

BLOOD DRIVE STARTING TODAY

Two Thousand Donors Needed To Set Record

A C-46 transport plane will fly blood donations from the University of Idaho directly to San Francisco each day during the campus blood drive, beginning today through Friday. The plane was scheduled by Major General Emmett "Rosy" O'Donnell, commanding general of the Fifteenth Air Force.

The continental air command C-46 transport plane will circle Moscow twice and then land at the Pullman-Moscow airport at 6 p. m. to pick up the blood. General O'Donnell, stationed at March Air Force base in California, issued the command several days ago to the Larson Air Force base, Moses Lake.

Two bloodmobile units under the direction of Dr. E. S. Sestero, Idaho Red Cross blood center director, will extract the blood making it possible to take care of 75 donors each hour and 600 per day.

At this rate the 2000-pint quota can be reached if the donors keep

coming, according to Jim Dunham, chairman of the drive. If the 2000 pints cannot be collected on the campus the committee will cover the town to find donors to fill the quota.

Hope to Regain Title

In order to gain back the title of the "Bloodiest Campus," donors must all be students, and townspeople's donations cannot be counted toward this. However, the committee feels it is more important to get the blood than to regain the title.

Prospective donors, students and faculty, have been asked to make

appointments if possible to speed the procedure. Attendants will try to keep waiting lines at a minimum. Students and townspeople will serve as nurses' aides, receptionists, and typists.

Sixty dozen cookies have been donated by the Women's Society of Christian Service of the Moscow Methodist church, to be served to donors.

The blood rally tonight will feature the introduction of "Plasma Princess" candidates. Those vying for the honor are Leah Jensen, homecoming queen; Phyllis Ralstin, Miss Idaho of 1951; Margaret Alley, Holly queen; Betty Anderson, Little International queen; and June Carr, May queen.

It has been requested that all living groups have 5:30 dinner this evening, so there can be a unanimous turnout at the rally, according to Bill Shaw, yell king, who will direct the rally. It will begin at Pine hall at 6:15 p. m. and take the usual route around the campus, terminating at the Stu-

dent Union building, where the queens will be introduced.

Entertainment Slated

Also included on the entertainment program are the following: Jim Costley and Lucy Spencer, in a comedy act; Tom Hennessey, guitar; Slim Pickens and his Mountaineers, selected numbers; and Bill Exworthy, accordion.

"Corpuscle Capers" a dance for blood donors, will climax the blood drive Friday evening at 9:00 in the South ballroom of the SUB. A hole in the arm from giving blood is the only admission necessary. Athletes and others who are ineligible to give blood will receive complimentary tickets at the refreshment table at the blood bank.

The "Plasma Princess" will be crowned at Friday's dance.

Progress Checked

Students can check the progress of the drive by watching the scale on the miniature "I" tower tank, which has been placed outside the Student Union Building. The tower was built by Don Housley and

Victor Ransom, University engineering students.

This Spring's blood drive is in conjunction with "Idaho Blood month" which ends April 26. The state's quota was 4329 pints which included the University's quota of 2000 pints.

Last fall's record of 1014 pints will have to be topped by 986 pints to meet the new quota. That sum was only 33 per cent of the student body, and this drive's goal is to beat the record set by the University of British Columbia, with 54.61 per cent of the student body.

"No one will be turned away," said Jim Dunham, "during this spring's four day drive."

The only limitation noted is that students under 21 years of age must have a release signed by their parents if they wish to donate blood. Releases have been distributed at the various living groups. And donors must not have donated blood in the last two months.

One Will Be 'Plasma Princess'

Students who donate a pint of blood in the drive this week will have the opportunity to vote for a "Plasma Princess"—a queen of the blood drive. The six candidates for the title are all holders of previous queen titles. Shown above, they are (seated from left to right) Leah Jensen, Betty Anderson, Margaret Alley, (standing left to right) June Carr, Phyllis Ralstin, and Norma Cox.

Ag Students Polish Techniques For Little International Contests

If things go according to plan, there will be some two-thousand needle jabs on campus this week. A lot of planning has been done for the blood drive, and much publicity has been given it. Starting today it is up to you to make this drive a success.

Don't consider the breaking of records as the big reason for the blood drive. Every pint of blood given here will go straight to the guys in Korea—that is the reason for giving blood. With that real reason in mind, we are sure a record will be broken as a matter of course.

Jason would like to give a pat on the collective back of James Dunham and his blood drive committee. They have worked long and hard on plans for the drive, and if it isn't a success it won't be their fault.

It is hard for us, sitting here in the quietude of the knowledge factory, to realize just how much a pint of our blood could mean to a GI who has lost a pint of his own. After being punctured by a piece of steel, it must be quite disconcerting to watch your blood trickle to the ground.

We think it's a good idea to give a pint of blood—don't you?

Seems the Air Force is having trouble. People don't want to fly their airplanes.

Flopping through the clouds has lost its appeal for the "old-men" of the Air Force, it seems, for several veterans with long combat records have refused to fly—saying they have lost their youthful spirit to fly. Several have said they don't want to fly—and to hell with the consequences.

Like the candy store owner who gave away his wares to an eager bunch of kids and soon found their youthful appetites sickened on too much of the stuff—so the Air Force has found that glitter and glory has worn thin and the youngsters have lost their appetites.

So now the Air Force must nurse their sick kids over the rough spots and then dress up the candy so it looks better—it might fool 'em for a while. But we doubt that the Air Force will be able to sell a new bill of goods to their veterans in uniform.

The guys who have been through the mill have their belly's full of "wild-blue yonder." It looks like the bid bird men will have to find a new crop of young kids with fire in their eyes and recklessness in their hearts. They will fly the airplanes until the shine wears off.

And what if we run out of young men? Well, maybe we will run out of Russians some day, too.

Military Ball Brings Out 450 Couples

Military splendor held the spotlight on the Idaho campus Saturday night as more than 450 couples danced in formal attire at the Military Ball under the sponsorship this year of all three military ROTC units on the campus. Complete with grand march and drill team performances the all-campus dance was held in the SUB ballroom from 9 to 12 p. m.

Couples danced in uniform and formal dress to the music of Al Reeves and his 17-piece orchestra from Cheney, Wash. The dance atmosphere was accentuated by American flags, banners and guidons. The main display was placed behind the orchestra with a golden eagle and unit colors mounted against a blue background. The orchestra was placed in the eastern part of the middle ballroom.

Members of the navy, army, and air force ROTC units attended the (Continued on Page 2, Col. 7)

Yell Tryouts

Cheerleader tryouts are on schedule for April 29 and 30 at 7 p. m. in the SUB. Preliminary tryouts will be held Tuesday, April 29 while the finals are Wednesday, April 30.

Interested students are asked to leave their applications in the general manager's office before that day. Contestants may try out as teams or individually. There is no set number of cheerleaders to be named and competition is equally open to both men and coeds.

Porter Selected To Lead Knights

Dave Porter was elected Honorable Duke of the Ball and Chain chapter of Intercollegiate Knights, national honorary service fraternity, last Monday evening.

Those chosen to assist him in the governing activities for the next year are: Woody Bernard, worthy scribe; Dave Poluton, chancellor; Jerry Scheideman, historian; Dick Tirk, pledge trainer; Bill Parsons, social chairman; Dick Kunkul, sergeant-at-arms; and Ed Johnson, nobleman.

"Agriculture to Feed the World" has been chosen the theme for the 26th annual Little International Agriculture show to be presented Saturday, April 26, in the University field house.

Glenn and Lake Win Second Place In Debate Meet

One Idaho debate team returned victorious Friday night and another left after new honors Saturday morning. Returning victorious with three trophies was the team of Meredith Glenn and Kent Lake who placed second in debate in the Pacific Forensic League tournament held in Seattle last week. For this effort they gained two trophies, one for each team member.

The third trophy came from a second place garnered by Kent Lake in extemporaneous speaking. While debating, the Idaho team met some of the finest teams on the Pacific coast, meeting such teams as USC, Nevada, Oregon, OSC and Stanford.

Leaving for new honors Saturday was the team of Dean Holyoak and Charles McDevitt who this week will compete in the national West Point college debate tournament. Accompanying the team is Idaho speech coach Dr. A. E. Whitehead.

During the tournament Holyoak and McDevitt will compete with 32 selected college teams from throughout the nation. McDevitt and Holyoak were elected by the Northwest district committee after topping senior division debaters of five states in the Linfield college tournament at McMinnville, Oregon, last month.

Schupfer Receives 1952 Press Award

Maribel Schupfer, senior journalism major, recently received the Idaho Press Woman award for 1952 according to word from Oscar J. Buttedahl of Meridian, president of the Idaho Press association.

Buttedahl said, "Miss Schupfer has shown great competency in handling a wide range of feature story material and this, plus her skill in news photography tips the scales in her favor to receive the award."

For judging Miss Schupfer submitted articles and clippings from the Daily Idahonian, the Spokane Daily Chronicle, and the Lewiston Morning-Tribune and in addition a number of photographs of news value.

She has been working six hours weekly on the Moscow newspaper since September as the laboratory part of her course in News Reporting and has worked on the Argonaut and Gem. Miss Schupfer will enter newspaper work in the fall of next year.

Korean Vet Tells Need For Blood

"It made me feel kind of proud to be from Idaho when I read in Life magazine about Texas trying to beat the University's blood drive record. They need that blood over there."

And medical Corpsman James L. Rock, better known as Jim, knew whereof he spoke. Jim left the front lines in Korea on February 21 and was spending a few days in Moscow visiting his sister, Mrs. Gordon MacKay.

Jim was with the 7th regiment of the 1st Marine Division and spent most of his 20 months in Korea with front line hospitals. He praised the work the student blood drive committee was doing and stressed the fact that they always need more blood. "It doesn't hurt to give a pint of blood," he said, "and it can save a life."

When a person undergoes surgery, at the front, he goes into shock too and Jim explained that it takes whole blood to bring them out of it. He told of men in such extreme shock that corpsmen couldn't find their veins who regained their color after two pints of blood and laugh and joke with the attendants. "It's uncanny," he said.

Thanks to whole blood, men in Korea have a 90 per cent better chance of coming out alive than

James L. Rock during the last war, Jim said. It takes five days to get the whole blood to Korea from the States and it lasts about 10 days. Whole blood that isn't used within this time is sent back to make plasma. It is not necessary to send to Japan for whole blood, he pointed out. There are facilities to keep it within 10 miles of the front lines.

He mentioned the story of a lieutenant who had been shot in the spleen. Doctors had blood running into him continuously for 36 hours, using nearly 90 pints. When he got better the lieutenant was shipped back to Japan and then home. Jim claimed "he wouldn't have had a chance without whole blood," and added he had received a letter from the lieutenant saying he had just married.

Jim was graduated from Idaho (Continued on Page 2, Col. 2)

Apply Now

All students now in residence at the University, who plan to attend the 1952 summer session should make application for permits to register in the Registrar's office as soon as possible.

This will avoid delays in issuing permits at registration time.

University Visited By Noted Violinist

David Rubinfon, violinist who has been given great public acclaim, visited the University yesterday and gave a short and informal concert in the Recital hall of the music building.

Due to short notice of his visit only a small crowd was on hand to hear the violinist tell of some of his experiences and play a few selections.

During his half hour program he played a number he composed "Dance of the Russian Peasant." After briefly telling the story of how "Clair De Lune" was written, he played his special arrangement for the violin. Then he played several variations of "Don't Fence Me In."

Rubinfon commented on a large pocket watch given to him by Bill Rogers and engraved on the back with "To the greatest Fiddler in the World."

Before leaving, Rubinfon mentioned the beautiful music building, saying it lacked only inspiration. "You can't go down to a drugstore and ask for \$10 worth of inspiration," he said. "Inspiration is in the heart."

Final Appearance

With the Vandaleers on their current tour through the state are four seniors for whom this will be the final trip with the singing group. Shown above with Vandaleer director Glen R. Lockery, second from right, they are (l. to r.) Joanne Peters, Naomi Nokes, Gerald Goecke, and Patricia Duncan. The Vandaleers left the campus Sunday morning and will be on tour throughout the week.

'Ladies Of The Jury' Opens Friday Night In Auditorium

"Ladies of the Jury," the spring ASUI production to be given Friday and Saturday in the University auditorium, may be considered one of the brightest comedies ever written about a murder trial, according to word received in a publicity release from the drama department.

The play revolves around a serious situation, but is handled so that the play takes on an amusing feature. The play will begin at 8:15 p. m. and tickets are now on sale at the Bookstore for those who do not have student cards.

The play, according to the press release, is rich in characterization, and nationality sketches, and bright dialogue is used freely to give a lively effect to the whole production.

Lawyers and witnesses make their entrances through the ranks of the audience who portray courtroom spectators.

Directed by Edmund Chavez, the three act play has the following cast members: Marv Alexander, Tom Wright, Tom Butera, Ted Torok, Roger Styner, Fred Burton, Frank Miles, Ron Baker, Bill Hassler, and Andy Tozier.

Other members of the cast include: Irene Sterling, Rod Henderson, Jerry Sperazo, Sharon Henderson, Mona Rosenau, Marietta Closs, Bonese Collins, Lilli Fle Platt, Ida Mae Collette, and Charles La Follette.

NSA PREXY TO SPEAK

Bill Dentzer, national president of NSA, is scheduled to speak here Friday to Idaho students on the organization. The exact time of his address will be announced later in the week. Dentzer will attend the regional conference of NSA slated for WSC May 2, 3, 4.

Journalists To Confer On Campus

Over 150 high school journalists from towns throughout Idaho will register for the sixth annual Idaho high school journalism conference at 8:30 o'clock Friday morning in the SUB. Glenn Balch of Boise will be the featured speaker.

Towns represented in the conference are: Bonners Ferry, American Falls, Mullan, Lewiston, Grangeville, Post Falls, Nampa, Blackfoot, Driggs, Kamiah, Burley, Winchester, New Plymouth, Genesee, Kuna, Troy, Moscow, Kingston, Worley and Fruitland.

President J. E. Buchanan will give an address of welcome to the visitors at 10 a. m. At 10:30 a panel discussion on yearbook problems will be presented by the Lewiston high school students of Robert L. Holbrook. Alfred C. Dunn, Associate Professor of art at the University will be moderator.

Following lunch for advisors in the Vandal room the students of Mrs. Genevieve Powell of Blackfoot will give a panel discussion on Newspaper problems. (Continued on Page 2, Col. 4)

COMING EVENTS

- Today:
- Sigma Delta Chi meeting, 4:30 p. m., Arg office.
 - Mortar Board meeting, 5 p. m., Executive board room.
 - AIEE meeting, 7:30 p. m., Kirtley lab 221.
 - IFC meeting, 7:30 p. m., SUB conference room A. Rush rules to be approved.
- Wednesday:
- Blue Key meeting, 12:30 p. m., SUB second floor lounge.
 - Vandal Riders meeting, 6:45 p. m., SUB town girls lounge. Rodeo team pictures taken.
 - United Caucus meeting, 7 p. m., SUB conference room B.
 - TMA meeting, 7:30 p. m., Town men's room, SUB. Further election of officers to be held and other plans discussed.
 - Dames club meeting, 8 p. m., Campus Christian Center. Bridge and handicraft.
 - Open political science class, address by Edzart Obendick on occupation policy in Germany, Ad 311, 3:10.

Warehouses On Campus Torn Down

One of the familiar eyesores on the campus has almost completely disappeared from view within the past week. With the removal of the second tarpaper barracks the job will be finished.

Men with hammers and machines are making short work of the removal of the barracks which are located behind Willis Sweet and Chrisman Halls.

The buildings originally were CCC barracks. They were moved to Idaho sometime during the war and served as temporary housing. For the past few years they have acted as warehouses for the dormitories. New warehouses have been located near the maintenance shops and the buildings have now been abandoned.

The dismembered parts have been left on the corner of 3rd and Line Streets, across from Pine Hall, where the general public can take the scrap lumber for the asking.

Soon to experience the same fate as the first building is its mate Warehouse No. 5. It is to be torn down shortly. The new added space where the two buildings stood is expected to be turned into added parking space for the men's dorms in the area.

In keeping with the University's plans for the general improvement of the campus, other buildings are also to meet the same fate. University engineer, George Gagon reports that during the summer Lindley hall annex will probably be removed as well as some of the old music practice buildings.

The removal of the two warehouses is expected to be the first of a long range improvement of the campus which will take place over the next few years.

Young Democrats Select Officers

The Young Democrats of the University of Idaho held their second organizational meeting Wednesday, April 16, in the Student Union and included election of officers.

The following permanent officers were elected: Ellis Spackman, president; Lucy Spencer, secretary; and Jack Smiley, treasurer. Don Amos and Kenneth Meppen were elected delegates to the Idaho Democratic Convention which was held in Lewiston April 21. Hale Tognoni was elected alternate delegate.

William O'Meara, president of the Latah County Young Democrats, presided over the meeting until elections were held.

The next meeting will be held in conference room A of the Union tomorrow at 7:30 p.m. At this time a report will be heard from the delegates upon the convention activities.

Any students who are Democrats and did not attend the first meetings are welcome to attend the Wednesday meeting.

Here's More About—Journalists

Gibbs, University editor and director of information will be moderator.

William Johnston, managing editor. There will be an important speak at 3:30 p.m. on "Opportunities in Journalism." A banquet for the conference representatives will be given in the north ball room. There will be introductions, a short talk and entertainment.

Glenn Balch will speak on "This Writing Business" at 9:30 o'clock Saturday morning. Balch, who lives in Boise, has had books and stories for young people published. Comments and wards on Idaho high school newspapers will be given by Wayne T. Young, professor and chairman of journalism at the University.

The girl who asks point blank for a diamond ring is likely to find her fiance stone deaf.

- Agenda**
1. Budget study.
 2. NSA.
 3. Conference on higher education report.
 4. Policy on liquor.

Lloyd Is Named Outstanding Grad

"Foresters are custodians of the nation's resources," said James C. Evenden, head of the Forest Insect Laboratory at Coeur d'Alene, at the Forester's banquet Friday. The banquet culminated Idaho Forestry Week, April 13 through 19.

Evenden, former president of the Society of American Foresters and one of the foremost entomologists in the country, outlined the responsibilities of the graduating forester and forestry as a profession.

About 120 attended the banquet including forest service personnel and representatives of forestry industries. The president and vice president of WSC's forestry club were also guests.

Duane Lloyd, senior in range management, was given the Xi Sigma Pi award, in recognition as the most outstanding senior in the school of forestry. The honorary presents the award annually. The award pays two years membership in the American Society of Range Management.

"Knowing Your Trees," a book for boys interested in forestry, was presented to Lee Jones, patrol leader of the Vagabond Patrol, troop No. 124, Boy Scouts from Kamiah, Idaho. The group won the "Your Forests and You" contest, sponsored by the Associated Foresters by planting 1000 trees, setting up a coniferous tree nursery as a patrol project.

The whole troop attended the banquet. Their expenses were paid by the Associated Foresters. Entertainment at the banquet was provided by Jim Edlefsen and Hiram Fry, guitar players, and by Jim Wilson, who did impersona-

Here's More About—Military Ball

event which was also open to all other campus students and their dates.

A receiving line preceded the dancing with Pres. and Mrs. J. E. Buchanan, Capt. and Mrs. T. C. Thomas, Lt. Col. and Mrs. A. E. Mosman, Lt. Col. and Mrs. A. E. Blewett, greeting the dance attendants. President and Mrs. Buchanan led the grand march of all attending the dance.

Refreshments were served in the SUB cafeteria following a performance by the Navy drill team in the ballroom under the direction of Bill Tyzinski. Pre-dance activities included a military retreat last Thursday and a serenade of all women's living groups by the Navy glee club on April 15.

A central committee composed of members from Arnold Air society, Scabbard and Blade, and Eagle and Anchor coordinated dance preparations.

According to Jim Oates, general chairman of the Military ball, Saturday night's event was the greatest success of the group dance since 1941. Oates also expressed his thanks for all cooperation received to make the dance successful.

MORE SCHOLARSHIPS

Enlargement of the scholarship program for first year students entering the law school of the University of Pennsylvania in the fall of this year has been announced by that university. To be awarded on

the basis of scholastic promise and financial need, the scholarships generally will range from \$750 to \$1,400, and in exceptional cases larger grants may be made.

Did your watch stop when it dropped on the floor? asked a man of his friend. Sure, was the answer. Did you think it would go through?

Time For Spring Cleaning

Clean 'er up! No, son—not the election—the campus. Next Saturday that illustrious key to nonselective service, namely Blue Key, is sponsoring its annual cleanup day.

At the end of the celebration there shouldn't be a straying dead leaf, cigarette butt or scrap of paper left to clutter up the campus. The job this year won't be as bad as it has in the past, for a lot of work has already been done by ambitious students to get things in shape. The buildings and grounds crew has been busy too.

So a couple of hours of work by fellows and gals all over the campus should put things in good shape for the rest of the year. Don't forget to use those trash cans in front of most of the buildings when you're throwing away a cigarette or scrap of paper. That way the old range will stay clean.

K.L.K.

Reason For Blood-Letting

Now that Terry has been located, Spray has been exonerated, and the missing blood plasma returned, Terry and the Pirates (not the ones from Pittsburg) fans can breathe easier. The blood is on its rightful way, but the University of Idaho students are going right on with preparations for another shipment to follow it.

If all goes well, 2,000 people will get the needle between today and Friday, making Idaho bloodier than ever.

Of course the record's not the real reason why we should give blood. It's for a plenty good cause. Every person on this campus knows someone who is now in Korea. Chances are three-quarters of the people here know someone who has been hurt since the war began.

When you stop to think about it, no one would turn down a friend if he needed a transfusion in his home town. The same idea prevails here. This is not only a chance to get nationwide recognition for our University but also to help a guy you might know.

The University's fourth blood drive is its attempt to soar over the 54.61 per cent record set by the University of British Columbia. The drive is being pushed by Jim Dunham, who captained last fall's record getting campaign. He and the people working with him have spent the time and energy to get the drive organized and under way.

It is up to the students to make the drive successful. It really shouldn't be so hard, with the blood running so close to the surface in the spring anyway.

Challenge

We, the undersigned, feel that we have capabilities that far exceed any other girls' living group on this campus and feel quite sure we can prove our point at the Little International Coed Cow Milking Contest. Therefore we would like to prove our capabilities by challenging any coed house milking team to the most amount of "moo juice" in the shortest amount of time and the ye old handle pulling. The competition is to take place at the University field house Saturday night, April 26, 1952—at the designated time of such contest to be held during the evening show. We would advise that any group accepting the challenge had better put in a little time practicing for we are very confident of ourselves.

The Alpha Phi Milking Team.

Acceptance

We, the members of the sophomore class, being of sound mind and body, do hereby, on this 22nd day of April, accept the challenge tendered to us by the degenerate freshman class.

We sincerely hope that the micromillimeters of blood which will be forced from your atrophic vessels in the so-called "bodies" of the class of '55 (theoretically) will have no dire after effects upon the above mentioned class, to prevent you from witnessing the punishment which will be meted to your class officers by us, the inevitable victors in this duel.

The Sophomore Class.

Acceptance

To the honorable and physically fat (in the head) senior army ROTC student would-be bowlers:

We the honorable members of the Army ROTC staff do hereby accept the idiotic and insubordinate asserted challenge of the above described fat-headed embryo officers and will accept on all points enumerated, within the challenge with the understanding that all bowling arrangements be made by the challengers.

The Army Staff

Here's More About—Korean Vet

Falls high school in 1949 and enlisted in the Marines in March, 1950. In June, 1950, he went to Korea. When his present leave is up, he will report to Clearfield, Utah, for further duty.

Believing that actions speak louder than words, Jim donated his third pint of blood during the Moscow blood drive at the time he was here. Previously he had donated in Idaho Falls and in Oakland, Calif., after he enlisted.

WERE YOU BORN IN APRIL?

Then your zodiac sign is Aries (The Ram.) According to Professor I. C. Hall, you are ambitious, high spirited, generous and chivalrous. You are apt to be a leader, a pioneer, an idealist, but consistency is not among your virtues. You are inclined to start new things before you finish the old. So, restrain yourself! Polish off that first hamburger, before you re-order!

IT WAS IN APRIL, 1897, that the Washington Water Power Co. acquired the Upper Falls site, and it was in April, 1922, that the power station was built there. So, W.W.P. pioneered low cost electric power in the Inland Empire and has continued bringing better electric service for more than 63 years.

DAVIDS'

Sunny Weather Swamps The Campus With Spring Deluge Of Picnic Plans

Delta Gammas entertained Sunday morning at their annual "Bunny Breakfast."

Picnics hold the limelight with Lambda Chi starting the trend last weekend at Spalding Park. Gamma Phi, Sigma Nu, and Alpha Phi will follow suit in the near future.

Tri-Delta pledges paddles to their big sisters at their annual Paddle Dinner.

Delta Gamma was entertained Sunday morning, April 20, at 9:30 o'clock at the annual "Easter Bunny" breakfast. The tables were decked with flowers and candelabra for the affair.

Plans are under way for the annual exchange with the Delta Gammas from WSC. The Moscow chapter will be hostesses to the WSC girls next Sunday at breakfast.

Lambda Chi Alpha
Sunday, all Lambda Chi and their dates had a picnic at Spalding Park on the banks of the Clearwater River. Sunbathing, softball, and mountain climbing furnished entertainment for the afternoon.

Delta Delta Delta
Pledges sponsored the annual Paddle Dinner last Thursday in honor of their big sisters. The paddles were presented at that time. Special guests were Mrs. Strohl, the cook, and the hashers.

Pat Duffy was a dinner guest Wednesday evening. Pat talked to the Tri-Deltas regarding the Greek party.

Ridenbaugh Hall
Ridenbaugh hall will sponsor their spring formal Friday, April 25. Marilyn Dustin is chairman of decorations.

Alpha Phi
Plans are being made for a house picnic for May 3. Zoe Wendal is chairman.

Weekend guests were Terra Littlefield, Clarkston, and Pat Stewart, Coeur d'Alene.

Gamma Phi Beta
Spalding Park will provide a setting for a picnic being planned with the Sigma Nu pledges.

Mrs. Ted Shelley was a dinner guest Thursday evening.

Hays Hall
Comic costumes and funny faces created the atmosphere for the Frosh dinner Thursday evening. Each Frosh, in appropriate garb, entertained the sophomores as famous historical characters or characters from comic strips. A variety of short skits during the dinner was followed by a short program after dinner.

Ken Kornher, Independent candidate for ASUI president, was a dinner guest last week.

Weekend guests included: Darlene Shull and June Hammons, Priest River; Virginia Clemons, Pullman; and Arlene Larson and Joyce Rowan.

Engagements
Eleanor Powell announced her engagement to Bruce Budge at dinner April 17. Place cards were two yellow cards with the names "Eleanor and Bruce," on a gray card with the poem, "Daisies Tell In Early Spring About a New Engagement Ring."

The ring was passed in a nosegay of yellow roses and ranunculaceous, down the table bedecked with spring flowers. No definite wedding date has been set.

Miss Powell is an Alpha Phi from Moscow; Budge, also from Moscow, is affiliated with Phi Gamma Delta.

Carol Erickson was a guest at the announcement.

Wiley-Hall
Terrye Wiley announced her engagement to Robert C. Hall at dinner Thursday evening at the Gamma Phi Beta house.

Miniature story books in two chapters giving a description of the prospective bride and groom, and conclusion, "You guessed it," marked each place. A large story book repeating the theme, tied with gold ribbon, and yellow rosebud

WRA NEWS

The WRA golf tournament is slated to start in the near future.

Those participating are asked to turn in their score card for nine holes by Friday so a handicap may be set up. The cards also must be signed by Mrs. James or a person working at the course. All cards are to be turned in to Miss Locke at the Women's gym or to Joan Florence.

For everyone interested, instruction in golf fundamentals will begin Monday at 4 p. m. in the Women's gym.

The softball tournament will begin this week. This year there will be two leagues composed of six teams each. Each team will play four games, and the winners of each league will meet in a playoff at the end of the season.

Open practice in archery will be held on Monday and Tuesday for the next two weeks in preparations for the individual and team archery tournaments which will begin after that time.

All entries in the tennis singles tournament should turn in their names to Miss Coffey by Saturday noon. These tournaments will begin next week and will be run on a single elimination basis.

Jessie DeKlotze and Carl Crisp were special guests for the occasion.

Taylor-Douglas
April 17 was the date chosen by Jackie Taylor to announce her engagement to Steve Douglas.

Yellow daffodils and candles adorned the dinner table. At each place was a scroll with bronze, pink, and blue ribbons, revealing the betrothal. A late summer wedding is planned. Joanne Creswell was a guest for the announcement.

Miss Taylor is a sophomore of Delta Gamma.

Douglas, affiliated with Sigma Chi, will receive his degree in business this June.

Navy Team To Host Inland Drill Meet

The NROTC Unit of Idaho will act as host to the Annual Inland Empire Precision Drill Team competition on Saturday at 3:30 p. m. immediately following the Oregon-Idaho track meet.

This year's meet will see teams from Gonzaga, Washington State and the ROTCC teams of Idaho.

The winner of the meet will be awarded the David Award by Earl David of Moscow. This is an annual presentation and has been won three times in succession by the NROTC Unit of Idaho.

The Chappell Chinese award, donated by Captain C. A. Chappell, USN, former Professor of Naval Science, is the "Little Brown Jug" of the drill teams of WSC and Idaho and will be presented to the high point team of WSC and Idaho.

For an afternoon of watching highly trained teams and spectacular drill evolutions, everyone is invited to attend the meet.

Buford Is Elected AIEE President

Seven new officers of the AIEE will take office at a meeting tonight at 7:30 in Kirtley Lab room 221.

Frank Buford has recently been elected chairman of the organization. Other officers are Dale Hamilton, vice-chairman; Louis Senneker, secretary; John Wilkinson, treasurer; Allan Marshall, reporter; Charlie Blaine, senior representative; and Paul Littenecker, junior representative.

All electrical engineers are invited to attend the meeting.

Who you shovin?
Dunno. What's your name?

Canterbury Club Conference Ends

Sunday morning breakfast marked the conclusion of the fifth annual Northwest Regional Canterbury Club conference here on the Idaho campus. Attending the conference were some 64 delegates from Oregon, Washington, and Idaho.

The conference, under the leadership of the Rev. Jack Wyatt, of Trinity church, Seattle, discussed the topic "The Redemptive Life."

The problems of the modern world of men having to live together in peace and harmony with one another and the relation of men to God were discussed.

Assisting in the discussions were the Rev. David Cochran, chaplain of the University of Washington, and the Rev. Norman Stockwell, chaplain for Episcopal students at Idaho.

During the business session Saturday new members to the regional Canterbury Commission were elected. Nathalie Bales from Idaho was reelected to the commission.

Directing the preparations for the conference was James Wilson, president of Canterbury club on campus. Assisting James was Nathalie Bales, Sally Shaw, Dick Merrill, Mary Bowen and Ferol Smith.

Lutheran Students Plan Spring Outing

The Lutheran Student association is planning their annual spring retreat this weekend at Camp Lutherhaven on Lake Coeur d'Alene.

With all types of recreation including boating, hiking, softball, and volleyball plus swimming for those brave enough to attempt the cold waters of Lake Coeur d'Alene.

There will also be bible study and campfires for student fellowship.

Committee chairmen are: transportation, Dave Scott; campfire, Bud Gibson; bible study, Maribel Schupfer; and K.P., Carol Dragseth.

Students planning to attend should contact Dave Scott, Lindley hall, second floor; or Helen Niemeier, Hays hall, third floor, before Thursday noon, Saturday morning, and Saturday noon from the Campus Christian Center. Cost will be at a minimum.

AgHonorary Gains Seven Members

Seven agriculture majors were initiated into Alpha Zeta, Ag honorary at a formal initiation and banquet Saturday night. New members are Jim Ballantyne, James Kunkle, Richard Westgate, Howard Shepherd, Mac Porter, Ben Huggins, and Robert Parks.

Dr. Walter Harvey officially took over his position as new faculty advisor for the organization at a banquet following the initiation.

Dale Daniels has recently been elected chancellor for the club. Other officers are David Beckstead, censor; George Gardner, treasurer; Wayne Hesidari, scribe, and Jay Linam, chronicler.

Dr. O. A. Shaw, head of the dairy science department at WSC, spoke on the importance of being a good business man in the farming business as in other fields.

Clean-up Assignments Scheduled By Blue Key

The Blue Key-sponsored drive to "beautify the campus" will get underway early Saturday morning when each living group will be assigned certain areas on the university grounds to clean up.

Bill Shaw, chairman for the clean-up drive, announced that trucks provided by Blue Key will start the rounds of the campus at 10 a. m. instead of 11 a. m. as previously announced, to collect trash gathered by the living groups. This early hour has been decided upon in order to finish before the Little International.

Presidents of the individual living groups will be contacted to make sure that the areas assigned are recognized. All Blue Key members are requested to be at the SUB at 10 a. m.

Living groups are asked to clean up the areas indicated. Hays hall, Forney hall, and Tau Kappa Epsilon: area immediately surrounding respective halls and house plus that around tennis courts and central music cottage; Ridenbaugh hall: area around hall and the new Home Economics Building as much as is possible; Gamma Phi Beta and Kappa Sigma: around respective houses and on both sides of the road between the two houses.

Delta Chi and Kappa Alpha Theta: area around respective houses and around Perch and Nest; Phi Gamma Delta: area around house and the infirmary; Sigma Alpha Epsilon L.D.S.: area around houses and along Deakin street to the Theta corner; Phi Kappa and Delta Sigma Phi, areas around houses and around Hutchison's studio and along Deakin street; Alpha Tau Omega and Pi Beta Phi: area around respective houses and the SUB; ATO will also clean along Idaho street. Delta Gamma and Phi Delta Theta: area around respective houses, along Elm street and Idaho street.

Other Houses
Sigma Nu and Alpha Chi: area around houses and along Elm street; Beta Theta Pi: area around house and parkings along Elm

hall: area around hall, corners of Dairy Science building and UCR; Christman hall: area around hall and a detail of men for area around Memorial gym; Pine hall: area around hall and cafeteria.

Trackmen Whip Beavers As Sweeney Paces Score

Bruce Sweeney, with 16 1/2 points, led the University of Idaho Vandals to a decisive 74 1/6 - 56 5/6 win over the Oregon State cindermen last Saturday afternoon at Corvallis.

Despite the cracking of three meet records by the OSC squad, Idaho's overall depth enabled them to sweep the 880 yard run and the two mile event and capture top honors in seven other contests. Team totals for the meet were: Idaho 74 1/6, Oregon State 56 5/6.

Duane Eby put the shut 48 feet 1 3/4 inches to better the standard set by Stevens of OSC in 1946. The old mark stood at 47 feet 11 inches.

Ralph Sutton eclipsed the old record of 194 feet 10 1/2 inches when he threw the javelin 201.8 feet. The previous mark was set by Johnson of Idaho in 1938.

Idaho succeeded in topping one mark when Lou Gourley traveled the two mile course in 9:36.8. The old standard was established by Dyrrol of Idaho in 1940.

Bruce Sweeney, a spring-soled Vandal junior, completed a successful afternoon with a total of 16 1/3 tallies. He broke the tape in the high and low hurdles and topped the field of broad jumpers, as well as earning a tie for second in the high jump.

Idaho's big barrage was a five-run third inning on five hits coupled with a pair of passes from Washington hurler Bob Bell. The Vandals added a solo run in the sixth and two in the eighth as Bruce McIntosh hammered the horsehide for a homer with one mate on base.

The Vandals' road trip continued with yesterday's opening at Oregon State. The OSC series will close today and the Idaho team will complete the coastal tour with a brace of contests at Oregon Wednesday and Thursday.

Idaho's fielding performance was anything but spectacular as the Vandal nine was assessed with six miscues, but when Washington threatened to dent the platter the Idaho fielding was flawless. The Vandals' hitting was just as timely.

Washington's best chance for glory came in the third frame when they had the sacks jammed with one out. Third sacker George Huffman then nabbed Larry Hens' scrooching grounder, fired the pill to Ogle at the plate for one out, and Ogle relayed the peg to first for a twin killing to snuff out the Husky threat.

Idaho (8) vs Washington (14) on Friday. Idaho scored 13 runs, 24 hits, 13 errors. Washington scored 13 runs, 27 hits, 8 errors.

Baseballers Split Series With Washington Huskies

Two four-run innings by the University of Idaho bat and ball brigade supplied enough fuel for the Vandals to charge up a 9-5 victory at the expense of the Washington Huskies at Seattle Saturday. The Huskies copped the series and conference opener Friday, 14-8.

The booming bats of Bruce McIntosh and Jerry Ogle spoke in harsh terms as the Idaho duo blasted out a total of six hits, good for nine bases in Saturday's 9-5 win. McIntosh's hit production included a two-bagger while Ogle smacked out a triple.

Washington's backstop, Mitchell unloaded a double and a homer in five trips to the dish to account for eight of the Washington tallies. Sam's rampage commenced in the third frame when he cleared the loaded pillows with a two-ply smash to right.

Idaho's big barrage was a five-run third inning on five hits coupled with a pair of passes from Washington hurler Bob Bell. The Vandals added a solo run in the sixth and two in the eighth as Bruce McIntosh hammered the horsehide for a homer with one mate on base.

Friday's game was decided largely by the big bat of Sam

Baseball Results

The Idaho diamondmen made it two straight in Northern division play yesterday as they downed the Oregon State Beavers in a 16-15 slugfest at Corvallis. The win boosted the Vandals into second place in the ND standings with a 2-1 record. The Oregon Ducks are on top of the heap with a 2-0 mark.

A batter has only one minute to get into the box after the preceding out was recorded. There is a rule giving the umpire the power

to call the batter out if he doesn't comply.

Idaho Netmen Face Cougars Today In League Opener

The Idaho tennis team starts out its 1952 conference season today at WSC with a big chance to win this meet and Wednesday's meet, a non-league affair, with Whitworth here at 2:30. The improvement in the squad combined with the performance they showed last Friday in the meet with Whitman has given Coach Kirkland a chance to hop on the comeback road and make up for lost time from the past two years.

Darrell Kuelpmann, Max Nunenkamp, and Bob Zimmerman in the singles edition and Kuelpmann and John Schober in the doubles helped the Vandal racquetmen slip to a 4 to 3 win over the Whitman Missionaries Friday afternoon on the Idaho home court. It was a morale builder for the WSC and Whitworth meets this week. The Vandals should show the strongest team Idaho has put out in two years.

The run-down on Friday's matches shows a closely contested battle with John Schober, Idaho, bowing out to Bob Bratton in the opening match, 7-5, 2-6, 9-7; Darrell Kuelpmann, Idaho, defeating Fred Blanchett, Whitman, 2-6, 3-6; Max Nunenkamp, Idaho, scoring a win over Whitman's Hayden Ellingham, 5-7, 6-1, 1-6; and Bob Rowles of Idaho falling before the racquet of Howie Wallenburg of Whitman, 3-6, 6-4, 6-3. In the doubles Idaho split with the Missionaries as John Schober and Darrell Kuelpmann defeated Bob Bratton and Bill Click of Whitman, 6-2, 6-4; and Max Nunenkamp and Bob Zimmerman of Idaho bowed to Hayden Ellingham and Fred Blanchett, Whitman, 6-2, 9-11, 6-3.

IM Managers

There will be an important meeting of all intramural managers this afternoon at four o'clock in room 109 of Memorial gymnasium. The meeting is for discussion and scheduling of track and golf.

Intramural

Intramurals will come to a close this year on May 19, which will be the date of finals for track. The preliminaries for track will be run off May 16-17. 200 points will be awarded for this sport.

IM Golf

Intramural golf is slated to get underway on May 3. Each living group must enter a four-man team not later than 12 o'clock noon on April 30 to be eligible to compete. Pairings will be published in the May 2 issue of the Argonaut. 100 points will be awarded to the winning team.

Golfers Chalk Up Two Wins As Whitman And WSC Bow

The University of Idaho golf team defeated the Whitman golfers 16 1/2 to 1 1/2 Friday afternoon under a clear sky as Bob Campbell and Dale Fayor tied for medalist honors with 72 each.

Saturday under a cloudy sky the University of Idaho golf team downed linksmen from Washington State college, 15 1/2 to 11. Idaho won in the doubles 5 to 4 and in singles 10 1/2 to 7. Fred Stringfield was medalist with a 69. Kenney and Williams of WSC shot a 70 in the doubles to be medalists.

The schedule for the remaining season meets will initially find the University of Washington here on Friday, April 25. On May 2 the golf team travels to Oregon State and on May 3 they meet the University of Oregon. Washington State college again plays the Vandals on the Idaho course May 10. On May 17 the Northern division meet will be held here. Each school will enter a team of four.
