### Thetas, Chrisman Cop Scholarship Trophys At Awards Assembly

#### Figis Triple Play For Travel Trophy

For the third consecutive year Phi Gamma Delta garnered the most points for the yard-high over-all participation homecoming trophy. This ornate award is based on rally and card section participation, open house, and points for the float.

Saturday afternoon in Neale stadium a determined, well-coached bunch of Idaho Vandal gridgers downed the University of Oregon football crew 14 to 0, adding the crowning touch to the most successful homecoming we have ever seen in Vandalville.

It was the first homecoming game the Vandals have won since 1945 when they trounced Montana State University 45 to 0, and the first time they had defeated a University of Oregon football club since 1926.

Oregon was rated a two touch-down favorite before the game and only the most avid fans truthfully believed in victory for Idaho. Both coaches were worried prior to the game also, as witnessed by Doug Kramer, whose job it was to open and close the gates letting the teams in and out. He reports that Vandal Mentor Dixie Howell was told as he came through the gate for the game:

**Coaches Worried**  
"Good luck, Dixie,"  
"Howell," he said, "replied, looking toward the ground and shaking his head: 'we'll need it boy. Keep your fingers crossed.'"  
Jim Aiken, Oregon coach, Kramer said, walked up to the gate, grabbed the wires with his hands and pressed his face close, looking through:

"Boy, I don't want to go in there," he said, "but I guess we have to. The folks back home are expecting us."  
It is understood that Earl Stelle was the befuddled one after the game however. He is reported to have been heard asking one of his teammates how his passes looked. He was never in a position to see them after they left his hands all afternoon.

Almost everyone came to Moscow Saturday for the big festivities. Even the entire Lewiston Morning Tribune staff attended, putting a notice in their Friday morning paper that anyone wanting any news in the Sunday Tribune should have it in the newspaper office by noon Saturday because everyone was leaving then for Moscow.

**Football Not All**  
The football game, however, was not the only successful part of this 1950 Homecoming. Every event from the kick-off dance Tuesday evening to the final big dance Saturday evening, was a colossal success.

Hard and efficient work on the part of the Homecoming committee, and a new Idaho spirit made Homecoming this year what it was. The work began last spring even before school was out and is even now progressing in the form

Appointment of Activity Panel.  
Appointment of ASUI Handbook Editor.  
University report on Idaho-WSC relations.  
Report of Dean Lattig's tour.  
Activity card file.

Delta Tau Delta captured first place honors in the men's float division with the "Choo Choo Choo to Idaho." Fiji "Showboat," won the second place trophy.

**"Squeeze Play" Wins**  
"Squeeze-Play," from Kappa Kappa Gamma took the top float honors in the women's entries, Delta Delta Delta won second place awards with the mock wedding ceremony between the U. of I. and U. of O.

Runners-up for the over-all participation award were Phi Delta Theta and Alpha Chi Omega.  
Joan Rowberry was presented with the Homecoming queen trophy to keep as her own, and the traveling trophy given to the queen's living group by the Idaho Alumni association. These trophies were awarded at the Homecoming dance Saturday night.

#### Church To Honor Foreign Students

Foreign students will be the special guests of the First Baptist church tonight at 6.  
Rev. Kenneth Holmes will welcome the group on behalf of the church, and Mayor R. K. Bonnett will speak for the city of Moscow. Professor Arthur H. Beattie will respond for the students.

A number of guests of other nationalities from the local community, including several displaced persons families, are also invited.  
Roger Williams Club members will present a skit and there will be community singing of friendship songs.

Women of the church sponsor this dinner as a gesture of friendship each year.

**Activity Cards Due**  
ASUI activity file cards are expected this week. Friday's Arg will announce the time and place for filling out these cards and signing up for the activities.

#### Over-All Trophy Winner

Jim Asten, representative from Phi Gamma Delta fraternity, is shown receiving the over-all Homecoming trophy from Donna Jean Broyles, chairman for the 1950 festivities. This is the third year the Figis have captured the massive travelling trophy and it now becomes their permanent possession.

#### Homecoming Parade

Thousands of students and townspeople lined Moscow's streets clear to the university Saturday morning to view the 1950 Homecoming parade, one of the best ever staged. The parade opened festivities for the 28th annual Homecoming in Vandalville. Shown is the famed University of Idaho band which led the long parade of floats and musical groups.

#### FCC Regulation Able To Remove KUOI From Air

Last June a radiation check by the Federal Communications Commission determined that KUOI was exceeding the radiation limits as set up by the FCC, even though campus coverage was not what was desired.

Although campus coverage is now better, as shown by the test schedule on the high of the "Nickel Hop," even worse violation of the FCC regulation was apparent in the new location. This violation prevents KUOI from returning to the air on a daily schedule until it is remedied.

**Better to Wait**  
If KUOI were to broadcast before that time, FCC regulations state that it would be permanently removed from the air. The staff of KUOI feels that it would be better to wait and have a campus station than to hurry and have no station at all.

Every effort is being made to conform with the FCC rules at the earliest possible date, in order that KUOI, the Voice of the Vandal, may again make itself the radio voice of the campus community.

#### Acceptance

Vern Bahr, President ASUI  
Allen Derr, Editor, Idaho Argonaut  
Student Union Building  
Moscow, Idaho

We, the undersigned, do hereby and without further ado on this 11th day of October, 1950, accept the rash challenge of VERN BAHR, president of the Associated Students of the University of Idaho, and ALLEN DERR, editor of the Idaho Argonaut, with all of its respective appendages and qualifying clauses.

Let it furthermore be known that the undersigned did not fail to notice that although issued on the third day of October, the above challenge was not mailed until the sixth day of that month. From this observation we may conclude that it took three days of accumulative effort on the part of said challengers to work themselves into the state of reckless abandon which would permit them to state caution to the winds and submit their daring epistle to the postal authorities for delivery across the border.

Let it furthermore be known that the undersigned have documented information which would indicate that walking is one of the best forms of exercise for post-appendectomy cases; so that in spite of the Idaho Argonaut editor's timely alteration with the local "sawbones" we see no justification for a hindrance to hiking.

Let it furthermore be known that in addition to the stipulations stated by the challengers, the undersigned would direct that the representatives who walk from the losing school shall at no time during hours taken for the nine-mile hike, receive from the accompanying persons or conveyances vitamin tablets, stimulants or other refreshments. This does not preclude the fact that it would be permissible for the losers to pack such fortifications as they may deem desirable by knapsack.

In conclusion, let it furthermore be known that the acceptance of this challenge was made with the utmost premeditated malice and afterthought on the part of the undersigned. Also, as an afterthought, we have considered the fact that both the above-mentioned dignitaries are, well, to be frank, "men," and that nine miles of hiking for these mutually male companions should convince one or the other of them that there may be some merit in having a woman editor!

Bill Green, President, ASSCW  
Charlotte Friel, Editor, WSC Evergreen

#### Vandaleers Sing At Special Magazine For World Affairs Award Assembly

Idaho's Vandaleers opened the awards assembly this morning with their first campus appearance this year. First selections were "Spirit of the Lord" and "Our Idaho." Following presentation of the awards the Vandaleer sang the Alma Mater.

Last Thursday the Vandaleers, directed by Glen Lockery, performed at a banquet of North Idaho educators in Lewiston.

**Solos Included**  
Included in their repertoire were "Spirit of the Lord," a Negro spiritual, Nobel Cain; "Drinking Song," with solos by Joan Peters and Jack Gregory; "I Beheld Her Beautiful as a Dove," Wilan; "Oh, Lamb of God," Kalinnikof; and "Lord Have Mercy," Lvovsky.  
Closing numbers at Lewiston were "Our Idaho," Walt Smith, and the Alma Mater.

#### Student Recitals Begin Next Week

Friday, October 27 at 4:10 p.m. is the date set for the first of the student practice recitals, and is the beginning of a regular series. All music students are expected to attend these recitals, and anyone else who is interested is welcome to attend.

#### 5 O'clock Shadow Legal On Dad's Day

Beards will be in order for Dad's Day, November 4, when Idaho meets highly rated and undefeated Wyoming at Neale Stadium. Trophies for beards will be awarded on the basis of longest, most unique and best try. "Fathers who come down for the game will not be considered untidy if a five o'clock shadow is present on their faces," stated Dick Straw, Dad's Day chairman.

#### Jerry McKee

New executive board member, McKee replaces Sonnich Sonnichson, who was elected last spring but was unable to return to school this fall. Willis Sweet hall selected Jerry to take his place.

#### Thetas Tops In Scholarship; Chrisman Takes Men's Cup

Chrisman hall and Kappa Alpha Theta sorority were presented trophies as the men's and women's living groups ranking top scholastically for the 1949-50 year by President J. E. Buchanan, at the annual awards assembly in Memorial gymnasium this morning.

#### 5 Finalists Chosen For Esquire Girls

Five finalists for the combined Esquire Girl and Esquire Calendar Girl contest were selected Thursday. Those chosen were Barbara Kirk, Alpha Phi; Charlotte Pennington and Jan Morgan, Kappa Alpha Theta; Dona Killeen, Alpha Chi Omega, and Jackie Taylor, Delta Gamma. The coed picked from this group will reign over ATO's Esquire dance Saturday, October 28.

In years past, Esquire magazine's art department selected the winner from among the five finalists. Results were telegraphed just before the dance. This year, since the same girl will be entered in Esquire's national Calendar Girl contest, some method of picking the queen by persons in this vicinity is necessitated. The tentative plan is to select a committee of five or more members, qualified to judge photographs of these finalists.

**Receive Prizes**  
The five finalists were first introduced to the public at the Homecoming parade. They rode on Alpha Tau Omega's float entry. They will be further honored at a formal dinner Wednesday evening.

Winner of the double title will have a chance at several grand prizes, offered to the national Esquire Calendar Girl of 1951. Some of the prizes are an expense-paid trip to New York City, television and radio appearances, a Hollywood screen test, offered by Metro-Goldwyn-Mayer, and her picture in Esquire magazine.

#### Exams On Tuesday For Election Board

Exams for ASUI election board members are scheduled for next Tuesday at 7:30 p.m. in the Student Union building.  
Questions in the quiz will be concerned with Articles 7, 10 and 21 of the ASUI Constitution. General campus information will also be included.

#### Two University Buildings Will Be Asked By Regents

Appropriation of funds for two new university buildings will be requested of the 1951 state legislature which will meet next January in Boise. This was revealed by the university board of regents following a meeting here Saturday.

A new home economics building and a structure to house the college of law are the two buildings which are being sought for the university.

These two buildings would be part of the 10-year university building program to "catch up" on the 20-year period during which time no major buildings were constructed by the state on the Idaho campus.

At the legislative meeting building requests for the state's other educational institutes will be presented. The requests will include a science building and a music building for Northern Idaho College of Education at Lewiston; a classroom building at Southern Idaho College of Education at Albion; and a library at Idaho State college at Pocatello.

**\$10,000 Fund Available**  
The estimated cost of the building request for the university will be approximately \$800,000 to \$900,000.  
The state is expected to have a free balance of upwards of six million dollars at the end of the biennium next June 30, plus funds diverted to the state's permanent

## Congratulations

Mr. Vern Bahr, President, ASUI and  
Mr. Gale Mix, General Manager of ASUI and Athletics  
University of Idaho  
Dear Vern and Gale:

Many laudatory words have been used to describe the University of Idaho's 1950 Homecoming, but perhaps it can all be summed up in two: WELL DONE.

The students of the University of Idaho should be proud, because the people of the State are proud of them. The rally, the parade, the half-time activities had both quality and quantity of spirit. They were carried out in an exemplary manner in keeping with the finest traditions of the university. And then there was the game itself. Every Idaho man played well, and those interesting figures on the scoreboard were just tribute.

During half-time, Leon Weeks, president of the University of Idaho Alumni Association, commented: "Win or lose, this has been a wonderful homecoming—a homecoming to remember—but if we win... Oh, my!" Well, Idaho won.

As Governor C. A. Robins left the stands after the game, he said, "I acquired a grin at this homecoming which is going to be difficult to get off."

As both president of the university and a grateful alumnus for a fine weekend, I would like to add a hearty thanks.

Sincerely,  
J. E. Buchanan,  
President

**Homecoming Committee, Team, Coaches and Student Body:**  
The A.S.U.I. Executive Board extends their thanks and appreciation to the Homecoming committee for the fine job they did in organizing and conducting the biggest and best Homecoming ever held at the University of Idaho.

The entire week from beginning to end was a complete success due largely to the efforts of this group.

Congratulations are also in order to the coaching staff and football team for their vital part in winning the football game—the centerpiece of the week's activities.

A.S.U.I. Executive Board,  
By Vern Bahr, President

## How Problems Are Solved

Things are always cropping up and being solved on college campuses. These campuses have various ways of sharing their experiences in meeting certain situations, among these being intercollegiate bulletins.

Found in these are solutions to problems we face here at Idaho, as met at other schools. Some are worthwhile, some all right, and some downright ridiculous.

The University of Akron mathematics department is in favor of students studying old examinations. In fact, they have set up a file which contains the last four semesters' exams in six different math courses. The department head thinks this will stop cheating, hoping students use it and don't come to the test with crib notes.

Wilson college is instituting a French House. All French majors and minors will live here — eating, sleeping, and breathing the language. This idea has been used during summer school in past years at our own university.

Wyoming university has set up a chaperone system, in which those faculty members who are eligible to serve in this capacity state their preference—formal, informal, beer bust, etc. What a break for the teachers! They also have to turn in a questionnaire, reporting how they were entertained, if liquor were present, were they smoking on the dance floor?, and prolonged absences from the dance floor, including occupancy of parked cars. Hmmm.

University of North Carolina dance committee has ruled that any girl leaving a campus dance intending to return must be escorted by a chaperone during her entire stay from the dance floor. That is a suggestion to Wyoming!

Our own university has made contributions to this program. Previously, the PHT award was discussed. In the October 9 release, Idaho's problem of housing was discussed. No pertinent solution was reached, but perhaps some other college can help us.

## Fenton Speaks To Ag Engineers Tonight In SUB

F. C. Fenton, President of the National Organization of the American Society of Agricultural Engineers, will speak at a joint meeting of the Idaho and WSC student branches, tonight in the Student Union building.

Head of the department of agricultural engineering at Kansas State college, Fenton has trained men for industry, university work, and federal employment. Nine of Professor Fenton's graduates are now heads of departments of agricultural engineering throughout the country.

**Agenda Announced**  
"Reclamation" is the theme of this group's annual meeting this year. The program will begin with registration at 6:30 p.m. Wednesday, and a movie at 8:30. Thursday's agenda includes various speeches by outstanding visitors and business meetings of the group. Dinners, field trips and a round table discussion are included in the following two days of the program.

## KUOI To Open In Near Future

Radio station KUOI was unable to go on the air last Saturday as previously scheduled, due to circumstances beyond their control.

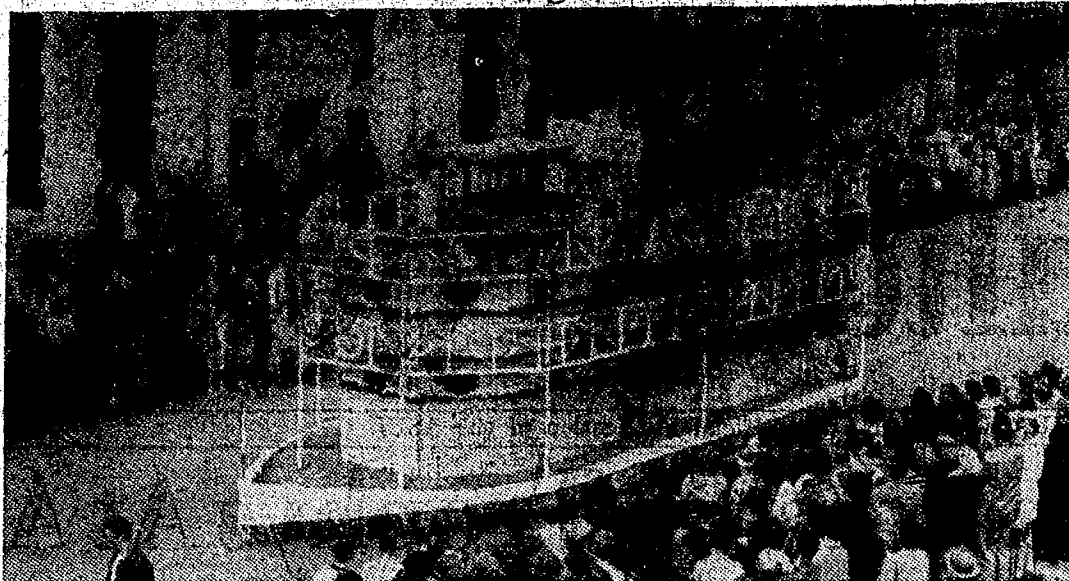

Hired help, complying with union regulations, could not connect the radio station with the necessary power lines, on Saturday, thus making broadcasting impossible. KUOI will go on the air as soon as this work is completed, according to Bob Bernham, chief engineer of the radio station.

Scheduling of auditions for new announcers will be notified in the near future.

## Winning Float

Phi Gamma Delta's second-place winning float, a ferry showboat, gave that fraternity enough points to capture the 36-inch all-around traveling trophy for the third consecutive year. The large trophy was donated by the Spokane Athletic Round Table.

## Successful Idaho Grad Returns For Homecoming

By Kenneth W. Kyle

Last week was Homecoming week on the University campus. Idaho graduates from all parts of the country and all walks of life visited their alma mater, partook of its atmosphere and nostalgia, and departed.

Most of them left surrounded by a mellow, shining light which can only be described as the light of inner satisfaction — satisfaction so far as the football game was concerned, satisfaction relative to the campus building and satisfaction in the way the students of between years handled the now trivial affairs which the grads willed to them at commencement.

One alumnus, however, left Idaho with more than a feeling of satisfaction. His was perhaps more of an exuberation, a pride, and a feeling of "well, they really do remember me." And remembered might he be. He is Talbot Jennings.

This weekend Jennings' play "No More Frontier" will be produced in the University auditorium under auspices of the ASUI. It is by no means his first theatrical effort.

During his college career, Jennings (who is a U of I grad, class of 1924) was able to turn out a pageant "The Light of the Mountain." It was produced the year he graduated, with subsequent performances in 1925 and 1939.

Jennings is a Phi Delta Theta and holder of both B. A. and Doctor of Letters (Hon.) conferred by the University of Idaho. While at Idaho he was active in theatrical work, president of the Curtain club, a president of the English club, editor of "The Blue Bucket," predecessor of the present "Blot," a "Gem" staff member, and prominent in social and welfare activities.

Also in 1924 Jennings found time to take graduate work at Harvard university, returning to Idaho to take a position as instructor in English. Somewhere during the ten years that followed, Jennings turned out a play entitled "This Side Idology" which dealt with the life of William Shakespeare. He sold the play to the Theatre guild in June, 1932, and during its London performance Leslie Howard, a glittering star among glittering stars of the English stage, played the Bard of Avon.

"No More Frontier" has also received commendable acclaim. It was produced in the Pasadena Play house in Pasadena, Calif., and the Yale university theatre has also presented the show, publishing it in the Yale play series through arrangements with Samuel French and Co. of New York. Last weekend Jennings was pleased with the decision to produce his show. Arriving here from his home in California where he has written for M.G.M. and Paramount studios as well as having done a bit of free lance writing, Jennings is much the same man as the Jennings of 1924. Although he has shaved the moustache that was a trademark in those days, and the gaunt, lean, Cassius-like appearance has nearly disappeared, he is still recognized and remembered by his classmates. With him he carried both Argonaut and Idahoan publicity on his show which is to be staged this weekend at his old school.

Jennings left for Montana soon after the homecoming activities were over, but not before he had talked with Idaho drama coach Jean Collette about "No More Frontier." The production has his whole approval and commendation.

The thing that counted most in his return to the university, as it would with any man, was the seeing of his work perpetuated by students who were in much the same college environment and status as he was 26 years ago. To know that he is still remembered is a blessing received by few persons and sought by many.

## Church News

Canterbury Club

A meeting of the club will be held Tuesday at 7:30 p.m. at the Canterbury House. Those planning on joining the organization are requested to bring their dues. Communion and breakfast will be held at 7:00 a. m. Wednesday in the Canterbury House.

Wesley Foundation  
A box social and barn dance are scheduled for Friday night at the Potlatch Legion Cabin. Those desiring transportation meet at the church at 7:30 p.m. The Merry-Weds and M.Y.F. will be our guests.

## Students Invited To Political Rally

An invitation has been extended by Latah county chairman Arnold Moffatt to all University students to hear three top republican candidates in person at the Genesee Legion Hall in Genesee Friday evening.

Herman Welker, Payette, candidate for the United States Senate, 6-year term, Len Jordan, Grangeville, candidate for governor of the state and Dr. John T. Wood, Coeur d'Alene, candidate for First District congress will all appear in person, Moffatt said.

The meeting is slated for 8 p.m. at the Legion Hall. There will be free refreshments for everyone and all persons, regardless of party affiliations, are especially urged to hear these men speak, Moffatt said.

Russians have proved that fleas hear with their legs. Dr. I. M. Krazyvitch comments as follows: "I place a flea in my right hand. Tell him to jump to my left. He does. I repeat this procedure several times. Then, I pull off his legs and order him to jump. He doesn't. Hence, he becomes deaf upon losing his legs."

## Youth Of Today To Lead Tomorrow

"The youth of today will be the military policy formulators of tomorrow," said Maj. A. E. Blewett, Idaho Ass't. PMS&T, as he spoke to "The Boys' Club" in the Lewis-ton high school auditorium Wednesday.

Introducing his talk with a short summarization of our nation's military history at the time of Miles Standish, the one-man army, he went on to describe the present military establishment as provided by the 1947 National Security Act in his address entitled the "Modern American Army."

## THANKS

I want to extend my gratitude and appreciation to the faculty and administration, Jim Lyle, Gale Mix and the students for making this Homecoming an outstanding success. Especially, I want to thank my head committee for their excellent cooperation and coordination which made it a pleasure to work with them.

Alpha Phi Omega also deserves many thanks for their good work in constructing the judges stands and the stand for the queen at half-time.

## A SHORT SHORT STORY

BY THE CANDY KID

ONCE upon a dime I spent some on two big five-cent Tootsie Rolls. I slipped them into my pocket... then called on my date. At first we found one interesting topic after another. Then we ran out... of topics... she saying "I'm longing for even a tiny bit of something sweet"... and that reminded me... I passed her a TOOTSIE ROLL... I went to work on the other. Briefly... let me say... did I make a hit? That chocolate piece of candy sure wins 'em... just as it won me years ago! Try 'em!

# Annual 'Open House' Entertains Alums; Kappa, Alpha Phi Observe Founder's Day

Alums were entertained with the annual "open house" in all the campus living groups immediately following the Homecoming game, while two sororities, Alpha Phi and Kappa Kappa Gamma, also celebrated another annual event, Founder's Day.

Sigma Alpha Epsilon entertained candidates for their freshman queen on Saturday afternoon and Alpha Tau Omega held a fireside Thursday in honor of the Esquire Girl.

**Alpha Phi**  
A Founder's Day dinner was held last week in conjunction with Beta Rho, Alpha Phi chapter at Washington State College.

## Infirmary

Students admitted to the infirmary this weekend were: Mary Ann Tuttle, Marilyn Tanning, Mary Branson, Kenneth Wood, Charles Buchanan, Fred Foss, John Greer, James Kunkel, Kearlee Wright, John Voorhees, and Richard Newton.

Bonnie Allee, Marlene Monroe, Margaret Alley, Richard Nelson, Lillian Garner, John Cummins, Rota Bahm, David Kohr, Mary Branson, Dale Douglas, Louise Longo, Kenneth Wood, Alvin Wright, James Kunkel, John Greer, Charles Buchanan, Mary Ann Tuttle, Harry Bridges, Gerald Leigh, John Voorhees and Richard Newton were dismissed.

Dr. Alley reports that colds have been the most prevalent disease this weekend. He says lack of sleep was probably the cause.

## Vets Must Renew Service Insurance

Many World War II veterans living in the Pacific Northwest will have to convert or renew their present National Service Life Insurance policies sometime this year, according to the Veterans administration.

Especially affected are the veterans who took out their policies in 1942. They run eight years before conversion is necessary.

House guests over the weekend were: Jan Sundeen, Lee Rost, Mary Jean Burke, Drennan Lindsay, Shirley Johnson, Betty Jo Riggs, Aggie and Bea Helander, Fern Bracht, Carolyn McIntee, Pat Collins, Dorothea Eazter, Betsy White, and Alice Rae DeShazer.

## Leave The Trees For Christmas

Early cutting of Christmas trees causes the eventual loss of the trees and destroys the farmers' chances of profit later in the fall, warns Vernon Ravenscroft, extension forester for the university.

Growers are also reminded that the Christmas tree business is a rather hit-and-miss proposition and, therefore, producers should have buyers located before cutting the trees. The trees should not be cut until the leaves of the underbrush and hardwoods turn color and drop off.

Cutters are urged to leave off-color and oddly shaped trees until another year when they have had time to outgrow their troubles. The most popular Christmas trees are Douglas fir, Alpine fir, and some white fir. Scotch pine leads in the east.

## Intramural Tennis

Semi-final matches in the intramural tennis tournament will be held this afternoon with ATO meeting BTP and DTD crossing racquets with KS. Winners of these matches will meet in the championship round tomorrow.

## Many Alums Attend Homecoming Week

Out of town spectators made up a large part of the attendance at Idaho's Homecoming game. Out of approximately 9,500 people, 75 per cent were alumni.

At the parade Saturday morning an estimated 20,000 students, alumni, and townspeople watched the colorful floats sponsored from all of the living groups and many of the honorary groups of the University.

"I would like to extend my sincere thanks to the whole student body, and living groups for making such a fine 1950 Homecoming," stated Mr. James Lyle, alumni secretary.

The First Trust and Savings bank of Moscow awarded a scholarship of \$250 to Lee Whitehead. Patricia Kiez was the winner of the Howard and Linnie Shriver scholarship of \$150.

Six scholarships of \$50 each were presented by the Moscow Lions club. Winners were Jane Perry, Rex Eikun, Shirley Karau, Robert Ware, Joanne Osterlund, and Alvin Curtis.

**Music Scholarships**  
Board of regents scholarships to cover applied music fees, \$80 per semester for two semesters, were awarded to Bonne Lee, Donna Lee Brown, Donna Mae Burch, Joseph Coulter, Shirley Fowler, Ernestine Gohrband, Don McCable, Joyce Powers, Marie Rowberry, and Laurence Vieths.

Winner of the Potlatch Forests, Inc. scholarship of \$100 is Lawrence Johnson. A \$100 scholarship was presented to Betty Thompson by the Idaho Fifth District Educational association.

Twenty-five scholarships of \$100 each were awarded by Sears, Roebuck and company to students in the college of agriculture. Winners include Francis Bates, Wallace Fisher, Raymond Behrman, Darwin Brown, Dick Copeland, Carl Crisp, Caryl Fausett, Max Handy, Ethan Huffaker, Willard Kimmerling, Rolly Lincoln, Jerry McGraw, Douglas Wright, Verl P. Mecham, Mark Olson, Robert Park, Leroy Paulson, Darrell Schnitker, James Shepherd, Charles Schroeder, Bryan Stone, Glen Thomas, Lindley Walkington and Po-Ping Wong. Winner of the \$200 Sears, Roebuck Foundation scholarship was Alfred Brackebusch.

Ronald Braun was presented with a \$250 scholarship by the Sears, Roebuck store in Caldwell.

Four scholarships of \$500 each, one to a student in each University of Idaho class, were presented by Standard Oil company of California to Rex Eikum, freshman, Lois Bush, sophomore, Ralph DeMarr, junior, and James Patterson, senior.

**Newspapers Award**  
Boise Statesman newspaper scholarships of \$100 and \$50 were presented to Connie Christensen, and Gerald McKee. A \$200 scholarship for graduate study in medical technology was presented by the W. K. Kellogg foundation to Elizabeth Bean, Idaho graduate now studying at Holy Cross hospital in Salt Lake City, Utah.

Three scholarships of \$125 each were presented by three northern Idaho newspapers to outstanding students in journalism. Winners

## Here's More About— Two Buildings

A fund of \$10,000 from the university is available to supplement state funds for erection of the college of law building. This sum came to the university in two \$5,000 gifts from an anonymous attorney who is an Idaho alumnus. The gift was given with the intent of having it applied to the construction of a law building.

Plans for the home economics building have been completed by architects. Preliminary specifications are under way for the law building.

The site for the new home economics structure would be erected where the present old engineering building is situated. The engineering structure would be torn down as it has been condemned as unsafe for more than two decades.

The new law structure would be constructed east of the Women's gymnasium at the corner of Pine and University avenues. The law college is now situated in classroom and library quarters in the Administration building. The separation of the college of law from this space would free the room for letters and science classrooms and offices.

The university is at this time completing a five-building construction program which was made possible by appropriations totaling \$2,960,000 from the state's permanent building fund by the 1949 legislature. Included in this program is a new agricultural building, which is now partially occupied; unit number two of Kortley engineering laboratory, now occupied; an engineering classroom building, which has been scheduled for completion by January 1; an executive office addition to the Administration building, which will be completed also by mid-winter; and a music structure scheduled for completion next summer.

Funds were also made available for the remodeling of the old metallurgy building which is near completion now. New classroom space will also be utilized as part of the reconstruction program. The university shops are being reconstructed and will be available for use by the agricultural engineering department.

Bids for a project to add a new entrance to Memorial gymnasium will be opened tomorrow. Funds for this were through savings accumulated in the five-building major construction program as a result of bids being below original

Elizabeth Wilcox is winner of the \$250 scholarship awarded by the Grand Chapter of Idaho, Order of the Eastern Star. The award is for the senior student making the most advancement in music and citizenship. The J. R. and L. W. Randall scholarship of \$250 was presented to Cecil Grow. The Randalls are graduates of Idaho's school of business administration.

**Tomasson Gets \$750**  
One scholarship of \$750 was presented to Tomas Tomasson of Iceland by the Idaho Federation of Women's clubs. Two freshmen, receiving \$400 scholarships granted by the National Association to Assist War Orphans, are Boyd R. Logren and Arthur Anderson. Barbara Pennington was awarded the \$100 scholarship of the Boise Pan Hellenic association.

The Associated Women Students of the University of Idaho awarded three scholarships of \$100 each to Joan Coble, Marilyn Pond, and Lucille Schrom. A \$250 scholarship in music was presented to Barbara Clauser by the Presser Foundation, Philadelphia, Pa. Elsa Jean Trowbridge was awarded a \$50 scholarship by Chapter X of the PEO of Wallace.

## Idaho Represented In Annual Retreat

Twelve Idaho students attended a fall regional retreat which was held last weekend at Lutherhaven on Lake Coeur d'Alene. This retreat is an annual affair of the Lutheran Students association.

Representatives from 20 Northwest colleges were present, making a total of 120 persons. Dr. L. N. Fields, Great Falls, Montana, was the principal speaker.

Students attending the retreat were: Allen Ingebritsen, Linda Lee Marsyla, Caryl Ingebritsen, Jack Harris, Harold Brammer and Frank Gunn. Also Bob Polmquist, Marge Hattan, Carol Erickson, Bud Gibson, John Blom and George Haugland were present.

## Idaho Dames Club To Meet Wednesday

Beginners and advanced bridge players of Idaho Dames Club will play in the north conference room of the Student Union building, Wednesday at 8 p.m. Admission is one nickel.

The University of Idaho Dames Club will have handicraft in the Moscow Recreation Center, 113 South Main, Thursday at 8 p.m. Members are to bring 15 cents to pay for the plaster of Paris that will be used for pouring figurines, bookends, and other items.

## Willis Sweet No. 2 Posts 5th IM Win

Willis Sweet No. 2 showed its power again last night by swamping Lindley Hall No. 2, 39-0, in one of three intramural football games played yesterday. Chrisman Hall No. 1 copped a 29-6 decision over Idaho Club, and Delta Tau Delta tripped the Tekes, 12-7 in the remaining battles. PDT over LCA, CC No. 2 over PH No. 2, and PH No. 4 over CH No. 2 were won by forfeit.

estimates when the appropriation was made.

## Geologist Explores

Dr. Walter Youngquist, geologist at the university will speak on the "Current Geological Exploration in Southern Idaho" at the dinner meeting of the Society of Sigma Xi at 6:30 tonight. The meeting will be in the north ballroom of the Student Union building.

### Christian Helps Upset Duck Dope Bucket In Homecoming Fracas

Glenn Christian, speedy, 185-pound Vandal halfback, took a hand-off from Max Glaves, Idaho quarterback, to rip off a sizeable gain in the opening quarter of last Saturday's 14-0 upset of Oregon. The run was one of many brilliant runs by Christian. Two Oregon defensive backs, Countryman (29) and Holmes (31) close in for the kill. Glaves (20) is shown coming up to attempt a block. The Vandal conquest was the first Idaho win over the Ducks since 1926.

## Idaho Dumps Oregon Ducks For 14-0 Homecoming Win

### Vandals Snap Webfoots Jinx With First Victory Since 1926

Coach Dixie Howell's duck shooting Vandals paid off old scores before 12,500 Homecoming fans Saturday afternoon as Idaho opened up both barrels on the University of Oregon and nailed down a sweet 14 to 0 victory.

The win was the Vandals' first over the Oregon school since 1925 when an Idaho club coached by Bob Matthews won 6-0.

A hard-driving running game combined with an accurate passing attack netted Idaho 331 yards to the Webfoots' 206. The margin of difference being more than enough for the win.

Blazing charges by fullback King Block and halfback Glen Christian, and the running and aerial heaving of John Brogan and Max Glaves racked up yardage for Idaho and supplied them with their first PCC win this year. Brogan played a total of 57 minutes and helped to spark Idaho's surprisingly strong pass defense with two interceptions.

Idaho set their scoring pattern early in the opening period when they cracked over for a touchdown the first time they got the pork-hide. An offensive holding penalty nullified the score, however, and the Oregon defense had time to jell.

The Vandals started the initial march on their own 27 after Oregon punted. A quick series of ground plays moved them up to the 38 where Glen Christian shook loose on a bootleg, and moved around left end for 15-yards to the Duck 47.

#### Six That Didn't Count

Brogan then passed 40-yards to Sophomore Jerry Ogle who made one of his air-ladder catches on the Webfoot seven. Block powered to the one yard stripe, and after a fumble, Brogan smacked over right tackle into the end zone. A flag was signaled on the play—Idaho was slapped with a 15-yard holding penalty and the setback momentarily crippled the Idaho offense.

Oregon booted out to the Idaho 48 but two plays later Jerry Ogle took a Brogan pass over center and was knocked loose from the ball—Oregon recovering on their own 40.

A 15-yard penalty and three straight incomplete passes by Stelle forced the Oregonians to punt, Calderwood kicking dead on the Idaho 41.

Idaho again began to bite off chunks of yardage as they set their ground machine in motion. Brogan and Christian carried to the Oregon 46. Block cut out a yard on the left side and Brogan hit Glaves with a six-yard rifle shot on the Oregon 41.

#### Seven That Did Count

Glaves then sent Christian around the left side on a reverse and the Idaho scooter raced down to the Oregon 22 before five Ducks could feather and tar him. Christian punched out three more yards on the same play as the quarter ended.

Fullback King Block took over the ball-packing duties at this point and he roared down to the Green and White five. Brogan knifed off right tackle to the Webfoot one and Block capped the drive by smashing straight through the middle with the clock 1 minute and 25 seconds deep in the second quarter.

Glen Christian's kick soared over the bar and Idaho led 7 to 0. The Ducks were still very much in the picture and they snapped right back by recovering Max Glaves' fumble on the Idaho 27 after the Idaho quarterback had taken a pass from Brogan.

Sophomore quarterback Wayne Anderson put his Vandal teammates back in possession a play later when he made a nose-dive catch of an Oregon pass on the

### Idaho Opponents Suffer Rough Afternoon

Three of the opponents remaining on the Vandals 1950 slate were victorious in their individual contests played on Saturday. Two other elevens that face Idaho this season bowed down in defeat.

Washington State college narrowly escaped being spilled by Montana's Grizzlies in Missoula, the final score favoring the Cougars 14-7. Lady luck played host to the Cougars, who held off two Grizzly scoring attempts that reached the one yard line in the late stages of the game. Idaho meets the Cougars in Pullman October 28.

#### Cowpokes have Scoring Punch

The roughriding Cowboys from Wyoming maintained their Skyline Six dominance by trouncing Utah State 40-7. Idaho football fans will have a chance to see the Cowboys, one of the most highly touted elevens in the west, when they play in Moscow in a Dad's Day contest, November fourth.

Oregon State college, which is having a not-to-successful season, took it on the nose from the Washington Huskies, 35-6. Washington, the Northwest candidate for the Rose Bowl, found little resistance in the Beaver defense.

Boston University dropped into the defeated ranks by bowing to St. Bonaventure 25 to 21 Friday night.

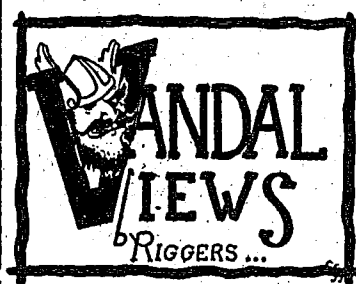

Arizona State's highly-rated Sun Devils suffered their first loss of the season at the hands of Hardin Simmons university, 41 to 14.

as time ran out.

During the first half, Idaho completed every pass they threw. The Vandals left the field at intermission with a four-for-four mark.

Dixie sent his Homecoming champs to the training room yesterday afternoon to get the aches and pains worked out after their 14-0 shutout over the Oregon Ducks Saturday.

One of the first players to get the rubdown was star end Rich LeDuc. If Coach Aiken of the Ducks let his boys work out the sore spots in the training room he probably had to pack his left

## Vandal Babes Humiliated 30-7 By WSC Frosh Squad

By Ron Johnson

A listless University of Idaho freshman football squad was administered its first defeat of the 1950 season last Friday afternoon as the Couababes of Washington State college ran and passed at will to roll to an easy 30-7 victory. Led by a three touchdown splurge by fullback Jim Head, the winners started off early and were never threatened.

The first scrimmage play of the game set the pattern for the contest. Head took a handoff from quarterback Terry Campbell and rambled 72 yards straight down the center of the field to make it a 6-0 ball game before 30 seconds had elapsed.

The Cougars' second counter came with two minutes remaining in the first quarter when Head plunged 4 yards. Bob Burkhardt failed to make the point for the second time and the score remained 12-0.

Head went over from 5 yards out with 8 minutes gone in the second period to account for his third straight six-pointer and the 18-0 half-time score.

It took only four minutes after the second half began for the Cougars' Jim Rouch to find the goal line on a 27 yards dash around end.

The final scoring of the day for Washington State saw Wayne Berry toss a 19-yard pass to Terry Campbell. The try for point was missed for the fifth consecutive time, and this phase of the game was the only one dominated by the Vandals who later scored one point after touchdown.

#### Idaho Drives 61 Yards

Idaho's only tally came as a result of a sustained 61 yard drive. The passes of Ted Katseanes ate up much of the yardage before Walt Dell went over from the one foot line on fourth down. Larry Morrison had the honor of scoring the final point of the day.

The Cougars had many good performances turned in but the most spectacular men on the field were Head, Campbell, Berry and Doug Lowden in the backfield and Vic Weitz, who captained the game, at tackle. Walt Dell, the Coeur d'Alene flash, was the only consistent backfield performer for Idaho, and he did exceptionally well considering the blocking given to him by his teammates.

Gerry Leigh, defensive center on the Idaho squad, suffered two broken ribs in the third period and it is doubtful if he will see further action this season. This situation leaves Coach Art Smith with only two centers on the entire squad.

end Dick Daugherty in himself. Daugherty had the misfortune of drawing the starting assignment opposite LeDuc.

Rich's fierce tackling and ability to diagnose plays was the outstanding feature in the big goose egg that appeared under U of O on the score board.

Rich has other interests besides football. He likes to work in a round of golf now and then, but most of his extra time is spent around the DG house. Miss Dayl Canfield has consented to become Mrs. Rich LeDuc December 19th.

The Physical Education major picked up his pre-college football know-how at Lewis-Clark of Spokane. He played three years as end for the Tigers, twice representing the team on the All-City eleven. As a senior, Rich captained the All-State game at Seattle in 1947.
