Freshmen Coeds Win Scholarships

Peggy Webb and Delores Morton, freshmen, have received Future Homemakers of America scholarships of \$100 to be used at an Idaho college. In high school at Jerome, Delores received her junior homemaker's degree, and was the president of her local group.

Peggy received her junior and chapter degree also, and was the treasurer of her local group at Nampa, Idaho. The girls were chosen on the basis of civic and FHA activity, scholarship, and their personal need. Money for the annual award is contributed by the local chapters and anyone is eligible.

Freshman coed: That salesman! I've never heard a man talk so fast!

Senior: Why shouldn't he? His father was a tobacco auctioneer and his mother was a woman.

Bell Delegation To Interview Students

The Bell System six-man recruiting delegation will interview University students Monday and Tuesday. Pacific Telephone's representatives will be L. W. Ross, W. C. Wilkinson and Frank G. Burford, who graduated in electrical engineering here last spring.

Bell Telephone laboratories will be represented by Fred J. Singer and Sandia Corporation by Robert C. Spence, both of whom have been here on several previous occasions. Western Electric's interviewer, T. T. Bohnsack, will be making his first visit to Moscow.

"The Bell System's responsibilities not only to the American public here at home but to our military forces give a world-wide aspect to our job opportunities this year," said Ross, "and the kinds of work offered are so varied that all interested students should check with the placement bureau. Pacific Telephone has openings right here in the Northwest."

Cosmo Club Prexy Will Speak at WSC

Po Ping Wong, president of Cosmopolitan club, will speak at the Ceylon Independence day celebration to be held at WSC November 11.

The University of Idaho library will be presented with the book entitled "The Light of Asia" by Sir Edwin Arnold, a British authority on Buddhism in honor of the independence of Ceylon.

Norgard Gives TV Set Talk To Engineers

"Assembly line production of television sets," was the subject of a talk given by Professor John Norgard Wednesday at the regular meeting of the Associated Society of Mechanical Engineers.

Norgard, Idaho mechanical engineering professor, spent five weeks last summer at the General Electric professors' conference.

Also discussed at the meeting were plans for a lab party December 18. The group will hold its next meeting November 18, at 7:30 p.m. in the Engineering building.

Films to be Shown

"Preview Time at the audio-visual center, will feature films on electrical power, leadership, and dancing Monday, November 9. If a student schedule conflicts with the above Preview Time, he may call the center at 8885 for special screening.

 The Home of Famous Brands

What does an inventor look like?

In 1850, Samuel Kier built a one-barrel "tea-kettle" refinery in Pittsburgh. There, through his own genius, he first distilled petroleum and became America's pioneer oil refiner. But how times have changed.

Today, a new product is rarely one man's creation. The better products get, the harder it is to improve them. Now, many men of many skills must work together in research centers on projects planned long ahead.

For example: two years ago we saw the need for a new kind of motor oil that would fully meet the demands of precision-built, high-compression

automobile engines. Among other things, this special oil must flow with full pressure at zero temperature—yet give full protection at 400 degree heat.

One man would never have the skills, time, devices or money to cope with such a complex problem. But at our Brea research center a team of Union Oil engineers solved it. And Union was the first to give the West this better lubricant.

Naturally we're proud to add new Royal Triton 5-20 motor oil to our many firsts. We think this new Union Oil product is one more proof that the best progress comes from an

economic system that gives the best incentives. American free, competitive enterprise provides these incentives as no other system ever has.

Hays Hall Has Barn Dance Tonight; Kappa Pledges Give Surprise Fireside

Sorority pledges and frosh women are scheduled to be doubly feted in the near future with the coming annual Kappa Sig waffle breakfast and Tri Delt frosh tea.

The Thetas and Hays hall are highlighting this weekend with their pledge and barn dances. The dances sponsored by the ATO's and Forney hall last weekend were reported successful.

ATO
The annual pledge dance was held at the chapter house last Friday evening. It was the first official house event of the year and all those able to participate marked it as a great success—no loss of social privileges.

Jack White, Wallace, was a guest at the chapter house this week. A banquet was held in his honor.

Question of the week—will Bill Wilson pledge ATO?

STEEL HOUSE
Miss Locke, faculty advisor, was a dinner guest last week.

Mrs. Macartney is substitute housemother for Mrs. Collins who has gone to Richland, Washington, for a few days.

Sunday dinner guests were Margaret McVicker of WSC and Mrs. Roy Anderson, Seattle.

DELTA DELTA DELTA
The annual freshman tea, sponsored by the pledge class for the freshmen women, will be November 8.

Sunday dinner guests were Myrna Shaver and Peggy Brink. Darlene Duffy, Pat Gallagher, Darrell Sweet and Jim Raymer were Wednesday dinner guests.

Our Wednesday, November 4, exchange was with the LDS house.

PHI KAPPA TAU
Cal White, our house president, is steadily improving from his appendicitis operation of last week. Cal expects to be back in the house by the end of this week.

Dinner guests were Frank Van Brunt, Larry Wyman and Jerry Botts.

Wednesday the pledges and members enjoyed an exchange with the Alpha Chis.

Bill Brockman, our song leader, announces house serenades next week.

KAPPA KAPPA GAMMA
Sunday dinner guests were Dr. and Mrs. Tseuderis and Mr. and Mrs. Shook.

Monday evening the pledges serenaded the members and then held a surprise "Big and Little Sister" fireside for them. Milk and doughnuts were served while Marigay Nelson, Lavonne Willson, Bev Gregerson, Carolyn Sanderson, and Florence Carroll entertained.

The all-house dinner exchange with the Sigma Chis took place Wednesday evening. Entertainment was provided by Bev Gregerson, Susie Oberg, Marigay Nelson, Joyce Sumsion and Gary Thomas. This was followed by dancing at the Sigma Chi house.

The Kappas second the Delt motion to get a new white rat to replace Big Boy.

HAYS HALL
Tonight is the night for the Hays hall barn dance. Setting the mood for the gals and their fellows is a hayride preceding the dance.

Thursday evening Dorothy Larson received an informal initiation as treasurer of the frosh class with a tubing and songs of congratulations.

An exchange was held Wednesday with the ATO's.

Weekend guests last week were Barbara Smith, Jo Pledger, Bob Grayland, Tommy Trimble and Jerry Rossland.

Visiting this week is Mrs. Leonard.

KAPPA SIGMA
Paul Giles was recently pledged to Kappa Sigma.

The pledges have completed plans for the second annual waffle breakfast under the guidance of pledge king Connie Webb. He is being assisted by Bill Floyd, reception; Don Harper, decoration; Dave Darby, dining room, and Larry Davis, entertainment.

Bill Floyd will be master of ceremonies. The date set is November 8 from 7 a.m. and 11 a.m.

Holly Crosby has been appointed chairman of the house Dad's Day committee and has completed plans for the weekend.

A full house exchange was held Wednesday evening, with dinner followed by dancing, bridge, T. V., and entertainment by the Kappa Sig pledges. The evening was enjoyed by all in attendance.

FORNEY HALL
Last Friday night a Halloween atmosphere prevailed. Couples clad in cottons and jeans danced around the pumpkins, cornstalks, and skeletons.

Table tennis and apple-bobbing kept everyone entertained at intermission. Cider and doughnuts were served. In charge of this Halloween Caper were Alenor Hathaway and Marilyn Doty. Characters were Mr. and Mrs. Jerry

Persia Described To Cosmo Club

Persia, wondrous land of Omar Khayyam's Rubaiyat, was described by Manoocheh Soroushian, graduate student from Kerman, Iran, at Cosmopolitan club Sunday in the SUB.

However, modern Iran, as it is now called, has a more industrious population than the early pleasure-loving peoples depicted by the poet, Khayyam, says Soroushian, who has been in the United States for more than four years.

Soroushian explained that, although the nation has chiefly an agrarian economy, there are evidences of increased industrialization in the larger cities of Teheran and Miched.

Medical care is very efficient although expensive to the general population. Only 10 per cent of the people are wealthy and well-educated, although elementary education is available to all.

There is a definite interest in politics and a high incentive among all classes of people to learn as much as they can and to improve their standard of living.

German, English, American and Russian influences, both good and bad, can be noted in many areas, says Soroushian, who strongly believes that the Iranian people now want to control their own destiny.

Hosein Rafiee, mining student from Yezd, Iran, assisted in the discussion which followed the talk. Persian art objects, newspapers, photographs, drawings and scenic postcards were exhibited.

Members greeted a new international student from the Middle East, Maurice Nesser of Bethlehem, Jordan, who arrived on campus two weeks after general registration. He is a sophomore majoring in chemical engineering.

Music, folk dancing and refreshments followed.

A man may be a bitter pill
As sour as they make 'em,
But he can always find somewhere
A woman who will take 'im.

2000 HOMELESS... LINES DOWN. URGENT... REPAIR QUICKLY.

Gale winds ripped through Alabama and Georgia last spring, destroying 500 homes, leaving 2000 homeless, killing and injuring 382.

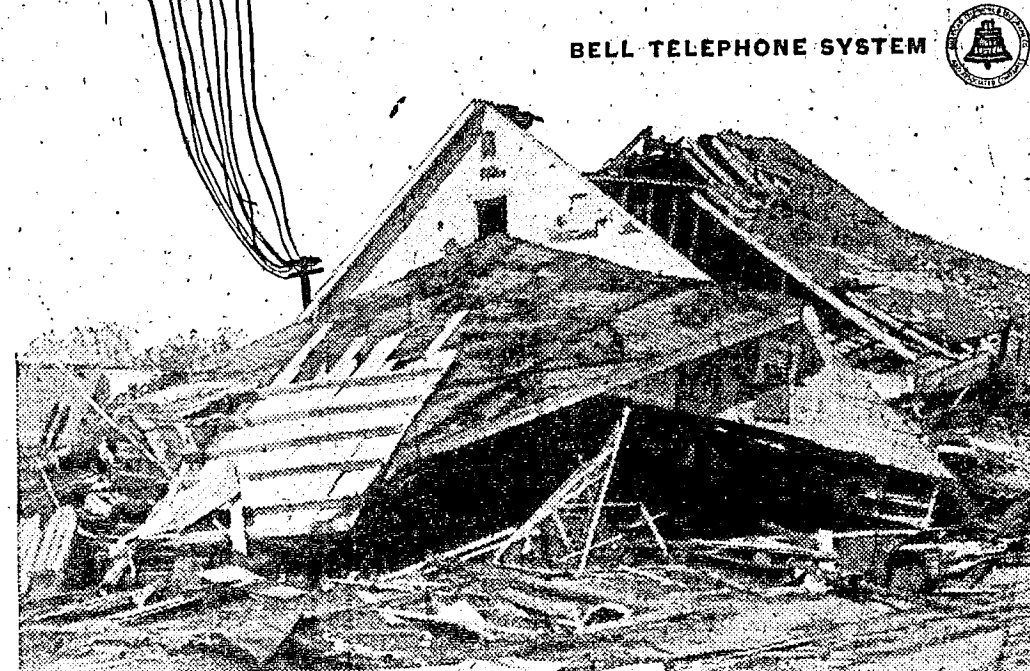

Thousands of telephones were out of order—hundreds of poles damaged and destroyed. Communications had to be restored quickly. They were! Here's how:

1. Engineering teams rushed to the stricken area. In hours, they determined material and men needed to restore service.
2. Based on these reports, equipment—as far off as Chicago and New York—began rolling toward the area.
3. Telephone crews arrived from as far away as Atlanta and Birmingham—engineering and accounting forces, construction, cable testing and repair teams.
4. Red Cross, hospital and other essential installations were rushed.
5. The public was informed of progress by daily newspaper and radio releases.

Result: in 3 days, Columbus, Georgia—which suffered 10 million dollars property damage—had half its out-of-order telephones working and Long Distance service nearly normal. In another 3 days substantially all service had been restored.

Planning and co-ordination among many telephone people with a variety of skills made this quick recovery possible. It illustrates vividly the teamwork typical of Bell System men and women.

There's room on this team for a wide range of college graduates—business and liberal arts, as well as engineering. Plan for your future by getting details now about job opportunities in the Bell System. Your Placement Officer has them.

Curfman Takes 34 Men Vandals Go To Eugene To Meet Oregon Ducks

Traveling with the largest squad so far this year, the Idaho Vandals boarded a train last night for Eugene, Oregon, where they will meet the Oregon Ducks in a Pacific Coast conference tilt Saturday.

Babe Curfman has the Vandals at their fullest strength since the beginning of the season with only 28 going to San Jose and an average of 27 for all games away from Neale stadium.

Relying on the aerial attack of Bob Haines and George Eidam and ground gaining by Flip Kleffner, the Vandals have hopes of upsetting the favored Ducks. Past years have shown the Ducks to have the upperhand, but the last four games played between the two schools have been headaches for the Webfoot eleven. Idaho has won only one game but Oregon had to come from behind three times to win the others.

Ducks Favored
Although the Vandals were slow to roll this season, their upset victory over USC last week they will be after another victory this week against Curfman's charges.
Curfman has been drilling his team in new plays all week in hopes of stopping the powerful Oregon attack.

To Game
Traveling to Eugene for the game are Eddie Allison, John Armitage, Ed Barton, Mel Bertrand, Roy Bittner, Jay Buhler, Bill Crookham, George Eidam, Ken Emerson, Tom Falash, Ray Faraca, Jim Faulkner, Dick Fray, Ted Frostenson, Paul Giles, Larry Gorrill, Bill Grunst, Bob Haines, Dee Hall, Burdette Hess, Dave Johnson, Flip Kleffner, Bob Lee, Gerry Leigh, Lou Mendiola, Wayne Patrick, John Payne, Dick Pickett, Roger Randolph, Burch Roark, Frank Teverbaugh, Darrell Waller, Bruce West and Jim Wright.

Swimmers Should Prep for Tryouts

Swimmers who are interested in becoming members of Helldivers should sharpen up on qualifying events before Monday, according to Diane Chester, tryout chairman. Tryouts will be held Monday night at the Memorial Gym pool at 7 p.m. All ASUI students are eligible to join the organization, but must pass qualifying tests.

Those trying out must be able to perform the following: Front dive, side stroke, breast stroke, back stroke, crawl stroke, sculling, surface dive, ballet leg and back dive.

Ducks Set For Idaho Invasion On 'Family Day'

Coach Len Casanova's Oregon Ducks, in the midst of a comeback in the last half of the season play their fourth straight game at home in Hayward Field this Saturday against Babe Curfman's Vandals. The Webfoots who dropped four tight decisions in their first five starts now have victories over San Jose State and Southern California in the past two weeks. The victory over the Trojans, one of the major upsets in the nation this season, came at Multnomah Stadium with a strong passing and running attack for a 13-7 upset.

Ducks Hold Majority
Although the Ducks have taken the better share of the Idaho-Oregon games in the last four years, with Idaho winning only one, they have had to fight and come from behind the three times that they beat the Vandals.
Dean Van Leuven, ace fullback for the Ducks, will not be present for this week's tilt as the result of injuries sustained in a plane crash last Saturday night.

Nelson Lost
Jerry Nelson, sophomore guard, will also be out of this game as well as the rest of the season with a severe leg cut received in the same crash. Van Leuven may see action before the year is out, but it is doubtful.
The Vandals will be playing the Family Day game when they meet the Ducks.

The life expectancy of the average man has increased a lot in the last hundred years. Of course, a mail has to live a lot longer now to get his taxes paid.

Huskie Pups Frosh Goal

Idaho's Vandal Babes close out their grid campaign tomorrow afternoon at Seattle as determined to turn the trick that the WSC Couababes did — beat the University of Washington Huskie Pups.
WSC pulled a last ditch win out of the fire last Saturday at Pullman downing the Washington frosh 13-7 on a touchdown pass in the final 8 seconds of the game.

The Couababes were victorious over the Vandals 13-2 the weekend before although Idaho put up a better fight than the score showed.

30 Travel
Coach Clem Parberry left this morning by bus with 30 eager gridders and will put the team through loosening up drills at the U. W. stadium this afternoon. Gametime tomorrow is 2 p.m.

Highly touted regular quarterback Bobby Cox, Walla Walla athlete, may or may not be ready by tomorrow. He was injured in a practice scrimmage last week and missed the WSC game. Other top performers include a former teammate of Cox, Dean Derby, Walla Walla halfback who scored the Pups only touchdown against the WSC frosh.

Three Idaho men were placed on the injured list yesterday. Wade Springborn, reserve fullback, Ted Tate, halfback, suffered ankle and knee sprains early in the week, while John Andreason, center, has been ill most of the week. Tate and Springborn traveled with the team but Andreason was not ready for action.

Garrett, Larson Battle for PCC Offense Lead

LOS ANGELES — Quarterback Bob Garrett, whose superb passing has rocketed Stanford into the lead in the Rose Bowl Derby, is closing in on California's Paul Larson for the total offense leadership of the Pacific Coast Conference, according to figures released today by the PCC Commissioner's office.

Larson has rolled up 908 yards passing and 48 rushing for 956 yards total offense, but is trailed closely by Garrett, with 925 and Paul Cameron, UCLA, 881. In touchdown responsibility, they are in reverse order, Cameron leading with 14, Garrett 11, and Larson 6.

Biggest Passing Total
Garrett bagged the biggest passing yardage total in the PCC this year Saturday when he moved for 272 yards on 11 completions in 14 tries. He has completed 72 for 1036 yards and 10 touchdowns over the season, with only four intercepted. Washington's Sandy Lederman has 60 completions and Larson third, 52.

Cameron has a big bulge in rushing with 553 yards and an average of 5.5 per play. Aramis Dandoy, Southern California, is second with 411 and Dick James, Oregon, third, 409. Dandoy and James have three games to play and Cameron only Sam Morley, Stanford end, has the reception lead well in hand with 27 for 314 yards and three TDs, to 21 for 319 for teammate John Steinberg. Garrett leads in pass interceptions with seven.

Dandoy is the leader in punt returns with 290 yards and a 17.4 average, followed by Cameron with 166 yards, Jay Buhler, Idaho, has 205 yards on kickoff runbacks and Ralph Carr, Oregon State, 203.

Globetrotters Set Show In Moscow Monday Eve

Good will ambassadors of the sporting world, the Harlem Globetrotters, will be here Monday November 9 to give University of Idaho and Moscow hoop fans their first taste of basketball for the 1953 season when they tangle with the Boston Whirlwinds at Memorial gymnasium.

Coached by America's ambassador of good will without portfolio, Abe Saperstein, the Trotters have covered 48 states, and all foreign countries with the exception of about 5. Now in their 26th year as an organized club, the Harlem Globetrotters have thrilled crowds all over the world with their dazzling basketball skill and antics. They have been acclaimed as the nomads of the sports world, and last year they won 325 games while losing eight for a percentage of .976. They have a 25 year average of .941. Last year they brought in.

Scouting System
The Globetrotters operate their own "volunteer" scouting system. College and high school stars come from all points of the U. S. for tryouts with the team. A regular schooling period for the would-be Trotters is held, and although many try out, few make the grade. In the school, under the direction of Inman Jackson, one of the greatest players in the history of the Globetrotters, students must learn to dribble, shoot, pass and handle the ball with skill.

Farmed Out
Players who pass the "tests" which are given them to see if they are qualified to play as a Globetrotter are farmed out to one of three traveling teams. Eventually they graduate to the "big leagues" and realize a life time dream of playing with the

Game time is 8 p.m. in Memorial Gymnasium. Tickets are \$1.20 for University students.

Travel 75,000 Miles
The Trotters traveled well over 75,000 miles in covering the United States, Far East, Europe, South America and Africa. They had an audience with the Pope while in Rome. Among the highlights of last year's season was a two game series with all proceeds going to the United States Olympic fund. Ten thousand four hundred dollars was raised from one game played in Seattle and one in Boston another six thousand five hundred was

RULES
1. Write your Lucky Strike jingle on a plain piece of paper or post card and send it to Happy-Go-Lucky, P. O. Box 67, New York 46, N.Y. Be sure that your name, address, college and class are included—and that they are legible.
2. Base your jingle on any qualities of Luckies. "Luckies taste better," is only one. (See "Tips.")
3. Every student of any college, university or post-graduate school may submit jingles.
4. You may submit as many jingles as you like. Remember, you are eligible to receive more than one \$25 award.
TIPS
To earn an award you are not limited to "Luckies taste better." Use any other sales points on Lucky Strike, such as the following:
L.S./M.F.T.
Lucky Strike Means Fine Tobacco
Luckies taste cleaner, fresher, smoother
So round, so firm, so fully packed
So free and easy on the draw
