VOL. 59, NO. 9

THE IDAHO ARGONAUT, UNIVERSITY OF IDAHO

FRIDAY, OCTOBER 15, 1954

## The GOLDEN FLEECE

by Jason

A formal written report on the results of the Argonaut Student Facilities Fees Questionnaire was handed into the office of the ASUI president prior to Tuesday's Executive Board meeting.

The October 12 Executive Board agenda did not include discussion of these questionnaires.

However, following the official meeting, an informal meeting was held in the office of the ASUI president with seven members of the Executive Board and the writer of this column present. The questionnaires were fully discussed and the formal report was read at this meeting.

In referring to the opinions of the Board members we received statements from all nine members concerning their answer to the question: "What do you think of the ice skating rink?"

The comments of ASUI president Flip Kleffner appear in the editorial section of today's Argonaut on page 2. The answers:

Stan Tate

★ ★ ★  
Stan Tate—I didn't vote in this preference poll of Mr. Jason's last week. Since much time on the Executive Board was devoted to this particular question already and if the editor would have been at this discussion he would know the opinions of any Executive Board member. They must come only at the culmination of all the facts and not at the outset of such an investigation (which is being carried on by the Executive Board). Then it is evident I will form an opinion at that time; although I am not completely unbiased. (I cannot see how an outdoor skating rink would justify \$150,000 of student's money if we would enjoy more student consequences for less money in another project. This I don't know). None the less I shall make a vote one way or the other when the facts are presented more fully.

★ ★ ★  
Objection: If you say we should have been there to hear the Board opinion then we take it for granted opinions have been expressed. O. K., then you say they (the opinions) must wait. We have covered all minutes of Board meeting since the outset of the school year — and we find nothing relating this — Jason.

★ ★ ★  
Jack Knodle — I feel that since the Executive Board members are the elected representatives of the student body they should not let personal opinion enter into any situation that may come before them. We are interested in what is best for the student body and will benefit them the most. We're here to get what the students want, not what we want.

Jack Knodle

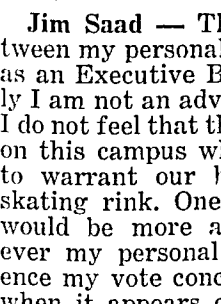

★ ★ ★  
Reid Lau — My personal opinion of the skating rink affair is as it now stands, I definitely oppose such a move. When the program was presented at the Executive Board meeting of September 20, on this issue, I definitely felt that the whole program as presented to the students last year was misrepresented and the students did not know what they were voting on, and at what cost. However, I believe that if the facts are presented to the Board and when they reach with my approval that I will support the ice skating rink. If it appears to me unfavorable, as it does now, I will continue to oppose it.

★ ★ ★  
Lee Anderson — My personal opinion is of no concern. Once student opinion has been accurately determined, I will attempt to reflect this in any vote concerning the facilities fees. However, as of yet, I'm not convinced that the facts are clear or that opinion is sufficiently crystallized to enable the Board to take final action.

Lee Anderson

★ ★ ★  
Gene Dickey — I don't feel that my personal opinion will matter in the final outcome of this case. I would rather wait until all facts concerning the case, including the skating rink and other possibilities such as a swimming pool, are brought forth before making a final decision which will be what I think the majority of the students want.

Gene Dickey

★ ★ ★  
Jim Saad — There is a difference between my personal opinion and my opinion as an Executive Board member. Personally I am not an advocate of ice skating, and I do not feel that there are enough students on this campus who are enthused enough to warrant our building a \$150,000 ice skating rink. One of smaller proportions would be more acceptable to me. However my personal opinion will not influence my vote concerning the skating rink when it appears on the Executive Board agenda. Every Executive Board member is a sounding board of student opinion, if interest indicates that they desire to have a skating rink of the proportions outlined by the engineer who studied the problem then I will certainly vote for it.

Jim Saad

## Duck!

A segment of the Cosmopolitan Club soccer team dribbles down the field in preparation for the big meet with the WSC Cosmopolitan Club. Pushing the leather are Thane Johnson, Severre Dehli, Olaf Stavik and Reidar Ullevalseter.

## Cosmo Club Teams Blood Drive To Meet In Battle Slogans Due Wednesday

### AWS Grants 11 p.m. Hours For Sunday

Eleven o'clock permission on Sunday evening has been granted to all women students, according to an announcement made at the Wednesday meeting of the AWS council. This will be in use until the new recommendations for women's hours are passed on by the Academic Council.

Women's dinner exchanges will begin Tuesday, October 19. Cancellations are to be made at least two days in advance with Joyce Kenoway. Schedules for the entire year will be posted in the living groups.

Freshman women were given a chance to vote on freshman study hours in their living groups. A majority vote was received for study hours from 7:30 to 9:30 p.m. as had been proposed.

Plans are being made for an exchange with the WSC-AWS council members for a Saturday breakfast during the coming month.

For the first time, the AWS yearly budget includes a fund to send a delegate to the AWS National Convention, according to Karen Hinkley, president.

### Coming Events— (Page 2)

## Blood Drive Competition Is High Between Colleges

The University of Idaho blood drive idea, which originated here five years ago, is once again moving into action. New records have been set each year in Idaho drives with the exception of last year when it was de-emphasized.

Today blood drives are a regular intercollegiate competition. Each university competes on a percentage basis. The University of Idaho sent challenges to other universities to promote the idea when campus blood drives were in their infancy.

At the Florida State University headlines read: "Will this record be broken at Florida State?" From WSC, "WSC is accepting the University of Idaho's challenge to top the national record for blood given on a college campus." From Salt Lake City, the report was "IDAHO BEATS MARVARD."

The Spokesman-Review stated, "University of Idaho students have won a National championship right up in the 'Big League' of intercollegiate competition." From Storrs, Connecticut, the paper read, "When the University of Idaho's students hurled a blood-donor challenge at other colleges and uni-

Idaho's Cosmo Club soccer team, fresh from their 7-1 shellacking of the Moscow Jaycees, will take on WSC's Cosmo Club team Sunday.

Team members for Idaho come from Norway, Jordan, Greece, Korea, Jamaica, China, India, Czechoslovakia, Canada and Germany. Washington State players represent Kenya, Italy, Canada, Norway, Malaysia, Arabia, Nigeria, Siam, Peru and Bolivia.

Soccer teams consist of 11 men who are entitled to use feet, bodies, heads, knees, and elbows on the ball, but can't use their hands. Saturday's game will consist of one 40-minute half and one 30 minute half.

A 25-cent admission fee will be split between the two clubs to help them finance group activities.

Cosmo Club members hope that this game will help create interest in soccer for future intramural competition.

A practice session is scheduled for 4 p.m. Friday at Recreation Park. Equipment for the game has been loaned by the University athletic department.

Free coffee will be served at the International House, 807 Deakin, following the game.

### Marshall To Attend Advertising Meet

Professor C. E. Marshall announced this week that he will attend a special conference on advertising education in Spokane Saturday, October 23.

The conference will be a joint meeting of business advertisers and college educators from throughout the Inland Empire.

The Blood Drive slogan contest ends next Wednesday, October 20, so students are urged to get their entries in, said Dale Carlisle publicity chairman.

The slogans will be used for the drive, and, as an added incentive, the prizes will be Clara Armstrong, Homecoming Queen, as a slave to the boy winner for a day, and Flip Kleffner, ASUI president, as the same for the girl winner.

The two ballot boxes are located at the Bucket entrance, and in the Ad Building. Paper is provided.

The slogans will be judged by the Blood Drive Committee, and the winners announced at the Kickoff Dance Monday, October 25.

### Columnist Gives Views

Dorothy Thompson, author, columnist and radio commentator, spoke today at 11 o'clock in the first Public Events assembly of the year. Her topic was, "The Crisis of the West."

Miss Thompson has previously addressed the British House of Commons, the annual convention of the governors of all states, and the American Bar association. Each time she was the first woman not directly engaged in the legal profession or in politics, to have that honor.

### Executive Board Fills Positions

The Students Activities Council was appointed halftime committee for the basketball season, the Publications board report was approved and class elections were set for November 3, by the Executive Board at their regular meeting Tuesday evening.

The Board approved the Publication boards report recommending Darlene Duffy for the Gem editorship. Jim Steele and Keith McPhee were also appointed as assistants.

The Board set November 3 as the date for class elections. An alternate date of November 17 was suggested but it was overruled.

## Challenge

To: Flip Kleffner, President, ASUI  
To: Fred Williams, Editor, Idaho Argonaut  
To: John Hughes, Sports Editor, Idaho Argonaut

Gentlemen:

Once again that time approaches when you will be given the opportunity to visit our beloved campus — the home of the COUGAR. It is appropriate that we remind you that, in keeping with the tradition of our respective schools, the loser in the October 23 WSC-UI game must take the long stroll to the winner's campus.

Therefore, it is with no small amount of confidence that we suggest the Vandal group digs out its hiking togs in preparation for the nine-mile journey to the outskirts of Pullman. Scooters, tricycles and such conveyances are, of course, not allowed in making your way over the well-trodden path (all one way).

Though it has been unnecessary for COUGARS to take the walk during the past 27 years we realize the ordeal will leave you somewhat weary, so a welcoming committee will be on hand. You and any fellow Vandals wishing to accompany you will be escorted to the Compton Union Building for a campus welcome.

Dale Boose, ASSCW President  
Warren Pettit, Editor, WSC Daily Evergreen  
Bob Harris, Sports Editor, WSC Daily  
Barry Jones, ASSCW Vice President  
Evergreen

P. S. The invitation is still open for you to take advantage of the warm weather and walk anytime prior to the game if you wish.

## Acceptance

To: Dale Boose, ASSCW President  
To: Warren Pettit, Editor WSC Evergreen  
To: Barry Jones, ASSCW Vice President  
To: Bob Harris, Sports Editor, WSC Evergreen

Dear Cougars:

Your 27 year longing is over. We accept your challenge and will be waiting at the University of Idaho Student Union when you finish the long walk.

Of course the loser will take the long seven and, as always, the scooters, tricycles and like conveyances are strictly forbidden. We do take notice that your challenge contains the ASSCW Vice President (undoubtedly a gay sprinter) so we gallantly include our ASUI Vice President as he dislikes violent exercise.

We shall be waiting, but with one request — that you leave the bona fide Cougar in his cage during your travels as our Student union has no facilities for same.

Flip Kleffner, ASUI President  
Fred Williams, Editor, Idaho Argonaut  
James Saad, ASUI Vice President  
John Hughes, Sports Editor, Idaho Argonaut.

Attention, living groups and organizations! Operation Tele-Pep will come to order for its third send-off this weekend. Telegrams to cheer the Vandals on should be sent to: El Conquistador Hotel, Tucson, Arizona, before 6 p.m. Saturday.

Living groups will not be called this time, so each one is responsible for sending its own telegram. Campus organizations are also urged to send telegrams.

Send your telegrams through the office downtown, and remember the address: El Conquistador Hotel, Tucson, Arizona. Let's all get out a telegram and let the boys know we're behind 'em all the way!

### WRATennis Finals Scheduled Monday

The semi-finals of the WRA tennis doubles scheduled for Monday at 4:00 are Williams, Wainwright, Tri-Delt vs. Keough, Hutchison, Forney and Becker, Goodpasture, Hayes vs. Willson, Borden, Kappa. The finals will be played Tuesday and the results of the tournament will be published in Friday's edition of the Argonaut.

Pre-Orchestra and Orchestra have made tentative plans for a Christmas program to be held in the middle of December. The theme will be "There Will Always be a Christmas." Included in this program, will be one or two numbers done by the beginning dance students.

### Official Notice

All students who have not had their picture taken for their service identification card or who have been instructed to have their picture retaken for the service card must appear at Haddock & Laughlin, Fifth and Main, Moscow, before 4 p.m. on Tuesday, October 19, which will be the last date these pictures will be taken.

## Magic Stunts Are Featured

Tonight at 8 p.m. in the Memorial Gymnasium, Lee Grabel, world famous magician, will perform his amazing "feats of illusion" for the students of the University of Idaho.

Among the many interesting acts will be a special attraction of the "Floating Piano Act." A person has been found to appear for the number. This talented pianist who meets the qualifications of not weighing over 135 pounds is Nan Soden.

Another stunt in the over two hour long review will be when Grabel will shoot an assistant into the audience with the "human cannon." Also included are such stunts as the Oriental Sedan Chair, the Real Houdini Escape, Pipe Smoker's Dream and The Pin-up Girl.

"The Master" has toured the United States and abroad, appearing in Hollywood, Broadway, Chicago, Paris, the London Music Hall, Boston and many other cities to capacity and sell out crowds. Grabel is at the present time touring the midwestern and northwestern states in a trip starting yesterday at Sidney, Neb.

Grabel's show is rated as one of the top shows of this type on tour today, according to Gale Mix. Adult prices will be \$1 and students 50c. The ASUI is making a special price of 50c to all faculty members who purchase their tickets in advance at the ASUI office prior to show time. No reserved seats are available.

The Alec Wilder Opera, "Sunday Excursion," concerns two high school couples returning home from a Sunday excursion into New York City. The music, quite modern in texture, suggests the rhythm of the excursion train throughout the opera.

Keep both singers happy. Accompanists will be Rochelle Henderson, pianist, and Nan Soden, organist.

Notice is hereby given of the coming class officer elections which will be held November 3, 1954.

Flip Kleffner,  
ASUI President.

## Arg Starts Writers Contest

Judges in the first Argonaut short-story contest are Larry Hyer, Curtain Club president; Darlene Duffy, Gem editor; Fred Williams, Argonaut editor; Ruth Brede, chairman of the contest and Argonaut news editor (not judging); Milton A. Voigt, instructor in English; William C. Banks, professor of English and Maurice A. Unger, assistant professor of real estate, feature and short story writer. The contest will close November 15.

Got the urge to write? Beginning Friday, October 15, the contest will close at 5 p.m., November 15.

At the end of the contest, winning manuscripts will be published in the Argonaut.

All manuscripts must be original, unpublished works. If the writers of the winning manuscripts wish to have their stories published elsewhere, the Argonaut will make an effort to do so.

Names and addresses must accompany the manuscripts, but will not be seen by the judges. No paid member of the Argonaut staff may

Manuscripts must not be over 1200 words long, must be typed double spaced on one side of typing paper and must be sealed in an envelope when submitted.

Entries may be turned in to the Argonaut or ASUI offices starting today. They must be marked "Short Story Contest" on the outside of the envelope.

Neither the Argonaut nor the ASUI will be responsible for loss of manuscripts. All entries will be returned to their owners at the end of the contest.

Judging the contest will be three faculty members and three students.

Faculty judges will be Prof. William C. Banks, instructor of creative writing and English; Prof. Maurice A. Unger, of the school of business, who is a fiction and feature writer, and Milton A. Voigt, instructor in English.

Student judges will be Darlene Duffy, Gem editor, Larry Hyer, president of Curtain Club and Fred Williams, Argonaut editor.

Ruth Brede, senior journalism major and Argonaut News Editor, will be in charge of the contest. She can be contacted at the Argonaut office Monday and Thursday afternoons after 3 p.m. enter the contest.

Official publication of the Associated Students of the University of Idaho issued every Tuesday and Friday of the college year. Entered as second class matter at the post office at Moscow, Idaho.

Fred Williams Editor  
ASUI Prexy Explains Fee

This is general information for the University of Idaho students concerning the Student Facilities Fee and its uses. The Board of Regents, who have absolute control of the University, established, at the beginning of the fall semester, 1953, a facilities fee of \$10 to be charged each semester to every regularly registered student of the University of Idaho. Eventually this money will be pledged to a bond and this bond will in turn pay for the construction of a capital investment for student needs. The entire system of arranging for the financing of these facilities is complicated, and is not actually materially necessary for the general comprehension of the fees.

The Regents asked the students to recommend to them what they would like for their own benefit. Hence a poll was taken by the ASUI last year in an endeavor to find one or two particularly desirable ideas for student facilities which we might ask the Regents to construct.

The problem was then turned over to the recreation committee, with the results of the poll taken at that time. Incidentally this committee did a very fine and extensive job of probing the general and specific situations that developed. Dr. Leon Green was at that time and still is the chairman of the Recreation Committee. Because the skating rink rated very high on the ballot last year, the committee necessarily studied it very thoroughly and had architectural plans drawn of a proposed skating rink.

Later a few unforeseen problems arose and the building of the rink was temporarily set aside by this year's Executive Board in order that these problems be solved before further work was done on any student facilities.

I would like to add that projects are being continually investigated and surveyed by the Executive Board and the recreation committee. We do not expect to gain a unanimity of opinion, but we do expect to fill the wishes of the majority of the students, and to this goal we are striving.

This is not the first facilities fee that has been placed to the students by the Regents. We are now enjoying the hard-earned benefits that students a generation ago doled out for all future Idaho students. The Memorial Gym and the University Golf Course are but two of the many benefits of student donations that we revel in today.

Actually in contributing to our present student facilities fee we are paying for the use of all the recreational facilities that are now on our campus that we use so much. This is a debt we owe to these generations past and also an obligation to the students attending the University in the future.

Briefly these are the problems and situations which students and the Executive Board are confronted with:

1. Regents establish Student Facilities Fees and define its limits.
2. Poll taken by ASUI.
3. Recreation Committee studies and recommends.
4. Passing on the plans by the Executive Board — then on to the Regents.
5. Our obligation to past, present and future Idaho students.

FLIP KLEFFNER, ASUI President

## Bus Hours Are Changed

A special week-end bus schedule will enable students to obtain convenient transportation to and from the University of Idaho and coming to conform to student requirements and housing regulations was announced yesterday by Northwest Greyhound Lines.

According to G. J. Wenzinger, local agent for Northwest Greyhound in Moscow, weekend travel to and from the University of Idaho and Washington State College now can be made more satisfactorily by bus on the new "Student Weekend Return Special, effective Sunday, October 17.

Arriving in Moscow on the return trip at 9:30 p.m. and in Pullman at 9:45 p.m. Sunday nights and holidays, this new bus service enables students to reach dormitories, boarding houses, sororities or fraternities without penalties for breaking campus hours.

Departure times of this new service for students from Central Washington and other communities are: Yakima, 12:55; Toppenish, 1:35 p.m.; Sunnyside, 2:15 p.m.; Prosser, 2:45 p.m.; Richland, 3:35 p.m.; Pasco, 4:15 p.m.; Walla Walla, 6 p.m.; Dayton, 6:45 p.m.; Pomeroy, 7:35 p.m.; and Lewiston, 8:30 p.m.

## Students Are Awarded Business Scholarships

Scholarships totalling \$1,900 have been awarded students in the college of business administration at the University, it was announced today by Dr. Donald J. Hart, dean of the college. The sum is the largest ever made available to business students at the University, he said.

The first security foundation, established by the First Security Bank system which operates in the intermountain area, has awarded \$500 scholarships to two students. They are Edward Claiborn and Stanley Swanson.

Davis Brothers scholarships totaling \$400, and awarded through the Win and Lovett foundation, have been granted to three freshmen students, Charles Werry, Bonnie Christopherson and James Starr. An additional \$200 will be awarded this year by the Davis brothers, who operate a grocery

and preparing weather briefings for combat flights. Lt. Ort attended the University of Georgia where he was enrolled in psychological warfare training. During the Korean War he worked on combat intelligence out of Japan as briefing and interrogation officer for a B-24 squadron. After the war he was in charge of interrogation of returning USAF prisoners from Korea.

## Captain Baker To Head New Air Force Training

The University of Idaho 180th Air Force detachment is under new leadership and a new system of cadet training. The new staff includes Capt. F. E. Baker, Sgt. G. R. Nicholas and Lt. L. L. Ort.

Capt. Baker completed his aviation cadet training during World War II and as commander of a B-17 saw combat duty in Italy, Germany and Austria. During the Korean War he flew with MATS (Military Air Transport Service) and then was assigned to the Far East Air Force. He was in charge of classified documents and files in the Far East Air Logistics Force Command Headquarters. He also assisted in the formation of the 640th Air Depot wing at Farnborough Air Base, Japan. He is now assistant professor of air science instructing senior cadets. In addition to his duties as assist PAS he is Department Adjutant and Property Officer.

Sgt. Nicholas has been assigned to Idaho from Beale Air Force Base, California, where he was non-commissioned officer in charge of publications section, handling base regulations and special orders. Prior to his duty at Beale Sgt. Nicholas was stationed in Tokyo as an administrative member with the Tokyo Weather Central, supplying flight information data

## Visitors Commend NROTC Program

Capt. W. A. Stevenson, head of the field administration branch of the training division of the Bureau of Naval Training, and Dr. J. G. Cornwall, education specialist from the same bureau in Washington, D. C., were visitors on campus last Wednesday.

They reviewed NROTC training programs and held informal talks with the local NROTC staff members and Capt. Thomas, professor of naval science at the U. of I.

Both Captain Stevenson and Dr. Cornwall commended the University of Idaho has a very well diversified program which attracts many outstanding students from all over the United States.

Receiving a \$100 award from the Idaho Insurance Agents association is Barry P. Rust.

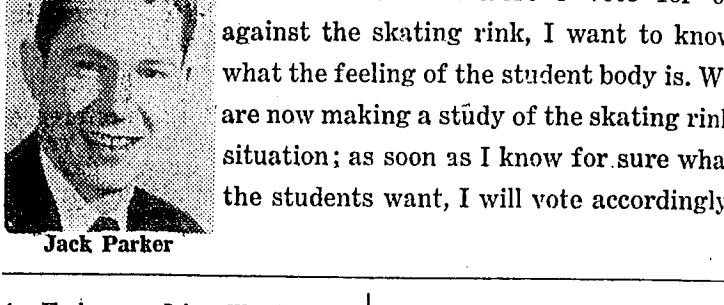

## Heres More About Fleece

Terrell Davis — The Executive Board at the present time is making a detailed study of all possibilities for the student facilities fee. I feel that the facts available to me now are insufficient to allow me to form an objective opinion. After the Executive Board presents all the facts pertaining to the case, I will then form an opinion and vote accordingly.

Bob Bakes — I am opposed to the construction of the proposed ice-skating rink for the following reasons:

- 1) When initially voted on by the students, few if any of the students realized the enormous size of the project. Most thought in terms of \$20,000 and \$30,000. Thus the answers on the poll last spring do not indicate true student opinion, and do not warrant further action until such opinion is sampled.
- 2) I don't think that there is enough student interest in ice-skating to warrant that large an outlay. If there is though, then we should seriously consider building the rink.
- 3) Until the present group who are in charge of this project make known the whole facts and figures and also the planning behind this project, which the students have a right to know, I will be opposed to the construction of the rink. The ASUI is a mature enough body that they can at least know what is going on, even if they can't participate in the planning.

Jack Parker — Before I vote for or against the skating rink, I want to know what the feeling of the student body is. We are now making a study of the skating rink situation; as soon as I know for sure what the students want, I will vote accordingly.

A. Fosberg, John W. Gardner, Jr., James H. Tinto, James B. George A. Hayes, Theodore C. Townsend, Ronald L. Voss, John Kelly, Walter F. Lovejoy, Peter H. Warner, Norman B. White and T. Mellon, David W. Pinkard, Robert N. Rackham, Mohammad H. Raffee, William B. Richards, Michael Soranno, William W. Staley, Patronize Argonaut Advertisers

## Esquire Girl Finalists To Be Chosen

The Alpha Tau Omega fraternity will spend the next few days entertaining 22 women at formal dinners who have been nominated by living group houses on the campus for the honor of being the fraternity's 1954 "Esquire Girl."

Five finalists will be selected by the men next Wednesday, with the winner to be crowned at the fraternity's annual Esquire dance November 6. Last year's Esquire Girl was Patricia Gustafson, who is now a senior at the University. Aspirants for the 1954 crown include Arlene Wood, Vivian Vaagen, Panee Taylor, Joan Matz, Jolene Williams, Barbara Warner, Patricia Jones, Irene West, Jane Sauer, Frances Futter, Cecelia Montoya, and Rotalee McCracken. Beverly Carlson, Jean Boyd, Martha Sue Dempsey, Janet Daigh, Shirley Byrne, Barbara Joseph, Patricia Parsons, Ann Pool, Barbara Simons and Darlaine Bagley.

## Interest In Pool Is High

The Argonaut Student Facilities Fee Questionnaires indicated that many students are interested in the possibilities of building a swimming pool with the fee.

To begin an investigation of the cost of a new pool would require the approval of the Board of Regents. And it will take more than \$150,000 to build any kind of pool.

The present pool would be impractical to enlarge due to its location. If swimming facilities were to be improved in Memorial Gym then a new wing would have to be added.

If a separate building were built it would also have to include separate lockers, showers and dressing rooms for men and women students which would again raise the price of the pool.

The cheapest way to get a new pool would be to build it in connection with some other building and use it as a multipurpose structure. The cost of the pool would then be defrayed by the other projects involved.

Summing up — the pool could be built but it would take more money than the ice rink and consequently it would be a longer time before actual construction could take place. J. W. K.

## Graduate Receives Silver Pilot Wings

Second Lt. Bobby L. Webster, a 1953 graduate of the University of Idaho, received his silver pilot wings at Goodfellow Air Force Base, San Angelo, Texas.

## Geologists View Rocks

Twenty-one geology students left Thursday, October 14, for their one-day field trip, from Moscow to Clarkia, Goat Mountain and Elk River. Rock formations near Boehl's Cabin, in Shoshone County, were studied by the group. Dr. Abbott, Mr. Grimm and a graduate assistant supervised the trip. William J. Coombe, Ronald L. Crozier, Petau De Long, Maynard

STUDYING MADE SIMPLE

I have passed my thirty-fifth birthday, and my dewlaps droop and my transmission needs oil. More and more my eyes turn inward, reminiscing, sitting the past, browsing lovingly among my souvenirs, for at my time of life memories are all a man has.

And most precious are the memories of college. It still makes my pulses quicken and my old glands leap to life just to think of it. Ah, it was something then! "Swiftly" my friends used to call me, or "Rakehell" or "Candle-at-both-Ends" or "Devil Take the Hindmost." My phone was ringing all the time. "Come on, Devil-Take-the-Hindmost," a cohort would say, "let's pile into the old convertible and live up a storm. I know a place that serves all-bran after hours."

So it went—night after mad night, kicks upon kicks, sport that wrinkled my eye derides, laughter holding both his sides. "Come on, "Candle-at-both-Ends," my companions would plead, "sing us another two hundred verses of Sweet Violets."

"No, my companions," I would reply with a gentle but firm smile, "we must turn homeward, for the cock has long since crowed." "Twas not the cock," they would answer, laughing merrily. "Twas Sam Leghorn doing his imitation of a chicken!"

And, sure enough, 'twas, Crazy, madcap Sam Leghorn. How I miss his gait and wit! I never tired of hearing his imitation of a chicken, nor he of giving it. I wonder what's become of him. Last I heard he was working as a weathervane in Tacoma.

Oh, we were wild and jolly gang in those days. There was Sam Leghorn with his poultry imitations. There was Mazda Watts who always wore a lamphshade on her head. There was Freddie Como who stole a dean. There was Cap Queeg who always carried two steel marbles in his hand. There was Emily Hamp who gilded her house mother.

Yes, we were wild and jolly, and the wildest and jolliest was I. . . But not right away. I blush to admit that in my freshman year I was dull, stodgy, and normal. I finally corrected this loathsome condition, but for a while it was tough and go. And, dear reader—especially dear "freshman" reader—be warned: it can happen to you.

The makers of Philip Morris have bought this space so I can bring you a message each week. There is no more important message I can give you than the following: College can be beautiful. Don't louse it up with studying.

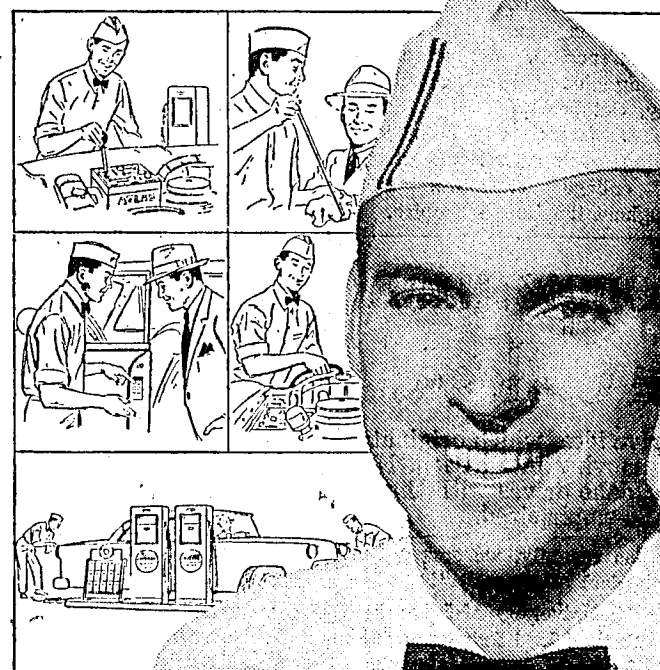

Clearly, cramming is the only sensible way to study. But beware! Even cramming can be overdone. Take it easy. On the night before your exam, eat a hearty dinner. Then get a date and go out and eat another hearty dinner. Then go park someplace and light up a home until you're good and relaxed.

## Varied Program To Be Presented

The following features will be heard during the week of October 18 to 24 on "Here We Have Idaho."

The University Orchestra, Jane Sauer talking to Larry Hyer about Mrs. McThing, Marigay Nelson singing "A Dream is a Wish Your Heart Makes," accompanied by Judy Crookham, Mr. Forney talking about the two operas; Bernard Nages a student from France, and Mildred Haberly talking about the State Home Demonstration Council.

"Here We Have Idaho" is broadcast at 6:30 p.m. Monday on KRPL, and 7:00 p.m. Wednesday on KUOL.

Look how it is today! Here are just a few of the services you now find at Independent Chevron Stations and Standard Stations. We originated many of them in competing with hundreds of other companies for your business. This competition that has brought you more convenient motoring has grown with the West. Since 1907, we've seen the total number of Western gas stations grow from our lone Seattle pioneer to 26,000 today. For us it has meant working harder to merit your business . . . investing \$275 million in 1954 alone to find new oil and improve our refinery output . . . spending more than \$35 million in the last 5 years for research and technical services to bring better products to motorists, industry and farms. Since this is Oil Progress Week, we'd like to remind you that this competition which sparks oil progress brings you more miles-per-gallon of gas, lubricants that lengthen your car's life—and the world's best service.

STANDARD OIL COMPANY OF CALIFORNIA  
75 years of planning ahead to serve you better

## All Campus Moonlight Sing Held

About 200 students could be heard singing Tuesday evening from 6:30 to 7 p.m. at the newly constructed council fire pit behind the field house during the all campus "Moonlight Sing."

The Sing, sponsored by the Phi Mu Alpha Sinfonia and the Sigma Alpha Iota music honoraries, was under the direction of John Herrett who led the first few number, Norman Logan, professor of music,

# Pledges Initiated Formally; Pine Hall Returns Socially

Formal initiation in many of the living groups has brought the serious side of fraternity life into many fall house programs. Delta Chi, Pi Phi and SAE held initiation ceremonies during the past week. On the lighter side, Ethel Steel frosh returned from their sneak to be "initiated" with cold food, tubbings and house-cleaning.

Delta Chi and Alpha Chi celebrated Founder's Day last weekend in connection with initiation banquets. Alpha Chis were joined by the WSC chapter for their celebration. Another living group has reorganized to reappear in the social news — Pine Hall. Best wishes, boys!

**FORNEY NEWS**  
Congratulations to Darlene Melcum as SAE candidate.

The caucus seats have been filled by Marilyn Weaver and Jean Dillie. Bertie Carder represents us at Pre-Orchesis.

We also congratulate Shirley Keough and Betty Hutchinson. (We think it's for hitting tennis balls.) Best wishes to Joy Groscock on her recent engagement.

Next on the list of events is the fireside Friday night, when our girls will "roll up the records and put on the rug" once more.

**ETHEL STEEL**  
Freshmen women, with gleams in their eyes, made a timely escape to Pullman Monday evening for the traditional sneak. Ruth Ann Korvola, house president, and Mrs. Skattaboe, house mother, were captured and taken as guests. Dinner at the CUB and a movie highlighted the evening.

A gay initiation ceremony, directed by upperclassmen, was put into action when the girls returned home. Corn flakes, cold macaroni, flour-and-water paste, numerous tubbings, blind folds and mass hysteria all played major roles in the confusion that followed. After a midnight clean-up, the freshmen were declared properly initiated and everyone retired, weary but happy.

A tea honoring Mrs. Skattaboe, housemother, will be held from 3 to 5 p.m. Sunday, October 17. The girls will be happy to welcome everyone — plan to come and get acquainted.

**GAMMA PHI BETA**  
Mrs. H. B. Walters' and Chuck Walters, Everett, Wash., and Chuck Chehey were Sunday dinner guests.

An after study table party was held by the alums for the pledges. Many pounds were added as they enjoyed delicious cakes.

Anonymous phone calls last Saturday night brought guests to a mysterious party of outlandishly clad humans at the Gamma Phi house.

Pledge class officers for the coming year are: Shirley Byrne, president; Carol McGuffin, vice president; Charrol Bartlett, secretary-treasurer, and Dani Schreiber, song leader.

Pink carnations, sticky paint and goo were the theme for a session held by the pledges at 4 o'clock one morning. They know better now!

The mighty TKE pledges were whalloped by the brave Gamma Phi pledges in their annual football tussel held on the Ad lawn.

The date for the pledge dance has been set for October 30th.

**ALPHA PHI**  
Tuesday, 30 of the lovelies, commonly called pledges, snook. The destination was Lewiston, and all 30 made like members and took in a dinner and a show.

The members didn't lack for entertainment while they were gone. A fireside was held (with an honest-to-goodness fire) with dancing, card playing and popcorn. A party was held for the pledges when they got back.

Wednesday night, a very successful song exchange was held. Thanks to all the guys for helping us to learn them.

A rugged football game was played between the pledges and the ATO pledges, Saturday morning. They forgot to be "hairy chested men" and the gals won.

## Church News

**DSF**  
The hayride scheduled for Friday night has been postponed. The regular DSF meeting will be held Sunday at the First Christian Church from 5:00 to 7:20 p.m.

**NEWMAN CLUB**  
There will be a communion breakfast this Sunday in the Parish Hall after the 9:30 mass. Students are asked to sit in the front pews at the 9:30 mass so that they may receive communion in a group.

**KAPPA PHI**  
Shirley Blick, May Pappenhagen and Charmaine Mangin, Alpha Phi, were over for dinner Wednesday evening for the purpose of learning some Sig songs.

**SIGMA CHI**  
After successfully evading a tubbing by the pledges, Pete Gerphelids is in for a cold, cold shower in the near future!

**WESTMINSTER FORUM**  
Saturday afternoon at 1:00 p.m. students will meet at the Presbyterian Church to paint a Sunday school room.

**LAMBDA DELTA SIGMA**  
Lambda Delta Sigma will meet at the LDS Institute Friday evening, October 15, at 7:30. The pledging ceremony will be held at this time.

**CANTERBURY CLUB**  
Next Sunday evening, Canterbury Club will have an exchange with the W.S.C. students at Pullman. The meeting place will be at Canterbury House at 5:00.

**BAPTIST YOUTH**  
Officers were elected for the coming year at the last meeting. The Co-Presidents are Charles Starr and Jim Hemphill.

## Membership Reports Sent

House group membership reports will be mailed to the campus living groups on Monday. It has been announced by the Bursar. All lists are to be made up showing membership as of October 15.

The "College Forum" will meet at the Methodist Church on Sunday morning at 9:30 in Epworth Hall. The subject is "The Nature of God."

The United Nations will be the theme of the regular Wesley Foundation meeting on Sunday evening at 5 p.m. The program committee feels that this will be an outstanding program.

She was only a film censor's daughter, but she knew when to cut it out.

**BAPTIST YOUTH**  
Officers were elected for the coming year at the last meeting. The Co-Presidents are Charles Starr and Jim Hemphill.

**SIGMA ALPHA EPSILON**  
Last Thursday night SAE turned out in full force to serenade Joan Pettygrove, Theta, in honor of her pinning to Tom Grafmiller. Then they proceeded up to Forney Hall where they dedicated another serenade to their 1952 Queen of Violets and the newly-crowned Homecoming Queen, Clara Armstrong.

Three men were welcomed into the bonds of Sigma Alpha Epsilon at a formal initiation and dinner Sunday. They are Leon Stone, Nathan Yost and Hugh Hamilton.

SAE has been adopted by a black, short-haired dog named Kemo or Mucky-muck or Hummel.

Everyone gathered on the front porch Tuesday evening to hear the singing of the Alpha Phi pledges. Thanks, girls.

Another serenade at the Theta house, this one for Eleanor Henry, who got pinned to Lynn Robertson late last spring, took place Tuesday night.

All of the pledges enjoyed the exchange Wednesday evening with the Gamma Phi.

Everyone has been busy this week getting dates for the next big function, a hayride to be held this Saturday.

House group membership reports will be mailed to the campus living groups on Monday. It has been announced by the Bursar. All lists are to be made up showing membership as of October 15. These lists are to be returned to the Office of the Bursar on or before October 20. Getting the reports in before the deadline is important as only students from those houses which have the lists in are eligible for scholarships next semester, according to the office.

# VANDALS FACE TOUGHEST OPPONENT -- ARIZONA

## Navy Vet

Paul Hatcher, Arizona's best lineman of the season last year, will start Saturday. Hatcher played three years in the U.S. Navy, is married and an ag major.

## TAKE FIVE

WITH JOHN B. HUGHES

Remember early in the season when Head Coach Skip Stahley, taking over with some 20 football players on hand, said—"this group of junior college transfers will help us a lot, but it won't show until later in the season around the mid-point of the season."

That prediction has just about turned true to the letter as for the first time these same JC's have been working their way into starting berths and are giving the Vandals needed depth in some places. Wilbur Gary, the scabback fullback, was the first to break into the lineup as he open the season against Oregon and proved the top back of the day for the Vandals. Gary's fine ball carrying has him ranked among the best in the Coast in offensive rushing.

Later on Marsh Jones, 210 from Ventura, Calif., broke in at the left tackle spot when Jerry Leigh was injured and until this week held that starting left tackle spot.

Five others have been counted on this past week and will play a big part in Idaho's outcome at Arizona. Add to the above Ron Leppke, center from Dinuba, Calif.; Ralph Kendley, hard running halfback from Santa Clara Bob Walker, guard and linebacker from Madin, Calif.; Cal Hilgenberg, halfback of Fullerton, Calif.; and Big Ed Hilder, end from Galt, California.

Five of the forementioned have a year's eligibility left and the other two, Kendley and Hilder, have two years remaining. Coach Stahley will also find Ken Bratley, Ron Braden, Gary Cozian, Warren Hawley, Bill Baxter, Dick Newby and John Sullivan, all sophomores except for Sullivan, ready by next season.

**Give To Olympics**  
We encourage each and every student to give—no matter it be a nickel, dime or dollar to the National Olympic Day collection which will be made in all living groups this noon. When the hat is passed—donate, please! The fund money will go toward sending the United States athletes to the to the 1956 Olympics.

Joe Glander, Idaho trainer and promoter for the Olympics here, said the collection is being made in advance of the event to insure the committee that enough money will be on hand for the U.S. All colleges over the nation are getting behind this drive.

## Semi-Finals Loom In ASUI Links Play

The ASUI golf tourney moved into the semi-finals with four golfers still competing for the Francis L. James memorial trophy.

In matches that must be completed by Sunday, Dick Sheppard will play Bob Campbell and roommates Tom Miller and Bob Adamson will meet in championship play.

In the President's Flight, which is composed of first round losers of the Championship Flight, Riggers plays Gibson and Solomon will meet Ashworth.

Beguhl meets Swanson and Helgeson plays Hiller in 2nd Flight Competition, and the lineup for the 3rd Flight is: Bent against May and Hanzel vs. Nixon.

The Idaho Vandals left this morning by plane from Spokane for their toughest game of the season, to be played tomorrow night at 8 p.m. at Tucson, Ariz.

According to Asst. Coach Gene Stauber, who scouted the Wildcats while they piled up a 40-18 win over Utah 2 weeks ago, Arizona will be Idaho's toughest foe to date and possibly all season.

The Vandals, 34-strong, left Moscow early this morning by bus and boarded chartered planes at Spokane.

All week Coach Skip Stahley worked his charges on basic offense stressing passing drills and line protection for the passer. A new defense was set up in hopes of stopping the speedy Arizona club.

In the injury department, Coach Stahley said halfback Ray Bittner's leg has not responded to treatment for a severe charley horse, and he will be out this weekend. Stahley said Capt. Burdette Hess, who worked out in pads all this week, will make the trip and will probably see action at the left guard spot. John Payne will start at that position.

Returned to the lineup for full duty now is halfback Ted Frostenson. Frostenson's shoulder separation, suffered before the season even started, has now healed enough to allow him to play.

**Lineup Changes**  
Stahley has made some changes in his lineup, starting two new tackles, a new guard and two new halfbacks.

Bill Lawr has been shifted to the left halfback slot and will start there. Ralph Kendley, of Santa Clara, Calif., has been shifted from left to right and will get the nod at that position.

In the line Jerry Leigh and Mike Hepler will start at left and right tackle respectively. Payne will start at the left guard position.

Other starters will include Wilbur Gary, fullback; George Eidam at quarterback; Paul Giles and Frank Teverbaugh at ends; Eivind Resa, right guard and either Ed Barton or Ron Leppke at center. Both Barton and Leppke played about the same in the COP game, Leppke starting.

Leppke had been changed from tackle to center about three weeks prior to the last game.

**To See Action**  
Stahley indicated that other Vandals will see plenty of action against the Arizona speed demons. Included are end Pete Gerpheid and Ed Hilder, tackle Dick Foster, guard Burdette Hess, halfbacks Cal Hilgenberg and Frostenson and fullback Bill Baxter.

Gary Cozian, reserve quarterback, will likely be called upon to relieve ace signal caller Eidam at the club running position. Cozian has been looking sharper in practice this week, according to back coach Jay Pattee.

The travelling squad includes other Vandals:

## NOTICE

All Helldiver members, old and new, meet at 7:30 at the Gym pool Monday for an important meet.

The couple signed the hotel register and asked the clerk for the best accommodations. He recommended the bridal suite.

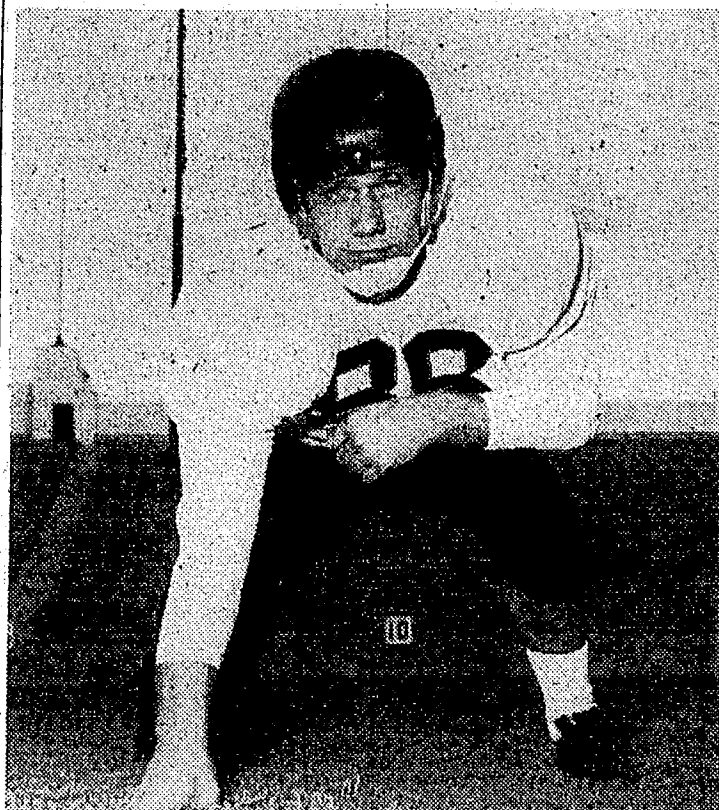

"Why the bridal suite?" said the young man. "My wife and I have been married for five years."

"Look," said the clerk, "if I let have the main ballroom that doesn't mean you have to dance."

## '56 Olympic Collection Set Today

This noon at the University of Idaho, students will pass the hat to raise money for the 1956 Olympics.

According to the Olympic coordinating chairman at the University, Joe Glander, each living group will pass the hat at the noon meal today to raise money for the National Olympic Fund, a fund made necessary to send the United States Athletes to the Olympics in Melbourne, Australia in 1956.

Glander explained the Olympic committee is asking for the money early, this time, to insure the U.S. of having the needed backing to send an adequate team.

**NCAA Endorsed**  
The National Collegiate Athletic Association highly endorses the fund, Glander said, and asked all schools across the country to join in the campaign.

Glander, the Idaho trainer, said yesterday football players who had their ankles wrapped had to donate to the fund. Glander received 100 percent response... all players must have ankles wrapped.

Tomorrow, October 16, has been acclaimed nationally as Olympic Day. The drive here at Idaho and across the country will be made within the national period. It will be one, big drive, Glander said.

**GLEN CHRISTIAN HURT**  
CALGARY, Alta.—Glen Christian, former University of Idaho football back under Dixie Howell, will be lost to the Calgary Stampede of the Western Inter-Provincial Football Union for the remainder of the season. Christian suffered a shoulder separation.

## Shaw Flashes; Teverbaugh Third In Pass Receiving

LOS ANGELES, Calif.—Oregon Quarterback George Shaw has taken a commanding lead in the Pacific Coast Conference's total offense leadership with 661 yards and four touchdowns after four weekends of play.

Shaw is the No. 1 passer while Duke Washington, Washington State fullback, has the big edge rushing. Shaw has completed 41 of 83 passes for 580 yards and three touchdowns. Washington has smashed for 367 yards in his first four outings and has averaged 6.8 yards per carry to top the running department.

Idaho's Frank Teverbaugh ranks high among coast pass receivers. He has completed 13 passes to rank third behind Oregon's Dick James and California's Jim Hanifan.

The Vandal's Wilbur Gary, speedy fullback, ranks fifth in the PCC rushing figures and ranks among the top fifteen in total offense. Gary has a net 187 yards to his credit in 35 carries for a 5.3 yard per carry average.

George Eidam has slipped to fourth in passing this past week. He has thrown 72 passes and completed 29 for an average of .367 and 237 yards total.

Eidam is also in the top fifteen players in total offense.

Gene Hamblin is the producer of a weekly "athletic highlights" radio program released to Idaho radio stations by the University Ath-

## Rider's Club Stages Show

The Vandal Riders are riding again!

This time it will be at the Rodeo Grounds here in Moscow on October 30 and 31.

According to Rider President Mick McCarty, 60 teams in the United States have been notified of the rodeo. Points earned at this show will count toward national standings.

McCarty said he expects teams to arrive from WSC, Montana, Colorado A & M, EWCE, Cal Poly, Oregon State College, BYU, and possibly Pierce Agriculture College from Los Angeles, Calif.

This rodeo will be backed by the Idaho Rodeo Club and WSC's Cougar Rodeo Club.

In last year's competition, Idaho placed third nationally and produced the nation's all-around cowboy—Howard Harris. Harris will be lost to the Vandal Riders this year through graduation. Cal Poly was the nation's leading team last season.

Tickets, McCarty said, will be one dollar per person and the money will go in the Vandal Rider fund for more and better shows.

## Helldivers Tap Fourteen Members

Fourteen new members were taken into Helldivers Monday. Officers were also elected as the swimming group made plans for the coming year.

The new divers are, girls, Martha Davis; DG; Carrie Chartrand, Pi Phi; Pat Berry, Alpha Phi; Diane Burch and Marian Driscoll both of Hays Hall.

Boys making the grade were Fred Eriksen, Pine Hall; Bud Van Stone, off campus; Dan Belton, ATO; Ralph Provereral, Willis Sweet; Tom Croson, Phi Delt; Phil Parr, 430 A St.; Dick Galloway, Delta Tau; Jim Crisman, Phi Delt, and Frank Nosek, Sigma Nu.

The new officers are Fritz Holtz, vice president; Shirley Henry, secretary; Jan Jolly, treasurer; and Bruce Buckman, publicity chairman.

Beggar: Have you got enough money for a cup of coffee?  
Man on street: Oh, I'll manage somehow, thank you.

## Intramurals Grid Playoffs Set Next Week

**Tuesday Scores**  
Delta Chi 6 ATO 0  
PKT 12 Sigma Chi 6  
TKE 26 PDT 0  
Sigma Nu 13 Kappa Sigma 0  
Willis Sweet 6 Campus Club 0

**Wednesday Scores**  
Kappa Sigma 20 Delta Chi 12  
PDT won by forfeit  
Willis Sweet 1 won by forfeit

By DON N. SMITH

Regular play in both the fraternity and independent divisions of the intramural touch football leagues ended Wednesday. Play-offs in both divisions will get underway next week.

In Tuesday's action the powerful Sigma Nu squad clinched the League II title by defeating Kappa Sigma 13 to 0. The loss was the first of the season for the Kappa Sig, who had previously won five straight games. Sigma Nu finished the league with a record of six wins against no defeats.

Sig Nu will now meet the Beta team for the Fraternity Division Championship. BTP ended on top of League I with a season's record of five wins and one loss. Their only loss was at the hands of the PDT team.

BTP have not rolled up impressive scores in all their games this season but have played good steady ball and plan on giving the Sig Nu team a real battle. Outstanding backs on the BTP team this year have been Ron Siple, Gene Baldeck, Phil McRoberts and Aubrey Stephens. BTP have employed a diversified attack this season with good passing and rushing.

The scoring has been fairly well divided among the members of the backfield. BTP also possesses a heavy line with several players weighing well over 200 pounds.

**Willis Meets CH I**  
In the Independent Division play-offs Willis Sweet Hall will meet Chrisman Hall 1. Both teams went through regular play undefeated and this playoff game promises to be a real battle.

The experienced Willis Sweet team will enter this game with an extremely powerful scoring machine which has racked up a total in the four league games they have

of 124 points to their opponents 6, played. The Willis Sweet offense is based around quarterback Jerry Dougherty who starred on last year's championship Navy team. The majority of Dougherty's passes are directed at Sweet's two big ends Gene Loidahl and Jim Harding.

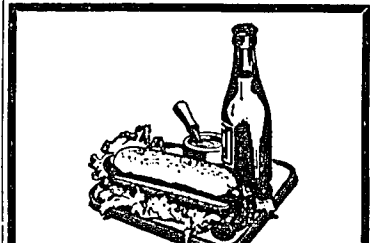

Willis Sweet will run the majority of their plays from a T formation and will use a varying defensive game. Other standout-Sweet backfield are speedy halfbacks Dick Dinney and Tom Vopat and fullback Dwight Crogan.

Willis Sweet scoring has been fairly well divided among the pass receivers. Their team is also very capable of running with the ball if they come up against a team with a strong pass defense.

**Chrisman Passes**  
Chrisman Hall I play the same style of ball as Willis Sweet with a strong passing attack centered around tailback Sonny Long. Long's passes are usually fired to ends Hans Gotsch and Barry Rust, the latter being one of the teams leading scorers along with halfback Walt Root.

Other Chrisman Hall stars are Carl Gotsch, Roger Tovery both backfield men and center Jim
