REGISTRAR EXPECTS ENROLLMENT INCREASE

Band Awards Discussed; Skating Rink Is Ready

Well, it's about time for the annual increase in nerve-pill sales. Finals and all that stuff kinda make a guy reach for the panic button. We won't be publishing another Arg until February 5; that is, if we last through the slaughter on the hill.

The mental fencing between instructors and students reaches its highest pitch about this time. Some instructors give you the, "We have you pegged" business and make you want to lie abed on the morning of the final.

Others will tell you, "Today is the day your sun sets, m'boy," indicating that the final's the thing.

But a disconcertingly large proportion of our noble educators go about with mysterious smiles these days. We can't tell if they've got the curve figured or not. Maybe he's invented a new type of test. Perhaps he's leaving the University and is dreaming of flunking an entire class.

Anyway you look at it, finals take some thinking. Both instructor and student know what the other can do by now. If you think he's got the hammer over your head, you'd better grind; but, if you have the old boy backed into a corner, don't get fractious. Luck to you.

The fund for Nancy Benfer is now over \$1,100. A note to those who knew her: why don't you write her a letter? The address is 2095 South boulevard, Idaho Falls. Like any fighting man, she loves her mail.

In our attempt to get instructor rating sheets in circulation we have dredged nothing but bushels of deep, ominous silence. Not a peep from the hill, not a grunt from the students. Oh, well.

Along the same line, few professors have come forth with a set of old exams for student inspection. This idea was an Administration deal all the way. Again we ask why?

Is it because some instructors are too somnolent—another word for sleepy—to make up new brain-busters? Or are the courses they teach too shallow so that only a few bare facts are worth knowing after five months of effort?

In our travels, these are the only two reasons we have uncovered. If there are any other stray or plausible reasons, we'd like to hear of them.

Quote for next week, "I'm going up to register, see you in a couple of days."

Engineers Set Date For Ball

The Associated Engineering Students are again sponsoring the Annual Engineers ball. It will be held Saturday, February 6 at the SUB ballrooms.

Tickets will be on sale at the door; the admission is \$1.50 for normal students and \$1.25 for Associated Engineer members.

Decorations will consist of displays set up by the engineering students. These displays will be judged at intermission.

Music is to be furnished by Eddie Aliverti, and the dress is semi-formal.

Harry Ehoodin is chairman of the dance, and his assistants are the Associated Engineers.

Everyone is urged to attend and a good time is promised for all.

Plans for special awards to the members of the University band were discussed at the Executive Board meeting held January 20.

It was also announced that the Bridge tournament will be held between February 17 and 21. March 18 to 19, the University of Idaho will be host to the Pacific Northwest Conference on Higher Education.

Persons playing in the military band will not be eligible for the band awards. Students playing in the military bands are granted credits for their work and would therefore be unable to obtain the awards if the suggested plans go through.

The awards would undoubtedly stimulate more interest in the band. However, further discussions will have to be held before a definite statement regarding the band awards can be issued.

Bridge Tourney Coming
John Mix will conduct the forthcoming bridge tournament. It was suggested that Bert Whoeschlegel, Margaret Curtis and Mrs. Leona Butterfield be considered to assist Mix.

The Pacific Northwest Conference on Higher Education will be held at Idaho on the above dates and will be sponsored jointly by this organization and the Borah Foundation conference. Three students will be selected at the next meeting to serve on the panel during the conference.

An inscription for the picture of the late Dean Lattig was discussed. The board approved the following inscription: "Herbert Lattig - 1892-1952, Director of Student Affairs and Dean of Men. His ideas were the foundation stones of this Student Union Building."

This will be put on a bronze plaque and the work will be completed by a Lewiston firm.

Students May Skate
Gale Mix, general manager, ASUI, reported that a skating rink is in operation and is sponsored by the ASUI for Idaho students. It is located near the public swimming pool.

It was announced that a graduate student will serve as editor of a University publication, although it is not the policy of the Board to allow such a student to serve as editor. The graduate student will serve as editor because there is no other person qualified to undertake the job.

Council Set Up To Oversee AFROTC Funds

A Unit Funds council has been set up by the Air Force cadet wing and a Unit Funds custodian will be appointed to oversee the expenses of the wing.

No expenses may be curtailed without the permission of this council. In addition to this, the council was set up to audit the books monthly.

The custodian is the cadet wing treasurer who will be in charge of the fund toward which each cadet donated 50 cents.

Members of the council are W. A. Parsons, senior officer; Harry Brenna, recorder; Kenneth Slusser, David P. Anderson, R. K. Jensen, members.

Wohletz To Speak At Forestry Meet

The annual meeting of the Inland Empire Section of the Society of Foresters will meet in Spokane Saturday, January 23. The theme of the afternoon program is "The impact of new developments on forestry in the Inland Empire."

A panel will include representatives from U. S. Forest Service, the Bureau of Land Management, Potlatch Forest incorporation, and the University of Idaho College of Forestry.

Dean Wohletz will speak on the economic aspects of the general topic. Vernon Burlion, extension forester, is chairman of the program committee.

Presidential Grove

Snow drapes its mantle over the University of Idaho's presidential grove. The Colorado blue spruce dominating the center of the picture was planted by Theodore Roosevelt in April, 1911. An unidentified engineering student is shown standing beside it.

Second of the presidential trees was the Port Orford cedar in the left background, planted in October, 1911 by William Howard Taft. Barely visible behind the cedar is the red oak planted by Vice President Thomas R. Marshall in November, 1918.

The smaller spruce at the left foreground was set out by Vice President Charles C. Curtis in October, 1932. Mrs. Franklin D. Roosevelt planted the last addition to the grove. She planted the Douglas fir in the center foreground in March, 1938. This picture was taken from the third floor of the administration building looking east.

Bookstore Not To Issue Time Cards

This year the Bookstore will not issue time cards for the book rush at the start of the second semester. From experience during the past two years it is felt that the system does not justify the expense since it has not been possible to gauge the rush periods.

Many students buy their books early and some wait until after the start of classes, so do not come to the store during the assigned period, thus causing a slow hour.

Booklists and sales slips will be given to students at the end of the registration line as in the past, and the sales slips should be filled out before coming to the Bookstore in order to save time there.

Store hours will be 8-12, 1-5, but the doors will be closed at 11:45 and 4:45 if the store is crowded at that time in order to clear it by the designated closing hours.

Library Hours Set

To conform with established policy for Library hours between sessions, and for registration, the schedule for January 29 to February 2 is as follows:

- Jan. 29—open 8-5, closed in the evening.
- Jan. 30—open 8-12 noon; closed all afternoon.
- Jan. 31—closed all day.
- Feb. 1—8 a.m.-12 noon; 1-5 p.m.; closed evening.
- Feb. 2—8 a.m.-12 noon; 1-5 p.m.; closed evening.
- Feb. 3—resume regular schedule.

Book Exchange

The IK book exchange will start Monday, February 1, in the SUB lobby and will continue till Wednesday. Students will set their own price on books and if sold will be paid that amount.

This exchange is for the benefit of the students and is merely a service of the IK's.

Withdrawing Vets Asked to Report

Veterans under Public Law 550 who plan to withdraw from the University at the end of the first semester should notify the Registrar and should make out the certification to the Veterans Administration for the month of January before leaving the campus.

Veterans under Public Law 550 who register for the second semester should make out the certification to the Veterans Administration for January between February 3 and 5.

These certifications cannot be accepted during the two days of registration. Those who re-register will receive training allowance for the period between semesters.

Matriculation Fee Increased at ISC

POCATELLO—Idaho State college has dropped the regular \$10 general deposit fee starting this coming semester. At the same time they set an increase in the matriculation fee up to the same amount, \$10.

Williams J. Bartz, ISC bursar, stated that this fee would be applied to the procurement of extra student facilities, particularly of a recreational nature.

ASUI Assistant Manager Accepts New Position

Juilliard Concert Set For Sunday

A limited number of adult tickets for the Sunday evening, January 24 concert by the Juilliard String Quartet are still available. It has been announced by the department of music. Adult tickets sell for \$2.40 each, tax included.

The supply of student tickets was exhausted several days ago. It is expected that the advance sale of all tickets will insure a full house before concert-time Sunday, but if there are tickets still available they will be put on sale at the door at the time of the concert.

Interested persons are urged to contact the department of music, phone 2196, for ticket reservations at their earliest convenience. The concert begins at 8:00 p.m. in the recital hall of the Music building.

Religious Emphasis Speaker Set

Alexander Miller, lecturer and religion teacher in the Humanities Department at Stanford University, has been chosen as the main speaker for Religious Emphasis week. Miller is the author of "Biblical Politics", "Christian Significance of Karl Marx" (Religious Book Club choice of 1945), and "Christian Faith and My Job".

Born and trained in New Zealand, Miller was a minister there. He is completing his requirements for his doctorate degree.

Since 1950 Miller has been at Stanford. He was in England from 1939 to 1943.

Religious emphasis week begins February 21 and lasts four days. Miller will speak at the public events assembly which officially opens the week.

4-H Club Elects New Officers

At a recent meeting, the University 4-H club held the election of officers for the coming year.

Elected were Jim Jessup, president; Roger Jones, vice president; Esther Andersen, secretary; Rosemary Gilpin and Peggy Webb, historian.

Because many of the members' dues have not been paid, they are to be in by the next meeting.

Time of the next meeting will be announced in the Argonaut and everyone who is interested is urged to attend. Students do not have to be former 4-H members to attend.

Fan Club Meets

An interested guest at a recent Vandaleers' rehearsal was Claudio Arrau, noted concert pianist who performed here in the Community Concert series. Arrau, right, is going over a choral number with Glen R. Lockery, director of the Vandaleers.

Exams Begin; Permits Ready

Pre-Medics Accepted

Five Idaho pre-med students have been accepted for admission into medical schools next September, the science department announced recently.

Those accepted were Marjorie Minzel, the University of Utah; Gary Thomas, Northwestern University; Constantine Iomides, Washington University at St. Louis, Mo., and Laurence Knight and Robert Mitchell, University of Washington.

Cast For ASUI Play Announced

The cast of the forthcoming ASUI production of "Mary of Scotland" was announced yesterday by Jean Collette, chairman of dramatics.

The play is scheduled for March 4, 5, and 6 with a special matinee for high school students on the last day.

Cast are: Fred Burton as John Knox; Jim Madison, Bothwell; Janet Biker, Mary; Margaret Fox, Beaton; Maizie Collett, Seaton; Glenmar Hoké, Livingston; Nancy Leek, Fleming; Karen Hurdstrom, Elizabeth; Paul Matthews, Burghley; Gary Leaverton, Darnley; Don Hindorf, Gordon; Ken Putzier, Douglas; Dave Cumming, Rizzio; Larry Hyer, Moray; and Dave Johnson as Maitland.

Others cast are: Muddy Numbers, Huntley; Grant Gillette, Morton; Jim Hargis, Erskine; Joe Jessup, Throckmorton; Jerry Wheaton, first guard; Jim Chandler, second guard; Don Hartman, third guard; Bob Maxwell, Chapelard; Jim Oliver, Chapelherault; Clifford Cook, Ruthben; Bordon Groff, Gramme and Cathy Lavin as a page.

"Mary of Scotland" has been on Broadway and the original cast included Helen Hayes. A second cast with Alfred Lunt and Lynn Fontaine took over after the first run proved successful.

The plot concerns the queen of Scotland and her dramatic fight for the throne of England.

Property Damaged In Fire

An overheated stove pipe was the cause of the fire that swept through the two story frame house behind the Perch last Wednesday. City firemen fought the blaze an hour before bringing it under control.

The blaze began in the wall near the overheated pipe. Snow covering the roof directly above the pipe forced the fire to continue through the rafters to others sections of the house.

Hampered by sub-zero temperatures and heavy snow firemen were forced to cut through the roof in order to reach the base of the fire.

E. G. (Long) Greene, owner of the house, reports that it was partially covered by insurance. Dick Shoup, Charles Murrin and James Hearn, residents of the house, reported that most of their personal belongings and furniture were considerably damaged by the fire, smoke and water.

Two of the students have moved into the SAE house while the other has gone to the Idaho club.

Second semester enrollment is expected to increase by about 200 students, according to D. D. DurSault, registrar.

He said there is no way of knowing exactly how many new students will register as his office does not tabulate information received on registration papers for the second semester.

The percentage of drop-outs has been lower this semester than it has been for the past 10 years.

Permits to Register have been completed for all students enrolled for the fall term. The permits are available now and should be picked up by students at the registrars office as soon as possible.

DuSault said accommodations are ample for the expected influx of students. Additional space will be made available by men leaving for military service and students completing college work.

Examination week begins officially at 8 a.m. Saturday and will end at noon Friday, January 29. Three two and one-half hour exam periods are scheduled each day. Under a new ruling, students who have three quizzes falling on the same day may consider one in conflict.

Registration for the spring semester begins at 8 a.m. Monday, February 1, and will continue through Tuesday.

Classes begin at 8 a.m. Wednesday, February 3.

C. H. Bond, veterans counselor, has been contacted by about 50 Korean vets who indicate their intention to enroll for the second semester. This number may be swelled by veterans who have received assistance from veterans administration officers in other parts of the state.

Bond added that Korean veterans discharged prior to August 20, 1952 must begin training before August 20, 1954. It is, therefore, essential that these men register either for this term or for summer session.

It was pointed out by the registrar that the expected increase in enrollment over the fall figure will be a reversal of the usual trend.

The last time this occurred was during the '45-'46 school year, when the number of veterans wanting to enroll for the fall term exceeded classrooms available.

Cadets To Receive Commissions Soon

Progress of Idaho's freshmen Army ROTC students was termed "excellent" by Cadet Colonel Charles W. "Pat" Duffy, as the graduating senior said farewell to the cadet corps he has commanded during the semester yesterday morning in Memorial Gym.

Duffy lauded the "interest, application and enthusiasm" of this year's freshmen in the officer training program, and asked that the cooperation given him and his cadet staff be extended to next semester's commanders.

The outgoing cadet commander, along with three ranking members of his staff, Lieut. Colonel Robert G. Mitchell and Majors Bruce Gordon and Jack Perry, complete their ROTC training today. The four will receive commissions February 1.

DeVoto's Speech To Be Rebroadcast

Bernard DeVoto's speech, "Some American Symbols," will be rebroadcast over KRPL Sunday at 12:30 p.m. The program will be presented as a public service by the University of Idaho and KRPL.

The famed historian and novelist gave the special events address last Friday at Memorial gymnasium, but acoustical difficulties caused poor sound reception.

However, according to Charles White, who made the tape recording which will be broadcast, the transcription is of very good quality and as not affected by the acoustical troubles.

The Idaho Argonaut

Official publication of the Associated Students of the University of Idaho issued every Tuesday and Friday of the college year. Entered as second class matter at the post office at Moscow, Idaho. Editor: Al Dieffenbach

WRA NEWS

The volleyball tournament will be complete Friday afternoon. Teams playing in the finals will be Gamma Phi vs. winner of the Kappa Kappa Gamma vs. Hays game. The consolation finals will be Hays vs. the winner of the Gamma Phi vs. Alpha Phi.

The WRA is sponsoring a series of ski lessons beginning Monday, February 7.

Lessons will be given each Monday at 4 p.m. for nine weeks. Those wishing to ski must furnish their own equipment. A limited number of skis are available for rental in the Women's gymnasium.

The following quarter-final badminton matches are scheduled for this noon:

Betty Huber vs. Janice Crisp; Jo Ella Hamilton vs. Wanda Gray; Marcia Jensch vs. Barbara Knight; Nancy Coutre vs. Sue Walter.

The badminton singles semi-finals and finals will be played by arrangement during the final examination week.

Everyone seemed to be straining their ears to hear what was being said, and then they were blasted back in their seats the next minute by a lot of nice, silvery metal bells hanging from the ceiling of the gym.

Not criticizing Mr. DeVoto's voice because he has a wide range of inflections. The sound system seems at fault. If this P.A. system is an engineering problem at least they could make adjustments beforehand and not experiment when a large audience is on hand.

I realize that this sound system is new and the gym is not acoustically perfect in any respect. But I wonder if the University hasn't been sold a lemon.

Robert Uhrig.

Buchanan

Announces Selections

Staff appointments at the University of Idaho, announced today by President J. E. Buchanan following board of regents approval, included that of a new extension poultryman.

Filling the position left vacant by the recent resignation of Reid Merrill, will be Robert E. Black, who has been serving as secretary of the Kansas Poultry Improvement association. An agriculture graduate of the University of Arkansas, he also worked on poultry improvement in Arkansas before moving to Kansas.

Named to fill the position of extension soils specialist, vacated by Vance T. Smith, was Charles G. Painter, who has been doing soils research in New Mexico. He holds a B.S. degree from Colorado A&M, and a M.S. degree from Michigan State college.

A new assistant professor of business administration in Frank H. Hickman, who replaces Dr. W. M. Howard, resigned to enter the insurance field. To come to Idaho, Professor Hickman leaves the position of head of the department of economics at Northwestern State college in Oklahoma. He received his B.A. degree from Cambridge university in England, and his M.A. from the University of Miami.

There once was a girl named Harris

Whom nothing could ever embarrass, Till the bath salts one day, In the tub where she lay, Turned out to be plaster of Paris.

Church News

LSA Coffee hour his afternoon at 4 in the Christian center.

There will be a regular meeting Sunday at 5 in the First Lutheran church. Plan to use this time as a relief from studying for those finals.

WESTMINSTER FORUM

Dr. Boyd A. Martin, head of the social science department, will address Westminster forum on "American Ideals in Transition" Sunday evening. All interested students are urged to attend and be there promptly at 5. Rides can be obtained at the Campus Christian center between 4:30 and 5.

DSF will meet Sunday evening from 5 until 7:15. There will be periods for recreation, discussion, and supper.

NEWMAN CLUB

There will be no supper Sunday nights, January 24 or 31.

The Mother's club will sponsor a covered dish supper at the parish hall Sunday January 24. Charge will be \$1 per couple.

Next meeting will be February 2 with a discussion on "Vestment for Mass."

WESLEY FOUNDATION

Arthur Dalke and Frank Muller Karger have been nominated as candidates for the presidency of Wesley Foundation for the coming year.

Elections of all officers will take place at the regular 5 p.m. meet-

ing of Wesley foundation at the First Methodist church this Sunday.

The speaker will be Dr. Robert E. Hosack of the political science staff. All are urged to arrive promptly at 5 for supper so that time will be available for elections. Students who desire transportation to the church should meet at the Campus Christian center at 4:45. The college class which is discussing the New Revised Standard Version of the Bible will meet at 9:45 Sunday morning at the Methodist parsonage.

The local chapter of Sigma Delta Chi, national journalism fraternity, will be selling the programs at all the conference basketball games at home this season. The price of the programs is 10 cents.

"Preview Time," which is held every Monday at 3 p.m. at the base, Texas. His wife is the former Nadine Tisdall.

Audio Visual center, will present films "Summer Storm," "Broad Jump" and "Pole Vault."

ART'S CAMPUS BARBER SHOP
FOR CAMPUS MEN
IT PAYS TO LOOK WELL

DEAR JASON

Joyce Molstead

Elks Convalescent Home
Boise, Idaho
January 17, 1954

Dear Jason,
Just what did you mean by this statement in the January 12 issue of the Argonaut? "This dance is not an appeal for someone you don't know. It is not one of those professional jobs like the March of Dimes."

How do you know that you or someone you love won't get polio and have to be in an iron lung or be partially or completely paralyzed? Very few families could afford the expense of the care of a polio patient. We ought to know how expensive it is because one of us has had our expenses paid for by the March of Dimes for 19 months, another for 16 months, and myself for 13. This care wouldn't be possible if someone hadn't given to someone he didn't know.

Hospital costs are expensive and we agree that it is a good idea for the students at the University to help Nancy. But why did you make such a sarcastic statement about the March of Dimes? Have you seen a polio patient in an iron lung, unable to breathe without its assistance for a matter of minutes or hours? Have you seen children unable to walk at all and in wheelchairs? You probably haven't seen children such as Delbert Denis (or have you heard of him?) walking with crutches and braces.

Nancy and her family should be helped. They need it greatly, but Jason, that statement could arouse a number of tempers. It hit home to us and probably to others who read your column. This is an important campaign year for the March of Dimes and it needs and deserves all the help it can get.

Maxine Sakaguchi
June Trauernicht

We admit an unfortunate choice of words, but deny any malice in terming the March of Dimes effort "professional." In our zeal to make the Benfer drive a success perhaps we did overstress the importance of her closeness to the students. We also think our words were slightly misconstrued.

In the matter of supporting the March of Dimes, who would be crazy enough to slap at this very worthy cause? Certainly not us. As a matter of fact, the Argonaut, at our instigation, ran free ads for the March of Dimes on January 8, 15 and 19.

And, we hope we are not acting uppity, but have seen children like Debbie. In fact, we attended the A. Harry Moore school for Crippled Children in good old Jersey City for five years. Anyhow, thanks for jumping on us.

ED

Dear Jason:
You may think me subversive for saying this, but last Friday, January 15, I and many other college students went to hear Bernard DeVoto express his ideas on "Some American Symbols." I was very disappointed and so were a lot of people who attended as was heard from their comments there and afterward.

Don't jump to conclusions and get me wrong now. No reflection is intended on Mr. DeVoto's address, or at least I won't make the comments now, but he did speak of certain rights Americans have. One of these was the freedom of speech, which, in my interpretation, also means a right to listen.

The Argonaut for Friday quoted Bernard DeVoto as saying, "A true understanding of America's historical past will enable us to meet the challenge we are currently facing." This word "understanding" is very important. Who could understand and get the full meaning of Mr. DeVoto's talk during the first 15 minutes?

IT'S ALL A MATTER OF TASTE

We didn't like the pretty hat that I had set my heart on. No argument on Luckies, though. We buy them by the carton!

Georgia Leo Herring
Colorado A. & M.

The college survey plainly shows how smart we students are. We've chosen Lucky Strikes again. The smoothest smoke by far!

William Hanlon
Holy Cross College

You may be from a northern state. You may be from Kentucky. But, nationwide, here's one good tip: Be Happy and Go Lucky!

Gwendolyn N. Jenkins
Fisk University

COLLEGE SMOKERS PREFER LUCKIES
A comprehensive survey—based on 31,000 student interviews and supervised by college professors—shows that smokers in colleges from coast to coast prefer Luckies to all other brands! The No. 1 reason: Luckies' better taste!

When you come right down to it, you smoke for one simple reason... enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco... light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better... always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

"Winter Carnival Given By Forney; More Houses Elect"

Great excitement and calamity interrupted the week for the Delta Omis as they were called upon to play the role of firemen and rescue their furniture from clouds of smoke.

Copping the dance spotlight for last weekend were the Alpha Chi upperclassmen's dinner dance, "Black Magic," and the Forney hall "Winter Carnival."

Recently slipping into presidential roles were Betty Field, Alpha Chi, and Ted Frostenson, Delta Tau Delta.

KAPPA KAPPA GAMMA The pledges entertained at an "outlet" fireside for the members last week. Humorous skits and readings were put on by different groups on the "do's and don'ts" by Emily Post.

The national president was a guest during the past week, so many firesides and dinners were held in her honor. Included in the events was a candied sauerkraut feed Tuesday evening.

Molly Morgan, Benny Burns, Jean Jones, and Susie Snowflake were recent dinner guests.

The regional meeting of the VVWV is scheduled for Friday noon at 12:30 at the Kappa house.

TRI DELT Exchange Wednesday evening was with the Campus club.

A fireside was held Tuesday evening in honor of Hazel Tomlinson who will be leaving shortly to go to Washington, D.C., where she will undertake her position as Grace Pfost's secretary.

GAMMA PHI BETA Saturday morning at 7 o'clock the Sigma Nu pledges ventured up to the Gamma Phi house for the annual snowball fight. Afterwards, breakfast was served at the Sigma Nu house and was followed by parlor tricks and songs. This was a great success — the Gamma Phi won!

Wednesday evening's exchange was here with the Phi Taus.

DELTA TAU DELTA Last Monday evening the members of Delta Tau Delta chose their house officers for the 1954-1955 school year. Results were, president, Ted Frostenson; vice president, Steve Boyle; corresponding secretary, Roger McPike; recording secretary, James (Sam, Worm) Hill; sergeant-at-arms, Joe Jessup; house manager, Gene Dickey. Also, Tom MacGregor was appointed to the position of rush chairman and Stan Bray was selected to attend the Delta Western Division conference in California.

The word has been going around that Joe Tom and Hubert Stern have passed their pins.

ALPHA CHI Betty Field was elected president of the chapter Monday. Sally Landers is first vice president; Billie Stephens, second vice president; Anita Snyder, treasurer; Bobbie Nelson, recording secretary; and Judy Anderson, corresponding secretary.

Other officers include JoAnn Rauch, Phyllis Harding, JoAnn Brown, Elaine Hyland, Mary Anderson, Janet Campbell and Judy Anderson. Pledge officers will be announced upon their initiation. Officers will assume their duties in February.

Eloise Dunn, president, announced her pinning Saturday to Allan Johnston, Delta Chi.

Sharon Harp and Betsy Scudder will represent the house as contestants for the ATO Esquire girl.

"Black Magic," the annual upperclassmen's dinner dance, was held January 18, with Janet Campbell and Judy Swin in charge. Eleven couples attended the event. Decorations included black and silver streamers, mobiles and crystal balls.

Dinner guests Sunday were Mr. and Mrs. John Fulton, Thelma Rudolph, Norma Ring, Terry Hunter and Dean Holt.

Senior Alpha Chis declared Senior Impulse day Thursday, with all imaginable stunts and antics. Pledges have set February 16 as the date for their sleigh party.

STEEL HOUSE The Wednesday night exchange was with the TRKs.

Dinner guests Wednesday night were Rena Allen, Theta, Carol Sue Ailor and Deloris Chicane, Forney.

FORNEY

Que "Winter Carnival" formal dance was held last Saturday evening. The hall was decorated in shades of red, from the palest pink to dark maroon, with pink and red balloons covering the pillars and the ceiling. Among the balloons were fluorescent snowflakes.

A large, old-fashioned slyer sleigh was provided for a picture background. In addition to five large winter landscape scenes. The pictures were framed with crushed aluminum foil and outlined with colored lights.

Keith Winton's orchestra provided the very danceable music. Janice Radovich favored the intermission crowd with two vocal solos and Margaret Johnson added a piano solo. Afterward, the clean-up committee made short work of the remaining refreshments.

Sunday night some of the girls gave Bets Hall a surprise shower. They had a little trouble getting her out of the room to the guests, so they called her to the phone. Supposedly there wasn't anyone on the phone, but it took her twenty minutes to get back to the room.

Speaking of Bets, we were mighty proud of her at the Benfer Benefit dance as our single entertainment entry. Bets took third place for Forney.

Our candidates for ATO Esquire girl are Janice Radovich and Dorothy Warren.

The exchange this week was with the Sigma Chis. They were about five minutes late, but Karen Hinkley, social chairman, said she expected it — she's pinned to one.

DELTA CHI Dinner guests last Sunday included Mr. and Mrs. Delroy Lechelt, Mr. and Mrs. Charles Her-

ing, Mr. and Mrs. Osburne Casey, Elaine Dunn, Janis Loren, Dale Goodrean and Bob Tickner.

In the last week the Delta Chis had two interesting events take place.

During the weekend they engaged in a snowball battle with anyone who was around the Delta Chi, Theta, Perch vicinity. White snow bullets were missing their marks, hitting their marks, and causing many marks.

Last Wednesday the Delta Chis sacrificed their lunch to play the role of firemen.

Attention — If anyone wants to buy some smelly smoke, please contact us. We have a house full. We also move furniture on a minute's notice!

Out Of The Past

25 Years Ago January 22, 1929 — A volley of last-minute baskets which cut Idaho's seven-point lead into "nothingness," added to the Vandal inability to sink free throws in the last half allowed Oregon State's crew of rough, blonde-haired giants to eke out a 23 to 22 victory over the Gem states last night in the Memorial gymnasium.

Idaho had led all the way, and with the exception of once during the first few minutes of the game, the score was not tied.

10 Years Ago January 20, 1944 — Edith Jones of the Associated Students party officially took over the duties of president of the Associated Students of the University of Idaho, Tuesday evening at the ASU executive board meeting.

5 Years Ago January 21, 1949 — Just 40 more birthdays and the secret messages sealed in the University's Centennial time capsule can be revealed, said President J. E. Buchanan as he reminded University of Idaho alumni of the institution's approaching sixtieth birthday, January 30, 1949.

chanan as he reminded University of Idaho alumni of the institution's approaching sixtieth birthday, January 30, 1949. The Argonaut received word yesterday that the paper had been awarded a "first class" honor rating for last spring's semester by the All-American Newspaper Critical Service sponsored by the Associated College Press.

YOU NAME IT, REDDY

Here once a townsite battle flared. But a freshman's college bean is all the fire that remains. Of Spokane's fight with

CHENEY'S early quarrel with Spokane over rail terminal rights was a typical dispute of our early pioneers — but such disputes were healthy so long as the people retained positive control of their communities, never letting any one group gain too much power, whether it be government itself or individuals.

A CAMPUS-TO-CAREER CASE HISTORY

"The interview was the tip-off"

Ed BURNER, '52, watched the way job interviews were conducted before choosing his job. Let him tell you how it worked out. (Reading time: 31 seconds)

"During the spring of '52—my last year at the University of Maryland—I was interviewed by a number of companies. I was about to get my B.S. degree in accounting.

"It seemed to me that there was a great deal to be learned from the way I was interviewed. Bell System interviewers took their time about job offers. They didn't rush me or themselves.

"I had two talks with the Bell interviewers and then was invited to meet and talk with department heads. Not only did they get a chance to look me over, but I also had an opportunity to get a closer look at their operation. I figured if the Bell System was that careful in selecting its men, it is careful in other things. The interview was the tip-off.

"That's why I'm working here in Washington, D. C., for one of the Bell Com-

panies—The Chesapeake & Potomac Telephone Company. My first job—after general training—was supervising a billing unit with 20 employees.

"Since then I have assisted on internal audits in all departments. I've helped with special studies for management and have become better acquainted with operations of the entire company. Now I'm working on the general books as an accounting supervisor.

"That Bell System interview has certainly meant a lot to me."

Ed Burner is moving forward. His experience is typical of the engineering, physical science, arts and social science, and business administration graduates who join the Bell System. He went with an operating telephone company. There also are opportunities with the Bell Telephone Laboratories, Western Electric and Sandia Corporation.

Slats Gill, 'Swede' Halbrook And Crew Play Here Tonight

Record Crowds To Pour Into Mem. Gym Tonight

Oregon State's tall timber, headed by Wade Halbrook, invade Memorial gymnasium tonight at 7:30 to clash with Coach Chuck Finley's Vandals in the first of a two game stand here.

The Beavers, who were scheduled to arrive today for a workout were grounded at Corvallis by adverse weather and had to leave by bus for Portland late Thursday. They will arrive here sometime this morning.

Fans from all over the state will jam the gymnasium to see the tallest man in collegiate basketball pit his height against a comparatively short Vandal squad headed by Dwight Morrison who stands a measly 6-8 against the 7-3 inch "Swede".

Play this weekend will probably decide the holder of the first place spot in the Northern Division standings. The Oregon Ducks and OSC are currently riding in the two top bunks with 3 and 1 records in conference play.

Wilson Bowlby, ticket manager expects record breaking crowds for the game with better than 4400 people crowding into the gym each night.

Special trains, planes and buses will come wheeling into Moscow tomorrow crowded with people anxious to see the giant of basketball perform.

How Tall Is Tall?

The long and short of it in tonight's tilt at Memorial Gymnasium between Oregon State's tall five and Idaho's just five. Dwight Morrison, right, Idaho's tall man is shown beside the Beaver's 7-3 Wade Halbrook. Morrison stands 6-8.

Tank Men Hold First Meet Today

Idaho's varsity tank men will be meeting their first competition of the year this afternoon when they come up against Eastern-Washington College of Education in a dual meet at Memorial gymnasium pool at 3:00 p.m.

Eric Kirkland, swimming coach said his team has never lost an event to an EWCE squad but that it could possibly happen. "Some of the fellows are a little out of shape," he said, but predicted the team should do "alright" against the Cheney swimmers.

Swimming for Idaho will be Rich Bradbury, Jerry Light and Don Medley in the 300 yard medley relay; Fritz Holz in the 220 yard relay; Byron Richards and Al Lewis in the 50 yard freestyle; Bill Buckley in the 150 yard individual relay and Ted Bell diving.

Other events in the meet will be the 100 yard free style, with Wayne Johnson and Al Lewis swimming for Idaho; 200 yard backstroke with Bill Buckley; 200 yard breaststroke Medley and Light; 440 yard freestyle, Holz; and 400 yard medley relay, Richards, Johnson, Lewis and Bradbury.

And Idaho Racks Up Two More

Tom Flynn, Idaho stalwart, goes up for two in Tuesday night action against the Cougars from Washington State college. Bob Kloock of WSC (14) is moving up and Bill Rehder, WSC center is directly behind Flynn.

Intramural director Larry Golding today set January 27 as the deadline for B basketball entries. Golding added that the number of teams representing each house should be made known to his office by that date.

He also said that playoffs for A basketball will start February 3, the first day of second semester classes.

Only four teams were unbeaten in A basketball going into last night's games. Sigma Chi, Phi Delta Theta and Willis Sweet No. 1 each had five wins and Delta Chi, defending A league champs, had four victories.

Rudy Miles' ballhandling and the scoring of Gene Hyde and Roger Tovey sparked Chrisman No. 2 to a pair of wins this week, one of them over previously undefeated Vets Village No. 2. The double win moved the Chrisman squad into a three-way tie with the Villagers and Lindley No. 2 for the league IV lead.

Willis Sweet No. 1 took over sole possession of first place in league III by trouncing Chrisman No. 1 36-20. Mel Schmidt and Gene Lof-dahl led the winners with 11 and nine points while Elmer New scored eight for Chrisman in their first losing effort of the season.

Delta Chi knocked Kappa Sigma from the undefeated ranks Saturday by rolling up a 29-24 win in a rough game.

Vandals Squash Cougars 71-53 After Slow Start

Washington State's Ron Bennick, despite his 16 points from the free throw line were enough to crack a Northern Division record, but they weren't enough to give the Cougars the victory over the Vandals they were looking for last Tuesday when they fell 71-53 at Memorial Gymnasium.

Bennick, who fractured two ND records, one for the most trips to the charity line (25) breaking the old mark of 17 and two, netting 16 of them which was two better than the record of 14 which was held jointly by Bob Peterson of Oregon and Roy Pfugard of Oregon State.

Start Slow
Finley's crew got off to a slow start in the game and held only a one point lead at the end of the first period, 13-12, but the beginning of the second stanza saw the Vandals roll away from the WSC five.

See-Saw Battle
Bob Falash drew first blood in the game after the two squads raced the length of the court five times to no avail. WSC evened it up at 4-4. The Cougars gained a 7-6 lead, but Dwight Morrison and Bob Garrison each dropped a free throw in to move ahead 8-7 before Bennick sank a charity toss again knotting it up.

Easy Finish
From then on the Vandals moved with ease and rolled up a 10 point lead midway through the second quarter. The Vandals led at half-time 34-25.

Coach Chuck Finley cleared his bench in the fourth quarter after his team had put a 55-38 edge on the score.

Patronize Argonaut Advertisers
The Vandal Babes conquered their first of ten foes with a 56-38 victory over Grandma's Cookies, an independent league AAU team from Lewiston as a prelude to the WSC game.

Led by lanky Gary McEwen, 6-6 center from Kimberly, the Frosh led all the way over Lewiston although at one time the Grandmas closed the gap to nine points near the close of the first half. The visitors were late in arriving and had little chance to warmup. McEwen canned 20 points to lead the scoring for both teams as he sank hook shots from both sides of the hoop.

New Ski Area Available Now

Students will no longer have to walk the long distance to the University golf course to do a little weekend skiing, according to Professor Kenneth Hungerford of the recreational committee. A new area has been opened to student use just west of Neale Stadium.

Hungerford said through the cooperation of the University farm people, some pasture land has been opened for use by the recreational committee. He also said the University farm people have removed the fences in the pastures to make a long clear run for the skiers.

The area can be reached by going up the golf course road, following the fence bordering the stadium and through the gate at the top. The hill begins on the other side of the gate.

Hungerford said that as yet no lift facilities are available and wouldn't be this year, but that the committee was looking into the idea of obtaining a lift and possibly lights for the area in future years.

Just Chatter

By JOHN McDERMOTT

Last Tuesday we pulled a boob in the column and announced that there was no skating rink for University students and prospects for having one this year were dim. We'd like to retract that statement and announce the opening of a rink at Athletic Park for student use.

Dr. Leon Green, head of the department of physical education, and a group of volunteer workers spent a couple of sleepless nights flooding the area, and completed the task Wednesday.

The area is equipped with lights and facilities for building a fire, and we understand first night skating was excellent.

A few more inches of ice is needed to make the entire rink smooth, but most of it is in fine condition

and if cold weather prevails, it will offer a lot of hours of recreation before the swallows go back to Capistrano.

Some students were asking us about music at the rink so we checked on it. At the present there are no plans for installing music, according to Green, but if the students can figure out a way to install some speakers, they are welcome to do so.

Idaho basketball is being covered better than ever radio-wise this year. According to Gale Mix, general manager of athletics, 27 stations will be listening to the Idaho-Oregon State game throughout Idaho and the intermountain area. This is the largest hookup coverage ever given to an Idaho basketball game.

The Vandals will also make their television debut in basketball this week. Friday night's contest will be televised and played back to all Pacific Coast towns with a coaxial cable.

Halbrook Fades In ND Hoop Race

LOS ANGELES — Ron Bennick, Washington State's high-geared point producer, and Oregon's Ed Halbrook, who connects with the accuracy of a top secret bomb sight, have taken the spotlight from Oregon State center Wade Halbrook in the hectic Northern Division race, it was disclosed by figures from the Pacific Coast Conference Commissioner's office.

The statistics for games through January 16 showed Bennick had taken over the scoring lead with a 21 point average after four games, to 20.8 for the 7-foot 3-inch Halbrook. Bennick had 29 field goals and 25 free throws in his point total. Halbrook ranked third with a 16.8 average while Dwight Morrison, Idaho, had 15.8 and Tony Vlastelica, Oregon State 13.3.
