Wins ATO Competition

Arlene Wood, Alpha Phi, was crowned ATO Esquire Girl, November 6, by Jim Barron at the annual Esquire Dance. Jim presented Arlene with a trophy of her own and a traveling trophy was presented to her by last year's Esquire Girl, Pat Gustafson. The other five finalists were also presented with a small cup.

Arlene is a junior this year majoring in education. She stands 5 foot 5 inches with 35-24-35 measurements and claims Moscow as her home town. She was chosen from a field of five other finalists. The five other finalists were Shirley Byrne, Barbara Simons, Barbara Warner, Irene West and Barbara Joseph.

Arlene and Pat Gustafson were guests of the ATO's last Sunday, November 7.

Pictures will be sent back to the national Esquire Girl contest, which will be held later this winter.

Monday Is Last Day For Contest

Less than one week remains for campus literary-ites to enter the Argonaut Short Story contest which ends at 5 p.m. next Monday.

The entries of the past week are now making the rounds of the three faculty and three student judges, who will rank the stories as they receive them. Judges will not see the names of the owners of manuscripts.

Manuscripts, to be eligible for entry, must be under 1200 words in length, and must be unpublished, original fiction. Any regularly enrolled student may enter the contest to compete for the prize of having his work published in the Argonaut. Also, if the winning author wishes, an attempt will be made to publish the manuscript elsewhere.

There is no limit to the number of stories which may be entered by one student.

Entries must be typewritten, double spaced, and typed on one side of typing paper only. They may be turned in at the ASUI or Argonaut offices. Neither the ASUI nor the Argonaut will be responsible for lost manuscripts. Manuscripts will be returned to their owners at the end of the contest.

Elections for this year were originally set for November 3 but with mutual consent of both Independent and United Parties the date was extended to November 8. Working on the election board this year were Barbara Andersen, Jim Kruger, Jim Kocher, Shirley Byrne, Marie Brammer, Keith MacPhee, Larry Ellis, John Nelson, Allan Reeb, Jim Hargis, Ruth Johannesen, Nancy Short, Paul Schultz, David Alfredson and Audrey Montgomery.

All members of the election board passed a competitive exam before being admitted to the board.

Candidates for class officers this year were: Independent: (freshmen) Joe Subia, president; Bill Skinner, vice president; Gertrude Carder, secretary and Dan Dickerson, treasurer. (Sophomore) Dick Rhodes, president; Gary McEwen, vice president; Dennis Thompson, secretary and Janis Archibald, treasurer. (Junior) Dick Denny, president; Dick Gaskins, vice president; Carol Rojan, secretary and Janice Avery, treasurer. (Senior) Jim Christensen, president; Fred Williams, vice president; Donna Ogden, secretary and Karen Hinckley, treasurer.

United: (freshmen) Allyn Dingel, president; Knute Westergun, vice president; Marilyn Stewart, secretary and Nancy Ketchen, treasurer. (Sophomore) Dick Weeks, president; Jim Seely, vice president; Dixie Kroush, secretary and Judy Crookham, treasurer. (Junior) John Gillis, president; George Yost, vice president; Janet Campbell, secretary and Cherry Wood, treasurer. (Senior) Dave Powell, president; Ernie Bedke, vice president; Vonda Jackson, secretary and Nancy Leek, treasurer.

Geology Students Go On Field Trip

Prof. Kenneth E. Grimm and Dr. Caldwell of the geology department took the geology sedimentation class on a field trip through Riggins, Idaho, to the Seven Devils mountain area, and back to Whitbird Hill, on Monday, November 8.

The purpose of the trip was to give the students practice in describing and measuring the rock layers in that geological area.

The group also planned to investigate rumors concerning the possibility of fossils being found on Whitbird. Those students making the trip include: James Barron, Dwight Chandler, Teddy Ciesielski, William Collins, Glen Greenley, Bob McKeever, Donald Muir, Frank Pagaoga, William Richards, Clarence Shippey, Ronald Voss and Alice Vrbsky.

The GOLDEN FLEECE by Gagon

The yellow sheet men are at it again. Yesterday's yellow sign number three appeared throughout the campus. We notice that this new sheet gives a honk for the now-gone Third Party.

This should provide a clue as to the author's identity, although it's a little too obvious to believe.

The first two sheets, fallacious as they were, did involve interesting points. But this last one was probably put out in ten minutes.

It said that the elections had been postponed and warned students not to be taken in by "ra-ra orations and false platforms."

Somebody wanted publicity and dissention. They got the publicity but the United and Independent parties took the fallacious information in stride.

The author has shown himself to be a frustrated ex-campus politician who craves the lime light. He must be nearing that age status because the Third Party disappeared from the active political scene two years ago.

In case you want to go shopping for this author we suggest the third floor, south end of the Ad building. He probably has his nose back where it belongs—in some Idaho Code.

A Fleece back-pat to the new class officers. And a thanks to KUOI's Chuck White for helping us get the last minute election dope. After all the campaign posters and dinner speeches maybe these new class officers can do something besides pose for a Gem picture.

Frosh Coed Injured In Auto Wreck

Lavirta Isner, a freshman coed from Wallace is resting comfortably in Gritman hospital, where she is being treated for a broken back and two broken ribs she received in an automobile accident north of Moscow Saturday night. James Boyer, also of Wallace, was killed in the accident.

The Gamma Phi pledge was returning from a visit at her home in Wallace when the automobile she and her three friends from Wallace were riding in was forced off the road by an automobile passing another.

Jack Glass, Wallace motorist driving behind their automobile stopped and brought Lavirta to the hospital and notified officials of the wreck.

According to Dr. Clyde Culp, her physician, Lavirta will be in the hospital about 10 days. Dr. Culp is going to put a cast on her back today and she can probably be moved to the Infirmary in about five days.

Hubert Hawley and Marvin Wager, both of Wallace were also riding in the automobile, but were not injured.

Council Hears AWS Proposals

The Academic Council approved one, partially approved another and disapproved three proposals in considering the report to director of student affairs, Charles O. Decker, from Karen Hinckley, president of the AWS. The proposal which concerned changes in closing hours for women's living groups were presented at the Council's regular meeting November 3.

The proposal for 11 p. m. permission on Sunday night for campus women was approved. The Council, while considering the study break for freshmen women did not approve the plan but referred it back to AWS for further study.

To Work Out Details
Because of the differences of opinions between various women's living groups as to what time and the length of time this break should entail, the Council referred the idea back to AWS to reconsider

First Recital Scheduled

The first recital in the series by faculty members for 1954-55 has been announced by the department of music. Prof. Norman R. Logan, baritone, will present his recital on Wednesday, November 17 at 8 p.m. in the Recital Hall of the Music Building.

Logan, assistant professor of music, has been on the Idaho music staff since 1947. Following the granting of his master's degree at Idaho he subsequently did further graduate study at the University of Southern California, working in voice and choral activities with Dr. George Hultgren and Dr. Charles Herts. While at the Los Angeles school he was chosen as a member of a recording choral group which made a number of recordings.

Well-known as conductor of the University Singers, Idaho's large mixed chorus, Logan also appeared last year in one of the leading roles in the Opera Workshop production of "The Marriage of Figaro," by Mozart.

Assisting artist for Logan will be Hall M. Macklin, accompanist and head of Idaho's department of music. The recital is open to the public without admission charge.

and work out the details of the program.

The Academic Council disapproved a proposal of 11 p. m. permission for junior and senior women on Monday through Thursday nights, because it felt that many difficulties would arise in the administration of two sets of closing hours. They also concluded that normal weekday events and activities are concluded in time for girls to be back to dormitories and houses by 10:30 p.m.

No Floating Hours
The Council ruled against a proposal that there be two "floating hours" each semester. They felt that the Dean of Women was liberal in making exceptions to closing hours for certain individuals or groups for certain specific events.

They stated that there has been an automatic extension of time on the nights that campus activities have been scheduled and that individual arrangements can be made upon request. The Council recommended that this flexible practice be continued where the requests are reasonable.

2 O'Clock Permission
AWS's final proposal that there be two 2 a.m. permissions per semester for each girl student also failed to get the Council's approval. They felt that the 1 a.m. rule now in effect for Friday and Saturday nights gives sufficient and reasonable time for students to get home from the vast majority of events.

The Academic Council reaffirmed the practice that 2 a.m. permission be granted by the office of Dean of Women for specific events, but only when such scheduled events run until 1 a.m.

Roy Merrill Is Chosen As Top ME

Voigt Will Speak In Lecture Series

Milton A. Voigt will give a public lecture on Thursday evening at 8 in the Home Economics building room 6. The topic will be "The Literary Rediscovery of Conservatism." Voigt will analyze the literary reflection of a conservative school of thought which began in Europe in the 1930's and which has since attracted followers in this country. The discussion will include such writers as Elliot, Yates, Orwell and Koestler.

Voigt's talk is the second in a series which presents various professors speaking on a subject of which they are specialists. It is sponsored by the American Association of University Professors. It is intended for students and others who are interested. Begun last spring, the series attracted such attendance that it is being continued this fall. The final speech will be given November 18 by George E. Witter on "Recent Developments in Astronomy."

New Parking Lot Nears Completion

According to George Gagon, University engineer, the addition to the parking lot across from the SUB will be completed during the next week.

The new addition will handle the overflow of the old lot and will increase the capacity from 44 to 65 cars. The addition will not be paved; its surface will be of pressed rock. It is hoped that this will ease the parking problem in the area of the SUB.

Work is also being done on the roof of the Administration Building. This should be completed in the near future, Gagon said.

On The Workshop's Opera

It was a pleasure to attend the dress rehearsal of the Opera Workshop last Thursday night in Recital Hall. The performances went smoothly despite a few forgotten lines and missed cues.

The highlight of the production was the presentation of Mozart's witty and tuneful "The Impresario." Margaret Fox and Marigay Nelson sang very well, negotiating their florid, intricate vocal parts with accuracy of pitch and beauty of phrasing. Their singing was remarkable, and we hope that the music department will utilize their voices in other performances this year. John Thornock, who played the delightful role of an eighteenth century "sugar daddy," contributed some humorous lines of dialogue and some creditable singing in the ensembles.

H. Pendergast

"Sunday Excursion" by Alec Wilder was less impressive. The libretto was unspeakably dull, and such prosaic lines as "I think that's the girl in my botany class who thinks she's so smart" were a trial to even tolerant ears.

Even without its proximity to Mozart, the music of "Sunday Excursion" would have been boring. Some years ago Mr. Wilder's orchestral works attracted the interest of Frank Sinatra. "Sunday Excursion" is also the sort of serious music that would attract a Frank Sinatra. It is simple, catchy and faintly familiar.

The cast of "Sunday Excursion" sang competently, but on-

ly Karen Hurdstrom's voice was comparable to those in "The Impresario." The work was well directed, and the idea of having the Candy Man pass through the audience while singing was an effective stage touch.

The advisability of using both an organ and a piano for the performance was questionable. At times, in its upper and middle register, the organ enriched the sound of the music like the illusion of an accompanying orchestra, at other times in its lower register, the organ only muddled the sound like the bass hum on a loudspeaker. This disconcerting effect was particularly noticeable in "The Impresario" where the organ rumbled through the delicate patterns of the music sounding like a bumble bee in full flight. On the whole a duo-piano accompaniment would have been more effective for both operas.

The entire production was a credit to the music department and was thoroughly enjoyed by those who attended the performance last weekend. Quite a few people in the audiences, however, would be happier with more IMPRESARIOS and fewer SUNDAY EXCURSIONS in the future.

DEAR JASON

Dear Jason,

It seems that either there are some incompetencies on the Argonaut staff or there is a total disregard for freedom of the press.

In the last two issues of the Argonaut, news of the Idaho Club did not reach print. This news was submitted in the proper manner well under the deadline. On the latest occasion, news of a cancellation by the Alpha Phi house of an exchange, considered rather important by the men of the club, was omitted from the paper.

In closing I would like to say that I have nothing against the Argonaut or its staff. I would, however, like to be informed of the reason for excluding the Idaho Club news.

Yours truly, Bill Higgins Idaho Club Reporter

Dear Willy,

We retain the right to edit all social news. If we did not do this the paper would be overflowing with the stuff. Any news which is repeated elsewhere in the paper or is not of general interest is deleted.

It is a general policy that each living group only submit one column per week to allow room for the remaining living groups. We respect "press freedom" but don't see any connection with it and the Idaho Club.

COLLEGE SMOKERS PREFER Luckies—and by a wide margin—according to the largest and latest coast-to-coast college survey. Once again, the No. 1 reason: Luckies taste better. They taste better because Lucky Strike means fine tobacco. Then, that tobacco is toasted to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better. The pleasure you'll get from Luckies' better taste is vividly depicted in the Droodle above, titled: Modern artist enjoying Lucky while glancing in mirror. See the ecstatic smile? Sunday night, the DG's welcomed back their girl athletes, Sandra Stingfield and Julie Whitney, who spent a fabulous week end in Corvallis at a hockey tournament.

Dinner guests recently were Ina Marie Decker, Dianne Burch, Harriet Duckworth, Rhoda McGraw and Miss Marjorie Brooks. Others were Kearlee Wright, Elfriede Garvens and Ann Foley.

CAMPUS CLUB
The main topic of discussion has been the hall dance, scheduled for November 20. With the preparations under way, Hap Ferree's Blind Date Bureau is gaining momentum by the day. For any of you girls that like gay parties, we suggest you contact Hap (Ph. 299510).

Guests for the past week were Duane Greer, Phi Delt; Gordon Ralph Preble, Chrisman Hall; McKay, Salt Lake City; Ronald Eggart, Kellogg, and Marvin Selte, Coeur d'Alene.

Congratulations to Gary Yeomans, who was appointed as food buyer for the coming year. Stay with us Gary, we hear our last food buyer, Jim Henderson, is now driving a Cadillac.

DELTA DELTA DELTA
Owners of some trophies we have are cordially invited to come and sing for them. Tuesday was a "hey-day" for the pledges when they recovered part of their valuables lost during their sneak. They hope the boys enjoyed the serenades as much as the pledges enjoyed singing for them.

A dinner exchange was held Wednesday night with the Lambda Chi's in appreciation of their help in building the float. A trophy presentation highlighted the evening followed by dancing and a game of "rabbit."

We are sorry to lose one of our girls, Margaret Sullivan, who left the infirmary yesterday to go home. We hope she will be back with us soon.

Freshmen women were guests of the pledge class at an annual tea held Sunday afternoon. Other guests included the housemothers and Dean Louise Carter.

We wish to thank the Idaho Club for the serenade Thursday night. Sunday dinner guests were Larence and Beverly Newberry and Ruth Sersain.

Air Society To Initiate 34 Cadets

Formal initiation of 34 outstanding junior and senior AFROTC cadets into Arnold Air Society will be held in conference room A and B tonight at 7 p.m., followed by a dinner in the north ballroom, announced Joe Corless, information service officer for the Idaho AF-ROTC.

Initiation invitations have been sent to several University administrators, Corless said, and he expects the ceremony to be an impressive one.

Formal dress for those attending the initiation will be uniforms with white shirts and black bow ties.

In charge of the initiation will be Ed Claiborn, commander of the Eugene H. Beebe squadron, and David Powell, Ernie Bedke and Rod Hoioos.

Rested Vandals Work For Dad's Day Clash

TAKE FIVE

WITH JOHN B. HUGHES

The Idaho frosh threw away several scoring opportunities Saturday and thus a chance to make it two in a row over WSC this fall on the gridiron.

Idaho could produce but six points, coming from a new scoring threat; two field goals booted by tackle Jerry Kramer.

Otherwise, the Vandal Babes, who in this corner's eyes, completely dominated action on the ground, were hurt by a pair of fine passes tossed by WSC quarterback Dwight Hawkes.

If Idaho could have jumped on a couple of WSC mistakes and added a touchdown or two to Kramer's lofty boots, it might have been a different story. The Babes had a TD called back by penalty as the gun sounded the end of the half which would have put them abreast of the Couababes.

But as the varsity goes, so goes the Babes—slow starters. Remember, the Stahley system is not an easy one to pound into a good football team in a matter of a few weeks. But when it gets going watch out—as proven two straight weeks against WSC and Utah.

Finally an answer came to us the other day in answer of our query to determine whether end Paul Giles might have set a new record someplace by blocking three extra point conversion tries against San Jose State and the Vandals blocking of four tries.

The Pacific Coast Conference Intercollegiate Athletic Conference, Bernie Hammerbeck, bureau director, doesn't have any records on this achievement. Hammerbeck says he doesn't know if anyone else does or not.

Statistician Replies

Hammerbeck acknowledged a letter inquiring about a possible record breaking performance: "Your end Paul Giles is indeed a fine player and the Vandals have achieved a very unusual feat when they blocked four conversion tries by San Jose State, but I am afraid they must go unrewarded so far as any comparison with similar fetes in the past in the conference."

Something to shout about here in the northwest anyway. They keep everything from extra point tries to blocked kicks to times ball carried per game, but apparently nothing on conversion tries blocked.

BEAT BITS—John L. Sullivan is the last one through the chow line each night after football training table. Larry Gorrell, an injured Vandal this season, made the longest return of a pass interception in 1953, 38 yards, against Utah State.

The most games Idaho has ever won in football is six, won under Ted Banks in 1938. . . . The Vandals will stay at the Owyhee Hotel in Boise next weekend. . . . Idaho will open at Washington in 1955 football. . . . The Green and White of the University of North Dakota will run this weekend from an orthodox T formation. . . . Strong showings in both intramural football and cross country have earned Beta Theta Pi top rung point-wise in intramurals through last week. . . . Frank Young is being considered by some corners as the next Idaho ski coach. Team members would like to see Torre Kristoferson, unable to compete this year due to injury, as an assistant coach. . . . A student athletic recruitment program is in the offing, according to a member of the student executive board.

Frosh Standouts

Bill Skinner, (centering ball) and Jim Green have shown well this season for the Vandal Babe frosh football team. Skinner is a center and key linebacker for the Idaho defense and Green shares the quarterbacking chores with Gary Kenworthy.

PULLMAN—The WSC Couababes struck twice through the air Saturday to down a better Idaho team 14-6 at Rogers Field in a revenge win against the cross-state rival.

Idaho outmatched the WSC club in every statistical department but failed to take advantage of several scoring opportunities. The victory re-venge a varsity defeat suffered by the Cougars at the hands of Idaho 10-0 in the two team's annual battle.

The Vandals had the ball in their possession most of the afternoon but just couldn't muster a scoring drive as the Couababes passed twice for two touchdowns and the victory.

The Cougars scored early in the first quarter as the ball changed hands just three times before Quarterback Dwight Hawkes aerialled 47 yards to end Norman Yeach for a touchdown. The Vandals had kicked off and then held the Couababes to a minus two yards in four plays. The Idahoans took over and then fumbled to give the Couababes the ball on the Idaho twenty. Once again the Vandal line went to work and hurled the Cougars back eight yards in four plays.

Taking over again the Vandals went nowhere and Gary Kenworthy punted to the WSC 34 yard line. Bill Steiger carried to the fifty and then Bob Newman went for three more to the 47 to set the stage for Hawkes touchdown pass as Yeach got behind the Vandal defense and took the ball on the seven and stepped into the end zone for six points. Ray Alvarado booted the extra point and the Couababes went ahead seven to nothing.

Movies of the Idaho-Utah football game will be shown tomorrow noon in the Borah theater of the Student Union, Terrell Davis, executive board member, announced yesterday.

Coach Skip Stahley and one of his assistant coaches will narrate the thrilling 14-13 Vandal win.

Stahley said it was the practice in other schools at which he has coached to show movies of the school's games to the faculty and students and hopes the similar plan will be successful here.

The athletic department said that the noon time showing will be the only time available for the coaching staff who are working under an extremely tight schedule.

Davis said the plan is being undertaken by the SUB committee and invites all students to attend the movie showing.

"If this first showing is a success the movies will be continued," Davis said, "and those who attend the movies will have time to have lunch in the SUB cafeteria before one o'clock classes."

The Idaho Vandals got back in harness yesterday with a rugged two hour practice session in preparation for the Dad's Day clash here Saturday at 1:30 with North Dakota University.

Coach Skip Stahley found his team in the favorite's role for the first time this season but appears worried over Idaho's idleness the past two weeks from the gridiron.

The 35 man Vandal squad worked yesterday on the offense and defense which Stahley has designed for use against the Nudaks. Assistants Gene Stauber and Earl Klapstein scouted the North Dakota eleven in a 21-13 loss to highly favored Montana State.

Both scouts reported the Sioux showed plenty of aggressiveness and were tough all the way. Idaho had the weekend to themselves after accomplishing two of the biggest 1954 football surprises in the West, beating WSC 10-0 and Utah 14-13.

Stahley's big problem now is to get his club back in the groove after two week's without a game.

Vandals Not Idle

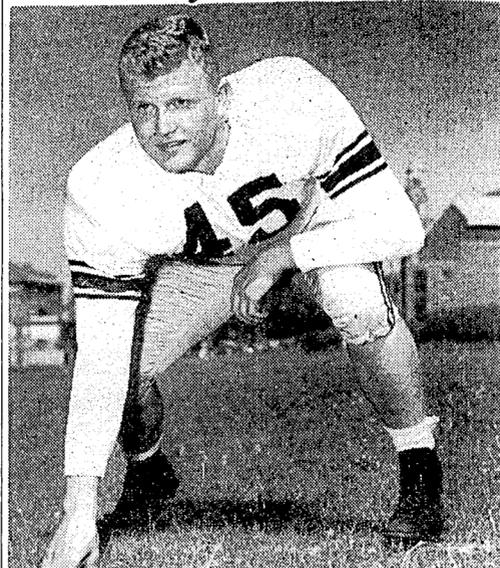

Because Idaho has not had games these last two weekends does not mean they have been idle. After dropping five straight games the Vandals bounced back Oct. 23 to blank an old rival, Washington State, 10-0 and a week later the Vandals moved into Salt Lake to nose out a favored University of Utah team, 14 to 13. For these startling developments Head Coach Stahley gave them a day of rest and then a hard scrimmage session last Tuesday.

All this week the Idaho squad will set up defenses for North Dakota, which until this Saturday had lost two games while winning five, just the reverse of the Vandals. Also Coach Stahley and his staff have been busy preparing new offensive tactics for the North Dakota game as well as the finale of the season, November 20 in Boise with Brigham Young University.

Playing North Dakota, Idaho will face a squad that boasts two or three outstanding backfield stars as well as a forward wall on a par as far as weight is concerned with the Vandals.

It will be a Dad's Day contest and will be preceded Friday afternoon by the freshman game between Idaho and Montana in Neale stadium. Officials here are preparing to care for a near-capacity crowd as many north Idaho fans did not see the WSC game and would like to take the final home opportunity to see the squad in action.

Ready For Action

Eivind Resa, Idaho Vandal right guard, will be ready for action this Saturday when the Vandals go for win number three of the season against the North Dakota University Sioux. Resa has been out of uniform for a month recovering from a concussion.

Boise Alumni Plan Vandal Welcome Prior To BYU Tilt

BOISE—Big doings are on tap November 19 in Boise when the Idaho Vandals arrive for their final game of the season the following day with Brigham Young.

Vandal Boosters and Idaho Alumni Association members have tentatively planned for a parade and pep rally on the State house steps in Boise. The Vandal team will arrive by plane in two flights and be taken direct to Bronco Stadium for a light workout Friday.

A parade through the downtown district will start from the stadium about 4:45 p.m. terminating in front of the Statehouse for the rally. Many Idaho students are expected to travel to Boise for the season's climax.

Boise Junior College and Boise High School bands will take part in the parade. Following the game Saturday an open house and dance will be held.

from Sandpoint split the uprights for three more points to put the Vandals within one point of the Cougars.

The ball game was played on an even keel until late in the third period when Hawkes took the ball from the center on the Vandal twenty-one and pitched to end Ray Talpale in the end zone for the TD to sew up the game.

Defending Champs Sweep Mural Swimming Honors

Campus Club won the intramural swimming trophy for the second year in a row last night even though the diving event wasn't completed.

The Campus Club swimmers held 80 points at the semi-final point and went on to win on the performance of Dennis Jensen and the 200-yard relay team. Jensen placed second in the 50-yard free style and fourth in the 100-yard free style. The relay team placed second to Beta Theta Pi.

Movies—of the Idaho-Utah football game will be shown tomorrow noon at Borah Theater in the SUB.

Idaho Scores

Late in the second period the Vandals penetrated all the way to the WSC six before penalties cost them ten yards pushing the ball back to the sixteen. The Vandals then gained one yard in two plays to bring up a fourth down situation. Standing on the 23 yard line Jerry Kramer booted the first of his two field goals to put the Vandals in the scoring column.

Just a few moments later the Babes took a Cougar punt on their own 40 and returned it to the 46. Then on third down Quarterback Jim Green passed 46 yards to Larry Norby for a touchdown which was called back as Idaho was penalized for backfield in motion as the half ended.

In the third period the Vandals took the kickoff and then lost the ball only to regain it. The Babes took control on their own twenty-eight. Kenworthy tried a pass that fell incomplete and then handed off to Norby on second down and the big halfback raced fifty-one yards to the WSC 22 before he was dragged down from behind.

Norby then went off tackle to the 17 and then the Couababes drove the Babes back to the twenty to set the stage for Kramer's second boot. The ball was set down on the twenty-eight and the big 220 pounder
