

Governor Robins Inspects University Building Program

New Christian Institute Building Program Starts

With midterm examinations over, students are taking time out to try to analyze what has happened in these first nine weeks. Some are very content with their work, others feel they have done their best but the majority are hoping to do better next time. This is Jason's class.

With the transferring of the old Idaho Christian Institute building to the rear of its lot on Elm street, construction will begin immediately on the new building, whose estimated cost is \$50,000, according to Dr. Oscar M. Adam, Institute director.

Dirt

Dirt has been brought in from the excavation of the new engineering building to fill in a portion of the space left vacant by the removal of the present building. Renovations on the old building will include new tile floors and a new chimney. It will be used primarily for living space for those connected with the institute.

The first unit of the new quarters for the Protestant school of religion and campus religious activities of evangelical student foundations at the University of Idaho will be constructed along modern, functional lines.

Details

One story on the Elm street level and two stories at the rear near the Nest will provide a lounge, a combinational chapel, classroom and meeting room which will open into the lounge, a kitchenette and offices on the street level and a two bedroom apartment, recreation room and furnace and storage rooms on the ground level. The building committee which consists of Rev. Donald W. Clayton, chairman, Charles Paul, Elmer Sonville, A. E. Jahn, and Albert Kienholz, approved recently the new plans which were revised to conform to city property ordinances.

Vets Will Receive Bigger Allowance

Veterans with service-connected disabilities rated 50 to 60 per cent, and who have one or more dependents, will soon receive additional allowances for their dependents by virtue of legislation enacted by the 81st Congress.

Monthly additional amounts for veterans disabled in wartime, based on 50 per cent include wife alone, \$10.50; wife and one child, \$17.50; wife and two children, \$22.75; wife and three or more children, \$28; one child (no wife), \$7; two children, \$12.25; three or more children, \$17.50; one dependent parent, \$8.75; and two dependent parents, \$15.50.

Veterans entitled to compensation for disabilities incurred in peacetime service receive 80 per cent of the wartime rate. Applicants should visit the Moscow V. A. office.

'Masked Men' Cause Students Wonderment And Perplexity

By VIRGINIA ORAZEM
Eleven "Men from Mars" appearing students have been parading the campus this week, equipped with oxygen masks and equipment suited for a "Buck Rogers" cartoon character. According to W. W. Staley, mining engineer in the school of mines, these men are in a class of mine rescue and first aid work however, and not from the heavenly body. Eleven are registered for this special course which began Monday morning and will end this afternoon. The class is divided into two groups of five and six men in each.

Special Instructors
Instructors for this week-long course are two men sent to the University each year by the U. S. Bureau of Mines in Seattle. All equipment employed in teaching this class is brought by these men from Seattle. If at any time during the course a fire or explosion should occur in a mine or petroleum manufacturing plant in the western states, the instructors and equipment would have to leave.

Aims
The purpose of this course, stated Staley, is to familiarize the men with breathing pure oxygen. Apparatus consists of a tank filled with oxygen and attached reducing valves and chemicals which weights about 30 pounds. Such an outfit is used in mines or petro-

DuSault Reveals Big Senior Class Enroll At U of I

The senior class exceeds all others in the number of students enrolled in the University of Idaho, Registrar D. D. DuSault announced today. Eight hundred and eighty-seven students are seeking degrees in 1950.

Nine foreign countries, three territories, forty of the forty-eight states, and all counties in Idaho are represented in the total enrollment of 3,500 students at the university.

Idaho students number 2,792, over 700 from other states, and 33 from foreign countries. The Idaho county having the largest number of students is Latah, where the university is located, with an enrollment of 609. However, many married students from different parts of the state establish residences at Moscow while going to school. Ada county is next with 220 students.

L & S Highest

Division with the largest enrollment is the college of letters and science with 1,070 students. The school of business is second with 648.

Second to the seniors in enrollment is the freshman class with 880; the sophomores are third with 798, and the juniors fourth with 798. More than 180 students are enrolled in graduate school and other special phases of study.

Of the total enrollment, more than 1,000 are new students coming to the University of Idaho for the first time this year.

Whitehead To Travel To San Jose State

Dr. E. A. Whitehead will represent the University of Idaho at the eighteenth annual convention of the Western Speech Association to be held in San Jose, Calif., November 24, 25, and 26. San Jose State college will be host to the delegates from the eleven western states attending the convention.

Shirley Jacobsen, Herman Kern, technical director; Marvin Alexander, head of property department; Elaine Androse, assistant to director; and Bob Miller, member of the Construction crew. Initiation will not be held until the end of first semester, and election of new officers will be held in February. Officers now in charge are president, Harry Dalva; vice president, Rich Pennington; secretary, Colleen Christian; and treasurer, Marion Davidson.

Ag Dean Attends Soils Conference

Dean D. R. Theophilus will lead a panel discussion at 3rd annual Inland Empire soil conservation conference in Lewis-Clark hotel at Lewiston, November 18. This meeting will be a joint conference for the Inland Empire soil conservation service and the Idaho soil conservation district association.

First Aid
First aid work deals primarily with the fundamental reasons for first aid, how to establish such a course, how to induce metallurgists to take the course, and to introduce means of controlling bleeding, shock, and administer artificial respiration.

Upon completion of the course this afternoon, each of the men will be awarded a Certificate of Eligibility for mine rescue work by the U. S. Bureau of Mines. This program has been carried on at Idaho for the past 20 years.

These Five Win Prizes At Ag Dance

At the annual Ag Bawl last Friday night attended by over 100 couples five prizes were awarded for the "best dressed" guest. Left to right are Gary Sessions, dance chairman; Ed Rowbury, who claimed the title of Haysseed Hank; Rosaloe Reinsauer, chosen as Sunflower Sal; and Jackie Mitchell and Bill Last who received awards as the typical "Barnyard Lovebirds."

Dance intermission entertainment was furnished by Ed Rowbury, Mac Parkins, and Kenny Loudermilk after the presentation of awards.

Alpha Phi's Win Debate Cup

Alpha Phi sorority gained permanent possession of the intramural debate cup by winning it for the third consecutive time during women's intramural debate ending Tuesday.

The Alpha Phi team of Renee Mathews and Elsie Krey defeated the Kappa Kappa Gamma team of Sheila Janssen and Barbara Wahl in the finals to remain undefeated throughout the tournament.

Delta Sigma Rho, national honorary forensic society and sponsor of the tournament, will put up a new cup for future tournaments.

Women's teams participating in the debate were Alpha Chi Omega, Gamma Phi Beta, Forney hall, Delta Gamma, Adpha Phi, Kappa Kappa Gamma, and Kappa Alpha Theta.

Kiilsgaard, Godwin Attend Banquet

Alumni secretary, James Lyle, Coach Bill Godwin and Carl Kiilsgaard returned yesterday morning from Bonners Ferry where they attended a banquet for the Bonners Ferry football team Wednesday.

Approximately 150 were present at the annual mother-father-son banquet honoring the 1949 football squad. Coach Bill Godwin was principal speaker and talked on athletics, particularly relating to character development.

Kiilsgaard also presented a short talk. Some football films were shown as part of the program. On his return trip to Moscow, Lyle contacted alumni groups in Coeur d'Alene and Sandpoint.

Campus Chest Drive Nets Only \$1280 Donations Are Smaller Than In 1948

Results of the 1949 Idaho Campus Chest drive, which ended at noon Saturday, now stands at \$1280.45, according to Preston Brimhall this year's Campus Chest chairman. This amount falls short by more than half of the hoped-for \$3500 set as the 1949 goal. Last year's Campus Chest netted \$1423.27.

This drive for funds which will be divided among 20 youth, health and welfare organizations began on November 8.

Donate Most
Willis Sweet hall turned in the largest group sum, \$128. Hays hall is next with a total of \$98. Mother campus contributions are: Forney hall, \$44; Tau Kappa Epsilon, \$18; West Sixth Village, \$19.75; LDS, \$15; Sigma Chi, \$40; Kappa Sigma, \$30; Delta Tau Delta, \$31. Phi Gamma Delta, \$49; Alpha Phi, \$44; Alpha Chi, \$26; Kappa Kappa Gamma, \$43; Beta Theta Pi, \$58; Kappa Alpha Theta, \$22.

Ag Dean Attends Soils Conference

Dean D. R. Theophilus will lead a panel discussion at 3rd annual Inland Empire soil conservation conference in Lewis-Clark hotel at Lewiston, November 18.

This meeting will be a joint conference for the Inland Empire soil conservation service and the Idaho soil conservation district association.

First Aid
First aid work deals primarily with the fundamental reasons for first aid, how to establish such a course, how to induce metallurgists to take the course, and to introduce means of controlling bleeding, shock, and administer artificial respiration.

Upon completion of the course this afternoon, each of the men will be awarded a Certificate of Eligibility for mine rescue work by the U. S. Bureau of Mines. This program has been carried on at Idaho for the past 20 years.

Various individuals who came into the general manager's office left a total of \$10. A one dollar donation has not been accounted for. The Gamma Phi Beta and Alpha Tau Omega have not as yet turned in proceeds.

Tentative percentages for distribution of this year's Campus Chest funds have been set up as follows: 45 per cent to the World Student Service fund, 20 per cent to the Infantile Paralysis fund, 10 per cent to the Cancer fund, 10 per cent to Religious Emphasis Week, and 15 per cent to miscellaneous charitable organizations.

SUB Construction Ahead Of Schedule Office Space To Be Available Soon

Buchanan Attends Regents Meeting

A 1949 law directory was formally accepted from Maritime-Hubbell, Inc. by the board of regents at a recent Boise meeting, attended by President J. E. Buchanan and Business Manager Kenneth Dick of the University of Idaho.

The men reviewed budget requests with the board of regents, Governor C. A. Robins, and Director of the budget A. H. Reading. Action taken by the regents included the appointment of George W. Woodbury as professor and head of horticulture at the university. The former associate horticulturist replaces James E. Kraus, who was recently made associate director of the agricultural experiment station.

Other gifts accepted include a 13-volume set of "The Library of Southern Literature" from Dr. Carol Smith Spokane; books on horse breeding from Colonel John F. Wall through William N. Northrup, Boise; a history of the Grange from the Idaho State Grange; \$125 for a journalism scholarship from the Coeur d'Alene Press, and a \$50 a semester scholarship to Lillian Florence Pratt from the Meridian Lions club.

Two Tapped By ALD

Alpha Lambda Delta, freshmen women's honorary, tapped two women Monday night. Neophytes are Jody Raber, Pi Beta Phi, and Margie Anne Kinney, Forney.

Initiation, said President June Schalkau, is not yet scheduled.

"The university building program is going along very acceptably," Governor C. A. Robins stated yesterday afternoon after completing a tour of all university ground and building projects. The Idaho chief executive spent the entire morning in the company of university President J. E. Buchanan going over the projects now in progress and inspecting the plans for future buildings.

U of I To Patent Spud Harvester; First Invention

First invention to be handled by the University of Idaho's research foundation will be the new-type potato harvester developed by Elmer N. Humphrey, agricultural engineer in potato research at the Aberdeen branch station. It was announced at the foundation's annual meeting last week. The foundation was formed to safeguard in the public interest patentable developments in university research.

Greek Wells, Spokane patent attorney, was authorized to file patent application on the harvester.

At the annual meeting officers of the previous year were re-elected. These included President J. E. Buchanan of the university, chairman; Dr. C. W. Hungerford, dean of the graduate school, vice-chairman; and Dr. L. C. Cady, executive secretary of the university research council, secretary-treasurer. Re-elected directors were Dean D. S. Jeffers, forestry; and W. F. McNaughton, Coeur d'Alene, university regent. Hold-over directors include Dean A. W. Fahrtenwald, mines; Dean Allen S. Janssen, engineering; J. D. Rensburg, Rupert, university regent, and Dean E. S. Stimson, law.

Ag School Will Get Two New Units

Construction of a new sheep barn at the University of Idaho to replace one destroyed by fire will start immediately, following the award of a contract by the board of regents to John E. Thomas of Moscow. Thomas' basic bid of \$25,975 was the lowest among five submitted.

Agriculture department will also have a new modern, pumice-block poultry house, according to an announcement by President J. E. Buchanan.

Low bidder on the construction was R. H. Haley, Moscow, with a basic bid of \$4,624. A bid of \$6675 was entered by John E. Thomas, also of Moscow. The bids now go to the regents for review and awarding of the contract.

"The poultry house will provide needed additional space," said Dean D. R. Theophilus of the college of agriculture, "and will also provide opportunity for experimental work on a type of poultry house which is now being widely used throughout southern Idaho."

Men Will Debate On November 29

Nine men's groups have entered the intramural debate tournament which will start on Tuesday, November 29. These groups are Tau Kappa Epsilon, Phi Gamma Delta, Kappa Sigma, Beta Theta Pi, Sigma Chi, Lindley hall, Willis Sweet hall, Pine hall and Campus club.

The question is, "that the United States should nationalize the basic non-agricultural industries." Each house will debate both sides of the question, but it may use either one or two teams. Two defeats eliminate a group. All debates will start at 7:30 and will be held at the residence upholding the negative. Debates will be judged by faculty members.

Any other groups wishing to enter the tournament may apply at the office of Dr. A. E. Whitehead, TC2-102.

Concert, Recital Series Begins Sunday Afternoon

Student talent will be featured in a recital to be presented Sunday in the auditorium at 4 p.m. The program is part of a series of concerts and recitals for the months of November and December sponsored by the department of music.

Beginning the program will be a fugue in C minor by Buxtehude, played by Deloris Knight, organist. Following Miss Knight will be Margaret Will, pianist, and the selection "Lotus Land," by Scott.

Joyce Walsler, contralto, and Jeanne Foster, accompanist, will present "Gretchen am Spinnrade" by Schubert; Arthur Woodbury, carinetist, and Barbara Clauser, accompanist, continue the program with LeClaire's "Musette and Scherzo."

"Rondo in A Minor" by Mozart, to be played by Frances Misson, pianist, is next in the recital, after which Robert Sims, baritone, and Deloris Knight, accompanist, will offer two selections, "Nur wer die Sehnsucht kennt" and "Frühlingstraube." Second half of the program

Concluding will be Louise Miller, soprano, and Helen Herzinger, accompanist, in the presentation of "The Spirit Flower" by Campbell-Tipton and "My Lover is a Fisherman" by Strickland; and Khachaturian's "Toccata," by Ellomae Holden, pianist.

Others In Series
In continuation of the series of recitals and concerts, Agnes Crawford Schuldt, pianist, will be presented in a faculty recital December 8 at 8 p.m.

The traditional Christmas Candelight concert by the Vandalers will be presented on two (Continued on page 2, Col. 8)

Governor Robins is in central Idaho this week to attend general business meetings. Tuesday he attended the Columbia basin inter-agency meeting at Lewiston. Today he will be a speaker at a meeting of the Idaho soil conservation district supervisors convention which opened a three-day session in Lewiston yesterday.

Yesterday afternoon the governor toured the building program underway at the state hospital at Orofino.

SUB Project Proceeding

The most complete of the buildings visited was the new addition to the student union building. "Favorable weather has made possible the completion of most of the outer structure of the building," Gale Mix, general manager, told the group. Although the completion date for the project is August 1950, Henry George & Sons, general contractor for the building expect to have their building portion of the program finished by April.

Mix stated that many portions of the building will be ready for use before school closes next June. However, total completion of the project which includes renovating of the main building and complete refurbishing of the entire unit will probably take most of the summer.

Offices To Move

Plastering and finishing work on the inside will be able to go on uninterrupted as the roof is complete and warm air blowers have been installed. Some of the offices now located in the old building will be moved in the near future to the new addition to facilitate the renovation of the remainder of the project. "Both the general manager's and the Argonaut office will be shifted to the new quarters before Christmas," Mix stated.

Consisting of three floors and a full basement primarily for recreation, above the front entrance of the building a large neon light in the form of a Vandal head will be installed. Money for the figure was left by the senior class of '49. The SUB will have two service elevators as well as stairs. Large glass windows will face the street side.

Varied Uses

On the first floor will be situated offices for the ASUI president, the graduate manager, Argonaut, the book store, a locker room for downtown men, and a lounge. All of what is now the old portion of the "Bucket" will be converted into a cafeteria. A completely modern kitchen will occupy the large room now in construction behind the present building.

Feature of the second story is the full length ball room which, by use of sound proof doors, can be converted into five separate and smaller ball rooms. Slightly above the dancing area is a glassed-in lounge for onlookers. The second story will also contain a fountain, banquet room and a little theatre and ballrooms.

Convention Site

Mix predicted the SUB would be a "popular meeting place of the state" for convention and other functions because of the theatre and banquet facilities.

The third floor will house KUOI, the Gem of the Mountains, ASUI (Continued on page 2, Col. 3)

Monday:
Independent Caucus meets at 7:30 p.m. at Forney hall.
Hell Divers meet at Memorial Gym at 9 p.m.
A. I. Ch. E. meets 7:30 p.m. in room 310, Engr. Building.
Tuesday:
Idaho Forester's Glee club, open to all foresters, will meet at 7 p.m. in the upstairs classroom of Center cottage.

Tribute To Class Of '50

One of the greatest tributes to the class of '50, although not meant in that way, was the announcement at the first of this week of the expected completion of the new Student Union building, on or about April 1.

Why is this a tribute? This is the first post-war class and the largest class in the university's history, and after spending four years at this institution of higher learning, the class of '50 has contributed more to the financial part of the Student Union expansion program than any other class, per capita.

Before the present school year is over, the seniors will take advantage of the new wing of the Student Union building and enjoy its benefits almost as much as those of coming senior classes. To this senior class, this is a dream fulfilled. We have all looked forward to this expansion program and have held our breath, not daring to hope that we would be around to enjoy the new building!

Many students have the desire to bowl and without a place within a reasonable distance have had to forego that pleasure. Comes April and we will be able to bowl in Moscow. For those who love to dance, the new lounge will really be something! It will make the one we used to use look pretty sick. The upstairs ballroom, which will take up the entire second floor, will not be the crowded dance floor known to those who have attended the better all-campus dances of the past. There will be plenty of room. With this, the ballroom can be sealed off into five smaller rooms where more than one campus organization can have a party going at the same time. Don't worry, these sections are going to be soundproofed!

No seniors are going to let the grass grow under their feet! We are going to get a lot of enjoyment out of the new building, one year's worth in two months, before we leave the University of Idaho. —B. H.

It Could Happen!

During the 13th century an enterprising Chinaman made the first known attempt to use jet power. He tied fourteen rockets to his arm chair and promptly disappeared.

In 1732 the French people cut the head off their king and declared war on England.

More recently a man got drunk because a woman told him to build a new chicken house to replace an old chicken house but he couldn't build the new chicken house till the old chicken house was moved and, she said, he couldn't move the old chicken house till the new one was built.

In this year of 1949, University of Idaho students, like the Chinaman, are still experimenting. Unlike the Frenchman they are not cutting peoples heads off, we hope, though they may be starting a minor "war" if they want to observe the law. Their experiments are liable to be as explosive as the jet enthusiasts', and confusing as the man and the hen houses.

A rather roundabout way to lead into a contemporary situation, but an eye opener for what's to follow.

With the semester only half gone university of Idaho males are already "passing their pins" to the lovely co-ed of their choice. An enterprising law student says that is illegal—and thus the problem. To make it more emphatic this lawyer of the future quotes a section of the Idaho State law, which states in part: "Any person caught wearing a man's fraternity pin, unless so entitled by the laws and constitutions of the organization shall be punished by imprisonment for 90 days or a fine of \$200 or both. . . Any person who willfully wears the badge of—any Greek letter college fraternity, or any society, order, or organization—shall be guilty of a misdemeanor."

Usually when a man passes his pin to a girl she takes it "willfully." It therefore appears that there are a lot of girls on the Idaho campus who could end up in jail or pay a fine or both. So!

All a fellow would have to do to get rid of a girl for a while would be to pass his pin and then notify John Law.

We don't look for this to happen. It won't, but—knowing the law—the passing of a pin definitely is an experiment now—maybe it always has been. —A. D.

I think it's silly to spend money on the more expensive gas while I'm just learning.

We rarely disagree with a customer—even the young ones—but experience has taught us: THE BEST GASOLINE IS THE CHEAPEST IN THE LONG (or short) RUN! Drive in and let us "fill 'er up"! You'll get service with a smile!

Higgins Service Station

FINAL EXAMINATION SCHEDULE — FIRST SEMESTER 1949 - 50

(Three-hour examinations—two examination periods each day.)

Day	Time	Classes
Saturday, Jan. 28	8:30 A. M.	Classes which meet 3rd Period
	1:30 P. M.	Classes which meet 7th Period
Monday, Jan. 30	8:30 A. M.	Classes which meet 1st Period
	1:30 P. M.	Classes which meet 3rd Period
Tuesday, Jan. 31	8:30 A. M.	Classes which meet 2nd Period
	1:30 P. M.	Classes which meet 5th Period
Wednesday, Feb. 1	8:30 A. M.	Classes which meet 5th Period
	1:30 P. M.	Classes which meet 8th Period

Saturday, Feb. 4	8:30 A. M.	Classes which meet 2nd Period
	1:30 P. M.	Classes which meet 6th Period

Did You Lose Something? Maybe The Bursar Has It

With the cold weather coming the Bursar's office suggested that anyone who has lost a jacket or scarf in the past year check in the office.

Another reminder now that Christmas is coming, mentions several checkbooks and wallets that have been turned in and will probably be needed for that Christmas shopping that is coming along soon. Now that nine weeks exams are over you might check for those books, pencils and pens that you lost way back in September.

If you are planning to go home for Thanksgiving you had better stop in and get your car keys and the key for your room if you want a place to stay when you get back.

Study Troubles?
 Have you been having trouble lately doing that studying into the wee small hours of the a.m. It is suggested that you get busy and pick up your glasses and alleviate all eye strain.

With the start of basketball season on December 3, it is a good idea to see if you still have that ASUI book and if you haven't got it you had better hunt around and find it.

Jason Forgets
 Jason forgot to mention last week that a dissecting kit would look better in a zoology lab than in the lost and found in the Cashier's office.

If you have been having trouble getting to that 8 o'clock lately, it is probably because you haven't had your watch for the past year, in that case maybe you had better stop in and claim it and any of the other articles that you haven't been able to keep track of.

Sigma Alpha Iota Holds Initiation

Formal initiation for seven new members of Sigma Alpha Iota was held at Forney hall Tuesday, November 15, at 7 p.m. Those girls initiated are: Helen Hays, Ellomae Holden, Naomi Nokes, Joan Peters, Pat Rambo, Lorraine Rudolph, and Bette West.

Mrs. Helen Trelstad, Minneapolis, was an honored guest at the affair. Mrs. Trelstad is president of the northwest Epsilon province of SAI.

BROADCAST

Though Idaho's football season is over grid fans in this vicinity may hear two Pacific coast games Saturday. The Washington - W. S. C. game may be heard over KRPL, Moscow, and KRCL, Lewiston. The California - Stanford game will be broadcast over KXLY, Spokane. Both broadcasts start at 1:45 p.m.

"JIGGERS, THE COPS"

Fraternity and sorority thieves at Oregon State college are on the way out, according to the local chief of police who has added 14 extra men to the force, in addition to new equipment for the detection of "inside jobs." The entire staff has been reorganized to cope with the situation and have uncovered some leads pointing to students living in the houses robbed.

STUDENTS GO TO WORK

Whitman students picked up the ball after a warning by Graduate Manager Fred Santler that "intercollegiate football is ended unless it can be put on a paying basis," and have started a ticket sales campaign for their game with Eastern Oregon College of Education.

Gamma Phis And Thetas Presented Annual Pledge Dances Last Saturday

"Somewhere Over the Rainbow" and "Dragons Moon Dance" were themes chosen by Kappa Alpha Theta and Gamma Phi Beta for pledge dances Saturday.

Gamma Phi Beta
Joanne Shumaker was a week-end guest at the chapter house. Guests for Sunday dinner were Pat Sweeney, Joan Tolmie, Norma French, Barbara Livingston and Norma Siple. Other guests this week were Carol Bowly for Tuesday dinner and Mr. and Mrs. Myles Wirth on Wednesday.

Tau Kappa Epsilon
House guest last Tuesday was Paul Hurlless of Jerome.

Professor Greaver of the History Department and Frank Gillette were Wednesday dinner guests.

Hays Hall
Mrs. S. J. Trelstad, Epsilon Province president of Sigma Alpha Iota, women's music honorary, was a dinner guest on Wednesday evening.

Kappa Sigma
Ben Jayne and Herman McDevitt attended a pheasant dinner at the chapter house Wednesday.

Gamma Phi Beta
The annual pledge dance was held Saturday with the theme "Dragons Moon Dance."

The house was decorated in Chinese style with huge green dragons adorning black walls. The chaperons were Mrs. Neil Meagher, Dr. and Mrs. Harmsworth and Mr. and Mrs. D. D. DuSault.

A farewell party was held for Carolyn Johnson after the dance. Fern Bracht and Joyce Becker furnished the entertainment.

Lee Rost, Lewiston, was a week-end guest.

The 75th anniversary of Gamma Phi Beta was celebrated last Monday. The pledges gave a humorous skit in honor of the "Founders Day."

Phi Kappa Tau
Jean Ottenheimer, Larry Giles and Andy Kirsch were guests for Sunday dinner. Wednesday dinner guests were Bob Riddle and Charles Mulethaler.

Kappa Alpha Theta
"Somewhere Over the Rainbow" was the theme chosen for the pledge dance given last Saturday.

The house was decorated in alternating rainbow colors with bluebirds trimming the walls. There was a large rainbow with photographs of the pledges over it at one end of the room. Taffy Tufts and Pat Albertson were in charge of the decorations.

Guests for Sunday dinner were Dean Mosher, Bill Hayes, Lewiston; Pete Wilson, Melvin DeMond, Boise, and Roger Vincent of Filer. Mrs. Helen Trelstad was a dinner guest Tuesday.

Alpha Phi
Arlene McClellan, social chairman, is in charge of arrangements for the annual pledge dance to be held next Saturday.

Sunday dinner guests were Mr. and Mrs. Gene Babin, Mr. and Mrs. Dick Garlock, Mr. and Mrs. Jim Breneman, Mr. and Mrs. R. Barius, Mrs. Ethyl Jett, and Miss Donna White.

Beta Theta Pi
Mr. and Mrs. James Lyle were guests for Sunday dinner. Other guests this week were Ted Behner, Walter E. Zimmerman of Twila Falls, John Thomas, Larry McCann, Nezperce; Jim Simmons and John Ghiglieri on Wednesday.

Delta Gamma
The sweetheart dinner was held Sunday with Mary Tobin in charge. Jack McClaran, Dick Johnson, Bob O'Connor, Cliff Cahill, Kick Ioset, Fred Willett, John Holmes, Barr Smith, Bill Code, Don Hayes, Jack Lein, Bud Wheeler, Bob Olson, Don Waltman and Bud Quackenbush were guests.

Delta Tau Delta
Friday evening the members were barred from the house while Delta pledges held a fireside there. Jim Roupe was in charge of the affair. Patrons were Mr. and Mrs. Burdette Gardner.

The annual pledge-member football game played on the Ad lawn Sunday afternoon. The members rolled up a 21-0 victory.

Kappa Kappa Gamma
Sunday dinner guests were Ward Simpson, John Sundeen, Bill Gartin, Don Walcott and Dick Atwood. Jeanne Foster, Jo Hopkins and Jo Peters entertained after dinner.

Mrs. H. E. Sams was the guest of honor at dinner last night.

Officers of the pledge class are: Marilyn Brodd, president; Carole Peterson, vice president; Addie George, secretary; Marilyn Pond, songleader; and Marilyn Pearson, recorder.

Women Initiated By Wives Group

Thirty-six women were initiated into Dames Club, veteran's wives group, Wednesday evening, each initiate receiving a corsage in honor of the occasion.

Those initiated were Mmes. Ingram Koch, Kathleen Hoch, Davis Davis, Evelyn Park, Ruby Lind, Myrtle Bean, June Holbling, Nellie Mae Tripp, Laurel Campbell, Betty Shanahan, Alyce Trees, Irene LaMande, Louise Newberry, Dorothy Lewis, Mary Niece, Jeanne Black, Jean Churchill, and Bernice Rice.

Also initiated include Mmes. Sheila Sullivan, Beverly Taylor, Marie Wood, Phyllis Reynolds, Rita Hanley, Virginia Whetsler, Phyllis Pezine, Maurine Turnbull, Helen Gilleland, Jerry Little, Ardit Cummins, Shirley Elledge, Andrea Zagelow, Marika Jones, Rosemary Smiley, Marjorie Ann DeInheard, Phyllis Grove and Delle Pittard.

Mrs. C. E. Lampman was a guest of the club. Refreshments were served following the initiation.

Church News

Lutherans
Lutheran students association will have a regular meeting Sunday at 5 p. m. in the First Lutheran church.

A report on the LSA northwest regional retreat at Lake Sammish will be given. Nine Idaho students attended the retreat last week end.

Inter-Varsity Christian Fellowship
The Idaho chapter of the Inter-Varsity Christian Fellowship will meet at the home of Mrs. Alma Keeling, 1320 Deakin, Friday, November 18th, at 7:30 p. m.

For an hour of Bible study and fellowship together. Rev. C. R. Stewart of Craigmont will be the speaker for the evening. Rev. Stewart is pastor of churches in Craigmont, Winchester, and Reubens and has spent some time on the Mission fields in Africa.

Stuart New Prexy Of Vandal Riders
Ned Stuart was elected president Tuesday of the Vandal Riders, a newly formed club of horse enthusiasts.

Other officers elected were vice president, George Halley; secretary, Elizabeth Fitzgerald; treasurer, Don Hayes. A board of directors consisting of Norm Lodge, Evelyn McCandless, Maxine Seeley, Naida Whybark, Jack Lacey, and David Cunningham, was appointed.

The officers and board of directors will meet at the Sigma Nu house Wednesday at seven o'clock to discuss club activities planned for the near future.

Staff Members Get Ag Appointments
Four staff members, of the department of agricultural engineering at the University are officers or have committee assignments for 1950 in the Pacific Northwest section of the American society of agricultural engineers.

J. W. Martin, department head, is third vice-chairman of the section. Max C. Jensen, irrigationist with the agricultural experiment station, is a regional advisor to agricultural engineering students. Walter R. Friberg, associate agricultural engineer, is on the farm structures committee, while William H. Knight, project supervisor for the Idaho farm electrification program, is on the rural electrification committee.

Home And Garden Holds Fall Meet
Home and Garden department of the Historical club held its first fall meeting Friday in the club rooms with Mrs. H. D. Martin, chairman, presiding.

Following a short business meeting, guest speaker Mrs. Roy Flay, Idaho graduate, now doing advanced work in foods and clothing, spoke for Miss Margaret Ritchie on "New Trends in Cookery."

Electron cooking and its possible uses was mentioned, as were some of the current projects with which girls in the home economics department are experimenting. An informal floor discussion followed.

charge of arrangements. A fireside is planned for tonight commemorating Li' Abner Day. Costumes to be worn include every mode of clothing from a burlap bag to knesless trousers.

Engagement Told By Former Student

Mr. and Mrs. Stanley Gregory of Pottlatch announced the engagement of their daughter, Bowna to Don Carey Smith of Moscow. Announcement was made at Wednesday dinner in the Phi Gamma Delta house. Guests at the dinner were Mr. and Mrs. Carey Smith, James Smith, Mr. and Mrs. Gene Babin, Christie Sargent, Jean Pugh, Mr. and Mrs. Stanley Gregory and Richard and Jo Ann Gregory.

Match folders held the news and the engagement ring was held by a large white mum surrounded by lavender flowers. Miss Gregory attended the University for two years and is now employed here. Smith is a senior at the University majoring in business. He is affiliated with Phi Gamma Delta. No definite wedding plans have been made.

Officials Attend Three-Day School

Over one hundred city and state officials from Idaho and Washington attended a three-day school on sewage disposal held jointly by the University and Washington State College, Thursday, Friday and Saturday.

Offered to acquaint the men with disposal and treatment of sewage and industrial wastes with proper protection necessary to reduce public health hazards, the courses also included means of obtaining increased plant efficiency, reduced costs, and insurance against pollution of waterways.

Professors W. W. Timmiswood and F. K. Erickson of the Idaho and W. S. C. Civil Engineering departments, respectively, who conducted the school, termed the meet "very successful."

Tucker To Direct University Farm

Appointment of Dudley G. Tucker as University of Idaho farm superintendent has been announced by President J. E. Buckman following approval by the university regents. Tucker will have charge of all farming operations on the university farm.

He comes to the university from Ellensburg, Washington, where he has been superintendent of the High Valley ranch. A graduate of the Idaho college of agriculture in 1937, Tucker has farmed for seven years at his home town, Parma, and two years at Vale, Oregon. He was president of the Ag club, student organization in the college of agriculture.

Instructor Marries Graduate Of Duke
The marriage of Miss Louise Gurney, daughter of Col. and Mrs. Augustus Gurney of Oneonta, N. Y., and Dr. William Ferrell, son of Mrs. Hazel Ferrell of Akron, Ohio, took place at St. Mark's church last Saturday afternoon.

The Rev. Norman Stockwell read the double ring ceremony. Mrs. Ferrell is a graduate of Duke university. Dr. Ferrell is assistant forest soils expert in the University Forestry department.

The couple will make their home in Moscow after a two week wedding trip to California.

Ag Club Elects New Chairmen

Lamont Smith and Ralph Hart were elected Little International assistant managers, and Keith Ellis was elected publicity chairman for the Ag Club, at a recent meeting presided over by John Turnbull, Ag Club president.

Plans are being made for the Little International Livestock show to be held in April under the leadership of Dave Thacker, manager of next year's show.

Infirmary

Admitted to the Infirmary this week were Merlin Francis, Arvon Anderson, Margaret Curtis and Alice Sturges.

Discharged were Joan King, Sheila Janssen, Ted Kaul, Ralph Hamilton, Joy Rossman, John Kugler and Harold Wayne.

Traffic Accidents Are Decreasing

Campus traffic accidents for the month of October are on the decrease as compared with last year's record.

According to Dr. C. L. Cady, Director of the Traffic and Safety Committee, the total number of traffic accidents for October this year was four as compared with six for the same month in 1948.

The number of accidents for the period from July first through October has decreased from twenty seven in 1948 to twenty in 1949.

Monopoly In U. S.

An address on "Monopoly in the United States" will be given today by Dean Edward S. Stimson of the University of Idaho college of law to Phi Sigma Alpha members at Washington State college. Dean Stimson will speak at a dinner meeting of the political science honorary at 6 p. m. in the Home Economics building on the WSC campus.

Engagement Told At Theta Dinner

The engagement of Lucille Driggs, daughter of Mr. and Mrs. Burton W. Driggs, Gooding to Bill Hayes, son of Mr. and Mrs. S. D. Hayes, Boise, was announced at dinner November 10 at the Kappa Alpha Theta house.

A centerpiece of tallman roses and green tapers decorated the table. At each place were heart-shaped favors inscribed with the names of the couple.

Miss Driggs, president of her sorority, is a senior majoring in English. Her fiance, a member of Phi Delta Theta fraternity, and a 1949 graduate in Business, is employed at King's Office Supply in Lewiston.

Home Ec. Classes Gain Experiences

The adult education field class in home economics has been working with Washington Water Power field agent, county demonstration agent, county home unit and PTA study groups to gain experience in the ways in which home ec. people work in community programs.

Area covers Uniontown, Elk River, Bovill, Pottlatch, Genesee, Troy, and Gardfield.

Included in the class are Mrs. Dorothy Chamberlin, Marjorie Coe, Beth Copenhaver, Mrs. Helen DeLarme, Margaret Eke, Marlon Hartwell, Betty Lou Hooper, Erna Jean Jackle, Mary Jones, and Jeanne Lundstrom.

Beware of a half truth. You may get the wrong half.

Yes, Camels are SO MILD that in a coast-to-coast test of hundreds of men and women who smoked Camels—and only Camels—for 30 consecutive days, noted throat specialists, making weekly examinations, reported

NOT ONE SINGLE CASE OF THROAT IRRITATION due to smoking CAMELS!

Basketball Taking Over Sports Scene; Vandal Varsity Gets New Uniforms

Coach Chuck Finley's 1949-50 University of Idaho basketball edition had that "new look" in last night's practice session at the Memorial gymnasium. There was no change in the Vandals' style court play, it was still the same fast, hard, aggressive brand of ball. But the players were firing at the hoop yesterday in Idaho's new black, gold numerated and gold trimmed, traveling uniforms.

Picture day was the cause for the special arrangement. The flash bulb shooting didn't interfere with basketball shooting, however, and the Idaho squad, boosted by eight lettermen, held a full-scale practice. Full court scrimmage was again in order.

Team Shaping Up
It doesn't take new uniforms to make the Vandals shine. They look good anyway. Big Nick Stallworth has been crumming the ball down the hoop consistently. So have Bob Fritchett and Dick Geisler. Joe Grove, George Rey, Bob Wheeler, Herb Mead, and Roy Irons are also getting their shooting eye.

Sam Jenkins, Bob White, Herb Millard, Stuart Dollinger and Bill Choules are five likely prospects up from last year's freshman squad and these boys are pushing some of the lettermen.

Ken Barker, Rodney Pollard, James Atchison, Joe Zazsky are four junior college transfers bidding for starting assignments.

The schedule:

Pre-Conference
December 2—Gonzaga University, here.

December 3—Portland University, here.

December 8—Phillip's Oilers at Boise.

December 10—Seattle College here.

December 16—Wyoming at Laramie.

December 17—Wyoming at Laramie.

December 20—Iowa State at Ames.

December 21—Drake at Des Moines.

December 22—Morningside at Sioux City.

December 23—Nebraska at Lincoln.

December 26—Lawrence Tech at Detroit.

December 27—Duquesne at Pittsburgh.

December 28—Gonzaga University at Spokane.

Conference

January 6, 7—University of Washington at Seattle.

January 23, 24—Oregon State College at Moscow.

January 28—Washington State College at Moscow.

February 3, 4—University of Oregon at Moscow.

February 10—Washington State College at Pullman.

February 14, 15—Oregon State College at Corvallis.

February 17, 18—University of Oregon at Eugene.

February 24, 25—University of Washington at Moscow.

March 3—Washington State College at Moscow.

March 4—Washington State College at Pullman.

JOBS CURTALED

The number of unemployed workers continued to increase last week in all parts of the state and job opportunities were sharply curtailed.

Many Old Rivals Face One Another For PCC Closing

Pacific Coast football is drawing to a close after another year's play. This week-end will see the 1949 conference season close with only the records remaining.

"Big Game"

The Bears from Cal will be out after scalp of the Indians from Palo Alto in what promises to be one of the top games in the nation. This game will decide who is to represent the PCC in the Rose Bowl.

Statistically the Bears have a one game edge on the Indians with four out of seven. With the game being played on Stanford ground the going will be rough for Cal.

Other Traditional Games

Other games on the coast will see So. Cal. celebrating homecoming by being host to UCLA at Los Angeles' Coliseum. Up north OSC, who fooled the experts by dumping Michigan State last week, will meet the Oregon Ducks at Eugene.

WSC's cougars will journey to Seattle to see what they can do with Howie O'Dell's improved Huskies. With these games in the books Saturday night, the only remaining game for coast fans will be the annual Rose Bowl in Pasadena New Year's day.

Frosh Basketball List Shows Much Height, Savvy

A starting line-up averaging six-foot, five inches could be sent onto the floor this year by the frosh basketball team. Coach Belko says he has plenty of height this year; now his only worry is speed.

Turnouts brought two Washington all-state men two Idaho all-state men and one man who was voted most valuable player in the national AAU tournament.

A few of the long boys on the squad are Harley Kruger and Bill Mather from Spokane, Roger Lillibridge from Coeur d'Alene, Gene Meek from Plainview, Texas, Bruce McIntosh from Lewiston and Horace Nealy from Aberdeen, Idaho. Of the men who turned out, ten were six feet tall or over.

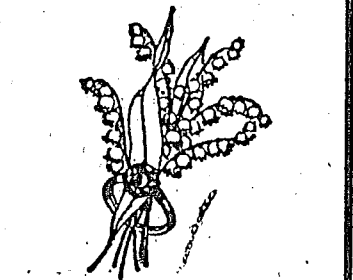

Coach Belko said his squad would not be cut down for some time. Turnout this year is from 6 p.m. until 7:30 p.m.

Schedule of freshman games will be published in next week's Argonaut.

NINE WEEKS QUIZZES PROBABLY TRIMMED YOU. NOW WHY NOT LET US?

The Gem Shop

Intramurals

Volley Ball

The maple courts have been getting a heavy workout during the week with as many as 16 teams playing in one evening. Nets are set up in such a way that four games may be played at one time.

Monday, Nov. 14, LCA won over PKT by taking two out of three games. BTP came out over PDG; DC decided SC; ATO took only two games to send LDS to the shower; SN also turned the trick in two attempts from DTD; KS beat PDT; SAE's dumped TKE, and IC No. 1 won over CH No. 1.

Tuesday saw WSH win over LH No. 1; SN's took their second game from LDS; IC No. 2 beat CH No. 2; DC edged LCA; ATO spilled PKT; WSH No. 1 out-fought LH No. 1; and PH No. 2 wound up Tuesday evenings' activity by handing PH No. 4 its first defeat.

Wednesday the IC out classed CC No. 1; DTD racked up its first win over the SC's; IC No. 2 took only two games to hand the CC a defeat; the SAE's won their second game over the BTP's; PGD trounced PDT; KS edged TMA; and CH No. 1 forfeited to PH No. 3.

Hell Divers

The hayracks will be at the Memorial gymnasium at 3 p.m. Sunday to pick up all Hell Divers planning on going to the barn dance. Wear old clothes and, rain or shine, the party will still go on.

Irons Out Troubles

Criticism and suggestions from faculty and students as well as staff members fall into the station manager's hands whose job it is to straighten out the majority of difficulties.

Records Show Brogan, Mays 'Hardest Working' Footballers

For the second straight year Coeur d'Alene's John Brogan has been the workhorse of the Idaho football team.

Figures for 1948 and 1949 show that Brogan handled the ball 311 times for a total yardage gain of 1399 yards or 4 1/2 yards every time he ran or passed. These figures show that as a junior this year, he was better than as a sophomore last year—he gained 897 yards in 145 plays in eight games this year as compared with 562 yards in 1948 on 166 plays in nine games.

Second hardest working back on offense was Bob Mays, Boise, who totaled 241 plays in the two seasons. Mays has gained 869 yards in two seasons for an average of 3.6 yards per trip.

Diehl's Average Tops

Jerry Diehl has the highest per carry average for the two year session. He ran from the right halfback spot and played plenty of defensive ball as well. In two seasons he carried the ball 82 times for 688 yards, or a shade over eight yards for each attempt. This year, he was leading touchdown maker on the club with 42 points.

Both Brogan and Mays have another year of football at Idaho. Brogan will probably wind up as one of the outstanding ball carriers in Idaho's grid history. He piled up yardage this season and it should be noted that his two biggest days were against top flight clubs. Against Oregon, with Idaho losing 41 to 0, Brogan came up with 110 yards on the ground. Against Stanford, with Idaho losing 63 to 0, Brogan came through with 124 yards. In the Oregon game, all other carriers made 56 yards to Brogan's 110. In the Stanford game against his 124 yards, the other runners made the sum of 89 yards.

Brogan Liked At Stanford

Brogan's game against Stanford tells much about his ability and his liking of tough going. He was hurt in the Oregon State contest and that leg injury carried over to Stanford. Despite that, Brogan played until late in the final quarter with only two short breathing

Seventeen Men On Swim Squad

Idaho's varsity swimming team began regularly scheduled workouts Monday afternoon. This year's squad consists of 17 men at present and should be an all-around better team than last year's. Coach Eric Kirkland will have six returning lettermen to build his squad around this year. Those men returning who won letters last year are captain Jim Farmer, diver; Ken Lyons, medley; George Gust, breast stroke; Carl Kinney, free style; Don Miller, free style, and George Vajda free style.

These lettermen will be backed by one of the best group of potential award winners Idaho has ever had. Chase Barbee, Tom Edmark, Jim LaGrone, Charles Clark, Wayne Stewart, and two new men, Dick Wortena and Ed Fiester, will be competing for a berth on the varsity.

Coming up from last year's freshman team are Francis Cushman, Don Medley, Tom Gentry, Dick Merrill and Gene Thometz. With this array of talent Idaho will give any team a rough afternoon.

Patronize Argonaut Advertisers

Varsity Rifle Team Defeats ROTC Men

Varsity rifle team defeated the Army ROTC and Air ROTC rifle teams in a three team shoulder-to-shoulder match last Monday night with a score of 1794 out of a possible 2000. The Army ROTC was second with a score of 1552 and Air ROTC was third, losing by default as only four members appeared for the match and the required number was five.

Five high men and their scores for the Varsity were Dean Lender who fired the top score of 367; Robert Taylor, 360; Richard Hagen, 354; Roy Eastman, 350; and Ralph Miller, 333.

Another three man team match will be fired Monday night, November 21, at 7:30 with the same teams participating.
