THE IDAHO ARGONAUT, Official Publication of the ASUI

FRIDAY, APRIL 14, 1950

The GOLDEN FLEECE

by Jason

Just what is the athletic situation at the University of Idaho?

Several press stories and editorials circulated in this region recently have caused many students and University of Idaho friends interested in athletics to ponder this question. Feeling that everyone would be interested in a clarification of the entire situation, the Argonaut composed a list of questions which President J. E. Buchanan and Dean T. S. Kerr, chairman of the faculty athletic committee, have answered for Jason, after a conference with other university officials.

Many of the answers differ widely from recent reports by the press and word of mouth rumors.

Questions And Answers

Q. Is the University de-emphasizing or planning to de-emphasize football?

A. Decidedly not. Neither is the University de-emphasizing any other major sport.

Q. What is the basis of the current rumor that de-emphasis is being planned?

A. We do not know the basis of this rumor, but it is suspected that it arose from a measure of disappointment among the coaches that the athletic job budget for this year and the prospective budget for next year are not as large as hoped for.

Q. What does an athletic job budget have to do with the problem?

A. Whether we like it or not, under present competitive conditions in big-time college athletics, it seems that financial aid is necessary to attract and retain promising student athletes. Larger job budgets mean larger squads and smaller job budgets mean smaller squads. In these days of multi-platoon football, the trend is toward larger squads to provide offensive, defensive and other specialists. Moreover, a multi-platoon trend seems to be starting in basketball.

Q. How do the athletic job budgets for the past few years compare?

A. As a basis of comparison take the year 1947-48, the first year a definite athletic job budget was set up, thanks to substantial help from Vandal Boosters, Inc. The budgets compare as follows:

1947-48	100%
1948-49	112%
1949-50	106% (Latest estimate)
1950-51	97% (Prospective)

Q. Why wasn't the budget larger this year?

A. Principally because (1) gate receipts were not large enough to permit an increase, and (2) some of the anticipated jobs were not used or did not materialize. Meanwhile, Vandal Boosters, Inc. contributions, which were only intended to get us started, have been tapering off. Of the yearly job budgets, Vandal Boosters, Inc., has provided the following percentages:

1947-48	72%
1948-49	65%
1949-50	50% (Estimated)

Q. How can the budgets be increased?

A. They could be increased by better-than-presently-estimated football gate receipts during the 1950 season, and by larger contributions by Vandal Boosters, Inc., now and during 1950-51. Meanwhile, it is a fixed policy of the University to operate within its budgets. This applies not only to athletics, but also to the entire University.

Q. What sports are aided by the athletic job budget?

A. All sports—football, basketball, boxing, track, and baseball. However, because the squad is of necessity larger, football gets the majority of available jobs, about 70%.

Q. Does the athletic job system deny or curtail part-time jobs for students not participating in athletics?

A. No. The athletic job program was set up and segregated to avoid such curtailment. It should be cited that about 1,000 other students (or wives) have some kind of part-time work outside the athletic job program.

Q. What is University policy with respect to athletic jobs for student athletes?

A. The University is a signatory to the Pacific Coast Intercollegiate Athletic Conference. The Code of that Conference sets forth the policy which governs the University. The basic principles are: (1) that athletic participants are first of all regular students, and (2) it is desirable to keep college athletics on a sound basis by controlling undesirable trends toward professionalism and improper subsidization.

For example, the Code, among other things, limits the amount a student athlete may earn, and it requires that student athletes work at their jobs. All athletic jobs and payments are reviewed by the Conference commissioner for compliance with the Code, with penalties on the institution for infractions. The Code also requires that athletic participants be regular students in good academic standing. No student may participate in athletics if during the preceding term he failed to meet minimum scholastic requirements. Neither may a student participate if at any time he fails to have on his accumulated scholastic record at least five times as many passing credits as failing credits. This is known as the "5 by 1" rule, designated to eliminate the athlete who has no real scholastic interest.

Q. Is it permissible for a student athlete to be employed by a non-university employer?

A. Yes, provided it is on a bona fide job, capable of being proved bona fide upon investigation either by the Conference Commissioner's office or by University officials. The penalty for any case found to be improper is ineligibility for the student and other penalties for the institution. The Code rule on this point is as follows:

Assistance for Athletic Reasons

All assistance to students or to prospective students is prohibited if given for athletic reasons unless specifically permitted by this Code. The presumption is that assistance other than that permitted by this Code is given for athletic reasons if it comes directly or indirectly from any source other than the student's immediate family, guardian or others to whom he would normally look for support. Unless this presumption is rebutted the recipient shall be ineligible.

Q. Who controls athletics at the University?

A. Complete responsibility for all athletics rests with the University. Ultimate authority resides in the Regents. In practical operation, however, athletic policy is formulated by the Faculty Athletic Committee, subject to Regents' approval through the president. The manager (director) of athletics is responsible for general management and direction in accord with policy. The manager also is supervisor and coordinator of all coaches; they are responsible to him for compliance with all University policies including the Conference Code. With the advice of the coaches and approval of the Faculty Athletic Committee, the manager negotiates all game schedules. In all financial matters, the manager of athletics is responsible to and is supervised by the University Bursar, who is the fiscal agent of the Regents. Moreover, all financial transactions of the Bursar, including those his office supervises, are subject to independent audit by Regents' auditors.

Q. Is Coach Howell leaving the University of Idaho?

A. Coach Howell is under contract through January 31, 1951. He

1950 Junior Prom Scheduled Tomorrow

World Problems To Be Discussed At Borah Conference

When the third annual Borah Peace Conference convenes in Memorial gym Monday morning, 111 educators and students will be on hand to discuss the "Cause of War" and "Conditions of Peace." Among these will be 15 university of Idaho students. The discussions will attempt to apply scientific methods of thinking to political problems. Getting a clearer picture of the geographical world by use of this first floor library globe are, left to right, Shirley Jacobsen, Thomas Rigby, Marvin Washburn, and Allen Derr, students, and Dr. Boyd A. Martin, general chairman for the conference.

Borah Peace Conference Starts Monday; Morgenthau, Benjamin First Speakers

OPEN LETTER TO THE STUDENT BODY

The University of Idaho has achieved national fame for several aspects of educational opportunities, the most recent of which is the Borah conference.

This conference provides a rare opportunity for Idaho students to get together with outstanding educators from all over the United States in an effort to expose the causes of war and explain conditions necessary for peace.

The success of the conference these past two years has been due in a large degree to student participation. Students have gained many new ideas from the lectures and they have contributed worthwhile ideas on the forums.

Therefore I urge all students not only to attend the lectures, but also to attend and participate in the forums.

Bob Moulton
 President, ASUI

Military Society Taps 38 New Men Monday Evening

Thirty-eight men were tapped Monday night by Scabbard & Blade, national military honorary.

Members are selected from advanced ROTC, NROTC, and AF ROTC students who meet scholastic requirements.

Those tapped include Roger Allen, Vernon Bahr, Preston Bair, Howard Berger, Leonard Brackebusch, Earl Dawson, James Dunham, Reed Durtsehl, Normand Green, Roger Hartman, and George Haugland.

Complete List Given

Others were Henry Holt, Alan Huggins, Burton Humphrey, Theodore Ingersoll, Donald Iverson, Hyde Jacobs, Laurance Johnson, Richard Kenfield, Jerome Kinsey, James Landers, James Lane, and John Leshar.

Robert MacDonald, Howard May, George Mueller, Don Parker, James Passmore, Kent Paynter, Lawrence Rasmussen, Jerry Rockwood, John Rosenthal, John Sullivan, Wayman Sinden, Eugene Thometz, Charles Trowbridge, Donald Willis, and John Zwiener were also tapped.

(See pictures, page 3)

First sessions of the Borah Peace Conference will begin Monday when 111 educators and students gather at Idaho to enter in forums and discussions seeking ways to obtain world peace. According to Dr. Boyd A. Martin, chairman of the conference, 23 universities

"New Efforts to Achieve Peace," by Dr. Hans Morgenthau, professor of political science, University of Chicago, is slated as the opening lecture of the session at 9 a. m. Monday in Memorial gym. President J. E. Buchanan will officially open the conference preceding Dr. Morgenthau's talk.

Lectures Continue
 Held simultaneously from 10 a. m. until 11:40 a. m. will be three forums concerning "New Efforts to Achieve Peace." Led by Prof. Bernard Borning, Idaho, one group will discuss "An Evaluation of American Foreign Policy," in Memorial gym. "An Education of Contemporary Peace Movements," is scheduled for discussion by a second group in the auditorium.

Dr. John Brockelbank is chairman.

Dr. Herbert Wood, Washington State college, will lead the third forum on "Asia: Citadel of Peace or Conflict," in the Faculty club upstairs lounge.

The second session Monday afternoon will begin with a lecture "The Role of Higher Education in an Atomic Age," by Dr. Harold Benjamin, dean of school of education, University of Maryland, at 2:10 p. m. Three more forums are scheduled following this address from 3:10 to 4:30 p. m.

Excused From Class
 Alton Jones, state superintendent of public education, is chairman for a forum "Directing Construction of School Curricula," in Memorial gym. "Organizing College Programs of General Education," will be discussed by a group led by Dean T. S. Kerr in the auditorium. Final meeting for Monday will be in the Faculty club upstairs lounge.

Students will be excused from classes to attend the major lectures during the three days of conference. Excuses to participate in the forums may be obtained from the deans of the various schools and colleges.

Reception Scheduled
 An informal reception for par-

(Continued on page 2, Col. 1)

Sun Dogs, Halos, Parheliions, Etc.

When a person gazes into the sky nowadays, he can't even be sure of seeing a flying saucer playing tag with a cloud bank. We are just as likely to see a "Parheliion" with a few "sun dogs" thrown in for good measure, a "sun halo," and a "circum zentral arc."

Appearing for about an hour between 9 and 10 a. m. the (take your pick of the names above) circle is said to have been formed by light rays passing through ice crystals, and is an extremely rare phenomenon.

So now you have something to tell your grandchildren about (if you live that long.) And maybe if you shout loud enough, the Smithsonian institute might stand you up in a corner with a signal nailed to your head saying, "Species of genus homosapiens, who, in 1950 A. D., saw a 'parheliion' with a few 'sun dogs' thrown in for good measure, a 'sun halo,' and a 'circum zentral arc.'"

Carl Painter and his orchestra have been signed to play for the annual Military Ball to be held this year April 22 in Memorial gym, according to Bill Sweet, general chairman for the affair.

All NROTC, Air ROTC, and ROTC units on campus will take part in the dance. It is sponsored by Eagle and Anchor, Scabbard and Blade, Pershing Rifles, and Arnold Society of Air Cadets, all military honoraries.

ASUI Pioneers In Awarding 'Putting Hubby Thru' Degrees

The awarding of graduation degrees, formerly within the exclusive jurisdiction of the University administration, will be partially assumed by the Associated Students at Idaho this June.

Under recently instituted "Project P.H.T." approximately 350 graduating student wives will receive a regular diploma marked P.H.T. (which stands for putting husbands through) immediately following the regular commencement exercises June 5.

Share Honors, Too
 Instead of remaining in the background, the G.I. Bride who shared a life that definitely was not the "life of Riley" while her husband earned his academic degree, will share now in the honors—as she did in the work.

Regular 6" by 8" diplomas, (the same size as hubby's) will be used, worded in the following manner: **THE ASSOCIATED STUDENTS OF THE UNIVERSITY OF IDAHO** We the Associated Students of the University of Idaho upon recommendation of the Executive

Dick Taylor's 'Taylor Made Music' Brings Vaudeville, Dancing To Campus

Sigma Delta Chi Initiates 21 Men Friday Evening

Ten professional newspapermen and 11 student journalists will be initiated into the University of Idaho chapter of Sigma Delta Chi, national men's journalism fraternity at 5:30 tonight according to John Dillon, chapter president.

Following the initiation ceremony, a banquet will be held jointly with the university chapter of Theta Sigma, women's journalism honorary. Guest speaker for the event will be Howard Cleavinger, managing editor of the Spokane Daily Chronicle, who will discuss opportunities in the field of journalism.

New Professional Members

Idaho newspapermen to be initiated into the fraternity will include K. L. Woods, Priest River Times; Laurin E. Pletsch, Sandpoint News-Bulletin; Frank L. Jackson, University of Idaho Alumni Roundup.

Other professional initiates will be Wallace E. Garets, professor of journalism at Idaho State college; Herman H. Doh, Jr., Idaho instructor in journalism; Everett A. Colley, Owyhee Chronicle, Home-Idale; Bervyn Burke, Hailey Times; Earl R. Bullock, public relations director, Potlatch Forests, Inc., Al F. Barackman, sports editor, Moscow Daily Idahonian; and A. L. Alford, Lewiston Morning Tribune editor.

Student Members

Nominated for membership but unable to attend this year's initiation was E. F. McDermott, Idaho Falls Post-Register.

Undergraduates to be initiated include Stanley Riggers, Vincent Conley, Richard Toews, Thomas Mitchell, Bert Johnson and James Teague. Other undergraduate initiates are Dale Benjamin, Karl Klages, Sherman Black, Jerome Kinsey, and Jack A. Barnes.

1950 Military Ball Scheduled April 22

Carl Painter and his orchestra have been signed to play for the annual Military Ball to be held this year April 22 in Memorial gym, according to Bill Sweet, general chairman for the affair.

All NROTC, Air ROTC, and ROTC units on campus will take part in the dance. It is sponsored by Eagle and Anchor, Scabbard and Blade, Pershing Rifles, and Arnold Society of Air Cadets, all military honoraries.

Students Explain Religious Center In Southern Idaho

Three teams of Idaho students are leaving today for points in southern Idaho where they will speak at churches Sunday morning to acquaint people of the areas with the Idaho Institute of Christian Education. The purpose of this trip is not to solicit funds, but rather to explain the need, purpose, and functions of the Institute on the Idaho campus.

Construction on the first unit of the new Institute was begun last month, and the completion date is set sometime before the 1950-51 school term starts. This building, containing a lounge, classroom, small kitchenette, offices for the various student church groups, will serve as a nucleus for religious activity and fellowship on the Idaho campus.

Students who are going to cities included in the Boise, Twin Falls, and Idaho Falls areas and where they will speak are Joe Schmid, Fruitland; Mary Jagels, Buhl; Carlene Horting, Twin Falls; Dean Holt, Nampa; Vern Bahr, Weiser; Virginia Orazem, Idaho Falls; Pat Slack, Blackfoot and Al Denman, Idaho Falls.

Others also visiting these areas include Phyllis LaRue, Burley; Mirlam Downing, Grangeville; Hazel Bell, Hagerman and Wendell; Dave Thacker, Rupert; Elizabeth Wilcox, Boise; Rosie Schmidt, Payette; Phyllis Andrew, Parma; and Howard Morton, Aberdeen. Transportation will be provided by Dave Thacker, Mrs. D. M. Loehr, and Mr. A. E. Jahn.

Highlighting the other acts will be Ben Frommer in the "Art of Mimicry." A top mimic entertainer Frommer has appeared at top spots across the nation including Nevada Biltmore and Tom Brennan's in Hollywood. His voice is familiar to all from the popular Bugs Bunny cartoon series.

Completing the program is mentalist Don Olson and juggler Wally Blair.

Law Students Take Idaho Bar Exams

Idaho's law school sent 13 of its senior students to Lewiston last week to take the Idaho bar examination. The exam lasted for three days and the last of the examinees returned to the campus yesterday.

Those taking the tests were: Melvin Alsager, Lloyd Browning, Thomas Feeney, John Hawley, Berne Jensen, and Alfred Kiser. Others were Harold Ryan, Gerald Smith, Eddie Wilkinson, Jr., Carl Yost, Robert McLaughlin, Gregory Potvin, and James McLaure.

Permits To Register

Applications for permits to register for the 1950 summer session may now be obtained in the registrar's office.

Dancers and spectators alike will find entertainment to their liking at the annual Junior Prom tomorrow night in Memorial gymnasium. A vaudeville dance program has been arranged to provide pleasure and exciting action for all students attending the prom.

Dancing will begin at 9 a. m. featuring Dick Taylor and his "Tailor Made" music for the Idaho campus. The vaudeville show will begin at 10 a. m. and the six acts will provide entertainment for one full hour.

Taylor and his orchestra have been touring California campuses throughout the winter nights. Dance chairmen throughout the area have said, "Taylor and his 'Tailor Made' music provide the type of dancing students enjoy." Vivian Garry, one of the nation's popular vocalists, will handle the vocal numbers during the evening.

Tickets for the semi formal dance are on sale in all living groups and in the general manager's office. Admission has been set at \$2.50 a couple. Spectator seats in the balcony will be on sale for 50¢ each at the door of the gymnasium.

The vaudeville show, something new in dance programs, has been featured on campuses over the nation during the past year. The six acts will be presented as an "intermission interlude" dancers and spectators alike will not want to miss, said class officials.

Beginning the show is a Hollywood chorus number starring the Martinette who will be introduced with typical filmland fanfare. After the dance routine, the master of ceremonies, Lynn Johnson, who will also present a well known novelty number of his own composition "Hollywood Baby Sitter," will take the stand.

Highlighting the other acts will be Ben Frommer in the "Art of Mimicry." A top mimic entertainer Frommer has appeared at top spots across the nation including Nevada Biltmore and Tom Brennan's in Hollywood.

Completing the program is mentalist Don Olson and juggler Wally Blair.

Peterson-Jansen Selected Leaders Of Home Ec Day

Merilyn Peterson, Home Ec club president and Joan Jansen have been appointed co-chairmen of the 1950 Home Ec Day planned for April 22.

Committees appointed to complete arrangements are correspondence, Virginia Scheufele; hospitality, Naida Whybark; and reservations, Maralee McReynolds, chairman, Hazel Havens, and Carolyn Hansen.

Other committee heads are guide, Rose Ellen Schmid; publicity, Sheila Darwin and Mary Ellen Stefanac; and tickets, Caryl Ingerbrisen.

Banquet Committee
 Arlene Talbot, chairman, and Anna Mae Handel will serve on posters committee.

Joan Brown will head the banquet committee assisted by Irene Horning, table decorations; Elaine Cope, place cards; Pauline Degendorfer, program; Bernadean Reese, serving; and Mary Stern, Jo Ann Wilde and Cherie Wiswall, flowers.

Meeting of Senior Class officers and all committee chairmen in Graduate Manager's office at 4 p. m.

Here's More About— Jason

(Continued from page one)

has not informed the University about any desire to terminate that contract, and the University has taken no position or action other than to expect the best possible performance of the contract.

Q. What does Idaho expect of its coaches in the win record?

A. Idaho has never told a coach he must win any specified percentage of games or any particular games, despite the fact there are one or two games all Idaho fans would like to win. All that is required of a coach is that he field well-trained teams that play in a creditable fashion. Moreover, the best interests of the student come ahead of any game.

Q. What about dropping the California games that were originally scheduled for 1950 and 1951?

A. There were several cogent reasons for dropping these games. Among them were:

(1) Under present liberal substitution rules which make possible the multi-rotation teams of the big schools with large financial resources, it was manifestly unfair to ask or permit the smaller Idaho squad to go up against impossible odds. This disparity will exist until either the substitution rules are restricted, or Idaho develops multi-rotation teams.

(2) Financially the prospect was a loss, which we could not afford.

(3) The majority of our friends and advisors favored the change and Coach Howell expressed himself in accord.

(4) Maintenance of morale of students, fans and players requires more equitable competition.

Q. What about games with the University of Washington?

A. The University of Washington is on Idaho's football schedule for 1952 and 1953.

Q. What about Idaho being in some other conference?

A. Geographically Idaho has as much justification for membership in the Pacific Coast Conference as Washington State College. An athletic conference embraces not only football, but also basketball, boxing, track, baseball, and minor sports. Any conference membership must provide reasonably satisfactory arrangements for a complete sports program. For Idaho and for the Pacific Coast Conference, the present arrangements are not bad on an over-all basis. However, Idaho must work harder at football.

Many University fans in Southern Idaho ask about the Skyline Conference, but in doing so they usually are thinking primarily about football, forgetting temporarily basketball, boxing, track and other sports.

Q. What is the policy of the University with respect to Idaho athletes?

A. The University's first interest is in Idaho youth. Just as it maintains special facilities and opportunities for students interested in music, art, drama, debate, etc., the University also has special facilities for those interested in athletics. The athletic attractions are:

(1) Complete coaching staffs with competent trainers working under the medical supervision of the University physicians.

(2) Modern physical plant including gymnasium, field house, stadium, practice field, and other features.

(3) Game schedules and competition that are as challenging as any in the nation.

(4) A first-rate curriculum in physical education with a placement service to assist graduates to find employment. However, participation in athletics is open to any student in the University whether or not he elects to major in physical education. Agriculture, forestry, architecture, and all other kinds of students participate in athletics and the opportunity to do so will be continued.

The University prefers to have Idaho students on its teams, but this does not restrict any qualified student from coming and trying. It is the University's intention that whoever meets the competition and wins a place on the team gets his chance to play, no matter where he is from, who his parents are, or what his financial status is. Every Idaho high school graduate is not only welcome, but also desired because the University provides a real challenge and opportunity.

Q. What about future prospects for Idaho athletes?

A. They are good. It all depends on the continued, cooperative effort of all concerned. Considerable progress has been made since 1947 when the present program was launched, more in some sports than in others, but definite progress nevertheless. We need to keep at the job, keeping a true perspective based on facts, with everyone doing the best he can with what he has. To do less does not deserve more.

Here's More About— BORAH

Participants and out-of-town guests for the 1950 Conference is scheduled for 4:30 p. m. in the Faculty club. The University of Idaho Faculty Women's club is sponsoring this event.

Delegates from the following universities and colleges will take part in the Conference: Idaho State college, N.L.C.E., Northwest Nazarene college, Ricks college, Southern Idaho College of Education, North Idaho Junior college, Boise Junior college, W.S.C., and Gonzaga university.

Others represented are the University of Washington, Eastern Washington College of Education, Whitman college, Whitworth college, Walla Walla college, Seattle university, Montana State university, Montana State college, University of Utah, Portland university, and the University of Mary-

Abbott New Prexy Of Ag Engineers

Leslie Abbott was elected president of the Idaho student chapter of the Ag Engineers for the coming year. Officers elected to assist him were William Walkington, secretary-treasurer; Glenn Meares, senior representative, and Dick Miller junior representative.

Richard Bakes, farm representative for Washington Water Power and a 1949 Idaho graduate, discussed employment prospects for Ag Engineering students following the election.

A field trip has been planned for May 6, to tour the Union Iron Works of Spokane and various Washington Water Power generating plants in that vicinity.

Eight clergymen will also speak, and two men from the Idaho State Department of Education in Boise will voice their ideas.

Dear Jason

Dear Jason:

The following comes as somewhat of a warning to Idaho students. If you like the ballet, fair photography, music that comes strictly from kindergarten and Hunger, grade "B" actors, and a plot with as much sense as that in the dictionary, then—by all means see J. Arthur Rank's latest extravaganza, "The Red Shoes", now currently playing at the Cordova theatre in Pullman.

It is a British production through and through. The only bright spots in the whole show are the fact that WSC students have to pay 55¢ to see it instead of the cut-rate 50¢ prevailing in Moscow, and that the movie is half over by the time everyone who had something to do with producing this monstrosity, down to and including the charwomen, is listed on the screen.

A prediction is hereby made that Idaho students will stay away in droves after the first night. Mr. Kenworthy has brought many poor shows before the populace of Moscow, but we truly hope that he doesn't hit the bottom rung of the theatrical ladder and jeopardize the little recreation time that Idaho students have by running "The Red Shoes."

Truman Bailey
Les Smith
Pete Bonin

ED. NOTE:—Letters to Jason reflect only the opinion of the writer and not necessarily that of the Argonaut. This column is held open to any student wishing to air his personal views on any subject. However, during the current political campaign the Argonaut will print no letters to Jason regarding any candidate for office or political party. On this subject the Argonaut's policy will be strictly neutral.

WRA LIST

Starting Monday advanced tennis will be offered at noon, Monday through Friday from 12:00 to 1:00 at the courts across from Memorial gymnasium.

Women's softball practice will be held at the woman's athletic field from 4 to 5 p.m. next Tuesday, Wednesday, and Thursday. Saturday morning practices will be from 11 to 12 a.m. These practices are required for tournament participation.

NROTC Rifle Team Goes To Seattle Meet

The Navy ROTC rifle team left early this morning for Seattle where they will fire a shoulder to shoulder match with the University of Washington NROTC team.

The team of eight men is traveling by car with Captain W. J. Sullivan, coach of the squad. They will return to the campus sometime Sunday.

The Martinettes

These are four lovely young ladies that have joined together as an intricate team of modern dance. All of the girls have had a lifetime of showbusiness experience and training behind them. They are all Hollywood girls who have for background motion pictures, television, and musical comedies. More recently the MARTINETTES have been appearing at smart supper clubs on the west coast and Mexico.

Little International Parade Prepared As Animal Display

As the wheels of progress turn and preparations for the Aggies Little International Livestock show gain momentum, the anxious eyes of the townspeople turn toward the University farm in anticipation of getting a first glimpse of top show animals, all groomed champions, who will be strutting their stuff in the forthcoming Little International parade.

Since the beginning of the show in 1924, the highlight each year has been this colorful event. Although routing and size of the parade have changed over the years, the color and glamour of this event, have continued in all their glory.

The first Little International parade featured few floats, and animals, since only 140 students were participating in it at that time. However, size and ideas have changed and Don Brighton, parade chairman, and his assistants promise for this year the finest parade yet.

Led by the Queen of the Little International, this year's parade will include floats, representative of the various departments; groomed champions of the university farm; representative units of the Air Force, Army, and Navy Reserve Officers Training corps; and a variety of features including the University of Idaho band and the beautiful six horse hitch belonging to the university.

Winds Thru Campus
The parade will form at the corner of A and Main streets, proceed down main to Sixth, up Sixth to Deakin and it will follow the traditional course winding

Clayton Honored In Hour of Melody

Reverend Donald W. Clayton, pastor of Moscow's First Presbyterian church, will be presented by the Women's Association of the church in a concert "Hour of Melody" to be held this evening at 8 p.m.

The opening group on Mr. Clayton's program includes a recitative and an aria by Handel: "Thus Saith the Lord" and "But Who May Abide" from the Messiah. Comprising part two are "Evening Star" from Wagner's "Tannhauser"; "Four Ducks on a Pond" by Needham; and "To People Who Have Gardens" by Kennedy-Frazier.

Ag Teachers Here For Instruction

Agriculture instructors from 11 northern Idaho counties will meet in Moscow today and tomorrow to get the latest instruction in farm record keeping. Roland Bevan, agricultural economist at Idaho, and Warren Pavlat, assistant state supervisor of Veterans' Vocational Agricultural Instruction, will discuss farm accounting problems and procedure with the agriculturists.

"They call 'em virgin pines because they've never been axed."

230 universities, educational institutions 147 hospitals and other medical groups 1,825 small and large businesses

219 churches, religious organizations 3,500 Standard of California employees 91,000 Americans who invested their savings

Who shares Standard of California Profits?

No college football stadium in the country could seat all the owners of Standard of California.

You share, too. Just since the war we've invested more than \$500,000,000 in oil wells, refinery units, pipelines, tankers, distribution plants and marketing outlets...facilities to help us meet our responsibilities to serve the growing West.

With 97,000 individual stockholders, it's one of the most widely owned companies in the West... and more than 70% of these people are small stockholders with less than 100 shares.
Among the large stockholders, you'll find literally hundreds of companies and organizations which work for you or benefit you every day—hospitals, universities, museums, churches, insurance companies, YMCA groups, research laboratories. And, of course, thousands of our employees are also owners. Standard of California profits, therefore, are divided among a tremendous number of people.

DG Honor Guests At Party; Delta Tau Plans Fireside

Personalized Easter eggs were used as place cards at the Easter breakfast given by Delta Gammas for their guests on April 2. Sigma Chis will frolic Friday at their "Mexican Hat Dance."

Delta Tau Delta pledges are planning on holding an outdoor fireside tonight (weather permitting).

Delta Gamma

Twenty-six friends of Delta Gammas were entertained at an Easter breakfast Sunday morning, April 2. Bonese Collins and Nancy Weitz were in charge of an Easter skit, and Marlene Hopkins and Bernice Bauer furnished musical entertainment. Those in charge of other arrangements were Marjorie Cook, Erlene Clyde, Laura Lee Hopkins, Maurine Williams, Pat McGill, Sally Barbour, Elizabeth Scott, and Elizabeth Wilcox.

Mr. and Mrs. Norman Logan, Miss Marion Frykman, Dr. A. H. Beattie, and Dr. and Mrs. John A. Snider were entertained at dinner Thursday evening.

Delta Tau Delta

If the weather cooperates, electric lanterns and small tables will be arranged surrounding the circular driveway at an outdoor fireside pledges are planning for tonight. A public address system will furnish music for the party which is due to start at 8:30 p. m. Refreshments will be served following a short skit. Mark McCarrill is general chairman, with Elmer Peterson in charge of the skit. Should weather be unsuitable for such an affair, the fireside will be held in the chapter house.

A dinner exchange was held with Pi Beta Phi Wednesday. Jack Eaton, Coeur d'Alene, was a houseguest Wednesday and Thursday. Guests for dinner Wednesday evening were Mr. L. M. Huggins and Mr. Richard Johnson.

Hays Hall

Mrs. Frank L. Thomas, Wapato, Washington, was a guest at the hall during the early part of this week.

Dinner guests on Wednesday were Mrs. Thomas and Sonnick Sonnickson.

Kappa Kappa Gamma

Official delegates to the national convention in Quebec Canada, which will be held from June 24 to July 1, are Joan Rowberry and June Schalkau.

Guests at the chapter house for Easter Sunday dinner were Leo Knowlton, Al Foucar, Dick Atwood, and Rob Faisant.

Mr. Norman W. Sinrager and Mr. August Vavrus were Wednesday guests for dinner.

Pi Beta Phi

Jody Raber was recently elected official delegate to attend the Pi Beta Phi national convention which will be held in Jasper Park, Canada, in late June. Betty Bonnett was chosen as an alternate.

Appointed to serve on the scholarship committee were Betty Bonnett, Corrine Schumacher, Harriet Walrath, and Ruth Biebert.

Mrs. M. D. Fitzgerald was guest at a fireside Wednesday evening.

Sigma Chi

The Mexican Hat dance, tonight will give Sigma Chi's and their dates a chance to "tie one of 'em on!", according to Bill Hansen. Jack Lein, Jake Thompson and Don Nepean will handle arrangements for the dance.

Kathy Burleigh, Margaret Eke, Marlene Monroe and Mr. and Mrs. Dean Brown were dinner guests on Sunday.

Tau Kappa Epsilon Installation of officers for the late spring and fall period was held at the chapter meeting last Monday, April 10. New officers are: president, Stan Riggers; vice-president, Bob Griffith; secretary, Jerry Goecke; treasurer, Moire Charters; historian, Bob Greer; scholarship chairman, Dave Bull; pledge trainer, Lew Brainard; and sergeant at arms, Pril Wilder.

A fireside will be held tonight in the chapter house. Dave Burgess, of Moscow, will entertain the group with feats of magic. Hugh Burgess will do a fire-eating act.

Wednesday dinner guests were Dave and Hugh Burgess and Paul Eke, all of Moscow.

Classifieds

LOST: Leather case with plastic rimmed glasses. If found please leave at Bursar's office or contact Frances Misson, Hays hall.

Patrick J. Murphy, Patron Saint of Sigma Alpha Epsilon, on his yearly visit to the Idaho Alpha chapter house, has turned very ill. All brothers are urged to pay their respects.

Lambda Chi "Crescent Girl"

Lois Messerly was chosen from a field of five finalists yesterday as Lambda Chi Alpha's first annual "Crescent Girl." A brown eyed brunette, 20 year-old Lois will be entered in a national contest, with 130 other candidates, for the national "Crescent Girl" title. The winner will spend three expense free days at the beautiful Edgewater Beach Hotel in Chicago during the Lambda Chi national convention in the early part of September.

Church News

Wesley Foundation

Wesley Foundation will meet Sunday at 5 p. m. for recreation and supper. This will be followed by a different kind of program in the form of a choral reading presentation. Topic will be "Christ Confronts the College Student," written by the Louisiana State University Wesley Foundation, and directed by Ken Briggs.

Roger Williams

The Roger Williams club of the First Baptist church will meet Sunday at 6:30 p. m. Ruth Dimond is in charge of the meeting to which all university students are invited. The evening church service begins at 7:30.

Lutheran

Lutheran Students association will meet Sunday at 5 p. m. in the First Lutheran church. Election of officers will be discussed at this meeting.

Engagement Told At Pi Phi Fireside

The Pi Beta Phi house was the scene of a Wednesday fireside announcing the engagement of Joan Fitzgerald to Jim DePartee.

The announcement was made when dining room doors were opened to reveal a table set with four candles and four China deer. Each girl was presented with a sweetpea corsage. A nosegay of pink and violet sweetpeas centered with three pink roses held the solitary diamond ring in its center.

Miss Fitzgerald, daughter of Mr. and Mrs. M. D. Fitzgerald, of Moscow, has completed her freshman year at the University and is now employed in the department of Dairy Science. She is a member of Pi Beta Phi.

DePartee, son of Mrs. Edwin Foster, Buhl, is a junior majoring in interior decorating and affiliated with Phi Kappa Tau.

Honorary Taps II; Banquet Tonight

Formal initiation for eleven women recently tapped by Theta Sigma will be held this afternoon at 5 p. m. at the Delta Delta Delta house. A banquet will be jointly with Sigma Delta Chi, at the Moscow hotel immediately following the ceremony.

Initiates of the women's journalism honorary include: Shirley Gregory, Harriet Walrath, Norma Whittell, Marilyn Peterson, and Donna Jo Walenta. Others are Virginia Smith, Virginia Oruzem, Marie Hargis, and Anne Dault.

Two women in the field of journalism, Mrs. Wilma Sprague and Mrs. Sarah Hutchinson, will be taken as honorary members of the organization.

ASUI Constitution Amended In Election

An amendment to include KUOI, student radio station, within the department of publication in the ASUI constitution will be included in the balloting during the general elections April 26, according to Bob Moulton, ASUI president.

Students approval of the proposed amendment will provide for student control of the radio station and make it a part of ASUI.

She: Are you doing anything for that cold of yours?
He: I sneeze whenever it wants me to.

Why Hide Those Extra Lbs? It's Not As Late As You Think!

According to the calendar, spring is here and it's time for all red blooded American Gals to trot out ye old tape measure and check the results. Is yours a figure that you can be proud of? Before long now, bathing suits and peddle pushers will make up your daytime wardrobe... no longer will you be able to hide those extra pounds under a winter coat.

It's up to you... what are you going to do to make your figure take on Ava Gardner proportions? Diet? ... It's been proven that diet alone doesn't do a bit of good. Diet plus exercise? ... now you're getting smarter, but are you sure you are doing the right kind of exercises?

Let me give you a clue... general body conditioning can be obtained through the Women's Recreational Activity program offered in the Women's gym every afternoon from 4 til 6 o'clock every day except Friday. Why not give it a try and see what a couple of hours each week devoted to playing tennis, golf, softball, or swimming (10-12 on Saturday mornings) will accomplish. It's amazing how a little physical activity can wake you up.

The WRA program offers complete facilities and instruction in tennis, golf, softball, and swimming to each and every university woman. You may never be offered such an opportunity again... it's up to you. Act now before it's later than you think!

"Do insects ever get in your corn?"
"Yeah, but we fish them out and drink it anyway."

Busy Weekend To Bring Four Schedule Openings

New Track To See Initial Action; Idaho Vs. Oregon

Northern division track fans will get their first taste of action tomorrow when the University of Idaho Vandals host the highly regarded Oregon Ducks. Time for the meet has been set for 1:30 p.m. for field events with running taking the spotlight around 2 p.m.

It will be the first track and field meet to be held on the new track at Neale stadium. This new addition to the university athletic plant consists of a 10-lane 220 yard straightaway and an eight-lane quarter-mile running strip. The turf center of the stadium is planned for all field events except the broad jump which has been set up on the far north side below the stands.

Conditioning Troubles

At last interview Coach Stan Hiserman had little in the way of prediction. His main worry was that his boys had only been on the track three days. He said, "They are a long ways from being in shape for meeting what is reported as the strongest team in the Northern Division." Added to this was the news that sophomore ace, Dave Martindale, would be unable to compete in the pole vault. There is a possibility, however that he will be available for the high jump.

The Ducks will arrive here by plane Saturday morning with one victory already under their belt for the 1950 season. Last week at Eugene Coach Bill Bowerman piloted his squad to a 10-2 win over Oregon State in their annual relays. It was the first time since 1942 that the ducks have upended their arch intra-state rivals from Corvallis. The lemon and gold looked tremendously impressive in several events and displayed a depth of strength that will make them tough to beat in the coming race.

Pressing The Record

George Rasmussen, Oregon's crack vaulter, opened the current season by pushing the bar to 14 feet. He attempted 14 feet 5 inches a little later and cleared the bar easily, but struck it with his wrist and hand during the descent.

Other webfeet to turn in creditable performances were big Bob Anderson in the discus with a throw of 140 feet 7 inches. Dave Kolden and Woodley Lewis with 5 feet 10 inches in the high jump and Dave Henthorne who anchored his team to a dual victory in the 440 yard and mile relays.

Only dark spot for the invading trackmen will be absence of Bill Fell, sensational sprinter who injured himself during the week.

Barring unforeseen accidents the Idaho squad will probably be lined up as follows:

Sprints—Dick Newton, Glen Christian and Cal Sparks.

Quarter mile—Dick Armstrong, Don Miller and Bob Carter.

Half mile—Norm Farnham and Norm Barber.

One mile—Warren Johanson and Roger Confor.

Two mile—John Allyson, Don Harper and Ron Huffer.

Hurdles—Keith Bean.

Javelin—Myron Hodgson and Von Johnson.

Discus—Dave Hiner, Nick Speropoulos and Darwin Cogswell.

Shot—Hiner and Serge Coval.

High jump—Cal Sparks, Dave Martindale and Fred Cook.

Pole vault—Bob Parish.

Broad jump—Vern Widner, Theo Nowak and Fred Cook.

Lettermen on the squad are Allyson, Armstrong, Bean, Christian, Farnham, Harper, Hiner, Hodgson, Johanson and Miller.

Architect Educators

Leading architectural educators from all parts of western America arrived at the University yesterday for a two-day meeting to discuss architectural teaching methods and standards, according to Prof. T. J. Pritchard, head of the department of art and architecture.

Dr. Adam To Oregon

Dr. Oscar M. Adam, director of the Idaho Institute of Christian Education, left today for Forest Grove, Oregon, to attend a conference on higher education. Dr. Adam will leave Portland Saturday for Pocatello to join the University of Idaho team of students who are putting on a publicity campaign for the Institute.

Cleaning Discussed

Milton T. Major of Polly Cleaners discussed cleaning failures and the effects of cleaning on fabrics at the April Home Ec club meeting Tuesday afternoon.

Vandal Mound Staff Seven Strong

More pressure is on a pitcher for a longer time during a game than any other player. To these men have fallen mound duties for the 1950 Vandal schedule. Hurlers are, from left to right, Cless Hinckley, Lloyd Schiller, Harry Truman Boyd, Ozzie Kannik-keberg, Don Hunt, Jim Hatch, Dan Briggs, and Jim Atchison. The team starts a sixteen game conference schedule today at Seattle and will be busy until season's end May 20 here against WSC. (Photo by Schnell)

Bench and Bar Vie With TKE For "B" Crown Tonight

TKE clinched a spot in the final game Wednesday evening by turning back previously undefeated Lambda Chi Alpha 23-5. Led by guard Bob Holder, who dropped 7 counters through the net, the Tekes posted a 13-0 half time lead and coasted on to an easy win. The division 1 champs scored 202 points in 8 games for a 25.33 point per game average. Their opponents rung up 112 points for a 14 point per game total.

Bench and Bar reached the finals by losing only 1 during an 8 game schedule. The law honorary poured 270 points through the hoop in 8 games for a 33.75 average against their opposition's 107 for a 13.75 average.

Bench and Bar entered the finals by beating WSH No. 5 20-11.

Time Out

By COSTELLO

Bill Bowerman, who brings his Oregon track team to Moscow tomorrow, has presented something unique into Northwest track coaching circles. He's the only track mentor hereabouts who uses a movie camera in his work.

Bowerman believes work he does with the movie camera has done much to improve performances of his squad. He continually shoots practice performances and then runs and re-runs the film to demonstrate where errors are being made and improvements are possible.

Our Northwest is slipping behind in all sports except boxing these years much as we hate to believe it. Bowerman is one man who is attempting to keep up with the pack by using modern methods.

Used Generally By Gridders

As it stands now football is the only sport that has taken up the movie camera as a regular tool in these parts. It's causing an advancement of the scientific aspect of the game. Too bad nearby universities and colleges can't find funds to do the same for basketball and boxing.

We can't help but have boxing on our mind during this consideration since it is uppermost sport at Idaho. Think of the value to future teams that a complete collection of Herb Carlson fights might be if they could be drawn out of a film library by coaches in the future.

Object Lesson

When Herb was beaten by Wisconsin's Lendenski last year it was after the latter had spent a season preparing just for Carlson. The Wisconsin coach had a set of movies showing all of Carlson's most effective tricks.

It isn't hard to imagine how long it's going to take Northwest boxing to fall back with its brother sports in their battle against modern methods. While the use of movies isn't a creator of winners it is one of many tools being used in most sections for the advancement of sport.

ND Diamond Race Begins Today; Vandals In Seattle

With the "play ball" signal, the University of Idaho will open its section of the Northern division baseball race this afternoon and tomorrow in a two game series against University of Washington at Seattle.

Idaho posted a pre-conference record of three wins against one tie and five defeats. Washington, meanwhile, has had only two outings and the Huskies took both of their winning from University of British Columbia, 7-3 and 13-4.

Following the Washington series, Idaho journeys through Willemette Valley for conference encounters with Oregon State at Corvallis on April 17 and 18. The Vandals will then wind-up the road trip in Eugene against University of Oregon, April 19 and 20.

Travelling Squad

An eighteen man squad made the trip with Coach Chuck Finley.

Members are: Pitchers—Ozzie Kannikkeberg, Lloyd Schiller, Bob Pritchett, Cless Hinckley, Don Hunt, Bill Briggs and Jim Atchison.

Catchers—Bob Linck and Dick Merrill.

Infielders—Bill Choules, Toby Massingill, Rod Grider, Joe Zayevsky and Nick Stallworth.

Outfielders—Glen Darnell, Hal Hunter, Bill Simmons, Don Harrison and team manager Dick Rejbb.

Complete conference schedule is as follows:

- April 14, Washington at Seattle.
- April 15, Washington at Seattle.
- April 17, OSC at Corvallis.
- April 18, OSC at Corvallis.
- April 19, Oregon at Eugene.
- April 20, Oregon at Eugene.
- April 25, WSC here.
- April 28, OSC here.
- April 29, OSC here.
- May 3, Oregon here.
- May 4, Oregon here.
- May 9, WSC at Pullman.
- May 15, Washington here.
- May 16, Washington here.
- May 19, WSC at Pullman.
- May 20, WSC here.

Swimming Awards Approved By Board

After considering the recommendations of coach Eric Kirkland and weighing the records, the executive board has approved award of "I" sweaters to the following men: Jim Farmer, Ed Fiester, Tom Gentry, Carl Kinney, Ken Lyons, Don Miller, Eugene Root, Wayne Stewart, and Dick Wartena. This was a third award for Farmer and Lyons and a second for Kinney and Miller. Fiester, Gentry, Root, Stewart, and Wartena all received the award for the first time.

Montana State University Here Tomorrow To Start Golf Race

Newly selected members of University of Idaho varsity golf squad have the season's first opportunity to show their stuff tomorrow when they tee off against Montana State University at Idaho's course.

Tryouts were completed yesterday. The consisted of competitive playing of 54 holes.

Resulting selections found appointment of the following members: Bill Ames, Johnny Miller, Johnny Drips, Fred Stringfield, Jake Thompson, Dick Islet, Chase Barbee, and Dick Harden.

According to golf coach, Frank James, a new team captain will be selected for each match this season. Until this time one captain was chosen to serve the entire season. Captain for tomorrow is Johnny Miller.

The Montana meet is scheduled to get under way at 8 a. m. Doubles matches lead the way in the morning with singled matches slated for afternoon.

Mr. James says the team has many fine prospects and seems to be in good spirit. He also stated that the course will be open for regular play immediately following the matches.

Then there was the absent minded professor who forgot to write schedule against defending champion WSC netsters.

According to the coach this year's team is a better balanced organization than last year's but suffers from a lack of practice. The men have worked a little indoors and less than a week outdoors in preparation for the opener.

The four lettermen are Hal Barnes, Blackfoot; Howie Berger, Lewiston; Bob Baxter, Boise; and Stuart Dollinger, South Gate, California.

Added to these men are Ewel Grosberg, a transfer from UCLA; Jack Scull also a UCLA transfer; Jim Crane, from CWC; and Mont Brooks, a transfer from Boise Junior College.
