FEEL LIKE A CHICKEN- ONE

THAT'S JUST BEEN PUT BACK

Misplacd Humor

No matter where you go where there is a group of people, vells may be too long-but who is you always find a certain few who just don't seem to be to correct, this situation? Four able to control their sense of humor-and we use the word freshmen without a leader to help "humor" loosely.

During the last week, there have been a few individuals who have not been able to write in the snowbanks along the job hard, if they have a flair for be after all to go out into the sidewalks without leaving a few words and phrases that writing! are not in the best tastes.

Especially noticeable in front of several of the women's living groups, this writing makes a very sorry sight. This letter you wrote doesn't help mat occurrence has raised the ire of many living in these group ters at all. Probably the biggest residences, not to mention other students and townspeople who have noticed these little "works of art."

No one will dispute the fact that there isn't a perfect person and it is highly doubtful that anyone present on this barrassed faces" If you want to earth will ever be perfect but if we must have juveniles offer some worthwhile suggestions with the intelligence of an average moron, it is about time we will be pleased to accept them. we start weeding them out of our institutions of higher learning and send them back where they belong. Their place Wally Larsen definitely is not on an American college campus. -B.H.

Improve Vandal Support

With pain and alarm we view Idaho's quartet of yell leaders has been put "under the the general disintegration of chiv gun," so to speak, in last Friday's Argonaut and by students' alry in womankind and particulcomments heard throughout the basketball season.

First, let us look at the main complaints.

Leading off with the accusation of a "grammar school chant and tumble stumble exhibitions," the type of yells we have and the yell leaders themselves—as far as their abilities kind farilities offered by the Ar-to instill pep among the students are concerned, are those gonaut your manners are atrovoiced by ASUI members the loudest. ctous.

To those who voice these complaints the Argonaut chal-lenges, "What can you suggest to make this situation better?

Second, to turn the tables around and do some suggestive sidewalks, do you step courteouscriticizing, the Argonaut advocates:
