The Idaho Argonaut

SIX TO GO

VOL. 58, NO. 56

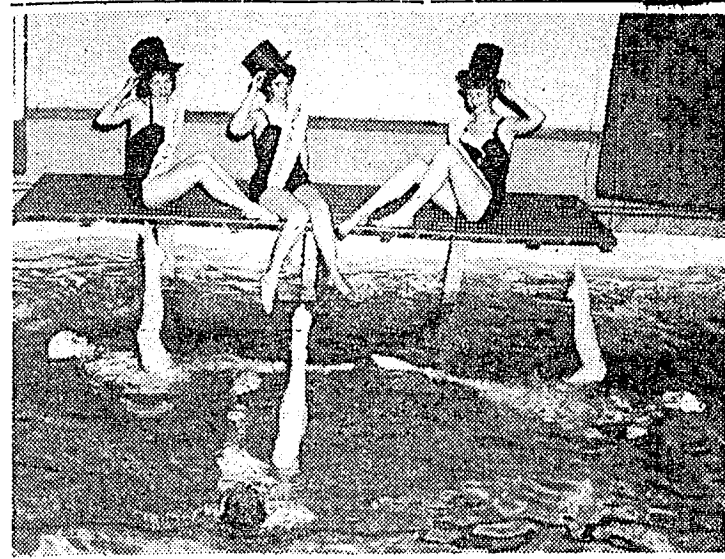

THE IDAHO ARGONAUT, Official Publication of the ASUI

FRIDAY, MAY 7, 1954

THEOPHILUS NAMED ACTING PRESIDENT

Contests Will Climax Ag Show Saturday

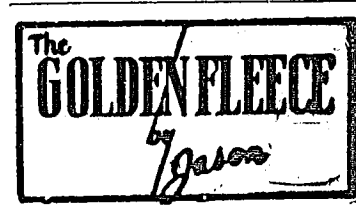

Presentation of trophies and awards to winners, a pie eating contest, a nail driving contest, and a coed cow milking contest will highlight activities Saturday as the University of Idaho Ag Club winds up its 28th annual Little International Agriculture show.

Three aqua maids tip their hats to bring you the ten-act annual Hell Diver's show. Last night marked their first performance during the three-day run. The show starts at 8 p. m. in Memorial Gym tonight and Saturday nights. Admission is 25 cents, with ASUI cards.

Water Show Is Underway

The University of Idaho Hell Divers are staging another annual aquatic show this weekend entitled "Collegiate" under the direction of John Gillis, Sigma Nu. The show is scheduled to get underway tonight and Saturday at 8 p. m. in Memorial Gym pool.

We were shocked and surprised to hear of President Buchanan's resignation yesterday. True, rumors had been fitting around for several days, but rumors are notoriously hard to pin down. Let us just say it is a sad day for the state as well as the University when a man like "Prexy" is lost. For all the muttering of the student anti-Buchananites, we think we always got a fair shake from "Jess." If your knuckles needed rapping, you got clucked; if you deserved praise, you got that, too. The saddest part of the deal is that we are not losing a man, or an administrator, but that education is losing a staunch supporter and that education needs strong men like Jess Buchanan. We will not attempt to change his mind, however, and we wish President Buchanan the best of everything in his new position. Another university president gets into the news today. He is President French of WSC. The good prexy French has a "turtle like animal, about four feet across the back" paddling about in a pond in the presidential yard. Big game hunters at Pullman are endeavoring to catch the "Thing" and some of the conjectures are interesting. One professor says he thinks the "Thing" hatched from an egg deposited by a Mama "Thing" in historical times. So far, only students have reported seeing the "Thing" and it might turn out to be a hoax after all. Anyhow, if the Cougars can train it, they might have a good lineman for next season's football squad.

Ten acts will be presented, each performance depicting University life and the outstanding event of the month throughout the school year. Warren Peterson, Phi Tau, will be master of ceremonies, Erick Kirkland, swimming coach, is the faculty advisor. Students assisting Gillis in planning the aquatic show are Kathy Fitzgerald, act director; Kathy Davis, publicity; Sally Holz, staging effects; Susie Oberg, costumes and special effects; and Jerry Jones, back drops. Various acts are being directed by Sylvia Moore, Jessie DeKlotz, Bill Buckley, Russ Whitney, Mary Dunn, Donna Shively and Sally Ghiglieri.

Lewiston Paper Invites Students For the second time in less than a month, upperclass journalists will pool their talents to edit an Idaho daily newspaper. Journalism students, under the direction of Professor Wayne F. Young, head of journalism, will put out the Friday, May 14, issue of the Lewiston Morning Tribune. The group journeyed to Idaho Falls April 23 to edit the Post-Register. Included in the group are Betty Brooks, Ruth Brede, Ray Sipes, Al Dieffenbach, Harvey Scott, Fred Williams, Ginger Jones, John McDermott, Tom Neal, Barbara Hering, Joan Welsh and Jane Querna. William Johnston, Tribune managing editor and former Arg editor, will meet with the student journalists Monday to map out assignments and details for the proposed trip. The group will leave the campus at noon Thursday and return about midnight the same day; Friday morning's edition will carry work done by the Idaho group.

It was brought to our attention that students desiring to vote in the next election, in Latah County will be accommodated. Students who are legal residents of Moscow not planning to be here this summer can get absentee ballots mailed to them by calling 6434. The Bucket hounds got a big kick out of the boys from Lindley Hall Tuesday night. One of the lads dressed up like a woman with a scarf on her head and heavy with child. Just as one of the other men was treading his way across the room, the "woman" called out, "Ah, there you are. I knew I'd find you!" It got about 90 on the laugh meter.

HOLD DEMONSTRATION
PAKISTAN - Fifteen thousand Pakistan students held a peaceful demonstration in memory of 36 students killed two years ago in a student riot. To prevent a repetition of the 1952 riot, the government had instructed police not to use force, regardless of what the students did. The riot in which 36 students were killed arose out of a language controversy. Students rejected a demand to recognize Bengali as the official state language.

LETTERMEN GET SWEATERS
Lettermen will receive one sweater each year for the sport of their choice and an "I" pin for each sport lettered in, according to a motion passed by the Executive Board in its meeting May 4. Lettermen will receive an "I" pin for each sport lettered in, as well as one sweater each year, passed Executive Board in its meeting May 4. It was also passed that Jack Parker should receive a letterman's jacket for his position as student trainer this year. The following appointments were made for Executive Board representatives on various committees: Lee Anderson, SUB committee; Stan Tate, public events; Bob Bakes, student business and city council; Jack Knodle, KUOI and community concert; Gene Dickey, recruitment; Jim Saad, student faculty; Jack Parker, traffic and safety; and Reid Lau, student dis-

Kerr Wins Top Office

Chester R. Kerr, manager of the University of Idaho Student Book Store, has been elected president of the Western College Bookstore Association, it was learned here today.

Kerr recently attended the association's 25th annual convention at San Francisco. He was elected president of the group for the coming year at the closing session of the four-day meeting.

Sigma Xi To Initiate

The annual Sigma Xi initiation banquet is scheduled for 6:30 p.m. Monday, May 10, in the North Ballroom of the SUB. The initiation ceremony will take place immediately following the dinner.

Elected to full membership in the national scientific honorary were Lloyd B. Crane, Professor Dwight S. Hoffman, Jr., Dr. Kenneth E. Hungerford, Willy Iritani, Robert Moll, Williams Paris and Paul Torell.

Selection of members is based on distinguished attainment in scientific research.

Elected to associate membership were Joseph V. Basile, Maurice F. Durnig, Gene Easton, David Evans, Arthur Gittins, Minoru Hironaka, Charles Hodges Jr., Lucien Laferriere, Clifford Loney, Otis Moly Jr., Henry Melendy, Robert Parsons, Raymond Stross, John Sullivan, Clarence Terhaar and Marlene Yragui.

The group will move into the Borah Room for the lectures. President Henry F. Gauss, research professor and head of the mechanical engineering department (Emeritus), will lecture on "Some Observations on Research, Basic and Applied."

Professor Homer Dana, head of the engineering experiment station, Washington State College, will then give an illustrated talk about his work on warning lights on high transmission lines. The lectures are open to anyone interested in attending.

Orchesis' Idea Of Ibsen's Poem Starts 2-Day Run
Peer Gynt, as interpreted by the members of Orchesis, modern dance honorary, will be presented tonight and tomorrow night at 8 p.m. in the University Auditorium as part of the Mother's Day entertainment.

Kim Kimerling, senior member of the dance group, will dance the role of Peer Gynt. Eleanor Horsemann will portray Ase and Denise Darwin will dance the part of Solveig.

Joann Wittmer will play the part of Ingrid. Ronald Tan is cast as the troll king, and Pauline Wilson will play Anita.

Lettermen Get Sweaters In Their Chosen Sports

Lettermen will receive one sweater each year for the sport of their choice and an "I" pin for each sport lettered in, according to a motion passed by the Executive Board in its meeting May 4. President J. E. Buchanan

Song Fest Set For Sunday

The annual University of Idaho Song Fest will get underway at 3 p. m., Sunday, in the Memorial Gymnasium. Judges for the event are Norman R. Logan, assistant professor of music; Glen R. Lockery, associate professor of music; W. H. Snodgrass, Moscow High School instructor; J. M. O'Donnell, Moscow attorney; Mrs. Margaret Davis, WSC; and R. E. Harris, Lewiston High School.

Morrison Is Featured

The globe-circling building achievements of Harry W. Morrison as president of Morrison-Knudsen Company, Inc., Boise, are featured in the cover story of the current issue of Time Magazine. As a result, the University of Idaho has received suggestions from many persons that Morrison be awarded an honorary doctorate degree.

University officials are busy pointing out that the University of Idaho recognized the accomplishments of the distinguished Idahoan long before Time did. It awarded him an honorary Doctor of Science Degree in 1950.

Sunday Song Fest To Be Broadcast

The Song Fest and baseball will highlight the coming program schedule for campus radio station KUOI. The Song Fest will be broadcast from Memorial Gym Sunday at 3 p.m. Wednesday and Thursday afternoons, KUOI will broadcast the Idaho vs Oregon baseball series. Steve Emerine and Jim McCord will handle both games.

Station manager Chuck White and Executive Board member, Jack Knodle will present an improvement plan before the Executive Board for next year's operations.

NOTICE

An Idaho-WSC student art exhibit will be held May 7 to 13 in the Student Union Building ballroom.

INDEPENDENTS ELECT
Dean Holt, Lindley Hall, was elected president of the Independent Caucus at a meeting Monday night. Also elected were Patti Gustafson, Hays Hall, vice president, and Jessie Powers, Forney Hall, secretary.

Buchanan Resigns; Takes New Position

President Jess E. Buchanan resigned as head of the University of Idaho, effective July 1.

Dr. Donald R. Theophilus, dean of the College of Agriculture at the University of Idaho, today was named by the Board of Regents as acting associate president of the university until July 1, and then acting president of the University in addition to his duties as dean of agriculture. The announcement was made here by Mrs. Marguerite Campbell of New Meadows, president of the Board of Regents. The board action followed an earlier announcement today that J. E. Buchanan, president of the University since 1946, had resigned to accept the presidency of The Asphalt Institute.

"My departure is entirely voluntary," Buchanan explained in a letter to the Board of Regents. He added that his leaving "is a matter of personal choice between staying with the University and accepting a new challenge-while it exists and before my age closes the door to such opportunities."

Theophilus, who is a native of Pittsburgh, Pa., first came to the University of Idaho in 1927 as an associate professor of dairy husbandry. In 1935 he was made professor and head of the department of dairy husbandry, then in 1946, dean of agriculture, director of the agricultural experiment station and director of the agricultural extension service. In his present position he has become widely known throughout the state.

A graduate of Iowa State college, class of 1920, Theophilus holds a total of four degrees from that institution - two bachelor of science degrees, a master of science degree and a doctor of philosophy degree.

Buchanan will serve as president of the Asphalt Institute, a non-profit organization of international scope, which promotes interest in the use of asphalt products. He was associated with the Institute as research engineer from 1936-38. He pointed out that discussions about returning to the organization have been under way since December 1948.

In his letter of resignation to the Regents, Buchanan said, "This action will bring to a close my direct association with the University of Idaho, an association that with two exceptions (1936-38 and 1942-46) has been continuous over a period of 31 years."

"My association here commenced with enrollment as an engineering student in 1923 and included the responsibilities of an instructor, assistant professor, professor, dean of engineering, engineering experiment station director and president."

The World War II army colonel expressed a sense of obligation to the University for the opportunity it afforded him as a student and added, "I hope my work over the years may have served to discharge that obligation."

He told the Regents, "My leaving now is, of course, not without considerable personal regret."

The man who has directed the University since 1946 praised the fine support of the State of Idaho through its elected and other officials. He went on to say, "It is vital to this state that the same kind of support proportionate to needs be provided continuously to the University in the future."

"Without further delay, the too-long-overdue and much-needed library building must be provided by the state," he stated.

He also paid tribute to the support of students, staff, faculty, regents, town, alumni, boosters and all others interested in the University. (Continued on Page 2, Col. 1)

Flip Kleffner Will Preside At Annual May Fete May 8

Flip Kleffner, ASUI president, will be master of ceremonies at the annual May Fete to be held on the Ad Lawn at 2 p. m. May 8, announced Mary McDonald and Linda Archibald, co-chairmen of the Fete. The University Band, under the direction of Warren T. Bellis, will lead the procession, followed by members of Mortar Board, Silver Lance and Spurs. Preceding the May Queen, Colleen Hinchey, will be her attendants, Clara Armstrong, page; Nancy Leek, maid of honor, Amy Rayack and Margo Parker, flower girls, and Jimmy Canode and Pat Gagon, train bearers. Intelligence is not measured by state boundaries, according to a new membership list announced by the University of Idaho chapter of Phi Eta Sigma, national freshman men's scholastic honorary. Eighteen students from five states have been tapped for membership in the organization. A freshman must maintain a 3.5 average out of a possible 4.0 during his first semester at the University, or have a 3.5 overall average at the end of his freshman year to be eligible for the honorary. Those tapped for membership include: Charles Monson, Kenneth Bergman, Frank Rusho, John Kroiss, John Severance, Dennis Thompson, Samuel Dorcheus. Donald Duncan, Dwaine Griffith, William Bates, John Thornock, Boyd Terry, Lon Davis, David Coombs, Ronald Robinson, Ernest Foote, Robert Breglia, and Peter McConnell. **THEY WILL?** At the University of California three male students wearing black hats and sporting mustaches and cigars, burst into a class lecture on "imperialism," shouted "Viva Puerto Rico," fired cap pistols, hurled a sputtering fuse-bomb in the air and departed. Committed the professor, "Boys will be boys."

ALL THOSE PARTICIPATING IN THE MAY PROGRAM ARE ASKED TO ATTEND A PRACTICE AT 4 p.m. FRIDAY ON THE AD LAWN.

The Idaho Argonaut

Official publication of the Associated Students of the University of Idaho issued every Tuesday and Friday of the college year. Entered as second class matter at the post office at Moscow, Idaho.

New Lab Houses Various Animals

An alligator and a Gila Monster have become privileged characters on campus. These two have their own special living quarters in the new research lab.

The lab which was completed in February is a re-enforced gray concrete building in back of the Agronomy Building. The lab has ventilated rooms and the concrete walls makes it easy to wash and disinfect after use. "It is to be used by all departments of the University wishing to do animal research," said Dr. L. C. Cady, dean of the graduate school.

Other tenants in this small animals laboratory are pheasants and hamsters. The pheasants are being used to determine that bird's color preference of dyed grains.

Dr. Kenneth E. Hungerford, assistant professor of wildlife, is using the experiment to determine what color poisoned grain should be used for squirrels and rodents. He is trying to find a color which will discourage birds from eating the poison.

Earl J. Larrison, assistant professor of zoology, is working on an experiment by which he hopes to obtain the genetic relationship of certain characteristics of hamsters. He will continue the study next year with deer mice. He is also planning an interracial interbreeding experiment.

Birds and mammals will be used in the labs by Dr. S. C. Schell, assistant professor of Zoology, to trace the development of certain parasites in the host.

The lab is under the direction of Dr. Cady, who is also executive secretary of the research council. He is assisted by an advisory committee composed of Hungerford, Dr. Harold McIlvaine, acting head of biological sciences and Dr. W. H. Boyer, head of psychology.

DEAR JASON

Dear Jason,

After four and a half years of passively ignoring most of the controversial matters on this campus, my sensibilities have finally become sufficiently irritated to compel me to offer up a word of protest to this eminent publication; belatedly, I must admit.

Since the beginning of this year, students have been cussing and discussing the \$20 per year extra they are now forced to pay at registration. This extra stipend was approved with no apparent forewarning. That it was tacked on with no objective is evidenced by the fact that questionnaires were circulated requesting suggestions as to what sort of new plaything might be purchased with the sums so amassed.

I must confess that I think an undesirable thing has been foisted on the students via this assessment; however, we now have it and we should make an intelligent plan for its use. Recently a plan . . . was approved by the Regents whereby this fund is to be wasted in the . . . construction of \$175,000 worth of ice skating rink.

Among the unfortunate consequences which I can see from this . . . construction are: First, a hockey team is logically an early step in the utilization of the immense proposed ice cube. This, of course, would mean the subsidization of a few more athletes, purchase of uniforms and equipment, transportation expenses and another coach. Conceivably, it would also mean that the run of the mill student (non-hockey) wouldn't stand a chance in . . . of being able to take advantage of the rink at reasonable times (compare the use of the swimming pool for example).

Secondly, it would mean pampering and encouragement of the steadily-growing, unfortunate attitude that the student is here merely to be provided with entertainment on the grand scale.

By the retention and investment of the \$60,000 yearly which comes into the student fund, it would not be too many years before something constructive could be accomplished; for example, a start (at least) toward erecting the proposed library which the Legislature apparently deems so unimportant.

.....Name withheld.....

Engineers Place Second And Fourth In Recent Contest

Both University of Idaho students who entered technical papers in the competition sponsored by the Pacific Northwest Students' Regional Conference of the American Society of Mechanical Engineers took prizes, it was announced by Professor Norman F. Hindle, head of mechanical engineering at the university.

John Telegener placed second with his paper on "Operation of a New Semi-Hard-Board Plant" and Bryce Johnson placed fourth with "The Johnson Potato Digger."

Both are seniors in mechanical engineering.

The papers were presented at the conference sessions held recently at the University of British Columbia. Represented were the University of Washington, Oregon State College, University of British Columbia, Washington State College, University of Idaho and Montana State College.

Nine Take Regional Trip

Electrical engineering seniors at the University took a field trip April 28-29 to McNary Dam, Wenatchee, Coulee Dam and neighboring areas. Professor H. E. Hatrup, head of Electrical Engineering, accompanied the nine students.

Points of interest for the group were the Utah-Idaho Sugar Co., Rock Island Dam, Long Lake plant about 30 miles from Spokane, Nine Mile Falls, and the Kaiser Aluminum and Chemical corporation rolling mills at Trentwood.

Those making the trip were Robert Barber, Jack Bird, William Boardman, Harold Chaney, Jesse Coats, Melvin Faught, Louis Gillett, Robert Graham and Kenneth Wohlhaib.

Inspection Of AFROTC To Be Held Next Week

The annual federal inspection for the 400 cadets in the Idaho wing of the Air Force ROTC will be held Monday and Tuesday here, Colonel O. J. Mosman, professor of Air Science and Tactics, announced today.

Highlight of the inspection will be the review and award ceremony to be held in Neale Stadium on Tuesday afternoon. The adjutant's call will start the pass in review at 1:45 p. m.

The inspecting team representing the headquarters of the AFROTC at Air University, Montgomery, Alabama, will include Colonel Roy N. Hillyer, Jr., chief of the inspecting team, Lt. Col. Bernard M. Campbell and Major Charles L. Brooks.

A special feature of the review and ceremony on Tuesday afternoon will be an exhibition of precision drilling during the review and performed by the Idaho AFROTC drill team, which last week won the Northwest competition meet in Tacoma.

Colonel Mosman stated the entire review is open to the public and can be viewed from the bleachers in the stadium. He has cordially invited everyone who is able to attend the ceremony.

Ten awards will be presented to outstanding cadets in the corps during the review. In addition to the review and inspection on Tuesday, the reviewing party will be on the campus Monday to attend Air Forces classes.

In charge of the review for the cadet corps this year is the cadet colonel and commander, Gerald Leigh.

Here's More About—Buchanan

"In leaving the University," the former 4.0 student said, "I want all members of the present Board of Regents, and all former members under whom I served, to know of the great respect I hold for them and my appreciation for their conscientious and understanding support, guidance and supervision, which I am sure has been without parallel in the history of this University."

Mrs. Marguerite Campbell of New Meadows, president of the Board of Regents, asserted on behalf of the regents: "It is with deep regret that the Board accepted the resignation of President Buchanan of the University of Idaho."

She pointed out that during his administration the University has made an unprecedented growth in physical facilities, in student enrollment, in academic standards, and all phases of endeavor concerned with a university.

The Board president added, "Many of the fine accomplishments of Jess Buchanan at the University will stand as memorials to the outstanding job he has done here."

"We would be loathe to stand in the way of his advancement to other fields of service," she said. "We, the Regents of the University — along with his many friends throughout the state — wish him success in his new undertaking."

Governor Len Jordan described Buchanan's resignation as "a great loss to the state of Idaho."

"The time is never ripe to lose a good man," Jordan declared "and Jess Buchanan was a good administrator."

Fellowship Award To Jordan Student

A native of Jordan, Abdul-Latif Kamal, has been awarded a research fellowship in horticulture in the University of Idaho agricultural experiment station.

Before coming to the United States Kamal studied agriculture at the Kadoorie agricultural school. During the past four years he has been a student at Kansas State College, majoring in horticulture. Immediately after receiving his bachelor's degree from that institution in June he will come to Idaho.

Many Businesses Offer Positions To College Grads

A representative of Farmer's Insurance Company will be at the Placement Office today to interview men for salesman positions.

Trans-World Airlines is interested in girls for air hostesses. Qualifications are candidates must be 21 to 28 years of age, 5 feet 3 inches to 5 feet 8 inches height, weigh 100 to 135 pounds sealed to height, high school education and three years of college, business or nurses training, and unmarried. Those interested call or inquire at the Placement Office.

Meier and Frank of Portland have openings in the retail store. Anyone interested should register immediately at the Placement Office.

and information on the proper use of asphalt.

Home Ec Building Holds Open House

The Home Economics Building is open to the visitors of Mother's Day weekend and is featuring special exhibits.

One of the exhibits is a collection of art objects loaned to the department by Colonel and Mr. Charles F. Hudson. The collection of linens, tapestry and rugs was acquired in their tour of army duty in many parts of the world.

Another exhibit furnished by the students includes house plans for favors for the Idaho State Federation of Home Economics. Other displays are stenciling projects, weaving and children's clothing.

Elsine Neilson and Marion Featherstone are the instructors for the classes that are responsible for the displays.

Home Ec Honorary Initiates Members

Twelve girls were recently initiated to Phi Upsilon Omicron, home economics honorary.

They are Janet Biker, Carol Covert, Joyce Genoway, Cecil Gerard, Donna Hansen, Lorna Hobday, Sally Holtz, Marion Hoover, Carol Hutsell, Marilyn Marvel, Jo Anne Reynolds and Evelyn Walmesley.

These girls were honored at a breakfast at the Ad Club. Mrs. Wickward, a former president of the chapter gave the history of Phi Mu both local and national.

Dental Exam Is Changed

Dr. Irving Jolley, chairman of pre-dental and premedical studies, announced a change in policy regarding examinations for entrance into dental school.

The tests which were formerly given twice in the school term, the last of October and the first of March, are now to be given three times. The dates have been tentatively set for October 1, 1954, January 14, 1955 and April 29, 1955.

Dr. Jolley said that students wishing to enter dental school in September of 1955 should take the test in October of this year. Some schools are filling later, so students can delay taking the test until a later date. This allows more time for study.

Applications for the October test must be received in Chicago not later than September 17.

"All students wishing to take this examination should come and see me in the next few weeks," Dr. Jolley said.

CLASSIFIED

LOST — ONE TALL SLIGHTLY used basketball trophy won this year by Willis Sweet in A basketball. If person who took it from Sweet's mantle would bring it back they will get as a reward the "Keep Our Campus Clean Can" that was left in its place.

Marine Corps To Select Men

College seniors and recent graduates are now being selected for the Marine Corps Officer Candidate Course to be held at Quantico, Va. in November, 1954, it was announced by Captain D. V. McCloskey, Pacific Northwest Officer Procurement Officer.

Applications will be accepted until July 1, 1954. Candidates will attend an intensive ten-week training course at Quantico prior to commissioning. All newly commissioned officers are required to serve three years on active duty.

Further information can be obtained by writing Captain D. V. McCloskey, 110 Union Street, Seattle, Wash., or contacting your nearest Marine recruiter today.

Social Notes

Willis Sweet Plans Formal; Betas Honor Sweet Hearts

Afternoon picnics, spring formals and senior dinners have brought the year's social whirl to a climax for many living groups on campus.

Willis Sweet's formal will be a "Fantasy of Spring" as the men and their dates dance to the music of Al Reeves.

Beta Theta Pi has had a busy social schedule the past two weeks while they honored sweethearts, sisters and daughters of Betas.

Seniors of several living groups are resting on their laurels this week as underclassmen honor them at dinners and breakfasts.

WILLIS SWEET Amid the aroma of spring flowers and the rhythm of Al Reeves and his orchestra, Willis Sweet will hold its annual spring formal, "Fantasy of Spring" Saturday night, May 15.

Don O'Neil and Roger Dilling, co-chairmen of the dance, are making final plans for the decorating project which will begin Monday. Other committees are: Gregg Knapp, Ken Kruger and Mike McKay, dining room decorations; and Guy Carlson, Charles Tovey and Spencer Greenhill, lounge decorations.

Chuck Monson, Gordon Smith and Don Horne will design and build the bandstand. Ron Tan and Dave Omans are selecting the programs.

"Low the Mighty Senior" could well have been the cry heard one cold, dark night last week, as the freshmen turned out to submit the more stately and refined residents of Sweet, commonly known as Seniors, to that ancient and deadly art known in the more intimate circles as just plain old unadulterated tubbing.

Each of the seniors was carefully awakened from his slumber about 3 a.m., gently bound, hand and foot, and carried face down to the cool, damp lawn, where they were thoroughly thrown to the crocodiles in a high tub containing 969 gallons of the magic potent-H2O.

DELTA CHI Bob Coleman was chosen to lead Delta Chi in an election held last Monday evening. Other officers who will assist him are Larry Moss, vice president; Ray Wilke, secretary; Bob Kalb, house manager; Ray Johnson, pledge master; Lisle Hicks, social chairman; Gene Brennan, scholarship chairman and Don Anderson, Chapter Luminary.

The Delta Chi spring formal will highlight spring activities May 15, under the chairmanship of Lisle Hicks and Lee Foltz. A spring picnic is scheduled for Sunday, May 23.

Ralph E. Prusok, national field secretary, is a guest of the Idaho chapter of Delta Chi.

Tom O'Connor recently became engaged to Gail Underwood, Delta Delta Delta. An early September wedding is planned.

Wednesday dinner guests were Dee Humphrey and Phil Coster.

Lauren Hicks and Glen Handy are touring southern Idaho with the Idaho Pep Band.

ALPHA CHI OMEGA Five seniors were honored Sunday morning at the Alpha Chi House at an annual breakfast sponsored by the underclassmen. The graduating seniors are Fran Matheison, Mary Perkins, Rita Barker, Lois Maggoby and Becky Hill.

Other guests were representatives from the three classes. They were Betti Field, Arlene Snyder, Pat Harrington, Mrs. W. D. Field, Mrs. Sue York, Elaine Dunn, Mrs. Lois Macklin and Mrs. Carole Westgate.

The pledges presented their pledge project and their pledge song at the annual affair.

Verna Sattgast, Bette Field, Phyllis Harding, Elaine Dunn and Sally Landers attended the Mortar Board Narthex Table Tuesday.

Elaine Dunn and Bette Blakely were honored Monday by a serenade from the Delta Chis.

JoAnn Brown, Janet Daig and Billie Steffans attended Alpha Chi Omega State Day in Spokane recently. The event included representatives from Whitman College, University of Washington, Washington State and Idaho. Myrtle Rach accompanied the girls.

GO FARTHER WITH SIGNAL GAS from Land's Signal Service

DELUXE PASTRY SUGAR 'N SPICE BAKERY Moscow Shopping Center

over the weekend. Other guests were Norma Strolovich and Pat Hines, Kellogg.

Plans are underway for the senior dinner to be held next week.

TAU KAPPA EPSILON Larry Lake was elected pledge trainer for the remainder of this year and the first semester of the next.

Recent dinner guests were Mr. and Mrs. Bob Price. "Old Bertha" has been repaired and is again fastened down in her spot on the front lawn.

PHI DELTA THETA Our heartfelt congratulations are extended to Barbara Taylor and Harvey Hoff who were pinned last Friday evening. Harv is anxiously awaiting his tubbing.

Weekend guests included Gary Blank and Curt Bodefront. Jim Trowbridge and John Shrum, two of the old guard, returned to visit the brothers. Jim has just recently finished his first eight weeks of basic training. He left for Fort Sam Houston and medical school last Monday.

KAPPA ALPHA THETA Song practice was interrupted Wednesday noon when a truck bearing a blue-skinned Delta Sig drove by. The occasion was Vince Strobel's tubbing for his pinning to Rita Schroeder. Rita and Vance recently announced their plans for a September wedding.

Last weekend, guests were Susan Melrose, Nancy Stender, Martha Sue Merrill and Louise Imthurn, Spokane; Mary Lu Scott, Sunnie Harrison, and Alice Sweeteney, Lewiston; Marilyn Stewart, Coeur d'Alene; Virginia Herring, Walla Walla, Wash., and Lwylia Donahue, Dayton, Wash.

Mary and Barbara Isom and Mr. and Mrs. Jean Duffy were dinner guests Wednesday.

ALPHA TAU OMEGA The annual senior dinner was held Wednesday evening with each senior giving a short speech. The seniors are Ken Slusser, Dal Pence, Joe Tom, Bob Dawson, Larry Morrison, John Robinson, Skip Domke, Ray Alcock, Boyd Foundas, Gary Heyer, Ed Johnson, Doug O'Brien, Jack Smiley, Gary Stoor, Bob Wallace, Fred Cockrill, Blair Allen, Todd Martin and Vern Cromwell.

Thursday noon the seniors showed they still have the drive it takes to put on a good tubbing. Their victim was Danny Lane, who announced his pinning to Janice Radovich, Forney Hall, only Wednesday evening.

Ed Johnson passed out the cigars also by announcing his pinning to Adele Thomas, Kappa. Not to be any different, Doug O'Brien also announced his pinning to Nancy Jutila, Kappa.

Jack Stoor, Dick Rice and Jerry Love spent Wednesday afternoon in Coeur d'Alene on business.

GRADUATES -capture the thrill of this proud occasion with a PORTRAIT By The HUTCHINSON STUDIO Dial 7631 For Appointment We have caps and gowns for your convenience

Dinner guest last Sunday was John Aaeder. PHI KAPPA TAU Rod Hoolos recently returned from Corvallis, Ore., where he attended the foresters' convention. Rod placed first in the chopping contest and second in burbling. Bruce Colewell was a guest for Tuesday dinner. This week has brought a new face to Phi Tau—that of "Duke," a boxer from Potlatch. All the fellows are trying to impress Duke as he has a wicked set of teeth. Duke is a canine boxer.

Engagements

DESHAZER-BERNARD The engagement of Joan Deshazer to Woody Bernard was announced last Sunday at the Gamma Phi House.

At each plate there was a corn cob pipe with a red bow and card tied to it bearing the message, "The Farmer Takes a Wife, J. D. and Woody." Two gay red barns with green carnation roofs formed the centerpiece.

Joan is a senior education major from Lewiston and is a member of Gamma Phi Beta. Woody, a senior agriculture major from Hazelton, is a member of Delta Tau Delta.

Guests at the dinner were Mr. and Mrs. C. H. Deshazer, Patti McDonald, and Mrs. Frank Emerson, Lewiston; Mary Ruddell, Pullman; Mrs. Ernest Miller, Boise; Mrs. Arnlid Danke, Mrs. Holly Crosby and Mrs. Tom Neal, Moscow; and Ellen Holbrook and Barbara Reeves, Portland.

BROWN-MARSH Pat Brown announced her engagement to Lloyd Marsh the evening of April 28th, at the Gamma Phi House.

Letters which carried the message, "P.S., I Love You, Pat and Lloyd," were the conveyers of the news. A large envelope of pink and red carnations with two nosegays was the centerpiece for the table.

Pat is a sophomore from Payette and Lloyd is a junior from Long Island, N. Y.

Guests were Gerrie Crosby and Joyce Genoway.

THANKS We wish to express our sincere thanks to you, as students, for the interest and enthusiasm you have shown in making the Junior-Senior Prom an overwhelming success. Special thanks go to Mary MacDonald, Pat Woodmore, Kathy Fitzgerald, Vonda Jackson, Harriet Duckworth, Phee Paine, Pat Bartlett, Linda Archibald and Verna Sattgast without whose help the plans for the dance might never have been carried out. Gordon McLeod, Sr. Pres.

VACUUM CLEANERS NEW & USED Parts and Repairs for all Makes and Models KIRBY VACUUM CO. 722 South Main, Moscow For Appointment Phone 29251

YOU NAME IT by REDDY Through treacherous mountains went this road, Despite savages surly and sullen, It opened the way to the Coeur d'Alene mines, So was named for its maker - The courage and enterprise of young Captain John Mullan made possible the building of the Mullan Road from Coeur d'Alene to the mine fields in 1862. It was this same daring and perseverance which led the community builders of the Washington Water Power Co. to build the first long distance electric power line over this same route - another example of how free enterprise opens up new opportunities for youth.

Emphasis To Be Shifted For Freshman English

TROY, N.Y. (AP) - An experimental shift in emphasis from the traditional method of teaching freshman English will take place at Rensselaer Polytechnic Institute next fall.

Historically, English has been taught by reading the masters and gaining proficiency in writing by writing. The R.P.I. course will continue both these methods but only insofar as they lend themselves to an all-out emphasis on analyzing and understanding the uses of language.

Stickling to many well-known masters as models, the course breaks down the uses of language into four categories: Informing (reporting, history-writing); presenting (novels, poetry); Persuading (advertising copy, political speeches); Directing (regulations and laws).

Readings in the course cover a wider-than-usual range of material, including newspapers and magazines as well as literary classics. Writing assigned to students gives them practice in its uses.

A pilot course conducted last semester gave strong evidence that this procedure strengthened the ability to handle language. Since practically all of man's intellectual endeavors are carried out in language, it is also pointed out, the course should influence a student's abilities in social, business and other ways.

Unlike traditional courses, writers assigned for reading are not chosen only because they were significant to their times. Instead, leading writers who will provide good examples of the uses of writing are chosen.

Will Visit Caldwell

Dr. R. C. Ross, of the dairy husbandry department, and D. L. Fourt, head of dairy husbandry, will visit the Caldwell Branch Experiment Station May 12 to discuss and demonstrate the results of research work on calf raising, feeding dairy cattle and irrigated pasture.

Fourt, head of dairy husbandry, will also be the official judge at the Idaho Purebred Dairy Cattle judging conference in Twin Falls and Jerome counties May 13-14.

ART'S CAMPUS BARBER SHOP FOR CAMPUS MEN IT PAYS TO LOOK WELL

Church News

NEWMAN CLUB Mother's Day communion breakfast will be held Sunday after the 8:30 mass. All are urged to try to go to communion in a group at the mass.

LSA will meet Sunday, immediately following song fest. Pastor Lokken will lead the discussion topic, "Symbols of Our Physical Church." Everyone please be present, for a decision concerning May 16th must be made.

Coffee hour will be Friday afternoon at 4 at the CCC. Tuesday Bible Study will be held at 7 p.m.

WESLEY FOUNDATION This Sunday is honor roll night at Wesley. Dinner will be served at 9 p.m. Special guests who are invited to the dinner include members of the Moscow Methodist Church who have given outstanding service to the church and all parents of students.

Dinner prices - Wesley members \$7.50; parents \$3.50. Phone 32581 for reservation for parents.

All students and their parents are invited to attend the first church service at 9:15 this Sunday.

DEGREE OFFERED NASHVILLE, Tenn. (AP) - The degree of Specialist in Education (Ed.S.) was recently approved by the senior faculty of George Peabody College for Teachers and will be offered beginning with the Summer quarter, 1954.

This announcement, released by Dean Felix C. Robb, is to help the person holding a Master of Arts degree, or its equivalent, to become a more able member of the teaching profession.

Military Honorary Has New Officers

Jack Byrne, Idaho Club, was elected Captain of the Scabbard and Blade 6th Regiment, B Company at a recent meeting here.

Byrne announced that Scabbard and Blade will hold a pre-dance social prior to the Military Ball next Friday at 7:30 p.m. for members and their dates at the Ad Club.

Other officers elected at the last meeting include Bill Erwin, Army ROTC, first lieutenant; Gene Lof-dahl, Navy ROTC, second lieutenant; and Larry Greek, Army ROTC first sergeant.

The group made plans to have a color guard present at all Idaho home football games for the flag raising ceremonies and will present a sabre-arch at Homecoming ceremonies.

The final meeting of the year will be held next Wednesday. Appointments made by Byrne were Ted Bell, refreshment committee chairman and Dave Clements, public information officer.

PROF ACCEPTS POST Alfred E. Halkeman, associate professor of mathematics at the University of Idaho, has accepted a summer appointment as a research physicist in the California Research Corporation's oil research laboratory at La Habra, California.

Dinner prices - Wesley members \$7.50; parents \$3.50. Phone 32581 for reservation for parents.

All students and their parents are invited to attend the first church service at 9:15 this Sunday.

Business Honorary Initiates 12 Coeds

Initiation into Phi Chi Theta, national businesswomen's honorary, was held May 4 for Mary Katherine Nash, Ann Pool, Virginia Harris, Shirley Gooding, Laura Jo Keith, Jan Cole, Nancy Jutila and May Pappenhagen.

Other new officers are vice president, Nan Nelson; secretary, Nancy Winters; treasurer, Ann Pool; personnel chairman, Nancy Jutila; chaplain, May Pappenhagen; historian, Shirley Gooding; and chapter hostess, Adele Thomas.

Out Of The Past

May 7, 1929 - Sophomores will get free tickets to the Sophomore Frolic Friday. Class dues will pay expenses.

10 Years Ago May 4, 1944 - An Arg reporter observes that pitfalls have become the popular coed coiffure. In listing the advantages, she says they are cool, comfortable, and don't get mixed up with a coat collar.

5 Years Ago May 10, 1949 - Kappa Alpha Theta and Phi Delta Theta took top honors in the song fest yesterday.

1 Year Ago May 8, 1953 - Bruce Sweeney was elected Vandaleer president this week.

Barbara Higgins was chosen to lead the Attic Club activities.

DAVIDS'

Kleffner Helps Idaho's Cause

Flip Kleffner, Vandal third sacker leisurely crosses the plate in action in last week's game against the Oregon State Beavers, which Idaho won 4-0. OSC's catcher, Stephenson, can be seen standing waiting for the throw in which never came.

Ducks Cop First Tilt Here 8-4

The power laden University of Oregon made Duck soup of the opening inning offerings of Vandal pitcher Ken Hallett and went on to take an 8-4 decision from the Idaho club at MacLean Field Wednesday afternoon.

Gary Barton came on to relieve Hallett in the top of the second, after the starter had given up six runs on seven big hits.

Idaho Has Big Fourth The Vandals, behind 6-0, lowered the boom on Oregon starter Trent Hulls in the fourth frame to score three runs.

Idaho opened the fourth with two walks and a pair of singles. Barton slashed out a two-run double with the sacks crammed to account for the three run fourth.

Hulls Relieved Hulls got in deep trouble in the fifth and was relieved by Bill Blodgett after Idaho scored their fourth and final run.

Big Rally Jerry Ross opened the game with a rousing double off Hallett and scored on a one baser by Shaw.

The Ducks got to Barton in the eighth when Marlett singled, got to second on a passed ball and scored on a wild throw to the plate by Vandal pivot man Mike Cycler.

Would you consider it improper if I kissed your hand? "No, but I think it would be decidedly out of place."

We like to serve students! And our quick, courteous service will prove it. Come and see for yourself. Johnnie's Cafe

INTRAMURALS

Vets Village, Independent League softball winners, carried its winning streak one game farther yesterday afternoon, by besting Greek champs, Sigma Alpha Epsilon, 7-3 to take the all-campus softball title for this year.

Marv Begun hurried for the Vets and racked up the win, while Don Atkinson was tabbed with the loss. A bevy of SAE errors highlighted the contest.

Total points for intramural softball were announced yesterday by Larry Golding, with Sigma Alpha Epsilon topping the Greek list with 200 points and Lindley Hall holding high honors for the Independent league with 200.

Phi Delta Theta garnered 190 points to hold second place for the Fraternity league and Willis Sweet Hall totaled 180 for the Independents.

Other totals were: SN-180, TKE-170, DTD-160, SC-150, PGD-140, KS-130, ATO-120, DSP-110, BTP-100, LCA-90, DC-80, VV-1-60, CH-1-40, CC-1-20, LC-1-00

Prep Tracksters Compete Here

Some 125 high school track stars from District Two will compete here tomorrow afternoon in Neale Stadium, it was announced yesterday by Stan Hiserman, University track coach.

Hiserman said entries from the district meet this week had already been entered from Grangeville, Orofino, Lewiston, Deary, Moscow, Genesee and Potlatch although he expected that one or two more schools would enter before meet time, which is 1 p.m.

With the University of Idaho varsity squad in Seattle for a dual meet with Washington, Larry Golding will be in charge of the high school event.

Following the regional track meet the first and second place winners will move to Boise for the state track fest there May 22.

Among the outstanding athletes expected tomorrow are Larry Davis, Orofino, defending champion in the shot put; Fred Warren, sprinter from Deary; and the following Lewiston stalwarts: defending discus champion and hurdler, Patterson; Weston, sprints and Hurley in the pole vault.

Washington State will be looking for a victory and revenge following their earlier defeat at the hands of the Idaho squad on the Idaho links, 14-13.

Representing the local team will be Bob Campbell, Phil Weitz, Wendell Coombs, Dave Powell, Tom Miller and Harlan Melton.

Distance Runs Should Be Highlights Of U of W Meet

An old rivalry in the two-mile will vie with a possible thriller in the mile run tomorrow when Washington and Idaho meet in a Northern Division track and field meet in the University of Washington stadium.

The Huskies' Denny Meyer, the Far West's best two-miler, will be shooting for a new meet mark in that event, and running along with him will be Idaho's Lou Gourley who set the present record of 9:27.4 in upsetting Meyer in Seattle two years ago.

Gourley also finished ahead of Meyer in the Pacific Coast Conference meet last year, while the Husky ace has beaten him on four other occasions.

Emerson Clark, Idaho's crack miler whose time of 4:19.1 against Oregon State a few weeks back is the fastest mile recorded in 1954 Northern Division competition, is undefeated in his pet event but may run into a peck of trouble Saturday in the person of Washington's Bob Fornia.

The Vandals will be strong in the running events and will be helped by the return of the sophomore Bill Bauscher to the sprints. Bauscher pulled a muscle in the opening meet of the season but should be in top condition for the affair at Washington.

Coach Hiserman named the following to make the trip to Seattle: Sprints - Bill Bauscher, Dick Cooke and Bob Accora. 400 - Grant Dixon, Tom Cromwell. 800 - Henning Olson, Larry McDonald. Mile - Clark and Bob Thornton. 2-Mile - Gourley and Bob Rackham.

Hurdles - Larry Church and Buzz Hanson. High jump - Jerry Duffy. Broad jump - Church and Bauscher. Pole vault - Duffy. Discus - Ed Barton, Bruce West, Gene White. Javelin - West and Hanson. Shot - White and Barton.

Wild 8th Gives Ducks 13-4 Win

Oregon's Ducks exploded for nine runs in the eighth inning to break a 2-2 tie and went on to crush the Vandals 13-4 in a game which developed into an exhibition of pitching by Idaho outfielder Bob Falash and Oregon third baseman Pete Williams, yesterday.

Idaho scored a pair of runs in the second when Reggie Frazier and Jerry Quane sandwiched singles around Larry Morrison's walk. Oregon pitcher Norm Forbes then cut loose a wild pitch and Frazier and Morrison tallied while the Duck battery argued and the ball was sitting by the backstop.

The Ducks tied it up in the fifth on a walk off Idaho pitcher Dick Dodel, a triple by Williams, and a ground out.

Big Duck 8th Frame It was 2-2 until the top of the eighth when Forbes led off with a double for the Ducks. Five singles, triples by Forbes and George Shaw, and a walk off three Vandal hurlers combined with three Idaho errors to produce nine runs.

Williams took over the pitching for Oregon in the bottom half of the inning when the Ducks made six line up changes.

Idaho got into the act in the top of the ninth when Coach Clem Parberry sent center fielder Bob Falash to the hill for the home team. Frank Tevibaugh moved over from right field to center and Joe Lothrop went into right.

Later in the inning Falash was dericked in favor of left-hander Dave Cripe after yielding two runs. At this point Parberry sent Jim Gowanlock to second base and reserve catcher Dick Riggs to center.

Just Chatter

We picked up a little note from the Boise high school paper saying Rich Bradbury, Idaho varsity swimming ace, was practicing teaching at the capitol city prep school. Bradbury is working in the athletic department, getting ready for a teaching career in the field of athletics.

We picked up an article saying the University of Utah was cogitating moving its wares in with the schools of the Pacific Coast Conference and leaving the Skyline group.

We doubt very much if it will come around, but thought you might be interested in knowing the rumor is in the air. Our source of information told us the PCC, as far as he knew was not making any deals with the Beehive States and he doubted very much if they will start. At least for quite some length of time.

We were sorry to hear Jess Buchanan resigned as president of the school. We were wondering if maybe there isn't some sort of infectious disease floating around and getting into the blood of several of the campus officials. There has been a host of resignations this year and with the exception of the one that came yesterday, they have all been within the athletic department. But apparently the virus is spreading into the administration portion of the school.

Would you consider it improper if I kissed your hand? "No, but I think it would be decidedly out of place."
