when they present their annual spring recital entitled "Footnotes of History." The program will take place at 8 p.m. in the university auditorium. Admission price of 50c may be paid at the door.

Drum beats and savage tones provide the background for the first number, "Before the White Man Came," which features Shirley Ball and Patricia Lyons assisted by Patricia West, Edith Harrop, Alene Kelley and Valeta Hershberger.

Depicts Pirates
A gay touch is added by the pirates of "On the High Seas," as they dance the hornpipe in a light-hearted mood. The colorful trio is composed of Sheila Darwin, Ann

Periods Shortened For Annual ROTC Spring Inspection

As part of the annual federal inspection of the Air and Army reserve officers training units, a formal review and parade will be held between 4 and 5 p.m., Monday, in Neale stadium. The outstanding military students in each section of ROTC instruction will be cited and given an award.

Students receiving citations are freshman Michio Kaku; sophomore Allen G. Ingebritsen; band Ralph R. Fothergill; junior air, Louis DeMoss; junior infantry, John R. Black; senior air, Orval Hansen; senior infantry, Charles Blanton; marksmanship, Dean Lanander, Joseph Fisher, and William R. Shaw.

American Legion Award

An American Legion award will be presented by Roy Handlin, commander of the Moscow American Legion post, to the outstanding Senior ROTC student. The company making the best showing in drill will be presented a streamer.

All students and faculty members are cordially invited to attend the ceremony. It is requested that spectators take seats in the south stands where visibility will be better.

Members of the reviewing party will include Handlin of the Legion post; Colonel Charles Hudson PMS&T at the University of Idaho; and a four man inspection team from Sixth Army Headquarters. Members of this team are Colonel Lorin Wetherby, Infantry; Lieutenant Colonel Russell F. Fisher, 4th Airforce, USAF; Lieutenant Colonel Paul D. Harter, Infantry; and Major Charles F. Samson, Field, Artillery.

Besides taking part in the formal review, the inspection team will inspect equipment, records, and instruction methods of the Idaho ROTC units.

Vandaleers Have Varied Program For Home Concert

The Vandaleers, directed by Glen R. Lockery, will appear in a home concert in the university auditorium, Tuesday, at 8 p.m. This home concert concludes their tour of southern Idaho which began April 30 and will end May 6.

Their concert program will include Suxrexit pastor bonus, Ave Maria, Chorale and Fugue by Bach, Hear My Prayer, by Alexander Kopylov, Alleluia Christ is Risen, by Andre Kopylov, and Benedictus, by E. Paladilhe, featuring soloists Yvonne Whiting, Soprano, and Delmer Bodker, Tenor. Advent Motet by Gustav Schreck concludes the second part of the program.

Feature Soloists
The third and fourth parts include Out of the Silence by Cyril Jenkins, Go Lovely Rose by Eric Thiman, I Won't Kiss Katy, a Yugo-Slav Folk song by Smith-Aschenbrenner, a spiritual, Spirit of the Lord by Noble Cain, and Coronation Scene (from "Boris Godounoff") by M. Moussorgsky.

Other numbers include Toreador Song (from "Carmen") by Georges Bizet featuring soloist Henry St. John, Baritone, and, finally, Favorites from Light Opera by Victor Herbert, including Because You're You, I'm Falling in Love with Someone, and Italian Street Song, featuring Marilyn Clark, soprano soloist.

Faculty Club Dance Is Saturday Night

The annual spring dance sponsored by members of the Faculty club will be given tonight at the Faculty club house. Eric Kirkland, assistant professor of physical education, and Dr. Vernon Scheid, head of the geology department, are co-chairmen.

For members, their wives and invited guests, the hours will be from 8 to 12:30 and sports clothes will be worn. The B-K Combo orchestra will furnish the dance music.

The Idaho Argonaut

Official publication of the Associated Students of the University of Idaho, issued every Tuesday and Friday of the college year. Entered as second class matter at the post office at Moscow, Idaho.

Scholastic Group Initiates Members

Phi Eta Sigma, freshman scholastic honorary, held its spring initiation of new members last night at the Blue Bucket.

Those initiated were Seth L. Tuttle, Warren T. Sutton, Donald W. Stilson, William R. Shaw, Herbert A. Schroeder, Robert D. Reed, Donald E. Frisby, Doyle K. Morgan, and William C. Meyer.

Others were Michio Kaku, Myron E. Johnston, Jr., James L. Henry, Harold P. Henrie, Kenneth W. Hack, Dale O. Everson, Warren C. Cowgill, George L. Cowgill, Roger J. Contor, Gary W. Bassett, Joseph V. Basile, Roland G. Pollan, and Gary J. Nefzger.

Following the formal initiation, a banquet was held at the Idaho Ad club. Professor Arthur Beattie, language, the principal speaker, discussed the topic, "Modern Higher Education." President J. E. Buchanan, an honorary member, was also present.

Students And Businessmen Discuss Problems

Businessmen of Moscow and representatives of University of Idaho student organizations hold periodic meetings to discuss any problems which may exist between the students and business establishments, and to promote good will. Points of discrepancy are established and corrective actions instituted on both sides. Seated at their latest meeting are, left to right, Mrs. Logan, Vet's Village; Allen Derr, (S); Dan McDevitt, (S); Bob Dahlstrom, (S); Bill Marineau, (B); Dick Zoyle, (S); Vic Casebolt, (B); Al Hurdstrom, (B); Everett Will, (B); Bob Summerville; Harry Samson, (B); Dr. Bill Folz, Prof.; Charlene Bales, (S); Ron Chaney, (S); Jay Hunter, (S), and "Mac" McCowan, business. (S is for student and B for businessman.)

Engineers Choose Seven As Officers

In honor of Calvin C. Brown, regional vice chairman, a dinner sponsored by the Associated mechanical engineers was held at the Moscow hotel Wednesday. A joint meeting with the WSC branch took place later in the evening at the Engineering building with Brown giving the main speech on perpetual motion.

A.S.M.E. elected officers for the coming year at a special meeting April 14. Those selected were John Nesbitt, chairman; Alfred Horch, vice chairman; John Spink, secretary; George Haugland, treasurer; Delbert Robison, program chairman; and James Teague and Stanley Thomas, engineers council.

Plans are being made for a joint meeting of the student branches of Washington State college, University of Idaho, and the Spokane, Wash., section of ASME. The convention will be held in Spokane this year.

Poll Seeks Major Student Problems

University of Idaho students are alert to their own defects, value the better things in life, and place education first among their present objectives. They think they will do a better job in the future than their elders are doing, and inflation is just as abhorrent to them as it was to their elders. They also think themselves more fortunate than their companions, and prove, in their frankness, that they are thoroughly American.

These conclusions were drawn from a questionnaire distributed to a cross section of 640 students last fall, by the student-Businessmen's Chamber of Commerce, under the direction of Kimball Jack of the Washington Water power.

The questionnaire was aimed at finding the students' major problems so that corrections could be made.

Friendship Rates
 The questionnaire indicated that the students place friendship at the top of their list of desirable qualities. They expect to find opportunities elsewhere than at home, and they want fun out of life, but they want it cheaply.

More than half of those polled (52%) said their most absorbing problem was making better grades, while 35% were having trouble choosing their life's vocation. Though only 5% admitted personal financial difficulties, 57% guessed that more than one-half of all students were having trouble making both ends meet.

20% had difficulty making friends while 91% voted friendship experiences the most pleasant aspect of campus life. Smaller percentages wanted to do something important, or were troubled with health or a love affair. 52% of the students who answered the questionnaire were happy with their love life while 39% said they hadn't thought enough about love to say either way.

Students Like Moscow
 Moscow was listed as a good place to live by 87% of the students who liked its wholesome atmosphere, its churches, the absence of crime, and its size. 85% of the students wanted to live elsewhere themselves, however.

Fifty-three per cent did not like the climate, and business opportunities were considered lacking by 46% of those polled.

As a suggestion 79% would like to see more recreational facilities in Moscow. 81% of those wanted a bowling alley.

Some said they could do better in business themselves while others frankly admitted that they could not do a better job than the present owners and operators in Moscow. In small percentages the students criticized the business for too slow service, indifference, inconvenient hours, and not enough support to student functions. 33% suggested that the businessmen visit the campus more often to explain business problems to student classes. 34% thought special prices to students would be justified, while others wanted more scholarships to aid their education. 5% told the businessmen to ignore the complaints and "do the best you can."

Of these polled, 19% (probably all men) said that they had heard agitation against present day women's independence.

Through the student-businessmen's council an attempt is being made to remedy the situations which the students indicated in their answers to be objectional. The businessmen of Moscow have pledged their full support and indicated that they are willing to take whatever corrective actions are necessary and possible.

Because We Want To

Mom, the one person in the world who truly deserves to be honored.

Since the day we were born she has been doing things for us. She changed our diapers, got up in the middle of the night to feed us when we were hungry. She patiently answered our questions, no matter how numerous or how pointless. After we became a little older it was she who first started us to school; got us ready and took us there on that first fateful morning, and on the mornings thereafter she over-rode our excuses and saw that we kept going to school.

She always had a willing ear for our troubles. Helped us through our puppy loves, and always did her best to see that we were being raised properly, and happily.

When the time came for us to go to college, though she knew that this was the point when we would become more or less permanently separated from her, with our stays at home likely to be just visits in the future, she unselfishly let go. She didn't let us know how hard it would be for her because her life was wrapped up in us.

She herself has nothing more to do to justify the pride we have in her. She has done her part, not because she had to, but because she wanted to. So let us show her on Sunday that we recognize and appreciate what she has done. Let's make her realize we are doing it because we want to, not because we have to, because we don't have to. —A. D.

Juniors Welcomed At Narthex Table

Pat Dwyer gave the welcoming address when 46 outstanding junior women attended Narthex Table Wednesday night as guests of Mortar Board. The response was given by Phyllis LaRue.

Jan Garber presented the story of Narthex Table, and Dean Louise Carter gave a speech on "The Torch."

Invitations were given to the guests in May baskets left on the door-step of each women's living group after the annual May day serenade given by Mortar Board Saturday night.

Tapping of new Mortar Board members chosen from Narthex Table guests will take place at the May Fete Saturday afternoon. Members are chosen on the national qualifications of service, leadership, and scholarship. A scholastic average of 2.82 for all semesters of college work is required for membership.

General chairman of Narthex Table is Martha Rigby. Jeanne Hofmann is May Fete chairman.

Advisers of the organization who also attended the banquet are Dean Carter, Dr. and Mrs. Boyd Martin, and Miss Jean Collette.

ROTC Applicants Will Be Examined

A special team of doctors will administer physical examinations for students planning to take advanced ROTC. They will be in the infirmary from 8 to 5 p.m. May 11 and 12.

Sophomores who anticipate taking advanced ROTC will take the exam Wednesday and students not currently enrolled in ROTC but who plan to take advanced ROTC next fall will take their exam Thursday.

As the examination will take about one hour per student, it is requested that applicants report to the infirmary as early as possible in the day.

Jack Lein Elected Sigma Chi Prexy

Jack Lein was chosen president of the Sigma Chi fraternity at an election held recently.

Officers who will aid him include Orval Hansen, vice president; Jack McFrederick, pledge trainer; Reed Hansen, recording secretary; and Lee Bath, corresponding secretary.

Additional executive board posts will be occupied by Phil Schnell, Gale Bair, and Seth Tuttle.

McDevitt Will Head Independent Caucus

Dan McDevitt was recently installed as president of the Independent caucus at a regular meeting last Monday night. He succeeds Wilson Churchman.

Presiding with McDevitt at the helm of the Independent party, Sonnich Sonnichson was elected vice president and social chairman. At the position of secretary-treasurer, Betty Peters garnered enough votes to capture that post for the coming year.

The same relative procedure will be maintained in the coming term as was carried out this year, according to McDevitt.

Associated Miners Elect New Officers

Don Dahle was elected president of the Associated Miners at their regular meeting Wednesday night. New vice president elect is Harold Lynch, and Alice Nesbett, the only girl in the group, was elected secretary.

Elections took place between the showing of two movies which were "Story of An Ore Sample" and "1000 Feet Down." The latter explained workings in an oil well.

Berry Chosen

Teammates chose Pat Berry president of the WRA softball club for the coming year at a meeting on the women's athletic field Wednesday afternoon.

She will be a member of WRA executive board next fall, and will supervise softball practices and a tourney in the spring.

Chrisman Spring Formal Built On 'Top Hat' Theme

"Top Hat" is to be the theme of the Chrisman hall spring formal to be presented tomorrow night. Tau Kappa Epsilon held their annual spring dinner Saturday, April 30. Sweetheart Banquets were given by Alpha Chi Omega and Alpha Tau Omega last week. Pi Beta Phi held a joint Found-

Church News

Wesley Foundation
A summary and evaluation of the MSM conference at Yakima last weekend will be presented this Sunday evening at Wesley, which meets at 5.

Inter-Varsity Fellowship
The Inter-Varsity Christian Fellowship will meet at the home of Mrs. Alma Keeling, 1320 Deakin St. at 7:30 p.m. Friday, May 6, for a period of Bible study and fellowship together. The topic of discussion for the evening will be the 15th chapter of the Gospel of John. Special music on the marimba and musical saw will be furnished by one of the local pastors.

Phi Kappa Tau
Sunday dinner guests were Mr. and Mrs. Don Moore, Pat Baker, Lucille Cooper, and Ruth Wimer. The following men were initiated Saturday: Robert Muhlitz, Gene Easton, James Depue, Glen Hanson, Delbert McNealey, and Walter Dean.

Alpha Chi Omega
The Sweetheart Dinner was held Sunday, and those that attended included Dick Hardin, Bob Degan, Roland Ward, Paul Dalling, Dick Toews, Jack Robinette, and Bud Harris.

Alpha Tau Omega
Guests for the Sweetheart dinner Sunday were Georgia Burgess, Alice Johnson, Beth Tillotson, Pauline Deggendorfer, Judy Ward, and Jeanne Wallaqa.

Delta Chi
Don Westervelt, Ed Greaser, and George Neumeier were weekend guests.

Delta Tau Delta
Rose Marie Whitney, Corrine Schumaker, and Mr. and Mrs. William Farley were guests for Sunday dinner.

Delta Gamma
Guests for Wednesday dinner were Jim Rupe and Kenny Giles. Mr. and Mrs. Richard Johnson were patron and patroness for the fireside at the chapter house Friday evening.

Pi Beta Phi
Weekend guests were Jerry Shepherd, Marian Eisenhauer, and Helen Berggren, Spokane, and Mary Patano, Peggy Fyvie, Gwen McKay, Joanne Jaeger, and Helen Daigle, Kellogg.

Delta Chi
Claire Cramer was a Sunday dinner guest.

Delta Chi
Katherine Burleigh, Phyllis Halley, Alene Kelley, Edith Harrop, and Pat West.

Delta Chi
Present Western History. Pre-Orchestrists members dance to the music of "Cotton Eyed Joe" as they further unfold American history with the settlement of the west. The spirit was high as life went on around the camp fires. Pre-Orchestrists members are Marianne Tufts, Bonnie Butte, Donna Slavin, Terry Carson, Ann Gonnulkiwicz, Lois Winfield, Beverly Benson, Jeanne Nagel, and Jackie Scott. Comedy and conflict alike have a place in "Footnotes of History."

Delta Chi
Director of the groups is Miss Billie Steelman of the women's physical education department. The eight numbers to be performed were composed by the dancers. Lights will be managed by Harry Lamson, programs were designed by Jane Fisk, and costumes were executed by Misses Mabel Locke, Mary Fram, and Natalie Wells.

Delta Chi
Claus, who received his advanced training in conducting at Salzburg, Austria in 1932, has conducted the university orchestra for 27 years.

Delta Chi
The program will open with the "Phedre Overture" by Massenet, and will include the "Emperor Waltz" by Strauss, the "Overture to Suzanne's Secret" and the brilliant and modern "Czech Rhapsody."

Forest Specialist Aids Researchers In War On Blight

Dr. Ernest E. Hubert, one of the nation's outstanding authorities on forest pathology, is returning to the University of Idaho to help in the scientific war against the blight which is killing many young white pine trees in the state.

President J. E. Buchanan of the university announced today that Dr. Hubert had been appointed research forest pathologist, subject to formal approval by the board of regents. Hubert will bring his many years of experience to bear on the university's research project which is seeking to wipe out "pole blight," the disease that has caused deterioration in more than 70,000 acres of Idaho's white pine. Hubert will also conduct studies in "another university research project to find more uses for such Idaho trees as lodgepole pine, white fir, larch, Douglas fir and aspen.

Author of Textbook
Hubert, who rates considerable space in "Who's Who," has devoted most of his life to forestry research. He has had more than 200 technical articles and bulletins on forestry published, and is the author of a textbook on forest pathology. He authored the first major bulletin on diagnosis of decay in wood.

From 1925 to 1935, he was a professor in the school of forestry at the University of Idaho, serving as acting dean of this school and the graduate school in 1933-34. He left the university in 1935 to become research technologist of the Western Pine association laboratory at Portland, remaining there until 1942. From that year to 1949, he was chief pathologist and wood technologist of the Monsanto Chemical company, Seattle.

Engineer's Transit Mistaken For Photographer's Camera

Me and Myrtle was walking across the campus yesterday when Myrtle turned to me and said, "Ya know, honey, I think I see one of them sidewalk photographers up ahead." "Sure enough," I said, "It's a real, honest-to-goodness picture-taker. I imagine he makes quite a profit doing that." I mused, trying to think of the money angle instead of the coeds the lucky dog could photograph.

The photographer was busily adjusting his camera when we walked by, so he didn't snap us. After we'd walked a few steps, Myrtle turned to me and said, "Ya know, honey, I think it'd be a good idea to get our picture took. We could have the sidewalk photographer do it, and it wouldn't cost much. Besides, we ain't had a picture of us since high school."

"That's a good idea," I answered enthusiastically. "We'll do it tomorrow."

Myrtle stopped dead in her tracks. "Why-don't let's us go back and do it now?" she argued.

We went back. "I knew you'd see it my way, honey," Myrtle said.

After four tries As we approached the camera man, he and Myrtle both put on our best smiles and walked close to each other so he could get all of us in the picture. However, the cameraman seemed to be looking at something in his kodak, so we marched on by without his even batting an eyelash.

We went a few yards and decided to try it again. So we both flashed our teeth and headed once more down the walk.

After the man ignored us for the third time, Myrtle turned to me and said, "Ya know, honey, I don't think that guy is noticing us."

So the next time we went by him and he didn't pay any attention, Myrtle marched right up to the guy and said, "Say, what's the big idea, buddy? Can't ya see we want our picture took?"

They Are Took. "Sorry, madam," replied the

man, "but I'm not a photographer. You see, I'm an engineering student, and this is my surveying transit."

Well, sir, you could have knocked Myrtle over with a toothpick. "Ya know, honey," she said to me later, "I THOUGHT that guy looked like a phoney."

Senior Women To Attend Breakfast
The first annual Pansy Breakfast honoring approximately 130 graduating senior women will be given by Tri Delta sorority, Sunday, May 15. The breakfast will start at 9 a.m. in the chapter house.

James Lyle, alumni secretary, will address the guests, and Dean Louise Carter, will also speak.

All senior women who are engaged will step through a six-foot pansy ring, covered with pansies. As each woman steps through the ring her name, and her fiancée's name will be given.

Moscow alumnae will prepare the breakfast. The serving will be done under the direction of Mrs. Don Roberts, alum president.

The Pansy Breakfast, which was started on the University of California campus, is a tradition of Tri Delta chapters on campuses throughout the United States.

Golf Tournament Open To Women

All university women are eligible to enter the golf tournament taking place this week and next on the campus course, according to Pete Grant, golf manager.

Purpose of the tourney is to determine Idaho's two top golfers that they may compete in the invitational sports day to be held here May 14 with players from other schools.

"Women may try out any time," said Miss Grant. She stressed that each contestant play with another entrant. Score cards must be signed by Mrs. James and turned over to Natalie Wells, Mary Fram, or Miss Grant.

Fencers Meet WSC Next Saturday
With morale strengthened by last week's victory over Gonzaga, the Idaho fencing squad is looking forward to their next match, which will be with WSC on May 14. A return match with Gonzaga also has been set for sometime in the near future.

The foilers have a .500 average, losing the season opener to WSC, 6-3, and then winning from Gonzaga, 5-4. Members of the present Idaho squad are Val Yurchenko, Walt Ward, and Bob Munson. Their coach is R. A. (Ray) Weston.

Service Teams Meet
The Air and Army ROTC staff softball team will meet the navy staff team on the women's athletic field at 4 p.m. today. The Air juniors will meet the advanced Infantry tomorrow.

All teams remaining in the single elimination softball tournament between components of the ROTC and NROTC departments have been undefeated. The winners of the games scheduled for today and tomorrow will play next week to determine the champion.

"I wish we'd get some shipwrecked sailors washed ashore," mused the cannibal chief, "What I need is a good dose of salts."

Ritchie Speaks

Miss Margaret Ritchie, head of the Home Economics department, and Jeanne Hofmann, a senior at the university were guest speakers at the American Association of University Women tea in Orofino this week.

The tea was held in honor of the Orofino senior high school girls who are graduating this spring. Miss Ritchie's topic was "Opportunities in College," and Miss Hofmann told of the campus activities and college life.

Trackmen To Seek Upset Over High-Flying Cougars

Best WSC Runners Out With Injuries

Idaho's track squad has high hopes of halting Washington State's victory streak at 15 when the two teams meet in a Pacific Coast conference dual tomorrow afternoon at Pullman. The Vandals are definitely counting on a victory over the Cougars and should this happen it will be marked on the books as an upset.

Hampered by the loss of two of his best runners, WSC's Jack Mooberry will be counting on several newcomers to the Cougar track squad to stop the victory hungry Vandals.

Won One, Lost Two

The Vandals boast a win conference competition over the highly touted Oregon State Beavers, but have dropped two, one each to Oregon and Washington. The loss of Clem Eischen, WSC's Olympic star, and Joe Nebolon leaves the Cougars in a rather precarious position, for both are guaranteed first place award winners in any meet.

The mile event will probably be the top event of the afternoon. Idaho's sophomore sensation Warren Johanson will take on Canadian champion Bill Parnell and top collegiate miler Dick Paeth. Coach Mooberry is fully aware of Johanson's talents, for only last week he defeated Washington's top miler, Bill Steed.

Without the services of Joe Nebolon for the Cougars, Idaho's ace quarter miler Dick Armstrong will probably be strong enough to cop a victory for the Vandals. Austin Whelhan, a 49 second 440 yard man will probably press the Vandal sprinter.

Polsfoot vs. Bean

Hurdling events will be another added attraction of the meet. Neither Idaho's Keith Bean or WSC's Fran Polsfoot are used to losing and if their previous performances should prove anything, both will be out to beat one another. Bean, handicapped by a recent injury is reported ready to run against the northern division champion, Polsfoot. Polsfoot's clocking of 14.8 for the 120 yard high hurdles will undoubtedly have to improve if he expects to win.

The Washington State squad will be gunning for their 16th straight dual meet victory against Idaho this Saturday. Oddly enough it was an Idaho team that last hung a defeat on the Cougars, prior to the victory string. The last Idaho team to defeat WSC was the 1946 squad, coached by Mike Ryan, present track and field director of the Republic of Guatemala.

Field events will start at 1:30 and the running events, beginning with the mile, will get underway at 2 p.m. in Rogers field stadium.

Vandal Net Squad Meets Ducks, OSC Here This Week

Two Oregon schools will match their tennis squads against the Vandals this weekend. On Friday at 2:00 p.m. Idaho will face the Oregon Ducks and on Saturday at 10:00 a.m. it will be the OSC Beavers.

So far this year the Oregon squad has maintained a high record with only two losses out of eight played. Top men on their squad are Van Zant, Lessac and Carey. These three will most likely be matched with the three top men on the Idaho ladder.

On Saturday the Ducks will cross the border to play a match with WSC while the Beavers will come to Idaho from Pullman. Last year the OSC squad was runner-up in the northern division and since most of their squad returned this year, they have a top-notch bunch. In a previous match with WSC the Beavers took a beating, but they ran over the Oregon Ducks with a safe margin.

Top men on the OSC squad were named as Crothers and Finley. These two will prove to be a rough couple for the Vandal men who are matched against them.

Coach Kirkland stated that Rainey and Baxter, the number one and two men on the Idaho team, have shown lots of improvement in the past week along with George Woody. Woody will play this weekend in his first match of the season. His match will probably be the number two doubles match and either Berger or Barnes will be his partner.

Rainey and Dollinger will be teamed up to play in the number one doubles match.

Idaho Baseballers Tackle OSC Here Today, Tomorrow

A hard hitting bunch of Oregon State Beavers bring their big sticks into the hapless Idaho camp this afternoon for the first of a two game series at McLean field. The Beavers, with a six game batting average of .327, took two contests from the Vandals on the Corvallis diamond, 11-8 and 13-8. Arnold Beebe will receive the hurling assignment for Idaho this afternoon. Game time is set for 3 o'clock today with Saturday's tilt starting at 2:30.

Tuesday afternoon the Oregon Ducks swept both ends of a double header blasting the Vandals 7 to 3 and 7 to 2. The double win pushed Oregon to the top of the northern division race and at the same time, virtually killed all hope Idaho had of climbing out of the division cellar.

Sid Mills, Oregon's stocky right hander, pitched 5-hit ball in the nine inning opener to gain his third conference win against no defeats. The Ducks provided Mills with a comfortable 5-run cushion in the first inning by nicking Don "Red" Fodrea, Idaho chucker, for three hits. Two Vandal fielding errors with two away in the first inning didn't help Fodrea's cause any. Oregon added single runs in the third and ninth inning.

In the seven inning nightcap, nine Oregon batters paraded to the plate in the third inning to produce a five run outburst off Idaho's starting pitcher, Don Hunt. Four hits and two Idaho errors gave the Ducks the margin. Van Briggs came in for Hunt in the third and worked the mound until he was relieved by Bob Linck in the sixth.

After Oregon picked up single tallies in the fourth and fifth off Van Briggs, the Vandals slapped Home Brobst, Oregon hurler, for two hits and two runs. With Nick Stallworth and Joe Whitcomb on board and two away, Hal Hunter, Idaho right fielder, lined a clean single into the hole back of second base to score the runners. Brobst killed the Vandal uprising by striking out Darnall.

Oregon	501 000 001--7 8 2
Idaho	000 200 100--3 5 3
Mills and Rose; Fodrea and Glaves.	
Oregon	005 110 0--7 11 2
Idaho	000 020 0--2 6 6

Idaho Tennis Team Ready For Action

With two matches set for the weekend, one each with Oregon and OSC on Friday and Saturday respectively, the Vandal net squad is in for a tough test. The squad from left to right, front row, is George Woodie, Hal Barnes, and Bob Baxter. Back row, left to right, is Stuart Dollinger, Coach Eric Kirkland, Jack Rainey, and Howard Berger.

KS Cops Horseshoe Crown; IM Golf Starts Tomorrow

Kappa Sigma won the intramural horseshoe crown Wednesday afternoon when they decisively defeated the other finalists from Alpha Tau Omega 2 to 1.

For the Kappa Sigs, Jordan won his singles match over Frederickson 21-2 and 21-5. In the doubles, Beltz and Peterson downed ATO's Smiley and Jones 21-14 and 21-7. The lone ATO score came when Guy trounced McFoul 21-8 and 21-1.

Betas vs. Delta Chi

In the first inning it was 1-2-3 outs for the Betas and 2 runs for Delta Chi; in the second, it was 11 walks and 12 runs for the Betas. Final score: Beta Theta Pi 18, Delta Chi 7.

Lindley hall No. 1 staged a first inning 6-run rally; Pine hall No. 3 engineered a second inning 5-run rally. Pine kept scoring; Lindley slowed down. Final score: Pine hall 12, Lindley hall 9. Idaho club No. 1 held a 10-0 lead over Willis Sweet hall No. 1 after the fourth inning. In the first half of the fifth Willis Sweet made three outs—nothing else. Then the game was called. Won-

Who said that Chuck "Bob Feller" Finley couldn't pitch? During yesterday's practice session Chuck walked out to the mound and showed his pitchers "the trick of control". Displaying a wide breaking curve and an unusual balloon-ball (it floated right over the plate—and the catcher's head) Chuck hurled three-hit ball, being hit only for a single, a triple, and a home run. A brilliant performance—considering Finley was on the hill a whole inning.

Coach S. Hiserman Outstanding Star As Track Athlete

That big smile mounted upon a silver and gold jacket belongs to track coach Stan Hiserman. We watched him gazing at the new field house yesterday; the more it glowed, in the sun the bigger his smile grew. That old sun up there hasn't spent too much time shining lately and Hiserman was getting bitter. We feel he's doing right well for Idaho considering the trouble she has given him with her weather.

Hiserman came to the University of Idaho in the fall of 1946. Born in Salinas, Calif., Stan established his residence there graduating from Salinas high school in 1935. Immediately following his graduation, Stan entered Stanford university at which institution he received his degree in 1939.

Set World Record

While at Stanford he was a member of the track team with specialties in sprints and low hurdles. He ran on the 880 yard relay squad, an event that brought a world mark to Stanford and a record that still stands with a time of 1:25. Stan was captain of the Stanford track team in his senior year.

Following his graduation he served in 1940 and 1941, while doing graduate work, as head athletic trainer for the university. Stan was the trainer of Stanford's football team during the 1940 season and watched them whip Nebraska 21-13 in the 1941 Rose Bowl.

After two years coaching basketball and track at Salinas high school, Hiserman entered the air corps in the fall of 1943. He was discharged in the spring of 1946 with the rank of captain. Upon his discharge he was named high school athletic director, and head coach at Gonzales, Calif. In the

Intra-Squad Football Tussle To Climax Spring Practice

By Phil Johnson

Idaho's chances of having a great football squad can be seen almost any afternoon on the Neale stadium turf, as Head Coach Dixie Howell and his assistants are whipping the 1949 version of the Vandals into shape for the fall campaign.

The squad, 57 strong, will climax their 30-day spring training program allotted by the Pacific Coast Conference with an intra-squad contest that will be played next Saturday, May 14, on the Idaho turf. KUOI will broadcast the game.

The prospects for the 1949 season, despite setbacks here and there, are the brightest seen in many years. If the spring sessions can be a criterion of the fall season, the Vandals will be loaded. All but eight members from last year's squad return to bolster Idaho's chances in Pacific Coast

fall of 1946 he accepted the track mentorship at the University of Idaho and was named trainer as well. The trainer position was relinquished to Octor Norman Jacobson in the fall of 1947.

Broke Even First Season

Coach Hiserman's first season saw the Vandals win three and lose three. In 1948, a season where the weather and lack of adequate training facilities made things rough, the Vandals won but one meet, while losing four. One of the meets was cancelled with four inches of water on the running track.

In 1947, Hiserman's first season at Idaho, several Vandal athletes either tied or set new school records. Among these were Dick Armstrong, who tied the school record in the 100 yard dash at 9.8 and set a new 220 mark at 21.5. (This record was lifted by freshman star Dick Newton in a meet at Pullman last week, with a time of 21.4.) Also in 1947 John Taylor tied the low hurdle mark of 24.3 and Max Lattig set a new pole vault record with a leap of 13 feet, three inches.

and there is no shortcut to experience in football." One Free Weekend "Of course, we have a tough fall football schedule with only one break in our favor. That Saturday we won't lose a football game. I think somewhere along the line we might win one and possibly two games. But in every one of the eight games the opposition will know afterward that they have had a rugged afternoon."

The schedule opens September 17 with Willamette university and continues on each successive Saturday with Oregon and Texas. The Vandals will be idle on October 8. On the following Saturdays it will be Washington State, Montana, Portland, Oregon State, and Stanford in that order.
