

# Welcome Alumni And Friends

## Alumni and Friends:

Both officially and personally, I take this opportunity to join University and A.S.U.I. officials in welcoming all alumni and friends of the University who have returned for the 1950 Homecoming.

With a fine football game as the central attraction, open houses at the student residences, and many alumni activities planned, this is the season when we all thoroughly enjoy returning to our alma mater.

We alums do appreciate the wonderful preparations made by the A.S.U.I. and the various student groups on the campus and we sincerely hope that everyone will derive as much enjoyment from them as do those of us who have come long distances.

Again, on behalf of the Alumni Association I say "Welcome" to the graduates and former students and a whole-hearted "Thank You" to the students for all they have done to make this Homecoming a memorable event.

LEON WEEKS, President,  
University of Idaho Alumni Association.

## Alumni and Friends:

University of Idaho alumni! Welcome to your alma mater! Between times visiting old friends and joining in the festivities of the occasion, we hope you will have an opportunity to see the visible evidence of progress at your university in the form of new buildings—Agricultural Science building, the office addition to the Administration building, Music building, Engineering Classroom building, Kirtley Electrical Engineering laboratory and the new Student Union building.

Also, we hope you will have time to visit some of your old professors and become aware of the invisible progress that has been made in the way of improved class offerings and curriculums.

It's your weekend at your university. Enjoy it.

Signed  
President J. E. Buchanan

FRIDAY, OCTOBER 13, 1950

## Thousands Converge On Campus For 1950 Homecoming

Visitors to the University of Idaho campus, this weekend will include alumni, parents, and friends. People of nearly every walk of life, from near and far. They come to see the 1950 Vandal football team meet the 1950 Oregon Duck gridders. But even more than that they come to see the new crop of students, and the Homecoming celebration they will put on. They come to rewalk paths they once trod as students, and relive a little of the past.

We want the alums to feel that this is their Idaho as well as our Idaho. And if Idaho should down the Ducks from Oregon, which she hasn't done for 24 years, it will be their team, as well as our team, that won. We will all join together in celebration.

### See "New Look"

When the visitors arrive, today and tomorrow, they will see, in addition to old familiar sights, a "new look" on the University of Idaho campus. More changes in terms of buildings, have occurred here in the last year than at any time since the beginning of the university. They are yours to look over. We want you to know that we appreciate them even more intensely than is your envy at not having them in "your day."

It is to the alumni, or "old grads" as they are sometimes called, that this weekend and this issue of the Argonaut, is dedicated. We, who will almost sooner than we think, become ourselves one of them, have worked the past few weeks to prepare entertainment for them. We hope they find this a real "Homecoming."

### Card Tricks

One of the special features of the Homecoming celebration will be the card tricks at halftime of the game. Every living group has agreed to send a certain proportion of its residents to fill a special section and perform the card tricks. With cooperation, the results should be interesting.

## Buchanan Presents Scholarship Cups

Annual awards will be presented at the award assembly in Memorial gym Tuesday, October 17. Individual scholastic awards, scholarship cups, and various cash and special awards will be presented by President Buchanan. The Alumni Scholarship cup will be given to the men's group with highest scholastic rating and the Beulah Garrard Dale scholarship trophy to the women's group with highest grade point.

### Classes Shortened

The Vandaleers will make their initial home appearance of the season. A review of the general draft as it affects students will complete the program. Morning classes will be shortened.

Student recruitment committee meeting, Exec. Board room, 7 p.m. SUB.  
AIEE meeting, 7 p.m., room 221 of new EE lab.  
Hell Divers meeting, 8 p.m., Memorial gym.  
ASME meeting, 7:30 p.m., Engr. 104.

## Comedy Too

With Wyatt Howard's orchestra, who will play for the Homecoming dance in the new Student Union building tomorrow night, is "Tiny" Martin, shown here doing one of his several comic songs. Howard and his orchestra have appeared twice before in Vandaville and were very well received both times.

## Joan Rowberry Elected Miss Homecoming Of 1950

### Get Mums Now

Mums ordered through campus living groups, will be delivered early tomorrow morning to the respective living groups. Orders taken in the Ad building, Wednesday and Thursday, may be picked up in the Student Union, main lobby tomorrow morning. Mums will be on sale from 6 to 10 p.m. and tomorrow morning, in the Student Union, Moscow hotel, and the Ad club.

### Bookstore To Sell Vandaleer Records

Vandaleer recordings are now available at the student bookstore. With a beautiful cover drawn by Alfred Dunn of the art department, these custom made RCA Victor recordings were made by Carl Peterson, radio center head. The albums, containing three long-playing records, are on sale for \$4.00.

## Kick-Off Dance Held Tuesday Eve; Terrific Success

Approximately 836 people attended the big Kick-Off dance Tuesday night in the Student Union Ballroom to start Homecoming week. Music was presented by the Esquires Trio, and provided smooth dancing rhythm for a large part of the student body. Late permission for the freshmen women accounted for so many women who otherwise would have been slaving over a hot study table.

### Finalists Introduced

In past years the Kick-Off dance has been held in the afternoon. The evening dancing this year may have started a new precedent for this traditional Homecoming affair, as well as the late permission for freshmen coeds. The ballroom was decorated with original and clever caricatures, depicting Idaho's overthrow of the Oregon Ducks. Queen finalists were introduced during intermission by Glen Stringham.

## Saturday's Parade Offers 60 Entries Led By Governor

More than 60 entries are scheduled to appear in the 1950 Homecoming parade tomorrow at 10 a. m. Scottish bagpipers from Trail, B. C., with authentic kilts and pipes will highlight this parade. Five bands and nine downtown entries are also in the line-up.

Each entry has been notified about its division and placement. All entries must be in the proper position not later than 9:30 tomorrow morning.

Division A, led by the American Legion color guard, will line from Main down West A to South Jackson, and then line along the south side of South Jackson.

### Parade Will Line

Division B, led by the Homecoming queen float, will line from West A to South Almon, and then down South Almon.

Division C will line from the intersection of West A and North Almon to the north, and be ready to follow division B into the main formation. Leon Weeks, alumni president, and Vern Bahr, ASUI president, will lead this division. Division D will line from the intersection of West A and Almon down West A to Ashbury and down South Ashbury to the south.

Governor C. A. Robins will lead the parade in the first car of Division A. Others in this division are Idaho's band, Army ROTC, Navy ROTC, Air Force ROTC, Chamber of Commerce, Phi Gamma Delta, Hays hall, Willis Sweet, Delta Tau Delta, Ag club, Tri-Delta, Lindley hall, Sigma Chi, Jaycees, and Phi Kappa Tau.

In division B, led by the queen (Cont. on page 7, col. 1)

## Freshman Coeds Parade In PJ's For Serpentine

Pajama-clad, Idaho's freshman coeds will serpentine through men's living groups tonight, starting at 6:45. Women participating in the parade will be divided into groups I and II. Group I will meet inside the north entrance of the Women's gym at 6:30. Group II will meet inside the south entrance at 6:30 also.

Women in the pajama parade should return to their living groups immediately upon conclusion of the serpentine, in order to join the rally procession with their own group. Freshmen women should plan to wear their pajamas to the rally.

Norm Green, yell leader, will lead Group I which includes coeds from Hays, Forney, Ridenbaugh, Gamma Phi Beta, and Kappa Alpha Theta. This group will wind its way through Pine hall, Campus club, Idaho club, Chrisman, Willis Sweet, Lindley, Delta Tau Delta, and Sigma Chi.

### Spurs Assist

Group II, led by yell leader, Jim Lagrone, will include freshmen women from Pi Beta Phi, Kappa Kappa Gamma, Delta Gamma, Alpha Chi, Alpha Phi, and Delta Delta Delta. Men's living groups to be toured by Group II include, Tau Kappa Epsilon, Sigma Alpha Epsilon, LDS, Delta Sigma Phi, Phi Kappa Tau, Alpha Tau Omega, Sigma Nu, Beta Theta Pi, Phi Delta Theta, Phi Gamma Delta, Delta Chi, and Kappa Sigma.

Spurs will assist the cheer leaders in guiding the serpentine, as the coeds wind their way about the campus. Following the pajama parade (Cont. on page 4, col. 4)

## Homecoming Schedule

**TODAY:**  
Pajama serpentine, meet at Women's gym, 6:30 p. m.  
Rally, McLean Field, 7:30 p. m.  
Alumni registration, Moscow hotel, Ad club, SUB, 6 p. m.-10 p. m.  
**SATURDAY:**  
Alumni registration, 8:30 a. m. until noon.  
Parade entries in respective positions by 9:30 a. m.  
Parade begins down Main street 10 a. m.  
Trail Bagpipers perform pre-game, Neale stadium, 1:45 p. m.  
Idaho-Oregon game, Neale stadium, 2 p. m.  
Queen crowned, float winners announced, half-time of game.  
Open house in all living groups immediately after game.  
Alumni buffet supper, Elks Temple and Ad club, 6 p. m.  
Homecoming dance 8:30 p. m. SUB ballroom.

## United Candidates Chosen Wednesday; Independents Announce Primary Slate

In the primary elections last Wednesday, the Greek final slate was chosen.

Senior candidates include Paul Araquistain, Phi Kappa Tau; John Ascuaga, Phi Delta Theta; Mary Clyde, Delta Gamma; and Jack Gregory, Alpha Tau Omega.

Those on the junior slate are Nick Speropolous, Phi Gamma Delta; Glen Christian, Tau Kappa Epsilon; Jane Clark, Gamma Phi Beta; and Helen Daniels, Alpha Chi Omega.

### Others Listed

Candidates for the sophomore class are Pat Duffy, Delta Tau Delta; John Bengsten, Beta Theta Pi; Eleanor Powell, Alpha Phi, and Connie Bater, Pi Beta Phi. John Bond, Sigma Nu; Curt Mattson, Delta Sigma Phi; Jane Perry, Kappa Alpha Theta; and Carla Brodd, Kappa Kappa Gamma, make up the freshman primary slate.

### Independents Choose

A complete list of the primary slate of the independent party has been announced. The final slate in the primary election will be next Wednesday.

Candidates running for freshman offices are Jim Richardson, Willis Sweet; Dave Anderson, Pine hall; Bobbie Hargis, Hays; Linda Archibald, Forney; Wanda Grey, Ridenbaugh; Choo Choo Justice, Campus club; Kay Albana, LDS; Clyde Murphy, Chrisman; and Dan Warfield, Lindley.

Sophomore candidates include Keith Stevens, Willis Sweet; Bob Allison, Pine hall; Lois Bush, Hays; Willa Schumann, Forney; Genette Bertrand, Ridenbaugh; Ken Collins, Campus club; Dale Daniels, LDS; Gordon Cook, Chrisman; Bob Kienble, Lindley. **Students Chosen**  
Those listed on the junior primary slate are Fred Cully, Willis Sweet; Mich Kaku, Pine hall; Martha Allison, Hays; June Carr, Forney; Lou Carlson, Ridenbaugh; Dave Beades, Campus club; Dan Lot, LDS; Jerry Haegle, Chrisman; Bill Chetwood, Lindley. Senior primary candidates are Glen Stringham, Willis Sweet; Ron Hill, Pine hall; Barbara Clauser, Hays; Janice Rankin, Forney; Louise Blenden, Ridenbaugh; Alonzo Fulton, Campus club; Lauray Fereday, LDS; Gordon Smith, Chrisman; and Evan Ellis, Lindley.

## Miss Homecoming 1950

Pretty, blue eyed Joan Rowberry, who hails from Payette, Idaho, and lives in the Kappa Kappa Gamma house on the campus, captured enough male votes in Wednesday's election to gain the title of "Miss Homecoming 1950" at the University of Idaho. Miss Rowberry is 21 years old, and a senior home economics major. She stands 5 feet 8½ inches and her favorite sport is swimming. The rest you can see for yourself.

## Idaho's Traditions-Activities Highlighted At Homecoming

### Moscow Welcomes Idaho Homecoming Businesses Closed

Downtown Moscow will officially hang out the welcome sign Saturday morning when the annual Homecoming parade marks the beginning of the weekend's activities. Moscow business places will close for the game.

Beginning at 10 a. m. Saturday, the parade will comprise floats sponsored by Moscow businessmen and campus living groups and honoraries. High school bands from Moscow, Lewiston, Coeur d'Alene, and Kellogg are also slated to appear.

At 6 p. m. Saturday, alumni will be guests at buffet dinners at the local Elks temple and Ad club. James Lyle, alumni secretary, is requesting alumni living in Moscow to bring their guests to the buffet suppers, and to dispense with private dinners and parties.

Alumni headquarters are to be set up in the university Student Union building at 6 p. m. today, with branch registration stations at the Ad club and the Hotel Moscow. Registration will continue Saturday morning from 8:30 to noon.

### Sidewalks Replace Old Stone Paths

New buildings call for new sidewalks, especially around the Administration building where traffic to and from classes is heavy. Plans for building walkways to service the new addition to the Ad building and the TC buildings are now under way, University Engineer George Gagon said.

Largest new walk will be directly behind the North wing of the Ad building, replacing the old flagstone path now in use. Eight feet wide, the new walk will extend from the existing walk on the north side of the building to the walk between the new addition and the north wing of the Ad building.

The paralleling walk which runs beside TCB-1 will be extended to connect with the existing walk on the north side of the Ad building. A connecting walk will be built between the two new sidewalks.

The third new walkway planned is to be along the north driveway to the Ad building parking lot. The walk will curve around on the east side of the drive, extending the existing walk on the west side of TCB-1. (Cont. on page 7, col. 4)

### Spirit Gained

The first elaborate plans on Homecoming Day were seen in 1925 when Homecoming really became a major function at the university. At this time houses and other campus buildings were decorated using a Homecoming theme, with awards going to the group with the most outstanding decoration. The spirit gained during the pre-game festivities was not enough, for Idaho suffered their

# Texas Western Scores Southwest Upset By Bouncing Idaho 43-33 In El Paso Ore Diggers Tally Early; Hold Lead In Race Horse Game

Texas Western Miners from El Paso turned loose a blast of land-air dynamite Saturday night before 10,000 fans as they scored an upset victory over the University of Idaho, 43 to 33.

In the opening minutes of what was called a major upset in Southwestern football channels, the Miners counted a safety after driving the length of the field, and moments later rammed across a touchdown to begin one of the highest scoring duels ever seen on the Mucker gridiron.

Those nine points represent the difference in the ball game as the two teams matched touchdowns the rest of the way in running up the 76 point total. The Vandals failed to get their ground game rolling until the second quarter, but once they started, Idaho drove 62 yards right through the middle. King Block crashed over from the four after nine minutes of the second quarter. Bud Riley converted and the score stood 9-7 at the halftime.

**Third Period Wide-Open**  
What looked like a bang-up defensive game turned into a wild spree in the third quarter. In the opening minutes, Paul Matejowski intercepted a Vandal pass on the Miner 25 and skipped over for the touchdown.

Immediately after the kickoff, the Vandal passing attack fell apart and they punted out on the Miner 40. On the first play Ralph Brewster fired a pass to Lee Cagle, and Cargile swept left end for the final 26 yards and the counter. Five minutes later the Vandals were forced to punt again and in four plays the Miners had a 29-7 lead.

**Then the Vandals cut loose.**  
Working again on the ground Idaho moved to their own 35 before Riley broke loose up the middle on a 42 yard jaunt.

On the next play, Max Glaves hit John Brogan with a pass on the Miner 14. In two plays Glen (Scooter) Christian, punched over. A recovered fumble at the end of the third period set up the next Idaho score, with half back Christian sweeping 28-yards on the first play of the fourth period. The score then stood 29-20.

The Miners took the kickoff in the end zone, and marched the entire distance of the field for their next counter. Bill McWilliams passed to Partridge from the one-foot line for the score.

**64-Yard March**  
The Vandals struck right back after the kickoff, marching 64 yards. Glaves passed to end Jerry Ogle for 12, then hit him again and Ogle lateraled to Block in a 36-yard razzle-dazzle that carried to the Texas Western 16. After Brogan gained a yard, Glaves again hit Ogle on the Miner two, and on three tries Block punched through the middle. Riley kicked to make it 36-27.

Sonny Holderman returned the kickoff to the 20, and a penalty pushed the Ore Diggers up to their own 35. McWilliams made two, then hit end Jack Wilkinson on the 44. A penalty made it first down on the Texas Western 48 but they were held and had to punt. On third down with the ball on the Idaho 22, Glaves tossed a pass which center Bud Roland gathered in on the 25 and returned to the 17.

**Christian Churns Again**  
On the second play Steele cut wide around end and when the cloud of churned turf cleared the score stood 43-27. With less than two minutes to go the Vandals refused to quit. Bob Mays took up the passing chores and hit Ogle to the Texas 41, a roughing penalty advanced them to first down on the Miner 21. On second try Dick Zyzak flipped to Christian on a screen play and the swivel hipper sliced all the way.

A bad pass from center spoiled the conversion and left the score as it stood, 43-33.  
Oddly enough, it was the passing attack of the Vandals, who are not rated a passing team, that proved the big feature of their assault. They completed 11 of 27 tosses for 200 yards. The Miners, who had indicated they planned a heavy aerial drive, tried only nine passes during the night, hitting five of them for 81 yards.  
The game was rough throughout, with a total of 17 penalties being assessed.

## Pass-Plucker

Billy (Moon) Mullins shines for Idaho as a combat-tested end.

"Oh? That's the roughest and hardest ah've ever been hit. Boy when those two longhorns sandwiched me after catching a pass, I didn't have nothing to hang on to but the ball." That's Billy (Moon) Mullins impression of the Texas Longhorns, the best gridiron team he has played against in ten years of football. You remember, that is the game that Idahoian's only count the first half.

If a fan were to follow the football days of Billy, he would have started in 1940 and still be going strong. The Vandal star end got his first crack at varsity football for Humestown high school of Memphis, Tennessee. That was back in 1940 when Bill was in the seventh grade. Tennessee high school rules allowed junior high boys to play varsity ball, so Moon went to work. The senior end weighs only 170 pounds, which is on the light side for college ball, but he makes up for the beef situation with his elbows. Mullins says, "They're the best defensive equipment a line player has."

Mullins has a bug for traveling, and has seen most of the United States since graduating from high school. The business major has no definite plans for the future, but he isn't forgetting the pigskin altogether.

**TENNIS STARTS**  
PGD and BTP completed play in the upper bracket of the first round in the intramural tennis tournament by posting 3-0 victories over LH and TKE last Friday. Joe and Stan Soderberg and Ken Giles raked up the Fiji conquests while Dick Merrill, Bill Taylor and Skip Pierce won for BTP.

# Tight Contest On Tap For Homecoming

**By PHIL JOHNSON**  
You couldn't find two teams on the Pacific Coast as evenly matched as are the University of Idaho and the Oregon Webfoots — especially when you look at their respective records in games won and lost to date. Each squad has an identical record — both having won one and lost two. An advantage however goes to the visiting Oregon squad which will invade the Idaho campus for the annual Homecoming contest this Saturday afternoon.

Last weekend the Ducks turned back a determined University of Montana squad at Hayward field in Eugene, 21-13. The Vandals, however, suffered their first setback of the season, one week earlier, when this same band of Grizzlies proved their worth in nosing out the Idahoians 28-27. Comparison of the two scores give the Webfoots the edge—even though the Vandals could have softened the Montana forward wall for Oregon.

**Not Since 1925**  
Determination on behalf of the Idaho squad could be the downfall of the Oregonians — and should this happen—it would be the Vandals' first win over the Ducks since 1925. It was in this year that Idaho triumphed Oregon 6-0. Since that time the Vandals have not come up with a victory—the closest being a scoreless tie in 1926.

Probably the most exciting game between the two schools in the long rivalry came in 1948. The day was October 9—another Homecoming at Idaho. Oregon—a team that had lost to mighty Michigan the week before 14-0—was heavily favored over the underdog University of Idaho squad. However, when the gun had sounded the end of the contest the scoreboard indicated that Oregon won the contest by the narrowest of margins 15-8. The Ducks went on from that game to tie for the conference championship with the University of California Bears—but were denied the privilege of playing in the Rose Bowl. Later—and with surprise—Oregon was invited by Southern Methodist to play in the Cotton Bowl at Dallas. The Mustangs captured a thriller 20-14 as they were lead by their All-America back Doak Walker.

**Number 36**  
Saturday's contest will be the 36th meeting between the two schools. Of the 35 games to date Oregon has won 29, Idaho 2, and four ended in ties. The worst defeat suffered by the Vandals came in last year's contest when the Ducks rolled at will in pounding out a convincing 41-0 win.

## FENCING

All men interested in competition or learning to fence will report to the Memorial gymnasium tower, room 400, TODAY at 4:00. In the event you are unable to attend, the team will work out every Tuesday and Thursday at 4 p.m.

# Intramural Teams Compete Oct. 27 In Cross-Country Go

Cross-country aspirants, grab your sneakers and start limbering up!

The 2nd annual intramural cross-country meet will be held Friday, October 27, between halves of the Idaho-Washington State frosh football contest. The run will consist of a 1 1/2 mile trek through the university arboretum. All intramural managers are requested to urge their men to compete, for each living group entering four men will automatically receive 50 points. Team scores will be based on 100 points with the winning squad receiving a full share. Officials for the meet will be Joe Allyson and Chuck Wyman.

Only two weeks remain for the harriers to roam the Palouse hills in preparation for the big meet.

# High Scores Posted By Vandal Opponents

The Vandals have found the going rough so far this season, and indications are that future games are going to be anything but easy. Last Saturday at Eugene, the hard driving Oregon Ducks dumped a powerful Montana eleven in the last quarter 20-14. Meanwhile neighboring Oregon State was absorbing a 21-0 defeat at the hands of the Stanford Indians.

Washington State blew a large lead in the fourth quarter but still managed to hold highly favored U.S.C. to a 20-20 tie. Wyoming showed no mercy as they wiped up the field with the Colorado Aggies with a 34-0 victory. Boston university bounced Duquesne, 21-7 and Arizona State, at Tempe ran wild over Arizona State, at Flagstaff, 63-0.

Wills Sweet No. 1, Lindley Hall No. 1 and the Fijis maintained their unblemished records, but the Campus Club teams No. 1 and No. 2 were dropped from the undefeated ranks after last night's contests.

Wills Sweet personally ruined CO No. 2, 31-0; Lindley Hall No. 1 dropped Pine Hall No. 3, 18-0; the Fijis blanked Delta Sigma Phi, 31-0; and Wills Sweet No. 1 topped Campus Club No. 1, 13-0. In the two other contests, Delta Chi defeated Sigma Chi, 24-7; and Pine Hall No. 1 trounced Idaho Club, 26-12.

# Freshmen Romp 25 To 13 Over Montana At Lake City

Four long touchdown plays, a strong forward wall, plus an unsurpassable desire to win, led the Idaho Vandal Babes to an opening game victory over a strong Montana frosh aggregation in a crowd-pleasing contest held Friday evening on Coeur d'Alene's Person Field. The final 25-13 score thus in measure helped to revenge the defeat handed their bigger brothers by the Montana varsity the week before.

In posting the win the Vandals exhibited to everyone tendencies of becoming a highly explosive outfit as they scored all four touchdowns from outside the 10-yard stripe.

Idaho started off the fireworks in the second quarter when signal caller Ted Katsenanes, a 152 pound mite, from Blackfoot, let go with a 61-yard pass play to halfback Ted McDade who went the distance. This proved to be the only score of the first half, and the Moscowites left the field leading 0-0.

**Montana Retaliates**  
Katsenanes' arm accounted also for the next Vandal tally as Walt Dell, speedy halfback from CDA, gathered in a toss for eleven yards and a 12-0 third quarter lead. Immediately after the second Idaho touchdown, Ted Heath, sharp Montana quarterback, took things into his own hands, and the Grizzlies drove all the way for their first score with Heath going over from two yards out on a quarterback sneak. The Cubs used two long gainers to take them to their second score. Heath hit Bob Hudson for a 25-yard advance, and immediately thereafter Logan took

a handoff from the T-formation, and he hit paydirt from 25 yards out, Montana's longest running play of the evening.

The Vandals were down but not out after Anderson sent the ball sailing through the uprights to give Montana a 13-12 lead. Heath, whose passes were clicking with amazing consistency, reared back and threw directly into the waiting arms of Idaho's Larry Morrison on the Vandal 18 yard stripe, and the red head sped 82 yards behind some great downfield blocking to make the score 18-13. Bud Fisher proceeded to convert, and it was a 19-13 ball game.

Dell proceeded to apply the clincher late in the ball game as he broke through the Grizzle defense for a 63 yard jaunt and the final 25-13 score.

**Several Star**  
Coach Art Smith of the Vandal frosh singled out several men for outstanding play. Offensively speaking fullback Bob Cruickshank, tackle Blaine Simpson, and

Then there is the moron who transferred from Idaho to WSC, raising the scholastic standards of both schools.

**AUTO THEATRE**

## Thousands Converge On Campus For 1950 Homecoming

Visitors to the University of Idaho campus, this weekend will include alumni, parents, and friends. People of nearly every walk of life, from near and far.

They come to see the 1950 Vandal football team meet the 1950 Oregon Duck gridgers. But even more than that they come to see the new crop of students, and the Homecoming celebration they will put on. They come to rewalk paths they once trod as students, and relive a little of the past.

We want the alums to feel that this is their Idaho as well as our Idaho. And if Idaho should down the Ducks from Oregon, which she hasn't done for 24 years, it will be their team, as well as our team, that won. We will all join together in celebration.

See "New Look"

When the visitors arrive, today and tomorrow, they will see, in addition to old familiar sights, a "new look" on the University of Idaho campus. More changes in terms of buildings, have occurred here in the last year than at any time since the beginning of the university. They are yours to look over. We want you to know that we appreciate them even more intensely than is your envy at not having them in "your day."

It is to the alumni, or "old grads" as they are sometimes called, that this weekend and this issue of the Argonaut, is dedicated. We, who will almost sooner than we think, become ourselves one of them, have worked the past few weeks to prepare entertainment for them. We hope they find this a real "Homecoming."

### Card Tricks

One of the special features of the Homecoming celebration will be the card tricks at halftime of the game. Every living group has agreed to send a certain proportion of its residents to fill a special section and perform the card tricks. With cooperation, the results should be interesting.

### Buchanan Presents Scholarship Cups

Annual awards will be presented at the award assembly in Memorial gym Tuesday, October 17.

Individual scholastic awards, scholarship cups, and various cash and special awards will be presented by President Buchanan. The Alumni Scholarship cup will be given to the men's group with highest scholastic rating and the Beulah Garrard Dale scholarship trophy to the women's group with highest grade point.

### Classes Shortened

The Vandaleers will make their initial home appearance of the season. A review of the general draft as it affects students will complete the program.

Morning classes will be shortened.

Student recruitment committee meeting, Exec. Board room, 7 p.m. SUB.

AIEE meeting, 7 p.m., room 221 of new EE lab.

Hell Divers meeting, 8 p.m., Memorial gym.

ASME meeting, 7:30 p.m., Engr. 104.

### Comedy Too

With Wyatt Howard's orchestra, who will play for the Homecoming dance in the new Student Union building tomorrow night, is "Tiny" Martin, shown here doing one of his several comic songs. Howard and his orchestra have appeared twice before in Vandaville and were very well received both times.

### Joan Rowberry Elected Miss Homecoming Of 1950

#### Get Mums Now

Mums ordered through campus living groups, will be delivered early tomorrow morning to the respective living groups.

Orders taken in the Ad building, Wednesday and Thursday, may be picked up in the Student Union, main lobby tomorrow morning.

Mums will be on sale from 6 to 10 p.m. and tomorrow morning, in the Student Union, Moscow hotel, and the Ad club.

#### Bookstore To Sell Vandaleer Records

Vandaleer recordings are now available at the student bookstore. With a beautiful cover drawn by Alfred Dunn of the art department, these custom made RCA Victor recordings were made by Carl Peterson, radio center head. The albums, containing three long-playing records, are on sale for \$4.00.

#### Kick-Off Dance Held Tuesday Eve; Terrific Success

Approximately 836 people attended the big Kick-Off dance Tuesday night in the Student Union Ballroom to start Homecoming week. Music was presented by the Esquires Trio, and provided smooth dancing rhythm for a large part of the student body.

Late permission for the freshmen women accounted for so many women who otherwise would have been slaving over a hot study table.

#### Finalists Introduced

In past years the Kick-Off dance has been held in the afternoon. The evening dancing this year may have started a new precedent for this traditional Homecoming affair, as well as the late permission for freshmen coeds.

The ballroom was decorated with original and clever caricatures, depicting Idaho's overthrow of the Oregon Ducks.

Queen finalists were introduced during intermission by Glen Stringham.

Joan Rowberry will take her place among Idaho's royal family when she is crowned queen of the 1950 Homecoming tomorrow. Governor C. A. Robins will introduce and crown Miss Rowberry during half-time activities. Eleanor Powell, Rev. Benson, Clarice Goulder, and Bonese Collins will reign as princesses.

This auburn-haired beauty from Payette is a senior majoring in home economics. She has been active in campus affairs during her career, as an Idaho coed. She is now president of Kappa Kappa Gamma.

Two trophies will be presented to the queen during intermission of the Homecoming dance tomorrow evening. One trophy will be for Miss Rowberry to keep as her own, and the other is a traveling trophy awarded by the Idaho Alumni association to the queen's living group to keep for a year.

#### Wyatt Howard Plays

Dancing to music by Wyatt Howard and his orchestra is slated to begin at 8:30 tomorrow night in the SUB ballroom. This dance band is currently starring at the Seattle Town & Country club. Tickets are on sale at \$3 apiece.

Sally King, deep-voiced vocalist, and Don Anderson, former trumpeter with Spike Jones, are new additions to Howard's group. (Cont. on Page 7, Col. 3)

### Saturday's Parade Offers 60 Entries Led By Governor

More than 60 entries are scheduled to appear in the 1950 Homecoming parade tomorrow at 10 a. m. Scottish bagpipers from Trail, B. C., with authentic kilts and pipes will highlight this parade. Five bands and nine downtown entries are also in the line-up.

Each entry has been notified about its division and placement. All entries must be in the proper position not later than 9:30 tomorrow morning.

Division A, led by the American Legion color guard, will line from Main down West A to South Jackson, and then line along the south side of South Jackson.

#### Parade Will Line

Division B, led by the Homecoming queen float, will line from West A to South Almon, and then down South Almon.

Division C will line from the intersection of West A and North Almon to the north, and be ready to follow division B into the main formation. Leon Weeks, alumni president, and Vern Bahr, ASUI president, will lead this division.

Division D will line from the intersection of West A and Almon down West A to Ashbury and down South Ashbury to the south.

Governor C. A. Robins will lead the parade in the first car of Division A. Others in this division are Idaho's band, Army ROTC, Navy ROTC, Air Force ROTC, Chamber of Commerce, Phi Gamma Delta, Hays hall, Willis Sweet, Delta Tau Delta, Ag club, Tri-Delta, Lindley hall, Sigma Chi, Jaycees, and Phi Kappa Tau.

In division B, led by the queen (Cont. on page 7, col. 1)

### Freshman Coeds Parade In PJ's For Serpentine

Pajama-clad, Idaho's freshman coeds will serpentine through men's living groups tonight starting at 6:45. Women participating in the parade will be divided into groups I and II. Group I will meet inside the north entrance of the Women's gym at 6:30. Group II will meet inside the south entrance at 6:30 also.

Women in the pajama parade should return to their living groups immediately upon conclusion of the serpentine, in order to join the rally procession with their own group. Freshmen women should plan to wear their pajamas to the rally.

Norm Green, yell leader, will lead Group I which includes coeds from Hays, Forney, Ridenbaugh, Gamma Phi Beta, and Kappa Alpha Theta. This group will wind its way through Pine hall, Campus club, Idaho club, Chrisman, Willis Sweet, Lindley, Delta Tau Delta, and Sigma Chi.

#### Spurs Assist

Group II, led by yell leader, Jim Lagrone, will include freshmen women from Pi Beta Phi, Kappa Kappa Gamma, Delta Gamma, Alpha Chi, Alpha Phi, and Delta Delta Delta. Men's living groups to be toured by Group II include, Tau Kappa Epsilon, Sigma Alpha Epsilon, LDS, Delta Sigma Phi, Phi Kappa Tau, Alpha Tau Omega, Sigma Nu, Beta Theta Pi, Phi Delta Theta, Phi Gamma Delta, Delta Chi, and Kappa Sigma.

Spurs will assist the cheer leaders in guiding the serpentine, as the coeds wind their way about the campus. Following the pajama parade (Cont. on Page 4, col. 4)

### Homecoming Schedule

#### TODAY:

Pajama serpentine, meet at Women's gym, 6:30 p. m.  
Rally, McLean Field, 7:30 p. m.  
Alumni registration, Moscow hotel, Ad club, SUB, 6 p. m.-10 p. m.

#### SATURDAY:

Alumni registration, 8:30 a. m. until noon.  
Parade entries in respective positions by 9:30 a. m.  
Parade begins down Main street 10 a. m.  
Trail Bagpipers perform pre-game, Neale stadium, 1:45 p. m.  
Idaho-Oregon game, Neale stadium, 2 p. m.  
Queen crowned, float winners announced, half-time of game.  
Open house in all living groups immediately after game.  
Alumni buffet supper, Elks Temple and Ad club, 6 p. m.  
Homecoming dance 8:30 p. m. SUB ballroom.

## United Candidates Chosen Wednesday; Independents Announce Primary Slate

In the primary elections last Wednesday, the Greek final slate was chosen.

Senior candidates include Paul Araquistain, Phi Kappa Tau; John Ascuaga, Phi Delta Theta; Mary Clyde, Delta Gamma; and Jack Gregory, Alpha Tau Omega.

Those on the junior slate are Nick Speropolous, Phi Gamma Delta; Glen Christian, Tau Kappa Epsilon; Jane Clark, Gamma Phi Beta; and Helen Daniels, Alpha Chi Omega.

#### Others Listed

Candidates for the sophomore class are Pat Duffy, Delta Tau Delta; John Bengsten, Beta Theta Pi; Eleanor Powell, Alpha Phi; and Connie Bater, Pi Beta Phi.

John Bond, Sigma Nu; Curt Mattson, Delta Sigma Phi; Jane Perry, Kappa Alpha Theta; and Carla Brodd, Kappa Kappa Gamma, make up the freshman pri-

#### Independents Choose

A complete list of the primary slate of the Independent party has been announced. The final slate in the primary election will be next Wednesday.

Candidates running for freshman offices are Jim Richardson, Willis Sweet; Dave Anderson, Pine hall; Bobbie Hargis, Hays; Linda Archibald, Forney; Wanda Grey, Ridenbaugh; Choo Choo Justice, Campus club; Kay Albana, LDS; Clyde Murphy, Chrisman; and Dan Warfield, Lindley.

Sophomore candidates include Keith Stevens, Willis Sweet; Bob Allison, Pine hall; Lois Bush,

Hays; Willa Schumann, Forney; Genette Bertrand, Ridenbaugh; Ken Collins, Campus club; Dale Daniels, LDS; Gordon Cook, Chrisman; Bob Kienble, Lindley.

Those listed on the junior primary slate are Fred Cully, Willis Sweet; Mich Kaku, Pine hall; Martha Allison, Hays; June Carr, Forney; Lou Carlson, Ridenbaugh; Dave Beadles, Campus club; Dan Lot, LDS; Jerry Haegle, Chrisman; Bill Chetwood, Lindley.

Senior primary candidates are Glen Stringham, Willis Sweet; Ron Hill, Pine hall; Barbara Clauser, Hays; Janice Rankin, Forney; Louise Blenden, Ridenbaugh; Alonzo Fulton, Campus club; Lauray Fereday, LDS; Gordon Smith, Chrisman; and Evan Ellis, Lindley.

### Miss Homecoming 1950

Pretty, blue eyed Joan Rowberry, who hails from Payette, Idaho; and lives in the Kappa Kappa Gamma house on the campus, captured enough male votes in Wednesday's election to gain the title of "Miss Homecoming 1950" at the University of Idaho. Miss Rowberry is 21 years old, and a senior home economics major. She stands 5 feet 8 1/2 inches and her favorite sport is swimming. The rest you can see for yourself.

## Idaho's Traditions-Activities Highlighted At Homecoming

### Moscow Welcomes Idaho Homecoming Businesses Closed

Downtown Moscow will officially hang out the welcome sign Saturday morning when the annual Homecoming parade marks the beginning of the weekend's activities. Moscow business places will close for the game.

Beginning at 10 a. m. Saturday, the parade will comprise floats sponsored by Moscow businesses and campus living groups and honoraries. High school bands from Moscow, Lewiston, Coeur d'Alene, and Kellogg are also slated to appear.

At 6 p. m. Saturday, alumni will be guests at buffet dinners at the local Elks temple and Ad club. James Lyle, alumni secretary, is requesting alumni living in Moscow to bring their guests to the buffet suppers, and to dispense with private dinners and parties.

Alumni headquarters are to be set up in the university Student Union building at 6 p. m. today, with branch registration stations at the Ad club and the Hotel Moscow. Registration will continue Saturday morning from 8:30 to noon.

#### By Sheila Janssen

Homecoming at the University of Idaho got its first start in the year 1921 and since that time it has grown to become the highlight of campus activities. Many of the Homecoming traditions which have come down through the years have remained unchanged.

On the first Homecoming Day in 1921 WSC defeated the Vandals by a score of 20 to 3. The next three years also saw Homecoming activities centered around the WSC-Idaho football tussle. Traditions including a serpentine of women through the men's living groups, a pajama parade through the town and campus, rally and bonfire had originally been a part of the annual battle with WSC. However, these activities were gradually taken over by Homecoming in the early 1920's.

#### Spirit Gained

The first elaborate plans on Homecoming Day were seen in 1925 when Homecoming really became a major function at the university. At this time houses and other campus buildings were decorated using a Homecoming theme, with awards going to the group with the most outstanding decoration. The spirit gained during the pre-game festivities was not enough, for Idaho suffered their

(Cont. on Page 7, Col. 4)

### Sidewalks Replace Old Stone Paths

New buildings call for new sidewalks, especially around the Administration building where traffic to and from classes is heavy. Plans for building walkways to service the new addition to the Ad building and the TC buildings are now under way, University Engineer George Gagon said.

Largest new walk will be directly behind the North wing of the Ad building, replacing the old flagstone path now in use. Eight feet wide, the new walk will extend from the existing walk on the north side of the building to the walk between the new addition and the north wing of the Ad building.

The paralleling walk which runs beside TCB-1 will be extended to connect with the existing walk on the north side of the Ad building. A connecting walk will be built between the two new sidewalks.

The third new walkway planned is to be along the north driveway to the Ad building parking lot. The walk will curve around on the east side of the drive, extending the existing walk on the west side of TCB-1.

# The Idaho Argonaut

Official publication of the Associated Students of the University of Idaho, issued every Tuesday and Friday of the college year. Entered as second class matter at the post office at Moscow, Idaho, on August 1, 1925. Office in the Student Union Building—Phone 2148

## The Good Old Days

It's hard to tell how many reams of copy have been written on the wondrous tradition of a college homecoming, but at the risk of being a bit trite we would like to add a few words on the subject.

Homecoming to the student probably means a chance to be "rah-rah" without being conspicuous. To the alum it means a chance to catch a fleeting moment of those wonderful days gone by.

From this we might draw a conclusion that homecoming offers a chance to let off steam. Even if it serves no other purpose than that, it seems to be a darn good custom, for in days like these a chance to relax is a welcome thing.

We suggest that many alums have mostly forgotten the glories of old Poquon U., and they probably don't give much of a darn what is going on behind those ivied walls. Instead he uses his homecoming as an excuse to get out of town for a couple of days, meet some of the old gang, and to observe that the youth of today is a lot wilder than he and his pals used to be.

On the other side of the fence, the student likes homecoming because there is a parade to watch, a dance to go to, a football game to shout about, and it confirms their suspicion that the alums must have been a wild bunch in their day.

That's the way it looks to us. If we are wrong please forgive us, and blow your top at the game tomorrow.

To the alums, whom we kidded above, we say welcome back and have yourselves a good time.

And to the students, whom we don't care whether we kid or not, let's make this year's homecoming a big thing that we will remember long after we graduate. O.H.

## Vandal Celebration

Tomorrow's the big day. We are all behind in our studies. Who cares? We have to be ready for Homecoming. Trucks converted into boats, landscapes, and any number of wonderful things. Front doors decorated in a fantasia of color. What for? Surely not to welcome the Duck to our wonderful home.

No, all this is for our alums and guests. Those who have worked with us now to keep the University of Idaho on top. The campus can be a dead place any time of the year, except for this one week. It doesn't matter who our opponents of the day are. Last year WSC thought to serve as such; this year it's Oregon. But there couldn't be any more activity shown on campus if Notre Dame or Army were playing.

Complete cooperation among group members, as seen so far, is to be highly commended.

Rain (which is something new here) won't even stop the magnificent parade. Nothing can halt such well-made and carried out plans. Only one request is asked. The judges will pick a winner, and we hope it is the right one. No hard feelings, please. T.M.

## Old Bucket Gone Forever; Hurrah For Nickel Coffee

By Noodnick  
Noodnick had quite a time the other day watching the campus chicks come and go in the Student Union cafeteria. "Some change," he murmured to himself. "The days of the old Bucket are gone forever." "Thank God," we yelled as we overheard him.

The old Bucket had its sentimental appeal (well, at least it had some kind of appeal), and we all liked the joint in our own simple way. But we claim that any sentiment for the old place is nothing but rationalization because we had nothing better.

Suffer No Longer

Now, instead of exhaling sharply and trying to squeeze in for a cup of java, we can saunter in boldly without fear of mashing someone in the operation. It's very seldom now that one runs into a long line at the java bucket.

Remember the days when you had to stand up to drink coffee (or anything else you were lucky enough to get)? That, praise be, is another ordeal that we don't have to suffer through any more. There is always a place to sit for a leisure moment without someone breathing down your neck and making snide remarks to try and make you be on your way.

Whisper Prayer  
Another thing that we would like to praise the new Bucket for is that wonderful nickle cup of coffee. That is an act of kindness that we shall not forget come hell or high prices.

In closing we would like to whisper a little prayer. "Dear God, bless the people who brought us the new student union. Help us not to forget how lucky we are to have this new building, and if we ever cuss it help us remember what the old place was like. And most of all, dear God, help us keep that nickle cup of coffee."

And that dear people is, we hope, enough said on a very ticklish matter.

It will be found that he who is most charitable in his judgment is generally the least unjust.

—Southey

## Trophy Winners

These junior dairy producers from the University of Idaho won a travelling trophy among other things at the Pacific International Livestock Exposition at Portland last week. Left to right are, seated, Wallace Taylor, Floyd Gephart, Frank Gillette; standing, Dr. Harold Harvey, Bill Choules.

## Eat, Drink, and Be Merry, But Take Your Penicillin

Do your eyes water? Do you keep your head buried in mountains of kleenex? Do you feel yourself coming down with what is commonly known as a cold? The infirmary has news for you.

Many students spend a great deal of money on pills, nose drops and other such medical "cure-alls." According to the American Medical Journal of September 23 in an article, "Problems of the Common Cold," there is no solid evidence that the true cold is influenced by antihistamines or antibiotics, nor is there any reliable method of prevention. Penicillin is of unusual benefit however, in taking care of secondary infections such as chest infections or sinus.

The infirmary's key to good health consists of merely good health habits. Students should take care in choosing clothing for the changing temperatures, and keep in the habit of eating meals regularly.

If this negligence continues, it is reported that some prices now in effect will have to go up, and others can not take their anticipated drop.

Students must bear the cost of this—no one else.

## Writer's Contest Open To Students

Prizes of \$500, \$300 and \$200 will be awarded to the winner of the fifth annual college writer's short story contest sponsored by Tomorrow Magazine. The contest is open to anyone taking at least one course in any college or university in the United States.

Stories of notable merit will be published in the spring and summer of 1951. All usable stories other than the prize-winning manuscripts will be considered for publication as regular contributions and paid for at Tomorrow's regular rates. Manuscripts may not exceed 5000 words.

Address Entries  
Entries should be addressed to College Contest, Tomorrow Magazine, 11 East 44th Street, New York, N. Y. The contest closes midnight, January 15, 1951. Each entry must be accompanied by the student's name, home address and the name and home address of the college he is attending.

## Forney Betrothal Announced Suday

Sunday dinner at Forney hall was the setting for Elaine Cope, daughter of Mr. and Mrs. Clayton Cope, Eagle, to announce her engagement to Bill Mayer, son of Mrs. Winter Offutt, Overton, Nev. Miniature legal documents revealed the announcement to everyone present. Fall flowers formed the centerpiece.

Guests for the event were June Sohalgau, Don Walcott, Mr. and Mrs. Ozzie Kanikkeberg, Maralee McReynolds, and Najda Whybark. Miss Cope is a junior, majoring in home economics and a member of Phi Upsilon Omicron. Mayer graduated in business last June, and is now a freshman in law. He is affiliated with Phi Gamma Delta. Wedding plans are indefinite.

## IRC Holds Meet To Discuss Tours

Summer study tours sponsored by the Carnegie Endowment fund were discussed at a meeting of the International Relations club last night.

France, Switzerland, and England are among the nations scheduled to be visited in these tours. Approximate cost of the summer tours is \$650. Any students interested may contact Sherman Black, president of IRC.

## Student Committee Forms SUB Rules

The newly formed Student Union committee performed its first official function this week by establishing three rules for the new structure.

These are as follows:

1. No smoking will be allowed in any of the three ballrooms while a dance is in progress. (The dance floor is susceptible to burns.)
2. No smoking will be allowed in the Borah room while films are being shown.
3. Soft drinks and foods will be limited to the places provided for them—the Blue Bucket (cafeteria), the Dipper, and the banquet rooms.

Next week the committee will make a decision as to hours, booking policy for rooms, and other policies concerning students.

## CHALLENGE

To settle the question: "Are the Chemical Engineers as adept at dribbling a football as they are at the art (?) of tracking on the basketball court?"

The Electrical Engineers are eager to find out. So We of the AIEE challenge the Chem. E's to a game of touch football at their earliest convenience. Failure to schedule an engagement with the next week (weather permitting) will be notice of their defeat.

## Annual Statistics

Accident report for the month of September, 1950, recently released by University traffic and safety committee shows the following statistics: Accidents during September, 1950—7; accidents during September, 1949—7; accidents during year since July 1—21; and accidents during the same period last year—16.

## Grievs And Trials From Knowing The Queen

By GLEN STRINGHAM.

Did you ever know a secret that everyone else wanted to know? One for which someone would almost cut your throat if they thought it would do any good? You don't know what you are missing.

Being one of the favored few who knew who the Homecoming queen is, has been rather strenuous, but fun. I have been threatened, coerced, promised, and bribed more in the past 24 hours than anyone could logically expect in a whole lifetime.

I like it! None of my erstwhile friends will speak to me, girls whom I have never seen before, have propositioned me, and I have had to talk even faster than usual, that is pretty fast.

Taking the queen's picture was almost as complicated as a spy plot in a 25c thriller. Meetings in back alleys, rendezvous in mysterious houses on the other side of town. I even had to blackmail the queen to make sure she wouldn't talk with threats of putting the same picture in of her that was in the Arg. last Tuesday. Really quite a day.

## Infirmary

Students admitted to the Infirmary this week include: Margaret Alley, Douglas Burton, Lilian Garner, Marlene Monroe, Rita Bahm, Harry Brizee, David Kohr, John Cummins, Richard Nelson.

Discharged were Donald Prisky, Jack Eggers, James Lynn, Donald Leonard, Arden Johnson, Michael Hemovich and Marilyn McIlhargey.

## CLASSIFIED

An overcoat with a set of car keys in the pocket was lost at the Alpha Phi house during the Nickel Hop last Friday night. Earl W. Loran, 205 Chrisman hall, wishes to exchange the one that was left there, for his own.

## McKee Appointed To Executive Board

Jerry McKee was appointed to Executive Board, recently, to fill the place of Sonnich Sonnichsen, who was unable to return this year.

McKee, a resident of Willis Sweet hall, has been active in campus organizations during the past two years. Appointed this year as assistant editor of the Gem, McKee has also contributed his services to other publications. Argonaut, Blot, as well as numerous drama productions, figured among his activities.

# Homecoming Preparations Involve Students In Many Ways

**HOMECOMING COMMITTEE**—This is the group which is responsible for this weekend's festivities. Seated in the lounge of the new Student Union building, the committee heads of the Homecoming committee are, left to right: Norm Green Paul Araquistain, Gary Sessions, Clarence Johnson, Cleon Kunz, Ann Kettenbach, June Carr, Virginia Orazem, Betty Thompson, Betty Bonnett, Keith Judd, and Chairman Donna Jean Broyles. Not pictured are Glenn Stringham, Brian Laurence, and Mary Clyde.

**ESQUARE TRIO**—These three happy gentlemen with their trumpet, bass, and piano gave out with sweet music Tuesday night at the annual Kickoff dance which started Homecoming festivities. Clarence Johnson was chairman of the event.

**HOMECOMING TROPHIES**—Pictured with the many loving cups displayed in the Washington Water Power window downtown is Bill Chetwood, Homecoming committee member in charge of downtown display. The winners of these trophies will be announced at half-time of the big game tomorrow.

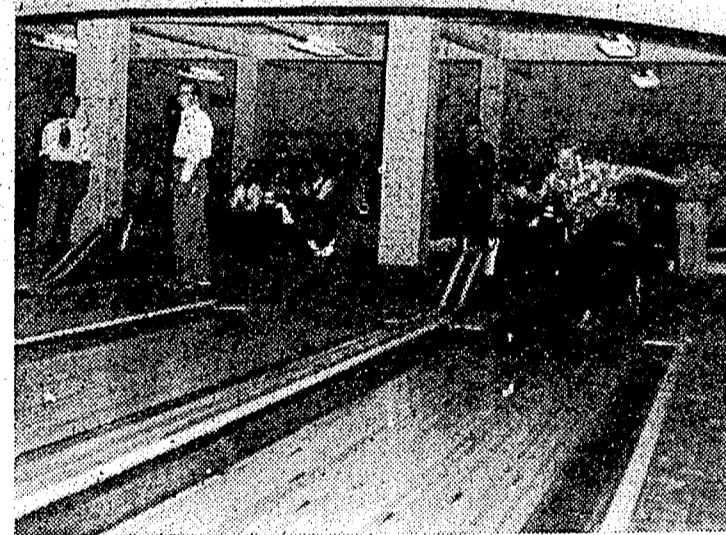

**QUEEN FINALISTS**—Five lovely ladies of whom one was chosen to reign, with the other four as her princesses. Seated left to right: Miss Homecoming of 1950 Joan Rowberry, Clarice Goulder, Bonese Collins, Beverly Benson, and Eleanor Powell. They will appear at the game tomorrow.

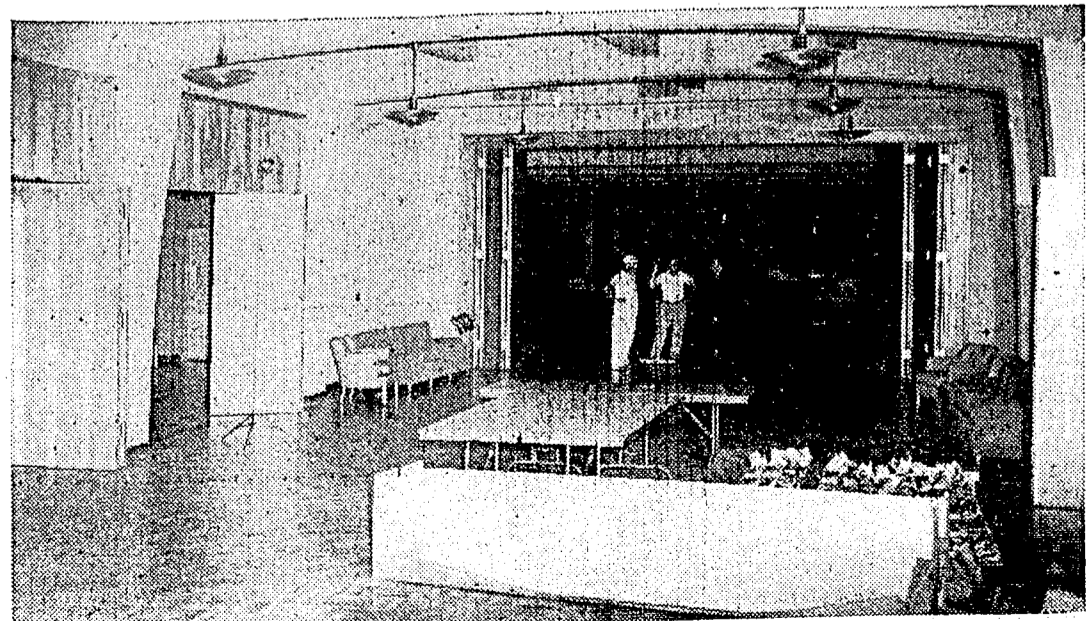

**CAR-PAINTING**—One of the Homecoming publicity chairman's jobs was to decorate campus vehicles with signs advertising Homecoming. Shown are Glenn Stringham, the painter, and Virginia Smith, Robin Faissant, Janice and Ann Morgan.

**SUB CAFETERIA**—Hungry guests at Homecoming will probably want to grab a bite to eat and there isn't a newer or better place than the new SUB cafeteria pictured above.

**BOWLING ALLEY**—These modern equipped bowling alleys will undoubtedly give campus visitors a chance to "stretch their legs" and try their luck with the ten pins.

**LARGE BALLROOM**—Visitors who attend the dance tomorrow night will enjoy this large ballroom while they dance to the music of Wyatt Howard and his orchestra. Tickets will be sold at the door for \$3.00 a couple.

**TEAM IN ACTION**—The Vandal grid machine, with a 1 win, 2 loss record, has been in every one of their games up to and including the final seconds. They should be in tomorrow's game with Oregon and if things are right at Vandalville, they may beat the Ducks.

# Woes Of The Newspaper World

Everyone picks on us, nobody loves us, and they all need us. So, members of this honorable profession have written about their trials and tribulations. Some of these are reprinted below:

### The Mission of the Press

By Wayne Rea

The press has a mission, and what is it, pray?  
The clergyman claims 'tis to preach,  
'Tis to sway voters, the ward heelers say,  
And the pedagogue thinks 'tis to teach.

The women declare 'tis to publish the styles,  
The card parties, socials and hops,  
While the man on the street just quietly smiles,  
As he scans the sport-pages and stops.

The broker wants figures in his reading stuff,  
The farmer wants prices of hogs,  
And some think that crime news is reading enough,  
Then wait that we've gone to the dogs.

The kids want the "funnies" and then they are through,  
Unless there's a column of jokes,  
But some of their elders like comic strips, too,  
And police news reads great to the soaks.

There are some folks who revel in carnage and death;  
They want their stuff gruesome, with gore;  
They like to read "yellows" that fair take their breath—  
If there's none in the paper they're sore.

Some like it heavy, but most like it light;  
They don't like deep delving in thought,  
They want it served clearly, tersely and bright,  
So they won't have to think as they ought.

The press has a mission, or rather a job—  
'Tis to humor each hobby or whim,  
With news of variety, hot for the mob—  
The same that cried "Crucify Him!"

—Reprinted from "Quill"

## Weep No More

Dear Dr. B. S.

I need your help. I went with the cutest little snake in the world for four years during high school. Now that she is up here she won't even speak to me. Do you think that I have halitosis?  
Sincerely,  
Worried.

Dear Worried,

You definitely do not have halitosis. The fact that your former girl will not speak to you is a natural phenomenon proving only that as your girl gets older she is getting better taste. Forget her. She is not worth your time and besides, I took her out last night and she is a divine dancer.  
Reassuringly yours,  
Dr. B. S.

Dear Dr. B. S.

My girl gave my pin back last night. That fact alone did not worry me, except for the fact that I am a Sigma Sigma and the one I got back is a Delta pin. What shall I do?  
Sincerely,  
Cheated.

Dear Cheated,

Contact Mr. Propstra of the Bal-four Company in Pullman, Wash. He is often glad to straighten out problems such as yours.  
Perhaps she still wants to go steady with you and merely made a mistake of identity and gave the right pin back to the wrong guy last night. Was it dark?  
Dr. B. S.

## Former Idaho Star On Cover Of Life

The helmeted marine on the cover of Life magazine for September 4 has been identified as Lt. Col. Harold Roise, former Idaho football star. Roise, on duty in the Korean theatre, was wounded September 24 according to word received by relatives.  
When Gale Mix was coach of the Moscow high, championship football and basketball teams in the early 1930's Harold Roise was one of his outstanding players. At the university Roise was a triple-threat man, honorary captain in 1938 and mentioned for All-American ratings. In addition he was a member of Blue Key and a noted scholar.

After his graduation from the university, Roise attended the naval academy at Annapolis. His wife and three children reside in Phoenix, Arizona. Lt. Col. Roise's mother, Mrs. Dorthea Roise, resides at 322 East 8th street in Moscow.

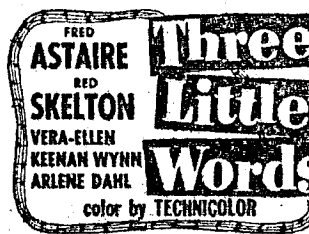

## Uncle Sam Calls 35 Male Students

It looks like Uncle Sam has really caught up with the University of Idaho. A group of 35 men—most of them university students—left Moscow yesterday morning at 5:30 to report at Spokane for preinduction physical examinations.  
All 35 are registered with other draft boards, but arrangements for their physical examinations were handled. Mrs. Leone S. Helmsworth, local draft board clerk, said reports on the examinations will be forwarded to their respective draft boards.

## Social Science Fraternity Installed

An Idaho chapter of Phi Gamma Nu fraternity, with Alfred Prince as president, was installed at a banquet in the new Student Union building Wednesday evening. Among those present were, left to right, inside table—Mrs. Moore, Dr. Moore, Ami Kurachi, James Hennessey, Marge Kinney, and Kent Lake; outside table—Mrs. T. S. Kerr, Dean T. S. Kerr, Alfred Prince, Edith Stouch, Mrs. Boyd Martin, Professor Sheldrup, Dr. Church, Mrs. C. J. Brosnan, Dr. C. J. Brosnan, and Shirley Longe-teleg. Not shown were Bob Strom, James Tate, Dr. Boyd Martin, Mary Louise Will, Mrs. Everett Will, Mrs. Maude Huston, and Mrs. Sheldrup.

## Here's More About— Freshman Coed

Ade, a rally is planned at MacLean field, scheduled to begin at 7:30 p.m.

The rally truck, with Ron Huffer, cheer leader, and the University pep band, will leave Pine hall at 7:30, following the same route as in previous rallies. Students will be picked up by the rally procession at each living group. Points for rally participation will be based on the number of students out for the rally when the truck goes by the respective living groups. Each living group is asked to prepare at least one or more banners, and to bring torches. Points will also be given for rally participation in this respect.

### Welcome Alums

Upon arriving at MacLean field, students will assemble in the grandstand. Idaho yell leaders will first lead the students in an Idaho yell; following this, and as-

sisted by the pep band, they will lead a band yell.

James Lyle, alumni secretary, will then address the rally to welcome alums to the 1950 Homecoming. Next on the rally program are selections by the University pep band. Jim Aiken, Oregon's football coach, will be introduced to Idaho students, and following his talk, yell leaders have planned an Oregon yell.

Continuing the rally program will be Dixie Howell, Vandal coach, who will speak to the rally assembly. Students will answer Howell's talk with an Idaho-whisper-talk-shout yell.

### Introduce Queen

Concluding the Homecoming Queen contest held on the campus during the last few weeks, is the official introduction of Idaho's 1950 Homecoming Queen at the rally. After the Queen's appearance, the yell leaders will lead the Vandal Locomotive.

Climaxing the program for the rally, there is planned a brilliant array of fireworks. Intricate dis-

plays, as well as many colors and types of rockets will be viewed.

Seats in the card section for tomorrow's game, should all be filled by 1:30 p.m. according to Norm Green, yell leader. All living groups have been notified which section and seat numbers, their respective members are to fill. If there is a blank space in any portion of the card section, the house responsible for filling it, will lose its points toward the over-all participation trophy.

## Evergreen Makes Publication Change

Next Tuesday will see the Washington State Evergreen, student news publication of Washington State college, step to a four-times-a-week paper.

The change from the existing tri-weekly schedule will find the newspaper henceforth moving to publications Tuesday through Friday consecutively.

Editor Charlotte Friel reports that the Evergreen will continue as a morning newspaper.

## Exchange Schedule Listed For Wednesday Tete A Tetes

Seventeen exchanges are scheduled for the remainder of school year. These weekly Wednesday night affairs will extend this year through April 4, 1951. Men's and women's living group exchange schedule follows: If schedule isn't complete, later issues of the Argonaut will complete it.

October 18: Lambda Chi Alpha, Alpha Chi Omega; Phi Delta Theta, Alpha Phi; Phi Gamma Delta, Delta Delta Delta; Phi Kappa Tau, Delta Gamma; Sigma Alpha Epsilon, Forney hall; Sigma Chi, Gamma Phi Beta; Sigma Nu, Hays hall; Tau Kappa Epsilon, Kappa Alpha Theta; Tau Mem Aleph, Kappa Kappa Gamma; Willis Sweet hall, Pi Beta Phi; Pine hall (2), Ridenbaugh hall.

October 25: Alpha Tau Omega, Pi Beta Phi; Beta Theta Pi, Delta Gamma; Campus club, Alpha Chi Omega; Chrisman hall, Alpha Phi; Delta Chi, Delta Delta Delta; Delta Sigma Phi, Ridenbaugh hall; Delta Tau Delta, Forney hall; Idaho club, Gamma Phi Beta; appa Sigma, Hays hall; LDS Institute, Kappa Alpha Theta; Sigma Alpha Epsilon, Kappa Kappa Gamma.

November 1: Phi Delta Theta, Alpha Chi Omega; Phi Gamma Delta, Alpha Phi; Phi Kappa Tau, Delta Delta Delta; Sigma Alpha Epsilon, Delta Gamma; Sigma Chi, Forney hall; Sigma Nu, Gamma Phi Beta; Tau Kappa Epsilon, Hays hall; Tau Mem Aleph, Kappa Alpha Theta; Willis Sweet hall, Kappa Kappa Gamma; Pine hall (2), Pi Beta Phi; Lindley hall, Ridenbaugh.

## Horticulture Class Plans Coming Trips

Horticulture department will begin their field trips this year with the class in tree fruit production going to Wenatchee, Wash., on October 20 and 21.

While there they will observe harvesting and packing operations in the commercial apple district. The class will visit the Wenatchee tree fruit station and the field laboratory of the United States Department of Agriculture. This department is also conducting experiments in fruit production and handling problems.

The charities that soothe, and heal, and bless, lie scattered at the feet of men like flowers.

—Wordsworth

**He's a Campus A-man**

The "A" stands for "Activities"—and he's in a lot of them. Plays first-string basketball. Represents his class on the student council. Writes for the school paper.

When it comes to campus doings, his major is Service.

Telephone people are like that, too: They believe in giving good telephone service—courteous, friendly, helpful service. And because they believe it so strongly, their spirit of service shows up in community affairs.

That's why you'll find telephone men and women working on charity drives, joining service clubs, leading Scout troops.

Both at work and at home, telephone people try to help out wherever there is a need—and enjoy doing it.

### ASUI Organizational Chart

### Airforce Team Accepts Students Prior Physicals

Several applicants have been accepted by the Air Force interview team at the student union for officer training pending successful completion of a physical examination.

The team composed of Lt. Bill Mauldin and Lt. Loyd Hightower, will leave for Pullman tomorrow after three days on the campus.

Students who meet the qualifications will begin training after completion of their college course.

**Students Accepted**  
Five Idaho students had been accepted by Thursday afternoon by the visiting officers. Those qualifying were Fred H. Boyle, Robert W. Jones, Allan G. Cranston, Forrest H. Burselson, and James T. Moore.

All were accepted for aviation cadet pilot training except Cranston who qualified for officer candidate school.

Those accepted by the officer team will take physical examinations at Spokane before they enter training.

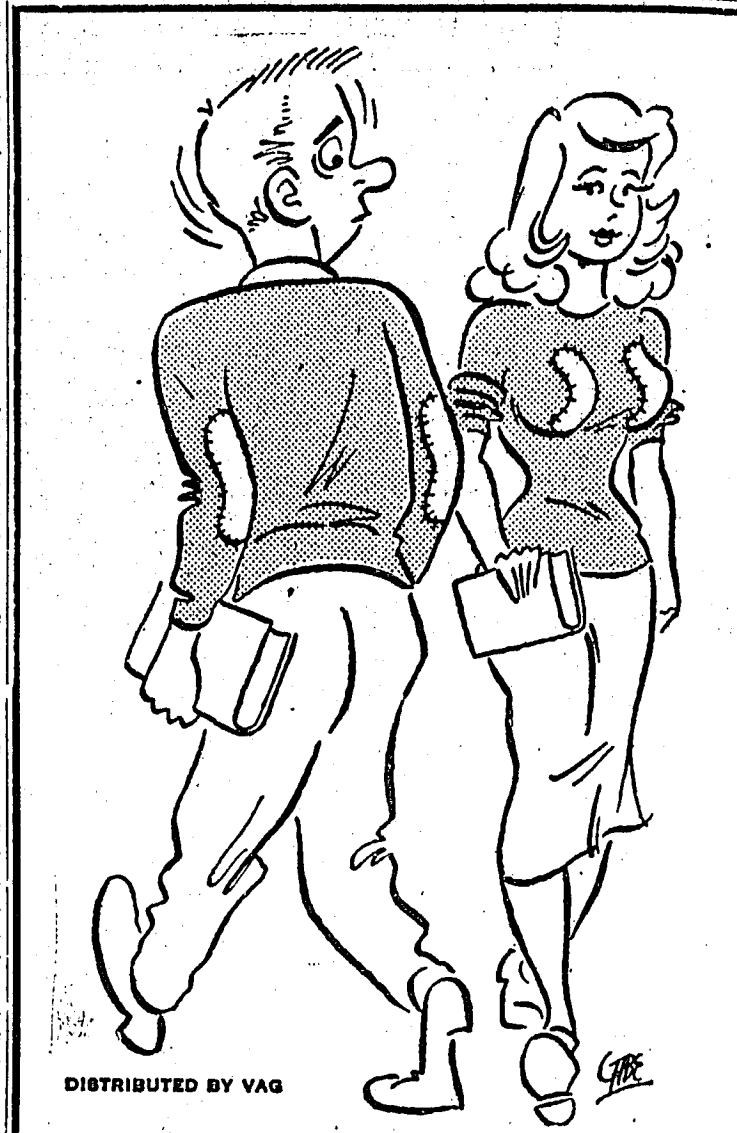

Outstanding graduates of the Air Force training will receive regular commissions. Others will receive reserve commissions and will have an opportunity to compete for regular commissions during their three year tour of active duty.

### Dr. Stough Relates Extensive Trip And Experiences In Distant Lands

On the 16th of August, 1949, Dr. Howard B. Stough left Moscow, Idaho, to begin his extensive journey to distant points of the world. He first proceeded directly to San Francisco where visas or tourist cards were obtained from the consulates of the various countries.

The chief objects of the trip were to visit as many universities, national and university museums, zoological and botanical gardens, libraries, public and government buildings, and places of archeological interest in Central and South America, Australia, and New Zealand and to enroll for research in the school of zoology at the University of Sydney at Sydney, Australia.

The first country visited was Mexico where Dr. Stough visited the Natural History museum and took trips to the famous pyramids of Puebla. Other Latin American lands which he visited were Guatemala, Costa Rica, Panama, Colombia, Ecuador, Peru, Bolivia, Brazil, Paraguay, Argentina, Uruguay, and Chile. In each of these countries he visited universities, museums, and other points of interest.

**Met Friends**  
In South America, the first city visited was Medellin, Colombia. Medellin displays its many ultra-modern buildings and claims one of South America's finest hotels, the Nitibara. Bogota, the capital, is one of the few universities in this part of the world having most of its divisions on one campus instead of being housed in one large building or scattered over an entire city. Also at Bogota Dr. Stough called on the relatives of one of our Idaho students, Mr. Eduardo Cruz.

During the flight into Peru, Lima was covered with a blanket of clouds, so an alternate field sixty miles to the south of the city was used for the landing, and he flew back to Lima the next morning. Dr. Stough's guide throughout Lima was Mr. Hernando de Macedo, brother of Mr. Humphredo de Macedo, a student of Idaho. He also met their mother and sister. He visited at Cuzco, one of the best archeological museums, which exhibits pre-Inca, Inca, and Inca art.

**Houses Collection**  
Brazil presented more thrilling spectacles. Sao Paulo, the "Chicago of South America," is a big booming business town, and from a single spot in the city, about 50 sky scrapers are visible. The university houses the greatest collection of South American birds to be found anywhere in the world. Rio de Janeiro is one of the most beautiful cities. Dr. Jose Candida, a friend whom Dr. Stough met, had just returned from a scientific expedition into Brazil's deep interior to visit an Indian tribe who had never before seen white men. He had a spectacular collection of photographs to illustrate the trip.

After many more experiences in South America, Dr. Stough returned to Los Angeles. On October 26, he boarded a Pan American clipper to travel to Australia. Stops made on the journey were at Honolulu (where he found Professor Leonardo D. Tuthill, formerly at Idaho), Canton Island, Fiji Islands, New Caledonia, and finally, Sydney, Australia.

**Provided Interest**  
The next seven months were spent in full enrollment as graduate student in the zoology school of the University of Sydney. The work was research in cytology. Dr. Stough was provided with one of the best offices in the building,

### Frat Installed At Student Union

Installation of the Idaho Alpha chapter of Pi Gamma Mu fraternity was held at the Student Union Wednesday night. The newly-elected president, Alfred Prince, acted as toastmaster. Special recognition was given to Mrs. Maude Houston, Member of the Board of Regents and Dean and Mrs. T. S. Kerr.

Included in the program was Dr. Brosnan, who spoke briefly on the history of the University of Idaho and of the national chapter of Pi Gamma Mu. Mr. Sverre Scheldrup also spoke on democracy in Norway and showed slides of the Scandinavian countries.

Special guests for the occasion were Mrs. Maude Houston, Dean and Mrs. T. S. Kerr, Mrs. Sverre Scheldrup, Mrs. Boyd Martin, Mrs. Edward Moore, Mrs. Everett Will, and Mrs. C. J. Brosnan.

### Last Gem Shipment Has Now Arrived

Students who have not received their Gems of the Mountain may pick them up at the general manager's office, according to word from Gale Mix, yesterday. The last shipment arrived yesterday from the printer, Syms-York Company, Boise.

Students who wish to send Gems to former students may do so by stopping at the general manager's office and paying a small mailing fee.

A little thought and a little kindness are often worth more than a great deal of money.

### Musical Comments

**By Bob Masters**  
Folk songs have become more and more important as their connection with the growth and development of our nation has been realized by music-lovers. Among these ballads are work songs, cowboy songs, sea shanties, jigs, reels and spirituals, all coming from the American people of every walk of life.

These songs reflect the people in the various sections of our nation in their work and play, their good times and bad, their joys and sorrows. In the Smokey Mountain area of Kentucky and Tennessee a particular type of ballad has developed and has taken its place in the ranks of American folk songs. No songs are more beautiful and touching than these mountain ballads.

**Stafford Sings**  
Jo Stafford, a very popular song stylist and singer, has worked with Paul Weston in the arranging and performing of the six songs they felt were the most popular of all the mountain ballads. Capitol has made recordings of this excellent team in its wonderful interpretation of "Barbara Allen," "He's Gone Away," "Poor Wayfaring Stranger," "The Nightingale," "Black is the Colour," and "Red Rosey Bush."

These recordings have now been combined into one magnificent album which Capitol has entitled, "Jo Stafford, singing American Folk Songs."

### Idaho-WSC Plan Pan-Hell Congress For Early Spring

Idaho and WSC chapters of the national Pan-Hellenic Association agreed Thursday to the co-sponsorship of a Northwestern Pan-Hellenic conference in the early spring.

At the invitation of the WSC chapter, the Idaho group discussed the proposed conference Thursday and unanimously extended its approval.

**Discuss Living**  
Scheduled to be held in Spokane, the meeting will include delegates from the campuses of Oregon, Oregon State, Washington, the University of Wyoming, Montana, Montana State, and Idaho State college. Delegates from each of the eight Idaho sororities and as many alumni as possible will be sent to represent the University at the conference.

The meeting will be in the nature of a workshop, and will be devoted to the discussion of sorority living, ideals, and general welfare. Another topic is to be the promotion of interest in sorority life among the girls of high school age throughout the states.

**Members Selected For Rifle Team**  
For the first time since it was organized on the campus, the Air Force ROTC is sponsoring a rifle team.

Tryouts began Monday with nearly 150 aspirants turning out for the team. Elimination contests will start Monday, October 16, to select members of the team.

Selected as manager and assistant instructor of the team was Robert E. Rayborn. Major J. D. Miller and M/Sgt. R. F. Windham are team coaches.

### Marshall Donates Farm Equipment

The C. J. Marshall Produce company has presented to the University a single-row power potato digger. This item of equipment was presented for and is to be used to aid the potato breeding program at the Aberdeen Branch Experiment Station. This breeding project is a cooperative one between the University Agricultural Experiment Station and the United States Department of Agriculture.

The breeding work is under the direction of Dr. John McLean; the principal objective being the development of strains or varieties of potatoes having disease resistance. The additional potato digger donated by C. J. Marshall will materially aid in the harvesting of experimental potato plots.

**INTRAMURAL TENNIS**  
ATO and Beta Theta Pi moved into the semi-finals of the intramural tennis tournament by virtue of last night's victories over Delta Chi and Phi Gamma Delta. Joe Tom and Stan Ellsworth racked up wins for ATO over DC while Dick Merrill and Skip Pierce counted for the Betas to offset a lone Fiji conquest by Ken Giles.

### Lunch Served Early

The cafeteria in the new Student Union building will serve lunch from 11 a.m. until 1 p.m. on Saturday, October 14, for Homecoming, and will open again immediately after the game. Lunch from 11 a.m. until 1 p.m. will be on Homecoming Saturday only. Regularly, it opens at 12 noon.

### Jens Middelbow Student From Denmark

**By MARIYN FLEMING**

Among the exchange students attending the university for the first time this year is Jens Middelbow. Although he has an almost British accent, Jens is from a small town near Elsinore on the island of Leland not far from Copenhagen, the capital of Denmark.

Last year Jens (pronounced Yens), applied for a scholarship to attend a university in the United States. Idaho offered one which furnished room, board, and tuition which he accepted. From Copenhagen he took a ship via Londonhampton to New York and then by bus to Idaho.

**Lives On Campus**  
Jens is not taking any major as he is only staying here one year. He has been allowed to take any courses he would like in order to give him a knowledge of the language and people in this country. These courses include; English language and literature, American history, Spanish, philosophy and music.

The size of the university seems to impress Jens, because it is much larger than the Danish institutions. So far, Jens has not had any unusual experiences. But every day brings new phases of campus life to him.

At the present time Jens is living in the Kappa Sig house.

### Foresters Prepare Festive Steak Fry

A steak fry, sponsored by the Associated Foresters, will be held Saturday, October 21, at the winter sports area north of Troy. Competitive activities such as chopping, sawing, pacing, tug of war, and log rolling are scheduled to fill a very pleasant afternoon.

Forestry students and faculty members are invited to attend. Transportation will be furnished and anyone wishing to go should report at the Forestry building before 12:30 p.m.

### French Circle Holds First Meet Of Year

French Circle held its first meeting of the year last Tuesday evening. Highlighting the meeting, held in the Student Union conference room, was the showing of the colored slides taken by Professor Arthur Beattie, who traveled in France last summer. Professor Beattie accompanied these slides with an account of his travels.

Presiding at the Circle was Anne DuSault, president, assisted by Mrs. Sue Matz, vice-president and Clyde Winters, secretary-treasurer.

### Bagpipers Arrive In Moscow Today

The Trail Pipe band will arrive here about 5 this afternoon from Trail, British Columbia. The Bagpipers are scheduled to dine this evening at women's living groups, who have been previously notified.

Representatives from the women's living groups will meet the Bagpipers at 5:15 p.m. in the SUB, and will take the guests back to dinner with them.

Members of the band will sleep at Chrisman hall both Friday and Saturday nights. Tomorrow morning at 6:30 the fraternity men are to meet the bagpipers in the Chrisman lounge to take them to their respective houses for breakfast.

Tomorrow noon the pipers are scheduled to eat lunch at the SUB cafeteria, and tomorrow night men from Pine and Willis Sweet halls are to meet them at the SUB to take them to their respective halls for dinner.

Sunday morning the pipers will eat breakfast at Johnnie's cafe, and shortly afterwards they will leave for Trail.

# Living Groups Sponsor Open House To 'Welcome Alums' This Weekend

"Welcome Alums" will be the theme of all living groups on the campus over the weekend. Open houses following the game will be held for all alums and friends of the students. Pledge classes have elected officers for the coming year.

A Founder's day dinner was held Tuesday with Beta Rho chapter from WSC.

## Sigma Alpha Epsilon

Saturday afternoon an informal get-together was held with the candidates for the SAE freshman queen. Pictures were taken and refreshments served. The candidates are: Barbara Green, Dianna Jennings, Joyce Powers, Elizabeth Winger, Mary Winterholer, Ernie Gohrband, Marguerite Gandiaga, Janice Morgan, Colleen Alder, Donna Bray, and Darleen Towery. Sunday dinner guests were Mrs. Lemon, hostess, Mrs. Riedle, Anna Lou Ludkey, and Donna Jean Broyles.

Mrs. Lemon, Mrs. Oates, Helen Korner, and Ken Korner were dinner guests Wednesday.

## Delta Gamma

Mrs. Ruel Smith, Province Secretary for Delta Gamma, was entertained here Wednesday night. She spent three days visiting our Idaho and WSC chapters.

Guests at dinner last week were Mary Winterholder, LaLuna Pierson, Torry Willey and Betty Judd. Boness Collins was elected corresponding secretary; Coralee Hart, historian; and Nancy Weitz, anchor correspondent.

Mr. and Mrs. John A. Bauer, Ephrata, Wash., and Mr. and Mrs. H. R. LaLuriente, Trail, B. C., visited at the chapter house last week.

Elections in the pledge class were Nadine Drake, president; Joanne Reed, secretary, and Mary McDonald, scholarship board.

## Kappa Alpha Theta

Dinner guests over the weekend were Norma Finke, JoAnne Wingfield, Phil Kinnison, Glenn Casbolt and Maurine Bowman of American Falls.

Norma Finke of Twin Falls was a weekend guest at the chapter house.

## Delta Tau Delta

Mr. and Mrs. Benjamin L. Lawrence and daughter Caroline were dinner guests Sunday.

## Phi Delta Theta

A combination hayride and fire-side was held last Saturday night. Chapter advisor, Dr. Frederick Church, was "chaperone." Coffee and doughnuts were served during the evening.

Otto Ueschel, social chairman, is in charge of arrangements for the annual pledge dance to be held at the Pullman Country club October 20.

## Pi Beta Phi

Nathalie Bales was elected president of the Pi Beta Phi pledge class. Others elected are Merlyn Maul, vice president; Marguerite Gandiaga, treasurer; Pat Hancock, secretary; Beverly Reeve, social chairman, and Janet Matson, activities chairman.

Formal initiation was held October 1. New members are Marion Wilson, Jean Bales and Lillian Garner.

## Sigma Chi

Recent house guests were Lee Whitehead and Walter Hardin. Sigma Chi was host to the Homecoming queen candidates at coffee Tuesday night.

## Here's More About—Parade

and attendants, will be Pine Hall, Campus club, Mac's Furniture, Delta Chi, Alpha Zeta, Kellogg band, Alpha Phi, Beta Theta Pi, Chrisman hall, Matz Motors, Delta Sigma Phi, Forney hall, Washington Water Power, Associated Students of W.S.C., Wee People, and Alpha Epsilon Delta.

In Division C the Alumni President and the President of the ASUI will start off the division, followed by Mortar Board, Sigma Nu, Lewiston band, Gamma Phi Beta, Alpha Tau Omega, Lambda Chi Alpha, Allwardt Hardware, Kappa Alpha Theta, Phi Delta Theta, Trail Pipe band, Fire Department No. 5, Eagles, Blue Key, Vandal Riders, and Theta Sigma.

Division D will follow Theta Sigma. In it will be Kappa Sigma, Pi Beta Phi, Sigma Alpha Epsilon, Kappa Kappa Gamma, Coeur d'Alene band, Ridenbaugh hall, Silver Lance, Tau Kappa Epsilon, Delta Gamma, and Phi Eta Sigma.

## Adam Travels South

Prof. Oscar M. Adam, director of the Idaho Institute of Christian Education, is in Caldwell today attending the inauguration of the new president elect of the College of Idaho, Paul Marsh Pitman.

## Church News

### Inter-Varsity Christian Fellowship

Students are invited to attend the Bible study and fellowship of the Idaho chapter of IVCF every Friday evening at 7:30 at the home of Mrs. Alma Keeling, 1320 Deakin street.

The topic for study this week is the 3rd chapter of the Book of Romans. Further information may be obtained from Marjorie Hatton, Forney hall; Bill Driver, Lindley hall; Bill Adams, Willis Sweet hall; George Haugland, Fine hall; or Ray Hegg, 324 Reed, Trailer Village.

### Wesley Foundation

"What Can We Think About Jesus?" will be the topic of Dr. Wayne Smith next Sunday. After which a panel discussion will be held. Guests are invited to attend this fellowship.

### Roger Williams Club

Dr. Ernest Witham will speak at the meeting Sunday night at 5:30 in the First Baptist church. Dr. Witham, personnel secretary of the American Baptist Home Mission society, will give an address on the opportunities of Christian service that are open to the university graduate today.

### Lutherans

There will be no LSA Sunday.

## WRA LIST

WRA members on the field hockey team will have a game with the WSC members of the women's hockey team on October 21.

All university women are invited to the rifle meet which will be Tuesday, October 17, at 4 p.m. in the women's gym. Women are eligible to come even though they haven't shot before.

Plans are being made to divide the swimming program into groups of several weeks each. In this way part of the time will be spent on swimming and part on diving. The swimming activities will be topped off with a meet for beginners and intermediate swimmers.

Any and all girls interested in participating in a tennis tournament may call the women's gym, or Yvonne George at the Tri Delta house. The match will be doubles and each house gets two points for each doubles team entered. These points will go toward the WRA trophy cup.

## Students Organize Financial Canvass For Center's Unit

For the purpose of organizing teams for a financial canvass of Moscow and vicinity, a meeting was held last night at the Campus Christian Center. In attendance were members of the corporation of the Idaho Institute of Christian Education, members of the Moscow Campus Committee, laymen of the various churches, and students interested in the project.

The five-week financial canvass is being undertaken in an effort to raise the \$20,000 necessary to complete payment on the Center's new unit, and also to supplement denominational appropriations for operating expenses.

### Center Will Move

Moreover, letters will be sent to alumni, to previous givers not having contributed in 1950, and to others on the mailing list who have yet to make an initial contribution.

The canvass is in observance of the 20th anniversary of the first meeting of the Institute on October 20, 1930, and of the signing of the Articles of Incorporation on October 24 of the same year.

As for the new unit itself, construction will be completed in a few days. The Center will then begin moving to the new site.

Prof. Adam, director, said that plans were being formed for the formal opening sometime in November, but did not name a specific date.

## Need A Cigarette?

Jim Aston has been announced as campus representative for Phillip Morris cigarettes, according to word received here today.

## Freshman Elected

Arizona Vanderort and Scotty Scottford were elected freshman class representatives to the Associated Foresters.

# Orchesis And Pre-Orchesis Tap Members

New Orchesis (women's dance honorary) members who were tapped Wednesday night are Ann Harding, Sue Jones, Kate Church, Mary Harding, Peggy Swope, and Beverly Eggers, Alpha Chi Omega; Connie Baxter, Pi Beta Phi; Lou Carlson, Ridenbaugh; Mary Thompson, Alpha Phi; Carol Peterson, Kappa Kappa Gamma; and Peggy Pruitt, Forney.

Pre-Orchesis, freshman women's dance honorary, members tapped Wednesday include Helen Church, Lucille Schrom, Alpha Chi Omega; Betty Haester, Ridenbaugh; Mary Lou Varian, Joaq Smith, Ernestine Gohrband, Marilyn Evans, Kappa Kappa Gamma; Dale Greenman, Hayes; Diana Jennings, Phyllis Ralston, Kathryn Howe, Phyllis Payne, Joanne Ennis, Carol Clark, Alpha Phi; Pat Hancock, and Jean Kinney, Pi Beta Phi.

An election of Orchesis officers was held Wednesday night. Elected were Beverly Eggers, president; Jackie Scott, vice president, and Kathryn Church, secretary-treasurer.

Flaps were made for the Christmas program which will be December 13, in the women's gym. It was decided to have "The Juggler" on the program this year as in the past three years. Tryouts for "The Juggler" will be held in about two weeks.

Accompanist for the two groups is Gail Graham.

## Here's More About—Joan Rowberry

Novelty numbers by Tiny Martin, Glen Martin, and Gordy Chastet, continue as special features. Dixieland arrangements of popular songs are leading attractions.

Awards for winning floats from living groups in the Homecoming parade will be announced during game half-time as the first and second place floats for men and women drive around the field.

Leon Weeks, president of the Idaho Alumni association, will be introduced during half-time by ASUI president Vern Bahr. Weeks will introduce Cal Wright and Len Jordan, candidates for Idaho's governorship in the November elections.

Card tricks, yells, and selections by Idaho's band are scheduled as half-time entertainment.

### Introduce Chairman

During intermission of the Homecoming dance the Trail Bagpipers will perform. Donna Jean Broyles, Homecoming chairman, will be presented by Glen Stringham, publicity chairman. Miss Broyles will then introduce Jim Lyle, alumni secretary, who will award trophies to the Homecoming queen.

Patrons and patronesses for the Homecoming dance will be Dr. and Mrs. H. W. Steffens, Dean and Mrs. H. E. Lattig, and Mr. and Mrs. James Lyle.

### Costumes Made

Float for the Homecoming queen and her princesses was arranged by members of the Idaho club. Silver letters on a deep blue background will provide the setting for Idaho's 1950 royalty. Costumes for the princesses were made by the Home Economics club, supervised by Elaine Neilsen.

MayBelle Gardner headed the costume committee with Bernelean Reese, Edith Herron, Joan Rowberry, Barbara Spink, Beverly Bureham, and Lorraine Hulet assisting her.

## ASUI To Provide Activity Cards Now

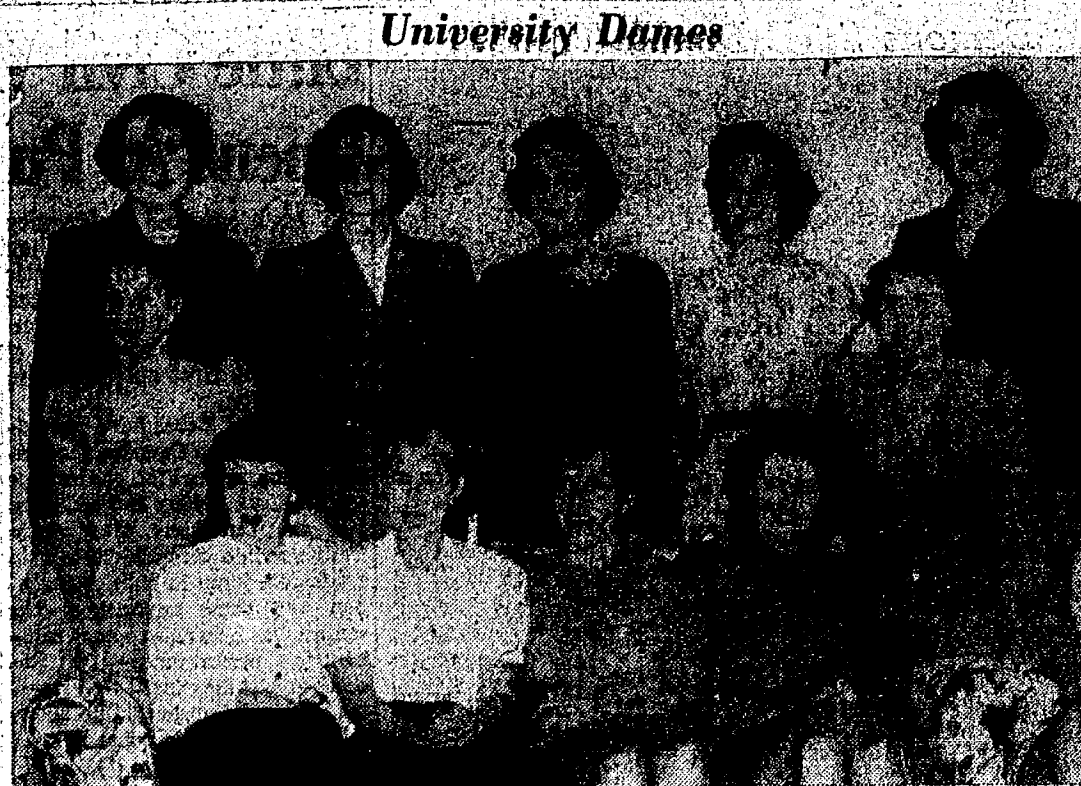

Activity cards will be available in the ASUI office beginning Tuesday for students who wish to list their activities with that office.

In order to eliminate frequent removal of the entire file, the cards have been designed with holes in the corners through which a metal rod has been run. This enables them to be removed from the files with ease.

Two Executive Board members will be in the office from 2 to 5 p.m. to aid students in filling out these cards and to interview them.

Judge not without knowledge, nor without necessity, and never without charity.

—Dr. Alex Whyte

The University of Idaho Dames club met recently to plan a husbands' party, rummage sale, children's Christmas party for the coming year. Shown left to right are Dames club members: Seated—Allen Brooks, Helen Stradley, Mrs. L. C. Cady, sponsor; Jean Jones, president; Jeanne Judd and Helene Gilliland; standing—Myrtle Bean, Irene Lamarshe, Jean Foltis, Virginia Whetsler and Ann Wickman, all of Moscow. Not present are Maureen Turnbull, Vivian Sipila, Clarita Glasby, Keoma Morgan.

## Here's More About—Traditions

worst defeat in a Homecoming game, losing to the USC Trojans by a score of 51 to 7.

Campus honoraries were in charge of the Homecoming activities in its early years and almost up to the present. It was originally under the supervision of Blue Key with assistance from Spurs and Intercollegiate Knights.

### Biggest and Best

Neale stadium was formally dedicated in a ceremony before the Homecoming contest in 1937 and the Homecoming dance following the 1928 game saw the opening of the Memorial gymnasium to Idaho students.

Each year's Homecoming is planned with the intention of being the "biggest and best" in Idaho history and 1921 was no exception. In that year which inaugurated the Homecoming idea a grand total of 6,000 football enthusiasts were attracted to the university campus. The 1928 Homecoming, under the direction of Allen Janssen, present dean of the college of engineering, saw a record crowd of 12,000 take part in the Homecoming festivities.

### Coeds Parade

As a whole, there has been very little change in pre-game activities through the years. This statement has an exception, however, when the freshman bonfire was outlawed in 1935 from the list of rally activities. At that time the freshmen got over-anxious in their enthusiasm and constructed a 50-foot-high pile of rubbish and fuel. The rubbish, however, was not all rubbish as six trucks had been secured to make this the bonfire to end all bonfires—which it did, for the fire resulted in a large expense to be taken by the university and consequently the discontinuance of the bonfire.

Multi-colored fireworks at MacLean field have taken the place of the bonfire. The serpentine and pajama parade have become one in the last ten years and are now under the direction of the Spurs for all freshmen women. The coeds can be seen Friday night in pajama attire running through all men's living groups during the dinner hour.

### Romp Montana

Homecoming has not always been warm and sunny or even raining. The good old Moscow weatherman brought on the coldest Homecoming in 1938 when the Vandals played the Cougars on a field covered with several inches of snow from nothing less than a blizzard.

House decorations and fireworks were eliminated from the Homecoming roster after the last big pre-war Homecoming in 1941. Homecoming itself was discontinued for two years when there was no football team in 1943 and 1944.

Homecoming came in like the New Year again in 1945 with all the old activities revived to equal the pre-war days. The game that year attracted only 4500 fans but the Vandals went in the scoring column to romp over Montana 45 to 0. The 1946 Homecoming was revitalized by the inflow of war veterans enrolled at the university.

## Idaho's Ag Group Gets Top Honors In Livestock Meet

A grand champion Chester White barrow, and a champion Short-horn steer were among the top honors brought home by the university college of agriculture from the Pacific International Livestock Exposition which took place at Portland from October 6 to 14.

By consistently placing first in judging the Holsteins, Brown Swiss and Guernseys breed of dairy cattle, these junior dairy producers won the right to keep a huge traveling trophy until next year's show. This award is given annually by the American Dairy Science Association, and is to be kept permanently by any three-time winner.

Willard Choules, besides being high point man of the show in dairy cattle judging, was also best judge of Holstein dairy cattle. Jack Trautman was third in the individual overall scoring.

### Team Competes

The livestock judging team placed second in sheep and third in cattle ratings. In the overall contest Idaho placed fifth. The team will compete again in the

and the Homecoming enthusiasm again spread like fire on the campus.

### Records Broken

The float parade idea in addition to other Homecoming functions was inaugurated in 1946 and it has since then become the major part of the Homecoming program. This year the house decorations have been discontinued in preference to floats only being entered into competition by the living groups. A welcome sign and open houses complete groups participation by the individual living groups.

Attendance in the post-war period has broken all records at Idaho games. In 1947 the WSC-Idaho game attracted a total of 23,500 fans to Neale stadium to watch Idaho lose 7 to 0, before the largest crowd ever to gather in the state of Idaho. In 1948 Idaho played Oregon in the Homecoming game and lost to the Ducks by a score of 15 to 8. Oregon went on that year to tie for the Pacific Coast conference title and to play in the Cotton Bowl.

### Idaho Hopeful

Last year over 15,000 fans filed into the stadium as the WSC Cougars defeated Idaho by a 35 to 13 score. A record crowd is again expected as the Vandals and the Ducks from Oregon tangle on our home field.

For a record of wins and losses of Homecoming games, of the 27 games since the Homecoming beginning in 1921, the Vandals have won five, lost 21 and tied one. WSC has been the opponent of the Vandal crew in 15 Homecoming clashes.

Nothing has been changed since the early days of Homecoming on the Idaho campus. Again the Vandals are hopeful of a victory and again the people of Idaho and the students will back them for the "biggest and best" Homecoming in Idaho history.

## BOXING

Head Coach Frank Young issued a call today for freshmen boxing hopefuls. All freshmen interested in turning out for the ring squad, meet in room 109, Memorial Gymnasium, 3:30 Tuesday afternoon.

Grand National Livestock Exposition at the Cow Palace in San Francisco, October 27 to November 5.

Chester White barrow champion, fed and shown by the university and bred by Kenneth Butterfield, a Princeton swine breeder, turned out to be grand champion overall breeds. Another top honor was the winning of the reserve grand championship over all breeds in the open class by a junior yearling Shorthorn steer also fed by the university. This animal was bred by Emmett Mulhall, a Grange bred by Emmett Mulhall, a Grangeville rancher.

## Corner Drug & Jewelry

Last Saturday was a good afternoon for the nervel tonic manufacturers, but for the porkchide predictor, the day was full of headaches and gridiron upsets. Everyone got beat but me. Eleven correct picks—seven wrong selections and two ties netted me a BRILLIANT .555 percentage.

I received several suggestions about my prognostications, however. I have decided to print them anyway. As I see this week's games—without my glasses:

Coach Forest Evashevski claimed his Cougars played over their heads against USC Saturday. This week Montana will play over WSC's head with a potent aerial game. The Cougars by a slim seven point margin.

Washington's "Fearsome Four-some" failed to impress UCLA last week. The OSC Beavers will find them tougher chewing however, and the Huskies should walk away in good standing with a 21-point advantage.

If USC plays like they did in Pullman, California will run them out of the stadium. If USC plays like they say USC can play—California will be pressed to score a 14 point margin.

Illinois and UCLA tangle tonight. When the untangle, the California school should be minus seven points. The fighting Illini.

The team that beats Stanford will have to score four or five times. Santa Clara is good—but not that good. The Indians by 27.

Iowa and Wisconsin fight in another Big Ten toss-up. The Hawkeyes have a couple of hard driving backs and rate the edge by 6.

Indiana upset Iowa last week but their lettermen play 68 per cent of the time. Ohio State has a strong bench and these reserves put Ohio State a 21 point favorite.

Missouri and Kansas State. The question here is not, Can Missouri win? The big topic is—Can Missouri score? The Tigers should make a touchdown sooner or later. Missouri by 20.

Minnesota and Northwestern. The students have Bernie Bierman in the frying pan. A good line at Minnesota but now passer. Northwestern by 7.

SMU presently leads the nation with a wide-open aerial attack. They stand a good chance of establishing a new passing record and Oklahoma A & M won't stop them. The Mustangs by 14.

Oklahoma and Texas. Oklahoma is seeking win 23. Texas will pull a Purdue act. The Longhorns by 7.

TCU and Texas Tech. Tech tried to stop Texas and Texas A & M. They'll try to stop TCU also but the result will be the same. TCU by 28.

Army and Michigan. Michigan should be keyed up for this one but the Army lock is hard to open. The best Michigan could get would be a deadlock. The Knights of the Hudson by 14.

Rice and Pitt. The Owls have been playing around at night. This one is a day game but the city of Pittsburgh is smoky enough to make the Owls feel at home. Rice by 20.

Notre Dame starts another win streak tomorrow. Tulane is victim number one. The Irish by 14.

Princeton should give Navy a rough afternoon and if they can rock the ship enough, the Tigers win by 14.

North Carolina-Wake Forest. The experts like North Carolina. I like Wake Forest. The Deacons by 7.

LSU over Georgia Tech. This year Tech definitely doesn't have it. The boys from the bayou's by 13.

St. Bonaventure over Boston U. by 7. Just a hunch.

Idaho and Oregon. I put this one down here in hopes it won't be seen. For two weeks I've picked Idaho. They've lost. This week I pick Oregon by 7. Thus, according to the sequence, Idaho should win.

**GOLF PUTTS**

The annual ASUI golf tournament will wind up the 10th of October following two weeks of steady play.

Charles Mansius is the only past winner to remain in the semifinals thus far. Mansius has won two meets and will meet Batt in the playoffs, in flight one. Also participating in flight one are: Lyons vs. Neibaur, Hamilton vs. Stringfield, Coombs vs. Barbee, Hoblet vs. Bye and Moore vs. Soederberg.

### Two Duck Scoring Demons Spell Double-Trouble

Two fellows who plan to make Duck tracks on the Neale stadium turf tomorrow afternoon are Chet Daniels and Earl Stelle. "Cool Papa" Daniels, 5-ft. 9-in., 193-pound senior all-coast guard, led the nation in points scored by place kicking last year. In 10 games he thumped five field goals and 31 extra points through the uprights. Earl Stelle, a 6-ft., 183-pound senior, is one of the key men in Webfoot attack. Stelle currently ranks sixth in the coast passing department. Out of 29 attempts, the Duck back has completed 12 for 179 yards and two touchdowns. Stelle placed third in PCC passing last season.

### Vandals Shooting For Webfoot Win In 28th Annual Homecoming Tilt Tomorrow

#### Idaho Running Game Pitted Against Oregon Aerial Attack

The University of Idaho will attempt to salvage their first Homecoming football victory since 1945, when they tangle with a hot-and-cold University of Oregon eleven on the Neale stadium turf tomorrow afternoon. Game time is set for 2 p. m.

The University of Montana Grizzlies were the last visiting squad knocked over by the Vandals in a Homecoming fracas and in that game Idaho rolled to an impressive 46-0 victory. Since then the picture has changed. The same Oregon Ducks have prevailed twice—as have our next door neighbor—the Cougars of Washington State. Howell has yet to see an Idaho team win the "big game" of the year. Tomorrow may be the day.

**Vandals Figure Strong**  
On paper the Vandals are superior to the visiting Oregonians. To date Idaho rates third in total offense in Pacific Coast Conference statistics. They have averaged 266.3 yards per game rushing. The Ducks' on the other hand have ground out but 157.3 yards per tilt.

Idaho also tops Oregon in passing offense. The Vandals with Max Glaves and Bob Mays on the tossing end have connected for 21 out of 48 for 316 yards and two touchdowns. Oregon, with the same completion record of 21 out of 48, has picked up 200 yards through the airways.

Jim Aiken's Oregon club is rated a top passing team. Veteran Earl Stelle has been getting his passing eye sharper to date, and with Dick Daugherty and Monte Brethauer to throw at he may cause the Vandals some aerial trouble tomorrow.

The Oregon offense suffered a stunning blow when speedster Bill Fell, the California comet was sidelined with a broken ankle in a practice session two weeks ago. The brunt of the Webfoot running attack was placed on the shoulders of Fell.

**Ducks Weak In Experience**  
The Oregon weakness lies mostly in experience. Stelle is the only veteran playing in the backfield from last year's squad that swamped the Vandals, 41-0. Gone from the Duck backfield of a year ago are Woodley Lewis, Bob Sanders and George Bell—all three regulars. These three men also teamed up with Norman Van Brocklen in 1948 to bring to the Eugene campus Oregon's first Pacific Coast championship in many a year.

It was this same Oregon team that barely beat Idaho, 15-8, in a Homecoming thriller two years ago on the same field which will furnish the color and activity tomorrow.

**Oregon-Idaho Gridiron Series**

### Little Civil War Battle Opens At Pullman Today

A high spirited University of Idaho frosh football team is set for one of the toughest contests of the season today when they engage in a "Little Tug of War" with their cross-state foes from Washington State College. The game is scheduled for 2:00 p. m. on Pullman's Rogers Field. Thus the red hot rivalry which exists between the two schools will see the first action of the 1950 season.

The Vandal Babes have one advantage over the Cougars, that being the experience of one college contest. Last Friday the Idahoans took the University of Montana freshmen into camp 25-13 to gain a valuable jump in both organization and game experience. The contest was termed as a very satisfactory performance by the coaches, but they insist that it will take a much improved club showing to take today's contest.

**In Good Condition**  
Coach Art Smith of the Vandals doesn't have any great worries concerning injuries as the Montana skirmish left the Babes with only one casualty. Jack Eggers, a 174 pound tackle, will lay off with a broken finger. The only other damage done by the Grizzlies was a severe charlie horse inflicted on halfback Ted McDade, but this has since been worked out, and McDade will be all set for action. Larry Morrison, who lost 14 pounds through a case of strep throat, is again getting into shape, and he should be able to go full steam today.

Coach Smith has been casting a wary eye, at press notices which state that the Cougabs have one of the strongest aggregations in a decade. WSC Coach Dan Stavely has Spokane's Terry Campbell, one of the top passers in the Northwest, plus a wealth of other material including halfback Wayne Berry, a swift all-stater from Le Grande, Oregon; Bob Head, a 200-pound fullback from Evansville, Indiana; Doug Lowden, a halfback from Spokane, and a tough line which will be led by tackle Duane Weitz of Walla Walla. Weitz has been named captain for this afternoon's game.

**Vandals Heavier Up Front**  
The Vandal starting line as announced by Smith yesterday will outweigh its rival forward wall by three pounds to the man, their average being 191 pounds compared to 188 for the Cougars. Starters include Walt Hardin and Arnold Hubner at the flanks,

### Basketball Gets Go Signal For Practice

Pacific Coast conference basketball commissioners have made Monday "green-light day" for opening PCC practice sessions on the maplewood.

Coach Chuck Finley's first practice call will bring out returning lettermen: Dick Reed, Sam Jenkins, Nick Stallworth, Bob Wheeler, Ken Barker, Bob White, Herb Millard, Herb Mead and Rod Pollard.

In the backfield Herb Slezak, a 165-pound Chicago boy, has been selected to lead the team from his quarterback spot. Bob Cruickshank, a converted full-back, will take over the right half-back duties. Walt Dell, speedster who scored twice in the Montana game, will start at left half, and Eud Fisher will handle the full-back position.

Other Vandals who are expected to see considerable action include ends Jack Smiley, Art Specht, and Bruce West, center Gerry Leigh, and backs Ted Katsanes, Ted McEade, and Larry Morrison, all of whom showed up well in their first game.

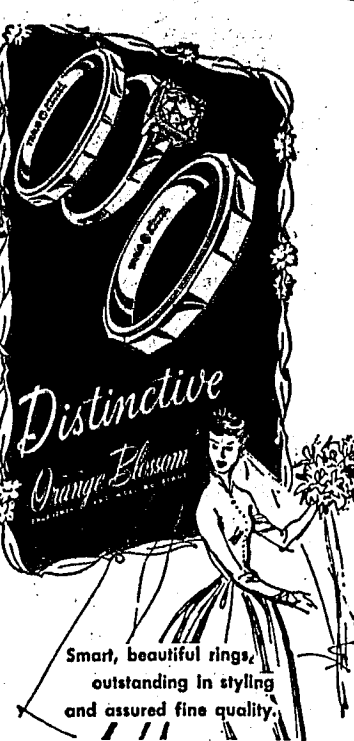

Although Smith has a formidable line-up he noted a few weaknesses which showed up prominently in last week's contest. The fullback position, both on offense and defense, seems to be the trouble spot. Several Montana passes went through this territory, and Smith is on the lookout for a strong defender to fill in this area. Also, the Vandal mentor expressed a desire for a hard running man at this position on offense. Another factor which can be considered as a weakness is the tendency of the Idahoans to be penalized great sums of yardage. The 125 yards lost by these assessments last week was a major factor in holding the Babes to a mere four first downs.

Captaining the ball game for the Vandals will be tackle Norman Thomas and end Arnold Hubner.

**The Starting Lineups**

Idaho	Wash. State
Hardin	Ball
Simpson	Swarthout
Faraca	RGL
Adams	C
Brown	LGR
Thomas	LTR
Hubner	LER
Slezak	QB
Cruickshank	RH
Jeff	LH
Fisher	FB
