

Idaho's first football rally of the year brought out a capacity crowd Friday night in front of the SUB. Football players were introduced and Dale Carlisle and Co. led the Vandal cheerers.

# Campus Organization Outlined To Welcome New Students Here

By Yvonne Cleveland  
Going to classes for knowledge

Fine mixer they held last Saturday night. Good music and plenty of people. Only trouble was that no single girls showed up. Most of the evening saw some dates dancing while much men stood around and discussed the affairs of the day.

From this corner we understand that a mixer means for both sexes. One more of this kind and there will be some super male friendships on this campus.

This brings to light one of last year's gripes. Why can't the Associated Women Students organization do something? Last year they filled out exchange schedules and had their picture in the Gem.

**Spirits Up**  
A hearty fleece handshake to Wilbur Gary, roaring Vandal scabbard. Idaho spirits were up Saturday even if the score wasn't. Students still looked happy after the game so this department ain't worrying.

**Old Timer's Corner**  
Remember Lucy "Now's the time for Jello" Spencer? Yep, she tied the knot. She and Spike are living somewhere in the wilds of California.

Of course the new Jason can't sit here and pound the keys without saying that he heard from the ex-pride-of-the-navy Al Dieffenbach. "Big Midget" is in Spokane grinding out copy for the Chronicle.

The gallant name of Arizona Vandervort glowed once again here this weekend. Perennial student Vandervort is laying out one semester trying to line up some dumster tryin' go line up some sheckles.

**One On Us**  
You should have been up to our first Arg meeting. Among the group were about 60 campus beauties. First meeting was in the SUB—next one will be in the Abor etum. Chuckle.

**CHAIRMAN NAMED**  
Dr. Harold R. Stucky, University of Idaho graduate from Bozeman, Montana, has been named chairman of the department of agricultural economics at New Mexico A and M College.

Dr. Stucky, who was an honor graduate in agricultural economics at Idaho in 1927, has been extension economist at Montana State college. While an undergraduate student, he was a member of grain and cattle judging teams.

may be the hard part of college, but the activities the freshman joins activate his social life. Some of the activities offered to freshmen are the Gem of the Mountains, the Argonaut, Radio-TV Guild, University Singers, band, dramatics, debate, and many others.

Spurs and Intercollegiate Knights are two honorary organizations which choose their members at the end of the freshman year on the basis of scholarship, activities and character.

The Gem is the year book publication that needs willing people with or without experience. Along that same line, the Argonaut, always finds something for the busy student to do.

KUOI and the afternoon Radio-TV Guild offers the opportunity for interested students to express their talent.

For the musical minded, there are University Singers, Concert band, Pep band and various church choirs.

Intercollegiate and intermural debate offer exciting views on the pro and con. Talent is generously displayed in dramatics.

Different departments offer special clubs in the way of the Associated Engineers, Associated Miners, Associated Foresters, Ag Club, Attic Club, Bench and Bar, Curtain Club, Gymnastic Club Home Ec Club and Philophy Club. Foreign students meet in the Cosmopolitan Club. Pre-orchesis is offered to students interested in modern dancing.

The Vandal Flying Club, Gem State Sharpshooters, Hell Divers, Vandal Ski Club and Vandal Riders are offered to the more active student interested in airplanes, rifles, swimming, skiing and horses respectively.

Women's Recreation Association is offered to the girls interested in sports of all kinds. Any girl on campus whether in a physical education class, or not if offered a chance to enjoy playing games with girls from other living groups.

Alpha Lambda Delta, the freshmen women's scholastic honorary, and Phi Eta Sigma, the freshmen men's scholastic honorary are goals for many a freshman.

Tuesday night on campus is church night when students may attend church clubs; Kappa Phi, Newman Club, Lambda Delta Sigma, Lutheran Students Association, Canterbury Club, Wesley Foundation, Roger Williams Club, Christian, Youth Group and Westminster Forum.

Although Bishop Hubbard was very recently installed as bishop of this Spokane district, he is not new to the Idaho campus. In June of last year Bishop Hubbard was invited to speak at the baccalaureate and commencement exercises for the graduating class of 1954.

Previous to his first stay in the West, he was Suffragan Bishop of Michigan and was installed last February to replace Bishop Cross upon the latter's retirement.

Canterbury House will be open at 7:30 p.m. for visitors and guests to meet the Bishop. The public is welcome to attend the open house which is the beginning of the year's activities for Canterbury House.

The Rev. William Blewett, Episcopal Chaplain in charge of Canterbury House, is traveling in Europe at the present time and will not be available on campus until the first week in October.

Bishop Hubbard is making this visit to the Idaho campus as a clerical representative for the Canterbury reception and will speak on "The College Student and His Relationship with God."

**Executive . . . . . Board**  
AGENDA:  
Appointments  
Calendar Committee  
Women's hours  
Open

**ATTENTION STUDENTS!**  
Any student who has applied for part-time employment at the Student Counseling Center is urged to leave his address, phone number, and available hours at the office of Donald J. Kees, TCI.

## Official Notice

Each student organization is reminded that it must have on file in the Office of Student Affairs, a complete list of current officers of the organization, including faculty advisers. We should like to ask that the president of each student organization come to the Office of Student Affairs and file the names of officers.

All students having cars on the campus are hereby notified of the University Traffic and Safety Committee regulation: "Failure to place the auto registration decal on the car promptly constitutes a traffic violation." Please take steps to immediately place the decal on your car before it is lost or misplaced.

## Report Any New Address

From the Office of the Registrar comes the announcement that any students who have changed their Moscow addresses since registration should report as soon as possible to the Director of Student Affairs, C. O. Decker, who will notify the Registrar.

This information is desired in order that students' correct addresses and telephone numbers will appear in the student directory. Work on the directory is scheduled to begin on Monday, Sept. 27.

Students are reminded that Saturday, September 25, is the last day to change study lists without penalty for failing work. The deadline for removal of incompletes falls on Saturday, Oct. 2.

## New Hours Discussed By The Executive Board

Top on the list of subjects discussed at the last meeting of the Executive Board was that concerning hours for women.

Board recommendations are as follows: 11 p.m. on Sunday nights, 11 p.m. on weeknights for juniors and seniors (10:30 for sophomores), a freshman break from 9:30 to 10:15, and weekend permission to remain the same (1 a.m.).

The possibilities of having certain late nights for special house dances and having a certain number of "floating hours" per semester were also discussed. Board member Jim Saad moved that women should be allowed two 2:30 a.m. nights per semester. These late nights would have to be taken for some special occasion which would necessitate late permission.

Although recommended, the new hours have a long way to go before becoming approved. The Board will have to investigate all sides of the new proposals besides having the approvals of Director of Student Affairs Charles Decker and Dean of Women Louise Carter.

**Invites Guests**  
Cosmopolitan club asks all interested students to attend the meetings which will be announced in the Argonaut. "Come and welcome our new students," urged Laskaris.

New foreign students include: James Asaph, Francis Basto, Jatinder Bawa, Eirik Berggren, Sir Maj-Lis Bergstrom, Ta-fang Chai, David Charlton, Leonard Chin, William Dresser, Bhupindar Dhillon, Sulsukham Dhillon, Elpidio Domingo, Arum Dube, Pedro Echeverria-Leon, Raymond Ferguson, Helge Cagnun, Tejinder Gill, Hsien-chih Huiung, Jan Hubbard, Abdul-Latif Kamal, Abbas Kahn, Shu-fung Lee, Norville Maloney, Warren Mow, Roald Mugerud, Bernard Nuges, Phil Parr, John Laut, William Pistak, David Poon, Brynjulf Ringheim, David Rowlands, Micheline Rozier, William Russell, Autar Dishu, Jagat Singh, Malkiat Smagh, Nancy Tallon, Richard Takamoto, Per Thyness, Fubian Tionson, Ole Westerheim, Renae Wright, Khalid Yasin, Mahammed Yazdi, Movin Zught, Jay Pinheiro, Gordon Stobie, and Clifford Butler.

## ENROLLMENT REACHES PEAK

### Men's Dormitories Open Next Fall

By Jeanne Iverson

It has been announced by Robert Greene, director of dormitories, that the two new men's dormitories, Gault Hall and Upham Hall, will be ready for occupation at the beginning of the fall term next year.

These two dorms will normally hold 280 men with additional space for about 30 more in case of necessity. The units will be completely independent of each other, connected only by the common kitchen.

On the main floor are the living rooms and the dining rooms which can be opened up completely for a spacious dance floor.

Down a short flight of stairs will be guest rooms to facilitate overflow and to take care of visiting high school students, a recreation-TV room, laundry rooms, guest rooms and the women's lounges.

Upstairs, all the rooms will hold two men, with the exception of one room on the third floor. Each room will contain a double desk with built-in bookcase, a built-in radio and basins with hot and cold running water. The connecting bedroom will have double bunks and a dressing room.

No date has been officially set for the opening of the women's living unit 2. When this new dormitory opens however, it will provide excellent accommodations for 60 girls and a housemother.

On the first floor will be a living room, with large windows and a fireplace, with the dining room adjoining.

Spacious kitchen facilities are also on this floor.

The girls' living quarters are upstairs with each room housing two students. Upon entering these rooms, placed on the right will be found storage and wardrobe space, a desk with built-in light fixtures and tack board. On the left will be a double bunk which can be separated to provide day beds.

The trunk room and the laundry room will be in the basement. Also in the basement will be a recreation room.

The many students looking forward to moving into the new dorms will be well pleased with what they find.

**Mixer Proved To Be Success**  
Meeting new people may not be the acknowledged reason for coming to college, but it's one of the real ones. In spite of a lack of advertisement for the mixer held at the SUB after the game on Saturday, the place was overflowing.

Many people came . . . either stage or drag . . . to dance to the lively rhythm furnished by Wally Johnson, and by the comments afterward it is predicted that the Freshman Mixer on the twenty-fifth will have just as many persons if not more.

Flip Kleffner, ASUI president, said that an attempt will be made to hold similar dances whenever there is an open date, so keep your eyes open!

**Air Force General Visits University**  
Brigadier General Zimmerman, Dean of Faculty of the Air Force Academy, visited the Idaho campus on Saturday to contact University officials concerning the new "West Point" of the air.

General Zimmerman attended the Oregon-Idaho football game with his pilot and Major James Hughes, PAS here. Zimmerman is an Oregon and West Point graduate, having played basketball for Oregon in the '20's.

**NOTICE**  
There will be a meeting tonight, Sept. 21, in Room 29, Science Hall, p.m. for all students who plan on applying for admission to medical or dental school for the classes convening in September, 1955. Forms for the dental aptitude test and the medical college admissions test will be given out at this meeting. Very important to all concerned!

### First Rally Is Success

Friday's first pep rally of the season was a great success, according to Flip Kleffner, ASUI President. Already favorable comments have been received from people throughout the state and Moscow, Kleffner said.

Coach Skip Stahley said it was one of the best he'd seen in a short talk at the rally.

"It looks like the sleeping giant of the Vandal is beginning to come awake in the Student Body. Even with the rain and change in schedule the participation and spirit were terrific. The signs were wonderful—just keep them coming," said Kleffner.

Dale Carlisle with his cheerleaders Phil McRoberts and Gary Westcott did a great job in keeping up the morale both at the rally and during the game.

Due to the departing time of the team, no pep rally will be held this week, but watch the Arg Friday for news on giving the team support at the Oregon State game.

### Homecoming Festivities Take Shape

Plans have been announced for the homecoming parade by parade chairman Dick Gaskins. Tentative plans call for Alumni Association President F. A. Blomquist, Caldwell, to be grand Marshall of the parade.

Governor Len Jordan, Senators Herman Welker and Henry Dworshack and Representatives Gracie Post and Hamer, Budge will ride in the parade.

Floats and marching units in the parade should be in their places by 9:15 to begin the parade at 9:30.

Candidates for Homecoming queen will be chosen by the various men's living groups. From these candidates the members of the football team will pick five finalists. The finalists will then be voted upon by the men's living groups and the queen will be selected.

Chairmen for the various phases of the Homecoming festivities include Harry Brenn, general chairman; Robert Newhouse, publicity; Dick Gaskins, parade; John Harringfield, dance; Nancy Leek, queen; Dewey Newman, half-time entertainment; Eleanor Horsman and Dale Carlisle, rally; John Bahr, judging committee, and Dave Cummins, registration and open-house. Sid Curtis is the general secretary for the event.

Last year's winning floats were announced at the half time of the Homecoming game. In the women's division Kappa Alpha Theta

(Continued on Page 2, Col. 1)

### Registration Now Over 3000

Long range predictions of an annual increase in enrollment at the University of Idaho for years to come were holding up at the Registrar's office last night.

As the windows closed late yesterday afternoon, 3033 students had registered for the fall term, 307 more than at this same time last year.

The 3000th student to register was Francis Wallace of McCall, a junior in business. He is a transfer from the University of Denver.

Graduate students and late registrants are expected to swell total enrollment for this fall near the 3200 mark, Registrar D. D. DuSault said. He added that an increase in new students will approach 12 per cent.

"Many more Korean veterans than we anticipated are returning," he said.

**Pastures Established**  
Six experimental pastures of 160 acres each will be established in the Point Springs area east of Malta in Cassia county, reports Dr. D. D. Caton, assistant agricultural economist.

These will be used for controlled livestock grazing studies to be conducted by the Agricultural Experiment station and the Forest, Wildlife and Range Experiment station of the University and the Federal Bureau of Land Management.

Objectives of this grazing study are to determine the optimum level of grazing by season of use; to determine the practices of livestock production associated with each season and level of use; to evaluate combinations of practices versus a single practice, and to determine the effect on costs and returns of different degrees or combinations of use practices, including costs of operation and maintenance.

**Student's wife ASUI Tickets**  
are now available in the General Manager's office in the SUB. These tickets sell for \$12 and run for the entire 1954-55 school year. They entitle a student's wife to attend, without further charge, all athletic events, Community Concerts and other events to which the student's regular ASUI card admits him.

**Homecoming Parade committee**, conference room A, 7 p.m., living group Homecoming float chairmen, and representatives of any group who may desire to participate in the parade.

**ASUI General Manager's office** reports that the majority of the ASUI Student Activity cards will be available Monday, Sept. 27. The cards can be picked up in the General Manager's office.

### All-Campus Mixer Set For This Saturday Night

"Come one and all" is the thing that is being emphasized about the all-campus mixer to be held in the SUB at 9 p.m. Saturday night, September 25.

Wally Johnson's outfit, which is promising to become a big hit on the U. of I campus, is furnishing the music.

Intermission entertainment will consist of a Frosh talent show, the ingredients which Edmund Chavez, of the drama department, has been judging for the last week. Auditions will be held tonight for any Frosh interested in performing before the whole student body.

The dance is one of a combination of activities that make up the New Student Days.

New Student Days started with Orientation Week, and is a program to help people get acquainted; not only with other students, but with the faculty, customs and activities of the University of Idaho.

The mixer will end at midnight. It is a stag or 'drag', skirt and sweater affair which will take up all of the ballrooms. Women are urged to come, for, after all, there is a surplus of men on the campus.

**After**

## Foreign Students Hold Big Reception

By Jane Querna

More than sixty new foreigners were welcomed Sunday by acting president of the University, D. R. Theophilus, Flip Kleffner, and foreign student advisors Dr. Robert Hosack and Thomas Hopkins, at an informal reception sponsored by the Cosmopolitan Club.

"The purpose of the club," explained Gus Laskaris, past president of the organization, "is to promote a better relationship and understanding between students from abroad and those from the United States.

"It is not a foreign students' club alone," he stressed. "Any student or faculty member may join by paying dues of 50 cents per semester."

**Active Group**  
"In my opinion, the Cosmopolitan club is one of the most active organizations on campus," remark-

name of Singh graduated from Idaho, returned to India, and later wrote a book about the University of Idaho. He is now president of the University at Punjab, and his book has influenced many Indian students. At present his cousins are attending the University of Idaho.

Invites Guests  
Cosmopolitan club asks all interested students to attend the meetings which will be announced in the Argonaut. "Come and welcome our new students," urged Laskaris.

New foreign students include: James Asaph, Francis Basto, Jatinder Bawa, Eirik Berggren, Sir Maj-Lis Bergstrom, Ta-fang Chai, David Charlton, Leonard Chin,

William Dresser, Bhupindar Dhillon, Sulsukham Dhillon, Elpidio Domingo, Arum Dube, Pedro Echeverria-Leon, Raymond Ferguson, Helge Cagnun, Tejinder Gill, Hsien-chih Huiung, Jan Hubbard, Abdul-Latif Kamal, Abbas Kahn, Shu-fung Lee, Norville Maloney, Warren Mow, Roald Mugerud, Bernard Nuges, Phil Parr, John Laut, William Pistak, David Poon, Brynjulf Ringheim, David Rowlands, Micheline Rozier, William Russell, Autar Dishu, Jagat Singh, Malkiat Smagh, Nancy Tallon, Richard Takamoto, Per Thyness, Fubian Tionson, Ole Westerheim, Renae Wright, Khalid Yasin, Mahammed Yazdi, Movin Zught, Jay Pinheiro, Gordon Stobie, and Clifford Butler.

**NOTICE**  
There will be a meeting tonight, Sept. 21, in Room 29, Science Hall, p.m. for all students who plan on applying for admission to medical or dental school for the classes convening in September, 1955. Forms for the dental aptitude test and the medical college admissions test will be given out at this meeting. Very important to all concerned!

Loosing the game didn't dampen Vandal spirits. Darrell Ashton and Jackie Wainwright cut the rug during the all-campus mixer held after the Idaho-Oregon game.

## Bottles Replace Automobiles

It seems that some of our students have changed the words of "Beer Barrel Polka." The song now goes, "roll out the bottle." And, a place to sing it seems to be the Student Union parking lot.

Sunday the condition of the parking lot was called to our attention. To say that the abundance of empty beer bottles was a disgraceful situation would be mild. To say that this sight of negligence made a poor impression on our faculty and guests when they parked cars for their reception would also be an understatement. So, perhaps we can think of the danger to tires and the hazard of broken glass to anyone walking in the area. We can all draw our own conclusions as to the seriousness of a physical menace of broken bottles.

It seems that if we must get potted to enjoy a campus dance we could at least be careful or just plain considerate about where we roll out our bottles.

—J. W. K.

## Student Hazing Defended

The editorial in the September 17 Arg appears to have gone off the deep end concerning hazing. You too may have found J.W.K. somewhat hypercritical and inconsistent. He writes under the caption "Hazing Reported Dangerous" and then commences to enumerate such practices as "running around in awkward outfits" and with glib insinuation labels such dangerous. Really now, how can anyone (except a few college boys who find the essence of existence in their Esquire dictated apparel) consider such dangerous?

Granted there is a certain element of danger in some of the methods of hazing. But surely all of us are aware that life is never characterized by immunity from danger. Every time one steps from a classroom or into an automobile he submits himself to unforeseen dangers. How much greater is the chance of harm here than in hazing!

If the fellows on campus should be men as J.W.K. suggests, then afford them the opportunity to be such. Surely they have the common sense to discriminate between practices obviously dangerous and those which involve little or no harm.

Hazing is one of the old traditions of college life. Many students and grads will recall with varying degrees of sentimentality the time (or times) they or their friends were tubbed in friendly recognition of passing their pin. Yet there are harping critics who would have all of this indiscriminately tossed into a repository of forgotten traditions.

Think before criticizing hazing too generally. Much can be said in support of this phase of University life.

—L. A.

## Education For Everyone?

How does it feel to be prohibited from attending school? Ask a teenage English girl who's now working ten hours a day in a department store instead of continuing her education.

An American college student would be in the same situation in Europe if he had a "C" average or lower.

Those that argue for the European system of education say that slower students are a drag upon ones who wish to and can learn faster. These people urge that the United States adopt such a program.

High powered entrance exams, highly specialized courses of study, and high tuitions are typical limiting factors in European high schools and colleges. Students who can't meet the requirements are either forced into trade schools or into oblivion of the semi-educated masses.

Yet, it is felt that the educated European is superior to the educated American. This is simply because the highly intelligent American has been held back by the slower, average student and because ONLY THE HIGHLY INTELLIGENT European has been given the opportunity for advanced education.

America is a democracy. And everyone is entitled to equal rights for education. Does the need for a large crop of highly educated geniuses justify the abolition of equal education for all?

—J. C.

## Engineers To Meet Wednesday Night

A 30 minute film, "Fabricating the Western Pine," will be the main item on the agenda of the get-acquainted meeting of the student mechanical engineers, Wednesday night.

The meeting, open to new and oldsters alike, will begin at 7:30 p.m. in Engineering 104. Roy Merrill, president of the student chapter of the American Society of

Mechanical Engineers, will be in charge of introducing student ASME officers and mechanical engineering professors.

The scheduled film shows the highly mechanized manufacturing of doors, window sashes, and cabinets, and is of special interest to mechanical engineers, according to reviewers.

Patronize Argonaut Advertisers

## Homecoming

Placed first, Phi Beta Phi second, Delta Gamma was runner-up. Governor and Mrs. Len Jordan led the parade.

In the men's division Delta Sigma Phi ranked first, Willis Sweet Hall second with Phi Delta Theta as runner up.

Queen Jan Cole was crowned by alumni president Payne. Her five attendants were Nancy Lyle, Susie Oberg, Lorna Hobney and Betty Ruth Westerburg.

Parade chairman Dick Gaskins would like to meet with all homecoming float chairmen and representatives of groups wishing to enter in the parade at 7 p.m. in conference room A, Thursday September 23.

# Councils, Committees Make Wheels Turn

This is the second in a series of articles dealing with the University of Idaho administration. These are published in an effort to give the new students at the University of Idaho some idea what makes the U. of I tick.—Ed.

## United Nations Program Committee

**Function**—To take the lead in planning and coordinating annual programs reorganizing United Nations.

**Membership**—Dr. Boyd Martin (Chr.), Dr. Hosack, Profs. Banks, Hause, Sharp, Tenney, Mr. Bird and two students named by ASUI.

**Admissions Committee**

**Function**—Advise the Registrar in selecting out-of-state students.

**Membership**—Prof. Hindle (Chr.), Jolley, H. Snider, D. Marshall, Mr. Bond.

**Loan Fund Committee**

**Function**—Clearing and approving group for all loan requests and grants to students from University-controlled loan funds.

**Membership**—Mr. Dick (Chr.), Mr. Decker and Mr. Bond.

## Athletic Board of Control

**Function**—Advisory group to the President on matters relating to athletics, requiring conformance to all established policies and precedents controlling athletics and its management, and maintaining review of current operations of the Department of Athletics.

**Membership**—Dean Kerr (Chr.), Dean Hart (V-Chr.), Dr. Cherrington, Prof. Hatrup, Mr. Dick; three alumni: Mr. James Lyle, Mr. Harold Cornelison, Mr. Wesley Jenkins; three students: Philip Kleffner, Terrill H. Davis, John B. Parker; Mr. Robert S. Gibb (ex officio without vote).

## Executive Committee of Athletic Board of Control

**Membership**—Dean Kerr (Chr.), Messrs. Dick, Cornelison, Kleffner and Gibb (ex officio).

**Traffic Safety Committee**

**Function**—Formulate and recommend traffic and parking policy, also rules and enforcement procedure for campus for normal circumstances, and for special events. Periodically inspect entire University plant reporting fire and safety hazards and recommending corrective measures. Chairman may designate subcommittees to be responsible for specific activities.

**Membership**—Mr. Gagon (Chr.), Profs. Harder, Junk, W. W. Stahley, F. Young, Cdr. Ayres, Mrs. Rinebold, Mr. Knight, and student named by ASUI.

## Traffic Appeal Board

**Function**—To review and act upon summons issued by campus police.

**Membership**—Mr. Bond (Chr.), Mr. Wicks (alternate Chr.), and two students with alternates appointed by ASUI.

**Discipline Committees**

**Function**—Advise on conditions and circumstances that may contribute to the delinquency of students; recommend preventive and corrective measures. In specific cases properly referred to the committees, investigate facts and circumstances and recommend appropriate action. A written report of the recommendations of the committees on all cases referred to them should be sent to the Director of Student Affairs to be forwarded to the President for review. Approved recommendations will become actions of the committees; and their respective chairmen shall notify in writing, which notification must have prior approval of the President, students and their academic deans of final disposition of each case.

## 4-H Club Short Course Advisory Committee

**Function**—To assist the Agricultural Extension Service in plan-

## Membership—Prof. J. Snider

(Chr.), Profs. Friberg, Seale, President ASUI, and student selected by ASUI Executive Board. To serve throughout academic year in which service begins.

## Student Union Committee

**Function**—As directed by the Regents.

**Membership**—Prof. Guy Anderson (Chr.), Profs. Charles Marshall, Locke, Mr. Decker, five to seven students, and Mr. Dick and Mr. Bowly (both ex officio without vote).

## In-Service Training Committee

**Function**—To co-ordinate, where needed, the in-service training activities of the various colleges; to promote the improvement of instruction at the University level.

## Membership—Professor Wilde

(Chr.), one person from each College, Prof. Roy Bell, Mr. Perry.

## Patent Committee

**Function**—As set forth in University Research Foundation by-laws.

**Membership**—The committee members are chosen following the annual meeting of the Research Foundation in October. The names will be published in the Staff Letter after the meeting.

## Radiolabels Committee

**Function**—To promote and co-ordinate the use of radiolabels and development of radiolabels laboratory. Advisory to Director and President.

## Membership—Mr. L. S. Prater

(Chr.), Profs. McIvaine, Ferrell, Jordan, Jackson, Grahm, Bush, Gurevitch, and Dean Cady (ex officio).

## Archives and History Committee

**Function**—To recommend to the Executive Committee policies for the operation of the University of Idaho Archives; and to collect, preserve and administer records, documents, historical notes and such University and other archival material as may properly come under its jurisdiction.

## Membership—Prof. Greever

(Chr.), Profs. G. O. Baker, Roland, Larrison, Abbott, Mr. Zimmerman and Mr. Lyle.

## Museum Development Committee

**Function**—Be an advisory committee on acquisitions. Make recommendations concerning plans for a University Museum. Make an inventory of all museum material on the campus.

## Membership—Dr. K. Hungerford

(Chr.), Profs. McIvaine, Bowers, Unger, Newton, Rhodes, Fulbright and Foreign Scholarships Committee

## Function—To select candidates

for foreign scholarships; act as counselor to applicants for these scholarships; and obtain and disseminate information on foreign scholarships available to Idaho students.

## Membership—Prof. Brockelbank

(Chr. on leave), Prof. Wolfe (Acting Chr.), Profs. Cook, Graue, Klages, Seawell, Prichard.

## 4-H Club Short Course Advisory Committee

**Function**—To assist the Agricultural Extension Service in plan-

ning and executing the 4-H Club Short Course held on the Campus in June.

**Membership**—Prof. Raeder (Chr.), Profs. Logan, Gauss, R. Bell, L. Green, Collette, Canode, Dean Carter, Mr. Harney and Messrs. Warren and Robert Greene (both ex-officio).

## Home Economics Advisory Committee

**Function**—To correlate and co-ordinate all work in home economics (teaching, research, service) for which the University is responsible.

## Membership—Prof. Ritchie

(Chr.), Miss Haberly, Miss Zaehring, and Deans Kerr and Theophilus (both ex-officio).

## Recreation Committee

**Function**—To effect cooperative action on the part of all University agencies concerned with recreation to the end that the greatest opportunities for wholesome and satisfying recreation may be extended to all students and faculty.

## Membership—Prof. Leon Green

(Chr.), Mr. Wicks, Mr. Farberry, Miss Rowe, Dr. Zaehring, Mr. Conitz, Prof. K. Hungerford, Prof. Locke, and two students appointed by ASUI.

## Scholarships and Awards Committee

**Function**—To supervise and co-ordinate awarding of scholarships under jurisdiction of the University.

## Membership—Mr. Decker

(Chr.), Profs. Hoag, Wray, Pratt, Frykman, Philip E. Peterson.

## Miscellaneous

### ASUI Representative—Mr. C. O. Decker.

### Foreign Student Advisor—Professor Hosack.

### Budget Statistician—Professor Folz.

### AEC Liaison Officer—Dean L. C. Cady.

### Resource Development Council of Pacific Northwest Land-Grant Institutions, Idaho Member—Dean Theophilus.

### Office of Foreign Agricultural Relations, M.S.A., and Point IV Liaison Officer—Prof. D. A. Marshall.

### University Representative on

# This Week's Movie Thriller Is 'The Lady Vanishes'

By JOE CORLESS

Another Alfred Hitchcock thriller will headline the start of the ASUI movie series this Thursday on the screen of the Borah theater. "The Lady Vanishes," a suspenseful spy drama, will be shown at 4, 7 and 9:30 p.m.

Time magazine describes the film as one which will remind you of the famous Alexander-Wollcott story about the young lady who visited Paris with her mother, only to have her mother vanish without a trace. Even worse, no one would admit that the mother had ever existed.

In "The Lady Vanishes," a dowdy English governess, Miss Floy, played by the noted Dame Mae Whitely, is substituted for the mother. An express train takes the place of Paris. And for the bubonic plague cause of the Wollcott story, international intrigue catalyzes the plot.

Even though "The Lady Vanishes" is an edge-of-chair, made-in-England, typical Hitchcock movie, it has as much comedy as a straight plot. For those who have seen Hitchcock's American films such as "Foreign Correspondent" this clever comedy will come as a slight shock.

New Republic, usually quite staid, descriptively comments, "More fun with people on a train than a barrel of monkeys—the fun more liberally interjected than usual into throttled guitar players, false compartments, drugs, guns, and evil."

The story opens in the Balkans: a nervous, jittery place just before Europe felt the full wrath of

An Arg staff member has invented an 11-foot pole for use on girls who can't be reached with a 10-foot pole.

Mary had a little dress Dainty, cut, and airy. It didn't show a bit of dirt. But, boy, how it showed Mary.

# Exchanges And Picnics Fill All Social Calendars

The traditional friendly spirit of Idaho is prevailing again this fall as exchanges and picnics have found a place in the fall social program.

Delta Gammas and Sigma Nus, Tri Deltas and Delta Sigs started their year out with exchanges.

Music is in the air this fall, too, as the Phi Delt and SAE pledges await the ringing of their bells by the sorority pledges. The girls in turn serenade to get trophies back on their empty shelves.

## DELTA DELTA DELTA

Tri Deltas and Delta Sigs are looking forward to a picnic exchange this Saturday, followed by a football game. Last Summer the girls were guests at the Delta Sig house for a buffet dinner.

Pledges of the Tri Delt house surprised the members Sunday with a fireside.

The pledge class also found some excitement Friday morning as they ventured to some of the fraternity houses in the search for trophies.

## KAPPA SIGMA

Formal pledging started Gamma Theta of Kappa Sigma toward another active school year, Saturday, September 15.

Recent dinner guests at the Kappa Sig house have been Mr. Earl Floyd, Mrs. Frayne McAtee, Mr. and Mrs. Pat Chemadrow and Mrs. James Bruya.

The boys are looking forward to the sound of feminine voices in the living room when sorority pledges sing for the silver and gold souvenirs captured by the pledges. News is out that Ron Manser, Payette, and a coed from Oregon State College became engaged over the summer.

Kappa Sigma extends congratulations to all Greek living groups on their new pledges, with best wishes for a prosperous and interesting school year.

## DELTA GAMMA

Television and dancing were feature attractions of the annual exchange with the Sigma Nu neighbors, which was held last Sunday night.

Delta Gammas were all happy to welcome back Nancy Moore, who has been living in the Philippine Islands for the past year, and Barbara Brunko, who spent her last semester studying at Gonzaga University. The girls were crushed to see that the front porch was no longer passionate pink. But they swallowed their disappointment and joined with the rest to welcome

However, the surprise was forgotten as they settled down to rush, which added 26 men to the Phi Delt roster.

Plans for homecoming, an open house, and the pledge dance are in the near future, with Bonzo Davis, social chairman, acting as chairman of the dance.

The bell, which also has a new look with its new point job, had a workout over the weekend. The pledges, in true tradition, tracked down several groups of sorority girls who visited during the darker hours, and administered the proper punishment. The pledges can't seem to find anything which sounds worse than that bell in the middle of the night!

## HAYS HALL

The hall is proud to introduce the new acting president, Sid Curtis, and the new assistant house-mother, Ramona Remp.

Homecoming plans are progressing rapidly with the appointment of Gloria Keller and Dorothy Larson as co-chairmen of the committee.

Hays is happy to welcome the 72 new students and transfers from other campuses.

## TRI J

Tri-J house has completed pledging and added to the membership list three men and 19 guppies. Tri-J is reported as the number one off campus house not affiliated with the IFC.

Officers recently elected include a president, who also serves as cook, social chairman, and as transportation officer and historian.

The social chairman is currently in the process of putting Tri-J on the AWS exchange list.

Guests during the week were Bill Staley and Jay (Quantic) Hearn. The supplies furnished entertainment.

Nancy Leek entertained with a reading, "The Black Cat," and Sharon Cromwell did some acrobatics.

An interesting sideline from the exchange was the fact that the girls did not escape with any trophies. Of course, it does help to hide them!

## PHI DELTA THETA

The boys in the castle painted blue and white got quite a shock when they returned to the campus and found a coat of white paint with grey trim adorning the old bastille.

Mary: Wait here for me Harry, while I go powder my nose.

Mary: (three dances later) Been waiting long, Harry?

Harry: No, but I've been looking all over for you to give you your compact.

Just because my eyes are red is no sign I'm drunk. For all you know I may be a white rabbit.

Those discharged from the infirmary were Janice Hale, Margaret Cook, Betsy Scudder, Barbara Keller, John Shively, Carol Renstrom, Charles Collier, Susan Emery, Margaret Curtis, Dorothy Jabbara, Harriette Duckworth, Bob Cranstrom, William Lawr, John Mount, Charlotte Walker and Fred Erickson.

# Exchanges Planned For Social Calendar

The men will be the host this year as the circle of exchanges begins once again. First exchanges are scheduled for Wednesday, September 22.

The exchanges will start at 7 p.m. and last till 8 p.m. instead of 7:30 p.m. to 8:30 p.m., as was last year's schedule. The social chairmen of the men's living groups should make the arrangements on the Monday before the Wednesday exchange.

Each men's living group should furnish some young man couple or other chaperone since the house-mothers will not always be able to attend.

Five dates have been left open this year. They are Thanksgiving, Christmas, Halloween, St. Valentine's Day and St. Patrick's Day. Living groups are urged to plan dinner exchanges or other types of exchanges on these days.

Exchanges planned for Wednesday, September 22 are ATO Alpha Chi, Campus Club Alpha Phi, Delta Chi-Tri Delt, Delta-Tau Delta-D G, Kappa Sigma-Steel Hall, LDS-Forney, Phi Delt-Gamma Phi, Phi Kappa Tau-Hays Hall, Sigma Chi-Kappa Alpha Theta, KKE-Kappa

Further exchange schedules will be in the Argonaut or are available from Pat Bardlett at 2424.

# Exams Announced For New Positions

The United States Civil Service Commission has announced an examination for Patent Adviser to fill positions in various Federal agencies in Washington, D.C., and vicinity, principally in the Department of the Navy. Salaries range from \$3,410 to \$5,940 a year.

Full information and application forms may be secured at many post offices throughout the country, or from the U. S. Civil Service Commission, Washington 25, D.C. Applications will be accepted by the Board of U. S. Civil Service Examiners, Department of the Navy, Main Navy Building, Washington 25, D.C., until further notice.

# INFIRMARY

Those admitted to the infirmary were Betsy Scudder, Janice Hale, Barbara Keller, Margaret Cook, John Shively, Carol Renstrom, Charles Collier, Susan Emery, Margaret Curtis, Dorothy Jabbara, Harriette Duckworth, Bob Cranstrom, William Lawr, John Mount, Charlotte Walker and Fred Erickson.

# Church News

## WESLEY FOUNDATION

The annual church night program for Methodist students will feature a dedication service led by Rev. David Seaman, pastor of the Methodist Church, in the sanctuary Tuesday, September 21, at 7 p.m.

All Methodist students are invited to the service which will be followed by a reception in Egworth hall. Norman Logan will lead singing during the evening program.

Methodist students and their friends are invited to a coffee hour Wednesday at 4 p.m. in the Campus Christian Center.

Choir practice for interested students will be held in the Christian Center Thursdays at 6:45.

## DSF

All students are invited by the Disciples' Student Fellowship to attend a reception for both old and new members, Tuesday, September 21. The program will take place from 7 to 9 p.m. at the First Christian Church, 3rd and Jefferson Streets.

Recreation, supper and devotions will be included in the regular DSF meeting Sunday, September 28. All students are invited to attend.

## LDS

The opening social for all LDS students will be held Tuesday evening at 7:30. This program will officially begin the M.I.A. program.

# Got a Lucky Droodle in your noodle?

# SEND IT IN AND MAKE \$25

MAN PLAYING TROMBONE IN TELEPHONE BOOTH

SHIP ARRIVING TOO LATE TO SAVE DROWNING WITCH

Want to pick up \$25? Make up a Lucky Droodle and send it in. It's easy.

If you want to find out just how easy it is, ask Roger Price, creator of Droodles. "Very!" Price says. Better yet, do a Droodle yourself, like the ones shown here.

Droodle anything you like. And send in as many as you want. If we select yours, we'll pay \$25 for the right to use it, together with your name, in our advertising. We're going to print plenty—and lots that we don't print will earn \$25 awards.

Draw your Droodles any size, on any piece of paper, and send them with your descriptive titles to Lucky Droodle, P. O. Box 67, New York 46, N. Y. Be sure your name, address, college and class are included.

While you're droodling, light up a Lucky—the cigarette that tastes better because it's made of fine tobacco . . . and "It's Toasted" to taste better.

# DAVIDS'

# Vandals Hit First Stumbling Block; Stahley Prepping Squad For Beavers

The Idaho Vandals yesterday licked their wounds from a 41-0 defeat at the hands of the Oregon Ducks and turned around and prepped for the first road encounter of the season Saturday at Corvallis with Oregon State College.

The Vandals fought Oregon to a near standstill Saturday during the first half but couldn't match Oregon's line depth or the passing arm of all-America candidate George Shaw.

Four of the six Duck scores came through the air or were set up by aerials. Shaw uncorked short and long ones keeping the Vandal pass defenders unawares and nearly at bay. Big Hal Reeve and Doug Mobley, giant ends, time and again took passes down the middle.

The Vandals, although beaten soundly, showed they were a fighting unit as they held Oregon 0-7 at the half. Idaho held the ball for 19 out of 28 scrimmage plays during the second quarter.

Scatback Wilbur Gary made the stands forget the lopsided score as he stole the show as the individual top ground gained. He packed the mail for 66 yards, six-yards per try. Gary, running at fullback under Skip Stahley's system, weighs but 175 pounds, yet proved to be the type of break away runner that Idaho has been looking for the past seasons.

The Ducks went for 301 yards in the air and 152 on the ground. Idaho, although it did not hold a majority on ball possession, picked up 149 in its grounds attack.

The Vandals would have had a scoreless tie at the end of the half except for an 80-yard aerial from Shaw to Reeve to the Idaho 2, and chunky Walt Gaffney punched over two plays later for the score.

The thin Vandal ranks couldn't match Oregon from that point however, as Negro fullback Jasper McGee and Dick James hit the Vandal line for gains when the pass attack began to falter. It was Shaw's passing, however, that accounted for the lopsided score. The Vandals just weren't there when the ball was as Shaw was as hot as a no-hit pitcher.

Coach Stahley had high praise for his spirited club after the game however, singling out Gary and Captain Burdette Hess, lineman, for their work.

Hess was a stopper in the center of the line along with sophomore Ivan Resa and Gary proved the best offensive Idaho threat. Mel Schmidt, sophomore halfback, also received the coach's praises for his defensive work. It was the first varsity starts for Resa and Schmidt.

The scoring: Oregon First quarter — Shaw passed to Reeve to the Idaho two and Gaffney scored on hand-off two plays later. Shaw kicked extra point. 7-0, Oregon.

## TAKE FIVE

WITH JOHN B. HUGHES

Third quarter — James climaxed 34 yard drive scoring on pitch out. Shaw kicked extra point. 14-0, Oregon. Shaw passed seven yards to James for third score to climax 80-yard drive, Shaw's kick good. 21-0, Oregon. Johnny Keller three 30 yards to Loyd Powell for fourth score. Keller missed kick. Oregon 27-0.

## THE SCOREBOARD

By STEVE EMERINE

Writing in Street and Smith's 1954 Football Yearbook, Los Angeles Times sports editor Paul Zimmerman predicts that the Vandals' coach Skip Stahley will "find the task of collecting victories as difficult as have any of the school's previous pilots."

Zimmerman goes on to name a probable starting line-up of Tev'erbaugh and Giles at ends, Leigh and Hepler at tackles, Hess and Resa at guards, Barton at center, Eidam at quarterback, Kleffner or Bittner at right half, Frostenson at left half, and Barter at fullback.

Considering that the magazine was published in August and the article probably written back in July, this writer will doff his hat to Zimmerman.

The only thing he couldn't know was that Kleffner and Frostenson wouldn't be able to play because of injuries and would be replaced by Schmidt and Lawr.

Another and perhaps most important omission was Zimmerman's failure (because of an early deadline) to investigate the junior college transfers which Stahley recruited last spring and this summer.

Among these was Wilbur Gary, unsung until about a week before the game, but who started in place of Baxter and went on to pace the Vandal ground attack throughout the game and, especially during the first half.

Zimmerman may be right in his prediction about the Vandals this year, although we can't agree with the dopesters who say Idaho will either win one or no games this year. However, with the increase in football scholarships being offered to freshmen plus Stahley's already proven drawing power in both California and Idaho junior college grid circles, it won't be too long before Vandal football fortunes take a turn for the better.

Things are, already looking up. Just a look at the first half score proves that. Maybe—and this is merely wishful thinking—this writer won't have to walk to Pullman this fall after all. Could be!

I'll never forget my first date. My girl and I went for a ride in a new convertible... she was wearing a strapless evening gown and the top was down.

## Yell Leaders Praise Pep

Cheerleaders Dale Carlisle, Gary Westcott and Phil M. Roberts along with the pom-pom girls yesterday expressed their thanks to the student body for the fine display of pep shown at the pep rally and game last weekend.

"We hope we can generate even more pep for the homecoming game October 2 with San Jose," said Carlisle.

The cheerleaders explained that because the Vandals are leaving early Friday morning for their game with Oregon State in Corvallis, it would be impossible to give the team a send-off.

Instead of a send-off, they hinted at some other plan to show the football squad that the students are behind them.

The cheerleaders also asked all students who are planning to drive to Corvallis for this Saturday's game to leave their names in Flip Kleffner's office in the SUB.

Outclassed but not outfought was the situation Saturday when Oregon laid it on the Idaho Vandals 41-0. The new Vandals, as they should rightly be called, under a new coaching system, gave it their all in the first half but couldn't match a powerful Oregon passing attack in the final half.

Idaho showed the spirit that it has always shown on the gridiron and matched the Rose Bowl contenders on the ground but fell apart in its pass defense.

The score certainly was not indicative of the type of ball Idaho played during both halves. At the close of the first thirty minutes, Oregon held a slim 7-0 lead.

A scatback by the name of Wilbur Gary made Idaho fans forget the lopsided score after it was all over. Gary was called upon time after time to pick the mail for Idaho. He carried for 66 yards for a six yard per carry average, best for any back during the game.

Gary and John Sullivan are the first Negro athletes in Idaho's modern day era to don the silver and gold. Both played as junior college players last season. Gary is from San Pablo, Calif., Sullivan from Richmond, Calif.

Who covers Idaho football games? At Saturday's game the press section of the press box was occupied by L. H. Gregory of the Portland, Ore., Oregonian; Bill Boni, Spokesman-Review; Herb Ashlock, Spokane Daily Chronicle; Jerry O'Brien, Associated Press; Al Lochman, Portland, Ore., Journal; Russ Nielson, United Press; Dick Strite, Eugene, Ore., Register-Guard; Charlie Boren and Mel Snow, Lewiston Morning Tribune; Al Barackman, Moscow Idahoonian and this writer. The game was broadcast over the American Broadcasting System as their game of the week across the nation. Forty-three Northwest radio stations carried the game.

WSC had their troubles with pass defense along with Idaho in their season opener. The Cougars were trounced 39-0 by the USC Trojans at Los Angeles. Long passes gave the Trojans a solid lead that WSC never threatened. Al Kircher, WSC mentor stressed air defense in last week's preparatory drills and now will have to do it again this week for the cross-Palouse rivals meet COP, a predominately passing team, Saturday at Spokane. The Vandals travel to meet College of Pacific at Stockton Oct. 9. Both clubs will have to hustle with pass defense.

Hiserman Gone With the loss of track coach Stan Hiserman, a cross-country team this fall looks doubtful. Hiserman left Idaho a week ago to coach the University of Washington tracksters. Idaho athletic officials are undecided about fielding a cross-country crew.

This week the Argonaut sports staff will call on three coeds and three male students to take a crack at predictions for Pacific Coast football games coming up this Saturday. The predictions will be posted Friday on this page. The weekly feature will be called "Grid Gambles." Until next Tuesday.

## Vandal Riders To Hold First Meeting

Mickey McCarty, president of the national champion Vandal riding team, announced today that the Vandal Riders club will meet tonight at 7 p.m. in Conference room A of the Student Union building.

McCarty extended an invitation to all those interested in rodeo and horseback riding to attend the meeting. He added that coming events would be discussed.

## Lawr Injured In Oregon Game Out For Week, 10 Days

The Idaho Vandals will be without the services of halfback Bill Lawr for a week or ten days it was reported Monday as the Vandals licked their wounds suffered in a 41-0 loss to Oregon.

The task at hand now is to prepare for the first road encounter of the season at Corvallis Saturday with the Oregon State College Beavers.

Lawr, a Weiser senior, suffered a bruised hip Saturday and was carried from the field in a stretcher following the game.

Burdette Hess, senior guard and captain from Shelly, and fullback Wilbur Gary, San Pablo, Calif., suffered leg muscle cramps but have recovered. Gary carried the ball 10 times in the second quarter and was called upon later in the game for more ground work.

## "T" CLUB

Important meeting for members and initiates Thursday, at 7:00 p.m. in Conference room A at the Student Union building. Initiation will be discussed. For further information contact Bob Campbell or Lou Goutroy.

"Now, when I was a girl," said Mother, "I wore six petticoats." "Yes," said daughter, "and even then, boys would be boys."

THE AMAZING STORY OF Untamed Women

— Plus —

The Marx Bros. are LOVE HAPPY

DICK JAMES OF OREGON is brought down by two unidentified Idaho players in the third quarter of Saturday's ball game here. Other players include Pete Gerphelde (88) and Wilbur Gary (37) of Idaho and Oregon's George Shaw (14), Doug Mobley (81), and Jack Patura (67).

SOPHOMORE STARTING TACKLE MIKE HEPLER from Clarkston, Wash., grimaces for the camera as he charges an imaginary back. Hepler started and played most of the game against Oregon and is now prepping for a crack at Oregon State this Saturday.

Oh, women are treacherous; Women have gall; For them there is no sort of excuse.

How I wish that there weren't any women at all! (Except for my personal use.) Patronize Argonaut Advertisers

## Grouse Hunters Feet To Be Less Sore—Hungerford

Ruffled grouse hunters shouldn't have to do quite as much walking per bird this season as they did last, according to the census just completed by Dr. K. E. Hungerford, associate professor of wildlife management, and three graduate students in that field on a 2,200-acre unit of the University of Idaho experiment forest.

This year's count showed one grouse to 9 acres. Last year it was one to 11 acres.

"Our census shows more ruffed grouse than last year but only about half as many as in 1948, the peak of population since the first census was taken in the area in 1946," Dr. Hungerford notes.

Ruffed grouse hunting began in central Idaho counties Saturday, September 18, and in the panhandle counties a week later.

During four days of censusing, Hungerford and the graduate students covered more than 28 miles of census lines—on foot. Aiding him on the project were Hadley B. Roberts, Don Stanton, and Robert Folker.

Ruffed grouse studies on the Idaho forest have been continuous counts just before hunting season in the fall, drumming counts are made in the spring and brood counts each summer. This constitutes the longest continuous ruffed grouse population study in the west.

## WRA NEWS

W.R.A. board members are reminded of a meeting in the women's gym, Wednesday, Sept. 29, at 6:45 p.m.

A Professor is a man who tells students how to solve the problems of life which he has avoided by becoming a professor.
