RESULTS!

Shown are the boundaries proposed by Harry H. Caldwell for the reduction of Idaho's 44 counties into six units. County seats under this plan would be located at Boise, Lewiston, Coeur d'Alene, Idaho Falls, Pocatello, and Twin Falls.

Caldwell Outlines Consolidation Plan For Idaho's 44 Counties

The good Mr. Jim Lyle, alumni secretary, gave us a ring yesterday and dipped us a ladel of good news.

He and Coach Jay Patee dropped by to see Nancy Benfer on their recent trip to the southlands and they found her still improving. In fact, Nancy said she was at a band concert the night before they called.

Mr. Lyle also told us that Nancy is walking around the house now, and expects to be back in school in September. She wants to thank you students again for the help you have given her, spiritual and otherwise.

You coeds think you got troubles? Rich Orme (retired member of the Executive Board) writes from Columbia, Miss., that the restrictions on girls at the Mississippi College for Women would "make a criminal break out."

Rich says the girls must be in by 11 p.m. on Saturday night and are not allowed to sit in cars with their escorts when they come home. A watchman sees to that. To top it off, the state is "dry."

Our search to discover sentiment for and against the nickname "Vandals" met with some microscopic results. We received three replies to our editorial; one suggesting "Elks," another backing "Vikings," and a third in on page two in a letter to the editor.

However, there is a sobering side to this. The 2997 people who did not bother to jot down a name or a protest would probably stretch from the police station to the Arcotum if laid end to end. It seems that there are more yawns and "don't-give-a-hoot" attitudes on the campus than there are weddings in June. Guess the stones don't mind a little moss.

We saw a plus-six-footer turn white Sunday when we congratulated him on his announced engagement. He recovered quickly, however, and gasped, "Who am I marrying?"

It was our turn to turn white (if one gets a turn to turn white.) After discussion, it seems that the lad never met the girl at whose nuptials he was to star. Someone (we are currently suspect No. 1) sent the real scoop to a Spokane paper which gobbled it down. We didn't hear it ask for more, however.

The way this younger generation goes about marriage . . .

A plan to consolidate the counties of Idaho was offered today by a University of Idaho professor who said that the state could cut expenses and increase efficiency with only six units instead of the present 44.

Harry H. Caldwell, assistant professor of geology and geography, pointed out that his plan is not unique. Many states, Caldwell noted, are considering the need for consolidation of counties as a means of saving money and boosting efficiency.

According to Caldwell's plan, each of the six proposed counties has a city large enough to provide the facilities and personnel needed for county government and to fill diverse shopping needs. The cities designated as "new county seats" by Caldwell are Boise, Lewiston, Coeur d'Alene, Idaho Falls, Pocatello and Twin Falls.

County lines in the six new units will follow the old boundaries, for the most part. Exceptions are in Adams, Blaine and Power counties.

Caldwell noted that the present county system in Idaho is a throwback to historical times. Said the professor: "With the slow transportation means available 100 years ago, small counties were necessary. People having business

ROTC Ball Hosts 500

Approximately 250 couples danced to the music of Keith Winton at the Military Ball held Friday night in the SUB. Featured during the intermission was the Air Force ROTC choir, under the direction of Bruce Sweeney.

Decorations for the event included displays by the navy, army and air force. The dance was sponsored by honoraries representing the three units.

General chairman for the dance was Jerry Dougherty.

Course Changes Are Proposed

Proposed course changes for the next school year include:

1. College of Education has requested to add Psychology 118 along with the now-approved 117.
2. The Graduate Council has recommended dropping of Psychology 212, (advanced statistics).
3. The Educational Field Service will drop Psychology S106. Meteorology and add French C191-192 for teachers.

in the county seat wanted to get there and back in one day."

Now, he added, better roads and faster means of transportation remove the need for small units and the time has come to consider consolidation. Caldwell observed that most western cities sought to create counties around each town in order to add another function to the community and to aid stability.

Under the proposed plan, county seats are so placed that people from outlying areas can make the trip to the county seat and get home again in less than a day.

The professor also maintained that his plan would reduce pressure on county officials in those counties where one major industry dominates the employment and tax revenue situations. Varying tax schedules between adjoining counties would be greatly equalized under the new plan, Caldwell observed.

In the consolidated counties, the cost of governing each county would be shared by over 20,000 people in contrast to some of the present counties where the cost is borne by less than 2,000. Caldwell added that the consolidation could be achieved on a piece-meal basis over an extended period of time.

Another feature of the plan is that, with larger county units, tax revenue would be ample to hire more experienced county officials. Caldwell said that the people of Idaho are currently paying 44 sheriff's offices, 44 coroners, 44 road departments, 44 tax assessors and so on.

Consolidating the counties, Caldwell noted, would relieve the people of a good part of this overhead expense. Furthermore, using larger cities as county seats would provide a better selection of qualified and trained personnel and permit adequate salaries to attract able persons.

In discussing the selection of new county seats, Caldwell pointed out that all of them are railroad centers as well as highway hubs. Each county seat is the largest city in the new unit and possesses the largest trade center.

Film 'John Wesley' Will Be Shown

"John Wesley will be shown at the Borah Theatre at 8 o'clock on Thursday evening, May 20. The film, a full length movie about the founder of Methodism, is done in color and produced by J. Arthur Rank. It has been reviewed in the May 3 publications of Time and Newsweek. There will be one showing and the charge will be 35 cents.

Midshipmen To Hold Review In Neale Stadium Thursday

Midshipmen of the NROTC will hold public review ceremonies in Neale Stadium Thursday at 11:15 a.m.

Captain S. H. Ambruster, acting as personal representative of Rear Admiral A. M. Bledsoe, commandant of the 13th Naval district will head the reviewing party.

The midshipman battalion will be led by Midshipman William L. Scofield.

President J. E. Buchanan is expected to appear on the reviewing platform with Captain Ambruster. It was pointed out that this will be the last appearance of Buchanan at a campus military function.

During the review ceremony the battalion will be inspected and the annual awards will be presented to outstanding seniors and undergrads of the Naval unit.

Among those scheduled to present awards, and the organizations they will represent include Mrs. D. L. Fourn, DAR; E. E. Johnston, VFW; A. W. McCarty, American Legion, and Kay Wendle of Stoddard-Wendle Motors, Spokane.

Ambruster will be remembered as the first professor of Naval science on the Idaho campus. He served here during 1945-48. He is now chief of staff for personnel and administration and district director of discipline on the staff of the commandant of the 13th Naval district.

He will be accompanied to Moscow by his wife. Both are reportedly looking forward to their forthcoming visit with former friends and acquaintances.

Immediately after leaving the campus, Ambruster served for a time as captain of the USS Monongahela, a large fleet tanker.

Regents Set Punishment

Disciplinary action was taken by the Board of Regents at the Boise meeting April 26-28, 1954, regarding two senior men students who were apprehended taking University property from Pine Hall on April 6.

The action included fining each student \$100, collection to be suspended subject to good conduct until Commencement 1955; holding back of the diploma for one year, to be delivered subject to good conduct until Commencement 1955; denial of participation in any commencement exercises, and recording of the action in each student's permanent folder.

The report was released by John A. Snider, chairman of the Men's discipline committee.

HS Students Leave State

Only half of the '53 graduates of 85 Idaho high schools who went on to college remained in the state and of this total, 32 percent enrolled in the University, Flip Kleffner, former student recruitment chairman, announced today. His figures were based on a survey taken recently by his committee.

The 319 students who enrolled at the University was high for any individual school, but composed only 21 per cent of those who attended college. Idaho State College was second with 269 students.

Brigham Young University topped all out of state colleges and placed third with 146. College of Idaho was fourth with 101 of the 1497 graduates who went on to college.

Fifth with 83 enrollees was Boise Junior College, followed closely by Utah State Agricultural College's 78.

Utah and WSC were next with 14, leading Oregon, Washington, OSC, Montana State, Whitman, Montana State University and Wyoming, in that order.

The survey listed 447 students as attending "all others." Additional information may be secured from Kleffner or Gene Dickey.

Moser Is Promoted To Rank Of Captain

University of Idaho graduate Horace G. Moser has been promoted by the Army to the rank of captain in the training division of the Brooke Army Medical Center, it was learned here today.

The winner of the Good Conduct Medal, American defense medal, World War II Victory medal, and others, graduated in 1943 with a Bachelor of Science degree in Pharmacy.

Captain and Mrs. Moser and their children live at 430 McMurray Rd., San Antonio, Texas.

Official Notice

In order to provide space for the Army ROTC to assemble for their final drill and inspection, it will be necessary to block off University Avenue between Line Street and Rayburn Avenue from 12:00 noon to 5:00 p.m. on May 19. Street blocks will be set up to prohibit the use of University Avenue between Line Street and Rayburn Avenue at 12:00 noon, and it is requested that all parked cars be moved from this block as soon as possible after 12:00 noon.

The Student Union will not cash personal checks after May 20, 1954.

All veteran students who are interested in applying for the Army ROTC advanced course should contact the Military Department prior to May 25.

ON AND OFF
AUSTRIA - Fraternity men at the University of Vienna, after several drab years of fashion, have been permitted again to wear their colorful caps and ribbons while on the campus.

Miss Krieger To Present Cello Recital

Ruth Krieger of the University of Idaho's music faculty, formerly principal cellist with the Seattle Symphony orchestra for four years, will be the featured artist at a recital at 8 p.m. tonight, in Recital Hall of the Music Building.

Miss Krieger has played concerts extensively throughout the United States, including three years with the Elizabeth Sprague Coolidge string quartet in New England.

In the past year she has appeared in numerous Northwest concerts, including a Seattle appearance under the auspices of the Washington State Music Teachers Association.

Assisting artist for Tuesday's recital will be Marian Frykman of the University faculty who is also well known as a concert pianist.

Featured composition of the program will be the recently completed Second Sonata for Cello and Piano by Lochren Johnson. The recipient of a Guggenheim Award in musical composition, Johnson is currently studying in New York City.

AFROTC Wins Drill Contest

An Idaho AFROTC drill team, led by assistant drillmaster Cadet Lt. Bill Brockman, captured the Inland Empire drill competition for the second straight year at Gonzaga University Friday. Second place was won by WSC Army ROTC and third place went to Idaho NROTC.

Seven teams from the Inland Empire were entered in the competitions, three teams from Idaho, two from WSC, one from Gonzaga and one from EWCE.

Capt. Malcolm Stewart, assistant professor of air science and tactics and advisor to the group, praised the work of Cadet Captain Ray Behrman, drillmaster of the team, who was unable to attend due to a leg injury.

"Ray has given the team excellent training during the two years that he has served as drillmaster," stated Stewart.

Two trophies were presented to the team for its first place win. One of the trophies was an Inland Empire award, and the other was the Chapell award — a samarit sword.

The drill team has entered competitions three times this year, and has been successful in winning first place honors at all the events. The AFROTC drill team marched in the Spokane Lilies Festival parade Saturday.

Members of the winning drill team were David Anderson, Stephen Peebles, Maurice Clements, Peter Preston, Vance Griffiths, George Passmore, Don Duncan, Dean Peterson, Charles Degler, James Raymer, Larry Pinkerton, Arthur Misner, Larry Fellows, Robert Womeldorf, Tom Grafmiller, Gayle Hix, Harold Twitchell, Darrell Sweet, Glen Horning, William Carson and Brockman.

Other awards will go to R. R. Lee (Eng.) senior, David J. Omans, sophomore, and Robert Playfair, who will receive the marksmanship award, a trophy for outstanding marksman, Men's Rifle Team.

Those receiving University of Idaho awards are LARRY CREEK, D. E. GEORGE, GEORGE E. RING, DAVID CROSBY, RICHARD, JOHN R. THORNOCK, SAM L. NICHOLS, BRENT BALLIF, J. H. MCKENZIE and CRAIG NELSON.

Law Students Will Practice

Law students will hold another practice case in the Federal District Court House Wednesday at 2 p.m. District Court is located on the second floor of the Post Office Building.

John Bengston and Harry Turner are to be counsel for the respondents and Charles Griffin and Whyt Symmes will appear for the appellants. The case involves re-possession of an automobile in a negligent action. It was heard by a jury of high school students last semester at which time the plaintiff won a judgment. The judge, however, set aside the decision on an appeal.

Justice Raymond L. Givens of the State Supreme Court will serve as chief justice in the hearing. Melvin Alsager, prosecuting attorney; and law Professor Thomas R. Walenta of the University staff will act as associate justices.

Philip E. Peterson, assistant professor of law, said that any interested students may attend as spectators.

Das Ist Goot. . .

The Netherlands government was officially represented at the University of Idaho with a visit by its ambassador to the United States, Dr. Jan Herman van Roijen, to give a major address. The ambassador stressed the importance of free world unity. Shown (left to right) are Mrs. J. E. Buchanan, wife of the president of the university, Mrs. van Roijen, Ambassador van Roijen and President Buchanan.

Today
Vandal Riders, 6:45 p.m., Conference Room A. Very important.
Theta Sigma, election of officers, 6:45 p.m., Town Women's Lounge.
Officers of each of the four classes, 4:20 p.m., Gem pictures, in SUB lobby.
Wednesday
Delta Sigma Rho initiation, 6:30 p.m., Dr. Whitehead's home.
THURSDAY
Inter-church Council, 8:45 p.m., Campus Christian Center.
Blue Key, 12:30, SUB lounge. Members and pledges.
Phi Eta Sigma, initiation and banquet, 6 p.m., Conference Room A.
New Spurs, 5 p.m., Conference Room A. Election of officers and pledge test.
Thursday
Phi Epsilon Omicron, 4:30 p.m. Meet at SUB. Picnic.

NOTICE

Because Memorial Day, May 30, this year falls on Sunday, the traditional ceremony will be held on Monday, May 31, at 11:50 a.m. at the Memorial Statue. As usual, Monday, May 31, will not be observed as a holiday because of academic schedule; however, an extra day off is scheduled during the year to compensate.

The Idaho Argonaut

Official publication of the Associated Students of the University of Idaho issued every Tuesday and Friday of the college year. Entered as second class matter at the post office at Moscow, Idaho.

Two Spectators Strike Out

We don't know how they got there, or when someone will fix them, but right now there are numerous holes in the McLean field bleachers. Last weekend two boys were injured when they stepped into one of these openings. Some of the holes are four to five inches wide. Maybe Idaho doesn't always have a winning baseball team, but if she can't even keep the bleachers together it's about time to call it quits. After all—the spectators do count a little bit. —F.D.W.

DEAR JASON Cosmo Club Loses Game

Dear Jason, Practically every year like the coming of spring — and the fever that comes with it — the undying suggestions to rename the Vandals springs forth. The proponents suggest a more couth and dignified namer. We old death-clutchers like the name Vandals. If it is ugly, distasteful, uncouth or what then it is our kind of ugly, distasteful and uncouth name. We feel a sentimental nostalgia twinge that pulls at fond memories of dear, old Alma Mater, and all that rot, whenever we see the name in print or hear it spoken. I am not claiming to speak for the Alumni Association. I like Vandals. Sincerely, Name withheld

University of Idaho Cosmopolitan Club members bowed to WSC Cosmo Clubbers, 6 to 2, in a soccer game last weekend. With a halftime score of 3 to 2, the WSC cosmos racked in enough points during the second half to win with a four-point margin over Idaho. Playing for Idaho were Joris Rosse, formerly of Holland; Mike Soroushian, Iran; Per Holstein and Henning Olsen, Norway; Gus Laskaris and Gus Ioannides, Greece; Tony Dumhart, Frank Libersky, Czechoslovakia, and Ray Alcock, England. Next weekend, Cosmopolitan Club will sponsor a dance, with music by Gar Thomas, in the SUB ballrooms. The dance is free to students, townspeople or anyone who wants to come. Funds for the event were raised at a Cosmo Club dinner two months ago. Dress for the dance is in costume, preferably that of a foreign country, according to Tom Hopkins, club advisor. The ASUI contributed the ballrooms, free of charge, for the evening.

Applications For NSA Scholarship Now Being Taken

Dear Jason, There are on the University of Idaho campus about 60 "good-will representatives" from 18 different foreign countries. These students are banded together, with American students, in an organization which is truly international in character. They have taken a genuine interest in the welfare of their University and all that it stands for. They have mingled with townspeople, spoken before numerous groups to whom they have expressed their opinions both sincerely and openly. They have appreciated the assistance of their fellow students and of faculty members who have helped to make their activities successful during the year. The Cosmopolitan Club, in its feeling of gratitude, cordially invites all the students and faculty to their closing activity of the season, the Dance of the Nations, a costume and informal dress dance, to be held at the Student Union Building on Saturday, May 22, from 9 to midnight. Music is to be provided by Gary Thomas and his orchestra. Members of the Club have an interesting program arranged, one which is in keeping with the theme of the dance. Perhaps most important of all is the fact that the dance is free; there is to be no admission charge. The members of the Cosmopolitan Club want everyone to come. They assure an excellent time. Edward A. Cebull, professor of English Gus Laskaris, president of Cosmo Club

Applications are being accepted for an all-expense scholarship to the National Student Association Student Relations Seminar to be held this summer in Boston, Mass., and Ames, Iowa. The Seminar attempts to train individuals capable of playing an active part in NSA's international program in this country and overseas. Years of international experience and travel to all areas of the globe are the rewards to successful participants. Any students who are interested in this program may obtain an application and further information from ASUI president Flip Kleffner.

Engineer's Paper Wins First Place

Dear Jason, Thanks for the by-line on the fine story on the transfer of Col. O. J. Mosman, P.A.S. However, we did NOT write the story nor did we do any of the leg work in obtaining the material. We do NOT deserve credit for the story. Joe Corless, Ricky Jones

Fedor Salva, University of Idaho senior from Dunmore, Pa., has won first place in the annual papers competition sponsored by the Intermountain Section of the Society of Automotive Engineers, it was announced by Professor Norman F. Hindle, head of mechanical engineering. Salva bested entries from Washington State College and Gonzaga University in the annual competition held here Friday night. His paper was devoted to "The Results of Some Road Tests of Gas Turbines in Automobiles." Runnerup in the competition was Arnold Barton of WSC, who spoke on pre-ignition. Professor C. D. King of the mechanical engineering department was in charge of the meeting, the judges being men from the Spokane area. the swimming facilities we have at Idaho. Is our pool the type you would expect at a state university? It is high time some people opened their eyes to the obvious need of OUR university. Donna Thompson Norma McRae Marilyn Melis

Dear Jason, We would like to comment on the article written by the editor concerning the Hell Diver water show. The hidden meaning in the article was the need for a new swimming pool, altho many people overlooked this, due to the uncalled for remarks made by the editor. This is in the past. Let's concentrate our efforts on constructive criticism towards a new pool. It is difficult to put on any kind of public entertainment in the form of a water show with

Corrected FINAL EXAMINATION SCHEDULE

Second Semester 1953-1954

(Two and one-half hour examinations—three examination periods each day)

Regular class rooms will be used for the examinations unless instructors make special arrangements through the Registrar's Office. Examinations in courses not included in the schedule will be arranged by the individual instructors during scheduled examination week. Examinations in courses comprised of lecture and laboratory periods may in most instances be scheduled according to the sequence of either. Announcement of time and room should be made by the instructor. Rooms should be reserved in the Registrar's Office for "arranged" examinations in order to avoid conflicts with scheduled examinations. For those courses in which a two and one-half hour examination period is not considered adequate, the final class hour or laboratory period could be used for additional examination purposes.

EXAMINATION DAY AND HOUR FOR CLASSES MEETING:

Examination Time	Thursday June 3	Friday June 4	Saturday June 5	Monday June 7	Tuesday June 8	Wednesday June 9

Tri Delt's Honor Senior Women At Breakfast

University of Idaho senior women were honored Sunday morning at the Tri-Delt house, when members of Delta Delta Delta presented the Pansy Breakfast. Breakfast was served on the lawn to the senior girls, house mothers from women's living groups, and other guests. Dean of Women Louise Carter was guest speaker. She was introduced by Tri-Delt president Nancy Leek. Featured on the program were a style show of the bride's ideal trousseau, modeled by girls from every living group on campus, and a style show of fashions of 1929. The latter style show, presented at the Pansy Breakfast for the first time this year, was given by Moscow Tri Delt alumnae in recognition of Tri Delta's 25th anniversary on the Idaho campus. One of the outstanding dresses modeled was the wedding dress worn by Mrs. J. E. Buchanan at her marriage to the University President. Real pansies adorned an eight-foot pansy ring through which all engaged senior women stepped to announce their fiances and wedding dates. Those seniors were Jessie DeKlotz, Nathalie Bales, Delores Anderson, Mary Ann Tuttle, Frances Mathieson, Anne Kimbrough, Joyce Rudolph, Charlotte Pennington, Joan DeShazer, Frances Breen, Harriet Houghton, Linda Archibald, Helene Fletcher, Pat Myers and Jean Sterner. A mock wedding procession preceded the announcement of engagements. Mrs. Peter Leriget (Pat Byrne), the most recently married Tri-Delt, took the part of the bride, attended by Tri-Delt

Co-ed Beauty Contest Open

A women's recreation field will be finished and the first unit of several new women's dormitories will be begun south of Ridenbaugh Hall by next fall in anticipation of the constantly increasing enrollment expected at the University in the next few years. Clearing and leveling of the land will begin in the near future at the Blake St. level all the way from the rear of Ridenbaugh Hall to Taylor St., a distance of about 600 feet. University Engineer George Gagon said that future plans include grading along Taylor St., approximately 1,000 feet toward University Heights and grading of the area immediately south of Hays Hall at the Blake St. level.

Law Fraternity Elects Officers

Members of Phi Alpha Delta law fraternity met Thursday, May 13, to elect officers for the fall semester, 1954. Elected were Francis Mithoug, justice; Jay Bates, vice justice; Edmund Lozier, clerk; Ramon Poitevin, treasurer, and Wallis Friedl, marshal. Jay Bates and John Kugler were selected to represent the Idaho chapter at the biennial convention held in Des Moines, Iowa, September 2-4. WSC MAN TO SPEAK Jose Gutierrez, who is doing his doctoral work in protozoology at Washington State College, will address members of the Graduate Journal Club at 4:30 tomorrow afternoon in the Faculty Club. He is scheduled to speak on protozoan parasites in cattle. This will be the final meeting of the group for this semester.

NUTRITIONIST SPEAKS

Dr. Evelyn Blanchard, nutritionist with the Extension Service of the U. S. Department of Agriculture in Washington, D. C., spoke to the senior and junior Home Economics students yesterday at 11 on current trends in nutrition. SCHEDULE PICNIC Faculty and students of the entomology department have scheduled a picnic Sunday afternoon near Viola. Members of the group will pitch horseshoes and play softball.

DON'T LIKE BOSS

Three members of the Varsity, student newspaper at Toronto University, have resigned in protest against the choice for next year's editor. The new editor was picked by the student council in a secret meeting. The three ex-staffers said the selection went against the recommendation of the publications chairman and the staff members.

CLASSIFIED

TODAY'S QUIZ

WHAT MAKES A LUCKY TASTE BETTER?

"IT'S TOASTED" to taste better!

A. Lucky tastes better for two important reasons: 1. Lucky Strike means fine tobacco...light, mild, good-tasting tobacco.
2. That tobacco is toasted to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' fine tobacco... makes it taste even better—cleaner, fresher, smoother.

That's why a Lucky tastes better. And naturally, better taste is why thousands of college students prefer Luckies to all other brands. So, enjoy better taste. Be Happy—Go Lucky!

LUCKIES TASTE BETTER

cleaner, fresher, smoother!

Social Notes

Lambda Chis, Alpha Phis Have "Damp Good Time"

Saturday found the Lambda Chis "pulling" through once again to "dampen" the spirits of the Alpha Phis in the annual tug-of-war, taking place at Laird Park.

Taking a little time out from the spring social life were the SAEs, who recently held house elections and selected Jim Karlen to the key position as house president.

Filling the infrequent gaps in the calendar last week were the Alpha Chi scholarship dinner, Kappa "Buddy Picnic," and several sweetheart dinners.

DELTA CHI The spring formal, held Saturday, proved to be a huge success with many favorable comments from those attending.

Patrons and patronesses for the dance were Dr. and Mrs. H. W. Steffens, Dr. and Mrs. W. J. Wolfe, Mr. and Mrs. J. A. Moore, Major and Mrs. R. Leite, and Lt. and Mrs. W. D. Briggs.

Recent pinnings were Ray Johnson, to Marian Casey, who is attending the Sacred Heart School of Nursing in Spokane, and Gene Brennan to Bobbie Hassler, Pi Phi. The boys were rewarded by a tubbing Saturday afternoon.

Jim "Tiny" Peters, Idaho graduate of 1939 and a member of Delta Chi, stopped for a short visit last week on his way to California.

Recent dinner guests were Larry McDonald and Paul Kennedy.

KAPPA KAPPA GAMMA Spring was evident as the Kappas held their annual "buddy picnic" Thursday evening. About 45 buddies from the other houses and halls joined the Kappas for a picnic dinner of hot dogs, potato salad, and ice cream bars served buffet style.

A game of softball followed for some, while hopscotch, jump rope, and "London Bridge" is Falling Down" were enjoyed by others and a few talented Phi Deltas.

Wednesday dinner guests were Adrienne and Don Theophilus and Dean and Mrs. Donald Hart.

ALPHA CHI OMEGA At the sweetheart dinner Sunday, the following guests were honored: Bill Fisher, Beta; Chuck Pierce, Idaho Club; Bill Bonnett, Phi Delta; Bryce Blakely, WSC; Ted Jones, Delta Chi; Dal Pence, ATO; George Yost, SAE; Bob Coleman and George Eidam, Sigma Nu. Sally Landers was tapped for Mortar Board at the May Fete. Phyllis Harding was tapped for Kappa Delta Pi, education honorary.

Honored at the scholarship dinner Wednesday were Sally Landers, Phyllis Harding, Janet Harding, Lois Magleby, Barbara Keifer, Audrey Montgomery, Barbara Simons and Verna Sattgast.

Kay Reid and Arlene Snyder were recognized for making the greatest grade improvement during the quarter. Guests included Elaine Dunn and Mrs. Harley Matheison.

Carnation girls were chosen in the traditional ceremony Wednesday. They were JoAnn Brown for her work on the initiation dance; Judy Anderson, for her work as song leader during the song fest; and Janice Hale, as "honorary Carnation Girl" for the semester for leading the ACO drill team to top honors in the Blue Key talent show.

Janet Campbell was honored Sunday with a serenade by the SAEs commemorating her recent pinning to George Yost.

ETHEL STEEL Steel House is very proud of our senior, Jean Sutton, who received the Alpha Lambda Delta award for having the highest grade point.

Two of our girls, Eula Gray and Shirley Brixen, were tapped for Spurs.

We are also proud of Donna Goldsmith who won first place in the cow-milking contest at the Little International. Ruth Ann Korvola was a princess at the show.

For Mother's day weekend, Steel House had 22 guest mothers. They were Mrs. Ferman Webb, Nampa; Mrs. Walter Crawford, Kendrick; Mrs. Elizabeth Anders, Kendrick; Mrs. Junie Hund, Lewiston; Mrs. Carl Rojan, Hope; Mr. and Mrs. John Korvola, Pendle-

mothers of Hays Hall who were here Mother's Day weekend.

Patti Gustafson was chosen by AWS to represent the Idaho CAP in the Spokane Lilac Festival Parade.

Louise Thomas recently received the pin of Pete Hamrin, Delta Sig.

SIGMA CHI Wednesday luncheon guests were Brother and Mrs. Don Theophilus.

Cynthia Karburg and Roger Thieme were guests for the Wednesday evening meal. Cynthia was given a dozen roses to show the group's appreciation for her work in helping win the song fest.

Harvey Bickett, Gooding, recently announced his pinning to Jo Lecona, Gamma Phi from Mountain Home.

The annual Sweetheart Dinner was held Sunday to honor all Sigma Chi sweethearts. Guests were Geneva Sarvis, Bette Burns, Jo Lecona, Mary Rand, Delores Anderson, Marilyn Evans, Phyllis Castater and Pat Berry.

A serenade was held last week to honor Bette Burns, Gamma Phi, and Pat Berry, Alpha Phi.

Ron Baker visited over the weekend pending assignment to Alaska.

ALPHA PHI An oomph and a splash sent the pledges down in glorious defeat Saturday at the annual Lambda Chi tug-of-war. The event was held at Laird Park, and 26 straggly girls came home wishing they were ducks.

A serenade honoring Pat Berry was given Thursday night by the Sigma Chis, with Pat receiving the traditional white rose.

Judy Hodgins announced her pinning to Jack Knodle, SAE.

CAMPUS CLUB Hap Ferree and Ted Waddel have been appointed to co-op positions for the coming year. Hap is the new hall manager and Ted is the kitchen manager.

Mrs. John Moisey, the proctor's wife, arrived home from the hos-

pital during the weekend. She now has 110 boys and one girl to care for. Both Mrs. Moisey and Barbara are doing fine.

Engagements

FROSTENSON-RIGGERS The engagement of Polly Jo Frostenson, Gamma Phi, to Jerry Riggers, TKE, was announced at the Mother's Day dinner Saturday, May 8, at the Gamma Phi House. The surprise announcement was written on cards at each place setting.

"May Day" was the theme for the announcement, with streamers leading from a miniature May Pole to baskets of sweet peas on the main table. Bridal dolls in pastel shades were centerpieces for the other seven tables.

A white orchid on an engraved silver platter displayed the engagement ring. Mrs. Robert Frostenson, Polly Jo's mother, and Mrs. W. W. Riggers, Jerry's mother, were honored guests.

Polly Jo, a freshman from Fairfield, is an education major. Jerry, a senior, is an extractive industries major from Craigmont.

NORSETH-CARSON "Old McCarsion had a farm — and on this farm he had a wife" were the words giving to all the first suggestion of the engagement announcement of Laila Norseth and Wayne Carson. The announcing took place Monday, May 10 at an informal dinner at the Kappa House.

At each place were cards bearing pictures of weather vanes and the prophecy that "It will be fair weather when Laila and Wayne get together." The table center served as a farm scene, with miniature house and yard. Tiny barnyard animals were scattered over the length of the table.

Bearing out the theme further was the unique nosegay which displayed the ring. It was composed of blue carnations surrounding a nest of yellow straw dotted with numerous miniature pigs.

Laila is a junior elementary education major. Wayne, while attending the University, was affiliated with Phi Gamma Delta. Both are from Moscow where they plan to be married next fall.

Guests for the occasion were Mrs. E. M. Akkerman, Pearl Ak-

kerman, Mrs. W. C. Morse, Mrs. N. T. Carson, Mrs. Allen Carson, Anne Carson, Velma Wilson, Mrs. Janet Johnson, Mrs. Joyce Hooker, Mrs. Sharon Speedy and Mrs. Susan Womeldorff.

Church News

NEWMAN CLUB There will be no more organized Club functions for the rest of the semester. Remember Novena services every Tuesday night at 7:30.

LSA Bible study will be at 7 Tuesday evening at the CCC. A picnic is being planned for Sunday. Further plans will be announced in Friday's Argonaut.

DSF There will be an important meeting of the Executive Board and the chairmen of the committees at 10 a.m. Saturday morning at the CCC. All members of the DSF are urged to attend, for next year's program will be planned.

The regular DSF meeting will be held at 5 p.m. Sunday at the First Christian Church. This is the last Sunday that the leader, Mrs. Thoreson, will be with the group this school year. The Christian Church will have a supper for all DSF members Sunday evening at the regular meeting.

WESTMINSTER FORUM The Westminster Forum challenges the Wesley Foundation to a baseball game at 2 p.m. Sunday at the Moscow High School baseball field.

After the game the Westminster Forum will have a picnic.

Counselors Needed At Lake Chatcolet Margaret Coffey, camp director for the girl's Camp Fire Camp on Lake Chatcolet, has several counseling vacancies at her camp.

Anyone interested in being a general counselor or specialist should contact her at the Women's Gym or make an appointment with her. The Camp season starts on July 28 and continues until August 21.

Counselors will receive board and room, plus a salary.

Sing a song of sixpence, A pocket full of rye. Damn! another broken bottle.

Out Of The Past

25 Years Ago May 17, 1929—Campus cleanup will be conducted Saturday morning, just before the May Fete. Roll will be called by all captains at 7 a.m., and will be called again just before noon, said the general chairman.

The names of absentees will be turned over to the "I" Club and will be published in the Argonaut as guests at a special "pants warming" and tubbing reception. Completion of one project will mean that the men will be assigned elsewhere. The "I" men, armed with stout paddles, will patrol the campus to discourage loafing.

10 Years Ago May 18, 1944—Gems will be ready for distribution May 27 and through the remainder of the term until all shipments have arrived.

5 Years Ago May 17, 1949—Withdrawals from school this semester totaled 62—the lowest in Idaho history. Registrar D. D. DuSault said students leave for lack of funds, illness, jobs and grades.

1 Year Ago May 15, 1953—Al Dieffenbach and Bob Stivers were appointed Argonaut and Gem editors, respectively, by the Publications Board this week, pending approval by the Executive Board.

INIRMARY Admitted to the Infirmary were Torleiv Flatebo, Lavonne Wilson, Eleanor Oberg, David Thompson, Lloyd York, Gerald Hill, James York and Sharon Wright.

Dismissed from the Infirmary were Leslie Mix, Gale Mix, Caroline Lavonne Willson, Beverly Bowers, Leon Stone, Charles Manning, Kathryn Walters, Ernest Dutton, Eleanor Oberg, Richard Bunker, Lloyd York and David Thompson.

RAMARUI ACCEPTED Felix Ramarui, student from Guam, will begin a medical technician internship at St. Luke's Hospital in Spokane, following graduation this spring.

A senior in bacteriology, Felix came here four years ago after having only 8 years of formal education.

Joint Installation Banquet Is Held By Alpha Zeta

The Idaho Chapter of Alpha Zeta, agricultural honorary, held its spring joint initiation and banquet with the Elliott Chapter of Washington State College last Thursday in the SUB.

Initiated into the Idaho chapter were David P. Anderson, John W. Bernard, Maurice L. Clements, Jack L. Dunsmoor, Hans G. Gotsch, Clinton J. Henderson, J. E. Hurst, Roger C. Jones, Darrel K. Kalbfleisch, David H. Lowell, George W. Passmore, Clyde L. Wilson, and Po-Ping Wong.

The Idaho Chapter also took in two associate members because of their superior ability in their service to agriculture. New associate members are Dr. Richard H. Ross, professor of dairy husbandry, and Dr. James V. Jordan, associate professor and associate agricultural chemist.

At the banquet Walter Butcher acted as toastmaster. Chancellors Mac A. Porter, of Idaho Chapter, and Ruben J. Fode, of Elliott Chapter, introduced the new initiates, the new and old officers and the faculty advisors of their respective chapters.

Dr. William F. Barr, associate professor and associate entomologist, and outgoing chairman of the faculty advisory committee of the Idaho Chapter, was presented with a certificate for his service on the committee for the past three years.

Dr. Harry H. Caldwell, assistant professor of geology and geography, was the speaker for the banquet and chose for his subject, "New Ideas and Closed Minds."

Entertainment was provided by Darwin Thompson, who sang and played his guitar, and Po-Ping Wong who sang two Chinese songs.

New officers for the Idaho chapter for the coming year will be Raymond Seeman, chairman; Don Aegenbroad, censor; Dale Carter, scribe; Walter Butcher, treasurer, and Duane Sharp, chronicler.

Terrell Davis has been chosen to be the delegate to the biennial convocation of the fraternity, which will be held in Detroit, Mich., September 8-11.

Diamondmen Lose Two More

The Washington State Cougars made it four out of four in the win column over Idaho Friday and Saturday as they decided the Vandal nine 2-1 at Pullman and 4-2 at McLean Field.

The Vandals have a Northern Division record of 1 win and 13 setbacks with two games to go. They could make it rough for the Washington Huskies, who serve as the foes for the weekend tilts.

The Idaho Vandals' aunt, Lady Misfortune, was on their side again Saturday when the WSC squad pushed across two unearned runs off Gary Barton in the eighth inning for a 4-2 win. Friday's 2-1 victory by the Cougars was the third one-run win over Idaho.

Idaho's second baseman, Bob Falash, figured in both of the Vandal runs as he walked in the first and stole his way around the sacks. He singled in the third and scored from second on Flip Kleffner's base rap. From there on, pitchers Bill Rehder and Wes Stock, gave up but two hits—those being Kleffner and Frank Teverbaugh.

In the sixth inning WSC tied it up on Terry Sparks double to right centerfield that Joe Lothrop misjudged long enough to let it get by for extra bases. Ron Overby, the Northern Division's top sticker, proved his point with a long drive high up on the left field bank for three bases. The throw from the outfield took a bad bounce in front of third to allow Overby to cross the plate.

The winning tallies came in the eighth when Ron Foisy, shortstop, was on with a bunt single. Overby drew a free pass of the Vandal chucker, Barton, and both runners advanced on Catcher Red Golden's sacrifice bunt. The throw got by Falash, who was covering the bag, and Foisy scored. Overby came home with the final run on a wild pitch.

Red Golden had three for three, on a double, to lead the Cougars at the plate while Kleffner hit two for four for Idaho.

Just Chatter

By JOHN McDERMOTT

A lot of people have been complaining about the baseball team and their seemingly hidden talent for losing ball games. Many people have asked us if this was Idaho's worst season and going a bit off the deep end, we said we thought it was— WE WERE WRONG!

A bit of checking in the old record books gave us somewhat of a shock, but in lieu of Idaho's athletic situation in the past few years, it was only mild.

The record went back to 1930, 24 years ago. Of those 24 long years, 21 saw Northern Division baseball teams battling against each other.

Of the 21 baseball years, Idaho has spent 17 of them in the deep dark depths of the cellar, three in fourth place and one in third. That was in 1934, 20 long years ago.

We also thought winning only one game—which will be the case if Idaho can't pull one out of its hat against Washington next weekend—might be a new low, but further exploration into the little book showed us that Idaho has had two shutout seasons. The first coming right off the bat in 1930 and the second only three years ago in 1931, winning 0 and losing 14 both years.

Idaho has (not counting this year) seen two years of ball with only one conference win under its belt—1932 and 1943. 1948 and '49 saw the local squads finish with 2 victories to its credit and should they take at least half of the two game series with Washington they will be able to add the third year to that 2 win year list.

Last year, under the eyes of Chuck Finley, Idaho won 7 and lost the same amount in placing fourth in the conference. The year they placed third, the squad also racked a 7-7 win loss record up.

All the years which Idaho played in the Northern Division, at least 13 games were played, and in 1949, the year they won 2, 15 contests were held.

Skip Stahley termed his trip to the southern part of the state a success but said that the amount of success would depend on the coming weeks before school takes up next fall. Success as far as bringing football players up here from the far reaches of the state is rather hard to determine, but Stahley did have real success of one sort. He created a lot of enthusiasm in that part of the state while he was down there. Many people changed their minds about

Idaho's football outlook after listening to him talk for a while. He was even successful in rejuvenating a couple of extinct Vandal Booster clubs while he was on his tour, and we think that is quite an accomplishment. Vandal Booster groups are few and far between once you hit the country below the Boise area, and a few new ones in that heretofore untouched part of the state might be just what the doctor ordered.

Success in getting candidates, as has been said before is hard to determine, but the new mentor didn't come home without accomplishing something. At the present time, there are two pre grid stars on campus and they are from towns at which Stahley spoke on his three week trip. Two more are slated to arrive shortly and after that—who knows, there may be a deluge or possibly a drought—time alone will tell, and we hope Father Time treats Idaho good.

Phil Weitz Burns Up Course Firing Sub-Par 135

Phil Weitz, senior from Caldwell, burned up the University golf course Saturday at the University of Idaho Inland Empire invitational and set a new course record firing a five under par 135 for 36 holes. Weitz finished his morning round with an eight under par 63 to beat Ron Clark's old record of 64. Clark fired his 64 as a member of the University of Oregon Duck's squad.

Weitz blasted out a 32-31 in the morning round to take medalist honors and fired a 2 over par 72 in the afternoon, shooting 34-38 to give him his 135.

Idaho also came out on top in team play, beating five other schools in the weekend meet. Idaho's first team, composed of Tom Miller, Weitz, Bob Campbell and Dave Powell fired an accumulative 571 for the day with the only other team close to them being Washington State College with a 611. Idaho's second team finished third with an overall 615 behind WSC.

Montana State University's four-

Prep Track Meet Dominated By Lewiston High

Lewiston High School's track team dominated field events Saturday as they ran away with honors at the North Idaho regional high school track meet held here Saturday afternoon.

The Lewiston cinder squad won the medley and mile relays and showed superb strength in the discus, shot and pole vault to gain 47.5-6 points. Their nearest rivals, Coeur d'Alene and Kellogg, had 34.2-3 and 32 points. Kellogg High School placed fourth with 14. Other totals include Deary 11, Orofino 10, Wallace 9, Moscow 7, Priest River 4, Potlatch 3 and Bonners Ferry 1½.

Gary Fuller, Coeur d'Alene hurdler, swept to first place in both lows and highs with impressive times of 21.2 in the 180-yard lows and 15.6 in the high. Lee Hall, Sandpoint dash man, won the 440-yard dash as he had been favored to do.

Lewiston had first, second and third in the pole vault event, first, second and fourth in the discus toss and had the second and fourth shot putters as well as first and fourth in the high jump.

Individuals who placed first and second will represent their respective schools at Boise Saturday. Stan Hiserman, Idaho track coach, was in charge of the meet.

100-yard dash—1. George Pugh, Wallace; 2. Schern, Coeur d'Alene; 3. said they were well received in all the towns they visited.

He said it would be hard to tell just how much was accomplished for several weeks, but stated that at the present time he thought the tour had been well worthwhile.

Traveling with the two coaches was Jim Lyle, alumni secretary and Frank Young, boxing coach and assistant director of athletics.

Coaches Return From South Idaho

Reporting as successful a trip as it could possibly have been under the circumstances, J. Neil (Skip) Stahley, football coach, and one assistant, Jay Pattee were back on campus this weekend following an extensive southern Idaho speaking tour in hopes of promoting enthusiasm among alumni throughout the southern and eastern portions of the state.

Stahley said yesterday the tour was a success and said he felt a good job was done despite the hurried schedule of two and three speeches a day. The new mentor
