## Noel LaRoque Substitutes For Snowbound Speaker

An emergency message from Denver yesterday afternoon forced last minute substitution of the Rev. Noel C. LaRoque as speaker at this morning's assembly. Dr. Glenn Olds, the scheduled speaker, is snowbound in Denver and was unable to make connections for a flight to the University.

## Clergymen Lead Student Discussions

Clergymen from eight cities will lead discussions among students during Religious Emphasis week which starts today and will continue through Tuesday.  
The Rev. A. Elwood Sanner, Nampa, will head the Church of the Nazarene group. He is head of the department of religion at Northwest Nazarene college. Episcopalian students will be led by Dean Frederick W. Kates of the Cathedral of St. John the Evangelist in Spokane. Dean Kates has spoken in various college chapels and at summer conferences.  
Rabbi Benjamin Kelson, spiritual leader of the Congregation B'nai Israel, Butte, Montana, will conduct the discussions for those of the Jewish faith. A Baptist pastor, the Rev. Norm Gano, will lead that particular group. He is from Steptoe, Washington, and has had wide experience in youth camps.  
Leader of the Presbyterian seminars will be the Rev. Douglas D. Tiffany, pastor of the First Presbyterian church of Boise. Glenn M. Vernon, Pullman, Sunday school superintendent will lead the LDS discussions. He is presently a teaching assistant at WSC while working for a Ph.D.

## Foresters Plan Ball

Jeans and calico will be the order of the evening at the Forester's Ball to be held in the main ballroom of the SUB on Saturday, February 23, right after the Idaho University of Washington game.  
Admission for this all-campus affair is \$1.50 per couple. Woodsman's dress is appropriate for the event. Couples wishing to attend the dance after the game, however, may do so dressed as they are.  
This annual all-campus dance, the 36th of its kind, was one of the few dances to survive World War II on the campus.  
Dance chairman is Dave Parsons.  
Tickets will be on sale in men's living groups for this strictly informal hoedown.

## Various Levels For Play Set

The stage set for the ASUI production "Death of a Salesman," scheduled for March 6 and 7, will be the most challenging ever attempted at the University, according to Edmund Chavez, technical advisor for the play.  
The play, named a drama classic by critics, will have a complicated set similar to the one designed by Jo Mielziner, noted Broadway designer.  
The problem is to represent a detached and lonely house in Brooklyn, surrounded by shabby apartment houses. It must characterize the drab life, the loneliness, and the dejected feelings of Willy Loman, the "salesman."  
Construction plans, Chavez said, will provide a three-room house with acting areas on several levels for a majority of the scenes, with units brought in from either side for the scenes outside the house and those representing Willy's thoughts.

Roman Catholic students will meet with Father Matthias Burger, professor of scripture and religion from St. Benedict's, Oregon. Father Burger is also assistant student counsellor at St. Benedict's and was present at Idaho's 1952 religious emphasis week as well as Oregon's last January.  
The pastor of the Trinity Lutheran church of Lewiston, the Rev. Paul R. Daneker, is listed as group leader for the Lutherans.

The American Heart association will receive 5 per cent of the Campus Chest fund this year.  
Heart disease is the number one killer in the U. S. In 1952 circulation and heart diseases were responsible for one-half the deaths in the United States.  
Ten million people in the U. S. have some form of heart disease, according to the association release. Heart disease may attack any age level.  
This information was forwarded to the Chest committee by the Idaho state chairman of the American Heart association.  
This is the first in a series of explanatory articles discussing the different organizations being supported by Campus Chest this year.

## Heart Association To Get Funds From Drive

This information was forwarded to the Chest committee by the Idaho state chairman of the American Heart association.  
This is the first in a series of explanatory articles discussing the different organizations being supported by Campus Chest this year.

## Club Donates To Mobile Unit

The University Faculty Women's club has donated \$100 to the Moscow Junior Chamber of Commerce fund for a mobile first-aid unit for the city. With this donation, the Junior chamber is now only \$184 short of the purchase price of the unit.  
"We are only sorry that we could not give the entire \$284 needed to complete the Jay-Cee's very worthy drive," said Mrs. C. W. Tisdale, president of the Faculty Women's club. "Our organization is not set up to do regular sponsoring of activities, but we felt a mobile first-aid unit for the town of Moscow was vitally needed."  
Total cost of the unit, which is a one-ton truck, will be \$2,084. The Moscow Volunteer Fire department already has about \$5,000 worth of equipment which needs only suitable transportation to be made quickly available in any part of the community.  
Besides providing emergency aid on the spot, the unit can be utilized for rushing patients to the hospital when regular ambulance service is not available. The unit will be equipped with a respirator. In an emergency, it could be used for carrying patients, such as polio victims, to Spokane.

## Schedule Announced For Test Program

Mrs. Adeline Helton is now handling the secretarial and clerical testing program. Secretarial and clerical tests will be given each Monday at 4 p.m. Short-hand tests will be held Thursday at 4 p.m. Tests must be taken by any student who wishes a secretarial or clerical position on the campus.

## Executive Board Approves Groups To Be Supported

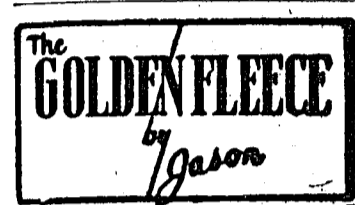

Eight charitable organizations have received approval by the Executive Board for support in the coming Campus Chest drive.  
This was announced by Ruth Dimond, Campus chest chairman, at a general committee meeting Wednesday night.  
The drive, which will be held from March 9 to 13, will support the following organizations: World Student Service fund, 35 percent of money collected; Lewiston Children's home; Elks Convalescent home in Boise, and Japan International Christian University fund, each 10 per cent; American Heart association, Infantile Paralysis fund, American Cancer fund and Religious Emphasis week, each 5 per cent.  
Five per cent of the total collected will go to a general fund to be used by next year's Campus Chest committee for operating funds.  
Radio Free Europe, one of the organizations recommended by the Campus Chest investigating committee was refused allocation on the basis that it is not connected with students or student education, said Ruth Dimond.  
Some Refused  
Also refused allocation was the

## Spurs Honor Past Members Thursday

Inactive Spur members were guests of honor at a banquet given by active Spurs last night in the SUB ballroom.  
"The older members, junior students who were Spurs last year, received small Spur emblems."  
Mrs. W. H. Boyer, advisor, and Anne Kimbrough, junior advisor, received jeweled Spur pins in appreciation of their past service.  
Margaret White was head of the arrangements committee; Pat Miller and Dorothy Wahl, entertainment, and Pat Bartlett and Jane Blomquist, decorations.  
Karen Hurdstrom gave a humorous reading during the program following dinner.

## Song Fest Will Be May 10 On Ad Building Steps; Rules Announced As Entry Deadline Approaches

The University of Idaho 1953 Song Fest will be held Sunday, May 10, on the Administration building steps. The final date for entry application is Friday noon, March 13. Any non-musical organization on campus is eligible to participate. Trophies will be given to the winning women's group.

One song will be chosen from the list of songs for the song fest. The other song may be chosen at random, not from the list. One group cannot use the same song for two consecutive years. Each group will supply the song fest committee with three copies of the arrangement to be used in competition.

To defray costs of the song fest a \$6 entrance fee will be charged. The payment will reserve a maximum of two selections on the song list. Checks are payable to Sigma Alpha Iota or Phi Mu Alpha. Fees are payable in the department of music administrative office where the official list of songs will be kept.

There will be only one group from each participating organization. The group will consist of a minimum of 25 student representatives of the group. The minimum limit can be waived in unusual circumstances by a vote of the song fest committee on receipt of a written petition.

Judging on the finals will be done by persons having no connection with the University. The groups will be judged on presentation and quality of their programs, including intonation, phrasing accuracy, interpretation, and the closing musical effect. Eliminations will be judged by University music faculty.

**Comply With Rules**  
No changes in song selections or withdrawals from the song fest with return of entrance fee will be made after noon Saturday, April 11. No assistance in interpretation, direction, etc., can be used from anyone not directly associated with the group. Any variation from the rules, regulations or musical arrangements shall be submitted to the song fest committee for approval.  
Appropriateness and discrimination rather than uniformity will be evaluated in reference to stage dress. The order of appearance in competition will be chosen by lot for the final competition. For the preliminary competition, reverse alphabetical order will be used. Groups will be notified of the order and time of appearance.

## Dance Lessons To Be Given

Three weeks of free tango and fox-trot lessons are being offered by the recreation committee with the cooperation of the SUB, according to Leon Green, chairman of the University Recreation committee.  
The lessons will begin this Tuesday in the main ballroom of the SUB and will be held every Tuesday and Thursday from 4:10 to 5 o'clock. They will be under the direction of Lane Rudd, who was previously a soloist for the "Spokane Silver Spurs," a dance exhibition group which toured the country.  
Lessons will start with the basic fundamentals and Rudd suggests that anyone at all interested should attend.  
Three weeks of rumba and samba were recently completed.

## Business Group To Hear Hannah

Dr. J. Marshall Hannah, head of the business education department at Ohio State university, will speak to the business education and audio visual classes at 1 p.m., March 5, in room 103 of the Forestry building. Anyone interested is urged to attend.  
Dr. Hannah received his PhD from New York university. He has been very active in business education professional organizations. He is author and co-author of a number of books. His latest, published in 1953, is "Bookkeeping Simplified."  
Business teachers throughout Northern Idaho have been invited to attend.

## Fellowships For Two Years Study At Harvard Graduate Business School Offered

Fellowships providing \$4,000 to \$6,000 for two years of study at the Harvard Graduate School of Business administration are again being offered University of Idaho graduating seniors and alumni, Dean H. Walter Steffens said today.  
The fellowships are those recently established by Mr. and Mrs. George Frederick Jewett of Spokane in honor of Dean Donald Kirk David of the Harvard school, who is a native of Moscow and a graduate of the University of Idaho. Only graduates of eight Northwest schools, including the University of Idaho, are eligible for the fellowships. Alan Atwood, who was graduated from Idaho last June, is currently studying at Harvard under a David fellowship.  
Now in its first year, the program is not only attracting the attention of leading industrialists in the Northwest but throughout the nation. They see in it a new, selective source of potential young executives.  
**Meet Leaders**  
The students themselves have an opportunity to meet with the nation's business leaders. On the Harvard Business school visiting committee are 33 nationally significant men, including Philip D. Reed, chairman of the board of directors, General Electric company; George Whitney, president of J. P. Morgan & Co., Inc., and

## Concert To Feature American Music

An All-American music concert will be presented jointly by Phi Mu Alpha and Sigma Alpha Iota, men's and women's music honoraries, respectively, Sunday afternoon, February 22, at 4:00 p.m. in the Recital hall of the Music building.  
Included in the program will be three numbers by the Sigma Alpha Iota chorus: "A Snow Legend" by Clokey and Temple; "Love Is Like A Firefly," from the comic opera Firefly, by Rudolf Friml; and "A Song For SAI", words and music composed by Jean Armour, former music student at the University and member of SAI. Directing the SAI chorus will be Phyllis Ralstin.  
Rex Eikum will direct the Phi Mu Alpha group while they sing, "All Hail Sinfonia", "Spanish Gold", and "At Parting."  
A joint choir of Phi Mu Alpha and Sigma Alpha Iota, under the direction of S. Keith Forney, assistant professor of music at the University, will sing "I Am Music" by Grace Kenny Floering, a composition personifying music; "All in the April Evening", Tynan and Robertson; "Lost in the Stars" from the Anderson and Weill musical play, "Lost in the Stars," and "Jesus Our Lord, We Adore Thee" by Will James.  
Soloists for the concert include Melvin Curtis, trumpeter, playing "The Third Concerto for Trumpet" by Ernest Williams; Dick Coulter, pianist, playing "White Peacock," a Charles Griffes' composition, and Phyllis Ralstin, soprano, singing "Love in the Dictionary" by Celcius Daugherty.  
In an effort to promote interest in American composers and compositions and fulfill their objectives of the performance and composition of good music in America and the betterment of the world by the promotion of better music, SAI and PMA annually present this concert.

## Card Shark Tournament Opens Here

Eight couples have signed up for the National Inter-scholastic Bridge tournament competition for undergraduates to be held in the South ballroom of the SUB Saturday at 1 p.m.  
It is emphasized that players may still sign up today by calling Pat Miller at the Gamma Phi house or Polly Bell at the Kappa house. They stress the importance of having a good representation from Idaho and urge all the "Bucket Bridge" players to take part in the contest.  
The couples are John Nixon and Frank Bowles, Bob Fulmer and Hartley Kruger, Parker Campau and Joe Soderberg, Fiji; Phil Weitz and Gary Hudson and Jim Eberly and Jerry Casey, Phi Delta; Marge Honstead and Mary Carroll, Kappa; Don Powell and Wayne Finch, ATO, and Jackie Baker and JoAnn Carpenter, Gamma Phi. This number makes the required sixteen entrants in the tournament.  
Four Idaho champions will have their names engraved on a plaque for the University. Each winner will receive a certificate for framing.  
Colleges winning national titles will be awarded cups. One cup will go to the college with the pair scoring highest on the East-West hand and one to the college with the winners of the North-South hand.

## Notice

The Post Office will be closed Monday, February 23, in honor of Washington's birthday. This is because holidays falling on a Sunday are celebrated on the following day.

## Minister Addresses Group

An address by the Rev. Noel C. LaRoque this morning marked the official opening of Religious Emphasis week. The Rev. Mr. LaRoque is only one of a number of noted religious leaders from Washington, Oregon, Montana and several parts of Idaho who are on hand for the week's program.

Numerous seminars and discussions are scheduled through next Tuesday. The contributions of the various distinguished visitors should be highly instructive and the meetings will certainly provide an enriching religious experience for students who avail themselves of the opportunity to attend.

We wish to welcome and to thank the visitors who are assisting in the Religious Emphasis week program, and to commend the campus committee which has been working with zeal to make the project a success.

## Biography Relate Insurance Hisstory

Who do you suppose originated the first insurance company in the United States? Do you know why, how, when, or where it was established?

Benjamin Franklin was the person who established the first insurance company in the United States about 200 years ago. John Bainbridge tells the story of the growth of these companies in his book, "Biography of an Idea," which has recently been added to the University library.

If you are interested in learning the story of an American enterprise that has grown from a single small company to the million dollar business that we know today, just ask for the book at the library.

## Korean War Veteran Pilots Begin Talks To Air Cadets

Stimulating flying training interest among AFROTC graduates, 18 Korean Air War veteran pilots are visiting AFROTC detachments beginning this week, according to Brigadier General M. K. Deichelmann, AFROTC Commandant.

The young pilots, all lieutenants, will conduct informal talks with the advanced students at 200 detachments located throughout the United States, Hawaii, and Puerto Rico on their experiences while in flight training and descriptions of their present flying duties.

On temporary duty with the AFROTC from other commands, the pilots are primarily jet fighter pilots. In combat they flew every plane the United States had in Korea except the B-29.

**Visit Old Schools**  
 Hand-picked, the majority of the group are college graduates, and they will visit their own school as well as others in their home area during their 90-day tour.

Reason for the personal visits was explained by General Deichelmann who emphasized that due to Air Force requirements, the majority of the future AFROTC graduates should put in flight training upon entering active duty.

"Last year only 12 percent of our graduates took flight training upon graduation," he said. "And this year we have high hopes of raising this percentage considerably," he added.

**Pilots Briefed**  
 Prior to leaving AFROTC headquarters this week, the pilots were thoroughly briefed on the AFROTC program by Colonel Roy Hillier, project officer for the event, and other members of the headquarters staff.

Subjects to be covered in the talks include experiences at flying school, status as a student officer, advantages in an Air Force career, Korean experiences, and other related subjects designed to increase interest in flying.

Lt. Col. Mosman, professor of air science and tactics at Idaho states that First Lieutenant Gerald E. Teachout is scheduled to visit the local Air Force ROTC unit on March 13, 16, and 17 to talk to the Air Force ROTC cadets. All other students are welcome to attend the talks.

## Many Services Accessible In University Library

Do you know what services are available to you as students in the University library? This reporter has learned much in recent visits to that scholar's retreat, located on the first and second floors of the Administration building.

Next to the reference desk on the first floor may be found the pamphlet file, where you can find information on everything from atomic energy, to pictures of flowers, to the pony express. It is a handy place to look for both old and recent material for reference papers, besides being a fascinating place in which to browse.

**On Microfilm**  
 The New York Times is also located next to the reference desk. It has been preserved on microfilm, and is read through a special magnifier. The indexes where you may look up material on current events in this newspaper (The New York Times, not the Argonaut) are located on the second floor library shelves next to the tables holding the Agricultural Index.

If you are interested in looking up some technical material in the field in which you are studying, perhaps you could find it in some of the theses that our own graduate students have written. The cards for these theses and the pamphlet file can be found in the small card catalog next to the reference desk.

If you have any questions as to where you can find information or how to find it, just ask Mr. Webster. He is there especially to help us learn to help ourselves, and you will enjoy the library much more if you know how to use its facilities.

## Farm Committee Meets Tuesday

The annual meeting of the Idaho Farm Electrification committee is scheduled Tuesday on the University campus, according to Dean D. B. Theophilus, of the college of agriculture, committee chairman.

Attending will be representatives of the three power companies serving Idaho and collaborating in financing farm electrification research—the Idaho Power company, Washington Water Power company, Utah Power and Light company—three farmer members and officials of the agricultural and engineering divisions of the University of Idaho.

Festuring the meeting will be the annual report of William H. Knight, farm electrification project director. Knight will report on farm electrification research carried on at the University of Idaho and throughout the state during the past year.

## Dr. Zelloit Will Direct Workshop

Dr. Ernest Zelloit, who was director of business education in the Des Moines, Iowa public schools, will be here July 6 through 10 to conduct the fourth annual Business Education Summer workshop with Bruce I. Blackstone, head of secretarial studies at the University.

Dr. Zelloit has degrees from Pennsylvania State college, Drake university, and Harvard university. He has taught at Harvard and Boston universities, University of Michigan, University of Florida and University of Denver.

## Koster Stationed At Reese AFB

Second Lt. John E. Koster, a 1952 graduate of the University, is now stationed with the Air Force at Reese Air Force Base, Texas, a multi-engine training school. He has been assigned there as a Post Exchange officer.

Lt. Koster is a graduate of Idaho Falls high school, and received a Bachelor of Science degree in merchandising and advertising from the University. He was affiliated with Alpha Tau Omega. He received his commission in June, 1952, and was stationed at Lackland Air Force Base, Texas, prior to his assignment at Reese.

## Cosmopolites Hear Talk on Venezuela

Frank Muller-Karger, Idaho's fencing master, will talk on Venezuela at a meeting of the Idaho Cosmopolitan club Sunday at 2:30 p.m. in the downstairs living room of Forney hall.

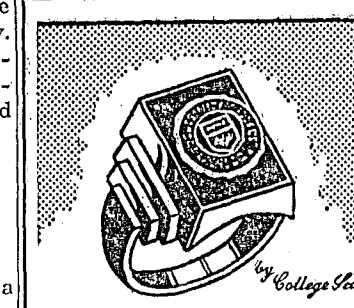

He has selected three films which he thinks will do a good job of representing South America. The films are: "Colombia: Crossroad of the Americas," "Good Neighbor Family," and "Uruguay." Muller-Karger will answer questions from the audience.

Joris Rosse, club secretary, urges all students to attend. The Cosmopolitan club is not solely a club for students from abroad, Rossi said. The group's main purpose is to afford an opportunity for the meeting of minds of host and guest.

## Free Ticket Offered

Sharpen your wits and polish your charm! The Associated Foresters, being exceedingly generous, are going to give away a free ticket to the Foresters Ball next Tuesday or Wednesday in the SUB.

Being also exceedingly secretive, they are withholding the exact time of the selection and the exact criteria for the selection of the lucky person to receive the ticket. But—watch closely for further announcements.

## ACCEPTANCE !!

To the Ag. Club:  
 We were rather amused at your derogatory remarks concerning our ability to interpret the list of adjectives you entitle a "Challenge." One is more aware, than is an attorney, of the existing paradox that the farmer, who spends his life dunging about in the soil, does so under the misconception that a docked fee tail female is the price of a cow's haircut and that a deed is what the Boy Scout does one good of each day.

Yet we appreciate the kindness of your former honor graduate, Freddie, in enlisting his services to conduct our teams to the Gym for the basketball game.

We have noticed the nature boys of whom your challenge speaks. What is more touching than the thrill in young Rube's naive eyes when, upon arriving in the town of Moscow, he discovers that here he can buy all the ice cream that he can eat. And the joy that lingers in young Rube's heart after his first encounter with plumbing.

Not without appreciation have we noticed the strength of arm developed from slopping hogs, the strength of character and personality developed from the association of man and hog, and the general strength of aroma which lingers on until death does man and hog part. As an observative old lawyer once said, "You can take the boy from the farm, but you can't take the farm from the boy."

And so we look forward to Saturday 21, at 2 p.m. in Memorial gym when nature's boys shall arise from the muck of stock pens to stand elevated by our association. We're glad that we can do it for you.

We make only one request... kindly scrape your shoes as you enter. In the past, the drippings have proved a handicap to our team, its members not being accustomed, as yours, to slippery floors.

*In Sumatra back in 1924, Standard geologists began mapping possible deposits of oil. But not until last year did Sumatran wells start adding to available oil supplies. **Into San Francisco Bay** come tankers carrying Sumatran crude—returns on the long gamble Standard undertook nearly 30 years ago. Other shipments go elsewhere in the world, aiding progress and adding defensive strength. Four friendly nations in particular benefit directly. First, of course, is the young Indonesian Republic, of which Sumatra is a part. Then Australia, Japan and the Philippines. They produce practically no oil of their own, but will be supplied in the near future by refineries which Caltex is helping to build. And, of course, the Sumatran oil brought into this country helps keep you in gasoline and the many other petroleum products you've come to rely on. Standard's activities abroad, typified by this flow of Sumatran crude, are constantly being expanded, as an added guarantee that petroleum needs of the free world will continue to be met.

# Initiations, Elections Hold Spotlight; Sigma Nu's To Erect Welcome Signs

Initiations are prominent in the University news this week with the Beta's initiation in the past and that of Delta Tau Delta to come in the near future, as well as that of Sigma Nu which is also scheduled for the near future. Sigma Nu also has a project under way to erect four welcoming signs for the entrances to Moscow.

Phi Delta Theta  
March 6 is the date set for the initiation dance to be held at the Pullman Country club. The dance will be semi-formal. The Spring formal will be held on April 2.  
A fireside coupled with a hayride is set for the evening of February 21.

Wednesday dinner guests included Mr. and Mrs. Frank Stone, Mr. and Mrs. Rick Bendio, and Mr. and Mrs. Bob Scott.

An exchange with the Pi's Phi was held Wednesday evening at the Phi Delta house.

Delta Tau Delta  
Jim Hill has been appointed general chairman of an all-house fireside to be held tomorrow evening at 9 p.m. Entertainment, refreshments, cards, and dancing are planned.

Formal initiation will be held at the chapter house Sunday. Also scheduled for Sunday evening is a pledge fireside with the Alpha Chi's.

Eddie Allison has been formally pledged into the fraternity.  
Farrel Buxton, Woody Bernard, Ted Frostenson and Bob Thornton were elected as delegates to the Delta conference to be held in Corvallis February 27-28.

Kappa Sigma  
Fritz Hoover, Forney hall, was a dinner guest Sunday. She was presented with a Kappa Sigma daughter pin.

An exchange was held with Forney hall Wednesday night.  
Beta Theta Pi

Initiation ceremonies were conducted February 14. The initiates include: Lewis Aldana, David Anderson, Charles Dean, Andrew Field, Roger Groth, Edward Hargis, Graham Knox, Robert Martin, William McBirney, Jr., John Nelson, Robert Newhouse, David O'Harrow, James Post, Joseph Rinaldi, Cole Sherwood, John Simmons, Aubrey Stephens, and Don Sullivan.

The speakers at the initiation banquet were: Frank Shrontz, Ralph Hartwell, Phillip Kleffner, Aubrey Stephens, Judge Edgerton, District Chief, and Jim Lyle, University Alumna secretary.

New pledges include: Wayne Patrick, Morgan Moore, and Tim Gaufl.

The exchange last Wednesday night was held with Forney hall.  
Alpha Chi Omega

Recently a fireside was held honoring the semester pledge, Betty Blakely. Chairman of the affair was Phyllis Harding, assisted by Betty Field and Billie Steffens. Elaine Hyland and Phyllis Harding furnished the entertainment.

Upperclassmen's dinner dance, "Deep Purple," was held Saturday, February 14. Barbara Walker and Barbara Nelson were co-chairmen of the event. Judy Anderson sang the theme song.

Tuesday evening the members held a shower for Mrs. Vaughn Jasper, formerly June Greene, at her home. Rita Barker acted as chairman.

New officers elected Feb. 16 include Sally Landers, etiquette chairman; Betty Field, rush chairman and Mary Anderson, assistant; Phyllis Harding, activity chairman; Barbara Hale, social chairman and Arlene Snyder, assistant; Phyllis Harding, publicity chairman; Jean Sorenson, scholarship chairman; Louise Blocher, historian; Dona Ashby, warden; Sharon Paulus, librarian; Carol Blocher, culture; Dona Ashby chaplain, Terrie Thorp, Lyre editor; Billie Steffens, house manager and Barbara Walker, song leader.  
Kappa Kappa Gamma

Sweetheart dinner guests Wednesday night were fellows recently pinned: Bob May, Bruce Sweney, and Dave Womeldorf.

The pledges were entertained last night at a fireside sponsored by the Delta Gamma pledges.  
Alpha Tau Omega

A fireside held last Sunday night was well attended. Jack Pepper sang a few songs for entertainment.

An all-house exchange has been scheduled this Saturday with the Delta Gammas.

Recent guests were Jim Adolphson and Mrs. Kjell Knarvik, wife of the Norwegian exchange student.

Preliminaries to Help Week began this Wednesday to Friday with the pledges; painting the dining and chapter rooms, and removing several trees on the property.  
Sigma Nu

Second semester activities for the Sigma Nu's are in full swing at the chapter house with plans being made for the initiation dance on Saturday, March 7. Bert Zimmerman is in charge of the affair.

A fireside will be held in the chapter house tonight from 9 to 12.

The pledge class is anticipating its Sunday afternoon exchange with the Thetas from WSC. Last Wednesday night the group entertained Ridenbaugh hall at the regular weekly exchange.

Under the direction of Commander Bob Peterson the chapter, in connection with a program being instituted in February by all Sigma Nu chapters throughout the country, is cooperating with city officials in the erection of four welcoming signs for the entrances of Moscow.

This is the first time a service week project has been undertaken by Sigma Nu on a national scale. Peterson said the signs will be in place by the end of the month.

Lauralee Hopkins, also a '52 graduate in secretarial studies, is now a member of the teaching staff of Polk high school.

Mr. and Mrs. Dick Hanigan (Jean Kinney) are the parents of a son born February 15. He has been named Richard Arthur Hanigan.

Five University music students participated in a mixed program at the D.A.R. special annual meeting in Lewiston last Friday.

Students performing were Rex Eikum, tenor; Leah Jensen, violin; and Joyce Sumsion, violin, with Gail Graham Masters and Don McCabe as accompanists.

Leah Jensen's vocal numbers included, "Take Joy Home", Bassett; "Sapphische Ode", Brahms; "Moon Behind the Cottonwood, Cadman, and "When You're Away", Herbert.

Rex Eikum sang "My Lovely Celia", Munro; "Preach Not Me Your Musty Reelies", Arne; "In the Lovely Month of May" and "I'll Not Complain", Schumann; and "Total Eclipse" by Handel.

A second group by Eikum included "The Heavy Hours", Endicott; "The Smuggler's Song", Kernochan; "The Star", Rogers; "The Wounded Birch", Gretchaninoff, and "Una Furtiva Lagrima" by Corelli.

Joyce Sumsion's violin selections were, "Meditation", Glazounoff; "Liebesleid", Kreisler; "Cradle Song", Schubert-Elman, and "Dance Tzigane" by Gade-Stone.

Professor Carl Claus accompanied the group to Lewiston.

Dean J. F. Weltzin, of the school of education, has returned to the campus after attending the national convention of the American Association of Colleges for Teacher's Education, held in Chicago.

"One of the advantages of this convention, was the chance to compare the teacher training program here at Idaho with other colleges throughout the nation," Dean Weltzin said. He added that "we continue to have an excellent program compared to other institutions."

Two University of Idaho music staff members, Professors Glen Lockery and Elwyn Schwartz, spent the week in Ontario, Oregon, and Weiser, Idaho, where they served as guest conductors for the annual Snake River Valley high school music concert.

Prof. Lockery acted as guest conductor of glee clubs and Prof. Schwartz worked with band organizations.

Towns represented at the Ontario section of the concert Wednesday included Homedale, Marsing, Meridian, Middleton, Wilder, Idaho, and Adrian, Notus, Nyssa, Ontario and Vale, Oregon.

Represented at the Weiser concert today were Emmett, Fruitland, New Plymouth, Parma, Payette, and Weiser. More than 2000 high school musicians were expected to attend the concert.

Dinner Sponsored by Church Council  
The Inter-Church council sponsored a dinner Sunday at Our Savior's Lutheran church. The dinner was at 6 p.m. followed by a program featuring a panel discussion by foreign students. Proceeds from the dinner go into the World Students Christian fund.

Official To Consult Forestry Students  
A representative of the Bureau of Land Management from Portland, Oregon, will be in the Forestry building February 26 and 27 to consult with forestry students and others who may wish summer employment with that federal agency.

If it is impossible for students to be interviewed during the regular office hours, inquiry may be made in room 112 of the Forestry building or by calling 8011 for an appointment.

Dean J. F. Weltzin, of the school of education, has returned to the campus after attending the national convention of the American Association of Colleges for Teacher's Education, held in Chicago.

"One of the advantages of this convention, was the chance to compare the teacher training program here at Idaho with other colleges throughout the nation," Dean Weltzin said. He added that "we continue to have an excellent program compared to other institutions."

Two University of Idaho music staff members, Professors Glen Lockery and Elwyn Schwartz, spent the week in Ontario, Oregon, and Weiser, Idaho, where they served as guest conductors for the annual Snake River Valley high school music concert.

Prof. Lockery acted as guest conductor of glee clubs and Prof. Schwartz worked with band organizations.

Towns represented at the Ontario section of the concert Wednesday included Homedale, Marsing, Meridian, Middleton, Wilder, Idaho, and Adrian, Notus, Nyssa, Ontario and Vale, Oregon.

Represented at the Weiser concert today were Emmett, Fruitland, New Plymouth, Parma, Payette, and Weiser. More than 2000 high school musicians were expected to attend the concert.

Dinner Sponsored by Church Council  
The Inter-Church council sponsored a dinner Sunday at Our Savior's Lutheran church. The dinner was at 6 p.m. followed by a program featuring a panel discussion by foreign students. Proceeds from the dinner go into the World Students Christian fund.

# Cal Poly Boxers To Meet Idaho Vandals Here Saturday Night

## Forfeit Gives Lead To Idaho Before Bouts Actually Start

A full-fight card of eight varsity bouts and two exhibitions is scheduled for Saturday night at Memorial gym when a touring California Poly boxing team trades punches with Coach Frank Young's mitt-men.

It will be the first time that a squad from the San Luis Obispo school has appeared in the Vandal ring. The Californians are slated to fly into Moscow tomorrow morning. First bout will start at 8 p.m. Idaho Ahead at Start

Idaho boxers will be gunning for the first team win of the season. To date the Vandals have drawn with San Jose State 4-4 and lost to WSC 5-3. This will be the second home appearance for Idaho.

The Vandals will enter the ring with a 1-0 lead before the first bell rings. Cal Poly has forfeited the 165-pound class to Don Anderson.

Coach Young will use his usual lineup with the exception of the 125-pound division. Sophomore Don Nye gets the call this week for Idaho instead of Tom Howard.

The pairings:  
139—Ralph Wadsworth, I, vs. Ken Connel, I.  
147—Ron Titus, I, vs. Jim Kawigaw, Cal. Poly.

Varsity  
125—Don Nye, I, vs. John Elder, CP.  
132—Herb Jee, I, vs. Graf Shintaku, CP.

139—Jack Webster, I, vs. Frank Tours, CP.  
147—Lynn Nichols, I, vs. Jack Bettencourt, CP.

156—Ray Johnson, I, vs. Jim Elam, CP.  
165—Don Anderson, I, vs. forfeit.  
178—Fred Bowen, I, vs. Ted Trompeter, CP.

Hwt. — Hal Solinsky, I, vs. Jack Shaw, CP.

Officials: Dale Fitzpatrick, referee; Andy Tidrick and Ray Petragallo, judges.

Leading the Mustangs north is heavyweight Jack Shaw, already considered a top threat for Pacific Coast honors. Shaw, who scored a convincing knockout over Stanford's big footballer Norm Manogorian, has what his Coach George Prouse calls extreme hand speed.

# Idaho Swimmers Are Host To Strong Husky Squad

University of Washington's powerful swimming team, winner of 31 straight dual meets, is a heavy favorite to tack up victory number 32 this afternoon when they meet Idaho's tankmen in the Memorial gym pool starting at 3:30 p.m.

Coach Jack Torney's Husky splashers, defending Northern Division champs, sport two All-Americans on their roster plus several other men of almost equal caliber.

Feature of the Meet  
Highlight of the meet should come when Idaho's ace breast-stroker, Don Medley, meets Dick Magnuson, ND record holder in this event and an all-American selection in 1951 for Washington.

Medley has won three races while losing only one to an AAU swimmer from the Aero club in Portland last week. His times have improved each outing so that Coach Eric Kirkland thinks he might make a race of it with Magnuson.

Jerry Light, another Vandal entry in the breaststroke, has been clocking just behind Medley all season and should bid for third place in the exciting race.

Huskies Loaded  
Other than that one event Idaho has little hope of a first place against the talented mermen from Seattle.

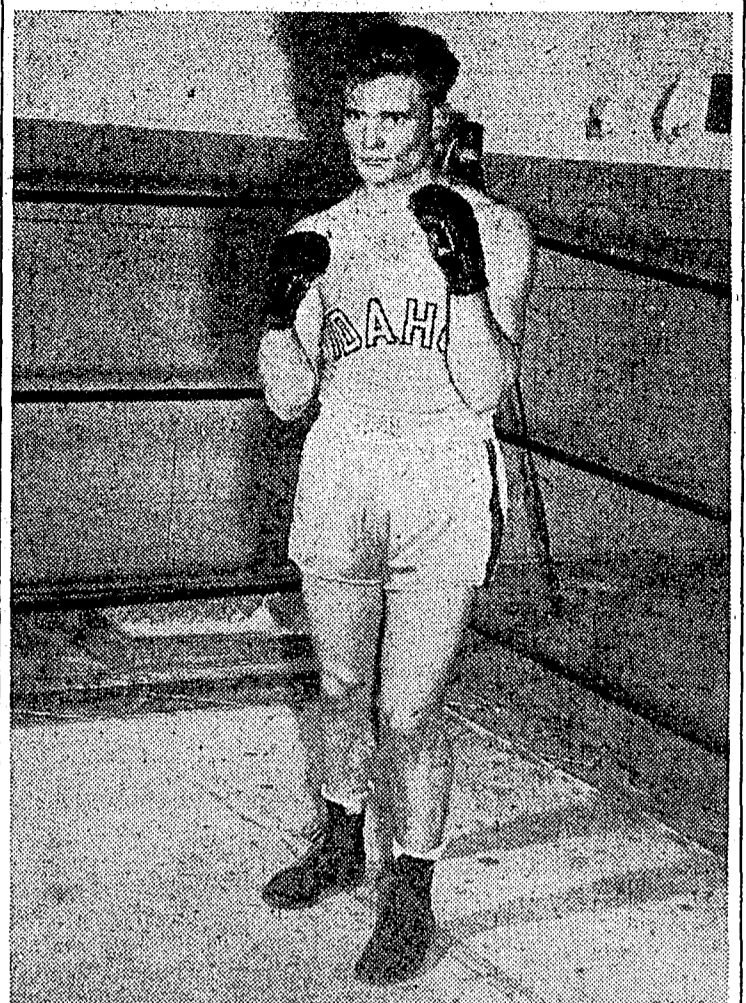

Spectators this afternoon should see an exhibition of fancy and plain diving when Merrill Hodges hits the board. He has made NCAA all-

## Set New Idaho Record

Don Medley, crack breaststroker for Idaho's swim club, swam the 200-yard course in 2:41.7 at Oregon last week to break the old Vandal record of 2:44.5 by Tom Gentry made in 1951. Hard working Medley meets Dick Magnuson, ND champion breaststroker today in a feature of the Idaho-Husky meet.

## Undeclared This Season

Lynn (Sam) Nichols, squad captain of this year's Idaho boxing team will be aiming for his third straight win of the season tonight without a loss. A junior, Sam has won ten and lost five in his varsity career. Last year he went to the semi-finals of the NCAA tournament before dropping a decision to Bob Morgan of Wisconsin, the eventual champion. Lynn is from Idaho Falls.

## Cougar Splashers Just Win Frosh Meet From Vandals

Idaho's freshman swim squad lost a thrilling dual meet to Washington State Tuesday afternoon in the home pool as the Cougars won the final relay to come from behind and take the team victory 38-34.

Going into the 200-yard freestyle relay event the Vandal yearlings led in the meet 34-31. The Cou-Babe's first three men opened up a two-body length. In the final 50-yards Idaho's Jerry Jones made up all but a yard in a desperate bid to win.

Results might have been reversed had Idaho free-styler Ray Skillings been off the sick list. As it turned out it was the closest Idaho has come to beating WSC in a long, long time.

Best We've Had  
Coach Eric Kirkland calls this frosh squad the best he's ever had, and every man but one is from the state of Idaho.

Against WSC the Vandal 150-yard medley relay trio of Kay Berry, Bill Buckley and Jerry Jones won in the good time of 1:31.3.

Berry was the first in the 100-yard backstroke in 1:15.7 while Jones clocked 57.9 to capture the 100-yard freestyle event. Jerry's time is a new frosh record, beating Bob Crawford's old mark of 58.2 set last season.

Kirkland Happy  
Coach Kirkland was elated over the success of the meet even though the team lost. "We showed more depth than any swim squad I've had at Idaho.

The Vandals will take a third try at defeating the Cou-Babes this next Wednesday at Pullman. WSC won early in the season 45-26.

Blow by Blow  
KUOI, 660 on your radio dial, will carry the exclusive blow-by-blow description of the Idaho-Cal Poly boxing bouts from Memorial gymnasium on Saturday evening beginning at 7:55.

Idaho has had 16 national collegiate boxing champions.

## INTRAMURALS

Intramural bowling playoffs, which have been going on for two weeks, will not be completed until sometime next week, although the championship matches were rolled off last night between Phi Delta Theta and Idaho Club.

Beginning the playoffs were pairings between teams in the same division. Final results of these matches were:

DIVISION A  
PDT over WSC, 1st and 2nd place.  
DTD over DSP, 3rd and 4th place.  
SN over E&A, 5th and 6th place.  
PFD over CC, 7th and 8th place.  
BTP over LCA, 9th and 10th place.

DIVISION B  
IC over LH, 1st and 2nd place.  
KS over DC, 3rd and 4th place.  
TKE over SC, 5th and 6th place.  
CH over SAE, 7th and 8th place.  
ATO over PDK, 9th and 10th place.

Following the intra-division playoffs, inter-divisions were started to determine how all teams of the two leagues fared against each other. Winners of those games were:

LCA over PDK, 19th and 20th place.  
SAE over CC, 15th and 16th place.  
SN over PGD, 13th and 14th place.  
SC over E&A, 11th and 12 place.

Last Night and This Week  
Two other games are scheduled for next week. The Betas will oppose the ATO's for 17th and 18th spots, and Sigma Nu will roll against TKE for 9th and 10th places. Matches played last night were:

DSP vs. DC, 7th and 8th place.  
DTD vs. KS, 5th and 6th place.

## Basketball Team Wins From WSC

Coach Chuck Finley will continue to work his Idaho basketball team right up through Monday afternoon, with only a weekend break in preparation for the last match of the season with the WSC Cougars at Memorial gym Tuesday.

Earlier this week the Vandals kept their slim second place chances in the Northern Division alive by nipping Coach Jack Friel's charges at Pullman 72-69.

The game was a break-neck affair with both teams guilty of ragged play at times. Idaho was out front 33-31 at the mid-point but outshot the Cougars in a big third quarter to take a ten point bulge going into the final frame.

WSC narrowed the gap but Idaho controlled and waited for the easy shots.

Tom Flynn was high for the winning side with 22 points while Pete Mullins took scoring honors for the evening with 23 for WSC.

Big Dwight Morrison dominated the backboard for Idaho.

Junior Emerson Clark will be the Vandal ace hope in the mile and occasionally in the half-mile. Clark won the mile event in four of five dual meets in 1952. Al Turner of Oregon was the only one to beat him.

Other Lettermen  
Competing in the 880-yard race will be Bob May and Walt Meukow. Walt was clocking good time before breaking a bone in his foot mid-way in the season. May is a fast improving junior over the distance.

Lorin LeFoe, Gary Dixon and Pat Duffy are expected to handle the chores in the quarter mile. All are letter winners.

Glenn Casebolt and Bruce West round out the list of those who earned monograms. Casebolt is a

Washington State and Idaho lead in the number of Pacific Coast boxing champions crowned. The Cougars can claim 37 and the Vandals 25.

Score by quarters:  
IDaho: 12 23 34 47  
WSC: 15 16 18 22-69

Free throw percentages: Idaho .812; WSC .655.  
Field goal percentages: Idaho .452; WSC .349.  
Officials: Al Lightner and George Yerkovich.

## Ten Returning Lettermen Are Core Of Track Team

Prospects for Idaho's 1953 track and field season are necessarily sketchy this early in the year but first turnouts indicate that the Vandals should be strong in most of the running events and notably weak in the field contests.

Every weekday Coach Stan Hiserman is drilling almost two dozen athletes, ten of them returning lettermen. Workouts are being held outdoors when possible and in the field house when the weather is bad. Saturdays the team travels to Pullman and a turnout on the larger track in the Cougar field house.

Sweeney Is Back  
Leading the list of letterwinners is senior Bruce Sweeney, top point winner for the Vandal track team the last two seasons. Bruce's specialties are the high and low hurdles but he's also adept in the high jump and broad jump.

Lou Gourley, crack two-miler is returning as a sophomore after a sensational freshman year. Lou broke meet records against Washington, Oregon and Oregon State but managed only a third in the Northern Division championships.

Junior Emerson Clark will be the Vandal ace hope in the mile and occasionally in the half-mile. Clark won the mile event in four of five dual meets in 1952. Al Turner of Oregon was the only one to beat him.

Other Lettermen  
Competing in the 880-yard race will be Bob May and Walt Meukow. Walt was clocking good time before breaking a bone in his foot mid-way in the season. May is a fast improving junior over the distance.

## Frosh Hoopsters Bow to Cougar Squad at Pullman

By JERRY WRAY  
The University of Idaho frosh team ventured over to Pullman Tuesday night to play a preliminary game with the WSC Cou-Babes and ended up on the short end of a 59-51 score.

High point man for the Vandal frosh was Elmer Filler with a total of 12 points. He was followed by Keith Hall with 8 points.

Jay Webb was off his usual scoring stride and ended up with only two points, both garnered from the charity stripe. As a team the frosh hit .286 per cent from the floor and came up with a .558 per cent from the free throw line.

Coach Art Smith was impressed with his men. He said they showed signs of aggressiveness. Smith was especially pleased with their second half scoring when they outshot the Cougar frosh 33-26.

A tentative game, is scheduled with North Idaho Junior college of Coeur d'Alene, Saturday the 21. Next week the frosh tangle in a return game with the Washington State frosh on our home floor.
