

BLOOD DRIVE KICKS OFF WITH SLOW FIRST DAY

Tally Only 358 Pints As Students Filter In

The University's sixth campus blood drive got off to a slow start yesterday as 358 donors gave their precious pints for the good of the cause. Twenty-seven prospective donors were turned back at the door.

Only 76 pints had been drawn at 11:30 yesterday morning, but a steadier stream of blood givers in the afternoon brought smiles back to the faces of the drive committee.

The heavy schedule of Monday morning classes was blamed for the slow start by Dr. E. E. Sestero, director of the mobile blood unit. Sestero said, however, that the students were responding true to form and he expected the usual good turnout from the campus.

First Donor
First donor through the blood

interview donors. These reports will be aired jointly with KRPL each day at 6:30 p.m.

Blood Flown
The first "blood load" will be flown from the Moscow-Pullman airport today at noon by a plane from the Mountain Home Air Force base. The whole blood will be flown straight to San Francisco to be processed for its journey directly to Korea.

Entertainment for the benefit of the donors in the SUB central ballroom yesterday afternoon and each afternoon of the drive is under the direction of Lucy Spencer and Blair Allen.

Students helping with the entertainment yesterday were Shirley Lent, Tom Bullock, Bill Exworthy, and Ray Cox, plus the Spencer-Allen duo.

The blood unit will open the ballroom doors for business each morning at 9 o'clock and work through until 4:30 or 5 p.m. Students who don't have definite appointments are urged to "just drop in" any time during the day when they have free time.

Giant Rally In Moscow Demonstrates Drive Spirit

By Lois Bush
A bit of a drizzle last night didn't stop or dampen the spirits of the thousand or so University students, plus a goodly number of townspeople, who gathered at the Moscow hotel corner in a bloody mood.

The University Pep band, perched atop a truck and followed by the Russian-costumed Delts, started at Willis Sweet and wound their way across campus and downtown about 7 p.m.

Rally entertainment, sparked by Lucy Spencer and Blair Allen, contained such choicest numbers as Sharon Henderson, wailing "Life Under the Russian Rule" and a Spencer-Henderson duet entitled "The Little Brown SUB on the Hill."

A Spencer-Allen skit extolled the merits of a new book entitled "Bobby Twins Bloody Brigade for

The bottom photo will give you an idea of the tremendous enthusiasm generated at last night's blood rally. Look around and see if you can spot your friends. The combination at the top shows the performers strutting their stuff before a highly appreciative audience.

The Idaho Argonaut

VOL. 57, NO. 52 THE IDAHO ARGONAUT, UNIVERSITY OF IDAHO TUESDAY, APRIL 28, 1953

The Golden Fleece
by Jason

There comes a time in every man's life when he's faced with a job that's just a little bigger than the man in question. I guess that's about where I find myself now. Somehow, some way, there has to be enthusiasm worked up in you students over this blood drive. And I'm just scared as hell that I won't be able to do my part.

I could sit here and hack out a column on the worthiness of the cause, the prestige of the University, the blood title that we lost to Cal Polytech, and the coverage that we hope to get from "Time" and "Life." I could rattle on about everyone counting on us to put this one drive over the top and make a complete success of May Day.

Frankly, I don't think that would work. You've had blood drive hammered at you for quite a while now this is the sixth for many of you and you're probably fed up to the teeth. Many of you may have decided that this is the one that you're going to pass up, each for his own special reason. Reasons that I am quite sure are justifiable. And against those reasons I won't attempt to argue.

But I will say that this is IT. You'll probably never be called on again to make such an attempt that will compare with this one, either in size or importance. If there's a magic formula anywhere for stirring up enthusiasm, I'd give my left eye-ball to locate it.

So for my part, I'll content myself with offering this one thought. Don't argue with me or with any blood drive chairman about your ability or need to give blood. Take about five minutes and argue with yourself. You're the person that YOU have to answer to.

Estes-Shoup Battery Case Set For May 6

Murray Estes' motion for dismissal of the battery charge against him was denied Friday in an order given by Probate Judge Lloyd G. Martinson. The Moscow attorney must now stand trial set for May 6 at 9 a. m. before Judge Martinson.

The action came two days after a hearing was held on the Estes motion. The motion was contested by Prosecuting Attorney Melvin J. Alsager and no memorandum opinion was given by the judge.

Friday's action appears to have settled the squabble reported in Saturday's Idahoan. The Idahoan reported that a compromise was suggested between the two parties in the case, Richard Shoup, a University student, and Murray Estes. The Idahoan reported that "Estes . . . came up with the proposal that he would stand trial for battery if Shoup would stand trial for attempted extortion . . ."

Abe Goff, counsel for Shoup, responded "that his client was innocent and that he would in no circumstances agree to any such deal," according to the Idahoan. This story came out as a result of a long debate between attorneys during which, according to the Idahoan, McQuade is quoted threatening he would have both Estes and Alsager disbarred.

Judge McQuade is said to have demanded speedy justice because of the effect that the case "had on the community and the damage being done the bar."

The case has grown out of an alleged altercation in the Perch last December 4 and Estes' coming trial is a result of Shoup's allegation that the attorney struck him at that time.

MSC Takes First Place In Contest

Montana State college bucked its way through flying chips in front of the University Administration building Friday afternoon to take first place in the "Paul Bunyan" contests. Represented in the competition were teams from eight universities and colleges, all affiliated with the Association of Western Forestry clubs.

Wearing assorted lumberjack garb from calked boots to battered felt hats, the students competed in log sawing with the old buck saw, chopping, and pacing distances. Montana State was awarded a log trophy with an imbedded ax blade for garnering 8 1/2 points.

Other team scores were Utah State Agricultural college, 8; Oregon State college, 5 1/2; University of California and University of Idaho, 5; Washington State college, 3, and Colorado A&M, and University of Washington, 1. The last-place Washington collegians were presented with the "Order of the Rusty Pulaski", foresters' fire-fighting tool.

Double bucking of a 21-inch log ended in a tie at 55 seconds between Robert Greenman and Gene Kuhns of Montana State and Robert Harvey and Theodore Kobo, Oregon State. Single bucking was won by Robert Evans, Utah State, 3 minutes 38 seconds. Fred Walrum, Montana State, took first in the chopping, cutting an 8-inch log in two in 21.8 seconds. The pacing was won by Earl Sparks, Utah State. He stepped off a measured distance of 1,069 feet at 1,040 feet.

A special tug-of-war event saw University of Idaho foresters pitted against two teams made up of members of the other seven colleges. The Idahoans out-pulled both teams.

Coleen Gray To Appear At Thursday ASUI Film

Coleen Gray, who appears in "Nightmare Alley," the ASUI film to be shown on this Thursday, will make a personal appearance at the 3:30 presentation of the movie at the Borah theatre.

Co-starring Tyrone Power with Miss Gray, "Nightmare Alley" is a hair-raising bit of picture art portraying carnival life. Playing the part of Molly, the woman that sharp Power marries, Miss Gray is described by Time magazine as portraying in the film a "luscious, loyal dimwit."

The chairman of the ASUI film committee, Hugh Burgess, urges those that wish to see: Coleen Gray's personal appearance at 3:30 to get to the doors as early as they can since the Borah theatre seats only 200. The interview is being taped by the Radio-TV guild for broadcast over KRPL.

Also in the film are Joan Blondell as Zeena and Helen Walker as Lilith. The picture is directed by Edmund Goulding who uses strong realism to get over the point of the picture.

The lowest form of life "at the decadent of the alley" is the carnival's Geek, "an is-he-man-or-is-he-beast exhibit," according to Time, that tears up and eats live chickens. He can take the job because he is in the last stages of dipomania. He's paid a bottle of whiskey a day and a place to sleep it off. Time says, "It is the ultimate pit of carnival life degradation."

Another Geek
Tyrone Power spends two hours of the film finding that for all his supposed talents and up and com-

High School Girls In Home Ec View Wardrobe of Coed

About 300 high school girls from northern Idaho got an opportunity Saturday at the University of Idaho to preview what next fall's college coed will be wearing.

The high school students were all members of Future Homemakers of America, the national high school home economics organization. They came from districts 1 and 2, with towns represented including Sandpoint, Bonners Ferry, Lewiston, Moscow, St. Maries, Grangeville, Greencrest, Troy, Deary, Plummer, Winchester, Kellogg, Priest River and Genesee.

Styles for the complete college girl's wardrobe were exhibited by University of Idaho home economics students.

"The trend in coed wear is to more casual clothes," explained Professor Nielsen of the home economics department. "With an eye to thrift, the coeds are selecting fabrics that are easier to care for. Particularly popular are washable woollens, and fabrics engineered for washability, such as blends of wool and orlon."

A luncheon was served for the high school students at the SUB by members of the University Home Economics club.

Mass Choir To Rehearse

The first mass choir rehearsal for the Song Fest is scheduled for tonight, Tuesday, from 7 to 8 p.m. in the gym. The numbers to be rehearsed will include "The Fighting Vandals," "Our Idaho," and "The Alma Mater." Each house song leader is responsible for getting the members of his house in proper position and ready to sing on time. Freshmen women are excused until 8:30 p.m.

Glen Lockery, director of the mass choirs, will direct the mass choir numbers.

Glen Horning Is Winner Of Little International

Winner of the 1953 Little International show was Glen Horning, Moscow, with a total of 1859 points accumulated in 18 contests.

Alden Fitch, Potlatch, placed second with 1575 points; Martin Moore, Lewiston, third with 1035 points; and Ken Farmer, Caldwell, fourth with 1024 points.

Horning placed first in swine fitting and showing, sheep fitting and showing, and beef fitting and showing.

The animal husbandry winner from Moscow was presented the gold winner's trophy by Little International Queen Lorna Hobday.

Horning, who was fourth place winner in the 1951 Little International show, started his career in agriculture early with 4-H and FFA work, serving as president of both organizations in high school.

Winners Listed
Winners in all events were Jesse Beckman, poultry judging; Ken Farmer, agronomy and dairy cattle judging; Art Henry, arc welding; Po-Ping Wong, entomology; Melvin DeWitt, acetylene welding and tool identification; Chuck Schroeder, vegetable and seed identification.

Alden Fitch, horticulture plants, horticulture transplanting, and poultry fitting and showing; Marvin Cox, animal husbandry judging; Jim Kunkel, dairy products judging; Rolly Lincoln, dairy fitting and showing.

Committee chairman for this year's show was Don Mitchell, with his assistants Woody Bernhardt and Howard Shepherd.

Other chairmen were Rich Westgate, publicity; Glen Taylor, properties; Ken Farmer and Walt Butcher, prizes; Gordon MacKay, features; Woody Bernard, displays; Farrel Buxton and John Puckett, clerks; and Tom Hopkins, announcer.

Idaho judges for the annual show were H. C. Hansen and E. D. McGlasson, dairy products; G. O. Baker and Chester Canode, Agronomy; J. W. Martin, and L. Messersmith, agriculture engineering; H. C. Manis and W. F. Barr, entomology; G. W. Woodbury, horticulture; C. F. Peterson and C. E. Lammman, poultry; D. L. Fourn, dairy husbandry judging; Wade Wells, swine fitting and showing; and displays, Mary R. Kirkwood.

Animal husbandry fitting and showing judges were Andy Duffie, Walter Smith, and Ralph Hiermann, all of Walla Walla, and Professor Goodwin, WSC.

Dairy fitting and showing judges were Gerald J. Plowman, and G. G. Anderson, Boise.

Mock Court To Be Held By Lawyers

Mock court will be held by senior law students Wednesday at 2:30 p.m. in the Federal Court room on the second floor of the Moscow Post Office. The mythical case which will be heard is Western Railway company vs. Rutherford. This is an appeal of a decision against the railroad which was made by a trial court held the first semester.

Council for the appellants are Eli Rapaich and James Ellinger. Dwayne Welch and James Knudson are council for the respondents.

Hearing the case will be Judge Richard B. Ott, Justice of the Superior Court of the State of Washington. Judge Ott is a former graduate of the University of Idaho and according to Professor Philip Peterson of the law school he is "one of the best judges in Washington." Also hearing the case with Judge Ott will be Abe Goff, Moscow attorney; and Dr. W. J. Brockelbank of the law school.

The case revolves around a mythical accident which resulted from a switchman leaving a switch unlocked. A boy came along and opened the switch and a train ran off the main track onto a siding striking the plaintiff who was an employee of the railroad. The question being appealed is whether the railroad is libel for negligence. Previously it was found that the railroad was.

Interested students and faculty are invited to come up to the courtroom and hear the proceedings.

Campus Survey Shows Where All The Shekels Are Spent

By Al Dieffenbach
A survey recently completed by C. E. Marshall's marketing research class should help to blast the theory that college students spend most of their money on gasoline and beverages. According to the report, the biggest item of monthly expenditures was clothing with the women reporting the high figure of \$17.12, followed by the men at \$12.35 and the married students report of \$13.08.

The report covers everything from soup to typewriter repairs and took nearly a full semester to complete. Operating on a base of 2859 student enrollment, the samplers took interviews from 210 men and 70 women in order to keep the ratios correct.

Highest expense for all groups was the married students' report of an expenditure per month of \$64.51 for vittles, an expense which was not existent in the single students' budget. See what they got themselves into by marrying?

Another interesting item is transportation. Seems like no one on the campus rides or walks since the figures show that only 27.7 per cent of the 280 students interviewed own automobiles and taxi expenses average 26 cents a month and shoe repairs averaged only 56 cents a month. What do they do, fly?

Men Are Neater
Just by way of proving that men are neater than women, the interviewers came up with a cleaning bill of \$4.13 for men and \$3.65 for women. Married students averaged \$3.85. And that ain't all. Laundry expenses for the men ran to \$2.47 per month while the women totaled a lowly 34 cents. Married students (who figured for the family as a whole) spent an equally shameful 38 cents a month for laundry. Believe us now?

Vanity will show through, they always say, and it has been proven again. Personal items, including cosmetics, shaving accessories and hair oil came to \$3.49 for the weaker sex, \$2.04 for the

men and \$2.50 for married couples.

A surreptitious note creeps into the male students' reports concerning an item listed as "other entertainment" where the men show a monthly expenditure of \$11.53 and the women give a miserly \$2.87 tariff for that category. Better, check up, girls. And you wives had better not snicker because someone in that family is making away with \$5.88 a month under the same sinister heading of "other entertainment."

Eating Out
We knew that men had appetites and they proved it by checking in with a monthly payment of \$8.84 for restaurants and the women showed an outlay of \$5.75 for the same item. Married folks again trailed the pack with a figure of \$5.12. All include snacks and the meals' outside of home.

Married people seem to have the jitters if their expenditures for tobacco, cigarettes and cigars is any indication. They chalked up a

whopping \$6.14 payment in this class compared to the men's \$3.77 and the women's (again miserly) \$1.71. But there, again both persons are included in the married folks' figures.

Low item for the entire survey was sheet music with women students leading at 39 cents, followed closely by the married students at 24 cents and usually openhanded men trailing by a note at 6 cents.

Just an indication of who's getting away with what, read on. Men spent \$4.05 for movies and those clever females made it through the average month on \$1.73. Married students got stung to the tune of \$4.19. And flowers, oh yes, flowers. The figures ran 38 cents, 6 cents and 46 cents per month for men, women, and married students in that order.

The Gentler Sex
That the female students are gentler than the men cannot be denied according to the figures shown for radio and/or phonograph and typewriter repairs. Wo-

men spent only 19 cents to the men's \$1.02 for such repairs. Our married colleagues must be a robust group, or at least very temperamental, for their repair bill is \$1.13 per month.

We don't know who's kidding whom on this next item, but . . . well . . . men spent \$1.90 in the barber OR beauty shops while the women seem in no need of repairs judging from their tight-fisted 36-cent expenditure for the same type service. Of course those who are wedded got stuck again to the tune of \$1.92 for shearing and profile adjustment. It was noted, however, that many University women do their own shampooing, setting, clipping and plucking.

Those who own their own chariots registered \$21.67 for gas, oil, grease and repairs. Sporting goods ran an average of \$1.30 for the men, 58 cents for the women and \$1.63 for married students. Close to the bottom of the various shopping lists were school supplies, exclusive of books. Men reported an

average monthly expenditure of \$1.50, women \$1.67 and married folks trailed with an unacademic \$1.15.

A readership survey was also taken at the same time and the results are interesting. The Argonaut is read regularly by or frequently by 95.6 per cent of the students while the Idahoan shows only 37.4 per cent of the students as regular or frequent readers. The Argonaut is read seldom or not at all by only 4.3 per cent of the students and the Idahoan shows 62.5 per cent of the students in this category.

The main purpose of the study herein presented was to measure the market potential of the University of Idaho student according to merchandise and services available in Moscow. A headache was given the researchers by the many students who could not accurately estimate their monthly expenditures. Those figures which were seen to be far above or below the average were discarded.

Executive Board

Executive Board will meet tonight at 7 o'clock in the Board room. All new members are invited for a joint meeting.

Agenda
1. Budget
2. Retreat
3. Open

Distinguished Guests

Miss Coleen Gray and Touch Connors, Hollywood movie stars. Lt. Col. Reginald R. Myers, Idaho's only Congressional Medal of Honor Winner, representing the Department of Defense. Reno Odlin, prominent banker and Treasury official, representing the Secretary of the Treasury of the United States. Giovanni Dennis Costigan, eminent professor of European history, University of Washington. Dr. Ross McIntire, personal physician to the late President Franklin D. Roosevelt. Rt. Rev. Steven F. Bayne, Bishop of the Episcopal Diocese of Olympia.

People, Groups Participating In The May Day Parade

- Although there will be additional groups in the May Day parade besides those listed below, the following are noted because they are absolutely confirmed.
- University of Idaho: 30 colorful floats depicting aspects of American heritage, as well as satirizing aspects of Russian propaganda.
 - University of Idaho Band.
 - R.O.T.C. Marching Units.
 - Latah County high school queens.
 - Girl Scouts, and hundreds of school children who are savings bond buyers.
 - Pat Murphy, Lapwai, county savings bond queen, mounted on a famous Apaloosa war horse. Also float with Lapwai princesses.
 - Nez Perce Indians, mounted, and Veterans of Foreign Wars float.
 - Walla Walla Wagon Wheelers; about 40 horses; and Spokane County Sheriff's posse.
 - Lewiston Junior Rodeo Association, and the Lewiston Junior Chamber Queen and her court.
 - 49'ers from Spaulding.
 - Five float entries from Moscow American Legion, Eagles Auxiliary, and Veterans of Foreign Wars; Radio-TV Guild; Blood Committee; and the Junior Chamber Emergency Unit.
 - Miss Spokane, official representative of Spokane.
 - Group of Horsemen from LaCrosse, Wash.
 - Moscow Junior Rodeo group.

Citizens Support Thomas for Mayor

"Citizens for Justice," organized by Mrs. A. Stephens Lowrie, started a movement to back a surprise candidate for mayor of Moscow—none other than Captain T. C. Thomas, professor of Naval Science at the University of Idaho.

"A new broom sweeps clean—let's clean up Moscow for May Day" is the slogan of the citizens of justice.

Captain Thomas said that he learned of the movement Saturday, two days after its initiation by Mrs. Lowrie.

"I do not seek this office," he explained, "however, if it is a matter of being drafted, I would not shirk my duty and would certainly serve to the best of my ability."

DEAR JASON

Dear Jason: I would like to take this opportunity to reply to a letter from Edward Oksendahl which appeared in the last issue of the Argonaut.

Dear Mr. Oksendahl: In your letter to the editor last Friday, you made it sound as though it were necessary to elect the Independent ticket for the city council in order for Mr. Shoup to get justice in the City of Moscow. As a Law student you should know better than to imply this.

In the first place, most of the men connected with justice in this case are elected officials and responsible to you and me, not the city council.

In the second place, it would seem to imply that the opposition candidates were opposed to justice for Richard Shoup. This certainly is not the case.

In the third place, if the city council does have the power indirectly to hasten justice, when then, hasn't Mr. Handel, whom you neglected to mention as being a member of the present council, come out and taken a stand on the Shoup case? It is quite well known that the candidates you are supporting have the blessings of our present mayor. Has he taken any direct action to see that justice is not delayed?

Now, if the men sponsoring the Independent ticket are so interested in University affairs, why did they not nominate one member of the University faculty on their ticket? I am certain there are several competent individuals who would be willing to serve. It is much easier for groups to pay lip service to a cause, in order to gain support, than it is to take action.

For my vote, I feel that the candidates on the United Citizens' Party ticket, Everett Will, prominent civic leader; C. H. Bond, University Student counselor; Kyle Laughlin and Wynne Hill, local business men; are alert to student problems and civic needs and are therefore well qualified as candidates.

Ray E. Marshall

May Day Objectives

To glorify American ideals of democracy, and rededicate ourselves to Christian principles of toleration, peacefulness, and humility.

To create a lasting awareness in minds of all residents of Moscow (Latah County and Inland Empire) of the diabolical aims and purposes of Russian Communism, and the necessity for a continuous defense against this ideology that threatens the foundations of all democratic countries.

To illustrate and satirize the difference between Moscow, Idaho, U.S.A., and Moscow, U.S.S.R.

To sell \$500,000 in defense bonds by May Day in Latah County.

- To install payroll savings for the purchase of defense bonds in all firms and businesses of Latah County.
- To obtain 75 per cent employee participation in payroll savings for the automatic purchase of defense bonds.
- To give 3,000 pints of blood to the Armed Services.

Agronomist Named To Idaho Staff

A man with years of practical irrigation farming as well as extensive academic training behind him has been named assistant agronomist at the University of Idaho, President J. E. Buchanan announced recently, following Regents approval. The new staff member is Leroy R. Painter.

Now completing his doctorate work at Rutgers university, New Brunswick, N. J., Painter farmed for years in Colorado. He will replace Charles A. Simkins.

A graduate of the University of Alberta, Arthur R. Gittins has come to Idaho as a research fellow to work on a project dealing with honeybee pollination of alfalfa. For three years, he was city entomologist at Edmonton, Alberta. Also named a research fellow was Dale E. Moore, Jerome. To graduate in June from the University, he came here on a Sears Roebuck Foundation scholarship. He will do research in horticulture.

Joe P. Jemmett, Firth, who will graduate in June from Idaho State college, was appointed a teaching assistant in geology-geography, school of mines. He has done geological exploration work for the J. P. Simplot company of Boise.

Resignations accepted included those of Helen Dudley and Joan Rapaich, instructors in English; J. D. Swinebroad, assistant professor of accounting, and William J. Schmid, instructor and assistant agricultural engineer. Schmid had been on military leave, but decided to enter private farming on leaving the service.

Virginia Fox Wins Contest

The ASUI constitution states that the function of the Iks is to serve the ASUI as requested by the Executive Board. Our athletic teams also serve the University and the students, 33 on football trips, 12 on basketball trips, 15-20 on baseball trips, and so forth. Does not the year long work of 50 men merit the excuse of six men in order that they may attend the one annual national meeting of the organization?

Program Of Events

- Monday, April 27**
Blood Rally. Blood donations will be taken all week. Serpentine of students will parade through town Monday evening. Rally will take place on platform at 4th and Main at 7:30 p. m.
- Monday through Friday**
Concentrated savings bond sales.
- Wednesday**
Arrival of distinguished guests.
- Thursday**
Personal appearances of movie stars—Coleen Gray and Touch Connors—at theatres.
- MAY DAY - PROGRAM - MAY 1**

ROTC Units To Compete

The annual Inland Empire Drill Team competition for ROTC units of colleges will be held at 10 a. m. Friday, May 1 at Moscow Recreational park, Sixth and Deakin streets. The Air Force ROTC unit will host the event sponsored by David's Inc., in conjunction with Moscow's May Day celebration.

Entries for the competition will include the Air Force ROTC, Army ROTC and Navy ROTC, University of Idaho; Air Force ROTC and Army ROTC, Washington State college; and the Army ROTC from Gonzaga university. Judges for the meet will be furnished by each of the schools participating. Mr. Earl David will handle the presentation of awards.

7:15 P.M.
Gigantic fireworks display at McLean Field, University of Idaho campus.

8:00 P.M. to 8:45 P.M.
University of Idaho Talent Show at Memorial Gymnasium—movie stars to judge show and participate.

9:00 P.M. to 12 Midnight
Square dancing and folk dancing at Memorial Gymnasium. The public can participate in these dances which will include exhibitions by groups from Spokane, Walla Walla, Grangeville and other cities. A dozen good callers from the Inland Empire will be present. There will also be other dances throughout the city.

Dance Team To Appear In Auditorium Thursday

The dance team of Emily Frankel and Mark Ryder, noted for the many original interpretations it has brought to the American stage, will appear at 8 p. m. Thursday at the University auditorium. The performance will be the last number of the University's public events series for the current academic year.

The Frankel-Ryder program this year is best known for a dance entitled "Haunted Moments," which is done entirely to sounds. It is a humorous fantasy which demonstrates how the ordinary sounds of living—of telephones, trains, clocks, etc.—compel persons to act. Sounds of water gurgling, laughter, cash registers, crowds cheering on a New Year's Eve, transposed into rhythmic moods, create effects of nightmarish and hilarious intensity.

The dancers, who in private life are Mr. and Mrs. Ryder, also perform a Biblical dance about Jacob and Leah, a balletic dance of death and a maiden which uses three Bach preludes for accompaniment and a dance that tells the story of a silly puppet who transforms a foolish woman into a creature like himself.

Mrs. Ryder was formerly a member of the Charles Weidman dance company, and Mr. Ryder was a soloist in the Martha Graham dance company.

COMING EVENTS

Today:
Arnold Air society meeting today cancelled.
U and I party steering committee, 4:15 p.m., SUB conference room A.
Sigma Tau, 4:30 p.m., Engineering 131. Urgent business. All members should attend.
Little International Board of Directors, 7:30 p.m., SUB Vandal room. Please be there.
IK meeting, 8:45 p.m., SUB conference room A.
Wednesday:
Greek caucus, 7:30 p.m., SUB conference room A. Election of officers.
Thursday:
Frosh Orientation committee, 4 p.m., SUB conference room C.
Panhellenic, 4 p.m., SUB town women's room. Rush discussion with Alpha Phi's in charge.
Scabbard and Blade, 7:30 p.m., SUB conference room A.

Numbers for U. S. highways are even for east-west and odd for north-south routes.

AROTC Holds Nite Maneuver

The entire Army ROTC cadet corps will "move out" tomorrow night at 7:30 p.m. from Memorial gym to the annual spring night maneuver.

The corps, commanded by Cadet Colonel Peter F. Stickney, will simulate, with blank ammunition, a company mission in combat. The corps will be opposed by an "aggressor" force composed of Pershing Riflemen commanded by Cadet Captain George Ring.

The maneuver will be held in the vicinity of the golf course and the arboretum.

Lt. Col. Aaron E. Blewett, Idaho professor of military science, said the annual night maneuver, with volunteer participation, is one of the important phases of ROTC training.

Areas Assigned To Groups In Campus Clean-up Drive

The Blue Key-sponsored drive to clean up the campus will get underway Saturday morning with each living group assigned a definite area to clean up.

The rubbish and trash collected should be piled up in a conspicuous and easily accessible spot to facilitate removal by trucks. Trucks provided and operated by Blue Key will begin the rounds of the campus at 10:30 a. m. to collect the trash. These trucks were secured through the cooperation of George Gagon, University engineer.

Again, the respective living groups and students are urged to "beautify" the campus and make it as neat as possible, both for Mothers' Day the following weekend, and to make campus life just a little more pleasant for the remainder of the semester.

Presidents of the individual living groups will be contacted to make certain all assigned areas are recognized. All Blue Key members are requested to meet at the SUB at 10:15 a.m. Saturday morning.

Cleaning Areas
Assignments for the following areas have been made to each living group:

Hays, hall and Forney hall: the area immediately surrounding respective halls plus that around the tennis courts. Gamma Phi Beta: the area surrounding the house plus that around Steel house. Tau Kappa Epsilon: the area around the house plus that surrounding the Music building. Ridenbaugh hall: the area immediately surrounding the hall plus that around the Home Economics building. Kappa Sigma: the area about the house plus a detail of men for area in front of Ad building.

Delta Chi and Kappa Alpha Theta: area around respective houses and around the Nest and Perch. Phi Gamma Delta: area around house and the infirmary. Sigma Alpha Epsilon and L.D.S.: area surrounding living groups and along Deakin street to the Theta corner. Phi Kappa Tau and Delta Sigma Phi: areas around the houses and around Hutchinson's studio and along Deakin street. Alpha Tau Omega and Pi Beta Phi: area around respective houses and the Student Union building. ATO will also clean along Idaho street.

Work for All
Sigma Nu and Alpha Chi: area around houses and along Elm street. Beta Theta Pi: area surrounding the house and parking areas along Elm street and along Idaho street near the house. Tri Delta and Alpha Phi: area around houses and along Elm street, both corners on Sixth street, and Canterbury house. Lindley hall: area around the hall and the Science building. Kappa Kappa Gamma and Sigma Chi: area around houses and areas around the Home Management house and music practice halls.

Delta Tau Delta: area around house and area in front of the Forestry building. Willis Sweet hall: area around the hall and UCB and corners of the Dairy Science building. Chrisman hall: area around the hall and a detail of men for the area around Memorial gym. Idaho club: area around the hall and a detail of men for front of the Ad building. Campus club: area around the hall, Kirtley lab and a detail for Memorial gym.

All living groups are asked to clean any miscellaneous areas near them which are not assigned.

THANKS
The new executive board wishes to thank the student body for their wonderful vote of confidence. We will certainly try, with your help, to do the best in our power to work to the best interests of the entire student body.

Sincerely,
The new Executive Board

University AIEE Chooses Officers

Seven electrical engineers were named to hold positions in the American Institute of Electrical Engineering—AIEE—here April 15.

Chairman is Robert Barber; vice chairman, Melvin Faught; secretary, Edwin Utz; treasurer, Robert Graham; senior representative, Harry Ehoodin; junior representative, Frank Muller-Karger; reporter, Louis Gillett.

Frank Burford, electrical engineering senior, won the \$10 prize for the winning technical speech on engineering at a special meeting Thursday afternoon.

Subject of Burford's speech was carrier and radio communication in the power utility system in Klickitat county, Wash.

While in Seattle, the students will attend the annual Pacific Northwest regional conference of the American Society of Mechanical Engineers at the University of Washington. Papers will be read at the conference by Thomas Kerr, "Paper Design of a Laboratory Wind Tunnel," and Walter Landeck, "A Graduate's First Job in Design."

The students will be accompanied to Seattle by Prof. Henry W. Silha.

Civil Service Exam Open To Students

The Federal Civil service has available an examination for accountant and auditor, \$3410 and \$3795 a year (commercial and fiscal), in various Federal agencies in Idaho, Montana, Oregon, and Washington.

Information and application blanks may be obtained from the secretary, Board of U. S. Civil Service examiners, at any first or second class post office.

Applications must be filed with the director, Eleventh U.S. Civil Service Region in Seattle not later than May 4, 1953.

Attention Men

All junior and senior men interested in joining Blue Key are asked to submit their activity points to Pat Duffy or any Blue Key member. Point lists are available in the graduate manager's office or from any Blue Key member. Applications must be in by noon on May 5th. For further information call Pat Duffy, 2119.

Idaho Grad Student Gets Scholarship

Willy M. Iritani, University graduate student in Horticulture from Denver, Colo., has been named one of 20 American students to receive Fulbright scholarships for study in Japan next year.

Iritani, who graduated in Horticulture from the University of Minnesota in 1951 and has been doing graduate work here since then, received the scholarship to do basic research in vegetables in Kyoto university, about 100 miles from Tokyo in central Japan.

His term will begin this fall. He will remain in Japan for one year.

Iritani is the second University student within the past week to receive a Fulbright scholarship. Samuel B. Treves, Moscow, received a scholarship to study the geological formation of rocks at the University of Otago in New Zealand, according to W. J. Brockelbank, professor of law at the University.

Treves will begin his study the first part of July, 1953, and will remain there for one year.

The scholarships include all expenses, tuition, travel, fees, and books. Fulbright scholarships are given by foreign governments to American students in payment for surplus war materials received by these countries during World War II.

The scholarships are intended to establish better relationships between the countries.

Chem Engineers Elect Officers

Maurice Durning, junior chemical engineering student, was elected president of the student chapter of the American Institute of Chemical Engineers.

Other officers for the 1953-54 year are Bill Kinney, vice-president; Bess Vance, secretary; Roger Bourassa, senior representative; and Roger Anderson, junior representative.

A spring picnic for the group was tentatively scheduled for May 15.

Following the business meeting, a movie entitled "Corrosion in Action" was shown.

Now everyone settle back in their seats and give us a chance to tell you who she is. That's Coleen Gray, Hollywood's idea of pulchritude, who will be here for the May Day festivities. We sort of agree with Hollywood.

Civil Engineers Take Field Trip

Seventeen civil engineering seniors left yesterday morning to learn about dam building in particular and irrigation construction in general on their annual field trip, which will last till Saturday.

Prof. Chester A. Moore, head of civil engineering, said that the seniors would visit Grand Coulee dam, and other features of the Columbia Basin irrigation project, then move on to view construction of the Chief Joseph dam and power house. In Seattle, the students will also make studies of the Lake Washington floating bridge and the new Alaskan Way construction.

The engineers, soon to go on construction work themselves, have just returned from a day in Spokane, where they observed municipal and industrial plant operations. While in Spokane, they were guests of the Spokane section of the American Society of Civic Engineers.

Microfilm Files Available For Student, Faculty Use

Among the many services available to students in the University library, the microfilm files are, perhaps, one of the most interesting.

According to Charles Webbert, reference librarian, there are two distinct advantages to a library possessing microfilm. One is that the files do not take up much storage space, and the other is that the library in this way may possess certain documents or books that would not be available in any other form.

Webbert estimated that the life of microfilm is as much as five to six times as long as ordinary newspaper. In the case of such bulky documents as newspapers, too, handling is made less difficult through the use of the smaller and easier to handle film.

In addition to the New York Times for the years 1911-1930 and 1949 to date, nine Idaho newspapers are filed on microfilm in the library. The oldest paper is the Owyhee Avalanche, from 1965-1904, when it ceased publication.

Others include the Idaho Daily Statesman from 1950; the Pocatello Tribune and later State Journal from 1893; the Idaho Falls Times, 1891-1920; the Minidoka paper, 1919; and the Rupert papers, at various times named the Rupert Pioneer-Record, the Rupert Pioneer, and the Rupert Record, 1900-1923.

The microfilm projector is located in the first floor library next to the reference desk, and students and faculty alike are welcome to take advantage of its services.

Air Force Choir

The Air Force choir will meet in the SUB Borah room at 7 p.m., Wednesday. Tuesday, there will be a song practice in the gym for all groups at 7 p.m. All choir members should be there.

Attention!

KUOI staff members will have Gem pictures taken Thursday at 4 p.m. at the station.

Thetas Kidnap Guests For Breakfast; Signa Nus Host Fraternity Conclave

Idaho's chapter of Sigma Nu hosted the Northwest Regional conclave of that group over the weekend. Guests included 45 delegates and J. Edward Murphy, national regent. Jo Dittmer is in charge of the May Day float arrangements. Her volunteer committee is working with Lindley hall. Mona Wright, who has been ill at home, came back to Idaho for a visit Sunday. Carol Korvola, a junior high teacher in Prosser, Washington, and a sister of Ruth Ann Korvola, was a guest Sunday noon.

LAMBDA CHI ALPHA

Dinner guests during the week included Robert Meiche, Gordon Roberts, Monty Ewing, Dr. and Mrs. Dirghalli, Lambda Chi traveling secretary; Kathy Fitzgerald, Pi Phi; Ann Wyckoff, Delta Gamma; Velma Wilson, Kappa Kappa Gamma; Mickey Latta, Alpha Phi, and Carolyn Gale, Kappa Kappa Gamma.

SIGMA NU

Delta Omicron chapter played host this past weekend to a gathering of 45 Sigma Nu delegates from seven Northwest colleges in the annual Northwest Regional conclave. The fraternity's national regent, J. Edward Murphy of Indianapolis, along with divisional commanders, Erick Leithe of Seattle and John J. Lucy of Missoula were present for the gathering. The opening address at the first general assembly was delivered by H. E. Lattig, Dean of Men at the University. Various fraternity discussions pertaining to all phases of fraternity activity took place throughout the morning and the afternoon.

Saturday evening the White Star banquet was held at the Idaho Ad club with 100 Sigma Nus attending. Following the banquet the chapter house was the scene of a fireside attended by more than 70 couples. Delegates were represented at the conclave from OSC, Oregon, Montana State university, Montana State college, University of Washington, WSC and College of Puget Sound. The site for the 1954 conclave was set at CPS. During the day the regent and divisional commanders met with University President J. E. Buchanan. Advisors at the meetings included Ken Hunter, Harold Cornelison, Vic Casebolt, Clay Boyd, all of Moscow, and Boyde Cornelison, Lewiston.

FORNEY HALL

Peg Pruett was a weekend guest. Dinner guests at the hall recently have included Nathalie Bales and Betty Deston. Kappa Alpha Theta Sunday morning the Thetas held their annual "kidnap" breakfast. Girls invited were: Eleanor Long, Fritze Hoover, Carol Blotcher, Eldora Taylor, Pat Meyers, Dolores Anderson, Mary Hansen, Peggy Taufen, Nancy Lyle, Jean Mackinson, Pat Reichow, Vonda Jackson, Jerry Stanford, Betty Hale, Arlene Wood, Jean Luedke, Yvonne Bentley, Jessie Powers, Carol Covert, Norma Ring, Ann Tremaine, Susan Oberg, Jean Trowbridge, Jane Simmons, and JoAnn Dittmer. Entertainment during the breakfast was furnished by Ann Pool and Frances Herre. The town parents were guests at a fireside Wednesday evening. Those present were Mr. and Mrs.

Memento Presented To Jeffers

Thursday night the alumni of the forestry school presented Dean D. S. Jeffers, retiring dean of Forestry, a replica, on paper, of a plaque that will be placed in the Forestry building. At a surprise dinner last Thursday night, Dean Jeffers was given this memento for his 18 years of service to the foresters. Faculty members, alumni and honored guests were present at the dinner in the Student Union. Speaking of the outstanding work of the dean, President J. E. Buchanan of the University said that "it is remarkable that 78 per cent of all the students ever graduated from the school of forestry had the guidance of Dean Jeffers." Other tributes to the dean were paid by Professor Ernest Wohletz of the school of forestry; Roger Bay, student from La Crosse, Wis., and George W. Jemison, alumnus, who is now director of the Northern Rocky Mountain Forest, Range and Experiment station, Missoula, Mont. Mr. Jemison also presented the certificate to Dean Jeffers. The original plaque will remain as a permanent tribute to the Dean, hanging in the Forestry building.

PHI KAPPA TAU

The annual Phi Kappa Tau Founders day banquet was held Sunday at the Ad club. The banquet was jointly sponsored by Idaho's Beta Gamma and WSC's Alpha Kappa chapters. Guests were Dr. and Mrs. Layna from Pullman and John Harmon, Lee Fanning and Ernie Price from Spokane. Mr. Price, past Domaine Chief, gave a short talk to the group in which he stressed the progress which the two chapters have made. Earlier in the week Al Heuser, national field secretary, paid a return visit to the chapter. Plans are being completed for the annual spring formal which will be held May 8 at the Ad club.

Alum News

Mr. Thane Johnson, Forestry, '50, has recently been discharged from the service. He spent considerable time in Korea. He is now living in Idaho Falls. Mr. and Mrs. Gerald Haegeler, (Hazel Bell) both '52, are living in Santa Barbara, Calif. They have a daughter, Jan Renee, born March 21. Hal H. Tripp, '43, was recently elected mayor of Crystal Lake, Illinois. Mr. Tripp is a member of Alpha Tau Omega fraternity.

WRA NEWS

Attending a Play day in Ellensburg, Wash., last Saturday were Sylvia Moore, Wanda Gray, Lavonne Willson, and Marcia Gensh. They played tennis and badminton with the other schools attending, College of Puget Sound, University of Washington, CWCE, EWCE, and WSC. This week's softball games will be Pi Phi versus Theta, and Tri Delta versus Forney II on Tuesday, and Theta versus Forney I, and Kappa versus Alpha Phi on Wednesday.

Crescent Girl Collects

Blonde Velma Wilson, Crescent Girl for 1953, receives the trophy from last year's queen, Emily Christie, in ceremonies at the Lambda Chi dance Saturday evening. Finalists in the contest were Mickey Latta, Ann Wyckoff, Carolyn Gale, Velma Wilson and Kathy Fitzgerald.

Pep Band to Lewiston

The Lewiston Chamber of Commerce has invited the University Pep band to take part in a parade today celebrating the opening of the baseball season. Twenty-eight to 30 members of the band will participate in the parade which will travel from 10th and Main in Lewiston across the bridge to Lewis and Clark hotel. At the hotel band members will be luncheon guests of the Lewiston Chamber of Commerce.

Theta Sigma Elects Two to Fill Posts

Theta Sigma, women's journalism honorary, recently elected Ginger Jones as secretary, and Barbara Pickett as keeper of the archives, to fill vacant posts in the organization. The group is making plans for the first annual Matrix Table to be held in conjunction with Sigma Delta Chi, men's journalism honorary in May.

SOME SPEED

Idaho's record for the 100-yard dash is jointly held by Glen Christian and Dick Newton at 9.7 seconds.

Here's More About—Coleen Gray

ing brightness he, too, becomes a Geek. He is the most "resourceful and wholehearted heel yet to leave a print on American screens," adds Time. Power climbs a ladder of women. Number one is Zeena, the midways mentalist. Next comes Molly, the woman he marries. Finally there is Lilith, a pseudo-psychiatrist, who tricks him at his own racket. The film is unbearably brutal but "humor, cynicism, and malign social observation... are implicit in it," points out Time. Commonweal adds, "You have to have such a strong stomach to take it that you better approach it with caution." And when the picture is finished adds Commonweal. "You wonder how far movies can go with unpleasant subject matter."

Regular Price

Regular showings will be held at 7 and 9 p.m. The regular 25 cent price will be charged for all showings including the 3:30 picture at which Coleen Gray makes her appearance. Commonweal, Time, and other critics laud the movie and the performances of the stars. Concludes Commonweal, "This picture gives a vicarious thrill as well as several very queasy moments."

The apparent position of stars in the sky is materially altered by the bending of light rays which pass through the earth's atmosphere.

ACCEPTANCE !!

We of the NROTC Battalion of the University of Idaho, being members of the greatest Navy in the world, with a long and glorious history, do realize that a new armed service in our country would be jealous of our fine tradition and esteem. A service such as the newly organized USAF would naturally be interested in gaining for itself a tradition half as good. It therefore, stands to reason that the members of the Air Force ROTC, having failed rather miserably to gain the esteem on the drill field, would seek to gain said esteem by lying on their backs and giving blood. In the Navy we are proud of the history makers who uttered such famous words as: "Don't give up the ship," "Damn the torpedoes, full speed ahead," "Take her down." We say to you, "Watch our blood flow, birdmen." We, therefore, accept your vague challenge in the blood drive with the following added stipulations:

1. The unit with the highest percentage of donors (based on total membership) shall be judged winners.
 2. The AFROTC and NROTC Units shall include all commissioned officers, enlisted men, warrant officers and other personnel attached to the units.
 3. The losing service shall order:
- its student command officer and staff (student) to march in a column of files to Pullman, Washington. After arriving there, the winning service shall provide transportation back to Moscow, Idaho, and furnish suitable refreshments. NROTC UNIT, UNIV. OF IDAHO
- ### First Vandal Flier Gets Pilot License
- Milford "Corky" Vaught, Willis Sweet, is the first member of the Vandal Flying club to earn his private pilot's license this year. Vaught is now eligible to fly the Club's new Cessna 140 and Taylorcraft airplanes anywhere and can carry passengers. Tom Collins, club president, and Al D'Andrea have made a recent night training flight. Collins is working on his Commercial pilot's license. Fritz Drumheller became a new member. Harry Ehoodin recently joined the ranks of a full-fledged student pilot by flying solo. At a recent meeting a movie was shown on aircraft takeoffs. A movie will be shown at the next meeting to be held May 6 in the SUB. All persons interested in joining should plan to attend this meeting.

WILL THIS SUIT FIT YOU?

If you can make the grade, you can fly the latest, hottest, fanciest jobs in the air—and do it within one year.

IT TAKES a good, tough, serious guy to wear the gear of an Aviation Cadet. But if you can measure up, here's your chance to get the finest in aviation training—training that equips you to fly the most modern airplanes in the world and prepares you for responsible executive positions, both in military and commercial aviation. It won't be easy! Training discipline for Aviation Cadets is rigid. You'll work hard, study hard, play hard—especially for the first few weeks. But when it's over, you'll be a pro—with a career ahead of you that will take you as far as you want to go. You graduate as a 2nd Lieutenant in the Air Force, with pay of \$5,300.00 a year. And this is only the beginning—your opportunities for advancement are unlimited.

ARE YOU ELIGIBLE?

To qualify as an Aviation Cadet, you must have completed at least two years of college. This is a minimum requirement—it's best if you stay in school and graduate! In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

YOU CAN CHOOSE BETWEEN PILOT OR AIRCRAFT OBSERVER

If you choose to be an Aircraft Observer, your training will be in Navigation, Bombardment, Radar Operation or Aircraft Performance Engineering.

New Aviation Cadet Training Classes Begin Every Few Weeks!

HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination at government expense.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

Where to get more details: Visit your nearest Air Force Base or Air Force Recruiting Officer. Or write to: Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.

Idaho's Ironman Sweeney In Action

A one-man track team that would make any coach beam was in action at Pullman Saturday for Idaho. Bruce Sweeney won the broad jump (left) at 21 feet 7 inches; the high hurdles (right) in 15.5; the low hurdles in 24.1; and the high jump at 6 feet 1/2 inch. Bruce's win in the high jump was unexpected and came about when WSC's ace Negro leaper, Howard McCants, failed to show up in time for the event. Three of Sweeney's marks were considerably below his all-time best, possibly due to a stiff breeze blowing in the afternoon, but his low hurdle clocking was just one-tenth second off his dual meet mark. (Photos by Ricky Jones.)

INTRAMURALS

By Dave Cripe
Rain forced postponement yesterday of the majority of the intramural track and field events. The finals for the postponed events are reset for next Monday afternoon.

Preliminaries in every event but the 1320-yard run were held on Saturday. Only finals run off yesterday were the 120-yard high hurdles, shot-put, pole-vault, and the broad jump. Fijis' Buss Hansen and Hartly Kruger won the high hurdles and the shot, respectively; Jim Hanzel of Sigma Nu captured the pole-vault, and Phi Delt Bill Crookham took first in the broad jump. Complete results of these events were not available, but will be published in the next issue.

The Phi Deltas lead the preliminary point-getting, which was compiled before yesterday's events. Following the Phi Deltas, who have 77, are the Beta's, the Teke's, and Willis Sweet Hall, each with 69.

Rodeo Squad Tennis Team Bows To WSC; Schober, Richardson Win This Friday

Chute gates opening, the roar of a crowd, and the sound of a whistle—these thoughts occupy the minds of the Vandal Riders Rodeo team as final preparations are made for the third annual Northwest Intercollegiate Rodeo. The three-day show opens at Coeur d'Alene Friday afternoon at 2 p.m.

Rodeo teams composed of six members are entered from the University of Idaho, WSC, Pierce Agricultural college, Montana State college, and Colorado A&M. Other teams probably entering will be Cal Poly, University of California at Davis, and Oregon State college.

A traveling trophy, last year won by Pierce, will be presented to the college team accumulating the most points during the three days of competition. A saddle will be awarded to the all-round champion cowboy of the show, and other place-winners will receive silver belt buckles, hats, and boots.

Representing the Vandal Riders on the official team will be Howard Harris who will also clown the show, Les Matthews, Bill Mink, Stan Potts, Jim Gerard, and Lois Bush.

T CLUB

There will be an I-club meeting tomorrow at 7 p.m. in conference room B in the SUB. Plans for spring initiation and picnic will be discussed.

Patronize Argonaut Advertisers

Idaho's net team opened Northern Division tennis play Saturday at Pullman losing to the Cougars 2-5. Only winners for the Vandals were John Schober and Jim Richardson in the singles.

The Cougars won both doubles matches and didn't have much trouble in coping three of the singles.

Ed Fields, Warren Landon and Pete Mullins all won for WSC in straight sets; in fact, not one of the matches went more than that.

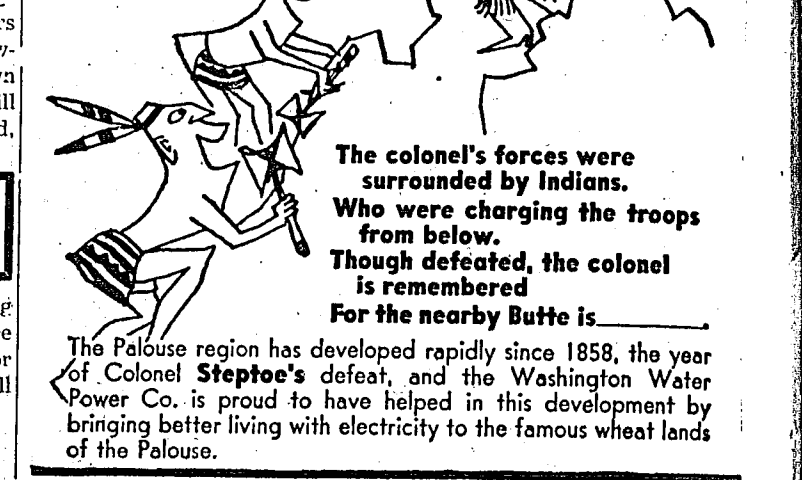

Results: John Schober, I, defeated Rich Munroe, 6-4, 6-3. Ed Fields, WSC, defeated Ted Thorhaug, 6-2, 6-0.

Warren Landon, WSC, defeated Barry Rust, 6-3, 8-6. Pete Mullins, WSC, defeated Max Nunnencamp, 6-3, 6-2. Jim Richardson, I, defeated Bruce Ronneburg, 8-6, 6-4. Fields and Landon, WSC, defeated Schober and Nunnencamp, 6-3, 6-2. Munroe and Mullins, WSC, defeated Rust and Richardson, 6-3, 6-3.

GOOD THROW

Idaho's varsity track record for the discus throw is 162 feet.

YOU NAME IT by Reddy

The Palouse region has developed rapidly since 1858, the year of Colonel Steptoe's defeat, and the Washington Water Power Co. is proud to have helped in this development by bringing better living with electricity to the famous wheat lands of the Palouse.

Golfers Club Cougars; Squad Looking Great

Bob Campbell Is Low Scorer; Huskies At Seattle Are Next

The Vandal golf squad, rated to be a "just better than average team," opened the eyes of everybody Saturday, as it walloped Washington State by a score of 20 1/2 to 6 1/2. As far as the school officials know, it is the worst defeat that a Cougar team has ever suffered at the hands of Idaho on the links.

The double matches were played in the morning with WSC going to lunch with a 4 1/2 to 4 1/2 tie. But it was all Idaho in the afternoon as they took 15 1/2 points to the Cougars' 2. Bob Campbell led the Vandals with a hot 70 over the University course. The smooth-swinging sophomore from Boise, also teamed with Tom Miller in the doubles to fashion a two under par 68 in the morning. Low man for the Cougars in the singles was Larry Graft with a 73.

Some Scores	
It was a great day for Idaho as the varsity shot scores of 70, 73, 74, 75, 75, and a 72. Idaho's Lefty Melton, Bob Rawlings, Dave Powell and Campbell all took 3 points from their opponents in the afternoon.	

The day witnessed many great shots among which were two eagles. The long-hitting Phil Weitz chipped in a fifteen foot shot on the 540 yard hole for an eagle 3. Earlier in the day, left-handed Campbell drove the 345 yard fifth hole and sunk a 20 foot putt for an eagle two.

Doubles	Pts.	Score
Campbell-Miller	2 1/2	68
Weitz-Melton	1 1/2	70
Rawlings-Powell	1/2	71

WSC Dumps Track Team; Four Firsts For Sweeney

Washington State's defending Northern Division track and field squad gave notice that it would be hard to beat for honors again this season as it swamped Idaho's cinder and sod men at Pullman Saturday 97-33.

Bruce Sweeney was the star of the meet, however, as he captured four first places and 20 points for the Idaho cause. The superlative little athlete won the high jump, broad jump and both hurdles events.

Emerson Clark loosed a tremendous backstretch sprint that carried him to an easy victory in the mile event over Cougar Phil Matson. Clark remains undefeated this season.

Vandal two-miler Lou Gourley tagged WSC's Pacific Coast champion Al Fisher for seven-and-one-

Half-mile Meukow half laps before Fisher spurred away to win by 30 yards. A stiff wind hampered competitors and slowed the time. Pole vaulter Francis Shulz soared to second place honors in his specialty with a 12 foot leap. It was his best jump of the season. Walt Meukow ran the fastest

Cou-Babes Nip Idaho Diamondmen

Weather permitting tomorrow afternoon Idaho's freshman baseball club will travel to Pullman for a return game with the Cou-Babe batsmen. There will be revenge in mind since Saturday's WSC yearlings shaded the Vandals 10 to 9 here on McLean field in the opening contest of the season between the two clubs.

Idaho Coach Don Harrison said that either Gary Barton, Aubrey Stephens, or Dick Denny will draw the mound assignment for tomorrow's tilt.

Saturday Washington State freshman pitcher Wes Stock struck out 17 Idaho batters and belted four singles in five trips to the plate to personally lead his teammates to victory over Idaho.

The Cougar cause was helped by three costly errors in the Vandal outfield that let in a majority of the opposition runs.

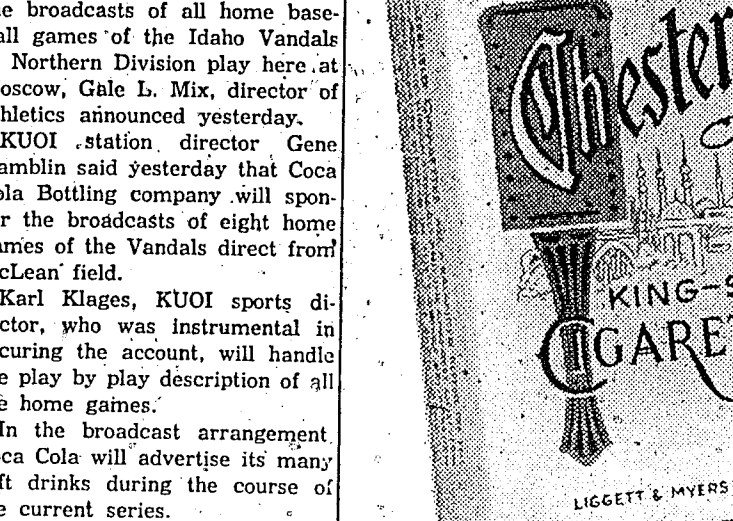

Fresh first baseman Bob Haines of Boise led Idaho in batting with a double and a home run for two-for-five at the plate. Haines' four base blow came with two Vandal runners on the base paths in the ninth. Stock then struck out pinch-hitter Fern Pasold of Idaho on a 3-to-2 pitch with the tying runner on second base to end the game.

The Vandals held a one-run margin going into the seventh frame but four straight singles and a double by WSC scored four runs. Bob Bartow of the Cougar yearlings smacked out a three-run homer for the WSC in the fifth.

Coach Harrison was especially pleased with the five extra base hits his freshman squad stroked and the fine infield play as well, but promised plenty of work on the outfield for the future.

The lineup for tomorrow's game at Pullman will stay the same as in the opening tussle: Osborne, left field; Allison, third; Simmons, short stop; Haines, first; Bittner, second; Pingree, right field; Willows, center field and Quane, catcher.

Beaten Again

Elmer Messenger, Washington State senior from Centralia who is Northern Division discus champ, was beaten for the second straight week by teammate Howard McCants. Messenger was more than three feet behind McCants' winning toss of 150 feet 1 inch Saturday at Pullman. Howard also beat Elmer in the Oregon State meet at Corvallis.
