Fitted, flared, and flaunting its own gay polka-dot scarf . . . this sophisticated two-piecer is smart enough for daytime, dramatic enough for dating. It's done with a fine eye for careful detail, of lustrous cotton broadcloth that launders beautifully. In navy with navy-and-white scarf. Belted with gleaming patent. Sizes 7 to 15.

# It's beautiful! It's practical! It's all viny!! It's Chevrolet's DELRAY CLUB COUPE

with the year's brightest new idea in interiors!

This Delray Club Coupe combines all the colorful smartness of a sport model with an interior that's designed for everyday family use. Scats, sidewalls, even the headlining, are all of soft, lustrous vinyl in color treatments that harmonize with the exterior color of your choice.

And this new interior is just as durable and practical as it is beautiful. The vinyl is easily washable and amazingly resistant to scuffing and wear. You don't have to worry about little feet on the seats or the things that little hands might spill. And for grown-ups, here at last is a coupe that provides all the between-seat knee-room of a 2-door sedan!

The Delray Club Coupe is only one of the wonderful new Chevrolet models that make up the lowest-priced line in the low-price field. Come in and look them over.

**ND Clubs Place** In NCAA Listing **Of Stingy Teams** 

The Northern Division of the PCC is a tough place to set a scoring record, according to the latest NCAA basketball statistics which show no less than three of the five ND teams among the top 15 in team defense.

League leading Oregon State tops the list of Northern Division defenders in holding down eighth place. The Beavers have given up an average of 56.3 points per game this season. WSC's tenacious Cougars, with

a lowly 9-13 won and lost record, are in eleventh place with a 57.5 average for 22 games. Close behind are Idaho's Van-

dals with a 58.4 record to show for their defensive efforts. Leading the pack are Duquesne's

unbeaten Dukes who sport a 50.8 point per game average in defense. A perennial contender for defensive honors, slow-motion Oklahoma A&M is in second place, having given up only 51.6 digits per semester.
