

A Glimpse At The Highlights Of Dad's Day

A new Idaho pep stunt where students make a tunnel for the oncoming team worked effectively Saturday after some cheerleader prompting.

Taking over the reigns of his new car is Coach Skip Stahley. Making the presentation is John Richards, Coeur d'Alene representative of the Athletic Round Table. Others are assistants (l. to r.) Earl Klapstein, and Jay Pattee. The coaching assistants received new suits from the Athletic Round Table.

"Pops" Are Entertained During Busy Weekend

Coach Skip Stahley, assistant football coaches, the Vandals' football team, Pi Phi sorority and Fiji fraternity, were all winners during the weekend Dad's Day final football game activities at the University of Idaho.

Stahley won a four-door 1954 car at game halftime from the Athletic Round Table of Coeur d'Alene for doing a good first season job with the Idaho football team.

Suits Too
The assistant coaches won suits of clothing likewise from the Boosters.

The Vandal team stacked up 45 points against their North Dakota rivals to win a ball game.

Cosmo Club Subject Is Arab World

Discussions on the Arab world will be featured at the next two Cosmopolitan Club meetings. The first meeting will be held Friday, November 19 at 8 p.m. in Conference Rooms A and B in the SUB. The second will also be in the SUB on Sunday, November 21, at 3 p.m.

Shuhadi Farah and Maurice Nasser will lead the discussions at the Friday meeting. Farah, a junior from Syria majoring in civil engineering, will talk on "Political Problems of the Arab Countries." Nasser, a junior from Jordan majoring in chemical engineering, will talk on "The Palestine Problem."

Following the talks a movie on Nationalism in French Morocco will be shown. Sunday's meeting will feature a talk on "The Social Life of the Arab People," by Abdul Kamal. Kamal is a graduate student in horticulture from Jordan.

A movie, "Women's World in Egypt," and slides on the Arab countries will be shown, and Arabic music will be played. Following the meeting, International House will be open. On display at the home will be some Arabic costumes and pictures from the Holy Land.

Everyone is cordially invited to attend both the meetings and the displays at International House.

Pi Phi sorority and Fiji fraternity won first places in the Dad's Day doormat decorations. Second place winners were Kappa sorority and SAE fraternity.

These were judged Saturday morning by Jack McGough, an architect from Spokane; Leo D. Potter, an art teacher from Moscow High School; and Mrs. C. W. Reid, an artist from Lewiston.

More Winners
Other winners during weekend activities were Henry Robertson, Chrisman Hall, judged to have the healthiest beard in the beard growing contest; Sulakhan Sing Dillon, Pine Hall, the longest beard; "Punt" Johnson, Delta Chi, most novel beard.

Howe Wagner, Lindley Hall and Larry Looney, Kappa Sig, won honorable mentions in the beard contest, and Bob Merritt, Idaho Club, were judged to have the neatest beards.

Delta Chi, with 90.9 per cent, had the highest percentage of beards, while Sigma Nu ran a close second with 89.9 per cent.

Most Beards
Delta Chi fraternity had the highest percentage of dads visiting the Idaho campus—there were over 600 visiting all the living

group sons and daughters — and Art Schmauder, TKE, had the pop who made the longest hop — from New Jersey. The senior Schmauder was presented with a sheepskin and an "I" cap at game halftime.

Best Posters
Kappa, SAE and Pi Phi were judged to have the best posters at the Rally Friday night by judges Thomas Hopkins, of the speech department; Allen Perry, of the audi-visual center; and Elizabeth Betts, of the women's PE department.

Over 200 days were not left out of this winning game over the weekend. This number of pops was admitted free to the Pop's Hop semi-formal dance at the SUB Saturday night.

Behind the Wheel
Dad's Day co-chairmen Marcia Thornton and Jack Wilson, won a pot on the back from ASUI Prexy Flip Klefner when he said that in his belief the weekend was a wonderful success.

Winners of a little dance time were 288 tickety-buycing couples at the Pop's Hop.

Even Duke, the Phi Tau dog, won a little publicity when he took over the Friday night rally entertainment, much to the consternation of Dale Carlisle, who termed the dog an "evident North Dakota subversive."

Faculty-Panel Discussed Activities Of Students

Students should be limited to the amount of extra-curricular activities in which they can participate and a minimum grade point should be set for students participating in outside activities.

This was the opinion of Dr. Harry Caldwell who spoke to about 70 students gathered in The Methodist Church Sunday evening to hear "The gripes I have about students," a panel discussion by Dr. Caldwell, Professor Maurice Unger, Professor Don A. Marshall and Professor Henry Silha.

Silha, Professor of Mechanical Engineering was the first speaker on the panel and introduced the subject. He stated that the student pays an average of two dollars for every class he attends, therefore the student should be more conscientious about missing classes.

Discourtesy, lack of questions and cheating were the gripes Professor Unger expressed. Lack of a desire to know are the main faults of students according to Unger. He felt that students "just sit in class like bumps."

Professor Marshall hit on the idea that students were unaware of where they were going. "If the student could find what he desires from college, he would do much better," said Marshall. Students could take more advantage of the counseling services, according to Marshall. They would profit greatly.

Professor Caldwell said that students have too much social life during the week, and that some students let extracurricular activities tear down their grade point. "Cut down the social life during the week, and let them bust lose on the weekends if they have to," said Caldwell.

Caldwell further said that due to the increased enrollment we now have, and the further increases anticipated, students will have an

TODAY
Student Activities Council, SUB Conference Room C, 7 p.m.

"Just Us" Club, SUB Ladies Lounge, 7:30 p.m., social meeting.

IK, SUB Conference Room A, 9:30 p.m., members are asked to bring pencils and paper.

Vandal Riders, SUB Conference Room B, 6:30 p.m., members are asked to bring names of all candidates for advisor.

Alpha Phi Omega, SUB Conference Room B, 9 p.m.

George E. Witter To Speak Thursday

George E. Witter, assistant professor of mathematics, will speak on "Recent Developments in Astronomy" Thursday at 8 p.m. in Home Economics Building, room 6.

He will discuss some new research techniques, such as radio astronomy and the use of variable stars for determining stellar distances.

Witter will also summarize briefly the results obtained by using these new techniques. His speech is the last of three by faculty specialists talking in the area about which they are particularly informed. The series, presented by the American Association of University Professors, is for students and all others interested.

Previous talks this fall were given by Professors Harry H. Caldwell and Milton H. Voigt.

SAEs Are Sued By Former Cook

The Idaho Chapter of Sigma Alpha Epsilon has been sued for \$10,000 by their former cook, Ida M. Lyle, of Clarkston, Wash. She claims she suffered injuries from a defective range while cooking for the fraternity last April 22.

She claims that an electric shock from the stove threw her to the floor and injured her left shoulder and arm.

The suit was filed in the Federal Court. Zeta Chi Alpha, which the plaintiff said owned the property occupied by Sigma Alpha Epsilon, was named as a co-defendant.

Barber Talks At Ag Meet

Highlight of the Ag Club meeting held last Thursday was a talk on the Belgian Congo by J. W. Barber, Barber, Extension Studies specialist, has just returned from a six-month stay in the Congo.

He stated that the population of the Congo is approximately 11 million, of which 65,000 are white. Most of the population is centered around the tribe with the chief being responsible for his people, he said.

The farming is very primitive with each family owning from two and a half to ten acres. The big plantations are owned by companies, rather than individuals.

To illustrate these points, Barber accompanied his talk with slide pictures taken in the Congo. Professor R. H. Ross, dairy husbandry, was elected Little International advisor. George Passmore was elected publicity chairman for the event.

Spurs Host At Banquet

All former Spurs on the U of I campus will be guests at a banquet given in their honor by the active Spurs Wednesday night in the north ballroom of the Student Union.

During the banquet, which will begin at 6 p.m., the Spurs of last year will receive awards from the active Spurs for acknowledgment of their services to the University last year and for their assistance to the chapter this year.

The entire expenses of the banquet will be covered by the chapter treasury.

Serving on the entertainment committee for the banquet is Dixie Kroush, Jean Teutsch and Nancy Backstrom. On the invitation committee is Evonne Rupel, Eula Gray, Margaret Johnson and Dorothy Jamison. The place card committee is Shirley Holden, Janis Archibald, Eleanor Henry, Jeanne Parkinson and Mary Dunn.

Idaho Is Strictly For The Birds This Year

It appears as though Idaho is strictly for the Bird(s) after a look through this year's Kampus Key which is coming out Friday. Along the line of the bird population Idaho has three Crows, a Peacock and a Piper.

Not to forget the animal world Idaho claims a Jenny and four Fox(es). If it's true that names are revealing then a quick look through the Kampus Key should be better than the Kinsey Report.

Don O'Neill was editor of the Kampus Key this year with Roger McPike serving as sales chairman.

The Kampus Key is published every year by Blue Key as a service to the students and interested persons.

The price of the Key this year will be 50 cents which is to cover the handling and publishing costs. Copies of the Key will be available from Blue Key members at the various living groups or else at the ASUI office.

Comical 'Island Rescue' Is This Week's Movie Feature

By Joe Corless

An hilarious jibe at war time red tape comes Thursday in the ASUI movie series to the Borah theatre. "Island Rescue," or operation cow-nap, will be shown at 4, 7 and 8:30 p.m.

Newsweek calls "Island Rescue" a "calculated spoof" on the part of the British at the foolish things done in war. "When the English put their minds to it they are better than anyone else at kidding themselves," adds Commonweal.

Venus, "a goddess among cows," lives on the channel island of Armored. The Germans invade the island in 1940 unaware of the value of Venus. Venus is in calf

(Continued on Page 2, Col. 2)

The GOLDEN FLEECE by Jason

We think we witnessed one of the biggest moments in a man's life—in fact a few thousand others watched it too. It was watching Skip Stahley as he received the keys to a spanking new buggy.

Here was a four-wheeled "thank you" that summed up a season of hard work for Stahley, his fellow coaches and a swell bunch of football players.

We're grateful to you—Athletic Round Table—for helping us, the students of Idaho, thank Skip Stahley and team for a top job.

And a "job well done" to you Marcia Thornton and Jack Wilson. Between the football, the band and the student cheering we can chalk up a 100 per cent success for this year's Dad's Day.

The band's rendition of "Droodles" was a credit to any school. The Drill Teams were tops also.

We did, however, notice something lacking. And nothing new around here. As usual the sound was fouled up. A highlight of the year is scheduled and four thousand people have to sit and guess what's going on. It's about time we organized something substantial in the way of sound equipment.

If you remember, it was a strain on the ears, to hear any part of the Homecoming program.

The Jason side of the Yellow sheet and law school caper will be found on page two under "Dear Jason."

Norm Logan To Present Recital At 8 p.m. Tonight

Logan will sing "Songs of Travel" as this part of his program. The songs are settings of well-known poems written by Robert Louis Stevenson.

Other songs to be sung in English are by composers Quilter, Gee, Barber and Rasbach. Logan's final group includes John Sacco's fittingly satirical song, "Mexican Serenade."

The Prologue from the opera "Pagliacci" will be sung in Italian. Logan will also sing a group of songs in a song-cycle by the German composer Fielitz in the foreign language part of the recital.

Workshop Held Today

Jane Farewell, recreation specialist from Dodgeville, Wisc., will conduct a recreational workshop today in the Women's Gym. This workshop will be held in two sessions 1-4 p.m. and 7-10 p.m.

Miss Farewell has been going around the country for 17 years conducting workshops, helping 4-H groups and doing various kinds of recreational work.

This clinic will include party planning, festivals, folklore, folk dancing and leadership training. Emphasis will be placed on how to get groups together, running parties and leading recreational games.

Anyone interested in recreation is invited to attend this session and it will be free of charge. Group participation as well as lectures is planned.

The program is open to the public without admission charge.

Dean David To Address Assembly

One of the University of Idaho's most distinguished graduates, Dean Donald K. David of the Harvard Graduate School of Business Administration, will speak at a special convocation at the University Auditorium at 11 a.m. Friday, November 19.

Recently, Mr. and Mrs. George F. Jewett of Spokane established in the dean's honor the Donald Kirk David graduate fellowships at Harvard. There awards go to outstanding students of universities and colleges in Idaho, Washington and Utah. Mr. Jewett is chairman of the board of Potlatch Forests.

Executive . . . Board

5. Open.

The Idaho Argonaut

Member Associated Collegiate Press

Official publication of the Associated Students of the University of Idaho issued every Tuesday and Friday of the college year. Entered as second class matter at the post office at Moscow, Idaho.

What Is Education's Goal?

In the examination of individualism, it was shown in the previous editorial that a state which rules by authoritarian methods alone will try to preserve its vital self in the manner in which it educates its citizens. Are people, today, accepting the herd because of a definite ingraining of this idea as the goal of the school system?

Plato probably devised one of the earliest system of education. Its goal was to discover and train those who had the ability of particular jobs. Thus, briefly, the man who was capable of being a government official was, after an education in rhetoric, which all received, trained along those lines. This method obviously dealt with the individual, but it assumed that he was an unemotional being. Perhaps the above man would rather be a painter.

We fall into the same trap today when IQ tests, comprehensive tests, aptitude tests and the like are used to tell someone what he should choose for a profession. For example, there is a student on this campus who wished to go into chemical engineering. His tests showed him to be quite weak in mechanical aptitude. He entered another field. Now, he is a senior in college. He is confused and worried over his future. He has switched his major several times.

Now it is too late. Would his enthusiasm for chemical engineering have permitted him to overcome his weakness in mechanical aptitude? It is impossible to really say, but it would seem that it would have been better to have treated him as an individual rather than a statistic based upon data relative to masses of people.

One of the errors in today's education system is that it exists principally to train boys and girls to be "integrated with the group," says Gilbert Highet, noted professor of Latin and literature at Columbia.

In a following editorial an examination will be made of the effects of contemporary educational systems upon the individual en masse. Highet gives the goal for these systems—"It is to train the individual mind as intensely and to encourage it as variously as possible—since much of our better and our more essential life is lived by us as individuals, and since (in the advancing age of mass-culture) it is vital for us to maintain personal independence."

Students, Alums Stage Hot Rally

SAN FRANCISCO (ACP) — City cops took a dim view of an impromptu bonfire victory rally here after the UCLA-California football game across the Bay at Berkeley.

Seems the L.A. school's supporters tossed No Parking signs, newspaper racks and park benches into a bonfire at Union Square, in the heart of downtown San Francisco.

One of the 10 rioters carted off to the pokey was a UCLA student. Others ranged in age from 25 to 59 and in occupation from business executive to waiter.

Traffic Tickets Go For Scholarships

CINCINNATI, O. (I.P.) — Park your car wrong at the University of Cincinnati and help a deserving undergraduate through college. That's the result of the first year of enforcing the campus parking violation penalty system, according to Ralph C. Bursiek, dean of university administration.

He reported that seven \$150 scholarships have been awarded undergraduates for the academic year 1954-55 from parking penalties of \$2 for each offense. Dean Bursiek also noted violations have been steadily decreasing in number.

ROTC Professor Attends Meeting

Lt. Col. James A. Moore left last week end to attend the ROTC Conference of the Professors of Military Science and Tactics in the Sixth Army District, held at Presidio, San Francisco, Calif.

While Lieutenant Colonel Moore is attending this conference with the PMS&T's from the ROTC units he will work on the policies of the Army ROTC program which the committee will recommend to the officials of the ROTC program in Washington, D.C.

Phi Delta Kappa, Educational Group Initiates Fourteen

The University of Idaho chapter of Phi Delta Kappa, professional educational fraternity for men, has initiated 14 new members into the organization.

They are Richard Blinn, Edwin Hudson, Richard Symons, Maurice Clegg, Eldred Huetig, Stewart Allor, William Conroy, Charles Bond, Richard Kamlin, and Ben Chichester.

Philip Hull, Scott Stewart, Donald Dial and Raymond Johnson.

The organization is currently preparing spot radio announcements dealing with problems in the field of education.

Here's More About—Comical

In the meantime, of course, the Germans' spy system advise them of the cow's worth and Island Commandant George Colouris prepares to ship poor Venus off to Germany.

"Island Rescue" is a tour de force of arms with a British ship braving German mines and the Luftwaffe and a British destroyer sinking a German E-boat to rescue Venus.

The War Office doesn't care about Armored for its strategic value, but when high officials of the Ministry of Agriculture start doing some prodding the sincere British swing into action.

Director Ralph Thomas captures the bustle of activity on Operation Venus with a "neat arrangement of tongue-in-cheek humor," says Newsweek.

From Number 10 Downing Street, the War Office, and the Ministry of Agriculture, the scurry of clerks on Operation Venus strikes with subtle jibes at the preparations of a war time mission, particularly since the kidnapping of a cow is the object.

"This film successfully mixes the serious tone of the war situation with a jaunty British air of getting the job done even if it does appear a little silly," says Commonwealth. Or as David Niven puts it, "We expected blood, toil and sweat—but not Venus."

LITTLE MAN ON CAMPUS by Dick Bibler

"Did you notice that genuine imported cashmere sweater?"

New Math Club May Be Formed

Mathematics students interested in forming a Math Club are invited to attend a meeting for that purpose in Ad 317 at 4 p.m. on Wednesday, November 17. Any student who has taken or is now taking a mathematics course may come.

A panel discussion on mathematical opportunities in industry will be presented at the meeting.

Freshman Leaves After Breakdown

Laurence J. Smith, a freshman majoring in Pre-Med from Willis Sweet Hall, left school yesterday to undergo treatment at the Orofino State Mental hospital for a condition resulting from a "mental breakdown" according to Dr. Ralph M. Alley, University physician.

Dean Charles O. Decker said that Smith, who has been under observation since the middle of last week, "was in a state of high excitement and tension."

Frosh Will Attend 4-H Club Congress

Greta Eldred, freshman home economics major from New Plymouth, is one of 25 Idaho 4-H members to attend the national 4-H club congress in Chicago, November 28 to December 2.

She won the trip as a reward for outstanding work in home improvement. Previously, she attended the Pacific International Livestock Exposition in Portland, Ore. She will leave for Chicago November 25 by train.

The absent-minded professor and his absent-minded wife were spending a quiet evening at home when someone banged on the door. She yelled, "O Gosh, my husband!" And he jumped through the window.

Graduate Of Idaho Gets High Position

Robert G. Elliott, a 1928 graduate of the University of Idaho, has been named assistant chief engineer with the American Telephone and Telegraph Company in New York, it was learned here today.

Prior to his recent promotion, Elliott was chief engineer for the Southern California area of the company. In his new position, he will direct the long-range planning of the 21 Bell System operating companies.

"I don't have any brothers and sisters," a Hollywood kid explained, "but I have three papas by my first mamma and four mammas by my last papa."

DEAR JASON

We are pleased to see that you had the decency to publicly admit that Mr. Jergensen was in no way responsible for the "yellow sheets." We feel, however that you have merely side-stepped the issue which we raised in our first letter, which you refused to publish. Your Friday's article still carried the implication that the author of the "yellow sheets" was a student of the College of Law. We therefore reiterate our challenge to name the particular person or persons, or to admit that you had no valid basis for your former accusations.

The Committee of Law Students.

Your first letter would have been published at that time if certain wording would have been in better taste.

Of course, we are referring to the last half of the last sentence in the first paragraph. Vulgar words are not permissible in a newspaper no matter who endorses them.

We held the letter, promising to publish it in the following issue after deleting or "editing" this certain part.

Your mimeographed letter accused us of definitely "stating" that the culprit was a law student. In the Golden Fleece we "suggested" what our opinions were.

It was Jason's personal opinion—and Jason still holds it. If you want to continue writing letters we shall be glad to publish them as long as the language is in good taste.

—Jason.

This letter was submitted to the Argonaut Thursday, it was held until this issue for the purpose of deleting certain unprintable language. It was printed in full by mimeograph and delivered unofficially with the Friday, Nov. 12, Argonaut.

—Ed.

Dear Jason: Tuesday, in your libelous column, you stated that the author of the "yellow sheets" was a student of the College of Law, and then inferentially implicated one of the most popular and respected students in campus politics. Your article points directly at Mr. Jergensen, and held him up to considerable contempt and ridicule, and yet you have stated publicly, and to Mr. Jergensen privately, that you never aimed your article at him; yet the article so obviously

Dr. J. Hugh Burgess

OPTOMETRIST

Complete Visual Analysis
Duplication of frames and lenses in our laboratory.

O'Connor Building
Phone 2344

points at him that it shows either a complete lack of thought or your usual irresponsible attitude in composing your articles. A little thought would have shown that it pointed at Mr. Jergensen and you would have excluded him from your incriminating smear of the rest of the Law School. (Sentence deleted).

If you know who this person is, then it is your duty to the readers of your column to name him individually, and not smear a whole group without any basis for an attack. This smells of McCarthy tactics and certainly has no place on this campus.

Our challenge to you... "If you know who this person is, then print it in your column Friday, Nov. 12, 1954. If you don't know then admit in your column that you don't know. In short, put up or shut up! We respectfully await your answer."

An interested committee of Law Students...

P.S. "We don't know who printed the "yellow sheets" and we don't think that Jason does either."

DEAR JASON

Dear Jason: Until now we have felt it unnecessary to take any more pains concerning our identity than to use "Special Students Investigating Committee." However, due to your malicious and prejudiced attacks on our organization, we feel now that we must state our reasons for remaining anonymous.

First lets get down to brass tacks—you already know why we can't state our identity, but for those students who read your trashy column perhaps we had better. You know that if we were to state our identity we would be both socially and scholastically persecuted by, not only the student but also by certain members of the faculty. Now try and say you didn't know this Jason—also try and say you didn't know it before you made your attack on us in

ART'S CAMPUS BARBER SHOP

FOR CAMPUS MEN
IT PAYS TO LOOK WELL

your column, for not printing our names. The reason you have been attacking us is that your afraid. You know that there is more dirt connected to campus politics than has been brought to light, and your right in the middle of it. By this we mean your deliberate playing of our paper to aid your winning the election.

Stop kidding Jason you know what we printed was true—and you have deliberately covered up the truth. Politics are rotten on this campus—and yours just as rotten as the rest. We will continue fighting dirty politics and negligent representation on this campus as long as were needed.

Its quite evident no one has honestly represented the students since the TPA.

Special Students Investigating Committee

You can consider this "yellow sheet" number four. It was received via U.S. mail and was unsigned.

—Jason.

Bustling Campus Entertains Dads

Living groups across campus spent an active weekend welcoming Dads to the University with dinners, house decorations and special house functions.

Alpha Chis initiated a new Dad's Day idea by planning a breakfast for their Dads. At the Tri-Delt house several of the Dads provided entertainment.

Tau Kappa Epsilon announced new officers this week, with Art Schmauder leading the group as president.

Guests at the Dad's Day breakfast were Mr. Raymond Bacon, Milton-Freewater, Ore.; Mr. Merwin Harding, Nezperce; Mr. Willis Coyle, Nampa; Mr. W. D. Hall and Mr. R. T. Hale, Pocatello; Dr. W. H. Steffens, Moscow, and Mr. William Bonnett, Olympia, Wash.

Dads present at dinner Sunday were Mr. Bacon, Dr. Steffens, Mr. R. T. Hale and Mr. W. D. Hale. Elaine Hyland was chairman of the open house and buffet dinner over the weekend, and Janet Daigh was chairman of the house decorations.

House guests over the weekend were Jo Ann Immisch, Georgia Connealy and Marilyn Coyle, Nampa, and Sally Rust, Coeur d'Alene. The Alpha Chis are looking forward to a dinner exchange tomorrow with the Sigma Chis.

Verna Satgast left Sunday for Lewiston to do her practice teaching.

Art Schmauder was elected TKE president last Monday in house elections. Other officers are Dale Dammerel, vice president; Monte Weaver, secretary; Fred Martin, chaplain; Tad Kuga, pledge trainer; Ed Story, historian, and Dale Martin, sergeant-at-arms.

Guests last Wednesday were Dean and Mrs. Decker and daughter Susan. Mr. and Mrs. Dalby Shirley were chaperons at the exchange with the Gamma Phi.

Larry Lake announced his pinning last week to Irene Callahan, Hays Hall and Fred Martin told of his pinning to Ruth Korvola, Ethel Steel.

Serenades were given honoring these girls and Dorothy Dalke, Alpha Phi, who was pinned to Glen Christian last spring. Better late than never.

Entertainment was provided by Marigay Nelson for the dance which was termed as one of the club's most successful in years. Chaperones were Mr. and Mrs. E. W. Olson and Mr. and Mrs. Alfred Prince.

DELTA TAU DELTA Dad's Day at Delt Shelter was a great success, with the house decorations placing third. "A Sioux Barbecue For You, Dad," was the theme carried out, despite the fact that the decorations were almost lost in the fire. Thanks to the quick action of a certain member, they were saved.

Among the many guests at the Delt house over the weekend were Mr. and Mrs. Simon, Mr. and Mrs. Frostenson, Mr. and Mrs. Jewett and Gary, Mr. and Mrs. Durall, Mr. Nelson, Mr. and Mrs. Walker, Mr. and Mrs. Shern, Mr. and Mrs. Fisher, Mr. and Mrs. Wisdom and Allan, Mr. and Mrs. Dixon, Mr. Anderson, Dr. Wilson, Nancy Benfer, Dixie Krousch, Colleen Watson and Marcene Jeffrey.

CAMPUS CLUB After a week of hard work by the

Visiting the chapter today is Dillar Wood, national chapter visitation officer from Columbia, Missouri.

Thanks go out to Dave Powell and Bob Koonlz who were in charge of the decorations and Dad's Day open house.

DELTA DELTA DELTA Thanks to the Delta Sigs and Kappa Sigs for your seranades in trade of trophies and shoes.

Dads were honored at a buffet dinner Saturday night. We especially thank Mr. Grady, Mr. Farber and Mrs. Hanchey for the entertainment they gave us after dinner.

Dads and other guests of the Tri-Delts were Mr. and Mrs. Herbert Solum, Mr. Floyd Robinson, Mr. and Mrs. H. W. Cady, Mr. and Mrs. Clarence Carlson, Larry Carlson, Mr. Olga Paulus, Barbara Jones, Jo Ann St. George.

Also present were Mr. and Mrs. H. G. Robson, Mr. and Mrs. Lou J. Farber, Mr. Lewis E. Hack, Maida Hanchey, Mr. Frank Varin, George Varin, Mr. and Mrs. Ermill S. Jerome, Mr. and Mrs. Edward Reichert.

Michael Grady, Mr. Glen Grady, Mr. and Mrs. Orien Baker, Mr. and Mrs. Roy D. Merrill, Jr., Mr. and Mrs. Dick Thatcher, Mr. and Mrs. Lyle Sabin, Mr. and Mrs. Kenneth Dickenson and Carol Ann, Mrs. John Oud, Jr., and Mrs. C. D. Moore visited us.

Preparations for Dad's Day highlighted the week's activities at Hays Hall. Decorations were planned around the theme "My Heart Belongs to Daddy." Congratulations to the Pi Phis who won first place with their house decorations.

Special entertainment was provided for the many guests who were here for Sunday dinner. The "Triple Trio" sang two numbers, and Catherine Knapp was featured at the piano.

The Triple Trio sang back at a recent TKE serenade, honoring Irene Callahan. A free serenade was given the girls by the Kappa Sig pledges who were looking for lost articles of clothing. Sorry we couldn't help you, fellows!

A new addition to Hays Hall is a television set, acquired last week. Already it has demonstrated its worth by providing entertainment for Dads, dates and all the girls.

A surprise fireside was given in honor of the upperclassmen by the freshman last week as a token of thanks for their kind treatment given the freshman by the upperclassmen after their sneak.

BETA THETA PI Three married members and their wives, Mr. and Mrs. Robert King, Mr. and Mrs. William Fisher, and Mr. and Mrs. Charles Carmen, were dinner guests here Wednesday evening, November 10.

Also Wednesday evening was the Fresh exchange with the Thetas. Dancino and a short movie of the Homecoming parade highlighted the function.

Numerous guests visited the Beta house during Dad's Day. There were 78 visitors Friday, Saturday and Sunday.

Bob Benjamin, Beta pledge, left for his home in Idaho Falls Saturday, until after Thanksgiving, because of a serious illness.

We hope that Billie Hanchey and her mother had a good time Saturday night.

SIGMA NU Two hundred guests signed the register at the house for the Dad's Day weekend. Special guests last Thursday evening were Mr. and Mrs. Ellis Shawver, Eden, and Mr. and Mrs. Russell Whitney, Highland Park, Ill. Following dinner the narrated movies of the Idaho-WSC football game were shown in the chapter house.

Oslo School Will Open In Summer

Announcement is made this week by the University of Oslo Summer School, of the ninth session to be held July 2-August 13, 1955, in Oslo, Norway. Courses will be offered in the fields of humanities and social studies, education system of Norway, graduate seminars in Norwegian education, literature, and social and political problems.

The summer school will also feature two new courses in physical education in Scandinavia (with special emphasis on Norway).

All classes will be conducted in English and an American member is on the administrative staff.

Housing is provided in the Blindern Students Hall for single students. Married couples are accompanied in private homes.

Six semester-hour credits may be earned in the six weeks course and the session is approved by the U. S. Veterans Administration for veterans under P. L. 346 and P. L. 550. Applicants should have completed their freshman year not later than June, 1955.

For catalogue of courses, preliminary application material, or any further information, write to Oslo Summer School Admission Office, care of St. Olaf College, Northfield, Minnesota.

Idaho Spurs Eula Gray and Jane Remsburg sported their white uniforms last week-end at the Regional Spur Convention in Ellensburg, Wash.

Spurs from Idaho, Montana, Washington and Oregon schools met on the campus of the Central Washington College of Education to exchange ideas, promote better inter-school relations and formulate standard policies.

Eula Gray was sent as official delegate and Jane Remsburg as alternate. Their expenses were paid by the Idaho chapter.

Spurs attending the convention came from Idaho State College, Washington State College, Montana University and Montana State College, Seattle University, College of Puget Sound, Pacific Lutheran College and Central Washington College of Education.

Local Stars Aired Tonight On KUOI KUOI and the Radio-TV Guild will combine to air the "Idaho Stars" program today. The show will be heard at its regular 7 p.m. time.

It will originate from the Radio Center and Guild members will take over the actual production of the show which will be aired from the studios of KUOI.

Fireside; "Faith" Set For Churches

An Inter-Church Council fireside at 8 p.m. Sunday at the Campus Christian Center, will lead off Church activities for this weekend.

"A matter of faith," will be the discussion topic of Newman Club members and any other students wishing to attend in the SUB Syringa Room tonight at 8 p.m.

There will be a coffee hour at the CCC Wednesday at 4 p.m. for all Methodist students.

The Church Membership Seminar, led by the Rev. David Seaman, will meet downstairs in the CCC Thursday at 4 p.m.

The Methodist Church Choir will practice at the CCC Thursday at 9:45 p.m.

All married students and their families are invited to attend a potluck supper at the First Methodist church Friday at 8:30 p.m.

There will be a coffee hour from 4 to 5 p.m. Thursday at the CCC. The regular meeting will be held from 5 to 7:20 Sunday at the First Christian Church. There will be fun, recreation, supper, and worship services. All students are invited to come.

INTER-CHURCH COUNCIL An Inter-Church Council meeting will be held Thursday at 8:45 at the CCC.

There will be a fireside at the CCC Sunday at 8 p.m.

WESTMINSTER FORUM A coffee hour will be held for members and their friends between 4 and 5:30 p.m.

Tonight the study group will meet at 7 p.m.

College-age Sunday School meets at 9:30 a.m. Sunday morning. Church will follow at 11 a.m.

Westminster Forum will be held between 5 and 7 p.m. Sunday Cars will leave the CCC for the Presbyterian Church at 4:45 p.m.

There will be a discussion meeting tonight in the Syringa Room of the SUB at 8 p.m. The discussion will be on the matter of faith. All students are welcome!

CANTERBURY CLUB All members of Canterbury Club have been invited to a reception in honor of the Rev. and Mrs. William Blewett, in the crypt of St. Mark's Episcopal Church at 8 p.m. Tuesday.

Canterbury Club will not meet tonight so that students may attend the reception.

Ann Reading, chairman of the Christmas Bazaar, has asked everyone to encourage his parents to send the gifts for the Bazaar as soon as possible since they must be arranged and marked before the end of this month.

Remember! Reception at St. Mark's in lieu of Canterbury tonight.

Geologists Take Trip; Visit Mines

Fourteen University of Idaho students and two geology professors left here Monday night for the Coeur d'Alene mining district and the first stop of a three-day educational field trip to nationally-known mines in Idaho and Montana.

The students, taking a course in ore deposits, will visit a lead mine and the geological office of the Bunker Hill and Sullivan Mining Company in Kellogg Tuesday. This will be followed by tours of Anaconda Copper Mining Company copper and zinc mines near Butte, Montana. Completing the field trip will be a visit at the new open-pit tungsten mine operated by the Mineral's Engineering Company, 40 miles south of Butte.

Accompanying the students will be Earl F. Cook, head of geology and geography at the University, and Agatin T. Abbott, assistant professor of geology.

Class members making the trip include James Barron, Walter Lovejoy, Eugene Moon, Glen Greeley, Henry Eyrich, William Collins, Theodore Lessard, Kenneth Fox, Teddy Ciesielski, Robert McKeever, Gurcharn Sidhu, James Tinto, David Pinkard and Jack Hooks.

An outstanding student while at Idaho, Bahr was president of the Associated Students in his senior year. He was a member of Blue Key, leadership fraternity; Silver Lance, Senior honorary; Alpha Zeta, agriculture honorary and Scabbard and Blade, military honorary. He was also a varsity boxer.

There will be a fireside at the CCC Sunday at 8 p.m.

VANDALS ROMP 45-0, BABES WIN FIRST GAME

Dakotans Outclassed By Stahley Power Unit

Idaho ran over outclassed North Dakota University 45-0 here Saturday to win its third game in a row in a display of one of the finest single game offensives in Vandal history, chalking up a total yardage of 543 yards from scrimmage. The win was the Vandals first at home in 19 games when in 1952 they beat the Nodak's cross-state rival North Dakota State College at Neale Stadium. Lightning-fast Wilbur Gary started the scoring onslaught on Idaho's second play from scrimmage racing 89 yards on a pichout for a touchdown.

Coach Skip Stahley emptied his bench midway in the second half or the Vandals might have soared

the score even higher. Idaho gained 475 yards on the ground to North Dakota's five and added 68 yards through the air for the net 543.

North Dakota's thin eleven fought hard all the way but didn't have the depth or the club to threaten the Vandal goal line. The closest they penetrated to the Vandal goal was the 38-yard line, reached three times.

George Eidam generated the attack with Gary, Bill Lawr, Mel Schmidt, Bill Baxter and Ron Braden carrying the brunt of the 5 ground offense. The Idaho line completely outmatched North Dakota's as the rushing figure of five yards shows and gave Eidam and Gary Cozian plenty of time to throw from their quarterback position.

Gary was Idaho's individual top ground gainer as he picked up 160 total yards. This yardage was picked up in six carries for a 26.6 yards gained per carry from scrimmage. Gary has been high ranked in Pacific Coast Conference total rushing and the yardage picked up Saturday should keep his average among the top ten rushers.

Lawr Gains
Lawr picked up 112 yards in nine carries for a 12.4 average followed by Baxter 86 yards in 8 carries and Braden 34 yards in four tries.

The game was the final home contest of the season and the final before the home crowd for ten seniors, Burch Roark, Eidam, Lawr, Ted Frostenson, John Armitage, Frank Texverbaugh, Paul Giles,

TAKE FIVE

WITH JOHN B. HUGHES

The North Dakota-Idaho second half Saturday gave fans a chance to look at some of the boys who are going to be carrying on the next year or two for the Vandals. For several, it was the first time they have actually seen action.

One of the biggest surprises was halfback Ron Braden, a jaycee transfer sophomore from Lodi, Cal. Braden as a halfback churned for good yardage and kicked twice, one better than 35 yards. Braden's speed was also apparent as he hit the line hard and continued driving for added yardage.

Reserve fullbacks Warren Hawley and Bill Baxter gave good accounts of themselves jumping for large yardage by bulling through not-too-large holes opened by the reserve line.

Other sterling performances were turned in by Cal Hilgenberg, halfback; Gary Cozian, quarterback and halfback Ralph Kendley who returned to the lineup Saturday after being injured in the WSC game.

Turning to the Idaho line three sophomores and a junior looked like they will be some help next year. Pete Gerpheide, an end; Fred Magee, a guard; Bob Myers, an end and John Payne a guard, had little trouble leading the Vandal offense. The latter three have not seen too much action this season.

Pass Counts
Gerpheide juggled a 16-yard pass from Cozian in the second quarter and held on to hit with two North Dakota defenders nearly trangling him. Gerpheide and his second string wing mate, Ed Hilder, have shown great improvement in the past games.

Saturday's outstanding plays — Wilbur Gary raced 89 yards along the sidelines with key block thrown by Dick Foster on the second play from scrimmage for the Idaho first touchdown. . . . Bill Lawr's cool recovery of a fumble of a received kicked and ball and running it back 66 yards through the entire North Dakota team for a score. . . . Vicious tackling and blocking of the Idaho line led by Capt. Burdette Hess, Ed Barton, Paul Giles and Foster. . . . The ability of an inexperienced third team to hold the Nodaks at bay for nearly a quarter and threatening deep into opponent's territory only to fumble on the three-yard line.

New Merc
Anyone who needed a ride home from the game Saturday only had to ask Coach Skip Stahley. For his job this season, the Coeur d'Alene Athletic Round Table presented Stahley with a 1954 Mercury and his assistants Earl Klapstein, Gene Stauber and Jay Pattee with certificates for new suits.

In conjunction with the presentation of these gifts. . . the field microphone went on the link for the presentation and the actual ceremony could only be seen by the audience. The crowd looked forward to hearing Coach Stahley in this overjoyed instance. . . but bingo, no mike.

Dick Foster, Idaho tackle, is from New Meadows, not from Hailey.

Gary Churns For 89-Yard Score

Wilbur Gary, at right with ball, skirts his left end for scrimmage in the 45-0 rout of North Dakota. Others in the picture are Ted Frostenson (on ground) blocking Nosey, Ron Kavadas, North Dakota (30), Idaho's Jerry Gary picked up 160 yards in six scrimmage carries for an of 26.6.

Passing Shines In 25-6 Blasting Of Montana Club

Quarterback Gary Kenworthy completed seven out of nine passes Friday, one of them for a 60-yard touchdown to Halfback Larry Norby, and the Idaho frosh went on to win 25-6 over Montana for their first 1954 victory.

Kenworthy's passes to Norby set up two other Vandal Babe scores and gained a total of 212 yards. Norby's hear-up running and receiving was a big difference for the slow starting but hard hitting Babes. Norby caught passes for 59, 60 and 34 yard gains.

The Frosh hit as a slid unit for the first time this season and were able to take advantage of several Montana mistakes. The Cubs gave Idaho a scare in the opening period marching for the opening score, but were completely outplayed the remainder of the game.

The big Idaho line struck hard at the Grizzly Cubs' offense and provided their own passers enough time to complete 10 of 16 passes for 241 yards. Idaho gained a total yardage of 354 to Montana's 194.

The game was the last of the season for both clubs, Idaho finishing with Friday's win and two setbacks. Montana had one win and one loss.

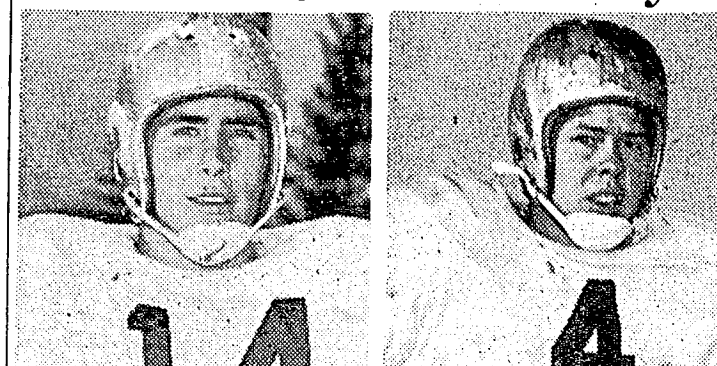

Draw First Blood
The first time Idaho got the ball they missed getting a first down by inches and two Montana halfbacks Tom Farrell and Ron Johnson spearheaded a 45-yard drive for the Cub's only score. Farrell scored on an off-tackle slant from 15 yards out on the eighth play. The conversion attempt by quarterback Rich Bray was blocked.

The two clubs battled on even terms until with less than four minutes remaining in the half Idaho recovered a Montana fumble on their own 30 yards line. Kenworthy hit End Wade Patterson for a first down at the 40 and then heaved to Larry Norby, who had streaked down the sidelines some eight or ten yards behind the Cub defense, for a game-tying score. Norby took the pass on the 25 and hit paydirt without a hand being laid on hit.

The Babes put together a 90-yard sustained drive late in the third quarter to break the tie. Halfback Dan Davis climaxed the march with a two-foot plunge. Again Jerry Kramer, bothered by a stiff cross wind, missed the conversion attempt.

The hosts added a pair in the final quarter as Montana ran out of reserve strength. In the opening seconds of the period Kenworthy passed to Norby on a similar deep pass good for 59 yards to the Montana 14. A delay of the game penalty set them back to the 19 but the deadeye field general rifled to Patterson at the five-yard line and Norby carried off right tackle to score on the next play. Kenworthy set up the final Idaho

Kenworthy To Norby

Gary Kenworthy (top), completed seven out of nine passes Saturday in aiding the Vandals Babes to a 25-6 win over Montana. Quarterback Kenworthy hit halfback Larry Norby (bottom) three times for gains, twice of 59 yards and a third time for 34 yards. Norby streaked past the Montana defenders each time to take the passes. One was good for the Vandal Babes first score. Norby banged five yards for a third Idaho score.

Willis Wins In VB Play

Willis Sweet 1 dropped the intramural volleyball defending champs, Lindley Hall 1, yesterday to take the lead in the independent division tournament.

Idaho Swim Team Weak In Several Departments

The Idaho swimming teams end a week of practice tonight and according to Coach Eric Kirkland, both varsity and frosh, are coming along better than expected.

Idaho won four and lost three meets last season in the best record ever produced in swimming in Idaho's history, Kirkland said, and the team is out to do better this year.

Fourteen frosh and 15 varsity swimmers are currently working out each night. Monday, Wednesday and Friday, practice sessions involve distance swimming for conditioning and wind improvement and Tuesday and Thursday the two teams work out in a mass practice where individuals work with Kirkland on sprints, kicks, turns and starts.

In swimming, Kirkland points out, you need two men for each event. We are pretty strong in diving, sprints and breast stroke, but lack strong entries in the backstroke, distance and individual medley events.

Three Praised
Kirkland singled out three top swimmers who he says will be top point getters for the Vandal Fins Russ Whitney in the diving, Jerry Jones in the individual medley and Fritz Holz in the distance, have

Fans To See UI-WSC Film Tomorrow

Football fans who missed the Idaho Vandals thrilling 10 to 0 upset victory over WSC three weeks ago will at least have a chance to see the films of the game.

Coach Skip Stahley and one of his assistant coaches will narrate the film of this game tomorrow evening at 7:30 in the Borah Theater in the Student Union.

Approximately 75 enthusiastic football fans were on hand last Wednesday noon for the showing of the films of Idaho's 14 to 13 win over Utah. This showing was the first of its type here and the SUB committee, which sponsors these films hopes to bring other games in the future.

It is hoped that more students will be able to see the movie in the evening than at noon.

The next film will be shown some time after Thanksgiving vacation.

Lewiston Chamber To Honor Idaho Athletic Officials

Three Idaho athletic officials will be honored guests tonight at a Lewiston Chamber of Commerce City Athletic banquet.

Invited to the dinner are Dean T. S. Kerr, Idaho faculty representative to the Pacific Coast Conference; Robert Gibb, athletic director, and Frank Young, assistant athletic director.

Young will show movies of the WSC-Idaho football game to the audience, which plans to honor the unbeaten Lewiston High School team.

A WRA board meeting is scheduled for Thursday, 6:45 p.m. All WRA house representatives please be there.

The gym will be open Wednesday, Thursday, and Friday four house volleyball practice. If anyone wishes to learn, this is their chance.

No filter compares with L&M'S MIRACLE TIP

for Quality or Effectiveness

Isn't it time you tried the cigarette that is sweeping the country... breaking record after record... winning more smokers in less time than any cigarette ever did! Why such success for L&M? It's the filter that counts, and L&M has the best. You get much more flavor, much less nicotine... a light and mild smoke... because only L&M's Miracle Tip gives you the effective filtration you need.

Enjoy L&M's king size or regular... both at the same low price. Like thousands, you'll say—"They're just what the doctor ordered."

More Flavor — Less Nicotine

America's Best Filter Cigarette!

Filmom's Diana Lynn: "I think the Miracle Tip is the most modern filter... and L&M the best-tasting filter cigarette."

David Wayne, Stage & Screen: "L&Ms have the best filter of them all. Miracle Tip is right! There's nothing like it."

Mrs. Laddie Sanford, Socialite Sportswoman: "I love L&Ms. Wonderful filter—exceptional taste!"
