# Kappas, Sigma Chis Take Annual Scholarship Awards

# **150 Delegates Expected** For Regional IRC Meet

The International Relations club of the University of Idahc will be host Friday and Saturday, October 28 and 29, to the Northwest regional conference of International Relations clubs. Approximately 150 delegates representing clubs from thirty-seven colleges and universities in Oregon, Washington, Montana, western Canada and Idaho are expected.

Purpose of the conference is to stimulate and encourage interest in discussion of current international problems. The theme will by centered around the proposition: Uncle Sam, Shylock or Santa Claus? Also on the agenda will be roundtable discusions on such

subjects as Indonesia, devalua-"Build a better mouse tran and tion of currency, technological and the world will beat a path to your economic assistance as brought door." # University Recognizes Achievement With Awards During Student Assembly

round trip.

## **Regents Propose Dormitory Space** Study Be Made

The University of Idaho was directed today by the board of reg ents to have a thorough study made of the policies and procedures relating to assignment of dormitory space to students. The board, which concluded a three-day meeting here, also reviewed preliminary budget proposals for 1950-51, and inspected buildings under construction on the campus.

The action taken by the regents n dormitory assignments concerns problem that is being faced by nany universities and colleges hroughout the nation.

Frosh Get Preference "With modern permanent buildings alongside older and less modern buildings, questions of student **Other Countries** preference inevitably crop up,' explained President J. E. Buchan-**Attending Idaho** an of the university. "It is, of course, impossible to put everyone in the modern quarters. We have used a class quota system combined with preference for incumbents, but it has not been univer-Idaho for the 1949-50 semester, sally satisfactory.
